REQUEST FOR BAIL ENHANCEMENT

(P.C. 1269c)

I, Officer J. Cummings #1017, a peace officer employed by Sacramento Police Dept (Agency), hereby make this application for the setting of a higher bail in the above-entitled matter.

I have arrested Keith Kelly 08/24/21 xref: [REDACTED] without a warrant, in the County of Sacramento for the crime of 17070(A), 17032, 75800, 303.05 PC. The amount of bail set forth in the bail schedule is \$ 100,000.00.

For the reasons set forth below, I have reasonable cause to believe that the amount of bail set forth in the schedule of bail for the offense charged is insufficient to assure the above-named person's appearance. The facts and circumstances in support of my belief are as follows: S-kelly is on active probation, during an incident to arrest which included 8 grossly negligent discharges of a firearm by Felon S-kelly, S-kelly brandished and pointed a firearm than no less than 4 officers. During a search, an additional firearm was located in his vehicle w/ additional firearm pieces. A search of his home, showed S-kelly had parts to manufacture firearms and sell them.

I declare under the penalty of perjury that the foregoing is true and correct.

#### EXAMINATION OF SOURCE OF BAIL

(1275 PC DECLARATION)

THE PEOPLE OF THE STATE OF CALIFORNIA vs.

Defendant: Keith Kelly

X-Ref No. [REDACTED]

AKA's: NA

CASE NO.: 20-301051

CHARGE: PC 417.8, 12020(A), 1203.2

CUSTODY NO.: NA

Based upon the facts set forth below, there is reason to believe that the defendant may proffer the proceeds of the felonious activity as bail in the present case.

- Defendant is under arrest for a drug trafficking crime
- Bail has been set at \$ 1 million
- The charges involve the seizure of a significant amount of drugs: (type) \_\_\_\_\_ (amount) \_\_\_\_\_
- There is other evidence of defendant's involvement in drug trafficking; (specify — i.e., pay/owe sheets, etc.) \_\_\_\_\_

RECEIVED  
OCT 13 2020

- Defendant is accused of multiple counts of sale of drugs.  Cash in the amount of \$ \_\_\_\_\_ and/or assets valued at approx. \$ \_\_\_\_\_, were seized from the defendant.
- Defendant has no known legitimate source of income.
- Defendant's known legitimate source of income appears insufficient to post the required bail.
- Other facts: S-Kelly was in possession of multiple firearm parts and over \$1000 in stolen money. S-Kelly is a felon who was in possession of no less than 2 firearms

Compliance with P.C. 1275 would be facilitated by a hearing to ensure that the source of any bail or premium posted by defendant was not feloniously obtained.

I declare under penalty of perjury that the foregoing is true and correct. J. Cummings #1012 10/10/20  
(declarant) (date)

#### MAGISTRATE'S ORDER (1275 P.C.)

If bail is tendered in this case for this defendant, the Sheriff of Sacramento County shall bring the defendant and the offered bail to the appropriate magistrate for a hearing pursuant to P.C. 1275. The defendant shall not be released until the magistrate has approved the proffered bail.

Related date/time: **Oct-10-2020 (Sat.) 2259**

On 10/10/2020, at approx 1530 hours, I, Ofc Cummings #1012, and my partner Ofc Patterson #943, as 2C25, in a marked patrol vehicle, in a patrol uniform, both of which identify us as Sacramento Police Department Police Officers were dispatched to the location of [REDACTED] Congress Avenue. Per the text of the call there was a male, Hispanic/white, adult who had fired multiple rounds outside of the home and had retreated into the home of [REDACTED] Congress Avenue. In addition, while enroute to the call, a shotspotter activation notified responding units that 5 gunshots had been detected in the vicinity of the front yard of [REDACTED] Congress Ave. I arrived on scene and observed the following in summary;

Officers evacuated housing surrounding the area including the victims of [REDACTED] Congress Aveunue.

The suspect inside the home was identified as Suspect-Keith Kelly.

SPD provided multiple lawful commands for a prolonged amount of time. During this time, S-Kelly was visually and auditory observed to be inside the home yelling incoherently.

S-Kelly eventually exited from the east side of the home completely nude while holding a cellphone in his hand. S-Kelly began to yell about religious beliefs. During attempted crisis negotiation with S-Kelly, S-Kelly began to stroke his penis a multitude of times while being given commands.

S-Kelly ignored lawful commands and retreated back into the home. While inside the home, SPD heard no less three gunshots within the home.

SPD again continued to give lawful commands for a prolonged amount of time. Eventually, S-Kelly exited the home from the east side of the home, completely nude, holding a silver and black firearm in his right hand and a cellphone in his left hand.

S-Kelly appeared to be talking to someone on the phone and began to use his phone to broadcast to social media about his whereabouts.

S-Kelly held the firearm down to his side while yelling about government conspiracies and religious beliefs. Due to his slurred words, erratic behavior, and incorporative attitude, it appeared that S-Kelly was under the influence of a narcotic.

S-Kelly continued to brandish the firearm in front of no less than 10 officers on scene. During this scene S-Kelly raised the firearm in which the barrel of the firearm pointed towards no less than 4 officers on scene.

S-Kelly's behavior made me in fear for my safety and the safety of all additional person in the vicinity of S-Kelly. I felt S-Kelly had exhibited to be a danger to my safety and life, the safety and life of all persons on scene, and the safety and life of himself.

S-Kelly had demonstrated that he was comfortable with a firearm, comfortable discharging a firearm multiple times, and was comfortable with brandishing a firearm and pointing it towards multiple officers. In addition to his behavior I felt that was attributed to drug use, I grew in more fear for my life.

S-Kelly dropped the firearm after multiple commands and began to refuse officers commands for detainment.

S-Kelly was impacted with less lethal rounds and a SPD canine was utilized in his detention. S-Kelly began to attempt to use his hands and body as personal weapons against SPD canine and arresting officers.

S-Kelly was placed in maximum restraints for the safety of medical personnel and transported to Mercy San Juan where he was accompanied by SPD officers.

I assisted in clearing the home of additional threats and maintained inside the home to assist in the location and collection of evidence. My investigation produced the following evidentiary pieces;

1 unused needle; located inside the home, west of the front door, in a basket on top of the microwave

1 uncapped needle with a brown liquid substance in it; located inside the home, west of the front door, in a basket on top of the microwave

1 orange prescription bottle filled with white oblong pills in it; located inside the home, west of the front door, on the windowsill overlooking the front yard

3 Winchester 45 Auto spent shell casings; located in the east side of the home, in a small bathroom, on the bathroom floor

1 Camouflage backpack; located in the east side of the home, in a small bathroom, on the bathroom floor

1 black extended magazine with 19 live 9mm rounds inside of it; located in the east side of the home, in a small bathroom, inside of the camo backpack

wet clothing; located in the east side of the home, in a small bathroom, on the bathroom floor

During a search of the home, I discovered a hole in the wall located outside of the bathroom that appeared to have penetrated the door. There were approx 2 more additional holes similar to it in the door which were documented by CSI.

CSI was called to the scene and took photos of the scene.

Myself and Ofc Patterson booked our findings at 555 Sequoia Blvd.

