On 08/19/21 at approx 1600 hrs, I contacted [REDACTED] on scene. My body-worn camera was on and activated for the duration of the investigation. He stated the following in summary:

I live in apartment # [REDACTED].

I received a call from one of my neighbors saying my house got shot up.

They said this couple was arguing. The way they described the couple, I think it was my roommates, Angel and [REDACTED]. I don't know their last names.

They just moved in two months ago, but they're always arguing and I know Angel had accused her of cheating.

They were homeless and they don't have cell phones.

I know Angel has a gun, but I have never seen it.

That BMW parked out front belongs to [REDACTED]. I don't think Angel has a car, but he usually rides that Moped that's inside his room.

Angel is a lighter Hispanic male, super slim, approx 6'1" and he has a ponytail but both sides of his head are shaved. He is a northerner.

I have not heard from either of them and I don't know where they would be.

On 08/19/21 at approx 1530 hrs, Ofc Reason #507 and I (Ofc Gutierrez #701) responded to [REDACTED] Eleanor Ave # [REDACTED] for a report of a felony assault in progress. Per the text of the call, the complainant ([REDACTED]) stated a male and a female were in an argument and the male shot the female three times and the female was down outside. [REDACTED] stated she did not know the exact address. All officers on scene were wearing body-worn cameras. My body-worn camera was on and activated for the duration of the investigation. The following occurred in summary:

While en route to the call, updates stated the male was a MHA 25, thin build, wearing a white shirt and black pants and still had the firearm in his hand.

I arrived on scene at approx 1545 hrs. Other officers were already on scene prior to my arrival and were not able to locate a victim. Ofc Martinez and Ofc Fuentes spoke with witnesses who provided descriptions of the male and female. Witnesses stated the male left in a brown Chevy Tahoe with another male after shooting the female (see Ofc Martinez and Ofc Fuentes report for further details).

Officers located a spent casing (Blazer 9mm) on the North sidewalk of Eleanor Avenue directly in front of SMUD pole # [REDACTED].

A second spent casing (Blazer 9mm) was located on South sidewalk of Eleanor Avenue.

Witnesses advised officers they believed they saw the female walk into [REDACTED] Eleanor Ave # [REDACTED] and not come out

A spent projectile was located in front of Apartment # [REDACTED] (in front of the door) and a bullet hole was located above the apartment window.

Officers believed that the victim could be inside of the apartment with a gunshot wound. Based on this exigency, officers forced entry into Apartment # [REDACTED]. Officers did not locate anyone inside and no damage was made to the door. An officer was left inside of the apartment at all times after this to secure it.

As officers were on scene investigating, Ofc Cumberland #1040 advised he was in pursuit of a male matching the description of the suspect. The suspect was ultimately located in the backyard of [REDACTED] Forrest St and apprehended (see Ofc Cumberland's and other officer's report for further details).

As I was investigating on scene, [REDACTED] (DOB: [REDACTED]) arrived and advised he lived in Apt # [REDACTED]. I obtained his statement (see subject statement). In his statement he advised that he received a call from one of his neighbors who told him that his apartment had been shot up. [REDACTED] stated he lives in this apartment with two other individuals that go by the name of "Angel and [REDACTED]". He stated that he thinks "Angel" shot [REDACTED] based off the descriptions his neighbors gave and because "Angel" thinks [REDACTED] had been cheating on him. [REDACTED] did not know the last names of [REDACTED] or "Angel" but stated the BMW (Lic# [REDACTED]) parked out front belonged to her.

[REDACTED] described "Angel" as a lighter-skinned Hispanic, approx 6'1", slim, with a long pony-tail (with the sides of his head shaved). [REDACTED] stated he believed he was a northerner and knows he had a gun, although he has never seen the gun. [REDACTED] also advised S-Jam's room was the room with a Moped. residence.

As officers were searching the residence, a records check was conducted of the Moped (Lic # [REDACTED]) which could be seen in plain view from the living room. Per SPD records check of the Moped revealed it was 10851(a) VC (reference report #21-235169) and listed "Angel" as the suspect matching the same description of S-Jam. It should be noted a screwdriver was located inside of the ignition. The screw driver was seized as evidence and later booked at the Kinney Police Facility as evidence.

On the trunk of the BMW I observed a bullet hole above the rear passenger tail light.

Officers who were on scene with the potential suspect, advised he was identified as Francisco Jam (DOB: 03/08/1995).

I showed a photo of Francisco Jam via Webkpf (dated 06/17/21) to [REDACTED] and he immediately stated, "That's Angel."

A records check of Francisco Jam revealed he was on PRCS for 2800.2(a) VC and he had two active warrants for 494(a) PC (Warrant #3413950) and 10851(a) VC (Warrant #3413461).

Based on the fact that Jam was on active PRCS, a parole search was conducted of the residence.

Inside of the apartment, I observed a living room. Directly behind the living room is a small kitchen area. In plain view, a license plate # [REDACTED] was sitting on the shelf. A records check of the license plate revealed it was a lost/stolen plate.

To the west side of the apartment were two bedrooms followed by a small bathroom.

One of the bedrooms (closest to the bathroom) had the numbers "[REDACTED]" written on the door. The door was open and in plain view in the doorway of this bedroom was a Moped to which [REDACTED] stated belonged to S-Jam.

Inside of Jam's bedroom officers observed the word "Jam" hand written on the wall, along with two cell phones, and several bullets (See Ofc Aldana report for further detail), which were seized and later booked at the Kinney Police Facility.

While officers were still on scene, dispatch received a call from 2711 Fairfield (Super X Market) stating someone threw a gun (with an extended magazine) in the garbage can (reference call #21-235902).

Ofc Mohammad #780 obtained S-Jam Mirandized statement (see his supplement for further details). In his statement, S-Jam admitted the firearm was his and then invoked his rights.

It should be noted based on witness statements, the fact that S-Jam matched the description of the shooter, S-Jam's firearm was missing exactly three rounds, it is believed he was involved in the shooting.

S-Jam was subsequently arrested and booked in the Sacramento County Jail for the following offenses:

- 148(a) (1) PC - Resist/Obstruct a peace officer
- 148.9(a) PC - Giving false ID to a peace officer
- 212.5 PC - first/second degree robbery (two counts)
- 29800(a) (1) PC - Possession of a firearm by a felon
- 30305(a) (1) PC - Person prohibited owning/possesing ammo of a firearm
- 459 PC - Burglary
- 484(a) PC - theft of personal property

On 08/20/2021 at approx. 1620 hours, I, Ofc. Hurtado #280 contacted Victim [REDACTED] outside of [REDACTED] regarding a burglary. My body worn camera and in-car camera were activated and recording throughout my investigation. V-[REDACTED] stated the following in summary;

My name is [REDACTED], I live here at this apartment with my children and husband. My husband and I have been together for 2 years now.

I left my apartment earlier today to pick up my son from juvenile hall, he hasn't been here for about 16 days. We all went to pick him up except for my son [REDACTED] DOB [REDACTED], he went to a friends house after he got out of school. I left my apartment locked, there is only one key for the apartment and my husband is the one who has it. Both of the dead bolts were locked when we left. There was no blood inside of my apartment before we left. There was no damage to the door frame or chunks of wood on the ground before we left either. I do not see anything missing, other than my dog. He was the only one inside the apartment when we left, the person you guys arrested must have let him out. It was a Chihuahua, his name was "Chapo", my kids cant find him.

