Subject: **DET. CURTIS OBS**

Related date/time: **Feb-07-2019 (Thu.) 1044**

On 12/17/18, at approximately 1207 hours, I (Detective Curtis #540) was notified of a Homicide Team call out by Det. Sgt. MacLafferty and was advised to respond to San Juan Rd and Truxel Rd in Natomas. I responded from police headquarters and arrived on scene at approximately 1310 hours.

At approximately 1403 hours, Sgt. Buchanan #3134 briefed us about the incident and the circumstances known to him at the time. I did not participate in the walk through. After the briefing I returned to police headquarters for witness interviews.

I was assigned to interview Witness [REDACTED]. When I initially spoke with her, she lied and stated she was inside FoodMax when the shooting happened. I then sought out Officer Mello, who obtained [REDACTED] statement in the field, and determined that [REDACTED] was not truthful with me and had witnessed the shooting incident. I then explained to [REDACTED] that I knew she wasn't being honest and confronted her with Officer Mello. [REDACTED] changed her statement and advised she didn't want to cooperate with the police because she was being inconvenienced.

Please see her statement for further.

Nothing further.

EXAMINATION, RESULTS and CONCLUSIONS

Item 001-1 is a Colt brand, M4LE model, 5.56mm automatic rifle with serial number [REDACTED]. I test fired three rounds in semiautomatic mode and four rounds in automatic mode of fire using one of the submitted magazines (Item 003-2) and seven of the submitted cartridges (Item 006-5). The rifle test fired normally with no malfunctions. Three of the bullets and seven cartridge cases were retained.

Item 002-8 is a Colt brand, M4 Carbine model, 5.56mm semiautomatic rifle with serial number [REDACTED]. I test fired the rifle three times using one of the submitted magazines (Item 009-9) and three of the submitted cartridges (Item 010-10). The rifle test fired normally with no malfunctions. Three of the bullets and cartridge cases were retained.

The other submitted magazines and ammunition were inventoried and examined but were not used in the function testing of the submitted rifles.

DISPOSITION OF EVIDENCE

The rifles, magazines, and ammunition that was not consumed during the test firing of the rifles will be relinquished to the laboratory property controller and returned to the submitting agency.

WITNESSES:

SPD Homicide Det. Robinson (#414) witnessed.

IDENTIFICATION:

The body is received in a body bag that is locked with a red plastic lock bearing the inscription "310738". A Sacramento County Coroner's identification tag attached to the body bag zipper has the decedent's listed name and case number.

EVIDENCE OF MEDICAL INTERVENTION:

The following are present, and are in proper position: EKG pads at the chest and the anterior lower legs. There is a brown adhesive bandage attached at the right thumb. There has not been organ procurement.

CLOTHING:

1. Paper bag on each hand.
2. Brown coat.
3. Two green shirts.
4. Blue jeans.
5. Brown belt with an attached black gun holster.
6. Black boxer brief.
7. Black pocket wallet containing cash, coins and driver licenses and plastic cards.
8. Small block magnets, a car key and a flash drive.
9. Two folding pocket knives.
10. Pair of black socks.
11. Pair of black shoes.

There are defects in the clothing corresponding to the identified gunshot wounds. There is no visible gunpowder or soot on the clothing.

EVIDENCE OF EXTERNAL TRAUMATIC INJURY AND ASSOCIATED INTERNAL TRAUMATIC INJURY:

Gunshot wounds are numbered for purposes of the autopsy and do not represent a chronological order in which wounds are received. All wound measurements are taken with the body in anatomic position unless otherwise stated.

Gunshot wound #I of the right knee (#B), a tangential wound:

The tangential wound is located at the right knee, 20-1/2 inches above the bottom of the right heel. The wound measures 1-1/4 x 1/2 inch. The orientation is from 3 to 9 o'clock. There is no soot or stippling on the skin.

Direction: Either left to right, or right to left and horizontal.

Associated injuries:

1. Skin laceration of the right knee.

Gunshot wound #II of the right knee (#C), a graze wound:

The tangential wound is located at the right knee, 19 inches above the bottom of the right heel. The wound measures 3/4 x 5/16 inch. The orientation is from 2 to 8 o'clock. There is no soot or stippling on the skin.

Direction: Either left to right and downward, or right to left and upward.

Associated injuries:

1. Skin abrasion of the right knee.

Gunshot wound #III of the right elbow:

Entry (#D): The entrance wound is located at the right lateral elbow, 23 inches below the top of the head. The entrance wound is oval and measures 3/8 x 3/16 inch. There is circumferential

Exit (#E): The exit wound is located at the right antecubital fossa, 24 inches below the top of the head. The exit wound is irregular and measures 1-1/4 x 1/2 inch.

Path of entry: The wound track begins at the skin of the right lateral elbow, perforates the soft tissue, fractures the right ulnar bone, and exits at the skin of the right antecubital fossa.

Projectile: None.

Direction: Right of left, back to front and slightly downward.

Associated injuries:

1. Comminuted fracture of the right ulnar bone.
2. Laceration of the right posterior forearm, 5/8 x 1/4 inch.
3. Soft tissue hemorrhage.

Gunshot wound #IV of the right arm:

Entry (#I): The entrance wound is located at the right posterior arm, 20 inches below the top of the head. The entrance wound is round and measures 3/16 inch in diameter. There is circumferential red abrasion surrounding the entrance hole measuring 1/16 inch in width. There is no soot or stippling on the skin.

Exit (#F): The exit wound is located at the right lateral arm, 17 inches below the top of the head. The exit wound is oval and measures 1/4 x 3/16 inch. There are multiple red abrasions surrounding the exit wound measuring 2 x 2-1/2 inches.

Path of entry: The wound track begins at the skin of the right posterior arm, perforates the soft tissue, fractures the right distal humerus, and exits at the skin of the right lateral arm.

Projectile: None.

Direction: Back to front, slightly upward and left to right.

Associated injuries:

1. Comminuted fracture of the right distal humerus.
2. Soft tissue hemorrhage.
3. Multiple abrasions surrounding the exit wound.

Gunshot wound #V of the right arm:

Entry (#G): The entrance wound is located at the right lateral arm, 13-1/2 inches below the top of the head. The entrance wound is oval and measures 1/4 x 3/16 inch. There is circumferential red abrasion surrounding the entrance hole measuring 1/16 inch in width. There is no soot or stippling on the skin.

Exit: None.

Path of entry: The wound track begins at the skin of the right lateral arm, fractures the right proximal humerus, penetrates and terminates at the subcutaneous tissue of the chest wall.

Projectile (#1/9): One deformed metal bullet is collected within the subcutaneous tissue of the midline chest wall.

Direction: Right to left, downward and slightly back to front.

Associated injuries:

1. Comminuted fracture of the right proximal humerus.
2. Soft tissue hemorrhage.

Entry (#H): The entrance wound is located at the right lateral arm, 13 inches below the top of the head. The entrance wound is oval and measures 5/16 x 1/4 inch. There is circumferential red abrasion surrounding the entrance hole measuring 1/16 inch in width. There is no soot or stippling on the skin.

Exit: None.

Path of entry: The wound track begins at the skin of the right lateral arm, fractures the right proximal humerus, penetrates and terminates at the subcutaneous tissue of the left chest wall.

Projectile (#2/9): One deformed metal bullet is collected within the subcutaneous tissue of the left chest wall.

Direction: Right to left, downward and slightly back to front.

Associated injuries:

1. Comminuted fracture of the right proximal humerus.
2. Soft tissue hemorrhage.

Gunshot wound #VII of the right upper back:

Entry (#J): The entrance wound is located at the right upper back, 11 inches below the top of the head and 7-1/2 inches to the right of the midline. The entrance wound is oval and measures 3/16 x 1/8 inch. There is circumferential red abrasion surrounding the entrance hole measuring 1/16 inch in width. There is no soot or stippling on the skin.

Exit: None.

Path of entry: The wound track begins at the skin of the right upper back, fractures the right lateral 3rd rib, perforates the right lung (right upper lobe) and diaphragm, penetrates and terminates within the liver.

Projectile (#7/9): One deformed metal bullet is collected within the left lobe of the liver.

Direction: Back to front, right to left and downward.

Associated injuries:

1. Perforations of the right lateral 3rd rib, right lung and diaphragm.
2. Penetration of the liver.
3. Right hemothorax with liquid blood estimated 100 ml.
4. Hemoperitoneum with liquid blood estimated 100 ml.

Gunshot wound #VIII of the right upper back, the bullet passed through an intermediary target:

Entry (#K): The entrance wound is located at the right upper back, 13-1/2 inches below the top of the head and 8 inches to the right of the midline. The entrance wound is oval and measures 1/4 x 3/16 inch. There is circumferential red abrasion surrounding the entrance hole measuring 1/16 inch in width. There is no soot or stippling on the skin. There is a cluster of superficial wounds close to the entrance wound.

Exit: None.

Path of entry: The wound track begins at the skin of the right upper back, fractures the right lateral 5th rib, perforates the right lung (right lower lobe) and diaphragm, penetrates and terminates within the subcutaneous tissue of the left abdominal wall.

Projectile (#5/9): One deformed metal bullet is collected within the subcutaneous tissue of the left abdominal wall close to the stomach.

Projectile (#9/9): One deformed metal bullet is collected within the thoracic spine (T6).

Direction: Back to front, right to left and downward.

Associated injuries:

1. Fractures of the thoracic spine (T6).
2. Lacerations of the thoracic cord with associated hemorrhage.

Gunshot wound #XII of the right lateral back:

Entry (#O): The entrance wound is located at the right lateral back, 19-1/2 inches below the top of the head and 7 inches to the right of the midline. The entrance wound is oval and measures 1/2 x 1/4 inch. There is circumferential red abrasion surrounding the entrance hole measuring from 1/16 inch in width. There is no soot or stippling on the skin.

Exit (#A): The exit wound is located at the right chest, 20 inches below the top of the head and 8-1/2 inches to the right of the midline. The exit wound is irregular and measures 1/2 x 1/4 inch. There is circumferential red bruise surrounding the exit hole measuring 1/16 inch in width.

Path of entry: The wound track begins at the skin of right lateral back, perforates the soft tissue, and exits at the skin of the right chest.

Projectile: None.

Direction: Back to front, slightly left to right and slightly downward.

Associated injuries:

1. Soft tissue hemorrhage.

Gunshot wound #XIII of the right back (#P), a tangential wound:

The tangential wound is located at the right back, 20 inches below the top of the head and 4 inches to the right of the midline. The wound measures 1-3/4 x 1/2 inch. The orientation is from 2 to 8 o'clock.

Direction: Right to left and downward.

Associated injuries:

1. Skin laceration of the right back.
2. Linear and irregular abrasions close to the wound.

Gunshot wound #XIV of the right back (#Q), a tangential wound:

The tangential wound is located at the right back, 21 inches below the top of the head and 4 inches to the right of the midline. The wound measures 3/4 x 1/2 inch. The orientation is from 2 to 8 o'clock.

Direction: Right to left and downward.

Gunshot wound #XV of the right back:

Entry (#R): The entrance wound is located at the right back, 24-1/2 inches below the top of the head and 2 inches to the right of the midline. The entrance wound is round and measures 3/16 inch in diameter. There is circumferential red abrasion surrounding the entrance hole measuring 1/8 inch in width. There is no soot or stippling on the skin.

Exit: None.

Path of entry: The wound track begins at the skin of the right back, lacerates the right kidney, perforates the small intestine and the greater omentum, penetrates and terminates within the left abdominal wall.

Projectile (#6/9): One deformed metal bullet is collected within the subcutaneous tissue of the left abdominal wall close to the bowel.

Direction: Back to front, horizontal and right to left.

Associated injuries:

1. Small laceration of the right kidney.
2. Perforations of the small intestine and the greater omentum.
3. Hemoperitoneum with liquid blood estimated 100 ml.

Gunshot wound #XVI of the left back:

Entry (#R): The entrance wound is located at the left back, 24 inches below the top of the head and 2 inches to the left of the midline. The entrance wound is oval and measures 3/16 x 1/8 inch. There is circumferential red abrasion surrounding the entrance hole measuring 1/16 inch in width. There is no soot or stippling on the skin.

Exit: None.

Path of entry: The wound track begins at the skin of the left back, lacerates the left kidney, perforates the small intestine, diaphragm and left anterior 5th intercostal space, penetrates and terminates within the left chest wall.

Projectile (#4/9): One deformed metal bullet is collected within the subcutaneous tissue of the left chest wall close to the left anterior 7th rib.

Direction: Back to front and upward.

Associated injuries:

1. Small laceration of the left kidney.
2. Perforations of the small intestine, the diaphragm and the left anterior 5th intercostal space.
3. Hemoperitoneum with liquid blood estimated 100 ml.

Additional findings:

- A. Dicing injuries of the right forehead with attached fragments of glass measuring 1/4 x 1/4 inch each.
- B. Red abrasions of the right forehead measuring 1-1/4 x 5/16 inch and 1-1/4 x 1/2 inch.
- C. Healing linear abrasions of the right thumb measuring 3/4 x 1/32 inch and 1 x 1/32 inch.
- D. Laceration of the right hand measuring 3/16 x 1/16 inch.

EXTERNAL EXAMINATION:

Injuries are described previously. The body is identified by toe tags and is that of an unembalmed refrigerated, adult male who appears about the reported age of 42 years. The body weighs 220 pounds, measures 72 inches, and is well built and muscular (Body Mass Index/BMI= 29.8, Obesity= BMI of 30 or greater). Wrist scars are absent. There are linear scars at the left posterior forehand measuring 1 inch in average length. There are two scars at the left buttock measuring 2-1/2 x 1/4 inches and 1-1/2 x 1 inch. There is a scar at the left knee measuring 1 x

1/2 inch. Tattoos are present including: Name of "██████" at the left anterior forearm; tribal logo at the right arm; and unknown figure at the left lower leg. Rigor mortis is present. Livor mortis is present and fixed at the posterior side of the body.

The head is normocephalic and covered by brown hair. There is no balding and the hair can be described as 1 inch in length and straight. Mustache is present. Beard is present as goatee. Examination of the eyes reveals irides that appear to be hazel in color and sclerae that are unremarkable. There are no petechial hemorrhages of the lids and/or sclera. The oronasal passages are unobstructed. Upper and lower teeth are present. Dentures are absent. The neck is unremarkable. There is no chest deformity. There is no increased anterior-posterior diameter. The genitalia are those of an adult male. The penis appears circumcised. The external genitalia are without trauma or lesions. The extremities show no edema, non-therapeutic punctures or needle tracks. There is a crusted skin lesion at the right knee measuring 1 x 1 inch.

INTERNAL EXAMINATION

The following observations are limited to findings other than injuries, if described above.

INITIAL INCISION:

The body cavities are entered through the standard coronal incision and the standard Y-shaped incision. Incision of the back is also performed.

NECK:

The neck organs are removed en bloc with the tongue. No lesions are present nor is trauma of the gingiva, lips or oral mucosa demonstrated. There is no edema of the larynx. Both hyoid bone and larynx are intact and without fractures. No hemorrhage is present in the adjacent throat organs, investing fascia, strap muscles, thyroid or visceral fascia. There are no prevertebral fascial hemorrhages. The tongue when sectioned shows no trauma.

CHEST/ABDOMINAL CAVITY:

Injuries are described previously. Both lungs are poorly expanded. Soft tissues of the thoracic and abdominal walls are well preserved. The subcutaneous fat of the abdominal wall measures 1-1/2 inch. The organs of the abdominal cavity have a normal arrangement and none is absent. The peritoneal cavity is without evidence of peritonitis. There are no adhesions.

SYSTEMIC AND ORGAN REVIEW

MUSCULOSKELETAL SYSTEM:

No abnormalities of the bony framework or muscles are present.

CARDIOVASCULAR SYSTEM:

Injuries are described previously. The aorta is inelastic and of even caliber throughout with vessels distributed normally from it. The thoracic and abdominal aorta has mild to moderate atherosclerosis and calcifications without aneurysm.

The heart weighs 360 grams. It has a normal configuration. The right ventricle is 0.4 cm thick, the left ventricle is 2.0 cm thick, and the septum is 2.0 cm thick. The chambers are normally developed and are without mural thrombosis. The valves are thin, leafy and competent. The circumference of the valve rings are: Mitral valve 11.0 cm, aortic valve 7.0 cm, tricuspid valve 13.0 cm, and pulmonic valve 8.0 cm. There is no endocardial discoloration. The great vessels enter and leave in a normal fashion. The ductus arteriosus is obliterated. The coronary ostia are widely patent. There is a normal pattern of coronary artery distribution. There are segmental atherosclerosis with 40% stenosis of the right coronary artery, 80% stenosis of the anterior descending branch of the left coronary artery, and 80% stenosis of the circumflex branch of the left coronary artery. The blood within the heart and large blood vessels is liquid and scanty.

RESPIRATORY SYSTEM:

Injuries are described previously. Scant bloody fluid is found in the upper and lower bronchial passages. The mucosa is intact and pale. The left lung weighs 330 grams. The right lung

weighs 500 grams. The parenchyma is pale. The pulmonary vasculature is without thromboembolism.

GASTROINTESTINAL SYSTEM:

Injuries are described previously. The esophagus is intact throughout. The stomach is not distended. It contains about 380 cc of brown semi-liquid fluid. Portions of tablets and capsules are not seen in the stomach. The small intestine and colon are opened along the anti-mesenteric border and are present with liquid green/brown stool. The pancreas occupies a normal position. There is no trauma. The parenchyma is lobular and soft. The pancreatic ducts are not ectatic and there is no parenchymal calcification.

HEPATOBIILIARY SYSTEM:

Injuries are described previously. The liver weighs 1750 grams, is of average size and is red-brown. The capsule is intact and the consistency of the parenchyma is soft. The cut surface is smooth. There is a normal lobular arrangement. The gallbladder is present. The wall is thin and pliable. It contains about 12 cc of bile and no calculi. There is no obstruction or dilation of the extrahepatic ducts. The periportal lymph nodes are not enlarged.

URINARY SYSTEM:

Injuries are described previously. The left kidney weighs 210 grams. The right kidney weighs 200 grams. The kidneys are normally situated and the capsules strip easily. The corticomedullary demarcation is preserved. The pyramids are not remarkable. The peri-pelvic fat is not increased. The ureters are without dilation or obstruction and pursue their normal course. The urinary bladder is unremarkable. It contains about 7 cc of clear urine.

GENITAL SYSTEM:

The prostate is without enlargement or nodularity. Both testes are in the scrotum and are unremarkable and without trauma.

HEMOLYMPHATIC SYSTEM:

The spleen weighs 290 grams and is enlarged. The parenchyma is dark red. There is no increased follicular pattern. Lymph nodes throughout the body are small and inconspicuous. The bone is unremarkable. The bone marrow of the rib is unremarkable.

ENDOCRINE SYSTEM:

The thyroid is unremarkable. The parathyroid glands are not identified. The adrenals are unremarkable. The thymus is not identified. The pituitary gland is of normal size.

SPECIAL SENSES:

The eyes are not dissected. The middle and inner ear are not dissected.

HEAD AND CENTRAL NERVOUS SYSTEM:

There is no subcutaneous or subgaleal hemorrhage of the scalp. The external periosteum and dura mater are stripped showing no fracture of the calvarium and base of the skull. There are no tears of the dura mater. There is no epidural, subdural or subarachnoid hemorrhage.

The brain weighs 1760 grams. The leptomeninges are thin and transparent. A normal convolutionary pattern is observed. Coronal sectioning demonstrates a uniformity of cortical gray thickness. The cerebral hemispheres are symmetrical. There is no softening, discoloration, or hemorrhage of the white matter. The basal ganglia are intact. Anatomic landmarks are preserved. Cerebral contusions are not present. The ventricular system has a normal appearance without dilation or distortion. The pons, medulla and cerebellum are unremarkable. There is no evidence of uncal or cerebral herniation. Vessels at the base of the brain have a normal pattern of distribution. There are no aneurysms. Cranial nerves are intact, symmetrical and normal in size, location and course. The cerebral arteries are without arteriosclerosis.

SPINAL CORD:

Injuries are described previously.

HISTOLOGIC SECTIONS:

Representative sections of various organs are preserved in one storage jar in 10% formalin. No sections are submitted for slides.

TOXICOLOGY:

Femoral blood, chest blood, cardiac blood, liver tissue, stomach contents, bile, urine, and vitreous humor have been obtained.

SPECIAL PROCEDURES:

Blood is obtained for DNA.

PHOTOGRAPHY:

Photographs have been taken prior to and during the course of the autopsy.

DIAGRAMS:

Six diagrams were used during the performance of the autopsy. The diagrams are not intended to be facsimiles and are not drawn to scale.

RADIOLOGY:

X-rays are obtained and reveal the radiopacities consistent with the recovered projectiles.

EVIDENCE:

Hair (head), nail scrapings and nine projectiles are collected.

RE: Officer-Involved Shooting Case No. SPD-18-398311
Shooting Officers: Joey Lemus, SSD #1459
Brian Bell, SSD #867
Person Shot: Travis York (DOB 7/29/76)

The District Attorney's Office has completed an independent review of the above-referenced officer-involved shooting. Issues of civil liability, tactics, and departmental policies and procedures were not considered. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of Travis York on December 17, 2018. For the reasons set forth, we conclude that the shootings by Detectives Joey Lemus and Brian Bell were lawful.

The District Attorney's Office received and reviewed written reports and other items, including: Sacramento Police Department report number 18-398311 and related dispatch logs/audio; Sacramento Sheriff's Office report number 18-446660; Elk Grove Police Department report number 18-8395; witness interview recordings; 9-1-1 audio recordings; in-car camera, surveillance, aircraft, and crime scene video recordings; photographs and diagrams; Sacramento County District Attorney Laboratory of Forensic Services Toxicology, Blood Alcohol, and Firearms Examination reports; and Sacramento County Coroner's Report.

FACTUAL SUMMARY

On Saturday, December 15, 2018, Travis York, Donald Honstein, and Dale Dare stole a television and a soundbar from a Wal-Mart on Elk Grove Boulevard in Elk Grove. Elk Grove Police Department officers located the suspects' vehicle at a gas station shortly thereafter. York, Honstein, and Dare were still in the vehicle along with the stolen merchandise.

Honstein and Dare were in the two front seats. They were quickly detained without incident. Travis York was in the back seat. He refused to follow the officers' directions. York produced a black pistol, held it to his own head, and threatened to shoot himself. Officers retreated for cover as York climbed into the driver's seat. York drove eastbound on Elk Grove Boulevard at a high rate of speed as officers gave chase. Officers lost sight of York's vehicle.

Officers continued to search for the vehicle. They located the vehicle parked at a nearby residence. York and a female were walking out of the residence as officers approached. York dropped a backpack he was carrying, ran into the backyard of the house, and jumped over the fence. York was able to successfully flee the area on foot.

Honstein and Dare identified the outstanding suspect as Travis York. A records check showed that York had an outstanding arrest warrant as a parolee-at-large.

Shortly thereafter, Elk Grove Police received a report of an attempted carjacking. York had attempted to carjack a citizen at gunpoint in a warehouse district a short distance from where York was last seen. The citizen was able to escape. York then successfully carjacked a second victim at gunpoint and fled the area in her Toyota 4Runner. His whereabouts were unknown.

Elk Grove Police Department detectives obtained an arrest warrant and contacted the Sacramento County Sheriff's Office for assistance in locating and apprehending him.

Sheriff's Detectives Joey Lemus and Brian Bell attended a briefing on Sunday, December 16, regarding the search for York. The briefing included the circumstances of the crimes committed, the outstanding firearm, and photographs of York. They were told that York had prior military experience and training.

On Monday, December 17, believing that York was in the area of Richards Boulevard and Bercut Drive, detectives in unmarked vehicles set up surveillance in the parking lots of two nearby motels hoping to spot York. Detective Lemus was parked in the parking lot of the Executive Inn and Suites at 216 Bannon Drive in an unmarked minivan when he saw a white female get into the driver's seat of an Isuzu Rodeo. Detective Lemus saw there was already a white male in the passenger seat. He was unable at that time to positively identify the subject.

The Isuzu left the motel parking lot, and Detective Lemus followed. He broadcast over the radio that he believed there was a high likelihood that York was the male in the Isuzu.

Detective Bell was in a fully marked SSD Ford Explorer. He heard Detective Lemus' broadcast. Detective Lemus requested that Detective Bell follow behind them until a positive identification could be made.

The Isuzu drove Northbound on I-5 onto Eastbound I-80. Detective Lemus observed the white male sitting low in the passenger seat, as if to conceal himself. Detective Lemus further saw the white male reach into the back seat of the Isuzu to grab a bag similar to a small backpack or small suitcase. He believed that the white male may have been doing this to arm himself with a firearm.

The Isuzu exited I-80 at Truxel Road and drove southbound past San Juan Road. The Isuzu made a right turn into the FoodMaxx parking lot and another right turn inside the parking lot. Detective Bell was approximately 10-15 yards from the Isuzu at this point and made eye contact with the white male in the passenger seat. This allowed Detective Bell to positively confirm that the white male in the passenger seat of the Isuzu was the wanted subject, Travis York.

The Isuzu drove northbound through the Foodmaxx parking lot, then made a right turn down a parking aisle in front of the store. Detective Lemus turned right behind the Isuzu in his unmarked minivan, and Detective Bell turned right in the preceding parking aisle in his marked patrol unit.

York got out of the Isuzu passenger seat as the Isuzu was coming to a stop in a parking spot about halfway down the parking aisle. Detective Lemus believed York had a handgun in his hands. York began walking towards Detective Lemus. Detective Lemus got out of his unmarked vehicle with his rifle and began shouting directions at York to show his hands. Detective Lemus was wearing a gun belt and a black vest with a badge and the word "Sheriff" clearly marked on the front and back. York did not obey the commands.

Detective Lemus noticed that York's hands were in the area of his waistband. York turned and headed back to the passenger door of the Isuzu. York opened the passenger side door to climb inside.

Detective Lemus did not know whether the female driver of the Isuzu was with York willingly. He believed that York was not going to surrender voluntarily and was concerned that York was going to shoot at him or his fellow responding officers to avoid being taken into custody.

Meanwhile, Detective Bell exited his marked patrol vehicle. He also wore a gun belt and a black vest with a badge and the word "Sheriff" clearly marked on the front and back. He saw that York was not obeying Detective Lemus' commands. He tried to place himself in a position that none of the shoppers in the parking lot would be at risk. He saw York move his hands from the area of his chest to the area of his waistband, look directly at Detective Bell, and walk briskly back to the Isuzu passenger door. The passenger door opened, and Detective Bell saw York's hands in the area of his waistband. Detective Bell saw a black object that he believed to be a gun. Detective Bell was in fear for the lives of himself, his partner, and the civilian shoppers within close proximity of this incident.