Ofc Patterson and I continued to Sacramento County Main Jail to assist Ofc Perez #749 and Ofc Panen #676 with the booking of S-Kelly due to him attempting to flee and fight with them at the hospital.

S-Kelly was refused to be admitted to jail by jail staff nurses.

Myself and Ofc Patterson transported S-Kelly back to Mercy San Juan to complete the appropriate paperwork. During the transport to the hospital, S-Kelly slid his cuffed hands from behind his back to the front of his body.

After obtaining the proper paperwork, myself and Ofc Patterson went to adjust the handcuffs of S-Kelly. While attempting to adjust the handcuffs of S-Kelly, S-Kelly attempted to flee from the vicinity. Ofc Patterson assisted S-Kelly to the ground in which caused me to fall on top of S-Kelly. At the time, S-Kelly had a handcuff on his left hand with the handcuff attachment dangling from his wrist. S-Kelly began to thrust his body in multiple manners while drawing his left hand towards Ofc Patterson's head. I contained S-Kelly's left hand, above his head and maintained my position on his body in attempt to stop him from getting up or using his legs as weapons.

I broadcasted that myself and Ofc Patterson where fighting and requested for Code 3 cover. I additionally requested that security on scene be dispatched to us. I also asked a bystander who was walking by to locate security for me.

Ofc Patterson began to exclaim that S-Kelly was reaching for his baton, and began to work on containing S-Kelly's right hand again. During this, I released S-Kelly's hand in attempt to grab the empty cuff in which S-Kelly began to use his strength, clench his hand and move it towards myself and Ofc Patterson.

A nurse assisted in the retention of S-Kelly's hand. Ofc Patterson and I maintained our positions until additional units arrived on scene. With the assistance of additional units, S-Kelly was properly handcuffed and placed in the back of the patrol vehicle.

1SM1, Sgt Lamar was notified of the updates. Both Ofc Patterson and myself had sustained injuries to our knees.

Author: **4621 - PATTERSON, CALEB 0943**

Subject: **PATTERSON #943**

Related date/time: **Oct-11-2020 (Sun.) 111**

On 10/10/2020 at approx. 1530 hours, I, Ofc. Patterson #943 along with my partner, Ofc. Cummings #1012 responded to a report of shots being fired by a subject in the vicinity of [REDACTED] Congress Ave. (See Ofc. Cummings Observations for a description of the events). My body worn camera was activated and recording:

After detaining the suspect (identified as Kelly, Keith). Officers canvassed the scene for casings and witnesses (see additional supplements).

I recovered the firearm used by S-Kelly that officers witnessed him holding and at one point, pointing at officers (see additional supplements for further). The firearm was located on the ground, at the front porch of [REDACTED] Congress Ave where I observed S-Kelly place it. The handgun was a semi-automatic "Glock" type handgun with a silver slide and a black, plastic "P80" receiver. There were no serial numbers on the firearm. The firearm appeared to be styled after a Glock 21 and had one live .45 cal bullet in the chamber. There was a ten round magazine inserted into the firearm and the magazine was empty. I rendered the firearm safe and secured it in my patrol vehicle.

A Mercedes ([REDACTED]) was on scene with approx. 2 bullet holes in the vehicle (See additional Officer supplements for further) The Mercedes was said to belong to S-Kelly per statements obtained by other officers.

During a search of the vehicle, multiple items of contraband including spent casings, live ammunition and 2 "80%" lower Glock Receivers were obtained (similar to the firearm already recovered). The receivers were unserialized and I know them to be commonly sold in gun stores. The receiver is a non-functioning item but once a trigger mechanism and slide are installed, will function as a firearm and not have any serial numbers present. I know this type of firearm to be illegal in California. I also know based on training and experience that it is common for criminals to fashion these (80%) firearms to avoid the background process for purchasing firearms. Based on the fact that S-Kelly was discovered to be in possession of two fully functioning and assembled "80%" firearms (details to follow) and two more ready to assemble receivers. I

believed him to be commonly manufacturing these firearms for sale or transfer. The receivers located were used for Glock style handguns.

Ofc. Oldes conducted the majority of the search on the Mercedes and see his observations for details on locations of the above items.

During a search of the same vehicle, Officers received a tip (see other officer supplement for details) on a firearm located within a hidden compartment in the Mercedes. The compartment was said to be located in the dash behind the radio. I located a hidden compartment behind the radio with a small, semi-automatic, 9MM handgun inside. The handgun had no serial number and had silver slide and black receiver. The chamber was empty and the firearm had a loaded magazine inserted into the firearm with 10 live rounds inside the magazine.

After CSI responded to the scene and took photographs of all the casings, the scene and all evidence obtained. I collected five spent, .45 cal casings located in the street in front of [REDACTED] Congress Ave. There was an additional 3 .45 cal casings located inside the bathroom of [REDACTED] Congress Ave as well.

The casings were booked at 555 Sequoia Pacific as evidence.

The following items were booked as well at 555 Sequoia Pacific as evidence:

1x 9mm live round located inside the Mercedes.

2x Expended bullets located inside the Mercedes.

1X 10 Rd 9 MM magazine that was located inside the firearm inside the Mercedes.

1X Semi-Automatic handgun 9MM located inside the dash of the Mercedes.

2X Unfinished (80%), lower receivers for a Glock (P80).

1X live .45 cal round located inside the chamber of the firearm brandished by S-Kelly.

1X 10 RD .45 cal, empty magazine located inside S-Kelly's firearm.

1X Glock 21 style Semi-automatic handgun located on porch of [REDACTED] Congress Ave that was discharged by S-Kelly.

After booking the evidence, later in the shift, Officers responded to jail to assist in completing the booking process for S-Kelly.

After S-Kelly was rejected at jail due to medical paperwork reasons, Ofc. Cummings and I transported him to Mercy San Juan to rectify the paperwork and obtain proper medical clearance.

Enroute to the hospital, I heard a metallic noise from the rear seat of our patrol vehicle where S-Kelly was seated. We viewed our live feed for the rear seat and observed S-Kelly now seated with his cuffs in front of him, he had previously been cuffed in the rear.

S-Kelly refused to place his cuffs behind him again.

Once we arrived at Mercy San Juan, we had S-Kelly standing, facing the patrol car in the "V" of the rear door and the patrol vehicle as we placed his cuffs correctly, behind his back. As we placed his hands behind his back, S-Kelly abruptly turned toward myself and grabbed at my police vest. On my police vest, I carry a metal, expandable baton, several pens, and a radio. Due to the fact, that I knew him to have history of fighting officers, resisting arrest, and also knowing that he had previously already fought officers today. Also knowing that today he pointed a loaded firearm at no less then 4 officers and discharged approx. 8 rounds in the street and inside a residence. And based on the fact I am a approx. 150 pound male and my partner is a 140 pound female, I was in fear of engaging in S-Kelly in a drawn out fight due to his behavior exhibited and I believed him to be attacking me instead of attempting to flee. Based on that belief and great fear for my safety I grabbed S-Kelly by his shoulders and pulled him to the ground causing him to fall on his back. I placed my body on top of his chest and applied pressure to his chest to

prevent him from standing back up. At this time, I observed his right hand gripping my baton located on my vest. He removed the baton approx. 2-3 inches from my baton sheath. Again, based on the previous comments, I feared that he would remove my baton and cause me great bodily harm or death. Due to me being chest to chest with S-Kelly and I was unable to reach my CED, gun or any other weapons systems. I also was using both of my hands to control his hand that was attempting to withdraw my baton. Instead, I pressed my vest against his head, blocking his vision and controlling his hands until additional officers arrived on scene and assisted in detaining S-Kelly again.

