### Incident Summary

---

See attached report. Based upon my personal observations on scene, my review of BWC footage, ICC footage, and the associated crime report, I believe the use of force was justified and consistent with SPD policy. Tactical issues regarding efficient ways to lock down a residence with a two person perimeter, and the necessity of using cover / concealment when choosing perimeter positions was brought to the attention of Ofc. L. Smith and Ofc. Shepard. This was communicated via team debrief and direct communication. Officers receptive, handled at watch level.

On 04/25/19 at approx 1300 hours, I, Ofc. Shepard #209 contacted VICTIM [REDACTED] at [REDACTED] 23RD ST and obtained her statement. She stated the following in summary:

My name is [REDACTED], D.O.B- [REDACTED] and I live here at [REDACTED] 23RD ST with my roommate, [REDACTED], D.O.B- [REDACTED]. Our apartment takes up only the first floor of the building. The apartment upstairs is a different address ([REDACTED] 23RD ST).

This all started yesterday (04/24/19) while I was at work. My roommate ([REDACTED]) called me and told me that someone was trying to get into our backyard. [REDACTED] said there was someone on the SOUTH SIDE of our house shaking the gate.

At approx 1215 today my roommate ([REDACTED]) and I heard someone on the SOUTH SIDE of the house messing with the gate. We went to [REDACTED] room in the SOUTH-WEST corner of the house to see if we could see anyone inside of the backyard. We saw a male white adult with long brown hair walking around our house in the backyard.

The man looked into the first window WEST of our side gate. The window was SOUTH-FACING. The man looked inside and saw us. He appeared to be talking to himself. We yelled at him to "Please leave!" and to "Get out!". We told him we were going to "Call the Cops!" but that didn't stop him from pulling on the window and trying to get in. That's when we called 9-11.

I took a picture of the male white adult from the SOUTH-WEST bedroom when he was in the backyard. I tried to pull up the picture on my cellphone but I could not find it. We lost sight of the man for a few moments and then heard someone banging on the FRONT door. The person kept yelling "Mommy!". I was scared and didnt know what was happening or if it was the man that was in the backyard moments earlier.

After banging on the FRONT DOOR and SOUTH-GATE for a few minutes, the male white adult returned to our backyard. He began pacing around the perimeter of the house.

A few minutes later we heard the male white adult INSIDE of our house. We

were terrified so we baricaded ourselves in the bathroom. We could not lock the door so we armed ourselves with a hammer and a bat. We could hear him walking around in the house outside of the bathroom saying, "Where are you?". Luckily you (PD) showed up a couple of minutes later.

The man you have handcuffed, and sitting down on the porch IS the man I saw trying to get into our house.

I do NOT notice anything that is missing, but the chair in the living room is knocked over and the door leading from the living room in the SOUTHEAST corner to the bedroom is now open. The door was closed before we went into the bathroom. The plants that are on the window sill on the SOUTH wall in [REDACTED] room are also knocked over.

At this time I do NOT notice anything that is missing from our apartment. We just moved in a few weeks ago and are still unpacking, so there are things scattered all over the floors.

I have never seen him before, but my roommate [REDACTED] has.

I have no idea why this man would want to get into our apartment. We've never experienced anything like this before so this really freaked me out.

I am not hurt and I do NOT need any medical attention. I have a small scratch on my UPPER LEFT THIGH from climbing out of the window but I am fine.

On 04/25/19 at approx 1310 hours, I, Ofc. Shepard #209 contacted WITNESS [REDACTED] at [REDACTED] 23RD ST and obtained her statement. She stated the following in summary:

My name is [REDACTED], D.O.B- [REDACTED] and I live here at [REDACTED] 23RD ST. I work from home so I'm pretty much here all the time.

I first noticed the SUSPECT earlier this morning around 0930 hours. He was standing on the corner of MATSUI ALY / 23RD ST. He was talking to himself and walking in and out of the street in a really disoriented manner.

