10-05-20: Following Summary sent to Captain Leong:

We received a complaint from The Bloom Law Firm on behalf of a [REDACTED], who was allegedly injured during a protest that began on 05 29 20 on the overpass at 12th Ave and Highway 99 [REDACTED] has not been interviewed by IA, but has participated in several media interviews. Based upon her attorney's description of

what she was wearing and her media interviews, I am confident that I was able to locate her on BWC and Social Media footage of the event and identified Officer Ratcliffe as the officer most likely to have deployed less lethal in her direction.

I have requested medical records and a photo of the comp's injuries from her attorney, but was only supplied with a photo of her bandaged left eye, so her injuries have yet to be confirmed.

The link contains approx 30 BWC clips, open source social and main stream media footage of the protest, and a summary of relevant event from the beginning at Jerpf to the culmination at the 12th Ave Hwy 99 overpass. SSD STAR relieved AIR1 just before deployment of less lethal, however SSD has advised there is no video footage available.

Chain of Command History

1800 hrs: An organized protest event took place to show solidarity for the death of George Floyd in Minnesota. The event began at the Oak Park Market and as a precaution, the CHP blocked the on/off ramps at 12th Ave and Hwy 99 to prevent protestors from walking onto the freeway.

1830 hrs: The crowd of approx. 300 began marching to the Rooney Police Facility.

1900 hrs: The crowd began to arrive at the Rooney Police facility. Officers donned riot helmets and formed a skirmish line on the east side of the building as protestors filled the parking lot and blocked Franklin Blvd in front of the station.

1917 hrs: Captain Green requested additional CHP resources for securing the south gate of the station.

2030 hrs: Approx. 100 members of the group left the station and began to march north on Franklin Blvd.

2133 hrs: A member of group the left the station and marched north bound threw a rock at unit Sgt Armstrong. At 2138, Officer Casella reported that the group moving north on Franklin was "throwing heavy rocks". Officer Casella requested that dispatch notify CPH at 12th and Hwy 99 that the crowd is hostile and throwing rocks.

2140 hrs: AIR1 reported observing subjects launching rocks at Highway Patrol officers at 12th Ave and Hwy 99.

2145 hrs: The main protest group reached 12th Ave and Hwy 99 and began to confront CHP officers guarding the on/off ramps. Officer Schwertfeger reported rocks being thrown at him while on a traffic post at at Franklin Blvd and Coleman Way.

2147 hrs: CHP requested code three cover to 12 Ave and Hwy 99 because subjects were throwing rocks at them. CHP estimated the crowd at 100 protestors. Multiple Sac PD units from other areas of the city began to respond to the cover call but CHP put out a reduce at 2158 hrs. CHP further advised that they were stable, but requested Sac PD continue. Acting Lt Morse staged several units in the area of 12th Ave and Hwy 99.

2205 hrs: Officer Casella advised there was as a violent crowd at 33rd St. Sgt Armstrong then advised all motor officers to not travel east on 12th Ave due the crowd running towards officers and at least 10 subjects were "looking to fight".

2218 hrs: Captain Bassett authorized Lt Galliano to begin putting together mobile field forces to address some of the issues taking place. Sgt Lang advised over the air that the group from 12th Ave and Hwy 99 had moved to the Oak Park Market and were becoming aggressive.

2219 hrs: CHP requested code three cover to 12th Ave and Hwy 99 for an injured officer. Acting Lt Morse advised the officers staged at McClatchy park would be responding to the cover call. CHP reported they began using flashbangs.

2223 hrs: Officers began arriving in the area of 12th ave and 33rd St to assist with the CHP cover call. As they made their way west in their patrol cars on 12th Ave from 33rd St toward the overpass, they encountered a crowd of approx 50 subjects in the street. A smaller group moved in front of Officer Anderson/Castaneda's vehicle, causing it to stop. While the patrol car was stalled, individuals from the crowd began to throw objects at both Anderson/Castaneda's vehicle and the three patrol cars who were

stalled behind them. One individual from the crowd kicked and broke the passenger mirror of Officer Anderson/Castaneda's patrol car, then kicked and dented the passenger door of Officer Jarrell's patrol car. The crowd eventually allowed the patrol cars to continue west and as Officer Brau passed the crowd, her vehicle was also kicked by several individuals and pelted with objects.

2230 hrs: Acting Lt Morse ordered all of 12th Ave traffic blocked off as the crowd milled around in the area of the overpass.

2238 hrs: CHP issued a disbursal order to the crowd at 12th Ave and Hwy 99 while SPD approx. 8 SPD officers assisted CHP with a skirmish line across 12th Ave, east of the Hwy 99 overpass.

2242 hrs: The remaining 20-30 individuals in front of the Rooney station left and began walking north bound towards 12th Ave.

2250 hrs: Acting Lt Morse pulled SPD officers off the CHP skirmish line and staged at the corner of 12th Ave and Franklin with a response team of 12 officers. CHP moved their skirmish line off of 12th Ave and opened the overpass back up for traffic, but remained blocking the on and off ramps for Hwy 99.

2252 hrs: AIR1 was relieved by SSD STAR Helicopter (SSD11) and reported individuals climbing on top of cars at the intersection of 26th Ave and Franklin. Captain Bassett responded by advising that response teams were being assembled.

2253 hrs: Sgt Basquez advised that a hostile group of protesters at Franklin and Fruitridge was moving north on Franklin towards 12th Ave.

2300: STAR reported a vehicle being swarmed by the protestors who were walking north on Franklin Blvd toward 12th Ave.

2314: The protesters from the Rooney station arrived and married up with the protesters on the 12th Ave/Hwy99 overpass.

2316: STAR reported that CHP just took a protester into custody who appeared to hit a CHP officer in the face shield and the group was becoming agitated. Sgt Lang advised that CHP was deploying aerial flashbangs. Dispatch broadcast that CHP advised via hotline that they had a subject "fighting" at the onramp. Acting Lt Morse acknowledged the incident via radio.

2319: STAR advised that approx. 40 vehicles that were participating in the protest had gridlocked the Hwy 99 overpass.

2320: STAR advised that CHP was requesting code three cover.

2322: Captain Green advised that SSD was sending approx. 20 deputies to assist CHP. Captain Bassett indicated that he was observing the event from a downlink.

2330: Before SPD response teams were formed and able to respond to the CHP request for assistance, an SSD transport bus arrived on the overpass and deployed approx. 20 deputies to reinforce CHP skirmish lines. When the transport bus attempted to leave, it was blocked by protesters, causing it to back into the signal light in the median on the east side of the overpass. As the transport bus attempted to leave the area east bound on 12th Ave, protestors stood in front of it for several blocks before it could the area.

2347: STAR reported observing a white Suburban type SUV attempting to get through the crowd on the overpass. STAR indicated that the vehicle had been surrounded, a protestor had slashed one of the vehicles tires, and members of the crowd were attempting to get into the vehicle. Captain Bassett acknowledged the radio transmission from STAR and requested Acting Lt Morse send a team in to assist.

2349: Two squads of eleven officers led by Sgts Hall and Eaton began marching into the crowd from Franklin Blvd. All Officers were equipped with batons except for Officer Castaneda, who was equipped with a bean bag shot gun. As officers reached the perimeter of the crowd, they immediately encountered resistance in the form of subjects attempting to stand directly in front of the lead officers in the combat columns. Officers pushed several subjects back as they traversed their way through the crowd to the white SUV. When the officers reached the SUV, they surrounded the vehicle and held their batons at a low ready position. While the officers were holding their position, the crowd became increasingly agitated and verbally abusive. One individual threatened to, "beat the fucking dog shit" out of Officer Jarrell (Jarrell axon 06:53:30) while other members of the crowd threatened similar physical violence to other officers on the encirclement.

2351: An individual matching the physical description of the complainant can be observed mingling in the crowd north west of the white SUV leaning up against a white sedan parked in the W-2 lane of 12th Ave near the west most crosswalk [REDACTED] axon 06:51:54).

2352: Sgt Eaton requested additional officers. Acting Lt Morse immediately requested all units to respond code 3. Dispatch advised Acting Lt Morse that SSD had the owner of the white SUV land lined on 911.

2353: Sgt Hall advised Acting Lt Morse that they were surrounded.

2355: Sgt Young assembled a team of 11 officers to respond and assist with extracting the white SUV and the officers. Of the team Sgt Young assembled, Officers Ratcliffe, Wanger, and Cunningham were equipped with pepper ball guns while Officer Penny was equipped with a bean bag shotgun. As Sgt Young and his team began to make their way into the crowd, a subject attempted to trip him, which caused Sgt Young to be temporarily separated from his officers. When Sgt Young turned to catch up to his squad, another individual from the crowd pushed Sgt Young in the chest (Black Zebra 1 time stamp 05:40) hard enough so that he fell back into a vehicle that was stalled in the road. Sgt Young momentarily engaged with the individuals, but eventually caught up to his squad at the white SUV. A bottle of liquid was thrown from the direction of Franklin toward the officers surrounding the SUV.

2356: When Sgt Young's squad arrived, officers on the east side of the encirclement pushed the crowd out two steps so that the SUV could back up, then make the south bound turn onto 30th St. The crowd became increasing hostile and began to throw glass, containers of liquid, and lit fireworks at the officers surrounding the SUV (Farr axon 6:56:10; Jarrell axon 6:56:29; Keyser axon 6:56:50). Several officers were struck with the projectiles and Officer Howard was nearly hit in the chest with the lit firework that ultimately detonated at the feet of the officers inside their skirmish circle. The complainant moved east and repositioned herself near the limit line for the south bound Hwy 99 offramp (Howard axon 6:55:53) 20-30 feet north east of the skirmish line.

2357: Officers attempted to create another 10 feet of space on the east side of the encirclement for the motorist in the SUV to back up. The push from the officers upset many protesters and caused them to push back on the skirmish line. Officer Allison Smith was nearly pulled into the crowd by a protestor who grabbed her baton (A Smith axon 6:57:08), which caused a general disruption in the officer's line. While officers attempted to stabilize their line, another protestor shoved Officer Kelvin in the back, which caused her to fall into other officers and further destabilized the skirmish line (Herman axon 6:57:15). The same individual who pushed Officer Kelvin kicked the baton of two officers, then swatted the baton out of Officer Bruce's hands. Sgt Hall saw and acknowledged that members of the protest were attempting to pull officers into the crowd and requested the use of pepper balls to push the crowd back from the line. The complainant continued walking east bound in the w-1 lane of 12th Ave (Penny axon 6:57:56).

2358: The crowd grew more agitated. One protestor was holding a long metal rod, which he clashed against Officer Espinoza's baton (Espinoza axon 6:58:10). As the crowd surged forward, Sgt Young instructed Officer Ratcliffe to deploy pepper balls. Officer Ratcliffe deployed the first barrage of pepper ball rounds at members of the crowd who were the closest in proximity to skirmish line officers. The crowd momentarily backed off, but advanced toward the skirmish line again. The complainant can be observed standing near the east side of the crosswalk of the south bound Hwy 99 offramp then walked south and positioned herself near the south bound turn lane of west bound 12th Ave (Thrall and Flure axon 6:58:44). The first barrage of pepper balls enraged several members of the crowd and they advanced aggressively at the skirmish line. One individual picked up a shoe and threw it towards the skirmish line striking Officer Ratcliffe (Smith and Goetting axon 5:58:52). Officer Ratcliffe immediately deployed a second round of pepper balls toward the individual who threw the shoe.

By all accounts, the last observed position of the complaint was behind the individual who threw the shoe at officers and she would have been in the backdrop of Officer Ratcliffe as he deployed his pepper ball toward the individual (see screen capture of Officer Smith's BWC at axon time stamp of 6:58:55). After the second deployment of pepper ball, the complainant can be seen walking in a north east direction toward the north sidewalk of the overpass (Espinoza and Thrall axon 6:58:58) and away from the skirmish line. The comp was not observed in any body worn camera, media, or social media material after the second deployment of pepper ball by Officer Ratcliffe towards the individual who struck him with an object.

2359: The white SUV left south bound on 30th St and Officers began a slow and systematic withdrawal west bound on 12th Ave as objects continued to be thrown by the crowd. Officer Wanger deployed his first barrage of pepper ball into the ground towards advancing protesters (Wanger axon 6:59:30).

0000: Officers Wanger and Ratcliffe continued to deploy short barrages of pepper ball towards the advancing crowd as officers continued to withdraw towards the Shell gas station at Franklin and Florin. During the officer withdrawal, members of the crowd continued to aggressively advance on the officers and throw objects. One individual obtained a large potted plant from a bordering residence and threw it, striking Officer Allison Smith in the torso.

0001: Officers retreated and formed a skirmish line around the perimeter of the Shell gas station at Franklin and 12th Ave while continuing to be pelted with rocks, bricks, and fluid containers.

0013: Disbursal order was given and the crowd moved east and climbed down onto Hwy 99.

Please enter your statement. Please be as specific and detailed as you can be: *

On May 29, 2020, Claimant ██████████ ("Ms. ██████") attended a peaceful protest in the Oak Park neighborhood in Sacramento, California concerning the unlawful killing of George Floyd by police officers in Minneapolis, Minnesota. This peaceful protest in Sacramento was one of many that took place across the country, as communities across the country voiced their protest against repeated, systemic violence of Black individuals by law enforcement.

Unfortunately, Ms. ██████ became yet another victim of the same police brutality she was lawfully protesting against.

At approximately 8:00 p.m., Ms. ██████ arrived at the Joseph E. Rooney Police Facility located at 5303 Franklin Blvd., Sacramento, CA 95820. Ms. ██████ attended the protest with her brother, ██████████ ("Mr. ██████████"). Ms. ██████ and Mr. ██████████ joined the peaceful protest, which had begun several hours earlier that day. The protest was peaceful: protestors held "Black Lives Matter" signs,

chanted, and sang together. Thereafter, the protestors began to walk North on Franklin Road and turned right on 12th Avenue. Several Sacramento Police Officers facilitated the protest, and escorted the crowd of protestors along the route. No dispersal orders were issued by any law enforcement at any time.

At approximately 8:30 p.m., the protestors reached the freeway overpass on 12th Avenue and 30th Street. On information and belief, the protestors had no intention of entering the freeway entrance, but were simply attempting to continue peacefully protesting. The protestors encountered several dozen Sacramento Police officers blocking off the freeway entrances of the overpass from traffic. On information and belief, Sacramento County Sheriff's Department and California Highway Patrol were also present. The protestors were on the overpass for several hours. Though the protestors continued yelling and chanting at law enforcement, none of the protestors posed any threat to law enforcement. No dispersal orders were issued by law enforcement at any time.

At approximately 11:45 p.m., a vehicle slowly drove into the crowd of protestors. Law enforcement officials, including officers from Sacramento Police Department, surrounded the vehicle. Protestors began to chat, "Hands up, Don't Shoot." Officers then began to withdraw from surrounding the vehicle, issuing orders to themselves to "Get Back. Get Back." This was not a dispersal order, as the officers were merely communicating commands to themselves to begin withdrawing from the car.

Ms. [REDACTED] was approximately ten feet away from the line of law enforcement officers. Ms. [REDACTED] began to search for her brother, Mr. [REDACTED], as the two had been separated. As she turned toward the police to search for her brother, she was shot in the face. On information and belief, a rubber bullet, or similar, supposedly "non-lethal" object, struck Ms. [REDACTED] directly in the left eye.

Prior to this shooting, no dispersal orders were issued to the protestors by law enforcement. Similarly, law enforcement did not issue any prior warning that they would begin to use force to disperse the crowd. The crowd of protestors were not provided any opportunity to comply with orders prior to law enforcement beginning to utilize force.

Mr. [REDACTED] eventually found his sister, Ms. [REDACTED], crouching on the ground after she had been shot. No law enforcement officers attempted to assist Ms. [REDACTED] following her injury. Mr. [REDACTED] then retrieved his car and drove Ms. [REDACTED] home.

Ms. [REDACTED] received medical treatment in the following days. Ms. [REDACTED] has since undergone surgery to her left eye, but has been advised by her treating doctors that she would likely experience permanent loss of vision out of her left eye. Ms. [REDACTED] is continuing to seek medical treatment, but she will likely be permanently disabled and is blinded in her left eye.

Ms. [REDACTED] contends that the City of Sacramento and State of California and its employees, including but not limited to Sacramento Police Department, Sacramento County Sheriff's Department, and California Highway Patrol, are liable for battery; negligence; negligent hiring, supervision, retention and/or training; violations of the California Constitution; violation of the U.S. Constitution; intentional and negligent infliction of emotional distress; violations of Civil Code §§ 43, 51, 51.7, and 52.1; and all other related causes of action.

Sergeant [REDACTED]:

Thank you for contacting our firm regarding [REDACTED]'s Internal Affairs Complaint. In order to assist your investigation, please find attached a photograph depicting the extent of [REDACTED]'s injuries as a result of her attendance at the protest. Further, Ms. [REDACTED] wore a pink shirt on her face, a Golden Gate Warrior shirt, and gray sweatpants.

As to your remaining questions, our investigation is ongoing and we cannot provide further details at this time.

Thank you for your time and consideration. Please let us know if you have further questions.

Best regards,

Teri

To Whom It May Concern:

I am beginning my administrative investigation into the matter related to Ms [REDACTED]'s injury. You provided a very detailed account of the incident, but I am seeking some clarification and additional information that would assist me in attempting to pin point any body worn camera or in car camera footage we may have of the incident.

1. You indicated that at 11:45 p.m. a vehicle drove into the crowd of protesters and officers surrounded the vehicle. Is 11:45 pm also the approximate time that Ms [REDACTED] suffered the injury or did it happen slightly later? The most accurate time of the injury will help me.
2. Would you be able to provide a picture or detailed description of what Ms [REDACTED] was wearing that night to assist me with identifying her in the crowd while viewing any video footage I am able to locate.
3. Is it possible that Ms [REDACTED] could indicate, to the best of her recollection, where she was standing when she was struck and suffered her injury on the map I am providing. It would also be helpful if she could indicate where the line of officers was and if she was able to determine a direction from which the projectile came from if at all possible.
4. Can you provide any non-police footage, such as social media videos, that captured the incident?
5. Do you have any photos of injuries Ms [REDACTED] suffered that night?
6. Are you willing to provide any medical documentation that articulate and substantiate the injuries Ms [REDACTED] suffered.

Please don't hesitate to contact me if you have any questions.

That's unfortunate. I heard radio traffic from them overhead during the call because they replaced the SPD helicopter. Do you know if there was a malfunction?

Captain,

We received a complaint from The Bloom Law Firm on behalf of a [REDACTED], who was allegedly injured during a protest that began on 05-29-20 on the overpass at 12th Ave and Highway 99. [REDACTED] has not been interviewed by IA, but has participated in several media interviews Based upon her attorney's description of what she was wearing and her media interviews, I am confident that I was able to locate her on BWC and Social Media footage of the event and identified Officer Ratcliffe as the officer most likely to have deployed less lethal in her direction.

I have requested medical records and a photo of the comp's injuries from her attorney, but was only supplied with a photo of her bandaged left eye, so her injuries have yet to be confirmed.

The link contains approx 30 BWC clips, open source social and main stream media footage of the protest, and a summary of relevant event from the beginning at Jerpf to the culmination at the 12th Ave Hwy 99 overpass. SSD STAR relieved AIR1 just before deployment of less lethal, however SSD has advised there is no video footage available.

OFFENSE: PC 245(C) PC AGENCY CASE NO: SPD 20-160150

REQUEST BY: DA INTAKE REPORT MADE BY: J. Wagstaff #10

Investigative Narrative:

05/30/2020 approximately 00:40 Hrs. Suspect Jeremy Isom [REDACTED], was arrested by Sacramento Police Department officers at Franklin Blvd. /Sutterville Rd. for 245 (c)PC SPD Case 20-160150.

Approximately 0213 Hrs. Ofc. Donahue Sacramento Police Department booked suspect Isom at the Sacramento County Sheriff's Department Main Jail, 651 I Street for 245(c) PC. 06/01/2020 I (Investigator Wagstaff) am an investigator for the Sacramento County District Attorney's Office (901 G St., Sacramento, CA 95814). I was assigned by Lieut. Campbell of the Sacramento County District Attorney's Office to assist the Sacramento Police Department with follow-up investigation on case number 20-160150. This case involves the assault with a deadly weapon (245c PC) on Sacramento Police Department police officers (see supplement from officer Lundgren). Campbell directed me to go to the Sacramento County Sheriff's Department Main Jail 651 I Street, Sacramento, California, and contact suspect Isom and obtain a Miranda statement from him.

Approximately 1709 Hrs. I contacted suspect Isom on the first floor /classification interview room of the Sacramento County Sheriff's Department Main Jail. Suspect Isom was in custody and wearing Jail clothing and being housed within the structure of the main Jail. The conversation with Isom was digitally recorded. See the recording for details of what was said during our conversation.

I advised, suspect Isom Miranda from SPD 133. Suspect Isom related the following paraphrased.

"I live in [REDACTED] I lived there with my wife and our six-month-old daughter. I work in Sacramento as electrician. My employer is Butterfield electrical I've worked there for three years. While in Sacramento I live that [REDACTED] My phone number [REDACTED] My best friend is a deputy sheriff with Lake County Sheriff's Department. I did not have anything against law enforcement. I am not a member of any group. My wife and I were watching TV and noticed the demonstration, so we got in the car and drove in Sacramento to where the demonstration was going on.

20-160150

My wife stayed in the car with our daughter. I joined the group that was walking on the street. I'm not sure where we were. There was a Shell station on the corner. I saw flowerpot that was in the roadway. I picked it up and with an underhand swing tossed it off the road out of the way. I was not trying to throw it at anybody and I don't know if I hit anybody with it. [REDACTED]

The recorded interview was retained and turned over to the Sacramento County District Attorney's Office Trial Support Services for duplication and distribution. A copy of this supplement will be turned over to the Sacramento Police Department.

On 06/08/20 I, Detective Kitley #1029 contacted [REDACTED] via telephone and obtained her statement. My body-worn camera was activated. She stated the following in summary.

I was driving a white GMC on the Night of Friday 05/29/20. The car is registered to my aunt [REDACTED] but it's mine. My friend [REDACTED] ([REDACTED]) was in the front passenger seat.

We were headed to the Shell gas station at the corner of 12th Ave./Franklin Blvd. when we got to the intersection near 12th Ave/ Hwy 99 the protesters surrounded my car.

I had the windows rolled down so I could hear what the protesters were yelling. They were very angry and calling us names. They surrounded my car so we couldn't drive away and started throwing things at the car. They threw bottles, sodas, and a pair of scissors flew into my window. I tossed the scissors back out of the window and I think someone used them to slash my tires.

I think they were going to pull me out of the car and attack me but I heard someone shout, "Hold on she's black not her!" Then they started to go after [REDACTED] because she's not black. Some of the protesters opened her door and tried to drag her out but we managed to pull it back closed.

There were cops there guarding the freeway ramps but they didn't do anything. I was so scared.

Finally some other police came and surrounded my car. My car could still drive even though the tires were flat. The cops who surrounded my car escorted me over to 30th St. where I eventually got a tow. My car was really damaged by the protesters. My rear windshield wiper was ripped off, by passenger side step-up bar was broken off, and two of my tires were flat. On of the tires just needed a patch but the other one was destroyed completely.

On 5-30-2020, I, Ofc Ratcliffe #224 was working as a uniformed police officer assigned to the SPD Special Weapons and Tactics (SWAT) Team. I received an emergency call-out to respond to 5303 Franklin Blvd after a large crowd had gathered at the police facility to protest. I responded to 300 Richards Blvd to collect equipment prior to responding to 5303 Franklin Blvd. I arrived at 5303 Franklin Blvd at approximately 2100 hrs and reported to Sgt Young. During the course of the operation, I was assigned to a Pepperball gun as a less lethal force option. I was also wearing a Body Worn Camera during the incident which was activated while I was involved with the public. My initial assignment was over-watch on the roof of the police facility. While on the roof and moving equipment, a subject in the crowd below threw a 12oz glass beer bottle toward me. The bottle came within a foot of striking my head. The crowd that had gathered in front of the police station was loud and unruly, taunting officers and yelling insults in their faces. The crowd eventually gathered in an organized fashion and moved north on Franklin Blvd.

I was reassigned to a quick reaction team. I was equipped with a less-lethal pepper ball system. This is a direct impact weapon that is energized by compressed air that delivers kinetic energy along with a synthetic irritant. During that assignment, I was ordered to respond with my team to 12th Ave, between Franklin Blvd and Highway 99, where a crowd had trapped motorists and were unruly. A team of officers had gone into the scene to attempt to free vehicles from the crowd and had become trapped. We were sent to support that team of officers. We marched into the scene and made contact with the other team.

While on scene, people in the crowd surged forward on officers and threw objects, including rocks, glass bottles, full water bottles, ceramic pots and bricks at officers. I fired numerous volleys of pepper-balls to move the hostile and violent crowd back from the line of officers and at people who I saw throwing objects at police officers. Due to the crowd throwing objects at officers and advancing towards us, I deployed my pepper ball system to combat their violence and end the civil unrest. During my deployment, I made sure to target the correct areas consistent with manufactures guidelines and department policy. The deployment was effective and allowed officers to retreat to safety. While I was on scene there and moving with the officers, a rock thrown from the crowd struck my leg which later caused swelling and slight bruising. Once officers were able to move back toward the Shell gas station, I was reassigned as a grenadier behind the skirmish line until relieved of that assignment.