I did not give anyone permission to enter my apartment, I do not recognize the person you arrested. I didn't really get a good look at him, but no one had permission to be here anyways. I do not know who would do this.

My name is [REDACTED] DOB [REDACTED]. I don't live here, I live in folsom. I came here to my friends house, [REDACTED], so he could work on my car ([REDACTED] LIC [REDACTED]).

This is my vehicle, a white 4 door 2011 BMW 328i. I just bought it and im getting it registered in my name. There is a few blood splatter's on my car that were not here before. I think they came from the guy that tried to take my car. The blood is on the Driver's door and Driver's seat.

My vehicle was running and unlocked because [REDACTED] was doing a diagnostics test on it. The right rear tire was removed and the vehicle was on the stand like it is now. [REDACTED] was kneeled down by the right rear tire and I was looking down at him when I felt and saw that my vehicle was moving. I looked up and saw that someone I didn't recognize got inside of my car. The person put the car in drive and tried to take off with it. The car came off of the stand and fell on the backside bending the brake piece on the right rear side. I was in shock and kind of scared, but [REDACTED] quickly got up and hit the guy with a wrench trying to get the guy out of my car. The guy said, "I'm sorry" got out of my car and ran into the neighbors backyard. Right after the guy ran away, police showed up because they were chasing him.

The guy that tried to steal my car looked like a Hispanic male adult, he was wearing a white wife-beater and maybe gray sweats. I think he had a black ponytail, brown eyes, if he had any facial hair it was very little, his height was between 5'00" and 5'07", his skin color wasn't too dark, he was very skinny, and he had very skinny arms. I could identify him if I saw him again.

I did not give anyone permission to take my vehicle and I would like to press charges.

My name is [REDACTED], I live here at this address. My friend brought her car here so I could fix it.

I had her car up on the carjack and the right rear tire removed. I had the car running because I was doing a diagnostics test. I had my head inside of the right rear wheel well, when I felt the car move. At first I got mad because I thought [REDACTED] moved it. I looked up and I saw someone in the driver's seat, that person put the car in drive and tried to drive away. The car came off of the jack stand and damaged the underside of the car. I opened the rear passenger door and grabbed a wrench. I hit the male in the driver's seat on his right shoulder several times with the wrench. The male got out of the car and was saying sorry. I saw him run back behind my neighbors house and then police showed up right as he was running away.

The male who tried to take her car looked like a male Hispanic adult, probably about 5'09" to 5'10" in height, he had long black hair possibly curly, he was wearing a white wife beater, dark blue or black jeans, the jeans looked stonewashed or something. Id say he was probably in his mid 20's or 30's but not any older than that.

We arrived on scene at approx. 1534 hours with my body worn camera and in-car camera activated. I observed the following in summary;

Officers that arrived on scene were obtaining preliminary statements from potential witnesses attempting to gather information.

I contacted a male black adult who verbally identified himself as [REDACTED] at [REDACTED] [REDACTED] W-[REDACTED] advised that he did not want to give a statement to police while neighbors were watching for fear of retaliation. W-[REDACTED] did provide a telephone number [REDACTED] advising to call back at another time.

I later was directed to [REDACTED] Las Palmas Ave apt [REDACTED] where a Suspect had been apprehended.

The male Hispanic adult, later identified as Suspect Francisco Jam DOB 03/08/1995 was observed to be wearing a white tank top and light colored jeans.

I assisted in translating and requesting consent to search Apt [REDACTED] for weapons. I contacted a Hispanic female adult who identified herself as [REDACTED] DOB [REDACTED]. V-[REDACTED] granted consent to search for Officers to search the apartment.

I contacted V-[REDACTED] on scene and obtained her statement. (See V-[REDACTED] statement)

(It should be noted that Officers observed S-Jam break into [REDACTED] Las Palmas Ave apt [REDACTED] via the front door prior to being apprehended (see supplements)).

SCENE: [REDACTED] Las Palmas Ave apt [REDACTED] is on the first floor on the southern end of the apartment complex. Neighbors were at home, but no persons were inside of apt [REDACTED] during the incident. I observed a single front door facing East from the East wall of Apt [REDACTED]. CSI was requested to the scene to process the scene for photographs. CSI responded to the scene to take photographs.

V- [REDACTED] was provided with a Marsy's card and report number.

Ofc. Oldes and I were walking southbound on Forrest St to our vehicle parked at [REDACTED] Eleanor Ave when we were hailed by a female white adult regarding the report of an attempted car-jacking that occurred during the pursuit of S-Jam. The female white adult identified herself as [REDACTED] via valid California ID (OLN [REDACTED]).

I contacted V- [REDACTED] outside of [REDACTED] Forrest St apt [REDACTED]. (See V- [REDACTED] statement)

I contacted a male white adult who identified himself as [REDACTED] via a valid California ID (OLN [REDACTED]). (See V- [REDACTED] statement)

After contacting Victims [REDACTED] and [REDACTED] they advised that a subject described as a male Hispanic adult wearing a white tank top and possibly gray sweats, approx. 5'00" to 5'07" with brown hair, thin build, and thin arms entered into V- [REDACTED] vehicle that was running at the time but being repaired by V- [REDACTED]. The male Hispanic adult that V- [REDACTED] described shifted the vehicle into drive and attempted to flee in the vehicle. V- [REDACTED] attempted to deter the male Hispanic adult from taking the vehicle from his immediate presence by striking the suspect with a wrench on his right shoulder. The vehicle was moved forward approx. 5 inches and came off of the hydraulic floor jack that. The passenger side rear tire had been removed for repairs. The male Hispanic adult then exited the vehicle last seen heading Eastbound into the neighbor's backyard [REDACTED] Forrest St.

I observed a camera that faced West towards Forrest St. V- [REDACTED] advised that it was his surveillance camera. I reviewed the video surveillance that showed a male Hispanic adult with a thin build wearing a white tank top and light colored jeans running West in view of the camera. Ofc. Oldes recognized the male Hispanic adult in the video to be the same male Hispanic adult that Officers had detained at [REDACTED] Las Palmas Ave Apt [REDACTED], S-Francisco Jam. S-Jam is then observed leaving south from [REDACTED] Forrest St. S-Jam reappears seconds later and is observed entering the vehicle through the driver's door. V- [REDACTED] and V- [REDACTED] were standing by the passenger's side of the vehicle. In S-Jam's attempt to steal the vehicle it can be seen that the vehicle lurches forward approx. 5 inches before realizing the vehicle cannot be moved. S-Jam exits the vehicle then leaves running North bound out of sight from the camera. Officers are seen in the video coming North bound on Forrest St seconds after S-Jam flees from the vehicle.

V- [REDACTED] ' vehicle is a white 4 door BMW 328i [REDACTED] LIC [REDACTED]. V- [REDACTED] advised that blood from the male Hispanic she had observed was left behind on the vehicle. I observed a small approx. 1 cm blood spot on the exterior of the drivers side door and a dried blood stain on the back portion of driver's seat approx. 5" in length.

CSI was requested to process the scene for photographs and collect blood samples from V- [REDACTED] ' vehicle.