Hospital cleared him medically and we booked S-Kelly at Sac County Main Jail without further incidents.

I sustained a minor bruise to my left knee during the altercation with S-Kelly. CSI responded and photographed my injury.

End of Observations.

On 10/10/20, at approximately 1537 hours, OFC Schock #453 and I (OFC Smith #937) responded to the area of [REDACTED] Congress Ave to assist officers with a shooting in progress. Per the updates of the call, there was a man (later identified as suspect Keith Kelly) in the residence who had a gun. Additional updates advised that (s) Kelly was shooting the gun and still had it.

Upon arrival, OFC Schock and I took a perimeter position at Congress Ave/ Belden St to prevent vehicular traffic from traveling near the residence. Officers were already on scene both in front of and behind the residence.

I readied my department issued 40mm less-lethal impact weapons system and joined the primary contact team of officers positioned near the front of the residence. While at this position, I observed (s) Kelly emerge from the front door of the residence wearing no clothing. He appeared to be distraught and visibly upset. I did not observe a firearm in his hands. (s) Kelly then retreated back into the residence where I could no longer observe him.

HNT Officer Flure #942 was continually making requests for (s) Kelly to peacefully contact officers to de-escalate the situation and reach a solution via the patrol vehicle microphone system. Her announcements and requests were loud and audible. The front door and front window of the residence were open.

I then observed (s) Kelly later emerge from the east side door of the residence. He appeared to have a camo designed backpack slung over his shoulder and was wearing a face mask. (s) Kelly then retreated back into the residence again, out of my view.

The Bear Cat armored police vehicle arrived on scene and officers moved into behind it for additional ballistic protection. While behind the Bear Cat, (s) Kelly emerged from the east side door of the residence holding a cell phone to his ear with one hand and holding a firearm down at his side in the other hand. He appeared to be visibly agitated and upset. He then retreated back along the east side of the residence out of my view. The Bear Cat moved forward in front of the residence where officers established a contact team which included K-9, less lethal force options and lethal force options.

(s) Kelly then emerged from the shed located on the south east corner along the east side of the residence holding a firearm in his hand and began to walk toward the front of the residence near the front door. (s) Kelly dropped the firearm near the front of the residence and began to follow officers announcements and commands to walk backwards towards officers for handcuffing.

Officers then advised (s) Kelly to remain where he was and to get on the ground. (s) Kelly did not comply with those commands. Because the firearm that he dropped was still unsecured, there was still a concern that if (s) Kelly was to flee, he would be able to obtain that weapon before officers could react. There was also a vehicle in the driveway and vehicles on the street that posed as potential obstacles between officers and (s) Kelly. It was unknown at the time if those nearby vehicle were locked or unlocked which could have posed a complications in apprehending (s) Kelly should he have fled and barricaded himself in a vehicle or been able to access additional possible weapons in those vehicles.

In light of these considerations, officers of the contact team deployed overwhelming less lethal force options including K-9 on (s) Kelly. I announced "impact" aimed my less lethal impact weapons system toward (s) Kelly's lower

torso as to not impact his head or other vital organs. I deployed a single impact round, which struck (s) Kelly in his torso as less-lethal beanbag rounds and K-9 was deployed.

Myself and officers of the contact team quickly closed the distance on (s) Kelly who fell onto his hands and knees, with his hands on the K-9's head, pulling him. (s) Kelly continued to tense his body and resist handcuffing.

Officers were able to place (s) Kelly in handcuffs and max restraints as he was talking incoherently and cursing, still in an aggravated state.

Officers then conducted after force care for (s) Kelly as he appeared to be bleeding from his head. Medics arrived shortly after to continue care and treatment to (s) Kelly. (s) Kelly was subsequently transported by medics and accompanied by officers for further treatment.

On Saturday, 10/10/20 at approximately 1533 hours, Ofc. Panen #676 and I, Ofc. Perez #749 were dispatched to [REDACTED] Congress Ave regarding a felony assault with a firearm. Per the text on the call, there was a male Hispanic adult, 30s, wearing a green hat, with a gun. The complainant advised the subject was shooting. An additional caller (SPD # 20-301053) advised that the subject was shooting down the street. My body worn camera and in car camera were on and recording. I was wearing full police uniform and driving a marked patrol vehicle. We arrived at approximately 1533 hours and observed the following in summary:

(It should be noted that my body worn camera turned off for a brief moment during this incident)

Prior to our arrival, (SPD# 20-301056) a 5 round shotspotter activation was detected at [REDACTED] Congress Ave.

We arrived at Congress Ave / Belden St and deployed my rifle. Subjects advised that the armed subject was at [REDACTED] Congress Ave.

The complainant and multiple subjects advised that all other occupants were outside of the residence, except the subject with the gun.

I took a perimeter position and watched the front door of [REDACTED] Congress Ave. At approximately 1536 hours, I observed a male subject (later identified as Keith Kelly X- [REDACTED]) that was completely nude standing at the door way of the front door with an object in his hand. I observed S-Kelly point a black handgun directly towards my location and then retreat back into the house, to the east side of the residence.

S- Kelly remained barricaded inside of the house. While S-Kelly was out of sight, three loud bangs were heard from inside of the residence that were possible gunfire.

S- Kelly walked out of the house with his phone in one hand and a black handgun point to his head. S-Kelly was given commands to drop the handgun. S- Kelly dropped the handgun and walked towards officers but was not complying with commands. Officers deployed overwhelming less lethal (see supplement for details).

I assisted officers in placing S- Kelly in handcuffs and max restraints. Officers began rendering medical aid.

Medic 111 / Engine 17 later arrived on scene and took over medical aid. S-Kelly and Ofc. Panen transported with Medic 111 to Mercy San Juan Medical Center located on 6501 Coyle Ave. I followed in my patrol vehicle.

S-Kelly was handcuffed to the hospital bed while being treated for his injuries. After S-Kelly was cleared fit for incarceration by medical staff, Ofc. Panen and I attempted to place him in handcuffs with his hands behind his back. While removing the handcuff from his right wrist, S- Kelly pulled his arm away and attempted to stand up in an aggressive manner. S- Kelly was placed in

handcuffs. S-Kelly continued to be verbally uncooperative and non-compliant with officers commands.

Officers were able to deescalate the situation and place him on a wheelchair. While wheeling S- Kelly out of the hospital doors, S-Kelly actively attempted to flee from officers by attempting to run away. Ofc. Panen grabbed S-Kelly and forcibly placed him on the ground. With the assistance of firefighters and medical staff, S- Kelly was placed in the back of our patrol vehicle.

I observed that Ofc. Panen had received an injury in result to this incident. Ofc. Panen had an abrasion to his left forearm that was approximately 2.5 inches in length and 2 inches in width (see supplement for more details).

