RE: Officer-Involved Shooting Case No. SPD-2017-40177
Shooting Officers: Sergeant Randy Van Dusen #3077
Sergeant Joshua Dobson #3001
Officer William Goggin #758
Deputy James Walther #61
Person Shot: Armani Lee (DOB 1/20/1989)

The District Attorney's Office has completed an independent review of the above-referenced officer-involved shooting. Issues of civil liability, tactics, and departmental policies and procedures were not considered. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of Armani Lee. For the reasons set forth, we conclude that the shooting was lawful.

The District Attorney's Office received and reviewed written reports and other items, including: Sacramento Police Department report numbers 2017-40177 and 2017-34216; dispatch logs/audio; witness interview recordings; in-car camera videos; crime scene videos and photos; medical records; ShotSpotter audio recordings; Facebook records; surveillance video recordings; CHP aircraft video; and Sacramento County District Attorney Laboratory of Forensic Services Toxicology, Blood Alcohol, and Physical Evidence Examination reports.

FACTUAL SUMMARY

On February 10, 2017, at approximately 2:00 p.m., Sacramento Police Department (SPD) officers and a Sacramento Sheriff's Department (SSD) deputy were attempting to locate and

arrest Armani Lee. He was the suspect in a shooting that occurred approximately one week earlier. The officers and deputy were surveilling a residence near Land Avenue and Del Paso Boulevard in the City of Sacramento, as they had information Lee was at this location and in possession of a handgun.

Lee exited the residence and proceeded to walk west on Land Avenue towards Del Paso Boulevard. As he turned and walked south on Del Paso Boulevard, SPD Officer William Goggin and SSD Deputy James Walther in an unmarked gold Ford Explorer intercepted him while he was on the sidewalk. Officer Goggin wore a black vest with yellow letters displaying the word "POLICE" and Deputy Walther wore a black vest with yellow letters displaying the word "SHERIFF." Directly to the west of their Ford Explorer was a Ford pick-up truck driven by Sergeant Randy Van Dusen. He was also wearing a black vest with the word "POLICE" displayed in large yellow letters on the chest area. When Lee saw the vehicles and their occupants, he turned north and ran up the sidewalk. He reached into the waistband of his pants and withdrew a Glock .40 caliber semi-automatic handgun as he was running. Officer Goggin observed the handgun and yelled, "Gun!"

When Lee returned to the intersection of Land Avenue and Del Paso Boulevard, a marked Sacramento Police Department patrol vehicle driven by Sergeant Joshua Dobson was approximately twenty yards east on Land Avenue proceeding towards Del Paso Boulevard. Sergeant Dobson was in uniform. Lee pointed his handgun at Sergeant Dobson, who was sitting in the driver's seat, and fired several times. Sergeant Dobson's vehicle was struck four times by gunfire: twice on the front passenger side lower push bumper, once on the front driver's side grill below the push bumper, and once on the driver's side view mirror. Officer Goggin and Sergeant Van Dusen were standing outside their respective vehicles and observed Lee discharging his gun. Officer Goggin then fired multiple shots at Lee.

Lee proceeded to run in a northwest direction across the lanes of Del Paso Boulevard. SPD Officer Nicholas Tavelli was driving south on Del Paso Boulevard in an unmarked black Nissan Altima displaying a solid red light on its dashboard while its front headlights alternated between flashing red, blue, and white lights. Lee pointed his handgun towards Officer Tavelli and fired approximately four or five rounds. Sergeant Dobson and Deputy Walther were now outside their respective vehicles and they observed Lee pointing his gun in Officer Tavelli's direction. Sergeant Van Dusen, Sergeant Dobson, and Deputy Walther fired their handguns at Lee. Sergeant Van Dusen observed Lee turn, point, and fire his handgun at him as Lee continued to run. Lee ran across Del Paso Boulevard and collapsed on the west side of the street on the front lawn of a residence.

Officers approached Lee, recovered his handgun, assessed his injuries, and called for medical assistance. Sacramento Fire Department and medics arrived approximately seven minutes later and transported Lee to the UC Davis Medical Center. Lee sustained gunshot injuries to his left shoulder, left jaw, left abdomen, and left buttock. He underwent surgeries for his injuries and recovered. A blood sample taken from Lee at the medical center and tested by the Sacramento County District Attorney's Office Laboratory of Forensic Services confirmed the presence of cannabinoids.

A forensic examination of the recovered expended shell casings and firearms determined Sergeant Van Dusen fired ten rounds, Sergeant Dobson fired ten rounds, Officer Goggin fired six rounds, and Deputy Walther fired three rounds. It was also determined that nine Sig Sauer brand .40 caliber S&W expended shell casings recovered on Del Paso Boulevard were fired from Lee's Glock .40 caliber handgun.

Lee is currently pending charges in Sacramento Superior Court case number 17FE002754 related to this incident of three counts of violating Penal Code section 664/187 (attempted murder of a peace officer), and one count of violating Penal Code section 29800(a)(1) (felon in possession of a firearm). He is also pending charges in the same case of one count of violating Penal Code section 29800(a)(1) (felon in possession of a firearm) and one count of violating Penal Code section 246 (firing at an occupied dwelling) for the incident that occurred approximately one week prior. The matter is scheduled for a trial status conference on September 7, 2018.

LEGAL ANALYSIS

An officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to affect arrest or detention, to prevent escape, or to overcome resistance. (*Tennessee v. Garner* (1985) 471 U.S. 1, 11; *Graham v. Connor* (1989) 490 U.S. 386, 396; *Kortum v. Alkire* (1977) 69 Cal.App.3d 325; California Penal Code section 835a; CALCRIM 2670.) The person being detained or arrested may be subjected to such restraint as is reasonably necessary for his arrest and detention and has a concomitant duty to permit himself to be detained. (*People v. Allen* (1980) 109 Cal.App.3d 981, 985; CALCRIM 2670, 2671, 2672.) Officers do not need to retreat or desist their efforts if the person they are arresting or detaining resists or threatens resistance; nor shall the officer be deemed an aggressor or lose the right to self-defense by use of reasonable force. (California Penal Code section 835a.)

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470.) An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (*Graham v. Connor* (1989) 490 U.S. 386.)

In this situation, Lee attempted to avoid apprehension by using deadly force. Upon seeing law enforcement officers, he chose to immediately flee, reach for his firearm, and fire multiple shots at them. Officer Goggin, Deputy Walther, and Sergeants Van Dusen and Dobson knew Lee was a suspect in another shooting just days earlier. Given their knowledge of the situation, their observations of Lee shooting at Sergeant Dobson in a marked vehicle, and Lee continuing to run from officers while raising his gun and firing at additional officers, Officer Goggin, Deputy

Walther, and Sergeants Van Dusen and Dobson shot at Lee to defend other officers and themselves. Although Lee was running away when Sergeant Dobson exited his vehicle and fired his gun, Lee had shot at him and he was reasonably responding to Lee's continuing threat to his life and the lives of his fellow officers and members of the community. Officer Goggin, Deputy Walther, and Sergeants Van Dusen and Dobson were not required by law to retreat. Given the circumstances, it was reasonable to believe that Lee would continue to fire his handgun at officers when they used deadly force to stop the imminent danger that he posed.

CONCLUSION

Officer Goggin, Deputy Walther, and Sergeants Dobson and Van Dusen believed shooting Lee was necessary in defense of themselves, other officers, and the community. Under the circumstances, their conduct was justified. Accordingly, we find the shooting to be lawful and will take no further action in this matter.

Incident Summary

On Friday, February 10, 2017 at 2:01 p.m., officers from the Sacramento Police Department's North Gang Enforcement Team (NGET) and Post Release Community Supervision Unit (PRCS) were conducting surveillance on 28-year old Armani Lee, in the area of Del Paso Boulevard and Land Avenue. Lee was wanted for a parole violation and was additionally wanted by the Sacramento Police Department for a shooting that occurred in North Sacramento on February 4, 2017. Officers had been provided information that Lee was in possession of a firearm.

As officers were surveilling the location, Lee was observed exiting a residence on Land Avenue. He began walking north on Land Avenue and turned south on Del Paso Boulevard. Undercover officers conducting surveillance, positively identified Lee and requested additional officers to arrest him.

Marked and unmarked police vehicles approached Lee in an attempt to take him into custody. As they were approaching Lee he saw the officers and fled on foot, north on Del Paso Boulevard.

As Lee fled, officers saw him pull out a black handgun and fire multiple rounds at a marked police K9 vehicle approaching on Land Avenue. The K9 officer ducked down in his vehicle to avoid being shot, however his vehicle was struck multiple times by Lee's gunfire.

The K9 officer exited his patrol vehicle, drew his firearm and fired multiple rounds at the suspect as he fled on foot. Three additional officers fired at Lee as he shot at the K9 officer and other approaching officers.

Lee was struck multiple times and was taken into custody. He was transported by the Sacramento Fire Department to a local area hospital where he was treated for his injuries and remains in stable condition. Officers located a black handgun in the immediate proximity of Lee. (See attached photo)

Homicide detectives, Internal Affairs, and Crime Scene Investigation Units responded to the scene to begin the officer-involved shooting investigation. As part of the department's protocol, this incident is being investigated in conjunction with the Sacramento County District Attorney's Office, the Sacramento City Attorney's Office and the City's Office of Public Safety Accountability. Representatives from the Sacramento County Sheriff's Department will be monitoring the investigation.

The three Sacramento Police Officers involved have 11, 18 and 19 years on the department. The Sacramento County Sheriff Deputy involved has 11 years on the department. None of the officers involved were injured in this incident. Per department policy, the officers involved in the shooting have been placed on paid administrative leave.

RE: Officer-Involved Shooting Case No. SPD-2017-40177
Shooting Officers: Sergeant Randy Van Dusen #3077
Sergeant Joshua Dobson #3001
Officer William Goggin #758
Deputy James Walther #61
Person Shot: Armani Lee (DOB 1/20/1989)

The District Attorney's Office has completed an independent review of the above-referenced officer-involved shooting. Issues of civil liability, tactics, and departmental policies and procedures were not considered. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of Armani Lee. For the reasons set forth, we conclude that the shooting was lawful.

The District Attorney's Office received and reviewed written reports and other items, including: Sacramento Police Department report numbers 2017-40177 and 2017-34216; dispatch logs/audio; witness interview recordings; in-car camera videos; crime scene videos and photos; medical records; ShotSpotter audio recordings; Facebook records; surveillance video recordings; CHP aircraft video; and Sacramento County District Attorney Laboratory of Forensic Services Toxicology, Blood Alcohol, and Physical Evidence Examination reports.

arrest Armani Lee. He was the suspect in a shooting that occurred approximately one week earlier. The officers and deputy were surveilling a residence near Land Avenue and Del Paso Boulevard in the City of Sacramento, as they had information Lee was at this location and in possession of a handgun.

Lee exited the residence and proceeded to walk west on Land Avenue towards Del Paso Boulevard. As he turned and walked south on Del Paso Boulevard, SPD Officer William Goggin and SSD Deputy James Walther in an unmarked gold Ford Explorer intercepted him while he was on the sidewalk. Officer Goggin wore a black vest with yellow letters displaying the word "POLICE" and Deputy Walther wore a black vest with yellow letters displaying the word "SHERIFF." Directly to the west of their Ford Explorer was a Ford pick-up truck driven by Sergeant Randy Van Dusen. He was also wearing a black vest with the word "POLICE" displayed in large yellow letters on the chest area. When Lee saw the vehicles and their occupants, he turned north and ran up the sidewalk. He reached into the waistband of his pants and withdrew a Glock .40 caliber semi-automatic handgun as he was running. Officer Goggin observed the handgun and yelled, "Gun!"

When Lee returned to the intersection of Land Avenue and Del Paso Boulevard, a marked Sacramento Police Department patrol vehicle driven by Sergeant Joshua Dobson was approximately twenty yards east on Land Avenue proceeding towards Del Paso Boulevard. Sergeant Dobson was in uniform. Lee pointed his handgun at Sergeant Dobson, who was sitting in the driver's seat, and fired several times. Sergeant Dobson's vehicle was struck four times by gunfire: twice on the front passenger side lower push bumper, once on the front driver's side grill below the push bumper, and once on the driver's side view mirror. Officer Goggin and Sergeant Van Dusen were standing outside their respective vehicles and observed Lee discharging his gun. Officer Goggin then fired multiple shots at Lee.

Lee proceeded to run in a northwest direction across the lanes of Del Paso Boulevard. SPD Officer Nicholas Tavelli was driving south on Del Paso Boulevard in an unmarked black Nissan Altima displaying a solid red light on its dashboard while its front headlights alternated between flashing red, blue, and white lights. Lee pointed his handgun towards Officer Tavelli and fired approximately four or five rounds. Sergeant Dobson and Deputy Walther were now outside their respective vehicles and they observed Lee pointing his gun in Officer Tavelli's direction. Sergeant Van Dusen, Sergeant Dobson, and Deputy Walther fired their handguns at Lee. Sergeant Van Dusen observed Lee turn, point, and fire his handgun at him as Lee continued to run. Lee ran across Del Paso Boulevard and collapsed on the west side of the street on the front lawn of a residence.

Officers approached Lee, recovered his handgun, assessed his injuries, and called for medical assistance. Sacramento Fire Department and medics arrived approximately seven minutes later and transported Lee to the UC Davis Medical Center. Lee sustained gunshot injuries to his left shoulder, left jaw, left abdomen, and left buttock. He underwent surgeries for his injuries and recovered. A blood sample taken from Lee at the medical center and tested by the Sacramento County District Attorney's Office Laboratory of Forensic Services confirmed the presence of cannabinoids.

A forensic examination of the recovered expended shell casings and firearms determined Sergeant Van Dusen fired ten rounds, Sergeant Dobson fired ten rounds, Officer Goggin fired six rounds, and Deputy Walther fired three rounds. It was also determined that nine Sig Sauer brand .40 caliber S&W expended shell casings recovered on Del Paso Boulevard were fired from Lee's Glock .40 caliber handgun.

Lee is currently pending charges in Sacramento Superior Court case number 17FE002754 related to this incident of three counts of violating Penal Code section 664/187 (attempted murder of a peace officer), and one count of violating Penal Code section 29800(a)(1) (felon in possession of a firearm). He is also pending charges in the same case of one count of violating Penal Code section 29800(a)(1) (felon in possession of a firearm) and one count of violating Penal Code section 246 (firing at an occupied dwelling) for the incident that occurred approximately one week prior. The matter is scheduled for a trial status conference on September 7, 2018.

LEGAL ANALYSIS

An officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to affect arrest or detention, to prevent escape, or to overcome resistance. (*Tennessee v. Garner* (1985) 471 U.S. 1, 11; *Graham v. Connor* (1989) 490 U.S. 386, 396; *Kortum v. Alkire* (1977) 69 Cal.App.3d 325; California Penal Code section 835a; CALCRIM 2670.) The person being detained or arrested may be subjected to such restraint as is reasonably necessary for his arrest and detention and has a concomitant duty to permit himself to be detained. (*People v. Allen* (1980) 109 Cal.App.3d 981, 985; CALCRIM 2670, 2671, 2672.) Officers do not need to retreat or desist their efforts if the person they are arresting or detaining resists or threatens resistance; nor shall the officer be deemed an aggressor or lose the right to self-defense by use of reasonable force. (California Penal Code section 835a.)

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470.) An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (*Graham v. Connor* (1989) 490 U.S. 386.)

In this situation, Lee attempted to avoid apprehension by using deadly force. Upon seeing law enforcement officers, he chose to immediately flee, reach for his firearm, and fire multiple shots at them. Officer Goggin, Deputy Walther, and Sergeants Van Dusen and Dobson knew Lee was a suspect in another shooting just days earlier. Given their knowledge of the situation, their observations of Lee shooting at Sergeant Dobson in a marked vehicle, and Lee continuing to run from officers while raising his gun and firing at additional officers, Officer Goggin, Deputy

Walther, and Sergeants Van Dusen and Dobson shot at Lee to defend other officers and themselves. Although Lee was running away when Sergeant Dobson exited his vehicle and fired his gun, Lee had shot at him and he was reasonably responding to Lee's continuing threat to his life and the lives of his fellow officers and members of the community. Officer Goggin, Deputy Walther, and Sergeants Van Dusen and Dobson were not required by law to retreat. Given the circumstances, it was reasonable to believe that Lee would continue to fire his handgun at officers when they used deadly force to stop the imminent danger that he posed.

CONCLUSION

Officer Goggin, Deputy Walther, and Sergeants Dobson and Van Dusen believed shooting Lee was necessary in defense of themselves, other officers, and the community. Under the circumstances, their conduct was justified. Accordingly, we find the shooting to be lawful and will take no further action in this matter.

Subject: **INTERVIEW: W-** [REDACTED]

Related date/time: **Feb-11-2017 (Sat.) 246**

On 2/10/17 at approximately 1831 hours (W) [REDACTED] was inside an interview room at the Sacramento Police Station at 300 Richard Blvd. He was un-handcuffed and the door to the room was locked. (W) [REDACTED] was provided a ride to a hotel he was staying at after the interview. I conducted the interview of (W) [REDACTED].

The interview was audio and video recorded. I later booked a copy of the interview into evidence. Prior to the interview with (W) [REDACTED] I had not been inside the scene where the Officer Involved Shooting had occurred.

(W) [REDACTED] stated the following in summary;

My Uncle is [REDACTED] ([REDACTED]) and he lives at the house I was at ([REDACTED] Del Paso Blvd). I don't live there, but I stay there sometimes. I've been staying between family and friend's houses since I got out of jail in December of 2016.

Armani (Lee) and I are not blood related. I consider him my brother though.

(I, Detective T. Culp, showed (W) [REDACTED] a color booking photo of (S) Armani Lee that was taken on [REDACTED] (W) [REDACTED] positively identified (S) Armani Lee as the person he knew as Armani.)

Armani (Lee) doesn't stay at my uncle's house ([REDACTED] Del Paso Blvd). He was at my Uncle's house today with me. We were watching the game. We were watching the Eagles vs. "Cowgirls" (Cowboys) game. I know it is an old game, but I was in jail when it was played. My uncle ([REDACTED]) had recorded the game for me, and I was watching it today. Armani (Lee), my uncle ([REDACTED]), and I were all at the house ([REDACTED] Del Paso Blvd) when the game started. I don't remember what time I started watching the game. I don't know what time it was when this whole thing happened. When you first saw me I had been with the police officers for a few hours. When I was watching the game the score was 13 to 7. The "Cowgirls" were winning. When I heard all the shooting it wasn't even half time yet. Armani (Lee) had started watching the game with me and at some point he left. I don't know exactly when he left.

Everything that happened the police already know. They had the cameras. They had the dog on my "Nigga" (Armani Lee). They did too much. There was "hella" police out there. When I got outside there was 6 police cars already. So, that means that they were already right there. It wasn't just a coincidence that this happened. They were looking for my brother (Armani Lee). There was only one black and white police car and that was the police dog car (K9). The rest of the rest of the cops were the "jump out boys" (slang for plain clothed police officers or specialty unit assigned officers) the gang unit and "shit".

I heard the shooting and that is when I came outside. I heard tires screech and then a bunch of gun shots. I don't know how many gun shots, but it was a lot. I hit the deck first. Then I heard my uncle ([REDACTED]) running up the stairs of his house. My uncle was yelling my name. I went to the kitchen. The kitchen is right next to

the front door of my uncle's house. I don't remember how far away from the front door I was. I know I wasn't all the way to the front. I was just somewhere in the kitchen. In the kitchen I could see straight outside through the front door. (Armani Lee) was running diagonal from the corner to across the street. That's when I saw my "nigga" (Armani Lee) fall to the ground. The police were shooting at my "nigga" (Armani Lee) while he was running. I saw (Armani Lee) with his hand up in the air as he was running.

My "nigga" (Armani Lee) was by the corner when I saw him get shot. That's why I think they were watching him. When they pulled up on him he was by the corner. He didn't have nothing to do with my uncle's house when they pulled up on him.

(I left the interview room for a few minutes. I printed a photo from Google Maps Street View of the residence at [REDACTED] Del Paso Blvd. In the photo there is a blue 2 story house with a white trim. There is a male, black, adult appearing to be throwing trash into a trash can next to the house. [REDACTED] Del Paso Blvd is actually located on Land Ave. [REDACTED] Del Paso Blvd is the [REDACTED] residence south of Del Paso Blvd on the west side of Land Ave. The front door to [REDACTED] Del Paso Blvd faces mostly north toward Del Paso Blvd. I printed a photo from Google Maps Street View from Land Ave facing north toward Del Paso Blvd. I printed a Google Maps Aerial View of the intersection of Del Paso Blvd and Land Ave that encompassed approximately 1 block in all directions from the intersection. I returned to the interview room and showed (W) [REDACTED] the photos. I later booked the photos into evidence.) (W) [REDACTED] stated the following in summary;

That's my uncle's house (Talking about the Google Street View of [REDACTED] Del Paso Blvd). ((W) [REDACTED] started laughing) That's my uncle right there in the photo taking out his trash. You got that off Google didn't you?

(I showed (W) [REDACTED] the photo from Google Street View that showed Land Ave facing north toward Del Paso Blvd.) He stated the following in summary;

When I saw Armani (Lee) it was like two split seconds before he dropped. Armani (Lee) was right here (pointed to the north side of Del Paso Blvd east of Land Ave). It started right here (pointed to the south west corner of Del Paso Blvd and Land Ave). I know Armani was right there when it happened because the police car was right here (pointed to Land Ave just south of Del Paso Blvd). The police car was facing north on land toward Del Paso Blvd. It was the marked K9 police car. (I, Detective Culp, marked the photo with a vehicle and labeled it "K9".) My "nigga" (Armani Lee) had to of been right here (pointed to the south west corner of Del Paso Blvd and Land Ave) When I saw him he was all the way over here. ((W) [REDACTED] drew a line from the south west corner of Del Paso Blvd to approximately 1 house east of Land Ave on the north side of Del Paso Rd.) That's right is where he (Armani Lee) dropped at (talking about the north side of Del Paso Blvd east of Land Ave). He dropped face down in the grass.

Look right here is the house ((W) [REDACTED] marked on the Google Aerial [REDACTED] Del Paso Blvd.) Looking out the front door I could see all the way across to here ((W) [REDACTED] drew a line from [REDACTED] Del Paso Blvd in a north east direction to the area between the 1st and 2nd house east of Land Ave on the north side of Del Paso Blvd.

He then marked and area where he stated Amari Lee was at.) This is the area where he was. I had clear look to where Armani was from where I was standing.

As Armani Lee was falling to the ground I could hear gun shots. After Armani Lee was on the ground I did not hear anymore gun shots.

After that the police told my Uncle [REDACTED] ([REDACTED]) to come out of the house. They didn't know that I was inside the house. My uncle was standing in the doorway looking out and the police saw him and told him to come out. My uncle was in the driveway at his car when the shooting started and then he ran upstairs when it started.

When they took us out they took us to this alley over here ((W) [REDACTED] drew a line from [REDACTED] Del Paso Rd to south west corner of Land Ave and La Rosa Rd). They had us sit over there. That is when SWAT came. Then they put us in a car and took us to the parking lot behind Bills Liquor. That is where I first saw you and you guys gave us a ride to where we are now (300 Richard Blvd).

What the hell is that right there? ((W) [REDACTED] pointed to the photos I had printed from an information bulletin from SPD Report #17-34216. The photo was surveillance photos of two subjects fighting at [REDACTED] Plaza Ave. I later booked the photos and a copy of the information bulletin into evidence. I asked (W) [REDACTED] if Armani Lee was one of the guys fighting in the photos). He stated the following in summary;

That guy has red hair. His (Armani Lee) hair is just like that (pointed to the booking photo of Armani Lee. The photo showed Armani Lee's hair as black). I got out of jail at the end of December and went to Louisiana after I got out. I got back from Louisiana on the 28th of January. I don't know when this photo (talking about the surveillance photo from [REDACTED] Plaza) was taken. Armani's hair has been like this (talking about the booking photo) since I got back. That doesn't look like my brother (Armani Lee). That guy has a perm or something.

Where is this supposed to be at? (I explained to (W) [REDACTED] it was from [REDACTED] at [REDACTED] Plaza Ave). Oh, yeah I don't be over there. That "ain't" even our region. That's over there by Lampassas. Hell no, that's not my stomping grounds at all. (Later that evening Detective [REDACTED] and I drove (W) [REDACTED], (W) [REDACTED], and (W) [REDACTED] to where they were staying for the night. We dropped (W) [REDACTED] off at a residence on Oakmont St near Plaza Ave. When we drove past Plaza Ave (W) [REDACTED] told (W) [REDACTED], "that is where Armani Lee lives, right next to [REDACTED]" and pointed to the apartments to the east of [REDACTED] Plaza Ave.)

My "nigga" (Armani Lee) already got shot 5 times before this in a separate incident. Now he's been shot 9 times. The news said he got shot 4 times today. That's how I knew he (Armani Lee) is in stable condition. I watched the clip on the news.

I saw three other people outside when this was all happening. They were recording with their phones. I wanted to record it with my phone, but the police took my phone. They took my phone and gave it back to me after they knew I didn't have anything to do with this.

(I asked (W) [REDACTED] if I could look at his video to see if there were any videos of the incident.) He stated the following in summary;

Subject: W- [REDACTED] STATEMENT

Related date/time: **Feb-11-2017 (Sat.) 333**

On 2/10/17 at approximately 2055 hours I contacted (W) [REDACTED] at [REDACTED] Del Paso Blvd # [REDACTED] [REDACTED] Del Paso Blvd is a [REDACTED] apartment complex located approximately [REDACTED] to the [REDACTED] of Land Ave on the [REDACTED] side of Del Paso Blvd. Apartment # [REDACTED] is located on the most [REDACTED] corner of the complex on the [REDACTED] story. The bedroom window of the apartment has a clear view of Del Paso Blvd from the apartment complex to well past Land Ave and to [REDACTED] Del Paso Blvd where Armani Lee was taken into custody. I obtained a statement from (W) [REDACTED]. I audio recorded the statement and later booked a copy into evidence. (W) [REDACTED] stated the following in summary;

I just heard the gunshots. When I looked out my bedroom window I saw the guy and the dog. I was in my bedroom getting ready to leave around 2:15 or 2:30 PM when this all occurred. I know it was around then because I had to go pick up my kids from school.

((W) [REDACTED] took me to where the bedroom window was and I looked out of it. I was able to see the front yard of [REDACTED] Del Paso Blvd. I could see what appeared to be some clothing lying on the front lawn of [REDACTED] Del Paso Blvd. The front yard of [REDACTED] Del Paso Blvd was approximately 200 to 300 yards away).

I had a clear view from my window. I was standing here looking out the window. I could see those two cars (pointed to the cars parked on the south side of Del Paso Blvd just west of Land Ave). I could see my neighbor outside (pointed to the walkway in front of her upstairs apartment). I could see the dog and I could see the guy. It looked like the dog was going to go up to the guy and attack him. It looked like a K9. I just assume it was a K9 because I saw SWAT and I know they have those kind of dogs.

I heard a lot of gunshots. When I first heard it I was thinking it was kids and firecrackers. I got up and looked out of my window. I could hear, "Don't move, stay". I could see all of my neighbors were outside. I could see the guy running. I could see that there were cops all over. There was a cop right there (pointed to the grass near the apartment building to the east of her apartment building.) I could see all the cops were shooting. The cops were wearing the SWAT gear. I could see they had on the vests and the hats and then I also saw regular cops also.

I actually watched the guy fall to the ground. I saw him get hit with the bullets. It's in my head how he fell. He got hit somewhere right here (pointed to the lower right side of her back. She later clarified it could have been the left or the right side). I know it was right there because I could see all the blood. As soon as he got hit he fell forward. After he fell to the ground I didn't hear any more gun shots. When he fell forward I saw all the cops running towards him. I saw his arm go up like he was telling them I'm shot or I'm hurt or something like that. I could see the blood on his hand.

I saw the guy holding something in his hand. I don't know what it was though.

I don't know who the guy that got shot is. I have never seen him before. I don't know what kind of clothes he was wearing. I think he had a white shirt on or something, because I saw the blood.

When I first saw the guy he was standing over by the tree (█████ Del Paso Blvd). The dog looked like it was going to attack him. The dog was in the street. The dog never went over to the guy. (I asked (W) ██████ several times how far the dog was from the guy that got shot. She could never describe the distance of the dog from Armani Lee).

I don't know the guy. I just have the image of him falling in my head. I don't even know what race the guy was.

I was right here (pointing to the lounge chair). I was here with ([REDACTED]'s) wife. We were just sitting and talking when I heard "Pop, pop, pop". I get up from the chair and I glance out the window. I see dude running towards this way (motioning as if the person was running towards him). I hear "Pop, pop, pop" and then I hear a volley. She stands up to look and I say, "Get down". She gets down and I go right behind her and hit the ground. I heard a bunch more pops. I tell her to stay down and the dogs were going crazy. About a a minute goes by and I stand up and look. I see the Officer's around this guy. They have him on the front lawn. That's what I heard and saw.

I can't describe the guy. As soon as I heard the gun shots I got down. I heard yelling but I couldn't hear what was being said because I was hard of hearing. I didn't know what was going on because I only saw that one guy.

On 2/10/17, I spoke with [REDACTED] in an interview room at the Richards Blvd Police facility. The interview was audio/video recorded. [REDACTED] stated the following in summary:

I live at [REDACTED] Del Paso Blvd. I have lived there seven years. I was upstairs in my house. I had just come home from getting some car insurance and I was talking to my nephew ([REDACTED]). I was putting going to put my insurance in the car. I started down the stairs and I saw someone walking but I couldn't see who it was. They had a black hood on. I saw the K-9 unit come and he slammed on the brakes. I look at the Police car and I heard shots. The officer was coming W/B on Land Ave. When he slammed on the brakes I looked up. That's when I heard the gun shots. He hopped out of the car and went back to get the K-9. I didn't see him shooting. He was in the car when the shots happened. I ran back upstairs and got my nephew ([REDACTED]). [REDACTED] and Armani are friends but they are not related. They have [REDACTED] but they are not related.

Armani had left my house but I didn't know it was him in the hood. I just saw someone walking down the sidewalk. I heard the Police say stop and that was when I heard the gun shots.

Armani had been at the house since early this morning. He left for a bit and then came back. When I got home from getting car insurance I thought he was already gone. I have known Armani for ten years or so. I didn't know Armani had a gun. I don't do guns. You can't come to my house with stuff like thought.

I thought his hair was black. I can't remember what it looked like today. We sat outside and talked for a few minutes before I got my insurance. We were talking about Facebook because he logged me off. It was just regular conversation.

Armani does not stay with me. He is on parole. I have kids and grandkids and he can't be staying at my place.

Subject: **DET.** [REDACTED]

Related date/time: **Feb-10-2017 (Fri.) 1827**

On Friday 02/10/17 at approx 1400 hrs. I, (Det. [REDACTED]) was working plain clothes surveillance in the area of [REDACTED] Del Paso Blvd with other SPD Detectives, SPD Gang Enforcement officers and members of the SPD PRCS team. All members were previously briefed that a wanted and possibly armed subject (Lee, Armani DOB:01/20/89) was possibly in this location.

I was positioned to the north of the location in the area on Juliesse Ave just east of Del Paso Blvd. I did not have a clear view of the [REDACTED] Del Paso Blvd from my location and could not directly see the location.

At approx. this time Det. Sample advised view SPD radio that the target of our surveillance Lee had just exited [REDACTED] Del Paso Blvd and was walking towards Del Paso Blvd on Land Ave. Almost immediately Det. Sample advised via radio that Lee was firing a weapon at responding arresting officers. I could hear the sound of gunshots being broadcast in the background during Det. Samples transmission.

I immediately donned a clearly marked SPD raid vest which had the words "SACRAMENTO POLICE" on the front and "POLICE" on the back in yellow block lettering. I responded code 3 (lights and sirens) south on Del Paso Blvd to the area. I positioned my vehicle in the south bound lanes of Del Paso Blvd straddling the #1 and #2 lanes directly in front of [REDACTED] Del Paso Blvd. to block traffic traveling south bound. As I exited my vehicle I observed several SPD officers taking what I believed to be Lee into custody along the west sidewalk of Del Paso Blvd.

Leaving my vehicle in its position to block traffic I responded to the front of [REDACTED] Del Paso Blvd and took cover behind a gold vehicle which was positioned in front of the apartment. Utilizing my department issued side arm (Sig Sauer P226) I provided cover on the front of the home as it had not yet been cleared of additional subjects inside. . As I was at this location (2) MBA's exited the front of the home as well as a FBA from a downstairs room. All were directed to the east on Land Ave and were detained by Det. [REDACTED] and Det. [REDACTED]

At the direction of Sgt. Dobson, I pulled back from my location in front of the home to retrieve a ballistic helmet from my vehicle. I also recovered Det. Tavelli's ballistic helmet from his vehicle as he was also providing cover to the front of the apartment.

Upon returning to the front of the home, I took Ofc. M. Cuevas (Gng74) and Ofc. Stone (1b22) with me to a rear perimeter position on the La Rosa Rd/Alley to the south east in the rear parking lot of [REDACTED] Del Paso Blvd. We were later joined by Ofc. Farrales and Ofc Costan (1b14) to utilize their patrol vehicle as cover/concealment. We remained at this location while SPD SWAT team members cleared the home.

At approx 1615 hrs, swing shift officers responded to our position to relieve day shift officers and myself.

I then responded to the command post at the direction of Sgt. Chandler.

At approx. 1755 hrs, I cleared the scene/command post and responded to SPD HOJ police facility.

SPD Det. Cruz was advised prior to my leaving that while my vehicle was on scene just outside the crime scene it was not directly involved in the incident, as I arrived after the shooting and while the apprehension was occurring.

OBSERVATIONS: Detective [REDACTED]

On 2/10/17 at approximately 1400 hrs, I was posted up on a perimeter surveillance position on Land Ave, south of Del Paso Blvd. I had a limited view of the target location [REDACTED] Del Paso Blvd. I had been previously briefed that (s)Armani Lee was wanted in connection with a shooting and was thought to be currently at that location. We were advised that (s)Lee was considered armed and dangerous.

While at my perimeter position, I heard Detective Sample transmit over the radio that (s)Lee was out in front of the residence. Sgt. Van Dusen and Sgt. Dobson acknowledged and indicated that they and assisting units were going to contact (s)Lee to take him into custody. I heard their vehicle racing there and then screech their tires coming to a stop. At approximately the same time, a radio transmission went out that the suspect was running and that he was shooting at the units on scene. I could hear multiple gunshots both over the radio transmission and the outside air in the vicinity. There was a volley of fire, approximately 20 rounds from what I could tell. I immediately put on my clearly marked police tactical vest and responded to the scene. Detective [REDACTED] was right with me. As we arrived on scene, Sgt. Dobson directed me to detain 2 subjects who came from the residence. They were later identified as [REDACTED] and [REDACTED]. Detective [REDACTED] assisted me and we placed handcuffs on both subjects until we could determine their involvement. We had the subjects standby in a parking lot south of the location. A short time later, [REDACTED] was sent out to us. Once it was determined that none of the

subjects were involved, we took the handcuffs off of [REDACTED] and [REDACTED]. We were instructed to transport all 3 subjects to the command post area. All 3 agreed to go willingly.

While waiting for SWAT to clear the residence, I briefly spoke with [REDACTED] and asked what, if anything, he saw or heard. [REDACTED] stated that he was inside the residence watching the Cowboys vs Eagles game when he heard tires screeching outside. He said as soon as the tires screeched, he heard several gunshots outside. [REDACTED] stated he got up and went to the kitchen and ran into [REDACTED] who had ran into the residence from outside. [REDACTED] stated he looked out the kitchen window and saw (s)Armani Lee running across the street with one of his hands up and then fall to the ground. [REDACTED] stated he heard multiple gunshots, but didn't actually see Armani Lee nor the police shooting.

Detective [REDACTED] and I stood by with [REDACTED], [REDACTED], and [REDACTED] until Detective Worm came to take them to 300 Richards Blvd to be interviewed. Detective [REDACTED] and I were excused from the scene to go to HOJ and write our observations.

I, Detective J. Houston #0347/GNG19, have been employed by the Sacramento Police Department as a Police Officer since 1999. I am currently assigned to the Office of Investigations as a Detective with the Gang Investigations Unit. My primary duties are to investigate gang related crimes, and gang related activities in the City of Sacramento.

On 2-10-17, at approximately 1300 hours, other Gang Investigations Detectives, members of the North Gang Enforcement Team, members of the PRCS Team and I had an operational briefing at the Kinney police facility. Suspect Armani Lee was said to be a Parolee at Large, and possibly armed and dangerous.

We were conducting surveillance in the area of [REDACTED] Del Paso Blvd. For purposes of this report, I will refer to Del Paso Blvd. as a generally north and south street, and the intersecting streets as generally east and west streets.

I was parked facing westbound on the north side of Taft St., just east of Del Paso Blvd. at the stop sign. Det. Sample had advised that he had observed Suspect Armani Lee exit the location and walk towards Del Paso Blvd. I donned my tactical vest that was clearly marked "POLICE" in large letters and had a badge affixed to it as well.

As I was turning northbound onto Del Paso Blvd., at approximately 1401 hours, I heard Det. Sample broadcast that shots were being fired at officers, and was able to hear gunshots being fired outside of my vehicle and over the radio, as he was making the transmission.

I activated my emergency lights and proceeded northbound Del Paso Blvd. towards the scene. I observed a white truck and a gold explorer had collided in the northbound lanes of Del Paso Blvd. I transitioned into the southbound lanes and observed that Det. Sample's unmarked police vehicle was parked just north of Land Ave., on the west side of Del Paso Blvd., facing southbound. To the west of Del Paso Blvd., near Det. Samples vehicle, I observed what appeared to be Suspect Armani Lee (as described by clothing description) on the grass, still moving around.

I observed Sgt. VanDusen approaching the suspect from the south, and other officers approaching from the north. Sgt. Dobson and his K-9 partner were on the northeast corner of Del Paso Blvd. / Land Ave. As an arrest team and cover team were in place, I repositioned my vehicle to the southeast corner of Del Paso Blvd. / Land Ave., facing eastbound. Myself and other officers covered the residence of [REDACTED] Del Paso Blvd. from any additional possible threats until relieved by SWAT team members. I responded back to the Command Post and updated supervisors of my observations and actions.

DET GRIGGS: [REDACTED] How long have you been on?

OFC [REDACTED] Over 10 years now.

DET GRIGGS: Okay. Where are you assigned?

OFC [REDACTED] PRCS Team.

DET GRIGGS: How long have you been assigned to that?

OFC [REDACTED] Just over two years now.

DET GRIGGS: Okay. What was your unit today?

OFC [REDACTED] My identifier, Union-43.

DET GRIGGS: And did you have a partner?

OFC [REDACTED] No.

DET GRIGGS: What were you dressed like?

OFC [REDACTED] I actually dress like this except with a full-duty belt and then a tact vest that had police.

DET GRIGGS: Okay. It's like the - with all pockets - it says Police in yellow or white?

OFC [REDACTED] Yeah, like police in six-inch yellow bold letters on front and back...

DET GRIGGS: Yeah.

OFC [REDACTED] ...with a full-duty belt with my badge.

DET GRIGGS: What - and you were in a vehicle?

OFC [REDACTED] I was in - yeah, it's a like a dark-colored Chevy Uplander that's still out on the scene.

DET GRIGGS: Okay. And you were by yourself?

OFC [REDACTED] I was by myself, yes.

DET GRIGGS: Kind of give me some background on what brought you guys to the - the Del Paso Land area today?

OFC [REDACTED] So on Saturday, a shooting occurred at [REDACTED] Plaza, obviously in the Heights. The shooter was identified as a parolee by the name of (Armani Lee).

DET GRIGGS: Mm-hm.