V- [REDACTED] ' advised that she could identify the suspect if seen again and is willing to press charges.

V- [REDACTED] was provided with a SacPD info card and a report number.

I later contacted Vehicle Update and had the BMW entered and removed as a stolen/recovered vehicle (FCN 4302123200670).

At approx. 1738 hours dispatch advised units over the radio regarding the call of suspicious circumstances in progress at 2711 Fairfield St (Super X Market). Per the text of the call

someone threw a gun in the garbage of a Laundromat the complainant was unsure of when this occurred. I arrived on scene at approx. 1740 hours.

Upon arrival I contacted a male Asian adult who identified himself as [REDACTED] via valid California ID (OLN [REDACTED]).

I contacted RP-[REDACTED] and obtained his statement. (See RP-[REDACTED] statement)

RP-[REDACTED] advised that he was taking out the trash at his laundromat, when he realized one of the cans was unusually heavy in weight. RP-[REDACTED] looked inside of the can and observed a backpack containing a black handgun. RP-[REDACTED] removed the handgun from the bag to verify that it was not a BB gun, and realized it was a real gun when he saw the magazine and ammunition for it. (It should be noted that RP-[REDACTED] was wearing gloves when he removed the handgun from the backpack.

Ofc. Robertson #739 used Sgt. Nutely's camera to photograph the backpack inside the garbage can where it was found.

The backpack was a brown Coach Backpack with two pockets, it contained the following items;

- Black Polymer 80 Ghost style Glock Handgun (removed from backpack by RP-[REDACTED])
- 30 round magazine (loaded with 26 live rounds)
- A total of 39 live rounds were located, 3 Hornady 9mm, 11 RP 9mm and 25 Blazer 9mm
- Misc. male clothing
- \$305.25 cash
- Watch
- Misc. change

Ofc. Oldes collected the backpack and its contents to be booked as evidence at Kinney Police Facility.

I obtained video surveillance from RP-[REDACTED] that showed a male Hispanic adult with a thin build wearing a white tank top and light colored jeans who Ofc. Oldes recognized as, S-Jam placing the backpack into the garbage can that RP-[REDACTED] later discovered. I collected the video as evidence to be booked at Kinney Police Facility.

Sgt. Nutely was notified of these calls and all findings.

The shooting probably occurred about 4 minutes before you arrived (1528 hours). The guy with the gun was a light skinned male, about 30-35 years of age, about 6'0 tall, 150-170 lbs, hair was kind of like braids in like a pony tail, and wearing possibly blue jeans. The male was arguing with the girl in the car, and then they went into the yard of the apartment complex ([REDACTED] Eleanor Ave.) I heard the first gun shot and it looked like she was holding her stomach. Then they walked towards the car (white BMW) and he shot a second time. The female appeared to be hit again and she fell down on the sidewalk right behind the BMW. The male then went across the street in front of our yard, and pointed the firearm up in the air and shot it. Another male came across the street, jumped into the driver seat of the brown Tahoe, the guy with the gun jumped into the passenger seat and they drove off northbound on Oakmont St. I am pretty sure the female went back into the apartment ([REDACTED] # [REDACTED] Eleanor Ave.) I never saw her leave though.

The driver of the vehicle was a male black adult, short hair, about 6'0 tall, and about 200 lbs. I couldn't really see what he was wearing.

If I saw the guy with a gun again, I would be able to identify him.

I was yelling at him to get out of my house but he wasn't listening to me. He kept making his way into my house and started to head toward my kitchen.

He kept asking me for water, over and over again, and I was telling him to get out of my house. He was all sweaty and looked very nervous. He ended up getting water from my sink. He kept looking out the window and out the door looking at you guys outside. I kept pushing him out until he finally left out the back door. I went outside to tell officers that he was in my house.

He left out the back door and I saw him take off northbound further up the street. My wife and I checked our garage, the house and the backyard and we didn't see him drop anything. I did not see a firearm.

On 8/19/2021 at approx. 1630 hours, I (Ofc. Robertson #739) contacted [REDACTED] inside of her residence at [REDACTED]. My body worn camera and in car camera were activated and recording for the duration of the investigation. V-[REDACTED] provided the following statement in summary:

I was here at my house ([REDACTED]). I heard my dogs barking and the sound of stuff falling. I was confused so I went to go take a look at what was happening. I walked into my bathroom and I saw a MHA (S-Jam) hiding inside of my shower. I called for my husband. S-Jam was very sweaty and looked scared at the time

My husband was pulling him out of the shower and I was shoving him. We got him into the living room, away from the bathroom. We were telling him to get out of the house. He was saying "no no no" or " I know, I know", I'm not sure which. He ended up leaving through the laundry room and out the back door.

I have never seen him before but I would be able to identify him if I saw him again.

On 8/19/2021 at 1544 hours, I (Ofc. Robertson #739) and Ofc. Cumberland responded to Eleanor Ave and Oakmont St to assist officers in locating a possible gun shot wound victim. Per the texts of the call, the suspect was described as a male Hispanic adult, approx. 20 years old, black hair that is flat on the side, white tank top and black or red pants. At approx. 1550 hours, I observed a MHA matching the suspect description walking eastbound on Eleanor Ave. My body worn camera and in car camera were activated and recording for the duration of the investigation. I observed the following in summary:

I observed the MHA with black hair that was shaven on the sides, wearing a white tank top and black pants matching the suspect description. Upon observing the MHA (later identified as Jam, Francisco), I (Ofc. Robertson #739) initiated a pedestrian stop by activating my red and blue flashing lights. S-Jam jumped over the fence at [REDACTED] Eleanor Ave and fled on northbound on foot through the backyard. Ofc. Cumberland and I initiated a foot pursuit of S-Jam but lost visual after he entered the backyard of [REDACTED] Eleanor Ave.

Ofc. Cumberland broadcasted an updated suspect description and direction of travel for units in the area.

Ofc. Cumberland and I returned to our patrol vehicle and headed northbound on Forrest St. I observed S-Jam fleeing on foot outside of [REDACTED] Forrest St. Ofc. Cumberland and I initiated a foot pursuit of S-Jam. S-Jam fled eastbound into the backyard of [REDACTED] Forrest St. I followed S-Jam into the backyard and gave verbal commands for S-Jam to get on the ground. S-Jam continued to flee on foot and jumped over the backyard fence of [REDACTED] Forrest St. and continued to flee northbound on foot. I terminated my foot pursuit and held my position in the back of [REDACTED] Forrest St for a perimeter.

Sacramento PD helicopter (AIR-1) continued to broadcast S-Jam's location.

Officers on scene located and detained S-Jams at [REDACTED] Las Palmas Ave Apt. # [REDACTED]. (See Ofc. Cumberland and Ofc. Praul's observations)

Ofc. Cumberland, Ofc. Praul and I completed a neighborhood canvass of Forrest St to locate a possible discarded firearm that S-Jam used with negative results.

While fleeing on foot, S-Jam had entered the residences of [REDACTED] Forrest St and [REDACTED] Forrest St. I contacted [REDACTED] at [REDACTED] Forrest St and obtained his statement (See victim statement). I contacted [REDACTED] at [REDACTED] Forrest St and obtained her statement. (See victim statement)

Ofc. Cumberland and I completed a neighborhood check of the area of Norwood Ave / Las Palmas Ave for the victim of the gunshot wound with negative results.