Both Detective Lemus and Detective Bell fired their rifles at York. Detective Lemus fired six shots. Detective Bell fired ten shots. York fell to the ground. Cardiopulmonary resuscitation was performed by responding officers, but York died on scene.

A loaded black semi-automatic pistol was found underneath York's body. A full box of 9mm ammunition and 28 grams of methamphetamine were found in York's jacket pockets.

An autopsy was performed by Dr. Keng-Chih Su of the Sacramento County Coroner's Office. The cause of death was listed as multiple gunshot wounds. Sixteen gunshot wounds were noted, with injuries to his back, right knee, and right arm. A blood sample taken from York during an autopsy confirmed the presence of methamphetamine in York's system.

Witnesses to the incident were interviewed. The driver and owner of the Isuzu stated that she had known Travis York for about a week. During that week she had seen him with a knife and with a gun. She stated that they left the Executive Suites motel at approximately 11:45 a.m. on Monday, December 17. She was driving, and York was in the passenger seat. York believed that a minivan was a police vehicle and was watching them, but she thought that York was being paranoid. York directed her to exit from I-5 onto I-80 and then exit again at Truxel. York noticed that the minivan was following them wherever they went.

She stated that as they pulled down a parking aisle, York jumped out as the car was still moving. She pulled into a parking space. York then ran back to the Isuzu and yelled, "Go! Go! Go! Get out of here!" She believed the officers were law enforcement due to the way they were dressed. She told York that her car was not going anywhere. She stated that she heard officers yelling for York to put his hands up, and then heard "a bunch of gunshots."

There were several additional citizens in the immediate area. Among these was a woman who had parked her car in the FoodMaxx parking lot. She stated that as she started to walk towards the store, she heard an officer yelling at someone to stop. She looked up and saw an officer pointing a rifle in her direction. She did not believe it could have been meant for her, so she looked behind her and saw a tall white man wearing a jacket. She described that the tall white man reached inside his jacket pocket as if he was reaching for a weapon. She looked back at the officer, who had advanced to a position closer to her and was yelling for the subject to stop. She looked again at the subject and saw that he had begun to run back to his car. She attempted to move out of the way and began to run towards the supermarket. As she was running, she heard "a lot of gunshots."

In-car camera footage from Detective Bell's vehicle was reviewed. The video shows him following behind the Isuzu and Detective Lemus' minivan onto Northbound I-5, then to Eastbound I-80, exiting at Truxel Road, and continuing down into the FoodMaxx parking lot. It shows the Isuzu making a right-hand turn to head down one of the parking aisles in front of the supermarket entrance, and Detective Lemus' vehicle turning behind it. Detective Bell's vehicle turns right into the preceding parking aisle in front of the supermarket. There are many cars in the parking lot as the supermarket was open for business at this time of day.

As the in-car camera is forward facing, it does not show the events happening in the parking aisle to the left. It does not capture footage of the shooting incident. As Detective Bell exits his vehicle, a voice can be heard yelling, "Show me your fuckin' hands! Let me see me your hands, now! [Unintelligible] your hands!" Approximately six seconds later there are the sounds of several shots being fired in quick succession, a slight pause, and then a second flurry of several

gunshots. Approximately five seconds later, an announcement of “shots fired” can be heard broadcasted on the radio within Detective Bell’s vehicle at approximately 12:07 p.m.

LEGAL ANALYSIS

A peace officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to detain or arrest the person, to prevent the person’s escape, or to overcome the person’s resistance. (California Penal Code section 835a; CALCRIM 2670.) An officer who detains or arrests a person does not need to retreat or stop his or her efforts if the person resists or threatens resistance. Moreover, using reasonable force does not make the officer an aggressor or cause him or her to lose the right to self-defense. (California Penal Code section 835a.) The person being detained or arrested has a duty to permit himself or herself to be detained, and the person must refrain from using force or any weapon to resist arrest. (*People v. Allen* (1980) 109 Cal.App.3d 981, 985; California Penal Code section 834a; CALCRIM 2670, 2671, 2672.)

In the present matter, Detective Lemus and Detective Bell had been briefed that York and his two crime partners had stolen a television and a sound bar from Wal-Mart. When officers located and detained their vehicle with the stolen property, York put a gun to his own head, threatened to shoot himself, jumped into the driver’s seat, and drove away at a high rate of speed, successfully eluding the officers. When officers located him a short time later, York again fled, jumping a fence and eluding officers. York then tried to carjack two separate victims at gunpoint and was successful on his second attempt. Detective Lemus and Detective Bell clearly had reasonable cause to detain York for these public offenses. The detectives ordered York to stop and to put his hands in the air, but York refused. York had a duty to submit himself to Detective Bell and Detective Lemus’ custody, just as he had a duty to submit to the custody of Elk Grove Police on the two occasions following the theft from Wal-Mart. He failed to do so. Instead, York ignored the detective’s commands, ran back towards the Isuzu, ordered the driver to drive away, and appeared to be grabbing for his semi-automatic pistol.

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470.)¹ An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (*Graham v. Connor* (1989) 490 U.S. 386.)

¹ This incident occurred prior to California Assembly Bill 392’s amendments to Penal Code sections 196 and 835a. Therefore, this incident is analyzed under the law as it existed at the time of the events.

Here, Detective Lemus and Detective Bell were reasonable in their belief that York posed an imminent danger of death or great bodily injury to themselves, each other, and the public in the immediate vicinity of the parking lot. The detectives had been briefed on the circumstances of York's prior actions during the last two days, including the lengths he would go to avoid capture. They knew that York was armed. They were aware that he pulled a firearm and pointed it at his own head and threatened to shoot to escape from the officers following the theft in Elk Grove. They were aware that he had then driven at a high rate of speed to avoid officers, placing others on the roadway at risk of injury. They were further aware that he then attempted a carjacking at gunpoint to obtain a vehicle to avoid capture and that he then committed a second carjacking at gunpoint of a separate victim.

When the detectives were following York in the white Isuzu on December 17, they did not know if the woman driving the Isuzu was with York willingly. They did not know if she was a hostage and was in danger when York ran back to the Isuzu during the encounter with the detectives, or if she was a willing participant who could provide York with his means of escape.

The detectives were further aware of the proximity of numerous civilians in the immediate vicinity coming to or from their cars as they shopped in the supermarket. They were afraid that any of them were potentially in danger from being struck by gunfire if York decided to start firing at the detectives. They were further aware that York might try to take one of the civilians or their vehicles to make his escape.

As the detectives confronted York in the parking lot, they were wearing distinctive vests identifying themselves as law enforcement, Detective Bell was standing outside a marked patrol unit, both officers were carrying rifles, and they were giving commands to York for him to raise his hands and surrender. Not only did York refuse to comply, he attempted to re-enter the Isuzu and, as also observed by a civilian witness, appeared to be reaching in his jacket for a gun. Detective Bell observed a black object that he believed to be a gun. Given all of these circumstances, the detectives' belief that York posed an imminent danger of death or great bodily injury to others was reasonable.

CONCLUSION

Based on the circumstances of this incident, Detectives Lemus and Bell were justified in shooting York to defend themselves and others. York posed a significant threat of death or serious physical harm to the detectives and others. Accordingly, we will take no further action in this matter.

A: Detective.

Q: Detective. So Detective Lemus, how long have you been with the Sacramento Sheriff's Department?

A: Over 15 years, just shy of 16, I believe.

Q: Okay. Did you lateral from any other agency prior to that?

A: No, sir.

Q: Okay. What is your current assignment?

A: I'm a detective assigned to the Major Crimes Bureau out of the Centralized Investigations Division for the Sacramento Sheriff's Department.

Q: Okay. What prior assignments did you have prior to that?

A: So I started at the jail where I worked approximately four years. I rotated out to the street as a patrol officer. I spent approximately three years just working patrol. From there I tested for our SWAT team. I was assigned there for shortly over four years. Concurrently while assigned there, I spent right around two years assigned to Sacramento Police Department's PRCS task force. And from those assignments I tested for detectives and was assigned to the major crimes bureau where I currently work.

Q: Okay. All right, Detective Lemus, do you have any like specialized training? Obviously you just said SWAT, so maybe if you have any specialized training that you can tell me about?

A: Yeah, so for approximately the past seven years I've been either assigned to our SWAT team or the PRCS team or my current team, so a lot of the training, we still train in tactics and stuff like that on my current assignment. Four of the six of us on my team worked on the SWAT team together, so once per month we're training firearms and room clearing, things of that nature. Several SWAT schools, conferences, that kind of stuff, lots of electronic surveillance, several of those type of schools.

Q: Okay. And then at the very beginning you entered the academy?

A: Yes, sir, I went through the Sacramento Sheriff Academy in 2002.

Q: Okay. Were you ever in the military?

A: No, sir.

Q: All right. The uniform that you were wearing today, how would you describe that?

A: Would you like me to just go through exactly what I was wearing or?

Q: Yeah, sure.

A: So, you know, so I was wearing blue jean pants, a long-sleeve Navy blue under-armor T-shirt. I had on a gun belt with a holster which I carried on my right side which held my handgun. Right next to that, clipped on my belt was my issued badge. Over my blue T-shirt I had a black tac vest, I guess I would call it that has markings for sheriff on the front and back. While conducting surveillance today, I was wearing over my vest, I was wearing a light gray covered kind of like flannel type of jacket over my vest to conceal me while I was on surveillance.

Q: Right. And then did you remove the gray?

A: I did not have the opportunity.

Q: Okay.

A: But it was unbuttoned, and I kind of flung it open or tried to as I was preparing to exit my car.

Q: Okay. I know that we already went over some of these with the round count, but the weapon you used today, the make, model, and caliber?

A: I carry a handgun which is a Glock 17 9-mm handgun. I did not ever remove that from the holster during today's incident.

Q: Okay.

A: Additionally, I'm issued a Colt M4 rifle, which I have with me in my car, and I exited my vehicle with that rifle.

Q: Okay. Make and caliber on that?

A: .223/.556.

Q: Okay, is that issued or is that your personal?

A: Yes, sir, the rifle is issued as well as the ammunition.

Q: Okay. And how many rounds were you carrying for the .223?

A: I had a magazine that was loaded to capacity, which was 30 rounds.

Q: Do you carry any backup or any additional magazines for the .223?

A: No, sir.

Q: Okay. And then for the Glock, do you know how many rounds you carry for that?

A: Yes. So I had three magazines. Each of them had a 17-round capacity. Two of them were inside of my vest I was wearing, and one of them was inserted into my Glock handgun, and I also had one round in the chamber, so there would have been 18 rounds inside of my handgun and 34 rounds split between two magazines in my vest.

Q: Okay. And do you carry a backup weapon other than those two?

A: No, sir.

Q: Okay. So with your current assignment, what is your shift, I guess your normal shift?

A: That's kind of tricky. Our schedule on paper is we work Tuesday through Friday 8:00 a.m. to 6:00 pm, but we are on call 24/7, and we tend to work a lot of overtime.

Q: Right. You said, I'm sorry, you said 8:00 to or 7:00 to?

A: 8:00 a.m. to 6:00 pm Tuesday through Friday.

Q: Gotcha.

A: I have Saturday and Sunday off - Saturday, Sunday, and Monday off in theory.

Q: So you said you're on call often.

A: 24/7 on call, yeah.

Q: Oh. So were you on call today?

A: Yes, sir.

Q: Okay. And then do you guys have a team number or a team assigned name for your specific team or are you just major?

A: We were called into work yesterday.

Q: Okay. So you were on call, you got called in for the purpose of locating this person?

A: Yes, sir.

Q: Okay. When you were first called in, was there any specific location that you guys were to look for him?

A: So would you like me to go into like where I responded to and like the briefing and all that?

Q: Sure, yeah.

A: So we were told to come to our office, centralized investigations. Once we got there, we had a briefing led by my supervisor, Scott Puffer. He laid out the facts of the case and the suspect we were going to go after. Sir, I'm drawing a blank on the suspect's name right now.

Q: Travis.

A: Yeah, Travis.

Q: York.

A: Travis York, yeah, so we were shown pictures of him.

Q: Right.

A: We were told about his criminal history which, you know, was fairly extensive with charges ranging from car jackings, robberies, resisting arrest, firearms, drug sales. We were told that he currently was a parolee at large. We were told that he was a prior military police officer. And that was kind of the background on him. But the reason we were called in to assist Elk Grove was - so it was Sunday - so Saturday Elk Grove Police Department responded to I believe it might have been a Walmart for a theft where people were stealing I believe a television. They had located that suspect vehicle from their theft, and they were able to successfully detain the driver and I believe the front passenger on that car stop. As that was happening, the suspect later identified as Travis York who was in the backseat maneuvered his way to the front seat of the suspect vehicle. They observed him with a handgun, which he had held to his head. Puffer told us basically there was some comments or a belief that this was kind of like maybe an attempt to like a suicide by cop kind of scenario. At that point, a pursuit - York took off in that suspect vehicle. A pursuit ensued, and he evaded capture. Subsequently to that, Elk Grove received follow-up information of his whereabouts. They located him. He took off running on foot and attempted to carjack a civilian unsuccessfully and then following that was successfully able to commit a carjacking of another citizen in Elk Grove. Another pursuit, I believe, ensued. And I don't remember if he just evaded or was driving so recklessly that they terminated it, but the result of it was he was not in custody. He

was able to evade capture. Elk Grove believed he was in - based on some of the stuff they located as part of their investigation that he was going to be in possession of a handgun as well as seeing him with the handgun. They were able to get his positive identity through the people that they detained on that car stop. Additionally they were able to come up with a phone number for the suspect. They initiated like an emergency ping request through the phone company on their own on Saturday evening. By the time we came in on Sunday and were getting this briefing, my partner authored a search warrant for call records and continued GPS location on that cellphone. So as part of our briefing we were - Sergeant Puffer made it clear that Mr. York had committed a violent felony, was considered armed and dangerous and, you know, definitely posed that threat to law enforcement and community, which was why my team was called to help. We worked most of the day. There were a few other things we were doing as far as other people were trying to do some location stuff on yesterday. Ultimately we did not contact anybody yesterday. We just spent - we came in around 11:00, and I think we went home maybe around 8:00, so that period of time was kind of spent on surveillance in different parts of the county with no success. So when we went home last night, we were told, "Prepare to come in today to evaluate some call records." Oh, and the reason we were unsuccessful yesterday is Mr. York, his phone was on for a period of time and we were trying to catch up to it, and it went dark, turned off in the afternoon hours. When we came in today, we observed that the phone had been off all evening, all morning, and so we were going to come up with a plan on how we were going to locate him in a different way without the phone on our side.

Q: Okay.

A: As we were getting ready to do that, we were monitoring our emails where the pings were sent to, and the phone turned on in the area of 15th Street and L Street in the city. So we loaded up in our cars and hustled downtown to the downtown area.

Q: That was this morning or Sunday morning? It was this morning.

A: This was - I'm sorry, so we came in Sunday and were doing surveillance Sunday to the evening hours.

Q: Right.

A: And the phone went off Sunday afternoon.

Q: Okay, gotcha.

A: And it was off all Sunday night and all Monday morning until I want to say it was 10:30ish this morning - 10:30 to 11:00ish maybe where the phone turned on and we got a GPS location on his cellphone in the area of 15th and L Street. So we headed to the downtown area. The way the phone pings work is every 15 minutes we'll get an email from the phone company with a new location. So as we were making our way downtown, we see that the phone has moved to the area of kind of like Richards, I-5, and we were trying to kind of pinpoint. I need to go through the whole thing or do you have a question? I'm sorry.

Q: Okay. And did you activate those at any point today?

A: No, sir.

Q: Okay. Is there like an in-car camera in that vehicle?

A: No, sir.

Q: Okay. And then do you carry a body camera, as well?

A: Oh, no, sir.

Q: Okay - okay, so we'll continue your story. So today you said the ping had moved to the Richards I-5 area?

A: Yes, sir.

Q: Okay.

A: So at that point we had no idea what kind of car he was going to be in. We had the information on the car that had been carjacked, so we were obviously keeping eyes out for that. We did not see it in the vicinity of these pings. We made some efforts at the motels on Bercut, because eventually the ping moved over to Bercut just south of the McDonald's there. I can't remember the name of the hotel, maybe the Executive Suites or something along those lines.

Q: Right.

A: So like the pin drop of the ping was there, and in the email they sent it, it was like 120-meter error, so it was somewhere in that area. So we checked that motel, the front counter, with no luck as far as his name being on the room list as well as like I think The Governor's Inn is the hotel next to that. And we had no luck. So Sergeant Puffer and Detective French were sitting in their car parked on a fixed surveillance at The Governor's Inn, and Detective Burnett and Detective Pfeifer were parked in their minivan on a fixed surveillance at that Executive. I think Executive Suites it's called. So they asked me, they said, "Hey, can you come into this parking

lot with us with your car and park and just help us kind of keep eyes on any of the activity of people coming and going to try to get a eyeball on Mr. York?" As soon as I turned into the parking lot of that Executive Suites, outside my driver's side window I saw a white Isuzu Rodeo parked nose in, just west of - or I guess as I turned in the lot, it was the first parking spot to my left. All I saw at that point was a white female. I think she might have been wearing a black shirt and had brown hair. She looked at me, and it was my opinion that she knew I was a cop as soon as she saw me. But I didn't think that car was related at all to what we were doing, so I parked, and it happened fairly fast from when I parked where she got into the driver's seat and closed the door. I did not see anybody else in the car at that point, but as that was happening - I can't remember if it was Detective Pfeifer or Burnett who were also in that parking lot - had told me that there was a white male adult with I believe a baseball hat, maybe white in color, that they had saw walk from - they didn't - I don't know if they - I don't remember if they saw where he came from but - or where she came from, but they saw them two walk to that white car, and they had seen the white male get in the front passenger seat. They told me they did not get a positive ID on that white male being Mr. York, but they told me he was a similar description, but they couldn't make a positive ID. They asked me to get a look, so I looked out my passenger side of my car, because that's where I had parked, so their car was outside my passenger side, and all I could see was it appeared to be a male adult with a white hat, was really all I could see, because I was looking at them from behind. That car backed out pretty much right as I parked, and they relayed that to me. That car backed out, and I asked them if they wanted me to follow it to try to get a drive-by on that front passenger to get a eyeball on him and see if it was our suspect. So the car turned northbound on Bercut out of the parking lot, and I attempted to catch up. I was going to try to pull alongside the passenger side, but it was a fresh green at Richards and Bercut for them to turn westbound, so I had no choice but to follow at that point. They continued westbound Richards, and it appeared they were going to go under the freeway and continue westbound, but at the last second the driver swerved to the right to get on northbound I-5 which was suspicious to me in the manner that they made that turn, and I relayed that to my partner, the suspicious turn they made onto the freeway. The car continued northbound on I-5 at a fairly - I'd say the speed limit, and it was in the far-right lane approaching Garden Highway. And at that point I told my team over the radio, I said, "Hey, it's in the far-right lane like it's going to get off on Garden," but based on what they had just done, I was prepared for them to swerve over to the left to stay northbound, which is exactly what they did. They stayed in the far-right lane. Just as they're getting - almost like they're going to exit Garden and last second move over one lane to the left to continue northbound. At that point I let my team know, "Hey, they're driving very suspicious. They did the same move as far as a last-minute lane change," and I voiced for my partner from the SWAT team, Brian Bell, to come follow me, because I knew my other partners were stuck on other surveillance, because we didn't have the positive ID yet. I followed the car as it continued northbound I-5, and I noticed the front passenger started sitting real low in his seat. Additionally, I saw him reach to the backseat and grab a bag. I didn't know - I couldn't tell what kind of bag it was, but it appeared to be like maybe a backpack or a small suitcase, which definitely heightened my awareness. And I let my team know that, as well. When Sergeant Puffer heard that update, he told Burnett and Pfeiffer to leave their spot and to try to catch up to me and Brian Bell. As this is happening, I was asking my partners, "Hey, are there any new GPS locations on this phone," because if the phone pinged back and they were waiting, they said they were like a minute away from a new ping. So I kept following the car, you know, kind of keeping - trying to keep my distance, but I felt clearly that they knew who I was at that point. And right as we were taking the eastbound 80 from I-5, my partners updated that there was a new ping at 80 and I-5. Once that update came, I was absolutely confident that our suspect was in this car. Additionally, I believed he was going to have a firearm based on all the briefing information I had and based on

seeing him grab that bag out of the backseat. So we're continuing eastbound 80, and Bell's behind me in a marked SSD car, and he was hanging really far back, and I told him over the radio, I said, "Hey, Brian, they've made us at this point. You don't have to stay back. Just get up here with me." And additionally I was trying to get an updated location from Burnett and Pfeiffer, because I did not want to attempt any kind of enforcement with just Bell and myself. As they came - I wasn't sure if they were going to continue eastbound on Truxel, but they ended up committing to exit Truxel, and they turned southbound on Truxel from 80. At that point I was telling my partners - because we were on an encrypted SSD channel that really nobody monitors - so I said, "Hey, we need to move over to SSD 1 and put this out, and let's all switch over now." And about this time I believe we were right around Truxel and San Juan. I was directly behind the white Isuzu, I believe, and Bell was behind me. And again I said, "Hey, Burnett, Pfeiffer, where you guys at?" And they said, "Hey, we're getting off on Truxel right now." So at that point I'm like, "Hey, let's put this out one. We're going to have four of us here, and we'll make this stop in the best way we can." Right around that point they turn into the parking lot. I don't know the address at Truxel and San Juan, the shopping center at the, I guess that's the -- is that the southwest corner of Truxel and San Juan. When they made that turn - they kind of paused before they turned in, so I wasn't sure what they were going to do, but they committed to make that turn in there. At that point my rifle which was in the back of my van, I reached back and grabbed that, loaded it, and had it right next to me. As they drove through the parking lot, it appeared to me that they were picking up speed as they drove westbound. I think there was a Goodwill. They drove westbound right in front of the Goodwill, and then they made the northbound turn in front of I think it's called Food Co or FoodMaxx. And I believe I even remember seeing like security guards looking. I wasn't in a cop car, but they were looking at the white car like because it was moving at a good speed. As this is happening, I'm on the radio broadcasting all the information on our suspect, the vehicle, and where we're at to SSD dispatch. And, I mean, I don't even know that I finished my transmission when they turned eastbound down one of the parking aisles in front of FoodMaxx. As they made that turn, I saw the front passenger side door of that vehicle open, and I saw the suspect - or I didn't know it was the suspect yet, but I believed it was. Like the first thing I saw was like a leg and what I perceived as a black handgun, and it should be on our radio logs, because I'm pretty confident that I said, "He's getting out with a gun," or something to that effect. So I stopped my car. I didn't make that full turn, because he got out maybe three to four stalls into that turn. He exited, the white male exited, so I maybe as quick as I could jumped out with my rifle and at that point I was - I'll say I was pretty scared.

A1: Do you need some water? Let me grab some water. We'll take a quick break and grab you some water.

Q: Sure.

Q: And you're doing good. Continue. Describe how you're feeling as you're doing it, too, because that's what we do.

A: Yes, so when I got out, I fully anticipated him to just unload on me. So when I got out, we're kind of - I don't know how far apart, 10, 15 yards face-to-face. I lost sight of the gun and his hands, and I was yelling at him, you know, "Let me see your fucking hands - let me see your fucking hands," and in my mind, you know, based on I knew Brian was with me and I had no idea what this guy's intentions were other than to shoot on us, so I raised my rifle. I was prepared to shoot him. I didn't have the best backdrop. There were apartments behind

him, and it was a very congested parking lot. It was maybe just a few seconds where I'm yelling at him, and he as soon as he got out of the car continued and stopped right near there and pulled into a parking spot to the right. So he turned and started kind of running towards the car, and based on all the information we had at this point and everything I had seen with my own eyes, I was absolutely certain he was going to shoot Brian, myself, or I knew Nate and Pfeiffer - I was worried because they were coming into the parking lot - and I was just worried he was going to see them and shoot them. I didn't know who this female was in the car, if she was willing participant or not, so a bunch of stuff running through my mind at that point, but all of it kind of centered on the fact that, you know, he did not want to be taken into custody and he was going to do whatever he needed to do. So I knew I couldn't let him get away just for the danger he posed in the community and in this big lot and my partners and myself. So I gave - it was a very short, you know, chase to catch up to him, and I was yelling at him. I was like, "I'm going to shoot you. I'm going to fucking shoot you - I'm going to fucking shoot you." And I can't remember if the front passenger side door that he exited from, I can't remember if it was open still or closed or if he opened it or if he started to get in or not. I just know he was getting in or attempting to, and that's the point where I shot him with my rifle.

Q: Okay. Do you remember how many rounds you fired?

A: I had estimated maybe two to five. The round count showed that it was six. I can't recall. So at this point Bell kind of was off to my right, and we were both shooting. I can't recall who shot first or last or any of that, but to the best of my recollection is we were shooting him, and he started to kind of - I didn't know if it was a fall or what he was doing, but kind of like his head - you know, again I can't totally remember, but he was kind of going down like this. I still could not see his hands, and ultimately he ended up kind of like in a prone position right there outside the passenger side of the car, and he was not moving. I was very apprehensive with the female in the car. I had no idea if she had a gun or what her involvement in this was. So I trusted that Bell was able to protect himself at that point. He was covering the guy with a rifle. So I ran around to the driver's side, and the female was there with the door open. And I told her to turn the car off and just keep her hands where I could see them. Shortly - I can't really say how long, but I'd say maybe 20 to 30 seconds - Burnett and Pfeiffer, our partners, arrived and assisted Bell with - I believe they recovered a firearm from the suspect and took him into custody and started like some CPR on him while I watched the female. I believe Burnett and Pfeiffer were dealing with the suspect, and I believe Bell walked over with the handgun that he said was the suspect's, and he set it on the rear bumper of the suspect car, the white - I believe it was an Isuzu Rodeo, and he came over and handcuffed the driver, and I stood and just watched that handgun until I believe it was Detective French had gloves on and grabbed it and secured it. And kind of that was kind of the end of my involvement with the incident.

Q: Okay. You did good. It's very descriptive. So when you guys were shown the briefing, you said you were shown a photograph of the suspect, of Mr. York.

A: Yes, sir.