OFC [REDACTED] They had surveillance footage of the shooting and then they recovered rounds or expended shell casings as well as - like I said, the victims identified him. It was a known victim thing.

DET GRIGGS: Mm-hm.

OFC [REDACTED] So that happens on Saturday. We come in - we're off on Saturdays obviously so we come in on Monday. (Randy) says, "Hey, (Armani Lee)..." We actually had a previous case with him back in October of last year.

DET GRIGGS: Mm-hm.

OFC [REDACTED] And in the previous case of October last year, he was a parolee at large.

DET GRIGGS: Mm-hm.

OFC [REDACTED] That's it, just a parolee at large (more). So one of the guys on my team - and we got a phone number for him so we could ping his phone and we arrested him down at Eighth and K I believe it was.

DET GRIGGS: This was when?

OFC [REDACTED] This was last October.

DET GRIGGS: Okay.

OFC [REDACTED] So we took him to jail as just for his parolee-at-large warrant. So we were kind of familiar with him obviously. So Randy tells us the shooting occurred, I actually saw - there was an IB - I can't believe - I can't remember one of the patrol officers sent out an IB about it. And so on Tuesday, we started working the case to locate him for the - because he was good for the 245 and 246 and then he - I talked to parole and he's like, "He was kind of a pre-pal type of deal."

DET GRIGGS: Mm-hm.

OFC [REDACTED] We go - I go back to the victim's house on Plaza and get some information from her. She actually gives us a phone number for him and a phone number for the - a girl that we believe that they're in a relationship with.

DET GRIGGS: Mm-hm.

OFC [REDACTED] So I write search warrants for both of their phones to ping them in an attempt to locate him.

DET GRIGGS: When you say "ping," you mean - what does that give you?

OFC [REDACTED] Well, their GPS location data. So his phone, after the shooting, dies. It's off. It's not receiving any calls. It's not making any calls or getting any good GPS location for it obviously because he did a shooting and he - we know that people ditch their phones. So...

DET GRIGGS: Okay.

OFC [REDACTED] ...the girlfriend's phone, that one's up and running. For Tuesday, we followed her around a little bit - the Del Paso Heights - hoping that she meets up with him but that never happens.

DET GRIGGS: You're talking about physical surveillance? Not watching the phone?

OFC [REDACTED] Both.

DET GRIGGS: Okay.

OFC [REDACTED] (Unintelligible) - so monitoring the GPS locates electronically...

DET GRIGGS: Mm-hm.

OFC [REDACTED] ...as well as watching her by doing rolling surveillance.

DET GRIGGS: Okay.

OFC [REDACTED] So she never meets up with him. This is Tuesday. Wednesday, we got stuck on something else but we - we did - we did a little bit more rolling surveillance on her in - again in hopes of her meeting up with (Armani)...

DET GRIGGS: Mm-hm.

OFC [REDACTED] ...to take him into custody. While doing surveillance on her, (Armani) hits me up on my on my decoy Facebook account, which I have set up.

DET GRIGGS: The suspect (Armani)?

OFC [REDACTED] The suspect (Armani) - the - he actually - we were briefing and he actually tried to face time me in the office. So I think I sent him a message back like hey, I'm at work and then he goes, "All right. Hey, I lost my phone. Text me at - text me at this number and ask for (Armani)." So he provides a number of like [REDACTED] - it was [REDACTED].

DET GRIGGS: Mm-hm.

OFC [REDACTED] So we run that number in all of our records checks and it's all - it's not listed under anybody's name because our thought is hey, he's with somebody who obviously has this number. So I write a search warrant. This is Thur- this is Wednesday night. I stay late and write search warrant to ping that one as well as get some subscriber information for it.

DET GRIGGS: Mm-hm.

OFC [REDACTED] Thursday morning, I upload it to the L site, we get the information back. Thursday morning at 9am I come in the office and I get the information. That phone comes back to a gentleman by the name of ([REDACTED]).

DET GRIGGS: Mm-hm.

OFC [REDACTED] And he lives - with the address of [REDACTED], [REDACTED] like Apartment [REDACTED]

DET GRIGGS: Okay.

OFC [REDACTED] I run the number and like jail calls - and we arrested (Armani) back in October of last year at Eighth and K, he had - (Armani) actually called the number a bunch and the two guys had a conversation. So obviously I knew that they knew each other.

DET GRIGGS: Mm-hm.

OFC [REDACTED] So the pings were horrible though. They're like - it's a Sprint phone so it's like 800 meters. Unless you know a known location, you - you don't know because it's literally encompasses all of Del Paso Heights.

DET GRIGGS: Right.

OFC [REDACTED] Or Arden Fair Mall area.

DET GRIGGS: Right.

OFC [REDACTED] So yester- all day yesterday, we set up on surveillance and we just watched the phone trip around Del Paso Heights, North Highlands. But we - we couldn't - we didn't know what car they were in. We knew that they were together because obviously that was his phone - ([REDACTED]'s) phone and we knew that (Armani) was with him so, that occurs. Thursday night, like I said, we - 10 hours all day yesterday. Thursday night, I hit up - because this (Armani Lee), our target is a - I know he's a validated [REDACTED] gang member.

DET GRIGGS: Mm-hm.

OFC [REDACTED] So I reach out to our gang guys, specifically (Eaton).

DET GRIGGS: Okay.

OFC [REDACTED] Because I know that he worked gangs forever and he's now a gang detective.

DET GRIGGS: Okay.

OFC [REDACTED] So I reach out to (Eaton) and (Eaton) tells me, "Hey, I'll see what I can do. I - I got some information probably that I can get from - from a CI." So this morning I'd say probably around 10:30, I'm kind of - I'm at home. I'm - we're obviously off. Our PRCS team is off today. I'm monitoring the data for ([REDACTED]'s) phone. It's - that one is like real crappy. It's like 800 meters.

DET GRIGGS: Mm-hm.

OFC [REDACTED] But it moved and now it's over at a location near Del Paso and Land. And from our arrest back - back in October, I knew that (Armani Lee's) uncle lived at [REDACTED] Del Paso Boulevard.

DET GRIGGS: Okay.

OFC [REDACTED] And when we actually arrested him back in October, we went out there to do a parole search and the uncle confirmed, "Yeah, that's my family." His name is ([REDACTED]). "(Armani) does come here to stay every once in a while but not often." And we just - we kind of did a quick parole search and we were gone.

DET GRIGGS: Mm-hm.

OFC [REDACTED] So knowing that the data was shown there and knowing that there was that known location, I - I reach out to (Eaton), right.

DET GRIGGS: Mm-hm.

OFC [REDACTED] Because - like I mean, it's police work. There - there are no such things as coincidences.

DET GRIGGS: Right.

OFC [REDACTED] I reach out to (Eaton) an (Eaton) was able to get some information from his CI. I don't know how much really I need to go into that.

DET GRIGGS: You got some information.

OFC BOYD: Whatever that information was.

OFC [REDACTED] I do have to say that?

OFC BOYD: No, you don't say who the person was.

OFC [REDACTED] Okay. Well, I just...because (Eaton) - it's - it's like third party. So (Eaton) talked to his CI and his CI gave him some information.

DET GRIGGS: At some point, you learned what?

OFC [REDACTED] I learned that (Armani), ([REDACTED]) were there at the uncle's house.

DET GRIGGS: On Del Paso?

OFC [REDACTED] On Del Paso and one of them is armed with a gun.

DET GRIGGS: Okay. Did you know who?

OFC [REDACTED] No.

DET GRIGGS: Okay.

OFC [REDACTED] No. It was - I think something about a 1911 or some - something like that.

DET GRIGGS: Okay.

OFC [REDACTED] So knowing that (Armani) was wanted for a shooting, knowing that the data was shown at the uncle's house coupled with the fact that - (Eaton's) information. I mean this was at 11 or 11:30 today. I picked my kid up from school. So I called (Randy) - hey, this is what we got. He goes, "All right. I'm going to call (Lange) and see if we can get people out there." So I pick up my kid, jam home, change, drop him off. We're setting all up, at this [REDACTED] Del Paso because like I said, all the information is pointing there. So we're all operating on Gang 1. (Sample) takes point across the street. I don't know if you want me to try to show you on a map or something.

DET GRIGGS: Yeah, we'll get to that.

OFC [REDACTED] So (Sample) takes point across the street. (Armani) knows my car because we arrested him like I said the - last October so I kind of leave it up to the gang guys because they have fresh cars.

DET GRIGGS: Mm-hm.

OFC [REDACTED] (Sample) takes point, somebody sets up south, north get - sets up for a takeaway. I think they're in maybe marked. I didn't even see them. They're - they're a ways to the east. I think (Randy's) to the north and then I set up to a street to the north and I'm in my unmarked car and I was actually writing a Stegald so we had it ready in case we needed to.

DET GRIGGS: Mm-hm. Now is this something you guys like came in and had a briefing for? Or was it just a dynamic thing that hey, you're all rolling in and kind of taking up positions as it's unfolding?

OFC [REDACTED] Yeah. Well - so initially when we were arriving - when we were arriving, (Eaton) - (Eaton) told me that he was meeting a few people at Kinney to brief.

DET GRIGGS: Mm-hm.

OFC [REDACTED] I obviously knew all the facts so I - I was like I'm just going to go out there. So - and I had briefed (Eaton). (Eaton) knew all the facts about the case, knew that (Armani) was wanted for a shooting as well as his parolee-at-large warrant so - so I went - I just went and immediately and set up. I let him know hey, I don't need be there for briefing and I let (Randy) know. He's like, "Okay, I'm going to stop at Kinney. I think we're going to brief," is what he told me because it was - it was developing very quickly.

DET GRIGGS: Mm-hm.

OFC [REDACTED] (Randy) said, "I'm going to go to Kinney, brief it up real quick, and then - and then we'll be out there on point. But you know, just be ready in case they leave."

DET GRIGGS: Mm-hm.

OFC [REDACTED] So I was under the impression, yeah, that they - that everybody went because it took a while for people to get set up.

DET GRIGGS: Okay.

OFC [REDACTED] So I'm in the car writing a Stegald. (Randy) makes the call, "Hey, if he doesn't come out by 2:30 then we'll do a surround and callout." (Randy's) like, "I talked to the watch commander. They're good with that. We're going to do a surrounded call out."

DET GRIGGS: Okay.

OFC [REDACTED] "...by 2:30." Now, at this time it's like 1:55-ish...around that time. So prob- I - probably like five minutes after (Randy) says that, (Sample) comes up on the air, "Hey, targets out and he's walking down the stairs." So he walks down the stairs from - this is - like I said, I'm not on point so this - this is just going off what (Sample's) telling me. The target's out, walks down the stairs. He's walking westbound down Land towards the - towards the major, Del Paso.

DET GRIGGS: Mm-hm.

OFC [REDACTED] So right when he said about that, (Randy) goes, "Okay. All..." You know "...all units move in. K-9, everybody move in." So - so I start - I'm - like I said, I'm already really ready to go. I turn on - make a westbound or southbound turn - the streets are getting all kind of tricky - I - southbound onto Del Paso to go - to make the arrest.

DET GRIGGS: Mm-hm.

OFC [REDACTED] I probably drive like 10 seconds and somebody comes on the air, "Hey, he's shooting," or - or shots fired. I think - I actually think he said, "He's shooting at us" or something - something along those line I mean. So then the - you know, it goes from here up to there so I - I floor it all the way. I come around the corner a little bit and all I see is (Armani Lee) - I mean as clear as daylight. There are no cars in front of me. I am the only car on Del Paso going southbound and I see that he's running kind of parallel at me and I see a gun and I hear pop-pop-pop-pop-pop. And I can just see him shooting back at the - towards the area of the house that he just came from as well as I see him in my direction. I see - I can hear - I can hear like the gun firing. So I kind of duck down. I had my gun out. I thought - I was getting - I thought about shooting him through the windshield because he kind of running at an angle towards me and I can just hear gun - gunshots.

DET GRIGGS: Mm-hm.

OFC [REDACTED] I parked the car, I threw it into park real quick and I bail out of the side to try to take cover. I kind of wrap around. I see him. He kind of - he kind of - he was running and he was kind of stumbling in front of (Sample's) van and I'm like oh shit. So I'm kind of peeking over the hood at him, he collapses in his front yard, and I - I'm just giving him commands - show me your hands - show me your effing hands - show me your effing hands. He's kind of looking around - looking around and then he's like, "Okay, all right," you know, and all of us kind of converged. I grabbed his right arm, I think (Walther) grabbed his left arm, and we cuffed him up. Obviously, he - we could see - it looked like he got shot in the butt, a couple on the side. I - I asked for - I said hey, somebody call fire. I think somebody had already done it.

DET GRIGGS: Mm-hm.

OFC [REDACTED] We made sure to search him real quick. I found that he had a - he had a little like maybe 20-piece - raw piece of rock cocaine in like his front right coin pocket.

DET GRIGGS: Mm-hm.

OFC [REDACTED] He - he had a - he had a lot of layers on though. He had like a pair of pants, I think a pair of shorts, and so my - my concern was that maybe he was armed again. While we were kind of searching with him, I - I looked over to his left and I saw like a black semi - looked like a Glock that was laying on the ground. And I saw some - one of the detectives grab it and they were like, "Man, it's empty." Somebody said it was empty - he emptied it or - but it was just laying there in the grass probably two or three feet away from him. So after we cuffed him, we searched him, waved the fire department in, and - and then just kind of stood by. And then I asked one of the gang guys if they could go with him to the hospital. (Randy) came over and asked if everybody's okay and who shot. I obviously didn't shoot and then - and then we just set up on the house and waited for the SWAT team.

DET GRIGGS: Okay. As far as when you first saw him in the yard go down and he gave up...

OFC [REDACTED] Mm-hm.

DET GRIGGS: ...he was awake and talking?

OFC [REDACTED] Yeah, so he was - so - so collapses on the ground or falls or one of the two and - and I wrapped around the back of my van and I saw a gang unit. I think it was (Koppinger). She pulls up to the side of me and I'm like show me your hands - show me your hands and he's just kind of looking around and he's kind of doing one of these motions. But he's on the ground kind of - I don't know. I think he was probably in shock just as much as everybody else was. But - so yeah, he was alert, talking, and - and I remember when I was handcuffing him, I'm like dude, what - you know, what's your deal? And he's just like, "Oh, man. You know my arm hurts - my arm hurt. My butt."

DET GRIGGS: Was he conscious the whole time until the fire department got there?

OFC [REDACTED] Yes.

DET GRIGGS: Okay. Okay, let's take a look at this. Does this look familiar to you?
(We looked at an overhead view of the area taken from Google Earth)

OFC [REDACTED] Yep. There should be a school there. Yeah, it's right by a school. (Unintelligible) right on the trail.

OFC BOYD: And I have the correct IB from the original IB (unintelligible).

DET GRIGGS: All right, I'm sorry. I'm not sure (unintelligible).

OFC BOYD: I recovered the original case number from the IB from last weekend (unintelligible).

OFC [REDACTED] Okay, I saw the IB too. So...

DET GRIGGS: So this is the case you guys have been working all week. Everybody's familiar with the circumstances. And when you say "we" as far as who's coming to work, who are we talking about?

DET GRIGGS: Your team.

OFC [REDACTED] Okay, so I know for - I know for a fact today so (Randy Van Dusen), (James Walther)...

DET GRIGGS: He's your boss, (Randy)?

OFC [REDACTED] Yeah, (Randy). Yeah, (Randy) is the team supervisor.

DET GRIGGS: Okay.

OFC [REDACTED] Yeah, (James Walther) and he is a sheriffs' deputy assigned to our team.

DET GRIGGS: Okay.

OFC [REDACTED] (Willie Goggin) and then I know - I - I guess - I guess we have a - we have a TDY to our team ([REDACTED]) but he was running late or something so I know he wasn't - I don't know - yeah. Because he just - I remember he kind of - he came up to me afterwards and he was like, "Dude, I was like - I was running late and I - I wasn't here to see it" or something - something like that. But I don't remember him seeing or hear - hearing him on the radio at all prior to and then I don't remember him being there right after it happened. I remember him showing up like...

DET GRIGGS: Okay.

OFC [REDACTED] ...15 or so late. But the rest of our team couldn't make it they have kids...

DET GRIGGS: Okay. But your - but all of these people been working this all week? And so they know...

OFC [REDACTED] Yes - yeah, all - yeah. Yeah.

DET GRIGGS: Okay. And you went straight to the location so you didn't see anybody today ahead of time?

OFC [REDACTED] No, because I was under the impression - like I said that I was told when - when I was heading there, "Hey, we're - everybody's briefing at Kinney." But obviously I know the facts of it so I told (Randy) I'm just going to go straight and set up in case they leave.

DET GRIGGS: Okay.

DET GRIGGS: Are - are you watching it on the computer or you were watching the phone? Or are you...?

OFC [REDACTED] For what?

DET GRIGGS: The - the phone - to see if the phone moves type of thing.

OFC [REDACTED] So I get text - I - I get texts and I get emails on that - on my Outlook.

DET GRIGGS: And how often is that?

OFC [REDACTED] Every 15 minutes. Yeah, yeah. So every 15 minutes and - and we put out updates. So - so when we - we call alerts. When we get new - a new data or phone alert, we put that out - hey, Union 43. The data still shows that device is still in our little area.

DET GRIGGS: Okay.

OFC [REDACTED] And - and it was - it was stay - it stayed there for that - that entire time while we were setting up.

DET GRIGGS: Okay. And they'll bring the map in, in a second. When you come around the corner and you hear what you hear and you see him in the middle of the street - and I'm sorry if I'm putting words in your mouth. Was he in the middle of the street?

OFC [REDACTED] Yeah, he - so he's running in like a northwestern direction...

OFC BOYD: We figured out the street he was on if you want to...

DET GRIGGS: Is it Palo Verde?

OFC [REDACTED] Yeah.

DET GRIGGS: This is probably is a little bit better. Maybe just put a rectangle where your car was at.

DET GRIGGS: Yeah.

OFC [REDACTED] All right.

OFC [REDACTED] So I mean, I'm like right - I was here along the - the Haywood Elementary School.

DET GRIGGS: Okay. And the target location was where?

OFC [REDACTED] I think it's right here.

DET GRIGGS: In that area?

OFC [REDACTED] Yeah.

DET GRIGGS: Okay.

OFC [REDACTED] And I was preparing obviously for like if they were to hop in a car and go northbound and I go northbound with them or southbound the DP so access to the major.

DET GRIGGS: Right, right.

OFC [REDACTED] But also close enough to - but not too close.

DET GRIGGS: Okay.

OFC [REDACTED] Because like I said, the guy - he - he knows us so I didn't want to get burned.

DET GRIGGS: I mean if you can remember.

OFC [REDACTED] Yeah.

DET GRIGGS: I mean this - just - just put an arrow for your direction where you're driving.

OFC [REDACTED] So...

(We used a printed out overhead Google Earth image so OFC [REDACTED] could point out his approximate location as he described the events)

OFC [REDACTED] So I'm there. I hear - I hear (Sample) say, "Okay, he's walking out like to - he's to the sidewalk." And then (Randy) comes up and I don't know the exact words but I think it was, "Okay. All units move in, K-9 move in."

DET GRIGGS: Mm-hm.

OFC [REDACTED] So then I drive out, I'm in like the number one and then I think I switched to the number two. And as I rounded probably about like right around here or somewhere around there, I just hear, "He's shooting at us" or "he's shooting."

DET GRIGGS: Mm-hm.

OFC [REDACTED] And I - I start hearing - I hear pop-pop-pop-pop-pop and as I round this corner, I could see - I could see (Armani) and he's - and he's like probably right here. He's running. He's probably right here when I first saw him.

DET GRIGGS: Okay.

OFC [REDACTED] He's running - he's running in the middle street, right lane. And his right hand is extended and I could hear pop-pop-pop-pop-pop and he's running looking back at...

OFC [REDACTED] So he continues kind of running in my direction so obviously I'm coming up here and I kind of stop right here. I'm slowing down in the middle of the street and then...

DET GRIGGS: Mm-hm.

OFC [REDACTED] ...I see - I see him kind of in my direction and I get - I could see the gun and I can hear pops again.

DET GRIGGS: Mm-hm.

OFC [REDACTED] And so I'm like oh shit. You know, he's shooting at - at me or I knew (Tavelli) was close. I think the gang guys were all right here.

DET GRIGGS: Mm-hm.

OFC [REDACTED] So I slammed my car in park and then that's when I bailed out of the side. He kind of continued running a little bit like in that northwestern - so toward the north curb line.

DET GRIGGS: Sure.

OFC [REDACTED] I kind of peeked over the hood and that's when I saw him. He was kind of - he was right in front of (Sample's) van and it looked like he was kind of slowed...

DET GRIGGS: Mm-hm.

DET GRIGGS: The general direction.

OFC [REDACTED] ...a northwestern direction and - and here I come. I come shooting around here and I don't mean - I obviously don't know the scale. But I remember just - just having to slam my car in park because I see - I hear the shots, I see him shooting back, and then I look and see him and he's in - in my direction kind of shooting. He's got his arm extended, I can hear the noise and then that's when I parked and bailed out - tried to - tried to get cover.

DET GRIGGS: You said (unintelligible) you had your gun out, you thought about shooting him through the windshield. So you drew your gun while you were in your car?

OFC [REDACTED] Yeah, as I was coming to a stop because I was kind of - I mean I didn't just - you know, just coming, I don't know, 40 or 50 miles an hour, I saw him, I heard the pops. Obviously the broadcast just went out that he's shooting.

DET GRIGGS: Mm-hm.

OFC [REDACTED] I saw him, had my gun out, and I - I thought about shooting him through the windshield. He was - he was moving. I was moving. I didn't really feel that comfortable with it.

OFC [REDACTED] So I mean obviously - so it couldn't - you know, so - and (Armani) - so that one - I mean if he's set up right there then maybe that's a little bit too far. Maybe it's a little bit more of like that kind of run.

DET GRIGGS: Okay.

OFC [REDACTED] Because I know (Sample) - (Sample) had eyes on the front door of this house.

DET GRIGGS: Okay.

OFC [REDACTED] And you can't have eyes on the front door if you're like way too far over here. So somewhere - I mean where his car is parked now is - it hasn't been moved.

DET GRIGGS: Right, okay.

OFC [REDACTED] Yeah. So...

DET GRIGGS: And you said you saw (Armani) on - on his hood or at the front of his...?

DET GRIGGS: So...

OFC [REDACTED] ...of his van.

DET GRIGGS: And did you know that was detective...

OFC [REDACTED] Yeah.

DET GRIGGS: ...(Sample's) van at the time?

OFC [REDACTED] Yeah.

DET GRIGGS: Okay. So (Sample) would have been in between you and...

OFC [REDACTED] Yes.

DET GRIGGS: ...(Armani)?

OFC [REDACTED] Yes, and then me driving and him running and being shot at, I just didn't feel comfortable. I didn't - yeah. So that's why I just took cover and then - and then if he was going to run around the car and continue running at me then obviously I would have had to react to that.

DET GRIGGS: Okay.

OFC [REDACTED] And obviously I knew that he's wanted for a shooting - for shooting at somebody...

DET GRIGGS: Mm-hm.

OFC [REDACTED] ...in an apartment complex. And the information was that, you know, that he could be armed. Oh, I had - it's - it's terrifying.

DET GRIGGS: When you saw him, did you see any other officers or what they were doing?

OFC [REDACTED] You know what? To be honest, I - I saw him and I focused everything I had on him because - and that gun because I just - I saw him running, looking back, and his arm extended and I just - I mean - and it kind of comes toward me and I just wanted to take cover.

DET GRIGGS: Okay.

OFC [REDACTED] Because I mean how we got in - like I said, they're all - the only thing between me and him was a windshield.

OFC [REDACTED] Okay.

DET GRIGGS: You got out of your car and so...

DET GRIGGS: Mm-hm.

DET GRIGGS: Okay. Where you parked it, is it still there? Or did it get...?

OFC [REDACTED] I - yeah. I have not moved it at all.

DET GRIGGS: So if it got moved somebody else to move it?

OFC [REDACTED] Yeah.

DET GRIGGS: Okay. I think that's pretty much it. Yeah?

OFC BOYD: When you saw him, you - you know Mr. (Lee), correct?

OFC [REDACTED] Yeah. Like I said, we've arrested him before and we had - we had a briefing throughout the week because we've been looking for him. And yeah, so I was - I mean when I saw him, it was - he was the only one running in the middle of the street with a gun and - and like I said, he - I got a good look at his face. It - you know, that - it was sunny. I mean I knew right away that it - that it was him.

OFC BOYD: Do you think he was shooting at you?

OFC [REDACTED] So when I ran around the corner, I could hear the shots and then I remember looking up and I remember see - seeing him pointing in my direction and I remember hearing pops. Q: Uh, well, sit here.

A: Yeah. Mm-hm.

Q: Okay.

A: What do you...

Q: Okay, so I'm here with, uh, Detective John Sample. Uh, what's your badge number?

A: 0461.

Q: And what's your ID or I guess you're gang identified, right?

A: Gang 21 and IV115.

Q: Alright. And with us in here is Officer Mick Boyd, representing the Sacramento Police Officer's Association?

A1: Yes.

Q: Okay. All right. So, basically all we're gonna do is we're gonna go over a little background with what led you to what operation you were working today. And then talk about the actual operation itself. So, if you want to go ahead and just start from when were you - when did your involvement in this operation today begin?

A: Uh, this afternoon, uh, right about, uh, just after lunchtime, um, Detective, uh, Zach Eaton and Sergeant Lang requested we assist, uh, North Get and PRCS in, uh, attempt pick up of a wanted parolee at large, uh, was also wanted for probably cause for a recent shooting.

Q: Okay. And were you briefed on any of the information regarding the shooting? You just know that he was wanted for a - a shooting?

A: Yes.

Q: Okay. And that was early this afternoon?

A: Yes.

Q: Okay. And then what was your role in the actual operation itself?

A: Um, I was given some preliminary information before we went out. I actually made a - a packet of information for the wanted subject including his APF and a bunch of photos of the subject. And we were going to be helping with surveillance - un- under the capacity of surveillance. Uh, we were given an address on Del Paso, uh, Boulevard. Uh, of location where we gonna go watch.

Q: Okay. And that's the location you saw the suspect eventually come from?

A: That's correct.

Q: And do you recall the - that being at [REDACTED] Del Paso?

A: [REDACTED] Del Paso, yes.

Q: Okay. And that's in the North area of Sacramento?

A: Yes.

Q: Okay. And when you say you printed out a packet of information, that included the WebKPF that the county mug shots and stuff?

A: Yes.

Q: A photograph?

A: A photograph and then I also printed out multiple photographs of the s- uh, the subject that we were looking for.

A: It...

Q: You - you at least reviewed all of them?

A: I reviewed those and then, uh, we were sent a photo, um, a more current photo also of the individual, um, from our - to our cell phones.

Q: Okay. Um, so you are in an unmarked capacity?

A: Yes.

Q: Okay. And are you dressed like you are today? Right now I guess.

A: Yes.

Q: Okay. Um, you didn't have anything on that said Police or you weren't driving a black and white police interceptor?

A: No, I had my Police badge on my hip. And, uh, my Police, uh, weapon on my hip. But it's covered by, uh, clothing.

Q: Okay.

A: As it was in the car.

Q: And so what was your role in this particular - and so you go out there...

A: Well, we were supposed to brief - the plan was, uh, by the time we left our office, all the justice, uh, the plan was is we were gonna m- uh, move over to the Kinney North Station and have a brief with North GET at 1 o'clock. En route from Hall Justice to Kenney, I was, uh, contacted by Zach Eaton and he requested that I go, um, and acquire point at location prior to anybody, uh, doing a brief, uh, with North GET, uh, so that if there was a movement, um, I at least would be able to tell the team that the subject was leaving in case he left before we got there.

A: Uh, I was the only one that was there initially. I requested, uh, [REDACTED], um, to come out in case, uh, cars were moving. But he was getting some gas at the North Station still and was en route. And I believe that, uh, Union 40 who is, uh, Randy (VanDusen), um, was also arriving on scene from a distance away. Um, because they al- had some prior surveillance with this subject and they didn't want their vehicles to be, uh, noticed.

Q: Okay. And when you say you were taking point?

A: Uh, surveillance. Uh, basically, I would be closest to watch the actual residence for the suspect, uh, for the remainder of the surveillance and arrest teams actions. Uh, so the other team members would set up in the area and I would be the main eyes of the operation as surveillance.

Q: Okay. Alright. And so, I have a map here of Del Paso Boulevard. Can you show me or at least draw an X where your vehicle was. So, if this is, uh, Del Paso. This is Land right here. And then...

Q: Okay. Got it.

A: [REDACTED] it - actually sits off in the Land and not facing into Del Paso.

Q: Okay. And you could see the front door you said?

Q: Okay.

A: Mm, northwest.

Q: So, you indicated here where you parked. And you park - you're parked in - well, you don't have to identify the vehicle but it was a - it's not a police black and white vehicle?

A: No, it's a unmarked vehicle.

Q: Okay. And describe to me what happened from the time that you got on point till you - you eventually see the suspect. Correct?

A: Yes.

Q: Okay.

A: Um, it was probably a little bit before 1 o'clock. Between 12:30 and 1:00 when I got on point. And we had made several plans for contingencies if somebody was to leave the residence other than the car - the target. If the target was to leave the residence, um, and if nobody left the residence, we were gonna have a surrounded call and operation, uh, ready - about 2:30, I believe. Uh, prior to that all happening, um, there was some movement. Uh, there was arrival of a couple of different subjects, um, into the back of the residence. Um, not into the residence but the backyard area of the residence. There was some foot traffic from an uninvolved party. Didn't look like it was associated. And then, um, a subject who we felt was the uncle, a (██████████), um, arrived with a gas can at the garage - there's a garage in front of the gar- uh, solid garage door that rolled up. He rolled it up and threw a - a red gas can inside. Started going upstairs and then another subject that we had known about at the residence, (██████████) came down the stairs. Not our target. Uh, came down the stairs. Met with him. They discussed some things in front of that place. Went up back up into the residence. And probably another 20 or 30 minutes went by, uh, with no movement until the target started walking out the door of - of ██████████ - the front door, down the stairs. I immediately broadcast that our target was walking down the stairs and exited the location. Gave his clothing description. He was wearing a black hoodie at the time. It was down. And other black clothing. And he walked in front of the cars. There was a car that was parked in the driveway and one that was out in front. There's a gold caddy parked out in front. And then a maroon sedan parked in the driveway. He hung out in the driveway for a minute and then made it to the, uh, sidewalk of Land, um, in front of the residence and started walking westbound towards Del Paso. I broadcast all this information until the suspect made it to Del Paso. He started to put his hood up over his head so his identity was sort of concealed. And, uh, radio traffic, um, from, uh, Randy (Vandusen), uh, Union 40, uh - uh, gave the go ahead once he made it to Del Paso for the marked assets and the other, uh, arrest team assets to converge into the area to, uh, attempt to effect arrest.

Q: Okay. So, you're saying that he was on the - the suspect and his name is...

A: Armani Lee.

Q: Yeah, Armani Lee is on the south side of Land?

A: Yes.

Q: When he exits the residence?

A: He exits residence, stays on the sidewalk. Walked westbound towards Del Paso.

Q: Okay.

A: When he made it to Del Paso, he turned left, stayed on the sidewalk and started heading southbound on Del Paso.

Q: Okay. So, you said, uh, he had his hood down when he exited the house?

A: Yes.

Q: Okay. How - you could clearly see his face?

A: Yes.

Q: Okay. And when he reached the corner, you said he put the hood up?

A: Yes. And I broadcast all this on the radio.

Q: Okay. And were you guys alternating or operating on the main channel or were you operating on an alternate radio channel?

A: We were operating on an alternate channel...

Q: Okay.

A: ...in the city. A gang channel.

Q: Okay. And these are your issued police radios that you're...

A: Yes.

Q: ...utilizing? Okay. So, you broadcast that he's walking southbound Del Paso and, uh, Sergeant (VanDusen) gives the go ahead to go ahead and effect the arrest.

A: Correct.

Q: What occurs?

A: Um, the first car that I saw, um, that actually attempted to make contact with the suspect was, um - uh - a, uh, gold Explorer. It was an unmarked police vehicle. Uh, I believe it was (Goggin) and, um, and that's SSD deputy that goes by (Walther), um, who I didn't know prior to this event. Um, were driving that vehicle and they were the first actual contact vehicle, um, that basically drove a - a little bit south of the suspect and moved over to the curb line, um, basically to stop his path of travel. And, uh, out of the corner of my eye, I could see the marked units that were coming up Land.

Q: Okay.

A: Um, right about the same exact time. Immediately, the suspect, uh, noticed them, stopped immediately and started running the opposite direction back northbound on the same sidewalk towards Land Avenue. And within a second, he produced a handgun and - and it was in his right hand and s- lifted it up. And as he's running in stride, starts shooting at the marked unit that was on Land Avenue. Um, as he's continuing to run and continuing to fire rounds, um, I could see that he's starting my way and - which is basically to the west on Del Paso. Um, and I'm looking out the side views of my, um, van.

Q: Mm-hm.

A: But I have a shade up in front of my van. So, I could see him coming towards me and, um, as he's starting to round towards my van, he's leaving his attention and his gun attention from this area and starts directing his attention to over here. And I know other units were coming, I just don't know who it was that he was obviously shooting at a northbound direction. As he's basically coming in front of my van, so, I was wearing this at the time. I have a bullet proof vest, uh, a police tact vest so I had my police tact vest up and basically put that up so in case rounds started coming through the front of my car and I could tell that officers were exchanging rounds at this time because he was getting basically right in front of my car as he's running, uh, westbound across Del Paso and the branches from the tree that are - that I'm sitting next to are starting to fall on top of my, uh, car. Not big branches but just small branches and pieces of the - the leaves and the - the little balls and stuff like that were all - just starting to fall on top of my car. And so I could see the suspect continue to run basically right in front of my car. He goes down, over the sidewalk and starts to fall. The guns in his, uh, as he's going down, I can see the gun was - actually, had been exchanged or something moved over to his left hand because it was on his left side. It was a little black, semi auto. And I could see it in the grass. I opened the door and then the officers sort of converged at that time. Um, the officers that I saw were (Walther), um, who was on the suspect's left side.

Q: Okay.

A: Uh, Randy Van Dusen who, uh, put his hand on the gun. Or I see his foot on the gun, um, to stop the suspect from reaching for it until the officers could get him cuffed and then Officer [REDACTED] came up and I think, handcuffed his right hand. And then I assisted with, uh, some gloves because the suspect was down and - and he was bleeding at the time. So had rubber gloves. And so we, uh, we rendered the suspect in cus- once he

was in - in cuffs, we put our glove - tried to get our gloves put on and, um, start rendering him aid. And basically trying to make the situation safe from getting the, uh, Fire units started and, um, got the gun and some of his - the - the defendant's property and, uh, evidence bag and put it in the back of my, uh, marked - unmarked car.

Q: Okay. Did you handle the gun at all?

A: No.

Q: Okay.

A: I saw the - it being handled, um, because I grabbed the bag out of the - the envelopes out of the back of my car. I have an evidence kit in the back of my car. So, I grabbed those and, um, gave them to Krista Koppinger who was there at the time and I think, um, [REDACTED] put the gun in the, uh, envelope while she was holding it.

Q: Okay.

A: Um, after they had gotten gloves on.

Q: Okay. Um, you said you could - when the officers were shooting, there was stuff falling on your car.

A: Yes.

Q: On your van. Um, had that been happening prior to the shooting?

A: No.

Q: ?going on? Um, when the suspect is running, uh, northbound as you described it, um, you recall as northbound, um, he's running this way and you say when he sees the marked units, he gets his gun. Where does he pull the gun from? Do you see?

A: Uh, I c- I didn't see where it was at. Um, it - it wasn't up high. It was down low but, um, as he turned to run, it seemed like he almost had it very quickly. Like, uh, like I said, it happened within a - probably a second. Uh, so I - I couldn't tell you whether it was in his waistband or in his hoodie. Um, 'cause to be honest with you, I couldn't see his hand. He was - hand - his - he was facing away from me, um, and then as soon as he started running, it was - it was almost like he had it as soon as he started running.

Q: Okay. And you said he pointed it at the marked units that were coming down Land?

A: Yes.

Q: And he fired - do you know how many times he fired?

A: Multiple. Um, I think he - at - all total? Or just at that particular time?

Q: At that particular time.

A: I want to say at least four or five times.

Q: Okay.

A: Um, four or five times when he's right in front of the unmarked as he's running by them. It seemed like he - he did four or five rounds like immediately and you could hear it coming across my radio traffic because I was putting out, "He's shooting. He's shooting." Um, as he was running. And then it was like sort of a steady as he was continuing to run poppin' off rounds. That's - as he's still running. It was to his side first. You know, the gun was to his side and then the more further west he went, it - it was more like shooting behind him as he's running.

Q: Okay. And you - you said that he was firing northbound as well?

A: Yeah. So, he - he basically - I think his plan initially - what - if - if he - if he'd had a plan - just so fast - he was going real northbound and that sort of when he was shooting at the officers this way. And then once he started to turn more, um, I didn't know it at the time where these, uh, other cars were positioned 'cause I was looking this - ahead of me but behind me, other cars were positioned and I - I knew that they positioned to the north, I just didn't know where - if they were coming or not. Um, n- now knowing what he was firing at, they were - there were other cars - police - unmarked police cars that were coming in that direction, um, that I didn't know at the time until I looked back and saw that the police cars were there too and been fired upon.

Q: Okay.

A: When I say police cars - unmarked.

Q: Unmarked police cars? Okay. Uh, and so the suspect, uh, ends up basically ending up right outside of your van door? I mean, he...

A: My passenger side - the - the - I have the sliders, so he was - yeah. Right outside the slider.

Q: Okay.

A: Well, I wouldn't say right outside. There's sidewalk and then the grass. Maybe 4 feet into the grass.

Q: Um, and the officers that exited the vehicle, do you recall what they were - what they were wearing?

A: Um, I don't. I know what the - the Sheriff's deputies wearing. He was, uh, in khakis I believe. Um, he had a police or sheriff's black and yellow tact vest on. Uh, sidearm. Um, marked police gear. It wasn't a - a police uniform like a patrol uniform but it was the typical, um.

Q: A vest with?

A: Oh, very much. Yes.

Q: Okay. And he was the only one that you saw at the time?

A: That's correct.

Q: Okay. And these - these, uh, units that were coming down Land, you said they were marked units?

A: Those were marked police cars. Yes.

Q: Okay. And...

A: Uh, they - they - the, uh, the one that I saw - the one officer that I saw from the gold, um, SUV, was, uh, Deputy (Walther).

Q: Okay.

A: I never, uh, with this - through a dynamic situation because we still, um, had other sus- people - at the time that the suspect was coming out to this - I could see that the uncle had also come out so I broadcast that the other - uncle was out too because we didn't know if other people were gonna be harmed in the situation. We - it was a shooting investigation so there was a - an outstanding firearm. So, I was on the radio trying to direct other units to make sure that they knew that there were people out here that - that we still needed to cordon this particular house off. And so a lot of my attention was focused towards that. Um, so I never even saw the second officer that was in the gold one. I think he, um, made his way over to help with that, um...

Q: Okay.

A: ...at the house. Securing the house until we could get, uh, more units there.

Q: And did you see any of the, uh, officers come out of the marked cars? Or did you see anybody in those vehicles?

A: I saw them but I didn't pay close attention to them. The - um, once the shooting had actually happened because, um, we were trying to get - I actually ran down and tried to get the Fire guys to come through and the ambulance to come and help the - the, um, make their way to the - the, um, suspect at that time who needed medical attention.

Q: Okay. Um, and when - when we talk about the marked cars, they're black and white police cars with?

A: Yeah, this is a - a - an SUV.

Q: Okay.

