PHYSICAL EVIDENCE EXAMINATION REPORT

SUMMARY

The two submitted firearms, Item 001-4 and Item 004-8, both test fired normally with no malfunctions.

EVIDENCE EXAMINED

Note: In this report, a two-part number, for example 001-1, references an item. The first portion (001) is the laboratory submission number and the second portion (1) is the item number.

Item	Description
001-4	One Glock brand, model 17, 9mm Luger caliber semiautomatic pistol with serial number [REDACTED].
002-6	One Glock brand detachable box style magazine (17 cartridge capacity).
003-7	Two Federal brand 9mm Luger caliber unfired cartridges.
004-8	One Glock brand, model 17, 9mm Luger caliber semiautomatic pistol with serial number [REDACTED].
005-10	One Glock brand detachable box style magazine (19 cartridge capacity).
006-11	Eighteen Federal brand 9mm Luger caliber unfired cartridges.

Laboratory Generated Evidence

Item	Description
001-4-TF	A dry patch that was passed through the bore of Item 001-4, and three test fired bullets and cartridge cases from Item 001-4.
004-8-TF	A dry patch that was passed through the bore of Item 004-8, and three test fired bullets and cartridge cases from Item 004-8.

EXAMINATION, RESULTS, AND CONCLUSION

I was requested to perform a functionality test on the two submitted firearms. The examination of the evidence in this request began on 4/15/2020.

Firearm Examination

Item 001-4 is a Glock brand, model 17, 9mm Luger caliber semiautomatic pistol with serial number [REDACTED]. This pistol has a barrel with polygonal rifling with six lands and grooves and a right-hand twist. The pistol is equipped with the Glock "Safe-action" safety. I successfully test fired the pistol three times using three cartridges from Item 006-11 and the magazine from Item 002-6. The pistol test fired normally with no malfunctions and the test fires were retained by the laboratory.

Item 004-8 is a Glock brand, model 17, 9mm Luger caliber semiautomatic pistol with serial number [REDACTED]. This pistol has a barrel with polygonal rifling with six lands and grooves and a right-hand twist. The pistol is equipped with the Glock "Safe-action" safety. I successfully test fired the pistol three times using three cartridges from Item 006-11 and the magazine from Item 005-10. The pistol test fired normally with no malfunctions and the test fires were retained by the laboratory.

DISPOSITION OF EVIDENCE

The test fires and dry patches created during the functionality examination (Item 001-4-TF and Item 004-8-TF) will be retained by the Sacramento County District Attorney's Office at the Laboratory of Forensic Services.

The remainder of the evidence will be relinquished to the Evidence Section and returned to the submitting agency.

OIS VIDEO ADMONISHMENT

There exists video evidence pertaining to this case. You will be provided ample time to view the evidence before providing a statement. The purpose of showing footage is to assist your recollection of the incident so that you can sufficiently describe your state-of-mind. When viewing video evidence footage, be aware of the following:

- Recordings may depict events differently than you recall.
- Clips may not show the entire incident as seen or heard by you.
- The evidence may portray fields of view not normally observed by the human eye.
- Camera framerates limit the ability to smoothly capture movement.
- Coloring and lighting may be outside of the spectrum of the human eye.
- Depth, distance, and orientation could differ from your position during the incident.

Sacramento County District Attorney's Office

ANNE MARIE SCHUBERT
District Attorney

Rod Norgaard
Chief Deputy

Michael M. Blazina
Assistant District Attorney

DATE: April 14, 2022

TO: Chief Kathy Lester
Sacramento Police Department
5770 Freeport Boulevard
Sacramento, CA 95822

FROM: Sacramento County District Attorney's Office

SUBJECT: Officer-Involved Shooting Case No. SPD-20-109783
Shooting Officer: SPD Officer Connor Lawrence #267
Shooting Officer: SPD Officer Brandon Lundgren #970
Person Shot: Malcolm Wilcox (DOB: 3/15/1993)

The District Attorney's Office, as an independent agency, has completed its investigation and review of the above-referenced officer-involved shooting. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shootings by Sacramento Police Department Officers Connor Lawrence and Brandon Lundgren that resulted in injuries to Malcolm Wilcox. For the reasons set forth, we conclude that the shootings were lawful.

The District Attorney's Office received and reviewed written reports and other documentary items. These items include Sacramento Police Department Report 20-109783, video and audio recordings, dispatch calls, witness interviews, photographs, diagrams, evidence logs, and medical records.

FACTUAL SUMMARY

On April 11, 2020, Sacramento Police Department Officer Connor Lawrence was working patrol in South Sacramento. He was wearing a full Sacramento Police Department uniform and driving a marked patrol vehicle.

Officer Lawrence received a bulletin on his in-car computer regarding an armed and dangerous subject. The bulletin stated that an arrest warrant was active for a subject named Malcolm Wilcox for a charge of attempted murder that had occurred the previous day in Marysville. The bulletin stated that Wilcox had kicked in the door of his ex-girlfriend's home, assaulted her, and fired gunshots at the ex-girlfriend's current boyfriend before Wilcox fled in a newer red 4-door sedan. The bulletin provided a known address for Wilcox on Jenich Court in Sacramento.

Officer Lawrence drove to that address on Jenich Court and arrived at approximately 4:34 p.m. He saw a red sedan parked in the driveway with another car parked behind it. Officer Lawrence ran a records check on Wilcox and located a photograph taken of Wilcox in 2017. Officer Lawrence ran a records check on the residence and located a prior call for service at that address involving Wilcox possibly being "5150."

Officer Lawrence notified his sergeant that the red car of the wanted subject was in the driveway at the address on Jenich Court. The sergeant then began to make arrangements for other officers to respond and assist in taking Wilcox into custody on the outstanding warrant.

As Officer Lawrence was on the phone with other officers, he noticed a silver car driven by a black male adult leave Jenich Court and drive west towards Franklin Boulevard. The driver of the silver car appeared to have longer hair than Wilcox had in the photograph taken in 2017.

The silver car then made a U-turn and drove back towards Officer Lawrence. The car drove at approximately 10 miles per hour and Officer Lawrence saw that the driver's side window was open. The car passed very close to Officer Lawrence's patrol car, and the driver looked the officer in the eye as he passed. Officer Lawrence had Wilcox's photograph up on his in-car computer screen as the silver car passed and he was able to positively identify the driver of the car as being Malcolm Wilcox. Officer Lawrence was very concerned about the danger, so he released the retention strap on his holster as the silver car slowly and closely passed his position.

Officer Lawrence began to follow the silver car. He notified his sergeant so that additional units could be sent to assist.

At approximately this time, Sacramento Police Department Officer Brandon Lundgren was on patrol near Mack Road and Center Parkway, in full uniform and driving a marked patrol vehicle. He heard the update that the wanted subject in the Marysville attempted murder was located and started to drive south to assist Officer Lawrence.

Wilcox drove the silver car to the Foods Co. shopping center located on West Stockton Boulevard in Sacramento, as Officer Lawrence followed behind.

As Wilcox drove, Officer Lawrence broadcast updates with the direction of travel. Sacramento Police Department Sergeant Jeffrey Rath advised that the plan was to perform a felony stop on Wilcox with three patrol vehicles displaying lights and sirens. Officer Lundgren activated his lights and siren and followed Officer Lawrence's updates to the shopping center on West Stockton Boulevard.

Wilcox drove to the gas station pumps located in the southwest corner of the shopping center. All the gas pumps were occupied, and Wilcox stopped behind a car parked at one of the pumps. Backup units had not yet arrived, and Officer Lawrence felt he was committed to making the stop of Wilcox by himself.

Officer Lawrence activated the overhead lights on his patrol vehicle. As Officer Lawrence began to get out of his car to approach Wilcox, Wilcox made a three-point turn in his car and

began to drive away from the gas pumps. Officer Lawrence got back into his car, turned to follow, and activated the siren on his patrol vehicle. Wilcox accelerated away from the gas station in the parking lot, with Officer Lawrence behind him.

Officer Lundgren checked his in-car computer screen as he drove to assist and saw that no other patrol units were close to Officer Lawrence and that he would be the first to arrive. As Officer Lundgren pulled into the shopping center, he heard Officer Lawrence advise that the suspect was attempting to drive away. As Officer Lundgren turned towards the gas station, he saw Wilcox's silver car cross right in front of him, with Officer Lawrence immediately behind it. Officer Lundgren then turned northbound to follow.

Wilcox suddenly stopped the silver car after traveling a short distance, approximately 50 yards. Officer Lawrence stopped behind the silver car. Officer Lundgren stopped to the left of Officer Lawrence.

Wilcox got out of the driver's side door of the silver car and walked approximately three steps towards Officer Lawrence's patrol car. Wilcox reached into his waistband and withdrew a firearm. Officer Lawrence believed that Wilcox was going to try to kill him.

Officer Lawrence withdrew his own firearm while still seated in his patrol vehicle. Wilcox began firing towards Officer Lawrence, and Officer Lawrence returned fire through the windshield of the patrol car.

Officer Lundgren put his car into park, opened the driver's door, and stepped into the wedge behind the open door as Wilcox fired at Officer Lawrence. Officer Lundgren believed that Wilcox was trying to kill Officer Lawrence, so he fired several rounds at Wilcox.

As Officer Lundgren was firing, Wilcox turned and ran northwest through the parking lot, running approximately 50 yards away. Wilcox continued to carry the firearm in his right hand as he ran. As Wilcox was running away, Officer Lundgren continued to fire at Wilcox until his magazine was empty.

Officer Lundgren reloaded his firearm, and both officers took cover behind a Toyota Sequoia. Officer Lawrence told the occupants of the Toyota to get out and take cover behind his patrol vehicle. Officer Lawrence fired additional rounds at Wilcox from behind the Toyota.

Officer Lundgren was to the right of Officer Lawrence. He was aware that using a pistol accurately from a distance of 50 yards is very difficult, so he armed himself with a rifle. He retrieved the rifle from Officer Lawrence's patrol vehicle as it was closer than his own vehicle. He then returned to a position to the right of Officer Lawrence behind the Toyota.

Both officers saw Wilcox lying on the ground, on his stomach, in a shooting position, and both officers could hear additional rounds being fired by Wilcox. Officer Lundgren then fired one round at Wilcox with the rifle. After the rifle shot was fired, Wilcox raised both his hands into the air and dropped his firearm.

Officers directed Wilcox to roll away from the firearm. Officer Lawrence was concerned that Wilcox would pick up the weapon and continue to fire, or attempt to commit "suicide by cop."

Other responding officers assembled a team to approach Wilcox. Wilcox complied with officers' commands and rolled away from the firearm. The team of officers approached, secured the firearm, handcuffed Wilcox, and began to provide medical assistance.

As officers did so, Wilcox stated, "Let me die. Leave me alone. Let me die. Shoot me again. Leave me alone!"

A civilian eyewitness was interviewed. She indicated that she was standing by the Quick Quack car wash to the south of the gas station when she saw two patrol vehicles trying to pull over a silver sedan. She saw the driver of the silver sedan get out of the driver's seat and shoot at the officers first, with both officers then returning fire. She saw the subject run from the officers, fall to the ground, raise the gun, and shoot approximately four more times at the officers while lying on the ground.

A second civilian witness was located by the gas station. She also saw the driver get out of the silver sedan and start firing at the police officers. A third civilian eyewitness was approximately 15 feet away from Wilcox's silver sedan when it came to a sudden stop in the parking lot. The witness was in the next parking aisle to the east. The witness stated that as the suspect's car came to a stop, the suspect got out of his car and started firing at the officers immediately. Multiple additional witnesses gave similar statements.

Wilcox was transported to Kaiser Hospital in South Sacramento. After being advised of his Miranda rights, Wilcox was interviewed in the Intensive Care Unit the next day. He stated that his intention was to kill himself or to have officers do it for him. He said he had a gun with him when he left his girlfriend's house on Jenich Court. He said that he noticed the officer following him and decided that was how he could get himself killed.

Wilcox noticed that the officer followed him all the way to the gas station. Wilcox claimed he got out of his car and faced the officers "so that they could shoot me." He stated he raised the gun up but denied pointing it at the officers. He admitted firing several shots. He stated he was struck by gunfire as he ran away but claimed he did not remember anything that happened after that. He stated he did not remember firing his gun at officers as he was lying on the ground.

When Wilcox was taken into custody, officers located a small Ruger .380 caliber semi-automatic handgun on the ground with an empty magazine. Crime scene investigators located six spent .380 casings in the parking lot: two were found by the open door of Wilcox's silver sedan, one was found approximately 30 feet northwest of the silver car, along the direction that Wilcox ran, and three casings were found where Wilcox was taken into custody about 50 yards northwest of his car.

A round count was conducted of both officers' firearms. Fifteen rounds were fired from Officer Lawrence's Glock 17 9mm pistol. Eighteen rounds were fired from Officer Lundgren's Glock

17 9mm pistol. One round was fired by Officer Lundgren from Officer Lawrence's .223 caliber rifle.

Medical records showed that Wilcox received three gunshot wounds: one to the thigh in his left leg, one to his right upper back, and one to the back of his head. According to Dr. James Bechar, the wound to the back of Wilcox's head left four small holes. The doctor believed that the holes were caused by one bullet or fragments that struck Wilcox.

The shots fired by Malcolm Wilcox and by Officers Lawrence and Lundgren were captured by the in-car cameras and body-worn cameras of the two officers.

Officer Lawrence's in-car camera shows the officer following the silver sedan at normal speeds into the shopping center and to the gas station at approximately 4:38 p.m. Officer Lawrence stops his patrol vehicle a few feet behind the silver sedan. The silver sedan almost immediately begins to make a three-point turn and begins to drive away as Officer Lawrence states, "He's about ready to take off on me."

Officer Lawrence activates his siren as Wilcox starts driving rapidly away from the gas pumps, traveling northbound through one of the shopping center parking aisles. After approximately 50 yards, Wilcox skids the silver sedan to a sudden stop. Officer Lawrence stops about 20 feet immediately behind.

Wilcox is seen on the video getting out of the silver sedan, turning towards Officer Lawrence, removing an object from his right front pants pocket, pointing it towards Officer Lawrence's vehicle, and firing twice. The sound of gunfire is heard from inside the vehicle as Officer Lawrence returns fire while still in the driver's seat, firing through his front windshield. Additional shots are heard from outside the vehicle, though Officer Lundgren cannot be seen on the screen. Wilcox then turns to run away from the officers in a northwest direction, as Officer Lundgren continues to fire. Officer Lawrence broadcasts, "Shots fired, shots fired!"

The camera view remains facing northbound. Wilcox has run out of the field of vision of the screen. Officer Lawrence begins to issue commands to Wilcox, then says, "He's got a gun!" Additional gunshots are heard in the distance. Wilcox is taken into custody off screen.

Officer Lawrence's body-worn camera depicts Officer Lawrence's steering wheel and dashboard while he is inside the car. However, the audio is consistent with the events as described above.

Officer Lundgren's in-car camera shows Officer Lundgren pulling into the shopping center parking lot and turning towards the gas station just as Wilcox and Officer Lawrence cross in front of him. Officer Lundgren follows behind for approximately six seconds before Wilcox comes to a sudden stop. Officer Lundgren pulls around to the left of Officer Lawrence's vehicle and comes to a stop facing slightly northwest. As his patrol vehicle is coming to a stop, the driver's side door of the silver sedan is momentarily seen opening. As Officer Lawrence's patrol vehicle is still moving, the forward-facing video does not show Wilcox getting out of the silver sedan.

Multiple gunshots are heard, and Wilcox is then seen running northwest away from the officers. The rear window of a parked Toyota Sequoia is shattered by gunfire from one of the officers as Wilcox flees.

Both officers approach the Toyota and direct the occupants to get out and take cover as additional shots are fired. Officer Lundgren can then be seen approaching the rear of the Toyota armed with a rifle. He fires one round in the direction where Wilcox had fled. Thereafter, two additional rounds are heard.

Officer Lundgren's body-worn camera video shows the steering wheel and dashboard until Officer Lundgren gets out of the patrol vehicle. At that point, he hurriedly puts the car into park and gets out of the driver's side door as multiple gunshots are heard. Officer Lundgren can then be seen raising his gun up in front of him and firing multiple rounds. Wilcox is not visible.

Officer Lundgren then moves to the parked Toyota SUV. Multiple additional gunshots are heard as Wilcox is seen running northwest through the parking lot. Officer Lundgren retreats to his patrol vehicle, then returns to the SUV as he places a fresh magazine in his handgun. He directs the occupants of the SUV to get out of the car.

Officer Lundgren then goes to Officer Lawrence's car and retrieves a rifle. He takes a position behind the SUV and takes aim to the northwest. Officer Lundgren fires one round with the rifle. Two additional rounds are then heard being fired off-camera. Officer Lundgren moves and takes a position behind Wilcox's silver sedan as other officers are heard shouting commands to Wilcox. No additional shots are fired.

An additional video taken by a civilian eyewitness was reviewed. As the video begins, Wilcox is lying on his stomach in the parking lot, facing southeast towards the officers. Wilcox raises his gun in front of him in a shooting position and appears to fire two rounds towards the officers. Wilcox then drops the gun, turns to his right, and begins to crawl away before the video ends.

Wilcox was arrested and is currently pending charges related to this incident in Sacramento County Superior Court case number 20FE006585. He is charged with two counts of violating Penal Code section 664/187 (attempted murder) and one count of violating Penal Code section 29800(a)(1) (felon in possession of a firearm.)

LEGAL ANALYSIS

himself to be detained. (California Penal Code section 834a; People v. Allen (1980) 109 Cal.App.3d 981, 985; CALCRIM 2670, 2671, 2672.) Officers do not need to retreat or desist their efforts if the person they are arresting or detaining resists or threatens resistance; nor shall the officer be deemed an aggressor or lose the right to self-defense by use of reasonable force. (California Penal Code section 835a(d).)

Here, Officer Lawrence had received a bulletin on his in-car computer notifying him of an active arrest warrant for Malcolm Wilcox for a charge of attempted murder committed the previous day in Marysville. The details of the bulletin stated that Wilcox had broken into the home of his ex-girlfriend, assaulted her, and fired gunshots at the ex-girlfriend's current boyfriend.

Officer Lawrence drove to Wilcox's known address on Jenich Court. He accessed identifying information on Wilcox, including a photograph. As he did so, he saw Wilcox drive past his location twice. The second time, Wilcox drove by slowly with his window down and he looked directly at Officer Lawrence. Officer Lawrence was able to positively identify Wilcox as the wanted subject.

Officer Lawrence had a responsibility to apprehend Wilcox on the active warrant. Officer Lawrence followed Wilcox's vehicle until additional officers could arrive to assist. However, Wilcox attempted to flee from Officer Lawrence at the gas pumps before the additional officers could arrive. Officer Lawrence and the just-arriving Officer Lundgren activated their sirens to detain Wilcox. Wilcox had a duty to permit himself to be detained. He chose not to do so. Instead, Wilcox stopped his car, got out, and fired two shots towards the officers from a distance of only approximately 20 feet.

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470; California Penal Code section 835a(c)(1)(A).) An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (People v. Toledo (1948) 85 Cal.App.2d 577; People v. Jackson (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (Graham v. Connor (1989) 490 U.S. 386.)

Here, Wilcox's decision to fire at the officers from approximately 20 feet away in a crowded shopping center constituted an immediate danger of death or serious bodily injury to the officers and to the surrounding members of the public.

Officer Lawrence was reasonable in returning fire at Wilcox through the windshield of his patrol vehicle as Wilcox had just fired two rounds at him.

Officer Lundgren was reasonable in returning fire at Wilcox, in self-defense and in defense of Officer Lawrence and the surrounding public, as Officer Lundgren was immediately to the left of Officer Lawrence when Wilcox started shooting.

After Wilcox fired his first two rounds towards the officers immediately after exiting the silver sedan, Wilcox turned and began to run away from the officers. Officer Lundgren continued to fire at Wilcox as Wilcox ran to the northwest. Under the applicable legal authority, Officer Lundgren acted lawfully when he did so.

California Penal Code section 835a(c)(1)(B) provides that a peace officer is justified in using deadly force upon a fleeing person if the officer reasonably believes, based on the totality of the circumstances, that such force is necessary "to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another person unless immediately apprehended. Where feasible, a peace officer shall, prior to the use of force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has reasonable grounds to believe the person is aware of those facts."

Here, both officers were aware that Wilcox was wanted out of Marysville for a charge of attempted murder. Officer Lawrence had confirmed that the arrest warrant detailed that Wilcox had actually fired gunshots at his ex-girlfriend's current boyfriend. Further, when Officer Lundgren fired at Wilcox as Wilcox turned and ran away, Officer Lundgren was also attempting to stop Wilcox for the attempted murders he had just committed in firing at the officers.

Prior to the use of force, Officers Lawrence and Lundgren identified themselves as peace officers through the deployment of the sirens on their marked patrol vehicles. Wilcox responded to the sirens by getting out of his car and opening fire on the uniformed officers. Given all of these circumstances, it was reasonable for both officers to believe Wilcox would shoot someone else if he was not immediately apprehended and to believe that Wilcox was aware that deadly force would be used to apprehend him.

Finally, Officer Lundgren was reasonable in firing one round with the rifle as Wilcox was lying on the ground to the northwest, approximately 50 yards away. Wilcox had ignored officers' commands to drop the weapon and move away from it. Instead, as captured on the eyewitness video, Wilcox fired towards the officers as he was lying on his stomach on the ground. As such, Wilcox continued to pose an active and immediate danger to the officers and the public.

CONCLUSION

Malcolm Wilcox had an active arrest warrant for attempted murder. When Officers Lawrence and Lundgren attempted to take him into custody for that offense, Wilcox opened fire on them to prevent them from doing so. His actions unquestionably constituted an immediate danger of death or serious bodily injury to the two officers and the members of the public present in the shopping center. Therefore, Officers Lawrence and Lundgren acted lawfully in utilizing deadly

On Saturday, April 11, 2020 at approximately 1952 hours, I contacted witness [REDACTED] outside of 7501 W. Stockton Blvd and obtained her statement. (W) [REDACTED] stated the following in summary:

We were going for a walk. I live right over there (pointed in the direction to the east). My children and I were standing on the sidewalk to the right of the Quick Quack sign. I noticed officers trying to pull over that silver Malibu over there (pointed to suspect vehicle). I believe there were two (police) cars behind him. I saw a black guy with a yellow shirt and dreds get out of the driver seat and start shooting at the cops first. That's when the officers started shooting back. I am assuming he got shot because I saw the guy fall down on the ground. I saw him pick up the gun and start shooting four times. He was shooting at the cops while crawling on the ground. I remember the officers getting a shield and a big gun. The officers were telling the guy to put his hands up but I don't think he could but his hands up. He was laying on his stomach as a group of officers went up and handcuffed him.

I heard maybe twenty-five (25) gun shots (in total). It all just happened really fast. I have a video of it, but my cellphone is going dead. I will email it to you. I have a video from my friend Tierra. She was at the store over there (pointed in the direction to the north). I tried to give the video to Officer Gamble, but my cellphone is going dead. My children did not see the shooting because when we heard the shooting we turned around and started running, but then I looked back over.

The statement you read to me was accurate. I don't really remember anything else about the shooting. My dad (W-[REDACTED]) and I were bringing food into the trunk of my dad's car. As I was going back into the restaurant all I heard was my dad tell me to go back faster because we heard gun shots. All I see is my dad and a few other people hiding behind cars. I ran into the restaurant. I just heard the shots, but I don't know who was shooting. At first I heard the black male shooting, but I don't know who shot afterwards. The name of the restaurant is Tay Giang, which is owned by my uncle. We were parked near the Tay Giang restaurant. I heard more than 5 gun shots. The guy that was doing the shooting was a black male with a yellow shirt, ripped jeans, and he had dreadlocks. I don't remember seeing the gun. The guy in the yellow shirt was two aisles away from where my dad's car was parked. The police were probably parked the same distance. The guy was running backwards as he was shooting. The officers were trying to keep the citizens safe while calming down the situation, but at least they were trying to arrest him. I remember the officers were first telling the guy to get out of the car and drop his weapon. I remember seeing the guy retreating backwards and him lay flat on the ground as he's trying to crawl away. Then I see the officers run up to him so I knew he couldn't do anything more. My dad and I stayed at the location for another 15-20 minutes before we left.

On 4/11/20, I (Sgt. Merten) was assigned as the supervisor of the Sacramento Police Department's Human Trafficking Unit. At approximately 1750 hours, I received a phone call from Lt. Heinlein of the Major Crimes Division. Lt. Heinlein advised that there had been an officer involved shooting that occurred at 7421 W. Stockton Blvd and he requested that I respond to assist. I arrived in the area of Calvine/Bruceville at approximately 1852 hours. I parked my vehicle on the east side of Bruceville, just south of the driveway that is adjacent to the Chase Bank, which is located at 7301 W. Stockton Blvd.

At approximately 1854 hours, I entered the crime scene which encircled the entire parking lot of the shopping center. I walked to the area around the Food 4 Less Fuel Center where I contacted CSO Anstess, who was the crime scene recorder. At approximately 1906 hours, Lt. Kaneyuki #4108 (LN12) provided a briefing of the facts known to him at that time. Lt. Kaneyuki advised that at 1538 hours, SPD was notified by Marysville PD about a BOLO for a subject (Malcolm Wilcox) who had an active Ramey warrant for 664/187 PC. Lt. Kaneyuki stated that Wilcox had an address of [REDACTED] and that Officer Lawrence had observed him leaving from that location in a silver Chevy Impala. Lt. Kaneyuki advised that Officer Lundgren followed Wilcox to the Food 4 Less parking lot, where Wilcox exited from the Impala and fired numerous rounds at Officers Lawrence and Lundgren. Officers returned fire and struck Wilcox, who was then taken into custody and transported to Kaiser Hospital.

Lt. Heinlein requested that I coordinate the execution of a search warrant at [REDACTED] Jenich Court, Wilcox's residence. He stated that SGET (South Gang Enforcement Team) officers were currently conducting surveillance on the residence. I received information during the briefing that a red Kia, CA License# [REDACTED], had left [REDACTED] Jenich Court while officers were conducting surveillance. The Kia was stopped at Franklin/Cosumnes by patrol officers and the female driver, [REDACTED], was detained.

I responded to the Hall of Justice where I met with SPD Homicide Detective Severi. Det. Severi advised that he would author a search warrant for [REDACTED] Jenich Court. I contacted Officer Nedeljkovic who advised that he was watching [REDACTED] Jenich, along with Officers [REDACTED] and Case.

At approximately 2040 hours, Sgt. Rath advised that Officers Davis (1C46) and Helmich (1C49) were on their way to [REDACTED] Jenich Court to contact the residents and freeze the location for the search warrant. At approximately 2043 hours, Officer Nedeljkovic advised that they were dealing with an uncooperative female at the residence.

I reviewed the completed search warrant that Det. Severi had written for [REDACTED] Jenich Court. The warrant was reviewed by Sacramento County Deputy District Attorney Hilary Davisson. Sgt. Kinney advised that

Detectives Worm, Koppinger, [REDACTED] and Derrick would assist with statements from the individuals who were at [REDACTED] Jenich Court. I briefed Detectives Strauss, [REDACTED] and McClusky on what they would be searching for at the residence. Det. McClusky was assigned as the finder. I responded to [REDACTED] Jenich Court where I waited outside with all of the detectives until the search warrant was signed.

At approximately 2258 hours, Det. Severi advised that the search warrant had been signed by the Honorable Kristina Lindquist from the Sacramento Superior Court. I contacted Ofc. Nedeljkovic outside of the residence and advised him that the search warrant had been signed. Prior to entering the residence, I activated my body worn camera. As I entered the residence, I observed three adults and 3 children seated in the living room. I advised [REDACTED], the [REDACTED] of Malcolm Wilcox, that we would be searching the residence for evidence. I also advised her that detectives would speak with the adults inside of the residence and obtain their statements. Detective [REDACTED] took photographs of the residence prior to the start of the search. I assisted in searching the kitchen and living room areas of the residence. I did not locate any items of evidence.

Officer Case advised that the following individuals were inside of [REDACTED] Jenich Court:

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]

Detectives Koppinger, Worm and [REDACTED] interviewed [REDACTED], [REDACTED] and [REDACTED]. Detective Derrick interviewed [REDACTED], who arrived on scene later.

Detectives concluded the search at approximately 2351 hours and left the residence. Prior to leaving, a SPD property sheet was left on a table in the kitchen. Detectives returned to the Hall of Justice, where the evidence was booked into property.

On 4/13/20, I spoke with Marysville PD Detective Liebman regarding the 2016 red Kia, CA License# [REDACTED]. Det. Liebman advised that he would be writing a search warrant to process the vehicle. I advised Det. Liebman that the Kia was evidence impounded at Central Valley Tow.

On 4/15/20, Marysville PD processed the Kia.

NOTIFICATION:

On Saturday, April 11, 2020 at approximately 1738 hours, I received notification of an officer involved shooting incident at 7421 W Stockton Blvd. I was requested to assist with the investigation. I responded to the scene. The following are my observations in summary:

ARRIVAL:

At approximately 1830 hours: I arrived at the scene. I parked my unmarked police vehicle outside the crime scene tape on Bruceville Rd just north of W Stockton Blvd. I checked in with the crime scene recorder, CSO Anstess #8158.

Sergeant Kinney tasked me with speaking with a witness to the officer involved shooting. I later contacted W- [REDACTED], Date of Birth - [REDACTED]. W- [REDACTED] was accompanied with her children, [REDACTED] - Date of Birth [REDACTED], [REDACTED], Date of Birth - [REDACTED], [REDACTED], Date of Birth [REDACTED], and [REDACTED], Date of Birth [REDACTED]. W- [REDACTED] reported that none of her children witnessed the shooting and were not harmed or injured from the shooting. Refer to W- [REDACTED] statement for further details. My body worn camera was actively recording during my contact with W- [REDACTED].

Sergeant Kinney asked that I speak with W- [REDACTED] and [REDACTED] who were reportedly present during the officer involved shooting but left the scene prior to my arrival since they were traveling to San Francisco. On 04/11/2020 at approximately 2137 hours, I called W- [REDACTED] and W- [REDACTED] with negative results.

At approximately 2258 hours, a search warrant was executed at [REDACTED] Jenich Ct. At approximately 1141 hours, I spoke with (Subject) [REDACTED], Date of Birth [REDACTED]. Refer to [REDACTED] supplemental statement for details. My body worn camera was actively recording during my contact with [REDACTED].