I (Officer [REDACTED] # [REDACTED]) am currently assigned to the Sacramento Police Department (SPD) South Gang Enforcement Team (SGET), but beginning 05/29/20 was temporarily assigned to assist with crowd and riot control related to several protests, civil unrest, rioting, and looting in the City of Sacramento.

On 05/29/20, I was assigned to work a large protest at the Joseph E. Rooney Police Facility (JERPF) and beginning on 05/30/20, I was assigned to work several protests in downtown Sacramento. During these assignments, I observed several subjects involved in the protests being hostile toward officers, assaulting officers by throwing objects, and damaging property.

During my shift beginning on 05/29/20, I was wearing a full SPD police uniform and my department-issued body worn camera. My department-issued body worn camera was on and recording during this incident. I was assigned to the skirmish line in front of the station. I was carrying a less lethal 12-gauge shotgun that is distinguishable by an orange butt stock and fore grip and contained bean bag rounds (super-sock bean bag rounds, CTS Model 2581). During this protest, I observed unidentified subjects in the large crowd throwing water bottles at officers who were standing in front of JERPF. Several subjects yelled in my face and those of other officers.

I saw multiple subjects wearing masks and carrying backpacks or bags. I observed subjects smoking marijuana and blowing the smoke toward me and other officers. I also observed subjects putting the light from their cell phones in officers' faces, including mine, making it very difficult to see.

I was not injured during this incident and I did not discharge the less lethal shotgun or use any other force against any subject. At one point during the protest, I observed several unidentified subjects vigorously shaking the northwest vehicle gate of the police station and I feared that it may come off the track allowing subjects to enter the rear parking lot of the station and possibly cause further damage to the building and/or police vehicles, however the subjects eventually stopped and the gate did not appear to be damaged. (See SPD Rpt #20-160150).

While working the protests during my shifts beginning on 05/30/20, I was deployed to multiple areas within downtown Sacramento, including the Sacramento County Main Jail to assist Sacramento Sheriff Deputies with controlling a large unruly crowd and several subjects who were vandalizing the jail. Later during this shift, I was part of a major deployment to J St and 20th St where a large group of protesters were gathered. During this shift, I observed several subjects throwing rocks, bottles, fireworks (including M-80s), and similar objects at officers. While in a skirmish line on J St, I observed a large rock strike Officer Thomas #1009 in the groin area causing him to fall back off the skirmish line (see his supplement). I also observed a rock strike Sgt. Montoya #3020 on his helmet. I was also struck by a rock, but it hit the less lethal shotgun I had slung in front of me instead causing a large scratch on the shotgun, but I was uninjured. I did not deploy the less lethal shotgun during this shift. (See SPD Rpt #20-161140).

Near the beginning of my shift on 05/31/20, officers were again briefed regarding another scheduled protest and our assignments. I was assigned to the gray platoon under the command of Lt. Forbeck #4065 and Sgt. Thompson #3143. We were again tasked with assisting in downtown Sacramento with crowd and riot control related to unlawful assemblies, looting, and vandalism activity.

Officers were also debriefed regarding the civil unrest from the prior few days, which included several assaults on officers, vandalisms, and looting of multiple businesses throughout downtown Sacramento. The assaults on officers included the use of rocks, bricks, cement blocks, bottles, fireworks, and similar objects being thrown at officers and police vehicles during these protests causing injuries and damage. Officers were advised that less lethal force was authorized for use on subjects throwing such objects causing an imminent threat of bodily injury to officers or others, those attempting to interfere with gas deployment, and to prevent vandalism and looting.

Later during this same shift at approximately 0140 hours (on 06/01/20), I responded to the area of 13th St and I St along with several other officers assigned to the gray platoon. We were dispatched to this location to assist with a traffic stop on a possible suspect vehicle engaged in looting. At this time, I was wearing a full SPD police uniform, department-issued riot gear that clearly had "POLICE" in silver on the front and back, my department-issued helmet with a face shield, and my department-issued body

worn camera. My body worn camera was on and recording during this incident, however, it should be noted that the camera's battery died several times on its own during this shift and had to be reactivated. I was carrying a less lethal 12-gauge shotgun that is distinguishable by an orange butt stock and fore grip and contained bean bag rounds (super-sock bean bag rounds, CTS Model 2581).

Upon our arrival at this location, I heard several officers yelling, "Get back!" but did not see who they were yelling at and shortly after heard less lethal munitions being deployed, but did not see who was deploying them or at whom they were being deployed. While the stop was being conducted, Officer [REDACTED] # [REDACTED] and I took a position inside the Ace Parking Garage located at 900 13th St. The parking garage is on the southwest corner of 13th St and I St. Officer [REDACTED] and I were on the ground level and northeast corner of the garage structure.

At approximately 0150 hours, while at this location, I heard an officer advise via radio that approximately 35-40 subjects were attempting to get inside the F&M Bank at 13th St and J St. Shortly after I observed a moving vehicle traveling northbound 13th St toward I St. An occupant inside the vehicle threw a firework out the window in the direction of officers at 13th St and I St, but it did not appear that it reached them or that anyone had been struck. I then observed a large, unruly group of subjects coming our direction and running northbound along the east side of 13th St from J St (from the area of F&M Bank). As they came to the southwest corner of 1300 I St, I observed an unidentified male subject with a skateboard. The subject was wearing dark clothing (possibly a gray hoodie) and completely covered, including a face mask and hood up. As the subject passed a window on the west side of the building, I observed him use the skateboard to break one of the lower windows to the building. At that time, myself along with multiple other officers at this location deployed less lethal munitions at the subject to stop him from vandalizing the window and possibly gaining entrance into the building. During this time, I fired one bean bag round from my less lethal shotgun while aiming at the lower center mass of the subject who broke the window, but I was unable to tell if it struck him due to all the subjects running away. When officers deployed less lethal munitions, the subject immediately fled southbound on 13th St and then eastbound through Improv Alley, out of my view. The other subjects in the crowd also fled in the same direction. (It should be noted that I later realized the battery on my BWC had again died during this incident. The incident was likely captured on the body worn cameras of Officer [REDACTED]

Subject: **SGT. K. MORSE #3079 (LN19)**

Related date/time: **Jun-14-2020 (Sun.)**

On 5/29/20, I (Sgt. K. Morse #3079) was working as a watch commander, using identifier Lincoln 19. I was in full police uniform, equipped with a body worn camera, and driving an all-black police vehicle. My body worn camera was activated while I was engaged in monitoring protesters.

Earlier in the day, a large group of protesters had begun to march from the area of Oak Park Market (3300 12th Ave) to the Joseph E. Rooney Police Facility (JERPF - 5303 Franklin Blvd). I was aware that the protesters had blocked the entrance to the police facility. Multiple units had been called in to assist and had been pulled from regular patrol staffing to assist with maintaining security at the station.

At approximately 2147 hours, I was advised that some protesters had marched back to the area of the 12th Avenue overcrossing at Highway 99 and were throwing items at CHP officers. I was aware that CHP had maintained security at the on and off ramps in that area to prevent protesters from marching onto the freeway and blocking traffic. The Comm Center advised that CHP was requesting additional assistance with the protesters in this area. Sgt. Armstrong (TOM70) was in the area and advised the best route to the area was the off ramp to 12th Ave from southbound 99. I pulled several units from patrol staffing and directed the units to respond code 3 to this area.

As units arrived, we were advised that there were sufficient units on scene. I re-directed units to drive to the north side of McClatchy Park. At 2221 hours, dispatch advised that CHP had an injured officer on the northbound on ramp at 12th Avenue and was requesting additional units. I advised the units to respond to the area. I donned my riot helmet and responded to the area. I drove southbound on 33rd Street and made a westbound turn onto 12th Ave. I was met with a large group of protesters. As I drove through the crowd, I could hear people yelling "that's a police car!" Several people struck and hit my vehicle as I continued through the crowd. I pulled onto the elevated section on the bridge and CHP officers formed a line across 12th Avenue. I checked my vehicle and confirmed that it was not damaged.

I located a CHP officer who stated that the officer was not injured, but had urine thrown at him. I located a CHP supervisor on scene, who advised that their units were having objects thrown at them and they intended to use CS gas to disperse the crowd. I requested that they stand by so I could have the SPD units get to their gas masks prior to the deployment. CHP issued dispersal orders to the crowd at 2238 hours. I directed the SPD units to move from their position on the south side of 12th Avenue/east of Highway 99 to 12th Ave west of Franklin. At this point, no officers were injured, but two vehicles were had been damaged by protesters. (Up to this point, this information is documented under CAD call 20-161643.)

At 2317 hours, CHP advised via the hotline that they had an officer fighting with one at 12th Ave/Hwy 99.

At 2320 hours, STAR (SSD helicopter) advised that CHP was requesting code three cover at 12th Ave/99.

At 2323 hours, I mobilized two squads of officers towards the intersection of 12th Ave/Franklin Blvd (see Sgt. Hall's observations for the names of officers). STAR was overhead and advised that the incident resolved and no additional officers were needed.

At 2347 hours, STAR advised that a white SUV was on the west side of the bridge and had been blocked in by protestors. STAR advised that at least one tire on the vehicle had been slashed. I directed both teams of officers, led by Sgt. Hall and Sgt. Eaton, to enter the crowd to facilitate the vehicle to leave the area. Shortly after entering the crowd, Sgt. Hall advised that officers were getting overwhelmed by the crowd. At 2351 hours, I requested that additional units respond code three to assist with getting the vehicle and officers out of the crowd. Multiple units, including SWAT officers, arrived. I directed the initial units to form a team and assist Sgt. Hall and Sgt. Eaton. As additional officers arrived, I directed officers to form a line along the south side of 12th Avenue in front of the Shell Station to protect the police vehicles that had parked there.

At 2353 hours, dispatch advised that SSD was on the phone with the driver of the SUV who had called into 9-1-1.

At 2359 hours, Sgt. Hall advised that pepperballs had been deployed on the crowd. STAR advised that objects were being thrown at the officers from the crowd. At 0001 hours, Sgt. Eaton advised that large rocks were being thrown at the officers. As officers exited from the crowd westbound, numerous objects were thrown at them, resulting in injuries to several officers. Objects were also thrown over the line and struck vehicles parked at the Shell.

SWAT officers retrieved the long range acoustical device (LRAD) and Lt. Bales gave several dispersal orders. Per STAR, several subjects moved southbound on 30th St and jumped the fence onto the freeway. SPD maintained the position on 12th Avenue and the crowd began to retreat eastbound and eventually dispersed.

I was advised that one subject throwing objects at officers had been arrested by Officer Lundgren and detained in a patrol vehicle. He was identified as Jeramy Isom, and later booked at jail for assault with a weapon on an officer. All officers were clear of the area at approximately 0130 hours.

CSI responded to the scene and photographed remnants of some of the objects thrown at vehicles and document the damage to the police vehicles at the Shell station. All officers were directed to report to JERPF to have any damage or injuries photographed by CSI and to complete supplements to this report regarding any use of force, injury or damage that occurred during this incident.

On Friday 5-29-20 at approximately 2155 hours, Ofc Goetting #938 and I Ofc Thrall #991 responded to highway 99 SB / 12th Ave regarding a cover call from CHP. We responded C3 from Watt Ave / Auburn Blvd. We reduced at El Camino Ave / busniess 80, approximately. Our in car cameras were on and activated throughout the incident. We arrived on scene and observed the following in summary:

We marked on scene and were given orders to meet at Mcclatchy Park. From Mcclatchy park, we responded to another cover call by CHP at 12th Ave / highway 99 NB on ramp.

While driving west bound on 12th Ave, approaching highway 99 on ramp, an unknown object was thrown at our passneger side door. We then got out of the vehicle and assisted CHP in a skermish line.

After being relieved by other CHP officers, we returned to our vehicle. There I observed a dent in the front passenger side door.

CSI later took photos of the aforementioned damage.

We then assisted with a rescue of a vehicle that had been damaged with people trapped inside. During this incident, I heard multiple less lethal munitions being appropriately utilized by officers.

Once we formed another skirmish line, I observed a MHA approximately 5'7 , 175 Lbs, wearing a black hooded sweatshirt, black pants with a red bandana covering his face. The subject picked up a large rock, walked over to a marked Police vehicle and threw the rock at the vehicle.

We held our positions until we were advised not too.

3SM2 Sgt Hall was advised of the damage to our patrol vehicle.

Officer [REDACTED]

At approximately 2347 hours we were ordered to deploy to the 12th Ave. overpass over Hwy 99 to assist a motorist who was trapped in the crowd and had at least one tire slashed. As we began our movement into the area we were confronted by numerous protesters who deliberately moved into our path, pushed us, and began throwing items at us in an effort to deter us from rescuing the motorist. I saw a white GMC SUV completely surrounded by a large crowd of approximately 200 protesters. While we were moving to rescue the motorist I utilized my collapsible baton in a two handed strike technique to push multiple protesters who would not move.

We formed a circle around the SUV and immediately became surrounded by the crowd. The crowd was pushing against us and was extremely close to us, leading to a very unsafe situation. Someone lit a string of fireworks at our feet. Officers were unable to communicate with each other, we were unable to extricate the vehicle, and we were unable to maneuver at all. After roughly 3-4 minutes another group of SPD officers arrived to assist us and we were able to clear a path for the SUV to escape. We then formed a skirmish line and attempted a tactical retreat.

During our reverse movement I saw the crowd surge toward our line. I saw numerous objects being thrown at officers from within the crowd, including a large ceramic flower pot (approximately 12" across and approximately 24" tall), bricks, rocks, pieces of the flower pot, full water bottles, a carton of milk, etc. I saw numerous officers were struck by these objects.

I saw people within the crowd physically grab and pull multiple officers towards them from our line. At that point an officer fired pepperballs into the crowd to protect the involved officers from harm. This tactic was effective and we were able to re-form our line and continue to move back, but shortly thereafter the crowd surged forward again and the attacks continued. I ordered more pepperballs to be fired at the involved members of the crowd, and again it was effective. We returned roughly to the area of Sutterville Rd. / Franklin Blvd. and formed a skirmish line there. While at that location I saw a male subject wearing a black football jersey with red numbers throw a brick or reddish colored rock from the north side of Sutterville Rd. at officers. Eventually dispersal orders were given and the crowd moved away.

time, we were directed to stage at the Sacramento Children's Home located at 2750 Sutterville Rd, pending the need for more units.

At approx 2330 hours, my partners and I were send back to 12th street overpass at Hwy 99 Sb to assist in escorting a vehicle that had been blocked by protesters out of the road way.

After the vehicle was escorted from the scene, my partners and I held a skirmish line at the south curb line of 12th Ave, by the Shell gas station located at 3701 Franklin Blvd.

While holding the skirmish line, I observed an object I recognized to be a standard brick launched from the north/east direction of the protesters location and strike me on my head, causing damage to my issued kevlar helmet. I did not see the subject who threw the brick, nor did I sustain any injuries as a result of the incident.

Later, I observed a dent in my helmet caused by the brick striking my equipment.

CSI photographed the damage.

On 05/29/2020 at approx 1800 hrs, Officer Bruce #711 and I, Officer Vidales #983 (2W35), participated in the Game Plan Operation Outline regarding a scheduled protest. I was in full Sacramento Police uniform and wearing a riot helmet with a face shield. My body-worn camera was recording when I observed the following in summary:

At approx 2350 hrs, I was assigned to the mobile field force at 12th Ave / Franklin Blvd. We were assigned a mission to rescue an occupied white SUV that had its tires slashed and was located in the number one westbound lane of 12th Ave, on the overpass above Highway 99 southbound.

Once in position and being a physical barrier between the hundreds of subjects and the white SUV, an unknown white female adult (SUSPECT) stood in front of me face to face. The SUSPECT handed her phone to a bystander who captured a photo or video of the SUSPECT flipping me off with both hands. The SUSPECT was approx 25-30 years old, wearing a black beanie, black face mask, dark gray zip up hoodie, gray shirt with black collar, black pants, and black shoes.

The SUSPECT entered the massive crowd and threw a full water bottle in my direction, that struck me in the right side of my chest. The SUSPECT threw another full water bottle at me, striking me in the right shoulder.

Once we successfully escorted the white SUV to safety, all officers began retreating westbound on 12th Ave, away from the protesters. During our retreat, multiple subjects threw heavy stones, bricks, and planters at officers and the patrol vehicles. I was struck in the right shin by a heavy stone thrown by an unknown subject.

I have no visible injuries.

I would be able to identify the SUSPECT who struck me with the full water bottles.

On Friday May 29th 2020 at approximately 2222 hours I (Officer Jarrell #569) was working a special detail as part of a protest. I was in full police uniform and in a marked police vehicle.

Myself, along with many other officers, were responding code 3 to the area of 12th Avenue and Highway 99 to assist CHP officers who were actively being assaulted by protesters.

I activated my overhead emergency lights and siren and responded code 3 within accordance of departmental policy. This activated my in-car camera and body-worn camera which remained so throughout the entirety of my investigation.

We drove in a conga-line southbound on 33rd Street from McClatchy Park. Upon turning westbound onto 12th Ave, I observed several protesters standing in all lanes of eastbound and westbound 12th Ave. The patrol unit directly in front of me (Officer Anderson and Officer Castaneda) had come to a stop as

protesters stood in front of their vehicle and prevented them from moving. This prevented me from continuing forward as well.

Officer Anderson and Officer Castaneda eventually were able to break through the crowd and the crowd then moved to both sides of my vehicle and individuals then began to encircle around the front of my vehicle.

At this time, I heard the sound of glass shattering coming from the rear of my vehicle. I then heard two loud bangs on the passenger side of my vehicle. I began to excel forward and the protesters who were standing in front of my vehicle moved aside.

We all then parked our patrol vehicles on 12th Ave west of the protesters and conducted a scrimmage line to assist CHP.

Upon clearing the scene, I observed that the rear passenger side window of the cargo area had been shattered. I observed a large dent approximately 18" long and 12" wide on the rear passenger door with a dirt shoe print. I also observed a similar sized dent on the front passenger door. CSI responded and took photographs of the damages to the vehicle. A blue border form was completed and forwarded to A/Lt. Morse.

Officers later located an Instagram account with the handle of "[REDACTED]" that had a listed "name" of [REDACTED]. The account user had posted a video on their account with the caption "No Justice No Peace." The video consisted of short clips of various parts of the protest. Towards the end of the video a clip is shown that shows my patrol vehicle driving westbound on 12th Ave and what appears to be several pieces of glass are seen falling from my window to the ground. Shortly after that the video shows my patrol vehicle with the window shattered. It also shows a male black adult approximately 6' tall with black dread-locked hair down to just above his shoulders, wearing a white t-shirt, red shorts, black socks above his ankles, and white soled shoes kick the rear passenger door of my vehicle. At the same time, other subjects are near the front passenger side door of my vehicle. One was wearing a long sleeve black colored shirt and blue jeans. Another was wearing black clothing holding a sign.

We were requested to assist on a game plan related to protests turned violent. We were requested to drive to the area of 12th Ave and Franklin Blvd. Our body worn cameras and in car cameras were on and activated while responding to this incident. We observed the following in summary:

As were we were responding we were driving a marked patrol vehicle. Our patrol vehicle number was #12609. While we were driving westbound on the 12th Ave over the Hwy 99 overpass, several protesters ran in front of our vehicle.

The subjects who jumped in front of our vehicle forced us to come to a complete stop. A few masked subjects began kicking the front right passenger side of the patrol vehicle. The subjects eventually moved out of the way allowing us to continue to drive.

On Friday, 05/29/2020 at approximately 2307 hours, Officer Kelvin #1046 and I (Officer Farr #254) was dispatched to 3300 12th Ave to assist in the Game Plan/ Protest. We arrived on scene at approximately 2315 hours. Our body worn cameras and in car cameras were activated. I observed the following in summary.

While on scene, I observed Sac PD Officers to be verbally and physically abused. While moving out of the area at 12th Ave and Hwy 99 southbound towards Franklin Blvd and 12th Ave, violent protesters began to throw water bottles, large rocks, and other objects at us. A large rock landed directly on my left foot causing a great amount of pain and no visible injuries.

I was also hit on my right wrist with an unknown object causing slight pain and a bruise approximately two inches in length on my right wrist.

Shortly after, protesters began to throw objects at a marked patrol vehicle located on the northeast area of Shell Gas Station (3701 Franklin Blvd).

We ran and established a skirmish line. Protesters continued to throw large objects such as rocks and bricks towards the marked patrol vehicle. In result, a large brick hit me on the right side of my head, knocking me off balance. I was wearing my riot helmet with the shield attached. This caused me to have a headache, but I did not have any visible injuries.

There was damage to the right side of my riot helmet. The metal part was chipped and bent. The clear shield has scraped.

I did not get a good description of who physically assaulted me.

CSI took photos of my injuries and the damage to my riot helmet.

I completed the Report of Injury Form.

I, Detective J. Gresham #509, am currently assigned to the Sacramento Police Department's Criminal Intelligence Unit (CIU). My primary duties are the investigation of organized crime groups, public disorder groups, outlaw motorcycle gangs, hate groups, domestic and international terror groups, threats against police officers, City employees, public officials, celebrities or sensitive groups, arrests and criminal investigations against City employees, dignitary protection and other special investigations.

I reviewed this report and learned the following in summary:

On 5/29/2020 the Sacramento Police Department responded to a large protest in south Sacramento in the area of 12th Avenue and Highway 99.

At approximately 2147 hours a Sacramento Police Department Mobile Field Force which included Officers Keyser and Officer Lundgren responded to the area of 12th Avenue and Highway 99 (Sacramento, CA) to assist California Highway Patrol Officers (CHP) who were requesting Code 3 cover (a threat to life with immediate response with lights and sirens). CHP stated that they needed assistance with a citizen trapped in a vehicle that was being surrounded by a group of violent protesters.

Officer Lundgren took a position near the Shell Station (3701 12th Avenue) on Sutterville Road just east of Franklin Blvd. Officer Lundgren observed approximately 20 police officers assist the citizen in the vehicle that was surrounded. Officer Lundgren then observed the police officers retreat from the hostile crowd.

Officer Lundgren observed the protesters throwing bricks, rocks, and other objects at the officers as they retreated.

Officer Lundgren observed a male suspect, that he later identified as JEREMY ISOM, pick up a large clay pot (approximately 5 gallons in size) and throw it at officers. Officer Lundgren stated he was only a few feet away from him when he threw the clay pot. Officer Lundgren grabbed S-ISOM and placed him into custody.

Officer Keyser stated that he was part of the reactionary team that assisted the citizen that was surrounded in his vehicle on 12th Avenue near Highway 99. Officer Keyser stated that the crowd began throwing items at him and the other assisting officers. Officer Keyser stated that he got hit by a thrown object that he believed to be a rock in the right side of his neck. Officer Keyser had a raised mark on his neck that was photographed by CSI.

Officer Lundgren obtained a Mirandized statement from S-ISOM. S-ISOM stated under Miranda that he was got caught up in the moment and he started throwing things at officers. He stated that he picked up the pot and threw it at the officers. S-ISOM said he did not mean to hurt anyone and that he was sorry.

I reviewed Officer Lundgren's body camera footage. At approximately 0001 hours his body camera captures a male suspect pick up an item that looks like a clay pot and throw it at the group of Officers described by Lundgren.

I reviewed Officer Keyser's body camera footage. At approximately 0000 hours his body worn camera captures a male carrying an item that looks like a large clay pot. The male puts the pot down and approximately 0001 hours a male picks it up and throws it. His body worn camera captures the large item being thrown in what looks to be the area around his head and neck. Officer Keyser's body worn camera appears to be mounted in the area of his chest and below his neck.

I reviewed Officer Farr's body worn camera which also captures the event.

It is my opinion that both body worn camera accurately depicts the observations stated above.

I observed subjects throwing rocks and as a result officers were seen using pepperballs in defense of themselves and others.

Officer Gregory James pointed to a subject in the crowd and stated that he had a knife.

I observed a male white adult (approx. 5'7", thin wearing a black sweatshirt, dark colored pants and a black face covering) holding what appeared to be a baton in his right hand and a knife in his left hand.

This subject was advancing toward officers taking a bladed stance. I heard an officer discharge his pepperball gun at the subject which was ineffective. The subject turned his face away from officers while continuing to advance towards us.

The subject was approx. 20' feet away and turned his right shoulder away from me as he began to advance closer. I feared for the safety of myself and other officers. As a result, I discharged my less lethal shotgun at him two times. Both shots stuck the subject in the torso area. The subject immediately turned around and ran into the crowd away from officers.

I was unable to identify the subject and did not observe him again for the remainder of the incident.

Sgt. Young was informed of the circumstances.

The rescue team was successful in extracting the victim and was on in a tactical retreat. While moving away from protesters the team of officers were being violently attacked by protesters who were throwing bricks, rocks and any other objects the could pick up.

I observed countless objects being thrown at the officers who were trying to create distance from the group.