At approx. 1739 hours Officers were notified of a call (21-235902) regarding a store worker who had found a handgun in the trash can of his business (2711 Fairfield St). Ofc. Cumberland and I responded to the call.

Upon arrival at 2711 Fairfield St, Ofc. Oldes and Ofc. Hurtado were on scene and contacting the reporting party. The reporting party ([REDACTED]) provided surveillance footage that shows an individual matching S-Jam's description, discarding a tan backpack in the trash can. Ofc. On 08/19/2021, at approximately 1746 hours, I (Officer Guevara #508) contacted witness (W) [REDACTED] (DOB: [REDACTED]) at [REDACTED] Oakmont St and obtained his statement. To the best of my knowledge, officers in car and body worn cameras were activated and recording throughout the investigation. He stated the following in summary:

I was outside and I saw a female sitting in a white car, that car up there. She was sitting in her car at first, then a guy walked out of the apartments. They started arguing, and he started to bang on the hood of her car. She stepped out of the car and they continued to argue. They were going at it, he must've snapped. They were both on the sidewalk. They were behind the cars so I couldn't see.

I heard a loud high pitched noise, that sounded like a gun and saw the feet of the female on the ground through the bottom of the vehicle. She dropped on the ground but then she got up and called the guy a "pussy".

The gun was a skinny clipped gun that was dark grey.

The guy walked away after that, I think he lives in the apartments because I heard the gate lock. I didn't hear a car leave. If he left, he's probably on foot. This went on for about 3 minutes.

The male was a Mexican or white male, in his 20s, with brown loose hair that is cut on the sides, he's either shirt less or wearing a white tank top and black or red pants. I know he had a deep voice. I've never seen him before.

The female looked Caucasian or Latin, in her 20s, brown with blonde streaks hair that was shoulder length. She was wearing grey sweatpants and a white halter top t-shirt.

On 08/19/2021, at approximately 1530 hrs. The Sacramento Police Department communication center received a call from citizen who identified herself as [REDACTED] who advised SPD call takers that someone was shot on Eleanor Ave.

Officer Lindsey #245 and I, Officer Mohammad #780 responded to the above scene. We began searching for the suspect who was described as a male Hispanic adult 25-year old, thin build, wearing a white shirt and black pants. A short while later Officer Cumberland advised via radio that he was chasing the described suspect who was fleeing from officers. SPD Officers and the SPD K-9 unit were able to detain the suspect (SEE SUPPLEMENTAL REPORTS).

We arrived on scene of the detention location and assisted by contacting Sacramento Probation Officer Bandilla #565 who advised me that earlier in the afternoon he observed our suspect in a verbal argument with an FHA who ultimately left the scene in a white colored BMW. Per Officer Bandilla, he observed our suspect enter [REDACTED] Eleanor Ave. Unit # [REDACTED]. Officer Bandilla was unable to provide any further information due to not making contacting with the subjects.

Sacramento Metro Fire arrived on scene and transported the unidentified suspect to UCDAVIS hospital to be medically cleared for incarceration. I assisted Sacramento Metro by staying with the unidentified suspect in the back of the medic.

The unidentified suspect verbally identified himself as Fernando Guerra with a birth date of [REDACTED]. I provided Officer Lindsey with that information who advised he was unable to locate anyone with that name. The unidentified suspect was adamant that Fernando Guerra with his name. I asked him for his phone number and he stated it was [REDACTED]. A WEBKPF records check resulted with a positive ID. The unidentified suspect was Francisco Jam who was a [REDACTED] gang member on active PRCS for evasion and had two outstanding warrants.

Officer Lindsey and K-9 Officer Prahl #698 attempted to search [REDACTED] Eleanor Ave, Sacramento CA due to Francisco having this address listed as his home address in KPF. It was learned by the officers that Francisco no longer resided there.

Once at the hospital, I was briefed by Sgt. Nutley via a phone call that officers located a firearm and Francisco's girlfriend was identified as [REDACTED].

At approximately 1846 hrs. I read Francisco his Miranda rights verbatim via my issued SPD Miranda card. After I confirmed he understood his rights, I obtained his Mirandized statement. Francisco under Miranda claimed ownership of the firearm, however he quickly invoked (SEE STATEMENT).

CSI was requested for photographs and to GSR Francisco's hands.

I also collected Francisco's clothing as evidence.

At approximately 2130 hrs. Officer Aldana #333 relieved us from our duties at UCD. Officer Aldana was also given custody of Francisco's clothing.

On Thursday 8-19-21, I Ofc Thrall #991 responded to Eleanor Ave / Oakmont St regarding an assault in progress call. Per the text of the call, someone had been shot. I responded to the area to search for the suspect. I observed the following in summary:

While in the area, an officer advised they were in foot pursuit and a subject was running from them. I assisted in setting up a perimeter.

My perimeter spot was located north of 500 Las Palmas Ave. I had a clear, unobstructed view of the east side of the building.

I observed the suspect (later identified as Francisco Jam) running north bound in the open field of ██████ Forrest St. Jam then jumped the fence, which was located in the south east corner of 500 Las Palmas Ave.

Based on Jam possibly being armed with a firearm and his resistive behavior, I drew my firearm and pointed it at Jam. I advised Jam I was a Police Officer with the Sacramento Police department and gave him commands. Jam saw me and began to run west bound along the south portion of 500 Las Palmas Ave.

I gave chase. As I came around the second corner, I observed K9 Ofc Catricala #379 and his K9 running south bound, from the north side of 500 Las Palmas Ave.

Once I was made aware of the K9's presence, I stopped chasing. Shortly there after, I heard the slamming of a door. I looked around the corner and did not see Jam or K9 Ofc Catricala. I noticed the door to Apt #█████ was opened.

I went to the opened door and observed K9 Ofc Catricala standing in the doorway. It appeared his K9 had been deployed. Once safe to do so, I placed Jam into handcuffs.

I conducted an incident to arrest search of Jam's person and located keys to a Chevy in his front left pants pocket.

Ofc Goetting #938 and I checked the area for a Chevy with negative results.

I was inside of my house ([REDACTED] Forrest Ave). [REDACTED] (V-[REDACTED]) called me and told me someone was inside of the bathroom. I ran to the bathroom and saw a man standing in front of the bathroom facing me. The man didn't say anything. I grabbed him and I told him to "get the fuck out of my house!" He didn't leave. He said, "I know, I know!" He kept trying to escape

He pushed off of me and ran back towards the laundry room (east side of the house) before he ran out to the back yard. As soon as he got into the back yard, he jumped the fence (northbound towards 500 Las Palmas Ave).

He must have came from the back yard through the bathroom window. The back yard leads to the bathroom window. The window was unlocked.

He was a male, tall, skinny, pony tail, tank top, black pants, no weapons that I saw.

It looked like the male had blood on him, but I don't know what he was bleeding from.