Q: Is this the same or similar photograph that you saw?

A: Yes, sir, and I'm sorry. If I could go back, I forgot to mention.

Q: Sure.

A: So based on the phone pings and everything we had seen, I was confident that our suspect was in that Isuzu. When the car door opened and I saw the gun, I further thought this is going to be our guy, but once we were face-to-face, it was a positive identification that this was who I was giving commands to.

Q: Right, before the shooting.

A: Before the shooting, yes, sir.

Q: Okay. And was there any warrant issued or are you aware of?

A: Yeah, I'm sorry. I skipped over that. So part of our briefing was his criminal history as well as the event that occurred in Elk Grove. Additionally, we were told he had a warrant for being a parolee at large and additionally had a \$1 million Ramey Warrant for a carjacking and burglary.

Q: Okay, armed carjacking.

A: Armed carjacking, yes, sir. And the gun was outstanding.

Q: Okay. So just to help clarify a few details about the scene, these are two aerial photographs, just different perspectives from the air unit. Now I can't say that this is exactly where every car was parked at the time of the shooting, but this is how it was once the scene was frozen.

A: Okay.

Q: So Isuzu Rodeo here, and I believe this is them performing medical aid or something to that effect. I think this is just the opposite angle, again of the - looking at right the Rodeo. So where was your - where did you end up parking your car?

A: So initially I was probably about here. I think this is my van here, but I believe initially I was right here approximately.

Q: Okay.

A: And he exited I would estimate right around here on foot.

Q: Okay, so did you originally stop your car here and get out?

A: Yes, so as soon as that door opened, it was about here. I stopped and grabbed my rifle and jumped out and engaged him.

Q: Okay. And then did you end up parking after the incident?

A: Yeah, once they were both being tended to, it was kind of chaotic and stuff, so I just real quick pulled my car in there, secured my rifle, and locked it.

Q: Okay. So that makes sense.

A: So I would estimate it was like right about here I stopped and jumped out, and I was probably about here, and he was, you know, probably about here as we engaged each other verbally.

Q: Right.

A: And then ultimately we ended up there.

Q: Okay.

A: And I feel - I said at the scene I feel like his car might have rolled forward because I feel like it was kind of parked regular. Like when I was looking - I don't know if it's okay to say, but when I was looking at the rounds on the ground or the casings on the ground in relation to the vehicle, it seemed like she might have rolled forward after we shot him maybe.

Q: Okay. To your recollection is this the same spot that Deputy Bell stopped?

A: Yeah, I believe that's - well, I never saw him stop. I never even saw him. I was solely focused on my guy, my suspect York.

Q: Right.

A: I was confident Bell was in my vicinity, because I knew he was behind me when we turned in. This was a good move on his part, because I think he was anticipating cutting them off.

Q: Right.

A: But when he saw this go down, he obviously, you know, jumped out and honestly, that might have saved me. He might have thought I was by myself. He might not have seen that sheriff car and York, I kind of feel like he might have seen or felt Brian yelling at him, too, and he was like, man, I can't win this. So.

Q: Yeah, good call. Just another detail that I wanted to clarify. So right here next to the suspect's white SUV, was there another car that was parked in here?

A: Yeah, there was - so again it was a very congested parking lot. I did not see prior to the shooting, but right after - I mean I knew there was a car next to hers, but there was an occupied vehicle. I believe it was a black Charger with a male adult in the front driver seat, and I believe he might have - I didn't see, but I think I heard he had some kids in the back and was parked right there. And then I believe there was another car next to him with an Asian female. So there were two cars right next to the suspect vehicle during our engagement.

Q: Okay. And they moved obviously shortly thereafter.

A: Yeah, I think they repositioned maybe over near here and waited.

Q: Okay. That clarifies things. Okay. We'll probably take a break here. Do you have any questions at this point?

A: No, I don't, no.

Q: Is there anything else that you want to share at this point?

A1: I had a couple of clarifying questions.

Q: Yeah, okay.

A1: You were describing earlier giving commands for him to show his hands. Did you give him any other type of commands as to who you were or anything like that?

A: Yeah, I'm pretty certain. I can't say with 100% certainty, but it's pretty common given our attire that we identify ourselves. That's a big thing we're concerned about a lot is people knowing who we are. So yeah, I'm pretty confident, you know, I said, you know, "Sheriff's Department, let me see your hands," you know, repeatedly. And there was no doubt in my mind he knew exactly who I was from when I was following them on the freeway until we got out and were face-to-face with each other.

Q: Well, and you had mentioned that Deputy Bell who was in the marked unit, how closely behind was he when you guys ended up pulling into the parking lot?

A: Bell was right behind me prior to exiting, so he was kind of holding back a little bit as we turned eastbound on 80 from 5, but that was the point I knew this was likely our guy based on the phone ping we had just gotten right at that time.

Q: Right.

A: And I requested him to come up closer to me to assist for this type of scenario.

Q: Okay. So as you guys were making your way into the parking lot and then northbound through the lot, he was behind you?

A: Bell was behind me, yes.

Q: Okay.

A1: Do you recall about how many times you gave him commands?

A: I would say no less than two to see his hands, and it was pretty quick that he took off kind of jogging back to the car. And at that point I yelled two to three times, "I'm going to fucking shoot you," you know. I spent all that time on SWAT and this is a high-risk job. I've never had to shoot anybody. It was, you know, definitely the last thing I wanted to do.

A1: You had described seeing a gun as he got out of the car?

A: Yes, sir, it was from my perspective as he opened the front passenger door, I believe I saw his right leg and his right hand, and I'm fairly certain it was a black handgun. In my mind that's what I saw enough to the point that I said it on the radio that he's got a gun and he's, yeah, something along the lines of he's got a gun.

A1: And during the encounter, did he ever make any movements to you where it appeared that he surrendered the gun?

A: No. So when I got out of the car and came around the front of my vehicle, he was taking steps in my direction, and we were face-to-face, and I was yelling at him, "Sheriff's Department, let me see your hands," and I could not see the gun, and I don't recall seeing the gun or his hands at that point. And, you know, I was looking right over my optics prepared to fire based on him getting out with a handgun and everything I knew up to this point. So I can't say for sure exactly where that gun went in that moment or his hands, and I'm kind of kicking myself for that.

A1: Did he ever put his hands up?

A: No, he never made any - I don't recall him ever saying anything to me. At no point did he raise his hands or make any attempt to surrender. The only actions he showed me was that he was getting out to confront me with a gun and that he was taking off on foot to, you know, injure or kill or hold someone else hostage or - those were the thoughts running through my mind.

A1: You had mentioned people in cars parked next to the vehicle he had exited out of, is that correct?

A: I did not see which cars were occupied, as I was solely focused on him, but I knew that this was a very congested shopping center parking lot. I knew there were a lot of people, citizens, in that area, and I also knew I had other officers coming to assist me. They may not have known exactly where the suspect was running to, so my sole focus and concern at that point was to protect the community and my partners from getting shot.

A1: Now you mentioned earlier that you saw the other deputy put a gun on the bumper after the incident, is that correct?

A: Yes, sir.

A1: And how did that gun look compared to the gun that you saw as he exited the vehicle?

A: Same description. I saw what appeared to be a black semiautomatic handgun in the suspect's hand as he exited his car, and I believe that's what was placed on the bumper by Bell.

A1: That's everything I have for right now.

Q: Okay. Take a short break, see if there's any other questions, okay?

A: All right.

Q: Okay, so we just have a few clarifying questions. When you first pulled into the parking lot here, you described it as it was congested and that it looked like there was a lot of people. Did you see a lot of people out and about in the parking lot when you got here?

A: Once I exited my car, even like as I was following them, when I said it was like congested, I just meant kind of midday, busy like shopping center.

Q: Right.

A: But my sole absolute focus was on him - well, on the vehicle initially, and then as soon as that door opened, I was 100% focused on him and what was behind him as far as if I had to shoot.

Q: Okay, right. Okay. But you said there was like - were there other cars driving around and what not?

Q: All right, okay, yeah, sure. So I just want to try to - and I know it all happened fast - but at the point when you were here, you said you saw his car door open. You said you saw his leg, and you described his hand with what appeared to be a gun in his hand.

A: It appeared kind of like at waist level. To the best of my recollection it was...

Q: In his right hand?

A: Yeah.

Q: Okay.

A: It appeared to me that the door, as the door opened, if this is the front passenger seat, like a right leg swung out and I believe I saw a gun at waist level. To the best of my recollection that's what I saw.

Q: And did he exit at that point, the car?

A: Yeah, the door opened. She kind of like slowed down real slow, or the driver did. The door opened, and he immediately stepped out.

Q: Stepped out.

A: And I slammed my car in park, jumped out, and he's kind of like in the middle, and I'm right here and...

Q: Okay. And when you were now out of your car and he's walking, was he walking kind of in your direction towards you?

A: Yes, towards me, but also like I wasn't sure if he was going to run or come right at me, but we were kind of basically like face-to-face.

A: No, I can't recall having a view of his hands at any point, and that was a big fear was him getting out of my view and taking a spot behind a car and getting some coverage, shoot me and you know, again, I didn't know who that female was. I didn't know if she was a willing participant in this. I didn't know - I mean he's held himself hostage a couple days prior. I didn't know if he was gonna carjack her, shoot her, hold her hostage, shoot at me or Brian. And so I was trying my best to keep a visual on him and but prepare for him to turn and shoot.

Q: Right. And so he did get all the way back to the front passenger door of the Isuzu, right?

A: Yeah, he was in that area.

Q: Okay.

A: I can't recall if the door was already open or if he opened it or if he stepped in or like - I just remember at that point I made the decision that I need to stop him right now and prevent anybody from getting injured or killed by him.

Q: Okay. Mr. Welty, do you have any other questions?

A1: I just have one follow-up to that. At any time as he was going back to the car up until the time that you fired, did you see anything that led you to believe that he no longer had the gun in his hand?

A: No, I hadn't - all I knew is that he had a black handgun and that he was not listening to me at all, and yeah. At that point it was just the fear that me or Brian were going to get shot or someone else was going to get injured or killed by him.

A1: So was it your belief that he may have still had the gun in his hand at that time?

A: I was confident he had the gun. I did not know exactly where, but yeah, I was definitely heightened awareness that he could turn and shoot at any second. Yeah, just I lost track of his hands and the gun, but I knew I saw it.

Q: Okay. And the next time that you did see the gun was after somebody had placed it on the bumper.

A: Yeah, once he was on the ground, I immediately went to go deal with the driver, because I didn't know her intentions.

Q: Right.

A: If she was okay or hurt or if she was involved and had a gun, too.

Q: Right, okay. Do you have anything further?

A1: Nothing further.

Q: Do you have any other questions?

A: No, sir.

Q: Okay. And your current assignment there?

A: The Special Enforcement Detail.

Q: And what assignments have you worked other than Special Enforcement detail?

A: I've worked at the Department's Crime Suppression Unit.

Q: Okay.

A: Patrol and also as a jail deputy. And I've also worked as a Gang Intelligence Officer at that time.

Q: Okay. Have you worked for any other agencies prior to your employment with the Sacramento Sheriff's Department?

A: Yes sir I worked with the City of Sacramento Police Department as a police officer and was sworn in on December of 2009.

Q: Okay. Any other agencies other than that Brian?

A: No sir.

Q: Okay. Tell me what the responsibilities of the Special Enforcement Detail are please.

A: The responsibilities are respond to high risk situations such as active shooter, barricaded subjects, hostage rescue and also high threat level subjects that come in, obviously violent felonies.

Q: Okay. And that was the capacity as a SED deputy that you were in today?

A: Yes sir.

Q: Okay. So and I see that you're in kind of a alternate uniform.

A: Yes sir.

Q: Can you explain to me your attire based on your assignment and what your role was today...

A: Yes sir. Our attire on a normal day would be our BDU pants and/or shirts and I also wear a tactical vest, to say a patrol vest with the ability to receive magazines, our patrol radio, things of that nature that we utilize in a high frequent volume within our area - chest area to quickly access.

Q: Okay.

A: Our vests displays our badge which I had on my left shoulder, it says Sacramento County Deputy Sheriff, my badge number within there, and also the word Sheriff written in about a 3 x 12 patch in bright yellow letters against a solid black background. That vest has that patch on the front and also on the rear to clearly identify ourselves as peace officers.

Q: Okay. And what weapons were you carrying with you today? I know you went through a round count earlier and you probably described those weapons and that round count but if you could just for my edification if you could talk to me about the weapons you had assigned to you today?

A: Yes sir. Today I was carrying my issued handgun which was a Glock 17, 9 millimeter, carried that on my waistband on my hip, my duty belt. I was also carrying my Department issued Colt M4 assault rifle...

Q: Okay.

A: ...which is also a Department issued weapon.

Q: Okay. Do you wear any other accessories as far as a Taser or OC or baton or anything of that nature?

A: As far as that I did not - did not have it on today but yes I will carry another form of less lethal such as our OC.

Q: Okay. Were you wearing a body worn camera today?

A: No sir.

Q: And what is your normal shift Brian?

A: My normal shift is Tuesday through Friday, swing shift hours from 2:00 pm to midnight.

Q: Okay. And were your - what hours did you begin your shift today?

A: Today I began at approximately 1130, 1145 hours I believe is when I got the call to assist our Major Crimes Bureau.

A: I was solo today, sir.

Q: Okay. Prior to this incident did anything other - any other critical incidents occur today that you were involved in?

A: No sir.

Q: Okay. So I understand that you were tasked with - I know you said that one of your responsibilities is a fugitive - fugitive detail?

A: Yes sir.

Q: So explain to me the mission you were on for today and some of the information that you received about the person that you were trying to apprehend and what information was available to you at briefing, your own intel work up of this individual or what - or what were the circumstances based on your assignment today.

A: Yes sir. Yesterday at approximately 10:00 am we received a call out page from our sergeant stating that our team was needed to assist the Major Crimes Bureau which is our Fugitive Apprehension Team in locating a armed carjacking suspect. It was brought to my attention that he and two other gentleman initially went into a store in the Elk Grove area and committed a crime within that store. Upon exiting the store the Elk Grove Police Department made contact with the subject and those two individuals. At that time two individuals were taken into custody and the outstanding suspect presented a - presented a firearm to the Elk Grove Police Department and I believe he pointed it either at himself or next to his head. At that point a vehicle pursuit ensued, from there a subject got out of his vehicle and fled the scene on foot in which the Elk Grove Police Department to my knowledge lost sight of the subject. Within that timeframe that subject attempted to carjack another victim, a civilian, within the Elk Grove area. He was unsuccessful. He committed that attempted carjacking with the use of a firearm which was relayed to us. Secondly after failing to carjack the first victim he moved onto a second victim and wasn't able to successfully carjack that victim at gunpoint, prevented - excuse me, obviously showing the - his progressions into committing a violent felony, a dangerous felony and putting that subject's life in danger. At that point when he carjacked that vehicle he - he got away from the police. To my knowledge the Elk Grove Police Department were able to get a warrant signed and go on electronic surveillance up on the suspect's phone and try to pinpoint the location that he was at. That was briefed to us on Sunday morning. What was also briefed to us is that the suspect had prior military experience. I believe they said he was in the military and trained. I believe his assignment he might've been MP. In addition to that we were briefed on our Rules of Engagement and also Graham v. Conner, which is obviously the case law, and also our department's policies of use of force which is 2-11 in our department's policy of - Firearm's Policy which is 2-05, which operates within the confines of the law of the state and also the nation and give us our ability to engage a suspect or person when an amount of reasonable force is necessary.

Q: Okay. So in this briefing you were given the details of the incident that occurred in Elk Grove.

A: Yes sir.

Q: So that was the briefing you received about their - their case.

A: Yes sir.

Q: So I'm assuming that Elk Grove elicited the Sheriff's Department...

A: Yes sir.

Q: ...to handle the - the apprehension of this - this individual?

A: Yes sir. In addition to the briefing during the briefing we were also given the suspect's picture, we received multiple pictures of him, whether it be different mug shots, one of him with a - with a beard, one without. I think one of them might've been like a DMV photo, also numerous pictures of the suspect. Yes sir that is one of the pictures right there.

Q: This is one of the pictures...

A: Yes.

Q: ...you received in the briefing?

A: Yes sir.

Q: Okay.

A: Along with that we were presented with his history, know that he is also a parolee and also a parolee at large so a wanted fugitive at this time, active felony warrant for his arrest. Also it was stated that he had prior criminal history for possession of weapons, possession of firearms, also robbery, carjacking and also resisting arrest. So all of these things that was - that were related to us showed that he was a violent felon and to coincide with his actual acts with the Elk Grove Police Department and also by carjacking a civilian.

Q: Okay. And you mentioned that he had used a gun and that you were told that he used a gun in that briefing?

A: Yes sir.

Q: Okay was that gun to your knowledge ever recovered...

Q: ...by Elk Grove or was that still outstanding?

A: No sir the firearm was still outstanding.

Q: Okay. So in that briefing were you basically told that this individual could be armed and was considered still armed 'cause the firearm...

A: Yes sir he was still considered armed and dangerous and a very high threat risk due to his actual actions of attempting to carjack the one person and also presenting a firearm to Elk Grove Police Department and then successfully carjacking a secondary person in which he was able to obtain the vehicle...

Q: Okay.

A: ...and flee the scene.

Q: Did you get any information about what that vehicle was or...

A: Yes sir.

Q: Okay. Can you - can you describe the vehicle he was associated with or...

A: Yes sir.

Q: ...any address or individuals he was associated with?

A: Yes sir. It was - it was shown to us in a picture in the LPR system that the vehicle appeared to be a white colored SUV, possibly like maybe a Nissan Pathfinder or Isuzu Rodeo with a sticker on the back of it on the tailgate that also had a picture of a (unintelligible) on the - on the rear of the vehicle. That was the known vehicle that he carjacked from the victim. We additional received information he could possibly be - have a - be traveling in a white Nissan Sentra or Altima, newer model. In addition to that possibly a dark colored older model Honda Odyssey van.

Q: Okay. Do you remember Brian about what time that briefing was on Sunday?

A: Approximately 11:30 ish, 12:00 at the latest. I would say around - between 11:00 and 12:00, sir.

Q: So explained to me after the briefing basically what your team gets together, assignments are given or what - what...

Q: ...what specifically were you tasked with or what did you do after the briefing subsequent to the investigation?

A: So at the briefing we're actually given the verbal issuance of the Graham v. Conner, we went over that...

Q: Mm-hm.

A: ...and also I received a - a hard copy of what the Department's use of force as far as the shooting policy, obviously in self-defense, defense of another person.

Q: Yeah so - so...

A: And...

Q: ...explain that to me and - and specifically what your understanding is of your policy and what the - the case law is on that.

A: So my understanding with the policy is justification for the use of deadly force must be limited to what reasonably appears to be the facts known and perceived by an officer at the assign- at the time when the decision is made to fire their weapon. Facts unknown to the officer no matter how compelling cannot be used against them. With that being said, our policy also goes in to state that officers may use their firearm or deadly force in defending themselves when an officer has reasonable cause to believe that the suspect poses an imminent danger of death or great bodily injury to that - to the officer and/or the defense of another person. An officer has reasonable cause to believe that the suspect poses an imminent danger of death and/or great bodily injury to the other person so for their defense. In addition to that it goes obviously to effect an arrest, prevent escape or recapture escapee when the officer has reasonable cause to believe that the suspect poses a threat of danger - excuse me, of death or rape bodily injury to officers or the suspects should the suspect escape and/or make good on their escape. And where these officers shall issue a warning prior to firing. Within that being said, that also falls into the confines of Graham v. Conner which is obviously, you know, does the suspect pose immediate threat to the officers and/or the public, next is what is the severity of the crime. In addition to that is of- is the suspect attempting to fight or flee. And with that being said, the suspect had already committed the violent felonies, the violent felonies being carjacking and putting that person's life in danger by using the firearm, failed on one and continued to go after another suspect after the failed attempt. That showed to me his mind (unintelligible) it's all or nothing so he's in to, you know, to do harm to somebody.

Q: Okay.

A: In addition to that the mind frame of is he posing a threat of danger to obviously death or great bodily injury to ourselves or the public? He does, obviously he presented a firearm to the Elk Grove Police Department and also the public. And showed that he was willing to do whatever it took to escape and flee custody, flee apprehension. And so with those things being said, in my frame, my thought process is this person

is the real deal, he's - he's not trying to go back to prison and/or be apprehended. So my level of attention is very high at this point and also my - my care for the citizens and also the officers and myself and also more so to the public. You know, this person, he's willing to duke it out and put someone's life in danger. And so my thinking is we want to apprehend the subject to prevent him from doing any harm to us and/or the citizens obviously.

Q: Okay. So after you basically reviewed your Rules of Engagement after the briefing what did you - what did you do after that? What was...

A: So my part- sorry.

Q: Go ahead.

A: My partner and I, another Special - Special Enforcement Detail Officer, Deputy (O'Brien), we were assigned to ride together and at that time our assignment was to assist Major Crimes in locating the subject. With that being said...

Q: And sorry I don't mean to interrupt you Bri- Brian, I'm sorry, so you said your partner and (O'Brien), or (O'Brien) was your partner?

A: (O'Brien) was my partner. Sorry about that.

Q: Okay.

A: So we were assigned with assisting Major Crimes, a phone at this time had just pinged so the electronic phone warrant was signed...

Q: Mm-hm.

A: ...and it pinged in the Lincoln area, I think at the Home Depot or Target parking lot.

Q: What does - what does pinged mean?

A: Ping means there's a location given from the cell phone company to us law enforcement, that the phone was in this specific area...

Q: Okay.

A: ...within a certain amount of meters. And at this time I believe it was a very low (meter) of error which means that there's a high probability that he was at this specific location.

A: It was in Lincoln, I believe it was at the Home Depot and/or Target, I think they're in the same actual parking lots up in Lincoln.

Q: Okay. Do you remember what call - about what time you got to the Lincoln Home Depot parking lot and set up surveillance on him?

A: I would say it was probably close to 12:00 ish.

Q: Okay.

Q: Right. And what vehicle were you in at this point?

A: At this point we're in unmarked County vehicle, it was a gold colored Chevy Silverado.

historicals which means that the phone may be in a certain area but it's unknown because the phone is shut off so maybe it connected to a Wi-Fi real quick or as a text and that was going more toward the Lincoln - excuse me, the Marysville, Wheatland area. So we got one and there was a 3,000 meter error which means that it could be anywhere within 3,000 meters from this specific tower. And so while we were traveling there was other detectives that were continuing the investigation at the station and running up all the suspect's history and his - his contacts...

Q: Mm-hm.

A: ...and there was a contact located in the Lincoln - excuse me, in the Marysville area that we believe he could possibly be traveling to being that the phone was traveling in that specific direction. That time we traveled to that location, my partner and I did not make it, we got a flat tire. So once we fixed that we got to the Marysville area but didn't actually go sit up on the target location, other officers were there...

Q: Mm-hm.

A: ...said that they did not observe the actual suspect vehicle on scene so just set up a loose surveillance in the area in unmarked cars. From there we got a ping that said that the phone was in the North Highlands area, I don't - I don't remember the specific location but it was North Highlands area with I think maybe a 700 meter error. At that point we traveled to that location, while traveling to that location the phone then pinged somewhere closer to the city of Sacramento, so we could tell that he was on that back to west or southbound relation towards the city of Sacramento, county of Sacramento. From there the phone pinged one more time in the area of I think it was Stockton and T Street, right around that freeway interchange where like 99, 88 and 50...

Q: Mm-hm.

A: ...all meet. And then the phone got shut off again. So from there while we were continuing the investigation one of the detectives found that there was a fiancé or a girlfriend, a very close female confidant of the suspect and her phone - being that she as possibly in contact with him a warrant was written to monitor her phone. At that time her phone pinged within the downtown Old Sac area...

Q: Mm-hm.

A: ...which I think was Front Street and J Street. So with that investigation, with the experience and everything that we have we believed that the suspect may have possibly traveled that obviously freeway interchange and possibly was meeting up with the female confidant of his. So we believed so we...

Q: Okay.

Q: Mm-hm. Real quick Brian, I apologize for interrupting, what's the timeframe now between you were at Lincoln and Marysville over to now you're in kind of the Old Sac area, what's the timeframe between...

A: We're thinking prob- I'm thinking probably around between 2:00 and 3:00 ish now.

Q: Okay.

A: I think that...

Q: So we're a couple hours from the initial...

A: Yes sir.

Q: Okay.

A: Yes sir.

Q: All right.

A: So that we're on - so we're there around and the phone keeps on pinging within that river way, along Miller Park, the Old Sac museum, uh, the Railroad Museum...

Q: Mm-hm.

A: ...so the Miller Park area along that Broadway and along the river. So at this time we don't know if they're mobile, if - if they're at Embassy Suites 'cause there low meter errors but they were within that area and so we didn't know if they were like walking back and forth, whatever the case may be.

Q: Mm-hm.

A: So from there th- her phone went down briefly and then when it did come back up it was southbound Highway 99 I think at Florin Road. So we believed that it was possible that the subject obviously made it past us and we didn't - were - were not able to successfully observe them, responded to this - that ping going southbound on 99 at Florin, I think that was at approximately 4:30 or 5:00 ish, it was starting to rain pretty heavy. Then we got another cell phone ping that was at Highway 99 and Bond Road. This time it was a low meter error so when we swung up to the area we got one more ping that said it was within 7 meters East Stockton and - and East Stockton and Bond.

Q: Okay. So...

A: A very close proximity, within about 5 yards.

Q: So for this type of technology it's very accurate.

A: Yes sir.

Q: Okay.

A: Yes sir. And so that put her at the In-N-Out food - food restaurant so it was a high likelihood that she was in there. So at that time we sent in - we surrounded the - the area and closed off all the ingress egress areas...

At that point the team was very confident that the suspect was not traveling with her and at that time we made a decision, the bosses made a decision to reconvene if, and, or when the suspect's phone was to actually online again which means he powered back on we can actually get credible pings from his phone. Q: Okay.

A: So we were tasked to respond quickly. Obviously knowing the suspect's history and also likelihood of his phone, us getting actual very good specific ping like that could be low so this is one of our very good opportunity, high - high likelihood that we would actually be able to safely apprehend the subject. So I responded to the area, I exited southbound I-5 at Richards Boulevard. At that time radio broadcasts were being updated that a possible subject was in the - in the parking lot of what I think the Governor's Motel, one of the motels right there.

Q: Mm-hm.

