Instructions from Police Sergeant David Lee to Police Lieutenant-Exempt Bryce Heinlein:

Ready for your review.

Comments/Response from Police Lieutenant-Exempt Bryce Heinlein:

Comments:

Upon review of the attached reports, audio files and BWC of Ofc. Bradley, I believe the use of force was reasonable, justified and within policy. During my review of the incident, I observed that Ofc. Bradley's ICC was not activated during the call. I recognize that this call evolved rapidly and it may not have been practical to activate his ICC in a timely manner while trying to apprehend the suspect. As a reminder to the Officer Bradley, I had Sgt. Lee verbally remind Ofc. Bradley that G.O. 525.03 C.5. states: "The ICC system (audio and video recording) shall be activated as soon as practical whenever an officer in an ICC equipped vehicle makes any field contact for enforcement or investigative purposes (e.g., suspicious vehicle, suspicious subject, traffic stop, bike stop, subject stop), whether self-initiated or in response to a dispatched call." I believe this issue and the ancillary issue identified by Sgt Lee was handled appropriately at the watch level.

Instructions from Police Lieutenant-Exempt Bryce Heinlein to Police Lieutenant-Exempt Michael Hutchins:

Please provide a secondary review and forward to Capt. Buckley.

Comments/Response from Police Lieutenant-Exempt Michael Hutchins:

Comments:

The K9 deployment/Use of Force was justified and within policy. The tactics issues with the CSO handcuffing the suspect were appropriately addressed at the watch level. Sgt. Dobson also discussed GO 525.03 with Ofc. Bradley regarding the use and activation of his BWC.

For your final review

Comments/Response from Police Captain Mark Greenlee:

Comments:

Use of Force (K9) appears appropriate and within policy. Discussions with Officer Bradley to activate his BWC earlier in the call will be had at the Watch Level.

Document: **03 SUSPECT STATEMENT**

Author: **4094 - BRADLEY, MICHAEL 0545**

Subject: [REDACTED]

Related date/time: **Apr-26-2019 (Fri.) 100**

On 04/26/2019, I Ofc.Bradley #545, responded to UC Davis Hospital. I contacted Dean Vincent and obtained his Mirandized statement. Vincent had been advised of his Miranda rights while on scene at [REDACTED] Johnfer Way by Ofc.Reason. He stated the following in summary:

The guy I was with is someone I had just met in the bar earlier in the night. He said his name was John. I'm not a snitch and I really don't know his last name. He said he needed to get some stuff out of his car but was locked out. My friend Lonnie and I said we would help him and we drove over here in the black Dodge Charger. Lonnie never got out of her Dodge Charger and never helped us get into the car.

I started to help him get into the car and that's when you pulled up. I knew you were the police and I ran because I thought I had a warrant. I heard you say, "stop, police K9" but didn't know the dog would hit me that fast. I didn't have a weapon in my hand. It was a broken fishing pole that I was using to help open the lock. I don't know why I didn't drop it. I didn't even realize it was still in my hand.

I am on probation out of Yolo county for the same type of stuff.

Author: **4094 - BRADLEY, MICHAEL 0545**

Subject: **OFC.BRADLEY,#545**

Related date/time: **Apr-26-2019 (Fri.) 2154**

On 04/25/2019, I Ofc.Bradley #545, was working in the city and county of Sacramento. I was dressed in full police uniform, driving a fully marked Sacramento Police Department K9 vehicle. My patrol car is clearly marked with "K9" in white lettering against a black background on each side of the vehicle as well as on the center of the windshield. My K9 partner "Zuko" was wearing a 3" black nylon collar with a velcro patch that read, "POLICE" in white reflective lettering. He was also wearing a silver choke collar with a gold star badge attached that reads "Sacramento Police K9 #545" with the name "Zuko" on the bottom of the badge.

At approximately 2227 hours, I was dispatched to the area of [REDACTED] Johnfer Way regarding a car burglary in progress. Per the text of the call, the involved vehicle was a white older model sedan being broken into by a MWA in a white tee shirt.

As I drove south on Johnfer Way from 43rd Avenue, I observed two male subjects actively breaking into a white Toyota Corolla which was parked facing north on the east side of Johnfer Way. One of the subjects (a MWA) was using what appeared to be a metal pry bar to pull on the drivers side door while a second subject (later identified as Dean Vincent 11/22/82) was using what looked to be a long pole in an attempt to open the drivers side door of the Corolla in violation of 459 PC.

I stopped my patrol car approximately 25 feet away from the two subjects and directed my spotlight at them. I verbally identified myself as a police officer and advised both subjects not to move. The MWA quickly dropped the pry bar and began walking south on Johnfer Way. Vincent said "we aren't doing anything" and then began to run north on Johnfer Way with a black pole like object in his hand. I yelled for Vincent to stop stating, "police K9, drop the weapon and stop!" The unidentified MWA began to run south while Vincent continued north. I again yelled for Vincent to stop but he continued to run with the object in his hands ignoring a lawful order to stop in violation of 148 PC.

