I, Sergeant Parker #23 am the supervisor for the Air Operations Unit of the Sacramento County Sheriff's Office.

Saturday, 11/14/2020: Deputy Gomez #151 was the pilot, Deputy J. Reeve #1336 was observing, and I was assigned as the Tactical Flight Officer (TFO) of Sheriff's helicopter STAR 5 providing airborne support and assistance to law enforcement operations in the region.

2001 hours: We heard over our patrol radio that a Sacramento Police Department Sergeant was at a location with 100 kids running out and was unsure what was happening. We responded to the location.

2003 hours: We arrived on scene and observed hundreds of people and dozens of cars at the location. It appeared to a large party commonly referred to as a "rave".

2004 hours: We heard radio traffic from the Sergeant on scene (3SM2) with the sound of gunshots in the background. We observed a vehicle exit the parking lot and drive westbound at a high rate of speed. The Sergeant then voiced that shots were fired. We followed the vehicle for 10 minutes until California Highway Patrol was able to make contact with the occupant(s) to determine if they were involved in the shooting. Once the driver of the vehicle was detained, we returned to the scene.

2017 hours: We arrived back at the original scene and kept over watch until units on the ground located a blood trail at a fence on the north side of the property. We used a forward looking infrared (FLIR) camera to search the area, including a canal, for any possible victims. We were unable to locate any victims or other evidence in the area. We provided canine (K9) units with a possible location to enter the canal to search on foot.

2032 hours: We cleared the call and returned to our office to upload the video we had captured as evidence and to review if for any further information for the investigation.

After reviewing the video we notified the Sacramento Police Department that the vehicle we had followed was likely not involved in the shooting.

I uploaded the videos onto a network drive so they could be entered into our video evidence system.

2146 hours: A sergeant on scene requested that we return and take overall photographs of the scene. We took the requested photographs.

2151 hours: We cleared the call and resumed patrol duties.

2350 hours: I uploaded the photographs onto a network drive so they could be entered into our evidence system.

SUBJECT: Officer-Involved Shooting Case No. SPD-20-336527
Shooting Officer: SPD Sgt. Jeremiah Jarvis #3022

Persons Shot: Augustine Morales (DOB 5/14/1982)

The District Attorney's Office, as an independent agency, has completed its investigation and review of the above-referenced officer-involved shooting. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of Augustine Morales. For the reasons set forth, we conclude that the shooting was lawful.

The District Attorney's Office received and reviewed written reports and other documentary items. These items include Sacramento Police Department Report 20-336527, video and audio recordings, dispatch calls, witness interviews, photographs, diagrams, evidence logs, Sacramento County District Attorney Laboratory of Forensic Services reports, and the Sacramento County Coroner's Final Report of Investigation.

FACTUAL SUMMARY

On November 14, 2020, Sacramento Police Department Sergeant Jeremiah Jarvis was on duty as a patrol sergeant in the North Area of Sacramento. At approximately 6:12 p.m., Sergeant Jarvis received a call regarding a large group of cars congregating in the North Area for an unknown reason. The call indicated concern that the gathering might be a "sideshow," which is an informal demonstration of automotive stunts often held in front of crowds in vacant lots or public intersections.

At the time of the call, Sergeant Jarvis was dressed in his blue SPD uniform. The uniform displayed his badge and police department patches on his sleeves. He was equipped with a

body-worn camera (BWC). Sergeant Jarvis was driving a marked patrol vehicle and was armed with a Sig Sauer 9mm pistol.

Sergeant Jarvis knew that sideshow activity had become a problem in the North Area. He finished assisting another officer on a priority call, then notified dispatch that he would respond to investigate the potential sideshow.

Sergeant Jarvis drove to the area of the call on Juliesse Avenue and Del Paso Boulevard in Sacramento. Due to the large volume of cars at the scene when he arrived, Sergeant Jarvis decided to wait for additional officers before proceeding further. Once those officers arrived, they planned to drive slowly through the event with their emergency overhead lights on to discourage those present from proceeding with the sideshow.

However, as the officers drove through the scene it became apparent that the event was not a sideshow. The officers saw that everyone present was walking towards a warehouse at 1603 Juliesse. They learned from arriving patrons that a boxing event was being held in the warehouse.

1603 Juliesse Avenue is in an industrial area of North Sacramento. The property consists of three rectangular warehouses arranged side-by-side. The entry to the property is a chain-link fence with a rolling chain-link gate. The entrance to 1603 is a roll-up door that faces east.

Sergeant Jarvis parked his patrol vehicle and walked with two other officers to contact the organizer of the event. They learned it was a community boxing event called, "Guns Down, Gloves Up," aimed at discouraging gun violence.

Sergeant Jarvis released the other two officers to respond to pending calls for service. Sergeant Jarvis decided he would remain in his car at the entrance so there would be a police presence at the event.

As the boxing event continued, Sergeant Jarvis remained in his car, speaking with the event organizer, speaking with his lieutenant, and approving the written reports of other officers under his supervision.

At approximately 8:00 p.m., Sergeant Jarvis noticed people began to run, jog, and walk quickly out of the boxing event. He noticed several patrons jumping fences to get away.

Sergeant Jarvis turned on his emergency overhead lights and pulled forward towards the chain-link fence at the entrance to the warehouse. He repeatedly asked the fleeing patrons what was happening but could not get an answer. He then called dispatch and asked for additional units to respond Code 3.[1]

Sergeant Jarvis exited his patrol vehicle and started walking towards the warehouse. At the chain-link fence entrance, a food truck to the left and a U-Haul truck to the right obscured his

[1] Code 3 indicates to consider the call an emergency and respond immediately, including utilizing emergency lights and siren as reasonably necessary.

view of what was happening beyond. He continued to ask questions of people leaving the event. However, the fleeing patrons largely ignored him and continued walking rapidly away from the event.

Suddenly, Sergeant Jarvis noticed about 50 people running towards his direction by the entrance gate. One passing individual told Sergeant Jarvis that a Hispanic male was "waving a gun around" inside the event. He urgently told the Sergeant that he needed to "go in there."

Sergeant Jarvis continued towards the entrance gate. He wanted to prevent anyone inside from getting hurt. He also was concerned for his own safety as he did not yet know what the armed suspect looked like.

Sergeant Jarvis then heard multiple gunshots coming from the other side of the U-Haul truck just beyond the entrance gate. He could not see what was happening but had learned in his active shooter training that he needed to enter the scene, determine what was happening, locate and confront the shooter, and do whatever was necessary to prevent the shooter from harming anyone.

At approximately 8:04 p.m., Sergeant Jarvis broadcast, "Shots fired" over the radio and moved towards the sound of the gunfire. He heard the last gunshot just as he was rounding the front corner of the U-Haul truck. Sergeant Jarvis then saw multiple people, multiple cars, and the open entry doors to the warehouse that housed the boxing ring inside.

Sergeant Jarvis saw a subject between the two cars closest to the open warehouse doors. He could see that the subject, later identified as Augustine Morales, was facing the people still inside the warehouse. As Sergeant Jarvis moved towards him, he could see that Morales had a gun in his hand pointed towards the people inside the warehouse.

