### Incident Summary

---

On 3/21/17, at approx. 0129 hours, Office [REDACTED] was working supplemental employment for the Sacramento Police Department at 904 11th Street (Severe Warming Center). Office [REDACTED] was wearing a full police uniform and operating a marked black and white police vehicle equipped with overhead emergency lights. While Office [REDACTED] was sitting in his police vehicle in front of this location, a white Cadillac Escalade (CA [REDACTED]) drove S/B 11th Street past his location. The front female passenger attempted to open her door, screaming for help. Just prior to this, the same vehicle had driven past Officer Becker #964 who was on a stop at 13th Street / J Street where she had advised Officer Jarrell and myself, Sergeant Singewald #3130 that a white SUV Cadillac had driven past her where a female in the front passenger seat was screaming for help.

Office [REDACTED] followed the vehicle, activated his emergency lights and siren, attempting to stop the vehicle near 11th and J Street. The vehicle immediately accelerated, fleeing from the officer going to pursuit. At the conclusion of the 17 minute pursuit, covering 15.42 miles, the suspect vehicle came to a stop on the right shoulder of E/B Interstate 80 at the Madison Avenue exit.

At approx. 0149 hours, while in full SPD uniforms/marked black and white police vehicles, Sergeant J. Ellis #3132 (1SM1), Officer S. Thomson #364 (K-96) D. Walker #835 (1C35), R. Woo #325 (2A32), and myself, Sergeant G. Singewald #3130 (1SM3) positioned ourselves around the marked vehicles during the felony vehicle stop. K-9 Officer Thompson and his partner "Dutch" were positioned to the left, Officer D. Walker armed with his CED and myself, armed with the less lethal shotgun were positioned in the middle. Other officers on scene were positioned around other marked patrol cars armed with their handguns.

The suspect [REDACTED] was uncooperative, not initially exiting the vehicle. After numerous voice commands, he exited, walking backwards towards the rear driver's side of the suspect vehicle, and kneeling down. After several minutes of commands, the suspect was still not following orders, attempted to stand up several times, and walk towards the passenger side of the vehicle. During this time, the front passenger had exited the vehicle, stated she had been stabbed by the suspect, and was trying to walk back towards the police vehicles while we were engaged in verbal commands with the suspect.

The suspect continued to look around as if he was going to flee or get back into his vehicle. The suspect was given numerous orders to stay on the ground or he would be bit by the K-9 dog or shot with the bean bag gun. The suspect began to flee at which point Officer Walker deployed his CED and I, Sergeant Singewald simultaneously deployed one bean bag round. The bean bag round and CED struck the suspect in the back but was not effective. The suspect stood up and ran around the rear passenger side of the vehicle down. K-9 Officer Thomson deployed his partner "Dutch" which caught the suspect down the embankment, puncturing the suspects left buttocks, left upper thigh, and rakes to the left torso.

Several officers followed Officer Thompson to assist with the detention of the suspect. The suspect was physically and actively resisting "Dutch" and other officers that were trying to handcuff him. Officer Woo jumped on the suspect's back and the suspect grabbed Officer Woo's left arm trying to pull Officer Woo off of him. Officer Woo began to apply the Carotid Control hold as Sergeant J. Ellis deployed his CED into the small of the suspects back. The Carotid Control hold was effective, rendering the suspect unconscious for several seconds, which gave officers time to handcuff the suspect. Once the suspect woke, he continued to be uncooperative, yelling and pulling away from the officers.

Fire transported the suspect to UCD for evaluation and medical treatment. CSI responded and obtained photos of the victim, suspect and vehicle. There were no surveillance cameras or other witnesses identified at the scene. No officers were injured during the incident. Suspect [REDACTED] was hospitalized for his injuries and once medically cleared, he was booked on the following charges: 245(A)(1), 273A(A), 207, 591.5, 422, 273.5 PC and VC sections 2800.2, 2800.4, 14601.2(A).

Based on my response to the scene, reviewing the report, ICC video, and speaking with the involved officers, I believe the use of force was appropriate, reasonable, and within policy of the Sacramento Police Department.

An issue that was identified during the use of force by Sergeant Singewald was the less lethal shotgun (bean bag round). Sergeant Singewald did not initially combat load a round into the shotgun as he was seeking the desired psychological effect of racking the weapon near the suspect to gain compliance. In doing so, once Sergeant Singewald attempted to discharge a round, the round did not feed into the shotgun, causing the weapon not to fire. Another racking of the weapon to load a round into the chamber was also unsuccessful where Sergeant Singewald then combat loaded a bean bag round. The less lethal shotgun was later turned into property where it was determined a combination of the "FrogLube" and Sgt. Singewald possibly short stroking the weapon was the cause of the malfunction.

Completed UOF	
<b>Comments/Response from Police Lieutenant-Exempt Zachary Bales:</b>	
Approved: Approved	
Reason:	
Comments: The extreme resistance of the suspect along with being wanted for an apparent kidnapping in progress warranted the overwhelming less lethal force used. While it would have been ideal to use the CED, Bean Bag round, and K9 all at the same time, the suspect's dynamic actions resulted in a succession of force. The	

officers and supervisors did an excellent job communicating on this call resulting in no lethal sympathetic fire when the bean bag round was fired. Additionally, the victims were rescued simultaneously in conjunction with the apprehension of the suspect. Communication also led to no one force option being applied over and over again and the situation was resolved with the successful application of the CED and then the Carotid Control Hold. All of the force applied in the apprehension of this suspect was within SPD policy.

## Incident Summary

On 3/21/17, at approx. 0129 hours, Office [REDACTED] was working supplemental employment for the Sacramento Police Department at 904 11th Street (Severe Warming Center). Office [REDACTED] was wearing a full police uniform and operating a marked black and white police vehicle equipped with overhead emergency lights. While Office [REDACTED] was sitting in his police vehicle in front of this location, a white Cadillac Escalade (CA [REDACTED]) drove S/B 11th Street past his location. The front female passenger attempted to open her door, screaming for help. Just prior to this, the same vehicle had driven past Officer Becker #964 who was on a stop at 13th Street / J Street where she had advised Officer Jarrell and myself, Sergeant Singewald #3130 that a white SUV Cadillac had driven past her where a female in the front passenger seat was screaming for help.

Office [REDACTED] followed the vehicle, activated his emergency lights, attempting to stop the vehicle near 11th and J Street. The suspect vehicle continued S/B 11th Street, driving past upright metal parking barricades in the Cathedral Church Square, turning W/B K Street. Office [REDACTED] activated his siren at which point the vehicle immediately accelerated, fleeing from the officer. Office [REDACTED]'s lights and sirens were activated, broadcasted he was in pursuit with the want, vehicle description, speeds, and traffic conditions. The pursuit was monitored by Lieutenant Bales #4009 and myself.

The suspect vehicle traveled through the business district of downtown Sacramento, travelling the wrong way on several streets with speeds between 30-73 MPH. During the pursuit, the front female passenger was observed several times putting her hands out the window as if she was in distress. Approximately 9 minutes into the pursuit, the suspect vehicle attempted to make a W/B turn at Capital Avenue and 21st Street where he lost control and spun out. The female passenger attempted to get out of the vehicle as it quickly sped off again. Officer Nelson #378 and Woo #325 (2A32) took over the pursuit as the primary officers, Officer Walker #835 (1C34) became the secondary Officer, as Office [REDACTED] (SCT20) became the third pursuing Officer.