A: Uh, it wasn't a sedan. Um, that - that was the front runner car. Uh, and you could see there was more - that there was more than one there. But that was the one that I was focused on. You could tell it had taken rounds 'cause there was, um, fluid coming out of the radiator and.

Q: Okay.

A: So, it was pretty well aware that it - that it had taken some rounds.

Q: So, it was a black and white SUV with a - does it have a light bar on the top of it?

A: Uh, yes.

Q: Okay. So, very identifiable as a police vehicle?

A: Yes.

Q: Okay. It's not like your - your vehicle?

A: No.

Q: Doesn't - okay. Alright. So, suspect goes down outside your door. And officers take him into custody and then what - what steps did you guys take to render - you mentioned you guys rendered aid to him.

A: Yeah, we - we - um, the - the meds were actually there pretty quick. I don't know where they came from but they were there pretty quick. And so by the time they got the guns - gun - gun safe, him handcuffed and s- uh, some of his stuff off of him as far as ID and things like that that were in his pockets, I think we turned him to his side or when I say we, uh, [REDACTED] and, um, (Walthur) are the ones that were actually, um, both had - controlling his hands. Um, while he was laying on the ground. And I went and grabbed the medics. Basically told them where to park because it was still a hot zone, so I made sure that they got past my van and we did everything on the other side of my van. And then they were passed further just in case there were some other rounds that had been exchanged from the house or something. And, um, they worked on him pretty quickly actually. Um, got his - all of his clothes - clothing off of him. And, uh, assessed his wounds. And got him loaded up and en route to the UCD.

A: No.

Q: Okay.

My initial focus was, okay, the officers are rollin' in and as soon as he started running and then especially when the rounds started - when he - and he pulled the firearm out? DET TAVELLI: Yeah. So basically what happened is I was kind of - the way we usually do it is the point car for some reason, if he has to move, my car is still not been in front of the residence. So, I would - if something happened, like, if he got static or needed to move his vehicle, I could take his spot without being known to the target.

DET GRIGGS: Okay.

DET TAVELLI: So, that was kind of my assumption was is - that if they needed someone to drive by the house or move up to a position where I could see, I would be able to take his spot or move closer.

DET GRIGGS: Okay. Do you know or are you aware of where - were - were there other officers that were sent in on the location other than what we just talked about?

DET TAVELLI: Yes. We had marked units on (La Rosa). GET team units.

DET GRIGGS: When you say marked units, patrol car or...

DET TAVELLI: No. They were driving, like, they had SUV's.

DET GRIGGS: Okay.

DET TAVELLI: Marked SUV's. We had a canine unit on Land and then we also had - I believe the Gold explorer driven by Officer Goggin in the area of Land.

DET GRIGGS: Okay.

DET TAVELLI: And then we also had some other unmarked assets down here at (Taft).

DET GRIGGS: Okay.

DET TAVELLI: But I'm not sure exactly what everybody's position was, but I know that - we kind of have, like a...

DET GRIGGS: Okay, and what happened in your own observations?

DET TAVELLI: We set up at about 1:00 or so we started to kind of filter into the neighborhood and then the other units sit and landed at the Kinney Station, made their way down - we kind of had a time frame that we were looking at to maybe do a surround and call out and we were kind of getting a plan together on long-term, like if we didn't have a sighting or if nobody left the residence or - I - I was going to - my plan was to coordinate probably a take-away, like if a vehicle left and we made a stop of an unrelated person that left from the home to debrief them to see if the suspect was there...

DET GRIGGS: Mm-hm.

DET TAVELLI: ...so then if we had to write a warrant or whatever else. It's kind of very dynamic. So basically about a little before 2:00, (John Sample), Detective (Sample) on binoculars voiced on the radio that he sees the suspect leave the house on foot, hoody down, he recognizes his face, confirms his identify and he'd already seen like this is his uncle, his brother and we - he identified those people that they were out and about before the suspect.

DET GRIGGS: Mm-hm.

DET TAVELLI: The suspect comes out. He cuts through I think on the yard side here on the left and then proceeds to try to go southbound at Del Paso. (Randy) moves up, makes his way down. The units converge from Land. I'm not sure which unit went first, but at some point he stops and he starts to run northbound. I hear gunshots. (Sample) voices on Gang 1 channel that he's shooting and I can see him shooting. It appears he's shooting eastbound down (Land). I don't know what he's shooting at, but I can tell he's shooting down (Land). Then I see the Canine Unit pop out into my view, like, here in the front of the residence. (Randy)'s truck stops here - (Randy Van Dusen)'s white truck and then the suspect starts to run northbound on Del Paso. Before that when he first started to run, before he started shooting, (Randy) moves his truck to here. I start to move behind (Randy), slowly...

DET GRIGGS: Mm-hm.

DET TAVELLI: ...and activate my lights - my forward lights, so my red and blue lights that are on the - the dash and then the headlights, like, cycle, I'm trying to get my vest off the seat to put it on and (Randy)'s kind of like rolling cover for me and he has his vest on, because he had just gotten out to get his helmet and I saw he was wearing his vest. It's Police front and back with the pockets and stuff. So, he's rolling here and as this is happening and I'm behind (Randy), I hear the gun shots down (Land) and I - so I stop and then first -- I don't know what happened -- but he does kind of a button hook and he starts to run northbound and as he's running northbound right towards me, he - he lifts the gun up and he points it right at me, like, I see him looking at me in the windshield and he squeezes off, like, five or six rounds and I didn't know this at the time, but (██████)'s - (██████)'s his van is like right next to me and we're - I'm on the wrong side of the street at this point, like, facing south and (██████)'s van is just west of mine and I was basically, like, I'm going to get killed right now. So, I put

the car in park and am trying to decide if I want to try to bail out or stay where I'm at and I can't get my vest on. So, I basically just hold my vest in front of me and just duck down...

DET GRIGGS: Okay.

DET TAVELLI: ...and then I just hear, like, a barrage of gun fire and I see him - I, like, look up and I see the suspect running and he's still got the gun out and I can see the officers now kind of tracking him, running northbound and he goes right in front of where (John Sample)'s van is parked. So, (Sample)'s van is parked pointing south or pointing south on the west side of Del Paso...

DET GRIGGS: Mm-hm.

DET TAVELLI: ...still and (Sample), I know that he's not in the driver's seat because he's - he's doing surveillance so he, like, is probably in the far back...

DET GRIGGS: Mm-hm.

DET TAVELLI: ...like, looking out through the window. So, he's just stuck there. So, I went, "Oh, crap." Like, he's a sitting duck. So, I basically decided to not get out of the car because I thought I would be in a crossfire and I really didn't want to get killed and the guy - I thought for sure that my car got hit. Like, I thought for sure. I can see the muzzle flash. He was pointing the gun right at me...

DET GRIGGS: Mm-hm.

DET TAVELLI: So, I just stayed down until I saw my pa- passenger's side window, him run in front of (Sample)'s van and fall. Like, I saw him stumble over the sidewalk and then go down.

DET GRIGGS: Mm-hm.

DET TAVELLI: So, I got out of my car and () and I kind of married up - () and I kind of married up and we came around the back side. He was just, like, down on the ground. They take him into custody and then basically just open up the van and just I - I was, like, so worried that (Sample) was just dead in there. Like, he was just riddled with bullets because literally, like, it just - I don't know how the van didn't get shot. I mean, just good police work, I guess, because that kid, like, ran right in front of the van and they was shooting at each other back and forth and I mean, it was just like a miracle that nothing hit the van...

DET GRIGGS: Okay.

DET TAVELLI: Mm-hm.

DET GRIGGS: So, that's up and it's on and you're in the - you said you were on the wrong side of the road...

DET TAVELLI: I was on the wrong side of the road - and when my - my car -- I don't know if it's standard or not -- but it actually when you activate the lights, the second position, that light cycles and then my headlights have red and blue...

DET GRIGGS: Mm-hm.

DET TAVELLI: ...and so do my rear lights.

DET GRIGGS: Mm-hm.

DET TAVELLI: So, it kind of - it's very obvious what's going on, you know, when the lights are activated.

DET GRIGGS: So, this was all on before you saw him point the gun at you and the police officers...

DET TAVELLI: Yeah, he was running at me, shooting the gun at me.

DET GRIGGS: Okay. How did you feel right then?

DET TAVELLI: I thought I was going to take a hot one. I thought I was going to die.

DET GRIGGS: Okay.

DET TAVELLI: Because - there's - and on top of that, I felt like I - I was in a really bad spot, because I had to make it - a - a basically a split second decision if I'm going to try to get out of the car and have a big disadvantage. I don't even have my vest on yet or do I use the car as cover, stay where I'm at and not become someone that needs to be rescued later in the crossfire, you know, so. I think that actually it - it worked out because I was trying to think ahead as far as I could, but I knew that there was multiple officers engaging him and they had all their equipment. Like, the PRCS guys, they wear gun belts, they have Tasers, they have all this stuff and we don't wear that stuff. So, it's like as far as advantage goes, I felt like it was - it would be- it was tactfully a better decision to stay where I was at and kind of let them focus on him. Does that make sense?

DET GRIGGS: Mm-hm.

DET GRIGGS: Okay.

DET TAVELLI: ...so.

DET GRIGGS: Okay. I think we talked about it earlier, but ahead of time you knew the guy was - was he wanted for anything?

DET TAVELLI: Like I said, (████) and I had married up with everybody else. They got him detained...

A: Armani Lee.

Q: So what time did you come to work today?

A: Approximately 1:00.

Q: Okay. And before, when you came to work did you go to like an office or did you go to the field?

A: To the field?

Q: Did you meet other members of your team somewhere?

A: Yes, just one - one.

Q: Okay, who'd you meet and where?

A: Sheriff's Deputy Jim Walther.

Q: Okay. Were you paired up with him?

A: Yes.

Q: By paired up, I mean in the same car.

A: Yes, we were in the same vehicle.

Q: And what kind of car is that?

A: It's a Ford, it's a gold Ford Explorer.

Q: You know the approximate year? Is it newer, older?

A: It's neither new nor old; 2006 maybe.

Q: Okay. Is that car used for surveillance?

A: Yes.

Q: Does it, is it have blacked out windows in the front?

A: No.

Q: Or the windshield?

A: No.

Q: Does it have tint behind the front windows?

A: Yes, but, not after-market tint.

Q: Okay, so it's not like a limo tint.

A: No, it's not.

Q: It's a tint you can probably see inside if you're looking?

A: Yes.

Q: Okay. Where did you and Deputy Walther meet?

A: At Marconi light rail station.

Q: So, you guys, you met out there today. Ah, can you just kind of give me, kind of put in your own words what you - what you guys, what the plan for today was. What - what brought you to that area? And, you know, I understand that you're trying to locate Armani Lee regarding a shooting. But why that particular area, why that particular light rail station?

A: We received information that Armani Lee was possibly located at [REDACTED] Del Paso.

Q: Okay. Go ahead.

A: We've known that address as his uncle's address, an address that he had used in the past.

Q: Okay.

A: The Marconi light rail station is - in a close proximity to that address. Deputy Walther drives a marked sheriff's car, so we met at the light rail station so that he could park his marked sheriff's vehicle and then he and I could ride together in the unmarked Ford Explorer.

Q: Mm-hm. Is that because you, were you -- was your goal today to see him before you went to that house to conduct the surveillance?

A: The goal was to conduct surveillance, to observe Armani Lee and then apprehend Armani Lee.

- Q: Okay, and forgive me if I'm wrong, but a marked sheriff's police car might cause Armani Lee to stay inside a house. See you outside, he may not come out.
- A: Correct.
- Q: That fair?
- A: Yeah, it's fair.
- Q: Ah, do you remember after you picked up Deputy (Walther), where did you guys, where'd you go? Or did you have a specific location in the surveillance or were you far away. What was your role assignment?
- A: We were not part of the surveillance team.
- Q: Okay.
- A: We, I positioned our vehicle in a business parking lot down the street from that Del Paso address.
- Q: Okay. North or south?
- A: It's east off of Land Ave.
- Q: Okay. And then were there other officers out there doing surveillance?
- A: Yes.
- Q: Do you remember who they were?
- A: Yes.
- Q: Who were they?
- A: Ah, some of the Sacramento gang detectives were out there.
- Q: What happened next?
- A: We had a detective who was on surveillance to observe the front of the residence.
- Q: Mm-hm.
- A: He was in a position where he could call out individual's coming or going from the residence.

Q: Okay.

A: He called out that he had seen an individual who he identified as an associate of Armani's and another individual who matched the description of Armani's uncle. From what was broadcast, the two individuals, Armani's associate and his uncle walked downstairs, accessed the garage and then walked back upstairs.

Q: Okay. And what -- did you guys do anything with that information?

A: No.

Q: Okay. Then what happened next?

A: Ah, the detective who was on point surveillance called out that he saw an individual that he identified as Armani Lee.

Q: Mm-hm.

A: Exit the residence we were watching, and walked down the stairs and start walking on foot towards Del Paso.

Q: Okay. So, as far as a time frame goes from the time that you picked up Deputy Walther to park in the business complex on Land Avenue, in your park they're waiting as the gang detective is conducting surveillance. How much time passes before the gang detective radios that he sees what he believes is the uncle and associate, go to the garage? Is it within minutes?

A: More like half an hour, thirty minutes.

Q: Thirty minutes? So you guys are sitting there, waiting for approximately 30 minutes, before any activity from the house?

A: That's correct.

Q: Okay. And after they go back upstairs, is it immediate that they -- Armani walks out of the house or does it take another 30 minutes?

Sergeant Dobson was approximately here on the north corner. He had his firearm out, un-holstered. In order to not run in front of his firearm, I went behind Sergeant Dobson.

Q: When Armani Lee is here firing at Sergeant Dobson and then begins to run across the street, how far would you think when you discharged your first round, how far away was Armani Lee from you?

A: Fifteen to twenty yards.

Q: And how many rounds do you think you fired total?

A: Well, I know how many now.

Q: How many did you think at the time?

A: Five.

Q: Okay. Anything else?

A1: Yeah. So Armani Lee was involved in a shooting last Saturday. We have already talked about that. Was the gun from that shooting ever accounted for or recovered?

A: Not that I knew of.

A1: Okay. Was there video of that shooting?

A: Yes.

A1: What did that video show?

- A: I believe our sergeant had viewed the video and some of the detectives here with felony assaults, and I heard that it was a very good video in the sense it was clear, and that's why Armani Lee was the suspect in that shooting.
- A1: So you could clearly identify Armani?
- A: That's what I've been told from people who saw the video.
- A1: And what were the actions that you understood had - so you said your sergeant viewed the video.
- A: I believe so.
- A1: Okay. And what did he tell you about what occurred in the video as far as what Armani's actions were?
- A: Just that he had fired his firearm toward the direction of the two what we call intended victims and had struck an apartment several times.
- A1: Okay. And bringing it back to today's incident. Can you tell me as you're pulling up and you see Armani reach into his waistband, can you tell me what's going through your mind at that point?
- A: When he turned and fled on foot and I got out of the vehicle, it was fairly simultaneously as he took a couple of steps running northbound on Del Paso that he reached in his waistband. And I yelled out, "Gun," particularly for my partner Jim. And then a second after that is when he discharged his firearm.
- A1: Why did you yell out, "Gun" when he reached in his waistband?
- A: The way he was reaching in his waistband, you know, based on my experience, is that he was going to be reaching for a firearm. And then it was quick when he reached in his waistband and retrieved the firearm that it was really fast, so almost like as he's reaching in I'm recognizing that he's reaching for his waistband, the gun comes up.
- A1: Okay. And when you see him take the gun out and he aims it at the squad car, what's going through your mind at that point?
- A: A little surprised, and almost for a split second surprise that he didn't turn all the way around and just shoot at me, but that was my first inclination that, you know, was surprise that he was firing on an officer.
- A1: Okay. Did you feel that where he was aiming that that officer might be in danger?
- A: Yeah, absolutely.

A1: Okay. And from the position that he was in, could he have turned on you from where he was at?

A: Yes, probably not only immediately after he started to flee on foot but at any time during his path of travel across the street.

A1: What do you think would have happened today if the officers hadn't fired on him?

A: What do I think would have happened?

A1: If you hadn't fired would he have continued firing, do you think?

A: I have no - after watching him discharge his weapon right after he started running, I have no doubt that he was going to continue to fire his weapon until he could avoid apprehension.

A1: Thanks. That's all we had.

Q: At what point did you stop firing?

A: He got a distance almost to the sidewalk is when I can best recall that I didn't discharge anymore.

Q: And did he fall shortly after that?

A: Yeah. I mean, it was still a few yards, to be honest, but he had gotten a distance away from me that, and then it seemed like, yeah, shortly after that he fell to the ground.

Q: All right. All right.

A: Yes.

Q: Okay. And then with this, what kind of training do you have to go through to become a K-9 Sergeant?

A: Well, to become a K-9 handler you have to have basic academy school you go through three months of a training program just to work with the dog. POST (Peace Officer Standards and Training) mandates that we have a annual POST certification process to make sure the dog does what it needs to do and there's a civil criteria they need for searching, control, obedience, all those things. More important we do training each week for a minimum of four hours and we go through at least four scenarios, K-9 scenarios things that we utilize with the dog. We also do additional advanced training. One of the additional advance trainings that I might have my K-9's and my K-9's one of the SKIDDS qualified dogs. And that's a dog that is a dog that is trained to work with the SWAT team.

Q: Can - can you tell me what SKIDDS stands for?

A: Swat, K-9 Integrated During Deployment School is what is in that the short the long term version of the version, but basically what that means is that my, myself and my K-9 have had additional training, went through additional three day school, to work in conjunction with the with the SWAT Team.

Q: Okay and with the - with the certifications you're talking about is that you said you had to go through annual certifications with your dog, correct?

A: Yes.

Q: Is this all documented or how do we, really keep track of that?

A: Yes. We document it through our in house K-9 tracker program. So, it's all in a data base in our mobile net so, we put in our hours and it can all be pulled out and every - every training ah, day that we have we quantify and actually each deployment is also noted in K-9 tracker. So every time we go out and deploy whether we're using a - a dog for a search, whether it be for explosives, narcotics or for a human or anything like that it's all tracked in that software.

Q: Okay, for every time a dog is deployed for - for duty purposes?

A: Yes.

Q: Okay. And then, um.

A: Not going to get entry for this one.

Q: Now is there any - any specific training that you have you covered the K-9 handling portion is there any specific training that you have for Sergeant.

A: Well, in conjunction with the K-9 when you run with a K-9, you know, you by nature, you're going to have a handler that has to both, you know, multi task. We go through a lot of different use of force scenarios, with our dog, because our dog is a less-lethal tool. So, we need to know when and when it's an appropriate time to deploy that dog when it's not an appropriate time to deploy that dog. So whenever you have this tool we have to go through there's that's training so as my job in the unit, set up scenarios for my team so they have that quick decision making process. So when we either send the dog, don't send the dog or it's an appropriate tool for that job. So we have as a part of this four hour blocks it's not just always focusing the dog, it's also the handler dog relationship and going through that. So it's the kind of advanced training we do each week.

Q: Okay. And then prior to K-9, what did you do before that?

A: I was promoted prior to K-9 as a Sergeant and worked as a Patrol supervisor for one year in Oak Park and prior to that I was on the SWAT Team for 11 years as an operator.

Q: Okay and as a SWAT Team member is there a specialized training that you have to go through?

A: Ah, yeah, and part of the SWAT Team we have to go through an 80 hour basic SWAT course, but again in most of our training the real good advanced training came in house with our Team and being on the Team for 11 years. So I ran the gamut of being a - a sniper, the sniper team leader, repel master active shooter instructor, assistant team leader, so had a lot of exposure to many - many different schools in regard to use of force, decision making, you know, things of that nature.

Q: Okay. And you said 11 years on that?

A: Yes.

Q: Okay and prior to SWAT what did you do?

A: I was a patrol FTO, Field Training Officer, Corporal so, I was in charge of training recruit or Academy graduates phases one through four in my car, responsible for their - their tutelage and training. And then prior to that I was basic patrol.

Q: Okay. And so you got - you got FTO and then as, before FTO you were a patrol officer?

A: Yeah and while I was an FTO and before that I was also a rifle team member one of the first patrol rifle team members, so many years back when I first started, they started putting patrol rifles out in service now which is the norm now for us. And that enlisted all patrol, patrolman are - are given the opportunity to train for that. When I first started it was a small group and I was one of the slight few that got on the patrol rifle team to field that. And again, as an officer that schedules, it was specialized training and in, you know, perimeters, marksmanship, use of force, decision making, and things of that nature.

Q: Okay. And so as a rifle team member though you were also just a, you were a patrolman then and then you became an FTO afterwards, okay?

A: Mm-hm. About the same time, but there was just one specialized training so I was - I was an FTO while I was a rifle team member.

Q: Okay.

A: That's how the program worked, mm-hm.

Q: And then prior to being a patrol officer then you were in the Academy?

A: Yes.

Q: And which Academy did you attend?

A: 98 BR1.

Q: And, for which, was it ours through the Sacramento Police Department?

A: It was ours, Sacramento Police Department, yes.

Q: Alright, now in your assign- your current assignment what - what are some of your responsibilities and your duties as a K-9 handler / Sergeant?

A: Well, K-9, the K-9 unit's city wide per - per having an enhanced patrol function. We work kind of loosely throughout the city and go to all the calls where we feel it's necessary that there will be a K- they could use a K-9 resource. Whether it is a felony in progress, a burglary, a stolen vehicle, someplace where we feel that K-9 asset would best used for officer safety purposes. Because again, we have a mobile less lethal tool at our disposal, whether it be for searching for somebody that's hiding, or using in an - an manner of a less lethal tool like in a direct send, where we can go city wide. And we can go from, you know, Cosumnes River all the way back to the Natomas and we're just monitoring the radio, listening to active game plans, listening to crimes in progress going on and using that dog and its tools for - for officer safety and also for investigative purposes the dogs can also be used to sniff narcotics explosives outer articles of evidence so it's a pretty busy shift.

Q: Okay and you said that you referred to less lethal force so you consider the dog as being, as a type of less lethal force?

A: Absolutely, absolutely, we - we utilize that dog as much as possible so we can have an added benefit to our decision making and maybe an added buffer. When I have an ability to use the dog in a fleeing or hiding suspect or at least sometimes the mere presence of the animal, you know, because some people are just are naturally afraid of the dog or just knowing that the dogs maybe can find them, will give the suspect the opportunity

to surrender and he will surrender just by seeing the K-9 unit or seeing the K-9 out the window. Ah, so that's a tool, just the command presence of the dog, sometimes diffuses the situation, deescalates it other times when we actually have to go search, having that dog, you know, out ahead of us, searching instead of us you know, being right up there in front or having to make up a decision with our guns out looking for somebody. It's a great tool.

Q: Okay and does your dog, does Ace have any kind of identifying information on him to - to let somebody know that he is a law enforcement?

A: He has a. He has a collar and a flat badge with a - with the Sacramento Police Department K-9 Ace on it.

Q: Okay. Now, when you're in this capacity as a K-9 handler, I see you're dressed in - in what we call full police uniform. Is this the standard dress for you as a K-9 officer, or a K-9 Sergeant?

A: Yes, it is we normally patrol in full duty uniform like as you see here. And we also roll in marked K-9, the PUV, but the rest of the team has marked K-9 Crown Vic's. Ah, and they're differentiated by the markings of K-9 all around the front, sides and back of the vehicle. There's no question that it's not a K-9 vehicle.

Q: Okay, can you explain what the PUV is that you're talking about?

A: I'm sorry, it's a, the Ford Explorer that the department likes us to call it it's a Police Utility Vehicle, we can't call it a SUV.

Q: Okay.

A: Yeah.

Q: Okay and it's fully marked, does it have police lights, does it have sirens?

A: Black and white it is it looks like a police car. It has a light bar on the top, K-9 on the front on the windshield, K-9 on the side, to stay away for - for police K-9 in the windows, yes.

Q: Is it also equipped with an in car camera system?

Q: And that's a collapsible baton?

A: Yes.

A: I just burned four hours of personal time.

Q: Okay. And then when leading up to the incident today what, how did you end up over there, what, did you receive any kind of information that your assistance was needed, can you kind of guide me through that.

A: Absolutely. As I stated before, you know, we have our phone and we have our scanner, we'll get constantly called by some of these specialty units looking for a K-9 resource, sometimes you just stand by in the area of an active surveillance, especially when they feel that the target, like this today, is somebody that's a definite hazard to officers, where they can use that K-9, whether it's for an apprehension or just the mere presence and today on the way in I fielded a phone call from Sergeant MacLafferty of the North Gang Unit and he had advised me that they were setting up a game plan looking for Armani Lee. I'm familiar with Lee because the PRCS Team had me sit with them a direct surveillance active surveillance the day prior. So I knew that from the info and from what I learned before that he was definitely a parolee at large and he was also a suspect in a recent shooting. Um...

Q: I'm sorry, I just wanted to confirm.

A: Okay.

Q: So, you had prior knowledge of Armani Lee?

A: Yes.

Q: And when you when you referred to it you said at the beginning about target.

Q: And, is Armani Lee always the target?

A: No, it's a - it's a descriptor we use when we're if we're up in air or what not, we don't want to put the air out, you know, that to say that it's just usually it's whatever that target is for that game plan, then you say, target, just like that's the suspect.

Q: Okay.

A: Yeah.

Q: And so you do have prior experience with Armani Lee?

A: Well, prior information because we sat, the day be- prior on Thursday, we sat on a surveillance by the - and listening in to what in the area where the PRCS Team was actively looking for them. Just - just for the same reason, just in case we were needed, because a lot of times we do that. so at that time I was briefed out by Sergeant Van Dusen regarding Lee's current wants, his status, saw a picture of him on KPF and we sat there ultimately the - the surveillance was cancelled, because they ran out of leads. And that's so I already had a heads up when Sergeant MacLafferty called me and told me what they were doing.

Q: And what day was that?

A: Ah, the surveillance? The day before, so Thursday.

Q: Okay.

A: Yeah, Thursday.

Q: And so, on Thursday's did you attend any kind of briefing or anything like that or how did you get caught up with - with what.

A: It was - it was a field briefing over the phone ah, and over the MDC, Sergeant Van Dusen just gave us a heads up this is the guy we're looking for and felt that we should be in the area because of the - the Lee's want and the potential idea that they had information that he was armed, they wanted some K-9 units in the area.

A1: Are we talking about Thursday or today, Friday?

Q: Okay. And so that was called off, you went you finished your shift.

A: Yeah, went separate ways and handled some a couple of their calls and - and was done. But, again the light bulb went off automatically as soon as Sergeant MacLafferty today called and said hey, this is who we're - this is who we're looking for, this is the location, at the one the address on Del Paso. Further, he stated we're going to meet and brief at Kinney, at 1 o'clock. And set up on this place.

Q: And that's for today?

A: That was for today.

Q: And so you had a briefing at the Kinney Station?

A: I rolled into the Kinney Station a little before 1 pm to attend the briefing. I met Sergeant Van Dusen in the parking lot at the gas pumps. I did know that his team was coming in. Ah, he told me his team's coming in on overtime and they're going to take over and they had pretty good - pretty good information through investigation that - that lead was at this location at [REDACTED] Del Paso. And they were setting up surveillance on it, like immediately. So, I asked him I said, "Do you want me to sit on this brief or would you rather me think of having the K-9 unit more close by not sitting at the Station would be a better idea." He says, "No, absolutely get to the area in case this guy moves."

Q: Okay.

A: If he moves and so I, after finishing that conversation I got in my car, fueled up my car and got to the area.

Q: And were you already aware on Thursday of what Mr. Lee was wanted for?

A: Yeah, shooting earlier about a week ago in the north area.

Q: Okay. And did you ask specifics on it, or was it just that you knew what the want was?

A: I believe in I - I - I looked over the IB that the officers sent out and I just got the scanned information that it was a DV related thing, a fight, and it was a 246 / 245 deal where he took some shots either at his girlfriend's new boyfriend or something of that nature and that's about all I knew. His KP- saw his KPF photo knew that he was supposedly be wearing the red twisties, was the new information and that he was armed with a handgun.

- Q:** Okay and you did take a look at Mr. Lee's photograph on the KPF?
- A:** Yes, I did look at the KPF, and then there was an updated picture that they had with his with his the - the red hair that - that I saw.
- Q:** You're talking about the Sacramento County's Known Person's File?
- A:** Yes.
- Q:** Okay, and can you tell me if you recognize that person?
- A:** That is Armani Lee that is the picture that I saw.
- Q:** Okay.
- A:** That is one of the one person and also, I recognize the neck tattoo as well.
- Q:** Okay. Do you mind just writing down who you recognize this person as. And then I'll have you date and time, I'll give you that, when as soon as you're ready.
- A:** And to sign it?
- Q:** Yes, please with your badge number as well.
- A:** Mm-hm. It's 2-10, right?
- Q:** It's 02-10-17 and 2136 hours. And so, for today you came back and you were going to assist. You went out there and you were saying you were staged in an area. What was your - what was your job in this whole plan here?
- A:** So, we had several different variations of a - of a plan for an arrest we were going to let our unmarked units and our undercover assets get in place so they can surveil. So they can look - look get a look at this place. So, being a marked unit especially a marked K-9, a unit we just I wanted to get in a loose perimeter of the area. So I secreted myself deeply on the street south on Land and behind some businesses. Ah, advised the units who were working on channel, an alternate channel, not the main, we were working on the gang 1 channel. And let the units know that we were setting up surveillance that I was in the area if they needed a car stopped or if they needed a potential take down vehicle meaning take down, meaning the marked unit roll in, to make an, effect an arrest we have a marked presence there to say hey, suspect this is the police. I was in the area. Shortly after - after I sat in that area for probably 15, 20 minutes more - more team members PRCS and gang units got into the area and about that time. Sergeant Van Dusen, who was the UNN40 unit, the supervisor of the scene, started giving some options on a plan. Number 1, would be if Armani Lee exited the location that we were all looking at, [REDACTED] Del Paso and they gave a the good description of two story powder blue, ah building kind of near the corner of

Del Paso and Land. Ah, and they also was able to furnish a picture from one of the PRCS officers. Of that actual house, so we had knew exactly where it was.

Q: And you had that with you or you had taken a look at it?

A: Yeah. Yeah, got a look at it had seen it.

Q: You had that with you, okay.

A: So the plan was if he got out on foot, exited far enough away that they were going to attempt to take him down in the open. Secondly, if he got right into a car and they couldn't get an effective take down on the street they were going to follow him away Surveillance him, not follow him away and see if he lands just so we can mitigate having a possible vehicle pursuit, which would be inherently dangerous in the city. And then finally, if there was any confirmation that he was there, like if maybe he stuck his head out the window, or door and went back in we were going to move in and do the surround and call out of the location. And then just lock it down and just be very overt and say, we know you're in here and - and see where it went from there. So we had several options, to see whatever the suspect, however it played out and we just kind of waited at that point.

Q: Now did either Sergeant MacLafferty or Sergeant Van Dusen did they express any - any concerns, any safety concerns?

A: Absolutely. One of the things that Sergeant Van Dusen ?. he sent me a message on the MDC, and then talked on the phone that he was indeed armed, the investigation was obviously he was wanted for a shooting they had information from the investigation today that there was a gun in his - in his possession and that he also preapproved the use of K-9, felt it necessary in case the suspect fled. And that's something that we do as part of our policy when we have a field supervisor we don't arbitrarily just, you know, put our K-9 into play any old time, we have a checks and balances system, as part of our general orders that states, you know, we'll - we'll assess it with a field supervisor and obviously Sergeant Van Dusen felt a threat, you know, egregious enough that - that a K-9 would be in this situation, which makes good sense because he was already wanted for, you know, the suspect in a shooting, was a parolee at large, and history and we have the info- information through the investigation that he had a gun.

Q: And you said that there's certain criteria that has to be met in order to use a K-9, can you tell me some of the criteria that has to be met?

A: Yeah, our general orders usually follows the Court Ruling Graham v. Connor in regards to the - the reasonableness of the imminent threat that the suspect has amongst the citizenry, the officers themselves, the current want of the of the suspect, how egregious it is. Whether it's violent or - or - or potentially violent and then if it's an officer safety risk and they intend to apprehend. Meaning, you know, if it's if the suspects in a situation where the use of that force or, or use of a dog would be the safest way to apprehend him. So we kind of have a balance of it's a broad based three prong test, but we always balance that out to the situation we that we have. And it was reasonable at this time with the warrants we had with him, the information we had that it would be, it was very worthy of a K-9.

Q: That was - that was my next question, is what - what criteria would this specific scenario for today with Mr. Lee?

A: Wanted parolee, so we obviously know that he's an ex- ex con, he's a parolee at large so he's wanted felonies on the run, he's a known suspect in a shooting that happened a week prior where he shot at victims out in the open, he's wanted for that. And the investigation today was telling us that he had indeed had a gun on his in his possession. All of those things are big red flags.

Q: And was he arrestable for that shooting that you had talked about from last week?

A: Yes, he was.

Q: Okay. Do you know if there was a - a warrant, an arrest warrant or was it based on probable cause?

A: I do not know. He said at the one - at the one point yeah, I don't know if it was probable cause at that point, I didn't research that far I know that he was - he was parolee at large status because of that. I don't know if it's just a PAL warrant then and they're working on the PC, but I'm not sure if there was an actual I can't remember if there was an actually felony warrant at this point.

Q: Okay. And based on him being a parolee at large, that is an arrest warrant in itself.

A: Absolutely.

Q: Is does that itself qualify to use a K-9?

A: Absolutely.

Q: Okay. So, what I've got here is I've got just a Google map like I said if - if you don't see what we need in this let me know and I can - I can later print one that's a little bit wider. So, I've got two separate maps and I'm going to show you one of them over here, just let me know what's - what's pertinent.

A: Mm-hm.

Q: And what I'm looking for is basically where it was that you went and staged today.

A: You want me to mark, just mark this map?

Q: Yes, please.

Q: If you want will you make a bigger circle there.

A: Yeah, you want you need it bigger?

Q: Sure.

A: I'm a small writer, but this is me right here.

Q: Okay. All right and where we at there. So you're tucked in and it looks like, in the, is that an industrial area right there?

A: Yeah, I was using the buildings for some cover and I just tucked myself in the back parking lot, so if anybody, whether it be a friend of the suspects, or friend of Lee would just, you know, not be tipped off that there was a marked presence in the area, you know. Trying to keep the surveillance, ah you know, pretty undercover still.

Q: Okay.

A: So I tucked myself back there.

Q: And then we'll pick another color here can you tell me do you see the residence that you were I think you had mentioned [REDACTED] Del Paso?

A: Mm-hm. And which was odd to me that it was at [REDACTED] Del Paso address but it was truly on Land and it's hard to see here, but I'm going to say its right about there.

Q: Okay.

A: Right there.

Q: And actually here's another map with so we've got Land and Del Paso Boulevard here.

A: Right there.

Q: So, that will be [REDACTED] Del Paso you're right and it actually is, it falls on Land.

A: Yeah. And if you Google, or it's like a different thing on Land, but I was reassured by the and that's why the pictures being sent back and forth helped confirm that that indeed was and it's a unique building that it's so narrow, but that's where it was.

Q: Okay. And so right here at this point do you know who's - who's out on this operation as a whole?

A: I don't have the (unintelligible), so there's a lot of unmarked presence, I can kind of monitor through the air and having put two and two together what we have, I know that there was several north gang units, because I could see them on my MDC screen of who's logged in, and they were floating around in loose perimeter spots in my area, I think we had another units and I can't recall the exact identifiers right now, but there was a lot of unmarked presence, because of the, ah nature of the surveillance so it's hard to monitor who - who was in there, because I can't see it on my screen, you know. So it was - it was hard to see, but I did know that we had unmarked units littered about because they were giving us real time information about who was coming in and out of that location and the door only faced pretty much Del Paso. So I know that they had eyes on the place.

Q: Okay. Do you remember approximately what time you got out there to set up just basically a perimeter.

A: Yep, I got there probably a little bit after 1 o'clock so probably 1:10, maybe 1:15 at the latest. I circled a couple times to get a lay of the land. I like to do that before I go into someplace just in case we're, they go into a pursuit out of the area, I like to know, kind of know all the - the streets so I kind of get a good game plan of where this suspect may or may not go. Ah, so by the time I landed here was probably, maybe a quarter after, at the latest.

Q: Okay. And then also from here, can you just tell me what went on and what the circumstances were that led up to everything.

A: Sure. Ah, sat there for a while, probably, I bet at least 40, 45 minutes while we're listening to the intel, more readings were getting in and we're, and there was a little bit of activity at the location. Nobody spotted the suspect Lee at that point, but they did spot a family member that they called, that identified as uncle at one point walking around the porch. Ah, again, a little bit of movement, so we knew there was somebody inside but nobody spotted that, so we just sat there and did what we usually do on our surveillance is wait, and waited and - and waited for some intel. Ah, and as the units gathered and just obviously make it, made it, tighter and tighter in that point. Previous, prior to the suspect actually coming out and initiate - us initiating the arrest, we were waiting. It was close to 2:00, because I remember because Sergeant Van Dusen said we were going to wait until 2:30. That's when they were going to (unintelligible) resource set and see if they can confirm through some equipment if he was indeed inside and go ahead and do an overt surround and callout at that time.

Q: And so did this ever make it to the point of a surround and callout?

A: No.

Q: Can you tell me what happened, then?

A: About 2:00 one of the surveillance units spotted suspect Lee exit the second story, walk down the stairs and make it to the curb line approximately at Land Ave. And then he turned and started walking towards Del Paso Boulevard. At that point Sergeant Van Dusen, who was being (unintelligible) advised myself, as the canine unit, and a couple other units, to roll in to initiate arrest because they felt he was safe enough away from the house that he wasn't going to run back in and they wanted to get him in the street where we thought he could not get to a car or anything like that, and effect an arrest. Typically in these situations, we want a canine unit there so indeed if he

does run, even after seeing a canine unit or something like that, or if I'm ever able to give them an admonishment, let them know that there's a canine there, don't run they'll surrender to the canine. Or, if they run, we can use the canine as resource to apprehend the suspect as a tool because the canines are faster, they track, they jump over fences, they do things that humans can't do. And then sometimes we can mitigate a lot of unnecessary fights and injuries to officers by having that resource. So, as I moved to get into position, I pulled out of my parking position here and got onto Land and headed towards Del Paso Boulevard.

Q: So that's kind of in a, I would say north - northernmost route on land.

A: It's the north area, it's very confusing.

Q: Towards Del Paso Boulevard?

A: Yeah - yeah.

Q: Okay.

A: It's - it's - it's just down the road. You're, easy to point because you can ask three different people and they'll give you a different direction of what the north area is. Ah, but I was heading towards the intersection of Land and Del Paso Boulevard. At that point, I remember a broadcast, they said, yeah, he's got the twisties in his hair. And that - that - that confirms with what I already knew. Ah, and as I was rolling to the area, I recognized a couple of our unmarked vehicles crossing in front of me, going into the area.

Q: Can you tell me which vehicles those were?

A: I saw Sergeant Van Dusen's pickup truck and I saw a Explorer that the PRCS team uses, it's got shiny rims, it used to be the chief's ride.

Q: So with the pickup truck, you said it was Van Dusen's?

A: Yes.

Q: And what color is that?

A: White.

Q: Do you know what make and model that is, or?

A: It's a Ford, probably a 150. Got the utility box on the side, but, ah.

Q: And then, you said there was another what - what other kind of vehicle?

A: Ah, Ford Explorer.

Q: Okay.

A: I recognized the rims. I think the PRCS team uses it. But I've seen it, we share an office so I've seen those cars.

Q: Okay, and so which way would they go?

A: They turned left, or were moving left into this area and that's exactly where the - the path of travel that the suspect went on foot. It appeared he was heading towards this Bill's Liquor area, or that way, ah.