A: Initially I was responding to get in the car with another officer for safety-wise to be with another officer, as it worked out the suspect exited the location, a detective got a visual on the subject but it was very possible that it could be him but could not 100% confirm that.

Q: Okay. And then where are you at this point?

A: At this point I am literally at the stop light at southbound Richards and Ber- excuse me, southbound I-5 and Richards.

Q: Okay.

A: I'm just getting ready to come eastbound under the I-5 freeway to make contact with our detectives.

Q: And what are you driving and...

A: I...

Q: ...what are you wearing?

A: ...I'm wearing the uniform as we discussed already...

Q: Mm-hm.

A: ...with the tac- tactical vest and the...

Q: Mm-hm.

A: ...pants. And also I'm in a fully marked black and white police patrol car with - that says Sacramento County Sheriff on the side of the vehicle in big bold letters, and also the overhead red and blue lights.

Q: Is there any reason specifically why one day you're in an unmarked and the next day you're in a marked? Or is it just anything in particular?

A: It depends on the situation. I was actually responding to get into an unmarked vehicle due to the nature of the crime. We did not want to obviously spook this gentleman and have him, you know, grab a hostage or anything of that nature, that's our mindset because...

Q: Mm-hm.

A: ...he's already committed two - committing violent acts based...

Q: ...it just kind of happened that way?

A: Yeah it's how - how it worked out...

Q: Okay.

A: ...when we responded, we were told to get there and, you know, quick.

Q: So the information you're given is there's another detective in surveillance...

A: Mm-hm.

A: So I'm hearing...

A: ...over the radio that the subject has got into a - a white colored SUV with a white female passenger, possibly heavysset or not large like obese but just a larger build.

Q: Mm-hm.

A: (Unintelligible) had a - his hoodie sweatshirt jacket and a hat on, that's why they couldn't give 100% confirmation that it was the target subject but it matched the description as far as the male like the height and also the - the build of the subject. Q: Mm-hm.

A: ...where a marked vehicle is needed. So it's just situationally based if that - that makes sense.

Q: Mm-hm.

A: So going back to this information, received that information over the radio, the gentleman that I was - my teammate that I was going to link up with to get in his car 'cause he was by himself, that I was going to partner up with, he gets behind the target vehicle...

A: So he gets behind the vehicle, they are now travelling westbound on Richards Boulevard from Bercut. And at this time I am under the freeway overpass, I see Lemus and I see the target vehicle so if this is me going eastbound, target vehicle's coming up westbound, we see each other as far as the target vehicle marked, that vehicle makes an abrupt turn to turn on northbound I-5. From there I asked Detective Lemus if he is confident if when that subject, if he thinks he wants me to go behind him 'cause he was by himself at this time.

Q: Mm-hm.

A: He responded he wants me to continue with him, obviously for officer safety, that's a high likelihood that this could be our target subject. Target subject was also announced that he was sitting in the front right passenger seat and that it was a female driver. That information was also put out on the radio.

Q: Okay.

A: Get behind - at this time I attempt to conduct a U-turn at the intersection of Richards where I just passed the I-5 freeway prior to the Bercut, get on northbound I-5, he's - while we're driving he sees - Detective Lemus states that he sees the suspect moving around in the vehicle and then tries to hunker down as if he wasn't in the vehicle to make himself obviously unknown to us to con- hide and conceal himself.

Q: Mm-hm.

A: At this time we are northbound I-5 in the actual Garden Highway exits lane. I'm approximately four to five cars back that - that I can recall. From there just prior to the getting off on the Garden Highway exit the vehicle then makes an abrupt lane change to get back into the - the continuation northbound I-5 lane.

Q: Okay.

A: With that being said, he voiced on the radio again that he - that the suspect in the passenger seat is now moving around, reaching around in the backseat, believes that - he may have said that he was retrieving a backpack or something of that nature...

Q: Okay.

A: ...retrieved some- an item from the back seat and then put it up in the front seat. And...

Q: ...and tailing them and you observed driving behavior like that what - what is - what are you thinking at that point?

A: Yes sir. At that point exactly I was going into was that from my training experience those are evasive maneuvers, co- counter-surveillance to see if anybody is tailing you then obviously those maneuvers would show that - that they are being followed. In addition to that it showed the suspects state of mind is that he knows that the - that there's law enforcement behind him, now they're attempting to devise a plan to make their escape and/or make their stand up against law enforcement. So my mind was immediately jumped, I was already on, you know what do you call it, high alert or however it may be termed, coined. Now it has escalated even more that this is very likely gonna be our suspect and he is going to attempt to evade us and - if, and or when confronted by law enforcement. So being that his - being that he has his past history and everything he did leading up to this...

Q: Mm-hm.

A: ...in the present time he's - in my mind like he's getting ready which means that it's a very high likelihood that the suspect is gonna endanger our lives and/or the co- someone in the community's life.

Q: So what would you estimate his speed at this time?

A: At this point, I would have to look on my - go back to my in-car camera but we were traveling at a high rate of speed I think, at least approximately 70 to 80 miles an hour.

Q: Okay. And how far back are you at this time?

A: At this point I - probably - continuing up to Garden Highway when I saw him make the evasive lane change I was about five car lengths back prior to getting on the I-80 interchange to go eastbound. I think I was about three cars back now at this point, two or three cars.

Q: And where is Deputy Lemus?

A: He's one to two car lengths behind the, uh, target vehicle, sir. And there's no tinted windows or anything on that - on that vehicle. I believe I - probably the sir that I estimate he was probably directly behind the target vehicle which is why he was able to get a very good knowledge of basically running of the suspect, his acts and what he's doing...

Q: Okay. So just walk me through what - as you're going northbound I-5 now from Garden Highway.

A: So now we're northbound I-5 from Garden Highway about two to three car lengths within - from Detective Lemus which put me about at least three to four cars behind the actual target vehicle...

Q: Mm-hm.

A: ...continue ac- we make the change to eastbound 80 and from there the target vehicle I believe it changes one or two lanes, again we're at a high rate of speed, at least 80 miles an hour to my guesstimation.

Q: Mm-hm.

A: At that time Detective Lemus voices, "Hey I think that - that we're making," and excuse me, back up, prior to that, when those evasive maneuvers were going on he asked for additional units to respond to our location being that the totality of everything was starting to come to a head.

Q: Mm-hm.

A: With all the information and facts that we were given and within that timeframe as we got on eastbound 80 to prior to Truxel a new phone ping came in and said that the target vehicle - that the target cell phone had actually left the location that - that we were all at prior to that we were - I wa- that I was travelling to initially at the Governor's Motel and left the area, it was about a 700 meters, maybe 1000 meter error which would have put us - or a couple thousand meter which would've put us pretty close to where we were t now. So with that being said, the meter error with the ping it's now gone, the suspect's action, then the vehicle when encountered by law enforcement which we believe he knew we were there started to all match up now that this is actually our target suspect being that the phone ping had left. So from there we are coming up on the exit of Truxel Road, I am now directly behind Detective Lemus but probably a few hundred yards. Car is still travelling at a high rate of speed, the car now runs a red light against oncoming traffic and turns right which would be southbound Truxel from the Highway 80 exits.

Q: Mm-hm.

A: At that time Detective Lemus was able to mo- maneuver his vehicle within I think one or two car lengths. I was able to get traffic to stop prior to safely entering the intersection and then getting behind - I think I was one or two car lengths behind him at that point. We continued to travel southbound Truxel from I-80, passed through the intersection of San Juan right there, I think it used to be a Save Mart I think now it's a Food Maxx intersection, there an grocery store on the right hand side. And at this time I'm approximately - I think I'm directly behind Detective Lemus in his van. Um, at this point we slowed for traffic and make a right which would've been a westbound turn into the - the shopping complex area, I think there's a - bank straight ahead of us to our left as we're making our turn in but prior to making the turn the target vehicle turns in, I'm probably no more than 10 to 15 yards distance from the target vehicle 'cause now we're perpendicular, he's sitting in the passenger seat, he

looks over his right shoulder, he looks like - I feel like he looked directly at me and I made eye contact at this point, I feel like have 100% confirmation- this is our subject. Q: Mm-hm.

A: And we pass - I'm going south on Truxel still to the turn in and he's going north and we're within yards and I see him and I'm like this is our subject. Detective Lemus radios at this time that if there's any additional air support, additional units that this is our target - target vehicle. At this time I see him walking toward my partner I immediately go over to him toward his area because at this point the suspect is directionally facing at the store. Q: Can you see anything in his hands at this point?

A: I hear my partner giving commands, he's not listening. I th- I believe, "Show us your hands, stop moving. Show us your hands, stop moving." Um, he's non-compliant, at this point I break the - the threshold of - there's a vehicle that was parked near - near my partner, break the threshold to align myself between the civilians behind us so there's no, you know, if he does decide to shoot it out at least we're a buffer so no one else gets hit if that kind of makes sense.

A: Some of those commands, "Show us your hands. Show us your hands. Stop, you know, show us your fuckin' hands." And for me if he's not complying with the normal quote, unquote respectful responsible commands of show us your hands, stop moving, than obviously he's going through a cycle right now in his mind that he's thinking this is a fight or flight moment right now. And we just received training I think literally like a week or two ago max of threat indicators of suspects.

Q: Mm-hm.

A: And basically once you get, you know, two or three indicators and it becomes cluster which means those three indicators all come together it's a very high likelihood that this suspect is no longer - and he's not fleeing, that's it's going to be more of a fight as opposed to flight so he will continue...

waistband again that I can see, I saw the opposite elbow or something of this nature. At this time I thought I - I saw what was like a black object and to me based on my training and experience I believed that to be a firearm and that's where suspects normally conceal their firearms is within their waistband. At this point I believe I hear my partner yell, "Gun gun gun." And that's when we initiated contact to neutralize this threat based on me being in fear for my life, my partner's and also the immediate witness who was less than two feet from where we were. And so I'm just at a heightened state of - of fear for them, obviously our round count - not round count, our - our round placement they, you know, I made a little, you know, there's nobody within my backdrop, he's at A- he's at the B and A - A and B pillars of his vehicle so I believed we were safe in neutralizing the subject at that time. Um, but more so when he made the defer the movement to go to his waistband, partner's yelling, "Gun," I can't see what he sees, I only see what I thought I saw was perceived to be a firearm.

The suspect he's still upright within that doorwell and still kind of moving but he's not - he's no longer moving in a - the quick manner that he was. So at that time I stop firing and the suspect kind of turns around but falls towards his - toward us on his chest - chest area.

Q: Mm-hm.

Q: Okay.

Q: Okay.

A: And like the waistband area. So he - so he's laying down so the - the hand that would have been drawing that weapon is now under his stomach. His right hand is now placed out - excuse, his left hand is now placed out toward - toward me.

Q: Mm-hm.

A: Still issuing commands to show us his hands, show us his hands, don- don't reach for the weapon, obviously we see the weapon in plain sight right there at the time sitting like half way to three quarters out of his holster just sitting on top of his back. I again tell my partner, "Hey, you know, the gun's still on him. The gun's still on him." Giving the suspect commands, at the same time giving the radio updates, you know, shots fired, officer okay, suspect down. I believe my partner was also giving updates, you know, to start medical. At that time the driver of the vehicle came out which was the female that he was traveling with, Detective Lemus detained her, I was still holding on the suspect 'cause I could not - I didn't want to approach him while his right hand was still under the - his - his - his stomach area because obviously he was still moving his hands and chest, coming up and down off the pavement at a matter that would make...

Q: Did - did you know at this point that you stuck th- this - the suspect?

A: Yes sir.

Q: Okay.

A: Yes sir. So obviously I knew that he was down but again also we're trained to believe that if a suspect has one gun he possibly has another firearm also and that hand was literally right under his chest toward his waistband area. And so I waited for additional units to arrive prior to making contact with the suspect, at that time I was less than 3 to 5 feet from him holding on him, and I'm holding on him, I mean I'm standing up, I still had my rifle pointed at - at him. My partners - our partners come on scene, I retrieve the weapons from his waistband, I back up, the partner's placed him in handcuffs and immediately began life saving measures with the suspect in giving him CPR. I placed the firearm on the back bumper of the suspect vehicle but I didn't know what condition it was in so I didn't want to put it in my pocket...

A: And I'm also - there's still very few of us, I didn't want to (unintelligible) somewhere to leave and go to my car when there's still only like three to four of us there...

Q: Mm-hm.

A: ...'cause there's still multiple people within this shopping complex. Placed it on the back bumper briefly, I placed - I asked Detective Lemus, he was dealing with the female driver of this vehicle, I placed her in handcuffs - took my handcuffs out and placed her in handcuffs, detained her while Detective French immediate came over prior to us moving her to retain the suspect's firearm and placed it in a safe manner in a vehicle wherever he was able to store it.

Q: Okay.

A: And at that time we did obtain the vehicle within the back seat of one of the detective vehicles.

Q: Okay. So I have a couple - so this was just a Google map just to try to give you a overview...

A: Yes sir.

Q: ...but actually I have some aerial shots that was taken by our air unit...

A: Yes sir.

Q: So if I can show you those and you can kind of just articulate again on this - on this map what you (unintelligible). So let me - if you can orientate yourself with that and get those look (unintelligible).

A: Yes sir. I'll point these toward you.

Q: Okay.

A: So from where we were at this is the suspect vehicle right here.

Q: Okay.

A: This is initial point of contact within this area for me.

Q: You want to just put an S for suspect vehicle?

A: So there's a S1 vehicle right there. At this point in time there was also a black Dodge Charger that was parked right there. The - the vehicle got moved by the witness during this incident after we apprehended the suspect to get him and his baby out of the - out of work area so there's no - he's no longer in danger.

Q: Is this the - the citizen you described when you - earlier when you came around the - the parked car...

A: Yes sir.

Q: ...that was - was - you said there was an occupied vehicle...

A: Yes sir.

Q: ...next to - is this the vehicle in question that you...

A: Yes sir.

Q: Okay.

A: There was a - a driver in that vehicle, it appeared to be a Hispanic male adult and I saw what I believed to be a car seat within the back driver's side passenger seat of the vehicle. So that was where the vehicle was and I believe I actually engaged the suspect. So initially contact was right here, Detective Lemus' vehicle was I think it was right - right around here somewhere. So that's - Detective Lemus was right around here also so he kind of triangulated on the suspect. Suspect was initially standing right around this area somewhere, give or take some yardage but we were kind of in a triangular...

Q: So if you could kind of walk me through now that you've - you've observed - what you've observed and you've clearly in decided to - you engage in gun- in - in - in lethal force...

A: Yes sir.

Q: ...is that right?

A: Yes sir.

Q: Walk me through what - what your mindset is at that point, shot placement, your backdrop, what - what are you considering at this point?

A: So at this point I'm considering, um, again, my backdrop first and foremost is that I'm in fear of my life, I'm in fear of my partner's life, based on the training experience that I have I know it takes less than a split second, I mean a split second for him to turn around and get - get the one up on us meaning that he can turn around - I guess if he's the aggressor it can be - he can get two or three shots off on us even if we do neutralize the subject. Minus certain rounds being placed in certain parts of the body you will not just drop like it does in the movies. So with that being said with shot placement I'm (unintelligible) obviously there's the heart and lungs chest area so you want to penetrate areas that will stop the threat as soon as possible without obviously endangering others. At this point my backdrop was literally the A and B pillar of this vehicle. The driver of the vehicle is not in my line of sight which is why I maneuvered over to the left so when this kicked off I was probably behind the trunk of the Dodge Charger...

Q: Okay.

A: ...and prior to engaging I - I scooted over to get that one side 'cause there was a backdrop of not citizens that I can visually see being on the - the target subject and I would be shooting into the area of obviously A and B pillars but also the "engine block" of this vehicle per se. Because that's what was in front of him within that A and B pillar is the engine block of the - the car. So knowing that if for some reason a round did go through him, you know, it's cause for (unintelligible), you know, a hard point which would be the engine block or A and B pillar which we know are - to be very strong and not easily penetrable.

Q: Okay. So explain to me your - your actual decision to use lethal force at this - at this time. Is it - is it within possible - is there some other option that you would've had either I know you mentioned that you did not have any less lethal options on your belt this day...

A: So you can think about a Taser or pepper spray, a Taser's gonna be ineffective due to not gonna point out the subject's head, number 1, number 2, he has on a thick jacket so the probes would most likely go into his jacket and be ineffective. The probes I think are no long- no more than 1 or 2 inches deep and with the thick jacket, sweatshirt on it would - high likelihood that it will not even penetrate the - the target subject. In addition to that my conscious thought to go directly to this "lethal force" has been raising throughout the whole process of this investigation based on his actions, his - and his - his history. Also the fact that there's been some civilians here...

Q: Mm-hm.

A: ...and also the safety of myself and my partner. So I don't want to let anyone else be harmed with that being said, that's my - my mind frame. Now if he'd had been compliant there's - there's different options to go to but obviously he showed he was noncompliant and did not want to respond to any of our commands.

Q: So would verbal - further verbal commands been - you think would've been successful?

A: We - no, sir. I do not believe that, sir. I do not believe less lethal would've been successful, I do not believe that verbal would've been successful because we attempted - you know, even when you say - tell someone, "Show us your hands," or to do whatever it may be or even to ask them when you're at a - a (little) state and they continue to fail to comply that's when the voice gets raised and you show them that you're a little bit more serious, you know, than the average - average event. And they continue to disobey your commands it's showing us that this person's willing to go and do what it takes...

Q: Mm-hm.

A: ...to - to win. And with that being said again, that's why I said, "Show me your fucking hands. Stop moving," and usually when you escalate to, uh, certain profanities it's my experience and training it's helped so that - that it was serious, like he means business, there's no more joking around, there's no more play time. That to me is an escalation of less lethal force and verbal commands.

Q: Okay. Did you have anything you wanted to follow up with since - and I think this is a good time to take a break unless you have some follow up or things you want to clarify?

A1: One questions as it relates to time, how much time transpired between you exiting your unit and your decision to engage the suspect with deadly force?

A: I would say maybe - maybe 20 to 30 seconds, it felt like a long time but - so maybe 20, 30 seconds and when we got out I hear my partner already giving commands, he's noncompliant from the jump. And at that time it's like this dude means business. Everything he's done up to this point, the recent crimes and also his past history shows he's - he's a very highly motivated and committed criminal.

Q: Mm-hm. Okay.

A1: What level of force did you believe the suspect had (unintelligible)?

A: Deadly force. He had the firearm still outstanding and he already committed a violent felony by presenting a firearm to the Elk Grove Police Department and also the attempted carjacking and then the actual successful carjacking of a separate vehicle, And it shows he had like a past - past instance that could - they all come into our training and experience (unintelligible) the subject's engaged - was engaged by officers and then from there he continued on and went to carjack somebody and shot them and then carjacked somebody else and so when initially the officers that was a deadly one but even then he still enga- was still in contact. He showed the willingness to present the firearm to officers and that to me is - that's huge 'cause who in their right mind wants to present a firearm to anybody, even our daily (unintelligible) citizens we don't take (unintelligible) on every call. We don't.

Q: Mm-hm.

A: But it showed that this dudes committed and then to go attempt to violently carjack one subject unsuccessful and then go carjack someone successfully it shows he's willing to use violence and possibly endanger someone's life...

Q: Mm-hm.

A: ...with his actions. And so me being in the position I'm in today to be able to help protect the community, that's 100% what I'm gonna do. Document: **02 WITNESS STATEMENT**
Author: **1010 - TRIMPEY, JR, LARRY 3039**
Subject: (W) [REDACTED] STATEMENT
Related date/time: **Dec-17-2018 (Mon.) 1605**

WITNESS STATEMENT: [REDACTED]

On 12/17/18, at approximately 1601 hours, I contacted [REDACTED] in interview room 5 at 5770 Freeport Blvd (SPD Hall of Justice). The interview was audio and video recorded and a copy of the recording was later booked as evidence. The recording is available for transcription if necessary. (W) [REDACTED] related the following in summary:

What did you see today?

I was parked, and I saw the vehicle pull up behind me. I saw the driver jump out of the vehicle and it looked like he wanted to fight somebody. The fact that he slammed on his brakes is what caught my attention. As the guy was getting out of the car behind me, I saw another man at the end of the aisle where the suspect was going too. As all of this was going on, I saw out of the corner of my eye I saw a sheriff in his marked car and I saw him get out with his assault rifle. After I saw the first sheriff, I turned back to the guy I thought was looking to fight and I saw a sheriff on the other aisle and he also had his assault rifle out. At that point I knew something was going on and I thought it was like a drug raid or something. I thought it was a drug raid because I saw an unmarked car in the parking lot too.

As this was going on, I had my daughter in the backseat of my car. I turned to check on her and I saw the suspect start running. I turned back around to make sure my doors were locked because I didn't know if he was going to try and get in my car or what he was going to do.

At the same time the guy is doing what I am describing, the lady that was in the car with him jumped into the driver's seat and she pulled the car in to the parking stall right next to me. Once the female has parked the car, I see the male is running to the car and yelling at the female to "go-go-go." As the male suspect is getting to the car is when I heard the sheriff's start shooting at him. At the time the sheriff's were shooting, I didn't see a gun.

After the shooting happened, I turned around to check on my daughter to make sure she was alright, and they started yelling to the lady "let me see your hands" and at the same time I heard one of the deputies say something like "watch him, watch him" in reference to the male suspect. All of the deputies started running towards the suspect and they flipped him over. As the deputies flipped over the suspect, one of them came up with a gun.

So I guess, while the suspect was on the ground he was reaching for his gun because he was going to shoot them (deputies) or something.

What kind of car were you in today?

A black Dodge Charger.

At this point, I showed (W) [REDACTED] a Google map of the Food Maxx parking lot. (W) [REDACTED] marks on the map where he was parked. (W) [REDACTED] describes where he was parked as facing away from the front of the store near the basket collection.

What kind of car were the suspects in today?

A vehicle similar to a white Nissan Pathfinder.

My daughter was with me and she is one years old. My wife was in the store when the shooting happened, so she didn't see anything. When the suspect car pulled up, I was in the car waiting for my wife to come out of the store. The suspect car initially parked directly behind me and I think the male was driving when the suspect car pulled up. I think the girl got in the driver's seat when the suspect started to run so he could just get in the car and they could take off.

Do you remember what the suspect looked like?

Male, white, early to mid 40's, and I think he had a jacket on but I can't remember the colors of his clothing.

When the suspect vehicle stops, and the suspect exits, which way does he take off running?

Towards the store.

Where do the sheriff's vehicles come from?

I was in an aisle in the middle of the two sheriff's cars and there was a unmarked car on the street side of the parking lot. The two sheriff's cars that were closest to me, on the aisles to the north and south, were marked Sheriff's Department cars. The car closest to the street was an unmarked van. As soon as the deputies jumped out of their marked sheriff cars, they had their assault rifles pointed at the suspect.

Do you remember hearing what commands the Sheriff Deputies were saying?

I know when he was running to the car that one was saying "put your hands up" and the other was saying "get down on the ground" but he just kept on running. Once the suspect got to the car, he opened the door and that is when bullets started flying. Once bullets started flying, I turned away from the gunfire so I could check on my daughter in the backseat. My daughter was sleeping, but when the shots started to be fired, she woke up.

Do you remember how many shots you heard?

I know it was maybe, 8. I don't know the exact number, but I know I saw 5 shell casings on my car so it was at least 5.

Where were the deputies when they shot?

I know they were directly behind my car. The deputies were behind me and behind my car. The suspect was trying to get into the passenger seat of the suspect vehicle.

The suspect vehicle was to the west of you, or closer to the store, so does that mean the deputies were shooting through the suspect vehicle?

I don't know exactly where they were standing. The deputies could have been closer to behind the suspect vehicle because his door was still open. The deputies had to have been shooting at an angle, so they could have been shooting through his door and not through his car.

Did you hear any glass break?

I heard the glass break of the suspect vehicle.

Did you see what the driver of the car looked like?

Female, white, heavy set, shoulder length black hair, wearing a white tank top or something similar. When the suspect ran to the car he ran in between his car and my car to the front passenger seat.

Did you see the suspect turn and face the deputies at all? Did you see where the suspect was shot?

No, because when I saw the suspect running to the car, I was already in the motion to turn to my backseat and check on my daughter. I was turning towards here when I heard the sounds of shots fired.

Did you see the deputies turn to the suspect and render aid?

The deputies were trying to detain the female after the male was shot. The male started moving and one of the deputies got everyone's attention and told them to pay attention to the male. The deputies went to the male suspect and flipped him over. Once the male suspect was flipped over the deputies found the gun.

Do you remember what the gun looked like?

It was about this big (making a measurement with his fingers of approximately one foot) and it was all black. The gun was similar to a Glock 9 or similar to a police gun.

Did you see what the deputy did with the gun?

The deputy put the gun on the back bumper of the suspect vehicle while they detained the female. Once the female was detained the deputies secured the gun somewhere else and came and told me to move my car but stay on scene.

Did you not see what the suspect was doing at the time he got shot because you were checking on your daughter or did you see what the suspect was doing when he was shot?

I didn't see because I had turned my head towards my backseat to check on my daughter. The last thing I saw the suspect do was open the door to get into the passenger seat of the suspect vehicle. It all happened so fast. The first thing I did was lock my doors because the suspect was running. The next thing I remember is the deputies were yelling commands at the suspect and I started to turn to check on my daughter. As I am turning I hear the sounds of gunshots and my daughter woke up so I really concentrated on comforting her.

Do you remember how far away from the suspect car the suspect got when he first got out of the car?

Maybe five feet. It was like he jumped out, went a little ways and saw the sheriff's with their rifles, and tried to get back to his car. After the shooting the sheriff's deputy that shot came and told me to move my car but stay on scene. I told him that he literally just shot with my child in the car next to him. The deputy apologized and said that the suspect was reaching for his gun and it was the only thing that he could do. At that point, I realized I couldn't even be upset because I saw the gun and the deputy told me what happened. I thought it was a drug bust and it was poorly planned, but it wasn't.

Subject: (WITNESS #3) [REDACTED] W (DOB: [REDACTED])

Related date/time: **Dec-17-2018 (Mon.) 1641**

On 12/17/18 at approximately 1641 hours, I interviewed [REDACTED] at police headquarters. She was not under arrest and I did not mirandize her. She initially claimed to have not witnessed the incident. I inquired with the patrol officer who obtained her initial statement in the field who advised that Lindsey did see the incident and wasn't being truthful with me. When confronted with this she told me she was being inconvenienced and didn't want to cooperate. She eventually told me the following in summary:

I don't understand why I have to go over this with you when I've already told the other officer what I saw.