On 07/30/2020 at approximately 1247 hours, Detective Murawski #871 and I spoke with W- [REDACTED] at his residence located in [REDACTED]. My body worn camera was actively recording during my contact with W- [REDACTED]. I read W- [REDACTED] his original witness statement from 04/11/2020 for accuracy.

W- [REDACTED] informed me the statement he provided that day to Deputy Gadd #187 was an accurate account of the events which took place on 04/11/2020. I did ask W- [REDACTED] a few additional questions related to his investigation which he freely answered. Refer to W- [REDACTED] supplemental statement for further details.

W- [REDACTED] informed Detective Murawski and I that his father (W- [REDACTED]) was at work. I provided my business card with my work telephone numbers and asked that W- [REDACTED] have his father call me when he returned home for a statement. I later contacted by Detective Murawski that he spoke with W- [REDACTED] and obtained his statement. Refer to Detective Murawski's supplemental report for W- [REDACTED] statement.

On Saturday 4-11-2020 I, Sgt Sobodash #3145 (3SM4), was driving SB Franklin Blvd approaching 47th Ave when I heard (via radio) "Shots fired" from an officer on a stop in the area of Bruceville Rd/Calvine Rd. I immediately responded C3 from my location.

While en route I heard updates from officers advising shots were still being fired.

As I got closer I heard Sgt Rath (via radio) advise he would take the tactical portion of the incident and requested I take the scene/perimeter portion.

Upon arrival, I immediately parked my patrol SUV on Bruceville Rd just west of W.Stockton Blvd to block any NB traffic on Bruceville Rd from turning EB to W.Stockton Blvd.

Once I heard enough units were at the shooting scene I began broadcasting perimeter locations for additional responding units.

Once the scene had become stable I began coordinating available units to canvass the large scene for witnesses and video surveillance.

I later collected the pertinent witnesses information from units and provided this information to detectives during the brief.

Later in the shift I heard units requesting additional assistance at ■ Jenich Ct for an uncooperative female. During the course of the investigation, ■ Jenich Ct had been determined to have been related to our current call in that the suspect had left this location just prior to our current incident. Seeing as I was no longer of use at my current location (Foods Co parking lot) I decided to respond to ■ Jenich Ct in an effort to assist.

Upon arrival to ■ Jenich Ct it was quickly determined everything was now calm and units on scene had already received their instructions from Sgt Merten regarding this scene.

I cleared the call without any further action(s).

My family and I were sitting here in the parking lot getting gas. I heard a lot of noise and tires screeching. I looked up and saw a black male adult, wearing a yellow shirt, pull a black handgun out from his waistband. The black male took the Black Hand gun and pointed it at the Sacramento Police Department (SPD) Officers that were there. I watched the black male adult shoot at the SPD officers. I heard a lot of noise after that.

The SPD officers pulled their guns out and started shooting at the black male adult wearing the yellow shirt.

We sat here in this parking lot until all of the officers showed up. You are the first Officer we have spoken with.

1639 HOURS 04/11/2020 Saturday): I, Deputy Gadd #187 (Unit RT33), was assigned to the Sacramento County Sheriff's (SSO) Security Services Division, specifically to the Regional Transit (RT) unit. I was wearing an SSO uniform and driving a fully marked RT police services car (622).

I was seated in my patrol car traveling westbound highway 50 at the Stockton Blvd. exit, when I heard a radio broadcast of a Sacramento Police Department (SPD) Officer had been shot at. The radio broadcast asked for all available units to head that way. The location was Bruceville and Calvine road in the city of Sacramento.

I responded from highway 50 and Stockton Blvd. using my lights and siren (code three).

1644 HOURS: I arrived on-scene at the fuel pumps located at W. Stockton Blvd. and Bruceville Road and stood by awaiting further instruction. A SPD supervisor broadcasted via radio to begin taken statements from anyone near the scene.

I spoke with [REDACTED] while he was seated in his personal vehicle that was parked at the gas station. [REDACTED] explained to me he was sitting in his car, heard commotion, saw a black male adult wearing a yellow shirt pull a black waistband from his pants, point it at SPD officers and fire his black handgun at the SPD officers. (See attached witness statement)

1647 HOURS: I spoke with [REDACTED] who was [REDACTED] son, [REDACTED] stated he was in the car with his father when he started noises. [REDACTED] stated he looked over and saw a black male adult wearing a yellow shirt with dreads, pull out a black handgun, point it at SPD Officers and shot at them. I was going (indicated) that way on Calvin Rd (Eastbound) and stopped at the light to turn onto Bruceville Rd. The silver car was also going to the same way. The silver car was in the #2 lane, then it moved into the #1 lane. When he did that, I could see the cop was following the guy in the silver car. The cop looked like he was running the plate. Both cars turned north (indicated) on Bruceville and the silver car started to change lanes to get over and turn right here (indicated W. Stockton Blvd). When he changed lanes, the cop also changed lanes. They both turned onto W. Stockton Blvd and I continued straight towards Del Taco (Consumnes River Blvd & Bruceville Rd). I was almost to the intersection when I heard approximately 20 gun shots. I doubled back and saw all of this.

On April 11, 2020 at approximately 1636 hours, I, Officer Keyser #368 and Officer Nelson #1035 responded to the area of Bruceville Road and Calvin Road to assist officers on a felony stop. Per the text of the call, the driver of the vehicle matched the physical description of an armed subject with an outstanding ramey warrant. I activated my body worn camera while responding to the scene and observed the following in summary:

Per previous information given on the suspect (CAD CALL 20-109755), officers learned that the driver of the vehicle was possibly identified as WILCOX, MALCOM and was wanted for 459PC, 245(A)(1)PC, 29800PC(A)(1), 30305PC(A)(1) and 664/187PC.

I responded Code 3 from the area of Florin Road from 24th Street. While driving to the area of the traffic stop at approximately 1639 hours, officers already on scene put out a "shots fired" warning on the radio.

I continued to respond code 3, southbound on Highway 99 toward Cosumnes River Boulevard.

While exiting the 99 South bound ramp at Westbound Cosumnes River Boulevard, my patrol vehicle tire struck the center median resulting in a rubbing vibration coming from the front drivers side tire. The vehicle was still driving normally and I continued to 7421 W Stockton Boulevard to assist officers on scene.

Upon arrival at 7421 W Stockton Boulevard at approximately 1642 hours, I parked my patrol vehicle at Kastanis Way and W Stockton Boulevard to block all westbound traffic on W Stockton Boulevard. I responded to the North West side of the parking lot and assisted officers on scene.

While assisting officers on scene I was on a contact team to apprehend S-WILCOX. Once S-WILCOX was placed into handcuffs, I began to search S-WILCOX for injuries. I located 3 possible gunshot wounds to S-WILCOX back area. The first wound was on the right side of the upper back and was approximately 1/2" in diameter. I located a second possible gunshot wound to S-WILCOX right, upper back approximately 1/4" in diameter. I located another possible gunshot would to S-WILCOX right, lower neck area approximately 1/4" in diameter. I applied direct pressure to these wounds until I was relieved by Sacramento Fire Department medics.

After S-WILCOX was transported, I assisted officers on scene for a canvas and located several gunshots to buildings in the area with debris from the bullets. I placed placards for each gunshot and any debris observed. I

We were in full uniform and driving a fully marked police vehicle. My body-worn camera and in-car camera was recording during the call. I observed the following in summary:

Ofc. Keyser and myself responded code-3 (flashing lights and sirens) to 7421 West Stockton Blvd. from the area of Florin Rd./ 24th St.

I heard over the radio that Ofc. Lawrence was "committed" behind the vehicle at this address. An additional broadcast was made by Ofc. Lawrence advising that the suspect may be attempting to run from him.

At approximately 1639 Hrs., I heard a "shots fired" broadcast come over the radio related to the call.

Ofc. Keyser and myself exited southbound Highway 99 at Consumnes River Blvd. at approximately 1641 Hrs.

While exiting the freeway, our vehicle (VEH #13433) made contact with the center median north-curblineline of Consumnes River Blvd. at Highway 99. The vehicle sustained minor damage to the front drivers side wheel.

We arrived on scene at approximately 1642 Hrs.

I deployed my long-rifle and ran towards the area of the shooting with Ofc. Keyser.

Once on scene, I observed a MBA laying on the ground west of the patrol vehicles.

I ran to a nearby patrol vehicle and pulled a ballistic shield out of the rear.

I handed the shield to Ofc. Calabrese #1005.

I obtained a better position behind a vehicle to maintain a visual of the suspect who was still laying on the ground while I pointed my firearm at him.

Observations:

On 4/11/2020 at approximately 1540 hours, I Sgt Rath #3006 (3SM5), received a Ramney Warrant for Suspect Malcom Wilcox via email from The Marysville Police Department. The Ramney warrant indicated that Sus Wilcox was wanted for a variety of crimes to include an attempted murder on 4/10/2020. Additionally the warrant included that Sus Wilcox had fled the scene in a newer model, red four door sedan.

At approximately the same time, I Observed an All Units (AU) call (20-109755) pending on the dispatch board indicating that the Sus Wilcox was known to live at [REDACTED] in 5C.

Ofc Lawrence called me to advise that he had driven by the above address and observed a red four door sedan consistent with the Ramey warrant.

I advised Ofc Lawrence to get out of view of the house but stay in the area until I could relieve him with proper surveillance officers. I contacted Officers Calabrese and Nedeljkovic and advised them to get in the area plain clothes unmarked (PC/UM) and take point on the house while we gathered information.

I advised Lt Kanetuki #4108 (LN12) of this incident. Before the PC/UM officers could get to the area, Ofc Lawrence called me again and advised that the possible suspect was leaving the house in a vehicle that had been parked in front of it.

I advised Ofc Lawrence to stay with the car and set up a felony vehicle stop. I requested additional units to include Air/K9 in order to effect a felony vehicle stop on the subject. Additionally, I advised the PC/UM officers to continue to [REDACTED] Janich Ct in the event we were not with the proper suspect.

I started driving to the area. I was in full dress uniform and driving a marked SPD Sgt's car.

I heard Ofc Lawrence broadcast that he was committed behind the vehicle at the Foods Co Gas Station located at 7421 W. Stockton Bl. Ofc Lawrence also indicated that the suspect was not cooperative.

A short time later, Ofc Lawrence broadcast that shots had been fired. I proceeded to the scene code three. My ICC and BWC were both activated.

Upon arrival, I observed the arrest team making an approach to Sus Wilcox.

Sus Wilcox was NW of the officer's cars and was on the ground. Ofc Wilcox was bleeding from multiple parts of his body. I observed a Ruger LCP on the ground near Sus Wilcox.

After Sus Wilcox was detained in handcuffs, multiple officers initiated first aid. SFD was requested code three and cleared to enter. Sus Wilcox was conscious, breathing, and talking while officers were giving first aid.

Medic 7 and Truck 7 responded and transported Sus Wilcox to Kaiser South. Ofc Case #0667 (GNG66) rode with Sus Wilcox in the ambulance.

I assisted in stabilizing the inner scene and helping Lt Kaneyuki prepare his briefing for investigations. After the briefing, I assisted with scene security and walk throughs until I was properly relieved by Sgt Fox #3007 (1SM5). I cleared the call and returned to service.

MALCOM XAVIER WILCOX SR.

WANTED SUSPECT: MALCOM XAVIER WILCOX SR.

DOB: 03/15/1993

Hair: BLK

Eyes: BRO

Height: 5'11"

Weight: 220 lbs.

On the morning of 4/10/2020, Wilcox forced entry into his ex-girlfriend's residence on the 600 block of Chestnut Street in Marysville. Wilcox engaged in a physical altercation with a BMA victim inside of the residence and produced a handgun. The BMA victim fled the residence on foot and then entered a brown colored Hyundai Tucson SUV. The BMA victim fled the scene in the SUV southbound on Chestnut Street. Wilcox discharged numerous .40 caliber rounds at the victim and into the SUV as it drove away. Wilcox fled the area southbound on the 600 block of Chestnut Street in a newer model, red colored, four-door sedan.

The SUV was later located, recovered, and towed for evidence as it had sustained numerous bullet strikes.

Wilcox, the .40 caliber handgun, and the red sedan suspect vehicle are still outstanding.

Numerous physical evidence items were located and seized from the residence pursuant to a search warrant.

Wilcox is wanted for violations of 459 PC, 29800(A)(1) PC, 30305(a)(1) PC, 245(a)(2) PC, and 664/187(a) PC.

There is a \$500,000.00 bail Ramey Warrant in the system in reference to Wilcox's arrest.

If contacted, use caution, arrest, do not advise of Miranda Rights and/or question in reference to this investigation, and contact Marysville Police Department Dispatch.

On 4-11-20, at approx. 2345 hours, I Detective Murawski interviewed Ofc. Lundgren in the Popovich Room of the Headquarters Building of the Sacramento Police Department. Present in the room during the interview were, Sean Howell and Anish Singh from the Mastagni Law Firm, Annette Fucles from the Sacramento County District Attorney's Office, and Sergeant Kinney from the Sacramento Police Department Homicide Unit. The interview was digitally recorded (audio only) and the recording was sent to Filezilla for transcription.

After obtaining a copy of the transcript from Filezilla, I forwarded a copy of it to , Sean Howell, Anish Singh and Ofc. Lundgren for their review.

I reviewed the transcription and made a few minor corrections to it. For the exact content of the interview, please refer to the audio recording.

The following is the transcription from the interview:

INTERVIEW WITH OFFICER BRANDON LUNDGREN

Q=Detective Murawski

A: Brandon Lundgren, patrol.

A3: Shawn Howell with Mastagni Law Firm.

A4: Annette Fucles, Investigator, Sacramento County DA's office.

Q: Alright, thank you everybody. We are going to start out. I'm just going to ask you some basic questions just about you and what your position is with the department. Alright? Could you say your full name again with your badge number?

A: Brandon Lundgren, 970.

Q: Alright. How long have you been employed with the Sacramento Police Department?

A: Approximately three and a half years.

Q: And does that include your academy time or is that...?

A: I did not go through Sac Police Academy.

Q: Okay. Did you go through a different academy?

A: Yes.

Q: Which academy was that?

A: Yuba College.

Q: Did you have any prior law enforcement position before you got hired by Sacramento Police Department?

A: I was a reserve level II with Yuba County Sheriff's Department.

Q: And what time period was that? Or how long of a time period?

A: Between six and eight months.

Q: Okay. Where are you currently working within the department?

A: South Command.

Q: As a...what position?

A: Patrol officer.

Q: And have you had any other prior assignments with the department?

A: No.

Q: Okay. Other than your basic academy training, have you had any other specialized training?

A: No.

Q: Okay. Any other firearms training or just the basic academy training?

A: I have done an in-house training class involving pistol firearms.

Q: So when you were on duty today, what was your uniform? Or what were you wearing?

A: Standard uniform with an outer carry vest.

Q: And that is the...like the polo type shirt with the exterior vest with the markings on that?

A: Yes. So it's the blue undershirt with patches sewn on and then the outer carry vest is the new uniform that is standard patrol that just has...it looks like a t-shirt...or looks like a uniform shirt with my badge on it and name.

Q: Gotcha. What is your standard-issue patrol weapon?

A: My Glock 17.

Q: Glock 17? Alright. Is that a department issue or your personal?

A: Personal.

Q: Personal. Do you know how many rounds are carried within the magazine?

A: Seventeen plus one in the chamber.

Q: Then how many extra magazines do you carry?

A: Four.

Q: Four? Are they are all equipped with seventeen rounds?

A: 9 mm.

Q: 9 mm? Do you carry any other backup weapons or...?

A: No, I do not.

Q: In the patrol vehicle do you have any other weapons?

A: I have my patrol rifle.

Q: Patrol rifle? Have you been trained in the patrol rifle?

A: Yes.

Q: What is the...what does that training entail?

A: It's a 40-hour, four-day course involving shooting, reloading, tactical positioning, shooting from cover, and etcetera.

Q: Alright. What was your mindset starting the shift today?

A: Going to work?

Q: Going to work. Any other issues or just kind of a standard day at work?

A: Standard day at work.

Q: How were you advised of this incident, this call when it came out?

A: I was at the intersection of Mack and Center in the Evergreen Shopping Center, and I heard Sergeant Rath get on the radio and advise dispatch to start 1-Charles-5-5 additional units, that he had located an attempt homicide vehicle and was now watching it.

Q: Okay. So you heard Sergeant Rath make a broadcast over the radio? And then once you heard that broadcast, what happened?

A: I messaged SR4, which is our dispatcher for sector 5, that I was en route. I then came out of the shopping center and turned southbound on Center. At that point I heard Officer Lawrence get on the radio and advise that a subject had just entered the vehicle, and that subject matched the description that was on the information bulletin sent out by, I think it was Marysville PD, about the suspect involving this attempt homicide and now the vehicle is moving.

Q: Okay.

A: I then heard Sergeant Rath get back on the radio and advise that we were going to felony stop it, meaning 3 plus vehicles, lights, and sirens, guns drawn on the vehicle and then calling the driver out backwards to us in the safest manner possible. At that time I was responding to a felony stop, so I activated my overhead lights, emergency siren, and drove code 3 southbound on Center, following Officer Lawrence's updates of their turn-by-turn leading me to West Stockton Boulevard at that gas station.

Q: As you were responding to this call, what was going through your head?

A: I knew that he was by himself. I had looked at the map briefly. I knew that no one was around him, and that I was going to be the closest unit to him. I knew that he was behind a subject, or a suspect, involved in just trying to kill someone, so we are dealing with an armed and dangerous individual, and I knew I needed to get to him as quickly and safely as possible because he was by himself with a potentially horrible person.

Q: Okay. And as you are responding code 3, is your vehicle equipped with an in-car camera and did you have a body camera?

A: Yes. When I activated my code 3 light bar, it automatically activates my in-car camera and my body-worn camera.

Q: Okay. So from here do you want to just kind of take me through as you are en route and then just go through all of the way up until the end, and then if I have any questions, I'll...after you're finished, I'll ask you some questions and just to clarify some things.

A: Yeah. Like I said, I heard the call come out, responded code 3 to the area. As I get to Bruceville and Cosumnes River, Officer Lawrence is still putting out direction of travel, so I reduced my lights and sirens because my partner is with him by himself, and I do not want this individual to hear the sirens coming...

Q: Okay.

A: And look in his mirror and go "Oh no, there's a cop," and then act on it, so I had to reduce that time. I made that southbound turn onto Bruceville, and at that point Officer Lawrence said that we're pulling into the gas station, I'll going to be committed. Committed meaning, there is nowhere for him to go, I'm stuck, and I have to now basically do this felony, high-risk stop, by myself. So I reactive my overhead lights and sirens. I get...I turn onto West Stockton Boulevard, and there is the gas station right there, so I turn northbound into the gas station. As I come into the parking lot, Officer Lawrence is updating that the suspect vehicle is now trying to take off. So, in my head I'm thinking we have a homicide vehicle with a suspect that matches the description, so probably him, he knows what he has done, and now he is going to do everything he can to get away, so I'm preparing as the number two car to call the pursuit. As I turn into... as I make my turn like basically towards the gas station, the suspect vehicle has basically hit a U-turn, was facing southbound and is now turning northbound through the parking lot, and Officer Lawrence is following right behind it. I follow suit, come right in behind Officer Lawrence as they are traveling northbound through the parking lot, and then the suspect vehicle slams on its brakes. I mean like the trunk end of the car skyrockets upwards, and I know that this guy has just thrown the car in park and is either getting out to fight or run. I pull off to the left side of Officer Lawrence's car in an attempt to get at least a two-vehicle felony stop going. As I am making that approach, the suspect jumps out of the car and turns and faces Officer Lawrence, which is not a usual thing when people are going to go and run. So, he was showing more fight than flight, and then I saw him reach down into his pants pocket, and then I just heard the shots. I threw my car into park, opened the car door, step out into the door wedge as he is firing upon Officer Lawrence. At this point I do not know if my partner is shot, injured, dead. I just know this guy is trying to kill my partner. I send several rounds downrange at the target. Once I start firing upon him, he takes off running in a northwestern direction. There is a SUV that is parked like right in front of my car in a normal parking stall, and as the suspect runs, he runs behind it, and once he clears the front end of the vehicle, he is still turning around showing that weapon, and so I continue to fire until my gun runs dry. I reload my fire...my handgun and move to a better position of cover. At that point I notice there's two people, I believe it was two people, in that blue SUV that was parked there. I scream at them to get out and run, and this point I believe... I notice the suspect is now on the ground, and so he is laying on the ground about 50 yards from where I am. I realize that using a pistol-on-pistol at this distance is a bad advantage for me. Making that kind of shot, an accurate shot, is very, very difficult, so I holster ,and I go to Officer Lawrence's patrol car, which is more behind concealment using that blue SUV, so I think it is a safer approach to go get his than mine, and take his rifle out of his rack, chamber a round. As I come back up on the car, another volley of rounds comes from suspect towards us. I raise up with my rifle, I fire one round with my rifle, and then the suspect, his hands go up. So, at that point we start giving him commands to...I am giving him commands to crawl towards us so that he is facing us with hands out. He fails to do so. I think Officer Lawrence is trying to give him commands to do something, I do not really remember what. I then move from the back end of the SUV because I know there is zero cover there, it is just concealment, and I move to the suspect's vehicle to the passenger side to try to use his engine block as more cover and get a better advantage on him. At that point we are just continuously giving him commands to either roll away from the gun or crawl away from the gun. Additional units show up, they form a contact team to my north, and then they take over all commands. That contact team approaches him, takes him into custody, and renders medical aid. I then remove myself from the scene.

Q: So you weren't involved at all in the custody?

A: No. I made...after he was detained and in custody, I walked up and then realized there was nothing for me to do there, and I need to just get out, so I turned around and I walked back, and then I like milled about a little bit until I found Sergeant Rath, and at that point I was taken away to a patrol vehicle, put there by myself, and then they went through their procedures.

Q: Alright. Thanks for going through all of that. I am going to have you kind of go, and I'll stop you and ask you a little bit more clarifying questions as we go through it again one more time.

A: Mm-hmm.

Q: I just want to make sure I have a complete understanding. So go ahead and start from when you....you're at Bruceville and Consumnes River and you said that is where you shut down, right?

A: I deactivated.

Q: And then?

A: So then I make a southbound turn onto Bruceville. That shopping center would then be off to my left-hand side. My...from when I reduced to when I reactivated was....I don't know, five, ten seconds.

Q: Okay.

A: And it was a reduce and then I'm committed and I'm reactivated.

Q: I gotcha.

A: So it was a quick transition.

Q: So you shut down... pretty much almost as soon as you shut down is when you hear that he is committed, so now game's up, you're going to go to him as quickly as possible.

A: Now I know my partner is in the most danger at this point, by himself, armed suspect, and I need to get there now.

Q: Okay. So what happens after that?

A: So, reactivate. I am now on Bruceville southbound. I make a left-hand turn, which is eastbound West Stockton. Officer Lawrence puts out we're facing southbound at the gas station. There is only one gas station there, so I know approximately where he is at. I make a northbound turn into the shopping center, putting the gas station on my left-hand shoulder. At that point I can see...

Q: That's what I was about to ask. I was about to ask what point did you see...have a visual of.

A: When I'm turning in to the shopping center, I can see Officer Lawrence's patrol lights.

Q: Okay.

A: So his lights are on. So now I know where he is. So as I make that turn, I lose sight for a second just due to buildings and vegetation and stuff, but as I come into where I can make a left into the gas pumps, they're already turning around.

Q: And at which point did you notice that was the vehicle...he was behind a specific vehicle?

A: It was the only vehicle that was one, in front of his patrol vehicle, and two, driving out of the area, and so Officer Lawrence stated, "He is taking off," or whatever the actual quote was. The only vehicle driving out of the area or away from the gas pumps was that vehicle.

Q: Is it normal for vehicles to stop and then reactivate, so to speak, or continue on or disobey?

A: Not when there's emergency lights and siren....or emergency lights on. Generally when we make a traffic stop and you activate your emergency lights and sirens, the vehicle yields and stops.

Q: So what was your...after seeing that happened, that he decided to continue going through, what was going through your mind at that point?

A: We're going pursuit. I put out that I was 1-Charles-5-1, I'm with 55, but I was covered by, I think the air unit or Sergeant Rath or somebody, so that transmission didn't go out, but I had mike in hand....or I was picking up mike to start calling the pursuit, and so I could let Officer Lawrence drive.

Q: Okay. Is that common to do? The secondary officer puts out the pursuit so the first officer can...

A: Yeah. It's much safer for the initial officer, officer one in the pursuit, to focus two hands on the wheel and drive where the secondary officer can kind of have more of a distance, and it's easier to focus on radio traffic and just following than actually engaged.

Q: Alright. And then as that car is turning around, go ahead and start up from there.

A: The car turns around, is now heading northbound down a set of isles, or down an isle of just a parking lot, and then slams on its brakes abruptly.

Q: I got some maps that may help you. So, on your left, I guess my right, this is just a general overview of a wider area. You have...this is Cosumnes River going across the middle and then going from north to south is Bruceville.

A: Highway 99?

Q: Oh, that is highway 99. This is Bruceville. Correct. And then on your right, this is a more concentrated area of that parking lot, so you have Bruceville here on your left side and then at the bottom it's West Stockton.

A: Yes, sir.

Q: That's perfectly fine.

A: And it won't be to scale.

Q: That's perfectly find.

A: So, as I'm pulling in approximately here, the pen is not even showing on the map, but you see where I'm pointing.

Q: Correct.

A: As I pull in here, the suspect vehicle is at the gas pumps, Officer Lawrence, and now they're hooking, making that U-turn motion, as I'm pulling in.

Q: Okay.

A: So as I pull in, and I'm approximately here, the vehicle is already northbound.

Q: So by the time you make your turn, it's past you.

A: Once I make that turn, it passes in front of me, so it's not already passed, it's

Q: At that point were you able to see into that vehicle at all to see if there was a...obviously there was a driver, but a description of that driver or if there was anybody else in the vehicle?

A: No.

Q: Okay. So you see that car passes by you?

A: Mm-hmm.

Q: And then Officer Lawrence follows it, and then what happens after that?

A: So as they proceed northbound straight and as they're driving, I make a right-hand turn to get in behind Officer Lawrence's patrol car. The vehicle then travels maybe twenty yards approximate, I'm not 100% sure, and then slams on its brakes and the slamming of the brakes, I'm trying to make very....

A: Very apparent because

A: It's not a normal way you yield to law enforcement. It's, "I'm stopping now because I'm getting out of the car now," and that what happened. He slammed on the brakes. The car, the front end dipped hard down, the back end dipped up, and that door flew open.

Q: As you see that, what are you thinking as that happens?

A: I'm thinking foot pursuit.

Q: Foot pursuit. Is that...?

A: Until I see him facing us, because that is not a normal thing of foot pursuit. Normally people slam on their brakes, throw the car in park, get out, all you see is their back as they run, but he turns, faces, squares up on Officer Lawrence as I'm coming in myself too, and he is now digging into his pants pocket.

Q: As he is doing that, is he actively moving still or did he kind of turn around and take a stance? Does that make sense?

A: It does make sense. Obviously things happened very, very fast. He comes out of the car, and he is squared up on our patrol cars. I don't know if he comes to a 100% complete stop, but he is squared up with us and goes into his pants pocket, and then I don't remember even seeing the gun. It just, the hand came out, the hand pointed at our direction, and then I heard the gunshots.

Q: So you hear gunshots...

A: Mm-hmm.

Q: ...as he is making his motion and you're not sure if you saw the gun?

A: Not initially. Once I came out of my car and acquired the target, then I saw the gun pointed straight out.

Q: And just to clarify, acquired the target. What are we talking about there?

A: When I came out...when I put my car in park and I came out into my doorframe, I saw the suspect standing squared off at us, facing us with a gun in his hand with an outreached arm.

Q: Okay.

A: In our direction.

A: That is the suspect that was shooting at us.

Q: Okay.

A: That was suspect who was trying to kill my partner.

Q: That definitely sounds to be the case. I'm asking the questions just to clarify.

A: Absolutely.

Q: So, you acquire the target. Do you...what happens after that?

A: As he is attempting to kill my partner at about 10 yards, I mean he is close, and I don't look over at my partner to see what his condition is; I just have a threat in front of me that is actively shooting at us. I draw my firearm, and I start delivering rounds towards that threat.

Q: Do you know approximately how many rounds from that position that you fire?

A: Between maybe 8 and 10. I'm not 100% sure.

Q: Okay. And after you fire those 8 to 10 rounds, what happens?

A: While I'm firing those 8 to 10 rounds he is now moving, so he is now from where the position he was to now moving in a, like a northwestern direction across the parking lot.

Q: What are you thinking as now he shot towards you guys, you fire back at him, and now he is running away, what are you thinking?

A: He is running to take a better position advantage on us. He is looking for cover. He is looking for hostages. He is looking to win this situation. As he is moving he is still firing, so he is still engaging us, and I know the threat still is out there.

Q: Again, just a question, how do you know that he's still firing?

A: I can hear the rounds.

Q: You can hear the rounds? Okay. So...

A: I don't remember at what point, but at one point as he is firing as he is running, I'm coming up on the backend of the SUV, and I abruptly take cover behind that SUV because rounds are impacting around me.

Q: Okay. So he ran to the north and then west across that SUV from where he parked. Is that accurate?

A: Yes. So, when he gets out of the car, I fire off approximately 8 to 10 rounds. He then runs in a northwesterly direction behind that UV. Once he clears that SUV, and when I mean clears, my line of sight, he is quite a bit in front of it...

Q: Okay.

A: So he's not directly behind it, he is not using it as cover. He is quite a bit in front of it, but he's still moving away from the vehicle. As he clears that, he is still turning back looking and has that gun in the air. So from that position I fire again.

Q: And do you remember which, even from the beginning, which hand did he have out that he is shooting with? Do you remember that at all?

A: I was standing just....I believe I was standing just to the left of my patrol vehicle, still close to the driver door.

Q: Okay, and do you remember on that second volley of rounds that you fired towards him, approximately how many rounds you shot?

A: The rest of my magazine. So my gun holds 17 plus one rounds, so between 8 and 10.

Q: Okay. And as you fired those 8 to 10 rounds, empty your magazine, did he continue running or what happened at that point?

