Incident Summary

Summary:

On 8/23/17, at approximately 0011 hours, Officers Paez and Jarrell were dispatched to [REDACTED] G St regarding two suspicious subjects loitering about outside the apartment complex. Officers arrived on scene within two minutes and made contact with the described subjects.

Officers observed that one of the men (later identified as suspect Cary Taylor) had a glass narcotics pipe partially concealed in his hand. Officers attempted to detain Taylor for the observed offense and he began to physically resist their efforts. Using control holds, the officers moved Taylor from the paved area where he was first contacted to a nearby grassy area where he was placed on the ground.

Both officer Paez and Officer Jarrell were equipped with body worn cameras during the time of this incident. Officer Jarrell's BWC was activated at this point in the contact. No recording of the altercation was made from officer Paez's BWC.

At the time Officer Jarrell's camera was activated, it appeared that Taylor was face down on the grassy area bordering the south sidewalk of G St. Both officers were over top of Taylor attempting to gain control of his arms. Once the audio portion of the BWC video engages, officers can be heard issuing clear commands to Taylor to "stop resisting" and to "put your hands behind your back".

While struggling with Taylor on the grass, he grabbed hold of Officer Jarrell's firearm holster. Officer Jarrell yelled at Taylor to "get your hand off my gun". A moment later there is a flurry of activity and the officer's body camera is knocked off his uniform. During this time, Officer Paez applied a carotid control hold upon Taylor which lasted approximately five seconds and did not result in a loss of consciousness.

Two CHP officers as well as SPD Officer Walker arrive on scene and take part in the effort to subdue Taylor in handcuffs which was ultimately accomplished. Officer Walker was equipped with a BWC which was recording during the detention.

Once detained, officers began the effort to provide after-force care for the subject by trying to calm him and having him sit up into a recovery position. Taylor sustained a laceration and swelling over his right eye. Medics were summoned to the scene to evaluate Taylor and he was later taken to an area hospital and cleared for incarceration after being rejected during jail intake processing.

Officer Walker sustained a minor laceration to a finger during the incident for which he did not seek medical treatment.

Supervisors Opinion:

My review of this incident included responding to the scene to survey it first hand, speaking with the involved officers, reviewing the police report and department general orders, reviewing dispatch audio recordings and reviewing body camera footage.

In my opinion, the officers' use of control holds and physical restraint to affect the arrest of suspect Taylor HS were within the department's use of force policy and were reasonable given his physical resistance and refusal to comply with verbal commands.

In my opinion, the use of the carotid control hold was within policy given that other attempted means of restraint had been ineffective or was considered by officers but not attempted for officer safety reasons. Furthermore, the use of the carotid was discontinued once the threat of the suspect accessing the officer's firearm had subsided. It is also my opinion that this use of force was reasonable given the potential harm that could come of officers should the suspect have been able to access the officer's firearm. Likewise, if the suspect had been able to retrieve the officers weapon, officers would have had few options remaining but to use greater (lethal) force against Taylor.

On 08-23-2017 at approx. 0237 hours, I, Ofc. Paez #966 contacted Cary Taylor who was handcuffed inside the Sacramento County Jail and obtained his Mirandized Statement. Taylor stated the following in summary:

I was having a good day. What meth pipe. what about the meth pipe. Lets say if I had it right. I have an emergency. I know what I am doing, what are you doing? I was not fighting, you were fighting. I am older than you and wiser. I am the police.

Taylor was asked if he knew that we were Police when we arrived on scene and Taylor refused to answer the question.

Taylor also stated that he did not hear Police Officers say "Stop Resisting"

On 08-23-2017 at approx. 0011 hours, I, Ofc. Paez #966 and Ofc. Jarrell #569 were dispatched to [REDACTED] G St regarding two MBA in front of the complex looking into vehicles. I arrived on scene at approx. 0012 hours.

Upon arrival, update on the call stated that a MBA was in the alley way behind the complex located at [REDACTED] G St. I parked in the alley way and did not observe anyone matching the description. I got out of my patrol vehicle and walked towards the front of the complex where Ofc. Jarrell made contact with the two MBA subjects in front of the complex. (See Supplement)

Both subjects (suspect was later identified as Cary Taylor) were advised to sit on the ground. One of the MBA cooperated and sat on the ground. Taylor refused to sit on the ground. Ofc. Jarrell and I went to detain Taylor in handcuffs. As we went to detain Taylor in handcuffs, Taylor started resisting by tensing up his arms and placing them in front of him. He was trying to remove our grip from his hands.