S- Kelly was transported to the Sacramento County Main Jail. S- Kelly was considered unfit for incarceration by medical staff at jail. 2C25 (Ofc. Cummings #1012 and Ofc. Patterson #943) took custody of S-Kelly from Ofc. Panen and I.

S-Kelly walked out of the residence and proceeded to the east side of the yard outside of the house. I observed Ofc. Terman (K96) and a contact team attempt to take S-Kelly into custody.

I assisted in taking S-Kelly into custody. I attempted to control S-Kelly's right arm. S-Kelly tensed his arm and pulled away from me. I utilized an arm extraction and placed S-Kelly's right arm behind his back. S-Kelly was placed into maximum restraints by officers. Officers rendered medical aid to S-Kelly.

Sacramento Fire arrived on scene and took over medical aid to S-Kelly.

I rode in the Sacramento Fire medic transport with S-Kelly to Mercy San Juan Medical Center located at 6501 Coyle Ave.

S-Kelly received medical attention from hospital staff. Ofc. Perez and I placed both S-Kelly's hands in handcuffs to both sides of the hospital bed while he received medical treatment. The maximum restraints used on S-Kelly were cut off by hospital staff.

I attempted to advise S-Kelly of his Miranda Rights. S-Kelly was verbally uncooperative and refused to make a statement.

Ofc. Perez and I attempted to place S-Kelly's hands back in handcuffs behind his back. S-Kelly physically pulled away his right hand when Ofc. Perez removed the handcuff from the hospital bed. I utilized a two-handed rear wristlock and placed S-Kelly's right hand behind his back. We handcuffed S-Kelly and placed him in a hospital wheel chair.

We pushed S-Kelly out into the parking lot in the wheelchair, towards our patrol vehicle. Immediately after exiting the emergency room door, S-Kelly stood out of the wheelchair and attempted to run away from officers. I grabbed S-Kelly's right arm and prevented him from running away. Sacramento firefighters and hospital staff assisted Ofc. Perez and I.

On Saturday, 10/10/2020 at approximately 1530 hours, I, Officer Terman #879 and my partner K9 Ranger responded to [REDACTED] Congress Ave regarding an assault with a deadly weapon in progress call. I was dressed in full Police uniform, driving a marked SacPD K9 SUV. Details on the call indicated that the complainant was cleaning at [REDACTED] Congress Ave, a rental house when she observed a subject with a gun outside. The subject was described as "MH30's, 5'8"/MED, GRN HAT". The complainant advised that the described subject was inside of [REDACTED] Congress Ave. After approx. 1 minute, additional updates indicated that the complainant could hear the subject shooting the gun inside of the house. A duplicate caller advised that the subject was shooting the gun down the street. Additionally, there was a ShotSpotter activation of 5 rounds to [REDACTED] Congress Ave at approx. 1528 hours. 3SM1 (Sgt. Lannom) ordered units to respond code 3. I responded code 3 to Los Robles Blvd (street to the south of Congress Ave) to take a position in the neighboring backyard. Just prior to arriving on scene, Officers who had just arrived at [REDACTED] Congress avenue advised via radio that the subject (later identified as Keith KELLY) had exited the front door with a gun in his hand and was pointing it at Officers. He then returned into the house. Additionally, it was determined based on witnesses on scene that all other subjects had safely exited the residence and that KELLY was the only subject inside. Once I arrived on scene, Officer Yasonia, K9 Ranger and I

took a rear containment position in the backyard of [REDACTED] Los Robles.

\*\*\*My bodyworn camera and in car camera were activated for this incident\*\*\*

While in the backyard of [REDACTED] Los Robles, I heard loud yelling and banging consistent with items/the residence being vandalized from inside of [REDACTED] Congress Ave in addition to what sounded like gunfire. After approx. 5 minutes, Officers at the front advised that KELLY had emerged from the side-yard, was nude and had nothing in his hands. Ranger and I moved to meet the contact team at the front of [REDACTED] Congress Ave. At this point, Sgt. Lannom advised via radio that if KELLY made it past the line of demarcation (which was approximately 15 yards from the front door) and attempted to flee back into the residence, that overwhelming less lethal was authorized to safely take KELLY into custody. Officers then updated via radio that KELLY had fled back into the residence and appeared to be running towards the back. K9 Ranger and I moved back to the backyard of [REDACTED] Los Robles Ave.

After several minutes, K9 Ranger and I returned to the front where we remained for the duration of the incident. It should be noted that there was smoke coming from within the house indicating that KELLY may have been lighting items on fire inside. While at the front, with a contact team, KELLY emerged once more from the side-yard. He had a gun in his left hand and a cell phone in his right hand. KELLY appeared agitated and continued to refuse to follow Officers commands. KELLY walked back into the backyard and left my view.

At this point I re-assessed the reactive authority and line of demarcation with Sgt. Lannom. Authorization was given by Sgt. Lannom that if KELLY were to cross the line of demarcation (back of a white Honda accord parked in the driveway) and fail to follow my K9 warning to get on the ground, that overwhelming less lethal force would be used to apprehend KELLY, which included deploying K9 Ranger.

After several more minutes, KELLY emerged from the side-yard armed with what appeared to be a semi-automatic type firearm in his left hand. He was holding the firearm with a firing grip down at his left side and a phone in his right hand which he had up to his ear. KELLY walked to the front porch of [REDACTED] Congress Ave at which point he set the firearm and phone down. KELLY was being given orders via PA by Ofc. Flure who was positioned to the east. KELLY began walking down the driveway with his hands up as instructed. He eventually passed the line of demarcation and stopped. Ofc. Flure ceased PA commands. I gave KELLY a K9 warning, advising "Police K9, do not run or you will be bit" then Officers began ordering him to "lay down" and "get on the ground" multiple times. I moved from my position of

cover, to have a direct line of sight with KELLY who was approx. 10-15 yards to my south. KELLY was looking directly at me, K9 Ranger and our contact team. I challenged KELLY with K9 Ranger by giving KELLY no less than (2) two K9 warnings in which I stated "Get on the ground or you will be bit". It should be noted that Officers at [REDACTED] Los Robles later advised that they were able to hear these orders. KELLY made no attempt to get on the ground as ordered clearly multiple times over an approx. 15 second time span, and made a north eastern movement towards the sidewalk, away from the contact team. I heard an Officer behind me yell "impact" as less lethal munitions were deployed per reactive authority, nearly simultaneously I directed K9 Ranger to apprehend KELLY based on the following facts that were known to me at the time:

- KELLY was wanted for felony 245 PC (assault with a deadly weapon) on an Officer, misdemeanor 246.3 PC (negligent discharge of a firearm) and misdemeanor 148 PC (resisting, delaying, obstructing Officers)
- KELLY showed an extreme amount of resistance towards Police by refusing to follow Officers lawful orders for over 30 minutes
- KELLY had unrestricted access to the home and any other weapons (conventional/unconventional) that may be inside
- Use of K9 in an overwhelming less lethal situation would help ensure the safety of Officers tasked with apprehending KELLY if K9 was not utilized
- KELLY made no attempt to comply with numerous commands to prone himself out and had access to a presumably loaded firearm within 15 yards of where he was standing
- KELLY clearly had the ability to understand and follow commands as he followed Ofc. Flure's commands to walk down the driveway with his hands up. This further substantiated his conscious effort towards non-compliance with subsequent orders to get on the ground
- KELLY had demonstrated a propensity towards extreme violence and indifference towards the safety of the public by discharging the firearm within the home numerous times as well as pointing the firearm at Officers during the onset of the incident
- KELLY posed an extreme danger to the public if he was not apprehended with the use of a police K9 due to the abovementioned facts and circumstances