A: I don't recall when I recognized him falling, but once my magazine was empty and discarded my magazine, moved to a better position of concealment and reloaded....

Q: Stop you right there. How does that feel having to reload your gun?

A: Being out of ammunition and being out of the fight at that point is pretty terrifying because I have no means to protect myself at this point, so now I have to go through a couple of steps to reload my weapon. So, reload my weapon and then get back into it.

Q: Does that heighten your senses, your concern for your safety at that point?

A: Well, also at that exact same point, I realized this blue SUV that I'm using as cover concealment is occupied. And so now my focus transitions from not necessarily my safety, but the safety of these innocent people sitting there. So I reload, yell at them to get out of the vehicle and run because this guy is actively shooting at their vehicle and my focus trans...moves from my safety to their safety for a brief moment. Q: Same sight.

A: And I know that as a department we all sight our rifles in to the same distance, so I know I'm comfortable with that weapon.

Q: Okay. So you grabbed that rifle out of Officer Lawrence's vehicle and then kind of take me from there.

A: We drive around with our rifles in the gun lock.

Q: No, sorry about that. I understand how you get the rifle out. So, once you have it out, what do you do with the rifle? What step did you take next?

A: Our rifles are not loaded as we drive around, so I chamber a round, so I put a round into the chamber. I then use the optic that is on the vehicle, and I move back...or I take the rifle, charge the rifle, come back up onto the blue SUV that is there, and I aim downrange at the suspect that is on the ground. At that point I see him raise back up, and I take one shot. At that point I see his hands go up, so I throw the...I put the weapon back on safe and then, like I said, we start giving verbal commands. Once we give him a couple of verbal commands and his hands are still up, I then move from the concealment that I have of the blue SUV to the suspect's passenger side and use his vehicle as better cover and a better position of advantage.

Q: Okay. Let me stop you real quick. We'll go back to when you fired the shot through the...or the shot with the rifle. What was your line of sight that you used?

A: So, the back window was already shattered out by a round, so instead of fully exposing my body, probably from my thigh down, by using the back bumper of the vehicle, I decided to stay further in to have more concealment, more cover, and I was aiming through the vehicle's rear window, kind of passenger rear window.

A: No.

Q: To get a better line of sight and closer to where he is at, so to speak.

far out from his body as possible. He did not comply with any of my commands. At that point additional officers got on the scene, formed a contact team, meaning just a group of officers with a shield, rifles, pistols, and somebody designated as what we call a hands team, meaning, just going to put this guy in handcuffs. The faster we can get this guy into handcuffs safely, the faster we can get him medical aid. So they transitioned to forming this contact team, and then I allowed them to take over voice commands. They started giving him voice commands. Once they felt it was safe enough to move on him, they moved on him. From my vantage point it seemed like he was complying. They put him into handcuffs, and then I observed them starting first aid care. I remember him screaming out, "I don't consent to your medical care," or "I don't consent to your first aid," or something along those lines. I then approached as they were putting a tourniquet on his leg, and then I realized there was nothing for me to do there, and I needed to get out of the scene.

Q: So, you remember him saying, "I don't consent to your medical care."

A: Something like that.

Q: Generically. At any point up until that point do you remember him saying anything?

A: No.

Q: Okay. We'll kind of go back a little bit. So, from the first time you fired right outside of your car door, that first volley of 8 to 10 rounds at the suspect, do you remember what was behind the suspect, what you were firing towards other than the suspect?

A: There were a few parked cars off to the east and then there was a building, I think it is a grocery store that would have been my far backdrop. At the time I did not observe any people in the area, but I just remember there being a few parked cars to the east.

Q: Okay, and then to that second volley as you ran past to the northwest, do you remember what your backdrop was at that point?

A: I remember that there was, I think one car to my west, I'm not sure, but directly behind him, or where I was firing, there was nothing except for a building in the distance.

Q: Okay, and then that final shot with the rifle, same question.

A: Virtually the same backdrop.

Q: Okay. Other than the two people that you already talked about that were in that SUV, did you have any recollection of there being any other bystanders?

A: The gas station was packed, so I know there were bystanders behind us, so it would have been in the direction he was firing and then as all of this commotion ensued, people started to come out, and I remember once I was walking away from the suspect, there were people that were coming out of the grocery store and there were people gathered.

Q: Okay.

A: But I don't remember any people in the area during the actual event.

Q: And obviously Officer Lawrence was there initially. As this whole thing kind of started taking place, I know initially you said you weren't sure exactly what condition he was in or what he was doing. Do you kind of remember him being involved in this at all?

A: So, as this kind of goes on, I think I remember hearing his car door open, and then I started hearing him talk, and then he came out of the vehicle and moved to the front end of the blue SUV I remember, and I can remember him talking, like saying something, and so I knew he was at least upright and in the state of mind to be saying words besides, "I'm hit." I never heard that. And then I remember looking at him once and making sure he was okay, and his gun was up, and he was engaging, so I knew at that point he was okay.

Q: Okay. Were you injured at all during this whole incident?

A: Yeah. As soon as I saw two empty hands, we started giving more verbal commands, gun was on safe, back down to a low ready, and then once I continue to see open hands, I knew it was safe for me to get a better position of cover because I was just behind some concealment, moved, he continued to show me wide fingers.

On 4-11-20 at about 1957 HRS I interviewed [REDACTED] near the east side of the BurgerIM restaurant at 7321 West Stockton Blvd. This location where I interviewed [REDACTED] is directly west of the gas pumps which are directly south of the parking lot area where the officer involved shooting occurred. The interview was video recorded on my SPD issued body worn camera. [REDACTED] related the following in summary:

I was the front passenger inside the green Chevy Blazer ([REDACTED]). We were parked facing south at the first pump getting gas. We had pulled up not that long before.

[I asked what first drew her attention to something unusual going on.]

The cops were following the car that the guy (suspect) was in. They were out on West Stockton Blvd ([REDACTED] pointed to the street where she first observed the suspect vehicle and police cars). When the cops turned his light on, he kept coming in (to the parking lot). He (the suspect) was out on the street in the turn lane. He turned in and came around and back to the pumps. The guy pulled up behind us on the next pump over, but he was behind another car. I think he chirped (the siren) him then. The guy he backed up, I don't know if he backed up or he kept going ([REDACTED] motioned with her hand to indicate turning) but he turned out and went right there ([REDACTED] pointed to where the suspect vehicle had currently located). I was still in the car. I was just thinking they were pulling him over. It took us all by surprise that that guy just got out, slammed on his brakes. I turned around and watched. I saw him jump out of his car and he started shooting at them. He started busting at the Police.

[I asked if the Police ever had a chance to say "get out of the car or anything"]

Huh uh, no. I didn't see how many shots he fired. I'd say 3 at the most that I saw but after that I was ducking down. When I looked up because my husband was checking on me, I saw the other cop started shooting at him (the suspect). It happened so fast. I didn't see where he went after he started shooting at the cops. All I saw was he went that way (motioning to the west) but I didn't see where he went. I couldn't see him anymore.

I didn't hear him (the suspect) say or yell anything and I didn't hear the cops say or yelling anything.

We were parked at pump number one on the far side, facing south, yes. I was talking to him (pointing to the Toyota Sequoia that was shot) right over there. He had stopped right there, and he saw me pull into the pump, so I walked over there, and I was talking to him. I guess he was going to pull in by me by the pump, but the lady was still getting gas, so he turned and went down that isle (pointing to the suspect vehicle).

He (the suspect) just jumped out and pulled his gun and stated walking towards the police car. I saw him shoot his gun.

No. That's what I mean, he caught them off guard. They (The police) were still in the car.

I saw at least 4 shots. I got behind the little brick thing by the pumps and was watching.

I didn't hear him (the suspect) say anything or yell anything. They didn't have time until after he started shooting. After he shot, they (the Police) returned fire. On 4-11-20 at 2021 HRS I contacted [REDACTED] who was inside a patrol vehicle parked in the eastbound lanes of West Stockton Blvd just south of the gas pumps. The interview was video recorded on my SPD issued body worn camera. [REDACTED] related the following in summary:

I was a passenger in the Toyota Sequoia. It is my girlfriend's car. We had pulled up to eat a chicken sandwich. We left the Popeye's drive through and we were at the stop sign and I saw my best friend's dad pull up to the gas station in the green truck (witness [REDACTED]). That's why we pulled up and started chatting. When we got done, we parked to eat our sandwich and seconds later the incident happened.

I heard the sirens and I looked back and saw the Police cars driving eastbound on West Stockton Blvd with their lights on. I hadn't seen the silver car yet until I heard screeching. The silver Impala pulled up basically a black guy jumped out and ran like 10 feet, turned around and started shooting, and that's when the officer returned fire.

I was looking around everywhere, not in the mirrors.

Not even like a second later he (the suspect) fired a couple more, I think they shot at him again. That's when I grabbed my girl and put her down. An officer came up to the driver's door and told us to get out and go to the back.

The broken window happened while we were in the car when the guy was shooting. I don't know if it was the cops that broke it or the suspect. I didn't hear the suspect saying or yelling anything. I heard the cops saying "stop." They were in the two police cars directly behind our Sequoia.

I didn't hear any more shooting after that. I heard the cops telling the suspect not to reach for the weapon and to get away from the weapon or something. I didn't see them take the suspect into custody.

It seemed like 5 minutes later another officer told us to go back behind a different police car.

The shooting lasted maybe 10-15 seconds. I had never seen that guy (suspect) before.

On 4/15/2020 at approx 1130 hrs I, Detective Cruz #0278, contacted [REDACTED] via telephone and obtained her statement. Due to [REDACTED] speaking limited English and primarily Spanish, I obtained her statement in Spanish. [REDACTED] statement was audio recorded utilizing my body worn camera and a copy will be booked as evidence. [REDACTED] stated the following in summary:

I was at the Asian market by the gas station. I saw the black guy running and then he turned and fired two shots at the police. When I first saw the guy he was running. I didn't see him come from a car. After he shot at the police the police shot back. I ran back inside the market because I didn't want to get hit. I saw the guy on the ground and the officers arrest him but I don't know how he got to be on the ground. I couldn't tell if he was hurt when the police arrested him. I didn't hear the guy yell or say anything to the police when he was shooting. I heard the police telling him to stop.

My car is a white Ford Explorer. It was parked over by the police cars.

On 4/11/2020, at approx. 2030 hours, I Detective Murawski contacted Witness [REDACTED] in the Taco Bell parking lot which is located at 7310 W. Stockton Blvd. in the city of Sacramento. She then gave the following statement in summary:

Earlier today I was getting gas in my white 2017 Honda Civic at pump number 8 at the gas station that is located in the Foods Co parking lot. As I was getting gas, my car was parked facing southbound towards W. Stockton Blvd. My gas tank is located on the driver's side of my car, so I was standing on that side of my car as I was pumping gas. As I was pumping gas, I saw the police chasing a silver car. The silver car was driving eastbound on W. Stockton Blvd. coming towards the entrance to the parking lot when I first saw it. I thought that maybe the guy in the silver car had ran a red light or something because I think that the police car had on its lights. I saw both the silver car and the police car come into the parking lot, but I do not remember them coming near the gas pumps. When they came into the entrance, they went into the center row over there and the guy that was driving the silver car stopped real quick. By that I mean it seemed like he pressed his brake really hard as he came to a stop. Once the silver car came to a stop, the driver of that car got out. I thought that he was going to put up his hands, but then he took out his gun and started firing instead. I did not see his gun because I was scared, but I know that he fired it because I could hear the shots. When the guy got out of his car he just started firing at the police. I think that he was standing by his door. I am not sure if he turned around when he fired at the police, I just know that he got out of his car and started firing. At first I heard like two or three shots. After hearing those gunshots is when I got in my car. After I got in my car, I drove out of the gas station and went onto Bruceville Road before coming back into the parking lot from the Bruceville Road side. The reason that I came back into the parking lot is because I work at Ding Tea in this shopping center and I was coming to work. When I was back in the parking lot, I parked my car in one of the parking spots. That is when I saw the guy who was driving the silver car laying on the ground. I also saw the police pointing guns at him at that time, but they were not shooting him. After seeing that I just went inside of my work. I do not remember the guy or the police saying anything while everything was happening. I did not see the police shoot at all. Like I said after I heard the guy in the silver car shooting his gun, I got in my car and drove around. Then when I got back out of my car I only saw the police pointing their guns at him.

I did not take any video of the incident. I think that the restaurant that I work at has video cameras, but I am not sure how much of the area that it captures.

About 30 minutes after seeing all of this, the police came into the store I work at and they were asked if anyone had seen what happened. That is when I told them what I saw.

The guy that was in the silver car was kind of dark skinned and he had on a yellow shirt. I am not sure

WITNESS STATEMENT: [REDACTED]

On April 11th, 2020, at approximately 2004 hours, I contacted [REDACTED] in the backseat of a patrol vehicle on scene the officer involved shooting at 7421 W. Stockton Blvd. The interview was audio and video recorded on my body worn camera (BWC) and a copy of the recording was later booked as evidence. The recording is available for transcription if necessary. (W) [REDACTED] related the following in summary:

T: Trimpey

S: [REDACTED]

T: What brought you to this parking lot tonight?

S: My boyfriend stopped at Popeye's Chicken to get something to eat because I was hungry. My boyfriend and I had left to go pick up some live chickens and we were on our way back home when I told him I couldn't make it home because I was hungry because I hadn't eaten all day. After we got our food from Popeye's drive-thru we pulled into a parking stall to eat really quick because we were going to drop off the chickens at his parent's house and pick up our kids. My boyfriend's parents don't live that far from here, so it was literally on the way to their house.

T: Is the location where your car is parked now the same as where it was parked when everything happened?

S: Yes.

T: Were you in the driver's seat or the passenger seat?

S: Driver's seat.

T: What did you see?

S: I heard the silver car, suspects car, screeching to a stop so I looked behind me and saw the silver car was just past my car. I saw the suspect was stopped and he got out of his car. The suspect started to run, pulled a gun out of his waistband turned back and started shooting.

T: Did you hear the officers say anything before the suspect got out of the car and started running or shooting or anything like that?

S: No, the officers didn't say anything until after he had gotten out.

T: Did you know the officers were there?

S: I had heard them, but I didn't see them until I turned around after the shooting.

T: So, you hear the sounds of a car coming to a screeching halt. You turn and see the suspect exiting his vehicle and then he starts to run. At the time he starts to run, he reaches into his waistband, pulls a gun out and starts shooting at the officers. Have you heard gunshots come from anywhere else before you saw him start shooting?

S: That scenario is correct and no, I didn't hear any gunshots until I turned to see the suspect pull the gun and start shooting at the officers.

T: Safe to say the suspect is the first person you saw and heard shoot?

S: Yes.

T: What did the suspect look like?

S: Male, black, dreads, wearing yellow and red but I don't remember which was yellow and which was red. The suspect was in his mid-20's based upon his build. I didn't see his face. I would say he was 5'8 to 5'9 with a medium build.

T: What happens after you see the suspect shoot?

S: I turn and look at my boyfriend and he is telling me to get down. My boyfriend's arms are on top of me keeping me down when the officers open the door and tell us to get out of the car and go behind the police vehicle. I pulled my keys out of the ignition and asked the officers which car to get behind. The officers directed us behind the SUV, and I got there first because my boyfriend has a bad knee. Once I've moved to behind the SUV police car, I put my head down and I wasn't looking at anything I just didn't want to get shot.

T: Is there an exchange of gunfire before the officers come to your car? How many rounds?

S: Yes, I would say 3-4 rounds.

T: Once you get behind the police car do you hear more gunshots? How many?

S: Yes, I would say at least another 4-5 gunshots. I know it was different guns because the guns made different sounds. I know the shots were fired by both the officers and the suspect.

T: What happens next?

S: A police officer told us to move further back and heard one officer say something to the effect of "move the gun away," but I don't know what exactly that meant. I don't know if they meant move the gun away with your hand or your foot. I don't know.

T: So, you think they were telling the suspect to move the gun away from his body?

S: Correct. After that, we were moved further back by officers and I saw a lot of cops start showing up with high powered rifles and a sea of red and blue lights. The officers moved us back to the area of the gas station and that is when I saw the suspect was down on the ground and I could tell he was injured.

T: When the officers went up to the suspect, did they just put him in handcuffs or what?

S: I didn't see the officers approach the suspect.

I saw a car that went into the gas station and it was acting crazy. I saw a police officer behind the car and I was like, OK, and then the guy got stopped and the guy came out of the car and I guess he pulled a gun and started shooting. Officers said everyone duck, so I just ducked down until the officers came and got me.

T: Where was your car?

R: My car is the white Nissan. The white Nissan is parked closest to the Wing Ti restaurant over by Chase bank.

T: What did the car look like that you saw pull into the parking lot acting weird?

R: All I know it was silver and four doors. I know it was going fast, like 30-40 mph. The cop stopped him and then he got out and pulled the gun, so I just got down and stayed down.

The recording is available for transcription if necessary. (W) [REDACTED] related the following in summary:

T: Trimpey

L: [REDACTED]

T: So you were working today?

L: Yes, I was working at Quick Quack Car Wash. I went on my lunch break at 4:30 and I went to Popeye's to get my lunch. Once I got my lunch, I noticed I only had 12 miles left on my gas tank, so I decided to get gas. I was parked at the number 2 gas pump facing Quick Quack (south). I noticed this car come into the gas pumps and there was a cop behind him without his lights on. The guy pulled in and he pulled in right behind me like he was going to wait for me to get gas. I started to get nervous because I thought something was going to happen. I saw a second SUV police vehicle pull into the parking lot and the SUV had it's lights on. That's when the African American male made the hard u-turn, got out of his car and started shooting.

T: In the parking lot of the gas station?

L: No, he pulled out of the gas station making a u-turn and it was like he was exiting towards the north like towards Foods Co, but then he stopped and got out of his car. I saw him do a little "hop-back" you know like you are running backwards but he was shooting at the same time. I saw him shoot like 3-4 times. I didn't hear the cops say anything, but they just started shooting back at him. After the shooting started, I got down by my car and pulled out my phone to start videotaping the incident. After a few seconds I thought I was being stupid, so I just got in my car and left.

T: You are at pump #2 getting gas.

L: Yeah, he pulled in behind me because all of the pumps were full. Once he made the U-turn because the cop was behind him, he made a hard U-turn to the right.

T: Was the cop car that was behind him the only car that was behind him when you were at the pump or was the SUV there at that time too?

L: In the beginning, it was only the one cop. The first cop was a car and the second was a SUV. The guy made the U-turn because the one cop car was behind him. Once the guy made his U-turn, he went a little bit and then stopped in the middle of the road. The guy didn't pull into a parking stall.

T: Did you see where the suspect acquired a gun from or did he already have it in his hand?

T: Did you see the suspect move after the cops started shooting, or did he stay where he was when the cops initially started shooting?

On 5/6/20, at approx. 1306 hours, Detective Krutz and I, Detective Murawski contacted Witness [REDACTED] at [REDACTED]. While contacting Witness [REDACTED] I was wearing my department issued body worn camera (BWC) and it was powered on and activated. [REDACTED] provided the following statement in summary:

The day of the shooting, my brother and I were in the shopping complex. I was on one side of the complex and my brother was on the other side. As I was driving my red Jeep Cherokee out of the parking lot, I saw cop pulling someone over. I saw that the cop had his lights on, but the car was not stopping. Then the guy that was getting pulled over drove over to the gas station and he stopped. As the cop pulled behind him, the cop got out of his car and started to reach for his weapon. I think that the guy getting pulled over must have seen that because right after that he just sped off. The officer then jumped back in his car and followed him. He drove about 200-300 feet and then came to a stop. When he came to a stop, he was just in the lane. As soon as he came to the stop he got out of his car and just started shooting immediately. It was like "pop, pop, pop" in the direction of the officers. All I know is that I jumped down and got on the ground at that point. I did not see if the guy got hit, but my brother said that he did get hit though.

At the time that I saw the guy shoot at the police I was maybe about 15 feet away from him. I was in the aisle just to the east of where he was getting pulled over and I was stopped right about the same place as the officer's car was. I think the gun he had was like a .45 or something, it wasn't very big. It shocked me because it looked like it was going to be a police chase or something and then this fool just jumped out of his car and started capping. I thought it was crazy. I am not sure how many shots were fired. I remember that I was talking on the phone with my friend and when I saw that happened, I told her that they were shooting and that I needed to get out of the car.

Once I got out of the car and laid on the ground they just kept going and going. More officers ended up showing up and they started capping at him too. They went up to my vehicle and started leaning up against it and I just walked away from my car. Then when it slowed down a little bit, I guess they had him down or something, I just went back over to my vehicle and drove away.

I don't remember hearing any talking from either the officers or the guy that was getting pulled over. He was a male black adult who was tall and heavy set. I think that he had long hair or something like that. I would have been able to describe him better right after the incident. Thank god that the guy and the cops were shooting straight because I did not get hurt and my vehicle did not get damaged. He was not playing, he pointed his gun right at the officers. I saw the officers fire back at him as well. I am not sure how he started firing so quick at the officers. It seemed like his car was still rolling and then he jumped out

and started shooting. I don't know how many rounds were shot, but the officers started shooting back at him as well. I remember that some more officers came from the other direction as well. I remember seeing his feet while I was laying on the ground. It looked like he ran off in the opposite direction, but I am not sure how far he ran though. I ended up getting up out of there because I was not sure if he was going to start shooting wild, so I just wanted to get up out of there. Eventually when I got back to my car, I remember that there was a lady and her kid that were behind me and it seemed like they wanted to get out of there. They were crying and they asked me to move my car, so I got in my car and drove around to where my brother was. When I got over to where he was at there was a security guard telling everyone to stay in the store.

I did not even think about sticking around to talk to the police. I just wanted to get up out of there. I was mostly concerned about my safety at that point.

There was a full parking lot out there that day. It is lucky that no one else got hurt, especially over by the gas station. He was firing right in the direction of all those people who were over at the gas station. They were directly in the line of fire. I think he had the gun in his right hand and he was definitely aiming right at the officers. It seemed like he was walking backwards and just shooting.

On 4-11-2020 at approx. 2000 hours I interviewed [REDACTED] who was standing in the gas station parking lot. [REDACTED] identified himself to me and gave me the following statement in summary;

I was at the Chase Bank making a deposit and there was a line so I was standing outside. I heard tires screeching and I just looked over and figured that it's just another day. After I heard the tires screeching, I went inside the bank. From inside the bank I heard "bap bap bap" and I knew that it was going down. I knew the "bap bap bap" was gunshots because I have heard gunshots before.

I saw a male black with a yellow shirt running and then I heard them shooting. I saw his yellow shirt was all yellow and then I saw the shirt get red. I could see Officers pointing their guns at him but I don't know which one shot at him. The officers were dressed in black uniforms and one of them had a AK47 or something like that. It had a rifle scope. At the time this happened it was day light and I don't remember if the Police cars had the overhead lights on or not.

I could also hear the Police yelling to "crawl towards us". I thought it was kind of drastic that they were telling him to crawl to them because he had already been hit at least 2 times. Then they had a shield and they closed in. I wasn't paying attention for a minute and then the ambulance showed up and they were loading him up. It all happened really fast, this was all going on in the time it took for me to make a deposit at the bank.

On 7/30/20, at approx. 1858 hours, I Detective Murawski contacted Witness [REDACTED] by telephone. He then provided the following statement in summary:

I was at my daughter in law's restaurant in the Food Co parking lot on West Stockton Blvd. on April 11th. I was there to pick up some food from her restaurant. When I picked it up from inside, I walked out to my car and put it inside of my car. As I was putting the food inside of my car, I could hear a car screeching really loud. When I looked up, I saw a guy jump out of the car. As he jumped out of the car, I saw him pull a gun from his back and he pointed it at the police car that was parked right behind his car. He then shot at the police car. I remember that he shot about four or five times at the police. When I started to hear the gun shots, I went to hide behind my car, and I do not know what happened after that.

I don't remember exactly what that guys car looked like since it has been a long time. I do remember what he looked like though. He was African with long hair curly hair. I don't remember exactly what the clothes that he was wearing looked like, but I remember him having on a jacket.

At first, I only saw one police car that was right behind his car. Then when he got out and fired the shots at the police, I hid behind my car, so I didn't see what happened after that. I am not sure if the police fired shots at him, but it seemed like there was an exchange of gunfire between that guy and the police. From what I saw, it was not ok for that guy to shoot at the police, but if the police shot back at him, they were justified because that guy was shooting at them and they have the right to defend themselves.

That day I was in the parking lot with my son [REDACTED]. He was helping me bring the food to my car. He had just put some food in the car and started to walk back towards the restaurant when the shots were fired. I did not realize that the guy had been shot until I saw him laying on the ground. I am not sure how many times he was shot though. Luckily no police officers were shot during the incident.

On 04/12/2020 I, Detective Putman #870 (IV127) spoke to witness [REDACTED] (DOB [REDACTED]) at the gas station located in the parking lot of 7421 W Stockton Boulevard. She stated the following in summary. My body worn camera was activated during this investigation.

I work for Foods Co at the gas station. Today was my day to be out at the gas station. I was outside cleaning the gas pumps. I was at pump number 7 when I saw a police car had it's lights on. I knew they were Police cars because they were black and white with symbols on the door. The first Police car did not have lights on but he second one did. A silver Impala was right in front of the Police car so I was curious and started to watch what was going on. The silver car drove through the gas pumps and turned around. The silver car left the pumps area and drove towards Foods Co. When I looked I saw the gray car come to a stop over there in the parking lot. The driver of the gray car immediately got out and I expected him to put his hands up but he pulled a gun out of his waste band and began to shoot at the officers.

I believe that the guy had a small black gun. The driver of the gray car was a African American, tall maybe 6'1" with dreadlocks. He was wearing a yellow shirt, red pants and sneakers on. He was standing out of his car aiming at the cops.

I heard what sounded like 10 or 20 shots but I am not sure how many there were. I was scared and ran around the front of the fuel island building and banged on the glass so my coworker would let me in. Then she let me in.

I think I heard the Police shoot but I didn't see them shooting. I heard the Police saying things like get down on the ground but I never heard the suspect say anything. About that time I was able to get inside the building. While I was in the building I heard more gunshots.

I looked back out and saw the Police up to the guy and they were helping him along with the ambulance. The ambulance got him up and took off with him.

I also have this Facebook video that we screen recorded it. I did not take the video but this is what is going around on Facebook and I was sending it to people to show them what I just saw. I will email the videos to you.

On 04/11/2020, I Det. Putman #870 (IV127) spoke to witness [REDACTED] (DOB [REDACTED]) at the gas station located in the parking lot of 7421 W Stockton Boulevard. She stated the following in summary. My body worn camera was activated during this investigation.

I am a cashier of the gas station of Foods Co. Today I saw some cops pulling into the parking lot because there are always cops in the area. Then I saw them pull into the gas station following a car.. The car made a u turn and went back to Foods Co. I was standing here in the doorway (eastside of the building) I saw the cops driving behind that gray car and I thought they (Officers) were just going to stop him right there. They were between pump 2 and 3. The gray car then made the U-turn and stopped over there in the parking lot. When he stopped and got out they (Officers) told him to freeze and I thought he was going to surrender. That's when he turned toward the officers and pulled the gun out and started shooting at officers.

I was trying to let my co-worker in the door and that is when I saw the guy (suspect) on the ground still shooting at officers. After that we both were inside of the fuel island building sheltering in place.

I heard approximately 8 to 10 shots, but it all happened so fast I am not sure exactly how many there were. I did not get a good look at the guy I just know that it was a male black adult with dreads.

I didn't see his face or clothes but all I knew was that a was a black guy.

I have bad eye sight so I didn't see the gun at all.

I did see the Police cars with the lights and the uniforms that they were wearing.

I remember them saying stop and get out of your car this is the Police.

We stayed inside of the small cashier building after the shooting. We also called my manager to tell them about the situation.

On 4/12/2020, at approx. 1335 hours, Detective Krutz and I, Detective Murawski contacted Suspect Malcolm Wilcox while he was in the ICU at Kaiser South Sacramento Hospital. Upon contacting Wilcox, I read him his Miranda rights verbatim per my SPD issued 133 card. Wilcox stated that he understood his rights by stating yes to each one of them. He then gave the following statement in summary:

I vaguely remember what happened yesterday. The main thing is that I was either trying to kill myself or get myself killed. There is a whole lot of reasons why I would want to do that. My whole life is fucked up. I was going to just drive somewhere and just shoot myself, but I just took the opportunity. If there is already someone there with a gun, then why not make them do it. I figured that was less of a head game. I have thought about killing myself in the past and they even put me on a [REDACTED] a couple of months back. I am sure that you know what happened. It is all on camera and I know that you guys have a dash cam. I wanted to die, and I told them to just leave me there.

The car that I was driving was my girlfriend's new car. I am not sure what kind of car it is, but I do know that it is silver. My girlfriend's name is [REDACTED]. I had just left my house, but I am pretty sure that you guys already know that since it seemed like you guys had a car sitting right there. My house is on [REDACTED] and I live there with my mom and my grandma. After I left my house and saw the cops following me, I thought to myself that this is how I was going to get it done. By getting it done, I mean that I wanted to die. I already said that I had a gun on me. I said that I was going to shoot myself. I am not sure what kind of gun it was, I just know that it was a little gray pistol. I probably fired it. I just remember telling everyone to let me die. I remember that I got shot in the head and then I just kept saying, let me die. I was not trying to kill anybody when I fired my gun. I was just trying to get myself killed. I don't even remember shooting, but I probably did.

I do not know what my phone number is. I know that I have an iPhone and I think that I had it with me last night. I do not think that there is a password for it because it just has a face lock. I am not giving you guys permission to get into my phone and even if you get a warrant for it I will not open it up for you. I am not sure what my email address is. I would assume its an iCloud address since I have an iPhone though.