On Thursday 08/19/2021 at approx. 1544 hours my partner, Ofc Robertson #739 and I, Ofc Cumberland #1040 responded to assist officers with a shooting call (SPD 21-235779) where a witness advised that a male suspect shot a female subject 3 times. Ofc Robertson was driving and I was seated in the front passenger seat. We were in a marked black and white SPD patrol vehicle. We were both fully dressed in SPD uniform. The witness (██████████), ██████████ described the male suspect as a male hispanic adult, 20's, black hair with flat sides, white tank top, and black pants. We arrived on scene at approx. 1549 hours. At the time, our Internal Car Camera and Body Worn Cameras were activated in accordance with department policy for the duration of the call.

Upon arrival, we observed a subject matching the description (later identified via WebKPF as S-Francisco Jam) walking eastbound Eleanor Ave along the north sidewalk from Forrest Ave. We heard an officer on scene broadcast the description a few moments prior to observing S-Jam. We pulled up behind S-Jam who continued to look back at us nervously. We activated our overhead lights to conduct an investigatory stop. S-Jam immediately jumped the fence and fled on foot northbound through the property of 545 Eleanor Ave. I broadcast via radio that we were in foot pursuit and initiated a foot pursuit of S-Jam. S-Jam jumped over the north fence of 545 Eleanor and continued to run northwest bound. I broadcast via radio a suspect description (male white adult, white tank top, black mongolian ponytail style hair cut, black jeans, white and black shoes) and direction of travel.

SPD AIR 1 (Ofc Frey #643 and Ofc Eggen #874) located S-Jam and continued to monitor his movements as he fled from officers.

We returned back to our patrol vehicle and drove northbound Forrest St from Eleanor Ave where we observed S-Jam running northbound from the area of ██████ Forrest St. I gave S-Jam several commands to stop and get on the ground. S-Jam disregarded my commands and continued to run eastbound along the south side of ██████ Forrest St to the backyard.

S-Jam ran northbound through the backyard and jumped the north fence of ██████ Forrest St into the backyard of ██████ Forrest St. S-Jam ran inside of a shed in the backyard of ██████ Forrest St. I told Ofc Robertson to stay in the back yard of ██████ Forrest St as I paralleled S-Jam's movement northbound on Forrest St.

A resident (V-██████████) of ██████ Forrest St advised that a male subject just forced his way into his house while he and his wife were inside. I then heard via radio AIR 1 advise that S-Jam ran out of the back of ██████ Forrest St northbound over a fence into the back yard of ██████ Forrest St (see Ofc Robertson's supplement for contacting V-Mello for further).

I observed S-Jam walking northbound through the back yard of ██████ Forrest St to ██████ Forrest St. I pointed my department issued firearm at S-Jam and ordered him to stop and get on the ground. S-Jam disregarded my commands and continued to flee on foot.

We briefly lost visual of S-Jam as he entered into east side of ██████ Forrest St. Residents (V-██████████ and V-██████████) of ██████ Forrest St advised that S-Jam was inside (see Ofc Robertson's supplement for contacting V-██████████ for further).

AIR 1 advised that S-Jam was running northbound from the back yard of ██████ Forrest St towards the apartment complex of ██████ Las Palmas Ave. Ofc Prah #698 and I began chasing S-Jam. I ran northwest bound along the west side of the apartment complex to prevent S-Jam from escaping our perimeter.

On 08/19/2021, at approx. 1530 hours, I, Officer Boughton #719 responded code-3, emergency flashing overhead lights and sirens, to the intersection of Eleanor Ave and Oakmont Street from 3550 Marysville Blvd. in regards to reports that a female had been shot during an altercation. I was driving a fully-marked Sacramento Police Department (SPD) patrol vehicle with functional overhead flashing lights and siren, and in full SPD police uniform. My body worn camera and in-car camera were activated and recording for the duration of my investigation. I arrived on-scene at approx. 1533 hours and observed the following in summary:

Upon arrival to the scene, no victim could be located near the intersection and upon initial walk through, a scene was not located.

While initially on-scene, SPD Dispatch broadcasted an update that the male suspected of the shooting may have fled northbound Oakmont Street in a Brown Chevrolet Tahoe. I re-entered my vehicle, and attempted to search the area for a related vehicle, with negative results.

At approx. 1551 hours, Officer Cumberland advised that he was in foot pursuit of a possible suspect. I responded code-3 and held a perimeter position briefly at Fairfield Street and Los Palmas Street.

At approx. 1600 hours, I responded to K9 Officer Prahls location at [REDACTED] Los Palmas Ave, after he advised that the subject was being bitten by a K9.

I observed the male suspect, later identified as Suspect Jam, Francisco, with a visible canine bite wound to the upper right arm. He had scratches on his face and the rear of his neck. He appeared to be in pain, sweaty, and out of breath. He stated to me that he was refusing to provide his name until he received medical attention.

Prior to S-Jam's transport, he spontaneously stated to responding Sacramento Fire Department medical staff that he would like the arresting officer to provide him with his Motorola phone, so that he "could get my girl's number, so I can call her."

When responding Officer's conducted a search incident to arrest of S-Jam's person, I observed a set of keys removed from his front-left pants pocket. On that key ring located in S-Jam's front pants pocket, two Chevrolet keys (one with a Chevrolet logo) were located.

I moved S-Jam to the front bumper of my marked patrol car where he was treated by medical staff. His demeanor was irate and elevated, and he had begun spitting at Officers and Firefighters while being loaded on the ambulance gurney.

I stayed with S-Jam until he was transported by ambulance to UC Davis Medical Center.

I advised 3SM2 (Sgt. Nutley) of the statements and the observation of the keys being a Chevrolet, possibly related to the Tahoe seen driving away.

On 08/19/2021 at approximately 1600 hours, I, Ofc Lindsey (#245) contacted Witness Joseph Torres (Deputy Probation Ofc) and obtained his witness statement. (W) Torres stated the following in summary:

Please note, my body worn camera was activated during this interview

At 1500 hours, we were driving westbound on Eleanor Ave, west of Oakmont St when we saw the female half and the male suspect. The female was parked in a white BMW with a black rear bumper, on the corner of Eleanor Ave and Oakmont St facing eastbound before she took off in her car. She didn't leave like she was in a hurry or anything.

The male suspect was upset and yelling her name either [REDACTED] or [REDACTED] I think. He was mad. I saw him throw something on the ground maybe a cell phone or sunglasses and it broke. He was pacing back and forth and then he went inside apartment # [REDACTED] on Eleanor Ave. It's the same apartment you guys kicked the door down on.

I saw the male suspect exit the apartment with a small brown leather back pack. He paced around some more and then went back inside the apartment.

Then we left, but a short time later heard the call come out and we came back to assist you guys.

We helped bring him into custody. We identified ourselves as probation and you guys identified yourselves as police. We told him to stop running but he ignored our directives. He ran west and went into an apartment, when we lost visual for a second.

We regained visual when your guys' dog was on him and I helped assist in handcuffing.

On Thursday 8-19-21 at approx. 1531 hours Ofc Thrall #991 and I, Ofc Goetting #938 responded to the intersection of Eleanor Ave / Oakmont St regarding a felony assault in progress. Per the text of the call, the complainant advised that someone was shot. Ofc Thrall was driving and I was in the front passenger seat. We were wearing fully marked SPD patrol uniforms and driving an all black police SUV fully equipped with a push bumper, interior mounted forward facing red and blue lights, spot lights, and a siren. Ofc Thrall and I are currently assigned to the Sacramento Police Department's North Gang Enforcement Team. Our primary duties are to gather intelligence and information regarding gang members, investigate gang related crimes, and proactively patrol known gang locations.