Q: I'm going to stop you real quick.

A: Yeah, no problem.

Q: Where you said - you said they were moving north on Land Avenue?

A: No, as I was approaching here.

Q: Mm-hm.

A: You know, weaving my rig through, I just, and I - I just remember seeing the units make this corner. And I don't know exactly where they were (unintelligible) or not.

A: So I'm assuming they were getting in position to cut off or try to get into position to affect an arrest. And as I approached this intersection, I heard broadcast say he's putting his hood up. And then as I'm running into this intersection kind of looked and I'm, you know, rolling down the window for my dog. I'm looking, I'm scanning, I'm trying to see where this guy is because I need to get, you know, visual on him, visual where our people are. You know, all that kind of stuff's going on. See if I can get my dog locked in, if this guy's not going with the program, if he takes off running. And as I'm doing that, the suspect with his hood up, I recognized him, he's in the middle of the street. Runs and comes across my path. I hit my brakes. At that point, I'm thinking, okay, and that a few seconds I get a glance at him. There he is, I'm going to get my dog into play here, because he's obviously running away from these guys. About the same time, I'm scanning, making that decision, I see something down his waistband and I don't know if he had it in his hand already or if he produced it from his - from his waistband, but I'm thinking, it's a gun, he's got a gun. And points the gun at my - my patrol car, at me. And I immediately duck down and I hear shots going off. And - and I feel my, or hear my car getting hit. Ah, multiple rounds hitting the car. So I'm - I'm taking cover for a split second I look up thinking I'm going to see glass coming down at me from the windshield -- I don't. Ah, there seems to be a pause or at least a - a moment where I can open the door and get out because I know, I - I know in my head I got to get out of this car. Ah, and, you know, the car's your coffin, you're always trained. And I don't want to sit in this box while I'm getting shot at. So I need to get some separation and maybe get in a position where I can return fire. Meanwhile, because my window's rolled down, I jumped out of the car. My dog jumps out too. And I see the suspect and I pull my gun out. And he is -- still had the, has the gun in his hand, still pointing at me and waving around. And I immediately draw down and returned fire. And I'm right, about at the front of my car at this point.

Q: Okay. So when you - when you see Mister, you know for sure it's Mr. Lee?

A: The information that I had regarding where he was and his hood thing being put up at that point, it became as I was assessing that target.

Q: Um hmm.

A: And then it became well, this - this suspect is shooting at me. So, at, you're asking for a, you know, a - a positive ID at that point, with the hood up, you know, no. But, the suspect at that point matched the description given to me by the officers. That he'd put his hood up and then he turned around and he was firing a gun at me. So, I didn't have a lot of time after that, taking cover to.

Q: Now, how much did you actual see, because you said at one point you ducked - you ducked down. Where did you lose sight of him? You said you saw his hand, you saw.

A: No, he came up, pointed his gun at me from about the middle of the street here. I was just short of the intersection. I hit my brakes pretty hard because I was getting, again, getting ready to get my dog into play and get - get him deployed if needed. And saw him, saw his hood up. He pointed his gun right at me and started shooting. About the same time, I just took cover as fast as I could. I got real low in my car just basically hugging the dashboard. Ah, you know, hoping that I can at least not get hit for those - for those, that first barrage, wherever

it was. And then, I felt like there was a - a moment where I can escape, get separation from my car and at least return fire. And that's what I did.

Q: How many rounds do you think you heard him fire?

A: Felt like six, at least, towards me.

Q: Six towards you?

A: Yeah.

Q: And you said you could tell, now could you tell if he was shooting at you?

A: Yeah. I mean, I - I felt, I heard impacts on my car. I heard the - the - the thud of - of - of rounds in my car.

Q: And how many do you think you heard of the thuds hitting your car?

A: It felt like six.

Q: Okay.

A: Ah, I mean, it just, it was all came together, boom - boom - boom. But then you just hear the - the reports of those rounds hitting. And - and that's why I was very surprised at looking up, because I was hunkered down so low and looking up and not seeing -- I kept on waiting for glass to be sprinkling down because I thought that my windshield would get peppered. Ah, it was - it was odd. It was - it was an odd feeling. Ah, scary.

Q: So then after that, you said you heard the shots stop.

A: Mm-hm.

Q: So you - you had a chance to get out and when, I wasn't clear on, you.

A: Yeah, I got out from my driver's side. Ah, my dog deployed and then I immediately drew and began to return fire. Ah, and at that point, as I was getting a target, I saw that Armani was running from across my path, down Del Paso, with gun in hand, gun was still up. Ah, at that point I was still focused on getting a good site picture and delivering rounds because, again, I didn't want to be shot at any more. Ah, and but his gun was still up and at that point I don't know if he's continuing to shoot at me or he was shooting at, down the street because I knew there were officers down here. But I drew down, got front, a good, try to get a good site picture and I was trying to track a moving target as he ran up to this neighborhood, ah.

Q: And so you - you get out, and.

A: So do you want me to just put where I -- and he was running this way, across my path.

Q: Okay.

A: And it made sense to me, because as the units came over here, I think what happened, and that, I couldn't see around this corner, because again, I was focused on him, was they either cut him off or blocked him. He ran away from them. As I moved up, I saw that he turned and focused on me. In that split second, I saw him produce the hand gun and start shooting at my car. Ducked, heard the shots, felt the report of the - the rounds hitting my car. And I said, "I need to get out of here." So, I got out of the car, pulled my handgun out and start returning fire. Meanwhile, because he was kind of running and shooting at the same time, he was going this way. So I just did my best to track and return fire at him as he was running away, ah.

Q: So tell me this, because it sounds like at one point you said, what you decided to, you made the decision to get out of the vehicle.

A: Mm-hm.

Q: There was a bit of a lull to where there was no shots, but then right here, you started firing at him because you - you said that he was still firing. Do you remember if it was continuous or if there was a gap between the firing?

A: I know that I, you know, and it's, I knew that - I knew that he - he pointed a gun at my car and put rounds in my car. And - and then, whether it's a pause, it's you know, a quarter of a second was enough for me to feel like I'm safe enough to get, you know, get out of here and get my gun in the fight. Ah, and try to do something about this guy who's shooting at me. Ah, continuous barrages running down the street. I know he had his gun up -- it felt like, you know, when I was aiming down at him, that he was possibly putting rounds down back this way or just waving that gun around, or he's looking for somebody to shoot at. I don't know, but then he was also trying to get away from us and proceed into the - into the neighborhoods here. Ah, so a lot of things going on. A: Sure.

Q: ...where you believe that you got out and started to - to fire at the suspect.

A: Yeah, I got out and immediately - immediately got out at, right at the front quarter panel on my vehicle. Ah, got into a stable shooting platform, I can again nothing like the range when you don't, you know, track your moving target, like immediately started engagement. By that point, he was probably more in this position, yeah.

Q: You want to use that.

A: Yeah.

Q: And you can, just use dots or arrows.

A: Yeah, so he started going like this and kind of moving away, so he was more in this position. Ah, so I started shooting back at Lee here as he's moving and I'm tracking him as I'm shooting.

Q: And at this point, even though he's - he's moving in this direction.

A: Yeah.

Q: Kind of going - kind of in a northwestern direction.

A: Mm-hm.

Q: Where do you see his gun pointed, or do you see it?

And again, I honestly can't tell because I was really so focused on my front sight and what I was doing, whether it was additional muzzle flashes or additional reports from his gun because I got the report from my gun shooting back at him. But, the gun was still up.

Q: Okay.

Q: Could you tell if he was shooting in your direction or any other officer's direction?

A: N- no, at that point, the o- the only way, well, yeah, the only way that I can tell is if I saw r- you know, hits on my car, I felt that, I didn't feel that. But his gun was still up and - and - and again, at that point tunnel vision being what it is and knowing enough about it that it happens, it's always weird when it happens to you, right.

Ah, I was focusing on my front side and just trying to deliver an accurate shot on him just to - to end this thing. So, it's hard to say, I knew it was up, I knew he'd shot rounds already. And probably continue (unintelligible), it was hard, it was hard to pick up.

Q: Okay. Ah, could you tell if he was firing, at that point? You said the gun was up.

A: Mm-hm.

Q: Ah, what's - what's going through your mind at that point?

A: (Sigh) Well this, a lot of things. Ah, number 1, you know, fear - fear that I'm going to get shot and I need to do something to get, to - to shoot back so I can defend myself. Ah, as I'm doing that, I'm thinking, this is a moving target, he's got a gun, he's already shot at me. Ah, he's got his gun up. You know, at that point, you know, he's shooting at my team or me. Again, he's - he's an armed guy on the run. I got to end this, so I got to get this well, accurate shot. On top of that, my dog proceeds to go down range, as he's trained, to go after the suspect. So, meanwhile, while I'm aiming down at him, I see in my periphery as my dog starts meandering out in the street, I see that he's starting to go there, but I don't want him to go down range because this is a gunfight now. This is not a less-lethal deployment. So, as I see that, I yell, I command him down, which is his command for him to lay down. Just so I know if I'm not going to call him or do, move him around, I just figure he's down and he stays down in one spot, we can deal with this here and I can keep him out of the way. He's a good dog, he responds. Ah, so he is probably about 15 yards ahead of me, with a down - stay, while I'm in this gunfight. Ah, so you asked me what I had going on.

Q: Mm-hm.

A: That - that was, that's what going on, meanwhile, I continued to return fire to the point where suspect ran this direction, hit this curb line. This grassy area doesn't look famil- as familiar as it did when here maybe because cars are parked differently. Ah, but at the point that he hit the curb line, he stumbles and he falls and he puts one hand up, I think, that didn't have a gun in it but it appears that, I know at that point he's not shooting back and it looks like he's surrendering or he's been hit enough to where he's - he's subdued. He's not to be, obviously he's still alive. I register now, at that point, there's a lot of resources coming from Del Paso Boulevard. I see multiple PRCS units, the guys coming this way as an arrest team to approach him. So then I kind of focus on, okay, he's out of the fight the suspect is down. I've got a team coming in to move in to - to arrest him or to - to, you know, take him to safe, into custody. I turn my attention back to my dog just because I don't want him breaking or doing something crazy, because it's pretty amped, because shot were firing all over the place and - and so I call him back to my heel. I hold onto him and just basically at this point Because I guess training just kicks in, I was moving and shooting, and you never want to stay rooted. I ended up right about the corner here and - and sat right there and then I just took a knee and grabbed my dog. And once I saw the team was on top of him and taking him into custody, I returned, put my dog secured in the car, checked him over, made sure that he wasn't wounded, he luckily was not. Ah, saw that my car had been hit multiple times because it had already been leaking radiator fluid. And then I addressed my attention to the target residence who, which had two additional male blacks sitting at the stairwell. Ah, so I just went back to work, secured my dog and started coordinating the team to get these guys called out from the house because we had still potential threats. I mean, if we had one suspect, you know, armed with a gun inside this location, who

knows if we had more, you know. So, redirected my attention to the house in question, started coordinating the resources to surround the house and do a proper surround and call-out of the house as best we could.

Q: Okay. Ah, one of the other things too, did you ever see -- you said you had saw Van Dusen's vehicle.

A: Mm-hm.

Q: Did you ever see Van Dusen's vehicle stop?

A: No, after the fact, I saw where it landed and where it was, it was down the street cleared and got into a minor fender bender with another one of his vehicles, and it was probably.

Q: If you want to use black for there, please.

A: Oh, sure.

Q: We'll use this (referring to the pen) for Van Dusen's vehicle.

A: So, yeah, I'm going to say it's I'm right here and then his was maybe about right there.

Q: Okay, and so you saw both of their vehicles in front of you.

A: Mm-hm.

Q: And then they had cut that corner.

A: Mm-hm.

Q: And then that's when you picked up the suspect.

A: And I hadn't talked to them but I can only assume they were getting - getting into the position to get good eyes on.

Q: Mm-hm.

A: Ah, maybe cut off his path of flight and then you know, there's - there's a million ways this could have gone if - if he, if Lee decided not to shoot at us. Ah, you know, he could have surrendered, which happens 99% out of a hundred time -- or ninety-eight percent out of a hundred times. He could have run unarmed or he could have run where we may not want to give foot chase, we may deploy the dog and have them b- be ascertained or be arrested by the dog. Ah, or he can do what he chose to do and - and, ah - shoot at us.

Q: Okay. Now with when you got out of your vehicle, you - you went up to your I guess it would be your left front.

A: Mm-hm.

Q: Area of your vehicle, and started to return fire. Do you remember how many shots you fired?

A: No, I initially said that I at least shot over eight. And the only reason after the - after the, I returned fire and that finally as I just as I moved and shot and tracked the suspect, and as I registered that he was finally going down, whether it be from my rounds or from the other teams that were shooting at him, because I did register some rounds being shot from this side. I didn't see exactly who it was but I can hear it. Ah, when I had time to as- to - to realize what - what had happened, I noticed that my gun was not in lock-back, didn't have the you know, to do a reload. Ah, so as I - as I did a tactical reload of my, I filled my mag and through training and through the years that I've had, I just felt how light it was and I knew that, you know, I had to at least fired eight rounds, because I had real ma- real light mags. Well, it's in it - well, it's in it but I just, and I didn't do a round count.

Q: Can you explain what a tactical reload is?

A: Yeah, a tactical reload is if, you know, you have your emergency reloads, where if your gun locks back and it's completely empty, you put in a magazine. Where a tactical reload is maybe you shot some rounds, whether it's four, whether it's six, whether it be eight, but you want a fresh magazine in. I did a tactical reload because even after this initial you know, shooting and attack on - on me, we still had to worry about the suspect address that was behind us, behind my disabled vehicle. So I conducted a tac reload and transitioned to this - this house and - and start worrying about dealing with this location.

Q: Okay, and so at the time that you're firing, you said you see suspect, Mr. Lee, over here.

A: Mm-hm.

Q: With his hand up, and facing back somewhere in your direction, and you couldn't tell if it was your direction or a direction over here.

A: No.

Q: Where you last saw Van Dusen and the PRCS team. Ah, did you ever -- were you able to see where the other officers were at that point?

A: I had heard reports of them returning, shooting at the suspect, returning fire on the, probably in defense of me at that point or - or them. And it was only after that initial t- when they saw that I saw them moving cautiously down the road. I didn't know exactly where they were at the first, and said I knew that the area was clear. I had a very clear, let's see this let me put thing, this was wide open for me. There was n- this area, this shooting area, for me, nothing but suspect and me running across this path, moving this way. The, my partners, the PRCS

team, were all coming from this area. I heard the reports that - that they the gunshots. I also saw my - my - my dog's head snap that way because I knew that he heard the guns and the report shots, I caught that out of my periphery. It's funny that's it's like how it's - it's locked in my memory, but multi-tasking, worried about a suspect, and my dog. Ah, but yeah, I saw him come across that way. And it wasn't until he made it to about here, and he landed, that I was able to kind of -- widen my field of view and I saw that the - the arrest teams were approaching this way.

Q: Okay. And you said at one point, that's when you saw the suspect go down. Can you go ahead and mark where you saw him go down. Like draw a circle or something.

A: Yeah, it - it doesn't look accurate here. I mean, I don't remember but I want to, see, it wasn't - it wasn't grass, so I'm going to say in this area.

Q: Okay.

A: Right there. And then there's a car here at one point but that just doesn't look basically the same. But again, that's I, after that got down, I did spend a lot of time over here, I turned and did an about-face and start worrying about the house.

Q: Okay. So when you go up here I'm going to go back a little bit here just because I want to clarify a few things here. When you come back over here and you get out and you start returning fire, how close are you to the suspect at that point?

A: Well, this is a four-lane road. Ah, he, I felt like he was running in the middle of the street and moving away from me, ah.

Q: Distance-wise, do you have any idea what that would be, roughly?

A: No, fifteen yards, twenty yards, maybe. If - if not at the ex- extreme, maybe fifteen and twenty, moving away like that. And again, it's - it's odd how training kicks in because, you know, I felt myself moving. You know, they always tell you, move and shoot - move and shoot. And I was trying to figure out, I was - I was tracking him and trying to figure out, you know, next position to cover because I knew my car was, you know, obviously a target. Ah, so I started moving this way and it wasn't until things slowed down for a minute that I realized where, you know, where I had moved to. And I took a knee there. It was over, there was like a little brick corner thing right there. And then that's when I recalled my dog.

Q: Okay, and then as you're as you come out, you start firing and can you tell -- I think I asked you this already, but can you tell if the suspect is returning fire at you? Are you seeing any muzzle flash? Are you seeing

A: You know, honestly, and - and - and I've tried to replay that in my head and I - I - I - I was, you know, obviously knew that he shot at me. Recovered from that, but at that point I just wanted to get out of my car, get to a stable shooting platform, like I was trained, get that bead on that front sight and - and try to end this thing. I know he'd already shot at me once. I know that, you know, he -- obviously we've got a suspect that

attempted, I mean, is going to shoot at a cop in open - open ground in the middle of the day. So I can't imagine what he was going to do if he got into a house or something like that. So the focus was on that front sight and - and clearing accurate rounds to try to end this thing. I knew he had the gun up. Ah, whether I c- re- recall a muzzle flash from that gun, I can't tell you.

Q: Okay, and then what do you remember seeing as your backdrop at that point? Is there any time that you - you chose not to fire due to any - anything that in your backdrop?

A: No, there were no people in my backdrop, no pedestrians. Ah, there were a couple homes and it was only after the fact that I registered, you know, that. We did a immediate check. I put out on the radio after the, after once the situation was secure, that we went and did a check on these homes and make sure that - that nobody, you know, was, I mean, there's no stray rounds or anything like that. Ah, but that's, everything else. There was nobody outside in a car or any - any - anybody, pedestrians, or anything like that - that were out there. The street was wide open except for the structures.

Q: Okay, and then at this point, I know you were going through a lot when you.

A: Mm-hm.

Q: Because from what I understand, you're coming down on Land, you're going northbound. Ah, you put the - the vehicle in park because you see him running. He already has what you see is the gun. And then you start taking rounds. Do you ever remember hearing any officers saying anything or - or suspects saying anything at that point?

A: Suspect, no. And it was all kind of blended together. I've got my radio in my ear, I'm wearing it the same way that I wear it every time. And I - I - I recall, "He's got a gun, shots fired." Ah, whether it happened, I don't think it happened pre, you know, me being shot at so it was pretty - it was pretty, you know, logical and set my mind as soon as this guy started shooting at me that, you know, I di- dismissed the fact that I needed to wait for some intel some broadcaster was, "Gun, shots fired," because I see the guy shooting at me, you know. So, but after the fact, there were a lot of, there was always a lot of broadcast in between "shots fired, suspect down, got a gun," this and that. But previous, up-to, no. And I mean, the first report, for me, of him running with a gun and being armed and shooting was him shooting me.

Q: Okay - okay. And then couple other things I just wanted to, did you, do you remember ever activating your overhead lights?

A: No, and I kick myself. Ah, I know that's always important, but I rolled to the scene and I didn't want to tip my sirens or my lights because I knew we were trying to basically tactically sneak up on this guy and kind of jump out on him and - and - and surprise him into - into getting that, a lot - a lot of that works a lot of times and all of a sudden, the bad guy sees cops coming out of nowhere and he doesn't know what to do and he just gives up. So the road was clear, there was no need for me to - to activate, because I wanted to kind of stay silent and be - and be, and not wait -- basically I wanted to wait until I made that corner and - and h- hit him and just

so, you know, he didn't hear sirens or dip back into a house or a yard or something like that. So, I thought maybe I - I kicked my lights on, but after the fact, when we were doing the surround and callout at the house, I looked at my ICC and it was not activated.

Q: Okay, so your...

A: No.

Q: ...your in-car camera was not activated at all?

A: No - no, nor - nor were my overhead lights. I was, th- it was enough, about, I mean, I've got time to put it in park, saw him, he s- ah, starts shooting at me. I took cover, exited, returned fire, moved to down my dog, and got into position and that's how it ended.

Q: Now normally, if you were to activate your overhead lights what happens with the in-car camera?

A: The ICC immediately kicks on.

Q: It immediately does. So does that and you said that you never - you never shut off the in-car camera or anything like that, so it kind of indicates to you that the overheads were never activated.

A: No, the o- I even checked, I even looked. And I - and I - and I know, out of habit, I thought I did or it just, maybe something I did out of habit but I looked and I'm like overheads weren't on. I checked my ICC, it wasn't running, so, that's unfortunate.

Q: Okay - okay. At this point here, do you have any questions or anything else to add on this?

A: No.

Q: Okay. And the - the maps were sufficient and covered the areas of where you staged and all that?

A: I think so, yeah.

Q: Okay. Ah, give me a minute, I'm going to take a little break here. Ah, if you guys want to step out. Do you guys need any water or anything?

A: No, it's good.

Q: Okay.

A: Thanks for asking.

Q: Okay.

A: ...entered the police academy.

Q: Are you a lateral from the other agency?

A: No.

Q: Okay. What is your current assignment?

A: I'm currently the supervisor of our regional PRCS - post release community supervision team.

Q: And what is the responsibility of that team?

A: Our responsibility is to monitor folks that are governed under AB-19 as well as parolees and probationers.

Q: Okay. And how many people do you supervise on that team?

A: Currently I have, uh, two sheriff's county deputies. I have three Sac PD officers and, uh, I have one DHA - Department of Human Assistance Welfare fraud investigator.

Q: Okay.

A: Uh, one of my officers is on a TDY assignment away from the team and currently I have an officer on a TDY to our team as well.

Q: Okay. So it's a multi, uh, agency, uh, task force?

A: Yes sir.

Q: Is that safe to say?

A: Yes sir.

Q: And what's the purpose of having other agencies on - on the team?

A: Uh, as a regional task force it allows us to, uh, work both within the city and county easily, uh, and then I work - our, uh, welfare fraud investigator assists us, uh, during investigations and, uh, locate subjects, uh, as well as offering services to folks to assist them with their, um, their DHA needs - welfare and - and getting them food stamps if needed. Things like that.

Q: Okay. What prior assignments did you work prior to this, uh, your current assignment?

A: I started off in patrol and from patrol I worked in our central pop unit and then from pop I worked in K-9 as a K-9 handler for, uh, almost 12 years, uh, before promoting to supervisor.

Q: Do you have any, uh, specialized training? Range master or Use of Force instructor, um...

A: I'm currently a Range Master since 2003, department firearms instructor. I'm also an EVOC instructor and I literally have thousands of hours of training.

Q: Okay. Were you, did you serve in the military prior to becoming sworn?

A: No I didn't.

Q: Okay. So, um, I'd like to - to talk, Randy, about obviously, what lead up to this incident and why the team was, uh, deployed and where they were. Um, the facts you had the time - the circumstances that you were investigating. Um, so if you could - if you could talk about the - some of those, uh, elements for me please?

A: Yes. Uh, the suspect in this case, Mr. Armani Lee came under, uh, o- my teams attention, uh, and once he was involved in a shooting at █████ Plaza on Saturday, February 4, uh, an arrest bulletin came out for Mr. Lee. Uh, my team is familiar with him 'cause we have arrested him before on parole violation. Uh, we know he's currently on parole for a home invasion robbery. Uh, last time we arrested him I believe was in about December or so. Uh, so, uh, when I saw an arrest bulletin come out for him this time, uh, my team was sent out that we would actively search for him again 'cause we knew a lot of his contacts and would have a lot of the, uh, groundwork for the investigation done already. Uh, I coordinated with Felony Assault's detectives. Um, was able to, uh, watch a surveillance video that showed Mr. Lee, uh, taking part in this crime. Uh, so we, kinda, knew the seriousness of this suspect. Um, so we put a lot of work into tracking him down so he wouldn't be out on the streets.

Q: So some of the history you have - certain knowledge that you have of - of Mr. Lee what is that, his history - criminal...

A: He has a history of a lot of guns and a lot of violence, uh, with his home invasion robbery. It is his controlling offense. Um, part of my team's duties - we also, um, monitor social media of suspects that, uh, are high risk offenders and, uh, he had come under, uh, kind of, we had seen him posting pictures before, uh, with handguns. Uh, so we know that he's - he's the type of subject that would be armed and dangerous.

Q: And you've personally - have you personally had contact with him, um, in your prior contacts with him?

A: Yes.

Q: Did you conduct a briefing prior to, uh, deployment, um, of this - what your, um, objective was today? Did you guys brief this, um...

A: Uh, pictures went out on a text thread from some of the gang members.

Q: If I showed you a picture... (at this time Detective Hunkapiller provided a photograph of Armani Lee).

A: Uh, some of the team does. I typically do not because I work uniformed off duty employment.

Q: Understood. Um, what is your issued weaponry?

A: I carry a 40 caliber. A sig P-226.

Q: Is that issued to you?

A: Yes, it is department issued.

Q: How many rounds do you carry with this alternate, um, uniform?

A: Uh, typically the hand gun will be loaded with 13 rounds in it.

Q: Mm-hm.

A: It's a fully - full capacity 12 round magazine plus one in the tube and...

Q: Is that how you standard - is that your standard load?

A: Yes sir.

Q: Is that how it was loaded today?

A: Yes, it was.

Q: Okay. And then with your - with your vest, do you carry, uh, additional rounds?

A: I do. I carry, uh, two magazines on my horizontal magazine pouch and then I carry one magazine in the center pouch of my tact vest.

Q: Okay. Um, do you carry any non-lethal, uh, weapons with you?

A: I carry a Tazer.

Q: Tazer?

Q: Uh, baton?

A: No.

Q: OC?

A: OC. Yes.

Q: Do you carry a backup weapon?

A: No.

Q: Um, normal shift for you guys - what is that?

A: We typically work 9:00 am to 7:00 pm and we are off on Fridays, Saturdays and Sundays.

Q: Okay. So tell me who was on the team today or part of this, um, assignment to apprehend Mr. Lee.

A: So, uh, today on my team from, uh, our PRCS team was myself as "Union 40" and Officer Will Goggin as "Union 42" and Officer Jim Walther, who was a Sheriff's Deputy assigned with the team as "Union 44". I had [REDACTED] assigned. He is "Union 43" and then I had a TDY Officer, uh, [REDACTED] as "Union 47" and he arrived, kind of, late after everything had already occurred.

Q: Um, and did you have any of these officers, uh, partner up or did you use your (unintelligible)?

A: Uh, no. I was solo in a white unmarked Ford truck and then Officer (Goggin) and Deputy (Walther) were teamed together in a tan colored Ford Explorer.

Q: Okay. And again, the purpose of those fran- uh, those unmarked vehicles is what?

A: It's to be able to conduct surveillance and positively identify a suspect.

Q: Okay. Are those vehicles operated with, uh, any type of IC, uh, in car cameras or any, uh, camera equipment?

A: No, they are not.

Q: Are they equipped with any, um - uh, lights, sirens, anything of that nature?

A: Yes, they are.

Q: Were there any other officers part of this, uh - um, either uniformed or otherwise part of this, um, task today?

A: Yes. Numerous other officers.

Q: Okay. You ex- tell me who - who they were?

A: I can give you the, uh, teams and, like, break it down that way. So, um, North Gang Enforcement Team run by Sergeant (McLafferty) - his team took part in it today. I'd probably need to look back at a call to get y'all the names and then also, uh, Sergeant (Mike Lang's) team of gang detectives also were a part of this operation today and took, kind of, a primary role in the surveillance for us.

Q: So how many officers do you think total were a part of this, uh, this task today?

A: If I had to guess it would be close to 20.

Q: Twenty? Is that normal for your normal course of business when you go to apprehend somebody or was there something particular about the number of officers today?

A: No. It's not normal. Um, we knew that Mr. (Lee) - Mr. (Armani Lee) had been involved in a shooting. The fire arm had not been discovered at the scene of the original shooting on February 4. So we believed he was still possibly armed and dangerous. Uh, we received information today that he was in possession of a new fire arm. So we took extra precautions by having that many officers on scene. I also took extra precautions of notifying our SWAT team, uh, to have them on standby, uh, if Mr. (Lee) did not surrender peacefully.

Q: So going back to this pre- prior shooting, uh, Randy, from before, what was the motivation for that shooting or the fact pattern of that shooting if you - if you could, uh, describe that for me?

A: Um, Mr. (Armani Lee), uh, got into a verbal and a physical altercation with a female at [REDACTED] Plaza. Uh, she lives in apartment [REDACTED]. Uh, Mr. (Lee) left after the physical altercation, retrieved a handgun, returned to the scene in broad daylight and fired several rounds into the front door of her residence as her boyfriend was opening the door.

Q: Okay. Was anybody struck by that gunfire?

A: No.

Q: Okay.

A1: How many people were in the apartment?

A: That I do not know. Just - at least the one.

Q: Okay. Did those victims in that crime cooperate with the police department?

A: Yes they did.

Q: And what was the level of cooperation?

A: Uh, they were extreme - extremely cooperative. They filed a - a, uh, crime report that day. Uh, and then that's how it came under our attention. Uh, we had been back since then and re-interviewed, uh, the female that had been in a physical altercation with Mr. (Lee) and obtained information from her that assisted us in our investigation.

Q: Did she identify Mr. (Lee)?

A: Yes, she did.

Q: Okay. And describing the handgun that was used in that crime, um, do you know what - what handgun was used in that - in that shooting?

A: It was a 40 caliber. Shell casings were recovered at the scene.

Q: Okay. And those were 40 caliber shell casings?

A: Yes.

Q: Okay. So if you just wanna go into how you guys quoted your resources or how you clo- close your resources as the supervisor, um, and who was where and you can just, kinda, go from that point, please?

A: Okay. Um, started off this morning. So this investigation has been, uh, going on the later part of this week - probably more Tuesday, Wednesday, Thursday by the time we started writing some warrants. Um, after talking to the victim and re-interviewing her at [REDACTED] Plaza, uh, we obtained a couple of phone numbers that were, uh, of interest to us. One of them belonged to Mr. (Armani Lee). One of them belonged to a female that he appeared to be in a dating relationship with, uh, that we believed he was possibly gonna be in the company of. Uh, we offered, uh, Officer ([REDACTED] from my team authored, uh, search warrants into both of those phones for GPS locate and call detail records. Uh, those were signed and, uh, sent in and we began receiving data, uh, as far as GPS location. We found out that Mr. (Lee), uh, Mr. (Armani Lee) had discarded his phone or, uh, dumped it, where he was not using that phone anymore and it had been turned off. Uh, the female's phone, uh, that was, uh, possibly in the dating relationship with him was still active. Uh, we did a couple days of surveillance on her,

following her around to see if she would meet up with him and she never did. Uh, when we were briefing on - I believe it was Thursday morning, uh, we were briefing in our office at 300 Richards Boulevard and we were talking about Mr. (Lee). Um, part of what we do on our team is we also monitor social media accounts of these individuals and so we have, uh, decoy social media accounts. Mr. (Lee), uh, then attempted to video message Officer (██████) decoy Facebook account while we were briefing. Uh, at which point I had Officer (██████) send him back a message and tell (Armani) that, uh, he was at work and could not video conference right now but he would try to call him later and Mr. (Lee) provided a phone number and said, "Call this number and ask for (Armani)." So based on that information, uh, Officer (██████) authored an additional search warrant for GPS locate on that. Some cell phone companies are better than others as far as the data and how close it will get you. So we, uh, started obtaining information, uh, data from that phone number that was provided Facebook account (unintelligible).

Q: And when did - when did that start?

A: That was late Thursday night.

Q: Do you know what time?

A: We - about, uh, it had to be close to 2000 - 2030 hours.

Q: Okay.

A: So we were already going home and we wanted the - the data, uh, to see where it was gonna be. Part of what we requested in the search warrant is, uh, call detail records to see who's calling in and out, as well as subscriber information. So upon receiving subscriber information of the number that was provided to us on Facebook by Mr. (Lee), uh, it was found to belong to a subject named (██████) and we don't know the - if they're blood relatives or not. We don't believe so.

Q: Did you ever have contact with (██████) before?

A: No.

Q: Okay.

A: Uh, so part of our research we cross reference the number, um, the Facebook number, uh, with jail phone calls that were assigned to Mr. (Armani Lee) and found that he had called that phone number quite a bit while he was in custody at different times. So we started receiving the data from that and it was very large meters, which was pretty much putting us within, like, a half mile radius. So it was pretty - pretty large and - and very difficult to narrow it down. Uh, we monitored the data and, uh, it's - now I'm thinking it might've been Wednesday into Thursday morning that we started receiving the data. It might've been Wednesday night that we received the Facebook message. Um, so we monitored that data. Uh, we conducted a surveillance of Mr. (██████) uh, known address. Uh, we did not see him there but we saw other people leave the house. Uh...

Q: Do you remem- do you remember what that address was? Sorry to interrupt.

A: Uh, I do not remember the numbers but it's Hood Road. It's right off of, uh, Arden Way.

Q: Okay.

A: And near (unintelligible).

Q: Okay.

A: And we conducted a, uh, fixed surveillance of that on - I guess that would've been Thursday. It was pouring rain if that's - yeah. That'd be yesterday. Um, we ended up stopping a vehicle when it left and just, kind of, feeling them out. It was inside the house. Didn't really gain a lot of intel from that and then we could see based on the phone data that - and that data comes in 15 minute increments to us via e-mail. So as we monitored that we could see that the phone of (██████) was nowhere in the area of that house. Uh, we rotate all shifts. Never got eyes on the suspect or (██████) and so we, uh, called it a night and went home. Um, we, kinda, know that the job doesn't end on the weekends. So call today. Uh, we were still monitoring the data and, uh, my team was off. Um, Officer (██████) had contacted me and said that he had reached out to a gang detective who, uh, had an informant that knew both of these suspects - who knew (Armani) and (██████) and would be able to possibly narrow down an address for us.

Q: Okay.

A: Uh, so I said, "Yes. Please, let's go ahead and go with that plan. We'll see if, uh, if he has any luck meeting up with them." and, uh, the CI was able to meet up with them and confirm, uh, their location, which ended up being the ██████ Del Paso Boulevard. That, uh, that address is known to us as, um, somebody that (Armani) calls his uncle. Uh, we don't know if it's an actual blood relative and that is also a house that we conducted a parole search on when we arrested him back in December. So we were (unintelligible) location with the, uh, uncle who lived there. So I was at the lake running and Officer (██████) gave me a phone call advised me that the CI had been able to confirm the location the (Armani) and (██████) were both at that residence currently and that he had observed a handgun while he was there. Based on that information, uh, we reached out to, uh, Gang Detective Sergeant (Mike Lang), uh, who started rallying his, uh, detectives to assist us and then also reached out to Sergeant (Scott McLafferty), uh, to assist us with some (unintelligible) resources as well from his north gang team. Uh, Detective (Sample) was able to get point of the residence.

Q: What does that mean?

A: Uh, it's when he's in - he was in an unmarked vehicle and he has primary view of the target residence that we, uh, are looking at.

Q: So he's able to park close enough to where he's able to visually see the residence and who comes in and out of it?

A: Yes.

Q: Okay.

A: Um, so Detective (Sample) took point of the,uh, residence. Uh, m- I responded to our North station at 3550 Marysville to, uh, attend briefing and, uh, go over any, sort of, logistics or concerns with the north gang team - and that was Sergeant (McLafferty) and his team, uh, briefed, uh, everybody was shown a photo of who we were looking for and, kind of, what led us to that location. Uh, and then we set up around, um, what we call our compass, where we set up, kind of, around a small perimeter around the house...

Q: Mm-hm.

A: ...of unmarked units. Uh, Sergeant (Dobson) was also, uh, requested for use of his K-9 partner, um, as a less lethal force option if needed or if the suspect fled on foot. Um, I advised, uh, our day shift watch commander, Lieutenant (Freeman) and then swing shift watch commander, Lieutenant (Harrington) of, kind of, what our plan was, uh, what resources we had in place. Uh, made some phone calls out to our air operations division to get a helicopter launch, um, and unfortunately the suspect exited the residence prior to that being able to occur. I notified, uh, our SWAT, uh, acting sergeant. Today it was, uh, (Robert Young). I notified him as to what we had. A plan that was coordinated - it was advised over the radio - was that, uh, we would be watching this residence. Um, at about 1430 hours if the phone had not moved from the area that we were receiving the alerts and that it's still in compass [REDACTED] Del Paso, that we would conduct what's called a surround call out from the residence and we would verify what the suspect's intentions were. If he would like to surrender and go into custody peacefully or if he wished to barricade, at which point it would become a SWAT call out. So I coordinated that with Lieutenant (Harrington) and then, um, fortunately a little prior to us doing the surround call out the suspect exited the residence. Um, prior to suspect exiting the residence, uh, Detective (Sample) did observe the, uh, person (unintelligible) and, uh, (unintelligible).

Q: Do you know what his name was?

A: I don't. I don't remember his name? I'm sorry.

Q: Okay.

A: Uh, we observed them come out, put a gas can into the garage. They started putting something away and then they went back upstairs into the target residence. At that point I felt, uh, pretty certain with ([REDACTED]) unseen still that Mr. (Armani Lee) would still be there and, uh, we were still gonna stick with our time line of doin' a surround call out at 1430 hours, uh, and then a little before 2:00 is when Mr. (Armani Lee) exited.

Q: Okay. And when he exited, what was, um, what was your plan if - so y- you described what the plan was is - if he stayed in - in - in place. What was the plan if he exited the residence?

A: So the plan to exit the residence, we did not wish for him to get into a vehicle and go mobile. So our plan was to take him wherever he was, uh, with the assistance of K-9 and unmarked resources.

Q: Mm-hm.

A: Uh, we had - north (unintelligible) was already, uh, had coordinated their own perimeter slots around the area so we could lock down the neighborhood instantly, uh, to keep him from breaking into anybody's house or doing anything like that.

Q: Is this a - w- can you describe this neighborhood for me? Is it primarily, uh, residential? Is there businesses? Industrial? Wha- what is it?

A: Uh, it is a, kind of, a strange mix. Um, there - there are some businesses along the major corridor of Del Paso Boulevard and Marysville. Then there is a lot of trucking activity, uh, with industrial back on Land Avenue and then a ton of residences. So I would go primarily a residential area but there are some businesses as well as industrial mixed in.

Q: So he had plenty of avenues of escape if, um, if the proper perimeter wasn't in place?

A: Absolutely.

Q: Um, so describe to me when he exits the residence what, um, what takes place at that point?

A: So, uh, when he exited the residence...

Q: I'm - I'm - not to interrupt you but I'm assuming you're communicating on the radio?

A: Correct.

Q: Okay.

A: Yes. We were operating on, uh, gang one, uh, channel...

Q: Mm-hm.

A: ...uh, so we wouldn't take up air time from the patrol units. Uh, so as he exits the residence, uh, Detective (Sample) put out that the primary target was, uh, down the stairs at the bottom of the residence and he was walking on foot out towards Del Paso Boulevard.

Q: When you say primary target, what does that mean?

A: Uh, primary target - so, during a briefing we'll identify who's a primary target and then who may be a secondary target if there's a, kind of, a residual person involved. Our primary target in this case was (Armani Lee). Uh, secondary would've been (██████████)

Q: So by (Sample), um, broadcasting on the channel that he had visual confirmation of the primary, everybody knew that it was, uh, (Armani)?

A: Yes.

Q: Okay.

A: So as, uh, (Armani) exits, uh, (Sample) puts out a - a basic description of a dark hoodie, uh, walking towards Del Paso. Um, I was farther - I guess it's, kind of, north on Del Paso Boulevard parked in my unmarked vehicle, uh, with binoculars and I could see him start to make it out towards Del Paso. Uh, at which point I, uh, broadcast on the radio for K-9 to start coming in and that we would take - and, uh, I started rolling southbound on Del Paso Boulevard towards the suspect in the number one southbound lane. Um, as I got fairly close to the subject, uh, I saw my, uh, gold Ford Explorer - the tan Ford Explorer occupied by (Goggin) and Deputy (Walther), uh, cut around the corner off of (Land) Avenue and they came southbound in the northbound lanes, uh, to exit the vehicle and intercept the suspect. Um, as I was coming southbound in the, uh, southbound number one lane, uh, I pulled in to, kind of, get a good cover of my truck in between me and the suspect. Uh, at which point the suspect immediately turned when we were exiting vehicles and fled. And he's very familiar with our vehicles (unintelligible).