I have not necessarily been having problems with her, but I have issues with everyone. I am miserable right now. The one thing that I wanted to do didn't end up happening. I all wanted to do was die. I know that I don't have the guts to hang myself and there is not a bridge that is high enough for me to drive off of. When I saw the cops behind me and following me, I figured that I could have them just kill me. When they shot me in my head, I thought that I was dead. I don't really think that the cops would feel bad if I made them kill me. I mean to be honest I don't really know. I don't know how anybody think. When you are ready for it to be over, you just want things to be done. My life is so messed up right now that I don't really

think that I can make it any better at this point. All I know is that if the cops didn't get behind me last night, you guys would have found me somewhere dead. I would have ended up killing myself. When I left the house last night, I told everyone that I loved them. I talked to my mom a couple of days ago and I told her that I wanted it to be over. I didn't really go into details with her, but I did tell her that my life was fucked up. I just told her that I loved her and that life was fucked up. If I am going to be honest my whole life has been fucked up. I don't have it in me to play this game and just live to fail. I did not write any notes about this and I did not tell my girlfriend anything about how I was feeling. We have only been dating for a few weeks. The only person who I told about how I have been feeling is my mom. I have three kids. I wake up every day and do the best that I can and its nowhere enough.

The only thing that you can do to help me out right now is shoot me and kill me. That would help me, you just don't know. If you are not going to give me what I want, then I am not going to give you what you want (phone code). I mean they don't even have the electric chair in California. This wasn't nothing against the officers who were out there last night. I don't even know them. I didn't even think that they would care about someone like me.

I think that I got shot four times, but none of them really went into me. I mean that they all hit directly, but they did not penetrate. I don't remember getting shot in the leg. I remember getting shot in the head, but I got shot in the leg as well. The shot into my leg ended up going up into my stomach. I think that I got shot while I was on the ground, but I don't remember that either. I don't remember shooting while I was on the ground.

Like I said I was not up in Marysville so that is not relevant. That is not reason that I wanted to kill myself. I do know a few people that live up there though. I did not know that I had a warrant. I was not up in Marysville, so I was not in an altercation up there. The red car that is at my house belongs to my grandma. I drive it whenever my grandma wants me to run errands for her. I will take it if she wants me to go get her something to eat or something like that. I don't know when the last time she asked me because she will just ask me out of nowhere and then I will go get her what she needs. I probably drive her car everyday if there is not food in the house. If there is food in the house, then I will just go out and pick up her medicine or whatever else she may need. I only drive that car when my grandma wants me to go get her something. I think that I am the only person who drives it.

When I was firing my gun, I think that I was firing more towards the ground if anything, but I don't know. Like I said once I got shot everything went black. I remember when the police lights went on.

I think that I just should have shot myself. That has everything to do with yesterday. I had dreams that all of my dead friends were coming to me and just telling me to come home. They were telling me to just quit going through it and come home. The only dreams that I have are about them. My everyday life make me dream about them. I mean I wake up, I can't get a job, I'm stuck with my kids, and I can't do anything. I can't help them or hurt them. The only thing that I can do is watch them. I can't even provide for them. There mom is [REDACTED] and she lives up in Marysville. I was with her on and off for a long ass time. I can

not even tell you how many years I have been with her. We started dating when I was like 21 or 22, so maybe like five or six years total. We have two kids together and she has another kid as well. She doesn't do anything with the kids. I am the one that takes care of them. I don't think that she has even seen them in the last six months. My kids should be with my mom right now unless you guys went over there and took them. It does not piss me off that she does not take care of the kids, I think that it just makes her look stupid. We had an argument over the kids. I just told her that she was a deadbeat. I mean I don't even deal with her. I have not been up to Marysville to see her in awhile. It has probably been months. I mean there is really no reason to go see her. She came down about a week and a half ago and dropped off the oldest one. I already had the two little one and she just dropped off the oldest one with me. We have split custody over our oldest kid that we have together, but we do not have any custody paperwork that includes the youngest one. He is nine months old now and I have had him for at least the last two months straight. The only break that I get is when I ask my mom and my grandma to take care of them for me. They help out as much as they can.

When I got out of my car last night, I think that the first thing I did was I started to run. I then turned towards the officer's general direction so that they could shoot me. I let them see my gun, hoping that they would shoot me. I raised it up, but not at the officers. I believe that I fired it, but I am not sure. I only had six bullets in it. I know that I had one round in the chamber, because I had already made up my mind to shoot myself with it. I do not know if there were any more bullets left in the gun at the end. I remember that the officer tailed me all the way to the gas station. He was in one of those police cars like you see on tv. I am not sure if there were any other police cars. I mean I heard more, but I do not remember seeing any. The reason that I ran away even though I wanted to die is because I know that you guys got aim. I mean I did not want to see it coming. I turned towards him, so he would see my weapon and then he would shoot me. I was not trying to run away. In the midst of the situation nobody is just going to stand there. I wanted them to just shoot me in the back. I didn't leave my house with this being my plan. I was planning on going somewhere and doing it myself. When plans get derailed, things happen quick. I can't explain why I ran. That was not in the plan. The reason that I moved from where the police first stopped me is because there was a lot of people right in front of the gas pumps. I know that those people did not have anything to do with me, so I moved my car around. I was not trying to shoot back towards them. Like I said, I can't think that fast. When things get derailed it is hard to come up with a plan. I can just tell you what goes through my mind. I didn't leave my house thinking that I am going to have a cop kill me. I did start to think about that after the cop tailed me the whole way though. The reason that I turned around when I left the house is so that I could see what the cop was doing. I mean I never see cops sitting right there. I was just being nosy. I was trying to figure out if someone was having a domestic dispute or something. I didn't even realize that there was someone in the cop car until I turned around. He looked like a regular cop with shades on. I wasn't trying to look at him too hard or anything. Once he started tailing me, I decided that I was going to get him to kill me. I didn't really realize that he was tailing me though until he turned behind me into the gas pumps. I got out of the car right after I left the gas station. Then I fired the shots thinking that I would be the perfect way to get killed. When I ran, I figured that they would keep shooting at me. I don't see why you think I was trying to get away. They shot me while I was running. After they shot me in the back of the head I don't remember what happened. I figured that if they shot me in the back of my head while I was running that they would keep shooting me.

I do not remember firing at the officers while I was on the ground. I do remember running for about four or five seconds in a direction where there was no other people. I was not trying to run towards anyone or towards the street. From what I remember, I didn't even make it to the Chase Bank that is near the busy street.

There is not going to be anything in my phone that will say that I want to kill myself. If you ask my mom about how I was feeling the last couple days she would be able to tell you. I mean I don't really have very many friends and I would not tell them how I am feeling. I woke up at about 5 AM after my dreams had been getting to me. After I woke up, I sat there crying for about an hour and after my mom woke up around 6 or 6:30 I went into her room and I had her hold me while I cried. While I was crying, I told her what was going on and how I was feeling.

I haven't had that gun for very long. I think I had it for about a couple of months now. I got it from a dope fiend awhile back. I did not shoot that gun up in Marysville.

Nobody can just fully plan everything. I don't know if I got scared at the last minute, I can't tell you exactly how it happened. I don't know if I told the cops that night or if I told the paramedics, but I told them to just let me die. I have told my mom that I wanted to commit suicide by cop. That is when she called the police last time about me [REDACTED]. I told her that when the police stop me that I could just reach into my pocket and they would see that and just shoot me. When I left the house yesterday my plan was to kill myself with my gun and when the cop got behind me, I changed my plans to try to get them to shoot me. There is nothing in my phone that says that I wanted to kill myself. Every time that I had said that it has been a personal conversation. No there is nothing saying that I want to kill the police. If I just woke up one day and wanted to do that then I would have just did it. I was thinking about wanting to die, not about where my bullets were going.

On 4/11/2020 at 2312 hours I, Detective [REDACTED], spoke to [REDACTED] at his residence of [REDACTED]. I recorded my interactions at the residence on my body-worn-camera. [REDACTED] was in a wheelchair. [REDACTED] stated the following in summary:

I am Malcolm's older brother. He lives here. Malcolm has three kids. The kids' mother doesn't stay here.

Malcolm was home today. I don't know what time he left. Today Malcolm was acting normal, nothing out of the ordinary. I don't know if he stayed the night here last night. Malcolm lays down and plays a lot of video games. Malcolm doesn't have a job. Malcolm gets welfare, that's his income. Malcolm isn't in a gang, he's not into that.

I don't know if I've ever seen Malcolm with a gun. Maybe, maybe not. That's his business. He used to be in trouble with the law, but not anymore. I don't know of anything recently that Malcolm would have done to get in trouble.

No, Malcolm hasn't said anything about shooting it out with the cops. That was a long time ago, when he was a kid.

On 4/15/2020, at approx. 1300 hours, Detective Trimpey and I, Detective Murawski contacted [REDACTED] at [REDACTED]. While speaking with [REDACTED] my department issued body worn camera (BWC) was on and activated. She then gave the following statement in summary:

I have known Malcolm for over five to seven years. We know each other through family. His brother and my sisters are siblings. We just started dating recently though. We have been dating since about the beginning of March this year. I would say that we just had a regular relationship. I mean we were not together long enough to really have any problems. He has only stayed over at my house once since we have been together, and I have never been to his parent's house. I am pretty sure that he lived with his mom. The only night that he stayed over at my house was on Friday night, April 10th. He came over to my house at about 5 or 5:30 on Friday night. After staying the night with me, he left around 8 in the morning so that he could go home and change his clothes. He was only gone for a short time and then he came back over to my house. He then stayed a little while longer before he left again around 12 something in the afternoon.

Malcolm has come over to my house a couple of times. I mean he has not come over here a lot, but he has been over here a couple of times. When he left my house on Saturday, April 11th he was driving my silver Chevy Impala. It is a 2006 and the front bumper is a different color. I haven't had that car very long at all. I just purchased it on March 18th. That day was the first time that Malcolm had driven my car. He did however drive it both times he left my house that day. He took it when he went home to change and then he took it again when he left my house around noon. When he came over on Friday night, I am not sure how he got there. I have never heard of him to have any problems. I have kids, so I am not trying to be with anyone who is going to be bringing problems over here.

Malcolm told me that he lived with his mom and his kids. I am not sure who else lived with them. I know that he has two kids. One of them is [REDACTED] and he is about 3 or 4 and the other one is about 9-10 months old and I do not know his name. He did not really say much about his kids, other than tell me about how he was taking care of them and stuff like that. From what he told me it didn't even sound like the kid's mom was involved with them at all. He never really talked about their mom. To me it seemed like Malcolm was a good dad. He has been pretty much taking care of his kids by himself since pretty much right after his older son was born. Honestly, I don't know anything about his kid's mom. I couldn't tell you what she looked like or where she even lived.

Malcolm always seemed like he was in a cool mood when he was around me. He was in a cool mood when he left my house Saturday (April 11th) afternoon. He told me that he was going to go take his kids to his brother's house so that they could play with his brother's kids. It was my understanding that after he

took his kids to his brother's house, he was planning on coming back over to my house. We had made plans to get together and smoke that evening and he was supposed to bring me back some stuff to smoke, not to mention he was driving my car. Other than the marijuana, I did not know of Malcolm using any other types of drugs. He didn't drink and he gave me a hard time for drinking when I would drink wine.

That day we just talking about normal stuff. You know we were both talking about our kids and stuff like that. He did have one odd statement though. He mentioned to me that night that he was going to be gone for a long time. He did not elaborate much about it though. It seemed to come up when he was talking about trying not to get close to my kids. He said it seemed like when he would get close to someone's kids something would happen. He then said that he was going to be gone for a long time, so I didn't really need to worry about it. I am not sure what exactly he was talking about by that though.

Before I saw him Friday night, the last time I saw him was about 4 or 5 days before that. We never had any conversations directly related to his criminal past. I know that he has been to jail at least once before because I was at the courthouse one day and I heard them call out his name. I have never seen Malcolm with any weapons or guns before. I don't even let people with weapons in my house. I did not have any guns in my car, nor do I even own a gun. I know that Malcolm drives a red Hyundai. That is the only car that I ever seen him drive, although he has come over to my house in a Lyft before. Like I said I have only had my Impala for a few weeks now. For the most part it is a pretty clean car. There was this one incident right after I got it where I got pulled over by the police at gunpoint. I guess it was related to an incident prior to when I bought it though. Shortly after I got pulled over, the police realized that it was not related to me and they let me go. The only damage to my car that I can think of is that the front bumper was a different color. There was also a In n Out sticker on the driver side passenger door when I got it. I had no idea that the sticker was covering up a bullet hole though. I bought that car off of Facebook Marketplace. I mean I had originally wanted to by another car, but when I went to go pick it up the guy told me that he had just sold that one. He then showed me the Impala and told me that he wanted \$1600 for it, but that he would sell it to me for \$1300 since he had just sold the other one that I wanted. It has run good for me since I have had it. It hasn't given me any problems. I am not sure if I even want that car back. If anything, I just need to get some stuff out of it.

Most of communication with Malcolm was through regular text messages. He doesn't even have Facebook, so I couldn't send him messages on messenger. I know that the last message he sent me was at about 3:15. I know that because I looked back at my messages after I found out about this incident on Facebook. While I was scrolling though Facebook on Saturday night, I saw this video on there. It was a video that said "Breacking news". At first I didn't think anything about it and I just scrolled right past it. I eventually came back to it and decided to watch it. The first thing that I remember from the video was seeing my car on there. I recognized it immediately because of my front bumper. I mean I saw that before I even saw Malcolm on the ground. I then realized that it was Malcolm on the video because I recognized the clothes that he was wearing. He had just been at my house and I had seen him wearing that yellow shirt.

The video that I saw showed my silver Impala with some police cars behind it. It looked like they were at a gas station or something. It then showed Malcolm on the ground and he turned around and started firing

the weapon. That is the only video that there is. I have only seen one. After seeing that video, I called the police non-emergency line and told them that I saw my car on the Facebook video. I told the police that I wanted to know what was going on and they told me that they did not know because they were not there. I then left my information with the dispatcher and I later got a call from a Detective.

I do not personally know the person who took the video of the shooting, but I did try to call her on Facebook. I wanted to call and ask her about the situation, because when I first saw the video, she said that they shot him dead. I tried to call from my Facebook app, but she did not answer. Her Facebook name is [REDACTED]. After she did not answer my call, I just left a message with her on the Facebook messenger app.

Subject OBS SEVERI #456

Author 3592 - SEVERI, MICHAEL A 3052

Related Date Apr-11-2020 18:36

I, Detective Severi #456 (IV100), have been employed by the Sacramento Police Department since 2005. I am currently assigned to the Office of Investigations, as a Detective in the Homicide Unit. My primary responsibilities are to investigate and/or assist with the investigation of homicide, suspicious deaths or missing persons, officer-involved shootings, and in-custody deaths.

NOTIFICATION:

On Saturday, 4-11-20, at approximately 1757 hours, I was notified by Sergeant Kinney of a homicide team call out for an officer-involved shooting, to 7421 W Stockton Blvd, in Sacramento, CA.

ARRIVAL:

I arrived to the area of 7421 W Stockton Blvd at 1836 hours. Upon arrival I observed yellow police crime scene tape around the immediate area, along with several marked SPD patrol vehicles and uniformed police officers maintaining crime scene security. I proceeded to the briefing location in the parking lot of 7421 W Stockton Blvd, and awaited the briefing.

BRIEFING:

At approximately 1916 hours, Lt. Kaneyuki began the homicide team briefing. Det. Murawski was assigned as the lead investigator in this case. See his attached observations for details relating to the briefing. Det. Saario (with assistance from Sgt. Ellis, Det. Cruz, and Det. Masee) was assigned as the lead crime scene investigator. See his attached observations relating to the crime scene and evidence. I was assigned Search Warrant detail.

INVESTIGATIVE SUMMARY:

Part of the briefing explained how this incident was in response to a crime that occurred in Marysville, CA, the day prior, on 4-10-20. I was put in contact with the investigator on that case, Det. Liebman of the Marysville Police Department. I spoke with Det. Liebman over the phone and he explained his case to me, including how he obtained an Arrest (Ramey) Warrant for the suspect (Malcom Wilcox) on his case. Wilcox is the same suspect who shot at Sacramento Police Officers and was shot by SPD on today's incident. Det. Liebman sent me (via e-mail) the Ramey Warrant, probable cause declaration, and an in-progress Affidavit in support of a Search Warrant for a residence belonging to the victim in the case. In summary, Wilcox was suspected of forcing entry into his ex-girlfriend's residence on the 600 block of Chestnut Street in Marysville. Wilcox then discharged numerous rounds from a .40 caliber pistol and fled in a vehicle. After reading the information provided by Det. Liebman, it was my understanding Wilcox had not yet been officially identified by any witnesses or victims in the incident.

Based on today's incident, I authored an Affidavit in support of a Search Warrant for Wilcox's residence ([REDACTED]), his person, and three vehicles associated with Wilcox, including:

- 2006 Chevy Impala, bearing CA LIC# [REDACTED], gray in color, which is registered to [REDACTED] at [REDACTED]
- 2005 Dodge Caravan, bearing CA LIC# [REDACTED], silver in color, which is registered to Malcom Wilcox, Sr., at [REDACTED].
- 2017 Ford Escape, bearing CA LIC# [REDACTED], black in color, which is registered to [REDACTED] at [REDACTED].

On 4-11-20 at 2248 hours, Sacramento County Judge Lindquist signed the Search Warrant. At approximately 2300 hours, several SPD Officers and Detectives made contact at [REDACTED] to serve the Search Warrant. Det. McCluskey was assigned to be the 'finder' in the search. See his attached observations for further on the search. I completed a return for the Search Warrant, which was also signed by Judge Lindquist, and submitted to the Criminal Division of the Sacramento Superior Court. Det. McCluskey advised the items seized from [REDACTED] included the following items:

- Custody Paperwork involving [REDACTED] and Malcolm Wilcox
- White iPhone with a red case. The screen was cracked, and the phone appeared to be off
- Probation Paperwork for Malcolm Wilcox with writings on the back
- DMV Paperwork for Malcolm Wilcox with the address of [REDACTED]
- Writings/Journaling

End of observations.

On 4-12-20, at approximately 0030hrs, I interviewed Ofc. Lawrence in the Popovich Room of the Headquarters Building of the Sacramento Police Department. Present in the room during the interview were Sean Howell and Anish Singh from the Mastagni Law Firm; Jay Sycowski from the Sacramento County District Attorney's Office; and Sergeant Kinney from the Sacramento Police Department Homicide Unit. The interview was digitally recorded and the recording was sent to Filezilla for transcription.

Det. Murawski forwarded a copy of the transcription to Anish Singh and Ofc. Lawrence.

I have reviewed the transcription and made several minor corrections. For exact content please refer to the audio recording.

The following is the transcription from the interview:

A: Okay.

Q: So go ahead and tell me what happened today, and then we'll get into the fine details after that, okay?

A: Okay. Today working usual patrol in Sector 5, I see a bulletin hit the queue board. It was an all divisions for an armed and dangerous subject out of Marysville. The notes of the call were brief. It said there was a gentleman who attempted to murder his girlfriend or ex-girlfriend, kicked in her front door, assaulted her, and shot off 40-caliber rounds as he was fleeing in a red newer four-door sedan. And Marysville PD apparently got information that he lived in sector 5. They put the address on there, it was █████ Genridge court, Gelridge court, I'm not familiar with the spelling, but it was in 5C, so I started to make my way down there just to see if the sedan was in the driveway or who knows if he's outside and I can positively ID him.

So I make my way down there, and I start doing some records checks. I run his KPF to see what he looks like, found it. The picture was from 2017 so it was a little old. I ran the house. There was a couple of calls for service, one of them was a prior █████ with him being a subject listed. I didn't read the report so I didn't really see the details, █████. I continue making my way down there. I drive passed the court. I see the red car...the newer sedan sitting in the driveway, so I'm thinking to myself, okay he's possibly there, a suspect who just almost killed his girlfriend and is possibly █████ and is now possibly hiding out in my sector, so I've got to start making some phone calls. I call my supervisor, Sergeant Rath, update him that the car is in the driveway, and there was another car parked behind it, but I couldn't really get a license plate or see what kind of car it was. So he starts making some phone calls. Gang units start coming my way.

I call one of the gang officers and let him know what I've got, and at that point I see a silver car with a male black adult driver leave the court that I'm parked outside of, and it goes west towards Franklin Boulevard. I couldn't see who the driver was. He had long dreads, they looked longer than the KPF photo of Wilcox. I couldn't make a positive ID, so I wasn't going to follow it. The car immediately makes a U-turn from the first street on the right, and I can't remember what the street name is. It slows down, makes a big sweeping U-turn, and then comes back towards me. That kind of raised my alertness levels a little bit, raised some red flags. It doesn't turn back into the court; it continues to come towards me. The driver's side window is rolled down, so I'm trying to get my best vision on the driver, and it's going about 10 miles an hour. It's not moving normal speeds, it's not just cruising past me, it's going very slow. It gets a few feet away from my patrol vehicle, not like to where I can't open my door, but it's pretty close, and myself and Mr. Wilcox looked eye-to-eye right at each other, and when he was coming towards me, I...as I said, the red flags started being raised, my alertness level, my heart rate was starting to get elevated. I actually de-cocked my holster just in case it was him, and I didn't want to be caught empty-handed if he started shooting at me from his driver's side window. So he passes me.

At this point I was still on the phone with the gang unit, so I hang up, I turn around, I start to follow him

through the neighborhood and get on the phone with Sergeant Rath. He starts sending units my way. We get to Foods Co. The whole time we're traveling through 5C he's not making...he's not trying to evade me. He's obeying all of the rules of the road .It's only him on board. At this point I'm just following him. We pull into Foods Co., and he acts as if he is going to get in line for the gas pumps, and I'm initiating a felony stop. I want him to be stopped in the parking lot. I don't like chasing people through parking lots, so that's where I wanted the felony stop to be, somewhere in the parking lot.

As I'm getting out he immediately does a three-point turn and takes off on me, so now I'm getting ready to be in a pursuit. I'm in the red zone, alertness is going off. My heart rate is elevated. I turn around, activate my siren, and immediately he slams on the brakes, so now I'm kind of starting to wonder if he's going to foot bail, is he getting out and getting ready to shoot me. I know that he's wanted for attempt homicide. He has a history of [REDACTED]. I'm not sure what his plan is, and that's when I see him get out of the driver's side of his vehicle and start walking towards my vehicle. He reaches into his waistband, pulls out a firearm. I am simultaneously drawing my firearm. We exchange rounds through my windshield. He then proceeds to run northwest through the parking lot. I'm in a situation where I just had somebody who tried to kill me, so I exit my vehicle quickly. I move to a big SUV Toyota Sequoia that's parked next to me, still freaking out. I'm hearing bullets fly into the Sequoia, fly past me. I exchange more rounds from behind the engine block of the Sequoia, tell the people from the Sequoia, because they were sitting in the driver's seat and the passenger's seat, to get out of and get behind my patrol vehicle. I notice Officer Lundgren has a rifle, and he is over to my right side. I hear him fire a round.

We were trying to give Mr. Wilcox commands to roll away from the firearm. My concern was that he was going to continue trying to shoot at us and potentially suicide by cop, so we were trying to get him to roll away the best we could. Eventually a contact team was set up. I gathered a shield. The gang units set up a contact team. They started to make their approach. I was actually able to get into a position where I could get Mr. Wilcox to move away from the firearm because I did not want him to have the ability to reach over to the firearm and potentially either just grab it and force us to shoot him or grab it and now shoot at my fellow officers who are this massive target moving towards him. He eventually rolled away. They made their approach. They secured the firearm and took him in to custody, and that's when Sergeant Rath came up to me, and he basically took me out of the situation, told me to back away, made sure I was okay. Initially I went back to my car and then, you know.

Q: Okay, so today you were in full uniform in a black and white patrol vehicle?

A: Yes.

Q: Were you in an SUV or Crown Vic?

A: Crown Vic.

Q: Okay. You said you were on your way down there and that you stopped and you did some records checks first?

A: Mm-hmm.

Q: Specifically, what kind of records checks were those?

A: Running up... whenever we're going to a house or any type of address we do a premise history just to see what kind of calls for service have been generated at that location, so we can get an understanding of are these people that live there people who are aggressive with us, so on and so forth, what type of history. I also ran his KPF. I didn't look at his history in the county; I just wanted to see what he looked like. So my records check was in essence finding him from the premise history and gathering his XREF, and then putting it into KPF and then simply looking at his photo, and then I confirmed that the Ramey warrant was in the system, and that's the extent of the KPF.

Q: You did that in KPF?

A: Correct.

Q: Okay. In the premise history, was he specifically listed in the premise history of that residence?

A: There was the, I believe it's under the RMS, it will list the reports that have been taken from that address, and one of them was a [REDACTED], and when I clicked on the [REDACTED] he was the subject [REDACTED] from that residence.

Q: Okay. Did that entity page list him as living there, just out of curiosity?

A: I didn't read the report. It just...the address of the [REDACTED] report was from that home.

Q: Did you do that before or after you drove by the house?

A: And that's why when we got to Foods Co., my suspicions are raised because if he wanted to go to Foods Co. he could have gone up Franklin, taken a right on Cosumnes, and that's a one-way thoroughfare straight to the Foods Co. parking lot. So when he made the U-turn and we looked right at each other and then we go through the neighborhood and make all of these turns and then we pull into the Foods Co., my thought process is why is he pulling in here? Is he pulling in here because he's going to run? Is he pulling in here because he's getting ready to shoot at me? Is he is going to take somebody for a hostage? I have no idea.

Q: How long did you have to follow him for?

A: Three to five minutes.

Q: I mean, I'm not very familiar with the area. Were there lots of turns? I mean were there...?

A: I remember making one or two turns to get to Carlin, which is a northbound southbound street, and then I remember making a left, or an eastbound turn, onto Calvine and then taking Calvine past Center going east and then continuing to Bruceville and then making a left turn and going north on Bruceville, and then taking a right into the West Stockton Foods Co. parking lot area.

Q: Okay, let's fast forward to when you pulled into the area. Did you know that you had...or did you know where your backup units were when you pulled in?

A: No.

Q: No? Were they giving you updates?

A: I was giving updates of where we were obviously turning and traveling. When all of that is going on the Sergeant is trying to get an air unit; he's trying to get K9; everybody is talking on the radio, so I had no idea where anybody was. No clue.

Q: Anybody giving you like one out, two out? Anybody giving you those to make you feel better?

broadcasted that were facing south towards the pumps, so I was letting everybody know this is where my line of fire is, this is where I'll be committed.

A: Yeah, because the gas pumps were completely full, so he had nowhere to go. That's why he made his three-point turn. So, when he pulled up to the pumps, I actually got out of the car. I was about ready to draw my firearm to start the felony stop.

Q: Okay. Did you activate your overhead lights?

Q: Understood. Okay, then after that, what happened? Right after you turned on your lights, you pulled into the gas station.

A: He pulls in. He makes a 180 turn and faces the gas pumps. My lights are on throughout the turn. He stops. I put my car in park. I get out like I'm going...I'm about ready to draw and start the felony stop. I see the reverse lights come on. He does his three-point turn, and peels out another 180 turn going, basically if I'm facing this way, he goes around me north through the parking lot. So I quickly jump back in, activate my siren. I'm thinking...

Q: Did you know if another officer was with you yet?

A: No.

Q: No? Okay.

A: No, I didn't...I heard sirens coming, but they didn't sound close. They sounded like they were maybe down the street, somebody was getting on Bruceville, but it didn't sound like somebody was getting into the parking lot.

Q: Okay. How far away did he get after he made that three-point turn?

A: Before slamming on his brakes?

Q: Yes.

A: Thirty yards, forty yards.

Q: Did that surprise you?

A: Yes, it does. I mean every time you start a pursuit when you see somebody heavy on the throttle, you can kind of tell if it's going to be a dynamic pursuit or not, so when I saw how fast he was taking off, I thought this was going to be a long dynamic, dangerous pursuit.

Q: Okay, and then so he slams on his brakes.

A: Mm-hmm.

Q: Do you remember what you were thinking at that point?

A: Initially foot bale. He is going to take off running, and that changed very quickly when he started walking towards me pulling a gun out from his waistband.

Q: Could you see the gun at that point?

A: Yes. Yes. I remember seeing the butt end of a black firearm being pulled out of his waistband.

Q: Okay. What were you thinking then?

A: He's trying to kill me, and I need to return fire or I'm....because I'm sitting in the driver's seat of a Crown Vic, I'm not able to get out of my car, the only option I have is to draw and return fire so that at least I can eliminate the threat in front of me or scare him off to the point where he runs away, and I can move out of my vehicle to some sort of safe cover.

Q: So is that what you did?

A: Yes.

Q: How many rounds do you think you fired?

A: Inside the vehicle? Six.

Q: Six, okay. How did the suspect react when you did that?

A: I wasn't able to see what his reaction was as I was shooting because when you shoot through a windshield, everything...there is glass flying everywhere. It's tough to see movement. I saw him start to take off running from the left portion of my windshield and kind of out of my window, and that's when I was able to put out "shots fired." I could tell he is not actively shooting at me anymore. I can get out some traffic and say, "Shots fired," and that's when I was able to move away from my car to the Sequoia.

Q: When did you realize he was shooting at you?

A1: You mean after the first time?

Q: At all.

Q: Okay. Do you know how many times he fired?

A: I do not.

Q: Okay, so you were able to put out shots were fired, and you moved positions to behind the Sequoia?

A: Mm-hmm.

Q: How far did he get from you at that point?

A: About 40 to 50 yards.

Q: Okay, and then what happened?

A: When he gets to the distance of about 40 to 50 yards, I'm behind the Sequoia. I realize there are people inside the Sequoia. They're in full panic, they're freaking out. As I'm telling them to calm down, I'm looking at him, and I see him in a shooting position on the ground, and I am trying to yell out that he has a gun still, and that's when more shots ring out from him towards me and the people in the Sequoia.

Q: Do you remember how many?

A: I don't.

A: Yes.

Q: Okay, and you could see that over the engine block?

Q: Were your arms on the engine block or were you standing above it?

A: I was maybe a foot back from it, so I wasn't resting my arms on top of it.

A: He was to my right. I can't say if he was by the left tire or if he was by the trunk of the vehicle, I wasn't sure. I just remember him being off to my right in my peripheral vision.

Q: Okay. Now was that the first time you were aware of him firing?

A: Yes.

Q: Okay. So, the suspect fires at you and then you return fire from the Sequoia. What happens after that?

A: I couldn't....I still couldn't tell if the firearm was in his hand or if it was on the ground just in front of his hand, but I could hear who I believe was Lundgren trying to give him commands to roll away from the firearm. At that point when the shots stopped we were...our focus was to get him to roll away so that we could create a contact team and approach him.

Q: Okay. Was Lundgren still at the end of the Sequoia or near you at that point?