After approx 30 minutes I noticed that the SUSPECT had moved to the VICTIM'S door-steps ([REDACTED] 23RD ST.) and was banging on windows and yelling, "Let me in!". I didn't watch him the entire time, but I checked on him every once in a while because he just seemed awfully suspicious.

I stepped outside because I received a package and that's when I noticed the SUSPECT was in between our houses ([REDACTED] 23RD ST / [REDACTED] 23RD ST). He was still looking in windows and trying to get into the VICTIM'S house by pulling on the windows ([REDACTED] 23RD ST).

Eventually the SUSPECT opened the side gate and pulled his cart into the backyard, that's when I called 911. I was giving updates to the dispatcher while I was watching the man.

I captured portions of the man's activity on my cell phone.

I called my boyfriend at approx 1215 hours and told him what was happening. I also sent him a picture from my cellphone and that's when he stated that a male white adult matching the SUSPECT description in the picture I sent him from today, was casing the neighborhood and having a manic episode a few months ago.

The man you have in custody who is currently sitting on the porch IS the man I saw walking around their house, banging on the gate/windows and crawling into the SOUTH-FACING window gaining entry to the VICTIM'S house.

I have never seen the man before today.

On 04/25/19 at approx 1227 hours, I, Ofc. Shepard #209, Ofc. Baker #756, Ofc. Anchuk #438, Ofc Smith #653 and Ofc. Smith #650 (K9-13) were dispatched to [REDACTED] 23RD ST for a reported burglary in progress. Per the text of the call, a male SUBJECT broke the lock to the side gate and got into the backyard and was banging on windows. The male SUBJECT was described as a male Filipino in his 40's with possible mental issues.

One of the callers advised that they had only lived in the neighborhood for a few weeks and did not recognize the SUBJECT who was said to be yelling "Mama".

A caller advised that the SUBJECT was still in the backyard and that she could see him through the windows. The caller stated that she had locked all doors and that she and her roommate were the only ones in the house. The SUBJECT was yelling "Open up!" and was beating on the windows with his hands. The caller was afraid that the SUBJECT would gain access to the residence.

A neighbor called and advised that a TRANSIENT was banging on the next-door neighbor's window and was breaking into their backyard. The caller advised that the neighbors were NOT home and described the SUBJECT as a male black adult approx 5'6"-5'8" in height, thin build, gray hoodie, khaki/green pants and had a lot of "things" in his shopping cart.

Additionally, the caller stated that the SUBJECT was talking to someone and that it was uncertain whether or not someone was in the backyard with him or if he was talking to himself. It was unknown what the SUBJECT was saying and she felt as if the SUBJECT was actively trying to break into the residence and was upset that PD had not arrived yet.

A caller stated that she could currently hear the SUBJECT on the SOUTH side of the house, but that he had been moving window.

Dispatch clarified to units that one of the callers was one of the residents and that she and her roommate were secured in the bathroom for safety. The female resident advised that the SUBJECT was trying to open the back door which lead to the mud-room.

While still land-lined with the resident, she stated that she thought he may have just gotten into the house, and then confirmed that he was inside. She advised that she could hear him saying, "Where are you?", and could hear him moving around outside the door, and heard a loud bang. She was unsure of what the noise was or if it was PD at the door.

The resident then advised that she and her roommate occupied the first floor and were both in the bathroom.

Based on the update from dispatch advising that the SUSPECT was INSIDE the residence, I responded CODE 3 to the scene.

I arrived on scene at approx 1232 hours in full SPD uniform and driving a marked SPD patrol car. I was immediately hailed by the neighbor (██████ 23RD ST) who pointed to the backyard of ██████ 23RD ST, where I observed the following in summary:

My SPD issued body worn camera was activated for the duration of my investigation.

Ofc. Baker and I responded to the backyard and observed the window screen from the second window on the WEST wall had been removed and was resting against the WEST wall of the residence. The window blinds were in the closed position and Officers were unable to open the window due to the fact that the locking mechanism to the window was in the locked position.

Ofc. Baker and I maintained a perimeter position on the SOUTHWEST corner of the residence and Ofc. Anchuk #438 maintained a perimeter position on the NORTHWEST corner of the residence and advised that the security door on the NORTH SIDE of the residence was locked.

