### Incident Summary

---

See attached report. Based on my review of ICC and BWC footage along with the crime report I noted the following in summary:

Ofc. James approached (S) from the front as Sgt. Jarvis approached (S) from the rear. Both officers attempted to grab (S) in a control hold and place him in handcuffs. Ofc. James grabbed (S)'s right arm/wrist, while Sgt. Jarvis grabbed (S)'s left arm/wrist. (S) made comments to officers, "Don't shoot me," while stiffening up as officers attempted to place a twistlock/rear wristlock on him. Ofc. James asked Sgt. Jarvis if they should take (S) to the ground to better control (S). Upon taking (S) to the ground, (S) hit his head on the raised curb of Marysville Blvd / Grand Ave (S/E corner) rendering (S) unconscious. Officers immediately transitioned to providing (S) first aid and controlled (S)'s body/head until SFD arrived on-scene to take over rendering first aid and transporting (S) to the hospital.

Author: **4421 - JAMES, GREGORY 0965**

Subject: **JAMES 965**

Related date/time: **Sep-06-2020 (Sun.) 1955**

On 09/06/2020 at approximately 1600 hours I, Officer James #965, was dispatched to 3810 Marysville Blvd (Rainbow Market) regarding a robbery in progress. The text of the call related that there was a male on scene who had jumped over the counter and attempted to batter the worker. Multiple updates came in that were broadcast via the radio, that the male left and returned multiple times and continued to try to engage the employees in a fight. The broadcast description of the suspect was a male black in his 30's wearing no shirt and black pajama pants. The complainant further advised, the suspect had stated he had a weapon. I arrived on scene at approximately 1602 hours.

I was driving a fully marked Sacramento Police patrol SUV equipped with overhead read and blue flashing lights and a solid burning forward facing red light, a siren, and an in car camera. I wore full police uniform and was equipped with a body worn camera. My body worn camera and in car camera were activated.

At this point, based on call details and updates, the following was believed to be true:

1: The suspect had committed a successful 211 PC or 664/211 PC (Both felony crimes) as it is not common that patrons or customers jump behind store counters.

2: The suspect had already shown a propensity to be violent in multiple encounters and attempted fights with the staff at the store.

3: The suspect had stated he was armed with some sort of weapon which he threatened use of toward employees which also presented a danger of death or great bodily injury toward officers.

As I drove my patrol car east on Grand Ave approaching Marysville Blvd, 3SM2 (Sgt Jarvis #3022) advised over the radio that he had eyes on the subject and that he was proceeding south on Marysville Blvd on the east side of the street. As I came up to the intersection, I observed Sgt Jarvis' patrol vehicle facing west just east of the intersection. I also observed a male black in his 30's

wearing no shirt, pajama style black sweat pants with short dreadlocks and facial hair. He was standing on the sidewalk near the south east corner of the intersection of Grand Ave and Marysville Blvd. He was holding a gray and maroon tall can of Mikes Hard Lemonade in his left hand.

As I drove through the intersection, I pulled up to the curb and activated my overhead forward facing solid burning red light. The suspect was positioned directly in front of my patrol vehicle and appeared to be looking at me. As I exited my patrol vehicle, The subject began backing away still facing and watching me. Based on my training and experience, I believed this was a sign that he was attempting to gain distance between us to either prepare an attack, or flee from me. As this unfolded, Sgt Jarvis pulled up behind the subject along the curb to mitigate an escape route. At this time, the suspect appeared to not know that Sgt Jarvis was there and continued backing away, looking at me, toward Sgt Jarvis who had exited his patrol car.

During this time, I called out to the suspect and told him to drop the can of alcohol which he did not comply with. If full and unopened, I believed the heavy can could be used to strike officers. The suspect then noticed Sgt Jarvis and turned toward him and began walking backward away from us and into the intersection. It was my belief that in trying to separate himself, he was buying himself time to come up with a plan to either attack officers or flee but had not seen an opportunity to do so or made up his mind yet. Sgt Jarvis was close to the suspect as we entered the street and while the suspect was focused on Sgt Jarvis, I quickly moved toward the suspect and grabbed hold of his right wrist and attempted to obtain a two-handed rear wrist lock while Sgt Jarvis dealt with the suspects other hand.

