Instructions from Police Sergeant David Lee to Police Lieutenant-Exempt Bryce Heinlein:

Ready for your review.

Comments/Response from Police Lieutenant-Exempt Bryce Heinlein:

Comments:

Upon review of the attached reports, audio files and BWC of Ofc. Bradley, I believe the use of force was reasonable, justified and within policy. During my review of the incident, I observed that Ofc. Bradley's ICC was not activated during the call. I recognize that this call evolved rapidly and it may not have been practical to activate his ICC in a timely manner while trying to apprehend the suspect. As a reminder to the Officer Bradley, I had Sgt. Lee verbally remind Ofc. Bradley that G.O. 525.03 C.5. states: "The ICC system (audio and video recording) shall be activated as soon as practical whenever an officer in an ICC equipped vehicle makes any field contact for enforcement or investigative purposes (e.g., suspicious vehicle, suspicious subject, traffic stop, bike stop, subject stop), whether self-initiated or in response to a dispatched call." I believe this issue and the ancillary issue identified by Sgt Lee was handled appropriately at the watch level.

Instructions from Police Lieutenant-Exempt Bryce Heinlein to Police Lieutenant-Exempt Michael Hutchins:

Please provide a secondary review and forward to Capt. Buckley.

Comments/Response from Police Lieutenant-Exempt Michael Hutchins:

Comments:

The K9 deployment/Use of Force was justified and within policy. The tactics issues with the CSO handcuffing the suspect were appropriately addressed at the watch level. Sgt. Dobson also discussed GO 525.03 with Ofc. Bradley regarding the use and activation of his BWC.

Use of Force (K9) appears appropriate and within policy. Discussions with Officer Bradley to activate his BWC earlier in the call will be had at the Watch Level.