Due to Taylor resisting and trying to get away from us, I picked Taylor up off the ground by his feet and placed him on the ground. While on the ground, Taylor continued to resist and keep his right arm underneath his body. Taylor was advised several times to stop resisting and place his hands behind his back, but he continued to resist.

I observed Taylor grab Ofc. Jarrell's holster with his right hand where the top strap secures the firearm in the holster. I conducted a carotid restraint hold in fear that Taylor would use lethal force on officers if he were to gain control of the firearm. I used my left arm and placed it around Taylor's neck to keep him from manipulating Ofc. Jarrell's holster and preventing him from gaining control of the firearm. I held the carotid (approx. 5 seconds) until Taylor no longer posed a threat to Officers. Taylor never lost consciousness and continued to yell. I was unable to safely get my taser or pepper spray without letting go of Taylor. I continued to have my arm around Taylor's neck, but was not applying pressure to his neck. I was putting body pressure on top of Taylor to keep him from standing up due to Taylor trying several times to get up.

CHP Officers. Angelesey #19574 and Davis #19250 arrived on scene and assisted in placing Taylor in handcuffs. (see supplement)

Taylor was observed with a one inch laceration above his right eyebrow and a two inch abrasion on the right side of his head due to Taylor moving his head on the sidewalk.

Medic 2 arrived on scene and cleared him of his injuries.

A records check on Taylor showed that he was [REDACTED]

Officers on scene conducted a canvass. (see supplements)

1SM3 took photos of the blood located on the sidewalk.

Taylor was later taken to the Sacramento County Jail where I Mirandized him verbatim from my SacPD 133 Miranda Card. Taylor acknowledged his rights by saying "Yes" after each question.

I obtained a Mirandized statement from Taylor. (See Suspect Statement)

CSI took photos of Taylor's injuries at the Jail.

Taylor was booked without incident.

On 08/23/2017, at approximately 0015 hours, I (Officer Walker #835) heard Officer Jarrell #569 advise over the radio he was in a fight with one subject. I was wearing a fully authorized SPD police uniform and driving a fully marked SPD patrol vehicle with working over head red and blue emergency lights and sirens. I responded to Officer Jarrell's location with my lights and sirens activated. While responding to the scene Officer Jarrell's radio and microphone would "clip" and activate with no additional updates or information. This happened at least 4-5 times. My body worn camera was activated during the incident. The following are my observations in summary:

I arrived on scene at approximately 0017 hours.

I observed a SPD patrol vehicle and a CHP patrol vehicle with it's emergency lights activated parked mid-block of G St between 13th and 12th St. I saw two SPD officers and two CHP officers fighting with a subject on the south sidewalk of G St. The subject was face down on the ground. As I ran to the officers I saw Officer Paez #966 using his body weight to keep S-Cary Taylor on the ground. Officer Paez's body was on the subject's right shoulder area and he was using his forearms and hands to keep the subject's

head facing the ground and to prevent him from spinning around. Officer Jarrell was on the subjects left side. It appeared he had control of the subjects left arm. One CHP officer was keeping S-Taylor's legs pinned to the ground. Another CHP officer was struggling to gain control of S-Taylor's right arm. S-Taylor had his right arm tucked under his body and was completely resisting the CHP officers attempt to hand cuff him. It was obvious that S-Taylor was still fighting the officers attempts to detain him in handcuffs.

I placed my body weight on S-Taylor's right side. I grabbed a portion of S-Taylor's right forearm with both my hands. The CHP officer also grabbed S-Taylor's right arm and we pulled his arm out from under his body. We placed S-Taylor's right arm behind his back and Officer Jarrell completed handcuffing S-Taylor.

Once S-Taylor was handcuffed, we released our body weight off of S-Taylor and sat him on the curb in a recovery position. When we sat S-Taylor on the curb I observed he had a 1-2" laceration above his right eye. The laceration was bleeding. There was also fresh blood on the sidewalk. The blood stain on the ground was approximately 10" long by 6" wide.

Officers requested SFD for medical attention for S-Taylor. CSI was also requested to photograph S-Taylor's injuries and the scene.

While I was helping to detain S-Taylor, I received a small laceration to my left middle finger. The laceration was approximately 1/4" long on my middle knuckle. Sgt McPhail, 1SM3, took photographs of the laceration on scene.

No other actions were taken on this call. See other officers observations for further details.