A: You could see me inside or seeing us exit the vehicles, especially in - in these uniforms.

A: Uh, but he's familiar with our vehicles and that's, kind of, another reason that we wanted the gang in to assist us with surveillance because they have what we call fresh cars. Q: Okay.

A: Yeah.

Q: Okay. And then what happened, Randy?

A: So then at that point he was still on the sidewalk and I immediately see him reach for his waistband with both hands. Uh, obviously as an 18 year officer as, uh, having the intel from not only the arrest bulletin that he was gonna be flagged armed and dangerous that he was still possibly in possession of the handgun. Then also the intel received today that he was armed with a handgun. Uh, I know based on all my training experience that suspects don't typically carry holsters and they will shove a gun in front of their pants and that is exactly where he was reaching.

Q: Can you describe his clothing for me, please?

A: Uh, it was very baggy and it was covering his waistband. He did have his hoodie up. I saw him put his hoodie up actually. It wasn't up when he was walking out toward the street but then when he was makin' Del Paso he did put his hoodie up over his head. Um, but extremely baggy clothing that was covering his waistband. A: So K-9 pulls up to the intersection at which point immediately, uh, (Armani Lee) (unintelligible) a marked patrol vehicle and starts shooting at it. And, uh, he engages in our patrol vehicle, uh, a lot of rounds. I s- I see him pointing the gun directly at Sergeant (Doxen) and his vehicle, at which point he is also running and starts running across the Del Paso Boulevard and I guess you can call that a northwest direction.

Q: So he's running and shooting?

A: Running and shooting.

Q: Okay. How many rounds do you think he fired at that point?

A: Probably at least a few.

Q: Okay.

A: There was a lot of rounds.

Q: And where are you standing at - where are you with - in - in relation to your vehicle, Randy, at this point?

A: I had already exited my vehicle. U- unfortunately I didn't get it into park fast enough 'cause I was trying to get the hell out of my car as fast as possible and so my vehicle kept rolling and ended up hitting the Explorer. So now I'm standing in the middle of Del Paso with no cover.

Q: Okay.

A: Uh, suspect (Armani) is running across Del Paso. An unmarked car, uh, I don't know what kind of car he drives but I knew it was, uh, Detective (Tabelly) was coming southbound Del Paso and we also had an unmarked van, which contained, uh, (unintelligible).

Q: So why don't you put a T for where you remember (Tavelli), kinda, been and then an S for, uh, or not an S but, um...

A1: SA you're saying?

Q: Uh, JA or JS for (Johnson).

A: (Johnson), okay. Almost spelled what he's probably...

Q: Sorry, pen is not - can I borrow your pen? There you go. Sorry.

A1: Now you're gonna have to use different colors.

Q: Right here. It should be good. I used it all the time.

Man: ...it was just - it is kinda turn into one of those things where...

A: So, um, it's okay to draw the suspect path?

Q: Yes please.

Man: ...water on your...

A: So suspect takes some sort of path like this...

Q: Mm-hm.

A: ...across Del Paso. (John Sample) was in a parked vehicle -- in a dark colored Dodge van. (Tavelli)'s, in a dark colored, uh, little coop comin' down the street. Um, suspect is running across. It appears he

actually turned back and, um, in the middle of the street and then, ah, still have Sergeant (Dobson) here and the suspect is shooting back at us as he runs, uh, at which point I saw Detective (Tavelli) and had no clean shot. Uh, as soon as the suspect made it to the other side of the street, I fired several rounds at him. Um, I saw him kind of stumble when he got to the grass on the other side of the street. Uh, he fell down into some grass over here.

Q: Mm-hm.

A: At which point I saw a hand come up. Was assuming he had been hit and was surrendering. Ah, grabbed, ah, (Walther) and (Gogin) at that point. K9 was kinda bout in this area. His dog was, ah, he was calling his dog back to him, ah, just because, uh - ah, the dog was out of the car but he was calling the dog back to him - Sergeant (Dobson) was. So at that point I gave some verbal commands to show his hands and keep his hands up to the suspect and he complied. Uh, he kept, uh, we can see one hand in the air. And so one hand was under him so we could not see that. Ah, with Deputy (Walther) and I don't know who the third officer was, ah, we approached and kept guns on the suspect as we approached him. Saw a black semi-auto handgun next to the suspect.

Q: Mm-hm.

A: Ah, and I saw that the slide was locked back, uh, probably indicating he ran it dry shooting a lot of rounds at us. And, uh, so I stepped on the firearm to make sure nobody could grab it and then, ah, I ordered my guys to glove up and handcuff him, ah, 'cause he was bleeding. So I assumed he had been hit by gunfire. Um, I already switched over, um, the radio channel to channel 1, uh, advising them that shots have been fired and requested medical to respond.

Q: Okay.

A: Ah, once that was done, I did a quick inventory of my guys to make sure nobody had been hit out there and no officers were struck. Uh, so we secured Mr. (Armani Lee) and then, uh, Sergeant (Dobson) was back at his vehicle and took primary over securing this residence where we still have unknown threats inside.

Q: So, um, when you noticed that Mr. (Lee) was - was shot and he was bleeding, did you guys render aid to him or what - what was the - wha- wh- what, um, what - what type of aid did you provide after he was shot.

A: Uh, my guys were on him, looking to see where he was hit.

Q: Mm-hm.

A: Um, so they secured him immediately in handcuffs and then fire department responded very rapidly also.

Q: Yeah. Did he make any other statements that you remember?

A: Not that I heard, no.

Q: Okay. How long you think it took the fire department to get there?

A: I think they were there within just a few minutes. It was pretty rapid.

Q: Okay. Um, you said you located, um, the firearm?

A: Yes.

Q: Do you remember what caliber that - that firearm was?

A: I did not look at it. Um, it was transferred into Detective (Sample)'s van to be secured there.

Q: Okay. So when you, um, when you were talking about, um, him firing at, uh, Sergeant (Dobson), um, do you remember what Sergeant (Dobson)'s reaction, uh, if any that when he, um, when Mr. (Lee) began firing at them?

- Q: Did you, um - um, did you fire at this point, eh, when he was on the corner?
- A: No.

- A: He had already started running so we - we were in a crossfire situation with K9.
- Q: And was that your decision at that time not to fire?
- A: Absolutely.
- Q: Based on a crossfire?
- A: I had no clean shot at that point.

- Q: Mm-hm.
- A: Ah, (Dobson) is taking rounds but I can't effectively, ah, take out the suspect or shoot the suspect at that point. Ah, so luckily the suspect actually puts himself in a worse position by running across the street and creating some separation between units. Um, so at this point I couldn't shoot with this backdrop here 'cause I had to wait.
- Q: So you're - you're worried about, uh, effectively shooting fellow officers?
- A: Yes.
- Q: Okay. When he runs by you, how close do you think you are? Or what is the space between you - the two of you?
- A: It's maybe 15 feet or so.
- Q: Okay. Is he looking at you? What's - what is he doing?
- A: At that point, it still appear he was shooting back at K9. I did see him turn and look up the street at a certain point as if he was like looking for more units and I couldn't tell if he knew these unmarks or not. Um, but then I mean we could clearly see him looking back at us and - and shooting rounds.

A: I don't, unfortunately.

A: Him, the suspect. So I - uh, was still out here in the middle of the street and walking towards him. And as he's running and I'm walking is when I start taking, uh, shots at him, uh, as he's running to the other side of the street.

Q: And what was your intention?

A: Uh, to stop the threat and, uh, keep him from killing an officer or killing a innocent civilian.

Q: Do you remember how many rounds you fired?

A: Uh, about 10 rounds.

Q: Okay. Um, you remember seeing anything or making any other commands while you're in the street?

A: Not at that point. But, uh, after yelling at him to drop it and him shooting at officers, uh, I didn't believe any additional verbal commands were gonna get his attention.

Q: Right. Um, do you remember making any broadcasts over the radio?

A: Yes.

Q: Can you do - can you describe that to me?

A: Um, I advised, uh, dispatch, I switched over to channel 1. Advised, uh, dispatch that been shots fired and, uh, and the suspect was down. I requested ambulance and, uh, to come for medical aid. Uh, we still had an active scene at the residence where we had unknown number of folks inside. And just because our suspect, uh, (Armani) we had left the residence did not mean that our drone was not armed as well, uh, so we started to contain that scene. So I came and ordered the officers and anybody involved in the shooting needed to perform tactical reload, be ready for another gunfight if that was their intentions.

Q: So explain that to me. What does that mean?

A: So that means is, uh, when you engage in gunfight, you obviously shot bullets and they're no longer your gun. Um, so you would take a fresh magazine that was fully loaded and take your old magazine out that has a - a small amount of rounds in it, stow that away, keep it and then put a fresh magazine -- a full magazine with, uh, full round of bullets in it, ah, into your weapon so until you're ready for a threat.

A: It was, ah, it - it sounded - least a few of us were shooting at him and it was all from the same side. It was all from this intersection of land, uh, that we were all shooting the suspect in the direction.

Q: Okay. Um, were any other options available to you at this point after this initial gunfire with him shooting at officers or him running at these officers here? Did you...

A: Mm-mm.

Q: Were, um, would a less lethal option been available to you?

A: No. There was a K9 on scene but the K9 woulda just got shot if that woulda been deployed. He already showed that he would kill a human officer so he would most definitely kill a dog. So, um, and he was definitely using lethal force against us, so he, uh, the only option was lethal force.

Document: **01 VICTIM STATEMENT**

Author: **1010 - TRIMPEY, JR, LARRY 0806**

Subject: **OFFICER GOGGIN FOLLOW UP STATEMENT**

Related date/time: **Mar-08-2017 (Wed.) 1200**

Victim Statement: Officer W. Goggin

On 3-8-17, at approximately 1200 hours, I conducted a follow up interview of Officer William Goggin regarding the February 10th incident at the intersection of Del Paso Blvd and Land Ave. Officer Goggin was accompanied by Attorney Carl Larson of Mastagni & Holstedt Law Firm. The interview was audio and video recorded and a copy of the recording was later booked as evidence. The recording was sent to Net Transcripts for transcription services. I reviewed the transcript provided by Net Transcripts for accuracy. Officer Goggin related the following:

Q=Det. Larry Trimpey

A=Ofc. William Goggin

Q: Howdy - howdy. How you feeling?

A: I feel good.

Q: It's March 8, 2017. It's 12 o'clock. This is Detective Larry Trimpey. I'm here with Officer William Goggin and attorney Carl Larson. Is it L-A-R-S-O-N?

A: Correct.

Q: We just had a couple of follow-up questions regarding the incident which occurred at Del Paso and Land back on February 10th. Do you remember that incident?

A: I do.

Q: In reviewing a few things, the questions we have are going to be placement wise. I have a map here. Let me know if you recognize anything in that map.

A: Absolutely. That's the intersection of Land and Del Paso. That's Sergeant Van Dusen's car, Sgt. Dobson's car and the palm tree is obscuring the vehicle that I was driving, the gold Explorer.

Q: Now in regards to your recollection of the event, can you describe for me the moment after you recognized Armani Lee, he turned around, he fled on foot, and then you witnessed him - I believe in your first statement, you witness him shooting at Sergeant Dobson's car. What movements are you making once - once he turns to run, do you exit the vehicle to chase? Is that your first instinct, is that you're going to chase him on foot?

A: Yes.

Q: Okay. And when you're chasing him on foot, that's when you observe him pull a pistol from his waistband?

A: Yeah, immediately.

Q: Yeah, and we understand that this happens probably within milliseconds if not seconds.

A: Okay.

Q: So I know it's going to be kind of a drawn-out thing, but we're trying to break it down into as fine a detail as we can. Let me know if I'm correct. So when you exit the car or when you pull up next to Armani Lee, you recognize him as Armani Lee, who you were looking for, because he had committed a shooting.

A: Correct.

Q: Okay. And when you pull up next to him and see him and recognize him, he also recognizes you and decides to do a 180 and go in the opposite direction running.

A: Correct.

Q: Sprinting is how you described it the first time.

A: Yes.

Q: Have you exited your car when you see him pull the pistol from his waistband? Do you think both of your feet were on the ground, or do you think you're still in the process of exiting the car?

A: So when we pull up and we recognize the individual as Armani Lee, like you said, he does an immediate 180 and starts running back northbound. When we had approached him and we had watched him walk and we kind of timed our approach, when we got up parallel to him, I was parking the car in park, and he's turning and running. I jump out of the vehicle, both feet on the ground maybe a few steps on this sidewalk, chasing him on foot. And then that's when he - like you say, it happens in milliseconds, but I'm on the ground, both feet on the ground chasing him. At the same time, he's pulling his handgun out from his waistband.

Q: Okay.

A: And then he continues. I continue chasing him on foot, and like I said earlier, he got what appears to be a few steps onto the street, and that's when he extended his right hand, and as I know now - I wasn't able to see this patrol car until I'd cleared the corner - but then he fired at the marked unit. If you want, I can kind of trace it or however you'd like me to do it. So from our initial point of contact with Armani, he runs this way. I'm still

pursuing him on foot. He appears to take just a few steps into the street, and then he makes a diagonal run, to the best of my recollection, a diagonal run this way across.

(Maps illustrated by Officer Goggin were booked as evidence)

Q: Mm-hm.

A: So I continue pursuing him on foot. I see him discharge his handgun towards the marked car. Because as he fires from probably, I mean roughly let's just say here and I'm maybe just a few feet from the corner, so at that point...

Q: You've gotten to the north of the corner?

A: I'm probably right off south of the corner, correct. So, I haven't reached the intersection yet.

Q: Okay.

A: He discharges the handgun that he had, and then he continues running this way, so I continue to pursue him a few steps, probably almost at the same location, and that's where I stayed standing as I engaged him in discharging my firearm as he continues to run this direction.

Q: So, let me understand correctly. You exit your car. He's running. At what point did you think you drew your handgun once you saw him? And I understand we're breaking down seconds here, but once he draws from his waistband, are you clearing leather to engage him as an armed suspect, or has he already began shooting, because it's happening so fast and when you're clearing him and when you're pulling your firearm?

A: When he makes this 180 turn and starts running on the sidewalk northbound, I saw him reach into his waistband and then, you know, almost simultaneously he pulls it, points it, you know, as he's running. When I exited the vehicle and recognized he had a gun, I already had my hand on my pistol. And at this point somewhere in this area, I'm already starting to defeat some of the retention devices on it. And then by the time he shoots, my gun is essentially almost if not already out of my holster, because he didn't get too much further on his path of travel, that I recognized that he had, you know, shot at police officers.

Q: Okay.

A: He, you know, obviously was engaging us in gunfire, and that's when I discharged my firearm.

Q: Okay. When he initially - I think I understand it correctly - but when he initially fired in this easterly direction down Land Avenue, you didn't recognize that that was a police car there. You hadn't seen the police car. So you just think he's firing in a random direction initially until you see a police car?

A: No, because once I got to about here - and this is probably where I was - I could see that this was a marked patrol car. I couldn't see it back here when I initially got out of the car.

Q: Okay.

A: But when I started running north on the sidewalk and Armani gets into the street and extends his hands and fired, that's when I was able to see, you know, more of this corner and see that marked patrol car.

Q: Okay.

A: But from back here, well, I was focused obviously on him and then, you know, driving southbound, so I didn't see what was going on necessarily behind me.

Q: Okay. Do you think after he fires at this patrol car, that your attention is drawn to this patrol officer in this car for any length of time while he's running in this direction? Are you checking the welfare? Are you doing anything with this patrol car while he could be running in this direction? I know that we're breaking down seconds, but at some point do you pay or are your eyes locked on him the entire time?

A: Honestly, my eyes were locked on him the entire time.

Q: Okay. And as he's running in this direction that you traced, do you remember where Sergeant Van Dusen and where Deputy Walter are in relationship to you?

A: I stayed stationary in this general area.

Q: Okay.

A: And I could see out of my peripheral in this area here.

Q: Put a V for Van Dusen and a D for Dodson.

A: And a D for deputy? Okay. I could be off, but they appeared in my peripheral vision.

Q: So they were somewhat of a distance from you, maybe 10, 15 feet?

A: Oh, I mean, yeah, I would say that, whatever that lane width is.

Q: Okay, so essentially you're close to the curb, and they're probably in the number 2 or is that the number 1 southbound?

A: It'd be the 1 northbound lane.

Q: Okay.

A: Yeah, I don't think - and again, I'm just giving you the generals that I was able to see them.

Q: And as Armani Lee is running in this direction that you traced on this map, do you see the gun ever point in your direction?

A: You know that question was asked and I cannot say that I was able to definitively see him turn back and shoot in my direction or in this direction.

Q: Well, not necessarily turn back. I mean, what's he doing with the gun essentially?

A: When he's running after he fires at Sergeant Dobson, he continues to run, and his right arm, he never brought his arm down to his side. His arm is extended up the entire time on his path of travel. I do recall that his arm was extended, you know, this way up the street. But that's pretty much the most I can tell you about, you know, what he was doing. Was there some movement maybe to left and right? Yeah, probably, but I didn't really pick up those movements.

Q: Okay. Did you ever see him point in the direction where you had the peripheral vision of where Van Dusen and Walter are?

A: I can't say that I saw that.

Q: Okay. So he's, essentially to the best of your recollection, pointing his firearm in a northerly direction up Del Paso, but there's also some left and right movement, and it's not like he's taking a stance and firing in that direction or pointing his gun in that direction. There is movement in his hand, and it's going to the left and right to the best of your memory?

A: Yeah, absolutely, because he's sprinting across the street. His arm is extended, and yeah, there was some movement left and right. That's probably the best I can tell you.

Q: Okay. And once he started firing at Sergeant Dobson's patrol vehicle, what I think I understand - is you shot from not necessarily a standing platform, but you didn't continue to run after him, you took a platform and fired at him, because that was definitely a threat to your fellow officers and people in the area?

A: That is correct.

Q: Okay. But to the best of your memory, he never intentionally stood and fired at you?

A: Armani Lee?

Q: Yes.

On 2/10/17 at approximately 1405 hours I, Detective [REDACTED], obtained a brief preliminary statement from [REDACTED] while on scene. [REDACTED] stated the following in summary:

I don't know what the hell happened. I had just got home about ten minutes before all of this happened. My nephew, [REDACTED], and I were inside watching an old Dallas Cowboy's vs Eagles game. I had just walked down the stairs outside to put my new registration in my car when all of a sudden I heard a bunch of gunshots.

I was standing at the bottom of the stairs when I heard the gunshots. I don't even know how many there were maybe ten or twenty. As soon as I heard the shooting start I ran upstairs faster than I have ever done before. I ran inside and ran into [REDACTED] in the front room. I didn't see who was shooting or where it happened but the shots sounded very close like they were right there on Del Paso Blvd. I didn't know if somebody was shooting at me or what was happening. As soon as I heard the shots I just turned and ran upstairs. After the shooting stopped [REDACTED] and I walked out the front door and that is when I saw the police telling us to walk downstairs. I never saw Armani but [REDACTED] said it was him who was outside. I didn't see anything but I heard one of the police guys say that Armani was shooting. I didn't see any shooting and never saw Armani. I know Armani and he is friends with [REDACTED]. The police have been here before, a few months ago, looking for Armani but I told them then that he does not stay here. Armani has come by here visiting with [REDACTED] but I have not seen him over here today. [REDACTED] is [REDACTED] cousin and I didn't even know she was here.

Subject: **OFFICER C. LEWIS #233 STATEMNT**

Related date/time: **Feb-10-2017 (Fri.) 1546**

On 2/10/2017 at 1546 hours I, Detective [REDACTED], spoke to Officer Chad Lewis #233 regarding his involvement in a shooting incident that occurred earlier in the day. The interview took place inside the operating room where Suspect Armani LEE was being treated for multiple gunshot wounds. Officer Lewis stated the following in summary:

Today is the first day of my TDY to North GET (Gang Enforcement Team). We did a quick brief of the game plan before we went out. We were looking for a suspect wanted for a 245 / 246 PC that occurred the other day that I actually worked on. The suspect was a PAL (parolee at large) because of that. We were doing an attempt pickup to arrest him. Somebody received information that the suspect was at a house located at [REDACTED] Del Paso Blvd. The gun (that the suspect used) was still outstanding. He was on video with the gun so it was likely that he might be armed. Also, we were on high alert because of the nature of the original shooting where he fired the gun in broad daylight in a courtyard. He was brazen. We discussed the information bulletin that was sent out. The information from an informant came in quick.

I was partnered up with Officer Koppinger as GNG72. She was driving and I was riding as passenger. We were set up (parked and waiting) on Juliesse Ave north of La Rosa Rd. Officer Hoffman was also waiting in a separate car with us. He was alone in his car. We had somebody on point, I think it was Sergeant Van Dusen, who was watching the residence, along with several gang detectives who were putting out traffic too. It was either gang detectives or the PRCS team.

Officer Koppinger and I were parked for maybe 45 minutes when somebody put out on the radio that the target exited the residence. They described him as a black male with twisties and a black sweatshirt leaving the residence. Officer Koppinger started to roll that way but she slowed down next to Officer Hoffman to relay some information. Then the unit said that the suspect was getting into a car and then they said "football". That's when we really started to drive faster towards them. And then they said "He's shooting".

We drove westbound on Juliesse to Del Paso Blvd. Just as we were turning the corner to go southbound on Del Paso is when we heard the gunshots. I think I heard about 10 to 12 shots, I would guess. I'm pretty sure that our ICC would have captured the shots on audio because we were so close. We were only a block and a half away. I didn't see the shooting or who was shooting.

As we drove westbound on Del Paso I saw the suspect go down. He was on the north curb line of Del Paso between Land Ave and the street (parking lot) just south of Juliesse Ave. We stopped a ways away from him. The suspect was down by a tree. He had one hand kind of concealed and I could see his other hand up. I could hear officers ordering him to show his hands. Then Officer Hoffman and I approached at gunpoint. We held him at gunpoint as the other officers handcuffed him. I think the ones who put him in handcuffs were the SSD Deputy

and the other was [REDACTED] from PRCS, I heard someone calling him [REDACTED] (Officer [REDACTED]). I briefly holstered so I could help them but Hoffman told me to hang back and keep him at gunpoint. So I held him at gunpoint.

So what I think happened was the suspect's car was pitted (pit maneuver) or in the collision if it wasn't a pit and then the suspect ran northbound (or eastbound) and is in a running shootout with the officers. The officers were returning fire in this direction (indicating in an eastbound direction on the map) as we were driving westbound toward it. So they were running on the north curb line of Del Paso and we are approaching westbound on Del Paso. So we were dead on at each other and our ICC was still on.

I never saw the actual shooting. I was told though by officers on scene that whichever officer it was that was driving the unmarked F150, I believe, collided with the suspect (I don't know if it was intentional or not) to block his car. And I was told that the suspect foot bailed and as he was running the suspect was shooting at the officers. I was told that officers returned fire. I heard that at least two officers fired; Sergeant Van Dusen and the SSD (Sacramento County Sheriff's Deputy) deputy assigned to the PRCS team.

Once the suspect was handcuffed I don't remember hearing him say anything or make any spontaneous statements. When the ambulance arrived the medics cut his clothes off on scene. I'm pretty sure he had no clothing on once he was in the ambulance. I rode in the ambulance with him all the way to UC Davis. He was just complaining of pain during the ride.

Once we were here at the hospital we went to the emergency triage room. I asked one of the UCD guys for a prisoner watch kit and he heard me. He motioned me to come over to him and he was saying "Hey Sac PD, hey Sac PD, come over here". I went over to him and said "What do you want?" And he said "I know when you put those restraints on you're going to put them on tight to try to fuck me up". I said "No, why would I do that?" And he said "Well I did what I did so you guys are going to do what you do." And he stopped talking to me.

And then as we were going up the elevator he started crying and he was saying that he wanted to call his daughter because he was never going to see her again.

He has already been GSR'd and photographed (by CSI). Hospital personnel said he's stable. They said everything missed his vitals.

- A: I was - by that time I came back upstairs. My room window goes straight to their apartment. So right?
- Q: That's how you knew they had three kids. Yeah.
- A: So - so that's when I kept hearing it. And then the officers - they was had their guns on my car on the stand for the window. And so - and my neighbor's like, "Don't come back out." And so I was like, "Okay." I said, "Is there going to be any shooting? Should be lay down?" Or, you know, so they said, "We don't know what's going to happen." So?

Narrative Text Report # 12

Document: **02 WITNESS STATEMENT**

Author: **3867 - WORM, AMANDA 0312**

Subject: **INTERVIEW: W-** [REDACTED]

Related date/time: **Feb-10-2017 (Fri.)**

On Friday 2/10/17 at approx 1808 hours, I (Detective Worm, #312) spoke with W-[REDACTED] at 300 Richards Blvd in Interview room 2. I talked to her about the shooting that occurred near Land Ave and Del Paso Blvd around 1400 hours. The interview was audio and video recorded. She stated the following in summary:

I was riding from Bills Liquor and rode to my cousins house, [REDACTED] Del Paso Blvd I think. I went to the laundry room to charge my phone. I was there for about two or three minutes before I heard what I thought was fire crackers. Then the Police told everyone to get out of the house.

The laundry room is on the bottom floor near the stairs behind the garage. The laundry room is always unlocked. No one was expecting me, I always go there to charge my phone. My cousin always leaves the laundry room open. My cousin is [REDACTED]. There really isn't a back yard.

I don't know who was at my cousins house, I went straight to the garage.

I heard what I thought was fire crackers then sirens and tires screeching. I didn't realize they were gunshots until the cop told me that it was the real deal. I heard about ten to eleven shots.

When I rode from Bills Liquor to my cousins house, I didn't see anyone.

No one stays with my cousin. He will sometimes have his grand kids stop by, but no one stays with him.

I am not related to Armani, but I know who he is. I "humped on him" last week in the laundry room. If I saw him today, I probably would have humped on him again.

I showed W-[REDACTED] a mugshot of S-Lee, Armani

That's Armani. He looks just like that.

I showed W-[REDACTED] pictures from an Information Bulletin where S-Lee was the suspect.

That looks like Armani, but I don't remember him having red hair. I can't say for sure. Armani was in prison for six years, that was the first time I saw him. We don't plan on hooking up. We don't text, or call, or plan to get together.

On Friday 2/10/17 at approx 1940 hours, I (Detective Worm #312) spoke with W-[REDACTED] at 300 Richards Blvd in interview room #4 regarding a shooting. The statement was audio and video recorded. W-[REDACTED] stated the following in summary:

W-[REDACTED] offered to show me two video recordings he had on his cell phone that he took after the shooting.

I am not comfortable having everything downloaded with all of my bank information. I don't even know if the videos are worth anything. The videos are all minutes after the actual shooting.

I have been putting up cameras around my house, but I had them turned off until after the shooting. I would allow you guys to take all of that. It would have been perfect, the cameras would have faced right there.

I had come home about fifteen minutes prior to all this happening, and wasn't going to be home very long. I let the big dogs outside in the back with the little dogs. I sat down and made a phone call.

After I got off the phone, I started to hear a dog noise and then yelling. I was concerned because I have a border collie and lab mix, so I was concerned he got out. I looked out the front door to see what was going on.

I saw a guy running and then I heard shots. The guy was wearing gray clothing possibly. I looked this way (he indicated to his right) and saw, I believe an officer, I can't say for sure. The guy running was running westbound on Del Paso Blvd near the yellow divider. I saw a cop car on Land Ave. It was black and white with the decal and lights.

The guy that was running was kind of in a hunched position, like a sprinter.

As soon as I saw that, I went right back in the house and ran to the back of the house. to bring the dogs inside.

After I brought the dogs in, I looked out the window and saw a lot of cop cars come in.

The cop I saw was wearing dark clothing.

I remember the K9 officer telling his dog "good boy", and petting his dog.

Everything was really fast, was within seconds.

I never saw anyone actually saw anyone shooting, but I heard the shots.

I am not sure when I saw certain things and my brain is just filling in details, I'm not sure.

I do know there was a white truck and a silver SUV. The silver SUV was in front of my house, but it's not there anymore. I don't know if it was moved or not. The white truck was in front of my neighbors house, and I don't think it is there anymore. In the video you can see a Nissan down the street, then it was right across the street. Now, I don't think it's anywhere.

I have surveillance footage after the shooting. You guys are welcome to come get it.

W- [REDACTED] later emailed me three videos and fourteen pictures to my work email. I later booked them as evidence.

On Friday 2/10/17 at approx 2016 hours, I (Detective Worm #312) spoke with W-[REDACTED] at 300 Richards Blvd in interview room #2 regarding a shooting that occurred at Del Paso Blvd and Land Ave. The interview was audio and video recorded. W-[REDACTED] told me the following in summary:

I live in [REDACTED] Del Paso Blvd [REDACTED]. I live on the second floor, my front door and living room window faces towards the intersection of Del Paso Blvd and Land Ave.

I was sitting on my couch watching Food Network when I heard a lot of sirens. You hear sirens every once in a while in this neighborhood, but not like this. There were so many sirens. I opened the front door and saw cop cars everywhere.

By the time I got off the couch and opened the door, the two cars were already collided with each other. The guy, whoever he was, was already running down the street. They were already shooting. I heard about twelve to fifteen shots.

From outside my apartment, I had a clear view of everything. I saw the guy running, the shooting. There was so much noise. The guy was running on the side walk, and then he fell over. He put his arm in the air.

Then the cops went over and detained him.

I live in the second building from Land Ave. My window faces directly at the intersection of Del Paso Blvd and Land Ave.

I don't know what vehicle the guy came out of, I never saw him get out of a vehicle. When I first saw him, he was in the middle of the street and ran to the opposite side of the street.

You could see that it was the police. They were all wearing uniforms, the dark blue vests.

I never saw his hands, so I don't know if he had anything or not in his hands. When he fell, he put his arm in the air, you could see that he was still moving. You could see that he was still alive.

I didn't hear any yelling or orders or anything like that. Everything happened so quickly.

The news said that the guy shot at the police, and if that's the case, I can't blame them for shooting. But, I didn't see that, I didn't see what happened before I came to the door.

The black clothes are still on the ground.

On 2/10/17 at approximately 1547 hours, I contacted Sgt. Kiser 33024 who told me the following in summary:

I was working downtown today when they broadcasted there was an officer involved shooting in sector two. After determining the suspect had been transported to UC Davis Hospital I drove there to assist with the incident. When I got here Officer Lewis was already on scene and advised that the suspect was getting a CAT scan.

Officer Lewis told me that the suspect said "I know I did what I did so you do what you're gonna do" when he was putting handcuffs on him.

The suspect asked me if he was going to have surgery and I responded that I didn't know. He then asked me if I knew what his warrant was for and I said that I didn't know. He also asked me if Detectives will want to talk to him and I told him they would. He asked if he was going to get locked up for the rest of his life for this. The doctor came in and advised that the suspect would need stomach surgery. The suspect appeared concerned about his daughter.

Document: **03 SUSPECT STATEMENT**
Author: **8 - ALONSO, BRYAN 0803**
Subject: **INTERVIEW #2: S-ARMANI LEE**
Related date/time: **Feb-15-2017 (Wed.) 1026**

On Wednesday, 2-15-17 at approximately 1026 hrs, Detective L. Trimpey #806 (IV106) and I, Detective B. Alonso #803 (IV54), spoke to Suspect Armani Lee in his hospital room at UCDMC. This interview was audio recorded on a digital recorder, later downloaded to CD-R and booked into evidence at HOJ (PR# 945264-8). During our conversation, Suspect Lee was alert and lucid. Suspect Lee said he wanted to know what was going on and I explained to him that because he was in our custody, I needed to read him his rights. I read Suspect Lee his Miranda rights per SPD card 133 and when asked if he understood his rights, Suspect Lee stated, "Yeah." I gathered some of Suspect Lee's identifying information to include the following:

- **Name:** Armani Sicilian Lee
- **DOB:** 1-20-89 (28 years old)
- **Address:** [REDACTED] (Grandmother's residence)
- **Parole Address:** [REDACTED] (Group home - left on 2-3-17)
- **Parole Agent:** Agent Gary Elliott (only met in person once - sometime at the end of January 2017)
- **Cell Phone #:** [REDACTED] (stated he left this phone at a girl's house)

**** I asked Suspect Lee if he had been checking in with his parole agent and if he had all of his information up to date with him and Suspect Lee stated everything was good with Parole Agent Elliott. I asked Suspect Lee if he knew why his parole agent would have issued a parole violation and he stated the following in summary:**

I don't know. I tried to call him at the parole office around last Monday (2-6-17), but I never left a message.

**** Detective Trimpey asked Suspect Lee why he thought he was there at the hospital and what he thought was going on. Suspect Lee responded by stating the following in summary:**

To be honest As you know, I got shot up.

**** Detective Trimpey asked Suspect Lee what happened the week before (*referring to the shooting incident at [REDACTED] Plaza Ave on Saturday, 2-4-17, SPD case# 17-34216*), and followed by asking Suspect Lee if he got in**

an argument with his baby's momma (we later learned Victim [REDACTED] was not Suspect Lee's baby's momma). Suspect Lee stated the following in summary:

No Hell no.

**** I showed Suspect Lee a DMV photo of Victim [REDACTED] taken on 6-7-16 and asked him who she was. Suspect Lee stated the following in summary:**

That ain't my baby momma though.

**** I asked Suspect Lee what her name was and if he knew her. Suspect Lee stated the following in summary:**

I don't know her name. I don't know her. I never had a beef with her.

**** I showed Suspect Lee a Google Map street view photo of the [REDACTED] located at [REDACTED] Plaza Ave and asked if he recognized the location. Suspect Lee stated the following in summary:**

No, what's that about?

**** Detective Trimpey asked Suspect Lee if he knew they had cameras at the [REDACTED], then I showed Suspect Lee a small still image of the surveillance video that was obtained from the 246 PC Arrest Bulletin authored by Officer Strautman #397 on Saturday, 2-4-17. I asked Suspect Lee if he recognized anyone in the still image and he stated the following in summary:**

Hell no.

**** I asked Suspect Lee, "That's not you in that?" Suspect Lee denied the person in the photo as being him, then I asked him why someone would say that was him. Suspect Lee responded by making noises with his mouth closed, saying what I know to be, "I don't know."**

**** There was conversation for some time between Suspect Lee and us (Detectives Alonso & Trimpey) where Suspect Lee kept telling us he wanted to know who was talking and what everyone was saying. We explained we were not going to tell him who was saying what. Suspect Lee was adamant the girl in the photo we showed him (Victim [REDACTED]) was not his baby's mom. At this point, we realized this was likely true, so**

I asked Suspect Lee who she was to him, was she a friend, acquaintance or ex-girlfriend and he stated the following in summary:

She ain't my friend, ex-girlfriend or girlfriend. Look, I've never fucked her, I've never did anything. I've never even kissed that girl. I don't know her. I don't talk to her.

**** Detective Trimpey Suspect Lee why he got in a fight with Victim [REDACTED] and Suspect Lee stated the following in summary:**

(Approximately 4 second pause) I don't know. I don't remember getting in a fight. I remember getting shot in the face.

**** Detective Trimpey asked Suspect Lee why he thought he got shot in the face and he stated the following in summary:**

Because I didn't raise my hand. I was already on the ground when I got shot in the face. I couldn't raise my left hand and I told them I couldn't, but I was just laying on the ground. I was on the ground because I know I didn't get shot in the face standing up. I know that for sure.

**** I asked Suspect Lee to tell us about that and what he remembered happening. There was quite a bit of question and answer regarding where Suspect Lee was coming from. Suspect Lee stated the following in summary:**

I remember getting shot in the face. To be honest, I really don't remember where I was coming from. I just remember getting hit in my face. I remember getting across the street and laying on the ground, then hearing put your hands up. I remember laying on the ground and getting shot in the face. I don't remember coming to the hospital. I don't remember what happened after that.

**** Because Suspect Lee had told me he had been shot because he had his arm up and asked him to explain what he meant by that. Suspect Lee stated the following in summary:**

I was on the ground. I remember I had my right hand up and I couldn't move my left arm. I felt that I was shot, but I was trying to say that I was shot, but I don't think I said it loud enough. I was behind a car. I remember being behind a car being right there blocking me. I didn't have anything in my hand.

**** Detective Trimpey asked Suspect Lee why he got shot in the arm and he stated the following in summary:**

**** Detective Trimpey interrupts and says, "You don't remember or you don't know? Those are two different things." Suspect Lee stated the following in summary:**

I'm not telling you I don't know, but I really don't remember what happened. I just know I got shot. I know this was in the air (*showing his right hand*). I was behind a car. I heard someone telling me to put my hands up. I said I can't put my hands up, and all I remember is getting shot in the face. I don't remember coming to the hospital.

**** I asked Suspect Lee if he remembered what led up to that and he stated the following in summary:**

No.

**** I asked Suspect Lee what he meant when he told Detective Trimpey he didn't remember, but he did know (referring to when he said, "I'm not telling you I don't know.>"). Suspect Lee stated the following in summary:**

I know what? I said I don't remember. I don't know. I really don't remember what happened. All I remember is being told to put my hand up, I remember receiving a shot in the arm, then being shot in the face.

**** I asked Suspect Lee if he ever had anything in his hand and he stated the following:**

I don't remember.

**** Detective Trimpey showed Suspect Lee the Google Street View photo of [REDACTED] Del Paso Blvd (*the residence where Suspect Lee was seen leaving*) and asked who lived there. Suspect Lee stated the following in summary:**

I don't know. I don't know who lives there. When was I seen leaving there? Are they in trouble? They alive, right? They free right. (*Detective Trimpey told Suspect Lee they were not in trouble, they were alive and they were free.*) I don't know who they are.

**** I asked Suspect Lee if he knew where that house was and if I showed him a map, would it refresh his memory. I showed Suspect Lee a Google map covering the Del Paso Blvd / Land Ave area. I pointed out the area where Suspect Lee was picked up by the ambulance. I asked Suspect Lee if he recognized that area and why he was over there. Suspect Lee stated the following in summary:**

I live over there in North Sac. I can't tell you what I was doing in that area.

**** Detective Trimpey asked Suspect Lee if he knew he had a parole warrant on the Friday this happened. Suspect Lee said he did not know he had a warrant, so Detective Trimpey asked why he would turn around and run when he saw cops. Suspect Lee stated the following in summary:**

Nah, look I didn't know. I checked with bail bonds and all of that shit. I didn't know I had a parole violation. I always check with bail bonds to see if I have a warrant because I might want leave or go out of state. I didn't do anything that would make me have a warrant, but I always check because sometimes there may be periods where I don't talk to my PO (referring to his parole agent) for a week or two and he may have called, but my phone's off. I didn't have a phone.

**** I asked Suspect Lee why he would call a bail bonds instead of calling his parole agent and he stated the following in summary:**

I called everything bail bonds and parole agent. The bail bonds said I didn't have a warrant.

**** I asked Suspect Lee if he thought he didn't have a warrant, why would he run. Suspect Lee stated the following in summary:**

I didn't see no police. They all looked like gang members rolling up on me.

**** Detective Trimpey asked Suspect Lee what the car he shot at looked like to him (referring to Sergeant Dobson's marked K-9 vehicle). Suspect Lee denied shooting, asking, "What car?" Detective Trimpey told Suspect Lee, "The car that stopped, then you put four rounds into it." Suspect Lee stated the following in summary:**

I did That's crazy. All I'm saying look mother fucker look, I already been shot before. That's not the first time I've been shot. I've been rolled up on before, so

No. I don't know.