I observed on suspect, later identified as JEREMY ISOM pick up a large, (Approx 5 gallon) clay pot and throw at officers who were retreating. Once this pot was broken other protesters picked up the smaller shards and started to throw them at officers.]] (S) ISOM was only a few feet from my position when this happened. I reached out and grabbed (S) ISOM and brought him behind out line of officers. No force was used against (S) ISOM.

The officers who were apart of the rescue team and assaulted by protesters were as followed:

I arrived at approx. 2100 hrs.

Upon arrival I was dressed in full police uniform and had was equipped with a Body Worn Camera that was turned on. I met with Sgt. Young (UNN20) and was briefed of the situation.

Upon arrival I observed what appeared to be several hundred protesters located on the front parking lot of the location with a line of officers between the people and the building.

I was tasked with being designated as an arrest team member if needed. During my time on scene my roll changed and I went and assisted to the line of officers standing between the protesters and the building. I ensured I was wearing a helmet for safety and had my BWC turned on and recording.

After some time the crowd left and began marching northbound Franklin towards 12th Ave. At this time I was tasked with being a member of a

reactive team to respond to any reports of violence, property damage or to assist officers/public who needed assistance.

Per the motorcycle units and the Police Helicopter, I was advised per the Police Radio that the group had taken over the roadway at Hwy 99/12th Ave and were confrontational with the CHP officers, blocked vehicles from moving, and appeared disruptive.

During this time I was notified that a White SUV vehicle had been surrounded by the protest group and that a protester had slashed a tire on the vehicle at Hwy 99/12th Ave. A group of officers had then attempted to enter the crowd and make a path for the vehicle to exit the area. They came up on the radio and announced that they have been surrounded by the protest crowd and needed assistance.

I responded with several other officers to ensure the safety of the vehicle and the other officers at approx. 0000 hours. Upon arrival the crowd was unruly and attempted to keep us away from the vehicle and officers. We arrived to the vehicle and were able to get it out of the area. Other officers and I left to go back 12th Ave/Franklin. During this time I saw several objects thrown at myself and other officers. I was hit with a hard unknown object on my left leg that left my leg sore. I also observed several protesters throwing objects at a Sacramento Police Patrol Vehicle damaging the front of the vehicle.

Upon arrival 12th Ave/Franklin Blvd I stood with a line of officers while announcements were made to disperse. After the crowd dispersed I was advised my Sgt. Young (UNN20) that I could leave.

The incident was recorded by my BWC.

On 05/28/20 at approx. 1600 hours I, Sgt. Robert Young #3102 attended a briefing for a planned protest at 300 Richards Blvd. The protest was scheduled to begin at approx. 1800 hours at 3300 12th Ave.

I was assigned as the SWAT team leader (UNN20) to be a quick react team if needed to conduct arrests and or rescues of citizens/officers.

At approx. 1157 hours a code 3 cover call was broadcasted over the radio stating that officers were surrounded by violent protesters at 12th Ave and the highway 99 overpass. I responded code 3 with my SWAT team to perform a rescue of the officers.

Upon arrival and our approach on foot I was assaulted by being kicked in the back right leg by a male black wearing a black/red Navarro Bowman jersey.

I was then assaulted by a male white when I turned around by being pushed in the chest. My body worn camera was activated and several protesters were videoing the assault. During the rescue I was hit in the head with a rock and a pottery planter bowl. I saw several other officers were being assaulted by rocks and bottles.

The following events were caught on my body worn camera, my in car camera and the body worn cameras of other officers on scene.

On 5-29-2020, I, Ofc. P. Fong #746 was working for the Sacramento Police Department as a Police Officer. I was in full police uniform in a marked patrol car. I was backfilling patrol duties as 1C46 but was acquired for riot and crowd control duties and had responded to the JERPF Police Station around 2300 hrs. I was coordinating with Sgt. Montoya to assist when I heard Acting Lieutenant K. Morse repeatedly ask for additional units as a Platoon of officers who went into a hostile and violent crowd to rescue citizens who were under attack in a vehicle. Sgt. Montoya and I responded to the area of Sutterville and Franklin where a Shell Gas Station is located near the Freeway (Hwy 99). We pulled in to the Shell Gas station and observed Officers forming up crowd control lines. We grabbed helmets as we observed that a riotous crowd was chasing a platoon of officers who were retreating from the area of SB Hwy 99 offramp and Sutterville. The officers were formed into a group and were trying to protect themselves from bricks, rocks, bottles and debris that the crowd was throwing at them. Multiple persons were throwing items then running to hide within the crowd. I

witnessed multiple bricks and river rocks strike various officers as well as patrol cars that we had parked in the area.

At one point I saw a MWA (later identified as Jeremy Isom) throw large ceramic pot taken from local landscaping. Isom threw the pot onto the top of the retreating officers and it shattered on their heads. Other persons then picked broken pieces of the pot and threw those at the officers.

Ofc. Lundgren was on a riot line nearby and was able to reach out and grab ahold of Isom. I ran over and helped to extract Isom from the crowd and immediately took him to my patrol car which was nearby. I searched Isom and detained him in handcuffs in my patrol car.

I later gave custody of Isom back to Ofc. Lundgren who questioned him and handled his booking paperwork.

After arresting Isom I retrieved my department issued 40MM less lethal device equipped with 40MM foam baton rounds. I took up a position to cover officers and then monitored the crowd activity. Due to the crowd density and movement I was unable to utilize my 40MM to overcome the persons who were throwing bricks and rocks at officers. Officers were finally able to issue crowd dispersal orders and eventually were able to get the crowd to disperse.

response unit, my primary responsibility was to respond to high risk areas of the protest in order to maintain peace and assist other officers in the area.

While standing by at the Sacramento Children's Home at 2750 Sutterville Rd, we received word of a large crowd who was becoming hostile and blocking vehicles in the roadway near 12th Ave and HWY-99.

The mobile response team responded to the area. I observed at least 70-100 people in the street actively blocking traffic and creating a disturbance. Specifically, we observed multiple protestors encircling a occupied vehicle that was trying to leave the area. Using a department approved barricade movement, we positioned ourselves in front of the protestors in between them and the vehicle that was encircled.

While holding our positions, we were met with extreme hostility and began having random objects and liquid thrown in our direction. I observed objects like rocks and bricks flying through the air towards officers on scene.

Due to the crowd becoming increasingly violent, officers deployed less lethal ammunition and pepper ball rounds at the protestors in an effort to de-escalate the situation and to gain compliance.

We made a tactical retreat back to the intersection of 12th Ave and Franklin Blvd where we staged for the remainder of the call. At this time, multiple dispersal orders were given via PA's and the protestors slowly began to disperse.

On 5/29/2020, I, Ofc [REDACTED] # [REDACTED], was assigned to an operation in response to on-going national unrest. My body worn camera was activated and I observed the following in summary:

Throughout the night, I endured verbal threats, hostilities, and physical abuse by subjects involved with the unlawful assembly.

I was attached to a squad of officers who were tasked with rescuing an elderly lady from a group of protestor's. The lady was in her SUV and the tire had been slashed.

As we were escorting the vehicle out, I was also attempting to free another van, which was driven by an elderly male. Fortunately, most of the agitators were focused on another group of officers. The only thing stopping the van from escaping the hostile crowd was a lone female white adult (unknown subject). I was unable to identify her due to a face covering.

I told the FWA that she needed to move out of the roadway approx. three to four times. Despite my lawful orders, the FWA refused to move. Some of the agitators began to approach my location, which was where the van was found.

Finally, I was forced to remove the female from obstructing the scared elderly male. Upon assisting her with moving out of the way, the FWA grabbed my baton and attempted to forcefully remove it from my grip. I had to shove her back, which successfully allowed the van to escape the mob. The gentleman was extremely thankful and was allowed to safely lead.

Up until our squad was able to successfully retreat, we were pelted with beer cans, milk jugs, rocks, glass bottles, fists, and other weapons that could have gravely injured or maimed an officer. Due to a milk jug and a large planting pot being thrown at us, myself and other officers were knocked to the ground. We recovered safely and were unharmed.

On May 29th, 2020 at approximately 2000 hours, I (Ofc. Wanger #251) I was called into work on a SWAT page to assist officers at the Sacramento Police Department's south station (JERPF). A large crowd had gathered in front of the police station to protest the death of George Floyd, who died in police custody in Minneapolis, MN. While I was responding to the police station I received information that the crowd was getting larger and becoming increasingly hostile with officers on scene. I arrived on scene at approximately 2100 hours and observed the following in summary:

During the protest in front of the police station a large majority of the group began marching northbound on Franklin Blvd in the northbound lanes of traffic. The large crowd continued to march until they reached 12th Ave/Hwy 99 over pass. While the protest was occurring at this location officers advised they were being surrounded by the crowd as they attempted to get a civilian vehicle out of the intersection.

I was equipped with a less-lethal pepper ball system. This is a direct impact weapon that is energized by compressed air that delivers kinetic energy along with a synthetic irritant.

At approximately 0005 hours, we pushed the crowd back and formed a skirmish

line to protect the surrounded officers and civilian who was trapped in their car. We were able to hold the line so the vehicle could be moved and then began to fall back to the intersection of 12th Ave/Franklin Blvd. As we made our movement back, the crowd became hostile and started advancing on us. At this time a large rock was thrown from the crowd that struck me on my helmet. Others in the crowd then started throwing glass bottles, rocks, and fireworks at us as we attempted to retreat back.

Due to the crowd throwing objects at officers and advancing towards us, I deployed my pepper ball system to combat their violence and end the civil unrest. During my deployment, I made sure to target the correct areas consistent with manufactures guidelines and department policy. The deployment was effective and allowed officers to retreat to safety.

On 5-29-20 at approximately 0807 hours, I Lieutenant Bales #4009, on call SWAT Commander, was at home when I received a request via management page requesting an emergency response that SWAT Team 10 to join SWAT Team 20 who was already deployed at the Sacramento Police Rooney Police Station at 5303 Franklin Blvd for protest activity. The following is a summary of my observations:

I responded Code 3 from my home to the Rooney Police Station. At 2107 hours, I arrived at the station, and I was directed to enter via the back gate due to the large protest group that had gathered up front blocking the front door and front vehicle entrance. When I arrived, I checked in and located Captain Bassett who identified himself as the Incident Commander. He stated that he had Team 10 deployed on the roof of the station on overwatch of the crowd and there to perform rescues if needed. He requested that we get flood lights to light up the crowd. I responded to the roof and facilitated several flood lights on the crowd gathered in front of the station.

From the roof I observed several hundred protesters, some of who were extremely agitated and screaming at the police officers protecting the front of the building. I also observed a large number of protesters in the middle of Franklin Blvd some of who formed a complete line across the street, blocking traffic. I observed one FBA in her 20's, in grey sweats spitting on officers in between screaming at them. I observed another protester, a MBA, in his 20's wearing an animal print black and white trench coat open in the front, where I could clearly see him carrying an approximately 24" machete in a sheathe attached to his belt. Several plastic bottles both full and empty were thrown at officers. I also observed a MWA wearing a black ski

mask, glasses, white t-shirt and blue jean pick up a large river rock and hold it near the vehicle entrance gate, until it appeared another protester told him to put it down.

At approximately 2140 hours a majority of the protest group began moving south on Franklin Blvd on foot, blocking the street. Dispatch began to report that protesters were throwing rocks at CHP officers who were blocking protesters from trying to walk on to HWY99. The group then began back north on Franklin Blvd blocking the street then reoccupied the station parking lot.

Dispatch reported several incidents of vehicles driving through the area being blocked by protesters and getting their cars vandalized by protesters kicking and hitting the vehicles, causing dents and broken windows and in some cases trying to get into the vehicles. At the same time there was a group of protesters at 12th Ave and Hwy 99 and Franklin Blvd. The group of protesters largely left the Rooney Police Station and began walking north towards the protest group at 12th Ave and Hwy 99. At approximately 2315 hours the two groups merged on 12th Ave and began interacting with the CHP officers blocking the freeway exit and entrances.

A majority of the SWAT team and I moved in vehicles to the area of 14th Ave and Franklin Blvd to assist patrol officers who were forming a mobile field force. At 2333 hours, dispatch advised that a traffic light had just been torn down on 12th Ave. At approximately 2347 hours, the police helicopter advised on the air that a white SUV had driven into the crowd of protesters and was not being allowed through, and that at least one tire had been slashed by one of the protesters. Watch Commander, Sergeant Morse sent the mobile field force into the crowd to rescue the vehicle and facilitate a corridor for the trapped vehicle to escape from the crowd. At 2351 hours, Sergeant Morse called for Code 3 cover units to assist the mobile field force officers. I directed the 4 SWAT reaction teams to 12th Ave and Franklin to assist. Upon arrival, I contacted Sergeant Morse who stated that she had sent two teams into the crowd to help extricate the vehicle, and that they were now trapped by the surrounding crowd and not being allowed to pass. At approximately 2356 hours, I along with the SWAT reaction teams attempted to enter the crowd in order to reach the trapped officers and citizen vehicle. We were immediately met with resistance with people blocking our path, ignoring orders to move, and people shoving officers and we moved through the crowd. When we reached the vehicle, I contacted Sergeant Hall and Sergeant Eaton who stated that the vehicle was able to move, but they were not able to due to the crowd shoving them. As we spoke, we began to get rocks and water bottles thrown at us. I ordered all of the officers to form a perimeter around the vehicle and begin to move the crowd out of the way, in order to allow it to move out of the crowd in the shortest route possible south on 30th St.

Officers ordered the crowd to move and many refused to comply, having to be pushed back. The rate of objects being thrown at officers increased, and I ordered pepper ball launchers to be deployed to try and decrease the rate of objects being thrown at us. I was hit in the helmet with an unknown hard object. Officers were able to get the white SUV out of the crowd. We consolidated officers into a single formation. Officers began to get punched and kicked along with getting objects thrown at them. I ordered the formation to retreat west on 12th Ave towards Franklin Blvd. As we were backing up the crowd continued to throw rocks, bricks, potted plants, and other objects at officers. Aerial distraction devices were deployed with little effect. I was hit again in the helmet with a hard object, and then narrowly dodged a baseball size rock

flying at my face. I was then hit in the left hand with a brick causing a laceration, redness and swelling. CSI photographed that injury later in the evening. Several officers were assaulted and injured during this incident, along with several police vehicles damaged. (Please see Sergeant Morse's observations for details.)

A skirmish line was established along the south curb line of 12th Ave, preventing the crowd of protesters from proceeding south into the shell gas station. Sergeant Young then informed me that one of his officers had also deployed 2 bean bag shotgun rounds during our extraction from the crowd (See Sergeant Young's observations). Additional SPD officers, SSD Deputies, and Captain Bassett arrived on scene. Protesters continued to throw rocks and other objects at officers and police cars.

At approximately 0007 hours, I had SWAT officers retrieve the long range acoustical device and prepared to deliver an unlawful assembly and dispersal order per 726 PC, based on the above circumstances. At 0012 hours, I gave the first dispersal order, followed by at least six more. Over the course of following 15 minutes, the crowd slowly dispersed. Officers responded back to the Rooney police station and took inventory of damage and injuries, having CSI take photographs.

On 05/29/20, I(Ofc. DeLeon #535) was assigned to the Sacramento Police Departments Special Weapons and Tactics team. I was deployed to the JERPF Police facility at 5303 Franklin Blvd regarding a hostile crowd of protesters. I was in full police uniform and identified as UNN22 with an activated and recording body worn camera.

At approx. 0000 hours, I, along with the rest of the SWAT team moved to the area of 12th Ave/HWY 99. We were told a car was being surrounded by violent protesters with several officers.

Our team moved into the crowd to allow the surrounded officers and the vehicle to get out from the crowd of protesters.

During this time, numerous objects were thrown at me and other officers. I was struck in the vest and left elbow with a large rock. I did not have any injuries from the thrown objects that hit me.

After the vehicle was directed out of the crowd, the team moved back towards Franklin Blvd. where a skirmish line was established.

While moving back, I deployed four 40mm aerial distraction devices over the crowd who continued to throw objects at us in an effort to create some

On 05/29/2020 at approx. 2125 hours, I (Ofc. Pancoast #924) was dispatched to 5303 Franklin Blvd, Sacramento, CA (JERPF) to assist with planned protests in the area. I arrived on scene at approx. 2145 hours. I was wearing full SPD uniform. I observed the following, which was also recorded using my body worn camera.

Upon arrival, I was part of a group of Officers tasked with assisting at the front gate at JERPF. Once more Officers arrived on scene, the group I was with was then tasked as a mobile field force.

When we left JERPF we were then tasked with assisting California Highway Patrol (CHP) and Sacramento County Deputies (SSD) at Franklin Blvd / 12th ave.

We had formed into two columns and were advised that we were going to be sent into the crowd to rescue a white SUV that had gotten surrounded by the large crowd.

While moving into the crowd, multiple people were pushing officers and being verbally aggressive.

Once the vehicle had been moved safely out of the area, we started tactically retreating.

When we started moving back away from the crowd, the crowd started moving towards us. People in the crowd started throwing water bottles, rocks and glass or terra-cota pots.

One of the glass pots thrown broke near my right leg and a piece of it hit my right shin and broke skin causing my shin to bleed. I did not need medical attention.

I did not observe the person who threw the pot, they were in the middle of the large crowd.

I advised a one of the Team Leaders once we were back at the station.

CSI photographed the injury.

When deploying the less lethal bean bag shotgun at the previously mentioned subject, I targeted the mid section of the individual. The mid section is designated as a green zone, which is a department approved target area when deploying less lethal munitions. When deploying the less lethal munitions, I avoided the red zone areas including the head, face, solar plexus and spine.

During my deployment, I made sure to target the correct areas consistent with manufacturer guidelines and in accordance with department policy.

I was given the command along with the other officers to move into the crowd of people standing in the street on 12th Ave and Highway 99 and who were now surrounding the vehicle. As I moved in, the crowd became very aggressive. People were yelling, throwing water bottles, cans of beer and other items towards officers.

Once we surrounded the vehicle, officers focused on moving the vehicle into a safe place and removing the driver out of harms way. It wasn't long before additional units arrived to assist officers in gaining compliance from the crowd to allow us to escort the immobilized vehicle.

Additional units arrived and utilized less lethal munitions to push the crowd back and away from officers and the vehicle. I observed officers utilizing pepper ball rounds, and 40mm aerial flashbangs.

The vehicle was finally escorted out of the area and away from the crowd.

Officers began to move back to the skirmish line at Franklin Blvd and 12th Ave. During this time, the crowd was throwing items towards our direction. I observed rocks being thrown towards officers. Some fairly big rocks were thrown that would hurt if they had hit any of the officers. I was personally never hit with anything directly, other than some liquid beer that was thrown at me.

Afterwards we stood at the skirmish line at 12th Ave and Franklin Blvd again.

I observed Ofc. [REDACTED] # [REDACTED] move one subject out of the roadway for a vehicle to pass after asking her repeatedly to move out of the roadway.

I had extended my collapsible baton in a two-handed strike technique to push multiple protestors who would not move.

We began moving to the SUV and formed a circle around it. We immediately became surrounded by the crowd. Multiple people in the crowd were very close to all of the Officers on scene.

After a few minutes a group of SPD Officers arrived and assisted with the rescue of the white SUV. Once the SUV was safely out of the way, we began to move away from the crowd.

While moving back, people in the crowd started throwing items at the officers. The items thrown included water bottles, bricks, rocks, a large ceramic flower pot, and a carton of milk. I was hit in the right shin with a piece of the large ceramic flower pot.

Other Officers were struck with items. People in the crowd attempted to grab Officers and pull them into the crowd. At this point the pepper ball gun was utilized to assist with getting the crowd away from the Officers.

After the pepper ball gun was used, we would continue to move back. Some of the protestors continued to move towards Officers.

The crowd was then given numerous orders to disperse. After the dispersal order, most of the crowd started clearing out.

As officers retreated in a skirmish line, protestors proceeded to rush towards officers and continued throwing rocks and bricks. During this time, additional officers arrived on scene and began to deploy less lethal shotgun rounds and pepper ball rounds to push the crowd away from officers and the vehicle.

Once the vehicle was able to drive away, officers formed a skirmish line at Franklin Blvd and 12th Ave. Lt. Bales then proceeded to give out the dispersal order and a large portion of the crowd slowly walked away.

On 5/28/2020, at approximately 2000 hours, I (Officer Vining #381) was assigned to a planned protest in the area Martin Luther King Blvd and 12th Ave. My team was told to respond to 5303 Franklin Blvd (JERPF Police Station). I arrived on scene and observed the following in summary which was recorded on my body worn camera.

I was assigned to stand in front of the police station as a visual deterrent against any crime. I stood on the line between the station and protestors, for over 3 hours. While I was on the line, I had multiple people shine bright flashlights within 1 foot of my eyes, and purposely follow my gaze to ensure the light was directly in my pupils.

While on the line, at least one person had a green laser. That person shone the laser in my eyes for approximately 15 minutes, from an unknown distance. I immediately had a headache after the laser was shone in my eyes.

[REDACTED]

Telephone Number: [REDACTED]

Date, Time, and Location of Incident and Injuries/Damages/Losses:

Date of Incident: Friday, May 31, 2020
Time of Incident: ± 12:00 a.m.
Location of Incident: The freeway overpass at the intersection of 12th Avenue and 30th Street in Sacramento, California.

Description of Incident or Accident:

On May 29, 2020, Claimant [REDACTED] (“Ms. [REDACTED]”) attended a peaceful protest in the Oak Park neighborhood in Sacramento, California concerning the unlawful killing of George Floyd by police officers in Minneapolis, Minnesota. This peaceful protest in Sacramento was one of many that took place across the country, as communities across the country voiced their protest against repeated, systemic violence of Black individuals by law enforcement.

Unfortunately, Ms. [REDACTED] became yet another victim of the same police brutality she was lawfully protesting against.

At approximately 8:00 p.m., Ms. [REDACTED] arrived at the Joseph E. Rooney Police Facility located at 5303 Franklin Blvd., Sacramento, CA 95820. Ms. [REDACTED] attended the protest with her brother, [REDACTED] (“Mr. [REDACTED]”). Ms. [REDACTED] and Mr. [REDACTED] joined the peaceful protest, which had begun several hours earlier that day. The protest was peaceful: protestors held “Black Lives Matter” signs, chanted, and sang together. Thereafter, the protestors began to walk North on Franklin Road and turned right on 12th Avenue. Several Sacramento Police Officers facilitated the protest, and escorted the crowd of protestors along the route. No dispersal orders were issued by any law enforcement at any time.

At approximately 8:30 p.m., the protestors reached the freeway overpass on 12th Avenue and 30th Street. On information and belief, the protestors had no intention of entering the freeway entrance, but were simply attempting to continue peacefully protesting. The protestors encountered several dozen Sacramento Police officers blocking off the freeway entrances of the overpass from traffic. On information and belief, Sacramento County Sheriff’s Department and California Highway Patrol were also present. The protestors were on the overpass for several hours. Though the protestors continued yelling and chanting at law enforcement, none of the protestors posed any threat to law enforcement. No dispersal orders were issued by law enforcement at any time.

At approximately 11:45 p.m., a vehicle slowly drove into the crowd of protestors. Law enforcement officials, including officers from Sacramento Police Department, surrounded the vehicle. Protestors began to chat, “Hands up, Don’t Shoot.” Officers then began to withdraw from surrounding the vehicle, issuing orders to themselves to “Get Back. Get Back.” This was not a dispersal order, as the officers were merely communicating commands to themselves to begin withdrawing from the car.

Ms. [REDACTED] was approximately ten feet away from the line of law enforcement officers. Ms. [REDACTED] began to search for her brother, Mr. [REDACTED], as the two had been separated. As she turned toward the police to search for her brother, she was shot in the face. On information

and belief, a rubber bullet, or similar, supposedly “non-lethal” object, struck Ms. [REDACTED] directly in the left eye.

Prior to this shooting, no dispersal orders were issued to the protestors by law enforcement. Similarly, law enforcement did not issue any prior warning that they would begin to use force to disperse the crowd. The crowd of protestors were not provided any opportunity to comply with orders prior to law enforcement beginning to utilize force.

Mr. [REDACTED] eventually found his sister, Ms. [REDACTED], crouching on the ground after she had been shot. No law enforcement officers attempted to assist Ms. [REDACTED] following her injury. Mr. [REDACTED] then retrieved his car and drove Ms. [REDACTED] home.

Ms. [REDACTED] received medical treatment in the following days. Ms. [REDACTED] has since undergone surgery to her left eye, but has been advised by her treating doctors that she would likely experience permanent loss of vision out of her left eye. Ms. [REDACTED] is continuing to seek medical treatment, but she will likely be permanently disabled and is blinded in her left eye.

Ms. [REDACTED] contends that the City of Sacramento and State of California and its employees, including but not limited to Sacramento Police Department, Sacramento County Sheriff’s Department, and California Highway Patrol, are liable for battery; negligence; negligent hiring, supervision, retention and/or training; violations of the California Constitution; violation of the U.S. Constitution; intentional and negligent infliction of emotional distress; violations of Civil Code §§ 43, 51, 51.7, and 52.1; and all other related causes of action.

Very truly yours,

Re: *Litigation Hold Demand*

To Whom It May Concern:

The Bloom Firm represents a victim harmed during a Black Lives Matter protest involving Sacramento Police Officers at the intersection of 10th Street and L Street near the Starbucks located at 1003 L Street in Sacramento, CA.