The suspect immediately tensed his arms and began actively pulling away from myself and Sgt Jarvis. I told the suspect to put his hands behind his back twice, which he did not comply with. I broadcast on the radio that we were out with the suspect and were fighting with him. The suspect pulled away from me to face Sgt Jarvis and I pulled out handcuffs but quickly realized, due to his level of active resistance, I would not be able to handcuff so I discarded them on the ground. The suspect was now facing Sgt Jarvis actively pulling away from us and saying "no" out loud. His hands were still down near his pockets which had not been searched and could have been concealing potential weapons to be used against officers.

I made contact verbally with Sgt Jarvis and said that I would like to take him to the ground. On the ground, it would allow officers a better platform to control the suspects movements and access to hidden weapons that he may have. Sgt Jarvis acknowledged me and agreed. I kept hold of the suspects right wrist with my left hand and grabbed him on or about the right shoulder with my right hand to attempt a departmentally approved shoulder throw take down.

In the course of the take down, due to our positioning in the street, as the suspect fell to the ground, the right side of his head struck the sidewalk on or about the square curb. After this, all fighting and resistance ceased, and the suspect became limp. Sgt Jarvis and I rolled him to his back and I observed that he was still breathing but appeared to be unconscious. At this time, Sgt Jarvis called for code three fire and advised them clear to enter. We place the suspect on his back to provide medical aid in the mean time. I saw that Sgt Jarvis moved toward the suspects head and began providing C-spine stabilization due to the mode of injury. I grabbed the suspects left wrist and found that he had a strong and rapid radial pulse.

As the suspect began to regain consciousness he began to speak and identified himself to me as Stephen Hervery (09/13/1987). Sacramento Fire Truck 17 and American Medical Response 803 arrived and began tending to S-Hervery. He became un-compliant with them and in order to provide more adequate care I assisted fire personnel with soft restraining S-Hervery to the gurney. Once at the hospital, S-Hervery continued making threats against the lives of everyone around him. Officer Oldes arrived and took over hospital watch.

On 09/06/20, I, Officer Jarvis was assigned to the office of Operations as a patrol supervisor. I was working as 3SM2 in Northeast area of Sacramento (District 2). I was working in full police uniform equipped with body worn camera. I was driving a fully marked Sacramento Police patrol vehicle equipped with an in-car-camera.

At approx. 1558 hours, I responded to the Rainbow Market at 3810 Marysville Blvd regarding reports of a Robbery in progress. The caller stated that a subject had jumped over the counter and tried to fight an employee. It was unclear what the suspects motive was when he jumped over the counter. The suspect was described as a male black in his 30s, with medium build, no shirt and black pajama pants. The complainant stated the subject claimed to have a weapon, but none was seen.

I was only a few blocks away and waited for an additional unit one block to the east. I activated both my body worn camera and in car camera (though the ICC system might have still been logged in under Sgt Hunkapillar).

Follow Up Report # SA 1

At approx. 1604 hours, I observed a MBA, later identified as Stephen Hervery, exit the Rainbow Marked Parking lot. He was in his 30s with muscular build, no shirt, and black pants consistent with pajama bottoms, matching the description. He walked to the south east corner of the intersection.

Officer James arrived from the west on Grand Ave. Officer James activated his vehicle lights and pulled to the curb. Hervery's attention was focused on officer James. I pulled over behind Hervery and exited my vehicle. Hervery appeared to not notice that I was there.

Officer James began walking toward Hervery. Hervery began walking backward (east) away from Officer James and looking around. I feared that Hervery might be preparing to run or fight. When Hervery was only a few feet from me he turned and saw me behind him. He immediately changed directions and moved to the north into the street.

However, I was within arms reach of Hervery and I reached out and grasped Hervery's left arm in a position of escort, which is the Sacramento Police Departments least intrusive control hold. At the same time, Officer James grabbed his other arm. Hervery immediately began tensing his arms and resisting my efforts. I attempted to transition to a twist lock on Hervery's left arm which would give me more control over Hervery.

Officer James ordered Hervery to put his hands behind his back. Hervery continued resisting and stated, "no I'm not."

As Hervery was a strong individual, he was able to rotate his arm out of my twist lock using strength. I spun under his arm attempting to regain leverage on the twist lock. My hope was to regain control of Hervery with the twist lock so that Officer James and I could use the least amount of force necessary and handcuff him in the standing position. I was able to gain momentary torque and control from the twist lock. However, once again, Hervery was able to use strength to rotate his hand out of my hold.