**** Detective Trimpey brings up Suspect Armani's interview with Detective Curtis from Friday, 2-10-17 and says his comment, "I ain't snitching on myself," stands out. Suspect Lee stated the following in summary:**

You talking about snitching. I won't snitch on myself, what? I'm just saying. I'm never going to snitch on myself. I mean you guys are the detectives and I understand you are going to come at (Detective Trimpey interrupted).

**** Suspect Lee was denying his knowledge of why he was at the hospital and said he was at the hospital because he got shot. When Suspect Lee says he's in the hospital because he got shot, Detective Trimpey says, "Because you shot at some cops." Suspect Lee says, "Man, come on dog," so I ask him what he thought happened and Suspect Lee stated the following in summary:**

Man, I think all this shit was set up. People was looking for me. My friends and family thought I was dead later that day. Somebody said I was dead and that I was murdered. (** I told Suspect Lee none of what he was telling me was making sense and he continued.) Listen, see, listen. It don't ever make sense to y'all when a mother fucker tell y'all what happened. I'm just telling you what I know. All I know is mother fuckers is calling and asking me am I alive and finding out other people I'm not alive. This was going on two to three hours before all this happened when I was shot. I don't know what time that was, but I know the sun was out. I know people were looking for me and asking me if I was alive.

**** I showed Suspect Lee the Google Street View photo of [REDACTED] Del Paso Blvd and asked him again if he remembered leaving that house. Suspect Lee stated the following in summary:**

Man, I didn't leave that house. I was walking down the street. I was coming from the corner by Bill's Liquor and when I was walking from Bill's Liquor is when I saw them roll up hella fast. I don't know what kind of car it was. I just looked like a regular ol' whip. One of those little Ford things. It pulled up. It happened so fast. I've been shot before, so my reaction is (unintelligible).

**** Detective Trimpey said he was just curious and asked what Suspect Lee's reaction is when he sees a marked black and white police car to point at it and shoot. Suspect Lee stated the following in summary:**

But, but just because it's marked or unmarked, it could be anybody. I don't remember seeing no light bar though. I mean, I can roll up in a marked car (*referring to marked police car*) or in an unmarked car and bounce out on somebody, then shoot them or tell them to stop. It don't matter what it is. This is Sacramento.

**** I asked Suspect Lee, "So in other words, if somebody rolls up in a marked car, jumps out in a police uniform, they still may be gang members is what you are telling me?" Suspect Lee stated the following in summary:**

Y'all are gang members yourself. If you got a badge you're being blessed in and all that shit, you're a gang member.

**** I asked Suspect Lee, "So that's your view of police officers We're our own gang and we're gang members that could hurt you?" Suspect Lee stated the following in summary:**

You can hurt me if you want to.

**** I asked Suspect Lee if he thought we (police) would hurt him if we didn't have a gun or other weapon pointed at us and he stated the following in summary:**

I don't remember pointing no gun at y'all.

**** I explained to Suspect Lee that there was definitely evidence that he pointed a gun at police officers and that he shot at an officer, then hit the police car four times. Suspect Lee stated the following:**

I didn't hit the police officer. I didn't hit nobody.

**** I told Suspect Lee that's where he got lucky, then he stated the following:**

And if I did shoot at him, I probably wasn't trying to shoot at him. I was probably just trying to get away.

**** Detective Trimpey asked if that made it any different and Suspect Lee stated the following:**

I mean, hey, y'all do the same shit all day. Y'all clap mother fuckers everyday. Y'all run mother fuckers over. You all do all types of shit and y'all get away with it, but it's swept under the rug.

**** I asked Suspect Lee if that was his perception of what's going on and he stated the following in summary:**

What, my perception of what? This situation?

**** I continued by saying, "You think of anybody that's wearing a blue uniform or black uniform and has a badge is a gang member?" I further explained I was just trying to understand what he was talking about. Suspect Lee stated the following in summary:**

I'm educated dog and I already know what type of shit y'all doing. Y'all are educated too. Y'all read people and I read people too, you know what I'm sayin'. I know how to do the same shit y'all do. Y'all just want answers, but look, I don't remember shooting four rounds. I just remember being shot in the fuckin' face, and if somebody did roll up on me, I was probably shook up because I've already been shot.

**** Detective Trimpey asked Suspect Lee if that's why always carries a gun, because people might roll up on him and Suspect Lee stated the following in summary:**

I don't fucking carry a gun all the time. I've been a fighter all my life. Why you saying I had a gun? How could I touch those bullets?

**** Conversation continues back and forth regarding what Suspect Lee is going to be charged. Suspect Lee continued to deny any involvement and/or wrongdoing in the shooting on Saturday, 2-4-17 and the shooting with officers on Friday, 2-10-17. At one point, Suspect Lee stated the following:**

I'm not fixin to tell you I'm not fixin to give nobody's name up I'm not fixin to do none of that. I'm no rat. You think I'm You not fixin to feed me no cheese. I don't care about these six life sentences. I don't care about none of that shit. It is what it is. Y'all should've murdered me. That's what y'all should've did, but all I'm saying is y'all sitting here asking me questions and wanting me to define and go into elaboration that y'all already know the answers to and that y'all know that I'm not fixin to say anything.

**** Suspect Lee was getting more and more agitated and was accusing the police of sweeping the shooting under the rug, as well as saying this case was a conspiracy. Suspect Lee was very upset about getting shot in the face and at one point, I asked if he had anything to do with the gun that was found right next to him after he was shot and he stated the following:**

Man, who threw that gun next to me dog? Who threw that gun next to me? Who shot me? Who Shot me? Who? Yeah, Sac PD shot me.

**** I told Suspect Lee he already explained how he looked at the police department and he stated the following in summary:**

Yeah, I already know, because y'all gang members. You all got positions. It's all the same thing, the only thing is, it's just incorporated. C'mon dog, I'm not stupid. I know how this shit works. Y'all is a fucking tactical team and all this shit. I'm not stupid.

**** I asked Suspect Lee why a tactical team would be looking for him that day and he stated the following:**

I don't know. I didn't even know it was a tactical team. I just thought it was fucking just some gang members rolled up on me.

**** I asked, "Just some gang members wearing police vests?" and Suspect Lee stated the following:**

Shit, I didn't see police. I remember that white light I seen. That white light I seen when I was looking inside my eyes when I had my eyes closed. I seen that white light. It's funny how y'all I just want to know who's talking. It's probably my girlfriend talking.

**** The nursing staff needed to work on Suspect Lee and it was apparent the conversation was digressing when Suspect Lee began talking about hospital staff and how they had nothing to do with this. As the conversation was about to end, Suspect Lee stated the following:**

Hey, hey, hey, hey guess what though guess what? Fuck you, the judge, Sac PD, all that shit though. It's [REDACTED] til I die I don't give a fuck and I'm never snitchin'. Straight up, [REDACTED]. Fuck what y'all got goin'. Y'all prove that shit. Y'all prove that I shot somebody. Y'all prove that I do it.

**** As we were ending the conversation and about to leave, I told Suspect Lee it's been a pleasure, glad we could chit chat and to keep it real. Suspect Lee stated the following as we were walking out:**

You know, I should've grabbed your gun fool.

Subject: CASE SUMMARY

Related date/time: Feb-10-2017 (Fri.) 1405

I, Detective B. Alonso #803 (IV54), have been employed by the Sacramento Police Department as a Police Officer since 2001. I am currently assigned to the Office of Investigations as a Detective with the Homicide Unit. My primary duties are to investigate and/or assist with the investigation of crimes including, but not limited to assaults with deadly weapons, felony batteries, kidnapping, and homicide.

NOTIFICATION:

On Friday, 2-10-17 at approximately 1405 hours, I was at HOJ when I was notified by Sergeant J. Shiraishi #3093 (IV15) there had been an officer involved shooting (OIS) broadcast on SPD radio channel 1. I looked up the call on the Police Browser Status Screen and turned my police radio on to channel 1 in order to obtain further information. I learned the SPD Post-Release Community Supervision (PRCS) Team was working with Gang Unit detectives, North Gang Enforcement Team officers and a K-9 Unit in order to conduct surveillance **in the area of Del Paso Blvd & Land Ave**, where they believed Suspect Armani Lee, DOB: 1-20-89, xref: [REDACTED], was visiting (Call# 17-40177). Armani Lee was wanted, based on probable cause, for a shooting from Saturday, 2-4-17 at [REDACTED] Plaza Ave [REDACTED] (case# 17-34216). I had previously viewed an arrest bulletin (related to case# 17-34216) for Armani Lee sent via e-mail by Officer Strautman #397 on Saturday, 2-4-17 at approximately 2151 hrs. This arrest bulletin is attached to this report as an image file.

At approximately 1401 hrs, per the call summary and radio traffic, Sergeant Van Dusen (UNN40) broadcast shots fired and to start medics to [REDACTED] Del Paso Blvd (later determined to be [REDACTED] Del Paso Blvd). Shortly after, Sergeant Van Dusen came back up on the air to advise responding officers to reduce code, they had the suspect's gun, the suspect had been hit and all officers were okay. K-9 Sergeant Dobson (K9SM9) broadcast to lock down Land Ave at La Rosa Rd, his vehicle (#12064) had been hit by gunfire and was a crime scene. Sergeant Dobson further advised via radio the target residence ([REDACTED] Del Paso Blvd) was still not clear, they were setting up for a surround and callout due to possibly 3 outstanding subjects. Sergeant Van Dusen broadcast for all officers to begin donning their ballistic helmets and get the equipment needed for the surround and callout. As Sergeant Van Dusen was coordinating officers for the surround and callout, he broadcast for the officers involved in the shooting to "tac reload" until they were able to be relieved since the scene was still not secure.

At approximately 1408 hrs, SFD Engine 20 and AMR 804 arrived on scene (Fire log# 675). AMR 804 transported Suspect Armani Lee to UCDMC for treatment. Officer C. Lewis #233 rode with Suspect Lee in the ambulance and stayed with him at the hospital until later relieved. Due to the residence at [REDACTED] Del Paso Blvd not being secured and there possibly being armed subjects still in there, a SWAT callout was initiated. Patrol officers secured the scene (to include crime scene tape), and a homicide call-out was initiated. The residence was cleared by SWAT

- Records showed that Suspect Armani Lee was on active parole for 2nd degree robbery (212.5(c)(2) PC), was an active member of the [REDACTED] street gang, and on top of the robbery prior, he also had priors for weapons violations and illegal narcotics. The PRCS team, led by Sergeant Van Dusen, conducted follow-up on the shooting case due to his parole status. The PRCS team had contacted parole agents to advise them of the incident on Saturday, 2-4-17 and as a result, a parole violation arrest warrant was issued for Suspect Lee.
- PRCS Officer [REDACTED] obtained Armani Lee's cell phone number [REDACTED] and authored a GPS locate warrant on it; however, it was quickly learned that the cell phone was turned off. Officer [REDACTED] learned of another cell phone Suspect Lee had been using ([REDACTED]) and authored a GPS locate warrant on this phone, which was able to place the phone in the area of [REDACTED] Del Paso Blvd. The PRCS Team received further information that Suspect Armani Lee was inside [REDACTED] Del Paso Blvd just prior to the operational plan being put in place. Additional information was gathered that Suspect Lee was armed with a handgun similar to a Colt 1911.
- The units participating in the operational plan got set up and the unit "on point" saw Suspect Lee leaving [REDACTED] Del Paso Blvd on foot headed in a southwest direction. As Suspect Lee was walking, PRCS Officer Goggin (driver) and SSD Deputy Walther (passenger) approached in the unmarked champagne colored Ford Explorer (both officers had their police raid vests on). Officer Goggin and Deputy Walther were followed by Sergeant Van Dusen, who was driving an unmarked white Ford F-150 pickup. These officers had turned onto Del Paso Blvd traveling in a southwest manner when it appeared Suspect Lee recognizes them as police, then turned and began to flee.
- At this time, K-9 Sergeant Dobson was driving north on Land Ave, approaching Del Paso Blvd in his fully marked police utility vehicle (PUV). When Suspect Lee sees Sergeant Dobson's vehicle approaching him, he produces a firearm and shoots at Sergeant Dobson's vehicle, striking it several times. Sergeant Dobson was stuck inside his vehicle and takes cover the best he can. Suspect Lee continued to run in a northeast manner towards [REDACTED] Del Paso Blvd, but turns and fires rounds towards Officer Goggin, Sergeant Van Dusen and Deputy Walther. Officer Goggin, Sergeant Van Dusen, Deputy Walther and K-9 Sergeant Dobson all return fire at Suspect Lee. As Suspect Lee makes it to the lawn of [REDACTED] Del Paso Blvd, he falls (Per Sergeant Lange during the briefing, Suspect Lee shot at least six rounds).
- The officers still had to approach Suspect Lee in order to take him into custody and get medical aid to him. Deputy Walther (with gloves on) located and secured Suspect Lee's .40 cal Glock 23 which was in a "slide

WALK-THROUGH:

At approximately 1652 hrs, the Homicide Team, along with CSI personnel, performed a walk-through of the crime scene.

At approximately 1656 hrs, prior to entering the taped off portion of the crime scene, I checked in with the scene recorder, CSO Y. Gritskevich. As we entered the crime scene, I observed a white Ford F-150 (later identified as Sergeant Van Dusen's unmarked police vehicle) and a champagne colored Ford Explorer (later identified as Officer Goggin and Deputy Walther's unmarked police vehicle). The white Ford F-150 had collided into the open R/R passenger door of the champagne colored Ford Explorer before coming to rest.

During the walk-through, I observed the following:

Expended cartridge casings:

I observed several expended cartridge casings in and near the intersection of Del Paso Blvd / Land Ave. I looked at a few of the headstamps on the expended cartridge casings and observed at least three different types. The were as follows:

- SIG .40 S&W
- Federal .40 S&W
- FC 9mm Luger

Expended projectile(s):

I did not observe any expended projectiles.

Apparent bullet strike(s):

Sergeant Dobson's K-9 police vehicle (Veh# 12064, CA lic# 1460895): I observed 4 apparent bullet strikes. There were two apparent bullet strikes on the right portion of the front push bumper, one apparent bullet strike to the lower left front grill, and a through and through bullet strike to the left (driver side) mirror assembly.

[REDACTED] Del Paso Blvd: I observed several apparent bullet strikes to the wooden fence of [REDACTED] Del Paso Blvd.

Gold Ford Ranger (): This vehicle was parked in front of Del Paso Blvd. I observed one apparent bullet strike to the left rear mudflap of the truck. It appeared the projectile struck the left rear tire as it was flat.

Injured Suspect:

Suspect Armani Lee had already been transported to UCDMC by AMR 804, but I did observe his clothing which had been removed by medics. The clothing was located on the edge of the lawn area of Del Paso Blvd, near the sidewalk.

PUBLIC SAFETY WALK-THROUGH:

At approximately 1732 hrs, Sergeant Start, Sergeant Bryan (Internal Affairs), Detective Cruz, Officer P. Brown (SPOA Rep), Attorney Sean Currin (Mastagni Law Firm) and I took **Sergeant Dobson** through a public safety walk-through of the crime scene so he could show where he was standing at the time he fired, what direction he was facing, how many rounds he fired and if he moved to any other location to continue firing. Sergeant Dobson marked the location next to his vehicle where he said he began firing rounds at Suspect Lee. Sergeant Dobson pointed in a northern direction saying he began shooting in that direction, then moved in a northeast direction (approximately 20 feet of movement) where he continued to fire in a northeast direction (I later checked the addresses of the area of the direction Sergeant Dobson indicated he fired and it was between and Del Paso Blvd). Sergeant Dobson estimated he fired 8 rounds, but said he never went to "slide lock" which indicated he fired less than 13 rounds. The locations identified by Sergeant Dobson as his movements were marked by a blue plastic marker and a yellow "D" placard to notate it was Dobson.

Suspect Armani Lee's spontaneous remarks:

- **Suspect Armani Lee** made spontaneous remarks to Officer C. Lewis #233 while at UCDMC beginning at approximately 1517 hrs. Refer to Suspect Armani Lee's statement written by Officer Lewis' for further details.

- **Suspect Armani Lee** made spontaneous remarks to Officer Terstege #425 while at UCDMC beginning at approximately 1800 hrs. Suspect Lee said he needed to call his baby girl (daughter), he couldn't believe the police shot him in the face and it was fucked up because that's not how the game is. Suspect Lee referred to himself as being an "underground legend." Suspect Lee said he could only remember getting hit (shot) in the face because he felt it immediately, then also asked Officer Terstege if this was going to make the news and asked if Officer Terstege can check to see if it was on the news.

FOLLOW-UP INVESTIGATION:

Prior to the briefing, Detective Sergeant Kinney assigned this case to me for investigative follow-up. Sergeant Kinney advised Detectives DeDonder, Hunkapiller, Trimpey and me (Alonso) that we would be interviewing the officers who discharged their firearms and made the assignments (see interviews below for further details).

Several other detectives were assigned to report to the Central Police Station located at 300 Richards Blvd in order to interview several officers who witnessed the events and/or were victims of the shooting themselves (see interviews below for further details).

INTERVIEWS OF THE INVOLVED OFFICERS WHO DISCHARGED THEIR FIREARMS:

Prior to the briefing, Sergeant Kinney advised the following detectives would be conducting the interviews for the involved officers who discharged their firearms:

- Sergeant Joshua Dobson (Detective Alonso) - PR# 945264-2
- Sergeant Randy Van Dusen (Detective Hunkapiller) - PR# 961142-1
- Officer Will Goggin (Detective Trimpey) - PR# 946070-1
- SSD Deputy James Walther (Detective DeDonder) - PR# 945232-2

In brief summary, the above listed detectives / officer stated the following:

Sergeant Dobson stated he received a phone call from Sergeant MacLafferty from the North Gang Enforcement Team (GET) advising him they were setting up a game plan looking for Armani Lee. Sergeant Dobson said he was already familiar with Armani Lee, his parole violation and his want for the recent shooting because he assisted the PRCS Team the day prior while they were looking for Lee. Sergeant Dobson was in full police uniform, driving a fully marked police K-9 PUV (Police Utility Vehicle). He was staged along Land Ave (S/E of [REDACTED] Del Paso Blvd) when it was broadcast that Suspect Armani Lee was leaving the residence and walking west on Land Ave towards Del Paso Blvd. As Sergeant Dobson drove in a northwest direction approaching Del Paso Blvd in order

to assist with the apprehension, he saw Suspect Lee point a firearm at him and his vehicle, then started shooting. Sergeant Dobson stopped his vehicle, but was trapped inside, so he tried to get down as far as he could in his seat and tried to get his dog (Ace) to lay down in an attempt to avoid being hit by the gunfire. As soon as he heard a pause in the gunfire, Sergeant Dobson got out of his vehicle and returned fire at Suspect Lee in order to attempt to stop the threat of being shot at again. After Suspect Lee went down, Sergeant Dobson turned his focus to the residence where Suspect Lee was visiting since there were still subjects who hadn't been detained and it was unknown if they were also armed.

Sergeant Van Dusen stated he was the PRCS Team Sergeant and his team had been attempting to locate Suspect Armani Lee after learning about the shooting that occurred on Saturday, 2-4-17 at the [REDACTED] - [REDACTED] Plaza Ave # [REDACTED] (Case# 17-34216). The PRCS Team was already familiar with Suspect Lee, as they had arrested him a few months prior. Because of this, Sergeant Van Dusen knew Suspect Lee knew what their unmarked vehicles looked like, so the SPD Gang Unit was requested to conduct the surveillance when the PRCS Team received information Suspect Lee was at [REDACTED] Del Paso Blvd and he was armed with a 1911 (.45 caliber pistol). Sergeant Van Dusen held a briefing for the SPD Gang Unit and the North Gang Enforcement Team (NGET) regarding the information gathered and the plan to arrest Suspect Lee. Detective Sample was surveilling [REDACTED] Del Paso Blvd and observed Suspect Lee walk out of the house, went down the stairs, then continued to walk along Land Ave towards Del Paso Blvd. Detective Sample broadcast this information over the radio and Sergeant Van Dusen gave the order to move in to apprehend Suspect Lee. Sergeant Van Dusen said Officer Goggin and Deputy Walther were in an unmarked champagne colored Ford Explorer and got to Suspect Lee's position first. As Officer Goggin pulled in front of Suspect Lee to block his path, Suspect Lee changed direction and fled. Sergeant Van Dusen was right behind Officer Goggin by this time and he saw Suspect Lee as he fled. When Sergeant Van Dusen exited his vehicle, he saw Suspect Lee pull a gun from his waistband, so he yelled, "Gun," to let the other officers know the suspect was armed. At that time, Sergeant Van Dusen saw Suspect Lee point the gun down Land Ave as K-9 Sergeant Dobson was driving towards them to assist. Suspect Lee began firing at Sergeant Dobson as he was traveling up Land Ave. Sergeant Van Dusen said he fired at Suspect Lee, but at times had to cease firing due to his backdrop not being clear. At one point, Suspect Lee turned his gun in the direction of Sergeant Van Dusen and fired rounds. Sergeant Van Dusen returned fire.

Officer Goggin stated he was working as an officer with the PRCS team and the team was actively working the shooting that had occurred at [REDACTED] - [REDACTED] Plaza Ave on Saturday, 2-4-17 (Case# 17-34216).

Deputy Walther stated he is a deputy with the Sacramento Sheriff's Department and was assigned to the PRCS team, along with Sacramento Police Officers. He was actively working the shooting that had occurred at [REDACTED] - [REDACTED] Plaza Ave on Saturday, 2-4-17 (Case# 17-34216).

"Round Counts" of the involved officers who discharged their firearms:

Prior to being interviewed by the assigned detective, Sergeant Werner conducted a round count for each officer listed above. The round counts were audio / video recorded, later downloaded to DVD and booked as evidence by the detective who had interviewed the officer. Below are the PR#'s for the round count related to each officer:

- Sergeant Joshua Dobson Round Count (PR# 945264-1)
- Sergeant Randy Van Dusen Round Count (PR# 961142-2)
- Officer Will Goggin Round Count (PR# 946070-2)
- SSD Deputy James Walther Round Count (PR# 945232-1)

INTERVIEWS OF THE ADDITIONAL VICTIM / WITNESSING OFFICERS:

After the briefing, Sergeant Shiraishi took a team of detectives back to the Central Police Facility (300 Richards Blvd), where he assigned the following detectives to conduct interviews of the following additional victim / witnessing officers:

- Gang Detective Sample (Detective Macaulay) - PR# 945052-2
- Gang Detective Tavelli (Detective Griggs) - PR# 945053-1
- Officer [REDACTED] (Detective Griggs) - PR# 945053-2

In brief summary, the above listed detectives / officer stated the following:

Gang Detective Sample stated he was assisting the PRCS and North GET Teams with an attempt pickup of wanted parolee at large, Armani Lee, who was also wanted for a recent shooting. Detective Sample was surveilling the residence (on point) at [REDACTED] Del Paso Blvd when he observed Suspect Armani Lee leave the residence and was walking on Land Ave, then turned left (south) on Del Paso Blvd. As Suspect Lee turned the corner, Officer Goggin and Deputy Walther pulled their champagne colored Ford Explorer to the side of the road, just south of Suspect Lee, blocking his path of travel. At the same time, Detective Sample could see a marked patrol vehicle (Sergeant Dobson's marked K-9 PUV) driving up Land Ave towards Del Paso Blvd. As soon as Officer Goggin pulled in front of Suspect Lee, Suspect Lee turned and ran in the opposite direction, pulled a handgun out and began firing at Sergeant Dobson's patrol vehicle as it came up Land Ave. While Suspect Lee was shooting, he started running towards the van Detective Sample was sitting in. Detective Sample saw Suspect Lee shooting in a northbound

direction, which he later learned officers in unmarked police vehicles were closing in from that direction. Detective Sample was inside his van and caught in the crossfire, so he held up his ballistic vest in front of him, hoping to cover his body in case rounds came in his direction. Detective Sample could tell rounds were being fired in his direction because small branches from the tree next to him began to fall on top of his vehicle.

Gang Detective Tavelli (Victim) stated he was assisting the PRCS team with attempting to locate and arrest Suspect Armani Lee for a parole violation. It was also known to Detectives that Suspect Lee was wanted for a shooting that had occurred the week prior and the firearm was still outstanding. Detective Tavelli's teammates were Gang Detectives Sample, Houston, D. [REDACTED] and [REDACTED]. The Gang Unit's role was to assist with conducting surveillance. Detective Tavelli set up north of the residence and was parked behind Sergeant Van Dusen. Just before 1400 hrs, Tavelli hears Detective Sample broadcast on the radio that he sees Suspect Lee leaving the house on foot. Detective Tavelli was behind Sergeant Van Dusen when they started converging to attempt to take Suspect Lee into custody. As units converged from Land Ave and Del Paso Blvd, Suspect Lee takes off running northbound, then Tavelli hears gunshots. Tavelli saw Suspect Lee shooting east down Land Ave, then sees Sergeant Dobson's marked K-9 vehicle driving west on Land Ave, right in Suspect Lee's line of fire. Tavelli activated his red and blue lights on his unmarked police vehicle and was traveling south in the northbound lane of Del Paso Blvd. As Tavelli is moving, Suspect Lee points his firearm right at Detective Tavelli while he's in his car with the red and blue lights activated, then fires 5-6 rounds. Detective Tavelli saw Suspect Lee change direction to the west, then he went down on the other side of Detective Sample's van (in front of [REDACTED] Del Paso Blvd). Detective Tavelli married up with Officer [REDACTED] who he discovered was parked right next to him, and they tactically approached Suspect Lee until the other officers took him into custody.

Officer [REDACTED] (PRCS Team) stated he has been with the PRCS team for over two years and the team was actively working the shooting that had occurred at [REDACTED] - [REDACTED] Plaza Ave on Saturday, 2-4-17 (Case# 17-34216). The shooter had been identified by the victims as Suspect Armani Lee, who was on active parole. Officer [REDACTED] stated he and his team were familiar with Suspect Lee because they took him to jail back in October 2016 for a parole violation arrest warrant he had back then, so when they saw the information bulletin regarding Lee being a shooting suspect for the incident on 2-4-17, the PRCS Team began attempting to locate him. The Gang Unit and PRCS Team was able to gather information that Suspect Lee was at [REDACTED] Del Paso Blvd and that he was in possession of a 1911 (.45 caliber firearm). The PRCS Team gets assistance from the Gang Unit and they have the Gang Unit conduct the surveillance of the residence since Suspect Lee was familiar with their unmarked vehicles from the arrest in October. Around 1400 hrs, Detective Sample broadcasts on the radio that Suspect Lee was out of the house and walking down the stairs, then westbound Land Ave to Del Paso Blvd. Right when he said this, Sergeant Van Dusen gave the order for all units to move in. Officer [REDACTED] drove southbound Del Paso Blvd to move in to help make the arrest and as he was driving, someone broadcasted on the air, "He's shooting at us," or something similar. Officer [REDACTED] speeds down to the location and as he's traveling south on Del Paso Blvd, he sees Suspect Lee running parallel towards him, then [REDACTED] sees Suspect Lee with a gun, then hears several shots fired. Officer [REDACTED] said he saw Suspect Lee shooting in the direction towards the house he just came from, then he turned and fired in the general direction where Officer [REDACTED] was. At one point, Officer [REDACTED] said he thought about firing through his windshield because he saw Suspect Lee running towards him while shooting and Officer [REDACTED] was still driving. When Officer [REDACTED] was able to stop his vehicle and put it in park, he jumped out to the side to try to take cover. Officer [REDACTED] saw Suspect Lee running and kind of stumbling as he was right in front

of Detective Sample's vehicle. As Officer [REDACTED] was looking over the hood of his vehicle, he could see Suspect Lee collapse in the yard ([REDACTED] Del Paso Blvd). After Suspect Lee was taken into custody, Officer [REDACTED] saw a black semi-auto pistol, appearing to be a Glock, laying on the ground to the left of Suspect Lee. SHOT SPOTTER (PR# 945264-7):

On Thursday, 2-16-17, I received an e-mail from Sergeant Kinney containing an attachment with the Shot Spotter recordings and documentations. I burned this information to disk and booked it as evidence (PR# 945264-7). Although unable to attach the audio recordings to this report, I attached the two Shot Spotter PDF reports as image files under my follow-up to this case summary. One of the documents is a certified forensic report and the other appears to be the same report, but not certified.

On page 8 of 10 on the Detailed Forensic Report, there are three sensors listed under the section titled "Site-specific Acoustics." I clicked on the speaker icon, which is linked to the audio files associated with the listed sensor. I listened to all three sensors (23, 22 & 25). I heard an approximate 4 round burst sounding as if it is coming from one firearm before a short pause, then a barrage of gunfire appearing to come from several different firearms.

Sergeant Dobson's K-9 Patrol Vehicle #12064 Disassembly:

On Thursday, 2-16-17 at approximately 1030 hrs, I responded to the City of Sacramento Corp Yard located at 5730 24th Street to observe the disassembly of Sergeant Dobson's damaged K-9 patrol vehicle in case there was any additional evidence to collect. Equipment Mechanic II (EMII) Guillermo Rodriguez performed the repair work on Sergeant Dobson's vehicle.

After the vehicle was lifted, EMII Rodriguez pointed out it appeared one of the projectiles had hit the left (driver) side of the push bumper, penetrated through the plastic bumper, struck a metal radiator hose (which caused the anti-freeze to drain), penetrated a plastic guard, then struck the left front axle / CV-Joint (Constant Velocity Joint), where it ricocheted. No projectile was located; however, I collected what appeared to be a fragment from a copper colored metal jacket, which EMII Rodriguez pointed out resting on the left side of the bottom radiator support.

I took 46 digital photos of Sergeant Dobson's vehicle and the fragment later booked as evidence (PR# 945264-5). The photos were later entered into Digital Crime Scene (DCS) by a Forensic Investigator.

On Tuesday, 3-7-17 at approximately 1214 hrs, I received a phone call from Sergeant Dobson where he advised he had received his patrol vehicle #12064 back from being repaired and while vacuuming the interior at JERPF, he located an expended cartridge casing on the center console controls. Sergeant Dobson stated he cleans his vehicle often since his K-9 sheds frequently, so he thought the expended cartridge casing was likely from the OIS. He also stated it may have been trapped somewhere out of sight and while he was cleaning, the casing may have fallen from a piece of equipment within the area. I instructed Sergeant Dobson to leave the casing in place and I would respond to collect it.

At approximately 1240 hrs, I arrived at JERPF, photographed the expended cartridge casing (Federal 40 S&W with a circle primer strike), and collected it. I later booked the casing as evidence at HOJ (PR# 945264-10).

I took 12 digital photos of Sergeant Dobson's vehicle and the expended cartridge casing. The photos were later entered into DCS by a Forensic Investigator.

SUSPECT GLOCK 23, .40 CAL (SN: [REDACTED] with MAGAZINE:

On Thursday, 2-23-17, I spoke to Forensic Investigator Supervisor Krisha Lovitto regarding the processing of latent prints of the suspect's firearm prior to sending it off to the Sacramento County Crime Lab (SCCL) for DNA and firearms forensic examination (ballistics, test-fire, etc.). Per FI Supervisor Lovitto's recommendation, I sent a request to the SPD evidence lab to use clean chemicals (super glue only) in an attempt to recover/preserve latent prints prior to sending the firearm to the SCCL to process for potential DNA evidence.

- **14:00:21 (Camera 16)** - This view covers the corner of Del Paso Blvd / Land Ave at the top middle portion of the screen. At this time, the video shows what appears to be a person walking west on Land Ave, then turns south on Del Paso Blvd. Shortly after, a light colored vehicle travels west on Land Ave, then turns south on Del Paso Blvd, stopping right next to the subject walking. As this happens, a white colored vehicle stops in the middle of the roadway next to the light colored vehicle, then a subject can be seen running in a northwest direction. After the subject runs, the white colored vehicle moves toward the light colored vehicle, which is consistent with Sergeant Van Dusen's white Ford F-150 when it collided with Officer Goggin's and Deputy Walther's champagne colored Ford Explorer. All of this is consistent with the times, statements and evidence related to the shooting and appears to be the situation unfolding.

** After Suspect Armani Lee was shot and officers were taking him into custody, Officer [REDACTED] searched Suspect Lee and removed any property from his pockets. One of the items removed from Suspect Lee's person was a receipt

for Bill's Liquor dated 2-10-17 at 12:48:39 hrs. The purchase showed to be an EBT sale with the card ending in [REDACTED] for the amount of \$13.64. This receipt was later booked by FI Rostocil (PR# 944895-4).

*** I watched the video from Bill's Liquor before, during and after the time of the shooting and at no time did I see Armani Lee entering and/or leaving Bill's Liquor before the police shot him as Suspect Armani Lee told Detective Trimpey and me (Detective Alonso) during our interview with him on Wednesday, 2-15-17. The only time Armani Lee was seen walking into and/or leaving Bill's Liquor was the times noted above before 1300 hrs.*

Residence at [REDACTED] Del Paso Blvd (The timestamp on this system shows to be approximately 12 minutes 57 seconds faster than the Bill's Liquor video timestamp): While reviewing the surveillance video of the residence located at [REDACTED] Del Paso Blvd on Friday, 2-10-17, I observed the following:

- **12:55:18** - Suspect Armani Lee appears in **Camera 3** (faces a northern direction towards the ABC Wash Time located at 2909 Del Paso Blvd and the tattoo shop located at 2915 Del Paso Blvd). Lee is walking S/B Del Paso Blvd towards Bill's Liquor on the west sidewalk. This is a different angle of what the video from Bill's liquor captures in camera 16 at 12:42:27 (Clip 00000015).
- **12:55:26** - Suspect Armani Lee appears in **Camera 1** (mounted southwest of camera 3 and faces the same general direction towards ABC Wash Time tattoo shop) - (Clip 00000002).
- **13:02:35** - Suspect Lee reappears in **Camera 1** and walks in a NE manner through the Bill's Liquor parking lot, then crosses Del Paso Blvd to the east sidewalk. Suspect Lee continues walking north on Del Paso Blvd on the east sidewalk until out of view (Clip 00000002).
- **13:02:41** - Suspect Lee reappears in **Camera 3** in the Bill's Liquor parking lot. Suspect Lee crosses Del Paso Blvd to the east sidewalk, then continues walking north on Del Paso Blvd on the east sidewalk until out of view (Clip 00000014).

FACEBOOK RECORDS:

I learned Armani Lee had a Facebook account under the Vanity URL of "[REDACTED]." While looking at this account, I observed a video which showed to have been posted on Facebook Live on 1-6-17. In this video,

Armanil Lee appeared to be sitting in the backseat of a vehicle and was holding a Glock pistol, consistent with the one recovered at the OIS scene. While watching the video, I noticed it displayed with a mirror image, but at one point, I could clearly see the Glock stamp on the upper receiver (aka: slide) of the firearm. Lee also appeared to be "flashing" gang signs.

I also viewed a posting with comments by Vanity URL's [REDACTED] ([REDACTED]), [REDACTED], and [REDACTED]. On 2-19-17, [REDACTED] posted a link with the Sac Bee article titled, "Man shot in North Sacramento gunbattle with authorities arrested." There were several comments posted below this link by [REDACTED], [REDACTED] and [REDACTED]. [REDACTED] posted, "You the one got him caught up lol," then later posted, "On ur FB live video." Per the conversation, it appeared [REDACTED] and/or [REDACTED] were present during the shooting incident at [REDACTED] Plaza Ave on 2-4-17 and one or more of them had been broadcasting a Facebook Live video of the incident.

Based on my observations of the above information, I authored a search warrant to obtain the Facebook records listed above.

On Friday, 4-21-17 at approximately 1110 hrs, the Honorable Judge Steve White signed the search warrant I authored to obtain Facebook Records for the following accounts:

I sent a scanned copy of the search warrant to Facebook via their Law Enforcement Records web page per their guidelines and procedures on Friday, 4-21-17 at approximately 1546 hrs.

On Thursday, 5-4-17 at approximately 1026 hrs, Facebook sent me an e-mail advising the warrant signed by Judge Steve White did not comply with the California Electronic Communications Privacy Act (CalECPA) and they were not going to comply with the order. A representative from Facebook later left me a voicemail stating the timeframe was not compliant with CalECPA. The timeframe Facebook was referring to was where it was requested "ALL Facebook history" be provided, so I changed this language to "All Facebook history from the time of account creation until present day."

On Friday, 6-2-17 at approximately 0900 hrs, the Honorable Judge White signed the updated search warrant. I sent a scanned copy of the search warrant to Facebook via their Law Enforcement Records web page per their guidelines and procedures on Friday, 6-2-17 at approximately 1232 hrs.

I later received an e-mail sent on Thursday, 6-15-17, advising me the Facebook records were ready to be viewed. I logged onto the Facebook Law Enforcement Records web page, located the records (4 accounts) covered in the search warrant, downloaded them to a thumb drive and booked them as evidence at HOJ (PR# 945264-11).

On Friday, 6-23-17 at approximately 1413 hrs, I sent an e-mail to Chip Pollock at the Sacramento County Crime Lab. Attached to the e-mail were three DA-7 Request for Crime Lab Examination forms requesting the following:

SPD Case# 17-40177:

- DNA swab the Glock 23 (PR# 944895-1) recovered next to Suspect Lee for later analysis if necessary.
- Test fire the Glock 23 (PR# 944895-1) in order to collect the test fired expended cartridge casings
- Compare the test fired cartridge casings from the Glock 23 (PR# 944895-1) to the SIG stamped casings located at the scene (PR# 944891, Item#'s 14-16 & 25-30).

About ShotSpotter

ShotSpotter was installed in Sacramento, CA in 2015. ShotSpotter has three primary components: acoustic sensors, a Location Server application, and the ShotSpotter Flex user interface. The ShotSpotter Location Server is operated by SST, Inc. and runs on a virtual server hosted at a remote facility, the ShotSpotter Flex user interface resides on a PC at the customer's dispatch facility, and the acoustic sensors are deployed in geographic areas that are designated by the customer.

Each sensor is triggered by impulsive sounds in its environment. The acoustic measurements of these impulsive sounds and the exact time that they were detected are transmitted to the Location Server as possible gunshot sounds. The Location Server analyses the data received and determines if the impulsive sound can be located and classified as gunfire. If the impulsive sound can be located and classified as gunfire it reports the incident to the SST Service Operations Center where a human operator reviews the incident for classification accuracy. The reviewed gunfire incident is then published to the customer's user interface. The user interface, referred to as the Flex Alert Console, provides an actionable view of the incident with an emphasis on the time and location that the shooting occurred. Gunfire incidents are typically detected, located, reviewed, and published to the customer in less than 60 seconds.

ShotSpotter detects and properly geo-locates (provides latitude and longitude) 80% of detectable outdoor incidents within the coverage area, accurate to within a circle whose radius is 25 meters. SST, Inc. does not guarantee 100% detection because real world, urban environments may contain intervening buildings, topography, foliage, periods of increased traffic or construction noise, and other urban acoustic noises that may either prevent the sound of a gunshot from being detected by the sensor(s), or may change or modify the audio characteristics of the sound of a gunshot so that it no longer matches the sensor(s) detection parameters.

Other factors, such as obstructed or attenuated muzzle blast, weapon discharge in an enclosed space, or if the weapon discharged is of .22 or smaller caliber, may also prevent the sensor(s) from not detecting all, or some shots fired.

Figure 3 – Address Location displays the locations calculated by ShotSpotter. The address of [REDACTED] Del Paso Blvd was read from either a database of parcel information provided by the city or county and uploaded into ShotSpotter or from the map provider. The red dot indicates the location of the shooting incident as calculated by ShotSpotter in real-time and reported to the ShotSpotter operator.

During post-processing analysis, it was found that the incident location reported to customer for Flex ID#36569 was incorrect. A total of 19 rounds was recorded from participating sensors. Due to the lack of total shots not being considered when producing the location and echoes of the recorded shots contributing to erroneous processing, an error in triangulation was caused. After post processing, the additional rounds were considered and the echoes were cancelled out, resulting in a correct location of [REDACTED] Del Paso Blvd.