This letter will serve to advise you of a litigation hold, as set forth in detail below, on all information regarding the above legal matter that is in your possession or control. As used in this document, “you” and “your” refers to all attorneys, employees, affiliates, representatives and staff, agents, investigators, and anyone with access to potentially relevant documents or tangible things. You are directed to immediately initiate a litigation hold for potentially relevant documents and tangible things, and to act diligently and in good faith to secure and audit compliance with such litigation hold. **Please be advised that you are under a legal duty to maintain, preserve, retain, protect, and not destroy any and all documents and data, both electronic and hard copy, which may be relevant or potentially relevant to our client’s claims. “The obligation to preserve evidence arises ... when a party should have known that the evidence may be relevant to future litigation.” *See Potato Commission v. G & T Terminal Packaging, Inc.*, 425 F.3d 708 (9th Cir. 2005). Specifically, you are in possession of Sacramento Police Department body camera footage from an incident that occurred on May 31, 2020, between at 7:00 pm and June 1, 2020, at 12:00 am Pacific Standard Time on the overpass at the intersection of 10th Street and L Street near the Starbucks located at 1003 L Street in Sacramento, CA. Please acknowledge receipt of this letter and provide us a copy of the requested footage.**

You should anticipate that much of the information subject to this litigation hold could be stored electronically on your computers, laptops, voice-messaging systems, cell phones, smart phones, personal digital assistants and other devices. Electronically stored information (“ESI”) should be afforded the broadest possible definition and includes (by way of an example and not as an exclusive list) potentially relevant information in the forms of e-mail, voicemail, instant messaging, text messaging, social media activity, metadata, logs, calendar and scheduling information, etc. You are instructed not to destroy, disable, erase, encrypt, alter or otherwise make unavailable any data and evidence potentially relevant to our client’s claims (*see* Fed. R. Civ. P. 37(e)). Be advised that sources of ESI are altered and erased by continued use of your computers and other devices and may constitute unlawful spoliation of evidence.

You are further directed to immediately identify and modify or suspend features of your information systems and devices that, in routine operation, would operate to cause the loss of potentially relevant ESI. Examples of such features and operations include:

- purging the contents of e-mail repositories by age, capacity or other criteria;
- using data or media wiping, disposal, erasure or encryption utilities or devices;
- overwriting, erasing, destroying or discarding back-up media;
- re-assigning, re-imaging, or disposing of systems, servers, devices or media;
- running antivirus or other programs effecting wholesale metadata alteration;
- releasing or purging online storage repositories;
- using metadata stripper utilities;
- disabling server or IM logging; and
- executing drive or file defragmentation or compression programs.

You should take affirmative steps to prevent anyone with access to your data, systems and archives from seeking to modify, destroy or hide electronic evidence on network or local hard drives (such as by deleting or overwriting files, using data shredding and overwriting applications, defragmentation, re-imaging or replacing drives, encryption, compression, steganography or the like). With respect to local hard drives, one way to protect existing data on local hard drives is by the creation and authentication of a forensically qualified image of all sectors of the drive. Such a forensically qualified duplicate may also be called a bitstream image or clone of the drive. Be advised that a conventional back-up of a hard drive is not a forensically qualified image because it only captures active, unlocked data files and fails to preserve forensically significant data that may exist in such areas as unallocated space, slack space and the swap file.

You should anticipate that certain ESI will be sought in the form or forms in which it is ordinarily maintained. Accordingly, kindly preserve ESI in such native forms, and you should not select methods to preserve ESI that remove or degrade the ability to search your ESI by electronic means or make it difficult or burdensome to access or use information efficiently in this litigation.

You should further anticipate the need to disclose and produce system and application metadata act to preserve it. System metadata is information describing the history and characteristics of other ESI. This information is typically associated with tracking or managing an electronic file and often includes data reflecting a file's name, size, custom, location and dates of creation and last modification or access. Application metadata is information automatically included or embedded in electronic files but which may not be apparent to a user, including deleted content, draft language, commentary, collaboration and distribution data and dates of creation and printing. Be advised that metadata may be overwritten or corrupted by careless handling or improper steps to preserve ESI. For e-mail, metadata includes all header routing data and attachment data, in addition to the To, From, Subject, Received Date, CC and BCC fields.

With respect to servers like those used to manage email or network storage, the complete contents of each user's network share and e-mail account should be preserved. Should your failure to preserve potentially relevant evidence result in the corruption, loss or delay in production of evidence to which we are entitled, such failure would constitute spoliation of evidence.

B

Lastly, kindly confirm within 10 days of receipt of this letter that you have taken the steps outlined in this letter to preserve ESI and tangible documents potentially relevant to this action. If you have not taken the steps outlined above, or have taken other actions, please describe what you have done to preserve potentially relevant evidence.

Very truly yours,

NOTICE! You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you; Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org); the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association. NOTE: The court has a statutory lien for waived fees and costs on any settlement or arbitration award of \$10,000 or more in a civil case. The court's lien must be paid before the court will dismiss the case. **¡AVISO! Lo han demandado. Si no responde dentro de 30 días, la corte puede decidir en su contra sin escuchar su versión. Lea la información a continuación.**

Tiene 30 DÍAS DE CALENDARIO después de que le entreguen esta citación y papeles legales para presentar una respuesta por escrito en esta corte y hacer que se entregue una copia al demandante. Una carta o una llamada telefónica no lo protegen. Su respuesta por escrito tiene que estar en formato legal correcto si desea que procesen su caso en la corte. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California (www.sucorte.ca.gov), en la biblioteca de leyes de su condado o en la corte que le quede más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes sin más advertencia.

Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remisión a abogados. Si no puede pagar a un abogado, es posible que cumpla con los requisitos para obtener servicios legales gratuitos de un programa de servicios legales sin fines de lucro. Puede encontrar estos grupos sin fines de lucro en el sitio web de California Legal Services, (www.lawhelpcalifornia.org), en el Centro de Ayuda de las Cortes de California, (www.sucorte.ca.gov) o poniéndose en contacto con la corte o el colegio de abogados locales. **AVISO:** Por ley, la corte tiene derecho a reclamar las cuotas y los costos exentos por imponer un gravamen sobre cualquier recuperación de \$10,000 o más de valor recibida mediante un acuerdo o una concesión de arbitraje en un caso de derecho civil. Tiene que pagar el gravamen de la corte antes de que la corte pueda desechar el caso.

21 INTRODUCTION

22 "They're going to kill me . . . I can't breathe. Please, sir. Please."
23 --George Floyd, May 25, 2020

24 1. These are the words, uttered by George Floyd during the last moments of his life, that
25 set off a powerful movement across the country. Engaged citizens marched in solidarity to honor
26 George Floyd and protest police brutality and excessive force against the Black community. [REDACTED]
27 [REDACTED] ("Plaintiff" or "Ms. [REDACTED]"), a medical assistant and mother of two young children, was one such
28 citizen. On the evening of May 29, 2020, Ms. [REDACTED] protested peacefully. She did not threaten,

1 vandalize, or assault any person or any business. She did not riot, loot, or participate in any activity that
2 would justify law enforcement's deadly use of force against her. Ms. [REDACTED] did nothing more than
3 exercise her constitutional right to protest police brutality and excessive force against the Black
4 community. As a result, Ms. [REDACTED] became another victim of police brutality when a law enforcement
5 officer aimed his/her weapon and shot Ms. [REDACTED] directly in the eye with a "non-lethal" projectile;
6 permanently blinding her in one eye, devastating her life, and perpetuating the very same racial
7 injustice she was lawfully protesting.

8 JURISDICTION AND VENUE

9 2. The Court has personal jurisdiction over Defendants because they are residents of and/or
10 doing business in the State of California.

11 3. Venue is proper in this Court in accordance with Section 395(a) of the California Code
12 of Civil Procedure because (a) the Defendants, or some of them, reside in Sacramento County and/or
13 (b) the injury occurred in Sacramento County.

14 4. All administrative remedies have been exhausted. In compliance with Section 910 of the
15 California Government Code, Plaintiff filed administrative claims for damages under the California
16 Tort Claims Act with the City of Sacramento, County of Sacramento, and State of California, which
17 have all declined to exercise jurisdiction over these claims.

18 PARTIES AND THEIR AGENTS

19 5. Plaintiff [REDACTED] a 29-year-old African American woman and mother of two, is,
20 and at all times mentioned herein was, a resident of the State of California and County of Sacramento.
21 Ms. [REDACTED] was a victim of, *inter alia*, excessive force and violation of civil rights by Defendants.

22 6. Defendant City of Sacramento ("the CITY") is a municipality duly organized under the
23 laws of the State of California. At all relevant times, the Sacramento Police Department ("SPD") was a
24 branch or agency of the CITY. Plaintiff is informed and believe and thereon alleges that all relevant
25 times, the CITY and its employees are responsible for supervising all SPD officers, providing adequate
26 training and supervision to officers with respect to constitutional rights of individuals to protest and
27 free speech and constitutional limits on the use of force by police officers and employees, for making
28 sure that complaints of excessive force and constitutional violations are adequately investigated, and

1 that appropriate corrective action is taken and for maintaining and implementing the policies regarding
2 the use of force and crowd management by the SPD, and is directly responsible for Plaintiff's damages.
3 The CITY is also liable on a theory of *respondeat superior* under California Government Code §§
4 815.2 and 820 and mandatory duties under California Government Code § 815.6. Moreover, liability
5 under California law for the CITY and its employees, including the individually named Defendants, is
6 based upon, among other statutes, Civil Code §§ 43, 51, 51.7, 52, and 52.1 and Penal Code §§ 240 and
7 242.

8 7. Plaintiff is informed and believes and thereon alleges that Officer KRISTINE MORSE
9 (identification number 3079) is, and at all times mentioned herein was, a member of the SPD and was a
10 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
11 her duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

12 8. Plaintiff is informed and believes and thereon alleges that Officer BRANDON
13 LUNDGREN (identification number 0970) is, and at all times mentioned herein was, a member of the
14 SPD and was a duly authorized CITY employee and/or agent, acting under color of law within the
15 course and scope of his duty as an officer of the SPD and with the complete authority and ratification of
16 Defendant CITY.

17 9. Plaintiff is informed and believes and thereon alleges that Officer MICHAEL
18 MANTSCH (identification number 0918) is, and at all times mentioned herein was, a member of the
19 SPD and was a duly authorized CITY employee and/or agent, acting under color of law within the
20 course and scope of his duty as an officer of the SPD and with the complete authority and ratification of
21 Defendant CITY.

22 10. Plaintiff is informed and believes and thereon alleges that Officer JEREMY
23 RATCLIFFE (identification number 0224) is, and at all times mentioned herein was, a member of the
24 SPD and was a duly authorized CITY employee and/or agent, acting under color of law within the
25 course and scope of his duty as an officer of the SPD and with the complete authority and ratification of
26 Defendant CITY.

27 11. Plaintiff is informed and believes and thereon alleges that Officer BRANDON
28 KELLERMANM (identification number 0961) is, and at all times mentioned herein was, a member of

1 the SPD and was a duly authorized CITY employee and/or agent, acting under color of law within the
2 course and scope of his duty as an officer of the SPD and with the complete authority and ratification of
3 Defendant CITY.

4 12. Plaintiff is informed and believes and thereon alleges that Officer JENNIFER FLURE
5 (identification number 0942) is, and at all times mentioned herein was, a member of the SPD and was a
6 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
7 her duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

8 13. Plaintiff is informed and believes and thereon alleges that Officer MAX BRUCE
9 (identification number 0711) is, and at all times mentioned herein was, a member of the SPD and was a
10 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
11 his duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

12 14. Plaintiff is informed and believes and thereon alleges that Officer ANDY HALL
13 (identification number 3031) is, and at all times mentioned herein was, a member of the SPD and was a
14 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
15 his duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

16 15. Plaintiff is informed and believes and thereon alleges that Officer CLARA MELLO
17 (identification number 1053) is, and at all times mentioned herein was, a member of the SPD and was a
18 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
19 her duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

20 16. Plaintiff is informed and believes and thereon alleges that Officer PAUL FONG
21 (identification number 0746) is, and at all times mentioned herein was, a member of the SPD and was a
22 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
23 his duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

24 17. Plaintiff is informed and believes and thereon alleges that Officer BIANCA BRAU
25 (identification number 0928) is, and at all times mentioned herein was, a member of the SPD and was a
26 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
27 her duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

COMPLAINT

1 50. Plaintiff is informed and believes and thereon alleges that Officer GABRIEL JAMES
2 (identification number 0970) is, and at all times mentioned herein was, a member of the SPD and was a
3 duly authorized CITY employee and/or agent, acting under color of law within the course and scope of
4 his duty as an officer of the SPD and with the complete authority and ratification of Defendant CITY.

5 51. Defendant County of Sacramento ("the COUNTY") is a public entity organized and
6 existing under the laws of the State of California. At all relevant times, Defendant Sacramento County
7 Sheriff's Department ("SSD") is a public entity within the meaning of California law, and is a County
8 agency. Plaintiff is informed and believe and thereon alleges that all relevant times, the COUNTY and
9 its employees are responsible for supervising all SSD officers, providing adequate training and
10 supervision to officers with respect to constitutional rights of individuals to protest and free speech and
11 constitutional limits on the use of force by police officers and employees, for making sure that
12 complaints of excessive force and constitutional violations are adequately investigated, and that
13 appropriate corrective action is taken and for maintaining and implementing the policies regarding the
14 use of force and crowd management by the SSD, and is directly responsible for Plaintiff's damages.
15 The COUNTY is also liable on a theory of *respondeat superior* under California Government Code §§
16 815.2 and 820 and mandatory duties under California Government Code § 815.6. Moreover, liability
17 under California law for the COUNTY and its employees, including the individually named
18 Defendants, is based upon, among other statutes, Civil Code §§ 43, 51, 51.7, 52, and 52.1 and Penal
19 Code §§ 240 and 242.

20 52. Defendant State of California ("the STATE") is a public entity. At all relevant times,
21 Defendant California Highway Patrol ("CHP") is, and at all relevant times herein was, a law
22 enforcement agency organized under the laws of the State of California. Plaintiff is informed and
23 believes and thereon alleges that all relevant times, the STATE and its employees are responsible for
24 supervising all CHP officers, providing adequate training and supervision to officers with respect to
25 constitutional rights of individuals to protest and free speech and constitutional limits on the use of
26 force by police officers and employees, for making sure that complaints of excessive force and
27 constitutional violations are adequately investigated, and that appropriate corrective action is taken and
28 for maintaining and implementing the policies regarding the use of force and crowd management by the

1 CHP, and is directly responsible for Plaintiff's damages. The STATE is also liable on a theory of
2 *respondeat superior* under California Government Code §§ 815.2 and 820 and mandatory duties under
3 California Government Code § 815.6. Moreover, liability under California law for STATE and its
4 employees, including the individually named Defendants, is based upon, among other statutes, Civil
5 Code §§ 43, 51, 51.7, 52, and 52.1 and Penal Code §§ 240 and 242.

6 53. The true names and capacities of Defendants named herein as Does 1 through 100,
7 inclusive, whether individual, corporate, associate, or otherwise are unknown to Plaintiff, who therefore
8 sues said Defendants by fictitious names pursuant to California Code of Civil Procedure § 474. Plaintiff
9 will amend this Complaint to show such true names and capacities of Does 1 through 100, inclusive,
10 once they have been ascertained.

11 54. At all relevant times, Does 1 through 10 (hereinafter, referred to as "Doe Entity
12 Defendants") are law enforcement agencies. Plaintiff is informed and believe and thereon alleges that
13 all relevant times, Doe Entity Defendants and their employees were present at the protest on May 29,
14 2020, giving rise to this litigation and are responsible for supervising their officers, providing adequate
15 training and supervision to officers with respect to constitutional rights of individuals to protest and
16 free speech and constitutional limits on the use of force by police officers and employees, for making
17 sure that complaints of excessive force and constitutional violations are adequately investigated, and
18 that appropriate corrective action is taken and for maintaining and implementing the policies regarding
19 the use of force and crowd management by their officers, and is directly responsible for Plaintiff's
20 damages. Doe Entity Defendants are also liable on a theory of *respondeat superior* under California
21 Government Code §§ 815.2 and 820 and mandatory duties under California Government Code § 815.6.
22 Moreover, liability under California law for Doe Entity Defendants and their employees is based upon,
23 among other statutes, Civil Code §§ 43, 51, 51.7, 52, and 52.1 and Penal Code §§ 240 and 242.

24 55. At all relevant times, individually named Defendant Officers and DOES 11 through 100
25 (hereinafter, referred to as "Responding Officers") were members of the SPD, SSD, CHP, and Doe
26 Entity Defendants and were duly authorized employees and agents of Defendants, acting under the
27 color of law within the course and scope of their respective duties as officers and with the complete
28 authority and ratification of Defendants. On information and belief, Responding Officers were present

1 at the protest on May 29, 2020, and directly – by action or inaction – caused Plaintiff’s injuries.

2 56. Plaintiff is informed and believed and thereon alleges that each Defendant is, and at all
3 times mentioned was, the agent, employee, representative, successor and/or assignee of each
4 Defendant. Each Defendant, in doing the acts, or in omitting to act as alleged in the Complaint, was
5 acting within the scope of his or her actual and apparent authority, or the alleged acts and omissions of
6 each Defendant as agent subsequently were ratified and adopted by each other Defendant as principal.
7 Plaintiff is informed and believes and thereon alleges that each of the individual Defendants was in
8 some way responsible for the constitutional violations and torts alleged in this Complaint. As a result of
9 their conduct, Defendants are liable for Plaintiff’s injuries, either because they were integral
10 participants in the misconduct, or because they failed to intervene and had the opportunity and duty to
11 do so prevent these violations. All non-municipal, individual Defendants acted or failed to act in the
12 face of an obligation to do otherwise, and did so maliciously and/or with reckless disregard for Ms.
13 [REDACTED] rights and thus are liable for punitive damages.

14 **STATEMENT OF FACTS**

15 57. Like so many others, Ms. [REDACTED] was shocked and profoundly angered by the murder of
16 George Floyd. She was tired and frustrated of adding yet another name to the long list of victims of law
17 enforcement brutality against the Black community. Ms. [REDACTED] thought about her family members, the
18 Black men in her life, and her two daughters. Ms. [REDACTED] could not fathom her daughters growing up in a
19 world with such injustice. Ms. [REDACTED] felt compelled to take part in the Black Lives Matter movement
20 and decided to join her first protest to stand against police brutality and racial injustice.

21 58. On May 29, 2020, Ms. [REDACTED] was peacefully exercising her rights to speech as
22 guaranteed by Article I, Sec. 2 of the California Constitution by joining other concerned members of
23 the community to protest police brutality. At approximately 8:00 pm, Ms. [REDACTED] joined other protestors
24 at the Joseph E. Rooney Police Facility, located at 5303 Franklin Blvd., Sacramento, California. The
25 protestors held signs that read, “Black Lives Matter.” The protestors chanted: “Hands up, don’t shoot,”
26 a phrase now synonymous with the Black Lives Matter movement. The protestors called out George
27 Floyd’s name.

28 59. Shortly after Ms. [REDACTED] arrived at the police station, the protestors began to march north

1 on Franklin Blvd. Ms. [REDACTED] marched along Franklin Blvd. with the other protestors. On information
2 and belief, Responding Officers facilitated the protest at this juncture by blocking traffic and leading
3 the protestors down the street. The protestors were peaceful while marching along Franklin Blvd.:
4 people chanted, held signs, and played music.

5 60. Ms. [REDACTED] did not hear any instructions, dispersal orders, or warnings of any kind issued
6 by Responding Officers. On information and belief, no dispersal orders were given by any of the
7 Responding Officers at this juncture.

8 61. After marching along Franklin Blvd., the protestors turned right on 12th Avenue. On
9 information and belief, Responding Officers directed the protestors to this destination. When Ms. [REDACTED]
10 arrived around the intersection of 12th Avenue and 30th Street, Ms. [REDACTED] joined the other peaceful
11 protestors on the Highway 99 overpass. Responding Officers in riot gear stood in formation in front of
12 all freeway entrances and exits in the area.

13 62. Ms. [REDACTED] remained on this overpass for approximately one to two hours. At no point
14 during this period, did Ms. [REDACTED] ever threaten, attempt to threaten, or otherwise assault any of the
15 Responding Officers. Ms. [REDACTED] did not vandalize, threaten to vandalize, or otherwise harm any public
16 or private property. She continued to peacefully protest, as she had been throughout the evening. Ms.
17 [REDACTED] was unarmed. She was not a threat to anyone.

18 63. Despite the peaceful nature of the protest and demonstration thus far, Responding
19 Officers began to escalate their tactics. Ms. [REDACTED] witnessed at least one law enforcement officer knock
20 a sign out of a protestor's hand without cause. More Responding Officers arrived on scene. On
21 information and belief, the protestors remained peaceful in response.

22 64. At approximately 11:30 pm or shortly thereafter, Responding Officers began to swarm
23 around a vehicle that had driven onto the highway overpass. Responding Officers were fully armed,
24 displaying their batons and weapons. In the face of the escalating tactics, protestors continued to cry
25 out, "Hands up, don't shoot." Ms. [REDACTED] then heard several of the Responding Officers around the
26 vehicle tell each other, "Get back. Get back." This was not an order issued to the protestors, as the
27 Responding Officers began to pull back from the vehicle they had surrounded in response to the
28 command. Ms. [REDACTED] did not witness any of the protestors injure, batter, or threaten the Responding

1 Officers. On information and belief, none of the protestors posed any significant threat to the
2 Responding Officers at this time.

3 65. Ms. [REDACTED] did not hear any Responding Officer issue a dispersal order to the protestors at
4 this time. On information and belief, Responding Officers did not utilize any sound amplification (such
5 as a megaphone) to communicate directions, issue any dispersal orders, or warn the protestors that the
6 Responding Officers were contemplating the use of force. In fact, Ms. [REDACTED] did not hear any statement
7 of the kind from Responding Officers.

8 66. Ms. [REDACTED] was several feet away from the line of Responding Officers, who were pulling
9 back from having surrounded the vehicle. Not wanting to interfere with the officers in any way, Ms.
10 [REDACTED] turned her back to the officers and began to walk away. When she briefly turned to face the
11 officers, one or more of the Responding Officers shot Ms. [REDACTED] in the face with a projectile. On
12 information and belief, Ms. [REDACTED] was hit by either a beanbag round, 40 MM foam baton, pepperball, or
13 impact projectile.

14 67. The projectile severely injured Ms. [REDACTED]. She immediately lost vision in her right eye,
15 which she could not open. She felt blood pour down her face and searing pain from the impact. Ms.
16 [REDACTED] was on the ground, overwhelmed by the pain she was experiencing from the impact.

17 68. None of the Responding Officers provided any medical aid to Ms. [REDACTED]. Ms. [REDACTED] was
18 led away from the protest shortly after she was injured.

19 69. On information and belief, Defendants and Responding Officers employed such
20 excessive, violent tactics on the unsuspecting protestors, including Ms. [REDACTED] due to the perceived
21 racial makeup of the protestors and due to the general content, nature, and political views expressed by
22 the protestors. On May 1, 2020, roughly 1,000 individuals gathered at the State Capital to protest
23 California's stay-at-home order. In response, Entity Defendants issued lawful dispersal orders, using
24 loudspeakers, and arrested several individuals who refused to disperse after being provided adequate
25 time to comply with the dispersal orders. On information and belief, at no point did Entity Defendants
26 utilize tear gas or projectiles on the unruly protestors on this occasion.¹ On May 9, 2020, dozens of

1 protestors, including a group claiming to be State Militia and donning militia fatigues, gathered at the
2 State Capital in Sacramento to protest Governor Newsom's stay-at-home orders. On information and
3 belief, no protestors were arrested or injured.² On information and belief, the protestors were
4 predominantly White at these anti-mask protests. Defendants' response to the May 29, 2020, protest
5 was markedly different. Rather than issue lawful dispersal orders to the peaceful protestors, Defendants
6 instead utilized tear gas and shot projectiles, constituting deadly force, into the crowd without warning.

7 70. As a direct and legal result of the acts and omissions of Defendants, Ms. [REDACTED] has
8 suffered severe physical injuries. Ms. [REDACTED] has already undergone one surgery on her right eye and will
9 likely need future surgical and/or medical intervention. Ms. [REDACTED] is now permanently blind in her right
10 eye, where she was struck with the projectile. Ms. [REDACTED] has also been diagnosed with a traumatic brain
11 injury, which has caused her, among other things, to have issues with her speech and short-term
12 memory. As a result of the impact, Ms. [REDACTED] regularly experiences severe pain in her eye and
13 migraines. She struggles with daily tasks, such as cleaning her house and caring for herself.

14 71. Ms. [REDACTED] has also suffered loss of earnings and earning capacity, loss of enjoyment of
15 life, pain and suffering, disfigurement, humiliation, fear, anxiety, torment, degradation, embarrassment,
16 shock, loss of self-esteem, medical expenses, severe mental and emotional distress, and other pecuniary
17 and non-pecuniary losses. Plaintiff has sustained serious and permanent injuries, which will likely
18 result in permanent disability, the exact nature and extent of which has yet to be determined. Plaintiff is
19 informed and believes and thereon alleges that she will continue to incur medical expenses in the
20 future, the amount of which is not presently ascertained.