A: I don't remember Lundgren....when he was giving the commands, I don't remember where he was. At that point other officers had come up to me and made sure I was okay, and I had actually told one of my fellow officers to replace me because he had a rifle in his hand because with the distance I wanted the officer with the rifle where I was so I could start coordinating a contact team, getting shields and what we needed to.

A: In the academy we attempt to shoot from that distance, but it's not something that we practice from 40 to 50 yards, no.

A: It's my personal Glock 17, GEN 3, 9 mm.

Q: How many rounds?

A: It has 17 rounds in a magazine and one in the chamber.

Q: Okay. 9 mil?

A: Yes.

Q: Okay. Did you have to reload?

A: I did not.

Q: Okay. So we're at....are you still at the front of the Sequoia? Or you had the other officer relieve you, right?

A: Yes.

Q: What did you do after that?

A: I went to my vehicle because I could hear Officer Lundgren trying to give Mr. Wilcox commands. I wanted to make sure it wasn't a hearing issue, so I got in my patrol vehicle with my gun still out and reached across the center console in my Crown Vic and got on my PA and started giving him commands through my PA to roll away from the firearm.

Q: Could you see him?

A: I could see him from my Crown Vic.

A: Put the PA down. I saw the gang units coming up to Lundgren where he was at because he was in front of me now, and they were...I believe Lundgren was at the passenger side of Mr. Wilcox's vehicle so ahead of my Crown Vic.

Q: So, the Silver Impala?

A: Yes, and the gang units were coming up. They all had their rifles. They were coming up to Lundgren, and I realized that a contact team was naturally being created by all of them and where they were, and I scrambled to find a shield for them.

Q: Okay.

A: It took me three patrol vehicles to find one, and so I ran it up to the gang units; I gave it to them. They created their contact team. I moved myself to a vehicle with two other officers north of Mr. Wilcox's Silver Impala because I was trying to get a line of sight on how far the firearm was away from him, and I could see it next to him on one of the parking stall white lines. I gave him voice commands to roll over again, and he rolled over one more time, and now the firearm is maybe four to five feet away from him, and that's when I notified the contact team that the firearm is laying on the ground, it's on the white parking stall line, and they made their approach. I stayed at the vehicle.

Subject OBSERVATIONS: DET KRUTZ

Author 522 - KRUTZ, SCOT 0680

Related Date Apr-12-2020 12:00

On 4-11-20, at approximately 1730hrs, I was at home when I was notified of a homicide team call out to the shopping center near Cosumnes River Blvd and West Stockton Blvd. I was informed that there had been an officer involved shooting and instructed to report to the scene as soon as possible.

I arrived at the scene at 1844hrs and checked in with the scene recorder.

Lt. Kaneyuki (LN12) #4108 began the briefing at 1916hrs. The Sacramento Police Department had received word at 1538hrs of a subject with a Ramey Warrant for attempted murder out of Marysville, CA. The subject was identified as Malcom Xavier Wilcox with a birthday of 3-15-1993. The bulletin described the suspect vehicle as being a red SUV. Ofc. Lawrence drove to the area of the subject's residence at [REDACTED] to see if the suspect vehicle described in the bulletin regarding the Ramey Warrant was there. He saw the suspect leaving the area in a silver Chevy Impala with license plate [REDACTED]. He had followed the subject while awaiting additional units but had to commit to a traffic stop when the subject pulled into the Food Co. gas station in the shopping center containing the scene. The suspect then fled a short distance to the north in his vehicle. The suspect then exited his vehicle and immediately pulled a gun from his waistband and began to fire at Ofc. Lawrence. Ofc. Lawrence returned fire from his patrol car. Ofc. Lundgren had arrived to cover Ofc Lawrence as the subject exited his vehicle. Ofc. Lawrence and Ofc Lundgren returned fire and the subject fled Northwest. The suspect was struck and fell to the ground northwest of the stop. He then continued to fire at the officers from a prone position. The suspect stopped firing and was eventually taken into custody. Sacramento Fire Department Truck and Medic 7 arrived on scene and the suspect was transported to Kaiser South.

Several witnesses were located in the area.

After the briefing, I was informed by Sgt Kinney that I would be responsible for interviewing Ofc. Lawrence. I was also instructed to interview witnesses [REDACTED] and [REDACTED]. [REDACTED] had left but I was able to interview [REDACTED] at the scene. The interview was recorded on my BWC.

I interviewed him at 2008hrs, and I asked him to show me exactly where he was standing and he did so. He stated that he was loading groceries into his car when he heard the sirens. He saw the subject vehicle come to a stop and the subject stepped out and immediately started firing at officers (please see attached statement). I told him that I would be contacting his wife to interview her as well and he stated that he would tell her that.

At 2053hrs, I walked through the scene with Ofc. Lawrence, his attorneys, Anish Singh and Sean Howell, Sgt. Bullard from the Internal Affairs Department of the Sacramento Police Department, Sgt. Rath,, and Kevin Gardner. I instructed Ofc. Lawrence to place blue cones to show where he fired his weapon. Ofc. Lawrence did so. CSI took photos of the cones in place.

I then responded to HOJ. Det. [REDACTED] had downloaded the BWC footage from both Ofc. Lundgren and Ofc. Lawrence and the ICC Camera footage from both of their vehicles. He place the videos onto thumb drives.

At 2223hrs, I brought Officer Lawrence and his attorneys into Sgt. Ellis's office so he could watch all four videos. Ofc. Lawrence signed a OIS video admonishment form (see attached document) and I left the office, allowing him to watch the videos in private with his attorneys, Howell and Singh.

At 0100hrs, I interviewed Ofc. Lawrence in the Popovich Room at HOJ. Sgt. Kinney, DA Investigator Jay Sakowski, Attorney Shawn Heller, and Attorney Anish Singh were all in attendance. The statement was audio recorded. Det. Murawski sent the recording off for transcription soon after. I reviewed the transcription and attached it to the report. The audio recording of the interview was booked into evidence.

After the interview I contacted Ofc. Lansdale who was guarding the suspect at Kaiser South. I asked her to place my phone number on the prisoner watch log and inform her relief to call me if the subject wakes up and is able to communicate. I was informed by Ofc. Schwertfeger at 0730hrs on 4-12-20 that the subject was awake and coherent.

On 4-12-20, at approximately 1230hrs, I met Det. Murawski at Kaiser South. Wilcox was located in the ICU and handcuffed to a gurney and under guard of a SPD Officer. Det. Murawski mirandized Wilcox and then we took his statement. Wilcox stated that he was trying to commit suicide when he shot at the police in the hope that they would kill him. (See Det. Murawski's statement).

On 4-22-20, I accompanied Det. Murawski to Marysville to contact Wilcox's daughter's mother who was also one of the listed victims in the incident that was the basis for the Ramey Warrant. Her sister answered the door and stated that no one else was in the residence at the time although we had heard her speaking to someone else through the open window. We left our business cards and asked her to call us when she could.

On 4-23-20, at approximately 0900hrs, I interviewed [REDACTED] at HOJ and obtained her statement. Her statement was recorded on my BWC. She saw the suspect vehicle come to a stop and then the suspect exit his vehicle, shoot at the police, and then flee. She also saw him on the ground and when he was approached by the police.

DETECTIVE [REDACTED] OBSERVATIONS:

I, Detective [REDACTED], am assigned to the Sacramento Police Department's Major Crimes Division, Homicide Unit.

NOTIFICATION:

On 4/11/2020 at 1750 hours, while off-duty and off-call, I received notification of an officer involved shooting incident at 7421 W Stockton Blvd. I was requested to assist with the investigation. I responded to the scene.

ARRIVAL:

1830 hours: I arrived at the scene. I parked my unmarked police vehicle outside the crime scene tape on Bruceville Rd just north of W Stockton Blvd. I checked in with the crime scene recorder, CSO Anstess #8158.

FOLLOW-UP:

Immediately, I was tasked by Sergeant Kinney and Sergeant Landberg to assist with collecting the body-worn-cameras (BWC) and in-car-camera (ICC) SD cards from the involved officers. I was told that there were only two officers who were involved in the shooting. I met with Sergeant Kinney on scene who provided me two envelopes that each contained a BWC and ICC SD card. One was labeled Ofc. Lundgren with patrol car number 12645 and the other was labeled Ofc. Lawrence with patrol car number 11546. I responded to Police Headquarters. I did not attend the incident briefing.

Upon arrival at police headquarters I uploaded both Officer Lundgren's and Officer Lawrence's BWC and ICC videos into their respective databases.

2302 hours: I arrived at [REDACTED] Jenich Ct, the residence of Suspect Malcolm WILCOX. While other detectives

Stockton Blvd. at Bruceville Rd. was also blocked with yellow crime scene tape and blocked with marked police vehicles and uniformed officers. The interior perimeter of the crime scene was marked with yellow police crime scene tape and secured by uniformed police officers. The main shooting crime scene was located within the interior crime scene and was secured with red crime scene tape. I checked in with the crime scene recorder and proceeded to the briefing location.

BRIEFING:

At 1916 hours, once the homicide team was present, Lieutenant Kaneyuki #4108 (LN12) briefed us about the incident and the circumstances known to him at the time. Please refer to Detective Murawski's supplement for details. The following personnel were present during the briefing: Chief Hahn #5011, Deputy Chief Peletta #5100, Deputy Chief Lester #5060, Deputy Chief Risley #5010, Captain Green #5130, Captain Eklund #5035, Captain Monk #5025 (STF10), Lieutenant Heinlein #4085 (LN9), Lieutenant Morgado #4067 (IV7), Sergeant Bullard #3135 (STF18), Sergeant Buchanan #3134 (STF17), Officer J. Brown #0891 (STF21), and Ofc. R. Cabrera #0723 (STF23). Patrol officers had completed a business canvass. Evidence was located on scene by patrol officers and pointed out to investigators. All evidence was left in place and the investigation was turned over to the homicide team at that time.

SCENE DESCRIPTION:

The shooting incident occurred in the College Station Shopping Center which is in the City and County of Sacramento. The Shopping Center is located at the Southeast corner of Bruceville Rd and Consumnes River Blvd. The shopping center is a multi-business shopping center. There is multiple building along the perimeter of the shopping center with a parking lot in the center. The main business for the shopping center is Foods Co grocery store which is located on the north side of the shopping center and faces south to the parking lot.

The building to the west of the Foods Co is a multi-business structure with an address of 7411 W. Stockton Blvd. Suite 100 is located on the south side of the building and is occupied by Jackson Hewett business. The Jackson Hewett business faces south with the remaining business in this building face west to additional parking.

Davita South Sacramento Dialysis Center (8275 Bruceville Rd) is in the northwest corner of the shopping center. The front of business faces northwest to the intersection of Bruceville Rd. and Consumnes River Blvd. The parking lot is south of the building and additional parking on the east side of the building between here and Jackson Hewett. There is an attached structure that encloses trash dumpsters on the east side of the building.

On the south side of the shopping center is a Foods Co gas station that is just north of W. Stockton Blvd. The gas station has six gas pump islands with a small enclosed cashier building with three pump islands to the east and three pump islands to the west. The far east pump island is marked "1" on the east side of the island and "2" on the west side of the island. The next island (second pump island from the east) is marked "3" on the east side of the island and "4" on the west side of the island. The third pump island from the east is marked "5" on the east side of the island and "6" on the west side of the island. The first pump island to the west of the cashier building is marked "7" on the east side of the island and "8" on the west side of the island. The next pump island to the west is marked "9" on the east side of the island and "10" on the west side of the island. The furthest west pump island is marked "11" on the east side of the island and "12" on the west side of the island. All six pump islands can access a large parking lot to the south. There is an entrance/exit driveway accessing W. Stockton Blvd. to the south directly in front of the enclosed cashier building. There are several multi-business buildings to the east and west of the gas station. There is a raised curb with shrubbery to the east of the gas station separating another entrance/exit driveway accessing W. Stockton Blvd to the south.

EVIDENCE OF SURVEILLANCE VIDEO:

On Monday, April 13, 2020, Det. Cruz and I responded back out to the shopping center to conduct a canvass for video surveillance (See Det. Cruz supplement). On Tuesday April 14, 2020, Det. Cruz requested I go out to Davita South Sacramento Dialysis Center (8275 Bruceville Rd.) and contact [REDACTED] regarding the video from the business. At 1225 hours, I contacted [REDACTED] at the business. She gave me a 16 GB thumb drive that contained the surveillance video of the incident that she had burned. I reviewed the surveillance video from the system in the business with [REDACTED]. The video shows the east side of the business facing southbound. The video shows the shooting, Wilcox being taken into custody and Fire personnel arrival and transporting and treating Wilcox. I later booked the thumb drive into evidence at SPD Headquarters.

Narrative Text

Type 06 DETECTIVE SUPPLEMENT

Subject DET. MCCLUSKY, 501

Author 3253 - MCCLUSKY, HENRY 0501

Related Date Apr-13-2020 10:46

On 4/11/20, I (Det. McClusky, 501) was advised by Sgt. Merten that I was needed to assist with a search warrant at a residence related to a shooting involving officers and a suspect, Malcolm Wilcox. The suspect's residence was [REDACTED] in Sacramento, CA.

A search warrant was obtained for a search of [REDACTED] Jenich Ct. by Detective Severi.

At approximately 2258 hours, I assisted detectives and officers with a search of [REDACTED] Jenich Ct. Detectives were wearing body worn cameras. The primary detectives aiding in the search were Det. [REDACTED] Det. Strauss, Sgt. Merten and myself. Homicide Detectives contacted the residents at [REDACTED] Jenich Ct. to obtain statements. (Det. [REDACTED] took before/after photos and photos of the evidence collected. These photos were saved to a disc, and later booked as evidence.)

[REDACTED] Jenich Ct is at the end of a court. The front door faces north. Upon entering the front door, the living room is to the left (east) and the kitchen/dining room/garage are to the right (west). There is a hallway that goes north/south through the residence. The first room down the hallway to the left (east) was Malcolm Wilcox's bedroom (per the family). This is the primary location that I searched, and this is where all the evidence that was collected was located.

The door to Malcolm Wilcox's bedroom was along the west wall in the southwest corner. The room was unorganized. There was a dresser with a TV in the northwest corner. Next to this dresser was a small child's bed. In the middle of the room was a portion of a sectional couch. Along the east wall was a larger bed. In the southeast corner there was a second dresser with another TV. Along the south wall was a closet with a sliding door. There was adult male clothing and paperwork for Malcolm Wilcox throughout the bedroom.

The following items were collected:

- Custody Paperwork involving [REDACTED] and Malcolm Wilcox. (Dresser in the southeast corner.)
- Writings in a black box. The box also contained dreadlocks. (Dresser in the southeast corner.)
- White iPhone with a red case. The screen was cracked, and the phone appeared to be off. (Dresser in the northwest corner.)
- Probation Paperwork for Malcolm Wilcox with writings on the back. (Closet.)

-Journal/Writings (Closet.)

-DMV Paperwork for Malcolm Wilcox with the address of [REDACTED] Jenich Ct.

-Writings/Journaling. (Dresser in the northwest corner.)

(I briefly read portions of the writings. They appeared to possibly be raps/poems. There were various topics in the writings. I saw mentions of guns and shooting subjects. I later made photocopies of the writings, and I gave the copies to lead investigator Det. Murawski.)

There were two vehicles in the driveway of the residence that were searched by detectives/officers. There was a Ford Escape [REDACTED] and a Dodge Caravan [REDACTED].

A receipt of the items obtained from the search warrant was left at the residence.

I booked the items as evidence at Hall of Justice (5770 Freeport Blvd.)

On 4/11/20, at approx. 1538 hours, SPD Dispatch received a BOLO (be on the lookout) call regarding an armed and dangerous subject who was wanted on a \$500,000 Ramey Warrant out of Marysville, CA for attempted homicide (664/187 PC). The BOLO stated that Marysville Police Department had a named suspect by the name Malcolm Xavier Wilcox, 3/15/93. The BOLO described Malcolm Wilcox as a MBA with dreads who was 5'11 and 220 pounds. It also listed that he was last seen in a newer red 4 door sedan on 4/10/20 and that his last known address was ■■■ Jenich Court in the city of Sacramento. After getting the BOLO from Marysville PD, SPD patrol officer Lawrence went by ■■■ Jenich Court in an attempt to see if the red vehicle matching the BOLO was at the location. When Ofc. Lawrence went by the house, he observed a newer red four door vehicle parked in front of ■■■ Jenich Court and he also observed a silver vehicle parked on the street next to it. Ofc. Lawrence then parked down the street in an effort to conduct further records checks on both Malcom Wilcox and ■■■ Jenich Court.

While Lawrence was conducting a record check on Wilcox, he located him in the Sacramento County WebKpf system and observed a mug-shot photo of him that was taken on 10/23/17. Just after viewing the mug-shot photo of Wilcox, Lawrence observed the silver vehicle he had seen parked in front of ■■■ Jenich Court exit Jenich Court and make a U-turn and head back in his direction. Ofc. Lawrence was then able to see the driver and sole occupant of the silver vehicle and he positively identified him as Malcolm Wilcox, 3/15/93. After observing Wilcox, Ofc. Lawrence followed the silver vehicle ■■■■■■■■■■ that was driven by Wilcox and advised other officers over the radio that he was behind Wilcox who was in a silver Chevy Impala ■■■■■■■■■■. Ofc. Lawrence then followed the Chevy as he waited for additional officers to assist him in a felony vehicle stop of a possibly armed wanted subject. Wilcox eventually pulled into the Foods Co parking lot, located at 7421 W. Stockton Blvd. and pulled up to the gas pumps located at the south side of the lot. At that point Ofc. Lawrence activated his overhead emergency lights in an attempt to conduct an enforcement stop on the Chevy. At that time, Wilcox made a u turn and headed north in the Chevy through the parking lot at a high rate of speed just as SPD Ofc. Lundgren arrived at the parking lot in another SPD patrol vehicle.

Wilcox only fled in his Chevy a few hundred feet before slamming on his brakes and coming to an abrupt stop. As soon as the Chevy came to a complete stop, Wilcox exited the driver's door of the Chevy and immediately turned back towards both Ofc. Lawrence and Ofc. Lundgren. As Wilcox was turning around, he pulled a small black handgun (Ruger .380) from his waistband with his right hand and fired approx. two shots towards where Ofc. Lawrence and Ofc. Lundgren were in their patrol vehicles. Wilcox then fled on foot in a north west direction through the parking lot and fired an additional round back at the officers as he ran. As this was happening, Ofc. Lawrence and Ofc. Lundgren both exited their patrol vehicles and began firing back at Wilcox as he was firing his gun at them.

Wilcox eventually fell to the ground after fleeing on foot for approx. 50 yards. Once on the ground, Wilcox took a prone position facing the direction of where Ofc. Lawrence and Ofc. Lundgren were located and

fired an additional three shots in their direction. After firing those three shots, Wilcox discarded his handgun and was taken into custody without further incident. After Wilcox was taken into custody he was provided medical aid by both SPD officers who were on-scene and Sacramento Fire Department (SFD) personnel. SFD eventually transported Wilcox to Kaiser South where he was provided further treatment for three gunshot wounds that he sustained during the incident.

Detectives later located six expended .380 shell casings in the parking lot area where the incident occurred. They also located a small black Ruger semi-automatic handgun in the area where Wilcox was taken into custody. While checking the Ruger, Detectives found it to not have any additional live rounds inside of its magazine or chamber. Also located in the area where Wilcox was taken into custody, Detectives located a pair of bloody pants that had been removed from Wilcox by SFD. Next to where the bloody pants were found, Detectives located a wallet that contained a California Driver's License with the name of Malcolm Wilcox, 3/15/93 on it. Detectives on-scene located an expended bullet on the ground underneath of Ofc. Lundgren's patrol vehicle, a bullet fragment in the front bumper of Ofc. Lawrence's patrol vehicle, and two bullet fragments on the ground in the area of the gas station pumps which were directly behind the two patrol vehicles. There were also 35 additional expended shell casings, in the area of the incident that were later determined to have been fired by SPD officers.

During a Mirandized statement at Kaiser South, Wilcox stated that he was attempting to commit suicide by cop and the he probably fired six rounds from his small black handgun.

SERGEANT SUMMARY REGARDING HOMICIDE TEAM CALL-OUT:

NOTIFICATION:

On Saturday, 4/11/2020, at 1700 hours, I, Sergeant Kinney #3052, was notified of an Officer Involved Shooting at 7421 W. Stockton Blvd in South Sacramento. Per the notification, two SPD officers had been involved in a shooting at this location with one suspect. The suspect had been shot and was currently at Kaiser South in surgery. I was requested to respond. The following Sergeants responded: Ellis and Landberg. The following Detectives were requested and responded: Murawski, Trimpey, Serveri, Cruz, [REDACTED] Krutz, Derrick, Massie, Griggs, Worm, Putman and Saario.

ARRIVAL AND BRIEFING:

At 1820 hours, I arrived on scene . I observed the crime scene to be secured with uniformed officers, marked patrol vehicles, and yellow police tape. I checked in with Patrol Lieutenants Kaneyuki and Start as well as Patrol Sergeants Rath, Trefethen, and Sobodash.

At 1916 hours, Lieutenant Kaneyuki briefed us on the facts and circumstances known to him at the time. Sergeants Rath, Trefethen, and Sobodash also provided information for the briefing. Numerous items of evidence were located at the scene but left in place and pointed out to detectives.

LEGAL ACCESS TO SCENE:

The shooting scene consisted of a parking lot open to the public. Detective Severi authored a search warrant for Suspect Wilcox's residence.

EVIDENCE OF VIDEO:

Multiple sources of video in the area were located to include: body worn cameras, in-car cameras, video surveillance, and cell phone video. Refer to additional supplements for further detail.

DEPARTURE:

At approximately 2050 hours, after viewing the crime scene and coordinating the evidence follow-up (Sergeant Ellis, Detectives Cruz and Saario), I departed the scene and returned to Police Headquarters.

DISPATCH COMMUNICATIONS:

On 4/14/20, I submitted a Dispatch Activity Request Report to the SPD Communications Center to obtain a copy of this call. This item was later booked as evidence.

DETECTIVE FOLLOW-UP:

Detective Murawski was assigned as the case agent and Detective Krutz was assigned as the co-case agent.

At approximately 2046 hours, I removed the rifle (Colt M16A1, Serial # [REDACTED]) from vehicle 12645. This vehicle belonged to Officer Lundgren. I removed the magazine and cleared the chamber. No round was located in the chamber. I transported the rifle and magazine to HOJ. The magazine was given to Sergeant Landberg who conducted a round count. The rifle and magazine were later returned to Officer Lundgren.

At approximately 2048 hours, I removed the rifle (Colt AR-15, Serial # [REDACTED]) from vehicle 11546. This vehicle belonged to Officer Lawrence. I removed the magazine and cleared the chamber. One live round was located in the chamber. I transported the rifle, magazine and chambered round to HOJ. The magazine and chambered round were given to Sergeant Landberg who conducted a round count. On 4/14/20, I transported to this rifle to the armorer who conducted a safety inspection (See attached report).

I issued both Officer's Lawrence and Lundgren loaner firearm's pending processing.

On 4/13/20, Sergeant Ellis transported the pistols belonging to Officers Lawrence and Lundgren to the Sacramento County Crime Lab (see attached report).

On 4/15/20, I completed the vehicle release for patrol vehicle 11546. The vehicle was towed to JERPF so the window could be replaced.

I picked up the rifle from the armorer and secured it at HOJ.

On 4/16/20, I picked up the firearms belonging to Officer's Lawrence and Lundgren from the Sacramento

NOTIFICATION:

On Saturday, 04/11/20, at approximately 1730 hours, I was notified by the Sacramento Police Department Communication Center of an Officer Involved Shooting in South Sacramento.

ARRIVAL AND SCENE:

At approximately 1845 hours, I arrived at the Hall of Justice (Police Headquarters). Upon arrival I assisted Det. [REDACTED] with downloading the involved officers Body Warn Cameras (BWC), and In Car Camera (ICC) videos.

INVOLVED WEAPONS:

Sergeant Kinney #3052 asked me to conduct a weapons inspection of Officer Lawrence, and Officer Lundgren's firearms. Below is a summary of each inspection:

Officer Lawrence was armed with a personally owned Glock 9mm, blue finish semiautomatic handgun, serial # [REDACTED]. Per Office Lawrence, the handgun was loaded with eighteen (18) rounds with one (1) round in the chamber and seventeen (17) rounds in the attached magazine prior to the shooting. Upon inspection, I located three (3) rounds in Officer Lawrence's firearm. One (1) round was located in the firearm, and two rounds (2) were located in the attached magazine. In addition to the rounds in Officer Lawrence's handgun, he had two (2) additional seventeen (17) round ammunition magazines worn on his Sam Brown belt. The two (2) ammunition magazines were loaded with seventeen (17) rounds each. Officer Lawrence's weapon was carried in a black holster that was affixed to the right side of this same uniform Sam Brown belt. Officer Lawrence stated that he was not carrying an additional back-up weapon on his person at the time of the shooting. At the start of his shift, Officer Lawrence placed his Department issued Colt .223 caliber, blue finish semi-automatic rifle, Serial # [REDACTED] into his patrol vehicle. The rifle was loaded with a thirty (30) round magazine. Sgt. Kinney provided me with two manila envelopes which contained the ammunition he removed from the rifle. The first envelope contained a single (1) round which he located in the rifle. The second envelope contained the thirty (30) round magazine he located in the rifle. Upon inspection, I located twenty-eight (28) rounds in the magazine. These inspections occurred on 4/11/20, at approximately 2146 hours, in interview room #6 (044620.AV).

Officer Lundgren was armed with a personally owned Glock 9mm, blue finish semiautomatic handgun, serial # [REDACTED]. Per Office Lundgren, the handgun was loaded with eighteen (18) rounds with one (1)

round in the chamber and seventeen (17) rounds in the attached magazine prior to the shooting. Upon inspection, I located nineteen (19) rounds in Officer Lundgren's firearm. One (1) round was located in the firearm, and eighteen rounds (18) were located in the attached magazine. While conducting the inspection, Officer Lundgren informed me that he reloaded his firearm following the shooting, and the original magazine was still on scene. In addition to the rounds in Officer Lundgren's handgun, he had two (2) additional nineteen (19) round magazines, and one additional thirty-one (31) round magazine worn on his person. I located nineteen (19) rounds in the first magazine, eighteen (18) rounds in the second magazine, and thirty-one (31) rounds in the third magazine. Officer Lundgren's weapon was carried in a black holster that was affixed to the right side of his uniform Sam Brown belt. OBSERVATIONS: DET. TRIMPEY #0806 (IV106)

NOTIFICATION:

On Saturday, April 11th, 2020, at approximately 1755 hours, I was notified of a homicide team call out for an Officer Involved Shooting (OIS) at 7421 W. Stockton Blvd by Homicide Sergeant B. Kinney. I responded to the scene from home and arrived at approximately 1847 hours.

ARRIVAL:

Upon arrival, I observed Bruceville Rd was closed to northbound and southbound traffic to the south of Cosumnes River Blvd. I observed yellow police crime scene tape at the perimeter of the crime scene and uniformed police officers in marked black and white SPD patrol vehicles maintaining outer perimeter security. Upon entering the northern perimeter of the crime scene, I observed the perimeter of the crime scene closure extended south on Bruceville Rd past West Stockton Blvd to Calvine Rd. I observed to the west of Bruceville Rd was Cosumnes River College and to the east was a large shopping center complex with multiple stores. I was directed to a briefing location inside the parking lot of the shopping center complex (7421 W. Stockton Blvd) near where the shooting occurred. I checked in with the crime scene recorder and proceeded to the briefing location.

BRIEFING:

At approximately 1916 hours, Lt. Kaneyuki #4108 began the briefing and was assisted by Sergeants Rath, Sobodash and Trefethen. Lt. Kaneyuki gave an overview of the incident in summary: Officers observed a male enter a vehicle who they believed matched a bulletin for a person wanted for attempted murder. The bulletin had been sent out, via an all units broadcast, less than one hour before the suspect was observed. Officers followed the suspect. The suspect abruptly stopped in the parking lot of 7421 W. Stockton Blvd and exited his vehicle. Upon exiting his vehicle, the suspect fired at officers who returned fire wounding the suspect. The suspect was transported to Kaiser South Hospital for treatment.

During the briefing, multiple witnesses and officer public safety statements were covered by Sergeants Rath, Sobodash and Trefethen.

WALK-THRU:

The homicide team did not participate in a crime-scene walk-thru. It was believed multiple rounds were fired over a large area. The homicide team did not conduct a walk-thru as to not disturb any evidence such as shell casings or projectile fragments.

FOLLOW UP:

At the conclusion of the briefing, Sgt. Kinney designated Detective Brian Murawski as the Lead Detective and Case Agent. I was assigned to interview [REDACTED], [REDACTED] and [REDACTED]. All witnesses I was assigned to interview remained on scene and Sgt. Kinney advised speaking to them while recording with body worn camera (BWC) was permissible.

At approximately 2004 hours, I contacted [REDACTED] while she was seated in the backseat of a patrol vehicle. (W) [REDACTED] stated she wanted to remain in the backseat because it was warmer in the vehicle than outside. I recorded the interview on my body worn camera and later completed a summary of her statement, see attached. The recording was later copied to a disc and booked as evidence. The recording is available for transcription if necessary.

At approximately 2022 hours, I contacted [REDACTED] while he was seated in the backseat of a patrol vehicle. I recorded the interview on my body worn camera and later completed a summary of his statement, see attached. The recording was later copied to a disc and booked as evidence. The recording is available for transcription if necessary.

At approximately 2034 hours, I contacted [REDACTED] who was seated inside her vehicle. [REDACTED] had left the immediate scene of the shooting and driven across the street to the Quick Quack Car Wash where she was an employee. (W) [REDACTED] remained where officers had initially contacted her in the driveway of the Quick Quack Car Wash. I recorded the interview with (W) [REDACTED] on my Body Worn Camera (BWC) and later completed a summary of her statement, see attached. The recording was later copied to a disc and booked as evidence. The recording is available for transcription if necessary.

(W) [REDACTED] had also recorded a portion of the surveillance video on her cellphone. (W) [REDACTED] had provided a copy of the video to Officer Rowan Vining. I viewed the video on (W) [REDACTED] phone after she granted me consent. In viewing the video, I did not observe the shooting, but could hear the sounds of multiple apparent gunshots and could see people taking cover behind vehicles. I obtained a copy of the video from Officer Vining and booked it as evidence.