As the less-lethal munitions hit Kelly I gave K9 Ranger the command to apprehend him. KELLY began to fall towards the ground when K9 Ranger made contact with the top of his head. I quickly moved up towards KELLY with an arrest team of 3 other Officers to attempt to take him into custody. As we approached KELLY, I observed him violently resisting K9 Ranger by kicking and grabbing him. KELLY appeared to be trying to stand up as he was fighting K9 Ranger off of him. K9 Ranger continued to apprehend KELLY on

his head as I ordered KELLY to stop fighting my dog and to get on the ground. KELLY continued to violently resist K9 Ranger as the contact team began to physically contact KELLY and assist with detaining him. KELLY also violently resisted and struggled with the arrest team upon contact. I gained positive control of K9 Ranger and removed him from KELLY. Officers continued to struggle with KELLY for a short time but were able to detain him in handcuffs and max restraints.

I coordinated getting Fire Paramedics on scene for medical treatment of KELLY's injuries. Additionally, I coordinated getting KELLY first aid via Officers on scene prior to Fire Paramedics arrival.

KELLY obtained dog bite injuries consisting of:

- Punctures, rakes and evulsions to his scalp
- Punctures to his right leg

Sac Fire Engine 17 and Sac Metro Fire Medic 111 arrived on scene. KELLY was transported to Mercy San Juan ER for treatment by Sac Metro Fire MEDIC 111.

I attempted to obtain a statement from KELLY regarding the K9 deployment while he was being treated by Fire Paramedics, KELLY was extremely agitated and incoherent.

CSI photographed KELLY's injuries while he was at Mercy San Juan.

A neighborhood canvass was conducted by patrol officers. Witness and suspect statements were taken by patrol officers.

KELLY was eventually booked for numerous felony weapons charges, 417.8 PC brandishing a firearm at a police officer, 600(a) PC malicious harm or assault of a police dog, as well as 69 PC resisting, delaying and obstructing an officer.

Sgt. Thompson (K9SM9) was advised of the circumstances of this incident.

It should be noted that this report is a summary of the incident. For exact or specific details please see my body worn camera.

On 10-10-2020 at approx 1600 hours I, Ofc. Powers #1037 contacted [REDACTED] in front of her residence of [REDACTED] Congress Ave and obtained her statement. My body camera was activated. [REDACTED] stated the following in summary.

Today, around 2 PM, Keith came by my house to drop off my tattoo gun. I have known him through a friend of a friend because I am a tattoo artist and I have a lot of clients, for about a year now. I do not talk to him regularly and only know him as Keith.

When he came to drop off my tattoo gun, he drove up in that Mercedes parked in front of [REDACTED] Congress Ave. I saw him driving it.

He was acting really weird and I do not know what he was on. He was not making any sense. I told him he needed to go because he was acting so weird.

I saw him walk around for a while on his phone. He does not live here on this street. I do not know where he lives, but I know he does not live here.

I went back inside my house and was just hanging out listening to music when I heard like three gunshots.

I looked out my front window and saw Keith, naked from the waist down and holding a handgun. I do not know where he got the gun. He was just screaming and not making any sense

I saw the police show up and heard them talking on a microphone, but could not tell what was being said.

I could not see very well because there were so many police cars but I saw police with weapons out and the dogs. Keith was still yelling.

Later in the day, I re contacted [REDACTED] via cell phone. My body worn camera was activated. [REDACTED] stated the following in summary.

I just noticed that I did not get my tattoo gun back from Keith, and now I am missing a green Crown Royal bag that had \$9000.00 in \$100 bills and approx. \$5000.00 in \$20.00 bills.

The bag was in the back seat of my car and I think Kieth took it. I am also missing a black wallet with a metal skull.

On 10/10/2020 at approximately 1555 hours I, Officer James #965, arrived at [REDACTED] Congress Ave to assist with an armed barricaded subject in a house. My body worn camera was activated.

Once on scene, I assisted in evacuating [REDACTED] and [REDACTED] Los Robles Blvd. I then took up a lethal cover position with my rifle on the contact team in the back yard of [REDACTED] Los Robles Blvd. I assisted here for the remainder of the incident. Officer Powers #1037 was with me. While the contact team on Congress Ave was issuing commands to the suspect to negotiate his peaceful surrender, I heard Officer Termin in the front yard, yell to get on the ground or he may be bit by a police K9.

After the suspect was in custody, Officer Powers assisted with a canvass of Congress Ave. Officer Powers contacted witness [REDACTED] at [REDACTED] Congress Ave and obtained her statement (see supplement).

At approximately 2122 hours, Officer Powers and I responded to [REDACTED] [REDACTED] in the City of Folsom to conduct a follow-up probation search.

On scene I contacted Witness [REDACTED]. W-[REDACTED] was the house owner. She identified a room in the house as being the primary room Suspect Keith Kelly slept in. The room was upstairs in the southwest corner of the upstairs portion. There is a closet along the north wall of the room. In the west side of the closet, on the ground, I found a single live 9mm Luger round. I collected the round with a gloved hand and secured it in my patrol vehicle.

I then contacted W-[REDACTED] and obtained her statement (see supplement). I then contacted Witness [REDACTED] and obtained her statement (see supplement).

I later responded to William J Kinney Police Facility where I booked the round as evidence.

Upon my arrival, I arrived on Congress Ave driving eastbound from Los Robles Blvd. I partnered up with Officer Cummings #1012 and Officer Patterson #943.

I deployed my rifle. We approached the house using the patrol vehicle as cover. Officer Patterson deployed the ballistic shield to be utilized as additional cover on top of the hood of the car. I retrieved my ballistic helmet from the trunk of my vehicle.

As officers were attempting to make contact with the suspect inside, a unit stated that they had a visual of the suspect and that he was holding a black and silver handgun. They further stated that the suspect had pointed the handgun at them.

At approximately 1551 hours, the suspect exited the house completely naked and was not holding a firearm. He was shouting at officers before he retreated inside the house.

At approximately 1610 hours, there were what sounded to be two gunshots coming from inside the house. The suspect walked out from the east side of the house holding a black and white handgun in his left hand. He was yelling and in doing so, swept the area in front of him with his handgun which pointed at myself before being pointed back at the ground.

The subject then retreated around the east side of the house, causing me to lose visual contact with him.

At approximately 1617 hours, the suspect reemerged from the east side of the house and was still holding the handgun in his left hand with a cell phone in his right.

He proceeded to walk west across the front porch, causing me to lose sight of him behind a fence. Officers stated that he had dropped the handgun, and when he walked east in front of the house, I observed that he was no longer holding the handgun.