23 **(Against All Defendants)**

24 72. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
25 allegations contained in each of the paragraphs above.

26 73. Plaintiff is informed and believes, and thereon alleges, that on or about May 29, 2020,

1 Entity and Individual Defendants, and each of them, including DOES 1 through 100, inclusive
2 (collectively, "Defendants"), assaulted and battered Ms. [REDACTED] and aided and abetted said assault and
3 battery, as described herein, all of which constituted excessive, unjustifiable, and unreasonable force in
4 violation of and interference with Plaintiff's civil rights, including her right to be free from violence
5 and threats of violence and right to free speech.

6 74. On or about the above stated date, Defendants denied Plaintiff's rights under the
7 Constitution of the United States, the laws of the United States, the Constitution of the State of
8 California, and/or the laws of the State of California by the use of threats, intimidation, or coercion.
9 Defendants brandished batons and firearms at Ms. [REDACTED] used coercive language and stances that
10 implicitly threatened acts of violence, threatened acts of violence, and assaulted and battered her,
11 among other threatening, intimidating, and coercive acts as alleged herein.

12 75. As alleged herein, Plaintiff is informed and believes and thereon alleges that Defendants
13 intentionally interfered by threats, intimidation, or coercion, in violation of California Civil Code
14 Section 52.1, with Ms. [REDACTED] rights including, without limitation:

15 (a) Plaintiff's rights under the United States Constitution, Amendment IV, and the California
16 Constitution, Article I, §13, which guarantee the right of persons to be free from unreasonable
17 seizures and excessive force;

18 (b) Plaintiff's rights under the United States Constitution, Amendment I, and the California
19 Constitution, Article I, § 2, which guarantee the right of persons to exercise free speech;

20 (c) Plaintiff's statutory right to freedom from violence or intimidation on account of her race
21 and/or political affiliation, or her association with those of a perceived race and/or political
22 affiliation, pursuant to California Civil Code Section 51.7;

23 (d) Plaintiff's statutory right to protection from bodily restraint or harm, pursuant to California
24 Civil Code Section 43, which all Defendants interfered with and violated by the use of physical
25 violence against Plaintiff that resulted in her injuries;

26 (f) Plaintiff's rights under the United States Constitution, Amendment XIV, and the California
27 Constitution, Article I, §7, which guarantee the right of persons to equal protection of the laws,
28 including the right to be free from discrimination on the basis of race (and the association with

1 persons of a particular race);

2 (g) Plaintiff's rights under the California Constitution, Article I, §1, which guarantees
3 inalienable rights to persons, including "enjoying and defending life and liberty, acquiring,
4 possessing, and protecting property, and pursuing and obtaining safety, happiness, and privacy";
5 and

6 (h) Plaintiff's rights to be free from assault, battery and/or false arrest under California law,
7 including without limitation, Penal Code Sections 236, 240, 242, and 835a.

8 76. Defendants engaged in the acts alleged herein and/or condoned, permitted, authorized,
9 directed, approved, and/or ratified the conduct of Responding Officers, staff, employees, agents, and
10 other representatives and are therefore vicariously liable for the wrongful conduct thereof.

11 77. CITY, COUNTY, STATE, and Doe Entity Defendants are vicariously liable for the
12 conduct of the individually named Defendants, Responding Officers, and Does 11 through 100,
13 pursuant to California Government Code Sections 815.2 and 820.

14 78. Plaintiff is informed and believes and thereon alleges that the aforementioned acts of
15 Defendants, and each of them, were willful, malicious, intentional, oppressive, and despicable and/or
16 were done in willful and conscious disregard of the rights, welfare, and safety of Ms. [REDACTED] thereby
17 justifying the awarding of punitive and exemplary damages in an amount to be determined at time of
18 trial against any non-government entity Defendants.

19 79. As a direct and legal result of the acts and omissions of Defendants, Plaintiff has
20 suffered physical injury and physical sickness, loss of earnings and earnings capacity, loss of
21 enjoyment of life, pain and suffering, disfigurement, humiliation, fear, anxiety, torment, degradation,
22 embarrassment, shock, loss of self-esteem, medical expenses, severe mental and emotional distress,
23 pecuniary and non-pecuniary losses. Plaintiff has sustained serious and permanent injuries, which will
24 likely result in permanent disability, the nature and extent of which has yet to be determined. Plaintiff
25 is informed and believes and thereon alleges that she will continue to incur medical expenses in the
26 future, the amount of which is not presently ascertained.

27 80. As a direct and legal result of the aforementioned acts of Defendant, Plaintiff is entitled
28 to statutory damages under California Civil Code Section 52.1, as well as compensatory damages as

1 alleged herein and attorney's fees.

2 **SECOND CAUSE OF ACTION**

3 **VIOLATION OF THE RALPH ACT (CIV. CODE § 51.7)**

4 **(Against All Defendants)**

5 81. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
6 allegations contained in each of the paragraphs above.

7 82. As alleged herein, Defendants wrongfully deprived Ms. [REDACTED] of her right to be free from
8 any violence, or intimidation by threat of violence, committed against her person because of her race
9 and/or political affiliation, or her association with those of a perceived race and/or political affiliation,
10 in violation of California Civil Code § 51.7.

11 83. Plaintiff is informed and believes and thereon alleges that Defendants assaulted and
12 battered her, and threatened and intimidated and physically restrained her freedom of movement,
13 because of her race and/or political affiliation, or her association with those of a perceived race and/or
14 political affiliation.

15 84. On information and belief, Defendants utilized unlawful threats and violence against
16 Plaintiff due to her support of the Black Lives Matter movement and racial justice, her opposition to
17 unjust police violence, and her perceived anti-law enforcement sentiment, among other progressive
18 political affiliations. Further, Defendants' unlawful threats and violence against Plaintiff were
19 motivated by Plaintiff's race and/or national origin, or her affiliation with other protestors perceived to
20 be predominantly of a certain race and/or national origin. Plaintiff is informed and believes and thereon
21 alleges that Ms. Love's race and/or political affiliation, or her perceived race and/or political affiliation,
22 was a motivating factor in Defendants' unlawful treatment of her.

23 85. CITY, COUNTY, STATE, and Doe Entity Defendants are vicariously liable for the
24 conduct of the individually named Defendants, Responding Officers, and Does 11 through 100,
25 pursuant to California Government Code Sections 815.2 and 820.

26 86. Plaintiff is informed and believes and thereon alleges that the aforementioned acts of the
27 individual Defendants were willful, malicious, intentional, oppressive, reckless and/or were done in
28 willful and conscious disregard of the rights, welfare and safety of Plaintiff, thereby justifying the

1 awarding of punitive and exemplary damages in an amount to be determined at time of trial against any
2 non-government entity Defendants.

3 87. As a direct and legal result of the acts and omissions of Defendants, including DOES 1
4 through 100, inclusive, Plaintiff has suffered physical injury and physical sickness, loss of earnings and
5 earnings capacity, loss of enjoyment of life, pain and suffering, disfigurement, humiliation, fear,
6 anxiety, torment, degradation, embarrassment, shock, loss of self-esteem, medical expenses, severe
7 mental and emotional distress, pecuniary and non-pecuniary losses. Plaintiff has sustained serious and
8 permanent injuries, which will likely result in permanent disability, the nature and extent of which has
9 yet to be determined. Plaintiff is informed and believes and thereon alleges that she will continue to
10 incur medical expenses in the future, the amount of which is not presently ascertained.

11 88. As a direct and proximate cause of aforementioned acts of Defendants, Ms. [REDACTED] was
12 injured as set forth above and is entitled to statutory damages and/or penalties under California Civil
13 Code § 52, as well as compensatory damages as alleged herein and attorney's fees.

14 **THIRD CAUSE OF ACTION**

15 **VIOLATION OF THE UNRUH CIVIL RIGHTS ACT (CIV. CODE § 51)**

16 **(Against All Defendants)**

17 89. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
18 allegations contained in each of the paragraphs above.

19 90. As members of an establishment, Defendants denied full and equal accommodations,
20 advantages, privileges and/or services to Ms. [REDACTED] because of race, color, ancestry, and/or national
21 origin, and her association with Black Lives Matter and Black protestors.

22 91. Plaintiff is informed and believes and thereon alleges that Defendants discriminated
23 against and used violence towards Ms. [REDACTED] because of her race, color, ancestry and/or national origin
24 as alleged herein; interfered with Ms. [REDACTED] rights under state law, including the state Constitution;
25 and denied her full and equal accommodations, advantages, facilities, privileges, or service because of
26 her race or such association.

27 92. CITY, COUNTY, STATE, and Doe Entity Defendants are vicariously liable for the
28 conduct of the individually named Defendants, Responding Officers, and Does 11 through 100,

1 pursuant to California Government Code Sections 815.2 and 820.

2 93. Plaintiff is informed and believes and thereon alleges that the aforementioned acts of
3 Defendants were willful, malicious, intentional, oppressive, reckless and/or were done in willful and
4 conscious disregard of the rights, welfare and safety of Ms. [REDACTED], thereby justifying the awarding of
5 punitive and exemplary damages in an amount to be determined at time of trial against any non-
6 government entity Defendants.

7 94. As a direct and legal result of the acts and omissions of Defendants, including DOES 1
8 through 100, inclusive, Plaintiff has suffered physical injury and physical sickness, loss of earnings and
9 earnings capacity, loss of enjoyment of life, pain and suffering, disfigurement, humiliation, fear,
10 anxiety, torment, degradation, embarrassment, shock, loss of self-esteem, medical expenses, severe
11 mental and emotional distress, pecuniary and non-pecuniary losses. Plaintiff has sustained serious and
12 permanent injuries, which will likely result in permanent disability, the nature and extent of which has
13 yet to be determined. Plaintiff is informed and believes and thereon alleges that she will continue to
14 incur medical expenses in the future, the amount of which is not presently ascertained.

15 95. As a direct and proximate cause of aforementioned acts of Defendants, Ms. [REDACTED] was
16 injured as set forth above and is entitled to statutory damages and/or penalties under California Civil
17 Code § 52, as well as compensatory damages as alleged herein and attorney's fees.

18
19 **FOURTH CAUSE OF ACTION**

20 **ASSAULT**

21 **(Against All Defendants)**

22 96. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
23 allegations contained in each of the paragraphs above.

24 97. While in the course and scope of their employment with the CITY, COUNTY, STATE,
25 and Doe Entity Defendants, Responding Officers shot Ms. [REDACTED] square in the face with a supposedly
26 "non-lethal" projectile and committed other acts, which resulted in imminent apprehension of harmful
27 or offensive contact with Ms. [REDACTED] person, to which Ms. [REDACTED] did not consent. Said imminent
28 apprehension of harmful or offensive contact caused injury, damage, loss, and/or harm to Ms. [REDACTED] as

1 alleged herein.

2 98. Responding Officers brandished batons and weapons at Plaintiff and other peaceful
3 protestors. Plaintiff reasonably believed she was in imminent danger. Said imminent apprehension of
4 harmful or offensive contact caused injury, damage, loss, and/or harm to Ms. [REDACTED] as alleged herein.

5 99. The acts described herein constitute assault, actionable under the laws of California for
6 which the individually named Defendants, Responding Officers, and Doe Defendants 11-100, are liable
7 as well as the CITY, COUNTY, STATE, and Doe Defendant Entities 1-10, pursuant to Civil Code
8 Sections 815.2 and 820, and Penal Code Sections 240 and 835a.

9 100. Plaintiff is informed and believes and thereon alleges that the aforementioned acts of
10 Defendants were willful, malicious, intentional, oppressive, reckless, and/or were done with willful and
11 conscious disregard of the rights, welfare and safety of Ms. [REDACTED], thereby justifying the awarding of
12 punitive and exemplary damages in an amount to be determined at the time of trial against any non-
13 government entity Defendants.

14 101. As a direct and legal result of the acts and omissions of Defendants, including DOES 1
15 through 100, inclusive, Plaintiff has suffered physical injury and physical sickness, loss of earnings and
16 earnings capacity, loss of enjoyment of life, pain and suffering, disfigurement, humiliation, fear,
17 anxiety, torment, degradation, embarrassment, shock, loss of self-esteem, medical expenses, severe
18 mental and emotional distress, other pecuniary and non-pecuniary losses. Plaintiff has sustained serious
19 and permanent injuries, which will likely result in permanent disability, the nature and extent of which
20 has yet to be determined. Plaintiff is informed and believes and thereon alleges that she will continue to
21 incur medical expenses in the future, the amount of which is not presently ascertained.

22 **FIFTH CAUSE OF ACTION**

23 **BATTERY**

24 **(Against All Defendants)**

25 102. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
26 allegations contained in each of the paragraphs above.

27 103. While in the course and scope of their employment with CITY, COUNTY, STATE, and
28 Doe Entity Defendants, Responding Officers shot Ms. [REDACTED] square in the face with a "non-lethal"

1 projectile and committed other acts, which resulted in harmful or offensive contact with Ms. [REDACTED]
2 person, to which she did not consent.

3 104. Responding Officers shot Ms. [REDACTED] directly in the face with a supposedly less-lethal
4 weapon.

5 105. Said harmful or offensive contact included the use of unreasonable force under the
6 totality of the circumstances, including the harmlessness of Ms. [REDACTED] conduct, the lack of immediate
7 threat posed by Ms. [REDACTED] and the fact that Ms. [REDACTED] was not actively resisting arrest or attempting to
8 evade arrest.

9 106. Said harmful or offensive contact caused injury, damage, loss, and/or harm to Ms. [REDACTED]
10 as alleged herein.

11 107. The acts described herein constitute battery, actionable under the laws of California for
12 which the individually named Defendants and Responding Officers are liable as well as the CITY,
13 COUNTY, STATE, and Doe Entity Defendants under California Civil Code §§ 815.2 and 820, and
14 Penal Code §§ 242 and 835a.

15 108. Plaintiff is informed and believes and thereon alleges that the aforementioned acts of
16 Defendants were willful, malicious, intentional, oppressive, reckless, and/or were done with willful and
17 conscious disregard of the rights, welfare and safety of Ms. [REDACTED] thereby justifying the awarding of
18 punitive and exemplary damages in an amount to be determined at the time of trial against any non-
19 government entity Defendants.

20 109. As a direct and legal result of the acts and omissions of Defendants, including DOES 1
21 through 100, inclusive, Plaintiff has suffered physical injury and physical sickness, loss of earnings and
22 earnings capacity, loss of enjoyment of life, pain and suffering, disfigurement, humiliation, fear,
23 anxiety, torment, degradation, embarrassment, shock, loss of self-esteem, medical expenses, severe
24 mental and emotional distress, other pecuniary and non-pecuniary losses. Plaintiff has sustained serious
25 and permanent injuries, which will likely result in permanent disability, the nature and extent of which
26 has yet to be determined. Plaintiff is informed and believes and thereon alleges that she will continue to
27 incur medical expenses in the future, the amount of which is not presently ascertained.
28

1 and permanent injuries, which will likely result in permanent disability, the nature and extent of which
2 has yet to be determined. Plaintiff is informed and believes and thereon alleges that she will continue to
3 incur medical expenses in the future, the amount of which is not presently ascertained.

4 **SEVENTH CAUSE OF ACTION**

5 **NEGLIGENCE**

6 **(Against All Defendants)**

7 117. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
8 allegations contained in each of the paragraphs above.

9 118. Defendants, and each of them, owed a duty of care towards Ms. [REDACTED] in which they
10 were required to act reasonably towards her. Cal. Civ. Code § 1714(a). The duty of care includes but is
11 not limited to: the duty to refrain from using excessive force, the duty to use reasonable care in
12 deploying non-lethal weapons, the duty to render medical aid, the duty to intervene upon notice of
13 excessive force by an another law enforcement officer, duty to refrain from deadly force absent a threat
14 to or in defense of human life, and the duty to communicate clear dispersal orders (including the
15 availability of clear and safe means of egress as well as the consequences of noncompliance).

16 119. As alleged herein, Defendants breached this duty owed to Plaintiff by failing to train and
17 supervise Responding Officers as to how to properly respond to a peaceful protest, when to utilize
18 deadly force, and the risks associated with supposedly "less lethal" impact projectiles, among other
19 failures. Defendants' negligence resulted in, among other things, sending heavily armed, untrained
20 Responding Officers into a peaceful protest, where Responding Officers then employed tactics that
21 escalated tension among protestors, failed to properly communicate warnings and dispersal orders with
22 the peaceful protestors, and shot impact projectiles indiscriminately into the crowd at eye-level which
23 constitutes an unlawful use of deadly force.

24 120. As alleged herein, Plaintiff is informed and believes and thereon alleges that CITY,
25 COUNTY, STATE, and Doe Entity Defendants 1-10 supervisors also negligently supervised, trained,
26 assigned, and failed to discipline the employees, including Responding Officers, individually named
27 Defendants, and DOES 11-100, inclusive, involved in the incident. Plaintiff alleges that Defendants'
28 negligence was a direct and legal cause of injury to Ms. [REDACTED]

1 121. Plaintiff is further informed and believes and thereon alleges that Defendants, and other
2 supervisors knew, or in the exercise of reasonable care should have known that the excessive use of
3 force, including, without limitation, tasing a person when she was not a threat to anyone, posed a
4 dangerous and unreasonable risk of injury. Yet Defendants, and each of them, negligently failed to
5 instruct and train defendant officers, in the proper use of force and proper procedures for dealing with
6 persons such as Plaintiff.

7 122. The acts described herein constitute negligence, actionable under the laws of California
8 for which the individually named Defendants are liable as well as the CITY, COUNTY, STATE, and
9 Doe Entity Defendants under California Civil Code §§ 815.2 and 820.

10 123. As a direct and legal result of the acts and omissions of Defendants, including DOES 1
11 through 100, inclusive, Plaintiff has suffered physical injury and physical sickness, loss of earnings and
12 earnings capacity, loss of enjoyment of life, pain and suffering, disfigurement, humiliation, fear,
13 anxiety, torment, degradation, embarrassment, shock, loss of self-esteem, medical expenses, severe
14 mental and emotional distress, pecuniary and non-pecuniary losses. Plaintiff has sustained serious and
15 permanent injuries, which will likely result in permanent disability, the nature and extent of which has
16 yet to be determined. Plaintiff is informed and believes and thereon alleges that she will continue to
17 incur medical expenses in the future, the amount of which is not presently ascertained.

18 **EIGHTH CAUSE OF ACTION**

19 **FAILURE TO PERFORM MANDATORY DUTY (GOV'T CODE § 815.6)**

20 **(Against DEFENDANT CITY OF SACRAMENTO, COUNTY OF SACRAMENTO,**
21 **AND STATE OF CALIFORNIA)**

22 124. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
23 allegations contained in each of the paragraphs above.

24 125. The California Tort Claims Act provides a party with an independent legal basis to
25 recover damages against a public entity for its failure to perform a mandatory duty. Government Code
26 § 815.6 provides: "Where a public entity is under a mandatory duty imposed by an enactment that is
27 designed to protect against the risk of a particular kind of injury, the public entity is liable for an injury
28 of the kind proximately caused by its failure to discharge the duty unless the public entity establishes

1 that it exercised reasonable diligence to discharge the duty.” An “enactment” means “a constitutional
2 provision, statute, charter provision, ordinance or regulation.” Gov’t Code § 810.6.

3 126. By the aforementioned acts described above, Defendants breached the following
4 mandatory duties:

- 5 a. Duty to Not Interfere with an Individual’s Free Speech as mandated in Sacramento
6 Police Department General Order 580.02, which states that officers: “shall not use force
7 against individuals for the sole purpose of preventing the exercise of first amendment
8 rights, when a legitimate law enforcement purpose does not exist . . . [or] to punish or
9 retaliate;” and Sacramento Police Department Crowd and Riot Control Manual RM
10 532.11.
- 11 b. Duty to Not Use Excessive Force as imposed on Defendants by Penal Code § 835(a);
12 Sacramento Police Department General Order 580.02, which requires officers to “use
13 only the force that is reasonable to effect an arrest, prevent escape, or to overcome
14 resistance;” and Sacramento County Sheriff’s Department General Order 2/05, which
15 prohibits officers from using deadly force “when the safety of innocent persons is placed
16 in jeopardy;” Sacramento County Sheriff’s Department General Order 02/08, which
17 prohibits officers from using Oleoresin Capsicum (pepper spray) except “in those
18 emergency situations where the statutes allow an officer to use necessary and reasonable
19 force, for example, where the officer is physically attacked or encountering violent
20 resistance;” and Sacramento County Sheriff’s Department General Order 02/11, which
21 requires officers to “use only force which is reasonable.”
- 22 c. Duty to Effectively Communicate Dispersal Orders and Warnings Prior to Using Force
23 as imposed on Defendants by Penal Code § 726; Sacramento Police Department General
24 Order 580.02, which states that “the officer shall give a verbal warning to submit to the
25 authority of the officer before using force;” Sacramento Police Department Crowd and
26 Riot Control Manual RM 532.11, which states that dispersal orders “must be based on
27 reasonable and articulable factors justifying the order” in accordance with state law and
28 the orders must “provide the crowd with an adequate period of time and a clear and safe

1 route to disperse;" and Sacramento County Sheriff's Department Operations Order for
2 Civil Disturbances and Riots 05/06.

3 d. Duty to Intervene with Known or Reasonably Suspected Constitutional Violations as
4 imposed in Sacramento Police Department General Order which states that an "officer
5 shall intercede when present and observing another officer using force that is clearly
6 beyond that which is necessary."

7 127. The aforementioned statutes, regulations, and manuals constitute legislative and quasi-
8 legislative measures, exempt from California Administrative Procedure Act pursuant to Government
9 Code § 11340.9, and form the basis for Plaintiff's Eighth Cause of Action as a discrete right of action
10 under Government Code § 815.6.

11 128. The mandatory duties established by the above aforementioned statutes, regulations, and
12 manuals were designed to protect civilians like Ms. [REDACTED] against the injury and lack of medical care
13 she suffered. The aforementioned statutes, regulations, and manuals comply with Government Code
14 § 815.6's mandate that the enactments benefit to the Plaintiff be not merely incidental to the
15 enactment's protective purpose.

16 129. By interfering with Ms. [REDACTED] constitutional right to free speech, failing to provide
17 adequate dispersal orders, using excessive force, and failing to render medical care, CITY, COUNTY,
18 STATE, and Doe Entity Defendants 1-10 breached their mandatory duties. As a result of the breach of
19 mandatory duties by Defendants and their employees, Ms. [REDACTED] was injured.

20 130. The wrongful conduct by Defendants and their employees was a substantial factor in
21 causing Ms. [REDACTED] harm.

22 131. As a direct and legal result of the acts and omissions of Defendants, Plaintiff has
23 suffered physical injury and physical sickness, loss of earnings and earnings capacity, loss of
24 enjoyment of life, pain and suffering, disfigurement, humiliation, fear, anxiety, torment, degradation,
25 embarrassment, shock, loss of self-esteem, medical expenses, severe mental and emotional distress,
26 other pecuniary and non-pecuniary losses. Plaintiff has sustained serious and permanent injuries,
27 which will likely result in permanent disability, the nature and extent of which has yet to be
28 determined. Plaintiff is informed and believes and thereon alleges that she will continue to incur

1 medical expenses in the future, the amount of which is not presently ascertained.

2 **NINTH CAUSE OF ACTION**

3 **INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS**

4 **(Against All DEFENDANTS)**

5 132. Plaintiff restates and incorporates by reference, as though fully set forth herein, the
6 allegations contained in each of the paragraphs above.

7 133. Defendants engaged in outrageous conduct towards Ms. [REDACTED] with the intention to
8 cause, or with reckless disregard for the probability of causing, Plaintiff to suffer severe emotional
9 distress, and with wanton and reckless disregard for the injurious result to Ms. [REDACTED]

10 134. The acts described herein constitute intentional misconduct, actionable under the laws of
11 California for which the individually named Defendants are liable as well as the CITY, COUNTY,
12 STATE, and Doe Entity Defendants under California Civil Code §§ 815.2 and 820.

13 135. As a direct and proximate cause of aforementioned acts of Defendants, Ms. [REDACTED] has
14 suffered severe emotional distress. Defendants' acts were intentional and done with malicious and
15 oppressive intent. Ms. [REDACTED] is entitled to general and compensatory damages in amounts to be proven
16 at trial.

17 136. Plaintiff is informed and believes and thereon alleges that after being informed of
18 Defendants' unlawful conduct toward Plaintiff, CITY, COUNTY, STATE, and Doe Entity Defendants
19 1-10 failed to discipline Responding Officers, individually named Defendants, and DOES 11-100,
20 inclusive, and kept them in their employ, thereby condoning, permitting, authorizing, or ratifying
21 Responding Officers' and DOES 11-100's unlawful conduct and/or are personally guilty of oppression,
22 fraud, or malice. As such, Ms. [REDACTED] is entitled to recover punitive damages from Defendants in an
23 amount according to proof against any non-government entity Defendants.