I observed a window that was partially open on the WEST wall of the residence, and the lower half of the screen was bent.

I heard Ofc. Baker state that she saw a hand reach for the screen from inside the open WEST-FACING window.

Ofc. Anchuk made several announcements for any occupants to make themselves known, but there was no response and no one exited the residence and/or the open window. We maintained our positions.

Ofc. Smith #653 took a perimeter position on the EAST side of the residence.

Officer Smith (K9-13) arrived on scene to assist. He responded to the

partially open window and made contact with one of the residents. They were both located in the bathroom that they retreated to while waiting for PD to arrive.

I assisted both female residents in climbing out of the WEST-FACING bathroom window. While exiting the window, [REDACTED] obtained a scratch on her UPPER LEFT thigh while crawling out of the window, but was not in need of medical attention.

At approx 1243 hours, Ofc. Smith (K9-13) made several loud K9 announcements through the REAR, WEST-FACING OPEN WINDOW with no response from any possible occupants.

At approx 1245 hours, Ofc. Smith (K9-13) made a second round of K9 announcements into the residence through the REAR, WEST-FACING OPEN WINDOW with no response from any possible occupants.

Ofc. Cranford #558 and SGT. Faria #3059 arrived on scene to assist.

At approx 1249 hours, Ofc. Smith (K9-13) and his K9 made entry into the residence through the open bathroom window and interrupted the burglary.

K9 Ofc. Smith unlocked a door on the WEST SIDE of the residence so that Officers could gain entry to assist.

Officers Baker, Anchuk and I entered the residence and observed the SUSPECT lying on the floor in the living room. Ofc. Smith (K9-13) had advised that the SUSPECT had been bitten by the K9. Ofc. Anchuk and I handcuffed the SUSPECT and conducted a search for weapons with resulted NEGATIVE. During the search Ofc. Anchuk discovered narcotic paraphernalia and booked it as evidence (see Ofc. Anchuk supplement).

The SUSPECT was POSITIVELY IDENTIFIED as [REDACTED], D.O.B- [REDACTED] (XREF- [REDACTED]).

I conducted a walk-through of the residence with VICTIM [REDACTED] to determine if any items had been taken, or if anything seemed out of place/broken in the residence (see VICTIM statement).

I contacted the WITNESS [REDACTED] at [REDACTED] 23RD ST and obtained her statement (see WITNESS statement).

WITNESS [REDACTED] stated she would send the video footage that she took on her cellphone of the SUSPECT entering the residence to my SPD email.

I determined that the crime elements for PC 459 (Burglary) and PC 148 (Obstructing/Delaying/Resisting a Peace Officer) were present. SUSPECT [REDACTED] was taken into custody for the above mentioned crimes.

SFD Medic #62 transported SUSPECT [REDACTED] to the UC DAVIS MEDICAL CENTER.

I responded to UC DAVIS MEDICAL CENTER to await SUSPECT [REDACTED] treatment/clearance for transport/booking at the SACRAMENTO COUNTY MAIN JAIL. I observed a laceration on the SUSPECTS UPPER LEFT ARM that was approx 4" x 3".

As his treatment was going to exceed our shift, Ofc. Wright #968 responded on scene at UCDMC to stand-by with SUSPECT [REDACTED] to await him being cleared for booking.

As SUSPECT [REDACTED] had property in excess of what could be booked at jail, a call was made for a swing shift officer to respond and collect his personal property from the shopping cart he left in the VICTIMS backyard at [REDACTED] 23RD ST for booking and safe-keeping (REF: SPD CAD Call# 19-128072).

On 04/26/19 at approx 0757 hours, I downloaded the video footage sent by WITNESS [REDACTED] from my SPD email and transferred them to a DVD-R Disc. I booked the disc at 555 SEQUOIA PACIFIC BLVD as evidence.