Sergeant Jarvis believed Morales was going to open fire on the remaining crowd inside the warehouse. He believed he needed to use lethal force to prevent that from happening.[2] Sergeant Jarvis fired multiple shots at Morales from behind. He began to command Morales to drop the gun, but believed he saw Morales turning towards him while still holding the gun. This caused Sergeant Jarvis to fear for his own safety. Therefore, he continued to fire at Morales until Morales fell to the ground between two cars. Sergeant Jarvis fired a total of 13 rounds at Morales.

Morales was on his hands and knees. Morales' gun was by his right hand. Sgt. Jarvis visually scanned the area. He thought he might have momentarily seen an individual inside the warehouse holding a black object in his hands. However, after quickly looking back at Morales, Sergeant Jarvis was no longer able to locate the individual holding the black object.

Sergeant Jarvis announced over the radio that shots were fired, a subject was down, and that he needed additional units to respond. As he did so, the crowd continued to flee from the scene around him. He ordered Morales to crawl away from the gun. Instead, Morales put his hand on

[2] Although he was armed with a taser, Sergeant Jarvis did not believe the taser would be effective considering the immediacy and nature of the threat presented.

top of the gun and slid it across to Sergeant Jarvis. Sergeant Jarvis stood over the gun so no one would move it or accidentally kick it. Sergeant Jarvis remained with the gun until it was secured by another officer.

After Morales was struck, he told Sergeant Jarvis, "I didn't shoot anybody."

Additional officers arrived and quickly began to secure Morales in custody and administer medical care until Fire Department medics arrived. As Sergeant Jarvis was the senior officer on scene, he began to issue commands to preserve the crime scene and attempt to identify witnesses until Acting Lieutenant Douglas Morse arrived and assumed command.

Morales was transported by ambulance to the UC Davis Medical Center. He was pronounced deceased at approximately 8:39 p.m. by Dr. Scott Zakaluzny.

Officers located a victim of the shooting named Jermaine Dinkins. Mr. Dinkins was leaving the scene in a grey Altima when contacted by officers. Dinkins had received a through-and-through gunshot wound to his foot. Dinkins told officers at the scene he had been at the event for approximately 10 minutes and was standing near the food truck by the entrance. He stated he heard a commotion and saw people trying to leave, then heard the sound of gunshots.

Dinkins stated he realized he had been shot in the foot, with the bullet entering the top of the foot near his toes and exiting near his heel. He did not know who shot him and did not believe he was the intended target. He was then transported by ambulance to the hospital for medical treatment.

Dinkins was standing by the food truck when he was shot in the foot. When Sergeant Jarvis began firing at Morales, the food truck was directly behind Sergeant Jarvis, placing Mr. Dinkins behind Sergeant Jarvis' line of fire. It appears that Dinkins was struck by the unknown shooter firing at Morales, as noted further below, from inside the warehouse.

Civilian witnesses were identified and interviewed. Several described Morales as being extremely drunk.

One witness stated that Morales was drunk and nearly started a fight with one of the boxers approximately an hour before the shooting.

A second witness saw Morales outside the warehouse just prior to the shooting. He described Morales as drunk and having a gun in his hand. The witness stated Morales' friend was trying to get Morales to leave. The witness told detectives he heard Morales say, "Whoever wants it, can get it," and that he did not care if the police were present. The witness said he saw Morales pointing his gun at others present at the event.

A third witness was the referee for the boxing event. He stated that Morales had been asked to leave the event after having an argument inside the warehouse with the bartender. The witness stated that minutes later, he saw Morales holding a gun and pointing it at people. The witness

believed Morales was returning to shoot at the people he had argued with earlier. The witness stated he dove to the ground and did not see the shooting.

An additional witness was a friend who went to the event with Morales. He told detectives Morales had been drinking and they became separated during the event. He stated that at some point he noticed that Morales was being escorted out of the warehouse by event security. He also noticed that people appeared to be running towards the exit.

The witness stated he went over to Morales and told him they needed to leave. Morales tripped over some chairs, and the witness began to help Morales get up. As he did so, a gun dropped from Morales' pocket. The witness picked it up. Morales asked for it back, and the witness returned the gun to Morales.

The witness described to detectives that he yelled at Morales to get him to leave, but Morales would not listen. The witness noticed that the crowd seemed to be afraid of Morales. Since he could not get Morales to leave, the witness stated he headed alone towards the exit. He told detectives he heard the gunshots behind him as he did so and did not see what happened.

Crime scene investigators arrived and processed the scene. Eight .40 caliber casings were located on the ground near the roll-up door entrance to the warehouse.

A round count and examination of casings recovered at the scene showed that Sergeant Jarvis fired 13 9mm rounds during the incident.

Morales' gun was a 9mm Smith and Wesson. It contained one live round in the chamber. There was no magazine inserted inside the gun when it was recovered by Sergeant Jarvis.[3] A magazine for the firearm was located at Morales' feet while medical care was being provided. The magazine was capable of holding 15 rounds. It was loaded with 11 9mm rounds. The gun was unregistered.[4]

Video posted to Facebook Live by an attendee of the event was reviewed. The video shows Morales being escorted out of the boxing area. Morales appears to be extremely intoxicated. Morales falls to the floor as he passes through the roll-up door at the entrance.

Surveillance video from the warehouse property was reviewed. At approximately 7:18 p.m.,[5] the video shows Morales and two companions approaching the entrance gate. Morales is holding a bottle in one hand and a drink in the other.

---

[3] The frame of the gun contains the following warning: "CAUTION – Capable of being fired with magazine removed." As the gun had one round in the chamber, it was capable of discharging a projectile.
[4] Two 9mm spent casings were located inside the bathroom of the warehouse. These do not appear to be related to the incident addressed here.
[5] The time stamp and date on the surveillance video do not match with the time stamp on Sergeant Jarvis' BWC or the times recorded by dispatch. The incident occurred on November 14th. The surveillance video time stamp appears to be off by 8:53:50. Accordingly, the actual correct time has been used rather than the time stamp shown on the surveillance video.

At approximately 7:20 p.m., Morales and his two companions pass through the entrance gate. They are not patted down or scanned with a metal detector as they pass the gate.

At approximately 8:01 p.m., the crowd begins fleeing from inside the event. Morales is seen standing up after having fallen by the roll-up door. Morales begins walking to the parking lot with a companion. Morales has an object in his hand that appears to be a gun and points it at several people.

At approximately 8:02 p.m., Morales and his companion re-enter the warehouse, and re-emerge approximately 45 seconds later. Morales' companion leaves the event and does not return. Morales points the gun at several people and also holds it by his side.

At approximately 8:03 p.m., Morales attempts to throw the gun through the window of a parked BMW. The window is closed, so the gun bounces off the window to the ground. Morales bends and picks it up.

At approximately 8:04 p.m., Morales walks towards two vehicles parked at the roll-up door entrance to the boxing ring. An unknown subject appears to begin shooting at Morales from just inside the roll-up door as Morales points the gun towards the inside of the warehouse. Multiple muzzle flashes are visible on the video just prior to Morales pointing the gun.