After pursuing the vehicle in the downtown area, the suspect vehicle continued E/B Highway 160 where K-9 Officer Thomson #364 (K9-6) took over the third position in the pursuit. The suspect vehicle continued to flee onto E/B Capitol City Freeway and then E/B Interstate 80 with speeds of 67 – 94 MPH. The front passenger was able to disable the suspect vehicle by putting the vehicle in park, slowly bringing the vehicle to a stop E/B Interstate 80 at the Madison Avenue exit.

At the conclusion of the pursuit, it was determined the front passenger had been stabbed in the chest by the driver, suspect Leon McGowan. Suspect McGowan was eventually taken into custody after several less lethal options were deployed (bean bag, CED, K-9, carotid) and a 6-year-old child was also rescued from the rear passenger area of the suspect vehicle. Suspect McGowan was transported to UCD Medical Center for treatment and later booked into the Sacramento County Main Jail for numerous felony charges.

The overall distance of the vehicle pursuit was approx. 15.46 miles and lasted 17 minutes. The top speed (per ICC) during the pursuit while downtown was 73 MPH and 94 MPH while on the freeway. I reviewed the ICC footage and found no discrepancies with the information provided in the broadcast and the report.

Based on my response, review of the reports, ICC, and speaking with the officers on scene, I believe the vehicle pursuit was within the policy of the Sacramento Police Department.

Officer Thebeau's Pursuit report

### Comments/Response From [ Police Lieutenant-Exempt Zachary Bales ]

The conditions of this pursuit were challenging, including the severe weather and roadway conditions along with the suspect's driving the wrong way on several downtown streets. Fortunately it was late at night and there was almost no traffic on the roads. Due to the circumstances of a passenger screaming for help and not being allowed to exit the vehicle, officers pursued under the correct assumption that this was a kidnap in progress. It was only learned after the stop that there was a 6 year old boy in the car, and that the suspect had stabbed the adult female in the chest. This pursuit was justified and within SPD policy.

Document: **04 OBSERVATIONS**

Author: [REDACTED]

Subject: [REDACTED]

Related date/time: **Mar-21-2017 (Tue.)**

On 3/21/17, at approx 0129 hrs, I was working uniformed Police security at the Refuge Warming Center at 904 11st. I was in full SPD uniform, seated in the driver's seat of my marked SPD patrol vehicle.

While seated in the vehicle, I observed a white Cadillac Escalade ( [REDACTED] # [REDACTED] ) driving S/B on 11th St coming up behind me. My driver's window was partially open and I looked over to see a FWA (later identified as [REDACTED] ) in the passenger seat. Her window was halfway down and she was looking at me. She yelled, "Help Officer! Help me!". She was physically crying and had a look of panic in her face. She tried to open the door but the vehicle engine revved up and the Cadillac sped away. She yelled, "He won't let us out." as the vehicle sped away.

I drove after the Cadillac as it went S/B 11th St. The vehicle crossed J St and I activated my overhead lights and siren. The vehicle continued and drove through a section that is not for vehicle traffic before turning W/B K St. The vehicle did not pull over for my lights and siren, instead accelerating making it clear to me that I was in pursuit of the vehicle which was fleeing from me.

The Cadillac drove W/B K St at speeds of 50+ MPH, running a solid red light at 9th St, before running a red light at 8th St, then turning N/B 8th St.

The vehicle continued N/B 8th St and turned onto W/B J St, which was the wrong way on a one way street, and running a solid red light.

The vehicle drove W/B J St at speeds over 50 MPH. The female passenger appeared to put her arms out the window waving for help. The vehicle then turned onto S/B 3rd St.

From S/B 3rd St, the vehicle drove at speeds over 50 MPH, ran a red light at L St, ran a red light at Capitol, continued S/B at speeds over 65 MPH, before turning E/B on P St which is the wrong way on a one way street.

From P St, the Cadillac swerved towards a white sedan at the intersection with 4th St, before swerving back into the center lane. The vehicle continued E/B and turned N/B 5th St, continuing to refuse to stop and accelerate away from me.

SERGEANT USE ONLY

1315-28 273.5(A) BEAT SPOUSE/CO-HABITA

From N/B 5th St, the Cadillac drove at speeds over 50 MPH and then turned E/B Capitol.

From E/B Capitol, the Cadillac ran a red light at 6th St, ran a red at 7th St, and then turned N/B onto 7th St, which is the wrong way on a one way street.

From N/B 7th St, the vehicle went E/B on K St, which is an area for light rail trains only and not cars.

From E/B K St, the vehicle drove to 9th St, ran a red light, and turned onto N/B 9th St, which is the wrong way on a one way street.

From N/B 9th St, the vehicle turned W/B J St, which is the wrong way on a one way street.

From W/B J St, the vehicle was traveling at over 50 MPH, and then turned onto S/B 7th St.

From S/B 7th St, the vehicle ran a solid red light at L St, ran a red light at Capitol, ran a red light at N St, and then turned E/B on P St, which was the wrong way on a one way street. In making the turn, the Cadillac almost struck a vehicle stopped in the #2 lane facing W/B on P St.

From E/B P St, the Cadillac continued to speed and evade Officers, and then quickly turned N/B on 8th St.

From N/B 8th St, the Cadillac ran a red light at Capitol Ave, but a marked patrol car was stopped near the intersection controlling traffic. The vehicle continued N/B 8th St at speeds over 55 MPH before turning onto E/B J St.

From E/B J St, the vehicle turned onto N/B 10th St.

From N/B 10th St, the vehicle turned E/B I St, which was the wrong way on a one way street.

From E/B I St, the vehicle sped on I St at speeds over 50 MPH before making a turn onto S/B 16th St, which is the wrong way on a one way street.

From S/B 16th St, the vehicle swerved to hit an oncoming vehicle just after crossing Capitol Ave. The Cadillac then almost struck a vehicle at the intersection of 16th St / P St, as that vehicle was traveling W/B on P St.

SERGEANT USE ONLY

1315-28 273.5(A) BEAT SPOUSE/CO-HABITA

The Cadillac continued to go the wrong way on 16th St until turning E/B Q St.

From E/B Q St, the Cadillac drove at speeds around 50 MPH. At the intersection with 19th St, the Cadillac almost rear-end a car stopped at the red light, before passing the car and running the red light. The Cadillac continued E/B Q St until it turned onto N/B 21st St.

From N/B 21st St, the Cadillac drove at speeds near 70 MPH before making a W/B turn onto Capital Ave.

During this turn both the Cadillac and my fully marked Police Crown Victoria hit some standing water. The Cadillac spun out in a clockwise motion, while my vehicle spun in a counter clockwise motion. I spun 180 degrees and was facing E/B. I did not hit anything during this maneuver. I saw the Cadillac was trying to recover as my second and third patrol unit (Ofc Woo, Ofc Nelson, and Ofc D.Walker) made the W/B turn. I fell into the number three position as the Cadillac recovered and continued to flee W/B on Capitol Ave. The Cadillac continued W/B, ran a stop sign at the intersection with 17th St, and then turned N/B on 16th St.

From N/B 16th St, the Cadillac drove at approx 45 MPH and ran a red light at J St. The Cadillac continued at speeds upwards of 65 MPH and took N/B 16th St until it became Hwy160.

While taking Hwy160 out-bound, the Cadillac drove at speeds that ranged from 60 MPH to 85 MPH before merging onto E/B Business 80.