I didn't hear anything but gunshots.

I had just pulled into a parking spot. I was parked, and the incident was in front of me. I saw a white guy running by towards Truxel (Rd). I kinda saw him out of my peripheral and I didn't pay that much attention until I saw the sheriffs. I saw their body armor thing said "Sheriff" on it. It was their bullet proof vests, they were not in uniform. It was obvious to me they were with the sheriff department. It looked like they were coming at him from both directions. One was chasing him, and the other was coming from the opposite side.

There's a sheriff behind him and a sheriff on the side. They were on foot. The sheriff had a long gun strapped. The guy running cut in towards me. There was a white SUV and a lady in it. I saw the sheriff cut through following him. I heard like the 10 gunshots.

The guy was running towards the passenger side of the white SUV and the lady was still in the driver's seat. I saw him fall and then the sheriff told the lady to put her hands up and pulled her out of the car. A van pulled up with sheriff's and another van pulled up with sheriff's and it looked like a sting. Maybe waiting for him or in preparation for him.

He was on the ground, she got moved to the van. I went in the store. I saw them doing compressions (CPR) but he was just a bloody mess. It looked like he was already dead. Anyway, they were giving him CPR and I went to the store. I bought some milk and eggs and came out. The rest is true, I was trying to get out and they stopped me.

The white guy I saw running was 6'0" tall, over weight but not obese, and kinda white trash. I think he had on a hat and a tank top. I think it was a baseball style cap. He had on saggy pants or shorts. I did not see anything in his hands.

I only saw one of the sheriff with a gun.

When the white guy running turned towards me, I was parked one car away facing his car. I was parked nearest the passenger side of his car.

I didn't hear the officers/deputies say anything until they told her to put her hands up. That was after they already shot him. I never saw him with a handgun. I think only one deputy shot a gun. The other deputy stopped at the driver's side corner when the other deputy went between the two cars on the passenger side.

The deputy that shot had short dark hair, was white, and was surprised he was a sheriff because he looked kinda nerdy. I didn't really look at the deputy on the driver's side.

I probably heard closer to 7 shots. I saw the windows break on the passenger side of the white SUV, I think it was an Isuzu. I don't know if they hit the car next to it.

I didn't see any marked police vehicles there and didn't notice any unmarked police vehicles before the vans showed up.

In my mind the sheriff were trying to catch up to the white guy that was running. It looked like the white guy was trying to get in the Isuzu, but he didn't make it far enough to open the passenger door. I don't know if the Isuzu was running. I might recognize the female driver if I saw her again. She had dark curly hair and nice eyes. I would not recognize the male running if I saw him again.

I don't know if there was a third person in the car.

I don't think I saw the deputy shoot nor did I see him raise his weapon to shoot.

Subject: (WITNESS #15) [REDACTED] (DOB: [REDACTED])

Related date/time: **Dec-17-2018 (Mon.) 1700**

On 12/17/18 at approx. 1700 hrs I, Detective Cruz #0278, contacted witness [REDACTED] inside of interview room #1 at 5770 Freeport Blvd and obtained her statement. Due to W-[REDACTED] speaking primarily Spanish, I obtained her statement in Spanish. W-[REDACTED] interview was both audio and video recorded and will be booked as evidence. W-[REDACTED] stated the following to me in summary:

I arrived at the supermarket and I parked. I parked near the person who was on the ground. He was in front of me. He parked in one spot and I parked in another. I got out of my car to walk but I had my keys hanging around my neck and I couldn't grab them so I looked down at them and set the alarm on my car and walked a few steps when the police officer yelled stop! I looked up and saw the police officer in front of me pointing his gun at me. I thought he was pointing it at me and he said stop. He again said stop and I turned because I thought I didn't do anything wrong they can't be me so I turned and behind me was the person who they shot. I turned and it was a guy who was super tall and we locked eyes and then he put his hands in his pockets and the police again yelled stop and the guy took a step back and the guy did this with his hand.

At this time W-[REDACTED] has both hands down at her sides near her pants pockets and then slow begins to raise her right hand along the right side of her body to the center of her body and the with her left hand gestures as if she is opening the left side of a jacket and then slides her right hand across her chest gesturing as if her right hand was going behind a jacket

And he opened his jacket and put his hand inside like as if he was looking for maybe a weapon he wanted to take out to defended himself and that's when I said somethings going to happen. I turned and the police officer was in his vehicle, when I turned back, the officer was already at my side saying stop, I'm telling you to stop! I looked behind me and the guy had gone back toward his car and that's when I heard the first gunshot. He began to run. I moved to the left and heard another gunshot and so I ran to the supermarket. As I was running I could hear a lot of gunshots.

The person behind me was a man, American, very tall. I think he was about 6'0" tall about 40-45 years old. He was wearing a blue shirt and was wearing a green, yellowish colored jacket. The jacket looked really old. He just had a t-shirt and blue jeans. When I was in my car I saw him (suspect) and I think he was going to the store but it was like you know when you are about to go into a store and you check your pockets to make sure you have your wallet and my money? He looked like he was thinking lets go to the store and so after we heard the police officer say stop, when I looked up and I saw the police officer was in his car but was pointing his gun at me and I was wondering if he was talking to me. No I didn't see the man behind me. I thought he had already walked past me and I stood there like this and I kept my hands like this (holding both hands on chest) and was like me? And he again said stop. I turned to look behind me and thought it had to be someone else and I saw him (suspect) and they were very close to him and when I turned to look at them (police) one was really short and the other one was really tall and they locked eyes with him.

The police officer who was saying stop was behind him. It was a male officer who was saying stop. Yes I knew he was a police officer because he had on his hat and glasses. The car was a normal car. It wasn't a police vehicle but I thought it was a police officer because I could see out of the corner of my eye there was another police officer posted up with their firearm. It was one of those where I turned around quickly and there were several of those vehicles (police) surrounding the parking lot and so I assumed they were police. He was wearing a bullet proof vest (police officer). That's what made me think he was a police officer. That type of armor that they have its not common to see it on the street and seeing the tip of the gun made me think he was a police officer because only police use those.

I don't know what type of police they were because there are a lot but when I heard that I got scared but then I wasn't scared because I knew I didn't do anything wrong and that's when he went past me (police officer) and I said ok it's not me. He passed me and then that's when I heard the first gunshot. They talked to him a lot. They told him to stop lots of times. No they didn't say anything else. They said stop, stop, stop! The police officer in front of me was on the other side of the car. That's the only thing I heard them tell him was stop because he, that person, I don't know probably had a weapon or something because he was putting his hand inside (W-Martin is gesturing with her left hand as if she is opening the left side of a jacket and then slides her right hand across her chest as if her right hand was going behind a jacket) like he wanted to take something out. I didn't see if he had a weapon I'm just thinking he did. The guy (police officer) that shot I think got intimidated and thought he was going to take something out and not just give it to me but take her too. It all happened so fast. I just keeping thinking about it even now because I was going to take my two-year-old son with me. With him being that small I don't know if I would have been able to run anywhere so I would have been there with him.

No he was surprised when they were yelling at him. The look he had on his face the second time we locked eyes was like all of a sudden he remembered something or knew of something and then that's when he put his hand here (W-█ puts her right hand near her right pant pocket) and then he begins to (W-█ then slow begins to raise her right hand along the right side of her body to the center of her body and the with her left hand gestures as if she is opening the left side of a jacket and then slides her right hand across her chest gestures as if her right hand was going behind a jacket) open his jacket and put his hand inside and he made a signal like he was looking for something and that's when the police officer ran past me. But he (suspect) just reacted and then took a step back and turned around and then went towards his car. Yes that's when I ran because he passed me really close and then there was the first gunshot. No I didn't see who shot. Just because it left me dizzy I think it was the police officer that was on the side of me (who shot). The gunshot was very close. I drive a 2015 Nissan Pathfinder. It's grey. No I don't have the license plate.

At this time Detective Cruz shows W-█ a Google map of the area of 3291 Truxel Rd (FoodMax shopping center

Here's the main entrance to the grocery store and then here is the disabled parking and I was parked here (indicating on map by placing a circle over the "a" in 3291 Truxel Road) and then here (indicating next parking space over) was another car and then here (indicating another parking space over) was the car where the person got out.

They (police) were here blocking the street. Here was the van (indicating location of unmarked police van by a diagonal line just above 3291 Truxel Road) and the police officer, the door to the van was open and I could see the police officer from the chest up. The police officer was on the driver side. He was the one who was yelling stop. When I turned to look to see who he was talking to I saw here was the other one (indicating the other police vehicle with a line just east of the first police van in the same isle) straddling the side and I could see they were getting ready. We were parked on this side (indicating north side of isle). The other police cars in the area were normal cars. They were vans. No I didn't see if they had lights like police vehicles.

Here is my car (indicating on map by placing a circle over the "a" in 3291 Truxel Road), so I was standing in the middle when the police officer passed by me closely I began to walk towards his car and then I ran and I heard a lot of gunshots and my reaction to stop wasn't to stop it was to keep running until I got inside the supermarket. The entrance was really close to where we were. I went in the main entrance.

First it's the disabled parking, I'm here (indicating on map by placing a circle over the "a" in 3291 Truxel Road), and then there was a white Honda Accord, the girl was sitting on the car and the third parking was the vehicle for the person who got out who was shot. He arrived, I saw that vehicle when it entered the parking lot. I don't remember seeing which direction he came from because he didn't come from the same direction as me. I just remember seeing him park because I was looking at that parking spot. It's the supermarket so I was looking for the closest spot so I put my breaks on because people were crossing so I look and I see the other spot (where W-█████ parked) so I thought that one would be better and I see his vehicle parking in the first spot I had seen. We just got out of our cars at the same time. I heard about six gunshots. No I didn't see who shot. Everything happened so fast.

When I got inside the store I looked out the windows and I could see the police had grabbed him (suspect) by his jacket and were straightening him and then placed him on his back. And I saw one of the officers grabbed his arms and handcuffed him and then I saw they were giving him CPR. Yes I stayed inside the store.

When I was running there was a man behind me and he was saying there was a child and a lady in that car. The car that he was going toward and wanted to get in. So when I ran inside the store I stared looking out of the window and I did see there was a woman, because the car was like this (indicating could see the side of the vehicle), I did see with the shots she was seated in the back seat but she was bent over and then when the gunshots stopped she sat up. She was in the car that the guy got out of (suspect). You could see a baby car seat from a distance but there was no baby. The man said they killed the baby and they killed the woman and all the store employees and everyone began to cry because you could see through the broken glass the handle of the car seat. We thought that there was a baby and they had hurt the baby and he said poor woman but I thought I was seeing things but there was a woman in the car and a car seat. Her I did see. And then she turned and I could see her from in front. She had on a short sleeve shirt and her hair was down and kind of curly and her face was thin. I don't know what kind of car it was. It was an SUV.

At approx. 1723 hrs Detective Cruz exits the interview room. At approx. 1729 hrs Detective Cruz reenters the interview room.

The first gunshot, was the one that happened to the side of me and that sounded the closest, and then I heard stop, stop, after the first gunshot. I could hear several voices. It was one gun shot and then stop, stop like three or four times up to five times I think because as I was running you could still hear gunshots.

On 12/17/2018, at 1557 hours, [REDACTED], and I, Detective T. Culp #858, were inside an unlocked interview room at 5770 Freeport Blvd. The room was audio and video recorded and a copy of the footage was saved onto a DVD, and later booked into evidence, PR# 1020209-001. The following is a summary of our conversation meant for content, refer to the DVD for exact conversation. [REDACTED] stated the following in summary:

Today at approximately 1200 hours, I parked in the parking lot.

(I showed [REDACTED] a Google Maps aerial photo of the parking lot of 3291 Truxel Road. [REDACTED] drew an "X" on the map where she parked in the lot. She drew a line to the east indicating the vehicle parked to her east. She drew a line indicating the path of the white SUV and where it parked in the lot. I later booked the map into evidence, PR# 1020209-002.) [REDACTED] stated the following in summary:

I was parked pretty close to the (FoodMaxx) entrance. There was a car parked next to me. I was looking at my phone before I got out of the car. The SUV pulled up really fast. I remember thinking that people should be driving better than that. The guy got out of the car and was walking toward the store. He didn't go very far, maybe a couple of steps, and the police were already there. The guy saw the police and went back toward the SUV and tried to get into the passenger seat. The police were saying things to the guy. The only thing I remember hearing was, let me see your hands, let me see your hands. The guy kept trying to get into the car and that is when I heard the shots fired. I didn't see exactly what happened because the car parked next to me was blocking my view.

I heard approximately ten (10) shots. I did hear the suspect say something when he first saw the Police Officers. I think he said, "Oh fuck." Or something like that. He saw the police as soon as he got out of the car.

After the shooting happened the car that was parked next to me got out and moved to this area right here. *(She drew a line showing the path of the car that was parked next to her).* That is when I saw the man lying on the ground face down and handcuffed.

The person who was driving the car that was parked next to me was [REDACTED]. He is here. I saw him before I came in to talk to you. After the shots were fired, I looked at him ([REDACTED]). He was on the phone and I think he had a baby in the back seat.

When I first saw the Officers approaching they were coming from here ([REDACTED] pointed to the area directly in front of 3291 Truxel Road (FoodMaxx)). I immediately knew that they were Police Officers because they were wearing vests and holding guns. I did not see the Officers vehicles.

After I saw the guy was shot and the car next to me moved, I could see the Officers and the guy. The Officers rolled him over and began giving him CPR.

The person that was driving the white SUV was a female, white, adult, with light brown hair. If I saw her again, I would not recognize her.

([REDACTED] drew a sketch at the bottom of the map I had provided. She drew two (2) curved lines indicating where the Deputies were, a box indicating the white SUV, and dots indicating the direction of the shots.)

The Officers were right here. The SUV was here, and the guy was trying to get into the passenger seat. The Officers fired from here hitting the guy when he was right here. I knew the Officers were right here because I could hear their voices and knew they were there. I saw the suspect for sure, but only through the windows of the car parked next to me.

I didn't see the suspect holding anything. I only saw him trying to get back into the car.

I heard the shots and saw the passenger side windows of the SUV shatter.

At 1610 hours, [REDACTED] exited the interview room.

Subject: **(WITNESS #2) [REDACTED] (DOB: [REDACTED])**

Related date/time: **Dec-18-2018 (Tue.) 1417**

On 12/1/2018, at approx. 1559 hours, I Detective Murawski contacted Witness [REDACTED] in an interview room at 5770 Freeport Blvd. She then gave the following statement in summary:

Just before 12:13 this afternoon, I was working at PJ Mart in the Food Maxx shopping center located at Natomas and San Juan Road. I know that it was that time because I had looked down at my phone and saw the time.

At that time, I was at the checkout counter helping a customer. While I was with that customer, I heard what sounded like a loud car engine reeving and tires skidding. I didn't think too much of the engine reeving sound since it seems like there are always crazy drivers in the parking lot here. Then I thought I heard what sounded like a backfire or maybe like a car crash or something. After hearing the backfire sound, I questioned what might be going on outside and I mentioned something to the customer about it. Then everyone started looking outside to see what was going on. Then I heard what was apparently five or six gun-shots. It seemed like I heard the gun-shots about 10-15 seconds after I heard the initial backfire sound. I again asked the customers if that was gun-shots and one of the said, "hell yeah that was gun-shots". After I heard the gun shots, I looked outside and that's when I saw the officer. I saw that he was wearing a black vest with the word Sheriff in yellow writing on the back of it. Once I saw the Sheriff, I saw the man laying on the floor. So, I didn't really see the shooting itself because the Sheriff had his back to me. After seeing that I told everyone inside of the store that there was a shooting and that they needed to get on the ground.

When I looked back outside, I could see everything as clear as day though the window. That is when I saw the Sheriff dragging the man from in between the parked cars into the parking lot. The only Sheriff that I saw was the one who dragged the man out from in between the cars. I did not get a good look at the Sheriff because he had his back to me, but I remember that he was wearing a hat. I remember that one of the cars was white or something.

From where I was at inside of the store I can see out of the front window. It seemed like where I saw the Sheriff standing was two aisles to my right. When I saw the Sheriff standing there, he was standing with his back turned towards me, but it seemed like the guy on the ground was on his right side. It looked like the guy was laying on his back and I could see that he was wearing a green sweater and I could also see his bald head.

I did not hear the Sheriff say anything or any other noises come from outside because I had the doors to the store closed.

I actually went outside once I saw that it was a Sheriff. When I saw him, I knew that it was safe, so that why I went outside. There were a couple of customers in the store at the time of the shooting, but I am not sure what they saw. I would think that the person who I was checking out at the register would have seen almost exactly what I saw. He is a regular customer, but I am not sure what his name is.

PJ Mart has video on the interior and it has a camera that points outside, but it does not show much past the front door. I will work on getting you guys a copy of the video. There is also a video that is right outside of the store in the walkway area. I think that the property management team controls that camera though.

On 12-17-18 at approx. 1600 hours I interviewed [REDACTED] at headquarters in an audio and video recorded room. (W) [REDACTED] was dressed in a Security Guard uniform and I was advised during the briefing that he had witnessed the Officer Involved Shooting while working at the Foodmaxx during his normally scheduled shift.

(W) [REDACTED] stated the following in summary;

I am a security guard for Patrol Solutions and I work at the Foodmaxx on Truxel from 1100 hours to 2300 hours.

I work with a partner, [REDACTED], and we alternate 3 days a week and then 4 days a week to equal 40 hours a week. There are two other guards that cover the other side of the week so there is 7 days a week coverage from 1100 hours to 2300 hours in that shopping complex. My general duties include patrolling the entire parking lot. I wear a body worn camera (BWC) however it is only activated manually when I push the button. I did not activate my BWC at any point during this incident. There are currently 9 incidents recorded on this camera but none of them are from today. I have been doing security for about 12 years and I currently have a guard card.

*****At this time I, Detective Putman #870, confirmed by reviewing the BWC that there was no video of the incident or from 12-17-18.*****

I was standing out in front of the store near where the Christmas trees were at (south entrance of the store) when I noticed a white "Jeep" coming into the parking lot driving kind of erratic. Right behind the white "Jeep" was a black car and right behind that was a minivan too. It seemed like the black car was following the white "Jeep" and the minivan came in real fast too. The white "Jeep" drove up to the store and then cut back into the parking lot. I think the white "Jeep" was going to keep going but a Sheriff's "truck" pulled up kind of in front of it and blocked the white "Jeep".

As soon as the minivan pulled up the passenger side door slid open and some Sheriff's got out. They kind of looked like downgraded SWAT. They were wearing tactical pants and vests that said something across the chest.

They looked like cops, they can't say they didn't look like cops. The only thing that they didn't have on were helmets otherwise they looked like SWAT. I mean they had rifles out when they got out of the van. I thought that they could have been "gang task" but probably not with rifles out like that. Also the minivan had red and blue lights on flashing as he was pulling into the area of the white "Jeep". I didn't really know like who they were Sheriffs or Police or whatever but I knew that they were cops. I think 2 or 3 got out of the minivan.

They immediately got out of the van with guns drawn and started yelling get down get down and the female got onto the ground. There was no time for a conversation or anything she just got on the ground. As the cops were advancing the guy, he was a chubby white guy with a green shirt on, just stood there and they started firing on him.

As soon as they started shooting I backed up and got behind a poll that was near the building. There was nothing blocking my view. After they shot the guy they went up and gave him medical aid to him. Then all kinds of

Sheriffs showed up and started putting up crime scene tape. After all of that I can't really say what they saw or know exactly why they did what they did but I was really kinda of like why are they shooting at people in the middle of the day. I sort of helped keep people in the store but everyone was really in shock so they just kind of stood there. I ended up just standing around along the side walk until they brought me down here.

Subject: INTERVIEW: [REDACTED] (12/17/2018)

Related date/time: Dec-17-2018 (Mon.) 1655

INTERVIEW: SUBJECT [REDACTED]

On 12/17/2018 at 1655 hours I, Detective [REDACTED], spoke to Subject [REDACTED] at Police Headquarters inside interview room #3. The interview was video and audio recorded and I later saved the recording to a DVD as evidence. Prior to questioning I read [REDACTED] her Miranda Rights verbatim from the SPD 133 card and she stated she understood each right. Subject [REDACTED] stated the following in summary:

Travis and I just met about a week ago at the WinCo on Sheldon in Elk Grove. My car was broke down so I called a friend who said he would send someone over to help me. That's when I first met Travis since he was the guy who was sent to help me. But even then, I thought he was a little paranoid regarding police. A cop drove through the parking lot and Travis saw him and said "I can't help you. I can't be here. I'll have someone else come and help you." I thought that was weird. He never told me why he was afraid of the cops or if he was wanted for anything. We were just friends, not at all dating.

Travis and I stayed the night together last night. We stayed at the Executive Suites off Richards Blvd. It was just the two of us. We woke up at about 8:00 this morning. Travis and I both left and went to UC Davis Hospital so I could visit a friend in the hospital. Travis dropped me off and then he was to go and get parts for my Isuzu. The white Isuzu is my car. I bought it from my mechanic, but it is not registered to me.

I was at UCD until about 11:00. Travis picked me back up in my Isuzu and we went back to the Executive Suites because we had to check out. We were there until about 11:45 and then we left. Travis went to the car first and then I came out to the car. When I got into the car Travis told me he saw an undercover police officer sitting in a blue minivan. I saw the van and the person in the driver's seat. I just thought Travis was being paranoid.

We left the parking lot as I was driving my Isuzu and Travis was in the front passenger seat. When we left the parking lot, I could see the blue minivan leaving too. I thought Travis was being paranoid because he thought the police were following him. Travis began to tell me where to go. He told me to get on the freeway, northbound on I-5 toward Natomas. Then he told me to go eastbound I-80. The minivan was following everywhere we went. Travis told me to get off at Truxel and turn into the FoodMaxx parking lot. At that time Travis' behavior was erratic. He basically said he wanted me to pull over somewhere so he could make a quick escape. By now the blue minivan was still following us and there was also a black and white patrol car following it. Travis saw it and so did I. We knew there were cops following us.

When I drove in front of the FoodMaxx I turned down one of the parking aisles. Travis jumped out as the car was still moving. Once he got out, I continued to drive forward where I pulled into a parking space. That's when Travis ran back to my car, to the front passenger seat. He told me to "Go, go, go! Get out of here!" and I told him "No, this car isn't going anywhere." I heard cops yelling "Put your hands up, put your hands up! Let me see

your hands!" That's when I heard a bunch of gunshots. I heard four of five gunshots; it seemed like a lot. I don't remember if it was more than one volley of shots. Travis' white hat flew across and hit me. Travis went down and they were still yelling at him to put his hands up. But he was face down and obviously couldn't...

I shut my car off and the officer got me out of the car. I could see Travis on the ground. In my opinion the officers didn't even try to do anything to help him. That's when I realized he was dead.

I didn't see Travis reaching for anything inside my car when he came back, just before the shooting. I froze because I was scared. I don't know where Travis' gun was during the incident. Somehow, during the shooting, something hit my rights side (hip area), like a piece of shrapnel or glass or something. It stung. But I'm fine, I don't need medical aid.

I believe the cops were wearing vests. I don't remember if both officers had vests. They had black long guns. When the officers approached, I believed they were cops. Based on the whole situation I assumed that's who they were.

In the week that I've known Travis I knew he had a knife. And he had a gun. I don't know if he carried it on him. I don't know where he kept it. He had just gotten the gun on Thursday. I don't know where he got it. He was trying to put the gun together. It looked fake to me, like my kids' airsoft guns. It was black. I saw him with ammunition, but I didn't see him put it inside the gun. He didn't really talk about the gun, except for the first day that he got it. I don't know if Travis committed any crimes with that gun. I did touch the gun. I had moved it away from me once when Travis had it out.

SERGEANT SUMMARY REGARDING HOMICIDE TEAM CALL-OUT: 18-398311

NOTIFICATION:

On Monday, 12/17/18, at approximately 1251 hours, I was notified by the Sacramento Police Departments Communications Center of a homicide team call-out to 3291 Truxel Rd #32 in North Sacramento. At approximately 1207 hours, patrol officers responded to the Foodmaxx parking lot to assist the Sacramento County Sheriff's Department following an officer involved shooting. Responding deputies and patrol officers secured the scene, and a homicide call-out was initiated. Detectives [REDACTED], Hunkapiller (IV143), Curtis (IV73), Griggs (IV135), Severi (IV100), Putman (IV27), Robison (IV47), Murawski (IV96), and I (IV13) were requested and responded to the scene. Office of Investigations Lieutenant McCloskey (LN10), Sergeant MacLafferty (IV16), and Sergeant Start (GNG10) were notified of the homicide call-out and responded.

ARRIVAL AND BRIEFING:

At approximately 1308 hours, I arrived on scene and checked in with Crime Scene Recorder Community Service Officer Becker #8101. Patrol supervisor Sergeant Buchanan #3134, Watch Commander Lieutenant Freeman #4008, Deputy Chief Bernard #5090, Deputy Chief Peletta #5100, sheriff's department personnel, and patrol officers were also on scene. CSI Officers responded to the scene for processing.

At approximately 1403 hours, Sergeant Buchanan briefed us about the incident and the circumstances known to him at the time. Prior to the briefing the scene was secured with police barricade tape, and law enforcement personnel had completed a neighborhood canvass. Evidence was located on scene by law enforcement personnel and pointed out to investigators. During the briefing we learned that the suspects firearm was removed from his person and placed in Deputy French's vehicle. All other evidence was left in place and the investigation was turned over to the homicide team at that time.

Following the briefing, I called in Detectives Trimpey (IV106), Culp (IV86), and Cruz (IV77). They responded directly to Police Headquarters to assist with witness interviews.

WALK-THROUGH / LIGHTING:

At approximately 1434 hours, the Homicide Team and CSI Officers performed a walk-through of the crime scene. All items of evidence were pointed out by Sergeant Buchanan. The walk-through was completed during daylight hours.

At 1402 hours SPD Patrol Sergeant Buchanan #3134 conducted the briefing. He advised of the facts and circumstances known to him at the time of the briefing. We were advised of the following in summary:

On 12/17/2018 at 1207 hours the Sacramento Police Department was made aware of an officer-involved-shooting at the FoodMaxx located at 3291 Truxel Rd in Natomas. The Sacramento Police helicopter (AIR1) broadcast over police radio that they were en route to the OIS at that location. That radio broadcast was how the SPD Communications Center was first made aware of the OIS. SPD was advised that all Deputies were OK, and the suspect was down. Officer Svizzero #542 was the first SPD Officer on scene at 1211 hours. As more SSD Deputies and SPD Officers arrived the scene was secured. SPD Patrol Sergeant Buchanan responded and contacted the two involved Deputies and obtained public safety statements from each.

