Instructions from Police Officer Obed Magny to Police Lieutenant-Exempt Ethan Hanson:

Lt, Please review this UOF. Thanks

Comments/Response from Police Lieutenant-Exempt Ethan Hanson:

Comments:

In IA Pro, under the involved citizens, you list the arrestees resistance as "Passive non-compliance" yet the report, Red Border, and video all seem to illustrate that he was resistive. Please correct this. Also after the suspect was detained, Ofc. Tersteege did a good job requesting Code 3 fire immediately, but as the suspect continued to be belligerent Ofc. Tersteege at one point told the arrestee to "shut the fuck". Please make sure to discuss with him that such post-incident communication can look unprofessional and is not necessary. Once the corrections are made, please resubmit to me.

Correct audio file attached this time.

Comments/Response from Police Lieutenant-Exempt Ethan Hanson:

Comments:
Based off the video, audio, and report, I believe the use of force was justified and within policy. Sgt. Magny spoke with Ofc. Tersteege about his use of cursing, once the incident had already calmed down.

Instructions from Police Lieutenant-Exempt Ethan Hanson to Police Lieutenant-Exempt Bryce Heinlein:

Use of Force by a Swings officer, for your review

Comments/Response from Police Lieutenant-Exempt Bryce Heinlein:

Comments:

After reviewing the attached reports, the involved officer's BWCs and the audio file, I concur with Lt. Hanson's findings and believe the the use of force was justified and within policy. Ofc. Terstegee is heard on BWC arguing with the suspect who is belligerent and using profanity throughout the entire incident. Ofc. Terstegee uses profanity on a number of instances where the audio is captured on video. I believe the ancillary issue of the use of profanity by Ofc. Terstegee was addressed appropriately at the watch level by Sgt. Magny.

On 03/12/2019 at approximately 2310 hours Ofc. Dahl #817 and I, Ofc. Dales #442 were on duty, in full uniforms, driving a marked police vehicle patrolling the area of Rio Linda Blvd. We observed a subject on a bicycle heading North bound on Rio Linda Blvd, without any bicycle light. This was a violation of 21201(d) CVC. We conducted an enforcement stop for the above violation on Rio Linda Blvd. near Acacia Ave. I positioned my patrol car directly behind the subject. The solid overhead light was activated, and a spot light was placed on the subject. Ofc. Dahl used the patrol air horn to get the subjects attention. The subject immediately stopped riding his bicycle.

I contacted the subject who I later identified via a records check as [REDACTED]. (DOB: [REDACTED]) I advised S-[REDACTED] the reason I stopped him. He stated it was his birthday and he was just trying to get home. He proceeded to step off his bicycle, Ofc. Dahl advised S-[REDACTED] to get back on the bicycle. S-[REDACTED] did not get back on his bicycle. Ofc. Dahl advised S-[REDACTED] he was going to search him for weapons.

S-[REDACTED] began walking backwards and stated that he wasn't going to let us walk up and grab him. He immediately took a stance that appeared that he was going to run away.

Ofc. Tersteegee #425 and Ofc. Dahl immediately grabbed S-[REDACTED] who began to actively resist. During Ofc. Tersteegee, Ofc. Dahl, and I, Ofc. Dales attempting to gain control over S-[REDACTED] a control hold was placed by Ofc. Tersteegee which resulted in S-[REDACTED] complaining of pain in his right elbow and shoulder. S-[REDACTED] stated that his arm was broken.

I contacted dispatch and requested medical assistance for S-[REDACTED].

I assisted Ofc. Roddy #792 and Ofc. Tersteegee conduct a search of S-[REDACTED] incident to arrest. I observed Ofc. Roddy remove a small clear plastic bag from his front left pants pocket. The baggie contained a crystal like substance. The substance later tested Nartec positive for Amphetamine. In addition two glass pipes were located on S-[REDACTED] person. These pipes are commonly used to smoke Methamphetamines.

Additional officers arrived on scene and assisted with a neighborhood

canvas with negative results.

S- [REDACTED] continued to complain of pain to his right arm. I observed swelling on his right elbow. In addition I observed several abrasions to the left side of his forehead and left knee that appeared to be a result of being pulled down to the ground while he was resisting.

Sgt. Magny #3070 arrived on scene at approximately 2324 hours and was advised of the nature of the call.