The Cadillac continued on E/B Business 80 at speeds that ranged from 76 MPH up to 94 MPH before merging onto E/B I-80.

While driving E/B I-80 the Cadillac unexpectedly began to slow and move over to the shoulder of the road. It was later found out that V- [REDACTED] had thrown the car into neutral or park and had removed the keys. The Cadillac came to a stop just prior to the Madison Ave off ramp.

At the stop of the vehicle, the driver and suspect (later identified as Leon McGowan) put his hands out the window but was not initially following Officers orders to exit the vehicle. I had positioned myself on the passenger side to help the victim when she came out. I saw V- [REDACTED] drop the keys out the passenger window of the vehicle. As Officers were giving McGowan orders I could see him exit the vehicle with his hands up. He continued to not follow orders and it was a concern that he would go back to the vehicle and hurt the victim. Because of this, as Officers were

dealing with S-McGowan, I ordered V- [REDACTED] out of the vehicle. She got out and advised that her six year old son was still in the car. I ordered her back to me and she advised she had been stabbed. She showed me the large stab wound to the top of her left breast.

As I was helping V- [REDACTED], S-McGowan who was not following orders made a move towards the vehicle. At this point, to protect the child in the vehicle, and to not allow S-McGowan to have control of the Cadillac and hurt anyone else, Sgt Singewald deployed a bean bag shotgun round, and another Officer deployed the Taser. A police K-9 was also used when the other less lethal uses of forces did not stop or get S-McGowan to give up. S-McGowan fled to the passenger side of the vehicle and was later detained by several of the Officers onscene. The child was rescued out the driver's side of the vehicle and brought back to me and the victim. They were both secured out of the rain in a patrol vehicle. V- [REDACTED] advised me that S-McGowan was the father of their child, and S-McGowan was the one that stabbed her.

With S-McGowan finally detained, the Cadillac and all parties were moved off the freeway to a safer location at Madison / Date Ave. Medics arrived and transported V- [REDACTED] and the six year old, [REDACTED], to the hospital. Ofc Jarrell follow them and later obtained a statement.

Due to S-McGowan's erratic actions and behavior, it was my opinion S-McGowan was under the influence of some type of controlled substance. A blood draw was requested when S-McGowan made it to the Hospital. S-McGowan was transported to UC Davis Med Center and was followed by Ofc Woo and Ofc Nelson.

I requested the Cadillac by placed on an evidence impound tow by Central Valley towing. I conducted a quick search of the vehicle and located an LG cell phone on the driver's seat with the battery and rear plate removed. I looked for any type of stabbing instrument but did not readily see one at that point. Ofc D.Walker assisted in completing the tow.

Upon review, the entirety of the pursuit was around seventeen minutes long.

A records check was conducted on Leon McGowan and it showed that he had a suspended Driver's license [REDACTED]

After conferring with Ofc Jarrell, it was determined that Leon McGowan would be arrested on the following charges: 2800.2 VC (Felony evading), 2800.4 PC (Evading-wrong way/oncoming traffic), 245(a)1 PC (Assault w/a

On 03-22-2017, I (Det. Vu #637) was tasked with searching the suspect vehicle that had been impounded the night before. The vehicle was a 2002 White Cadillac Escalade license plate [REDACTED] and it was located at Central Valley Towing Company (8240 14th Ave, Sacramento CA). Specifically, I wanted to located the knife used in the assault, described as a "hunting knife". At approx. 1015 hrs, I went to the tow yard and located the vehicle in an enclosed building. I searched the vehicle and was unable to locate any knives in the car.

At the office, I completed an Impound Release form to release the vehicle back to the victim in this case. I also notified the tow company of the release. On 03-23-2017, I called the victim and advised her of the vehicle's release from impound.

### Narrative Text Report # 1

Document: **04 OBSERVATIONS**

Author: **4346 - WALKER, DRAKE 0835**

Subject: **OBSERVATIONS, WALKER #835**

Related date/time: **Mar-21-2017 (Tue.) 342**

On 03/21/2017, at approximately 0129 hours, I (Officer Walker #835) was in the parking lot of 300 Richards at the end of shift. I was in full Sacramento Police Department uniform and driving a fully marked SPD black and white patrol vehicle with working over head red/blue emergency lights and sirens. The following are my observations in summary:

Officer [REDACTED] (as SCT20) put out over the radio he was in pursuit of a white Cadillac Escalade at 7th St and K St. He advised that a woman was hanging out the front passenger side window and was screaming to him that she needed help. She was doing this while he was actively in pursuit.

I responded to the area where Officer [REDACTED] was a solo unit in pursuit and in an extremely dangerous situation going the wrong way on J St. See Officer [REDACTED]'s observations for complete details and observations for initiating the pursuit.

Officer [REDACTED] was able to broadcast the plate on the white Cadillac as # [REDACTED]

At 7th St and K St, Officers Nelson and Woo (as 2A32) had taken the number

Follow Up Report # SA 1

2 position in the pursuit. I took the number 3 position in the pursuit. We proceeded east bound on K St from 7th St.

Officers Nelson and Woo called the pursuit from the number 2 position. See other officer's observations for full details of the pursuit.

During this time we were in constant pursuit of the suspect vehicle. We never lost sight of the vehicle. During the entire time of the pursuit I had my over head red and blue emergency lights and siren activated continuously.

At approximately 21st at Capital Ave the suspect vehicle and Officer [REDACTED] spun out. As I turned the corner, the suspect vehicle was facing our patrol cars and the front passenger side door was wide open. I could see a FW or FH adult attempting to exit the vehicle. The white Cadillac never stopped moving and the female was never able to safely exit the vehicle. The vehicle was traveling in such a way that if the woman jumped from the vehicle, the driver could have run her over with the rear wheels of vehicle.

Officers Nelson and Woo took the number 1 position and I moved up to the number 2 position. Officer [REDACTED] then took over broadcasting the pursuit from the number 3 position.

We continued with the pursuit until the pursuit terminated on the freeway on E/B Highway 80 at Madison Ave.

As we approached the off ramp for Madison Ave, the vehicle began to slow down from 80 mph to approximately 40 mph and then down to around 7 mph.

As the vehicle was rolling at 7 mph, both the driver and front passenger put their hands out the window. The vehicle came to a stop just prior to Madison Ave off ramp.

We then initiated a high risk car stop on the vehicle. The driver had a very hard time following simple commands. Only one officer would issue commands to the driver, but he was unable to comply with them.

At this time the female in the front passenger seat yelled out to officers that there was a 6 year old child in the back seat. I could see from my position the female front passenger drop a large set of keys outside the front passenger window onto the ground.

The driver of the vehicle finally followed commands from officers to exit

Follow Up Report # SA 1

the vehicle. He had his hands raised above his head, but would not place his hands on top of his head or face away from officers. He would look from one officer to another and then look side to side. He would then look at the open door to the driver seat of the vehicle he had just exited. He appeared to be looking for a place to run or hide from officers. The driver appeared sweaty, even though the temperatures were between 50-60 degrees.

From my training and experience, the driver appeared to be under the influence of some kind of illegal narcotic.

I took over commands and was finally able to have the driver shuffle backwards toward the sound of my voice with his hands raised in the air. I had ordered the suspect to place his hands on the top of his head and interlace his fingers, but he could not fully comply with my commands. He walked back toward the rear bumper of the Cadillac and stopped. He no longer followed any of my commands to keep walking backwards toward the sound of my voice.