I viewed the footage captured by WITNESS [REDACTED] and observed a white male adult with shaggy black hair, wearing a black hoodie and green pants pushing a shopping cart into the VICTIMS backyard at [REDACTED] 23RD ST. I then observed the SUSPECT crawl into the FIRST, SOUTH-FACING window of the residence and close the window behind him. The SUSPECT on the video matched the description of SUSPECT [REDACTED] based on hair, race, stature and clothing.

The FRONT door of the apartment was oriented to the EAST. ██████████ occupied the entire first floor of the structure and ██████████ 23RD ST occupied the entire second level of the structure. There was a wooden gate on the SOUTH SIDE of the structure. The lock on the gate was in tact but the hardware was broken. The screen of the SECOND, SOUTH-FACING window from the WEST wall of the structure was removed and propped against the side of the residence. The first window was secured. There were two WEST-FACING windows in the backyard of the residence and one WEST-FACING door. There was no alarm system for the residence and they had no video surveillance equipment. The residents did not have any animals.

Once the SUSPECT entered through a bedroom window and after knocking items off of the dresser adjacent to the window he entered by opening the door to an adjoining bedroom. He responded into the living room where the SUSPECT knocked over a folding chair and was located and detained by Officers in the interruption of the burglary.

\*\*\*NOTE: The VICTIMS stated that they had recently moved in and that they were still in the process of unpacking and could not identify any missing items at the time of my investigation. There were belongings all over the floor.

Today my roommate (W-[REDACTED] DOB: [REDACTED]) and I were cleaning the house and listening to music.

All of a sudden we hear someone banging on our gate (referrint to the gate on the south side of the home). We looked through the window and told him to leave several times.

Once he was in the backyard we called the police.

He started to shake the windows, and pushing them to get them open.

We thought we heard a window open and blinds rustling so we put a bathroom rack in front of the door because it does not have a lock. That's when [REDACTED] and I leaned up against the door to keep it closed.

After that I could hear him say "Where are you?" in weirdly calm tone, almost as if he was taunting us. He said that maybe a couple of times.

On 04/25/2019 at approx. 1229 hours I (1B36) responded to [REDACTED] 23rd St. for a Burglary in progress. I arrived on scene at approx. 1232 hours with an activated Body Worn Camera. I observed the following in summary:

I responded to the scene Code-3, with my activated overhead lights and sirens going continuously.

Upon my arrival other officers arrived on scene.

I held a perimeter spot at the front of the residence on the east facing wall looking toward 23rd St. While holding this perimeter spot I could clearly hear the K9 unit make announcements into the house.

I then obtained a V-[REDACTED] statement on scene. (see victims statement)

I accompanied V-[REDACTED] through the home to determine what it is she deemed out of place.

She stated the following was out of place:

A black folding chair in the frontroom located on the south east corner of the home was turned over on its side.

The door to V-[REDACTED] room was open and had previously been closed. It is the east facing door to the living room.

In V-[REDACTED] room located on the south west corner of the residence. The plants/succulents were moved from the south facing window seal. She stated the plants were lined up on the window seal and the blinds were partially in the up position. The blinds were fully closed and the plants were on her nightstand.

The screen was removed from V-[REDACTED] south facing window.

After viewing the home I observed the gate to the backyard on the south side of the home was missing a piece. The part located on the swinging portion of the gate itself was gone and two holes where the screws held it in place was left.

was yelling "open up" and beating on the windows with his hands. The caller was afraid that he was going to get into the residence.

A neighbor called in and advised that a transient was banging on the neighbor's window and breaking into their backyard. The caller advised that the neighbors were not home. That caller described the subject as:

Subject-Male, black, adult, 5'6"-8", thin build, gray hoodie, khaki/green pants and had a lot of things in his shopping cart.

The caller further stated that the subject was talking to someone, and it was unknown whether anyone else was in the backyard with him or if he was talking to himself. It was unknown what the subject was saying and she felt as if the subject was trying to actively break into the residence and was upset that PD had not arrived yet.

A caller indicated that she could hear the subject currently on the south side of the house but that he had been moving window to window.

Dispatch clarified to units that one of the callers was one of the residence occupants and that she and her roommate were secured in the bathroom for safety. The female resident advised that the subject was trying to open the back door which lead to the mud-room.