The suspect obeyed officer's commands to drop his cell phone and then began walking backwards towards the contact team. The suspect got to the bottom of the driveway before turning around and facing officers. He then refused to obey officer's commands.

Multiple officers deployed less lethal devices. Officer Mello deployed one less lethal shotgun round from my less lethal shotgun. The suspect was taken into custody and treated for his injuries. My max restraint devices were used. Due

On 10/10/2020 at approximately 1530 hours, I (Ofc. Weltz #255) as 1B25 was working routine patrol in the area of Del Paso Heights. I wore a full Police uniform and I operated a fully marked black and white SPD patrol vehicle. At approximately 1532 hours, I responded [REDACTED] Congress Ave for a Felony Assault in progress. Per the details of the call, the Complainant stated that there was a male white adult outside shooting a gun. Shortly after our dispatch received a 5 round shotspotter activation located at the same address. All Officers were equipped with body worn cameras. My in car camera and body worn camera was activated during the investigation. I observed the following in summary:

I responded code three to the scene within policy and without an incident. Upon arriving to the scene, I took cover behind a patrol vehicle and located several people in the front yard. They pointed at the [REDACTED] Congress Ave. I advised them to come towards me. I patted them all down for weapons and told them to go to other Officers. They briefly stated the Suspect (Later identified as Kelly, Keith Xref: [REDACTED]) with the gun was inside alone. They stated that suspect does not live there and they do not know his name.

Officers began to set up a perimeter. While Officers were getting into place and designating target locations to aim on with lethal cover, I observed a white male adult completely naked holding a black and silver handgun. I observed the Suspect (Kelly, Keith) inside the house point the handgun at myself and Officer Perez #749. I observed him swing the handgun and point it at several other Officers on scene from inside the house.

The front windows and door of [REDACTED] Congress Ave were all open and Officers were able to see inside.

I advised over the radio that S-Keith was inside, naked with a handgun and was pointing the handgun at myself and other Officers. The initial pointing of the handgun at myself and Ofc. Perez happened briefly. This action was life-threatening. Life - Threatening, per the Use Of Force General Order 580.02, is defined as: Any action likely to result in serious bodily injury or death of the peace officer or another person. S-Keith had a handgun in his hand and had already fired the handgun and was now pointing the handgun at Officers for brief moments.

I observed S-Keith acting extremely irate and based off my training and experience he seemed to be under the influence of narcotics or having a mental health episode. I gave continuous commands through the vehicle's PA system for him to put the handgun down and to come outside with his hands up in an attempt to try and de-escalate the situation. S-Keith continued to be passive non-compliant by not coming outside with his hands in the air. Passive non-compliance, per the Use Of Force General Order 580.02, is defined as: does not respond to verbal commands but also offers no physical form of resistance.

Additional Officers arrived on scene and Officers coordinated a less than lethal contact team. The less lethal line of demarcation was established at the front of a Honda on the driveway. Sgt Lannom stated that if S-Keith comes out with the handgun in his hands and attempts to continue being uncooperative that overwhelming less lethal force was to be utilized. Less lethal force, per the Use Of Force General Order 580.02, is defined as: Any force that is not reasonably likely to cause death. Less lethal force options include, but are not limited to, the use of the CED, baton, chemical agents, 40mm projectiles, bean bag shotgun rounds, personal body weapons, and control holds.

I continued to give commands through of vehicle's PA system for S-Keith to put the gun down and to come out with his hands up in further attempts to deescalate the situation. Ofc. Flure #942 took over giving voice commands and began utilizing crisis intervention techniques. Crisis intervention techniques, per the Use Of Force General Order 580.02, is defined as: A collaborative approach to safely and effectively address the needs of people with mental illnesses, link them to appropriate services, and divert them from the criminal justice system if appropriate. The primary goal of CIT is to improve peace officer and mental health consumer safety while reducing injuries to peace officers and consumers during law enforcement contacts. Crisis intervention techniques include using distance, time, verbal tactics, or other tactics to de-escalate a situation.

I observed S-Keith walk around the house and come outside with just a cell phone in his hands. S-Keith was given clear instructions but continued to be passive non compliant. S-Keith was completely nude and seemed to be recording on his phone. He began to try and masturbate in front of the house. S-Keith then ran back into the house where the handgun was presumed to still be. S-Keith was now being actively resistant. Active resistance, Per the Use Of Force General Order 580.02, is defined as: physically evasive movements to defeat a peace officer's attempt at control including bracing, tensing, running away, verbally or physically signaling an intention to avoid or prevent being taken into or retained in custody.

Inside the residence, I observed smoke begin to build. I believed S-Keith was attempting to set the house on fire. Inside the residence, I observed S-Keith's head peeking around the kitchen corner. Due to the distance and now the smoke, I could not see S-Keith's hands or the handgun. S-Keith continued to stare at myself and Ofc. Perez. I was in fear that S-Keith was currently trying to take aim at myself and Ofc. Perez. I feared for my own life as well as Ofc. Perez's life.

S-Keith continued to move around the inside of the house. I saw him open the side door on the east side of the house and attempt to look outside. The SPD armored vehicle (Bearcat) arrived on scene and contact team was set up. The contact team was comprised of Ofc. Franzen #528 who was lethal cover with a rifle, K9 Ofc. Terman #879 and his K9 Ranger, Ofc. Smith #937 with the 40mm impact launcher and myself with the less lethal shotgun. Officers made a plan to say "Impact" which meant Ofc. Smith and I would deploy our less lethal devices and Ofc. Terman would deploy K9 Ranger.

S-Keith then came outside with a cell phone one hand and a the same black and silver handgun in his other hand. S-Keith kept the firearm pointed down and not at Officers. S-Keith then walked southbound towards the rear of the house and I lost visual. Officer's reposition the Bearcat to have a better advantage and view of the house while providing better cover for Officers.

After Officers repositioned themselves, I observed S-Keith come out of a shed that was located on the south east corner of the property. S-Keith came outside with the cell phone and black and silver handgun in his hands. S-Keith began to walk North towards myself and other Officers.

S-Keith walked onto the front porch of the residence and dropped the firearm. He began to comply to Officers commands to keep walking towards Officers. S-Keith walked until the end of the driveway but then began to stop following Officers commands. S-Keith began to try and walk away from Officers. S-Keith appeared to be possibly getting ready to run away possibly away from Officers or towards the house again.

Ofc. Terman gave multiple K9 announcements but S-Keith refused to comply with our commands. For fear that S-Keith was going to run back to the house and the handgun, "Impact" was announced. I deployed my less lethal shotgun firing two rounds aiming at the center of S-Keith's chest and abdomen. (See other Officer's reports for their actions). K9 ranger was deployed simultaneously.

I observed S-Keith drop to the ground making the less lethal rounds seem to be effective. S-Keith was able to start getting up and became assaultive towards K9 Ranger as well as other Officers attempting to detain him. Assaultive, per the Use Of Force General Order 580.02, is defined as: Aggressive or combative; attempting to assault the peace officer or another person, verbally or physically displays an intention to assault the peace officer or another person.

S-Keith was able to get to his knees. I utilized a personal body strike with my knee to the side of S-Keith's body to transition to a better position of advantage to handcuff S-Keith and to overcome S-Keith assaultive actions. Doing this gave me the advantage of obtaining his left wrist to stop him form further assaulting other Officers.