At this time I stopped giving commands and another officer ordered him to lay on the ground. The driver of the vehicle got down on both his knees, but never laid down on the ground. He would still look over his shoulder at officers or side to side, even after multiple commands to look straight ahead and away from us.

While the driver was on his knees, the female passenger exited the vehicle. She was brought back and detained by officers.

At this time, the driver was watching the female passenger the entire time. Once the female was with the officers, he again looked back at officers.

Sgt. Singewald at this time gave the driver an order to the suspect to follow commands. He had a non-lethal bean bag shotgun in his hand and told the driver he would use it if he did not follow commands.

The driver looked back one more time at the female passenger and then stood up. He attempted to run around to the passenger side of the vehicle.

I was afraid when the driver ran away that he could attempt to get back into the car and continue the pursuit. Keys were on the passenger side of the vehicle where he started to run towards and we did not know if they were the keys to the vehicle. I was also scared for the safety of the 6 year old that was still in car too. I didn't want the driver to get back into the car and possibly harm the child that was in the car.

Follow Up Report # SA 1

Once the driver stood up and ran, Sgt Singewald fired one round of the bean bag shotgun and struck the driver in the back. At this time I deployed my Taser from approximately 18 feet away. The Taser cartridge I was issued is effective out to a distance of 21 feet. My Taser deployment was ineffective. One probe struck the driver in the back, but the other probe skipped on the ground and did not contact the driver who was actively running away from officers. The suspect then ran around the car.

I could feel one probe was still stuck inside the driver as he ran around the white Cadillac. Since my Taser was ineffective on the driver and I could feel him pulling the Taser out of my hand, I ejected the cartridge out of my Taser and threw it on the ground. I immediately re-holstered my Taser and did not activate it again.

K9 Officers deployed a K9 to apprehend the driver. See their observations for full details. K9 and other officers approached the driver and detained him.

As a K9 and multiple officers were actively detaining the driver, I safely approached the vehicle and cleared the car with another officer and located a young 6 year old male child in the rear passenger seat. He was later identified as [REDACTED]. I took [REDACTED] out of the rear of the vehicle and brought him back to the rear seat of my patrol vehicle. He was then reunited with the female front passenger who was his mother, [REDACTED]. [REDACTED] and [REDACTED] were placed in the back seat of my patrol car.

Once the driver was detained and secured in the back seat of a patrol vehicle, we cleared off the highway. All officers on scene met up the AM/PM gas station at Date Ave/ Madison Ave. I transported both [REDACTED] and [REDACTED] without incident to that location. While at that location they were both removed from my patrol vehicle and placed in an ambulance for medical attention. See other officers observations for full details.

Due to the fluid nature of the call and the scene on the freeway, I was unable to gather the probes that were deployed from my Taser. I was also unable to gather any of the Anti-Felon Identification (AFID) micro dots while on scene. 1SM3, Sgt. Singewald, was advised of the circumstances.

While at the AM/PM, I completed a Tow Form (SPD188) for an Evidence Impound of the White Cadillac # [REDACTED], per 22655.5 VC, FCN#4301708100730. I stood by until Capitol Tow arrived on scene and took possession of the vehicle.

I took no other actions on this call.

On Tuesday 03/21/2017 at approximately 0215 hours I (Officer Jarrell #569) made contact with [REDACTED]. He stated the following in summary:

Leon is my dad. I live with my mom and sometimes my dad. My dad parties during the weekends and doesn't come home. We live in Polluck Pines.

My dad was driving the truck. I was in the backseat. My mom was in the front seat. My dad was driving crazy. He stabbed my mom while we were driving with a hunter knife. He didn't do anything to me.

My dad was driving crazy running from you. I was scared.

Document: 01 VICTIM STATEMENT

Author: 4239 - JARRELL, DAVID 0569

Subject: [REDACTED]

Related date/time: Mar-21-2017 (Tue.) 505

On Tuesday 03/21/2017 at approximately 0230 hours I (Officer Jarrell #569) made contact with [REDACTED]. She stated the following in summary:

Leon and I have been dating for the last 8 years. We have one child together ([REDACTED] and we had lived together for 6 years. I noticed a change in his behavior about 8 months ago. He stopped coming home at night and when he would come home, he would yell at me. He was accusing me of cheating and was acting paranoid. He said that he was acting this way because he is an alcoholic and said that it was the alcohol causing him to behave this way. I kept telling him that alcohol was not the only reason and asked him to move out, which he did. That was about 6 months ago.

Leon then began dating some girl, and that was fine. He then began having problems with her. I allowed him to move back in. That was about 6 months or so ago as well. He stayed for about 3 days and then he left. I kept telling him that I needed help with stuff around the house since it was difficult keeping up with yard maintenance with all of the snow that we had. He came over every now and then, but just to help with yard work.

On Sunday (03/19/17) at around 9 p.m. he showed up to my house pounding on the door. Both myself and [REDACTED] were asleep and he scared us. He was freaking out and kept saying that someone was after him and kept referring to "these people." I think he was talking about the people he had been hanging out with recently at "Melrose Place" with someone he calls [REDACTED]. He kept saying that they were going to kill him.

He stayed up all night and was very paranoid. He was acting like he was on crystal meth. He kept running around the house all night saying people were after him right now, that we needed to hide, and that they were trying to kill him. He never slept and he eventually admitted that he had taken some meth. He ended up walking out Monday (03/20/17) morning around 9 a.m. and was mad at me.

On Monday (03/20/17) around 6 p.m. I called him to offer him some food and to see how he was doing. He didn't answer. He then kept calling me and texting me after I was already home and asleep. I had taken a sleeping pill so I was in a deep sleep. I woke up and he was texting me about how he needs help because people are trying to kill him. I told him to come over. He text me back and asked me to go pick him up, so I did.

I grabbed [REDACTED] and put him the backseat of my truck (Cadillac Escalade). I drove over the apartment complex he was at. It was just down the street from my house on Poney Express. I picked him up and he got in the passenger front seat. We went to the Shell Gas Station on Poney Express next to the freeway (U.S. 50). As I was outside of the truck pumping gas, Leon jumped into the driver's seat. He said "let's go, they're coming!" I thought that if I got into the truck he would take us back to my house. I got in the passenger seat and he took off and began driving crazy.

I told him several times to take us home, back to my house. He continued to ignore me and drove us up to the area of South Lake Tahoe. He continued to drive erratically and I was scared. I got my phone and called 911. Leon then turned around and began driving down the freeway and into Sacramento. I don't know where we got off the freeway at; I don't know the area around here. While driving, I was continually telling him to stop and to take us home, but he wouldn't. He kept saying that these people were trying to kill him. Every time we would pass a car he would say "look, they have a gun, get down."

He continued to drive around erratically. I got on my phone and called 911 again. Leon got mad and said that I wasn't actually on the phone with 911 but that I was talking to "[REDACTED]" and that I was part of the conspiracy against him. He then grabbed the phone out of my hand and I guess he threw it out of the window. I didn't see him throw it out of the window. I later asked for my phone and he said that he threw it out the window.

I think that this was when he stabbed me in my chest. I did not see him do it or feel it. I know that we were somewhere in the downtown area on city streets, not the freeway, when it happened. He used a hunting knife. I told him to take me to the hospital but he wouldn't. About 10 minutes later, I saw the female officer on the sidewalk. I yelled at her for help. She looked at me but didn't do anything. Leon continued driving around erratically. I then saw the male officer and yelled at him for help. He followed after us and immediately turned on his red and blue lights. Leon continued to drive erratically trying to run from the police.