After interviewing the three witnesses, I arranged for them to either be transported from the scene or leave in their own personal vehicle if they were outside of the crime scene. I retrieved a cell phone charger and sweatshirt from the vehicle of (W) [REDACTED] at his request after he provided me with the car keys. Once the witnesses were gone, I returned to the SPD Hall of Justice for additional follow up if needed.

At approximately 2203 hours, I contacted [REDACTED] via telephone after receiving a phone message from Sgt. Kinney. [REDACTED] called the SPD Communications Center and requested to speak with an investigator. [REDACTED] identified herself as the current girlfriend of Malcolm Wilcox and was being told that Wilcox was deceased. I contacted (W) [REDACTED] via telephone at [REDACTED] and audio recorded our conversation. The recording was later copied to a disc and booked as evidence. The recording is available for transcription if necessary. During the interview [REDACTED] related the following in summary:

I am the girlfriend of Malcolm Wilcox and have been for the past couple of months. I have known Malcolm for many years, but we only started dating recently. I let Malcolm borrow my silver Chevy Impala today when he left my house at [REDACTED]. I don't know anything about Malcolm having something going on in some other city. I have never seen Malcolm with a gun before.

***The remainder of the conversation with [REDACTED] was her inquiring about the health status of Malcolm Wilcox. I advised her as of the time we were speaking I had no information other than he was alive and in surgery at a local hospital. I did advise her Wilcox was in police custody and would be arrested when he was released from treatment, thus visitation would likely be restricted.

On 4/15/20, at approximately 1300 hours, I assisted Detective Murawski with a follow up interview of [REDACTED] at her residence, [REDACTED]. The interview was recorded on Detective Murawski's body worn camera and was later booked as evidence. (see Det. Murawski's supplement)

On 4/13/2020 at approx. 1107 hrs, I contacted [REDACTED] via telephone. I asked [REDACTED] how many cameras FoodsCo had on the exterior of the building as well as at the gas station. [REDACTED] stated the business has four cameras on the front exterior of FoodsCo and multiple cameras at the gas station but the cameras on the eastern half (pumps 1-8) were currently not working. I requested [REDACTED] download surveillance video from the four exterior cameras on the FoodsCo building and the cameras located at the gas station for April 11, 2020 between the hours of 1630 to 1700. [REDACTED] advised the video would be ready after 1300 hrs.

At approx. 1400 hrs I responded to FoodsCo and contacted [REDACTED]. [REDACTED] provided me with two cd's. One cd was labeled fuel center and the second was labeled parking lot. I later booked the two cd's as evidence. I conducted the additional canvas for surveillance video:

7321 W. Stockton Blvd suite 130 (Burgerim): Business is closed, and doors were locked. Located camera on north wall near front door that faces west and a second camera on the east wall that appears to face north or northeast.

7311 W. Stockton Blvd suite 110 (T-Mobile): No cameras observed on the exterior of the business.

7311 W. Stockton Blvd suite 120 (Ding Tea): Contacted supervisor [REDACTED] who advised the business does have one exterior camera, but the camera does not capture the parking lot. [REDACTED] allowed me to view the camera angle and I confirmed the camera view does not extend beyond the courtyard area in front of the business.

7311 W. Stockton Blvd suite 130 (Suki Sushi): No cameras observed on the exterior of the business.

7301 W. Stockton Blvd (Chase bank): No cameras observed on the exterior of the business.

8275 Bruceville Rd (DaVita Dialysis Center): I observed exterior cameras on the building. I contacted administrative assistant [REDACTED] who contacted her supervisor [REDACTED] via telephone. [REDACTED] requested I send a letter requesting the surveillance video and list the specific date and times needed. [REDACTED] provided me with the email address to send the request.

On 4/14/2020 I drafted a letter to DaVita requesting a copy of the exterior surveillance video from April 11, 2020 between the hours of 1630-1700 hours (see attached) and emailed the letter. At approx. 1016 hours, [REDACTED] contacted me and advised that she was able to download the requested video. Detective Saario responded to DaVita to collect the video from [REDACTED].

I reviewed the surveillance video for FoodsCo that I had collected. Neither of the cameras capture the incident. Patrons in the parking lot and gas station area can be seen reacting (ducking, running, ect) to the gunshots but the incident itself cannot be seen.

I authored a search warrant for the downloading of the Apple iPhone belonging to Wilcox. The search warrant was reviewed and authorized by Sacramento County Superior Court Honorable Judge Perkins. I completed a Digital Forensic Unit Examination Request form for the Apple iPhone. The Apple iPhone was given to Detective McDougle, who is currently assigned to the Digital Forensic Unit, for downloading.

At approx. 1353 hrs, I contacted Burgerim headquarters via telephone to inquire about the surveillance cameras. I was informed the Burgerim located at 7321 W. Stockton Blvd suite 130 is permanently closed and has been prior to April. Due to the business being permanently closed the surveillance cameras would not be functioning.

On 4/15/2020 I contacted witness [REDACTED] via telephone. Due to [REDACTED] speaking primarily Spanish, I obtained her statement in Spanish. I audio recorded [REDACTED] statement utilizing my body worn camera. I later booked a copy of the statement as evidence. [REDACTED] stated her white Ford Explorer, CA license plate [REDACTED], was parked near the police vehicles.

On 4-11-20, at approximate 2008hrs, I interviewed [REDACTED] at the scene where he was standing during the incident. The interview was recorded on my BWC. He stated the following in summary:

My wife and I had just finished grocery shopping at Food Co and we were loading our groceries into our car. We were parked right here and I had just finished loading our groceries into our car and I looked up and saw two police cars come in really fast. I saw him (suspect) bolt from the gas station.

He stopped his car and he got out and it looked like he was going to run away but he pulled out a gun and started shooting. ([REDACTED] demonstrated what he saw by holding up his right arm away from his body as if he was holding a gun with one hand.) That was when I dropped back and we got to the back to our Rogue, our car.

My wife snuck back up into our Rogue's front seat and I told her to stay down. I took cover on the opposite side of our vehicle and I moved up towards the front of our car. I then looked up and I saw the officer with a rifle at the silver car ([REDACTED] pointed at the silver Chevy Impala driven by the suspect).

I then walked around my car and into my driver's seat and could see the suspect laying on the ground. I then walked back to the passenger's side of my vehicle so I could see better. I thought the suspect was dead and I could hear the officer's giving him commands to push the gun away and then not to reach for the gun. Then I saw the officer's approach the suspect and one was carrying a shield. Then they started working on the suspect.

This was bizarre cause I was on the driver's side of my car and just about getting ready to go. The (suspect) car stopped and almost instantaneously the door popped opened and he came out shooting. He was kind of running and shooting at the same time. His body was facing me. I am almost positive he was facing me so I think he was right handed. I could see it as clear as day.

My first thought was show your hands and don't get out but then he popped out.

I think he fired about three rounds initially.

I never saw what the officers did. They didn't have a chance to say anything to him because he stopped and the door popped open. It was an instantaneous thing.

I didn't hear any instructions until he was down.

In my mind I thought he would stop and something would happen like punches but this was like a firing range. It was like popopopopop.

I remember he had the curly locks of hair.

I could hear the officers fire. He fired at them and then I heard them fire like ten shots. It wasn't like a war zone. I mean you have several police officers and they were all going to return fire so I actually expected them to fire more than they did.

It was almost like he got out and thought he was going to make his last stand. The police were coming in from everywhere. I think the guy was acting like he wasn't going to make it out of here alive. Who knows why people do what they do.

He must have had a death wish or he didn't want to get caught.

On 4-23-20, at approximately 0900hrs, I interviewed [REDACTED] in the Atrium at HOJ. The interview was recorded. She stated the following in summary:

We had just come out of Food Co and we were putting the groceries in the trunk of our car and I could hear the sirens. I looked at Bruceville because I wondered if they were going to be going down Bruceville.

As I was watching I saw the car coming down the aisle and we were two aisles away. I saw the car pull in and the police car come in behind it. I saw the man get out and raise his arm and shoot.

That was when my husband was like get down get down. I got into the front of my vehicle so that was about all I saw. I could hear more gunshots and then I was in the passenger's side. I moved over to the driver's side through the vehicle and, as things were calming down, I could see a man laying down in the parking lot. After a few minutes I could see the police move in and arrest him.

I was on the passenger's side of my car when I first heard the sirens.

(I showed her an over head photo of the area printed from Google Earth and asked her to show me where she was parked, where she saw the suspect vehicle enter and stop and then where the suspect ended up. She did so and marked the photo for each.)

I could see people scrambling out of a vehicle near the shooting.

All of a sudden, I saw him racing down an aisle and then he stopped. I was looking over the hood of my car to see over there.

I don't remember which arm he had the gun in. He body was facing away. I don't remember how many shots he fired. I heard one and then my husband told me to get down.

I hunkered down under my dash board.

The next thing I saw was he was laying on the ground. All I heard when I was hunkered down was more

gun shots.

I saw the police approaching him with longer guns and a shield when he was on the ground.

I could see the police cars when he was shooting at them. I could see the one that was more behind him. Eventually more came in. I just saw the one behind him when he first started shooting.

I couldn't hear the suspect say anything before he first started shooting. I could hear the police saying things when he was already down. At the beginning, when he first got out, I didn't hear them say anything.

When he first stopped I was expecting the police to pull up behind him like a regular traffic stop but he got out and started shooting.

I have seen the news coverage on this.

(She showed me a picture she took of the suspect on the ground and I asked her to email that to me.)

At the end I saw the suspect laying down on his front and the police closed in on him.

When he first started shooting I could only see the shape of the gun. I would say it was dark black.

I couldn't hear him say anything at the end. I could see his legs move. I wasn't close enough to be able to hear what he was saying or what the police were saying to him.

I don't remember how many shots he fired.

The firing continued after I ducked for cover. There was quiet after the initial exchange and then there was more firing from both where the police were standing and where the suspect was laying down. I couldn't tell how many more shots he was firing from where he ended up laying down.

I wouldn't be able to identify him. He was wearing a yellow shirt I think. I could see hair but I don't know how long it was. I don't know if he was wearing pants or shorts.

BRIEFING:

At approximately 1916 hours, I attended a briefing regarding the incident that was given by Patrol Lieutenant Kaneyuki. The following personnel were present during the briefing: Chief Hahn #5011, Deputy Chief Peletta #5100, Deputy Chief Lester #5060, Deputy Chief Risley #5010, Captain Green #5130, Captain Eklund #5035, Captain Monk #5025 (STF10), Lieutenant Heinlein #4085 (LN9), Lieutenant Morgado #4067 (IV7), Sergeant Bullard #3135 (STF18), Sergeant Buchanan #3134 (STF17), Officer J. Brown #0891 (STF21), and Ofc. R. Cabrera #0723 (STF23). During the briefing, Lt. Kaneyuki advised us of the following circumstances surrounding the incident that were known to him at the time of the briefing.

Lt. Kaneyuki stated that at approx. 1538 hours, Patrol Sergeant Rath received a phone call regarding an all units broadcast that was related to ■■■ Jenich Court in the City of Sacramento. The all units call (SPD call # 20-109755) stated that the Marysville Police Department had just issued a \$500,000 Ramey warrant for attempted homicide (664/187 PPC) on a subject who was identified as Malcolm Xavier Wilcox, 3/15/93. That call stated that Wilcox was possibly residing at ■■■ Jenich Court and that there was possibly a red four door sedan that was related to Wilcox. Lt. Kaneyuki stated that at approx. 1634 hours, Officer Connor Lawrence drove by ■■■ Jenich Court and observed a Red four door vehicle and a silver vehicle parked in front of ■■■ Jenich Court. Lt. Kaneyuki stated that after Ofc. Lawrence observed the matching red vehicle in front of ■■■ Jenich Court he went down the street and began running multiple records checks on both Wilcox and ■■■ Jenich Court. As Ofc. Lawrence was conducting his records checks, he observed the silver vehicle that he saw in front of ■■■ Jenich Court leave the court with a male black driver matching the description of Malcolm Wilcox. After observing that vehicle leave the court, Officer Lawrence got behind it and made a radio broadcast that he was following a silver Chevy (■■■■■■■■■■) that was possibly occupied by a wanted subject named Malcolm Wilcox. Lt. Kaneyuki then advised us that Ofc. Lawrence followed

the silver Chevy Impala to the area of 7421 W. Stockton Blvd. where he conducted a vehicle stop on the Chevy at approx. 1638 hours. in front of the gas pumps that are located at that address. After the Silver Chevy Impala initially pulled into the gas pump area, it turned around and drove northbound towards the main parking lot to the south of Foods Co. At some point, the silver Impala came to an abrupt stop and the driver (Malcolm Wilcox) exited the vehicle and turned towards officers and began shooting at them. Lt. Kaneyuki advised us that just as Ofc. Lawrence was conducting the traffic stop on the silver Impala, Ofc. Lundgren pulled into the parking lot at 7421 W. Stockton Blvd. and was on-scene at the time that the silver Chevy Impala came to an abrupt stop. Lt. Kaneyuki then stated that there was a shots fired call put out over the radio at approx. 1639 hours. Lt. Kaneyuki stated that as Malcolm Wilcox was firing at Officers Lawrence and Lundgren, they both exited their respective patrol vehicles a fired multiple shots towards Malcolm Wilcox. Lt. Kaneyuki also advised us that after Malcolm Wilcox had exited his vehicle and fired gunshots at officers, he turned and ran away from the officers in a northwest direction through the parking lot. As Wilcox ran through the parking lot he continued to fire at officers and they continued to fire at him. Wilcox eventually fell to the ground approx. 50 yards northwest of where his Chevy Impala came to a stop and even then continued to fire at officers. Lt. Kaneyuki stated that additional responding officers eventually arrived at the scene and assisted in taking Wilcox into custody. Lt. Kaneyuki advised us that upon contacting Wilcox, officers were able to determine that he had suffered multiple gun shots wounds to upper right back and his upper left thigh. After getting initial treatment from officers on-scene, Wilcox was transported to Kaiser South by the Sacramento Fire Department (Medic 7) and SPD Ofc. Case was currently with him at the hospital. Lt. Kaneyuki advised us that after Wilcox had been transported to the hospital, officers located a small Ruger LCP .380 (semi-automatic handgun) on the ground in the area where Wilcox was taken into custody.

After providing that information, Lt. Kaneyuki had multiple patrol Sergeants go over some additional details regarding the incident.

Sergeant Trefethen advised us that he took the public safety of Ofc. Lundgren. He stated that Ofc. Lundgren had been driving a marked Sacramento Police Department Utility Vehicle (12645) and that Ofc. Lundgren advised him that he had fired approx. 20 rounds from his pistol from just outside of his driver's side door in a north east direction and one round from Ofc. Lawrence's rifle in a northwest direction. Ofc. Lundgren also stated that it was possible that Ofc. Lawrence fired as well and that he observed the suspect firing in a south direction. Ofc. Lundgren stated that he also fired at least two rounds from the front of a blue Toyota Sequoia in a northwest direction.

Sergeant Rath advised us that he took the public safety statement from Ofc. Lawrence. He stated that Ofc. Lawrence advised him that he fired his pistol two separate times. The first time he fired approx. six rounds through his patrol vehicles windshield in a north direction. The second time he fired approx. seven rounds from the driver side of a Toyota Sequoia in a northwest direction. Ofc. Lawrence stated that he believes that Ofc. Lundgren also fired shots and that the suspect fired shots at his patrol vehicle.

Sergeant Sobodash advised us on some of the Witnesses that were contacted in the area at the time of the shooting. He stated that Witness [REDACTED] was at the gas pumps getting gas when she observed a silver sedan enter the parking lot followed by officers. She then saw the male black adult

(MBA) driver of the silver sedan exit his vehicle and fire shots at the officers. Sergeant Sobodash advised us that Witness [REDACTED] observed a MBA exit his vehicle and fire approx. 3-4 shots. Witness [REDACTED] stated that he heard 3-4 gun-shots and when he looked back he saw that the suspect was already down on the ground. Sergeant Sobodash advised us that a witness who was an employee of the gas station advised officers that he saw a silver vehicle followed by a police vehicle (crown Victoria) and a police SUV. He then saw the silver vehicle make a u-turn in the parking lot before the driver of the silver vehicle exited his vehicle and pulled a gun out of his waistband and fired shots. Sergeant Sobodash advised us that Witness [REDACTED] stated that she was at the gas pumps when a silver vehicle pulled up behind her and then turned around. She then saw a MBA fire shots and the police officers firing back at him. She stated that she filmed some of the incident with her phone. Sergeant Sobodash stated that Witnesses [REDACTED] and [REDACTED] stated that they were parked in their Toyota Sequoia when then observed a MBA exit his vehicle and soot at officers. They then stated that the back window of their vehicle was shattered and that officers eventually contacted them and asked them to exit their vehicle and hide behind the police utility vehicle.

After the Patrol Sergeants gave us their information, Lt. Kaneyuki advised us on a few additional details. He stated that it appeared that Ofc. Lawrence had fired 13 shots from his handgun and that Ofc. Lundgren had fired 20 shots from his handgun and one shot from Ofc. Lawrence's rifle. Lt. Kaneyuki also advised us that Malcolm Wilcox had been placed on a [REDACTED] in January of 2020 at [REDACTED] Jenich Court. He also stated that patrol officers contacted [REDACTED] as she left [REDACTED] Jenich Court in a red vehicle. She stated that his sister and two small children were also at the residence. Lt. Kaneyuki lastly advised us that Foods Co. has video from the gas pumps, but that it did not capture the shooting and that there was an unidentified witness with who took a cell-phone video of the incident and posted it on youtube.

SUSPECT INFORMATION: Malcolm Xavier Wilcox, 3/15/93 was positively identified by his WebKpf booking photo and his valid CA driver's license that was located in a wallet that was removed from his pants pocket at the scene.

WALK-THROUGH:

On 4-11-20, at approx. 2003 hours, I completed a walk-thru of the crime scene with Detective Krutz. While conducting the walk-through of the crime scene, we observed multiple items of evidence that were later collected by crime scene investigators.

ADDITIONAL INFORMATION:

On 4-11-20, at approx. 2030 hours, I contacted Witness [REDACTED], [REDACTED] in the Taco Bell parking lot that is located just south of 7421 W. Stockton Blvd. and obtained her statement. While contacting Witness [REDACTED], I had on Detective Grigg's department issued body worn camera (BWC). The BWC was powered on and recording at the time of my contact with Witness [REDACTED].

On 4-11-20, at approx. 2100 hours, I was present with Ofc. Lundgren for his walk-through of the scene. During Ofc. Lundgren's walk-through he stated that he fired approx. 6-8 shots in a north direction from the left side of his patrol vehicle's driver door. He then stated that he fired approx. 10 rounds from the back of a Toyota Sequoia and one rifle round through the back window of a Toyota Sequoia.

On 4-11-20, at approx. 2345 hours, I contacted Ofc. Lundgren in a conference room at 5770 Freeport

Blvd. (Sacramento Police Department Headquarters). Upon contacting Ofc. Lundgren, I obtained a statement from him regarding the incident that occurred in the parking lot at 7421 W. Stockton Blvd. Ofc. Lundgren's entire statement was captured on an audio recording.

On 4-12-20, at approx. 1300 hours, Detective Krutz and I, contacted Suspect Malcolm Wilcox inside of the ICU unit at Kaiser South Sacramento Treatment Center. Upon contacting Suspect Wilcox I read him his Miranda rights verbatim per my SPD issued Miranda card (SPD 133). Wilcox stated that he understood his Miranda rights and then provided us a Mirandized statement. My entire contact with Suspect Wilcox was captured on my department issued BWC.

On 4-12-20, at approx. 1400 hours, I contacted Dr. [REDACTED] at Kaiser South Sacramento. Dr. [REDACTED] was one of the doctors who was treating Malcolm Wilcox. Dr. [REDACTED] provided the following brief details on Malcom's Wilcox injuries:

Wilcox sustained three gun shots wounds.

1. An approx. 10 cm transverse laceration to the back of his head that left a bullet at the back of his right ear.
2. Four small holes that were in a line down the back of his neck. It appeared that the four holes were associated with one bullet or fragment that went through soft tissue.
3. An entry wound in the area of his right hip, that hit a branch of his femoral artery. The bullet traveled into his abdomen hitting his colon. That bullet was extracted during surgery.

Dr. [REDACTED] stated that based on Malcom Wilcox's injuries and his condition as of 4-12-20, he would likely be in the hospital for five days.

On 4-15-20, at approx. 1200 hours, I met with Detective Joseph Liebman of the Marysville Police Department. While meeting with Detective Leibman, discussed the details of his case involving Malcolm Wilcox that occurred on 4-10-20 in Marysville, CA. Detective Liebman provided me with information on Wilcox's ex-girlfriend and mother of his children. He stated that her name was [REDACTED] and that she lived at [REDACTED] and that her phone number is [REDACTED].

On 4-15-20, at approx. 1300 hours, Detective Trimpey and I, contacted [REDACTED], [REDACTED] at [REDACTED]. Upon contacting Gibson, I obtained a statement from her regarding her relationship with Malcolm Wilcox. [REDACTED] advised us that Wilcox was her current boyfriend and that he had been driving her 2006 Chevy Impala ([REDACTED]) at the time of the shooting. My entire contact with [REDACTED] was captured on my department issued BWC.

On 4-16-20, I authored a search warrant for Malcolm Wilcox's medical records and it was signed by The

Honorable Judge Perkins. After the warrant was signed by Judge Perkins, I served a copy of the signed warrant to Kaiser records at [REDACTED]. On 4-21-20, I received a email from Kaiser Permanente that included Malcolm Wilcox's medical records related to this incident. While reviewing Malcolm Wilcox's Kaiser records, I noted the following: Malcolm Wilcox's Blood Alcohol Report from his Kaiser Permanente Records showed less than .01 % of ethanol from his blood sample that was taken upon his intake at Kaiser South Sacramento Medical Center on 4/11/2020. His toxicology screen upon admission was positive for methamphetamines and THC. I later booked a copy of Wilcox's medical records as evidence.

On 4-22-20, at approx. 1340 hours Detective Krutz and I responded to [REDACTED] in Marysville, CA in an attempt to contact [REDACTED], [REDACTED]. Per Malcolm Wilcox and Detective Leibman (Marysville Police Department), [REDACTED] is Malcolm Wilcox's ex-girlfriend and the mother of his two small children. Upon our arrival at [REDACTED] we made contact with [REDACTED], [REDACTED]. [REDACTED] stated that she was a relative of [REDACTED] and that [REDACTED] was not home at this time. Detective Krutz and I both left our business cards with [REDACTED] and asked her to have [REDACTED] give one or both of us a call when she returned home.

On 4-23-20, at approx. 0843 hours, I attempted to contact [REDACTED] by telephone at [REDACTED] with negative results. I was however able to leave a message on [REDACTED] voice-mail that included my name and call back information.

On 4-23-20, at approx. 1103 hours, I conducted a search of the 2006 Chevy Impala ([REDACTED]) at Central Valley Tow. While searching the Impala, I observed two bullet holes on the driver side rear passenger door. One of the bullet holes appeared to be covered up with an In and Out sticker. Upon peeling the sticker back, it appeared that it had been in place for a long period of time. I also observed damage on the interior of the driver side passenger door that appeared to match up with the exterior bullet holes. There was also some damage to the interior frame pillar that is between the passenger side front and rear door. This damage appeared to be related to the bullet holes on the driver side passenger door. While inspecting this damage further, I observed what appeared to be a bullet and some jacketing on the inside of that pillar. Based on the bullet hole damage and my conversation with [REDACTED] (Impala's owner) it appears that the bullet holes and damage to the Impala were there prior to the shooting. CSI responded out to Central Valley Tow and took photographs and collected the bullet and jacketing that was removed for the passenger side pillar. I did not observe any other potential items of evidence while searching the Impala ([REDACTED]).

After searching the Impala ([REDACTED]) I completed a Release of Impound form and attached it to the report. I then contacted [REDACTED] by phone and advised her of the procedure to pick up her vehicle.

On 5/5/2020, Sergeant Kinney advised me that while reviewing both ICC and BWC footage from the incident, SPD employees observed a red Jeep Cherokee with a CA license plate of [REDACTED] in the parking lot isle just to the east of where the incident took place. The Jeep is first show on camera as

Officer Delgado arrives on-scene to assist and at that time it is stooped in the aisle with the driver side door left open. While viewing the footage, a male black adult is later seen getting back into the Jeep and driving off just after the incident.

I later conducted a records check on the Jeep ([REDACTED]) and found that it was registered to a [REDACTED] at [REDACTED].

On 5/6/2020, at approx. 1024 hours, Detective Krutz and I, responded to [REDACTED] in an attempt to contact [REDACTED] as he was a possible witness to the Officer Involved Shooting. Upon our arrival we contacted [REDACTED] at that address. She advised us that [REDACTED] no longer lived at that address. She was able to provide me a phone number for [REDACTED] though.

On 5/6/2020, at approx. 1050 hours, I contacted [REDACTED] by telephone and he advised me that he was currently staying at [REDACTED]. We then set up a meeting to meet at 1 PM later that same day.

On 5/6/2020, at approx. 1306 hours, Detective Krutz and I responded to [REDACTED] and contacted Witness [REDACTED]. Upon contacting [REDACTED] he advised us that he was in fact in the FoodsCo parking lot at the time of the Officer Involved Shooting. He then provided us with a statement which was captured on my department issued BWC.

On 5/6/20, at approx. 0845 hours, I again attempted to contact [REDACTED] by telephone at [REDACTED] with negative results. I was however able to leave another message on Barksdale's voice-mail that included my name and call back information.

On 04/11/2020 at approximately 2320 hours, I (Detective Koppinger #914), contacted, [REDACTED], inside [REDACTED]. I obtained the following recorded statement (Body Worn Camera) from [REDACTED] in summary:

Malcolm is my grandson. He was living here with me and his mother for the past 6 months but he left a couple of days ago. I didn't think he was coming back. He didn't say why he was moving out. I figured he got sick of his girlfriend, [REDACTED]. I figured they got into a fight again. Malcom was staying in the front bedroom before he moved out. I don't know much about his life and he wouldn't tell me anyways.

I know that [REDACTED] currently lives in Marysville. Malcolm and her have two kids together, [REDACTED] [REDACTED] (DOB [REDACTED]) and [REDACTED] (DOB [REDACTED]). Their really our kids because they live with us and we take care of them.

Recently Malcom has been despondent because he's always go through it with [REDACTED]. - They'll be together and then get into an argument. The last time she was here she stayed the whole weekend and then last day she was here, they got into it. I haven't seen her since then. I think that was a couple of weeks ago. I didn't have any issues with Malcolm when he lived here. We would get mad at each other but he would never hit me and it was never serious. Malcom would get that way with [REDACTED] though. She's hit him in the head with a Crystal hot sauce bottle before. She's just as volatile as he is. They always go at each other.

Malcolm has recently made statements about wanting to hurt himself. About a month ago, he called him mom to come pick him up and take him to a place. He made similar statements like that before. Malcom's mom called the police when he made those statement and the police took him to a facility. That's the last time police were here. Malcolm never said how he would do it and he wouldn't tell me anyways. He would make statements like, "No. That's not happening. She can't have another man, or she did me like this. She's pulling stuff and that's not going to happen cause I'll kill myself first." I don't know if Malcolm has ever tried to hurt himself. I just know that he has felt like doing it before.

The last time I saw Malcolm was earlier this afternoon around 11:30-12. Malcolm's demeanor wasn't out of the ordinary. I only saw him for a couple of minutes and I didn't talk to him. Malcolm was mostly talking to his mom. I overheard them talking about money and then I went to the bathroom to clean up. When I came out, he was gone. He never mentioned wanting to hurt himself today and he didn't say anything about cops. Malcolm's interactions with law enforcement have been negative because he got arrested about 4-5

years ago after police found him sleeping on a shotgun in his mother's bedroom. The gun belonged to his mother, not Malcolm. He hasn't talked about law enforcement recently. He just said he would never go to jail again and that he'd rather die than go back. He said that sometime ago.

I have never personally seen Malcolm with a gun but he's said he's had one in the past. I don't know if he's had one here recently. He never described the gun. Malcolm said he had a gun some years ago but his mother made him get rid of it. I think that was 5 years ago. I've never seen Malcolm with a gun and I didn't see him with one today.

Malcolm doesn't have a car. He'd run errands for me so I'd let him use my Red Kia but that's it.

I, Detective K. Koppinger #914 (IV56), have been employed by the Sacramento Police Department as a Police Officer since 2011. I am currently assigned to the Office of Investigations as a Detective with the Homicide Unit. My primary duties are to investigate and/or assist with the investigation of crimes including, but not limited to assaults with deadly weapons, felony batteries, kidnapping, and homicide.

NOTIFICATION:

On Saturday, 04/08/2020 at approximately 1839 hours, I was notified by Sergeant Landberg of a call out for an officer involved shooting investigation (Case#20-109783). Due to the length in response time, I did not attend the initial briefing. I was directed to respond to the Hall of Justice (5770 Freeport Blvd) to assist other Homicide Detectives with follow-up.

ARRIVAL:

I arrived at the Hall of Justice at approximately 2030 hours and was briefed by Detective Derrick.

I was later assigned to respond to [REDACTED] Jenich Court and conduct follow-up interviews with the suspect's family.

FOLLOW-UP:

I contacted witness, [REDACTED], and obtained a recorded statement from her using my Body Worn Camera (See supplement).

On 04/11/2020 (Saturday) at approximately 1700 hours, I (Officer Ford #761) spoke to witness [REDACTED] (DOB [REDACTED]) at the gas station located in the parking lot of 7421 W Stockton Boulevard. She stated the following in summary. My body worn camera was activated during this investigation.

I was outside cleaning the gas pumps. I was at pump number 7 when I saw one police car coming in with no lights on and the second police car had it's lights on. I was curious and started to watch what was going on.

When I looked I saw the grey car come to a stop over there in the parking lot. The driver of the grey car immediately got out and pulled something out of his pocket or waste band area and began to shoot at the officers.

The driver of the gray car was a male black adult with dreadlocks. He was wearing a yellow shirt and red pants.

I heard what sounded like 10 or 12 shots but I am not sure how many there were. I was scared and ran around the front of the fuel island building and banged on the glass so my coworker would let me in.