On Wednesday 8/23/17 at approx. 0029 hours, I (Ofc. Davis 941) contacted witness [REDACTED] at 14th St / G St and obtained his statement. He stated the following in summary:

I heard a homeless guy yelling and looked to see what was going on. I was on the N/W corner of 14th / G St. I saw an officer, who was trying to calm the guy down by talking softly, approach the guy.

Out of no where, I saw the officer move backwards in a way that I thought the guy was attacking the officer by grabbing his shoulders and trying to throw him to the ground. I ran across the street so I could help the officer. When I made it to the S/W corner of 14th St / G St, I saw there was another officer. The officer had the guy pinned to his back on the ground and was yelling at him. The guy was definitely trying to resist the officer. He would not go along with what the officer was trying to have him to. He would not submit to the officer at all.

I did not see the officer punch or kick the guy.

On Wednesday 08/23/2017 at approximately 0011 hours I (Officer Jarrell #569) and Officer Paez #966 were dispatched to the area of [REDACTED] G Street regarding two suspicious subjects.

Per the text of the call, the complainant observed two males in the area wandering around and one was looking into parked vehicles. The complainant then advised that they were near her bedroom window making noise and disturbing her peace. She described one of them to be a male black adult wearing a black top hat, white t-shirt and dark pants.

At approximately 0013 hours we arrived on-scene. Officer Paez and I were both wearing full police uniforms and driving fully marked police vehicles. Upon arrival to the area, I was hailed by a male Asian adult who asked if I was looking for the individual making a lot of noise and disturbing residents. He advised that he was last heard mid-block on G Street between 13th and 14th.

I observed both subjects loitering between [REDACTED] G Street and [REDACTED] G Street. I observed one of the subjects to be wearing a black top hat, a white t-shirt, and black pants. He was kneeling on the ground. I observed the

other subject (later identified as Taylor, Cary) to be standing next to him. I exited my patrol vehicle and approached both subjects. Taylor was walking around and continued to bend down and pick items up from the ground. He was talking gibberish in an unintelligible manner.

I asked both subjects to sit on the ground. The unidentified subject complied. Taylor refused to sit on the ground. I asked him again and he still would not and said something along the lines of "no I am not going to sit down." I observed both of his hands to be rolled up in the formation of fists. He had them down his sides. I then observed a cylindrical glass object protruding from within the fist of his right hand. Based on my training and experience, I know that individuals use a glass narcotics pipe with a cylindrical end similar to this for smoking methamphetamines. Taylor was acting agitated and continued to talk in a fast gibberish manner that was unintelligible. He was unable to stand still as he continued to move around. Based on my training and experience, I know that individuals who are under the influence of methamphetamines commonly act in this behavior.

Due to Taylor's erratic behavior, unwillingness to comply to verbal orders, and delaying our attempt to detain him, Officer Paez and I determined it necessary to go hands-on. I grabbed onto Taylor's left wrist and began to perform a departmentally approved twist lock. Taylor immediately tensed up. Officer Paez grabbed onto Taylor's right wrist to perform a control hold. Taylor immediately tensed up. We ordered him to sit down and he said "no" as he took steps forward in an attempt to pull out of our hold. Officer Paez and I performed departmentally approved arm-bars as we walked him to a grass area about 10 feet away. Once Taylor was no longer on cement, Officer Paez let go of his right arm and grabbed onto his feet to pick them up off of the ground. While doing this, I pulled down on Taylor's left wrist and arm with one hand and pushed down on his left shoulder with the other hand. This allowed us to effectively place Taylor on the ground on his stomach.

While ordering him to sit on the ground, Taylor's friend was also telling him to sit down and to listen to us. Once we began our efforts to place Taylor on the ground, I observed his friend stand up. I gave him orders to stay and he said that he would but was moving out of our way. However, he left anyways.

Once on the ground, Taylor was able to pull his right hand and arm and place it under his chest. I maintained a departmentally approved twist lock on his left wrist. Officer Paez attempted to get Taylor's right arm out from under his chest and place it on his back. We continued to give him orders to stop resisting and to put his hands behind his back. Taylor continued to yell unintelligible words. At this time, I notified dispatch

that we were fighting with one and requested additional units.