Figure 1 – Still shot from surveillance camera. Morales is the person in the larger red circle. He can be seen holding a handgun in his right hand. He is walking towards the entrance to the warehouse. The smaller red circle notes where muzzle flashes can be seen coming from the area of the entrance to the warehouse.

Immediately after the shots are fired, Sergeant Jarvis is seen coming around the corner of the U-Haul truck parked by the entrance. Sergeant Jarvis fires at Morales from behind as Morales's gun is pointed inside the warehouse.

Figure 2 – Still shot from surveillance camera. Morales has moved closer to the entrance to the warehouse and is pointing his gun inside the warehouse. Sergeant Jarvis has come around the corner of the U-Haul and has his gun pointed at Morales.

Sergeant Jarvis' body-worn camera video was reviewed. It depicts the events as described above. It also provides additional detail.

At approximately 8:03:41 p.m., a witness tells Sergeant Jarvis there is a subject inside the event with a gun.

At approximately 8:03:55 p.m., Sergeant Jarvis is approaching the rear of the U-Haul truck by the entrance gate. The sound of 10 gunshots fired over the span of approximately three seconds is heard. Sergeant Jarvis begins moving towards the sound of the gunfire as the first shots begin.

As the last shot of the 10 shots is heard, Sergeant Jarvis passes the front of the U-Haul truck. He announces "Shots fired" over the radio. Morales is directly in front of him, facing away towards the warehouse. Sergeant Jarvis fires 13 shots at Morales in rapid succession, approximately one second after the last of the ten gunshots fired by the unseen shooter. Morales drops to the ground. Sergeant Jarvis commands Morales to drop the gun. Morales tells Sergeant Jarvis, "I didn't shoot nobody," and slides his gun across towards Sergeant Jarvis. Additional responding officers then arrive and begin to provide medical care to Morales within approximately two minutes.

The Sacramento County Coroner determined that Morales' cause of death was "Multiple Gunshot Wounds." It was noted that Morales had been struck 11 times in the back, hip, buttock, front of the abdomen, and front of each thigh.

A sample of Morales' femoral blood was analyzed by the Sacramento County District Attorney Laboratory of Forensic Services. The sample showed a blood alcohol concentration of 0.24%. The testing also showed the presence of THC.

LEGAL ANALYSIS

An officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to affect arrest or detention, to prevent escape, or to overcome resistance. (*Tennessee v. Garner* (1985) 471 U.S. 1, 11; *Graham v. Connor* (1989) 490 U.S. 386, 396; *Kortum v. Alkire* (1977) 69 Cal.App.3d 325; California Penal Code section 835a(b); CALCRIM 2670.) The person being detained or arrested may be subjected to such restraint as is reasonably necessary for his arrest and detention and has a concomitant duty to permit himself to be detained. (*People v. Allen* (1980) 109 Cal.App.3d 981, 985; CALCRIM 2670, 2671, 2672.) Officers do not need to retreat or desist their efforts if the person they are arresting or detaining resists or threatens resistance; nor shall the officer be deemed an aggressor or lose the right to self-defense by use of reasonable force. (California Penal Code section 835a(d).)

Here, Sergeant Jarvis was present to provide a police presence at a community event meant to deter gun violence. As he sat in his patrol vehicle outside, he began to see large numbers of people fleeing the event. He got out of his car and moved towards the entrance to find out what was happening. As he did so, a witness told him a Hispanic male was waving a gun around inside the event and told Sergeant Jarvis he needed to get "in there." Sergeant Jarvis had a duty to respond. He also learned from his active shooter training he would need to enter the scene, determine what was happening, locate and confront the shooter, and do whatever was necessary to prevent the shooter from harming anyone.

As Sergeant Jarvis passed through the entrance gate, he heard the sound of 10 gunshots being fired in rapid succession just beyond the U-Haul truck by the entrance. He could not immediately see the shooter. However, he knew that many people were present in that area.

As he rounded the front of the U-Haul, Sergeant Jarvis saw multiple people, multiple cars, and the open entry doors to the event. He also saw Augustine Morales standing between two cars closest to the open warehouse door. He saw Morales facing the people inside the warehouse and he saw Morales pointing a gun in their direction. Sergeant Jarvis believed Morales was going to begin shooting at the people inside the warehouse.

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470; California Penal Code section 835a(c)(1)(A).) It is the reasonable appearance of danger to the officer, and his honest belief in that danger, which is controlling. If an officer actually believes that deadly force is necessary and that belief is reasonable under the circumstances, the officer's actions are lawful even if it is later determined that the danger did not actually exist. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary.

(CALCRIM 3470.) In addition, the reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (California Penal Code section 835a(a)(4); *Graham v. Connor* (1989) 490 U.S. 386.)

In the present matter, nearly immediately after hearing the sound of 10 gunshots, Sergeant Jarvis rounded the U-Haul truck and saw Morales, in the area where the sounds of the gunfire was coming from, pointing his gun at a group of people inside the warehouse. Those in the group appeared to be defenseless. Sergeant Jarvis believed Morales intended to begin firing at that group of people. As a sworn peace officer, Sergeant Jarvis had a duty and an obligation to act. In accordance with his training, he believed he needed to take immediate action to prevent the imminent harm Morales presented.

Although in hindsight, after a careful consideration of the physical evidence at the scene, witness statements, and surveillance videos, it is now known that Morales did not fire the 10 gunshots that drew Sergeant Jarvis inside the event. However, Sergeant Jarvis did not have the opportunity to slowly and methodically study and analyze the evidence now available. Instead, he was forced to make a split-second decision based upon the tense, uncertain, and rapidly evolving circumstances with which he was faced. Sergeant Jarvis heard gunshots fired in a crowded area and saw Morales pointing his gun at a group of people. Morales' actions presented an immediate danger of death or serious bodily injury to all the people in that area. Therefore, they required an immediate response from Sergeant Jarvis to subdue the immediate threat presented by Morales.

It is noted that Sergeant Jarvis began shooting at Morales from behind, striking Morales several times in the back. Further, Sergeant Jarvis did not issue a warning to Morales or provide Morales an opportunity to drop the handgun before he started firing. However, we must review Sergeant Jarvis' actions based on the circumstances presented. Shots had already been fired, and when Sergeant Jarvis rounded the corner of the U-Haul, Morales was pointing his gun towards a group of people. It appeared that he intended to shoot them. Sergeant Jarvis needed to act immediately. It would be unreasonable under these circumstances to expect Sergeant Jarvis to delay firing until he ran to a position where he could face Morales from the front. Such a delay could conceivably result in the loss of the lives of those people inside the warehouse who were in Morales' line of fire. Furthermore, it cannot be said that Sergeant Jarvis acted unreasonably in thinking he needed to act without delay and not issue a warning or order for Morales to drop his firearm. Even a momentary pause while waiting to see if Morales would acquiesce could have provided further opportunity for him to immediately fire with his handgun, which was already pointed at individuals inside the warehouse.