While attempting to gain control of S-Keith's wrist, I observed S-Keith assault K9 Ranger multiple times. I heard and audible yelp come from K9 Ranger. Based off my training and experience, I know this mean that injury is being caused to the Police K9.

Officers were able to detain S-Keith is handcuffs. S-Keith continued to be assaultive and Officers put K-Keith in department approved max restraints. While doing this, S-Keith Identified himself.

I observed an approx. 5 inch laceration on S-Keiths head that bled profusely. Once S-Keith was safely detained by max restraints, Medics arrived on scene and attempted to render aid to S-Keith. While Medics attempted to treat S-Keith he attempted to bite the Medics. A spit mask was utilized.

On Saturday 10/11/2020, I, Ofc. Flure #942 was assigned to patrol as 1C21 with my partner CSO Irby #8107. I was driving in a fully marked Police vehicle and was wearing a full Police uniform. I was wearing a body worn camera which was activated during this incident.

At approx. 1523 hrs, I responded to [REDACTED] Congress Ave regarding a shooting in progress. We received a 911 hang up from a subject listed as C/[REDACTED] [REDACTED]. [REDACTED] advised there was a subject shooting a firearm. Moments later we received an additional called from a neighbor advised that there was a MWA with no pants or underwear waving what appeared to be firearm.

While en route, we received a Shotspotter activation for 5 rounds near [REDACTED] Congress Avenue.

I responded code three to the area. While responding code three, my overhead lights were activated and my siren was sounded intermittently in accordance with General Orders.

The suspects was described as MWA, 20's, blonde braids, wearing a green shirt with no pants walking with a firearm last seen near the porch of [REDACTED] Congress Ave.

I arrived on scene at approx. 1526 hrs, units had arrived on scene advising that the male subject was completely nude and walking in and out of the house with a firearm in his hand.

Units set up a perimeter around the house and began evacuating nearby houses as a precaution. We were able to safely evauate [REDACTED] and three other subjects who had been in the residence at the time of the incident.

I made contact with [REDACTED], Sub/[REDACTED], and Sub/[REDACTED]. While speaking with the three witnesses, the advised that they did not know the

subject and that he was a local transient who had walked up to the house asking to use the restroom. While inside the bathroom, the subject became erratic and later brandished and discharged a firearm.

Additionally, the residence itself is vacant and [REDACTED] and her friends were at the residence cleaning the home and preparing it for the new tenants.

I made contact with the owner of the property, Sub/[REDACTED] who provided PD consent to enter the home if necessary.

I later obtained [REDACTED] [REDACTED] and [REDACTED]'s statements.(SEE STATEMENTS)

I began making several announcements over the PA in an effort to establish communication with the subject in crisis. The subject appeared to be rambling about God, the Devil and was relatively unresponsive to me. I gave the subject several commands to exit the house with nothing in his hands and to listen to officers lawful orders.

Over the course of the call, the subject walked out of the residence 2-3 separate times and appeared to begin complying with orders in an effort to detain him. However, he would walk towards officers with his hands up, then retreat back inside the residence with the firearm and a phone in his hands.

I observed the subject on the phone with someone who appeared to be trying to calm him down and convince him to surrender himself. I continued to attempt to establish communication with the subject and to de-escalate the situation using tactical communication as well as crisis intervention techniques.

After approx. 45 minutes, the subject got off the phone and placed the firearm that was inside his left hand on the porch of the residence. I gave him lawful orders to walk slowly down the driveway towards officers with his hands up and to stop when he approached the white sedan parked in the driveway.

However, the subject continued to walk past the white sedan and began walking east on the lawn against officer's orders.

At this time, K9 announcements were given by Ofc.Terman and overwhelming less lethal was used against the subject as well a k9 deployment. The subject was apprehended on the front lawn of the residence.

We requested the Sacramento Fire Department to respond code three to our location to assess the subject as a result of use of force being used. CSI was requested as well.

I positively identified the suspect as S/KEITH KELLY(DOB:8/24/1991). A records check of Keith showed that he was on F/S probation out of Sutter County for 69 PC, 243(D) PC, and 23152 VC.

Additionally, Keith was a listed suspect in a pursuit in March of 2020 that ended in Folsom, CA. (SPD-20-90071)

During this call, Ofc.Smalling initiated a pursuit with Kelly which terminated at his home address of [REDACTED] in Folsom, CA. After the pursuit, officers located a loaded firearm within the vehicle.

After speaking with witnesses, it was determined that Keith had arrived on scene prior in a Brown Mercedes parked in front of the residence.(CA LP#[REDACTED]).

I conducted a probation search of the vehicle with Ofc.Oldes and Ofc.Mello. While searching, I located what appeared to .40 CAL ammo in the passenger side door, ammo in the trunk area near a plastic bag, and shotgun shells in a Winchester Box also inside the trunk. I also found a red plastic mold that was determined to be used to illegally manufacture the lower component of firearms.

Ofc.Mello located the lower portion of a black semi-automatic pistol in the rear passenger compartment near the arm rest.

Ofc.Oldes located additional ammunition in the driver seat of the vehicle.

While searching, I was approached by a MWA identified as W/ [REDACTED] [REDACTED] (DOB: [REDACTED]). While speaking with [REDACTED], he advised that he had observed a secondary firearm within the vehicle that was hidden behind the stereo system. [REDACTED] advised that Keith had used a fab like key to open the compartment and described the gun as being silver and black.

Officers forced the stereo compartment open and located the firearm in question. The firearm was silver and black in color and appeared to had been manufactured from it's original settings.

All items of evidence within the vehicle were photographed by CSI and booked as evidence.

Based on the prior call from March as well as the current call for service, we found it necessary to search Keith's residence in an effort to possibly locate any additional firearms similar to the ones found on scene. We established reasonable suspicion to believe that Keith may have been building illegal firearms within his residence based on the indicia found inside his vehicle.

After confirming his probation condition with Sutter County, I along with Ofc. James, Ofc. Powers, and Ofc. Mello, responded to [REDACTED] and conducted a probation search of the residence.

We spoke with the tenant of the resident who was identified as [REDACTED] [REDACTED] (dob: [REDACTED]). [REDACTED] advised that Keith primarily stays in the bedroom upstairs that is positioned over the kitchen on the east side of the home. Additoinally, [REDACTED] advised that Keith had been sleeping in the bedroom as recent as a few nights prior.

While searching Keith's bedroom, Ofc. James located (1) 9mm bullet inside the bedroom closet.

Inside the garage, Ofc. Mello located a black/blue duffle bag with (6) empty boxes described as being firearm lower manufacturing molds. The boxes were empty and appeared used. We confiscated the duffle bag and booked it as evidence.

I was doing yard work and the guy was parked across the street in his Mercedes and asked me if the place was for rent.

While I was talking to him he pulled out a gun from his backpack and placed it in between the front drivers seat and the center console. I told him he didn't need to bring that stuff around here. He then covered it up with a bandana.

He said someone shot at him the other day and he showed me some bullet holes in his car. He said some kids pulled up on him on a bicycle and started firing at him.