While still land-lined with the resident, she stated that she thought he may have just gotten into the house, and then said that he was inside. She advised that she could hear him saying, "Where are you?", and could hear him moving around outside the door, and heard a loud bang. She was unsure what the noise was or if it was PD at the door.

The resident advised that she and her roommate occupied the first floor and were both in the bathroom.

I arrived at approx. 1232 hrs, and was immediately hailed by the neighbor at [REDACTED] 23rd St, who pointed to the backyard of [REDACTED] 23rd St.

Officer Shepard and I responded to the backyard and observed the window screen from the 2nd window from the west wall, removed and propped up against the side of the residence. The window blinds were in the closed position and officers were unable to open the window as the locking mechanism to the window was in the locked position.

Officer Shepard and I maintained a perimeter position on the southwest corner of the residence and Officer Anchuk maintained a perimeter position

on the northwest corner of the residence.

I observed a window partially open on the west wall of the residence and the screen was partially bent on the lower portion of the frame.

I observed a hand reach for the screen of the window and Officer Anchuk gave verbal commands for any subjects inside the residence to make themselves known.

After several commands for any occupants to make themselves known, there was no response and no one exited the residence. We maintained our positions.

Officer Smith,L took a perimeter position on the east side of the residence.

K9 Officer Smith arrived onscene to assist. He responded to the partially open window and made contact with one of the residents. They were both located in that room that was the bathroom that they had retreated to while waiting for PD.

Officer Shepard assisted both female residents in crawling out of the window and exiting safely.

At approx. 1243 hrs, K9 Officer Smith made several loud K9 announcements at the rear open window with no response from any possible occupants.

At approx. 1245 hrs, K9 Officer Smith made a second round of K9 announcements into the residence through the open window with no response from any possible occupants.

Officer (Cranford/558-1B62) and (Sgt. Faria/3059-2SM3) arrived onscene to assist.

At approx. 1249 hrs, K9 Officer Smith and his K9 partner made entry into the residence through the open bathroom window.

K9 Officer Smith unlocked a door on the west side of the residence so that officers could gain entry quickly to assist.

Me, Officer Shepard, and Officer Anchuk entered the residence and observed the suspect lying on the floor in the living room. K9 Officer Smith had advised that the subject had been bit by the K9. Officers Anchuk and Officer Shepard handcuffed the suspect and conducted a search for weapons

I responded with Officer Shepard to [REDACTED] 23rd St, where he took the neighbor's statement (See Officer Shepard's Observations/Witness Statement).

We determined that the crime elements for 459 PC / Burglary and 148 PC / Obstructing / Delaying / Resisting a Peace Officer in the discharge of their Duties, were present. Susp-[REDACTED] was taken into custody for the above mentioned crimes.

On Thursday 4/25/2019 I, Officer Smith, J. #650 was working patrol as a K9 handler (K913) in the City of Sacramento. I was wearing a full SPD patrol K9 uniform equipped with a fully functional body worn camera and was operating in a fully marked SPD patrol K9 vehicle equipped with a fully functional in car camera. I observed the following in summary:

At approximately 1219 hours SPD dispatch received a 911 call from victim/[REDACTED]. [REDACTED] stated that her and her roommate (Victim/[REDACTED]) were inside their residence ([REDACTED] 23rd St.) and an unknown male (later identified as suspect/[REDACTED]) broke the lock to their side gate (south side of residence) and gained access to their backyard. The suspect began knocking on the windows and could be heard yelling. At this point neighbors also called 911. [REDACTED] advised her and her victim/[REDACTED] were hiding in the bathroom. At approximately 1231 hours [REDACTED] stated that suspect/[REDACTED] had entered the residence.

Victim/[REDACTED] described suspect/[REDACTED] as a male-Filipino-40's.

Responding units and myself responded to the residence code-3.

I arrived on scene at approximately 1236 hours. Upon my arrival, several

patrol units were already on scene, I requested all units to form a perimeter around the residence and to hold their positions.