Sgt. Buchanan was made aware from other responding Deputies that the suspect, Travis YORK, was being tracked by SSD Major Crimes Detectives. YORK was a known parolee-at-large who had a fresh Ramey Warrant with a \$1 million bail for armed carjacking and burglary. SSD Detectives located YORK using cell phone pings

in the area of Richard Blvd and Bercut Dr. YORK was in the white Isuzu Rodeo (still on scene) as SSD Detective Lemus #1459 followed behind. The Isuzu was driving erratically as it left a motel off Bercut Dr (The Executive Inn and Suites, 216 Bannon St) and continued northbound I-5 to eastbound I-80 to southbound Truxel Rd. SSD Deputy Bell responded in a marked Sheriff's patrol vehicle and followed Detective Lemus as he trailed the Isuzu. The Isuzu pulled into the parking lot of the FoodMaxx where Detective Lemus and Deputy Bell shot Suspect YORK with their rifles. Suspect YORK sustained multiple gunshot wounds. A firearm was located on YORK's person which was secured by Deputies. The driver of the Isuzu, [REDACTED], was detained immediately after the shooting.

Responding Deputies attempted CPR on Suspect YORK until Sacramento Fire Department (SFD) Engine 15 arrived at 1211 hours. Paramedic Van Such #1055 pronounced Suspect YORK deceased on scene at 1216 hours. Also present with Engine 15 was SFD Captain Browne, Engineer Parker and Firefighter Bassett. YORK's body remained on scene.

SUSPECT INFORMATION: Travis YORK was positively identified by his booking photo. Identifying Information: Male, white, adult, date of birth 7/29/1976, California driver's license # [REDACTED], Xref-[REDACTED], last known address [REDACTED], and unknown phone number.

DRIVER OF THE ISUZU: [REDACTED]. Identifying Information: Female, white, adult, date of birth [REDACTED], Xref-[REDACTED], address of [REDACTED], no probation or parole status, has a small misdemeanor warrant, no statement was taken from her on scene.

SUSPECT VEHICLE: A white 2000 Isuzu Rodeo with [REDACTED] license plate [REDACTED] registered through DMV to [REDACTED] at [REDACTED].

INVOLVED DEPUTIES: Detective J. LEMUS #1459 and Deputy B. Bell #867, both whom fired upon Suspect YORK. Both Deputies were already transported away from the scene and waiting at SPD Police Headquarters (Hall of Justice, HOJ). Both Deputies would later be transported back to the scene to do perspective walk-throughs with SPD Detectives prior to their interviews. Detective Lemus' unmarked Sheriff's vehicle and Deputy Bell's marked Sheriff's vehicle both remained on scene.

CANVASS: Responding Deputies canvassed The Natomas Village Apartments located at [REDACTED] Truxel Rd (east side of Truxel across from the FoodMaxx). No additional witnesses were located, and no bullet strikes were located at the apartments.

SURVEILLANCE VIDEO: The FoodMaxx store had exterior surveillance cameras that captured the shooting incident on video. However, we were told the video blurry and of low quality. Prior to the briefing SPD Officer Mayden #624 advised me that he already obtained a copy of the Food Maxx video that was provided to him by a store employee. Officer Mayden gave me a CD containing a copy of the video at 1330 hours. Officer Mayden provided me a second CD at 1430 hours of the FoodMaxx video that he downloaded himself since he believed the first CD did not capture the correct video. I later took both CDs back to HOJ where there were booked as evidence (Property Report #102580-010 and 011). Officer Mayden advised that the shopping center had a separate surveillance video system but it did not have any cameras that captured the shooting incident.

WALKTHROUGH:

At 1434 hours Sergeant Buchanan conducted the scene walkthrough. The walkthrough included Sergeant Buchanan, Sergeant Landberg, Sergeant Start, Sergeant MacLafferty, Detective Hunkapiller, Detective Robison, Detective Severi, CSI Lovitto and me. Sergeant Buchanan pointed out items of evidence, including Suspect YORK's body, the white Isuzu Rodeo, numerous .223 spent shell casings, Detective Lemus' unmarked Chevy Uplander and Deputy Bell's marked Sheriff's Ford Explorer (see CSI scene diagrams for exact location of the evidence and scene layout).

At 1520 hours I met with Detective Lemus who was transported back to the scene. Detective Lemus had his attorney present, Steven Welty with Mastagni Holsdtedt Law Offices. We conducted a perspective walkthrough of the scene. Detective Lemus showed me where he believed he was standing when he fired. He stated he believed he fired between two to five rounds at the suspect. A placard was placed on the ground where Detective Lemus stated he was standing during the shooting.

Detective Hunkapiller conducted the perspective walkthrough with Deputy Bell (see supplement). After both perspective walkthroughs the two Deputies were transported back to HOJ awaiting their interviews.

FOLLOW-UP:

ELK GROVE INCIDENT: After the walkthrough I contacted EGPD Sergeant Metzger at the scene. He briefed me about EGPD's involvement in the original investigation into Suspect YORK and the burglary and carjacking incident. I was advised of the following:

On Saturday, 12/15/2018 Suspect YORK and two other males stole a television from Wal-Mart located at 8465 Elk Grove Blvd in Elk Grove. Store employees called police and responding EGPD Officers quickly located the suspect's vehicle at a nearby gas station. All three male suspects were in the vehicle along with the stolen

television. The two front occupants of the vehicle were quickly detained. However, Suspect YORK was seated in the back seat of the vehicle and YORK was not following Officer's commands. YORK pulled out a black pistol, held it to his head and threatened to shoot himself. Officers were forced to retreat to cover and YORK climbed into the driver's seat. YORK then sped away eastbound on Elk Grove Blvd. Officers pursued the fleeing vehicle as it drove at a high rate of speed on busy Elk Grove Blvd. Officers lost sight of YORK's vehicle as it entered Old Town Elk Grove. Responding Officers continued to search the area for YORK's vehicle and located it parked in a driveway at a residence. As Officers approached the residence YORK and a female were walking out of the house. YORK immediately dropped a backpack and ran into the backyard of the residence and jumped the fence. YORK was able to flee the area on foot. The two detained suspects at the original stop identified the suspect as Travis YORK, which was also confirmed by the Officer on scene.

A short time later EGPD received a report of an armed carjacking that occurred in the warehouse district just south of where YORK was last seen. It was discovered that YORK had attempted to carjack a citizen who was able to get away. YORK then carjacked a citizen who had just parked her vehicle. YORK fled in the stolen Toyota 4Runner and his whereabouts were unknown. Surveillance video captured the incident.

EGPD Detectives responded to the scene to continue the investigation. Detectives obtained a Ramey Warrant for the arrest of Travis YORK with a bail of \$1 million for the burglary and carjacking incidents. Detectives developed a phone number for Suspect YORK and contacted SSD Major Crimes to assist with locating and apprehending Suspect YORK. The following day, Sunday, SSD Major Crimes Detectives were briefed about the incidents. They began to attempt to track down YORK's location based on his cell phone pings. They did not locate YORK on Sunday. Today, Monday, SSD Detectives did locate YORK based on his cell phone pings.

EGPD Detectives Parker and Stewart later provided me with the EGPD report (EGPD 18-008395) associated to YORK's incidents, along with their CSI photos and the surveillance videos of the carjacking. I later booked these items as evidence (Property Report #1021099-001 and 002).

At 1620 hours I arrived at HOJ.

At 1655 hours I interviewed Subject [REDACTED] at HOJ inside interview room #3. Subject [REDACTED] stated that she had just met S-YORK one week ago and he was just a friend. She stated she knew he had a black pistol but thought it was fake, even though she saw YORK with bullets. The morning of the shooting [REDACTED] stated she was driving, and YORK was in the front passenger seat. YORK directed her where to drive and they both believed they were being followed by a cop. Once they arrived at the FoodMaxx, YORK jumped out of the car and [REDACTED] pulled forward and parked. Seconds later YORK ran back to the car and was yelling at [REDACTED] to drive but she heard the Deputies commands and complied. That's when the shots were fired. [REDACTED] stated she didn't know where YORK's gun was during the incident (see statement). [REDACTED] signed a consent form for a search of her Isuzu Rodeo that was later booked as evidence. [REDACTED] was not comfortable consenting to a search of her cell phone that was presumed to still be inside the Isuzu. I also booked a mug photo of YORK that I showed [REDACTED] during the interview, and a Google aerial map that I used during the interview. The interview was video and audio recorded and I later saved a copy of the video to a DVD that was booked as evidence. At the

conclusion of my interview with [REDACTED], Detectives Parker and Stewart from EGPD interviewed her regarding their investigation into YORK. I later provided the Detectives with a DVD copy of their portion of the interview.

During the interview, [REDACTED] stated that she was struck by shrapnel or glass during the incident, when the shots were fired. She stated she felt a sting on her right hip area. She showed me the area and I observed a few small, red scabbed marks near her right hip. [REDACTED] stated she was not in pain anymore and did not need medical aid. I requested to have the marks photographed by CSI.

Sergeant MacLafferty utilized an interview room where he video and audio recorded the round counts for Detective Lemus' and Deputy Bell's rifles that were used in the incident. CSI was present to photograph the rifles and live rounds that remained in each gun. The round counts showed that Deputy Bell fired 10 rounds and Detective Lemus fired 6 rounds (see Sergeant MacLafferty's supplement and see the video of the round counts). Both rifles were secured by SPD Detectives as evidence awaiting further processing by the Sacramento County Crime Lab (CCL). In total the rounds counts showed 16 rounds were fired. There were 16 spent .223 rounds located at the scene (see Detective Severi's scene observations for further details of the scene).

At 1905 hours I interviewed Detective Lemus at HOJ inside interview room #1. Present in the interview room was Attorney Steven Welty. The interview was audio recorded via my handheld audio recorder. I later saved the recording to a DVD that I booked as evidence. During the interview Detective Lemus described the events that occurred during the incident (see statement for details). I later booked as evidence YORK's mug photo and two aerial maps that were utilized during the interview. The audio from the interview was later transcribed by NetTranscripts and reviewed by Detective Lemus and Attorney Welty for accuracy.

Detective Hunkapiller interviewed Deputy Bell (see statement for details).

Tuesday, 12/18/2018

Detective Severi completed a DA-7 request to have both Deputies' rifles processed (functionality tested) by the Sacramento County Crime Lab (CCL). Detective Ayers #763 transported both rifles, along with magazines and ammunition, to the CCL where they took custody of the evidence.

I submitted a request to EGPD to obtain copies of the body-worn-camera (BWC) and in-car-camera (ICC) videos of the original incident involving YORK.

Wednesday, 12/19/2018

I submitted a dispatch audio report request to the SPD Communications Center. A request was submitted to SSD to obtain a full copy of their report of this incident (SSD #18-446660) and copies of their dispatch audio.

At approximately 1230 hours Detective Curtis and I arrived at [REDACTED] to attempt to contact S-YORK's mother, [REDACTED]. Upon arrival we received no answer at the door. I attempted to call her phone, but she hung up on the first try and sent the next two calls to voicemail which wouldn't allow me to leave a message. We spoke to a neighbor who confirmed that [REDACTED] lived there and stated that she worked as a teacher in the Bay

Area and usually didn't arrive home until the evening hours. I left my business card on [REDACTED] door with my contact information.

I submitted a request to CSI to have the Isuzu Rodeo processed for photographs and to recover any projectiles that remained inside the vehicle.

Thursday, 12/20/2018

At 0930 hours I arrived at the Central Valley towing impound warehouse where FI Bueno #6376 was already photographing and processing the Isuzu Rodeo [REDACTED] Lic # [REDACTED]. The passenger door window and rear passenger door window were shattered. Based on the damage to the Isuzu it appeared that at least three rounds struck the vehicle. One round shattered the rear passenger door window (that was closed during the shooting). It struck the exterior side of the window, continued inside the vehicle, struck the "B" pillar and continued into the dash board between the center air vents. We were unable to locate this projectile. Another round shattered the front passenger door window (that was open during the shooting). This round struck the interior side of the window, continued through and penetrated through the side mirror and out the other end to an unknown location. Another round penetrated the bottom of the front passenger door through the interior side of the door and continued out the other side to an unknown location.

I searched the interior of the Isuzu. I did not locate any indicia belonging to YORK. At the request of [REDACTED] I took a few items belonging to her to return to her. I located a blue "Rosette" brand purse on the driver's seat that contained indicia belonging to [REDACTED]. Inside the purse was a black iPhone. I located a pink coin purse on the center console that contained [REDACTED] ID card and a \$100 bill. I collected these items to later return to [REDACTED], except for the black iPhone that was booked as evidence (Property Report #1020580-002). On the driver's floorboard I located a white Nike ball cap. [REDACTED] described in her statement that YORK's white hat flew toward her during the shooting. I collected the white hat as evidence (Property Report #1020580-001).

After the search I responded to the SPD Property Warehouse where I checked out evidence item #1020130-19 (black cellphone in an Otterbox case) that was collected from the scene near YORK's body.

At 1537 hours [REDACTED] met with me at HOJ to collect her property. I released back to her the blue Rosette purse and the pink coin purse containing her ID and the \$100 bill.

Friday, 12/21/2018

I was notified that the CCL was done with their processing of Detective Lemus' and Deputy Bell's rifles. I contacted Sergeant MacLafferty who made arrangements for the rifles to be picked up and returned to both Deputies.

Wednesday, 12/26/2018

SSD Sergeant Clark and Sergeant Turnbull dropped off the complete SSD Supplement for their agency's report of this incident (SSD #18-446660). In addition, they brought DVD copies of the dispatch calls and In-Car-Camera (ICC) videos of the Deputies that were either involved or responded to the scene. I booked these items under the following SPD Property Report (PR) numbers:

Sergeant Landberg advised me that the registered owner of the Isuzu Rodeo, [REDACTED], called police wishing to report the Isuzu Rodeo stolen. At 1450 hours I called [REDACTED] and spoke to him by phone. He stated that he left his Rodeo with a known subject named [REDACTED] who he had a verbal agreement to do some work on it. [REDACTED] had told him that he would also attempt to locate a buyer for the car. After a few weeks later [REDACTED] called [REDACTED] who said the Rodeo was sold but [REDACTED] never agreed to sell it. [REDACTED] stated that [REDACTED] address was [REDACTED]. [REDACTED] stated he just wanted his car back and did not wish to press charges against [REDACTED] for theft (see statement). I advised [REDACTED] that his car was involved in the OIS and that it was currently in police impound. Our phone conversation was audio recorded and I later saved a copy of it to a DVD that was booked as evidence (Property Report #1020580-012). I conducted a records check of [REDACTED] and located a record of a subject named [REDACTED] with a birthdate of [REDACTED] and Xref-[REDACTED]. He fit the description of the [REDACTED] that [REDACTED] described.

At 1541 hours I spoke to [REDACTED] on the phone regarding the Isuzu. She stated that she bought the car from [REDACTED]. She stated he was a friend of hers and he agreed to sell her the Isuzu for \$1,000. She stated she only paid \$400 so far but had no documentation for the sale. I advised her that I would have to release the car back to the registered owner. She stated she did not wish to press charges against [REDACTED] and did not seem upset about losing the car. The conversation was recorded and I later saved a copy of the conversation to a DVD that was booked as evidence (Property Report #1020580-012).

Thursday, 12/27/2018

At 1620 hours I arrived at EGPD headquarters where I picked up a USB thumb drive containing all of the BWC and ICC videos from the original Elk Grove incidents. I later booked the thumb drive as evidence (Property Report #1021099-003).

from the Isuzu that we believed belonged to [REDACTED]. This included female clothing, laundry baskets, \$40 cash from the center console and several bags of groceries and sundries. The items were given to [REDACTED] and she left. I utilized my BWC during the incident.

I later contacted [REDACTED] and advised him that the Isuzu was ready for release. I submitted a release form for the Isuzu.

Wednesday, 1/16/2019

I authored a search warrant into two cell phones; the black cell phone in a black case that was found inside the Isuzu Rodeo, presumed to belong to [REDACTED] (SPD PR# 1020580-002) and the black cell phone in a black Otterbox case that was found near Travis YORK's body (SPD PR# 1020130-019). The search warrant was signed by the Honorable Judge Maryanne Gilliard at 1500 hours. The following day I provided both phones to the SPD Digital Forensics Unit (DFU) to be search and copied.

Tuesday, 2/5/2019

I submitted an evidence processing request to have Suspect Travis YORK's firearm processed for prints, DNA, test fired and have the test fired casing entered into NIBIN (SPD PR# 1020130-020).

Friday, 2/8/2019

I reviewed the cell phone download of the black cell phone found in the Isuzu Rodeo (SPD PR# 1020580-002). Based on the contents of the phone it was apparent that the phone belonged to [REDACTED]. The following are observations that I made that appeared to be related to the Travis YORK investigations:

- There was a contact in the phone named "Travis" with phone number [REDACTED].
- 12/10/2018 at 0917 hours: [REDACTED] sent a text to an unknown person that read "Are you anywhere near Sheldon WinCo?" At 0955 hours [REDACTED] received an instant message from contact "[REDACTED]" that read "You call him his name is travis [REDACTED]".
- 12/15/2018 (the day of the Walmart burglary and carjacking) at 1025 hours: Incoming text from Travis, "We're at EGWALLY", [REDACTED] replied "Ok cool hes getting hiself together and well be there where you parked?" Travis replied "Im by garden shop [REDACTED] went inside". At 1321 hours [REDACTED] sent a group text to Travis and a contact named "[REDACTED]" at [REDACTED] that read "Geez good lookin out guys..." At 1555 hours [REDACTED] called Travis for 00:00:12 minutes. Then [REDACTED] texts Travis "He don't shut me out. I just grabbed that cash and am bout to go to get a room and shower. Hit me k"
- 12/15/2018 at 1607 hours: [REDACTED] texts a contact named "[REDACTED]" at [REDACTED] "No i am in a hotel room and this fool is crazy and has a pistol and thinks he's bad. I will hopefully get out of here really soon but i have \$300 f", [REDACTED] replies "Where are you at". [REDACTED] replied "Drugs are real and this fool shouldn't do them. Sacramento"

Based on the information I found in [REDACTED] phone it appears that she did indeed meet YORK one week prior to the incident. Additionally, [REDACTED] acknowledges that YORK had a pistol.

Author: **3592 - SEVERI, MICHAEL 0456**

Subject: **CRIME SCENE SUMMARY, DET. SEVERI #456**

Related date/time: **Dec-17-2018 (Mon.) 1308**

I, Detective Severi #456 (IV100), have been employed by the Sacramento Police Department since 2005. I am currently assigned to the Office of Investigations as a Detective with the Felony Assaults Unit. My primary duties are to investigate and/or assist with the investigation of crimes including, but not limited to assaults with deadly weapons, felony batteries, kidnapping, and homicide.

NOTIFICATION:

On Monday, 12-17-18 at approximately 1242 hours, I was notified by Sgt. Landberg of a Homicide Team call out for an officer involved shooting involving the Sacramento County Sheriff's Department within the City of Sacramento. Sgt. Landberg provided a pre-brief of the initial details known to him, including two members of the Sheriff's Department had shot and killed a subject within a vehicle in the area of San Juan and Truxel. I was told to respond to this location. The following investigators were requested to conduct an Officer-involved shooting investigation:

- Detective Sergeant Landberg #3107 (IV13)
- Detective Sergeant MacLafferty #3065 (IV18)
- Detective Sergeant Start #3039 (IV16)
- Detective [REDACTED]
- Detective Griggs #670 (IV135)

BRIEFING:

At 1402 hours, once the Homicide Team was present, Sergeant Buchanan briefed us about the incident and the circumstances known to him at the time. Sgt. Buchanan advised the report numbers for the incident is SPD 18-398311 and SSD 18-446660. The lead investigator on this case (Det. ██████████) will be describing the details from the briefing. See his attached report for further.

SCENE DESCRIPTION:

San Juan Village is a strip-mall shopping complex located at 3291 Truxel Road in Sacramento, CA, 95833. The majority of the businesses are located along the west side of the property, and most of the east side is a parking lot for the businesses. The flagship store in the middle of the property is a Food Maxx grocery store. The remainder of the property is comprised of smaller businesses. The immediate parking lot for the Food Maxx is located east of the storefront. There are eight rows of cross-hatched parking spaces from the south end to the north end of the property. The shooting took place in the northern hatch of fourth row from the south, which is also the fourth from the north.

See the diagram (provided by Crime Lab) and scene photos for further details.

LEGAL ACCESS TO SCENE:

The scene was located upon a location with public access.

WALK-THROUGH:

At 1434 hours, I participated in a walk-through of the crime scene with other investigators. Items of known evidence were pointed out along with the layout of the parking lot and location of York's body in the parking lot.

SCENE LIGHTING:

The scene was processed mostly during daylight conditions. During hours of darkness we utilized flashlights, vehicle lighting, and overhead parking lot lighting.

EVIDENCE OF SURVEILLANCE VIDEO:

Several officers and investigators canvassed the businesses and area for video. SPD Forensic Video Specialist Baker responded to the scene as well. Baker and other investigators collected several videos from local businesses. See attached supplements for further.

IDENTIFICATION OF THE DECEASED:

Travis York was identified by several investigators who were actively searching for York, as he was wanted for several recent criminal offenses in the Sacramento Region. I later confirmed York's identity with the Sacramento County Coroner's Office.

TIME OF DEATH:

SFD Engine 15 Paramedic Vansuch pronounced York deceased at 1216 hours.

DECEASED LOCATION:

York was deceased in the Food Maxx parking lot at 3291 Truxel Road.

DECEASED POSITION:

York was in a supine position with his head pointing in a general northwest direction.

DECEASED CONDITION / CLOTHING DESCRIPTION:

York was wearing black/red shoes, blue jeans with a belt, khaki jacket over a Miami Dolphins '13 - Marino' football jersey, with a green t-shirt under it. York also had medical adhesive electrode leads on his legs from SFD personnel. York also had handcuffs on his wrists behind his back, which was described as having been done by SSD following the shooting.

DECEASED INJURIES:

York sustained several gunshot wounds (see Coroner's report #18-06512 for full details of York's injuries). Det. Robison attended the Autopsy conducted on York's body at the Sacramento County Coroner's Office. See his preliminary Autopsy report for further information.

CSI Kinoshita accompanied me to the minivan to retrieve and photograph the firearm. I used clean latex gloves to retrieve the firearm from under the front passenger seat. It was a black polymer semi-automatic pistol with a magazine inserted into it. I could not locate a serial number on the gun. There was a blank silver placard on the bottom side of the accessory rail area, which is commonly a place for a serial number to be. There was a 'P80' on the grip of the gun, which I know to be a company that sells polymer lower portions of pistols. The slide had no markings on it. The magazine was a matching P-mag magazine inserted into the gun, which contained live 9mm ammunition. I did not remove the live rounds from the magazine. There was a '10' opening on the side of the magazine to show the capacity of the magazine. It appeared live ammunition was present at the 10 capacity location, but it is unknown the full capacity of the magazine. After removing the magazine from the gun, I locked the slide of the pistol to the rear and a single (1) live round of 9mm ammunition ejected from the chamber. CSI took several photographs of the pistol, magazine, and ammunition, which were later booked under property numbers 1020130-020 through 022.

The following evidence items were collected from these locations and booked under the following property numbers:

SERGEANT SUMMARY REGARDING HOMICIDE TEAM CALL OUT: 18-398311

I, Sergeant Scott MacLafferty #3065 am currently a supervisor of Homicide Team 1 of the Major Crimes Division of the Sacramento Police Department.

NOTIFICATION:

On Monday, 12/17/18 at approx. 1227 hours, I was notified by SPD Homicide Sergeant Gerald Landberg of a homicide team call out regarding an assault on an officer and a subsequent officer involved shooting involving two Sacramento County Sheriff's Deputies that occurred in the City of Sacramento at 3291 Truxel Road.

ARRIVAL AND SCENE:

At approx. 1345 hours, I arrived on scene and found the crime scene to be secure with uniformed officers and crime scene tape. Once the homicide team was present, Patrol Sergeant Buchanan #3164 briefed us about the incident and the circumstances known to him at the time. After the briefing, I responded back to the Hall of Justice to assist Sergeant Landberg.

Sergeant Landberg requested that I conduct a round count for the two deputies that fired weapons in the incident. The first was for Deputy Brian Bell and the second was for Detective Joey Lemus. Both round count/inspections were done in interview room #6 and audio/video recorded. I later booked a copy of this DVD into evidence. I remained in the room and the involved Deputies handed me their weapons and ammunition off camera where I completed the appropriate round counts. CSI Kinoshita #6361 photographed the weapons and round count board. She then took custody of the rifles and packaged them for evidence to later be delivered to the Sacramento County Crime Lab. After both round count processes she gave me custody of the evidence at approx. 2000 hours and I secured the evidence in a locked locker until custody was turned over to Detective Severi and Ayers who delivered them to the Crime Lab on Tuesday, 12/18/18.

INVOLVED WEAPONS:

On 12/17/18 at approximately 1752 hours, I conducted a weapons inspection of Deputy Brian Bell's Colt M-4 LE 5.56mm rifle (serial number [REDACTED]). This weapon had been secured in my office prior to this inspection. Per Deputy Bell the rifle was loaded with (30) Speer .223 rounds of ammunition in a 30 round PMAG magazine. I counted 20 rounds remaining for a deficit of (10) rounds. He was also in possession of two additional (30) round PMAG magazines each containing (30) rounds.

I then inspected his 9mm Glock 17 handgun (Serial number [REDACTED]) that he carried on his belt. I asked Deputy Bell to render the weapon safe and found (1) 9mm round in the chamber and (17) rounds in the attached magazine. I also checked the two additional magazines that he carried and found each to be full with (17) rounds to full capacity. Deputy Bell stated that he was not carrying any additional back-up weapons on his person at the time of the shooting.

On 12/17/18 at approximately 1822 hours, I conducted a weapons inspection of Detective Joey Lemus Colt M4 LE .556 rifle (serial number [REDACTED]). Per Detective Lemus the rifle was loaded with (30) rounds of Speer .223 ammunition in a (30) round PMAG magazine. He did not carry additional magazines for this weapon. This weapon was rendered safe and I counted (24) rounds remaining for a deficit of (6) rounds.