It is also noted that Sergeant Jarvis fired 13 shots at Morales. When Sergeant Jarvis began firing, he was behind Morales. Morales was pointing his gun towards the people inside the warehouse. However, Morales did not instantly go to the ground and drop the gun. Rather, Sergeant Jarvis saw that Morales' body was beginning to spin in Sergeant Jarvis' direction, while Morales was still holding on to the gun. This caused Sergeant Jarvis to be in fear for his own safety.

Therefore, he continued to fire until Morales dropped to the ground and dropped the gun. The location of the entry wounds to Morales noted in the autopsy report is consistent with this fact, noting that Morales received entry wounds to the front of his abdomen and to the front of each thigh.

In this type of matter, the officer need not prove that he had the right to use deadly force. Rather, it is the prosecution which must prove that the officer did not have that right. The question therefore becomes whether the evidence proves, beyond a reasonable doubt, that Sergeant Jarvis did not have an honest, reasonable belief that deadly force was necessary to defend others, and himself, against an imminent danger of death or great bodily injury. Under these facts, it cannot be said that Sergeant Jarvis was unreasonable in his belief that Morales posed an imminent threat of death or serious bodily injury to himself and others. While it is tragic that it now appears, after hindsight has provided additional information, that Morales had not fired his weapon, the law judges the officer's actions based upon the reasonable perception of the threat. Sergeant Jarvis acted lawfully under the circumstances.

CONCLUSION

Based on the circumstances of this incident, Sergeant Jarvis had an honest and reasonable belief that Augustine Morales presented an immediate danger of death or serious bodily injury to the crowd of people present that Morales was threatening with a gun. Further, Sergeant Jarvis had an honest and reasonable belief that Morales presented an immediate danger of death or serious bodily injury to Sergeant Jarvis, as well. Thus, Sergeant Jarvis acted lawfully in shooting Morales to protect himself and others. Accordingly, we will take no further action in this matter.

On 11/15/2020 at approximately 1010 hours, I spoke with W-[redacted] at 1603 Juliesse Ave. My body worn camera was not activated at the time of contact with W-[redacted]. W-[redacted] returned to the scene to pick up her Nissan Murano (CA/[redacted]).

W-[redacted] provided me the following statement in summary:

I was here at the event between 7:00 PM and 9:00 PM. I was hired by the event coordinator as a Ring Girl. A fight broke out and I heard the gunshots, but I did not see who did the shooting. I spoke with the police earlier until I was released. I am here to pick up my car.

On 11/15/2020 at approximately 1045 hours, I spoke with W-[redacted] at [redacted] My body worn camera was not activated at the time of contact with W-[redacted]. W-[redacted] returned to the scene to pick up her Chevy Suv (Temp plate [redacted]). At approximately 1208 hours, W-[redacted] informed me she had located a spent casing (Blazer 9 mm) while cleaning 1603 Juliesse Ave (unit #B). The casing was found in close proximity of the restroom. I later booked (IBIS drop box) the casing as evidence at the SPD Main Property Warehouse.

W-[redacted] provided me the following statement in summary:

I was here with my son to attend a boxing event. While we were watching the boxing event, a MHA was having an altercation inside. He was causing a disturbance and starting to act stupid and shooting. I heard (10) gunshots, that's when the cops had to lay him down. I never saw the gun and I don't know who the MHA was. When the gunshots started happening, I grabbed my son and we left. I am here to pick up my car and help clean up (unit #B).

On 11/18/2020 at approximately 1116 hours, I spoke with W-[redacted] via telephone. W-[redacted] who is a tenant at 1601 Juliesse Ave unit #D, was present on the day of the shooting but did not speak to SPD Officers that evening. My body worn camera was not activated at the time of contact with W-[redacted]. W-[redacted] provided me the following statement in summary:

My grandson (17 year old [redacted]) and I were in the shop working on a car. We walked over to the event (unit #B). After about 20-30 minutes I left the event. My grandson returned to the shop and was followed in by a MHA. They had walked into the shop via the man door (entry door). Also another subject walked into my shop behind by grandson and the MHA. The MHA is stumbling through the door and falls to the ground. As he falls to the ground, a gun falls out. The gun was black and silver in color. I tried my best to help the guy out, but I am concentrating on that gun. When the MHA is back on his feet, he tells the other guy, "Give me my gun." I'm thinking to myself don't give this guy that gun. The other guy picks up the gun and gives it to the MHA who "cocks" it in front of me. The MHA and the other guy walk out of my shop. About 20-seconds later that's when I hear shooting. I don't remember the number of gunshots, but I look outside and see the MHA shooting toward people. I never saw the MHA shooting the gun, but when I look outside I see the officer running through the gate. I heard the officer fire 5 gunshots.

The first guy was a MHA wearing a black or brown puffy jacket and gold shoes. He had a silver and black gun. I don't remember what the second guy looked like since I was concentrating on that gun.

OBSERVATIONS: Sgt Lange # 3067

I am currently assigned as a Detective Sergeant in the Homicide Unit of the Sacramento Police Department.

NOTIFICATION:
On Saturday, 11-14-20, at appx 2100 hrs, I was notified by SPD Investigations Lieutenant Heinlein of a homicide team call out 1601 Juliesse Ave regarding an Officer Involved Shooting. The official call-out came at 2205 hrs. I responded directly to to Police Headquarters to assist in coordinating the investigation.

ARRIVAL AND BRIEFING:
I arrived at Police Headquarters at appx 2230 hrs. Detective Sergeant Ellis had been assigned as the case supervisor for the incident. Sgt Ellis requested that I conduct a weapons inspection and round count of the firearm belonging to Sergeant Jarvis.

WEAPONS INSPECTION:
I was advised that Sgt J. Jarvis # 3022 was the only involved shooting Officer.

Sergeant Jarvis was armed with a personally owned Sig Sauer P320 semi-automatic handgun. The firearm had the serial number of [redacted]. Per Sergeant Jarvis his handgun was fully duty loaded with (1) round in the chamber and (21) rounds in the magazine that was inserted into the firearm prior to the incident. Upon inspection, I located (9) total rounds in the firearm. (1) round was in the chamber and (8) rounds were in the attached magazine. In addition to the rounds in Sergeant Jarvis' firearm, he had two (2) additional (21) round ammunition magazines worn on his duty belt. The (2) ammunition magazines were not accessed during the incident and were loaded with (21) rounds each. Sergeant Jarvis' weapon was carried in a holster that was affixed to the right side of his uniform duty belt. Sergeant Jarvis stated that he was not carrying an additional back-up weapon or additional ammunition on his person at the time of the shooting. This inspection occurred on 11-14-2020, at approximately 2330 hours, in interview room #5 at Police Headquarters.

BODY CAMERA VIDEO
Sergeant Jarvis was wearing a body worn camera during the incident. His patrol vehicle was also equipped with an in car camera system. The body camera was collected on scene. Lt. Shirashi uploaded the body camera and in-car camera video to the system for viewing. At the conclusion of the walk-thru, Sergeant Jarvis and his representative were allowed to view the body camera and ICC footage prior to an investigative interview.