I responded to the rear of the residence along with K9 Kai at my heel. Officer Anchuk #438 was holding the north/west corner of the residence, Officer Baker #756 was holding the south/west corner, Officer Smith, L. #653 was holding the east side, and Officer Shepard #209 was mobile between the front and rear of the residence along the south side of the residence,

It appeared suspect/ [REDACTED] made entry through the window on the south side of the residence near the south/west corner as the screen from the window had been pulled off and was on the ground below. Neighbors also corroborated that suspect/ [REDACTED] gained access through the same window in question.

While in the backyard a screen on the west window pushed out from the inside. As Officer's directed their attention to the window they quickly discovered that it was the victims whom were hiding inside the bathroom. Both victims had armed themselves, one with an aluminum baseball bat, the other with a hammer in fear for their safety. I pulled the screen off the window and pushed the window open. Officer Shepard assisted the two victims out of the window and escorted them to the front of the residence and had them sit in the rear of a patrol vehicle. Both victims stated that they were the only two that lived at the residence, and no one else belonged inside. The victims also stated that their residence (lower) did not connect in the interior to the unit above.

Through the open window (west) that the victims had just crawled out of I began making repetitive K9 admonishments comprised of anyone inside the residence to exit the residence, if they do not a K9 would be used to search and he will bite you. I gave approximately five K9 warnings through the open window with no response.

Sgt. Faria (2SM3) arrived on scene and was briefed on the details of the call.

With the approval of Sgt. Faria the decision to deploy K9 Kai was based on the following information at the time:

1) Suspect/ [REDACTED] was wanted for the following crimes:  
-residential burglary (459 PC)  
-resisting, delaying, obstructing a Peace Officer (148(a)(1)PC).

2) Suspect/ [REDACTED] not surrendering after the PA announcements: Not

surrendering shows his level of commitment to resist Officer's and his unwillingness to comply with Officer's commands. This resistance creates and inherently dangerous situation for all involved.

3) Suspect/ [REDACTED] concealed in the residence of [REDACTED] 23rd St. Suspects hiding inside a home affords them concealment and poses Officer's with a tactical disadvantage and an inherently dangerous situation for all involved. Homes supply subjects with resources and both conventional and non conventional weapons, this enhances the risk for safety to both the public and to the Officer's attempting to locate and arrest suspect/ [REDACTED]

At approximately 1248 hours I deployed K9 Kai through the open window of the residence. I too climbed through the window and into the bathroom. I opened the bathroom door and directed Kai to search for the suspect.

At approximately 1250 hours K9 Kai ran to the east side of the residence and out of my view where I then could hear a mans voice yelling but I could not understand what he was saying. At approximately 1250 hours K9 Kai had made contact with suspect/ [REDACTED] I quickly walked to the rear door on the west side of the residence and unlocked it for additional units to make entry into the residence to assist with the custody phase of the incident.

I broadcasted over SPD radio that K9 had made contact and requested fire/medics code-3 for a K9 apprehension.

Officer's Anchuk and Shepard responded inside the residence to assist with taking suspect/ [REDACTED] into custody.

Officer's Anchuk and myself quickly walked to the east side of the residence where we could hear K9 Kai and suspect/ [REDACTED] As I walked into the open room I could see K9 Kai in contact with suspect/ [REDACTED] left arm.

I took positive control of K9 Kai and directed him to release.

Officer's Anchuk and Shepard detained suspect/ [REDACTED] in handcuffs and escorted suspect/ [REDACTED] to the front porch of the residence.

Engine 4/Medic 62 responded and rendered aid to suspect/ [REDACTED] for his injuries. Medic 62 later transported suspect/ [REDACTED] to [REDACTED] for medical clearance; Officer Anchuk rode with medic 62 to maintain custody of suspect/ [REDACTED]

CSI was requested who later photographed the scene as well as suspect/ [REDACTED] injuries. (See CSI Report)

Suspect/ [REDACTED] sustained the following injuries resulting from the K9 apprehension:

- rakes on inner left arm above the elbow consistent with a K9 apprehension.
- laceration on upper left arm above the elbow consistent with a K9 apprehension.