He then flipped around in his car and parked in front of the house. He got out of his car and ran into the back yard behind the shed, I asked him what he's doing. He asked if there were cops out front. I told him there was only a Amazon van out front.

He then asked if he could use the bathroom, so I told him he could go inside and use the bathroom. He started screaming while he was in the bathroom.

He came out of the bathroom only wearing a t-shirt. He didn't have pants or underwear on. He was holding his phone and a gun in his hands. He was screaming at his phone and walked out to the street.

A random car drove down the street and he waited for it to get down the street a little ways and all of sudden he started shooting at the car at least 3-4 times.

He came back into the house and said he wanted to talk to my family and I told him no. He then shut himself in the bathroom and started screaming again. I heard the sirens and I had everyone that was in the house to go outside.

I didn't feel threatened and I didn't feel like I was personally in danger.

Upon arrival, I observed the following in summary. My body worn camera was activated during the course of this investigation.

Upon arrival, I was directed to join units on scene toward the north/west corner of the home, providing additional lethal cover.

After approximately 20 minutes, I was directed to provide cover with a less-lethal weapon system.

Due to the location of my car, I did not feel it was safe to retreat to my patrol vehicle to collect my less-lethal shotgun, so I retrieved Officer Pell's

less-lethal shotgun (department serial #S594) from his patrol vehicle, which I was using as cover.

At approximately 1550 hours, I observed a male (later identified as S/KELLY, KEITH) exit the above motioned residence and was verbally non-compliant with officers commands. After a few seconds engaging with officers, S/KELLY ran back into the residence. I observed the male to be a male white adult, approximately 30 years old, with an average build wearing no clothing.

At approximately 1552 hours, 3SM1, Sgt. Lannom, broadcasted the line of demarcation where should S/KELLY exit the home and walk past the trunk of a white Honda sedan parked in the driveway and then attempted to retreat into the home, the use of overwhelming less-lethal would be authorized.

At approximately 1610 hours, I heard approximately 3-4 loud bags coming from the residence. Units advised that additional shots were being fired by S/KELLY within the home.

Just after the additional shots were fired, I observed S/KELLY exit the residence with what appeared to be a silver and black handgun in his left hand. S/KELLY gestured toward the officers momentarily, pointing the barrel of the firearm at myself and additional officers on scene. After a few seconds, S/KELLY retreated toward the garage of the home again, located on the east side of the residence.

At approximately 1617 hours, I observed S/KELLY walk back from the east side of the home, toward the west end, walking across the front lawn. S/KELLY still had the firearm in his left hand, but threw it to the ground and began walking back toward officers.

I observed S/KELLY pass the indicated line of demarcation as he proceeded towards officers. As I observed S/KELLY standing toward the north/east corner of the property, I observed him turn his body toward the west in a motion to begin his retreat toward the home. At that time, I heard Sgt. Lannom command officers to "impact" S/KELLY with less-lethal rounds. I believed that S/KELLY would retreat back to the home where he had clear access to a firearm, so I deployed one (1) bean bag round at S/KELLY'S torso to guide him to the ground. After deploying my less-lethal shotgun, I observed K96, Ofc. Terman,

had deployed his K9 to assist in detaining S/KELLY. I secured my less-lethal shotgun in a patrol vehicle and assisted units in applying maximum restraints as S/KELLY was still actively resisting officers efforts to take him into custody.

Once S/KELLY was safely detained, I assisted officers in searching his vehicle that was located on the south curb line of Congress Ave, facing east.

In the center, pull down arm rest of the rear passenger seat I located a black polymer lower that I recognized to be a piece of a firearm.

I informed officers on scene of my findings as well as CSI for photographs and to have the evidence collected and booked as evidence.

After conducting scene security, I cleared the scene.

At approximately 1938 hours, Ofc. Flure advised that she had confirmed S/KELLY was currently on probation out of Sutter County and identified his probationary address as [REDACTED] in Folsom CA.

Myself, along with Officers Flure, Powers and James searched S/KELLY'S probationary address at approx. 2122 hours.

During a search of the garage, I located a shelving unit with several open cardboard shipping boxes. One of the boxes was addressed to S/KELLY. Just below where I located the box address to S/KELLY, I observed a large duffle bag. In the duffle bag, I located several orange molds that resembled a firearm. Ofc. James reviewed my findings and confirmed they were molds used to make the lower portion of handguns.

I collected the bag along with their contents and passed the property to Ofc. Flure to be booked as evidence at the Kinney Police Facility.

On Saturday 10-10-20 at approximately 1640 hours I, Ofc Bowman (#883), contacted witness [REDACTED] ([REDACTED]) on scene at Los Robles Blvd / May St and obtained his statement. W-[REDACTED] spoke limited English and his statement was translated on scene by subject [REDACTED] ([REDACTED]) who was with W-[REDACTED]. My department issued body worn camera was activated for the duration of my contact with W-[REDACTED]. W-[REDACTED] stated the following in summary;

I was out in front of the house where the shooting occurred ([REDACTED] Congress Ave). That is my cousins house. I was there visiting. I was sitting in my car in the driveway. I drive the Grey Volkswagen Passat ([REDACTED]). While I was sitting in my car I saw the guy who shot the gun walking in the street. He was on the phone and speaking angry. He held his phone in one hand and the gun in the other. The man with the gun was a white male, about 29 years old, with blonde hair, wearing boxers and a shirt. I do not remember what color his clothing was and I did not notice anything else about him.

He started shooting and fired three shots into the grass in the front yard of my cousins house. I was about twenty feet away from where the gunshots hit the grass. I thought that he was shooting at me. I drove away from the house and parked over here on Los Robles. I called my cousin and told him what happened. My cousin said that he could see the man shooting on his security cameras. I am not hurt and my vehicle did not get hit.

I do not know who the man was and I have never seen him before. I do not know where the man came from. When I saw him he was walking around on the street in front of my cousins house.

On 11-06-2020 at approx 1727 hours I, Ofc. Powers #1037 contacted [REDACTED] via phone and obtained her statement. My body worn camera was activated. [REDACTED] stated the following in summary.

I don't think I mentioned this when yu originally talked to me after the incident with Keith, but he actually pointed the gun in my face that day.

I was standing in front of my residence of [REDACTED] Congress Ave and Keith was trying to get into my house. I closed the security screen door and would not let him inside my house.

I was standing outside of my house, in front of the screen door, in between Keith and the screen door.

Keith was angry that I would not let him into my house He had the gun in his hand and also had his cell phone in the same hand. He was recording the entire incident on Facebook live.

Keith pointed the gun in my face for approx a brief moment.

I was shocked and scared that Keith had pointed the gun in my face.

He was so messed up that I did not know what he was going to do. He could have shot me.

Keith walked into the middle of the street in front of my house and shot the gun Westbound. He was shooting at absolutely nothing,

I do not have any security camera and I do not have any videos of the incident. I have one video that my sister saved the day after the incident that she took a clip of his Facebook live post from his Facebook page before it was taken down.

I want to press charges on Keith for pointing the gun in my face.

He really messed up my life. My landlord asked me to move out after this incident and Keith stole money and my tattoo gun from me.

I am willing to cooperate with anything the police or DA needs from me.