On 04/11/2020 (Saturday) at approximately 1710 hours, I (Officer Ford #761) spoke to witness [REDACTED] (DOB [REDACTED]) at the gas station located in the parking lot of 7421 W Stockton Boulevard. She stated the following in summary. My body worn camera was activated during this investigation.

I was standing here in the doorway (eastside of the building) I saw the cops driving behind that gray car and I thought they (Officers) were just going to stop him right there. They were between pump 2 and 3. The gray car then made the U-turn and stopped over there in the parking lot. When he stopped and got out they (Officers) told him to freeze and I thought he was going to surrender. That's when he turned toward the officers and pulled the gun out and started shooting at officers.

I was trying to let my co-worker in the door and that is when I saw the guy (suspect) on the ground still shooting at officers. After that we both were inside of the fuel island building sheltering in place.

I heard approximately 8 to 10 shots, but it all happened so fast I am not sure exactly how many there were. I did not get a good look at the guy I just know that it was a male black adult with dreads.

On 04/11/2020, at approximately 1621 Hours, I, Ofc. Delgado #358 (2C57) and my partner Ofc. Nunez #512 (2C57) were dispatched to 7421 W Stockton Blvd regarding assisting Ofc. Lawrence #267 (1C55) on a high risk traffic stop of a silver chevy Impala possibly related to a suspect in an all divisions broadcast (SPD #2020-109755) which was a BOLO for an armed subject. Per the text of that call, on 04/10/2020, the suspect forced entry into his ex girlfriends house got into a physical altercation with two victims and chased one outside discharging .40 caliber rounds at victims as they drove away in a vehicle. The suspect was described as Malcom Xavier Wilcox Sr, Male, black, DOB: 03/15/1993, 5'11, 220 pounds, dreads, last seen with an orange shirt, light gray pants. His last known location is ■ Jenrich Ct. In addition, there is currently a 500K Ramey warrant in the system for the incident.

Prior to arrival, via radio transmissions, I heard officer Lundgren #970 and Ofc. Lawrence #267 advise shots fired and taking rounds. I arrived on scene at approximately 1643 Hours. I was equipped with a body worn camera that was activated and recording for the duration of this call. I observed the following in summary:

Upon arrival, I deployed my SPD department issued rifle and exited my patrol SUV.

There were multiple bystanders taking cover behind vehicle's and other pedestrians running away from area.

I observed officer Lawrence #267 behind a SUV taking cover with his firearm drawn and pointed northeast through the parking lot at the suspect.

I replaced Ofc. LAWRENCE's position and had my rifle pointed at the suspect who was laying on the ground approximately 60 yards away from me. Next to the suspect I observed a black firearm next to him within hands reach.

I heard officers giving the suspect commands to put his hands up and to turn his body away from the firearm that was laying on the ground.

I continued to have my rifle pointed at the suspect until two arrest teams use shields in approaching the suspect and safely took him into custody by placing him in handcuffs.

Afterwards, I slung my rifle and ran towards the suspect and other officers.

I observed the suspect was bleeding from his head and his leg.

On 04/11/2020 at approximately 1639 hours, I, CSO Anstess #8158 (3CS54) responded to the parking lot of Foods Co (7421 W Stockton Blvd) just north of the gas pumps regarding officer requesting assistance with shots actively being fired. I arrived on scene at approximately 1645 hours. Upon arrival, I activated my body worn camera along with my in car camera and observed the following in summary:

I took a temporary traffic control spot in the southwest corner for the intersection of Cosumnes River Blvd and Bruceville Rd.

I was then relieved of my spot by another unit and I moved my patrol vehicle up to W Stockton Blvd and Bruceville Rd. I then began setting up a perimeter in the Foods Co parking lot using caution tape.

I first set up a large perimeter around the general area of where the shooting had taken place along with the general area of where Suspect-Wilcox, Malcom had come to a rest at. I then set up one smaller inner perimeter for where Suspect-Wilcox had collapsed at and then another smaller inner perimeter around where the shooting had occurred to protect evidence.

I was then requested to start a crime scene log for all officers, detectives, CSI, management staff, and other investigators who had entered into the crime scene. I was later relieved of my position on 04/12/2020 at approximately 0640 hours. I provided the crime scene logs I had completed to detectives on scene.

On Saturday, 04/11/20 at approx. 1652 Hours, I, Ofc. Ridley #386 (GRN57) contacted witness, [REDACTED] (DOB: [REDACTED]) and obtained a statement. With my body worn and in car cameras activated, he stated the following in summary:

My wife and I had just come out of FoodsCo (7421 W. Stockton Blvd) and we were walking to our vehicle, the silver Nissan Rogue. I saw a silver sedan accelerating fast through the parking lot coming towards the store (northbound) and there were police cars behind him. As soon as the door of the silver vehicle popped open, the suspect got out of the vehicle and I saw a firearm in his right hand which he immediately started firing shots at the officers, towards the gas station (southbound). It made me think this was his last stand or something. I heard 3-4 shots initially and I made a beeline for safety. My vehicle was facing west and was about 50 yards away from where this was all happening. After the suspect fired the first shots he took off running westbound through the parking lot which is when I lost sight of him, but I think he was still firing shots. I could see that he was laying facedown and I thought he was dead, but then I saw his head pop up and I told my wife that he was still moving.

On Saturday, 04/11/20 at approx. 1637 Hours, I, Ofc. Ridley #386 (GRN57) while working patrol at Kaiser Hospital (6600 Bruceville Rd) responded to assist Ofc. Lawrence #267 (1C55) who was behind a possibly armed vehicle traveling eastbound on Calvine Rd. approaching Bruceville Rd. I arrived on scene at approx. 1639 Hours. With my body worn and in car cameras activated, I observed the following in summary:

As I began driving southbound on Bruceville Rd. from Kaiser Hospital, Ofc. Lawrence updated that the suspect vehicle had turned eastbound on W. Stockton Blvd and that he was committed. I activated my overhead lights and sirens and responded code 3 to this location. As I turned east on to W. Stockton Blvd. from Bruceville Rd. officers on scene broadcasted over the radio that there had been shots fired.

Upon my arrival, I parked my marked patrol vehicle, facing westbound, approx. 30 yards east of the suspect vehicle. I retrieved my department issued rifle and obtained cover behind a vehicle. Ofc. Lundgren #970 and Ofc. Lawrence were both on scene and advised that the suspect was west of our location laying prone on the ground. With my rifle drawn I advanced to a closer location, while maintaining my cover. A contact team was formed and I, along with fellow officers made a safe approach to the suspect. While advancing towards the suspect, I observed a black handgun laying on the ground in close proximity to the suspect. The suspect was handcuffed and medical aid was started.

Once the scene was safe, I assisted arriving officers with taping off the parking lot with caution tape. I then began to contact bystanders in search of witnesses. At approx. 1652 Hours I contacted witness [REDACTED] (DOB: [REDACTED]) and obtained a statement (see statement for further).

I remained on scene until approx. 2105 Hours when I returned to my duties at Kaiser South.

At approx. 2250 Hours I was instructed by Sgt. Fox (1SM5) to take over hospital watch of the suspect in ICU room #4101. I arrived to this location and relieved Ofc. Case #667. During this watch I obtained a status update from RN [REDACTED] (DOB: [REDACTED]) which I notified Det. Krutz #680 of. Per the RN, the suspect was in critical but stable condition.

At approx. 0018 Hours, Ofc. Lansdale #926 relieved me of my hospital watch duties and I returned to my normal hospital patrol function.

On 4/11/20 at approximately 1615 hours, Sgt Rath came into the gang office at JERPF and had me pull up call # 20-109755 on my computer. He advised me patrol officers located the red car related to a 664/187 suspect (Malcom Wilcox) and asked me to go sit on point, plain clothes and unmarked.

I advised my partners: Officer Calabrese/1005, Thomas/1009, and Gross/1031.

Officer Lawrence called me to advise he was parked outside of the court where the suspect's (Malcom Wilcox) vehicle was parked due to him driving a marked police vehicle. As we were talking, he advised he thought the suspect was leaving in another vehicle, and we hung up.

I was wearing plain clothes and driving an unmarked police vehicle. I left JERPF and drove towards ■ Jenich Ct. As I neared the Consumnes River Blvd exit from Hwy99, I turned my radio on Ch4 and heard Officer Lawrence following a vehicle. He advised he was pulling into the Foods Co parking lot off W Stockton Blvd and was going to be committed.

As I drove up to the intersection of Cosumnes River Blvd / Bruceville Rd, I heard "shots fired" over the radio. I turned south bound on Bruceville Rd and then east bound on W Stockton Blvd and parked near the gas pumps.

I grabbed my rifle and ran north towards the officers who had taken cover. I heard officers giving commands to the suspect who was on the ground west of the officers. I could only see the suspects left hand. I could not see his right hand. I did not observe a firearm either. Other officers and myself tactically moved closer to the suspect while utilizing cover behind vehicles. Officers advised the gun was the small black object on the parking stall white line. A contact team of officers and myself utilized a shield for cover and approached the suspect. As we got closer, I observed a black Ruger LCP 380 handgun near the suspect. Officers handcuffed the suspect and immediately started rendering medical aid.

The suspect yelled "leave me alone, let me die. Fuck, shoot me again. Fuck, leave me alone. I refuse medical services." Multiple officers rendered medical aid to the suspect even though he was verbally uncooperative. I heard an officer advise a tourniquet was applied to the suspect. I grabbed a medical kit out of Officer Case's patrol vehicle and gave the officers more gauze. I asked for fire. I observed 3 spent shell casings near the suspect and his gun. Officers continued medical aid until Fire arrived on scene (Truck 7 and Medic 7).

Officer ■ and I placed yellow placards near items of evidentiary value.

Then, we placed red tape around the inner perimeter of where the patrol vehicles stopped behind the suspect vehicle in the parking lot.

At approximately 1800 hours, Sgt Rath advised me to conduct surveillance at the suspects house (█ Jenich Ct). Officer █ and I were in unmarked vehicles. I took point on the house. I observed 3 vehicles in the driveway. From left to right was a red Kia Forte (█ CA), black Ford Escape (█ CA), and a silver Dodge Caravan (█ CA).

At approximately 1908 hours, an elderly female got into the drivers seat of the red Kia and drove away out onto Franklin Blvd. Officers stopped the vehicle and detained the female.

At approximately 2010 hours, Sgt Rath advised me that a couple of marked patrol units would be on their way to █ Jenich CT to freeze the house pending a search warrant. The 40 caliber firearm used in the Marysville 664/187 was still outstanding.

At approximately 2040 hours, fully marked Officers arrived on scene to freeze the house. Officers wearing police uniform made announcements at the front door of █ Jenrich CT. A heavy set female opened the door while she was on her phone. She was yelling at officers telling them not to touch her. Officer Gross calmly explained we had to make sure she did not have any weapons on her. He tried to grab her arms and she resisted him multiple times while continuing to yell. She then walked down the hall away from Officer Gross towards the bedrooms. Officer Gross tried to grab control of her arms multiple times while she flailed her arms.

Officers Gross and Warren were trying to detain her, but were unsuccessful. It had now been almost 1 minute and 30 seconds trying to detain the female with a firearm outstanding and Officers stuck in the hallway of an unsafe house. I went over to Officer Warren and assisted him in putting the female's right arm in a control hold. I told the female to stop resisting multiple times as she got down on the floor by her own doing. Then, she was detained in handcuffs. My body camera came off as we detained her. We cleared the rest of the house and yard. Officer Singh gave me back my body camera.

I provided Detective Severi the legal for the house. I updated Sgt Merten. He advised to evidence impound the red Kia Forte.

Detectives arrived on scene and took over the scene.

Body camera used.

- [REDACTED] (DOB: [REDACTED])

See witness statements for details regarding the incident.

I canvassed the Foods Co. parking for evidence. I located an bullet hole on the rear passenger door of a Lexus ([REDACTED]). I observed one bullet fragment in front of the Jackson Hewitt building. I observed two bullet ricoches on the front of the Jackson Hewitt building. On the south wall of the Davita building I there was one bullet ricochet.

On the east wall of the Davita building there were multiple bullet ricoches. There was a bullet hole through a lamp on the east wall of the Davita building.

On the brown dumpster security gates there were multiple bullet ricoches. There were three bullet fragments on the ground in front of the dumpster gates. There were two more bullet fragments approx. 30 feet away from the trash gates.

I notified CSI of the further evidence found and related that they were numbered for processing the scene.

On Saturday, 04-11-20, at approximately 1647 hours, I, Ofc. Lansdale #926 (1C47), arrived on scene at 7421 W. Stockton Blvd to assist officers on a traffic stop. My in car camera and body worn camera were activated. Due to the extended time on scene, I deactivated my body worn camera when I did not have contact with the public and was on a perimeter/scene security position to conserve battery life. The following are my observations in summary.

Prior to arriving on scene, officers advised the suspect was in custody and officers were uninjured. I assisted in setting up crime scene tape.

I contacted witness [REDACTED] and obtained her statement (see additional).

I contacted witness [REDACTED] and obtained her statement (see additional). Haines left the scene in a grey 2012 Dodge Charger ([REDACTED]).

I assisted with scene security and later cleared from the scene.

At approximately 0020 hours on Sunday, 04-12-20, I responded to Kaiser South Hospital and relieved Ofc. Ridley #386 (GRN57) and maintained prisoner watch over Malcom Wilcox. Wilcox was intubated and sleeping. My body worn camera was activated for the majority of the time, however, I deactivated it because it had a low battery alert. At approximately 0420 hours, Ofc. Brandt #1017 (1A54) relieved me and I cleared from the hospital.

In summary:

Body worn camera and in car camera were activated.

On 04/11/2020 at approximately 1641 hours, I, Officer Case #667, was in full police uniform and I was driving a fully marked police vehicle when I responded to the area of 7421 W Stockton Blvd.

I arrived on scene at approximately 1647 hours. Upon arrival I assisted several officers with rendering aid to a subject identified as Malcolm Wilcox.

At approximately 1655 hours, the Sacramento Fire Department, Medic 7, transported Malcolm and I to Kaiser hospital. Medics on the ambulance were verbally identified as Captain Marshall, C. Pratt, K. Pontarolo, and J. Esquivel.

We arrived at Kaiser hospital at approximately 1659 hours, and Malcolm was transported to Emergency Room 15.

After several minutes of Kaiser medical staff working on Malcolm, he was then transported to the CT scan room.

After several minutes in the CT scan room, Malcolm was transported to Operating Room 1.

While in Operating Room 1, Kaiser medical staff handed me a small piece of what appeared to be a jacket from a projectile or a piece of a projectile itself. The item contained a black hair from Malcolm's head. Medical staff advised they had removed the item from the outside of Malcolm's head.

Due to an evolving situation in the operating room, I secured the item inside of what I had, which was a purple glove from the hospital.

CSI26 Kinoshita #6361 later arrived on scene and I handed her the glove which contained the aforementioned item.

Kaiser medical staff continued to operate on Malcolm, and after several minutes they advised that they removed a projectile from an area near Malcolm's intestines.

The projectile was placed into an evidence bag by Kaiser medical staff. I completed a chain of custody form for the projectile and I took possession of the projectile. I also obtained a copy of the chain of custody paperwork for

the projectile.

After several additional minutes in the operating room, Malcolm was then transported to XRay room 5.

After several minutes in XRay room 5, Malcolm was transported to Intensive Care Unit room 4101. I was then advised by medical staff that Malcolm's vital signs were stable, but that he still had two additional projectiles inside of his body, one in his right scalp, and the other in his right back.

Due to Malcolm's vital signs being stable, I then requested CSI re-respond to the hospital to process him.

It should be noted that I responded to each of the aforementioned locations with Malcolm in the hospital, and I stayed with him until I was relieved by GRN57 Officer Ridley #386.

I completed a prisoner watch log, handcuffed, and Shackled Malcolm to his hospital bed in ICU room 4101. Malcolm and I did not exchange words at the hospital as he was primarily sedated for the various procedures.

I contacted medical staff to ensure Malcolm was listed as confidential at the hospital.

I maintained custody of the projectile recovered from Malcolm's intestine area. I later responded back to the parking lot of 7421 W Stockton Blvd where I met with CSI15 Louie #6384. I transferred custody of the projectile and chain of custody paperwork for the projectile to her.

Ofc. Thomas #1009 and I, Ofc. Gross #1031 are currently assigned to the South Gang Enforcement Team/Shotspotter. Our primary duties are to gather intelligence information regarding gang members, investigate gang related crimes, and proactively patrol known gang locations specifically in the south portion Sacramento. Our team also has the responsibility of responding to calls for service from ShotSpotter activations.

On 04/11/2020 at approx. 1627 hours, we were dispatched to the area of [REDACTED] Jenich Ct in order to assist with surveillance on a vehicle parked at this location. The vehicle was associated with Marcus Wilcox who had an active \$500,000 Ramey arrest warrant for attempted murder. While we were en route to the area in order to assist the units already on scene, Officer Lawrence #267 (who was on scene), advised that he observed a subject who matched the description of S-Wilcox get into a silver Chevy Impala (CA [REDACTED]) and leave the residence. As Ofc. Lawrence broadcasted the vehicle's movement, we responded towards him in order to assist with the felony stop. We observed the following in summary:

At approx. 1639 hours, Ofc. Lawrence advised that the suspect vehicle was pulling into the Foods Co parking lot (7421 W Stockton Blvd). He then advised that he was committed facing southbound at the gas pumps. I knew that there are gas pumps located in the same parking lot as the Foods Co. Ofc. Lawrence then advised over the radio that it appeared the driver of the Impala was about ready to take off. I know that when officers say that, it usually means that they believe the person is about to exit the vehicle and run on foot.

Shortly after advising that, Ofc. Lundgren #970, advised over the radio that shots were fired. Ofc. Lawrence then also stated that shots were fired and were continuing to be fired. We continued toward them and arrived in the Foods Co parking lot approx. 30 seconds after their shots fired broadcast. I parked the car approx. 50 yards southeast of where Ofc. Lundgren and Ofc. Lawrence were located. I exited the vehicle and ran northbound towards the officers. I took cover behind a vehicle. I observed multiple civilians who were screaming and running away from the direction of the suspect vehicle. At this point, another officer advised me that the suspect (later identified as Marcus Wilcox) was on the other side of a Lexus located approx. 50 yards north of my location. I could not see the suspect at this time.

I then ran approx. 20 yards northbound and took cover behind another vehicle. At this point, I could see the S-Wilcox laying on the ground in the parking lot. He was approx. 30 yards north of my location. S-Wilcox was lying on his stomach. I could see S-Wilcox left hand which was raised upward and to the side, but I could not see his right hand. I observed a black object on the

ground approx. 5 feet from S-Wilcox hands. The object looked as if it could be a firearm, however I could be certain, as it was very small. I then obtained a shield and held a shield for the officers who were with me.

I asked two officers who were approx. 20 yards east of me if they could see S-Wilcox's right hand and they advised they could not either. I then yelled at S-Wilcox to move his right hand up in front of his head. I did this in order to be able to see both of his hands and make sure that he was not still armed. S-Wilcox did so. At this point, myself, along with multiple other officers approached S-Wilcox in order to detain him. As we were approaching, I observed that the black item that I had previously seen, was in fact a firearm. The firearm was approx. 5 feet from S-Wilcox. We contacted S-Wilcox and I grabbed his left arm and placed it in a handcuff. Ofc. Calabrese #1005 grabbed S-Wilcox right hand and we were able to place him in handcuffs. As we were doing this, S-Wilcox stated, "Just let me die, leave me alone, let me die. Fuck, shoot me again, fuck, leave me alone. Shoot me again. Shoot me. Don't touch me, let me bleed out. I refuse medical services."

I observed what appeared to be a gunshot wound on the outside of S-Wilcox upper left leg that was bleeding heavily. I observed multiple pools of blood around S-Wilcox person. I placed a tourniquet on S-Wilcox left leg in order to attempt to stop his leg from bleeding. Other officers also assisted with medical aid on other injuries that S-Wilcox had (See officers sups). Within a few minutes, the Sacramento Fire Department arrived on scene, took over medical aid, and transported S-Wilcox to the hospital.

I observed three silver spent shell casings located approx. 5 feet from where S-Wilcox was laying. The casings were left in place in order to be photographed.

After S-Wilcox was taken to the hospital, I assisted with scene security. I stood with Ofc. Lundgren and Ofc. Lawrence's vehicles and made sure that they were not tampered with. I did so until Ofc. Lansdale #926 took my place.

At approx. 1810 hours, I responded back to the area of [redacted] Jenich Ct. At [redacted] Jenich court, Ofc. Nedeljkovic #370 and Ofc. [redacted] were conducting surveillance in plain clothes and unmarked vehicles due to the fact a search warrant was going to be obtained for the residence. I parked my patrol vehicle at Franklin Blvd/Bassett in order to be in the area to assist them if necessary.

At approx. 1910 hours, they advised that a red Kia Forte (CA [redacted]) was leaving from [redacted] Jenich Ct. Ofc. [redacted] followed the Kia from [redacted] Jenich Ct to the intersection of Village St Dr/Franklin Blvd. The Kia then turned northbound on Franklin Blvd. I followed the vehicle northbound on Franklin Blvd. I was in a fully marked police vehicle and wearing a full police uniform.

The Kia appeared to be going at a very high rate of speed. In order to catch up to the Kia, I had to drive over 60 miles per hour. Based on my training and experience, I believe the Kia was driving at least 55 miles per hour. The speed limit on Franklin blvd in that area is 45mph.

The Kia then turned eastbound onto Cosumnes River Blvd. Almost immediately after turning onto Cosumnes River Blvd, the Kia exited the lanes of traffic and pulled to the right side of the road, failing to maintain its lane, in violation of 22107 CVC. Due to this, I turned on my lights and initiated a traffic stop on the vehicle.

I contacted the driver and sole occupant of the vehicle and identified her by CA drivers license as [REDACTED]. I asked [REDACTED] if there was anything illegal in her car and she said no. I then asked [REDACTED] if she minded if we took a look and she said no.

Ofc. Warren #905 and Ofc Singh #707 conducted a consent search of the vehicle. (See officers sups for details).

[REDACTED] advised me that she was coming from [REDACTED] Jenich Ct and that she lives there. She stated that She lives at [REDACTED] Jenich Ct with the following people:

- [REDACTED] ([REDACTED])
- [REDACTED] ([REDACTED])
- [REDACTED] (8 months old)
- [REDACTED] Unknown last (6 years old)
- [REDACTED] (3 years old).

She also stated that all the above listed people were at [REDACTED] Jenich Ct as we spoke.

I asked [REDACTED] if we could do a search of her house and she stated that it is [REDACTED] house and we would have to ask her.

I then stayed with [REDACTED] until I was relieved by Ofc. Davis and Ofc. Helmich at approx. 2030 hours.

At this point, I responded back to [REDACTED] Jenich Ct in order to assist with freezing the house prior to detectives arriving with the search warrant.

Myself, along with multiple other officers approached the door at [REDACTED] Jenich Ct. I knocked on the door and yelled "Sacramento Police Department. Search warrant." I then waited a few seconds and knocked again. After knocking the second time, I heard a female voice say "coming." Within a few seconds, a female opened the door. I recognized the female as [REDACTED] as I had

recently viewed a photo of her in webKPF.

I said, "hi, hey, hello." as I entered the house and walked toward [REDACTED]. As I walked closer to [REDACTED], she yelled "don't do that, don't touch me. Don't touch me sir. Please don't touch me."

I then said, "Okay, listen." [REDACTED] then screamed, "I am sick, please don't touch me." I stated, "I understand, but I am going to make sure you don't have any weapons on you." [REDACTED] then yelled, "no, you're not gonna touch me. I don't have anything."

At this point, I attempted to grab [REDACTED] by the wrist in order to help her turn around so that I could pat her down for weapons. When I did that, [REDACTED] jerked her arm away from me and yelled, "let go of me sir. I am sick. Do you not understand?"

I stated, "I understand."

[REDACTED] then lifted up her shirt and yelled, "I don't have nothing on me. Now get away from me."

I said, "listen, relax." and [REDACTED] stated, "don't touch me. I just left my infant child in here."

At this point, [REDACTED] began to walk away from me and into the hallway towards the bedrooms of the home. I walked after her and stated "You cant go into the rooms okay."

At this point, I was afraid of multiple things. I knew that the firearm that was used during the attempted homicide incident involving Malcolm Wilcox was still outstanding. Because Malcolm Wilcox was associated with this house, I believed there was a chance that the firearm was located in this house. I was afraid that [REDACTED] had access to the firearm and was walking away to retrieve it to either hide it, or use it.

I also knew that there was a chance that [REDACTED] already had an idea of what had occurred a few hours prior involving her son, Malcolm Wilcox. I believed that there was a possibility that there was evidence in the house of either the previous crime involving S-Wilcox, or the crime from a few hours prior. I did not want [REDACTED] to walk away from us and have the ability to tamper with or destroy any evidence.

Due to this, I grabbed [REDACTED] by the left arm and placed her in a control hold. Ofc. Warren #905 also grabbed her to attempt to put her in handcuffs. [REDACTED] continued to yell and got very upset when she realized that we were going to place her in handcuffs. She screamed "don't handcuff me." and continued to say that she wanted to get to her grandson. However, during all of this, she continued to attempt to pull away from my grip so that I did not have control of her wrist and she continued to try to

walk down the hallway.

Myself, Ofc. Warren, and Ofc. Nedeljkovic #370 continued to struggle to maintain control of [REDACTED] hands as she continued to try to pull her hands away and walk down the hallway. After approx. 15 seconds of trying to get control of her hands, [REDACTED] got down on the floor by her own doing and lay on her stomach. Throughout this, she was continuing to yell at officers to stop what we were doing. Ofc. Nedeljkovic told her to stop resisting no less than 3 times. Within a few seconds of dropping down to the ground, [REDACTED] stated, "okay, im relaxed."

At that time, I felt all of the tension that was in her arms become relaxed. Myself and Ofc. Warren were able to easily bring her hands behind her back and get her into handcuffs. Based on this, I knew that up until that point, [REDACTED] was flexing and pulling away in order to not be controlled or put in handcuffs.

After being placed in handcuffs, we helped [REDACTED] back to her feet and seated her on the couch in the living room. We gave her water and allowed her to take her asthma medication. After she was able to catch her breath and calm down, we removed her handcuffs. I asked her if she was okay and she said she was.

We completed a sweep of the house for anyone inside. The following people were inside the house:

- [REDACTED] ([REDACTED])
- [REDACTED] ([REDACTED])
- [REDACTED] ([REDACTED])
- [REDACTED] ([REDACTED])
- [REDACTED] ([REDACTED])

I sat in the living room with these subjects until detectives arrived with the search warrant. While we were waiting, officers brought [REDACTED] back to the house and she also waited with us in the living room. When [REDACTED] arrived back at the house, she began to talk with [REDACTED] about what was going on (See subject statement).

Upon the arrival of detectives, I assisted in a search of the residence and did not locate anything of evidentiary value.

My department issued body camera was recording during all of these incidents.

On 4/11/20 at approximately 1639 hours, I, Sgt. Trefethen #3012 was working as a patrol supervisor as 3SM36 in the downtown area. At the time I was dressed in full SPD uniform equipped with a Body Worn Camera. After hearing the shots fired call at Bruceville Rd/Calvine Rd, I responded code-3 to the location and met with 3SM5 Sgt. Rath and 3SM4 Sgt. Sobodash. My Body Worn Camera was activated.

I obtained a public safety statement from Ofc. Lundgren #970 which was recorded on Body Worn Camera. After the public safety statement, I requested Ofc. Lundgren to deactivate his Body Worn Camera which I took custody of. I also removed the SD card for the ICC (In-Car Camera) footage from Ofc. Lundgren's patrol vehicle #12645. Ofc. Rath also obtained the Body Worn Camera from Ofc. Lawrence and I obtained the ICC SD card from his patrol vehicle. I secured these in Lt. Start's vehicle. Detective [REDACTED] later removed the items from the vehicle and took custody of them.

I assisted with the preparation of the briefing which was led by Lt. Kaneyucki.

The scene was taken over by Investigations.

On 04/11/2020 at approximately 1655 hours, I, Ofc. Schraer #1038 (2C68) spoke with witness [REDACTED] at 7331 West Stockton Blvd (Foods Co. Gas Station) and obtained her statement. W-[REDACTED] was seated in the passenger seat of her husband's Chevy Blazer (CA LP: [REDACTED]) during the incident. The Chevy was parked next to pump #1 and facing southbound.

My body worn camera captured our conversation. W-[REDACTED] stated the following in summary:

I was sitting in the passenger seat. I saw the guys (suspect) car drive passed. The car was a silver Chevy and it turned into the parking lot from West Stockton Blvd. I saw there were police cars behind the Chevy. When they pulled into the parking lot, the police cars had their red and blue lights on. I didn't hear the police sirens but I think they did chirp the siren a little bit.

The guy in the Chevy first stopped by the gas pumps. Then I think that's when an Officer chirped his sirens and the Chevy pulled up and stopped where it's at right now.

Then the guy just got out and started shooting at the police. All of the cops were still in their vehicles. I don't know how many shots I heard. I'm not sure if it was more or less than five shots. I was trying to keep an eye on where my husband was because he was outside of the car pumping gas.

There was only one person in the Chevy. He just got out and started firing at the police. I definitely heard audible gun shots. The police started shooting back. The guy in the Chevy started running away but he was still shooting back at the police while he was running.

Everything was tuned out for me because of the gun shots so I don't know if I heard the police give any commands.

The guy that was shooting at the police was an African-American male, in his mid-20's, with long dreads and wearing yellow.

I couldn't tell how many Officers returned fire. My eye was focused on the driver of the Chevy because he came out shooting first. He was shooting a handgun at the Officers. I couldn't tell what color it was.

On 04/11/2020, at approximately 1621 Hours, I, (Ofc. D'Arcy #618) was dispatched to Bruceville Rd / Calvin Rd regarding assisting Ofc. Lawrence #267 on a high risk traffic stop of a silver chevy Impala possibly related to a suspect in an all divisions broadcast (SPD #2020-109755) which was a BOLO for an armed subject. Per the text of that call, on 04/10/2020, the suspect forced entry into his ex girlfriends house got into a physical altercation with two victims and chased one outside discharging .40 caliber rounds at victims as they drove away in a vehicle. The suspect was described as Malcom Xavier Wilcox Sr, Male, black, DOB: 03/15/1993, 5'11, 220 pounds, dreads, last seen with an orange shirt, light gray pants. His last known location is ■ Jenrich Ct. In addition, there is currently a 500K Ramey warrant in the system for the incident.