Taylor continued to keep his right arm under his chest. He was then kicking his legs and feet around and turning onto his right side in an attempt to escape our efforts. We continued to tell him to stop resisting and to put his hands behind his back. He then was able to turn his body so that now his waist to his head was on the pavement. Officer Paez continued to have his knee on Taylor's upper back to hold him to the ground. Knowing that my gun (in it's holster) was near Taylor's free hand, I looked down towards it to ascertain that he would not be able to reach it. As I looked down, I immediately saw his right hand to be on my holster. His hand was gripped tightly around my holster as he was trying to pull it closer to him. His fingers were no more than an inch away from my first retention device and the grip of my gun. I yelled "get your hand off my gun." With my right hand, I grabbed onto his wrist and began to pull his hand off of my gun holster. He continued to grip onto it so tightly that I could not pull it directly off and had to slide his hand down to the bottom at which point he lost his grip.

I continued to hold a departmentally approved twist lock on his left wrist. Officer Paez continued to control his upper body. California Highway Patrol Officers Angelesey #19574 and Davis #19250 arrived on-scene. One officer gained control of Taylor's legs while the other was able to place his left wrist in a handcuff. We continued to give him verbal commands to stop resisting and to place his hand behind his back. Officer Walker then arrived on-scene. We were able to pull his right arm out from under him at which point he was then placed in handcuffs without further incident. At this point I then realized that due to my body camera only being held onto my uniform by a magnet, it had fallen off during the struggle. Therefore, the video did not capture the struggle in it's entirety, however, the audio did.

Upon sitting Taylor up, I located the glass pipe where his right hand was when it was under his chest before placing it in handcuffs. The bulbous end of the pipe had broken and there were several small pieces of glass around the area. The cylindrical portion had a white residue as well as burn marks. It later tested presumptive positive for methamphetamines via Nartec. During a search incident to arrest, I located a blowtorch lighter in his left front pocket. I also observed a laceration above his right eye that was bleeding. I then noticed blood on the pavement. Sacramento Fire Department Truck 2 and Medic 2 arrived on-scene. Upon assessing his injuries, they placed a bandage on the laceration and advised that he did not need to go to the hospital.

Officer Woo transported Taylor to the Sacramento County Main Jail. Taylor was medically rejected at the jail. I transported Taylor to Sutter General Hospital. On Wednesday 08/23/17 at approx 0030 hours I, Ofc Fisher #1004 contacted witness () at her residence, located at () G St Apt () and obtained her statement. She stated the following in summary:

I live her with my boyfriend and 2 year old daughter at () G St Apt (). I was alone with my daughter this evening.

I noticed 2 subjects outside my apartment on G St.

One subject was a male black adult wearing a red t-shirt and had grey stubble.

The other subject was a male black adult in his late 30's to early 40's wearing a white t-shirt, dark colored jeans, a black hat with a full brim, and Mardis Gras style beads around his neck. He was approx 6 feet tall and of muscular build. He was no more than 200 pounds.

The subject in the white t-shirt was acting strange and fidgeting with stuff. He was sitting in the alley east of my apartment. I could see him from my bedroom window. I couldn't tell what he was fidgeting with. It

looked like he was trying to construct something small. It seemed very suspicious.

The subject in the red shirt seemed to be psychotic. He was in front of my apartment on G St and I could see him out of my living room patio sliding glass door. His behavior slowly escalated to more and more erratic and suspicious. He first was walking back and forth. Then he began looking in cars. Then he began to talk to the trees and lamp posts. I was afraid he might do something to my car so I clicked my car alarm. This just caused the man in the red shirt to yell at my car.

I then saw the man in the red shirt smoke something. I didn't smell cigarette smoke or marijuana smoke. I knew he must be smoking something I wasn't familiar with.

I saw a police officer arrive outside of my apartment and try to reason with the man in the red shirt. As the officer was trying to reason with the man, I decided to go check on what the subject in the white t-shirt was doing. I walked into my bedroom and looked out the window. I saw the man in the white t-shirt sitting down and another police officer jog by the man in the white t-shirt.

I walked back out to my living room and looked out the sliding glass door. I saw the two officers that responded were wrestling with the subject in the red shirt. I heard one of the officers call for back up.

At one point while the officers were wrestling with the subject in the red shirt, I heard one of the officers yell, "Get the fuck off my gun!"

I saw other police officers begin to arrive to assist the two officers who were wrestling with the subject in the red shirt. I saw 4 police officers trying to detain the subject. It took those 4 officers quite a bite of time to finally detain the subject.

I didn't see what led to the officers wrestling with the subject in the red shirt, I just saw the officers on the ground wrestling with the subject.

I was very fearful of what the two subjects might do. I was afraid they might come upstairs to my apartment and try to get in. I was so afraid I was shaking. I don't think I would have been so fearful if I was alone, but my 2 year old daughter was with me.

I have videos of the incident that I can e-mail you.