24 137. As a direct and legal result of the acts and omissions of Defendants, Plaintiff has
25 suffered physical injury and physical sickness, loss of earnings and earnings capacity, loss of
26 enjoyment of life, pain and suffering, disfigurement, humiliation, fear, anxiety, torment, degradation,
27 embarrassment, shock, loss of self- esteem, medical expenses, severe mental and emotional distress,
28 other pecuniary and non-pecuniary losses. Plaintiff has sustained serious and permanent injuries, which

1 will likely result in permanent disability, the nature and extent of which has yet to be determined.
2 Plaintiff is informed and believes and thereon alleges that she will continue to incur medical expenses
3 in the future, the amount of which is not presently ascertained.

4 138. Pursuant to Government Code § 815.2, CITY, COUNTY, STATE, and Doe Entity
5 Defendants are liable for the tortious conduct of their employees in intentionally inflicting emotional
6 distress on Plaintiff.

7 **PRAYER FOR RELIEF**

8 **WHEREFORE**, Plaintiff prays for judgment and damages against each of the Defendants
9 as follows:

- 10 1. General damages in an amount to be determined by proof at trial;
- 11 2. Past and future medical and related expenses in an amount to be determined by proof at
12 trial;
- 13 3. Past and future lost earnings in an amount to be determined by proof at trial;
- 14 4. Impairment of earning capacity in an amount to be determined by proof at trial;
- 15 5. Punitive damages pursuant to applicable law;
- 16 6. Reasonable attorney's fees pursuant to applicable law;
- 17 7. Prejudgment and post-judgment interest, including but not limited to, California Civil
18 Code section 3288;
- 19 8. Any other and further relief that the Court considers just and proper.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

CM-010

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

Program Case Notice
Unlimited Civil Case

The Case Management Program (CMP) requires the following timelines to be met in all cases except those that are excluded by California Rule of Court 3.712(b), (c) and (d) and Local Rule 2.46(B), (E) and (F).

Action	Requirement
Service of Summons	<p>Summons, complaint and program case notice must be served on all named defendants and proofs of service on those defendants must be filed with the court within 60 days from the filing of the complaint.</p> <p>When the complaint is amended to add a new defendant, the added defendant must be served and proofs of service must be filed within 30 days after the filing of the amended complaint.</p> <p>A cross-complaint adding a new party must be served and proofs of service must be filed with the court 30 days from the filing of the cross-complaint.</p>
Statement of Damages	<p>If a statement of damages pursuant to Section 425.11 of the Code of Civil Procedure or a statement of punitive damages is required, it must be served with the summons and complaint.</p>
Responsive Pleadings	<p>If a responsive pleading is not served within the time limits and no extension of time has been granted, the plaintiff within 10 days after the time for service has elapsed must file a request for entry of default.</p> <p>Parties may stipulate without leave of court to one 15-day extension beyond the 30-day time period prescribed for the response after service of the initial complaint.</p> <p>No extensions of time to respond beyond 105 days from the filing of the complaint may be given.</p>
Judgment by Default	<p>When default is entered, the party who requested the entry of default must apply for a default judgment against the defaulting party within 45 days after entry of default, unless the court has granted an extension of time.</p>
Case Management Statement	<p>The court will provide a notice of case management conference on the filing parties at the time that the case is filed with the court. A case management statement shall be filed at least 15 calendar days prior to the date set for the case management conference.</p>
Mediation Statement	<p>The Mediation Statement shall be filed concurrently with the Case Management Statement, unless the parties have filed a Stipulation for Alternative Dispute Resolution form with the ADR Administrator at any time up to 15 calendar days prior to the Case Management Conference, as required by Local Rule 2.51(E).</p>
Meet and Confer	<p>Parties must meet and confer, in person or by telephone as required in California Rules of Court 3.724 at least 30 calendar days before the case management conference date.</p>
Case Management Conference	<p>A case management conference is generally held within 180 days of the filing of the complaint.</p>

Failure to comply with the program rules may result in the imposition of sanctions or an order to show cause. Please refer to Local Rules Chapter Two – Part 4 for more information.

NOTE: THIS NOTICE MUST BE SERVED WITH THE SUMMONS AND COMPLAINT.

PETITIONER/PLAINTIFF: [REDACTED]

RESPONDENT/DEFENDANT: City Of Sacramento

**ORDER RE: DELAY IN SCHEDULING
 INITIAL CASE MANAGEMENT CONFERENCE**

CASE NUMBER:
 34-2020-00285181

The Court finds good cause to delay the scheduling of the Initial Case Management Conference for this case given the COVID-19 pandemic and its impact on court-wide operations. Among the affected operations is the Court's Case Management Program (CMP). The Court's CMP calendars have been and remain suspended until further notice. After the CMP Departments resume operations, the Court will schedule the Initial Case Management Conference in this case and issue a Notice of Case Management Conference and Order to Appear.

The deadline for filing and service of the Case Management Conference Statements will be based upon the date for the initial Case Management Conference once it has been scheduled.

Parties shall continue to accomplish service of all parties named in the action.

Parties shall continue to ensure that all defendants and cross-defendants have answered, been dismissed, or had their defaults entered.

Plaintiff shall serve a copy of this order on any party to the complaint. The cross-complainant shall have the same obligation with respect to the cross-complaint

ALTERNATIVE DISPUTE RESOLUTION INFORMATION PACKAGE

Recognizing that many civil disputes can be resolved without the time and expense of traditional civil litigation, the Superior Court of California, County of Sacramento (Sacramento County Superior Court), strongly encourages parties in civil cases to explore and pursue the use of Alternative Dispute Resolution.

What is Alternative Dispute Resolution?

Alternative Dispute Resolution (ADR) is the general term applied to a wide variety of dispute resolution processes which are alternatives to lawsuits. Types of ADR processes include:

- Arbitration
- Mediation
- Settlement Conferences
- Private judging
- Neutral evaluation
- Mini-trials
- Negotiation and *hybrids* of these processes

All ADR processes offer a partial or complete alternative to traditional court litigation for resolving disputes. At the present time, the Sacramento County Superior Court offers Mediation and Arbitration.

What are the advantages of using ADR?

ADR can have a number of advantages over traditional court litigation.

- * **ADR can save time.** Even in a complex case, a dispute can be resolved through ADR in a matter of months or weeks, while a lawsuit can take years.
- * **ADR can save money.** By producing earlier settlements, ADR can save parties and courts money that might otherwise be spent on litigation costs (attorneys fees and court expenses.)
- * **ADR provides more participation.** Parties have more opportunity with ADR to express their own interests and concerns, while litigation focuses exclusively on the parties' legal rights and responsibilities.
- * **ADR provides more control and flexibility.** Parties can choose the ADR process most appropriate for their particular situation and that will best serve their particular needs.
- * **ADR can reduce stress and provide greater satisfaction.** ADR encourages cooperation and communication, while discouraging the adversarial atmosphere found in litigation. Surveys of disputants who have gone through ADR have found that satisfaction with ADR is generally high, especially among those with extensive ADR experience.

Arbitration and Mediation

Although there are many different types of ADR processes, the types most commonly used to resolve disputes in California state courts are Arbitration and Mediation. The Sacramento County Superior Court currently offers pre-screened panelists with experience and training in each of the following areas.

Arbitration. An Arbitrator hears evidence presented by the parties, makes legal rulings, determines facts and makes an Arbitration award. Arbitration awards may be entered as judgments in accordance with the agreement of the parties or, where there is no agreement, in accordance with California statutes. Arbitration can be binding if the parties so agree in writing. If there is no such agreement, either party can reject the Arbitration award and request a trial.

Mediation. Mediation is a voluntary, informal, confidential process in which the Mediator, a neutral third party, facilitates settlement negotiations. The Mediator improves communication by and among the parties, helps parties clarify facts, identify legal issues, explore options and arrive at a mutually acceptable resolution of the dispute.

Litigants are encouraged to use an ADR process as early in the case as circumstances permit. All appropriate cases will be reviewed for referral to ADR at the Case Management Conference(CMC).

ADR Procedures for the Sacramento County Superior Court

Upon filing a complaint or cross-complaint, the plaintiff/cross-complainant must acquire this information package from the Court's Website, <http://www.saccourt.ca.gov>, or the Superior Court Clerk. Plaintiff is required to include the ADR Information Package when he or she serves the Complaint on the Defendant.

The court's ADR Panel List is available on-line at <http://www.saccourt.ca.gov> or may be obtained at the Civil Filing Counter at the Gordon D. Schaber Sacramento County Courthouse, 720 Ninth Street, Room 101, Sacramento, CA 95814.

Mediation.

All parties to the dispute may voluntarily agree to submit the case to a neutral Mediator, either through a court-appointment or through a private arrangement. The parties may choose either of the following Mediation choices:

Private Mediation. Parties to a civil action agree to mediate their dispute with a Mediator of their choice without court assistance. The cost of Mediation must be borne by the parties equally unless the parties agree otherwise. Parties will be charged an amount as set by the Mediator (refer to the ADR Panel List for current rates).

Court Mediation. Upon stipulation of the parties, a Mediator and alternate Mediator will be selected from the court-approved list of neutrals (ADR Panel List). The court will confirm the selected Mediator and notice parties by mail.

The Mediator is then responsible for contacting the parties to confirm a date, time, and place for Mediation. Mediators on the court's approved ADR Panel List have agreed to provide up to three (3) hours of pro-bono Mediation. In the event the Mediation extends beyond 3 hours and parties determine it would be beneficial to continue the Mediation process; the parties will independently be responsible for compensating the Mediator in an amount as set by the Mediator.

UNLIMITED CIVIL CASES

- A *Stipulation and Order to Mediation – Unlimited Civil Cases*, Form CV/E-MED-179 (see attached) may be filed with the court at any time up to 15 calendar days prior to the Case Management Conference.
- If the parties do not stipulate to Mediation prior to their CMC, they may indicate their willingness to stipulate to Mediation at the CMC. In that event, parties must submit a *Stipulation and Order to Mediation – Unlimited Civil Cases* within 14 calendar days after their CMC.
- A *Mediation Statement* must be filed with the *Case Management Statement*.

LIMITED CIVIL CASES

- Parties may select and conduct voluntary Private Mediation without notification to the Court.
- Parties may stipulate to court mediation by filing a *Stipulation and Order to Arbitration/Mediation - Limited Civil Cases* form (CV/E-203) at any time after the filing of the Limited Civil Case Status Memorandum form (CV/E-202). This form is located on the court's website at <http://www.saccourt.ca.gov>. A *Stipulation and Order to Arbitration/Mediation – Limited Civil Cases* MUST be filed concurrently or subsequent to a Limited Civil Case Status Memorandum.

Arbitration

UNLIMITED CIVIL CASES

- Plaintiff may elect, the parties may stipulate, or the judge may Order the case to Arbitration. Parties will be asked to select an Arbitrator and three alternate Arbitrators from the court's ADR Panel List. The court will send a Notice of Appointment and an appropriate Order to Arbitration to all parties.
- Arbitrations are conducted pursuant to California Rules of Court, rules 3.810 through 3.830, and Local Rules Chapter 2, Part 5. Unless otherwise stipulated, an Award of Arbitrator is not binding upon the parties provided that they file a timely Request for Trial De Novo pursuant to California Rules of Court, rule 3.826. Upon the filing of a timely Request for Trial De Novo, the case will proceed to a Trial-Setting Conference. If no timely Request for Trial De Novo is filed, judgment based upon the Award of Arbitrator will be entered pursuant to California Rules of Court, rule 3.827.

LIMITED CIVIL CASES

Arbitration may occur in a limited civil case under the following circumstances:

- When all parties stipulate to arbitration pursuant to Code of Civil Procedure section 1141.12. A stipulation for arbitration shall be filed using the Court's local form, Stipulation and Order to Arbitration/Mediation – Limited Civil Cases form (CVE-203). A Stipulation and Order to Arbitration/Mediation – Limited Civil Cases MUST be filed concurrently or subsequent to a Limited Civil Case Status Memorandum form (CVE-202).
- When plaintiff elects to refer the case to judicial arbitration. A written election by the plaintiff to submit an action or proceeding to arbitration shall be filed using the Court's local form, Limited Civil Case Status Memorandum form (CVE-202).

CASE INFO: Isom, Jeremy 6/1/2020

OFFENSE: PC 245(C) PC AGENCY CASE NO: SPD 20-160150

REQUEST BY: DA INTAKE REPORT MADE BY: J. Wagstaff #10

Investigative Narrative:

05/30/2020 approximately 00:40 Hrs. Suspect Jeremy Isom XREF [REDACTED], was arrested by Sacramento Police Department officers at Franklin Blvd. /Sutterville Rd. for 245 (c)PC SPD Case 20-160150.

Approximately 0213 Hrs. Ofc. Donahue Sacramento Police Department booked suspect Isom at the Sacramento County Sheriff's Department Main Jail, 651 I Street for 245(c) PC. 06/01/2020 I (Investigator Wagstaff) am an investigator for the Sacramento County District Attorney's Office (901 G St., Sacramento, CA 95814). I was assigned by Lieut. Campbell of the Sacramento County District Attorney's Office to assist the Sacramento Police Department with follow-up investigation on case number 20-160150. This case involves the assault with a deadly weapon (245c PC) on Sacramento Police Department police officers (see supplement from officer Lundgren). Campbell directed me to go to the Sacramento County Sheriff's Department Main Jail 651 I Street, Sacramento, California, and contact suspect Isom and obtain a Miranda statement from him.

Approximately 1709 Hrs. I contacted suspect Isom on the first floor /classification interview room of the Sacramento County Sheriff's Department Main Jail. Suspect Isom was in custody and wearing Jail clothing and being housed within the structure of the main Jail. The conversation with Isom was digitally recorded. See the recording for details of what was said during our conversation.

I advised, suspect Isom Miranda from SPD 133. Suspect Isom related the following paraphrased.

"I live in [REDACTED] I lived there with my wife and our six-month-old daughter. I work in Sacramento as electrician. My employer is Butterfield electrical I've worked there for three years. While in Sacramento I live that [REDACTED] My phone number [REDACTED] My best friend is a deputy sheriff with Lake County Sheriff's Department. I did not have anything against law enforcement. I am not a member of any group. My wife and I were watching TV and noticed the demonstration, so we got in the car and drove in Sacramento to where the demonstration was going on.

My wife stayed in the car with our daughter. I joined the group that was walking on the street. I'm not sure where we were. There was a Shell station on the corner. I saw flowerpot that was in the roadway. I picked it up and with an underhand swing tossed it off the road out of the way. I was not trying to throw it at anybody and I don't know if I hit anybody with it. [REDACTED]

The recorded interview was retained and turned over to the Sacramento County District Attorney's Office Trial Support Services for duplication and distribution. A copy of this supplement will be turned over to the Sacramento Police Department.

On 06/08/20 I, Detective Kitley #1029 contacted [REDACTED] via telephone and obtained her statement. My body-worn camera was activated. She stated the following in summary.

I was driving a white GMC on the Night of Friday 05/29/20. The car is registered to my aunt [REDACTED] but it's mine. My friend [REDACTED] was in the front passenger seat.

We were headed to the Shell gas station at the corner of 12th Ave./Franklin Blvd. when we got to the intersection near 12th Ave/ Hwy 99 the protesters surrounded my car.

I had the windows rolled down so I could hear what the protesters were yelling. They were very angry and calling us names. They surrounded my car so we couldn't drive away and started throwing things at the car. They threw bottles, sodas, and a pair of scissors flew into my window. I tossed the scissors back out of the window and I think someone used them to slash my tires.

I think they were going to pull me out of the car and attack me but I heard someone shout, "Hold on she's black not her!" Then they started to go after [REDACTED] because she's not black. Some of the protesters opened her door and tried to drag her out but we managed to pull it back closed.

There were cops there guarding the freeway ramps but they didn't do anything. I was so scared.

Finally some other police came and surrounded my car. My car could still drive even though the tires were flat. The cops who surrounded my car escorted me over to 30th St. where I eventually got a tow. My car was really damaged by the protesters. My rear windshield wiper was ripped off, by passenger side step-up bar was broken off, and two of my tires were flat. On of the tires just needed a patch but the other one was destroyed completely.

Author 3378 - RATCLIFFE, JEREMY 0224

Related Date May-30-2020

OBSERVATIONS: J RATCLIFFE #224

On 5-30-2020, I, Ofc Ratcliffe #224 was working as a uniformed police officer assigned to the SPD Special Weapons and Tactics (SWAT) Team. I received an emergency call-out to respond to 5303 Franklin Blvd after a large crowd had gathered at the police facility to protest. I responded to 300 Richards Blvd to collect equipment prior to responding to 5303 Franklin Blvd. I arrived at 5303 Franklin Blvd at approximately 2100 hrs and reported to Sgt Young. During the course of the operation, I was assigned to a Pepperball gun as a less lethal force option. I was also wearing a Body Worn Camera during the incident which was activated while I was involved with the public. My initial assignment was over-watch on the roof of the police facility. While on the roof and moving equipment, a subject in the crowd below threw a 12oz glass beer bottle toward me. The bottle came within a foot of striking my head. The crowd that had gathered in front of the police station was loud and unruly, taunting officers and yelling insults in their faces. The crowd eventually gathered in an organized fashion and moved north on Franklin Blvd.

I was reassigned to a quick reaction team. I was equipped with a less-lethal pepper ball system. This is a direct impact weapon that is energized by compressed air that delivers kinetic energy along with a synthetic irritant. During that assignment, I was ordered to respond with my team to 12th Ave, between Franklin Blvd and Highway 99, where a crowd had trapped motorists and were unruly. A team of officers had gone into the scene to attempt to free vehicles from the crowd and had become trapped. We were sent to support that team of officers. We marched into the scene and made contact with the other team.

While on scene, people in the crowd surged forward on officers and threw objects, including rocks, glass bottles, full water bottles, ceramic pots and bricks at officers. I fired numerous volleys of pepper-balls to move the hostile and violent crowd back from the line of officers and at people who I saw throwing objects at police officers. Due to the crowd throwing objects at officers and advancing towards us, I deployed my pepper ball system to combat their violence and end the civil unrest. During my deployment, I made sure to target the correct areas consistent with manufactures guidelines and department policy. The deployment was effective and allowed officers to retreat to safety. While I was on scene there and moving with the officers, a rock thrown from the crowd struck my leg which later caused swelling and slight bruising. Once officers were able to move back toward the Shell gas station, I was reassigned as a grenadier behind the skirmish line until relieved of that assignment.

Type 04 OBSERVATIONS

Subject OFFICER [REDACTED]

Author [REDACTED]

Related Date Jun-01-2020 1:40

I [REDACTED] am currently assigned to the Sacramento Police Department (SPD) South Gang Enforcement Team (SGET), but beginning 05/29/20 was temporarily assigned to assist with crowd and riot control related to several protests, civil unrest, rioting, and looting in the City of Sacramento.

On 05/29/20, I was assigned to work a large protest at the Joseph E. Rooney Police Facility (JERPF) and beginning on 05/30/20, I was assigned to work several protests in downtown Sacramento. During these assignments, I observed several subjects involved in the protests being hostile toward officers, assaulting officers by throwing objects, and damaging property.

During my shift beginning on 05/29/20, I was wearing a full SPD police uniform and my department-issued body worn camera. My department-issued body worn camera was on and recording during this incident. I was assigned to the skirmish line in front of the station. I was carrying a less lethal 12-gauge shotgun that is distinguishable by an orange butt stock and fore grip and contained bean bag rounds (super-sock bean bag rounds, CTS Model 2581). During this protest, I observed unidentified subjects in the large crowd throwing water bottles at officers who were standing in front of JERPF. Several subjects yelled in my face and those of other officers. I saw multiple subjects wearing masks and carrying backpacks or bags. I observed subjects smoking marijuana and blowing the smoke toward me and other officers. I also observed subjects putting the light from their cell phones in officers' faces, including mine, making it very difficult to see. I was not injured during this incident and I did not discharge the less lethal shotgun or use any other force against any subject. At one point during the protest, I observed several unidentified subjects vigorously shaking the northwest vehicle gate of the police station and I feared that it may come off the track allowing subjects to enter the rear parking lot of the station and possibly cause further damage to the building and/or police vehicles, however the subjects eventually stopped and the gate did not appear to be damaged. (See SPD Rpt #20-160150).

While working the protests during my shifts beginning on 05/30/20, I was deployed to multiple areas within downtown Sacramento, including the Sacramento County Main Jail to assist Sacramento Sheriff Deputies with controlling a large unruly crowd and several subjects who were vandalizing the jail. Later during this shift, I was part of a major deployment to J St and 20th St where a large group of protesters were gathered. During this shift, I observed several subjects throwing rocks, bottles, fireworks (including M-80s), and similar objects at officers. While in a skirmish line on J St, I observed a large rock strike Officer Thomas #1009 in the groin area causing

him to fall back off the skirmish line (see his supplement). I also observed a rock strike Sgt. Montoya #3020 on his helmet. I was also struck by a rock, but it hit the less lethal shotgun I had slung in front of me instead causing a large scratch on the shotgun, but I was uninjured. I did not deploy the less lethal shotgun during this shift. (See SPD Rpt #20-161140).

Near the beginning of my shift on 05/31/20, officers were again briefed regarding another scheduled protest and our assignments. I was assigned to the gray platoon under the command of Lt. Forbeck #4065 and Sgt. Thompson #3143. We were again tasked with assisting in downtown Sacramento with crowd and riot control related to unlawful assemblies, looting, and vandalism activity.

Officers were also debriefed regarding the civil unrest from the prior few days, which included several assaults on officers, vandalisms, and looting of multiple businesses throughout downtown Sacramento. The assaults on officers included the use of rocks, bricks, cement blocks, bottles, fireworks, and similar objects being thrown at officers and police vehicles during these protests causing injuries and damage. Officers were advised that less lethal force was authorized for use on subjects throwing such objects causing an imminent threat of bodily injury to officers or others, those attempting to interfere with gas deployment, and to prevent vandalism and looting.

Later during this same shift at approximately 0140 hours (on 06/01/20), I responded to the area of 13th St and I St along with several other officers assigned to the gray platoon. We were dispatched to this location to assist with a traffic stop on a possible suspect vehicle engaged in looting. At this time, I was wearing a full SPD police uniform, department-issued riot gear that clearly had "POLICE" in silver on the front and back, my department-issued helmet with a face shield, and my department-issued body worn camera. My body worn camera was on and recording during this incident, however, it should be noted that the camera's battery died several times on its own during this shift and had to be reactivated. I was carrying a less lethal 12-gauge shotgun that is distinguishable by an orange butt stock and fore grip and contained bean bag rounds (super-sock bean bag rounds, CTS Model 2581).

Upon our arrival at this location, I heard several officers yelling, "Get back!" but did not see who they were yelling at and shortly after heard less lethal munitions being deployed, but did not see who was deploying them or at whom they were being deployed. While the stop was being conducted, Officer [REDACTED] and I took a position inside the Ace Parking Garage located at 900 13th St. The parking garage is on the southwest corner of 13th St and I St. Officer [REDACTED] and I were on the ground level and northeast corner of the garage structure.

At approximately 0150 hours, while at this location, I heard an officer advise via radio that approximately 35-40 subjects were attempting to get inside the F&M Bank at 13th St and J St. Shortly after I observed a moving vehicle

traveling northbound 13th St toward I St. An occupant inside the vehicle threw a firework out the window in the direction of officers at 13th St and I St, but it did not appear that it reached them or that anyone had been struck. I then observed a large, unruly group of subjects coming our direction and running northbound along the east side of 13th St from J St (from the area of F&M Bank). As they came to the southwest corner of 1300 I St, I observed an unidentified male subject with a skateboard. The subject was wearing dark clothing (possibly a gray hoodie) and completely covered, including a face mask and hood up. As the subject passed a window on the west side of the building, I observed him use the skateboard to break one of the lower windows to the building. At that time, myself along with multiple other officers at this location deployed less lethal munitions at the subject to stop him from vandalizing the window and possibly gaining entrance into the building. During this time, I fired one bean bag round from my less lethal shotgun while aiming at the lower center mass of the subject who broke the window, but I was unable to tell if it struck him due to all the subjects running away. When officers deployed less lethal munitions, the subject immediately fled southbound on 13th St and then eastbound through Improv Alley, out of my view. The other subjects in the crowd also fled in the same direction. (It should be noted that I later realized the battery on my BWC had again died during this incident. The incident was likely captured on the body worn cameras of Officer [REDACTED], Officer Dyson #694, and Officer [REDACTED] who were standing next to me during this incident).

We stayed in the area for a short time after that and then we were moved to a different location.

Sgt. Thompson #3143 was notified of this incident and the problem with my body worn camera.

Author 3232 - MORSE, KRISTINE R 4009

Related Date Jun-14-2020

On 5/29/20, I (Sgt. K. Morse #3079) was working as a watch commander, using identifier Lincoln 19. I was in full police uniform, equipped with a body worn camera, and driving an all-black police vehicle. My body worn camera was activated while I was engaged in monitoring protesters.

Earlier in the day, a large group of protesters had begun to march from the area of Oak Park Market (3300 12th Ave) to the Joseph E. Rooney Police Facility (JERPF - 5303 Franklin Blvd). I was aware that the protesters had blocked the entrance to the police facility. Multiple units had been called in to assist and had been pulled from regular patrol staffing to assist with maintaining security at the station.