Ofc Thrall and I responded code three with a continuous forward facing red light and siren from the intersection of Truxel Rd/ San Juan Rd. While enroute to the call, an update came in stating the suspect was a male Hispanic adult, 5'6, thin build, wearing a white shirt and black pants.

Another update came in stating a male and female were in an altercation and the male half shot the female half in the stomach.

Ofcs arrived on scene prior to our arrival and advised both the male and female fled the scene in a brown Chevrolet Tahoe.

Upon arrival, Ofc Thrall and I began driving the area in an attempt to locate the vehicle.

While we were searching for the vehicle, 1B28 Ofc Cumberland #1040 advised over the radio that he was in foot pursuit of a subject matching the description in the area.

Ofc Thrall and I responded code 3 to the area and took a northern perimeter spot near 550 Las Palmas Ave. Ofc Cumberland advised over the radio that he lost visual of the suspect as he was running NB on Forrest St from Eleanor Ave.

Once we got to our perimeter spot, I responded to the area of [REDACTED] Forrest St where K93 Ofc Prah #698 was. Ofc Prah advised me the subject was last seen in the backyard of [REDACTED] Forrest St.

While at this perimeter spot, a resident from [REDACTED] Forrest St advised the suspect had gained access to his residence from the rear.

Ofc Prah, Ofc Cumberland, and I quickly approached the front door. While doing so, I looked north to the open field located at [REDACTED] Forrest St. I saw Sgt Wilhite #3019 facing EB placing the suspect at gun point. At this point, I ran NB to assist Sgt Wilhite.

Once I made it to the field, I realized the suspect continued NB over a fence and onto the property located at [REDACTED] Las Palmas Ave which is an apartment complex. I continued running NB on Forrest St. As I made it to the corner of Forrest St/ Las Palmas Ave. AIR1 advised me to hold at the corner.

While I was holding my perimeter spot at Forrest St/ Las Palmas Ave, K9 Ofc Catricala advised the dog was on a bite inside of apartment # [REDACTED]. I responded to this location and observed Ofc Thrall taking the suspect into custody.

Once the suspect was detained, I began talking to residences within the apartment complex in

an attempt to locate a responsible for the residence.

While doing so, I heard a neighbor state to a family walking up that someone had just kicked their door in.

I contacted the female who arrived and identified her as [REDACTED]. [REDACTED] advised me that she lived in apartment number [REDACTED]. I advised [REDACTED] that the suspect attempted to flee from us and entered her residence. [REDACTED] consented to Ofc Thrall and I conducting a search of her residence for contraband.

Ofc Thrall and I searched the residence with negative results.

When Ofcs were conducting a search incident to arrest of the suspect, they located a Chevrolet key within his pockets.

Ofc Thrall and I attempted to locate a Chevrolet Suburban in the area per the information that was provided that would match the key located on the suspect. We were unable to locate an associated vehicle.

3SM2 Sgt Nutley was advised of the incident and our actions taken.

Ofc Thrall and I, Ofc Goetting both had our body worn cameras and in car camera on and activated through out the incident.

On 08/19/2021 at approx 1530 hours I Officer Lundgren #970 was dispatched to the intersection of Eleanor Ave and Oakmont St for a report of someone shot. I arrived on scene with my body worn camera on and recording. I observed the following in summary:

Officers arrived on scene and were unable to locate a victim. Neighbors and witnesses were unsure if they saw someone get shot. Witness advised that a male shot at a female and then saw the male drive off, but no one knew where the female half went.

Officers learned that the female victim might be inside a near by apartment. Officers forced entry into the apartment but were unable to located the victim of signs of someone injured.

Inside the residence in one of the back bed rooms was a motorized scooter. A records check revealed this scooter had been reported stolen.

While officers were on scene one of the tenants, [REDACTED], returned home and advised that he has been renting one of the rooms to a [REDACTED] and ANGEL. These were both the names that witness knew the victim and suspect by.

[REDACTED] gave consent to seared the residence. With consent and the stolen scooter inside the residence officers conducted a search. Officers located a piece of mail with the name [REDACTED] I conducted a records check of this name and located [REDACTED], XREF [REDACTED].

I asked [REDACTED] to look at a WEB KPF photo taken on 04/12/2019 of [REDACTED] and he positively identified her.

Dispatch was advised to call all regional hospitals and advise them to be on the look out of any gun shot victims walking in.

With no one on scene having a way to contact [REDACTED] I conducted records checks to attempt to find her or someone who might. I pulled all of her history with in RMS and called several numbers that were all disconnected. WEB KPF showed a phone number that was last updated in there system as of 06/03/2021, this number was also disconnected. I looked up everyone who had visited [REDACTED] when she was in jail and located her daughter [REDACTED], [REDACTED] and attempted a call to her with no success. Additionally I located [REDACTED] brother, [REDACTED] who also did not answer his phone.

I contacted the Sacramento Police Departments Records Division who looked up every past report we had on her going back to 2013 looking for any additional contacts. Records were unable to find anyone else. [REDACTED] had addresses in West Sacramento so I called West SAC PD and had them conduct a records check as well. This lead to no additional leads.

Officers on scene located several shell casings and a bullet fragment. CSI was called to the scene and took photographs of the evidence. Officers collected this evidence and later gave it to me. I later booked this evidence into property at KINNEY Police Station.

On 08/19/20, I, Officer Catricala #379, and my K9 Buster were logged on and working under the unit identified of TAC60. I was driving to our north police station (Kinney) when I heard a radio call come out of a female shot in the area of Eleanor Ave / Oakmont St. On this date and time I was wearing full police uniform and driving a fully marked patrol vehicle. I was also wearing a body worn camera (BWC). It was on and recording during this event. The following is a summary of the events:

The initial call summary that was broadcasted advised that a male and female were in an argument and that the male shot the female three times. The suspect was described as a male Hispanic adult, 25 years old, thin build, wearing a white t-shirt and black pants. The male Hispanic adult still had the gun in his hand when the caller provided this information. The male Hispanic adult was later identified as Francisco Jam (03/08/95).

Initially, Officers arrived on scene and were unable to find Jam or the female. Neighbors advised to Officers that both Jam and the female left the scene north on Oakmont St. in a brown Chevrolet Tahoe. Officers on scene located a single bullet hole and casing in the back of a white BMW.

While on scene units learned that the female may have been dropped off at one of two locations:

- [REDACTED] Eleanor Ave Unit [REDACTED] (Officers checked this unit and it was negative)
- [REDACTED] Eleanor Ave

At approx. 1546 hours I responded to 950 Eleanor Ave. to assist Officers Mohammad and Lindsey with conducting a welfare check on the female allegedly shot. We arrived on scene and were unable to locate her.

At approx. 1551 hours, Officers broadcasted that they were in foot pursuit of Jam northwest from [REDACTED] Eleanor Ave. A perimeter was established and I took a perimeter spot at Las Palmas Ave / Forrest St. It should be noted that directly north of my position at [REDACTED] Las Palmas Ave was Harmon Johnson Elementary school. Parents and children were everywhere because school had just gotten out.

