Document: **04 OBSERVATIONS**

Author: **4005 - YASONIA, ZACKARY 0577**

Subject: **OFC. YASONIA #577**

Related date/time: **Jan-20-2018 (Sat.) 553**

On Friday 1/19/18 at approximately 1916hrs, I Ofc. Yasonia heard a broadcast over my police radio that Elk Grove Police officers where being shot at near Chamberlin Cir and Trafton Ct, in the City of Elk Grove. I responded code 3 to the area. I arrived on scene at approximately 1935hrs in full duty uniform and driving a marked K9 patrol vehicle. I arrived at the intersection of Chamberlin Cir and Kinard way. I observed the following in summary:

Prior to my arrival I heard numerous officers broadcast they needed ammunition because they just exchanged gunfire with a barricaded suspect who was inside a house with a gun. I broadcast on the Elk Grove channel that I ha spare rifle-rated body armor and extra ammunition inside my vehicle. I was directed by Elk Grove PD to responded to the incident staging area.

At the staging area I contacted SSD Sgt. Carver who was on scene, who was one of the SWAT(SED) team leaders on scene. He advised to standby at this location and he would advised Elk Grove PD that I was on scene and what equipment I had with me.

While on scene I spoke with Ofc. Vlamis who showed me a photograph of the subject who was inside the house (identified as (s) Kamilchu, Edward 8/27/87).

I was then directed toward the incident command post. Once, there, I met with SPD Lt. Harrington (LN8). He was acting as the ranking Sacramento Police Department agency liaison for this incident. Lt. Harrington advised I was going to be used by Elk Grove PD as a K9 resource.

I was briefed by Elk Grove PD Sgt. Kearsing and he advised he wanted me to replace his two K9 units, Ofc. Emerson and Miller who were trapped in front of [REDACTED] Trafton Ct and separated from their K9 partners. My K9 "Reno" and I would assist with any arrest team and perimeter. Due to the high threat level of a suspect armed with a rifle, I quickly changed into my SWAT vest to provided addition ballistic protection. I approached the arrest team through the backyard of [REDACTED] Millner Way as it provided good cover for my team.

7000-50 OUTSIDE AGENCY ASSIST- I RPT

I met Ofc. Emerson who offered a quick brief that officers were here ([REDACTED] Trafton Ct) for a domestic violence restraining order violation investigation. Furthermore, Ofc. Emerson advised suspect Kamilchu attempted to flee out the back armed with a rifle. The subject came back inside the house and threw a Molotov cocktail (incendiary device) at officers. Officers retreated away from the house at which point Kamilchu fled upstairs and began shooting at officers from an elevated position. Officers on scene had returned fire with the suspect. The suspect was still barricaded inside the house and all other occupants had escaped and Kamilchu was the only remaining person inside. A tactical perimeter was setup around the house.

I maintained a position of cover behind a patrol vehicle while additional resources arrived to assist. I observed that the house was slowly filling with smoke and was actively on fire. I presumed this was from the failed "Molotov cocktail" attack. The fire appeared to be growing. Reports of the suspect breaking out windows was broadcast from the perimeter and could be heard at the scene.

SPD AIR1 advised a subject had jumped or fallen out of the second story window and was laying on the ground on the one/two corner of the house. This was on the side curtilage between two houses. The fire from the home as also growing and beginning to engulf the house.

Members of SPD Swat, SSD Swat and Elk Grove PD's Swat teams arrived on scene. The decision was made to go into the backyard to attempt to safely arrest Kamilchu and therefore possible end the siege and rescue him and the neighborhood from the burning house. I would accompany the arrest team as a K9 resource as they approached.

Based on the information known to me at the time, I made the decision to deploy my K9 partner "Reno" to locate and/or apprehend Kamilchu based on the following facts known to me at the time:

1) Kamilchu was wanted for multiple felonies, including 245PC (felony-multiple counts), 29800PC (Felon in possession of a firearm) and 18715 PC (Possession of a destructive device) for shooting at officers and throwing a Molotov cocktail at them.

2) Kamilchu was unsearched for weapons and was known to be in possession of at least one firearm in which he shot at officers during this incident. Kamilchu also used a homemade incendiary device (Molotov cocktail) to attack officers.

SACRAMENTO POLICE DEPARTMENT

PUBLIC HARDCOPY

GO# SA 2018-18951 INFORMATION REPORT

7000-50 OUTSIDE AGENCY ASSIST- I RPT

3) Kamilchu was actively resisting arrest by not surrendering to uniformed officers (148PC-misdemeanor). He showed high resolve and violent intent by shooting at officers and trying to burn them.

4) Kamilchu was in violation of a DV R/O (273.6PC-Misdemeanor).

5) It was going to be more safe for officers and the public if K9 Reno were used to search for and apprehend Kamilchu based on his actions. He showed he was willing to go to great lengths to avoid being taken into custody. It would also provide officers the ability to engage the suspect from a safe distance and assist in avoiding a lethal force scenario.

6)The use of K9 would assist in the preventing the escape of the suspect. Allowing Kamilchu who has already attacked police officer's to escape into a neighborhood filled with citizen's would put the citizen's of Elk Grove at extreme risk.

Prior to entering the backyard I was briefed by Ofc. Moore (team leader) who advised I was going to work with them and go into the backyard of the house to take Kamilchu into custody. Elk Grove PD Sgt. Press, Ofc. Beechdorf, Ofc. Miller, Ofc. Daguman, Ofc. Moore and I all made entry into the backyard through the opposite side of the house while our air units maintained a visual on the suspect. As we made our way into the backyard of the house it was fully engulfed in flames. Officers could hear what sounded like gun shots from either inside the house or in the backyard while in the backyard. Officers observed Kamilchu laying on the ground on the two side of the house. Officers held him at gun point and gave him multiple commands to show us his hands. Kamilchu was lying face down making it difficult to see his hands. He rolled to his right side, showed officers his left hand briefly, then dropped his hand out of our view. We feared he may still be armed.

Based on the previously mention criteria and Kamilchu dropping his hands out of view I gave K9 Reno the command to apprehend Kamilchu. K9 Reno ran towards Kamilchu and made contact with his upper legs. Once K9 Reno got a hold of Kamilchu's legs, Kamilchu rolled to his stomach placing both of his arms underneath him and began to kick his legs. This struggle with K9 Reno allowed officers to approach from a position of advantage. Observing Kamilchu was not pointing a gun or weapon at officers we approached him and were able to get control of Kamilchu. After a brief struggle officers were able to safely handcuff him. I gave K9 Reno the command to release his hold and he did while considering the proximity of the SWAT officers and suspect I gained positive control of him, where he remained by my side.

Our team escorted Kamilchu away from the burning home and to Consumes Fire and medics were already on scene. Medics transported (s) Kamilchu to UC Davis where he was treated for his injuries. Kamilchu had rakes/punctures to his legs. It was unknown if all injuries were caused from the K9 apprehension or Kamilchu jumping out of the window. Elk Grove PD CSI was taking photographs Kamilchu's injuries. Elk Grove PD initiated their own officer-involved shooting protocols that involved a neighborhood canvas, witness interviews and officers observations. There case number is 18-408.

I responded to the command post and after a short debrief I was released from the scene.

Sgt Bullard and Lt. Harrington were advised of the call.