Medic 17, Engine 20 arrived on scene, and cleared soon after looking at S- [REDACTED].

CSI responded to take pictures of S- [REDACTED] injuries and the scene. CSI also took pictures of the officers involved.

S- [REDACTED] requested we take his bicycle and belongings to his families house located at [REDACTED].

We transported S- [REDACTED] to Sutter General Hospital due to C.O.P. to his right arm. While at the hospital they conducted X-rays and determined he had a small radial fracture in his right arm. After placing his arm in a splint he was medically cleared for incarceration.

We transported S- [REDACTED] to the Sacramento County jail for 148 PC Resisting Arrest, 11377 HS Possession of Methamphetamines, and 11364 HS Possession of Drug Paraphernalia.

We booked the amphetamine (1.13 grams) and two glass pipes into evidence at Kinney.

It should be noted that S- [REDACTED] was highly agitated throughout our entire time with him. He was making verbal threats which included "I am going to give my home boys your names", "I hope you all die of AIDS".

On 03-12-19 at approx 2310 hours, Officer Dales #442 and I, Officer J.Dahl #817 (1A23) were on uniformed patrol, in a marked patrol unit, in the area of Acacia Ave/Rio Linda Blvd. My body worn camera was activated on the call. I observed the following in summary.

While driving S/B on Rio Linda Blvd, I observed a MHA (later identified as S-██████████) riding a bicycle N/B (east side of roadway) on Rio Linda Blvd, without a bike light (in violation of 21201d cvc). I advised Officer Dales to turn around, and make contact with S-██████████.

Upon contact, I placed my spotlight on S-██████████ and activated the air horn. S-██████████ came to a stop, and I advised dispatch of our stop.

Officer Dales made initial contact with S-██████████, and I immediately followed. S-██████████ immediately got off his bike as I was walking up, and became argumentative even after I told him to stay on his bike.

I asked S-██████████ if he was on probation and/or parole, and he advised that he wasn't. I asked if he had any weapons on his person, and he stated that he did not.

Due to S-██████████ demeanor, and the fact that he had on several layers of clothing, I advised him that I was going to pat him down for weapons. He began to back up, and continued to be argumentative. Officer Terstegee and myself grabbed a hold of S-██████████ as he was trying to back up, and pulled him to the ground. We were able to place S-██████████ in handcuffs as he continued to yell and be argumentative.

On 3-12-19 at approx. 2310 hrs, I (Ofc. Tersteege #425) was working routine patrol in the area of Rio Linda Blvd / Acacia Blvd. I was wearing a full Sacramento Police patrol uniform and driving a fully marked Sacramento Police patrol vehicle. All incidents were captured on my body worn camera.

I observed a bicyclist riding their bike northbound Rio Linda Blvd on the east side of the highway. The bicyclist did not have a forward facing white light emitting from the front end of their bicycle in violation of 21201(D)1 CVC.

Ofc. Dahl #817 and Ofc. Dales #442 were driving northbound Rio Linda Blvd / Acacia Ave. They conducted a subject enforcement stop of this vehicle. They activated their passenger spot light towards the subject and activated their siren / horn for a brief second. It appeared the subject had stopped.

I made a u-turn and pulled up behind the officers. I exited my patrol vehicle and began to walk on the side walk to see if they needed any assistance. As I rounded the back end of the officers patrol vehicle I started to walk up onto the sidewalk and I could here the subject on the bicycle say, "Ya'll are walking up on me like this. You can't just walk up

and grab me." He was loud and seemed very agitated. I was unsure what occurred prior to my arrival or what was said prior to my arrival.

The subject on the bike was a male Hispanic adult (later identified via WebKPF as [REDACTED]).

[REDACTED] was straddling his bicycle at this time. I observed him get off of the bicycle and turn his body towards Ofc. Dahl. Ofc. Dahl advised that he was going to pat him down for weapons. I agreed with this as the subject was acting irrational, highly agitated, it was dark and it is common for subjects on bicycles in this area to carry knives, screw drivers and other random tools or weapons. He had a back pack on that was extremely full and a large coat that covered his arms, waistband and pockets.