Jam ran north jumping fences into the backyards of [REDACTED], [REDACTED], [REDACTED], and eventually stopping in the backyard of [REDACTED] Forrest St. AIR1 was overhead and observed Jam near the east side of the residence. Officer Prah was positioned northwest of [REDACTED] Forrest St when the homeowner came out and advised that Jam was attempting to break into the back door of the house.

Units ran towards [REDACTED] Forrest St in an effort to stop Jam. Jam then ran north over the fence, across the empty field located at [REDACTED] Forrest St, and north over the fence into the parking lot of [REDACTED] Las Palmas Ave.

I got out of my vehicle and observed Jam in the south portion of the parking lot of [REDACTED] Las Palmas Ave. I opened my back door and deployed K9 Buster for the following:

- The information known to me at the time was that Jam had allegedly just shot his girlfriend in the stomach. Officers located a bullet hole in her vehicle and spent casing near her vehicle. Jam had not been searched and could still have been armed with the firearm.

-Jam was showing a high level of resistance by fleeing from Officers.

-Jam had just attempted to break into the residence of [REDACTED] Forrest St. Jam was unsuccessful, but again this showed his highly resistive and desperate behavior in trying to flee/evade Officers.

-The elementary school directly north of me had just ended session for the day and several children and parents were in the area that could be potentially harmed by Jam if he was not apprehended immediately.

Jam ran west along the southside of the apartment complex. I ran west along the northside of the apartment complex in an attempt to parallel Jam. Jam then ran north through the center of the complex. I ran south towards Jam.

I did not give Jam a K9 announcement to surrender because:

-Jam was potentially armed with a firearm that he had just (or I thought he had just) used to shoot his girlfriend.

-Jam had not been searched and could have still been armed with the firearm or another weapon.

-My decision to not give a K9 announcement was because of the proximity of myself to Jam and the fact that by doing so would alert him of my location at which point he could potentially shoot me.

Before I could get to close enough to Jam to utilize K9 Buster I observed Jam force his way into unit [REDACTED] and shut the door. Jam was approx. 30 ft from me when he did this. Fearing that Jam could potentially harm the occupants of unit [REDACTED] I drew my service weapon from my holster and immediately forced entry into unit [REDACTED]. I observed Jam attempting to run into the back bedroom.

I directed K9 Buster to apprehend Jam. K9 Buster made contact with Jam on his forearm and then his right upper arm. I moved up and could now see that Jam did not have any weapons in his hands. Officer Thrall and Goetting arrived in the apartment. I took positive control of K9 Buster and directed him to release his hold of Jam. Jam was taken into custody.

Sacramento Fire medics arrived on scene to provide medical attention to Jam. I observed the following injuries to Jam:

-Punctures on the right upper arm.

-Abrasions/rakes on the right forearm, collar bone, and back of the neck.

Jam was transported to UC Davis Medical Center for medical clearance.

CSI was requested to the scene for photographs and to the hospital for Jam's injuries.

I completed a city of Sacramento Red Border form for the damage done to the front door of [REDACTED] Las Palmas Ave # [REDACTED] and for the injuries that Jam received.

Sgt. Nutley was advised of the incident and responded to the scene.

****It should be noted that while writing this report I learned that Jam had a felony warrant for 10851 VC. Officers also located a loaded handgun in a backpack along the path of travel that Jam ran prior to being taken into custody (see other officers supplemental reports for full report).

On 08/19/2021 I Officer Vargas #688 along with Officer Boresz #661, were conducting follow up to a Shots Spotter call (#21-235501) and in the process of conducting a neighborhood canvass. We had previously contacted a female subject at [REDACTED] Erickson St. (later identified as [REDACTED] who advised us of a separate incident on 08-18-21 (refer to report # 21-235501 for further details). In summary, based on [REDACTED] advising us that there was a male, subject on a red colored moped brandish a hand gun at a female subject, and the fact that [REDACTED] advised the male with the hand gun on 08-18-21 was the same male subject seen fleeing in a vehicle on our Shots Spotter call, we determined both calls may be related regarding the male subject. During our contact with [REDACTED], we were advised that another neighbor north of her location has cameras that would have probably captured the incident on 08-18-21.

I contacted [REDACTED] (DOB: [REDACTED]) at [REDACTED] Erickson Street Apartment # [REDACTED] in regards to her camera's which might have recorded a crime that occurred on 08/18/2021. I observed the following in summary:

** My body worn camera was activated and recording for the duration of this investigation.

[REDACTED] identified herself as the property manager due to her family owning the building. She had a camera that was on the west side of her apartment complex located at the above address.

The camera was facing west towards Erickson Street.

It should be noted that the camera was an hour behind real time, had poor resolution, and no sound.

The video footage revealed on 08/18/2021 at approximately 16:25:25 hours there was a red in color moped with a male driver wearing a tan colored back pack approaching south bound on Erickson Street.

He drives north on the street out of the camera's view and then south on the same street until he stops to talk to a female walking north bound on Erickson Street.

The female appears to have kept walking. The male on the moped turns around traveling northbound and drives his moped in front of the female.

The female walks around his moped and keeps walking.

The male attempts to stop the female again further down the road. It appeared like they started to push or hit one another.

It appeared as though the male subject became angry and accelerated his moped to the extent that his front tire were in the air. The male then allowed his moped to move forward without him on it and fell to the ground.

Once the male was off of his moped he appeared to hop up and down slightly as his hands are down near his belt line.

It appears as though he was reaching for something however it was hard to tell due to poor resolution and the fact that both subjects were facing west which was away from the camera.

The male grabbed the female with his left arm around the left side of her neck/shoulder and appeared to not let her walk away.

It appears as though they exchanged words with one another and the female walked away north bound on Erickson Street.

When the male was walking back to his moped, I observed what appeared to be the male cocking or checking a handgun before he picked up his moped and drove away north bound on Erickson Street.

It should be noted that on 08-19-21, at approximately 1530 hours, a 245PA (#21-235779) came out with the initial text of the call saying someone was shot and there was possibly a male shooting a female (see officers report for further details). Officers on the call later located and detained a suspect (later identified as Francisco Jam). Per officers on the call, they later located a black 9mm hand gun in a tan colored back pack and also located a red colored moped on scene. Based on what we observed on video surveillance, and the fact that our male subject was observed on a red colored moped, was wearing a tan colored back pack, and was seen brandishing a firearm, we determined that both incidents maybe related with the same subject.

On 08/19/2021, at approximately 1610 hours, I (Ofc. Aldana #333) contacted witness- [REDACTED] in front of residence [REDACTED] Eleanor Way and obtained his statement. I obtained this statement in Spanish, since witness- [REDACTED] primary language was not English. My body worn camera was activated. [REDACTED] stated the following in summary:

I was sitting here in my lawn with my friends when I heard three shots. I heard one shot first, then a little bit later I heard a second shot. A little bit after the second shot, I heard a third shot.

After the third shot, I saw a guy coming from the direction of the apartments, and start walking up (northbound) on Oakmont St. No, he wasn't running. He was just casually walking up the street.

I'm not sure what race he was. He was light skinned, had a white shirt, and light colored jeans on... the jeans were maybe white. He was also carrying a back pack or bag of some sort; I think it was white in color. I'm not sure how tall he was, but he was a little taller than you.... maybe 5.7 feet.