I exited my patrol car and began to chase Vincent on foot. I called my police K9 partner Zuko to a heel as Vincent continued to flee despite commands to stop and drop the object in his hand. I gave Zuko the apprehension command based on the following information known to me at the

time:

1.) Vincent had actively committed a burglary in my presence and was wanted for 459 PC.

2.) Vincent ignored my commands to stop - committing a fresh misdemeanor of 148 PC (Resisting, Obstructing, Delaying a Peace Officer). His knowledge of the presence of the police coupled with his decision to flee showed that Vincent was willing to go to great lengths to avoid capture by the police.

3.) Vincent was armed with an unknown black object in his hand as he ran away. Due to very low lighting conditions, I could not determine what the object was and perceived it to be a weapon or tool that could be used against me should he further resist upon me catching up to him. In my personal experience, the use of a trained police K9 has proven to effectively overcome resistance and even disarm suspects allowing Officers to safely effect the arrest of the armed subject.

4.) Vincent had not yet been searched prior to fleeing and it was unknown if he was armed with any other types of traditional and/or non traditional weapons that could be used against Officers attempting to effect his arrest without the superior apprehension capabilities of a trained police K9.

5.) Vincent was running towards 43rd Avenue which is a residential neighborhood. If allowed to flee into the neighborhood, Vincent would create a hazardous situation for Officers and citizens. A residential neighborhood affords suspects cover and concealment placing the Officers at a significant tactical disadvantage. In my training and experience, suspects often conceal themselves in residential neighborhoods in an effort to violently assault Officers attempting to locate and apprehend them.

Zuko quickly closed the distance between us and Vincent. I yelled again "Police K9, stop!" but Vincent kept running. Zuko contacted Vincent on his left ankle causing Vincent to fall to the ground. Zuko lost contact with Vincent's left ankle and then transitioned to Vincent's right calf area, holding Vincent until I was able to catch up.

The fall caused Vincent to drop the object in his hand which fell into the street on Johnfer Way. Once I could see that Vincent did not have any other weapons in his hands, I gained positive control of Zuko by his collar and gave him the release command. Zuko released as instructed and returned to a heel at my side. I ordered Vincent to remain on his stomach with his hands in plain sight which he complied with.

I broadcasted the incident via radio and immediately requested code-3 fire to my location for Vincent's injuries. The first person to arrive on scene was CSO Anstess who I requested to handcuff Vincent. CSO Anstess used my handcuffs and detained Vincent. As additional Officers arrived on scene, I placed Zuko back into my patrol car. I broadcasted the description of the other subject who fled south which was a MWA in his late 30's, approximately 6 foot tall with a skinny build and short hair wearing blue jeans and a white tee shirt. Units began to check the area for the outstanding subject but he was never located.

Ofc.Reason arrived on scene and conducted a search of Vincent incident to arrest. A wallet containing multiple identifications not belonging to Vincent were located along with several small pocket knives. Ofc.Reason then cut Vincent's lower pant leg and began to provide first aid. Shortly after, Sacramento FD Engine 13 and Medic 11 arrived on scene and began to treat Vincent's injuries. Vincent was ultimately transported to UC Davis Hospital for further treatment of his injuries. Ofc.Finley #630 rode in the ambulance with Vincent during transport to UC Davis Hospital.

I began to retrace the area of the foot pursuit and observed a metal pry bar on the ground next to the drivers side door of the Toyota. A key ring was found in the lock of the drivers side door which contained numerous keys for different vehicle manufacturers. Several of the keys were also shaved down smooth on both sides. Based on my training and experience, car thieves and car burglars will often use these types of keys in order to gain access to multiple vehicles and also allow them to start multiple vehicle type ignitions. The object that Vincent was running with was the end of a fishing pole which he later admitted was used to assist in opening the door. A pump style inflatable wedge was found in the drivers side door seal as well which clearly showed Vincent's control of several tools entering the vehicle in violation of 466 PC and 459 PC.

While checking the area, I observed a black Dodge Charger parked just two cars north of the Corolla which was occupied by a female driver. I contacted the driver and asked if she had seen what happened. She stated, "I heard you yell freeze, police K9 don't run and then saw a guy running." The woman verbally identified herself as Lonnie Bueno and provided a birthday of 12/25/1969. Bueno stated she was in the area to see her cousin but her story did not make sense based on her proximity to the crime and the fact that she did not know which street her cousin lived on. Ofc.Reason #507 began to question Bueno who eventually admitted that she was there with Vincent and the unidentified suspect in violation of 182 PC. Bueno stated she did not know the outstanding subject and only heard him called by his nickname of "Rookie." Prior to transport, Ofc.Reason advised Vincent

of his Miranda warning and he also admitted to knowing Bueno and stated she was there to give him a ride away from the scene in violation of 182 PC (See Supplement for details).