I kept telling Leon to stop the car but he wouldn't. He continued to drive very erratically and very fast. I was very scared. It was raining very hard. I thought that we were going to get into a vehicle accident. I kept telling him to watch out for on-coming cars. I was telling him to not hurt an innocent person and to think about our son.

While the police were chasing us he said "it's all over for us. I'm taking

you and [REDACTED] with me. We're dead. The cops are going to kill me. I'm dead." I was scared for my life and my son's life. I thought we were going to die. I thought it was over for us. I was holding on to my son's leg telling him to buckle up.

I kept telling Leon to stop the car but he wouldn't. We were going 100 MPH at times, while going through red lights. I kept praying for him to have a moment of clarity. All of a sudden while on the freeway he began to slow down. I reached over to the gear shifter and threw the truck in Park while we were still driving. I then turned off the truck and took the keys out of the ignition. Leon said to me "don't get out, they will kill you."

Leon then jumped out of the car. I heard you guys talking to him but I couldn't hear what was being said. He then ran over to the passenger side of the truck. He then ran away. I don't know where he went to. I couldn't see and I was talking to another officer about my injuries.

I didn't see him stab me, but I saw him with the knife earlier. I didn't feel the stab either. I think because I was so scared. I only noticed it when I saw all of the blood on my shirt.

When Leon was driving and being chased by you, he lost control of the truck momentarily and spun out. I think he hit a curb on the passenger side. I know that he hit something. I am not sure where exactly it was at. I am still shaken up and traumatized; I can't remember all of the details.

My phone was a white iPhone 5S and the number is [REDACTED]. I am not able to track it. I think he threw it out the window so I couldn't call and so they couldn't track us.

I am not sure if I want to press charges and go to court right now. He needs help. He needs help for his drug problems and needs counseling for his past. He was abused as a kid and still has psychological problems from that.

Document: 04 OBSERVATIONS

Author: 4239 - JARRELL, DAVID 0569

Subject: OFC. JARRELL #569 (1A35)

Related date/time: Mar-21-2017 (Tue.) 448

On Tuesday 03/21/2017 at approximately 0125 hours I (Officer Jarrell #569) was working uniformed patrol in a fully marked police vehicle in the area of J Street and 12th Street.

At this time, I observed a white Cadillac Escalade truck driving eastbound on J Street in the #2 lane. I also observed Officer Becker #964 at the intersection of J Street and 14th Street as she was on a call for service. I observed the Escalade briefly stop next to Officer Becker's patrol vehicle and then proceed to drive eastbound on J Street. Officer Becker informed me that the female passenger in the truck was yelling for help.

I canvassed the area for the truck but was unable to locate it. At approximately 0129 hours Officer [REDACTED] broadcasted that he was in pursuit of a white Cadillac Escalade with a female in the passenger seat who was yelling for help. He advised that they were in the area of 7th Street and K Street. I responded code 3 from 16th Street and J Street in an attempt to take position as #2 in the pursuit. The pursuit went through various parts of Downtown Sacramento and Midtown Sacramento. I took #4 in the pursuit at 8th Street and Capitol Mall. We proceeded north on 8th Street to I Street where the suspect then drove eastbound on I Street against on-coming traffic (one-way roadway). I got out of the pursuit and attempted to follow the pursuit by driving on paralleling roadways.

I responded to eastbound Interstate 80 and Madison Avenue where the pursuit terminated. I performed a traffic-break and stopped all eastbound lanes on Interstate 80 as officers were conducting a felony vehicle stop and taking the suspect into custody.

I responded to Mercy San Juan Hospital and made contact with the female ([REDACTED]) and her son ([REDACTED]) and obtained their statements (see victim statements). Hospital staff advised that [REDACTED] had a laceration that only required staples and that she would be discharged within the hour.

I provided [REDACTED] with the report number, and SPD Info Card, a Marsy's pamphlet, and a Domestic Violence pamphlet.

[REDACTED] advised that she was not sure if she wanted to press charges and go to court at this time.

At approximately 0600 hours I responded to U.C. Davis Medical Center to watch the suspect while he was undergoing medical treatment. I relieved Officer Becker. While at the hospital, he laid in the the bed facing a curtain. He had his back towards me. I was sitting about 15 feet away from him. He knew that I was there as he had looked at me and nodded his head. He continued to show signs of intoxication as he would have moments of agitation and moments of a calm manner. During his agitated moments, he made several spontaneous statements (see statement). I did not ask any questions or provoke him to talk in any regards to the crimes he committed. Officer Jennings #269 relieved me at approximately 0900 hours.

Observations: Sergeant G. Singewald #3130

On 3/21/17 at approximately 0129 hours, I, Sergeant G. Singewald #3130 (1SM3) was working uniformed patrol, operating a fully marked black and white patrol vehicle, and in full police uniform. I heard officer [REDACTED] (SCT20) broadcast that he had attempted to stop a white Cadillac Escalade vehicle that had just drove past his position near 11th and J Streets where the front female passenger had stuck her head out the window screaming for help. The suspect vehicle ([REDACTED]) failed to stop to officer Thebeu's lights and sirens (also operating a fully marked police vehicle) and immediately fled from the officer (pursuit).

I monitored the pursuit that took the officers through the downtown area located within the City and County of Sacramento. The fleeing suspect made several evasive driving tactics, including driving the wrong direction at high speeds down several City streets, eventually driving eastbound Hwy 160 (see involved officer's observations).

The pursuit eventually came to a stop, E/B Interstate 80 at the Madison Avenue off ramp. As I arrived on scene at approximately 0149 hours, I

observed numerous marked SPD patrol vehicles fanned out in a felony vehicle stop position. The suspect driver (McGowan) had already exited the vehicle and was kneeling on his knees towards the rear drivers side portion of his vehicle. Officers were giving him orders, attempting to have him proned out on the pavement. I retrieved the less lethal shotgun and bean bag rounds from my vehicle, broadcasted via radio and verbally to the officers on scene that a less lethal shotgun had been deployed.

As I took a position at one of the marked vehicles, directly behind the suspect, I observed the suspect start to get up, then kneel down and look around as if he was going to flee and not follow the officer's directions. The front passenger of the vehicle (victim \*) exited and began to walk back towards the officers. The (S) began to crawl on his knees, at one point getting up to one knee, then slightly standing moving towards the victim as she was walking back towards the officers.

At this point, I fired one less lethal bean bag round, striking the suspect in the lower back as officer D. Walker simultaneously discharged his CED at the suspect. The suspect immediately stood up, fled on foot running past the passenger side of the vehicle. K-9 Officer S. Thomson deployed his K-9 partner who caught the suspect past the front end of the (S) vehicle, down the embankment. As I approached the suspect, I observed Officer Woo on the back of the suspect, Officer Nelson and K-9 Officer Harshbarger attempting to handcuff the suspect behind his back. The suspect was actively resisting the officers as they were only able to get his right arm behind his back. The suspect continued to resist, not giving up his left arm, grabbing on to Officer Woo's arm with his left hand, trying to pull Officer Woo off of him. Sergeant Ellis discharged his CED into the back area of the suspect, causing him to stop resisting. I grabbed the suspect's left arm, placing it behind his back where we were able to handcuff him. The suspect was subsequently taken into custody without further incident.