The times listed below are the time the system calculated the trigger was pulled based on the environmental conditions at the time of the event. All times are obtained from system and sensor clocks that are synchronized to GPS time, which is in turn synchronized with the atomic clock at the National Institute of Standards and Technology in Boulder, CO.

Figure 4 – Individual Shots Fired The following image plots the location of each round fired in Google Earth. This image is created by post-processing the archived data. Post-processing is a “manual” re-evaluation of the archived data through software tools that duplicate the real-time location algorithms that are a resident part of the ShotSpotter Location Server. Post-processing can be selectively performed on subsets of the raw data so that noises from different sources can be isolated for analysis.

In the image below the red dots indicate the location of each of the rounds fired. The locations calculated in post-processing are not identical to, but are typically within normal limits of what the ShotSpotter calculated in real-time. The yellow circle indicates a 25m margin of error radius for gunshot incidents that occur within the boundaries of the coverage area depicted on page 1 and is present in the image for reference only.

Multilateration:

The firing of a gun or an explosive device creates a loud, impulsive sound that can, under optimum environmental conditions, be detected above urban background noise up to two miles away from the firing incident location. The operation of ShotSpotter is understandably subject to the laws of physics and acoustic propagation.

The source of a pulse (a sound that goes bang, boom, or pop) is located using a mathematical process called multilateration. Multilateration requires a minimum of three sensors that surround the source to accurately report the time that a pulse is detected. Each participating sensor will detect that pulse at slightly different times. The Location Server calculates the time differences between pairs of sensors to generate a curve called a hyperbola. All of the resulting hyperbolae are then plotted onto a map. The spot where the hyperbolae intersect is where ShotSpotter locates the shot. When more than three sensors participate in the detection, Location Server performs automatic calculations to find a solution that minimizes the error to the greatest extent possible.

Figure 5 – Multilateration plot Flex ID #36569 was detected by 4 sensors.

Conclusion

At 14:00:43 (02:00:43 PM) hours on February 10, 2017 ShotSpotter detected a Multiple Gunshots incident in Sacramento, CA. ShotSpotter recorded the incident as Flex ID #36569 and located it at [REDACTED] Del Paso Blvd. After post-processing analysis, the location of the incident was corrected to [REDACTED] Del Paso Blvd.

After review, the locations and times of 19 rounds fired were calculated.

Acoustical data analysis of a gunfire incident is complex and not comprehensive. The conclusions above should be corroborated with other evidentiary sources such as recovered shell casings, and witness statements.

About ShotSpotter

ShotSpotter was installed in Sacramento, CA in 2015. ShotSpotter has three primary components: acoustic sensors, a Location Server application, and the ShotSpotter Flex user interface. The ShotSpotter Location Server is operated by SST, Inc. and runs on a virtual server hosted at a remote facility, the ShotSpotter Flex user interface resides on a PC at the customer's dispatch facility, and the acoustic sensors are deployed in geographic areas that are designated by the customer.

Each sensor is triggered by impulsive sounds in its environment. The acoustic measurements of these impulsive sounds and the exact time that they were detected are transmitted to the Location Server as possible gunshot sounds. The Location Server analyses the data received and determines if the impulsive sound can be located and classified as gunfire. If the impulsive sound can be located and classified as gunfire it reports the incident to the SST Service Operations Center where a human operator reviews the incident for classification accuracy. The reviewed gunfire incident is then published to the customer's user interface. The user interface, referred to as the Flex Alert Console, provides an actionable view of the incident with an emphasis on the time and location that the shooting occurred. Gunfire incidents are typically detected, located, reviewed, and published to the customer in less than 60 seconds.

ShotSpotter detects and properly geo-locates (provides latitude and longitude) 80% of detectable outdoor incidents within the coverage area, accurate to within a circle whose radius is 25 meters. SST, Inc. does not guarantee 100% detection because real world, urban environments may contain intervening buildings, topography, foliage, periods of increased traffic or construction noise, and other urban acoustic noises that may either prevent the sound of a gunshot from being detected by the sensors(s), or may change or modify the audio characteristics of the sound of a gunshot so that it no longer matches the sensor(s) detection parameters.

Other factors, such as obstructed or attenuated muzzle blast, weapon discharge in an enclosed space, or if the weapon discharged is of .22 or smaller caliber, may also prevent the sensor(s) from not detecting all, or some shots fired.

Figure 3 – Address Location displays the locations calculated by ShotSpotter. The address of [REDACTED] Del Paso Blvd was read from either a database of parcel information provided by the city or county and uploaded into ShotSpotter or from the map provider. The red dot indicates the location of the shooting incident as calculated by ShotSpotter in real-time and reported to the ShotSpotter operator.

During post-processing analysis, it was found that the incident location reported to customer for Flex ID#36569 was incorrect. A total of 19 rounds was recorded from participating sensors. Due to the lack of total shots not being considered when producing the location and echoes of the recorded shots contributing to erroneous processing, an error in triangulation was caused. After post processing, the additional rounds were considered and the echoes were cancelled out, resulting in a correct location of [REDACTED] Del Paso Blvd.

Table 1 – Timeline of Discharge of Shots: The following table shows the time of discharge for each of the rounds which comprise this shooting event. The times listed below are the time the system calculated the trigger was pulled based on the environmental conditions at the time of the event. These times precede the time at which the system notified the ShotSpotter Operator listed because of small radio, computational, and network delays. All times are obtained from system and sensor clocks that are synchronized to GPS time, which is in turn synchronized with the atomic clock at the National Institute of Standards and Technology in Boulder, CO.

Figure 4 – Individual Shots Fired The following image plots the location of each round fired in Google Earth. This image is created by post-processing the archived data. Post-processing is a “manual” re-evaluation of the archived data through software tools that duplicate the real-time location algorithms that are a resident part of the ShotSpotter Location Server. Post-processing can be selectively performed on subsets of the raw data so that noises from different sources can be isolated for analysis.

In the image below the red dots indicate the location of each of the rounds fired. The locations calculated in post-processing are not identical to, but are typically within normal limits of what the ShotSpotter calculated in real-time. The yellow circle indicates a 25m margin of error radius for gunshot incidents that occur within the boundaries of the coverage area depicted on page 1 and is present in the image for reference only.

Multilateration:

The firing of a gun or an explosive device creates a loud, impulsive sound that can, under optimum environmental conditions, be detected above urban background noise up to two miles away from the firing incident location. The operation of ShotSpotter is understandably subject to the laws of physics and acoustic propagation.

The source of a pulse (a sound that goes bang, boom, or pop) is located using a mathematical process called multilateration. Multilateration requires a minimum of three sensors that surround the source to accurately report the time that a pulse is detected. Each participating sensor will detect that pulse at slightly different times. The Location Server calculates the time differences between pairs of sensors to generate a curve called a hyperbola. All of the resulting hyperbolae are then plotted onto a map. The spot where the hyperbolae intersect is where ShotSpotter locates the shot. When more than three sensors participate in the detection, Location Server performs automatic calculations to find a solution that minimizes the error to the greatest extent possible.

Figure 5 – Multilateration plot Flex ID #36569 was detected by 4 sensors.

Conclusion

At 14:00:43 (02:00:43 PM) hours on February 10, 2017 ShotSpotter detected a Multiple Gunshots incident in Sacramento, CA. ShotSpotter recorded the incident as Flex ID #36569 and located it at [REDACTED] Del Paso Blvd. After post-processing analysis, the location of the incident was corrected to [REDACTED] Del Paso Blvd.

After review, the locations and times of 19 rounds fired were calculated.

Acoustical data analysis of a gunfire incident is complex and not comprehensive. The conclusions above should be corroborated with other evidentiary sources such as recovered shell casings, and witness statements.

Brief Summary of Circumstances

On Friday, 2-10-17, several officers and detectives from the SPD PRCS Unit, Gang Unit, Gang Enforcement Team and K-9 were conducting surveillance in order to effect the arrest of S-Armani Lee, who was wanted on probable cause for a shooting that occurred the week prior on Saturday, 2-4-17 (SPD Case# 17-34216) and was a parolee at large. As detectives and officers observed S-Lee walk out of a residence, PRCS Unit members and K-9 Sergeant Dobson attempted to take S-Lee into custody when S-Lee ran, produced a Glock 23 firearm from his waistband, pointed at Sergeant Dobson and shot several rounds. As officers returned fire and others were arriving to assist, S-Lee attempted to fire upon Detective Tavelli and Sergeant Van Dusen. After the SIG brand .40 S&W expended cartridge casings recovered from the OIS scene at Del Paso Blvd / Land Ave were entered into IBIS, high correlation hits came back to two additional SPD Cases (17-40177 and 16-369834).

Examination Requested

It is requested that the three expended cartridge casings recovered at ██████ Plaza Ave (PR# 944110, item#'s 1-3) be compared to the expended cartridge casings collected from the test fired casings from S-Lee's Glock 23 (PR# 944895-1).

Brief Summary of Circumstances

On Friday, 2-10-17, several officers and detectives from the SPD PRCS Unit, Gang Unit, Gang Enforcement Team and K-9 were conducting surveillance in order to effect the arrest of S-Armani Lee, who was wanted on probable cause for a shooting that occurred the week prior on Saturday, 2-4-17 (SPD Case# 17-34216) and was a parolee at large. As detectives and officers observed S-Lee walk out of a residence, PRCS Unit members and K-9 Sergeant Dobson attempted to take S-Lee into custody when S-Lee ran, produced a Glock 23 firearm from his waistband, pointed at Sergeant Dobson and shot several rounds. As officers returned fire and others were arriving to assist, S-Lee attempted to fire upon Detective Tavelli and Sergeant Van Dusen. After the SIG brand .40 S&W expended cartridge casings recovered from the OIS scene at Del Paso Blvd / Land Ave were entered into IBIS, high correlation hits came back to two additional SPD Cases (17-34216 and 16-369834).

Examination Requested

It is requested that DNA samples (swabs) be obtained from the Glock 23 firearm and magazine (PR# 944895-1) for later analysis if it becomes necessary. After DNA samples (swabs) are taken from the firearm, I request the firearm be test fired in order to compare the expended cartridge casings to the expended cartridge casings collected from the OIS at Del Paso Blvd / Land Ave (SPD Case# 17-40177) and the shooting that occurred at [REDACTED] Plaza Ave on 2-4-17 (SPD Case# 17-34216).

Please compare the test fired casings from the Glock 23 to the nine Sig .40 S&W casings (PR# 944891, item#'s 14-16 & 25-30) located at the scene to determine if they were fired from the Glock 23 (PR#944895-1).

Still Image Comparison to Glock Firearms (Mirror Image from Video)

Based on the characteristics of the firearm displayed in Armani Lee's video, it appears to be a Glock 23 Gen 3, which fires a .40 caliber cartridge. This is based on the size being consistent with a "compact" sized Glock. Gen 1 & Gen 2 Glocks do not have the tactical rail at the bottom. The Gen 4 & Gen 5 Glocks use a dual recoil spring with a guide that is noticeably larger than the recoil spring guides in the Gen 3 Glocks. Although the barrel diameters appear close with the 9x19, .380 and .357, the .40 appears most consistent with inner and outer diameter.

The .357 and .380 barrels visibly appear smaller in diameter than a .40 and the Glock 25 was a European model, making it less likely to be sold in the U.S. In California, the Glock 25 would have to be legally purchased by L.E. The Glock in .45 G.A.P. has beveled edges on the slide, as well as a bigger barrel.

Subject: DET [REDACTED] OBSERVATIONS

Related date/time: Feb-10-2017 (Fri.) 1430

I, Detective [REDACTED] have been employed by the Sacramento Police Department as a sworn police officer since 2009. I am currently assigned to the Office of Investigations, Major Crimes Division as a Detective with the Night Investigations Unit. My primary duties are to investigate crimes, particularly felony assaults involving firearms and other gun crimes. In addition, my duties include interviewing victims, witnesses and suspects, presenting cases to the Sacramento County District Attorney's Office for prosecution, and delivering courtroom testimony.

On 2/10/2017 at approximately 1430 hours I was made aware of an officer involved shooting incident that occurred in the area of Del Paso Blvd and Land Ave. I was assigned to assist Det. Curtis #543 in attempting to obtain a statement from the suspect, Armani LEE, who was at the UC Davis Medical Center (UCD) receiving medical treatment.

At approximately 1540 hours I arrived at UCD. I was advised that Suspect LEE was currently in an operating room and Ofc. Chad Lewis #233 was with him. I responded to the operating room where Suspect LEE was undergoing medical treatment. I spoke to Ofc. Lewis and obtained his statement regarding his involvement in the incident (see statement). The interview was audio recorded and I later saved the recording to a DVD that I booked as evidence.

I was told by Ofc. Lewis and other hospital personnel that Suspect LEE had the following injuries:

- A gunshot wound near his left armpit.
- A gunshot wound to his lower right abdomen.
- A gunshot wound to his left jaw.
- A gunshot wound to his left buttocks.

Hospital personnel believed his condition to be stable. I was advised that his projected discharge time was two days.

Several hours later Suspect LEE was moved to a recovery room where he was coherent and talking. I assisted Det. Curtis as she interviewed Suspect LEE.

I spoke to hospital personnel who advised that only one bullet was recovered from Suspect LEE in the operating room. I was escorted to the evidence room where the bullet was secured. RN [REDACTED] retrieved the bullet and gave it to me. I signed the Chain of Evidence form and I was given a copy of the form.

At 2039 hours while back at Police Headquarters I gave CSI Ofc. Gomez #344 the one recovered bullet from UCD along with the Chain of Evidence form.

I assisted Det. Worm with transporting two witnesses from the Central Police Station back to their residence which was located near the crime scene.

The Night Investigations Unit was assigned to conduct a consent search [REDACTED] Del Paso Blvd. Sgt. Maxwell #3101, Det. Culp #858, Det, [REDACTED] Det. Worm #312 and I responded and arrived at the residence at approximately 2316 hours. I checked in with the scene recorder. We began the search of the residence at [REDACTED] hours. The residence was a two story single family residence. The lower level of the residence was a garage and a laundry/storage room. The second story was the main living residence. There was an exterior stairway on the west side of the building that led to the front door of the residence at the top of the stairs. Inside the residence was comprised of a kitchen/dining room, a living room, a bathroom and one bedroom. I took photographs before we conducted the search and photographs after the search was complete. We did not locate any firearms or any other items of evidentiary value inside the residence, the garage or the laundry/storage room. We cleared the residence at approximately 2350 hours. I later booked the photographs (42 total) as evidence.

NOTIFICATION

On Friday, 2/10/17 at approx. 1400 hours, I Detective Macaulay #272, wine in an off duty / on-call status was notified by Detective Sergeant Kinney of a homicide unit callout for an officer involved shooting in the city of Sacramento. He instructed me to respond to the Hall of Justice, prior to responding to the incident scene.

ARRIVAL

At approximately 1545 hours, I arrived on scene of the incident and entered the briefing location just north of the Del Paso Blvd / Marysville Blvd split. I observed there to be multiple units from the police department, including patrol, specialty units (GET, CSU) detectives, SWAT, EOD and crisis negotiators. In addition to that, there were news media outlets present. I remained near the intersection until approx. 1629 hours when we were moved to the intersection of Del Paso Blvd / Taft St.

BRIEFING

At 1629 hours, Lt. Harington #4060 provided the investigative team with the facts known to him at the time of the briefing. Refer to Det. Alonso's observations for details regarding the briefing.

WALK THROUGH

At 1652 hours, I along with additional investigators conducted a walkthrough of the crime scene. Sgt. Mclaferty provided us with a description of what occurred as we walked through the crime scene. I observed the vehicles that were involved in the initial contact as well as Sgt. Dobson's vehicle which had several bullet strikes on it. These vehicles had not been moved since the incident had occurred.

FOLLOW-UP INVESTIGATION

After the walk through was complete, I was directed by Sgt. Shiraishi to contact Ofc. Carson who had located a civilian witness to the shooting. I made contact with [REDACTED] at [REDACTED] Del Paso Blvd. She informed me she did not want to talk to me at her residence and would rather talk to me somewhere else. She agreed to meet me at the Central Police Facility (300 Richards Blvd).

I along with Det. Griggs and Sgt. Shiraishi responded to the Central Police Facility located at 300 Richards Blvd. Also meeting us at the Central Police Facility were, Det. Sample, Det. Tavelli and Ofc. [REDACTED] who were driven down there by Sgt. Lange.

Upon reaching the Central Police Facility, I met with [REDACTED]. She had been shown into an interview room by Sgt. Shiraishi. I spoke to witness [REDACTED] who provided me with a statement. The statement was both audio and video recorded. A copy of this recording was booked into evidence.

(
W) [REDACTED] stated she had been getting her mail when the incident began. She was walking up the stairs to her apartment when she saw the first officers exit the Ford Explorer. She stated she saw the suspect run from the officers and then heard 3-4 gunshots followed by several more. She stated she did not recall seeing anything in the suspect's hand as he was at a distance and running.

I interviewed Det. Sample in an interview room at the Central Police Facility. The interview was audio and video recorded. A copy of the interview was booked into evidence. Present in the interview room during the interview was Ofc. Boyd who was providing SPOA representation to Det. Sample.

Both Maps I showed to Det. Sample and (W) [REDACTED] were later scanned into the report and booked into evidence.

Det. Sample was parked on the west side of Del Paso Blvd north of Land Ave watching the residence at [REDACTED] Del Paso Blvd where suspect Lee was hiding. When Det. Sample observed (S) Lee exit the residence he broadcast this information to additional units on the operation, via his police radio. Det. Sample observed (S) Lee produce a gun as he was running from Ofc. Goggin and fire that gun at Sgt. Dobson, who was in his marked Sacramento Police Vehicle. He observed (S) Lee continue to run from officer until he fell to the ground. Refer to Det. Samples transcribed statement for further detail.

I returned to the scene on Del Paso Blvd and gave Ofc. [REDACTED] vehicle keys to Sgt. Start. At the conclusion of that, I cleared the scene.

On Wednesday, 2/14/17, I took custody of the firearms taken from the officers who fired their handguns during the incident. This included, Sgt. Dobson, Sgt. Vandusen, Ofc. Goggin and Dep. Walther's duty firearm as well as the magazines and fired bullets they had in their possessions at the time of the shooting. I, along with Sgt. Werner transported these items, to the Sacramento County District Attorney's Crime Lab. I released these items, PR# 944827, items 1-24 to the County Crime Lab employee A. Sanders at 0940 hours.

I proceeded to the KINNEY Police Facility where I contacted Equipment Mechanic III [REDACTED]. He had removed the driver side fog light of Det Tavelli's department issued vehicle, a 2007 Nissan Altima [REDACTED] (equipment # 11969). he informed me he had inspected the vehicle and did not observe any bullet holes or other damage. He removed the light which was retained until I arrived. I later booked the light at the Hall of Justice. This light had been previously photographed on scene by CSI.

On 2/21/17 at approx. 1115 hours, I took custody of PR#944827 items 1-24 from the County Crime Lab. These items were transported back to the Hall of Justice and were secured in the Homicide Sergeant's office. Later that day I released these the property taken from Ofc. Goggin, Sgt. Vandusen and Dep. Walther back to them. These items included their individual issued firearms, with the exception of the bullet that was removed from

the chamber of their firearm at the Hall of Justice. I called the Property Section and had the items shown to be released to the individual officers.

On 2/23/17, I released the items taken from Sgt. Dobson back to him. This included his issued firearm, with the exception of the bullet that was removed from the chamber of his firearm at the Hall of Justice.

I transported PR#944827, items 2, 8, 14 and 20 to the Property Warehouse. I attempted to return these items to a property clerk. I was instructed to place them in a booking locker and they would be book the following day. I placed the items in a locker and updated the evidence continuity to show the transfer, due to the property clerk not recording the transfer.

(W) [REDACTED] did not provide copies of the video she took during the SWAT response. The actions she stated she had video of were not pertinent to the investigation and were only taken out of the rear of her apartment to the south. The shooting occurred to the north of her apartment. We did not follow up with (W) [REDACTED] to get the video for those reasons.

Subject: DETECTIVE [REDACTED]

Related date/time: Feb-10-2017 (Fri.) 2101

I, Detective [REDACTED], am currently assigned to the Sacramento Police Department's Gang Investigations Unit. My duties include the investigation of possible gang-related crimes including assaults, robberies, shootings, and homicides. I also gather intelligence on suspected / validated gang members, their associates, and their activities.

On 2/10/17 at approximately 1300 hours I assisted detectives from our gang investigations unit, officers from our North Gang Enforcement Team and officers from our PRCS (Post Release Community Supervision) Team in conducting surveillance of [REDACTED] Del Paso Blvd. Detectives had received information that Suspect Armani Lee was at the residence. Armani Lee was wanted on probable cause for a shooting as well as a parole violation. At approximately 1300 hours I arrived in the area driving an unmarked police vehicle and wearing plain clothes. I took a perimeter surveillance position south east of the residence in the business parking lot of [REDACTED] Land Ave. I had a limited view of the upper rear portion of the residence. At approximately 1400 hours Detective Sample broadcast that the target (Armani Lee) was exiting the location and walking out toward Del Paso Blvd. Sgt. Van Dusen and K9 Sgt. Dobson acknowledged and advised that they and the other assisting units were heading in to contact the suspect. Within a few seconds Detective Sample broadcast that the suspect was running and then he broadcast that the suspect was shooting. I heard several gunshots, approximately twenty, coming from the area of Del Paso Blvd. and Land Ave. I put on my clearly marked "Police" raid vest and drove north west on Land Ave toward the location. Officers broadcast that the suspect was down on the ground and was complying. I stopped and parked my unmarked police vehicle on Land Ave just east of [REDACTED] Del Paso Blvd to block traffic. Detective [REDACTED] was directly in front of me in his unmarked police vehicle and also later used his vehicle to block traffic. Detective [REDACTED] was detaining two male subjects who had come from [REDACTED] Del Paso Blvd and who Sgt. Dobson had directed over to him on the sidewalk just east of [REDACTED] Del Paso Blvd. I assisted Detective [REDACTED] in handcuffing the two subjects and walking them south east to an adjacent business out of the immediate area. Approximately a minute later another female subject was directed over to Detective [REDACTED] and I. I did not observe Suspect Armani Lee at any point and I did not observe any of the shooting.

The two male subjects were verbally identified as [REDACTED] and [REDACTED]. The female was verbally identified as [REDACTED]. Once it was determined that [REDACTED] and [REDACTED] were not involved they were un-handcuffed. Sgt. Lang requested that Detective [REDACTED] and I transported the three subjects to the area of the command post and all three willingly agreed to go. All three subjects were very cooperative throughout the entire time we stood by with them. At approximately 1449 hours I obtained verbal consent from [REDACTED] [REDACTED] for officers to search his residence. At approximately 1513 hours I followed up the verbal consent and obtained written consent from [REDACTED]. I provided [REDACTED] with a SPD 132 consent to search form which he stated that he understood and stated "it's not a problem." [REDACTED] stated that there was nothing illegal in his residence and that nobody else was inside. [REDACTED] read and signed the form. [REDACTED] stated that he stayed at [REDACTED] Del Paso Blvd with his uncle [REDACTED] but that he also stayed at some other residences too. [REDACTED] stated that there was nothing illegal in the residence and stated "your welcome to search." I obtained a signed consent to search form

from [REDACTED]. Copies of the signed consent to search forms are attached and the originals were booked into evidence.

I, Detective Hunkapiller #710, am currently assigned to the Sacramento Police Department's Major Crimes Division, Homicide Unit. My primary responsibilities are to investigate homicides, suspicious deaths, kidnappings, "in custody" deaths and officer involved shootings.

NOTIFICATION:

On Friday 2/10/17 at approximately 1605 hrs, I was notified by Sergeant Shiraishi of an "Officer Involved Shooting" in the North Sacramento Area. I responded from my residence and arrived on scene at approximately 1600 hrs. Upon my arrival, I observed a large crime scene that covered several city blocks. The crime scene was secured by a large police presence with both uniformed and plain clothes officers. Numerous media crews were also present and had begun to set up along the perimeter of the crime scene.

Per standard protocol, present was the Chief of Police, including members of SPD Command Staff, Internal Affairs, Office of Public Safety Accountability and the District Attorney's Office.

BRIEFING:

At approximately 1629 hrs, once the Homicide Team was assembled, Patrol Lieutenant Harrington conducted a briefing of the incident relating the facts and circumstances known to him at that time. For a summary of the briefing refer to Detective Alonso Supplement.

At the conclusion of the briefing I was assigned by Sergeant Kinney to interview Sergeant Van Dusen.

WALK-THRU:

At approximately 1652 hrs, I participated in a "walk-through" of the crime scene conducted by Lt. Harrington. I observed several expended shell casings in the intersection of Del Paso Blvd. / Land Ave. I observed a marked SPD Patrol Unit (identified by Lt. Harrington as Sgt. Dobson's K-9 Unit). I observed several bullet strikes to the front of the patrol unit (grill, bumper area) and a bullet strike to the driver's side door mirror.

At approximately 1700 hrs, I participated in a "Public Safety" walk through with Sgt. Van Dusen, Attorney Sean Currin (Mastagni Law), Sgt. Start (crime scene supervisor), Sgt. Bryan (Internal Affairs) and CSI. The purpose of this walk through is to allow Sgt. Van Dusen to describe to investigators where he was standing at the time he fired, what direction he was facing and how many rounds he fired. Per Sgt. Van Dusen he estimated he fired 10 rounds in a northeast direction toward Del Paso Blvd. A blue cone was placed at the location described by Sgt. Van Dusen (see CSI photos).

A: We were surveilling Armani Lee, all week long through phone warrants and CIs. They placed him at that address that we went to today. So we wanted to wrap up the case and get him into custody. He was wanted for 245.

Q: So today when you got to work was there some sort of a briefing or some things that you had to learn that, you know, had you focused in on this (Armani Lee) guy?

A: We focused in on him. We knew three spots that he could possibly be at, and then we got confidential informant saying that he was at this location with his uncle, his friend; and he also had a weapon.

Q: So this CI told you that he was at a particular location?

A: He had just left him, and that's where he was.

Q: Do you remember the address that he said he was at?

A: [REDACTED] Del Paso Boulevard. I'm not really sure on the numbers. I think it was something like that.

Q: Okay. So the information you had from the CI was that (Armani Lee) was at [REDACTED] Del Paso Boulevard?

A: True.

Q: And just so I can be clear as - what was he wanted for?

A: He was wanting for a shooting that occurred the prior Saturday.

Q: Do you know any of the details about that shooting or how...

A: He got into some argument with another black male possibly over a girl, and they got in a fight. He left, came back, and shot up the residence.

Q: Okay. And was anybody injured on that prior incident last Saturday?

A: I can't say whether they were or were not. I just - I just know he was wanted for the 245. The sergeant sent us. We were going after him, so...

Q: Okay. And the information you had from your CI said that he was also armed; is that right?

A: Yes, and he's familiar with us.

Q: Okay. Can you describe this guy to me?

A: Tall, thin black male, dreadlocks - not fully dreadlocks but twisties as they call them.

A: I didn't hear anything but gunfire.

Q: Okay. And then when you got - when you and Officer Goggin first made contact with him at the street level when you kind of cut him off, did you guys have any conversation with him at all? Was there anything said?

A: I believe somebody yelled out his name. I don't know who it was that yelled out Armani, but I'm pretty sure that somebody yelled out, "(Armani Lee)." But then the gunfire happened.

Q: Okay. And in terms - I know this might be a little bit difficult in terms of estimating distances, but can you estimate the distance that you think you were from Armani when you shot at him in terms of like feet or yards?

A: Fifteen yards when I fired my first shot and then probably - he was probably at 20 yards away from me when he fell.

Q: And as I think we'd already mentioned, the only other officer that you saw shooting was Officer Van Dusen.

A: Yes.

Q: Or Sergeant Van Dusen.

A: Sergeant Van Dusen.

Q: And was he roughly the same distance as you were from Armani when he was shooting or was he closer or further away?

A: We were kind of flanking each other. I could only see out of the corner of my eye, you know, where he was so that I wouldn't either step in front of him or vice versa.

Q: Now was he off to your left or off to your right?

A: Off to my left.

Q: Oh, off to your left. Let me make sure - make sure. So let me just make it clear again. I was under the understanding that Officer Van Dusen was off to your right.

A: No.

Q: So you're looking this direction.

A: Correct.

Q: And he is off to your right.

A: Correct.

Q: Or I'm sorry, off to your left.

Q: I'm just going to put like a letter V for Van Dusen.

A: Okay.

Q: Okay - okay, fair enough. And after Armani went down to the ground, did you see any injuries on him?

A: I didn't see any injuries until we walked up to him.

Q: Right, but when you walked up to him, you obviously saw...

A: When we walked up to him, he had blood on his rear end. His pants were sagging down, so I just saw his underwear.

Q: Was there any care that was given to him? You guys just do anything to assist him in terms of his injuries?

A: No, he was talking and he was coherent. There was no life-threatening injuries.

Q: Okay. How did the blood get on your boot?

A: Probably from when we were handcuffing him. My boot was next to his body, and then my leg - my knee was on his back.

Q: Okay. So when you came up to him to handcuff him, well, that was you and Officer?

A: [REDACTED]

Q: Okay. And while - that was while officer - or Sergeant Van Dusen, rather - was calling for assistance?

Q: ...or did he just...

A: We left him right there.

A: Because we were still holding on the house. We didn't know if the house was clear or not. We were actually kind of in the line of fire of that house; and if somebody else was there, then we had the - there was a van parked right there, so it was pretty good cover for us; and we just stayed there. Q: Okay. And just once again, I know - I think you were pretty clear as far as which direction Armani was shooting, which was down Del Paso towards Officer (██████████)

A: Correct.

Q: Do you know what vehicle Officer ██████████ was in?

A: He was in his minivan.

Q: Minivan?

A: A blue minivan.

Q: And is that the vehicle that you saw Armani shooting in that direction towards?

A: It could have been, but I know that we were all coming in that area, and I know that he knows Officer ██████████ car. I know there were several people coming from all directions when we said he's out and go grab him. I know the only people that he could have been shooting at was officers. Q: All right.

Q: So kind of like before, just so that the people that are typing this up can get voices and names associated with those names. I'm - I'm Brian DeDonder with SACPD.

A: James Walther with the SAC sheriff.

A1: Shawn Collins, Mastagni Holstedt.

Q: Perfect. Okay, so there are just a couple quick clarifying things I've been wanting to go over with you, Deputy Walther. And it basically has to go with the time that you had observed (Armani) during this, you know, gun battle.

A: Mm-hm.

Q: Was there at any time that you had seen (Armani) shooting towards you or towards any of the other officers' direction?

A: Not towards me, but in the other officers' directions, yes.

Q: Okay. And specifically with - in terms of that, what direction was that and which officer or officers were - were - are we referring to?

A: Which direction is this?

Q: This would technically be northeasterly direction. I guess we can call it kind of east.

A: Okay.

Q: Well, I think some people are saying hey, that's north, but it's kind of more of a northeast direction...

A: Okay.

Q: ...just because Del Paso kind of curves off at that point.

A: Right.

Q: Well then, like I'll just let you use this ink pen. It might be easier that way if you can just put an X where you saw (Armani) while he's firing.

A: When he was firing at the other officers?

Q: Yeah, correct. And then - and then which - like we can put an arrow as far as like which direction he was firing in.

A: He was somewhere around here...

Q: Okay.

A: ...firing in that direction, and Officer [REDACTED] was up here...

Q: Okay. So...

A: ...off of the picture.

Q: So basically (Armani) was in the street pointing his firearm and shooting his firearm in a north direction or a northeast direction up the street.

A: Correct.

Q: Just to get clear, not towards any of the houses over here on either side of the street but more or less straight down the road?

A: Yes, sir.

Q: Okay. And with - is this map so far zoomed in that you couldn't articulate as to exactly where Officer [REDACTED] was at during this point? Is he off the map by...

A: He's off - he's off the map at this point.

Q: Off the map?

A: Yes.

Q: Could you say how far roughly off this map? I mean, is he much, much further down the street or is he...

A: No, he's probably I would say maybe 50 yards from the - I forgot which detective was in that car.

Q: Thirty or 50 yards further east or north from where this map...

A: Correct.

Q: ...kind of ends. Okay, got it. And it doesn't sound like you were specifically shot at yourself.

A: Not me, no.

Q: Okay. And was there anything obstructing your view of (Armani) or was there anything - was there anything in between you guys, between you and (Armani)?

A: Nothing at all.

Q: Okay. All right. Those are really the only three questions that we wanted clarification on, and I don't want to keep beating a dead horse...

A: Mm-hm.

Q: ...but at any time did you feel like you personally were - were being targeted by (Armani)?

A: Not me personally, no.

Q: Okay. Other than Officer [REDACTED] who was down the street a little further east, did you see any other officers being targeted by the suspect, (Armani)?

A: I know there was another detective parked in the proximity of Officer [REDACTED] but I didn't see him shooting at him, but it was in - I mean, he was clearly in the same direction. But when I saw him shooting, it looked like he was looking right at [REDACTED] and firing.

A: He's already...

Q: Okay.

A: Mm-hm.

Q: And what was he doing?

A: Firing.

Q: Firing?

A: Mm-hm.

Q: And - and where roughly at that point was the suspect that he was firing at? Could you see him at that point?

A: Yeah -- yeah - yeah, he was still in the vicinity, running...

Q: Okay.

On 2-10-17 at about 1415 HRS I received notification of a Homicide team call out for an Officer involved shooting. Detective SGT Kinney requested that I respond to SPD headquarters. Later, while I was still on route to headquarters, SGT Kinney re-directed me to respond to the scene. He advised the scene was near Del Paso Blvd at the intersection with Marysville Blvd in the north area of Sacramento. I arrived to the scene at about 1600 HRS.

At 1629 HRS Lieutenant Harrington provided a briefing of the facts and circumstances know to him at the time. SGT Lange also participated in providing details during the briefing. For the details from the briefing please refer to Detective Alonzo's supplement.

After the briefing I participated in a walk-through of the crime scene. The walk through occurred at 1652 HRS. Several other Detectives and CSI personnel participated in the walk through. LT Harrington pointed out the intersection of Del Paso Blvd and Land Avenue, shell casings in the street, and a marked SPD patrol unit that had been struck by gunfire. On Del Paso Blvd just south of Land Avenue was a white colored Ford Truck and a gold colored Ford SUV. The truck and the SUV had collided and were still in contact. Both of these were SPD owned vehicles.

After the walk through Detective Macaulay and I were assigned to interview the witnessing Officers. I responded to the SPD Police facility at 300 Richards Blvd and interviewed OFC [REDACTED] #387 and Detective Tavelli # 724. SPOA representative Mic Boyd was present during each interview. Both interviews were video recorded and later booked into evidence under PR# 945053-1 and 945053-2.

2-10-17 @ 1500 hrs I was advised by Sgt Shiraishi that there was an OIS call out to the area of Del Paso Blvd/ Marysville Blvd. I responded from court and first came to HOJ to be briefed by Sgt Shiraishi prior to going to the call out location.

At approximately 1539 hrs I arrived on scene at Del Paso Blvd/Marysville Blvd. Numerous members of SPD command staff were present. I observed Lt McCloskey, Sgts Werner, Kinney, Shiraishi and Maxwell. I observed Detectives Alonso, Cruz, Worm, Culp, Trimpey, Robison, Hunkapiller, ██████████, Macaulay, and Griggs. Captain Coopwood and Dep Chief Bernard were also on scene. Investigators from the D.A's office were also present. (DA Investigator Little and Curtin).

At 1429 hrs I attended the briefing given by Lt Harrington who informed the group of investigators the facts known to him at the time. In summary he advised that at 1259 hrs, SPD PRCS team was conducting a surveillance game plan at Del Paso Blvd/Land Av on a wanted parolee named Armani Lee (██████████). During the briefing we learned that on 2-4-17 Armani Lee got into a fight at ██████ Plaza Ave and later returned an shot at the apartment complex. The gun used during that incident was a .40 caliber handgun and 3 casings were located at that scene. (SPD 17-34216). A PAL warrant was issued for Armani on 2-9-17 stemming from that incident.

Regarding today's incident, PRCS team had received phone pings in the area of Del Paso Blvd/Land Ave for Armani's cell phone. An unidentified informant located Armani at the residence of ██████ Del Paso Blvd. The informant also said that Armani was armed with what appeared to be a Colt .45 handgun. (the informant was not present during the shooting and had left the residence prior to SPD's contact with Armani).

Detectives on surveillance observed Armani exit the residence and saw him walking down Del Paso Blvd. Ofc Goggin and Dep. Walther were riding together in an unmarked Police vehicle- a gold colored Ford Explorer. As Ofc Goggin and Dep. Walther approached Armani, he reversed direction and began walking back towards the house he had exited. Sgt Van Dusen was driving an unmarked white Ford F-150 was also converging on Armani who was now at the intersection of Del Paso Blvd/Land Ave. Sgt Dobson was in a marked SPD SUV K-9 vehicle traveling on Land Ave/Del Paso Blvd when Armani began firing a handgun at Sgt Dobson's patrol vehicle. Sgt Dobson ducked down in his vehicle to avoid being hit as Armani changed direction again and began running northbound across Del Paso Blvd towards ██████ Del Paso Blvd.

Armani continues to fire his gun towards other Officers who are approaching from the North/East on Del Paso Blvd in their vehicles. Ofc's Goggin, Walther, and Van Dusen begin returning fire towards Armani as he is firing his gun towards other approaching Officers. Armani falls in front of ██████ Del Paso Blvd into a grassy area near a tree on the north side of Del Paso Blvd. No Officers were injured and Armani sustained a GSW to his neck, his left shoulder, his right hip, his chin, and his right butt cheek.

A .40 caliber Glock handgun was recovered next to Armani when he was taken into custody. The gun was in the slide locked position when it was collected by Dep. Walther, who gave the gun to Officer Koppinger, who then placed it in the trunk of Detective Sample's vehicle.

SFD Engine 20, AMR #84 responded/transported Armani to UCDMC. Ofc Chad Lewis rode with Armani to the hospital and advised that he was in stable condition.

3 witnessing officers: Ofc [REDACTED] Det Sample, and Det Taveli had their weapons round counted by Sgt Deickman to verify they did not fire their weapons.

Additional non witnessing Officers who responded were identified as: Det [REDACTED] Det [REDACTED] Det [REDACTED] Det. Houston, Ofc Koppinger, Ofc Lewis, Ofc Hoffman, Ofc [REDACTED] and Ofc Thrall.

The scene recorder was Ofc Rios initially but these duties were later given to CSO Gritskivich.

No ICC video captured the incident itself. Two units with ICC arrived after the incident and were identified as SPD vehicles 11442 (Gang 72's vehicle) and 11233 (Gang 73's vehicle).

3 citizen witnesses were detained. They were identified as: [REDACTED] (Suspect's uncle), [REDACTED] (brother of Suspect), and [REDACTED].

A canvass of the neighborhood was being conducted by Ofc Rios, Ofc Carson, Ofc Massingale, and Ofc Ratcliff.

At 1652 hrs I participated in a walk through with Lt Harrington. He pointed out the bullet strikes to Sgt Dobson's patrol vehicle as well as numerous expended casings in the roadway. He also pointed out the residence from which Suspect Armani Lee was observed coming from ([REDACTED] Del Paso Blvd) as well as the area where Armani Lee fell down and was taken into custody.

I was assigned to interview SSD Deputy Walther. At 1715 hrs I participated in a walk through with Dep Walther who indicated to me where he was standing when he fired and the direction in which he fired his gun. He told me at that time that he believed he fired 3-4 rounds in a north/easterly direction towards (S) Armani Lee who was running towards a tree on the north side of Del Paso Blvd. Also present during the walk through was his Attorney Shawn [REDACTED] Sgt Start and Det Cruz.