Prior to arrival, via radio transmissions, I heard officer Lundgren #970 and Ofc. Lawrence #267 advise shots fired and taking rounds. I arrived on scene at approximately 1643 Hours. I was equipped with a body worn camera that was activated and recording for the duration of this call. I observed the following in summary:

As I arrived into the parking lot of 7421 W Stockton Blvd, I heard one gun shot prior to parking and exiting my patrol vehicle. I placed my patrol car into park, exited the vehicle and began to maneuver towards Ofc. Lawrence's location with Ofc. Delgado #358 and Ofc. Nunez #512. At this time, there were numerous civilians in the immediate area using vehicles as cover. As Ofc. Delgado and I continued to Ofc. Lawrence, we gave commands to those civilians to stay down.

As I arrived to Ofc. Lawrence, he was using an SUV as cover. Ofc. Lawrence advised he was not injured. Ofc. Delgado arrived with his department issued rifle. Ofc. Delgado and I continued to keep our fire arms pointed towards the suspect.

I observed the suspect laying flat on the ground as another Officer gave him commands to roll away from the fire arm. The suspect complied and rolled over. As he rolled over, I saw what appeared to be a large amount of blood on his shirt.

As other Officers created a contact team, Ofc. Delgado and I continued to keep our fire arms towards the suspect. The contact team moved towards the suspect, and Ofc. Delgado and I holstered our weapons.

Officers with the suspect requested a medical aid bag. I located a medical aid bag inside a patrol vehicle that was parked closet to me, took possession of

On Saturday, 04/11/20 at approximately 1640 hours, CSO Sypolt #8166 and I, Ofc. Gamble #946 (1C32) responded to W. Stockton Blvd and Bruceville Rd regarding reports of shots fired from an officer. We arrived on scene at approximately 1652 hours and observed the following in summary:

Upon arrival, I was tasked with interviewing witnesses. I contacted and interviewed witness [REDACTED] and obtained a statement. (See [REDACTED] Statement).

I then contacted an employee from Taco Bell (witness) [REDACTED] and obtained a statement. (See [REDACTED] Statement).

I canvassed Taco Bell for cameras and discovered that their footage did not cover the area in which the incident occurred.

I went to update Sgt. Sobodash (3SM4) and while doing so, I located what appeared to be a round projectile on the ground between gas pumps 2 and 3 (west of where the incident occurred). I held the location until CSI arrived on scene and placed a marker near the round.

I then stood by with (W) [REDACTED] until she was interviewed by detectives.

On 4/11/2020 at approximately 1700 hours, I, Officer O'Shaughnessy #1043 contacted witness [REDACTED] in the parking lot of 7331 W Stockton Blvd (Foods Co. Gas station) at gas pump station #1 and obtained his statement. My bodyworn camera was activated, W- [REDACTED] stated the following in summary:

I was talking to my son, we was talking right here then he pulled over there. That gray car just pulled up here, and he just skid then backed up. I was like what the hell is this dude doing. Thats when I saw the Police behind him. He only made it to right there and he just jumped out and started shooting at the damn Police.

I just finished talking to my son in law right here. I was walking back to come and get the gas. As soon as I put my card in to get the gas I heard this gray car come in here and skid (pointed at suspect vehicle).

He was coming over here, I thought he was coming to get gas. He just locked them up then he backed up and pulled right there. He jumped out and started firing at the Officers.

I thought he was coming through to get gas but then I saw the Police right on him so I'm like hell he's running from the cops.

There was two Police cars behind the gray car I think it is both of the ones that are still there.

I just know the occupant of the gray car was a big dude. He was either a Tongan or a Black male. He just jumped out, I saw him raise the gun. He had a yellow shirt on.

He jumped out from the drivers side.

The way he had his hair I thought he was a Tongan at first, you know Polynesian.

He was about 6 ft 3 in or 6 ft 4 in, about 280-300 lbs, had braids or dreads tied up, and was wearing a yellow shirt.

When I saw the Police following him I was already holding the pump. Thats what made me look, is he skid. Then he stopped right there and got out drawn.

I saw the gun in his hand. He just jumped out right there and started firing at the cops. I don't even think the cops got out of their cars when he

was firing.

There was two Police cars behind him, I know the Crown Victoria was behind him. I saw two, it just happened so fast.

He was just standing straight, didn't move and was just firing. He was pointing the gun at the Police cars. It looked like he hit the window of it. The cop wasn't able to get out I don't think, he just jumped out that fast.

I think he shot about 3-4 times at the cops. After the second or third shot I started to run for cover, but he shot more than that. By the time I ran around there he was still firing at them. I remember the sound of his gun it was pretty loud.

When he was shooting at the cars I am sure the cops were in the cars, they didn't get a chance to get out. that's why I was wondering if he got hit.

The gun he was shooting had to be a 10mm or 9mm, it was a black Glock handgun.

I didn't see the Police get out until after he (S) got out.

After that, he (S) took off running that way (pointed north). I ran behind the front of the truck and was trying to look.

I heard gunshots after that, the Police returned fire. I'm pretty sure he got hit before he got to where he was laying. They weren't expecting that, I already know he (S) caught them off guard.

I didn't see the Police return fire, I just heard their weapons. They probably unloaded their guns, thats how many shots they were shooting back.

I heard multiple guns going off which led me to believe the Police were returning fire.

The whole thing happened fast. I saw he (S) was hit when he was on the ground. I saw his shirt was bloody in the back. It was the same guy who got out of the car and shot at the Officers.

On 04-12-2020 at approximately 1700 hours, I (Officer Woods #1024) contacted W-[REDACTED] at Chase Bank, located at 7301 W Stockton Blvd, and obtained his following statement in summary:

My body worn camera was activated.

I came into the Chase Bank to pay some bills. As I was standing in line inside the bank, I heard the police siren so I turned my head to see what was happening. When I turn my head I saw the silver vehicle traveling quickly through the parking lot. The silver vehicle almost hit a lady as she was walking through the parking lot. The vehicle then suddenly stopped. At this time, I saw a black male with dark complected skin, dreads, wearing a yellow shirt, jump out of the silver car and start running that way (pointing to a north-western direction). I turned my head to handle my business inside the bank. I then heard the sound of 2-3 gunshots. I turned my head to face the parking lot once more and I saw the male was on the ground. I did not see a gun, I only saw the male's hair bouncing as he ran. When I saw him on the ground I saw that his shirt was red near his shoulder. The whole incident escalated very quickly.

I then heard the police tell the male for him to crawl towards officers, but he was not moving. Shortly after, the paramedics arrived to take the male away.

It seemed as if the police knew what they were doing and make sure that they were safe.

It should be noted that my body worn camera had fallen off prior to exiting the vehicle

Upon exiting the vehicle, I moved forward and attempted to get eyes on the suspect. While moving forward I observed what appeared to be a male back adult laying on the ground. I had eyes on the suspect who was moving/rolling around on the ground.

I then observed what appeared to be a black handgun on the ground approx. 2-3 Ft. away from the suspects hand. Ofc. Lawrence and myself moved closer to the suspect to try and obtain a better visual of the suspect.

I then provided cover while a contact team approached the suspect and detained him in handcuffs.

I later retrieved my body worn camera and brought medical supplies to the officers who were providing first aid to the suspect.

On Saturday 04/11/2020 at approximately 1638 hours I, Officer [REDACTED] responded to the area of Bruceville Rd and Calvine Rd to the report of an Officer involved shooting. I was in plain clothes wearing a Police vest carrier and duty belt and was operating an undercover police vehicle not equipped with overhead lights or a siren. I arrived on scene and at approximately 1646 hours and observed the following in summary with my body worn camera activated:

Upon arrival, I responded to the interior perimeter of the scene and began marking spent bullet casings, fragments and other items of evidenciary value that I could locate with my yellow numbered plastic placards.

I was then instructed by Lieutenant Start #4106(LN24) to mark off the perimeter with red CSI tape which was then completed.

I stood by to assist with scene security until I was tasked with assiting on surveillance at the suspects(Malcolm Wilcox)residence located at [REDACTED] Jenich CT(SPD call number 20-109854).

I took off my vest and duty belt and responded to [REDACTED] Jenich CT to assist with surveillance in an unmarked undercover vehicle. My body worn camera was not activated at this time.

At approximately 1908 hours Officer Nedeljkovic #370 broadcasted that a red Kia sedan(CA [REDACTED]) was leaving the target residence. I followed the vehicle westbound on Village Star Dr and then northbound on Franklin Blvd until Officer Gross #1031(GNG57) in a fully marked and equipped police vehicle was behind it to initiate a traffic stop(See Officer Gross's supplement for further).

I responded back to the target location at [REDACTED] Janich Ct to continue surveillance on the residence.

At approximately 2040 hours, the decision was made to secure the residence and detain any occupants inside pending a search warrant. I put on my Police vest carrier and activated my body worn camera.

Officer's made their approach to the front door and I maintained a visual on West side of the residence from the front side gate. Once inside the residence I heard Officer Officer Nedeljkovic #370 broadcast that they had a very uncooperative female inside the residence. I went into the residence and assisted by securing a small child that was running up to Officers as they detained the uncooperative female in handcuffs.

I then assisted in clearing the remainder of the residence.

I stood by with Officer Gross in the living room of the residence with the subjects that were detained until Sergeant Merten #3137 arrived with the search warrant.

Officer Gross and I, Officer [REDACTED] assisted in the search of the last room to the right of the main hallway. I did not locate anything of evidenciary value inside.

Once the search was completed I left the residence.

On 4/11/2020 at approx. 1634 hours I, Ofc. Calabrese #1005, was responding to the area of ■ Jenich Ct in regards to an attempt murder suspect / vehicle. I was dressed in plain clothes and driving an unmarked car. I was enroute to conduct surveillance on the vehicle. While en route to the call I turned on my radio and heard the "beeper" was on. Based on my training and experience I know that when the "beeper" is used when a critical call going on. I continued to listen to the radio and heard something to the extent of an Officer being committed with a vehicle in the area of West Stockton Blvd.

I was driving southbound on Highway 99 from Fruitridge Rd when I heard Officers over the radio state that shots were fired. I responded to the area of West Stockton Blvd and Bruceville Rd. I arrived on scene at approx. 1644 hours. I entered the parking lot near Kastanis Way and West Stockton Blvd. I put on my Police vest which included my department issued badge and ran north west, where dispatch had advised the Officers involved were.

I located the scene, which was in the parking lot of the Foods Co (7421 W Stockton Blvd). I observed the suspect laying in the ground north west of where the initial scene was. I noticed that my body worn camera was not on, so I manually turned it on at this time. I assisted other Officers that were establishing a contact team. I held a shield and approached the suspect with the contact team. While we approached the suspect I observed a firearm on the ground near him. Ofc. Gross and I detained the suspect in handcuffs.

I observed the suspect to have a large amount of blood on his shirt. I utilized my pocket knife to cut the suspect's shirt off, to determine if he had any wounds on his upper body. I did not observe any obvious gun shot wounds on the suspect's torso. I observed that he had a large amount of blood near his right shoulder / neck area, but I was unable to determine what the cause of it was. I observed other Officer's apply a tourniquet to his left thigh, above the gunshot wound. I applied a bandage to the gunshot wound to his left thigh.

While Officers were performing medical aid on the suspect, I heard him state the following in summary:

- "Leave me alone! Let me die! Shoot me again. Fuck, leave me alone."

- **An Officer asked the suspect where he was hit (shot) and the suspect stated, "I don't care, shoot me again!"

- "No, don't touch me nigga let me bleed out. I don't care...I refuse fucking medical services."

On 4/11/2020, at approximately 1800 hours, I (Officer Vining #381) contacted witness- [REDACTED] and obtained her statement. [REDACTED] stated the following in summary which was recorded on my body worn camera.

Today, I was working at Quick Quack from 12:30- 5:50pm. I took a 30-min break from work and decided to get gas at the Foods Co gas station across the street. I parked my car at the #2 pump facing south. At around 4:40 I saw a silver or gray sedan (Suspect Vehicle) pull into the gas pumps. I got kind of scared, the guy seemed to be driving weird. The car stopped behind me, in line for the gas pump. I saw a police car pull in behind the sedan. The cop did not have any lights or sirens on, but I had a feeling something was going to happen.

The driver of the silver car was an African guy.

Then I saw a second police SUV pull into the parking lot with its red and blue lights on. That is when the sedan made a U-turn and started heading north through the parking lot. The car stopped in the middle of two parking stalls, I saw the guy jump out. He started shooting at the Officer(s) while he was backing away from his car and pointing a gun. I heard 3-4 shots. I think he had the gun in his left hand.

The guy must have turned and started running through the parking lot (witness indicated Northwest). I grabbed my phone and started recording right before Officer(s) return fire.

I heard one of the cops hit their siren. I never heard the cops say anything to the guy. They started shooting back at him. The cops shot more than 4 times for sure.

I don't know why I started recording, I have seen it on TV and social media. Then I heard one of the Officer(s) yell at everyone to get down. There were a lot of people around. That's when I realized I was dumb for staying there, so I stopped recording and left. I don't know what happened after that.

I know the driver of the silver car shot at the Officer(s) first, I think he was trying to give himself more time to run.

I was inside the Chase Bank here and was in an area where there were no windows so I could not see outside initially, but I did hear about 7 to 10 gun shots. At that time I peeked outside and I saw about 5 police officers by my black Honda sedan in the parking lot.

I saw that the police were pointing their guns at a subject who was laying on the ground. The guy appeared to be laying face down on his stomach. He was not moving at first, so I thought he might be dead, but then he moved his left hand a little bit. I heard the officers saying something to him, but I could not tell what they were saying.

I do not really know what the subject on the ground looked like. I only know that he was wearing yellow clothing. I went back inside the building and when I came back out to go to my car, the officers said I needed to go back. At that point the paramedics were working on the guy who was laying on the ground.

I did not see any of the shooting that happened.

On 04/11/2020 I, Officer Thomas #1009, and my partner Officer Gross #1031, were working as GNG58 in the City and County Of Sacramento. Our primary responsibilities as GNG58 are to proactively patrol known gang locations, investigate gang related crimes, cultivate intelligence, and respond to SHOTSPOTTER Activations in the southern portion of the City. On 04/11/2020 I was wearing full SPD Patrol Uniform including a Body Worn Camera. My partner and I were driving a fully marked SPD Patrol UV equipped with forward facing red and blue overhead lights, POLICE markings, and In Car Camera.

On 04/11/2020 at approximately 1638 hours we heard over our police radio that 1C55 was behind a Silver Chevy Impala () associated with an Officer Safety Bulletin/Ramey Warrant out of Marysville (Case # 2004-0864) for Malcom Xavier Wilcox DOB:03/15/1993 who was wanted for 664/187 PC - Attempt Homicide. We initiated our emergency lights and responded C3 to assist with a felony stop.

While enroute I heard on our police radio that the vehicle was pulling into the parking lot of Foods Co. at the intersection of Bruceville Rd. and W. Stockton. I deployed my rifle inside the vehicle and continued toward the parking lot. As we were driving N/B Bruceville Rd. approaching the intersection of Bruceville Rd. / W. Stockton Blvd. I heard officers on scene advise that shots had been fired. As we pulled into the parking lot I heard gunshots in a north westerly direction. I exited my patrol vehicle, located 1C51 (Officer Lundgren #970) and ran to his position. While I was running to a position of cover, I observed a MBA with long dreadlocks lying in the parking lot approximately 40 yards N/W of my position. The MBA was wearing a yellow shirt and dark pants.

1C51 and I held our position behind cover, maintained visual contact with the suspect, and held him at gunpoint. I heard 1C51 give verbal commands to the suspect to roll away from the firearm towards officers. Additional officers responded and we were able to successfully give the suspect verbal commands to roll away from the firearm utilizing a PA in a nearby patrol vehicle.

Two contact teams were quickly established. Officer Gross (GNG 57), Officer Calabrese (GNG59), Officer Nedeljkovic (GNG56), Officer Keyser (2C54) and I were able to positively identify that the suspect no longer had a firearm in either of his hands, was bleeding profusely, and in need of medical attention. Our contact team approached the suspect, handcuffed him, and immediately began rendering medical aid. While approaching the suspect I observed a small, black, handgun on the ground approximately 6 feet from where Suspect Wilcox was taken into custody.

SFD was advised they were clear to enter the scene. Upon initial contact with the suspect, (who I positively identified as Malcom Xavier Wilcox from his photograph on the Officer Safety Bulletin) I observed a gunshot wound to his upper left leg. Suspect Wilcox's clothing was entirely soaked with blood. In order to properly assess the extent of his injuries, Officer Calabrese (GNG59) cut away his shirt. A tourniquet was applied to stop the bleeding to Suspect Wilcox's left leg. While the tourniquet was being applied by Officer Gross, 2C54 (Officer Keyser #368) and I conducted a secondary search for additional injuries.

I observed heavy bleeding from Suspect Wilcox's head and hairline that soaked his shirt, hair, and covered his body. Two apparent injuries were located on Suspect Wilcox's head. One of the injuries was behind his right ear and the other appeared to be at the back of his neck. Direct pressure was applied to his head injuries to help stop the bleeding.

Throughout treating Suspect Wilcox he stated, "Let me die, leave me alone. Let me die! Fuck shoot me again. Fuck leave me alone. I don't care shoot me again. No don't touch me nigga let me bleed out. I don't care, I can refuse fucking medical services. Take that shit off it hurts. I want to fucking die."

While waiting for SFD Suspect Wilcox had difficulty remaining conscious; however he had quality respirations and a pulse.

Once SFD arrived on scene we provided Fire with his known injuries, the medical aid we provided, and suspect Wilcox's identity. I assisted loading Suspect Wilcox into Medic 7 ambulance and updated over the radio that he was being transported to Kaiser South by Medic 7.

At the scene where Suspect Wilcox was taken into custody, we located three spent .380 caliber casings (silver in color). We also located the suspect firearm which I recognized as a Ruger LCP (380 caliber black in color). All of the evidence was left in place and not moved.

I secured my rifle in my patrol vehicle and moved an unmarked vehicle out of the roadway. Officer Gross and I moved the vehicle to the north end of the parking lot in front of the Foods Co. I exited the unmarked vehicle and went into the Foods Co to purchase water and a snack for the involved officers. I left the waters and snacks on the hood of a patrol vehicle 1C51 was sitting in.

I was advised by LN24 (LT Start 4106) to maintain scene security for the secondary scene where Suspect Wilcox was taken into custody. I maintained scene security until relieved by 1SM5 (SGT Fox. #3007).

After being relieved, I responded to Kaiser South to obtain an update for 1SM5. I contacted GRN57 and GNG66 at the hospital. I advised 1SM5 that the suspect was stable but in critical condition and that GRN57 would be conducting prisoner watch until relieved.

I responded with emergency lights and siren activated, and once it was broadcast that the situation had stabilized I deactivated my lights and siren. We arrived on scene at approx 1700 hrs. Portions of the investigation were recorded on body worn and in car cameras.

Upon arriving on scene, we took up a perimeter traffic control position until relieved by other officers.

We stayed on scene at the command post to await further assignment.

At approx 2044 hrs, we responded to ■ Jenich Ct to assist officers with securing a secondary scene. We responded with lights and siren activated and reduced once officers advised they were stable. We arrived on scene at approx 2050 hrs.

We maintained a perimeter security position at ■ Jenich Ct. During that time I was instructed to place ■ into a patrol car. I conducted a pat down search of her person and placed her into the vehicle.

I was then instructed by Sgt Sobodash to follow a vehicle that had shown up on scene and escort it to the scene of a related traffic stop at Cosumnes River Blvd/Franklin Blvd. We followed the vehicle to the traffic stop and then followed the vehicle back to the Jenich Ct location.

We then cleared the scene without conducting any further investigative action.

On 4/11/20 at approximately 2230 hours, I, Ofc. Schwertfeger #765, spoke with Witness [REDACTED] and obtained her statement. She was not handcuffed and she was seated in the back seat of my patrol vehicle located in front of [REDACTED] Jenich Ct. W-[REDACTED] stated the following in summary:

I don't know Malcolm that well. We've seen each other a few times with mutual friends. [REDACTED] is my boyfriend. He's really good friends with Malcolm.

We got a phone call earlier from someone saying Malcolm was dead. Actually it wasn't a phone call it was like a message.

Earlier I had someone add me on Snapchat that I didn't know but I accepted their request. Then they sent me a message saying that Malcolm was dead and to tell [REDACTED]. I told him and he drove me over to this house to go check. He got out of the car and the next thing I knew the police were taking me out of the car and put me in here. I don't know what's going on.

I've never seen this house before. I don't know if it's Malcolm's house. I don't know whose house it is.

On 04/11/2020, I, Officer Texley #867, obtained a statement from witness [REDACTED] by the FoodsCo gas pumps. She stated the following in summary:

We were behind him over at a stoplight on Calvina by CRC to make a left. While we were at the light the guy in front of the cop car kinda moved over to not be in front of the cop car. The cop car also kinda moved over to stay behind the car.

When the light turned green the guy in the grey Chevy took off and the cop car followed him to the gas station.

The grey Chevy is the Impala over there (Daniella pointed at the suspect vehicle).

The grey Chevy was trying to be evasive. I think he could definitely tell he was being followed.

We also pulled into the gas station after the grey Chevy and the cop car did.

I did not see what actually happened. I was facing away from where the grey Chevy and cop car were when I heard gunshots. I heard at least 10 gunshots.

When I arrived on scene I was advised by Sergeant Sobodash to contact subjects exiting the Foods Co. to see if any subjects that were inside of the store witnessed the incident. All of the subjects I contacted advised that they were inside of the store when the incident occurred and did not witness anything.

I later assisted Officer Davis #375 conduct a canvas for video footage (See Officer Davis' supplement).

I then went with Officer Davis to the intersection of Cosumnes River Blvd and Franklin Blvd and assisted gang units in searching the suspect vehicle (CA# [REDACTED]). Officer Davis completed the tow form for the evidence impound of the vehicle.

1639 hours: I, Sacramento County Sheriff Deputy Bellamy #287, was assigned uniformed patrol duties for the Regional Transit Police Services in marked patrol car #83. I responded to the report of shots fired by a Sacramento Police officer in the area of Bruceville Road and West Stockton Boulevard.

1645 hours: I arrived to the intersection of Bruceville Road and West Stockton Boulevard. Several officers were on scene and had the immediate area secured. I responded to the Food Co. gas station and assisted by blocking the south parking lot entrance/ exit to prevent possible witnesses from leaving without contact from officers.

1657 hours: I contacted the two occupants of a green 1998 Honda Civic bearing California license plate [REDACTED], registered to [REDACTED] out of Sacramento. The vehicle was in the Food CO gas station parking lot. I identified the driver as [REDACTED] (DOB [REDACTED]) and the front passenger as [REDACTED] (Xref: [REDACTED]).

I obtained brief statements from both subjects. The two were across the street at Taco Bell when they observed a police car chase another vehicle into the shopping complex. On 04-11-2020 at approx. 1730 hrs., I, Ofc. Smith #585 (1C45), contacted Witness [REDACTED] (DOB [REDACTED]) and obtained his statement. My body worn camera was recording during this statement. [REDACTED] stated the following in summary:

I was sitting in the Sequoia with my girlfriend, [REDACTED]. I was in the passenger seat and she was in the driver's seat. We were about to eat our Popeye's sandwiches. I heard the police sirens and I was watching where they were coming from. I saw the police car come up from behind us and then I heard the screeching of the Impala. The Impala stopped and I saw the police cars behind it.

The driver of the impala jumped out of the car and started running northwest from the vehicle. He took about 3-4 steps before he pulled out a handgun from his waist. He shot towards the cop. The cop fired back and there was a gun battle.

When the shots started an Officer came up the driver's side of our car and told us to get out and go behind a vehicle. [REDACTED] and I ran behind the police SUV. When I stopped hearing anything I looked and saw the guy that ran from the Impala laying on the ground.

I think there were eight to twelve to fifteen shots fired total. I did not know the guy.

On 04-11-2020 at approx. 1730 hrs., I, Ofc. Smith #585, obtained Witness [REDACTED] statement. My body worn camera was recording during this statement. Sullivan stated the following in summary:

I was sitting in my car (CA # [REDACTED]) with my boyfriend, [REDACTED]. I was in the driver's seat. We were sitting there about to eat.

While sitting in the parking spot, I heard the screeching tires coming from the Impala when it came to a stop. It made me turn around and I saw the driver of the car get out of the car. When he got out, he pulled a handgun out of his waistband and started shooting at officers while he was running away. He was running in a northwest direction away from his car. I think he fired one round, and then the officers shot back, and then he shot back at them.

When the shooting started [REDACTED] pushed my head down. An officer came up to our vehicle while this was happening and told us to get out and go behind the vehicle. So I ran to the police SUV and hid behind it. I was trying to keep my head down.

I heard the Officers yelling at the guy to do something along the lines of move away from the weapon.

I did not know the suspect. I think there were 8-10 shots fired total.

On Saturday 04/11/2020 at approximately 1700 hours, I, Officer Gordon #0986 contacted W-[REDACTED] in front of 7311 W Stockton Blvd and obtained her statement. During the interview, my Body Worn Camera was activated and recorded W-[REDACTED] entire statement. She stated the following in summary:

I was getting gas at the FoodsCo gas station at pump number 8, facing south towards W Stockton Blvd. I saw a silver sedan drive at a high rate of speed east on W Stockton with two police cars driving very fast behind it. The silver sedan pulled into the entrance of the parking lot and continued north through the parking lot with the police cars behind it. The silver sedan stopped abruptly and a male, black adult wearing an orange shirt got out of the driver's seat.

The male, black adult pulled out a gun and started shooting at the officers. I heard approximately three or four shots. I was scared for my own safety so I jumped into my car and drove out of the parking lot westbound on W Stockton Blvd. I made a northbound turn onto Bruceville Rd and drove back into the parking lot. When I drove back into the lot I saw the same male, black adult lying face down on the pavement with the officers pointing their guns at him. I was scared so I parked my car and ran inside of my job.

I was sitting in my car in the parking lot just east of the chase bank facing east. I was sitting in my car because I deliver for PostMates and I was waiting for an order to be ready. While waiting I saw a silver sedan driving very fast into the parking lot from W Stockton Blvd. The car seemed like it was going in and out of the gas station a lot then it stopped facing westbound a few aisles east of where I was parked. A male, black adult with long dread-locks got out of the driver's seat wearing either an orange or green shirt.

When he got out of the car, he pulled out a gun and started shooting. I was scared so I ducked down in my car and tried to protect myself. Everything happened so quickly, I'm not sure what happened after that.

On April 15, 2020, at approximately 1233 hours in the IBIS Computer Lab Room, I reviewed the expended cartridge casings booked under Property Record (PR) number 1077727-22, 23, 24, 27, 28 & 73.

In my preliminary examination of the head stamps, firing pin impressions, ejector marks, and extractor marks, it is my opinion that the cartridge casing below is an exemplar of the (6) submitted casings:

I entered the following cartridge casing into the Integrated Ballistics Identification (IBIS) System:

Exhibit #1077727-27-1: One (1) SIG, 380 Auto, circular center fire, expended cartridge casing

On April 15, 2020, at approximately 1529 hours, I returned the above items to the Property Section via the Property Dropbox.

All unidentified expended cartridge casings are registered in the unsolved casing database of the Integrated Ballistics Identification System (IBIS).

On 04/11/2020 at approx. 2044 hours Ofc. S. Allison and I (Ofc. L. Smith #653) dispatched ourselves to [REDACTED] Jenich Ct for a Game Plan GNG56 was executing. We arrived on scene with an activated In-Car Camera and Body Worn Cameras. I contacted S-[REDACTED] (DOB: [REDACTED]) who arrived on scene shortly after we arrived. He was placed in the back of a patrol vehicle unhandcuffed after he stated he was on probation. He stated the following in summary:

I have known Malcolm Wilcox (DOB:03/15/1993) since we were kids.

I had a lot of people text me and say this was happening (referring to the shooting). I looked at the news and just knew this was him.

I did not talk to him today (04/11/2020) but I did "Facetime" with him for about an hour yesterday (04/10/2020). He was at his house (referring to [REDACTED] Jenich Ct) talking about his two kids. He did not say anything about this.

I know he just got off of parole. He told me yesterday he doesn't fuck with anyone (clarified to not being friends with anyone).

I don't know how he got himself into something like this, he is so dumb.

Report Number: 2020-109783

Please note that the records provided in this release do not include records or portions of records that are exempt from disclosure pursuant to applicable law. Without limiting other arguments against disclosure that may exist, the following records or portions of records are specifically prohibited or exempted from disclosure:

Records or information that constitutes the personal data or information of an officer or their family members (Cal. Pen. Code §§ 832.7(b)(5) and (b)(6)(A));

Records or information, the disclosure of which would compromise the anonymity of whistleblowers, complainants, victims or witnesses (Cal. Pen. Code § 832.7(b)(6)(B));

Records or information, the disclosure of which would constitute an unwarranted invasion of personal privacy (Cal. Gov. Code § 7927.700; see also *City of San Jose v. Superior Court* (1999) 74 Cal.App.4th 1008);

Records or information, the disclosure of which would pose a significant danger to the physical safety of the peace officer, custodial officer, or another person (Cal. Pen. Code § 832.7(b)(6)(D));

Records or information, the disclosure of which would reveal personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure of the information (Cal. Pen. Code § 832.7(b)(7));

Records or information wherein the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure (Cal. Gov. Code § 7922.000);

Records or information that constitute confidential medical, financial, or other information, the disclosure of which is specifically prohibited by federal law or would cause an unwarranted invasion of personal privacy (Cal. Pen. Code § 832.7(b)(6)(C));

Records or information from separate or prior investigations not independently subject to disclosure (Cal. Pen. Code § 832.7(b)(4)); and

Records or information, the disclosure of which is exempted or prohibited pursuant to federal or state law (Cal. Gov. Code § 7927.705; see also Cal. Const. art. 1 Sec. 1; Cal. Pen. Code § 15150 et seq.; Cal. Pen. Code §§ 11105 and 13300; and HIPAA 45 CFR Part 160 and Subparts A and E of Part 164).