WEAPON INSPECTION
I booked Sgt Jarvis' handgun, magazines and ammunition at Police Headquarters for a functional inspection and ballistic testing by the county crime lab.

Type 04 OBSERVATIONS
Subject SGT. MANTELL, #3109
Author 3370 - MANTELL, CHARLES 3109
Related Date Nov-15-2020 2:05

On 11/14/20, at approx 2009hrs, I (Sgt. Mantell, #3109) was dispatched to assist with a "SHOTS FIRED" call in the north area. The following are my observations in summary.

I was working in full uniform equipped with a Body Worn Camera, driving a marked black and white patrol vehicle equipped with an In Car Camera System, as a Patrol Supervisor in the Eastern area of the city with the Identifier as 3SM6.

I was at 300 Richards Blvd when over the air on channel 1, a 2SM2, came up on the air stating there were multiple people running quickly out of an event, then an "open mic" with sounds of gunshots in the background, then 2SM2 broadcasting "SHOTS FIRED" over the air.

I responded Code-3 from 300 Richards Blvd to the scene, which was 1601 Juliesse Ave. I was able to approach the scene from the eastern side of Juliesse Ave and Academy Way. Upon my arrival there was a multitude of SSD Deputies there, and after parking my patrol vehicle I requested them to set up an outer perimeter if possible. I responded on foot to the scene, where there was also a multitude of Sac PD and SSD units there, Engine and Medic 20 were there, and there was a multitude of citizens moving around.

I requested the SSD personnel onscene to assist in establishing an outer perimeter to the west of the scene at Juliesse Ave and La Rosa Rd.

I observed that the scene itself was an industrial area, with multiple single story warehouse type buildings that were arranged in a north/south orientation with shared parking areas in between each building.

It appeared that 1601 Juliesse Ave had a shared parking lot with the building to the west of it, and 1601 Juliesse had several units with their own garage door and pedestrian door to each unit. One of the units was open and it was evident that this unit was the source of the call.

I assisted with coordinating Officers into this parking lot, which we designated the "inner perimeter" as it had only one way in. Officers and fire personnel were providing life saving measures to a MHA, who was later identified as (S) Morales, in the middle of the parking lot and close to a white vehicle. There were Officers trying to contain a multitude of witnesses on the north side of the parking lot, and there were Officers inside the open unit trying to contain the scene.

Fire personnel were able to get (S) Morales onto their ambulance stretcher and

load him into Medic 20. I had 2C62, Ofc. Alvarado jump in the ambulance and his partner Haynes, follow them down to UC Davis.

At that point, several other Lieutenants and Sergeants arrived and assisted with scene security and management.

I assisted with many smaller related duties onscene until the briefing was completed and I was relieved by Ln4, Lt. Galliano.

My Body Worn Camera and In Car Camera system were both activated during my response to the call and my onscene actions until the scene was stabilized.

For further details, see other officers observations/Statements.

On 11-14-2020 at approx 1812 hours Ofc. Smith #1025 and I, Ofc. Powers #1037 were dispatched to 1601 Juliesse Ave regarding reports of a large gathering of people and vehicles in the area. The caller advised that they believed a side show was going to start. My body worn camera was activated. I observed the following in summary.

We arrived on scene at approx 1824 hours and observed approx 100 vehicles parked on either sides of the streets and hundreds of people exiting the vehicles and entering the building of 1601 Juliesse Ave.

Sgt. Jarvis #3022, Ofc. Flure #942 and CSO Mccloskey #8119 arrived on scene to assist.

We exited our vehicles and made contact with several of the people on scene who all advised they were there to attend a boxing event called "Guns down, gloves up".

We briefly contacted a male who advised that he was in charge of the event. The male was later positively identified via CA drivers license (#[redacted])as [redacted].

[redacted] advised that this was an event to encourage kids in the community to stay away from guns. He said that tonight's event consisted of kids from the "South" boxing kids from the "North".

Ofc. Smith and I cleared the scene.

At approx 2001 hours Sgt. Jarvis advised over police radio that a large group of subjects were running from 1601 Juliesse Ave and no one was telling him what was going on. He requested additional units to go code 3 to him for assistance.

I heard multiple loud noises, consistent with gunshots in the background of Sgt. Jarvis's radio traffic. After a brief moment, Sgt. Jarvis advised over the radio that shots had been fired and a subject with a gun was down.

Ofc. Smith and I arrived on scene at approx 2005 hours and observed hundreds of subjects running and screaming.

I observed one male black adult wearing a green sweat suit surrounded by several subjects. The man was screaming and lifting his left leg up. The male advised that he had been shot in his left foot.

I attempted to render medical aid to the male but was interrupted by several other subjects who pushed me away from the male and pulled the male away from me and into a dark colored Nissan Altima with the California License plate of [redacted].

The vehicle was ultimately blocked in and did not leave with the gunshot victim.

The victim was positively identified via WEBKPF booking photo as [redacted] (XREF# [redacted]).

I observed at least one through and through gunshot wound to [redacted] left, big toe that appeared to exit from the back of his ankle.

All other occupants of the vehicle remained uncooperative and refused to identify themselves to police.

[redacted] was verbally uncooperative with questioning and was transported to UC Davis medical center.

[redacted] clothing and cell phone was booked as evidence by CSI.

We responded to [redacted] El Camino to contact CHP Officers who had stopped a vehicle that STAR had seen leaving the scene at a high rate of speed. We arrived on scene at approximately 2030 hours. My body worn camera was on and recording.

I contacted CHP Officer Pierman #20398 who stated that STAR advised that a BMW (#[redacted]) left the scene of the shooting at a high rate of speed and was acting suspicious. STAR led CHP Officers to where the vehicle parked ([redacted] El Camino Ave). CHP Officers conducted a felony traffic stop and detained the driver.

I took custody of the driver, who verbally identified himself as [redacted]. [redacted] advised the following in summary:

I was at the Boxing Event and in my friend, [redacted] corner. [redacted] is a sixteen years old white kid. After [redacted] won he left with his girlfriend. I was outside by the sliding door by myself.

While at the door I heard an argument and it looked like a bunch of people were trying to leave. I saw two people carrying someone outside. The person they were carrying looked like an overweight Hispanic guy, but I didn't know what was wrong with him.

It looked like things were going bad so I went out to my car. I then opened the exit gate so I could leave. As I got back in my car I heard like 7 or 8 gun shots, which appeared to be very close to me. I did not see anything so I took off as fast as I could. I did not see who was shooting. I was scared for my life.

I drove away and then started to drive around to look for a different friends house. I got lost, which is why I pulled over here.

You can search my car. (I searched [redacted] BMW and did not locate any contraband).

On 11/14/2020, I (Lieutenant Shiraishi #4073) was assigned to the Office of Operations as a patrol division watch commander.

While monitoring police radio traffic, at 2002 hours, I heard Sergeant Jarvis #3022 (3SM2) request additional units to deal with a large crowd stemming from an unknown event inside a warehouse in the area of the 1600 block of Juliesse Avenue.