Hervery spun toward me had his chest against mine. My back was to the street. I know that combatant subjects have an increased chance of injury when they are standing. I know that when is a subject is as strong and especially when

they begin to spin around as Hervery was and did, it is difficult for officers to control or handcuff them in the standing position.

I was also concerned that the struggle would move farther into the street and we could all be subject to increased danger from vehicle traffic.

Officer James suggested we take Hervery down to the ground. I agreed. Officer James grabbed him by the shoulder to attempt the shoulder throw take down. I attempted to control his upper body but lost my balance due to the suspects resistance.

Hervery landed with his shoulder in the street gutter and his head struck the corner of the curb. Hervery immediately became unresponsive. Upon seeing Hervery's condition, I immediately requested a medic code 3.

I moved into a position to hold in-line spinal stabilization and monitor his airway. Officer James checked Hervery's radial pulse which was strong.

Officer Patterson #943 arrived and conducted a search of Hervery for weapons.

Multiple additional units arrived at the scene.

I had an officer take my position providing medical aid for Hervery.

Officers contacted the victim and advised that the subject was arrestable for a violation of 422 PC.

I had responding officers canvass the area for witnesses and cameras.

Fire arrived and transported Hervery to Mercy San Juan. An officer rode in the ambulance with Hervery.

CSI was requested to respond to the hospital to obtain photographs of Hervery.

On 09/06/2020 at approx. 1625 hours, I, Ofc. Patterson #943 contacted W-[REDACTED] and obtained his statement. My body worn camera was activated and recording, W-[REDACTED] stated the following in summary:

I was inside the Rainbow Market a few minutes ago and that guy was inside as well. He is a male black adult with no shirt and short dreads with stuff inside. I was in line and he jumped up onto the counter and tried to fight staff, he was escorted out but then came back in. He tried to get over the counter by going under the Covid partitions on top of the counter. He was yelling "give me a black and mild". He had bad behavior and was acting weird. I didn't see him hit staff.

The worker there dragged him off the counter by his foot and took him outside. I didn't see what happened after that.

End of Statement.

He was swinging at one and they stopped. When it stopped, he walked up to it and it sped off as he begun swinging at it.

Then I saw the officers swoop in, one behind and one in front. He was swinging his arms around, the officers each grabbed one arm and brought it behind his back. I saw the guy get "frisky" with officers and begin swinging his arms around. The officers took him to the ground and he fell down, he kept swinging his arms and being frisky. On 09/06/2020 at approx. 1605 hours, I, Ofc. Patterson #943 was responding to the area of Marysville Blvd and Grand Ave. My body worn camera was activated and recording. Per the text of the call, a male black adult in his 30's, no shirt, wearing PJ pants was trying to fight employees. 3SM2 was on scene in the intersection with 1C24 and I heard them state that they were fighting with one.

I activated my emergency overhead lights and responded "C3" to the intersection from a block west on Grand Ave.

As I arrived on scene, I observed 3SM2 and 1C24 attempting to hold a male subject still on his back, the subject (later identified as Hervery, Stephen), appeared to be convulsing and having a medical episode. Upon arrival, I initially thought that he was having a seizure based on his erratic convulsions.

He was laying in the street near the edge of the curb and I attempted to hold is right hand by his side oer 3SM2's instructions so as to prevent him from thrashing around on the street in close proximity to cars.

I remained on scene holding his arm as well as his legs gently down due to him kicking his legs multiple times.

After more units arrived on scene and fire took over attending to S-Hervery, I begin conducting a canvas for witnesses in the area.

I contacted the business at 3750 Marysville Blvd which did not have cameras outside and the employee's did not see anything.

I located a POD camera in the intersection of Marysville and Grand Ave's that was located on the North/West corner of the intersection and appeared to face South/East toward the same corner of the intersection where the altercation occurred. I notified 3SM2 of the POD camera.

He (Hervery, Stephen) has come in five times today and each time he is always an issue. He will set beer down on the counter and try and pay for it but we just take the beer and give him his money back. He finally lost it and started to threaten me and my co worker. He said I got a weapon and I got something on me. After he said he possibly had a weapon, that's when I started to call the police.

As I was calling he jumped on the counter and keep threatening myself and my co worker. He kept saying I'll mess you up and come outside ill beat you up. I thought the threats were credible because he said he was going to assault us and then jumped on the counter and tried to hurt us.

He is always doing to this to us. It isn't right. I want to press chargers.