At approximately 2147 hours, I was advised that some protesters had marched back to the area of the 12th Avenue overcrossing at Highway 99 and were throwing items at CHP officers. I was aware that CHP had maintained security at the on and off ramps in that area to prevent protesters from marching onto the freeway and blocking traffic. The Comm Center advised that CHP was requesting additional assistance with the protesters in this area. Sgt. Armstrong (TOM70) was in the area and advised the best route to the area was the off ramp to 12th Ave from southbound 99. I pulled several units from patrol staffing and directed the units to respond code 3 to this area.

As units arrived, we were advised that there were sufficient units on scene. I re-directed units to drive to the north side of McClatchy Park. At 2221 hours, dispatch advised that CHP had an injured officer on the northbound on ramp at 12th Avenue and was requesting additional units. I advised the units to respond to the area. I donned my riot helmet and responded to the area. I drove southbound on 33rd Street and made a westbound turn onto 12th Ave. I was met with a large group of protesters. As I drove through the crowd, I could hear people yelling "that's a police car!" Several people struck and hit my vehicle as I continued through the crowd. I pulled onto the elevated section on the bridge and CHP officers formed a line across 12th Avenue. I checked my vehicle and confirmed that it was not damaged.

I located a CHP officer who stated that the officer was not injured, but had urine thrown at him. I located a CHP supervisor on scene, who advised that their units were having objects thrown at them and they intended to use CS gas to disperse the crowd. I requested that they stand by so I could have the SPD units get to their gas masks prior to the deployment. CHP issued dispersal orders to the crowd at 2238 hours. I directed the SPD units to move from their position on the south side of 12th Avenue/east of Highway 99 to 12th Ave west of Franklin. At this point, no officers were injured, but two vehicles were had been damaged by protesters. (Up to this point, this information is documented under CAD call 20-161643.)

At 2317 hours, CHP advised via the hotline that they had an officer fighting with one at 12th Ave/Hwy 99. At 2320 hours, STAR (SSD helicopter) advised that CHP was requesting code three cover at 12th Ave/99. At 2323 hours, I mobilized two squads of officers towards the intersection of 12th Ave/Franklin Blvd (see Sgt. Hall's observations for the names of officers). STAR was overhead and advised that the incident resolved and no additional officers were needed.

At 2347 hours, STAR advised that a white SUV was on the west side of the bridge and had been blocked in by protestors. STAR advised that at least one tire on the vehicle had been slashed. I directed both teams of officers, led by Sgt. Hall and Sgt. Eaton, to enter the crowd to facilitate the vehicle to leave the area. Shortly after entering the crowd, Sgt. Hall advised that officers were getting overwhelmed by the crowd. At 2351 hours, I requested that additional units respond code three to assist with getting the vehicle and officers out of the crowd. Multiple units, including SWAT officers, arrived. I directed the initial units to form a team and assist Sgt. Hall and Sgt. Eaton. As additional officers arrived, I directed officers to form a line along the south side of 12th Avenue in front of the Shell Station to protect the police vehicles that had parked there.

At 2353 hours, dispatch advised that SSD was on the phone with the driver of the SUV who had called into 9-1-1.

At 2359 hours, Sgt. Hall advised that pepperballs had been deployed on the crowd. STAR advised that objects were being thrown at the officers from the crowd. At 0001 hours, Sgt. Eaton advised that large rocks were being thrown at the officers. As officers exited from the crowd westbound, numerous objects were thrown at them, resulting in injuries to several officers. Objects were also thrown over the line and struck vehicles parked at the Shell.

SWAT officers retrieved the long range acoustical device (LRAD) and Lt. Bales gave several dispersal orders. Per STAR, several subjects moved southbound on 30th St and jumped the fence onto the freeway. SPD maintained the position on 12th Avenue and the crowd began to retreat eastbound and eventually dispersed.

I was advised that one subject throwing objects at officers had been arrested by Officer Lundgren and detained in a patrol vehicle. He was identified as Jeramy Isom, and later booked at jail for assault with a weapon on an officer. All officers were clear of the area at approximately 0130 hours.

CSI responded to the scene and photographed remnants of some of the objects thrown at vehicles and document the damage to the police vehicles at the Shell station. All officers were directed to report to JERPF to have any damage or injuries photographed by CSI and to complete supplements to this report regarding any use of force, injury or damage that occurred during this incident.

On Friday 5-29-20 at approximately 2155 hours, Ofc Goetting #938 and I Ofc Thrall #991 responded to highway 99 SB / 12th Ave regarding a cover call from CHP. We responded C3 from Watt Ave / Auburn Blvd. We reduced at El Camino Ave / busniess 80, approximately. Our in car cameras were on and activated throughout the incident. We arrived on scene and observed the following in summary:

We marked on scene and were given orders to meet at McClatchy Park. From McClatchy park, we responded to another cover call by CHP at 12th Ave / highway 99 NB on ramp.

While driving west bound on 12th Ave, approaching highway 99 on ramp, an unknown object was thrown at our passneger side door. We then got out of the vehicle and assisted CHP in a skermish line.

After being relieved by other CHP officers, we returned to our vehicle. There I observed a dent in the front passenger side door.

CSI later took photos of the aforementioned damage.

We then assisted with a rescue of a vehicle that had been damaged with people trapped inside. During this incident, I heard multiple less lethal munitions being appropriately utilized by officers.

Once we formed another skermish line, I observed a MHA approximately 5'7 , 175 Lbs, wearing a black hooded sweatshirt, black pants with a red bandana covering his face. The subject picked up a large rock, walked over to a marked Police vehicle and threw the rock at the vehicle.

We held our positions until we were advised not too.

3SM2 Sgt Hall was advised of the damage to our patrol vehicle.

On Friday, 5/29/2020, at approximately 1800 hours, I, Ofc. Bruce #711 and Ofc. Vidales #983 participated in the Game Plan Operational Outline regarding a scheduled protest. Our Body Worn Cameras were activated and recording during the incident. I observed the following in summary:

Later, while working as the designated Mobile Field Force on the 12th Avenue overpass over Highway 99, a large crowd of protesters became extremely angry and violent.

During this time, Officers were hit with bricks, large rocks, clay flower pots, and filled water bottles.

In an attempt to create space and distance in between protesters and Officers, I observed a MHA, approximately in his mid 20's, black hair, approximately 5' 8-9", wearing a green/tan camoflauged bandana around his face, a tan collar jacket/shirt, and blue jeans. The MHA physically hits my baton out of my hand with what appears to be his right hand. The HMA then proceeds forward toward me through other protesters and forcefully kicks me with his foot that hit my center chest, knocking me backwards.

I advised Officers of the subject, his description, and that he had just kicked me. Protesters quickly took the HMA and brought him back away from Officers, where I lost visual of the suspect.

The incident can be observed at approximately the 9 minute mark on my Body Worn Camera footage.

Later when Officers retreated to the north side of the Shell Gas station at 12th Ave / Franklin Blvd and standing in front of a patrol vehicle, I observed multiple large rocks, bricks, and clay pots being thrown hitting Officers and causing damage to the patrol vehicle.

When I arrived I met with several officers and A/Lt. Sgt. Morse (LN19). Shortly thereafter Sgt. Morse advised that CHP officers were calling for Code 3 cover at 12th Ave. / Hwy 99 n/b on-ramp. We responded Code 3 and arrived a few moments later. As I was arriving I saw a large crowd in the roadway. At least one subject acted as though they were going to jump in front of my patrol vehicle but I maneuvered around them. We parked on the overpass and joined CHP in a skirmish line they had formed, blocking access to the n/b 99 on-ramp. After approximately 20 minutes we were pulled from the line and staged w/of Franklin Blvd. on Sutterville Rd. at least one tire slashed. As we began our movement into the area we were confronted by numerous protesters who deliberately moved into our path, pushed us, and began throwing items at us in an effort to deter us from rescuing the motorist. I saw a white GMC SUV completely surrounded by a large crowd of approximately 200 protesters. While we were moving to rescue the motorist I utilized my collapsible baton in a two handed strike technique to push multiple protesters who would not move.

We formed a circle around the SUV and immediately became surrounded by the crowd. The crowd was pushing against us and was extremely close to us, leading to a very unsafe situation. Someone lit a string of fireworks at our feet. Officers were unable to communicate with each other, we were unable to extricate the vehicle, and we were unable to maneuver at all. After roughly 3-4 minutes another group of SPD officers arrived to assist us and we were able to clear a path for the SUV to escape. We then formed a skirmish line and attempted a tactical retreat.

During our reverse movement I saw the crowd surge toward our line. I saw numerous objects being thrown at officers from within the crowd, including a large ceramic flower pot (approximately 12" across and approximately 24" tall), bricks, rocks, pieces of the flower pot, full water bottles, a carton of milk, etc. I saw numerous officers were struck by these objects. I saw people within the crowd physically grab and pull multiple officers towards them from our line. At that point an officer fired pepperballs into the crowd to protect the involved officers from harm. This tactic was effective and we were able to re-form our line and continue to move back, but shortly thereafter the crowd surged forward again and the attacks continued. I ordered more pepperballs to be fired at the involved members of the crowd, and again it was effective. We returned roughly to the area of Sutterville Rd. / Franklin Blvd. and formed a skirmish line there. While at that location I saw a male subject wearing a black football jersey with red numbers throw a brick or reddish colored rock from the north side of Sutterville Rd. at officers. Eventually dispersal orders were given and the crowd moved away.

My Body Worn Camera was activated during this incident.

Upon arrival, I observed the following in summary. My body worn camera was activated during the course of this investigation.

During the time of this incident, I was wearing my full Sacramento Police Department patrol uniform, as well as operating a fully marked Sacramento Police Department patrol vehicle.

Upon arrival at the above mention location, I was redirected to stage at C.K. McClatchy Park, Per LN19 (Lt. Morse), pending further instructions.

After arriving at C.K. McClatchy Park, we were relocated to the 12th street overpass at Hwy 99 Sb to assist CHP with a skirmish line. After a brief time, we were directed to stage at the Sacramento Children's Home located at 2750 Sutterville Rd, pending the need for more units.

At approx 2330 hours, my partners and I were send back to 12th street overpass at Hwy 99 Sb to assist in escorting a vehicle that had been blocked by protesters out of the road way.

After the vehicle was escorted from the scene, my partners and I held a skirmish line at the south curb line of 12th Ave, by the Shell gas station located at 3701 Franklin Blvd.

While holding the skirmish line, I observed an object I recognized to be a standard brick launched from the north/east direction of the protesters location and strike me on my head, causing damage to my issued kevlar helmet. I did not see the subject who threw the brick, nor did I sustain any injuries as a result of the incident.

Later, I observed a dent in my helmet caused by the brick striking my equipment.

CSI photographed the damage.

LN19, Lt. Morse, was advised.

Once in position and being a physical barrier between the hundreds of subjects and the white SUV, an unknown white female adult (SUSPECT) stood in front of me face to face. The SUSPECT handed her phone to a bystander who captured a photo or video of the SUSPECT flipping me off with both hands. The SUSPECT was approx 25-30 years old, wearing a black beanie, black face mask, dark gray zip up hoodie, gray shirt with black collar, black pants, and black shoes.

The SUSPECT entered the massive crowd and threw a full water bottle in my direction, that struck me in the right side of my chest. The SUSPECT threw another full water bottle at me, striking me in the right shoulder.

Once we successfully escorted the white SUV to safety, all officers began retreating westbound on 12th Ave, away from the protesters. During our retreat, multiple subjects threw heavy stones, bricks, and planters at officers and the patrol vehicles. I was struck in the right shin by a heavy stone thrown by an unknown subject.

I have no visible injuries.

I would be able to identify the SUSPECT who struck me with the full water bottles.

On Friday May 29th 2020 at approximately 2222 hours I (Officer Jarrell #569) was working a special detail as part of a protest. I was in full police uniform and in a marked police vehicle.

Myself, along with many other officers, were responding code 3 to the area of 12th Avenue and Highway 99 to assist CHP officers who were actively being assaulted by protesters.

I activated my overhead emergency lights and siren and responded code 3 within accordance of departmental policy. This activated my in-car camera and body-worn camera which remained so throughout the entirety of my investigation.

We drove in a conga-line southbound on 33rd Street from McClatchy Park. Upon turning westbound onto 12th Ave, I observed several protesters standing in all lanes of eastbound and westbound 12th Ave. The patrol unit directly in front of me (Officer Anderson and Officer Castaneda) had come to a stop as protesters stood in front of their vehicle and prevented them from moving. This prevented me from continuing forward as well.

Officer Anderson and Officer Castaneda eventually were able to break through the crowd and the crowd then moved to both sides of my vehicle and individuals then began to encircle around the front of my vehicle.

At this time, I heard the sound of glass shattering coming from the rear of my vehicle. I then heard two loud bangs on the passenger side of my vehicle. I began to excel forward and the protesters who were standing in front of my vehicle moved aside.

We all then parked our patrol vehicles on 12th Ave west of the protesters and conducted a scrimmage line to assist CHP.

Upon clearing the scene, I observed that the rear passenger side window of the cargo area had been shattered. I observed a large dent approximately 18" long and 12" wide on the rear passenger door with a dirt shoe print. I also observed a similar sized dent on the front passenger door. CSI responded and took photographs of the damages to the vehicle. A blue border form was completed and forwarded to A/Lt. Morse.

Officers later located an Instagram account with the handle of [REDACTED] that had a listed "name" of [REDACTED] / [REDACTED]. We were requested to assist on a game plan related to protests turned violent. We were requested to drive to the area of 12th Ave and Franklin Blvd. Our body worn cameras and in car cameras were on and activated while responding to this incident. We observed the following in summary: As were we were responding we were driving a marked patrol vehicle. Our patrol vehicle number was #12609. While we were driving westbound on the 12th Ave over the Hwy 99 overpass, several protesters ran in front of our vehicle.

The subjects who jumped in front of our vehicle forced us to come to a complete stop. A few masked subjects began kicking the front right passenger side of the patrol vehicle. The subjects eventually moved out of the way allowing us to continue to drive.

Once we safely exited our vehicle we observed damage to the front passenger mirror. The plastic backing to the mirror was torn off.

CSI later took photographs of the damage.

On Friday. 05/29/2020 at approximately 2307 hours, Officer Kelvin #1046 and I (Officer Farr #254 was dispatched to 3300 12th Ave to assist in the Game Plan/Protest. We arrived on scene at approximately 2315 hours. Our body worn cameras and in car cameras were activated. I observed the following in summary.

While on scene, I observed Sac PD Officers to be verbally and physically abused. While moving out of the area at 12th Ave and Hwy 99 southbound towards Franklin Blvd and 12th Ave, violent protesters began to throw water bottles, large rocks, and other objects at us. A large rock landed directly on my left foot causing a great amount of pain and no visible injuries.

I was also hit on my right wrist with an unknown object causing slight pain and a bruise approximately two inches in length on my right wrist.

Shortly after, protesters began to throw objects at a marked patrol vehicle located on the northeast area of Shell Gas Station (3701 Franklin Blvd). We ran and established a skirmish line. Protesters continued to throw large objects such as rocks and bricks towards the marked patrol vehicle. In result, a large brick hit me on the right side of my head, knocking me off balance. I was wearing my riot helmet with the shield attached. This caused me to have a headache, but I did not have any visible injuries.

There was damage to the right side of my riot helmet. The metal part was chipped and bent. The clear shield has scraped.

I did not get a good description of who physically assaulted me.

CSI took photos of my injuries and the damage to my riot helmet.

I completed the Report of Injury Form.

END OF OBSERVATIONS.

I, Detective J. Gresham #509, am currently assigned to the Sacramento Police Department's Criminal Intelligence Unit (CIU). My primary duties are the investigation of organized crime groups, public disorder groups, outlaw motorcycle gangs, hate groups, domestic and international terror groups, threats against police officers, City employees, public officials, celebrities or sensitive groups, arrests and criminal investigations against City employees, dignitary protection and other special investigations.

I reviewed this report and learned the following in summary:

On 5/29/2020 the Sacramento Police Department responded to a large protest in south Sacramento in the area of 12th Avenue and Highway 99.

At approximately 2147 hours a Sacramento Police Department Mobile Field Force which included Officers Keyser and Officer Lundgren responded to the area of 12th Avenue and Highway 99 (Sacramento, CA) to assist California Highway Patrol Officers (CHP) who were requesting Code 3 cover (a threat to life with immediate response with lights and sirens). CHP stated that they needed assistance with a citizen trapped in a vehicle that was being surrounded by a group of violent protesters.

Officer Lundgren took a position near the Shell Station (3701 12th Avenue) on Sutterville Road just east of Franklin Blvd. Officer Lundgren observed approximately 20 police officers assist the citizen in the vehicle that was surrounded. Officer Lundgren then observed the police officers retreat from the hostile crowd. Officer Lundgren observed the protesters throwing bricks, rocks, and other objects at the officers as they retreated.

Officer Lundgren observed a male suspect, that he later identified as JEREMY ISOM, pick up a large clay pot (approximately 5 gallons in size) and throw it at officers. Officer Lundgren stated he was only a few feet away from him when he threw the clay pot. Officer Lundgren grabbed S-ISOM and placed him into custody.

Officer Keyser stated that he was part of the reactionary team that assisted the citizen that was surrounded in his vehicle on 12th Avenue near Highway 99. Officer Keyser stated that the crowd began throwing items at him and the other assisting officers. Officer Keyser stated that he got hit by a thrown object that he believed to be a rock in the right side of his neck. Officer Keyser had a raised mark on his neck that was photographed by CSI.

Officer Lundgren obtained a Mirandized statement from S-ISOM. S-ISOM stated under Miranda that he was got caught up in the moment and he started throwing things at officers. He stated that he picked up the pot and threw it at the officers. S-ISOM said he did not mean to hurt anyone and that he was sorry.

I reviewed Officer Lundgren's body camera footage. At approximately 0001 hours his body camera captures a male suspect pick up an item that looks like a clay pot and throw it at the group of Officers described by Lundgren.

I reviewed Officer Keyser's body camera footage. At approximately 0000 hours his body worn camera captures a male carrying an item that looks like a large clay pot. The male puts the pot down and approximately 0001 hours a male picks it up and throws it. His body worn camera captures the large item being thrown in what looks to be the area around his head and neck. Officer Keyser's body worn camera appears to be mounted in the area of his chest and below his neck.

I reviewed Officer Farr's body worn camera which also captures the event.

It is my opinion that both body worn camera accurately depicts the observations stated above.

On 05/29/2020 at approx. 0015 hrs. I, Ofc. Penny # 533 was working a game plan/protest in the area of Franklin Blvd and 12th Ave. I was assigned as a less lethal grenadier equipped with a less lethal bean bag shotgun. At this time I was tasked with being part of a tactical response team to perform a rescue of officers that were surrounded at the intersection of 12th Ave near HWY 99 as well as a civilian stuck in their vehicle in the middle of the violent crowd. I observed the following in summary:

While performing the rescue mentioned above, the crowd grew increasingly violent. Glass bottles, rocks and bricks were being thrown from the crowd at officers. I felt a piece of what was believed to be a rock hit the top of my helmet. Additionally, I observed a large ceramic pot thrown from an unknown subject at the direction of rescuing officers.

Once the rescue had been performed, we attempted to back away from the crowd towards Franklin Blvd while holding our line and keeping the unruly crowd back.

I observed subjects throwing rocks and as a result officers were seen using pepperballs in defense of themselves and others.

Officer Gregory James pointed to a subject in the crowd and stated that he had a knife.

I observed a male white adult (approx. 5'7", thin wearing a black sweatshirt, dark colored pants and a black face covering) holding what appeared to be a baton in his right hand and a knife in his left hand.

This subject was advancing toward officers taking a bladed stance. I heard an officer discharge his pepperball gun at the subject which was ineffective. The subject turned his face away from officers while continuing to advance towards us.

The subject was approx. 20' feet away and turned his right shoulder away from me as he began to advance closer. I feared for the safety of myself and other officers. As a result, I discharged my less lethal shotgun at him two times. Both shots stuck the subject in the torso area. The subject immediately turned around and ran into the crowd away from officers.

I was unable to identify the subject and did not observe him again for the remainder of the incident.

Sgt. Young was informed of the circumstances.

On Friday 5/29/20 at approximately 2030 hours, I, Ofc. Mantsch #918, arrived at the Sacramento Police Department's south station (JERPF) located on Franklin Blvd. I responded to that location from a SWAT call out to help with the protest situation that was occurring. I was in a full police uniform. I observed the following in summary.

While at the police station I was in the front of the building on the line that was keeping protesters away from the building. The crowd was large and very hostile towards the police officers that were on scene.

After the crowd left the station, I was assigned to a react team with other SWAT officers from my team. We were assigned to go to 12th Ave / Franklin Blvd area to rescue a citizen trapped in her car and rescue officers that had been surrounded by the unruly crowd of people. While going through the crowd to do the rescues, I was hit in the head 4-5 times by either a full bottle or a rock. Multiple times I could feel liquid go down my back after it hit my helmet. I was not able to look down and see what hit me due to the danger of exposing the back of my neck when I looked down. I never saw any of the objects thrown at me from the crowd. I witnessed multiple bottles, rocks, planter boxes and a jug of milk thrown at officers and hit other officers. I was not injured by the objects thrown at me. I was wearing my body worn camera and it was activated for all of these events.

I responded to the area and observed the following in summary: My body worn camera was on and recording during this event.

I arrived on scene and took up a position in the Sell gas station parking lot located at 3701 12th Ave. During this time a team of approx 20 officers had been assembled to rescue the trapped victim from her vehicle that was being over taken and vandalized by anger and dangerous protesters.

The rescue team was successful in extracting the victim and was on in a tactical retreat. While moving away from protesters the team of officers were being violently attacked by protesters who were throwing bricks, rocks and any other objects the could pick up.

I observed countless objects being thrown at the officers who were trying to create distance from the group.

I observed on suspect, later identified as JEREMY ISOM pick up a large, (Approx 5 gallon) clay pot and throw at officers who were retreating. Once this pot was broken other protesters picked up the smaller shards and started to throw them at officers.] (S) ISOM was only a few feet from my position when this happened. I reached out and grabbed (S) ISOM and brought him behind out line of officers. No force was used against (S) ISOM.

On 5/29/20 at approx. 2007 hrs, I, Officer Sean Cunningham #789 (UNN14), was notified per my department issued cell phone message to respond to 5303 Franklin Blvd (Sacramento Police Department South Patrol Station), regarding a protest where subjects had surrounded the front of the location. I arrived at approx. 2100 hrs.

Upon arrival I was dressed in full police uniform and had was equipped with a Body Worn Camera that was turned on. I met with Sgt. Young (UNN20) and was briefed of the situation.

Upon arrival I observed what appeared to be several hundred protesters located on the front parking lot of the location with a line of officers between the people and the building.

I was tasked with being designated as an arrest team member if needed. During my time on scene my roll changed and I went and assisted to the line of officers standing between the protesters and the building. I ensured I was wearing a helmet for safety and had my BWC turned on and recording.

After some time the crowd left and began marching northbound Franklin towards 12th Ave. At this time I was tasked with being a member of a reactive team to respond to any reports of violence, property damage or to assist officers/public who needed assistance.

Per the motorcycle units and the Police Helicopter, I was advised per the Police Radio that the group had taken over the roadway at Hwy 99/12th Ave and were confrontational with the CHP officers, blocked vehicles from moving, and appeared disruptive.

During this time I was notified that a White SUV vehicle had been

surrounded by the protest group and that a protester had slashed a tire on the vehicle at Hwy 99/12th Ave. A group of officers had then attempted to enter the crowd and make a path for the vehicle to exit the area. They came up on the radio and announced that they have been surrounded by the protest crowd and needed assistance.

I responded with several other officers to ensure the safety of the vehicle and the other officers at approx. 0000 hours. Upon arrival the crowd was unruly and attempted to keep us away from the vehicle and officers. We arrived to the vehicle and were able to get it out of the area. Other officers and I left to go back 12th Ave/Franklin. During this time I saw

several objects thrown at myself and other officers. I was hit with a hard unknown object on my left leg that left my leg sore. I also observed several protesters throwing objects at a Sacramento Police Patrol Vehicle damaging the front of the vehicle.

Upon arrival 12th Ave/Franklin Blvd I stood with a line of officers while announcements were made to disperse. After the crowd dispersed I was advised my Sgt. Young (UNN20) that I could leave.

The incident was recorded by my BWC.

On 05/28/20 at approx. 1600 hours I, Sgt. Robert Young #3102 attended a briefing for a planned protest at 300 Richards Blvd. The protest was scheduled to begin at approx. 1800 hours at 3300 12th Ave.

I was assigned as the SWAT team leader (UNN20) to be a quick react team if needed to conduct arrests and or rescues of citizens/officers. At approx. 1157 hours a code 3 cover call was broadcasted over the radio stating that officers were surrounded by violent protesters at 12th Ave and the highway 99 overpass. I responded code 3 with my SWAT team to perform a rescue of the officers.