Medical personnel were requested for the suspect as well as the victim who suffered a stab wound to her breast area that was inflicted by the suspect. Lt. Bales, who also arrived on scene was apprised of the situation and force applied on the suspect to take him into custody. My ICC was activated during the entire incident and available for review.

The (S) was transported to UCD Medical Center for treatment while the victim and her 6 year old son were transported to Mercy San Juan Medical Center for treatment.

Author: **263 - ELLIS, JOSEPH 3132**

Subject: **SGT. ELLIS---OBS**

Related date/time: **Mar-21-2017 (Tue.) 327**

On 3/21/17, at approx 0130 hrs, I was working uniformed patrol, in a marked patrol car. I heard a broadcast of a vehicle pursuit downtown. I monitored the pursuit, and was trying to get into the area to assist.

The pursuit ended up on e/b I-80, and the suspect vehicle pulled over just west of the Madison Ave offramp. At this time, I was at I-80 and Watt Ave, and the officers on scene broadcast that the suspect was not cooperating. I had not heard another supervisor mark on scene, so I began to respond code 3 to assist with the less than lethal tools that I had in my car.

As I arrived, Sgt. Singewald was already on scene, and was deploying his beanbag shotgun. I went to assist in the stop.

I observed the subject acting extremely erratically. The beanbag shotgun was deployed, along with a taser and a K-9. I saw the suspect roll off the side of the shoulder, into a ditch. There were multiple officers on the ground with him, attempting to take him into custody.

I ran over to help. I could see that the officers had gotten one handcuff on the suspect, but he continued to violently resist them. He was a very

Follow Up Report # SA 4

large man. I heard Sgt. Singewald ask if someone had a taser, and I answered that I did. At that time, I drew it from my holster.

The officers were on the suspect, and I did not have a clear and safe target to deploy. The officers began to move out of the way. The suspect continued to violently resist the officers.

I then saw a small opening on his bare buttocks that I thought I could safely deploy the taser without hitting the officers. I fired the taser, and they both hit the suspect, with approx 6 inches between the two prongs. I let the taser cycle for the full 5 seconds, and it did not seem to really effect the suspect.

I told the subject to stop, or I would tase him again. He did not, and I pulled the trigger, again letting the taser cycle for the full 5 seconds. I may have pulled the trigger a third time, but I am not sure. I then saw the suspect stop resisting, and he was taken into custody.

I deployed my taser based on my following observations:

The nature of the call. A female yelling out that she needed help.

The pursuit, which was extremely reckless.

The erratic actions of the suspect that I had observed at the termination point of the stop.

The fact that, even though a beanbag round, a taser, and a K-9 had been deployed, the suspect continued to violently resist officers.

He was still refusing to comply with the officers, who could not handcuff him.

He was finally helped to his feet, and walked back to a patrol car. Prior to putting him in the backseat of the patrol car, I removed the darts from his buttocks so he would not sit on them in the backseat and further drive them into his body. There was a third dart in the same area, which I also removed.

Code 3 fire had been requested for both the suspect and victim in this case. The suspect was awake and responsive. He was taken to the Arco Station at Madison/Date, where we waited for fire to respond. He was then transported to UCD.

Document: **03 SUSPECT STATEMENT**

Author: **4067 - WOO, RYAN 0325**

Subject: **MCGOWAN, LEON COLLIN**

Related date/time: **Mar-21-2017 (Tue.)**

---

On 3-21-17 at approximately 0409 hours, I, Ofc. Woo #325 contacted Leon Mcgowan in the emergency department of UC Davis Hospital (2315 Stockton Blvd) and obtained his mirandized statement. Prior to obtaining his statement, I read Mcgowan his Miranda Rights verbatim per my department issued Miranda Card (SPD 133). As I read each of his rights, Mcgowan stated, "yes" or "yeah" indicating he understood. Mcgowan provided a very disjointed statement and would not elaborate on numerous topics that he brought up. He stated the following in summary.

You know what happened, it was my time. I didn't pull over because I didn't want to die. The police were backing off and I swerved toward the car but I thought it was a civilian. I saw the lights and sirens but I thought I was going to die. I knew it was raining. It was fight or flight.

I drove to Sacramento from Pollock Pines. I asked her (victim) to come pick me up because they are after me. It was her car. I was driving because she can't see at night. I drove from Pollock Pines to Sacramento.

I didn't mean to stab her (victim). She kind of lunged at me. I was inside the car and was holding the knife in my hand with the blade facing down.

She lunged for her purse and I tensed up. I did not intentionally stab her. She is the mother of my son but we are not together.

Yeah, that was my kid in the back. He knew what was going to happen. Yeah, I fucked up bringing him into it.

She (victim) was yelling, "Slow down! Do you want us to die?" and "Let me out. You are going to crash." She said that over and over.

I was going to let her out but I knew I was going to die, so I said, "You're coming with me."

I feel horrible. I moved to a small town and started doing drugs and it led to my demise. I feel bad.

Drugs did not have anything to do with what happened. I was aware of what was going on from beginning to end.

#### Narrative Text Report # 2

Document: **04 OBSERVATIONS**

Author: **4067 - WOO, RYAN 0325**

Subject: **WOO #325**

Related date/time: **Mar-21-2017 (Tue.)**

On 3-21-17 at approximately 0130 hours, I, Ofc. Woo #325 along with Ofc. Nelson #378 (2A32) was on routine patrol in the downtown patrol district of the Sacramento Police Department. We were in full police uniform in a marked police vehicle. Ofc. [REDACTED] (SCT20) broadcasted that he was in pursuit of a vehicle from which an unknown female yelled for help. We activated our overhead lights and siren and responded Code-3 to assist with the pursuit.

At approximately 0131 hours, we caught up to the pursuit and took up the #2 position. We fluctuated between the #2 and #1 positions throughout the pursuit until the termination point in the area of I-80E/Madison Ave. (see Ofc. [REDACTED] observations for pursuit documentation)

The vehicle yielded on the east curb line of I-80E. I observed that the driver (later identified as Leon Mcgowan) rolled down the front left window of the vehicle and displayed one hand out of the window. While on scene, I assisted with a felony stop of the vehicle and the occupants were removed at gun point.

Mcgowan was given commands to show both of his hands out of the window and step out of the car. I observed that Mcgowan moved his hands back inside his vehicle, out of view of officers, at least twice. Mcgowan refused to follow orders several times over the course of the felony stop.

Mcgowan was then given commands exit the vehicle. Mcgowan exited his vehicle and was subsequently ordered to walk backwards towards officers so that he could be handcuffed. Mcgowan stopped walking approximately halfway between his vehicle and the police vehicles on scene. Mcgowan could not follow directions and took steps back in the direction of his vehicle (away from police).

Due to his refusal to walk back to police, Mcgowan was then ordered to prone himself on the ground on his stomach. I observed Mcgowan lowered himself to his knees, but never completely proned himself out. Several times, Mcgowan stood up from his knees and stepped toward his vehicle.

Eventually, Mcgowan stood up completely and walked toward his vehicle at which point other officers on scene deployed less lethal force tools, including a CED and less lethal shotgun (see observations).

SERGEANT USE ONLY

1315-28 273.5(A) BEAT SPOUSE/CO-HABITA

Follow Up Report # SA 5

Despite the deployment of the less lethal force, Mcgowan continued to run behind his vehicle on the east shoulder of the roadway. Ofc. Thomson's #364 (K96) K9 partner engaged Mcgowan, who continued to actively resist by thrashing his body and further attempting to flee.