At 2004 hours, I heard Sergeant Jarvis transmit, "Shots fired, shots fired. I got one down with a gun."

At 2030 hours, I left the Central Command patrol station (300 Richards Boulevard) and arrived in the area of the officer-involved shooting scene at 2041 hours. I parked may patrol vehicle on the north side of Juliesse Avenue, just east of Del Paso Boulevard.

I contacted Lieutenant Galliano #4068 and Acting Lieutenant Morse #3132 in the middle Juliesse Avenue, in front of the entrance to 1601 Juliesse Avenue.

At 2047 hours, I entered Sergeant Jarvis' patrol vehicle (Vehicle #12410) and identified two captured pieces of police video related to the call:
--AXON Fleet 2 Video 2020-11-14 1825
--AXON Fleet 2 Video 2020-11-14 2001

I marked the above listed video files for priority upload.

At 2052 hours, I took custody of Sergeant Jarvis' body worn camera from Acting Lieutenant Morse. At 2058 hours, I left the scene and responded to the Central Command police station at 2106 hours.

At 2109 hours, I began uploading Sergeant Jarvis' BWC footage that captured the incident. The title of the video was "Axon Body 3 Video 2020-11-14 2001." I marked both pieces of video that began recording at 2001 hours as "Private" inside the department's video repository.

NO FURTHER ACTIONS.

2001 HOURS 11/14/2020 (Saturday): I, Deputy Gadd #187 (UNIT RT33), was assigned to the Sacramento County Sheriff's Office (SSO) Security Services Division, specifically to the Regional Transit (RT) unit. I was wearing an SSO uniform and driving a fully marked RT police Services patrol car (83). My patrol was equipped with an In Car Camera (ICC) system.

I was seated in my patrol car at the Swanston Light Rail Station (LRS - 1300 Dixieanne Ave - City Of Sacramento) when I heard a radio broadcasted from Sacramento Police Department (SPD) Sergeant Jarvis #3022 (UNIT 3SM2) saying a ton of people were running around in a parking lot. Sergeant Jarvis asked for additional units to respond to his location. Sergeant Jarvis attempted to put out radio traffic but it was hard to make out what was being said, all I could hear was screaming. At this point, I activated my overhead emergency lights and siren (code 3) and responded to the dispatched location. Moments later, another radio broadcast was made with nothing being said but the obvious sounds of gunfire. Sergeant Jarvis then broadcasted via radio

"SHOT'S FIRED SHOTS FIRED! I GOT ONE DOWN WITH A GUN!!"

Sergeant Jarvis then broadcasted via radio

"HEY! I NEED COVER HERE! DON'T DIG IN YOUR POCKETS!!!"

2005 HOURS: SPD Officer Barrett #204 (UNIT 1C28) and I arrived to the dispatched location. As we arrived on-scene there were numerous cars taking off at a high rate of speed almost causing collisions. There were also people running away from the dispatched location.

Officer Barrett and I immediately rushed into the scene to find Sergeant Jarvis to make sure he had not been harmed but were unable to locate him. As we were searching for Sergeant Jarvis, he appeared and directed our attention to a subject who had been shot. At this point other SPD Officer were already providing life saving measures.

Unknowing if it was already requested, I broadcasted via radio to have the Sacramento Fire Department (SFD) respond with their emergency lights and sirens (code 3) to the dispatched location for a gunshot victim.

Officer Barrett and I then started to search the area again for any additional victims or suspects but were unable to find anybody.

2014 HOURS: SFD Engine 20 arrived and I immediately directed them to the gunshot victim.

2025 HOURS: I spoke with [redacted] (W) who stated he was inside of the building, didn't see anything, saw people rushing out and did the same. (See attached statement)

2028 HOURS: I spoke with [redacted] (W) who stated she was also inside of the building with [redacted] didn't see anything, also saw people rushing out and did the same. (See attached statement)

Officer Barrett and I canvassed the area for cameras. We located the following:

1550 Juliesse Ave- 1 camera (see attached entite)
1590 Juliesse Ave- 2 cameras
2939 Academy Way - 0 cameras
2760 Academy Way - numerous cameras (unknown amount)

I contacted the RT Security Operations Center (SOC) who has numerous cameras at 2700 and 2760 Academy Way (Approx. 75-100 yards away from dispatched location). They stated they could see numerous cars leaving the area. (See attached contact information)

On Saturday, November 14, 2020 I, Acting Lieutenant Doug Morse, was assigned as the Mid Shift Watch Commander. At approximately 2004 hours, an officer involved shooting occurred at 1601 Juliesse Ave. Although I had just been relieved from my District Two Watch Commander duties by Lt. Greg Galliano at approximately 1954 hours, I responded to the scene to assist due to my proximity. I arrived at approximately 2007 hours and observed the following - in summary

Shortly after arriving on scene I observed Sgt. J. Jarvis #3022 (3SM2) walking from the inner perimeter area of the scene. I said to Sgt. Jarvis, Are you a shooter? He replied, Yeah, I'm the only shooter. I then escorted Sgt. Jarvis out of the immediate scene and assigned Officer Smalling #1041 (1A24) to remain with him.

It should be noted that prior to obtaining a public safety statement, utilizing an SPD issued 136 Card, Sgt. Jarvis asked me if I wanted him to give me a public safety statement and I replied in the affirmative. Sgt. Jarvis then provided me with public safety information (See my BWC footage).

I then obtained the following public safety statement from Sgt. Jarvis from an SPD issued 136 card - in summary.

Question: What was your approximate location when you discharged your firearm?
Answer: five feet in front of the car where the suspect is laying.

Question: What was the approximately number of rounds that you fired and what direction:
Answer: five to eight and that direction (Sgt. Jarvis pointed to the northeast).

Question: Do you know if any other officers fired?
Answer: No other officers fired.

Question: Is it possible that the suspect fired rounds at you? If so from what...
Answer: No.

Question: Are you aware of any victims, witnesses or injured people and their location?
Answer: Only the suspect that I shot. And all the other people that were there. There were hundreds of other people that saw it.

Question: Are there any other weapons that you know of that need to be secured?

Answer: No.

I remained on scene and assisted with coordinating resources to assist in the investigation of this incident. I cleared the scene at approximately 0046 hours.

On 11/14/20, I, Officer Kelly #398 (2C11) responded to 1601 Juliesse Ave and contacted witness [redacted] and obtained his statement. My body worn camera and in car camera were activated. [redacted] stated the following in summary:

Please see body worn camera for full statement as this is only a summary of his statement.

I was at the garage all day, I was helping set up the location. People started showing up around 6 O'clock or 6:30.

I did not know anyone there except for family, and some of my friends.

I was inside the garage where the fight was happening. All of a sudden there was a commotion and everyone stopped what they were doing.

They asked this guy to leave and escorted him out of the garage. People cleared a path for him. Once the guy was outside, I went outside to make sure everything was okay.

The guy left then came back, he walked away from again he had the gun, then the guy walked over to a white and black coupe, with tinted windows. The white and black coupe's doors had black along the bottom of the doors. It was parked in the parking lot in between a mustang and my car (silver or gray Chevy Camaro).