I then responded back to HOJ and interviewed Dep Walther. (see statement for details).

I, Detective Butler #841 have been employed by the Sacramento Police Department as a Police Officer since 1999. I am currently assigned to the Office of Investigations, Major Crimes as a Detective with the Felony Assaults Unit. My primary duties are to investigate crimes, including but not limited to assaults with deadly weapons, felony batteries, kidnapping, and homicide. In addition, my duties involve interviewing victims, witnesses, suspects, presenting cases to the Sacramento County District Attorney's Office for prosecution, as well as delivering courtroom testimony.

On 02/14/17 I responded to the area of Land Avenue and Del Paso Boulevard in attempts to locate surveillance footage from the shooting that occurred on 02/10/17 in the intersection. I arrived to the area at approximately 1100 hours and I searched the area, on foot, for any surveillance cameras. I located a camera at [REDACTED] Del Paso Boulevard. [REDACTED] Del Paso Boulevard is located on the east side of the street and the front door faces east onto Del Paso Boulevard. The camera I observed is just above and right of the front door. The camera points south toward Land Ave and at [REDACTED] Del Paso Boulevard.

I knocked on the front door and I attempted to make contact with the resident. There was no answer at the door. A neighbor advised the residents name was [REDACTED] and that he was not home. I located a telephone number for [REDACTED]. I made telephone contact with [REDACTED] at ([REDACTED] [REDACTED]-[REDACTED] [REDACTED]) [REDACTED] advised that he did have cameras but that they had not been in working order for over 3 years.

No other cameras were seen or located.

I advised Detective Alonso with the information.

Related date/time: **Feb-22-2017 (Wed.) 1548**

I, Detective S. Curtis #540 (IV73) have been employed by the Sacramento Police Department since 2002. I am currently assigned to the Office of Investigations as a detective with the Homicide Unit. My primary duties are to investigate crimes including, but not limited to, homicides, suspicious deaths, and officer involved shootings.

On 2/10/17 at approximately 1500 hours, I was advised that an officer involved shooting had occurred and was requested to respond to UC Davis Medical Center to interview the suspect and obtain a status for his injuries. I was advised that the suspect was Armani Lee (01/20/89) and he had already been transported to the hospital.

I responded to the hospital with Detective [REDACTED] and upon arrival met with Sgt. Kiser who was one of two officers standing by with S-Lee who was currently in the operating room. I interviewed Sgt. Kiser and Det. [REDACTED] interviewed Officer Lewis. Sgt. Kiser said that he heard S-Lee ask what his warrant was for and asked if he was going to get locked up for this. S-Lee was also heard stating that he was going away for the rest of his life. Please see his statement for further.

Once S-Lee was out of surgery and in the recovery room I interviewed him. The interview was audio recorded and I first read him his Miranda Advisements. S-Lee was not cooperative but said he was shot by the cops and knew he was going to jail. He also stated he did not want to "snitch" on himself. Please see his statement for further.

On 2/14/17 I authored a search warrant for the seizure of medical records and blood sample(s) from UC Davis Hospital for S-Lee. The warrant was signed by the Honorable Judge White. At 1415 hours I responded to UC Davis Hospital and obtained one vial of blood from the laboratory. The blood sample was labeled "2/10/17 1433 (hours)" with the name "[REDACTED]". I observed the laboratory supervisor when he queried the lab records for S-Lee on the computer which listed S-Lee's information with the same date and time for the blood draw. The blood was listed under the "[REDACTED]" name as S-Lee's information was restricted.

At 1428 hours, after seizing the blood sample, I responded to the Sacramento County Crime Lab and personally delivered the blood sample to the crime lab.

On 2/15/17 at approximately 1115 hours, I returned a phone call to [REDACTED], father of Armani Lee. He wanted to know how his son was doing and advised that Armani has mental health problems and is convinced he was trying to kill himself. The conversation was recorded and I later booked a copy of the recording into property.

On 2/15/17 at approximately 1539 hours I telephoned [REDACTED], mother of Armani Lee. She inquired into the injuries and condition of her son and advised she has not had much contact with him lately as they had "different lifestyles". She last spoke with him when he was released from jail and knows that he had been diagnosed while

On 2/22/17 at approximately 1020 hours, I responded to UC Davis Medical Center-medical records office. I requested the medical records associated with S-Lee and presented the search warrant which I obtained on 2/14/17. The medical records were downloaded onto a CD and I obtained a signed affidavit from the medical records custodian. I later booked the records into property as evidence.

On 2/23/17 I completed a DA-7 request to have the blood sample, obtained from S-Lee while at UC Davis Medical Center, be tested for alcohol and drugs.

On 2/23/17 I completed the search warrant return with the Honorable Judge White.

OBSERVATIONS: DET. TRIMPEY #0806 (IV106)

NOTIFICATION:

On 2-10-17, at approximately 1504 hours, I was notified of a homicide team call out for an officer-involved shooting near the intersection of Del Paso Blvd and Land Ave. I was on duty and responded to the scene from my office. I arrived at approximately 1544 hours.

ARRIVAL:

Upon arrival I observed Del Paso Blvd was closed in both directions at Marysville (where Marysville and Del Paso form a Y intersection). The road was blocked by multiple marked and unmarked police vehicles as well as yellow crime scene tape and uniformed police officers. I observed traffic coming southbound Del Paso Blvd towards the scene was also blocked off to all vehicular and pedestrian traffic by yellow crime scene tape, marked police vehicles and uniformed patrol officers. I waited outside the crime scene for a briefing to occur with the homicide team. The homicide team consisted of Lt. McCloskey, Sgt. Kinney, Sgt. Werner, Sgt. Shiraishi, Sgt. Start, Det. Alonso, Det. Macaulay, Det. Dedonder, Det. Griggs, Det. Cruz, Det. Hunkapiller, Det. Worm, Det. Robison, Det. Culp and Det. [REDACTED]

BRIEFING:

At approximately 1629 hours, Lt. Harrington briefed the homicide team along with representatives from CSI, Internal Affairs, Command Staff and the District Attorney's Office of all information known to him at the time of the briefing. Lt. Harrington advised detectives with the gang unit were assisting officers with PRCS and North Gang Enforcement in the apprehension of Armani Lee who was believed to be at [REDACTED] Del Paso Blvd. Lee had an arrest warrant for a violation of parole as well as a probable cause want for shooting into an occupied dwelling on 2-4-17. Detectives observed Lee exit [REDACTED] Del Paso and Officer Goggin and Officer Walther attempted to apprehend him at the southeast corner of Del Paso and Land Ave. Lee was observed fleeing northbound and fired at a marked black and white police K9 vehicle. Officers returned fire and struck Lee multiple times causing him to fall to the ground north and east of where he was originally observed. Lee was taken into custody, a firearm was recovered and he was transported to UC Davis Hospital for medical treatment. The officers who discharged their weapons were identified as Officer Goggin, Sgt. Dobson, Sgt. Van Dusen and Sacramento Sheriff's Department Deputy Walther.

Prior to conducting the walk-thru I checked in with the crime scene recorder, Ofc. Rios. At approximately 1652 hours, members of the homicide team conducted a walk-thru of the crime scene. I observed the crime scene to cover an approximate city block and stretch from the intersection of Del Paso Blvd and Land Ave on the east to the front yard of [REDACTED] Del Paso Blvd where items of clothing were lying. I observed the fence and residence north and west of the clothing appeared to have been struck with apparent gunshots. I observed multiple vehicles were in the street which was identified as un-marked police vehicles. I observed multiple shell casings throughout the roadway and I observed apparent bullet strikes in the police vehicle driven by Sgt. Dobson.

PUBLIC SAFETY WALK-THRU:

At approximately 1740 hours, Sgt. Start, Detective Cruz, Officer Briggs (Internal Affairs), Attorney Carl Larson and I took Officer Goggin through a public safety walk-thru of the crime scene so he could show where he was standing at the time he fired, what direction he was facing and how many rounds he fired. Officer Goggin marked the location he started and stated he moved 2-4 feet in a northeast direction while firing 4-5 rounds. The locations identified by Officer Goggin were represented by a blue cone and a yellow "G" placard to note Officer Goggin.

FOLLOW UP:

After completing the public-safety walk-thru with Officer Goggin, I cleared the scene and returned to HOJ. I transported Officer Goggin and his peer support representative to HOJ for a follow up interview. Upon returning to HOJ with Officer Goggin a room was provided for him separate from other involved parties.

Sgt. Werner completed a round count with Officer Goggin. The round count was audio and video recorded and a copy of the recording was later booked as evidence. The recording is available for transcription if necessary. At the conclusion of the round count Sgt. Werner provided Officer Goggin with a "loaner" firearm until his firearm could be processed by the Sacramento County Laboratory of Forensic Services.

At approximately 1957 hours, I interviewed Officer Goggin in room 3 at 5770 Freeport Blvd (SPD Hall of Justice). I interviewed Officer Goggin with his legal representative, Carl Larson, from the law firm of Mastagni & Holstedt. The interview was audio and video recorded and a copy of the recording was later booked as evidence. The recording is available for transcription if necessary.

ADDITIONAL FOLLOW UP:

On 2/15/17, Detective Alonso and I responded to UC Davis Medical Center and interviewed Armani Lee in his hospital room. Lee had not been arraigned on any charges and had not been assigned an attorney. The interview was audio recorded and a copy of the recording was later booked as evidence. The statement provided by Lee was written by Det. Alonso, see supplement.

On 2/10/17 at about 1430 hours I Detective Sergeant Maxwell was notified by Detective Sergeant Shiraishi of the Homicide unit that there had been an officer involved shooting in North Sacramento earlier in the afternoon. I was instructed to have my team and I meet at Police Headquarters.

I arrived at 1445 hours and checked in with Sergeant Shiraishi who advised to stand by until official instructions were issued.

At about 1530 hours I was advised that my team and I were to go to the intersection of Marysville Boulevard and Del Paso Boulevard for a briefing. At 1629 hours patrol Lieutenant Harrington conducted the briefing of the incident.

Once the briefing was concluded I was assigned by Detective Sergeant Werner to collect ICC data cards from patrol vehicles 11443 and 11233 so as to review the footage.

Detective Sergeant Shiraishi assisted me with this and at 1713 hours I removed the card from vehicle 11233. At 1731 hours I removed the card from vehicle 11443. I secured both cards in separate locations upon my person. After that Detective Sergeant Shiraishi and I departed the scene and went to 300 Richards to coordinate interviews of witnesses and witness officers and review the footage.

Detective Sergeant Shiraishi and I uploaded the video footage from the memory cards and reviewed the footage. The footage from vehicle 11233 shows the area south of the scene and does not capture any of the incident nor does it capture audio of gunfire. Vehicle 11443 shows the north side of the scene and does not capture the shooting but it does show several officers taking the suspect into custody. The audio does not capture any gunfire but does capture an officer saying "the suspect is complying?".

At about 2145 hours after all the witnesses were interviewed I departed 300 Richards to replace the ICC data cards back into their respective vehicles. At about 2210 I replaced the cards and returned to Police Headquarters.

I checked in with Detective Sergeant Kinney and Detective Lieutenant McCloskey for further assignment. Detective Sergeant Start had requested assistance at the scene to search [REDACTED] Del Paso which is the house where gang detectives had seen the suspect come from just prior to the shooting. After the shooting, three witnesses were located inside the house. I confirmed that I had legal standing to search the house and both confirmed that signed consent forms had been obtained from both residents.

At about 2310 hours my team and I arrived on scene. I checked in with Detective Sergeant Start and my team began to prepare to search the location. At 2325 hours we began the search. See Detective [REDACTED]'s observations detailing the search.

At about 2350 hours concluded the search and cleared the scene. Once back at Police Headquarters I checked in with Detective Sergeant Kinney for further assignment. Having none, my team and I resumed our normal duties.

On 2/11/17 at approximately 1059 hours, I, Ofc. Rios #882 (1B28) contacted [REDACTED] at [REDACTED] Del Paso Blvd and obtained his statement. He stated the following in summary.

I was in and out of my house yesterday. This morning I found my garage door open and there was a Police lady taking pictures. I don't recall her name or what she told me she was doing.

However as I was cleaning the house, I saw this hole (referring to the bullet hole on the west wall in the interior of the house). I don't think the officers saw this hole. The officers did not come inside my house.

The bullet seems to be inside the couch. I did not see an exit hole on my couch.

No one was inside the house yesterday. I own this house but do not live in it. I come here once in a while.

On 2/11/17 at approximately 1056 hours, I Ofc. Rios #882 (1B28) was on duty in full Police uniform, in marked patrol vehicle, conducting traffic control northbound Del Paso Blvd (near the Marysville Blvd and Del Paso Blvd intersection). I was approached by a one of the resident of Del Paso Blvd who advised me, her neighbor had just located a bullet hole inside his house (█████ Del Paso Blvd). I arrived at ██████ Del Paso Blvd at approximately 1057 hours, and observed the following in summary:

Upon arrival I contacted ██████ (home owner) and obtained his statement. Refer to ██████ statement.

█████ Del Paso Blvd is a single story, single family residence. The exterior is painted tan with green trim. It is located at the ██████ side of Del Paso Blvd and Land Ave. The front door faces ██████ onto Del Paso Blvd. The living room is located in the southwest portion of the home. The rear and side yards are surrounded by a solid wood fence that appeared to be 6 feet high.

On the west exterior wall towards the bottom of the wall approximately 3 feet above the ground, I observed an approximately inch by inch hole. The hole appeared to be caused by bullet projectile. The hole went through the wall and into the interior of the house.

In the interior of the house, I observed a tan colored couch with a hole to the back side of it. The bullet projectile did not appeared to have exited the couch.

█████ (home owner) cut open his couch and I was able to retrieve the bullet projectile. I secured the bullet projectile in a clear plastic K-pack.

I requested CSI for photographs and processing of the scene.

I booked the bullet projectile as evidence at Kinney and updated 2SM1.

On 02-10-2017, at approximately 1307 hours, I, Ofc. HOFFMAN #412 (GANG71) was assisting NGET, SacPD Gang Detectives, and PRCS unit on surveillance for wanted suspect Armani LEE (01-20-89,) in a fully marked tac-vest uniform in an unmarked patrol vehicle in the City of Sacramento.

I was parked next to Ofc. KOPPINGER #914 and Ofc. LEWIS #233 (GANG72) who were in a fully marked tac-vest uniform in a fully marked patrol vehicle on Juliese Ave. just south of Del Paso Blvd.

I heard Det. SAMPLE #461 (GANG21) advise over the radio that our primary suspect, LEE had exited his residence and was walking towards Del Paso Blvd.

Det. SAMPLE then advised over the radio that LEE was running from marked units.

Ofc. KOPPINGER and Ofc. LEWIS started driving out towards Del Paso Blvd. as I followed behind them.

At approximately 1401 hours, I heard Det. SAMPLE advise that suspect LEE was now shooting at the officers. My windows were down and I immediately

heard gun shots coming from the west of my location.

We turned west onto Del Paso Blvd. and started in that direction. I then then heard multiple gun shots again as we were coming over the slight hill.

I observed a male subject on the ground in the grass on the north side of Del Paso Blvd. with officer's closing in on him with their guns drawn.

We took a position of cover to the east with our patrol vehicle to provide safety to the marked and unmarked detectives who were out in the open without cover. This was done to provide safety for myself and the other officer's since I could not see if the suspect was done shooting at the officers.

I approached the suspect while other officers took suspect LEE into custody and placed him in handcuffs on the ground.

I noticed vehicle and foot traffic was heavy and immediately moved my car back east on Del Paso Blvd. to set a perimeter for the safety of the officers and the citizens and to assist in preserving the scene. I stood by on the east end of the perimeter until I was cleared by other patrol officers.

I did not witness the shooting by the suspect or the officers.

I (Officer Masingale #556) am assigned to the Central Problem Oriented Policing (POP) Team. In this capacity, I regularly meet with residents and business owners from the community to discuss their complaints and concerns in order to reduce crime, solve long-term neighborhood problems, and enhance the quality of life for the citizens in my designated area. I also receive complaints via phone-tip lines, e-mails, and patrol officers. Additionally, the POP Team assists our Central Neighborhood Crimes Unit (NCU) with investigating theft related crimes, including but not limited to burglaries and robberies in the Downtown and Midtown neighborhoods of the City of Sacramento.

During the time of this incident, we were wearing black tac-vests with the word "POLICE" written in reflective silver bold lettering on the front and "POLICE POP OFFICER" on the back. The fronts of our tac-vests include our police badge with our individual badge numbers and a gray and black City of Sacramento Police Department patch. We were driving in an unmarked, all black, Ford Crown Victoria police vehicle, equipped with emergency lights and sirens. The following events occurred in summary.

On 2/10/17 at approximately 1402 hours, Officers Ratcliffe #224, Carson #223, and I responded code-3 to Del Paso Blvd and Land Ave to assist on an officer involved shooting.

I was inside of my home and on the telephone. I heard a dog barking out in front of my house and I heard some shouting. I immediately thought that my dog, a border collie, had escaped from my backyard and was causing a problem in the front yard. It is something that I worry about.

I hung up the phone and came out of my front door. I was standing just outside of the front door. I looked to the east side of my house toward the general direction of Land Ave. I saw a man wearing dark clothing over near the white line (limit line) on Land Ave at Del Paso Blvd. I saw a second man running from the direction of the first man north across Del Paso Blvd near where the double yellow line begins on the far side (east side) of the intersection.

I was really focused on whether or not my dog got out, so I was looking for my dog, thinking he was somewhere out front. I heard several gunshots.

WITNESS STATEMENT:

On 2-10-2017, I, Ofc Ratcliffe #224, spoke to [REDACTED] at [REDACTED] Del Paso Blvd. [REDACTED] told me the following in summary:

I am homeless right now but I have been staying here with my friends [REDACTED] and [REDACTED] while it's been raining. They have been very generous in letting me stay here. I was sitting on the couch and watching television with [REDACTED]. [REDACTED] had gone to the store down the street. My attention was drawn outside by the sound of gunfire. I could see outside of the living room window while sitting on the couch.

I saw the guy running. He was about five feet in front of the minivan parked in front of the house there. The man was in the street a few feet from the curb when I saw him and he was running northeast. He was a black dude. I didn't get a good look at the guy. I heard more gunfire so I told [REDACTED] to get down. I pushed her down and got down myself. I heard more gunfire. We stayed down for about a minute before I looked out the window again to see what was happening. When I looked up, I saw the man down and there were a few officers standing next to him. I could tell that they were police because they had police written on their clothing.

I did not see the man holding a gun when he was running. That doesn't mean that he didn't have one, I just didn't see it. I do not know who was shooting. I didn't hear any yelling until after the gunfire when everyone was right in front of the house. I could hear people yelling but I couldn't make out what they were saying.

On 02/10/17 at approximately 1307 hours, Ofc. Koppinger #914 and I (Ofc. Lewis #233) were assisting with surveillance of S-Armani Lee in the area of Juliesse Ave / La Rosa Rd. I was wearing a tactical police uniform, consisting of a full police duty belt, tan pants, and a black tactical vest displaying the word "Police" on the front and back in silver reflective writing. At approximately 1400 hours, we responded to the area of [REDACTED] Del Paso Blvd after hearing a unit broadcast that S-Lee was fleeing on foot. I observed the following in summary (Captured on ICC):

Immediately upon driving towards the scene, I heard 10-12 gunshots. As I began hearing gunshots, an SPD officer broadcasted over the air that S-Lee was shooting at officers. As we approached the scene, while driving westbound on Del Paso Blvd, I observed SSD Deputy Walther and Ofc. [REDACTED] #387 running eastbound with their guns drawn towards S-Lee who was laying on his back with his right hand in the air.

Ofc. [REDACTED] and Dep. Walther detained S-Lee.

Ofc. Koppinger and I collected property that Ofc. [REDACTED] removed from S-Lee's person.

SFD engine #17 and an AMR medic arrived on scene. I escorted S-Lee in the ambulance to UCD Medical Center where he was admitted for treatment.

CSI Ofc. Gomez responded to UCD Medical Center, took photos of S-Lee, and conducted gunshot residue tests on S-Lee's hands.

I observed S-Lee to have the following gunshot wounds sustained during the incident:

- Upper left neck
- Lower right abdomen
- Left buttocks
- Left shoulder/armpit

While at UCD Medical Center, S-Lee made numerous spontaneous statements regarding the incident (See attached Suspect statement).

Ofc. Tersteege responded to UCD Medical Center and took custody of S-Lee.

I was leaving 300 Richards Blvd. when dispatch advised that there was an Officer involved shooting in the area of Land Ave and Del Paso Blvd. I responded Code 3 to the scene from 300 Richards Blvd.

I arrived on scene at approximately 1414 hrs. I pulled up to Officers who were in the front yard of [REDACTED] Del Paso Blvd. SFD Engine #20 and AMR Medic #804 were on scene and providing medical aid to Suspect Armani Lee. I ensured that an Officer was riding with Lee to the Hospital (Officer Lewis #233).

I had Officers do a welfare check of [REDACTED] Del Paso Blvd as well as the house to the North and South due to the residences being downrange and potentially struck with rounds fired during the gunfight.

I responded to Sgt. Dobson #3001 who was with the arrest team located behind his vehicle. I ensured that we had the proper personnel for an arrest team and relieved Sgt. Dobson since he had been involved in the shooting. I directed SWAT armored vehicles into the scene to minimize the

On Friday, 2/10/17, I, Officer Azevedo was working in the city and county of Sacramento. I was dressed in full K9 police uniform and driving a marked Sacramento Police Department K9 patrol vehicle.

At approximately 1400 hours I was advised via radio that officers in the area of [REDACTED] Del Paso Bl. had exchanged gunfire with a wanted suspect. I immediately activated my over-head lights and siren and responded to the scene.

Upon arrival I took a position of cover and concealment to the rear of the target address to assist with an inner perimeter. I was later repositioned to front of the home where S.W.A.T. operators had been posted. My police service K9 "Kona" and I remained at that position until the residence was clear and the inner perimeter broken down.

At approx. 1401 hours, Officer Cuevas #0318 and I responded code 3 from the Kinney police station to the scene. Upon arrival, I took up a position with other officers at the intersection of Del Paso Blvd/Land Avenue to cover the front of ██████████ Del Paso Blvd. I requested Officer Cuevas bring up his marked unit to this location and park it next to K9SM9 (Sgt. I held scene security until relieved.

On 2/10/17 at approx. 1405 hours, I(Kiser) was working routine patrol in a fully marked Police car and in full uniform in Downtown Sacramento. A SPD dispatcher on Ch3 advised that Officers had been involved in a shooting in North Sacramento. The suspect was transported by AMR Medic 804 to UC Davis Medical Center. I responded to the hospital. I never responded to the scene. I arrived at the hospital at approx. 1445 hours. I observed the following in summary:

In the sally port of the hospital, I contacted Sacramento City Firefighter Brandon Budd. He advised that Firefighter Spencer, Firefighter Marrs, and himself came down with the suspect from Engine 20. The suspect was transported in an AMR ambulance that was driven by Paramedic [REDACTED] and assisted by Paramedic [REDACTED].

Firefighter Budd advised me that during transport, he observed what he thought were 4 gunshot wounds to S-Armani Lee. He advised that there was a gunshot wound to the left side of his neck, his left shoulder, his right hip area, and his left butt cheek.

I went into the ER and located S-Lee and Ofc. Lewis(GNG72) in the Cat Scan area of the hospital. The medical staff was evaluating the scans as they were being done. They confirmed the locations of his wounds and

stated that there might have been a 2nd gun shot wound to his right hip area. They were not sure if it was another gun shot wound or not. I was not able to identify or obtain an official statement from medical staff since they were actively caring for S-Lee.

Ofc. Lewis and I escorted S-Lee back to the ER after his scans were completed. I walked out of the hospital to be able to call and update Sgt. Deickmann and Lt. Harrington on the suspects condition.

I came back into S-Lee's ER room. S-Lee motioned for me to come and speak with him. He was covered by a blanket so I did not observe any of his injuries. I have met S-Lee several times before through calls for service. I have arrested him in the past. I asked him how he was feeling and he asked if he was going to have surgery. I told him that I did not know. I told him to just relax and focus on getting better. He then asked "Do you know what my warrant was for?" I told him that I did not and that I was unaware of what happened at the scene. I told him that I was just at the hospital to help coordinate that part of the investigation.

He asked "Am I gonna get locked up for this?" I again told him that I did not know what was going on and that he should just focus on the doctors that are trying to help him. He then stated "I know that I am gonna get locked up for the rest of my life for this."

He asked "Is a detective gonna come talk to me?" I told them that they would come and talk to him. I also told him that the will read him his rights and take a full statement and that he should wait for them to talk anymore. Before he could make any other spontaneous statements, the doctor came over and advised that they would be taking him to surgery. I did not have any further conversation with S-Lee at this time.

As he was being wheeled out of the room, he began to cry. He kept saying "my daughter, my daughter." I advised Ofc. Lewis to stay close to S-Lee as he was wheeled into the operating room in case he made any other statements. I waited outside of the hospital while S-Lee was in surgery. I contacted Det. Curtis and Det. [REDACTED] and updated them on what I had observed and done.

I coordinated relief for Ofc. Lewis. Ofc. Tersteege arrived on scene to relieve Ofc. Lewis. I escorted Det. Curtis, Det. [REDACTED] and Ofc. Tersteege up to the ICU. When I got to the ICU, S-Lee was talking to the nurses. I asked him how he was feeling and he said "I am all messed up." He asked if we were going to have him all day. I told him that I did not know what he meant. He asked if he was going to get life in prison and I said I did not know and that he should speak with the Detectives. He gave me a phone number for his mom and sister and asked me to call them.

I introduced S-Lee to Det. Curtis so that she could take his statement. I gave the phone numbers to Det. [REDACTED] in case he wanted to call the family. I cleared the scene.

On 2/10/17, at approx. 1259 hours, Officer Thrall #735 and I, Officer [REDACTED] responded to the area of Del Paso Blvd/Land Ave to assist the PRCS team and Gang detectives in locating a subject named Armani Lee. Armani Lee was the suspect of a recent shooting. I am currently assigned to the North Gang Enforcement Team, and our primary goals are to gather intelligence related to gang activity, to investigate gang related crimes, and to make enforcement stops to reduce gang and gun violence. We were driving a marked patrol vehicle, and we were dressed in plain clothes, wearing raid vests with "POLICE" clearly marked with large, yellow lettering on the front and back of the vests. We arrived on scene at approx. 1307 hours.

Once on scene, we sat on Taft St, south of Del Paso Blvd, south of La Rosa Rd. We were responsible for setting up a perimeter if the suspect fled on foot or if we had to surround our target location.

At approx. 1400 hours, one of the detectives advised that our target suspect had exited the target location. He had walked out onto Land Ave, and then to Del Paso Blvd. At this time, the gang detectives, PRCS officers, and K-9 officers moved in to apprehend our suspect. A unit advised that the suspect started running, and within a second, the same unit advised that the suspect was shooting at officers. At this time, I had my windows rolled down and heard gun shots to the north of my location. Officer Thrall and I proceeded northbound Taft St to Del Paso Blvd, and as we rounded the corner to Del Paso Blvd, officers advised that the suspect was down, gun taken away, and being taken into custody. We did not see the shooting.

Based on the radio traffic, I placed my patrol vehicle in a manner to block northbound traffic on Del Paso Blvd at Taft St. Officer Thrall placed police tape across Del Paso Blvd in order to contain the scene.

Once the scene was contained, I noticed a subject standing on the east side of Del Paso Blvd in front of [REDACTED] Del Paso Blvd. He was filming the scene with his cell phone. I contacted him and identified him as [REDACTED]. I obtained his statement. He did not witness the shooting but heard gun shots (see statement), and he was filming things after the shooting occurred.

At approx. 1250 Hrs., both Sgt Van Dusen and Sgt MacLaffery advised members of their teams would be conducting surveillance at [REDACTED] Del Paso Blvd. They advised an Armani Lee could be at this location and was wanted for a 245 PC which had occurred recently. Officer Van Dusen advised he had the scene, called a perimeter, and advised the safe way to the scene northbound Del Paso. I responded to the location and arrived at approx. 1404 Hrs. this car. Sgt Dobson and Sgt Maclaffery where at this location. An arrest team was being formed and Sgt. Maclaffery was using the PA to ask the occupants of [REDACTED] Del Paso Blvd to safely exit [REDACTED] Del Paso Blvd.

It appeared several Officers were East of the location, blocking vehicle and pedestrian traffic and covering the east and rear alley area. I placed one, then two Officers, to cover the s/e corner of the home.

On the west side of Del Paso, I saw a man laying in the front yard of [REDACTED]. There were several Officers and medical personnel at this location. Sgt Edgerton was supervising this portion of the scene. I ensured both north and southbound vehicle and pedestrian traffic was stopped and directed caution tape be put up to preserve the scene. Initially, Officer Rios was assigned as scene recorder. I requested CSI, Peer Support, and a CSO to the scene. Once 3CS60 (Gritskevich) arrived on scene, he took over the scene recorder responsibilities.

I identified those Officers who were forced to use their firearms as Sgt Dobson, Sgt Van Dusen, Officer Goggins, and Sacramento County Deputy Walther. As the scene stabilized, they were directed out of the active scene. Lt Harrington arrived on scene and directed Edgerton to supervise the tactical response. Sgt Wong was directed to supervise the involved Officers. I was directed as overall scene supervisor and gather information for Lt Harrington's investigative briefing.

Officer Chad Lewis transported in the ambulance with Armani Lee to UCD. He and Officer Kiser provided frequent updates of Lee's condition. Engine 20 and AMR 804 were the medical units who responded.

I identified Officer [REDACTED] and Detectives Tavelli and Sample as Officers who may have seen Armani Lee shooting at Officers. I checked [REDACTED] and Sample's Sig 40 cal firearm/ammo clips and all 37 rounds were accounted for. Sgt Edgerton checked Tavelli's firearm and he also reported all rounds were accounted for.

While attempting to identify all Officers on scene, I was advised four Probation Officers arrived to assist after the report of shots fired. I was advised those Officers where Probation 307 Miquez, Probation 306 Dick, Probation 79 Gomez and Probation 76 Sanders.

Once the scene was secure, I asked Officer Mahoney and Rios to start a canvas and look for surveillance cameras on the east and west side of Del Paso Blvd. Officer Mahoney was directed to create the first page of the report. Sgt Chandler was then assigned to coordinate the neighborhood

Supplement: (Sergeant Chandler #3040-3SM2)

On 2-10-17 (Friday) at approximately 1447 hours I, Sergeant Chandler #3040 was working as the swing shift supervisor for the north area as 3SM2 (District 2). I was in full police uniform while driving a marked black and white police vehicle. I responded to the established command post of the officer involved shooting at [REDACTED] Del Paso Blvd. The command post was established at Marysville and Del Paso Blvd.

I arrived on scene at approximately 1448 hours. As I arrived on scene, I made contact with the on duty watch commander, Lieutenant Harrington. He directed me to replace the perimeter positions with swing shift officers. I relieved the gang officers, PRCS officers and most day shift officers. Some day shift officers advised that they were available to stay and assist on the call.

After switching out the perimeter personnel, Lieutenant Harrington requested that I gather officers to conduct a canvas for the scene. The following officers did a canvas at the scene:

On 2/10/17 I contacted [REDACTED] inside [REDACTED] Del Paso Blvd # [REDACTED] She stated the following in summary:

I had just gotten home and I was walking to get my mail at the mailbox. I saw a white truck going south on Del Paso Blvd. The truck turned into the SUV like he was trying to stop it.

I heard gunshots and then I saw a guy running in the northwest direction. he was wearing a blk jacket or hoodie with blk pants. I am not sure of his race. He could have been a male hispanic, white guy or a light skin male black.

A police officer in tan pants and a blk vest like what you have on (raid vest) was chasing after him. The officer had a crew hair cut. Another officer in full police uniform was also chasing him from Land Ave.. Both officers were shooting.

The lady cop turned the person they were chasing over. The guy must have had red underwear or something like that.

I heard about 10 to 15 shots.

I went back to my place. I heard the police say on the intercom that they needed to come out of the house.

I saw a light skin male black with dreads, a heavy set male black with salt and pepper hair, and a female blk in her 30's with long braids pulled back in a pony tail sitting outside on the side of the house.

I, Ofc. Koppinger #914 am currently assigned to the Sacramento Police Department's North Sacramento Gang Enforcement Team. We are tasked with identifying, monitoring, and closely supervising known gang members in the North Sacramento area. We are also tasked with intervention and identification, participation in surveillance, searches, apprehensions of persons with fresh charges, probable cause wants and outstanding warrants and responding to regional crime series.

On 02/10/2017, at approx 1307 hours, (Ofc. Lewis #233), and I (Ofc. Koppinger #914) were assisting the SPD Gang Unit, and the SPD PRCS Team on an attempt pickup of Armani Lee (DOB 01/20/1989) at [REDACTED] Del Paso Blvd. Prior to responding out to the address, detectives advised that Lee was a Parolee At Large (PAL), was wanted on a shooting that occurred at [REDACTED] Plaza on 02/04/2017 (SPD Report #17-34216), and may be still be armed. We were in a fully marked SPD vehicle, and were wearing TAC vests with "Police," labeled on the front of the vest, and "Police Gang Unit" on the back.

At approximately 1401 hours, Detective Sample advised the he observed Lee leave [REDACTED] Del Paso Blvd towards Del Paso Blvd. As officers attempted to contact Lee, Detective Sample advised that Lee began running, and advised

that Lee began shooting.

We responded from Juliesse Ave/Del Paso Blvd, and I could hear multiple gun shots being passes back and forth. I responded Code 3 to the scene, and I had my ICC camera activated (Vehicle #11443). Upon arrival, I did not see any officers shooting at Lee, and I did not hear any further gun shots. I observed Ofc. [REDACTED] #387 standing in the middle of Del Paso Blvd just east of [REDACTED] Del Paso Blvd, and observed Lee laying on his stomach in the front yard of [REDACTED] Del Paso Blvd with his hands in the air.

I approached Lee with Ofc. [REDACTED] using Detective Sample's vehicle as cover. As we approached I observed that Lee was bleeding from the left buttocks area. Ofc. [REDACTED] and Deputy Walther detained Lee in hand cuffs.

Deputy Walther retrieved a black Glock handgun in the lawn just to the left of Lee, and made it safe. While wearing black latex gloves (Department issued) on both hands, I collected the firearm from Deputy Walther, placed it in an envelope, and secured it in the rear of Detective Sample's vehicle.

Ofc. [REDACTED] conducted a search of Lee, and pulled out Lee's personal belongings, and placed them in an envelope that I held for him. That envelope was also secured in the rear of Detective Sample's vehicle.

SFD medic #20 arrived on-scene at approx 1408 hrs. While medics attended to Lee, I observed that he had also sustained a gun shot through his left cheek. Ofc. Lewis stood by with Lee in the ambulance while he was transported to UCD for treatment.

Detective Sample continued to stand by with the evidence secured in his vehicle, and I began to conduct a welfare check of residences that may have been struck by gun fire. I conducted the following welfare canvass:

- 1.) [REDACTED] Del Paso Blvd - No Answer
- 2.) [REDACTED] Del Paso Blvd - Residents advised that no one inside had been struck by gunfire, and advised that they would shelter in place
- 3.) [REDACTED] Del Paso Blvd - No Answer
- 4.) [REDACTED] Del Paso Blvd - No Answer

For officer safety, Sgt. Edgerton advised that he wanted a full canvass conducted after SWAT had cleared the suspect residence, and determined there were no further threats.

Detective Sample, and I remained by the scene/secured evidence until

I relieved Ofc. Webb of his duties and took custody of Suspect Lee.

During my shift on hospital watch Suspect Lee made numerous spontaneous statements to me. I never responded to Suspect Lee's comments. The following statements were made to me repeatedly during my shift:

I am Mike Baker (VH-1), Media Production Specialist II, badge number 6511, employed with the Sacramento Police Department. I'm permanently assigned to the Digital Forensics Unit (DFU), Forensic Video, in the Office of Investigations.

On 2/16/2017, at approximately 13:21 hrs, I was contacted by Det. Bryan Alonso, # 0803 who requested I respond to residence at, [REDACTED] Del Paso Blvd. in Sacramento, to collect (download) Close Circuit Television (CCTV) video footage and images, and audio data from the CCTV system's hard drive (HDD) for a OIS investigation, report number 17-40177. The requested time frame of interest was from approximately 2/10/2017 - 11:00 hrs, to 2/10/2017 - 14:15 hrs, Sacramento Police Department 'Computer Aided Dispatch' time (SPD CAD time).

On 2/22/2017, at approximately 13:32 hrs, I arrived at residence at, [REDACTED] Del Paso Blvd.. Upon arrival, I obtained consent, and was granted access the CCTV system from a male resident, [REDACTED].

I authenticated the CCTV system date and time stamp by comparing the difference between the current CCTV date and time stamp displayed on the CCTV monitor with the Sacramento Police Department, Computer Aided Dispatch time (SPD CAD time). SPD CAD time was documented as 2/22/2017 - 13:32 hours, while at the same time, the CCTV date and time stamp was displaying 2/22/2017 - 13:32:57 hours. The authenticated CCTV date and time stamp off set is approximately + 0:57 seconds difference from SPD CAD time.

The camera system consists of seven (7) cameras out of a total capacity of eight (8) cameras. Both the DVR's 'motion sensor' and 'continuous record' modes were set to 'Enabled'. No microphones or audio of any kind was recorded on the CCTV system.

I downloaded forty (40) native / proprietary data files with their viewer application from the native DVR to a 16 GB USB 2.0 flash drive, establishing evidence specimen #01.

I departed the location at approximately 14:40 hrs.

Back at the SPD Forensic Multimedia Lab (SPD FML), at approximately 16:03 hrs, I provided a digital verbatim copy of the CCTV data from evidence specimen # 01, for the lead investigators. I checked the copied data for consistency with file size, content, and footage accuracy. Both specimens appear to be identical. I copied the files via Windows Explorer Windows 7 Professional, Service Pack 1.

Back at the SPD Forensic Multimedia Lab (SPD FML), at approximately 16:18hrs, I secured and stored evidence specimen 01 in the Video Lab Locker (SPD VLL).

On 2/23/17, at approximately 07:52 hrs, I removed evidence specimen 01 from the SPD VLL and I calculated a hash value and copied verbatim CCTV data from the 16 GB USB 2.0 flash drive to 3 of 3 DVD-R's, establishing master evidence specimen # 01. I compared the specimen's calculated hash values and checked the copied data for consistency with file size, content and footage accuracy. Both specimens are confirmed to be identical. I utilized the hash calculation software ExactFile, version 1.0.0.15 to calculate hash values.

At approximately 14:32 hrs, I calculated a hash value and copied verbatim CCTV data from the 16 GB USB 2.0 flash drive to the Forensic Multimedia Depository Archive (FMDA) digital case file, establishing a working copy of specimen # 01 (WC 01). I compared the specimen's calculated hash values and checked the copied data for consistency with file size, content and footage accuracy. Both specimens are confirmed to be identical. I utilized the hash calculation software ForensicCopy, Sanderson Forensics Ltd. 2007, version 1.0.0 (c) to calculate hash values.

At approximately 15:12 hrs, I booked master evidence specimen 01 into the Versadex evidence management system, establishing SPD PR # 946311-1, and deposited the three DVD-R's into a sealed SPD evidence envelope intact, and in original condition. I deposited the evidence envelope into the Hall Of Justice, Property Section Drop Box (P-HOJ), in the Public Safety Center - Hall Of Justice, at 5770 Freeport Blvd., suite 100.

I purged the CCTV data from the 16 GB USB 2.0 flash drive for its future re-use. Det. Alonso was made aware of my results.