Mcgowan fell down on the embankment just off the east shoulder of the roadway. The embankment had a slight decline from the otherwise level roadway. The weather that evening was rainy, and the ground of the embankment had turned to mud. It was slippery and difficult to gain traction.

I followed Mcgowan down the embankment to assist other officers with bringing him into custody. Mcgowan had fallen on the ground face-down and no less than four officers were attempting to control his body so that Mcgowan could be handcuffed.

I attempted to gain control of Mcgowan's left arm but his arm was wet and slippery. Mcgowan resisted my attempts to control his arm by balling his hand into a fist, tensing his muscles, and moving his left arm to a position underneath his body. I gave Mcgowan verbal commands to move his arm behind his back, however he continued to resist.

While I was attempting to control his left arm, Mcgowan continued to resist the other officers by thrashing his body and legs. I heard an officer yell, "Ow" in response to Mcgowan's physical resistance. A CED was again deployed on Mcgowan but it did not subdue his physical resistance.

Based on my observations, including that the previous force options were unable to subdue Mcgowan and the high level of physical strength he displayed in resisting four officers, I believed that Mcgowan's continued physical resistance posed a threat to both Mcgowan and officers on scene. We were approximately 10 feet away from the roadway upon which vehicles were travelling at a high rate of speed and I was afraid that a vehicle could potentially collide with all persons on scene.

I positioned myself behind Mcgowan and attempted to control him with my body weight. Mcgowan was facing away from me. I positioned my right arm under Mcgowan's chin and applied a departmentally-approved carotid control hold. While applying the carotid control hold, Mcgowan grabbed my left hand and attempted to pull it away from him. I was able to pull my left hand away from Mcgowan and continued to apply the carotid control hold until I observed Mcgowan's head and left hand drop. His body became relaxed and I observed that he lost consciousness. I immediately released Mcgowan from

Follow Up Report # SA 5

the carotid control hold and officers were subsequently able to handcuff him.

Mcgowan was provided after force care and he regained consciousness. He was seated in the back seat of a patrol vehicle where he was monitored by officers until medical aid could respond to the scene.

Medic 101 responded to the scene to provide treatment to McGowan. He was then transported to UC Davis Hospital where he received treatment. I responded to the hospital to maintain custody of the suspect.

Due to statements made by the victim about McGowan's possible narcotic use, I attempted to obtain a sample of his blood. McGowan consented to a blood draw while at the hospital. A blood draw was performed by nurse [REDACTED] from McGowan's right hand/IV at 0339 hours. I took custody of the blood samples from nurse [REDACTED] and later placed them in the evidence drop box at the Sacramento County Main Jail.

While in the hospital, I obtained a mirandized statement from the suspect.

I maintained custody of McGowan until I was relieved by Ofc. Becker #964 (1A36).

Sgt. Singewald (1SM3) was advised.

### Narrative Text Report # 1

Document: **04 OBSERVATIONS**  
Author: **991 - THOMSON, STEVEN 0364**  
Subject: **OBSERVATIONS(THOMSON K9-6)**  
Related date/time: **Mar-21-2017 (Tue.) 129**

Approx 0129 hrs, 03-21-17, I(Ofc.Thomson#364) and my Police Service Dog(K9 Dutch) responded C3 to assist Ofc [REDACTED] who was in pursuit of a 2002 White Cadillac Escalade(Ca Lic#[REDACTED]) near the area of 7th St/K St. At the time, I was in full police uniform and in a marked squad car with K9 emblems clearly displayed.

Ofc [REDACTED] had advised via radio that while he was working a supplemental employment job at that intersection, the white Escalade had passed by in front of him and the front female passenger had leaned out the window and screamed for help. Ofc [REDACTED] then attempted to pull the Cadillac over to conduct an investigation, but the vehicle failed to stop after his emergency equipment was activated. Based upon this radio traffic, it was logical to assume that officers were possibly dealing with a kidnapping/assault, and it was necessary to render assistance to the female who was asking for PD's help as she drove by.

While enroute, officers pursued the Cadillac through the streets of downtown Sacramento in the rain(see [REDACTED]'s observations). I eventually caught up to the pursuit and became part of it near Capitol Ave/16th St, at which time the suspect began heading n/b 16th St and eventually hopped onto outbound Hwy 160. I was able to attain the #3 position in the pursuit as

Follow Up Report # SA 8

we continued e/b on the Bus 80 freeway. Visibility was at a minimum due to the rain as speeds climbed to approx 80mph with light traffic conditions. As the Cadillac approached Madison Ave, it slowly started to reduce its speed and eventually pulled over to the right shoulder of the road just prior to the freeway exit. I moved over to the far left position in the felony stop configuration while other marked units filled in to my right.

Officers began giving the driver orders to exit the vehicle, at which time the driver put both hands through the partially open window into clear view. However, he was slow to react and would not come out. He kept on yelling something that was indecipherable from our positions. Commands continued to be repeated and he finally opened the drivers side door and got out. We attempted to get him to walk backwards towards the sound of our voices, but he refused to do so. He kept on looking over his left and right shoulders and during one of those glances, he clearly stared at me and my canine partner(we both had moved up to the front drivers side corner of my squad car). K9 Dutch was barking during this time and it was clearly obvious that he was on scene. On numerous occasions, I asked the suspect to follow our directions or the dog would be deployed and he would be bit. At one point, I heard the driver say, "ok, ok, don't send the dog."

The suspect continued to be defiant with our commands, and began looking around as if he was ready to either flee, confront us, or possibly get back in the Cadillac(he had moved backwards to the rear driver side quarter panel). At that moment, I observed him being struck by both a bean bag round and CED. Those actions caused him to slightly collapse, but then he quickly regained his balance and began running toward the passenger side of the SUV(around the tailgate). I then made the decision to deploy my canine with the following department criteria in mind:

- 1)The suspect was wanted for a fresh felony(2800.2 VC) and it was still unknown at that time whether we had the elements of kidnapping, assault, or possibly domestic violence.
- 2)The suspect had displayed an extreme level of resistance. This was not only evident by his actions described above, but also by continuing to flee on foot even after overwhelming less lethal force had been utilized.
- 3)At that point, the suspect had not been searched yet and it was unknown whether he possessed weapons that could be used against officers or the victim who was still inside the vehicle.
- 4)After less than lethal force had been used, the suspect began running toward the passenger side of the Cadillac. At that time, I knew the female victim was still on that side. I wanted to stop his progress as quickly as possible so further harm could not be administered by the suspect. The use of the canine was the most expeditious way to accomplish this task.

# SACRAMENTO POLICE DEPARTMENT

## PUBLIC HARDCOPY

### RELEASED PER PUBLIC RECORDS ACT REQUEST

GO# SA 2017-79743 CLEARED BY ARREST-  
SERGEANT USE ONLY

1315-28 273.5(A) BEAT SPOUSE/CO-HABITA

Follow Up Report # SA 8

5)Based upon his inability to follow instructions, along with his furtive movements and miscellaneous ramblings, it appeared as if he was under the influence of either alcohol or a narcotic. Either way, he was not thinking rationally and was it was unknown whether he was capable of inflicting harm at any moment upon officers or the occupant(s) inside the Escalade.