When the guy walked over to the white coupe he tried to throw the gun into the passenger side window but the window was closed so the gun bounced off. He picked it up and started walking back toward everyone.

The cop wasn't there yet. The guy picked up the gun and came back then said "what now." Then that is when the cop showed up. I heard the gun shots and got my family behind a black BMW. I did not know who shot first.

The guy who had the gun was wearing a black shirt and white shirt or a black shirt over a white shirt, he was also wearing black pants.

On 11/14/2020 I, Officer James #965, was on routine patrol. I was driving a fully marked Sacramento Police patrol vehicle which was equipped with an in car camera. I was wearing full police uniform and equipped with a body worn camera. Both cameras were on for the following incident.

At approximately 2001 hours, 3SM2 Sgt. Jarvis #3022 broadcast on the radio that he needed units. His voice over the radio sounded stressed and out of the ordinary for him. I was dispatched to the call at 2001 hours and began responding code three from the intersection of Madison Ave and Hillsdale Blvd.

As I responded, additional updates continued to come in over the radio from Sgt Jarvis. While responding, a radio transmission was broadcast with no identifier. In the broadcast, I heard what sounded to be multiple gunshots being fired. Sgt Jarvis broadcast on the radio several seconds after that shots had been fired on scene and that he needed code three cover. He additionally advised he had a subject down who had been in possession of a firearm. Sgt Jarvis requested units responding to assist him with medical aid.

I arrived on scene at approximately 2006 hours. Upon arrival, I retrieved my medical kit and the department issued AED from my patrol vehicle. I ran into the crowd of people leaving and looked for Sgt Jarvis and the down victim. I located the victim being assisted by Officer Mello #1053 and Officer Flure #942.

We began cutting off the victims clothing in order to see his wounds and provide better care. I observed a single gunshot wound approximately 1/2 an inch above the victim's right collar bone. The GSW appeared to have an exit wound approximately 5 inches above it. I initially began to pack this wound with gauze but stopped as it was not actively bleeding and did not appear the most life threatening.

I observed what appeared to be a GSW to the victim's pelvic region approximately 3 inches above his genitalia. The victim had multiple actively bleeding GSW's to his left upper leg. Officer Mello applied a tourniquet and I assisted her.

Through all of this, the victim was breathing on his own and moved his head and limbs occasionally. I noticed the victim's condition begin to worsen. His breathing slowed and each breath was spaced farther apart, his skin began to lose color, and he stopped moving. I could no longer feel a pulse in his right wrist. I asked someone to begin preparing the AED in case we were to need to start CPR.

Shortly after, Sacramento Fire personnel arrived on scene and took over life saving efforts. I assisted with loading the victim onto the backboard and moving the backboard to the fire department's gurney. He was then transported to UC Davis Medical Center by Sacramento Fire Medic 20.

I assisted in setting up crime scene tape, collected my medical kit, and returned to my patrol vehicle.

On 11/14/20 at approximately 2004 hours, I, Officer Wagstaff #922 responded to 1601 Juliesse Ave for a report of shots fired. I arrived on scene at approximately 2009 hours. I observed the following in summary:

Upon arrival, I, assisted with scene security and attempting to preserve evidence.

I then assisted with giving first aid to the male subject. I started CPR until the Sacramento Fire Department arrived on scene and took over medical care.

I then assisted with canvassing the area for additional evidence such as shell casings and bullet fragments. I located a red blood like substance leading northbound through the parking lot towards the canal.

SSD helicopter checked the canal and advised they did not see anyone in the canal. I along with Ofc Wacker and Ofc Lundgren walked the canal and did not locate any additional victims or evidence.

I contacted Ofc Moreno #221 and he handed me the magazine that he had in his position. I then took custody of it and brought it to Sgt Lannom and gave him custody of it.

My department issued body worn camera and in car camera were on and activated.

On Saturday 11/14/2020, at approximately 1824 hours, I, Ofc Smith #1025 and Ofc Powers #1037 (2C26) responded to 1601 Juliesse Ave regarding a potential side show. Per the text of the call,a couple hundred vehicles were on scene and blocking businesses. We arrived on scene at approximately 1831 hours. My SPD issued body worn camera was activated. I observed the following in summary:

There appeared to be a large group inside of the parking lot and associated buildings. There was a chain link fence surrounding both the lot and business. Additionally, many subjects were arriving on scene and walking though the street. Officers contacted the alleged organizer of the event who advised of a boxing match for youth. At that time there were no disturbances or arguments. Officers cleared the scene.

At approximately 2001 hours, Sgt Jarvis #3022 who was monitoring the scene requested units to respond to the location code 3 due to a large group of subjects running out of the building. I observed the following in summary:

When I responded to the scene, I was operating a fully marked police vehicle with an activated solid red burning light and flashing blue and white lights on an emergency light bar fixed to the top of my patrol vehicle. My vehicle's siren was also activated and sounded continuously. My vehicle's in car camera was activated.

As I was driving Code 3 to the scene, I heard via radio transmission that there was a large crowd of subjects running out of the area, and that no one would tell him why. I then heard the sounds of approximately 3 gun shots via radio transmission, and shortly after, Sgt Jarvis advise of shots fired and a subject on the ground.

I arrived on scene at approximately 1831 hours. My SPD issued body worn camera was activated. When I initially arrived on scene, I observed several vehicles driving away from the scene at a high rate of speed on Juliesse Ave. There was also a large crowd of pedestrians and vehicles in the street and in the parking lot of the address. Due to the vast amount of people and vehicles it was initially difficult to locate Sgt Jarvis in the crowd for several seconds.

I eventually located Sgt Jarvis inside of the parking lot of the address, at the southeast end of the parking lot, within the chain link fence. I observed a black handgun on the ground that Sgt Jarvis was standing on top of with one of his feet. Sgt Jarvis requested that I secure the gun due to the large amount of subjects still on scene. Approximately 5 feet east of the gun was a male subject laying on the ground who appeared to have been shot. Officers on scene were providing the subject with medical aid. Due to the continued crowd on scene, and the need for the crowd and scene control, I picked up the gun using latex gloved, cleared it and secured in a plastic bag in the trunk of my patrol vehicle. When I picked up the gun there was no magazine inside of it, and there was one 9mm round in the chamber. I did not see a magazine within the gun.

After securing the gun, I canvassed the scene for potential witnesses. I contacted a male black adult inside of the warehouse where the initial boxing match appeared to have occurred because there was a boxing ring in the center of the room. The male subject identified himself as [redacted] was positively identified by his CA driver's license. [redacted] advised he was initially inside the warehouse when chaos and arguing ensued and followed the mass of people outside. While outside [redacted] advised he heard approximately 7 gunshots that also sounded like they were coming from outside. [redacted] advised he did not see anyone with a gun, and assumed the gunshots came from the police on scene.

I assisted officers with canvassing the area for additional witness, but did not locate any.

