Incident Summary

Please see attached documents and reports.

I, Sgt Porter #3138 (1SM6) arrived at the briefing location and authorized the use of the K9.

I advised over the Radio that I acknowledged the K9 bite.

I arrived on scene of the target location and the scene of the actual K9 bite. I spoke to all the Officers involved including the K9 unit.

After monitoring the Radio traffic, hearing what the Officers told me at the briefing and the scene, viewing the body worn camera video footage, and reviewing the G.O. report, I find that the use of the K9 in this situation was justified and consistent with department policy and training, and was conducted with due regard for public safety.