Ofc. Dahl stepped up onto the sidewalk and was facing directly north on the east sidewalk of Rio Linda Blvd. [REDACTED] immediately turned his body, faced Ofc. Dahl and said, "No, you ain't going to touch me. I know my rights. I didn't do anything." While he was saying this [REDACTED] was taking small steps backwards (northbound). I could see that this situation was becoming intense. I have seen this behavior many times before. This was a huge red flag and concerned me. Usually when someone acts the way that [REDACTED] was at this very moment, they have something to hide (warrant, weapons, narcotics, paraphernalia) and they are about to flee.

Well I knew that [REDACTED] had committed a traffic violation and I also could see that he was agitated, which was now becoming un-cooperative. The situation was rapidly evolving and I was now going to be met with making a split second decision. [REDACTED] was capable of listening and following our commands he just refused to and in his following actions proved that he did not care what he was being told or doing what he was told.

Ofc. Dahl went to grab [REDACTED] before he fled. I had started walking into the street to try and get around him because I wanted to stop him if he fled. I chose walking into the highway because the other side was a large field covered with grass that was almost two feet tall and very thick.

As Ofc. Dahl Grabbed [REDACTED] I grabbed him too. [REDACTED] immediately started stepping backwards trying to get away from both of us. We were able to wrestle him down to the ground. I gave commands to [REDACTED] to put his hands behind his back. At one point I ended up at [REDACTED] feet and had to reposition myself to his right side of his body so that I could try and control his arms. [REDACTED] was kicking both of his feet and trying to use them to turn himself over. Ofc. Dahl and I were able to get his right arm behind his back and I was also on this side of his body. I advised Ofc.

Dahl that Ill take his right arm.

I tried to use his right arm to gain compliance so that he would turn his body over and put his left hand behind his back. ██████ refused to do so and I positioned his arm into an arm-bar lock and began to twist his wrist. ██████ said, "Oww my arm!" I replied saying, "It's going to fucking break." I stated this fact to him in an effort to gain compliance and overcome ██████ resistance. ██████ refused to give up and again tried to roll his body over. I began to turn his hand and I felt his arm pop multiple times as I twisted. I immediately stopped and placed his arm on his back. I then advised Both Ofc. Dahl and Dales that his (██████) wrist was broken. I advised that we needed a medic called immediately.

During this struggle and resistance ██████ was yelling, "Fucking bastard! Punk ass mother fucker! It's my birthday. This is how you do it you bitch ass nigga! You fucking bitch ass nigga! My fucking arm! You fucking bastard! I'm not fucking doing nothing! Let me go!"

At this point ██████ was detained in cuffs. He continued to scream and yell at officers.

Engine 20 and Medic 17 arrived on scene. Engine 20 advised that with ██████ in cuffs they could not tell if his arm was broken or provide service for him with his handcuffs on.

I conducted a search incident to arrest of ██████. I located a small clear / white glass narcotics smoking pipe with a stem and a bulb inside his front pants coin pocket.

CSI responded to the scene and took photographs of the scene, ██████ and each officer.

Ofc. Dahl and Ofc. Dales transported ██████ to Sutter General Hospital to have him looked at by medical professionals.

I advised Sgt. Obed (1SM2).

I cleared the scene.

On 3-12-2019 at approx. 2312 Hrs. I, Ofc. Hastings #823 responded to assist Ofc. Dahl #817, Ofc. Dales #442 and Ofc. Terstegee #425. They had stopped a subject in the area of Rio Linda Blvd / Acacia Ave. Shortly after putting out the stop over the air one of the officers keyed their radio microphone and there was sounds of a struggle in the background. Dispatch attempted to raise the officers on the radio but got no response.

Due to the circumstances I responded to the area with lights and siren activated. I arrived shortly after they advised that the suspect, who had resisted, was now detained. I observed Ofc. Dahl and Ofc. Terstegee lifting the suspect off the ground and walk him a short distance to their patrol vehicle. Ofc. Terstegee advised that the suspect may have sustained a broken wrist during the struggle. The suspect began yelling at responding officers advising them that he did not do anything wrong and that the officers had no right to stop him.

Due to the potential use of force on the suspect, I began conducting a neighborhood canvas of he area. The incident occurred on the east side of Rio Linda Blvd next to an open field. The only possible witnesses or cameras would be located on the west side of Rio Linda Blvd.