On Saturday 11/14/2020,I, Ofc.Flure #942 was assigned to patrol as 1C21 with my partner CSO McCloskey #8119. We were wearing full Police uniforms and were driving in a fu ly marked Police vehicle. We were wearing body worn cameras which were activated during this incident.

At 1812 hrs, I responded to the area of Juliesse Ave and Academy Ave regarding a possible sideshow. Neighbors called in advising of hundreds of cars parked in the neighborhood.

We responded with Ofc.Smith, Ofc.Powers, and Sgt.Jarvis. We ultimately made contact with a subject who advised that there was an amateur boxing event being held at 1601 Juliesse Ave. The event was titled, "Gloves up, Guns Down" and was propositioned as an alternative to Gang and Gun Violence. We learned that fighters were selected from both the north Sacramento region and the south Sacramento region.

At that time, it was decided that Sgt.Jarvis would continue to monitor the event to ensure that no further Police presence was needed. We cleared the call at that time.

At approx.2001 hrs, Sgt. Jarvis broadcasted that he needed additional units to the area and that hundreds of people were seen running out of the event in a panic.

I responded code three to the area. While responding code three, my overhead lights were activated and my siren was sounded intermittently.

While en route, I heard approx.five gun shots over the radio followed by Sgt. Jarvis advising that shots had been fired with one suspect down.

I arrived on scene moments later and located Sgt.Jarvis inside the parking lot of the location next to a U-Haul Truck. His left foot was on top of a black handgun. He requested for one officer to take custody of the firearm and for additional units to begin rendering medical aid to the suspect who had been shot.

I located one of the victims who was laying on the ground in between two cars approx. 12 feet south of the roll up door of where the boxing event had occurred.

The suspect appeared to be a Male Hispanic Adult in his 30's, heavy, wearing a camo jacket and jeans. The suspect was later identified as S/AUGUSTINE MORALES(DOB:5/15/1982)

I noticed that he appeared to have multiple gunshot wounds to his body. Specifically, I noticed a wound to his left buttcheek area with a large amount of blood emitting from the wound site, (3) wounds to his back area, and (1) gunshot wound to his right clavicle area.

The suspect was alert and breathing. We began dressing and treating the wounds while monitoring his vital signs. While dressing his wounds, the suspect began to show symtpoms of labored and agonal breathing with a low pulse. Ofc.Wagstaff and I administered CPR until being relieved by The Sacramento

Fire Department(Med 20).

I began attempting to contact any potential witnesses that were still on scene. I made contact with Sub/[redacted] and Sub/[redacted]. [redacted] and [redacted] had been hired by the event coordinator as Ring Girls. Both [redacted] and [redacted] did not observe the shooting and only heard a fight break out and subsequent gunfire. They were later released from the scene.

I provided scene security for the remainder of the evening.

I was wearing my body worn camera, which was activated and recording. My in car camera was activated and recording. I heard Sgt. Jarvis broadcast over the radio about a large crowd. I observed the following in summary:

I heard Sgt. Jarvis broadcast via radio that he needed units for assistance.

While in route, I heard Sgt. Jarvis broadcast via radio "whatever is going on, no one is telling me. There's just a crowd coming around."

I could hear the crowd in the background.

Sgt. Jarvis broadcasted via radio "start me a couple units for sure."

I heard Sgt. Jarvis' radio microphone activate, but no audible traffic came out.

Sgt. Jarvis broadcasted via radio "can I have" someone "call the number that I attached? It's supposedly for the owner, hopefully they can tell me what's going on. Cuz I can't figure it out right now."

I heard the air unit Star broadcast via radio that it looked like a large crowd was in the area.

I heard Sgt. Jarvis radio key up and the sound of what I believed to be approximately three gunshots.

I heard dispatch raise Sgt. Jarvis.

I heard Sgt. Jarvis broacast via radio "shots fired, shots fired." (a brief pause ensued) "I got one down with a gun."

I heard Sgt. Jarvis broadcast via radio "hey, I need cover here. Don't dig in your pockets!"

When I turned onto Juliesse Ave from Del Paso Blvd I saw a large number of cars headed West on Juliesse Ave towards Del Paso Blvd. The vehicles appeared to be leaving at a high rate of speed.

I observed Sgt. Jarvis' Patrol vehicle (with overhead red and blue lights activated) parked in the street in front of 1601 Juliesse Ave.

I arrived on scene at approximately 2005 hours.

RT33 (SSD Deputy Gadd #187) and I began looking for Sgt. Jarvis.

I observed a large crowd of approximately 400-600 people in the parking lot of 1601 Juliesse Ave.

I broadcasted "Sam two where you at?"

The crowd was running from inside of the parking lot onto Juliesse AVe.

Sgt. Jarvis broadcasted "I'm right in the middle, just drive right in. Somebody bring your med kit for this guy."

Deputy Gadd and I proceeded to look for Sgt. Jarvis for several minutes but were unable to locate him in the large crowd.

We eventually located Sgt. Jarvis.

I observed other Sac Pd Officers providing life saving measures to a male who was laying on the ground and appeared to have a gunshot wound.

I placed tape around the scene and attempted to detain witnesses. While taping the scene, I verbalized several license plates (of vehicles attempting to leave the area) to my body worn camera (See Body Camera Footage).

Deputy Gadd and I later conducted a canvass of the area for cameras (see Deputy Gadd's supplement for details of the canvas).

EXAMINATION AND RESULTS

The examination of the evidence in this request began on 08/11/2021.

This report contains the results and conclusions of the signing analyst.
Supporting examination documentation is maintained in the case file.
Reported values should be considered as approximations when accompanied by the terms "approximate" or "approximately."
Non-case/analyst specific Forensic Biology and DNA case discovery available publicly at www.sacda.org/crime-lab/crime-lab-services/biology-dna-procedures/.

I extracted the swab of the textured grips of the pistol and the reference blood sample from Morales (012-01-AM) for DNA analysis using an EZ1 Robot extraction protocol.

I quantitated the extracts with the Quantifiler® Trio DNA Quantification kit. I amplified the extracts with the Promega PowerPlex® Fusion 6C short tandem repeat (STR) and Y-STR Amplification System.

CONCLUSION

Assumptions made for each item are based on the evaluation of the DNA results obtained. DNA results with an assumed number of contributors listed are suitable for comparison purposes unless otherwise specified. Likelihood ratio (LR) values are reported as: LR value ≤ 0.01 is an exclusion, 0.01 < LR value < 100 is inconclusive, LR value ≥ 100 is an inclusion. The likelihood ratio propositions in this case were formed using the information available at the time. If this information changes or other propositions should be considered, the likelihood ratios can be revisited prior to testimony.

Item 011-15: Swab of textured grips of pistol
Assumed number of contributors: 2 (at least one male)
Approximate contributor ratio: 99:1
Inclusion: Augustine Morales

It is at least 3 x 10^{29} times more likely to obtain the DNA results if Augustine Morales and a random, unrelated individual are contributors to the mixture than if two random, unrelated individuals are contributors.

DISPOSITION

The DNA extracts will be retained at the Laboratory of Forensic Services. Submissions 011 and 012 will be returned to the submitting agency.