After I was comfortable knowing that my canine partner had acquired target lock, I directed him to apprehend the suspect as he ran around the tailgate of the Cadillac. K9 Dutch gave chase and pursued the suspect over to the passenger side of the vehicle and out of my view. I did not follow the same path of travel due to the positions of the officers on the stop, so I chose to run around the front of the suspect vehicle. As I angled from my squad car to the front of the Cadillac, I asked Ofc Harshbarger(484) who was covering me to clear the vehicle for any threats.

I then ran up to where K9 Dutch had apprehended the suspect and both were down in a water filled drainage ditch that paralleled the freeway shoulder. The suspect was yelling as K9 Dutch had ahold of his left buttock/thigh area. Other officers had converged on our location as I began to order the suspect to show me his hands. Present were Ofc's Harshbarger(484), Nelson(378), and Woo(325).

Again, the suspect was non-compliant and refused to follow directions. He was not allowing the officers to manipulate his arms/hands and was resisting any attempt to be handcuffed. At that point, my footing had become unstable due to the water and mud, so I used positive control to release K9 Dutch's hold while the other officers attempted to gain control of the suspect. At one point during the struggle, and due to the suspects continued resistance, Ofc Woo had moved into position for an attempted carotid control hold(see Ofc Woo's observations). Shortly after, officers were able to successfully handcuff the suspect and custody was established at approx 0152 hrs.

Subsequent to custody, Sac Fire Dept was immediately requested and met us over at the Arco gas station on Madison Ave at Date Ave. Sac Metro Fire Engine 103 and Medic 4 responded and provided medical attention for the following injuries to the suspect: punctures/rakes to left buttock; punctures/rakes to left upper thigh; rakes to upper left torso above hip. He was eventually transported to UCD Med Center. While the suspect was being attended to, I briefed Sgt. Singewald(3130) of the incident.

The suspect was identified as "Leon Collin McGowan" DOB 10/15/80. A local records check revealed that he was not on probation/parole, and no current outstanding warrants existed. He possessed identification but not a valid

# CITY OF SACRAMENTO INCIDENT/LOSS REPORT

CLAIM NO.

Risk Mgt. Use Only	Org. Number	Dept./Division
-----------------------	-------------	----------------

INSTRUCTIONS FOR FORM COMPLETION --

**SECTION I (Front)** Whenever a third party (public) sustains physical injury while on City property, property damage and/or it appears that the City may be liable, not caused by City-owned vehicle.

**SECTION II (Back)** Whenever damage or loss involves City property (i.e., Fire, theft of inventoried equipment, money or securities vandalism -- facilities, property, and equipment).

## SECTION 1

- IMPORTANT!**
1. Call Police 264-5471 advising City involvement.
  2. Keep calm and assist third party.
  3. Do not admit fault.
  4. Get name of injured Party and/or owner of damaged property.
  5. Carefully examine accident.
  6. Do not talk to anyone about accident, except: Your Supervisor, the Police, or City Adjuster.
  7. If applicable, complete this section of Incident/Loss Report and distribute as required (below) within 24 hours.

**NOTE!** In case there appears to be serious injuries, or extensive property damage, telephone the City's Safety Officer at 264-5278. (After normal work hours, call Police 264-5471.)

# CITY OF SACRAMENTO INCIDENT/LOSS REPORT

CLAIM NO.

--

Risk Mgt. Use Only	Org. Number	Dept./Division
-----------------------	-------------	----------------

INSTRUCTIONS FOR FORM COMPLETION --

**SECTION I (Front)** Whenever a third party (public) sustains physical injury while on City property, property damage and/or it appears that the City may be liable, not caused by City-owned vehicle.

**SECTION II (Back)** Whenever damage or loss involves City property (i.e., Fire, theft of inventoried equipment, money or securities vandalism -- facilities, property, and equipment).

## SECTION 1

- IMPORTANT!**
1. Call Police 264-5471 advising City involvement.
  2. Keep calm and assist third party.
  3. Do not admit fault.
  4. Get name of injured Party and/or owner of damaged property.
  5. Carefully examine accident.
  6. Do not talk to anyone about accident, except: Your Supervisor, the Police, or City Adjuster.
  7. If applicable, complete this section of Incident/Loss Report and distribute as required (below) within 24 hours.

**NOTE!** In case there appears to be serious injuries, or extensive property damage, telephone the City's Safety Officer at 264-5278. (After normal work hours, call Police 264-5471.)

	Name & Address		
The Injury	The Nature & Location of Injury: <b>-Single and Double CED Probe to the back (2x) -Single Bean Bag round to back -Carotid Control</b>		Was injured person taken to hospital? <b>Yes</b>
			Name of Hospital <b>UCD</b> Name of Doctor <b>Unknown</b>
Property Damage	Owner & Address		Business Phone
	List of Property Damaged:		Residence Phone
Witness(s)	Name, Address & Phone number <b>Ofc. Harshbarger #484, Officer Nelson #378, [REDACTED], Ofc. Jarrell 569, Lt. Bales #4009</b>		
	Name, Address & Phone number		
	Name, Address & Phone number		
Description of Occurrence	<b>(S) McGowen kidnapped his ex-girlfriend and 6 year old son. Police attempted to stop (S) and a vehicle pursuit began. The pursuit terminated at Interstate 80 and Madison Ave. (S) would not follow commands and attempted to flee on foot from officers. Less lethal force was deployed to prevent the (S) from reentering the vehicle. Ofc. Walker deployed his CED, 1 probe striking the (S) in the back, the other striking the ground. Sgt. Singewald deployed a bean bag round, striking the (S) in the back. The (S) fled, K-9 Ofc. Thomson deployed his partner "Dutch" to apprehend the (S). K-9 Dutch apprehended (S) on the embankment where the (S) continued to actively resist. Ofc Woo placed the (S) in a carotid control hold and Sgt. Ellis deployed his CED, striking the (S) in the back with two probes, finally detaining the (S).</b>

**Report Number: 2017-79743**

Please note that the records provided in this release do not include records or portions of records that are exempt from disclosure pursuant to applicable law. Without limiting other arguments against disclosure that may exist, the following records or portions of records are specifically prohibited or exempted from disclosure:

Records or information, the disclosure of which would compromise the anonymity of whistleblowers, complainants, victims or witnesses (Cal. Pen. Code § 832.7(b)(6)(B));

Records or information, the disclosure of which would constitute an unwarranted invasion of personal privacy (Cal. Gov. Code § 7927.700; see also City of San Jose v. Superior Court (1999) 74 Cal.App.4<sup>th</sup> 1008);

Records or information, the disclosure of which would pose a significant danger to the physical safety of the peace officer, custodial officer, or another person (Cal. Pen. Code § 832.7(b)(6)(D));

Records or information, the disclosure of which would reveal personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure of the information (Cal. Pen. Code § 832.7(b)(7));

Records or information wherein the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure (Cal. Gov. Code § 7922.000);

Records or information that constitute confidential medical, financial, or other information, the disclosure of which is specifically prohibited by federal law or would cause an unwarranted invasion of personal privacy (Cal. Pen. Code § 832.7(b)(6)(C));

Records or information from separate or prior investigations not independently subject to disclosure (Cal. Pen. Code § 832.7(b)(4)); and

Records or information, the disclosure of which is exempted or prohibited pursuant to federal or state law (Cal. Gov. Code § 7927.705; see also Cal. Const. art. 1 Sec. 1; and Cal. Pen. Code § 15150 et seq.).