I then inspected his 9mm Glock 17 handgun (Serial number [REDACTED]) that he carried on his belt. The weapon was rendered safe and I found one 9mm round in the chamber as well as (17) in the attached magazine. He had two additional 9mm magazines carried in his vest, each were fully loaded with (17) rounds. Detective Lemus stated that he was not carrying any additional back-up weapons on his person at the time of the shooting.

I, Detective Hunkapiller #710, am currently assigned to the Sacramento Police Department's Major Crimes Division, Homicide Unit. My primary responsibilities are to investigate homicides, suspicious deaths, kidnappings, "in custody" deaths and officer involved shootings.

NOTIFICATION:

On Monday 12/17/18 at approximately 1216 hrs, I was notified by Lt. McCloskey of a Officer-Involved-Shooting involving Sacramento County Sheriff Deputies that had occurred within the City of Sacramento. I was instructed to respond to 3291 Truxel Rd (Food Maxx). I responded from police headquarters.

ARRIVAL:

Upon my arrival, I observed a large crime scene secured by police crime scene tape, marked patrol units and numerous uniformed officers. News media crews had begun to set up on the perimeter of the crime scene. I entered the exterior perimeter of the scene. A large contingent of law enforcement officials and Command Staff from the Sacramento Police Dept, The Sacramento County Sheriff's Dept, the Elk Grove Police Dept and the Sacramento County District Attorney's Office were present.

BRIEFING:

At approximately 1402 hrs, SPD Patrol Sgt. Buchanan conducted a briefing of the incident, relating the facts and circumstances known to him at that time. For a detailed summary of the briefing ** See Detective [REDACTED] Supplement **

At the conclusion of the briefing I was assigned to assist Detective [REDACTED] who had been assigned investigative "Lead". Additionally, I was assigned to interview Deputy Bell. .

SCENE DESCRIPTION:

The incident scene is a located in a small strip mall of various business in the area of North Natomas. In particular, the parking lot of the Food Maxx shopping center. The Food Maxx faces East onto Truxel Rd and is bordered by San Juan Rd to the North. This business strip mall is surrounded by residential neighborhoods, parks and schools.

At approximately 1434 hrs, I participated in a "walk-through" of the crime scene conducted by Sgt. Buchanan. S-York's body was still on scene and surrounded by a body barrier to shield the scene from the general public. Sgt. Buchanan pointed out to investigators the suspect vehicle (Isuzu Rodeo), SSD Det. Lemus's unmarked police vehicle and SSD Deputy Bell's marked Patrol Unit. I observed numerous expended shell casing's on scene.

At approximately 1515 hrs, I met with Deputy Bell and his Attorney Seth Nunley (Mastagni Holsdtedt Law). Deputy Bell provided an additional walk-through with his attorney, CSI and Detective Severi present. During this walk through Dep. Bell provided investigators with his perspective of the scene, particularly the placement of his patrol vehicle, the path of travel from his patrol vehicle, where he was standing at the time of the shooting and the direction of his shots fired. Detective Severi placed CSI placards at these locations for the crimes scene investigation. ** See Detective Severi Crime Scene Supplement **

FOLLOW UP:

While on scene, Elk Grove Detectives contacted Det. [REDACTED] and I to brief us on the facts / circumstances related to their incident / investigation with S-York that had occurred a few days prior. ** See Detective [REDACTED] Supplement **

While on scene I was advised by SSD Sgt Clark that it would take several hours to retrieve the ICC Camera footage from Dep. Bell's Patrol Unit. I consulted with SPD command staff and Dep Bell's Attorney and it was agreed that Dep Bell would be allowed to watch the ICC footage of the incident from inside of his patrol vehicle while on scene. At approximately 1600 hrs, myself, Dep. Bell and his Attorney observed the ICC footage from inside of his patrol. The ICC footage does not capture the shooting based on the position of Dep. Bell's patrol unit when he stopped in the parking lot. I was told by SSD Sgt. Clark that SSD IT personnel would download the ICC footage at a later time and a copy would be provided to SPD's investigative team.

I cleared the scene and responded to SPD Headquarters to conduct an interview of Dep. Bell.

Once at police headquarters I instructed CSI to photograph Dep. Bell in the uniform / duty equipment he was wearing at the time of the incident. ** See CSI Supplement **

Sgt. MacLafferty conducted a 'round count' of Dep. Bell's duty weapons. ** See Sgt. MacLafferty Supplement **

At approximately 1843 hrs, I interviewed Dep. Bell in an interview room with his Attorney Seth Nunley present. This interview was audio recorded and monitored by personnel with the Sacramento Police Dept, The Sacramento County Sheriff's Dept. and the Sacramento County District Attorney's Office. I later had this interview transcribed at uploaded into the report. ** See Deputy Bell Statement **

I, Detective Murawski #0871 (IV96), have been employed by the Sacramento Police Department since 2003. I am currently assigned to the Office of Investigations as a Detective within the Felony Assaults Unit. My primary duties in the Felony Assaults Unit are to investigate and/or assist with the investigation of crimes including, but not limited to assaults with deadly weapons, felony batteries, kidnappings, and homicides.

NOTIFICATION:

On Monday, 12-17-18, at approx. 1245 hours, I (Detective Murawski #871, IV96) was notified by SPD Homicide Sergeant Landberg of a homicide team call out, regarding a Sacramento County Sheriff's Department Officer Involved Shooting that occurred in the area Truxel Road and San Juan Road in the South Natomas area of Sacramento. I arrived on-scene at Truxel Road and San Juan Road at approx. 1310 hours and attended the briefing that was conducted by Sergeant C. Buchanan #3134 at that location at approx. 1402 hours.

Following the briefing, Sergeant Landberg assigned me to collect one of the Sacramento County Sheriff's Department (SSD) patrol rifles that had been used during the incident. At approx. 1427 hours, I contacted SSD Sergeant Puffer who advised me that the patrol rifle that had been used was currently inside of a blue Chevy van (████████). At approx. 1430 hours, I checked the interior of the Chevy van (████████) and located the patrol rifle laying down from the front passenger seat onto the passenger floorboard. Prior to moving the rifle, I had Forensic Investigator (FI) Kinoshta take photographs of the rifle. After FI Kinoshta photographed the rifle, I collected it and transported it to 5770 Freeport Blvd. (SPD Hall of Justice) and released it to Sergeant MacLafferty.

At approx. hours, I contacted Witness ██████████ inside one of the interview rooms at 5770 Freeport Blvd. I then obtained a statement from her. Her statement was recorded with both video and audio. I later booked a copy of the interview as evidence at 5770 Freeport Blvd.

On 12/17/18, at approx. 1945 hours, I stood by as FI Kinoshta obtained a DNA sample and fingerprints from ██████████. After FI Kinoshta was finished obtaining the DNA sample and ██████████ fingerprints, I completed a 849b PC for (Certificate of Release) and provided ██████████ with a copy. I later scanned in a copy of the 849b PC form and attached it to the report.

I, Detective T. Culp #858, have been employed by the Sacramento Police Department as a sworn police officer since April 2007. From April 2007 to January 2014, I was assigned to Patrol Division of the Department. My primary duties consisted of, but were not limited to, responding to 911 emergency calls and conducting proactive police enforcement of the law. From January 2014 to September 2016, I was assigned to the Department's Crime Suppression Unit. My primary duties consisted of, but were not limited to, conducting follow up to burglaries, robberies, and other theft related crimes. From September 2016 to July 2017, I was assigned to the Department's Night Investigations Unit. My primary duties consisted of, but were not limited to, investigating shootings and other gun related crimes. From July 2017 to the time of this writing, I was assigned to the Department's Homicide Investigation Unit. My primary duties consisted of investigating the crime of homicide.

On Monday, 12/17/2018, at approximately 1350 hours, I was off-duty. I received a phone call from Sergeant G. Landberg advising there was an Officer Involved Shooting that had occurred and requesting my assistance.

I responded to 5770 Freeport Blvd (HOJ).

I downloaded video from the Police Observation Device (POD) at Bercut Drive and Richard Blvd from 12/17/2018 at 1030 hours to 12/17/2018 at 1200 hours. The POD captures video from three (3) different angles. It captures video of northbound Richards Blvd at Bercut Drive, southbound Bercut Drive at Richard Blvd, and westbound Richards Blvd at Bercut Drive. I later copied the downloaded video to a DVD and booked it for evidence, PR# 1020209-003.

I was assigned the interview of witness [REDACTED]. The interview was audio and video recorded and a copy was later booked into evidence, PR# 1020209-001. ***SEE STATEMENT***

During the interview I showed [REDACTED] a Google Maps aerial photo of the parking lot of 3291 Truxel Road. [REDACTED] drew an "X" on the map where she parked in the lot. She drew a line to the east indicating the vehicle parked to her east. She drew a line indicating the path of the white SUV and where it parked in the lot. [REDACTED] drew a sketch at the bottom of the map I had provided. She drew two (2) curved lines indicating where the Deputies were, a box indicating the white SUV, and dots indicating the direction of the shots. I later booked the map into evidence, PR# 1020209-002.

[REDACTED] stated the Deputies were clearly identifiable as law enforcement. She stated the Deputies were giving the suspect commands and remembered hearing them tell him to show them his hands. [REDACTED] stated that her vision of the incident was partially blocked by a vehicle parked to the east of her in the parking lot. She did not see the suspect holding a gun. She stated after the shooting she saw the Deputies performing CPR on the suspect.

I am currently assigned as the Gang Investigation Unit Supervisor. On 12-17-2018 I was called off-duty to assist with this investigation. I arrived on scene at approximately 1320 hours and made contact with SPD Homicide Sergeant Landberg.

I was assigned as the Scene Sergeant. Detectives Severi and Robison were designated as the Scene Detectives. CSI Supervisors CSI Lovitto and CSI Schiele were assigned to the scene.

I attended a briefing by Sergeant Buchanan who provided the facts of the incident known to him at the time. At approximately 1434 hours Sergeant Buchanan provided investigators a scene walk-thru where he identified the evidence known to him. The scene was then turned over to investigative personnel.

At approximately 1520 hours I conducted a scene walk-through with SSD Deputy Jose Lemus. Present at the walk-through was Detectives [REDACTED] Severi, CSI Lovitto and LDF Attorney Steve Welty. Deputy Lemus identified the approximate position where he was standing when he discharged his firearm. A scene marker was placed in the area Deputy Lemus identified.

At approximately 1527 hours I conducted a scene walk-through with SSD Deputy Brian Bell. Present at the walk-through was Detectives Hunkapiller, Severi, CSI Lovitto and LDF Attorney Seth Nunley. Deputy Bell identified the approximate area where he was standing when he discharged his firearm. A scene marker was placed in the area Deputy Bell identified.

At approximately 1543 hours I conducted a scene walk-through with the following individuals, Denise Phillips Sac DA, Shirley Shepler Sac DA, Tony Turnbull SSD, Ken Clark SSD, Gail Vasquez SSD, Taizo Takahashi SSD, Brandon Culp SSD, Eric Hobbs SSD, Matt Owens SSD and Shaun Hampton SSD. I briefed the above individuals on the circumstances and physical evidence known to me at the time.

SPD CSI began to process the scene under the supervision of CSI Lovito and CSI Schele.

At approximately 1630 hours Leslie Poole from the Sacramento County Crime Lab arrived with a specialized crime scene scanner. Investigator Poole and her team scanned and documented the crime scene with a 3D scanner.

Throughout the remaining evening I remained on scene and facilitated the return of both civilian and sheriff's department vehicles that were contained in the scene.

The scene was secured and processed until approximately 2230 hours. At approximately 2230 hours the scene was cleared of all SPD Personnel.

I, Detective Putman #870 (IV127), have been employed by the Sacramento Police Department since 2005. I am currently assigned to the Office of Investigations as a Detective with the Felony Assaults Unit. My primary duties are to investigate and/or assist with the investigation of crimes including, but not limited to assaults with deadly weapons, felony batteries, kidnapping, and homicide. On Monday, 12-17-18 at approximately 1230 hours, I was notified by Sgt. Landberg of a Homicide Team call out for a shooting within the City of Sacramento. Sgt. Landberg advised me that The Sacramento County Sheriff's Department had shot and killed an armed suspect during an attempt to arrest him and to respond to Truxel Rd and San Juan Ave for an Officer Involved Shooting investigation.

I arrived on scene at approx. 1310 hours and found the scene to have been secured by the patrol Officers and Deputies with both tape and patrol cars. The scene included the entire parking lot at the south west corner of Truxel Rd and San Juan Rd to include the Food Maxx at 3291 Truxel Rd. At 1403 hours I attended a briefing by Sgt. Buchanan where he advised me of the facts known to him at the time. I was advised that the SSD call number was 18-446660 and the SPD call number was 18-398311.

After the briefing I was assigned to assist with witness interviews at the Hall of Justice (HOJ) Headquarters, 5770 Freeport Blvd. I responded back to HOJ and interviewed witness [REDACTED] in an audio and video recorded room. (W) [REDACTED] was working as a security guard for the shopping center at the time of the event. (W) [REDACTED] was dressed in full uniform to include a body worn camera (BWC) however the BWC was never activated and did not capture any of the events. See (W) [REDACTED] statement for further details.

No further actions.

OBSERVATIONS: DET. TRIMPEY #0806 (IV106)

NOTIFICATION:

On 12-17-18, at approximately 1350 hours, I was contacted by SPD Homicide Sergeant Landberg regarding an active Officer-Involved-Shooting Investigation in the City of Sacramento. Sgt. Landberg requested I respond to SPD Hall of Justice (5770 Freeport Blvd) to assist with witness interviews. I responded to HOJ from home and arrived at approximately 1450 hours.

ARRIVAL:

Upon arrival at HOJ, I observed several witnesses had been transported by patrol officers for interviews. I observed multiple witnesses were seated in the atrium area of Headquarters with patrol officers and two witnesses were seated in interview rooms. The homicide team had not returned from the scene so I stood by awaiting a briefing from Sgt. Landberg.

BRIEFING:

I did not attend the field briefing given by patrol of this incident. I spoke with Lead Detective [REDACTED] who advised the following in summary: On 12-17-18, at 1207 hours, deputies with the Sacramento Sheriff's Department were following a suspect wanted for a shooting when he pulled into the Food Max Parking Lot, 3291 Truxel Rd. The suspect, Travis York, exited his vehicle, brandished a firearm, and was shot in the parking lot by deputies.

FOLLOW UP:

On 12/17/18, at approximately 1605 hours, I contacted (W) [REDACTED] in interview room 5 at 5770 Freeport Blvd. The interview was audio and video recorded and a copy of the recording was later booked as evidence. The recording is available for transcription if necessary. (See attached statement)

At the conclusion of the interview, I called and left a message for [REDACTED] with Pepsi. (W) [REDACTED] requested I contact [REDACTED] on his behalf since he missed work as part of the interview process regarding this incident.

Related date/time: **Feb-28-2019 (Thu.)**

On Tuesday, 12/018/18, at approximately 0930 hours I, Det. Robison #414, met with Forensic Pathologist Dr. Su at the Sacramento County Coroner's Office located at 4800 Broadway in order to attend the autopsy of suspect Travis York 07/29/1976. Dr. Su conducted the autopsy on suspect York, which I viewed from a pre-designated area within the autopsy room. I was able to clearly view the autopsy, hear conversations within the room, and view specific findings by Dr. Su.

At approximately 0935 hours Dr. Su began the autopsy. The beginning portion of the autopsy was to examine the body clothed. While doing this we observed that suspect York had a gun holster on his right hip attached to his belt. While the autopsy continued, Dr. Su described the following injury to me in summary:

- An exit wound was observed on the right portion of York's chest.
- 2 superficial gunshot wounds to York's right knee.
- Entry wound on the outer right elbow.
- Exit wound on the inner right forearm.
- Abrasion on right exterior bicep.
- 2 gunshot wound entries on right shoulder.
- Injuries from glass in forehead.
- Injury to back of right arm above elbow, which possibly caused abrasion on bicep.
- 5 gunshot wound entries to the right upper back.
- 4 gunshot wound entries to the right back.
- 2 superficial gunshot wounds to the right back.
- 1 gunshot wound entry to left side of back.

Dr. Su advised that suspect York was shot approximately 16 times. No other injuries were located or observed on the victim's head or anywhere else. I cleared the Coroner's Office at approximately 1500 hours.

I am Mike Baker (VH-1), Media Production Specialist II, badge number 6511, employed with the Sacramento Police Department. I'm permanently assigned to the Digital Forensics Unit (DFU), Forensic Video, in the Office of Investigations.

On 12/17/2018, at approximately 13:47 hrs, I was contacted by Det. () who requested I respond to San Juan Village Shopping Center, 3291 Truxel Road # 0 in Sacramento, to collect (download) Close Circuit Television (CCTV) video footage and images, and audio data from the CCTV system's hard drive (HDD) for an OIS investigation, report number 18-398311. The requested time frame of interest was from approximately 12/17/2018 - 11:30 hrs, to 12/17/2018 - 12:16:00 hrs, Sacramento Police Department 'Computer Aided Dispatch' time (SPD CAD time).

On 12/17/2018, at approximately 16:00 hrs, I arrived at San Juan Village Shopping Center. Upon arrival, I obtained consent, and was granted access to the CCTV system from employee Mr. ().

I authenticated the CCTV system date and time stamp by comparing the difference between the current CCTV date and time stamp displayed on the CCTV monitor with the Sacramento Police Department, Computer Aided Dispatch time (SPD CAD time). SPD CAD time was documented as 12/17/2018 - 16:20 hours, while at the same time, the CCTV date and time stamp was displaying 12/17/2018 - 17:18:53 hours. The authenticated CCTV date and time stamp off set is approximately + 58:53 minutes difference from SPD CAD time.

The camera system consists of six (6) cameras out of a total capacity of eight (8) cameras. The DVR's 'motion sensor' mode was set to 'Disabled', while the DVR's 'continuous record' mode was set to 'Enabled'. No microphones or audio of any kind was recorded on the CCTV system.

Relevant camera angles include: 1, 2, 3, 4, 5, and 6

I downloaded twelve (12) native / proprietary data files with their viewer application from the native DVR to a 16 GB USB 2.0 flash drive, establishing evidence specimen #01.

I departed the location at approximately 17:43 hrs.

Back at the SPD Forensic Multimedia Lab (SPD FML), at approximately 18:18 hrs, I calculated a hash value and copied verbatim CCTV data from the 16 GB USB 2.0 flash drive to 2 of 2 DVD-R's, establishing master evidence specimen # 01. I compared the specimen's calculated hash values and checked the copied data for consistency with file size, content and footage accuracy. Both specimens are confirmed to be identical. I utilized the hash calculation software ExactFile, by Studylab Software LLC, 2009, version 1.0.0.15 Beta to calculate hash values.

At approximately 20:03 hrs, I calculated a hash value and copied verbatim CCTV data from the 16 GB USB 2.0 flash drive to the Forensic Multimedia Depository Archive (FMDA) digital case file, establishing a working copy of specimen # 01 (WC 01). I compared the specimen's calculated hash values and checked the copied data for consistency with file size, content and footage accuracy. Both specimens are confirmed to be identical. I utilized the hash calculation software ForensicCopy, Sanderson Forensics Ltd. 2007, version 1.0.0 (c) to calculate hash values.

At approximately 20:18 hrs, I provided a digital verbatim copy of the CCTV data from evidence specimen # 01, for the lead investigators. I checked the copied data for consistency with file size, content, and footage accuracy. Both specimens appear to be identical. I copied the files via Windows Explorer Windows 7 Professional, Service Pack 1.

Back at the SPD Forensic Multimedia Lab (SPD FML), at approximately 20:33 hrs, I secured and stored evidence specimen 01, master evidence specimen 01, all verbatim copies and derivatives of evidence specimen 01 in the Video Lab Locker (SPD VLL).

On 12/18/18, at approximately 15:21 hrs, I removed master evidence specimen 01 from the SPD VLL and booked it into the Versadex evidence management system, establishing SPD PR # 1020220-1, and deposited that DVD-R into a sealed SPD evidence envelope intact, and in original condition. I deposited the evidence envelope into the Hall of Justice, Property Section Drop Box (P-HOJ), in the Public Safety Center - Hall of Justice, at 5770 Freeport Blvd., suite 100.

Upon arrival, I made contacted with witness-[REDACTED] and obtained the following statement in summary. My body worn camera was activated during the course of this investigation.

I was parked one isle to the south of where the incident occurred. I had just pulled in when I saw a white male, maybe in his 40's, running down the parking lot isle, toward Truxel Rd. Then I saw that there were two Sheriffs. One was following the suspect toward Truxel Rd and one was coming from the Truxel Rd side of the lot, toward the suspect. The suspect cut into the isle of parked cars, it was all happening in front of me, I was looking right at it. The suspect cut into the isle toward like a white SUV. It kind of looked like an older Isuzu. There was a woman in the driver seat of the SUV and the suspect cut down the isle, toward the SUV. It looked like he was trying to get in that car. The Sheriff that was following the suspect, coming toward Truxel Rd, shot the suspect 7 times. The Sheriff that was coming from Truxel Rd, came to the driver side of the SUV and pulled the woman out of the SUV. The officers were wearing bullet proof vests that said Sheriff on them, the one that actually shot the suspect was

I arrived on scene and made contact with witness- [REDACTED] and obtained her statement (see attached).

I stayed with W-[REDACTED] while she waited in her vehicle to be contacted by detectives.

After approx. 30 minutes, W-[REDACTED] started her vehicle and attempted to exit the scene.

I informed officers at the exit the she was not free to leave.

As I approached her vehicle, she stated "You are ruining my day! If I am not under arrest, I am going to leave!"

I informed her that she was currently detained as a witness to the incident. She demanded to speak with supervisor.

I instructed W-[REDACTED] to return to where she was parked before and I would make contact with my supervisor.

She refused, put the vehicle in drive and attempted to drive toward a Sheriff Deputy that was on scene, blocking the exit.

Officer were able to reach through the driver side window, remove the keys and detain W-[REDACTED] in cuffed.

W-[REDACTED] attempted to physically resist Officer, but was ultimately detained without further incident.

W-[REDACTED] continued to shout "I saw you all murder him! You shot him in the back! If you through I was going to cooperate, I am not going to anymore!"

W-[REDACTED] vehicle did not make contact with any officers on scene.

On 12-17-18 at approx. 1400 hrs, I contacted witness [REDACTED] at the scene. [REDACTED] stated the following in summary:

I was driving with my dad ([REDACTED]). We were near Truxel and the freeway. I saw a white SUV driving and cutting people off. The white car was behind us. We turned into the Foodmaxx parking lot to go to the Golden One atm.

I saw the SUV turn into the same parking lot with a police car behind it. My dad and I thought that the crazy driver was going to get a ticket. We drove to the atm which was out of site of the rest of the parking lot. My dad got out to use the atm and I sat in the car. I heard five or six shots come from the parking lot, but didn't see any shooting.

My dad got back in the car and we both said that there must have been a shooting just then. We drove through the Foodmaxx parking lot and saw the white SUV and the police doing CPR on someone outside of the SUV. We parked and walked into the store to buy some dog food. We came out and drove through the parking lot then re-parked and came back to ask if you needed to speak to us about what we heard.

I was sitting in the front passenger seat with the window down. I was sitting there waiting for my boyfriend in the store when I heard what I thought was fireworks. I think I heard 6 or 7 shots. I turned around and saw that the officers were shooting into the vehicle. There was a lot of smoke and the officers were pointing their guns at the car. It was that vehicle, the white SUV (Referring to the Isuzu Rodeo [REDACTED]). The officers were on this side of the vehicle first (pointing to the passenger side). There was a lot of smoke and when it cleared and the gunshots stopped the officers went over to the driver side of the vehicle. They started to escort the female out of the driver seat and then a lot of other cops arrived. That is all I saw.

I had a body worn camera equipped and activated at the time of this investigation.

On Monday, 12/17/2018 at approximately 1212 hour, I (Ofc Strautman #397) responded to the parking lot of 3291 Truxel Rd Suite 32 (Food Maxx) regarding an officer involved shooting. The Sacramento Sheriff's Department had advised that shots were fired at this location and that the suspect was down.

I responded from the Kinney Police Facility and arrived at approximately 1220 hours. There were multiple Sacramento Police Department Officers and Sacramento Sheriff Deputies on scene prior to my arrival. I observed that officers and deputies had begun to set up crime scene tape near the center of the parking lot.

Sgt Buchanan was already on scene and providing instruction for officers at this location. I entered the inner perimeter to obtain instruction from Sgt Buchanan. I was directed to canvas for witnesses and observed a large group of on-lookers near the front entrance of Food Maxx. I contacted several subjects near the entrance, only one of whom advised that she was a potential witness; [REDACTED]. I obtained her statement (see statement).

I contacted several other patrons of Food Max who were approaching their vehicles parked within the secondary/outer perimeter. I obtained their identifying information, vehicle information, and contact info. I inspected their vehicles for damage related to the incident prior to allowing them to leave. None of the vehicles I inspected appeared to have damage or contain evidence. None of these individuals stated that they witnessed the incident. The individuals I contacted and their vehicle information is as follows:

I then assisted Sgt Buchanan in conducting a records check of the deceased subject, TRAVIS YORK, and the female in the driver seat of the Isuzu Rodeo at the time of the incident, [REDACTED].

When conducting a records check of YORK, I observed a match with xref number [REDACTED]. YORK was shown to be a Parolee-At-Large. His commitment offense was listed as 459 PC. A parole violation warrant (3056 PC) was dated 10/25/2018 (Docket # [REDACTED]). Also York was shown to have a \$1,000,000 felony warrant for 215 PC from Elk Grove PD. This warrant was dated 12/16/18 and specified that YORK was considered armed and dangerous. His prior arrests included burglary, auto theft, various weapons charges, various narcotic related charges, and resisting arrest.

When conducting a records check of [REDACTED] I observed a match with xref number [REDACTED]. [REDACTED] was not shown to be on probation or parole. [REDACTED] had one \$5,000 misdemeanor warrant for failing to appear on a narcotics related charge from Gridley, CA. Her prior arrests included narcotic related charges and auto theft.

A records check of the Isuzu Rodeo ([REDACTED]) showed that it was registered to [REDACTED] from [REDACTED].

I provided this information to Sgt Buchanan.

I then maintained perimeter security of the outer perimeter. During this time my body worn camera was turned off because I had not contacted any further witnesses. I remained at the outer perimeter until approximately 1535 hours when I was relieved from the scene.