I later discovered a related call from the original complainant that stated the suspects were seen going in and out of large black sedan just two vehicles north of the white Toyota Corolla (Call #19-128428). Additionally, Bueno was identified by witnesses during a field show up as trying to break into the vehicle just prior to PD arrival (See Ofc.Gonzalvo's #988 Supplement for details of the field show up).

A records check of the Toyota showed it to be a stolen vehicle (Rpt# 19-2865/ FCN:4301900400220). CSO Anstess completed the recovery of the Toyota under the original report number (See Supplement for details).

CSI responded to the area and photographed the scene including photos of the pole dropped by Vincent, the Toyota with the wedge inserted, and the pry bar lying on the ground. CSI also responded to UC Davis for photos of Vincent's injuries.

A neighborhood canvass was conducted by Officers Lundgren, Walker, and Gonzalvo (See Supplements for details).

A records check of Vincent showed him to be on active F/S Probation until 04/27/2019 for 10851 CVC out of Yolo County. Vincent also showed to have prior arrest history for 245(C) PC, 148 PC, 245(A)(1) PC, and 2800.2 CVC among many other prior arrests.

I was advised that a full Mirandized statement had not yet been obtained from Vincent so I responded to UC Davis where I obtained his statement (See suspect statement).

Vincent was arrested for 459 PC, 466 PC, 182 PC, and 148 PC. Bueno was arrested for 459 PC and 182 PC.

All evidence was booked at JERPF by Ofc.Reason.

A red border form was completed for Vincent's injuries.

*My body worn camera was activated after Vincent was apprehended by K9 Zuko. The entire incident was still captured although there is no audio for the first 30 seconds.

On Thursday, 04/26/19 at approx. 2237 hours, Ofc. Kawasaki #465 and I, Ofc. Finley #630 were dispatched to a call for service regarding a possible vehicle burglary. Before I arrived on scene officers had already detained one suspect (identified as Vincent, Dean). Upon my arrival, I was holding a perimeter spot on Riverside Blvd/Greenhaven Dr. while a search was being conducted. I was then tasked with accompanying Vincent to the hospital via ambulance. Ofc. Reason #507 advised that Vincent had already been read his miranda rights. I observed the following in summary:

My body worn camera was activated during my investigation until shortly after I arrived at the hospital with Vincent.

After asking Vincent what happened, Vincent advised that he was helping a person (possibly named "John") that he met at a bar get into his car. Vincent advised that "John" said he would give Vincent \$20 to help him get into his car to grab his stuff. Vincent said that he did not know who John was. Vincent advised that he ran from the police because he thought he had an outstanding warrant for his arrest (per a records check via WebKPF I confirmed that Vincent did not have any warrants).

Upon arrival at UC Davis Medical Center, while medical staff was assessing

On Friday, 4/26/19, at approximately 0039 hrs, I (Ofc. Gonzalvo #988) contacted witness [REDACTED] at [REDACTED] Johnfer Way [REDACTED] regarding a car clout in progress. I was equipped with a body worn camera, which was activated during my investigation. [REDACTED] stated the following in summary:

My bedroom window faces west towards Johnfer Way. I looked outside of the window earlier and saw three people standing around an older looking white car. That car has been sitting there for months. It was really dark so I couldn't really get a good look at the people. Two of them looked like males, but one of them looked like a female. She was wearing either a white or gray hoodie. I don't know if I can identify them if I saw them again because it was very dark.

The female was standing at the driver side of the vehicle. She had her hands on the window like she was trying to push it down and gain access to the inside. The two males were standing on the passenger side. It looked like they were trying to do the same thing. I didn't want to be nosy so I stopped looking. I looked back outside later on that night and noticed that there were a ton of police instead.

I read Dean his miranda rights verbatim per SPD #133 and he advised "yes" to understanding each of his rights.

After reading Dean his rights, he was transported to the hospital.

I contacted a female who was speaking with Officer Bradley. The female verbally identified herself as Lonnie Bueno. I obtained Lonnie's statement (see attached). On Thursday 4-25-19, apx. 2329hrs; I (Tippets #259) obtained the following statement in summary from [REDACTED] (witness) over the phone:

I live in an apartment in this area. I could see that white car ([REDACTED], 1996 Toyota Corolla, 4d, white) parked on the street from my apartment. I heard some noises outside so I looked out my window. I could see a male white, late 20's-early 30's standing at the front drivers door of the car. The guy was about 6'1"/thin build with short brown hair, wearing a white t-shirt and dark pants. That person was holding a flashlight and looking into the front drivers window. I could see that guy was also holding a tool of some sort and I could see his hand moving like he was doing something with the tool. I don't know what type of tool the guy was holding but it looked like a tool to me.

The guy left the white car and walked up about two cars to a black car ([REDACTED], 2008 Dodge Charger, 4d, black) that was also parked on the street. The guy opened the front driver door of the black car but he didn't get inside. He then walked back to the white car and continued to do something with the tool by the car. I was afraid of being spotted watching that guy so I went away from the window and called the police.