Sgt. Faria was advised on suspect/ [REDACTED] injuries.

Officer's on scene contacted both victims and several witnesses in the area. (See Supplements)

Both victims positively identified suspect/ [REDACTED] as the individual who they saw knocking on their door and windows.

A records/warrants check of suspect/ [REDACTED] revealed the following criminal history:

- assault with a deadly weapon (245(A)(1)PC)
- recklessly causing fire to structure or forest land (452(C)PC)
- possession of narcotic paraphernalia (11364 HS)
- possession of methamphetamines (11377 HS)

I responded to UCD Med Center to review suspect/ [REDACTED] injuries.

Officer Shepard obtained suspect/ [REDACTED] Mirandized statement while at UCD. (See Statement)

I later completed a Red Border for the K9 apprehension.

Officer's later transported suspect/ [REDACTED] to the Sacramento County Main Jail where he was booked for burglary (459 PC), and resisting, delaying, obstructing a Peace Officer (148(a)(1)PC).

Per the text of the call, there had been a burglary at the above address earlier in the day, and a unit needed to respond to book the suspects property. Upon arrival at approximately 2005 hours, I observed the following in summary:

I made contact with the resident at 23rd St who advised that the suspects cart full of clothing was left in her backyard. I made contact with Officer Baker #756 who also verified that the cart belonged to suspect .

The cart was transported to 555 Sequoia Pacific Blvd and the cart and items were booked for safekeeping. There was a large amount of rotten household waste and trash items in the cart which were discarded.

surrender and come to the door with his hands up but did not receive a response. There was two open windows in the area were I was standing.

The caller and her roommate were able to come out the bathroom window. Per additional information, the victims stated that there are were no other residents in the house. They believed the suspect was the only one inside. They described the suspect as Male, dark complexion, long dark hair, and a black sweatshirt.

K9-13 (Ofc. Smith #650) arrived on scene with his K9. The K9 Unit was took a position close to where I was in the backyard. I heard K9-13 (Ofc. Smith) give several K9 announcements. The announcements were given through an open window. The window was on the west side of the house, in the back yard. The suspect was given plenty opportunity to respond and comply but he did not. The Ofc. J.Smith and his K9 entered the residence through the open window.

Once inside the house, Ofc. Smith opened a door that was on the west side of the house as well. I heard sounds of someone yelling/screaming and I observed as the K9 was holding onto the suspects left arm. The suspect continued to move around and did not immediately surrender. I assisted K9 unit apprehending the suspect in the living room of the residence.

Once detained in handcuffs, the suspect was escorted to the front porch. The suspect verbally identified himself as [REDACTED] (DOB: [REDACTED]).

During incident to arrest search of S-[REDACTED] I located a clear glass pipe with a bulb on one end. The pipe was located in the left front pocket of his pants. I arrived on scene at approx. 1240 hrs in full SPD uniform, driving a SPD marked patrol vehicle with my body worn camera activated.

Ofc. Baker, Ofc. Shepard, Ofc. Smith, Ofc. Anchuk and K9 Ofc. Smith were already on scene. I confirmed there were units with K9 Ofc. Smith. I then took the northeast corner in the front of the residence while Ofc. Anchuk covered the northwest corner in the back of the residence's north side. K9 Ofc. Smith made multiple K9 announcements with no response.

I heard K9 Kai barking and a male voice screaming. K9 Ofc. Smith then immediately called for code 3 fire for medical aid. I went to the back of the residence and assisted Sgt. Faria and Ofc. Baker with clearing the residence.

I then assisted with opening the front door of the residence so the unknown male (later identified as [REDACTED] DOB [REDACTED] could be taken out of the residence and receive proper medical care. I observed red substance that resembled blood on the floor of the front of the residence where [REDACTED] was sitting prior to being escorted outside to the porch of the residence. I also observed some other small items and a single key on the floor. I stood by with Ofc. Anchuk with [REDACTED] on the front porch.

I later conducted a neighborhood canvass.