Upon arrival and our approach on foot I was assaulted by being kicked in the back right leg by a male black wearing a black/red Navarro Bowman jersey. I was then assaulted by a male white when I turned around by being pushed in the chest. My body worn camera was activated and several protesters were videoing the assault. During the rescue I was hit in the head with a rock and a pottery planter bowl. I saw several other officers were being assaulted by rocks and bottles.

As we were getting pinned in by the violent protesters I gave the order for my officers to deploy less lethal munitions at the protesters assaulting us so we could safely evacuate from the aggressive crowd. We eventually made it out of the crowd and back to our skirmish line.

The following events were caught on my body worn camera, my in car camera and the body worn cameras of other officers on scene.

On 5-29-2020, I, Ofc. P. Fong #746 was working for the Sacramento Police Department as a Police Officer. I was in full police uniform in a marked patrol car. I was backfilling patrol duties as 1C46 but was acquired for riot and crowd control duties and had responded to the JERPF Police Station around 2300 hrs. I was coordinating with Sgt. Montoya to assist when I heard Acting Lieutenant K. Morse repeatedly ask for additional units as a Platoon of officers who went into a hostile and violent crowd to rescue citizens who were under attack in a vehicle. Sgt. Montoya and I responded to the area of Sutterville and Franklin where a Shell Gas Station is located near the Freeway (Hwy 99). We pulled in to the Shell Gas station and observed Officers forming up crowd control lines. We grabbed helmets as we observed that a riotous crowd was chasing a platoon of officers who were retreating from the area of SB Hwy 99 offramp and Sutterville. The officers were formed into a group and were trying to protect themselves from bricks, rocks, bottles and debris that the crowd was throwing at them. Multiple persons were throwing items then running to hide within the crowd. I witnessed multiple bricks and river rocks strike various officers as well as patrol cars that we had parked in the area.

At one point I saw a MWA (later identified as Jeremy Isom) throw large ceramic pot taken from local landscaping. Isom threw the pot onto the top of the retreating officers and it shattered on their heads. Other persons then picked broken pieces of the pot and threw those at the officers. Ofc. Lundgren was on a riot line nearby and was able to reach out and grab ahold of Isom. I ran over and helped to extract Isom from the crowd and immediately took him to my patrol car which was nearby. I searched Isom and detained him in handcuffs in my patrol car.

I later gave custody of Isom back to Ofc. Lundgren who questioned him and handled his booking paperwork.

After arresting Isom I retrieved my department issued 40MM less lethal device equipped with 40MM foam baton rounds. I took up a position to cover officers and then monitored the crowd activity. Due to the crowd density and movement I was unable to utilize my 40MM to overcome the persons who were throwing bricks and rocks at officers. Officers were finally able to issue crowd dispersal orders and eventually were able to get the crowd to disperse.

On Friday 5/30/2020, I, Ofc.Flure #942 was assigned to patrol as 1C11. I was wearing a full police uniform and was driving in a fully marked SPD vehicle. I was wearing a body worn camera which was activated during this incident.

At approx.2125 hrs, I responded to 3505 Franklin Blvd(Jerpf) to assist south area officers with a peaceful protest in the area.

I arrived on scene at approx. 2139 hrs and made entry into the station through the east entrance gate as protestor's were blocking the main entrance into the facility.

I was advised by 1SM4, Sgt.Eaton, and Lt.Galliano to assist SSD who were guarding the front gate of JERPF.

I was relieved of my duties and advised to report to the east gate to form a mobile response team with the assistance of other units. As a mobile response unit, my primary responsibility was to respond to high risk areas of the protest in order to maintain peace and assist other officers in the area.

While standing by at the Sacramento Children's Home at 2750 Sutterville Rd, we received word of a large crowd who was becoming hostile and blocking vehicles in the roadway near 12th Ave and HWY-99.

The mobile response team responded to the area. I observed at least 70-100 people in the street actively blocking traffic and creating a disturbance. Specifically, we observed multiple protestor's encircling a occupied vehicle that was trying to leave the area. Using a department approved barricade movement, we positioned ourselves in front of the protestor's in between them and the vehicle that was encircled.

While holding our positions, we were met with extreme hostility and began having random objects and liquid thrown in our direction. I observed objects like rocks and bricks flying through the air towards officers on scene.

Due to the crowd becoming increasing violent, officers deployed less lethal ammunition and pepper ball rounds at the protestor in an effort to de-escalate the situation and to gain compliance.

We made a tactical retreat back to the intersection of 12th Ave and Franklin Blvd where we staged for the remainder of the call. At this time, multiple dispersal orders were given via PA's and the protestor's slowly began to disperse.

On 5/29/2020, I, [REDACTED], was assigned to an operation in response to on-going national unrest. My body worn camera was activated and I observed the following in summary:

Throughout the night, I endured verbal threats, hostilities, and physical abuse by subjects involved with the unlawful assembly.

I was attached to a squad of officers who were tasked with rescuing an elderly lady from a group of protestor's. The lady was in her SUV and the tire had been slashed.

As we were escorting the vehicle out, I was also attempting to free another van, which was driven by an elderly male. Fortunately, most of the agitators were focused on another group of officers. The only thing stopping the van from escaping the hostile crowd was a lone female white adult (unknown subject). I was unable to identify her due to a face covering.

I told the FWA that she needed to move out of the roadway approx. three to four times. Despite my lawful orders, the FWA refused to move. Some of the agitators began to approach my location, which was where the van was found.

Finally, I was forced to remove the female from obstructing the scared elderly male. Upon assisting her with moving out of the way, the FWA grabbed my baton and attempted to forcefully remove it from my grip. I had to shove her back, which successfully allowed the van to escape the mob. The gentleman was extremely thankful and was allowed to safely lead.

Up until our squad was able to successfully retreat, we were pelted with beer cans, milk jugs, rocks, glass bottles, fists, and other weapons that could have gravely injured or maimed an officer. Due to a milk jug and a large planting pot being thrown at us, myself and other officers were knocked to the ground. We recovered safely and were unharmed.

On May 29th, 2020 at approximately 2000 hours, I (Ofc. Wanger #251) I was called into work on a SWAT page to assist officers at the Sacramento Police Department's south station (JERPF). A large crowd had gathered in front of the police station to protest the death of George Floyd, who died in police custody in Minneapolis, MN. While I was responding to the police station I received information that the crowd was getting larger and becoming increasingly hostile with officers on scene. I arrived on scene at approximately 2100 hours and observed the following in summary:

During the protest in front of the police station a large majority of the group began marching northbound on Franklin Blvd in the northbound lanes of traffic. The large crowd continued to march until they reached 12th Ave/Hwy 99 over pass. While the protest was occurring at this location officers advised they were being surrounded by the crowd as they attempted to get a civilian vehicle out of the intersection.

I was equipped with a less-lethal pepper ball system. This is a direct impact weapon that is energized by compressed air that delivers kinetic energy along with a synthetic irritant.

At approximately 0005 hours, we pushed the crowd back and formed a skirmish line to protect the surrounded officers and civilian who was trapped in their car. We were able to hold the line so the vehicle could be moved and then began to fall back to the intersection of 12th Ave/Franklin Blvd. As we made our movement back, the crowd became hostile and started advancing on us. At this time a large rock was thrown from the crowd that struck me on my helmet. Others in the crowd then started throwing glass bottles, rocks, and fireworks at us as we attempted to retreat back.

Due to the crowd throwing objects at officers and advancing towards us, I deployed my pepper ball system to combat their violence and end the civil unrest. During my deployment, I made sure to target the correct areas consistent with manufactures guidelines and department policy. The deployment was effective and allowed officers to retreat to safety.

Related Date Jun-03-2020

On 5-29-20 at approximately 0807 hours, I Lieutenant Bales #4009, on call SWAT Commander, was at home when I received a request via management page requesting an emergency response that SWAT Team 10 to join SWAT Team 20 who was already deployed at the Sacramento Police Rooney Police Station at 5303 Franklin Blvd for protest activity. The following is a summary of my observations:

I responded Code 3 from my home to the Rooney Police Station. At 2107 hours, I arrived at the station, and I was directed to enter via the back gate due to the large protest group that had gathered up front blocking the front door and front vehicle entrance. When I arrived, I checked in and located Captain Bassett who identified himself as the Incident Commander. He stated that he had Team 10 deployed on the roof of the station on overwatch of the crowd and there to perform rescues if needed. He requested that we get flood lights to light up the crowd. I responded to the roof and facilitated several flood lights on the crowd gathered in front of the station.

From the roof I observed several hundred protesters, some of who were extremely agitated and screaming at the police officers protecting the front of the building. I also observed a large number of protesters in the middle of Franklin Blvd some of who formed a complete line across the street, blocking traffic. I observed one FBA in her 20's, in grey sweats spitting on officers in between screaming at them. I observed another protester, a MBA, in his 20's wearing an animal print black and white trench coat open in the front, where I could clearly see him carrying an approximately 24" machete in a sheathe attached to his belt. Several plastic bottles both full and empty were thrown at officers. I also observed a MWA wearing a black ski mask, glasses, white t-shirt and blue jean pick up a large river rock and hold it near the vehicle entrance gate, until it appeared another protester told him to put it down.

At approximately 2140 hours a majority of the protest group began moving south on Franklin Blvd on foot, blocking the street. Dispatch began to report that protesters were throwing rocks at CHP officers who were blocking protesters from trying to walk on to HWY99. The group then began back north on Franklin Blvd blocking the street then reoccupied the station parking lot.

Dispatch reported several incidents of vehicles driving through the area being blocked by protesters and getting their cars vandalized by protesters kicking and hitting the vehicles, causing dents and broken windows and in some cases trying to get into the vehicles. At the same time there was a group of protesters at 12th Ave and Hwy 99 and Franklin Blvd. The group of protesters largely left the Rooney Police Station and began walking north towards the protest group at 12th Ave and Hwy 99. At approximately 2315 hours the two groups merged on 12th Ave and began interacting with the CHP officers blocking the freeway exit and entrances.

A majority of the SWAT team and I moved in vehicles to the area of 14th Ave and Franklin Blvd to assist patrol officers who were forming a mobile field force. At 2333 hours, dispatch advised that a traffic light had just been torn down on 12th Ave. At approximately 2347 hours, the police helicopter advised on the air that a white SUV had driven into the crowd of protesters and was not being allowed through, and that at least one tire had been slashed by one of the protesters. Watch Commander, Sergeant Morse sent the mobile field force into the crowd to rescue the vehicle and facilitate a corridor for the trapped vehicle to escape from the crowd. At 2351 hours, Sergeant Morse called for Code 3 cover units to assist the mobile field force officers. I directed the 4 SWAT reaction teams to 12th Ave and Franklin to assist. Upon arrival, I contacted Sergeant Morse who stated that she had sent two teams into the crowd to help extricate the vehicle, and that they were now trapped by the surrounding crowd and not being allowed to pass. At approximately 2356 hours, I along with the SWAT reaction teams attempted to enter the crowd in order to reach the trapped officers and citizen vehicle. We were immediately met with resistance with people blocking our path, ignoring orders to move, and people shoving officers and we moved through the crowd. When we reached the vehicle, I contacted Sergeant Hall and Sergeant Eaton who stated that the vehicle was able to move, but they were not able to due to the crowd shoving them. As we spoke, we began to get rocks and water bottles thrown at us. I ordered all of the officers to form a perimeter around the vehicle and begin to move the crowd out of the way, in order to allow it to move out of the crowd in the shortest route possible south on 30th St.

Officers ordered the crowd to move and many refused to comply, having to be pushed back. The rate of objects being thrown at officers increased, and I ordered pepper ball launchers to be deployed to try and decrease the rate of objects being thrown at us. I was hit in the helmet with an unknown hard object. Officers were able to get the white SUV out of the crowd. We consolidated officers into a single formation. Officers began to get punched and kicked along with getting objects thrown at them. I ordered the formation to retreat west on 12th Ave towards Franklin Blvd. As we were backing up the crowd continued to throw rocks, bricks, potted plants, and other objects at officers. Aerial distraction devices were deployed with little effect. I was hit again in the helmet with a hard object, and then narrowly dodged a baseball size rock flying at my face. I was then hit in the left hand with a brick causing a laceration, redness and swelling. CSI photographed that injury later in the evening. Several officers were assaulted and injured during this incident, along with several police vehicles damaged. (Please see Sergeant Morse's observations for details.)

A skirmish line was established along the south curb line of 12th Ave, preventing the crowd of protesters from proceeding south into the shell gas station. Sergeant Young then informed me that one of his officers had also deployed 2 bean bag shotgun rounds during our extraction from the crowd (See Sergeant Young's observations). Additional SPD officers, SSD Deputies, and Captain Bassett arrived on scene. Protesters continued to throw rocks and other objects at officers and police cars.

At approximately 0007 hours, I had SWAT officers retrieve the long range acoustical device and prepared to deliver an unlawful assembly and dispersal order per 726 PC, based on the above circumstances. At 0012 hours, I gave the first dispersal order, followed by at least six more. Over the course of following 15 minutes, the crowd slowly dispersed. Officers responded back to the Rooney police station and took inventory of damage and injuries, having CSI take photographs.

On 05/29/20, I (Ofc. DeLeon #535) was assigned to the Sacramento Police Departments Special Weapons and Tactics team. I was deployed to the JERPF Police facility at 5303 Franklin Blvd regarding a hostile crowd of protesters. I was in full police uniform and identified as UNN22 with an activated and recording body worn camera.

At approx. 0000 hours, I, along with the rest of the SWAT team moved to the area of 12th Ave/HWY 99. We were told a car was being surrounded by violent protesters with several officers.

Our team moved into the crowd to allow the surrounded officers and the vehicle to get out from the crowd of protesters.

During this time, numerous objects were thrown at me and other officers. I was struck in the vest and left elbow with a large rock. I did not have

any injuries from the thrown objects that hit me.

After the vehicle was directed out of the crowd, the team moved back towards Franklin Blvd. where a skirmish line was established.

While moving back, I deployed four 40mm aerial distraction devices over the crowd who continued to throw objects at us in an effort to create some distance and space.

**The next day after uploading my body camera, it appears that no footage was recorded on my body worn camera of our team entering the crowd to assist officers.

On 05/29/2020 at approx. 2125 hours, I (Ofc. Pancoast #924) was dispatched to 5303 Franklin Blvd, Sacramento, CA (JERPF) to assist with planned protests in the area. I arrived on scene at approx. 2145 hours. I was wearing full SPD uniform. I observed the following, which was also recorded using my body worn camera.

Upon arrival, I was part of a group of Officers tasked with assisting at the front gate at JERPF. Once more Officers arrived on scene, the group I was with was then tasked as a mobile field force.

When we left JERPF we were then tasked with assisting California Highway Patrol (CHP) and Sacramento County Deputies (SSD) at Franklin Blvd / 12th ave.

We had formed into two columns and were advised that we were going to be sent into the crowd to rescue a white SUV that had gotten surrounded by the large crowd.

While moving into the crowd, multiple people were pushing officers and being verbally aggressive.

Once the vehicle had been moved safely out of the area, we started tactically retreating.

When we started moving back away from the crowd, the crowd started moving towards us. People in the crowd started throwing water bottles, rocks and glass or terra-cota pots.

One of the glass pots thrown broke near my right leg and a piece of it hit my right shin and broke skin causing my shin to bleed. I did not need medical attention.

I did not observe the person who threw the pot, they were in the middle of the large crowd.

I advised a one of the Team Leaders once we were back at the station.

CSI photographed the injury.

On 05/29/20, I (Ofc. McGill #330) was assigned to the Sacramento Police Departments Special Weapons and Tactics team. I was deployed to the JERPF Police facility at 5303 Franklin Blvd to stand by for a protest at the Oak Park Market.

I was in full police uniform and identified as UNN26 with an activated and recording body worn camera.

At approximately 1630 hours, I, along with the rest of the SWAT team 20 attended a brief at 300 Richards Blvd. After the brief, I responded to the staging location at JERPF. The crowd moved from Oak Park Market to JERPF, blocking the entire front of the facility. I was located on the south end of the group, directly behind the front line of patrol officers. For a period of this time I acted as an arrest team member with a Less Lethal shotgun. I did not fire any rounds during the incident.

At approximately 0000 hours, I, along with the rest of the SWAT team, responded to 12th Ave / Franklin Blvd. Our team moved into the crowd to allow the surrounded officers to get out from the crowd of protesters. During this time, numerous objects were thrown at me and other officers. I was struck in the right elbow by a large rock, causing swelling and bruising. I did not see the subject that threw the rock. I was also struck in the left leg by a gallon of milk, causing me to fall to the ground.

My body worn camera was activated during the entire incident(s).

On 05/29/30 at approximately 2010 hours, I Ofc. Kellermann #961 (UNN16) was assigned to the Sacramento Police Department's Special Weapons and Tactics (SWAT) team. I was called out to respond to 5303 Franklin Blvd, the Sacramento Police Department South Station (JERPF), to assist with a protest at the front of the Police station. I arrived on scene at approximately 2100 hours and met up with Sgt. Young to determine where I was to be deployed. I was wearing a fully marked Police uniform and was equipped with a body worn camera. My body worn camera was on and recording.

I was initially placed on an arrest team at the front of the Police station but made no arrests. I then supplemented Officers who needed a break from the skirmish line and stood in for them. As the crowd of protestors began to move away from the Police station, I was tasked with a group of SWAT Officers to monitor the situation from a distance while in a Police vehicle. At approximately 2145 hours the group of SWAT Officers I was a

part of was then instructed to assist in the rescue of a vehicle and group of Officers that were surrounded by the crowd of protesters on the over-pass of 12th Ave./ Hwy 99.

SWAT Officers entered the crowd of protesters and were able to escort the trapped vehicle and Officers out of the crowd. As all Officers began to retreat from the crowd of protesters, I observed rocks and bottles being thrown from the crowd of protesters. I was struck in the back by a small unidentified object. I was unable to identify which protesters were throwing objects. I then helped form a skirmish line at 12th Ave. and Franklin Blvd. at which time I was nearly struck with a large rock that was thrown from the north side of 12th Ave. by the Yum Yum Donuts. I was unable to identify which protester threw the large rock. I was not injured during the situation.

The following shall be noted as clarification for deployment methods that I used during the use of the less lethal bean bag shotgun on 05/29/2020.

When deploying the less lethal bean bag shotgun at the previously mentioned subject, I targeted the mid section of the individual. The mid section is designated as a green zone, which is a department approved target area when deploying less lethal munitions. When deploying the less lethal munitions, I avoided the red zone areas including the head, face, solar plexus and spine.

During my deployment, I made sure to target the correct areas consistent with manufacturer guidelines and in accordance with department policy.

I arrived on scene at 5303 Franklin Blvd at approximately 2150 hours and observed the following in summary. My body worn camera was on for the duration of the event.

I was tasked with standing at the front entrance gate at JERPF (5303 Franklin Blvd).

I did not observe any use of force incidents or riotous behavior from the crowd during this period of time.

At approximately 2350 hours, I was tasked with standing in a skirmish line near 12th Ave and Franklin Blvd. During this time, I became aware of a vehicle that was immobilized on 12th Ave at the overpass over Highway 99.

I was given the command along with the other officers to move into the crowd of people standing in the street on 12th Ave and Highway 99 and who were now surrounding the vehicle. As I moved in, the crowd became very aggressive. People were yelling, throwing water bottles, cans of beer and other items towards officers.

Once we surrounded the vehicle, officers focused on moving the vehicle into a safe place and removing the driver out of harms way. It wasn't long before additional units arrived to assist officers in gaining compliance from the crowd to allow us to escort the immobilized vehicle.

Additional units arrived and utilized less lethal munitions to push the crowd back and away from officers and the vehicle. I observed officers utilizing pepper ball rounds, and 40mm aerial flashbangs.

The vehicle was finally escorted out of the area and away from the crowd.

Officers began to move back to the skirmish line at Franklin Blvd and 12th Ave. During this time, the crowd was throwing items towards our direction. I observed rocks being thrown towards officers. Some fairly big rocks were thrown that would hurt if they had hit any of the officers. I was personally never hit with anything directly, other than some liquid beer that was thrown at me.

Afterwards we stood at the skirmish line at 12th Ave and Franklin Blvd again.

I observed Ofc. [REDACTED] move one subject out of the roadway for a vehicle

On 05/28/2020 at approx. 2125 hours, I (Ofc. Pancoast #924) was dispatched to 5303 Franklin Blvd, Sacramento, CA (JERPF) to assist with protests that were going on in that area. I arrived on scene at approx. 2145 hours. I was wearing full SPD uniform and driving a fully marked SPD patrol vehicle. I observed the following, which was also recorded using my body worn camera.

Upon arrival at JERPF, we were told to respond to Sgt. Eaton #3016 to be assigned our positions.

Initially we were posted at the front gate of JERPF. Most of the protestors there appeared to be verbally aggressive, but not actively throwing items from what I saw.

After that, we were relieved and advised to regroup and we were going to be reassigned tasks. A group of Officers responded out to near 12th Ave / Franklin Ave.

While we were there, we were advised that there was a white SUV that had been surrounded by the protestors.

We lined up and formed two columns to go rescue the white SUV. There appeared to be approx. 200 protestors in the street that had the vehicle surrounded.

I had extended my collapsible baton in a two-handed strike technique to push multiple protesters who would not move.

We began moving to the SUV and formed a circle around it. We immediately became surrounded by the crowd. Multiple people in the crowd were very close to all of the Officers on scene.

After a few minutes a group of SPD Officers arrived and assisted with the rescue of the white SUV. Once the SUV was safely out of the way, we began to move away from the crowd.

While moving back, people in the crowd started throwing items at the officers. The items thrown included water bottles, bricks, rocks, a large ceramic flower pot, and a carton of milk. I was hit in the right shin with a piece of the large ceramic flower pot.

Other Officers were struck with items. People in the crowd attempted to grab Officers and pull them into the crowd. At this point the pepper ball gun was utilized to assist with getting the crowd away from the Officers.

On may 29th, 2020 at approximately 2204 hours, I, Officer Keyser #368 was dispatched to the area of 12th Avenue and Franklin Boulevard in regards to a protest. Per the text of the call, CHP was requesting cover and an injured officer. I arrived on scene at approximately 2223 hours, activated my body worn camera and observed the following in summary:

On October 9th 2020 at approximately 1630 hours, I reviewed my body worn camera footage for this incident and had additional observations to add to the report. I observed the following in summary:

While being part of a reactionary team to help rescue a vehicle stuck in the middle of the traffic, I was approached by a male white adult carrying 2 black in color objects which appeared to be weapons. Each object was approximately 1.5 feet in length. One object had a circular ball at the end and the other was curved like a crowbar. The subject made it a point to show the objects to officers and point at them while standing right in front of me.

I later observed an unidentified subject wearing a black hooded sweatshirt who had his face covered by a red bandana, light and throw a firework at police.

After this incident I recall multiple objects being throw toward the direction of police officers and police vehicles. I recall seeing bricks and rocks strike the ground, police vehicles and officers. (See previous report observation where I wrote observations on being struck by what I believe was a rock).

While officers were retreating westbound towards Franklin Boulevard, we continued to have objects thrown at us. In particular a planter box, holding dirt and a plant were thrown at officers and struck an officer in front of me. As officers further retreated, the planter box was picked up and again thrown at officers.

While officers continued to retreat we moved over toward the Shell Station to assist other officers. While holding a line, officers continued to receive objects being thrown at them, including bricks, rocks, and water bottles. Some protesters were heard yelling to stop throwing thing at other protestors. I continued to warn officers nearby to be mindful of rocks being thrown from the 12th, street overpass area.

On 10/26/20, at approximately 1358 hours, I, Ofc. Mello #1053 was contacted by Det. J. Gresham #509 via email, regarding an incident that occurred on 05/29/20. Det. Gresham advised that after reviewing my body camera footage, he observed that I had been kicked in the chest by a subject while attempting to evacuate a surrounded motorist.

I reviewed my body worn camera and observed the following in summary.

On 05/29/20, I was dispatched to the area of Franklin Blvd and 12th Ave to assist with crowd control of protesters walking through the streets at the above mentioned intersection. Immediately upon arrival, I was directed by command staff, under the direction of Acting Lieutenant Morse (LN19) to form two columns with additional officers to assist in guiding a motorists whose vehicle had been surrounded by protesters on the 12th Ave freeway overpass, just east of our dispatched location.

As I approached the vehicle, my team and I were sounded by approximately 100 hostile protesters. Upon entering the crowd, the protesters began to verbally harass my partners and I, making statement to include "fuck you guys", "fucking cunts" and "I hope your mama has to burry you, bitch."

My partners attempted to coordinate a way to extract the vehicle for several minutes, with no success. Additionally, during this time, firecrackers were being thrown in my direction landing at my feet.

While attempted to keep protesters a safe distance away from the stranded motorist, a subject rushed toward my partner, pushing my partner backwards. The subject then retreated to the crowd momentarily. After only a few seconds, while my partner is addressing another incident occurring just to my left, the subject returns and kicks my partners body. The subject then turns to me and kicks me with his right leg toward the center of my chest. Again, the subject momentarily retreats, only to return a few moments later and forcibly knock the baton out of my partners hands.

Officers are then given directions by command staff to retreat from the scene.

The subject appeared as follows: heavy set male wearing a tan button up shirt, dark jeans, camouflage bandana tied around his face just below his eyes, dark combat style boots and a dark beret hat.
