### Incident Summary

On Thursday, September 7, 2017 at 5:30 a.m. Sacramento Police Officers were alerted by a license plate reader to a vehicle in the area of Fair Oaks Boulevard and Watt Avenue that was wanted in connection to a double homicide involving a firearm. This incident occurred on September 1, 2017 on the [REDACTED] block of Janrick Avenue.

Investigators linked the driver and the vehicle to the homicide. The suspect was believed to be armed and extremely dangerous.

At 10:39 a.m. officers located the wanted vehicle in the area of 65th Street and Franklin Boulevard. Officers in a marked vehicle, followed the suspect while waiting for additional resources to safely attempt to stop the suspect. The suspect traveled North on Franklin Boulevard and turned East on 27th Avenue.

The officers initiated a vehicle stop by activating their overhead lights and siren at which time the suspect stopped his vehicle on 27th Street, east of Franklin Boulevard. Officers began to give the suspect and solo occupant of the vehicle commands to show his hands. The suspect did not comply with the orders the officers to reveal his hands.

Within seconds, the suspect abruptly exited the vehicle and immediately began shooting and advancing towards officers with a handgun, striking several marked patrol vehicles. A total of five officers returned fire, killing the suspect. During the exchange of gunfire, two Sacramento Police Officers were struck. The Sacramento Fire Department responded and transported both Officers to a local area hospital for treatment. Both officers are in stable condition and received non-life threatening injuries.