On 12-17-18 at appx 1230 hrs, I Officer Fontana #231, spoke to witness **[REDACTED]** and obtained a statement. He told me the following in summary;

I was here with my wife and daughter. I was waiting in the car with the baby while my wife shopped inside. My wife did not see anything.

I saw the white SUV come into the parking lot and slam on its brakes. That's what got my attention. Next thing I know the driver, the male subject, got out of the driver's seat and appeared to be walking toward a subject, like he was going to fight him or something. He appeared aggressive. I don't know who the subject was he was walking towards.

All of a sudden the suspect turns around and starts running back to his car. The car had parked directly to the east of me in the lot. A female was in the drivers seat. He was yelling "Go! Go! Go!". I think he saw a sheriff vehicle. I saw the marked sheriff vehicle in the area about the same time.

I thought it was like a drug deal but then I saw the sheriff vehicle and some deputies wearing gear that said "sheriff". They had their assault

weapons out.

As the guy was running back to his car, I heard people yelling to put his hands up. He didn't put his hands up.

Next thing I know shots are fired, I don't know how many or really from where, but the suspect was shot. A deputy shot over my car at the suspect.

I got mad, I said to the deputy why was he shooting over my car. My wife and baby were inside. The deputy said something about that the suspect had a gun.

As the deputies were doing CPR, I saw a deputy pull a black gun up from where the suspect was on the ground. I don't think it was an officer's gun because all the deputies I saw had assault rifles out.

I'm not sure if the suspect fired his gun or not. I knew the deputies were police because "Sheriff" was on their clothing.

ON 12/17/2018, at approximately 1240 hours, I (Officer Truesdale) contacted [REDACTED] on scene and obtained her statement. My body worn camera was active. She stated the following in summary:

I had just parked in the parking space and turned off my engine when I heard a bang like five times. I thought it was a tire popping or something until I looked up. I looked up and saw a man across in the next isle. His back was to me and he was wearing a jacket that said "sheriff". He was behind a car. I realised they were gunshots I heard and I was scared.

I backed out of the space and was going to drive away but I was shaking so bad so I pulled into a different space a little farther away until I calmed down. After I calmed down I was going to leave but then the isle were blocked by the police tape. I didn't see anything else.

I work here and my desk is near the front of the office and faces towards the door (north east). I heard a bunch of loud noises coming from outside. I thought someone was banging on the wall or something and I got up to look out of the window.

I saw a Hindu guy wearing a white sweatshirt standing at the corner of Arby's looking toward the grocery store like he was scared or hiding from someone. He was about 5'7" tall with a medium build.

About 1 minute after I heard the loud bangs I saw a greenish gray van drive into the parking lot of this shopping center from Truxel Rd on the north side of Arby's. The van drove down to the front of the grocery store and a guy with a big gun got out of the sliding passenger door. I think he was a cop, he had a black shirt on with gold stripes. He was white with short hair. He ran in an eastbound direction with his big gun.

After that the Hindu guy was no longer around and I locked the door to the business and waited inside. I did not see or hear anything else.

I arrived on scene at approximately 1239 hours. My body worn camera was activated during my time on scene. I observed the following in summary.

Upon my arrival I was tasked with scene security and contacting witnesses.

I contacted [REDACTED] at her vehicle (gray Kia Optima, [REDACTED] License plate [REDACTED]) located on the east side of the shopping center and obtained her statement (see attached). [REDACTED] had arrived after the incident and went grocery shopping. She was allowed to leave the scene per instructions by 2SM2 OFC Hanks #768 as she had not witnessed the event. I escorted [REDACTED] and her vehicle out of the south end of the scene.

I contacted [REDACTED] in his vehicle (silver Honda Accord, [REDACTED] License [REDACTED]) located on the south east side of the scene within the outer perimeter and obtained his statement (see attached). [REDACTED] was inside of the grocery store when he heard gun shots but witnessed nothing else. I escorted [REDACTED] and his vehicle out of the south end of the scene.

I contacted witness [REDACTED] inside of 3291 Truxel Rd #74 (Fred Loya Insurance) and obtained her statement (see attached). I escorted [REDACTED] on foot to the witness staging area on the north east side of the scene and waited with her until detectives and supervisors were done with their briefing. It was determined that [REDACTED] did not need to be transported for further interviewing and she was released back to her place of employment.

I then assisted with scene security at the north end of the shopping center at the eastern most driveway on San Juan Rd until I was replaced by 1C16 OFC Johnson #786.

I was released from the scene at approximately 1524 hours.

I, Detective Mayden #624 am currently assigned to the Office of Investigations - Real Time Crime Center. Some of my duties include the preservation, and downloading of video from various CCTV systems, other technological resources, and data platforms.

On 12/17/18 at approximately. 1215 hrs, I heard a radio broadcast of an outside agency assist call for service per text of the call Sacramento County Sheriffs Department had shots fired in the area of 3291 Truxel Rd (Food Maxx).

Upon arrival I contacted Subj-████████ at 3291 Truxel Rd #8 (Comic Command Center) who advised he was in the area during the shooting. I obtained his statement. (See attached subject statement for █████████)

There are no City of Sacramento controlled cameras in the area.

I contacted the property manager via phone (████████ PH █████████) who advised the cameras on site were controlled from suite 26. When I responded to suite 26 with security I observed the DVR had no method of review. I later advised Detective █████████ who advised a request would be completed for the footage.

I contacted the store manager (later identified as Subj-████████) of Food Maxx and observed multiple cameras that captured the parking lot on the east side of the building. I observed the following cameras facing the location of the incident.

-Lot 3

-Lot 5

Both cameras captured the incident at approximately 1206 hours. I observed a white SUV driving north through the parking lot and turn east in a parking lane and park on the south side of the lane. I observed a blue mini van following the vehicle and a SSD marked SUV equipped with an over head light bar enter the lane to the south and approach the vehicle from the front. I observed subjects beginning to run in the parking lot but was unable to identify any of the subjects fleeing.

I requested the video be downloaded from 1140-1240 hours. When I received

On 12-17-18 at approximately 1400 hours I, Ofc Hernandez #696 contacted **[REDACTED]** in regards to a shots fired call involving SSD. My body camera was activated. **[REDACTED]** stated the following in summary:

I can't even think of what time this happened.

I was at the door looking out to the parking lot. A van was parked right in front and there was a man in front of it. He had a hat on, I think it was backwards. He had a rifle so I started yelling "gun".

I saw another man running and he jumped into a white SUV. There was a female in the driver seat. He made it into the seat. That's when I heard the gunfire. I saw the man fall down and the girl had her hands up.

The man with the hat was almost behind that blue van when I heard the gunshots.

When I saw the rifle I just started yelling "gun, gun, gun". I didn't hear anything else. I'm just in shock.

I don't know how many times the gun was fired.

On Monday, 12/17/2018 at approximately 1317 hours I, Officer [REDACTED] made contact with [REDACTED] in the parking lot at 3291 Truxel Rd. [REDACTED] was on scene and witnessed the Officer involved shooting occur prior to my arrival. [REDACTED] did not speak English so I translated her statement in summary to the best of my ability from Spanish to English with my body worn camera activated:

I pulled into the Food Maxx parking lot around 1210 in my Nissain SUV(CA Plate [REDACTED]) and parked 4 stalls away from the passenger side of the white SUV next to where the man is laying down now.

After I parked my car I exited the vehicle and went to the rear of the vehicle. I looked down towards my key lainard to grab the key to open the rear door of my car when I heard someone yell "STOP".

I was startled and quickly turned around and locked eyes with the man who eventually got shot. I was standing approximately 10 feet away from him; I was really close to him. We looked at each other with confused looks questioning who the person yelling was talking to.

I then heard the man yell "STOP" again, I realized he was a Police Officer and was standing next to a parked minivan parked.

The man who got shot was standing on the passenger side of the white SUV opposite to where the Police Officer was.

The man using only his right hand started feeling around the outside of his right front pocket and then left front pocket. I believe he was reaching for something.

The Officer yelled "STOP" again.

The man then reached with his right hand into the inside left portion of his jacket feeling around for something. At this point the man was still standing to rear passenger side of the white SUV. He then began walking backwards very fast towards the front passenger seat of the vehicle.

The Officer continued to yell "STOP" and he began walking towards the man.

I then turned around and began walking towards the front entrance of Food Maxx when I heard a gunshot go off. I ran into the store as fast as I could and heard around five more gunshots go off.

I got inside the store and began watching from behind one of the windows, I could see the Police Officers handcuffing the man and turning him so that he was face up. The Officers then began giving the man first aid.

A person came into the store yelling that there was a child and woman inside the white SUV.

I saw a woman sitting in the rear passenger seat of the vehicle from where I was, she was white, approximately 35 years old, shoulder length blonde hair wearing a short sleeve shirt. Her face went blank when she looked over at the man laying on the ground next to her.

On 12/17/2018 I, Sgt. Buchanan #3134, was working as a patrol supervisor in the northwest district of the City of Sacramento. At approx. 1207 hours I copied a call from our Air unit advising that they were responding to 3291 Truxel Rd, regarding Sheriff's dupties being involved in a shooting.

At approx. 1211 hours I responded to 3291 Truxel Rd and arrived on scene at approx. 1217 hours. Once on scene I directed officers to secure the scene.

I contacted Sheriff's Sergeant Puffer #31 who advised that there were only two shooters and no other Sheriff's personnel on scene during the shooting. He arrived shortly after the shooting occurred. He advised that Detective Lemus and Deputy Bell were the two persons that were involved. He also advised that there weren't any suspects outstanding.

I contacted Deputy Brian Bell and obtained a brief public safety statement. He advised that he fired approx. 5-6 rounds at the suspect from the rear of the vehicle pointing in a southeast direction. I assigned an Officer/Deputy to stay with Deputy Bell.

I contacted Detective Lemus and obtained a brief public safety statement he

advised that he fired approx. 5-6 rounds at the suspect from the same area as Deputy Bell. I assigned a an Officer/ Deputy to stay with Detective Lemus.

I assigned CSO Becker to start a crime scene log. I verified that we had secure inner and outer perimeter around the crime scene.

I assigned Officer Southward to contact Engine 15 and get the names of the fire personnel that responded and who pronounced the deceased. Paramedic Van Such #1055 pronounced Travis York deceased at 1216 hours.

I coordinated with Sheriff's department Sergeants who assigned officers to canvass the exterior perimeter of 3291 Truxel Rd and [REDACTED] Truxel Rd. I was advised that deputies Prue #394, Hernandez #942, and Wright #32 conducted a canvass of [REDACTED] Truxel Rd and that they did not locate any witnesses.

Deputy Galovich #858 conducted a visual inspection of the southern portion of [REDACTED] Truxel Rd south to [REDACTED] Saginaw Circle. I was advised that he did not locate any evidence.

I advised all officers on scene to not release any witnesses that saw the shooting occur or any portion of the shooting. I also advised them to take preliminary statements.

I advised Officer Mayden to respond to 32-3291 Truxel Rd and obtain surveillance video. He advised that he got video transferred to a DVD starting at 1140 hours and ending at 1240 hours. He advised that it captured the shooting but it was blurry.

I conducted a homicide briefing at 1403 hours which concluded at 1427 hours. Shortly after that I conducted a walk thru with detectives.

During the briefing SSD Sgt. Puffer advised that the suspect had a firearm and that it was recovered by SSD personnel directly after the shooting.

After the briefing I contacted Sgt. Puffer and he advised that the suspect's firearm was currently located in Detective French's vehicle.

At approx. 1600 hours I relinquished the scene to Sgt. J. Start and left the area.

On 12-17-2018, at approximately 1207 hours, I was flying patrol operations in Police Helicopter Air 1 with Officer Robinson(#377 Pilot) and Officer Harshbarger(#484 Tactical Flight Officer). On the above date and time, I was in full flight uniform assisting with tactical flight officer duties seated in the rear middle seat.

Air 1 Police helicopter is a regional asset that helps provide situational awareness and air support to Sacramento Police Department and agencies in the surrounding areas. Part of our duties include monitoring radio channels of law enforcement agencies in the region such as Sacramento County, West Sacramento, and Elk Grove and providing air support as necessary.

At approximately 1207 hours, we heard unknown deputies advise on Sacramento County Sheriff radio that they were behind a wanted subject in a white SUV in the area of 3291 Truxel Rd requesting air support. Shortly after the initial transmission, I heard the deputies on the radio advise the suspect had a gun and seconds later heard the deputies advise that shots had been fired. Officer Harshbarger was in charge of operating the helicopter's police radio and immediately advised the Sacramento police north radio channel that the Sheriff's department had shots fired at 3291 Truxel Rd and needed assistance.

We arrived on scene within approximately 1 minute and observed a white SUV in the parking lot east of the main area of Food Maxx store. Our helicopter is equipped with an L3 MX-10 camera with zoom capability and thermal imaging. Using our helicopter's camera we were able to clearly see a male white subject near a white SUV on his back wearing a #13 jersey. I observed at least one deputy giving CPR chest compressions providing medical aid.

Officer Harshbarger coordinated the response of responding deputies and officers and advised dispatch of ingress to the scene for medical personnel. As we orbited the area, Officer Harshbarger began taking photographs of the medical aid actions of the deputies and the scene with our helicopter's camera. Once responding officers and the fire department were arriving on scene, Officer Harshbarger began video recording the non-stop medical aid and life saving efforts as well as the scene, surrounding vehicles and perimeter.

We cleared the scene at approximately 1243 hours. Upon landing at McClellan Airfield for fuel, our video and photos from the scene were recorded to a disk by Officer Harshbarger and delivered to Detective Hunkapiller(#710) at the scene to be booked into evidence. Officers took no further action on this call.

RE: Officer-Involved Shooting Case No. SPD-18-398311
Shooting Officers: Joey Lemus, SSD #1459
Brian Bell, SSD #867
Person Shot: Travis York (DOB 7/29/76)

The District Attorney's Office has completed an independent review of the above-referenced officer-involved shooting. Issues of civil liability, tactics, and departmental policies and procedures were not considered. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of Travis York on December 17, 2018. For the reasons set forth, we conclude that the shootings by Detectives Joey Lemus and Brian Bell were lawful.

The District Attorney's Office received and reviewed written reports and other items, including: Sacramento Police Department report number 18-398311 and related dispatch logs/audio; Sacramento Sheriff's Office report number 18-446660; Elk Grove Police Department report number 18-8395; witness interview recordings; 9-1-1 audio recordings; in-car camera, surveillance, aircraft, and crime scene video recordings; photographs and diagrams; Sacramento County District Attorney Laboratory of Forensic Services Toxicology, Blood Alcohol, and Firearms Examination reports; and Sacramento County Coroner's Report.

FACTUAL SUMMARY

On Saturday, December 15, 2018, Travis York, Donald Honstein, and Dale Dare stole a television and a soundbar from a Wal-Mart on Elk Grove Boulevard in Elk Grove. Elk Grove Police Department officers located the suspects' vehicle at a gas station shortly thereafter. York, Honstein, and Dare were still in the vehicle along with the stolen merchandise.

Honstein and Dare were in the two front seats. They were quickly detained without incident. Travis York was in the back seat. He refused to follow the officers' directions. York produced a black pistol, held it to his own head, and threatened to shoot himself. Officers retreated for cover as York climbed into the driver's seat. York drove eastbound on Elk Grove Boulevard at a high rate of speed as officers gave chase. Officers lost sight of York's vehicle.

Officers continued to search for the vehicle. They located the vehicle parked at a nearby residence. York and a female were walking out of the residence as officers approached. York dropped a backpack he was carrying, ran into the backyard of the house, and jumped over the fence. York was able to successfully flee the area on foot.

Honstein and Dare identified the outstanding suspect as Travis York. A records check showed that York had an outstanding arrest warrant as a parolee-at-large.

Shortly thereafter, Elk Grove Police received a report of an attempted carjacking. York had attempted to carjack a citizen at gunpoint in a warehouse district a short distance from where York was last seen. The citizen was able to escape. York then successfully carjacked a second victim at gunpoint and fled the area in her Toyota 4Runner. His whereabouts were unknown.

Elk Grove Police Department detectives obtained an arrest warrant and contacted the Sacramento County Sheriff's Office for assistance in locating and apprehending him.

Sheriff's Detectives Joey Lemus and Brian Bell attended a briefing on Sunday, December 16, regarding the search for York. The briefing included the circumstances of the crimes committed, the outstanding firearm, and photographs of York. They were told that York had prior military experience and training.

On Monday, December 17, believing that York was in the area of Richards Boulevard and Bercut Drive, detectives in unmarked vehicles set up surveillance in the parking lots of two nearby motels hoping to spot York. Detective Lemus was parked in the parking lot of the Executive Inn and Suites at 216 Bannon Drive in an unmarked minivan when he saw a white female get into the driver's seat of an Isuzu Rodeo. Detective Lemus saw there was already a white male in the passenger seat. He was unable at that time to positively identify the subject.

The Isuzu left the motel parking lot, and Detective Lemus followed. He broadcast over the radio that he believed there was a high likelihood that York was the male in the Isuzu.

Detective Bell was in a fully marked SSD Ford Explorer. He heard Detective Lemus' broadcast. Detective Lemus requested that Detective Bell follow behind them until a positive identification could be made.

The Isuzu drove Northbound on I-5 onto Eastbound I-80. Detective Lemus observed the white male sitting low in the passenger seat, as if to conceal himself. Detective Lemus further saw the white male reach into the back seat of the Isuzu to grab a bag similar to a small backpack or small suitcase. He believed that the white male may have been doing this to arm himself with a firearm.

The Isuzu exited I-80 at Truxel Road and drove southbound past San Juan Road. The Isuzu made a right turn into the FoodMaxx parking lot and another right turn inside the parking lot. Detective Bell was approximately 10-15 yards from the Isuzu at this point and made eye contact with the white male in the passenger seat. This allowed Detective Bell to positively confirm that the white male in the passenger seat of the Isuzu was the wanted subject, Travis York.

The Isuzu drove northbound through the Foodmaxx parking lot, then made a right turn down a parking aisle in front of the store. Detective Lemus turned right behind the Isuzu in his unmarked minivan, and Detective Bell turned right in the preceding parking aisle in his marked patrol unit.

York got out of the Isuzu passenger seat as the Isuzu was coming to a stop in a parking spot about halfway down the parking aisle. Detective Lemus believed York had a handgun in his hands. York began walking towards Detective Lemus. Detective Lemus got out of his unmarked vehicle with his rifle and began shouting directions at York to show his hands. Detective Lemus was wearing a gun belt and a black vest with a badge and the word "Sheriff" clearly marked on the front and back. York did not obey the commands.

Detective Lemus noticed that York's hands were in the area of his waistband. York turned and headed back to the passenger door of the Isuzu. York opened the passenger side door to climb inside.

Detective Lemus did not know whether the female driver of the Isuzu was with York willingly. He believed that York was not going to surrender voluntarily and was concerned that York was going to shoot at him or his fellow responding officers to avoid being taken into custody.

Meanwhile, Detective Bell exited his marked patrol vehicle. He also wore a gun belt and a black vest with a badge and the word "Sheriff" clearly marked on the front and back. He saw that York was not obeying Detective Lemus' commands. He tried to place himself in a position that none of the shoppers in the parking lot would be at risk. He saw York move his hands from the area of his chest to the area of his waistband, look directly at Detective Bell, and walk briskly back to the Isuzu passenger door. The passenger door opened, and Detective Bell saw York's hands in the area of his waistband. Detective Bell saw a black object that he believed to be a gun. Detective Bell was in fear for the lives of himself, his partner, and the civilian shoppers within close proximity of this incident.

Both Detective Lemus and Detective Bell fired their rifles at York. Detective Lemus fired six shots. Detective Bell fired ten shots. York fell to the ground. Cardiopulmonary resuscitation was performed by responding officers, but York died on scene.

A loaded black semi-automatic pistol was found underneath York's body. A full box of 9mm ammunition and 28 grams of methamphetamine were found in York's jacket pockets.

An autopsy was performed by Dr. Keng-Chih Su of the Sacramento County Coroner's Office. The cause of death was listed as multiple gunshot wounds. Sixteen gunshot wounds were noted, with injuries to his back, right knee, and right arm. A blood sample taken from York during an autopsy confirmed the presence of methamphetamine in York's system.

Witnesses to the incident were interviewed. The driver and owner of the Isuzu stated that she had known Travis York for about a week. During that week she had seen him with a knife and with a gun. She stated that they left the Executive Suites motel at approximately 11:45 a.m. on Monday, December 17. She was driving, and York was in the passenger seat. York believed that a minivan was a police vehicle and was watching them, but she thought that York was being paranoid. York directed her to exit from I-5 onto I-80 and then exit again at Truxel. York noticed that the minivan was following them wherever they went.

She stated that as they pulled down a parking aisle, York jumped out as the car was still moving. She pulled into a parking space. York then ran back to the Isuzu and yelled, "Go! Go! Go! Get out of here!" She believed the officers were law enforcement due to the way they were dressed. She told York that her car was not going anywhere. She stated that she heard officers yelling for York to put his hands up, and then heard "a bunch of gunshots."

There were several additional citizens in the immediate area. Among these was a woman who had parked her car in the FoodMaxx parking lot. She stated that as she started to walk towards the store, she heard an officer yelling at someone to stop. She looked up and saw an officer pointing a rifle in her direction. She did not believe it could have been meant for her, so she looked behind her and saw a tall white man wearing a jacket. She described that the tall white man reached inside his jacket pocket as if he was reaching for a weapon. She looked back at the officer, who had advanced to a position closer to her and was yelling for the subject to stop. She looked again at the subject and saw that he had begun to run back to his car. She attempted to move out of the way and began to run towards the supermarket. As she was running, she heard "a lot of gunshots."

In-car camera footage from Detective Bell's vehicle was reviewed. The video shows him following behind the Isuzu and Detective Lemus' minivan onto Northbound I-5, then to Eastbound I-80, exiting at Truxel Road, and continuing down into the FoodMaxx parking lot. It shows the Isuzu making a right-hand turn to head down one of the parking aisles in front of the supermarket entrance, and Detective Lemus' vehicle turning behind it. Detective Bell's vehicle turns right into the preceding parking aisle in front of the supermarket. There are many cars in the parking lot as the supermarket was open for business at this time of day.

As the in-car camera is forward facing, it does not show the events happening in the parking aisle to the left. It does not capture footage of the shooting incident. As Detective Bell exits his vehicle, a voice can be heard yelling, "Show me your fuckin' hands! Let me see me your hands, now! [Unintelligible] your hands!" Approximately six seconds later there are the sounds of several shots being fired in quick succession, a slight pause, and then a second flurry of several

gunshots. Approximately five seconds later, an announcement of “shots fired” can be heard broadcasted on the radio within Detective Bell’s vehicle at approximately 12:07 p.m.

LEGAL ANALYSIS

A peace officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to detain or arrest the person, to prevent the person’s escape, or to overcome the person’s resistance. (California Penal Code section 835a; CALCRIM 2670.) An officer who detains or arrests a person does not need to retreat or stop his or her efforts if the person resists or threatens resistance. Moreover, using reasonable force does not make the officer an aggressor or cause him or her to lose the right to self-defense. (California Penal Code section 835a.) The person being detained or arrested has a duty to permit himself or herself to be detained, and the person must refrain from using force or any weapon to resist arrest. (*People v. Allen* (1980) 109 Cal.App.3d 981, 985; California Penal Code section 834a; CALCRIM 2670, 2671, 2672.)

In the present matter, Detective Lemus and Detective Bell had been briefed that York and his two crime partners had stolen a television and a sound bar from Wal-Mart. When officers located and detained their vehicle with the stolen property, York put a gun to his own head, threatened to shoot himself, jumped into the driver’s seat, and drove away at a high rate of speed, successfully eluding the officers. When officers located him a short time later, York again fled, jumping a fence and eluding officers. York then tried to carjack two separate victims at gunpoint and was successful on his second attempt. Detective Lemus and Detective Bell clearly had reasonable cause to detain York for these public offenses. The detectives ordered York to stop and to put his hands in the air, but York refused. York had a duty to submit himself to Detective Bell and Detective Lemus’ custody, just as he had a duty to submit to the custody of Elk Grove Police on the two occasions following the theft from Wal-Mart. He failed to do so. Instead, York ignored the detective’s commands, ran back towards the Isuzu, ordered the driver to drive away, and appeared to be grabbing for his semi-automatic pistol.

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470.)¹ An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (*Graham v. Connor* (1989) 490 U.S. 386.)

¹ This incident occurred prior to California Assembly Bill 392’s amendments to Penal Code sections 196 and 835a. Therefore, this incident is analyzed under the law as it existed at the time of the events.

Here, Detective Lemus and Detective Bell were reasonable in their belief that York posed an imminent danger of death or great bodily injury to themselves, each other, and the public in the immediate vicinity of the parking lot. The detectives had been briefed on the circumstances of York's prior actions during the last two days, including the lengths he would go to avoid capture. They knew that York was armed. They were aware that he pulled a firearm and pointed it at his own head and threatened to shoot to escape from the officers following the theft in Elk Grove. They were aware that he had then driven at a high rate of speed to avoid officers, placing others on the roadway at risk of injury. They were further aware that he then attempted a carjacking at gunpoint to obtain a vehicle to avoid capture and that he then committed a second carjacking at gunpoint of a separate victim.

When the detectives were following York in the white Isuzu on December 17, they did not know if the woman driving the Isuzu was with York willingly. They did not know if she was a hostage and was in danger when York ran back to the Isuzu during the encounter with the detectives, or if she was a willing participant who could provide York with his means of escape.

The detectives were further aware of the proximity of numerous civilians in the immediate vicinity coming to or from their cars as they shopped in the supermarket. They were afraid that any of them were potentially in danger from being struck by gunfire if York decided to start firing at the detectives. They were further aware that York might try to take one of the civilians or their vehicles to make his escape.

As the detectives confronted York in the parking lot, they were wearing distinctive vests identifying themselves as law enforcement, Detective Bell was standing outside a marked patrol unit, both officers were carrying rifles, and they were giving commands to York for him to raise his hands and surrender. Not only did York refuse to comply, he attempted to re-enter the Isuzu and, as also observed by a civilian witness, appeared to be reaching in his jacket for a gun. Detective Bell observed a black object that he believed to be a gun. Given all of these circumstances, the detectives' belief that York posed an imminent danger of death or great bodily injury to others was reasonable.

CONCLUSION

Based on the circumstances of this incident, Detectives Lemus and Bell were justified in shooting York to defend themselves and others. York posed a significant threat of death or serious physical harm to the detectives and others. Accordingly, we will take no further action in this matter.