I think someone picked him up down the street, but I didn't see it happen. I just have a feeling someone was waiting for him down there.

I never actually saw where the shots came from, or which direction they were firing from. I was sitting with my back towards the direction of the shots. So, I only saw the guy that walked from the direction of the apartments.

I would recognize him if I saw him again. I don't know him very well, but I see him a lot. I think he might live there with his girlfriend or his mother. No, I don't know his name, like I said, I just know him because I see him in those apartments a lot.

Related Date Aug-19-2021 17:47

On 08/19/2021, at approximately 1538 hours, I (Ofc. Aldana #333) was dispatched to Eleanor Ave / Oakmont St in regards to a female subject who had been shot. I arrived on scene at approximately 1540 hours. My body worn camera and in car camera were activated. I observed the following in summary:

En route to the call for service, it was broadcasted the suspect and victim had both left the scene.

Upon arrival, officers were in the process of securing the scene and obtaining witness statements.

I proceeded to assist officers in securing the scene. After securing the scene, I assisted in obtaining witness statement.

I contacted a witness by the name of [REDACTED] and obtained his statement. (See witness [REDACTED] statement for further details).

After all statements had been obtained, I proceeded to conduct a probation search of the suspects room, which was located inside the residence of [REDACTED] ELEANOR AVE APT # [REDACTED].

The suspects room was located in the south eastern most part of the residence. Ofc. Guevara #508 and I proceeded to search the room and located the following items:

-Two Gold colored 9mm Brazer Luger Cartridges. These were located inside the side pocket of a black duffel bag that was laying on top of the bed, which was located in the center of the room.

-One silver cell phone located in the first drawer, of a dresser located on the most southeastern corner of the room.

-One black cell phone located on top of a dresser located in the eastern portion of the room.

-A WebKpf paper document containing the name [REDACTED].

Ofc. Guevara proceeded to collect the two Gold colored 9mm Brazer Luger Cartridges, the two cell phones, and the WebKpf paper document, and later booked them at the Kinney Property Station (3505 Marysville Blvd).

Prior to collecting the two Gold colored 9mm Brazer Luger Cartridges, Ofc. Guevara took several photos of them using Sgt. Nutley's (3Sm2) digital camera. Ofc. Guevara later booked these photos for evidence at the Kinney Property Station.

While conducting a search of the room, officers also located a red Moped with a screw driver punched into the ignition. A records check of the Moped showed that it had been reported stolen. (See Ofc. Guttierrez's #701 report for further details).

It should be noted, that while searching the room, I noticed the name "Angel" written all over the room's wall. Per witnesses, it was believed that the suspect in the shooting went by the name "Angel".

On August 22, 2021, at approximately 1320 hours in the IBIS Computer Lab Room, I reviewed the fired cartridge casings booked under Property Record (PR) number 1135107-1.

In my preliminary examination of the head stamps, firing pin impressions, ejector marks, and extractor marks, it is my opinion that the fired cartridge casing below is an exemplar of the (2) submitted casings:

I entered the following cartridge casing into the Integrated Ballistics Identification (IBIS) System:

Exhibit #1135107-1-1: (1) Blazer, 9 mm, elliptical center fire, fired cartridge casing

On August 22, 2021, at approximately 1700 hours, I returned the above items to the Property Section via the Property Dropbox.

All unidentified fired cartridge casings are registered in the unsolved casing database of the Integrated Ballistics Identification System (IBIS).

On 08/25/21, at approximately 0948 hours, I contacted [REDACTED] at [REDACTED] Forrest St and obtained her statement. The contact was recorded in by body worn camera. She stated the following in summary:

I do remember the incident a week ago when someone broke into our house.

He was a young Spanish kid maybe a little bit taller than you (points at Detective Lewis who is approximately 6 feet tall). He was wearing a white t-shirt (she later explained that the t-shirt had dirt on it as though he had slid through the mud).

I was standing in the entry way of the residence, and the suspect was standing at the front door (inside the house). I think the suspect came in through the back, but he actually came in through the garage. We are from Idaho and have the bad habit of keeping our doors unlocked.

We heard a big bang, so he must have come in through the big garage.

He did take a plastic water bottle.

** [REDACTED] daughter, [REDACTED] described the water bottle as being blue with stickers on it**.

He kept saying, "I'm thirsty, I'm thirsty". [REDACTED] told him to go over to the kitchen sink, but instead he went into the refrigerator and grabbed the water bottle.

** [REDACTED] advises that she purchased the water bottle from Goodwill and it was valued at approximately \$5.**

He was probably in our house for approximately ten to fifteen minutes.

[REDACTED] was physically trying to push him out, but he kept coming back into the house. The suspect kept saying, "they're after me, they're after me". The suspect was aware that he was not welcome in our house.

He did not assault [REDACTED] or I. He could have grabbed me, but he never did. I did not see the suspect with a gun or knife.

I then tried to go wake up my daughter ([REDACTED]) because she had a taser, but by the time she got out of her room, the suspect was already gone.

Type 06 DETECTIVE SUPPLEMENT

Subject DET. ANDERSON #582

Author 4237 - ANDERSON, MAXWELL 0582

Related Date Aug-25-2021

I, Detective M. Anderson #582, have been employed by the Sacramento Police Department as a Police Officer since 2015. I am currently assigned as a Detective with the Felony Assaults Unit, in the Office of Investigations. My primary duties are to investigate crimes, including but not limited to assault with a deadly weapon, felony battery, kidnapping, and homicide. Additionally, my duties include managing crime scenes, interviewing victims, witnesses, and suspects, presenting cases to the Sacramento County District Attorney's Office for prosecution, as well as delivering courtroom testimony.

On 08/24/21, I read the report and supplements related to the investigation.

On 08/25/21, Detective Lewis #233 and I responded to [REDACTED] Eleanor Ave Apartment # [REDACTED] to locate [REDACTED]. The apartment had a boarded up front door and boarded up windows. We spoke with a tenant in one of the above apartments, and they believed that all of the occupants of Apartment # [REDACTED] been evicted within the past week.

I prepared a six-pack photographic lineup using Cal-Photo (attached to report). The subjects in the lineup were as follows:

- #1- [REDACTED]
- #2- [REDACTED]
- #3- Francisco Jam
- #4- [REDACTED]
- #5- [REDACTED]
- #6- [REDACTED]

We responded to [REDACTED] Forrest St Apt [REDACTED] and contacted [REDACTED]. The contact was recorded on my officer worn body camera. Detective Lewis administered a blind six pack photo lineup with [REDACTED]. Detective Lewis read him the photographic line-up admonishment from our SPD 606 form and [REDACTED] signed the document acknowledging he understood the instructions. After being presented with the photographic lineup, [REDACTED] selected the first subject ([REDACTED]) in the lineup and advised he was eighty percent confident that the subject was the suspect who attempted to steal his friend's vehicle. [REDACTED] also advised that he had surveillance video of the suspect attempting to steal his friend's vehicle. [REDACTED] uploaded the video via the Axon portal. I reviewed the video and it showed the following in summary:

08/19/21

15:50:59 hours: A male Hispanic adult (herein referred to as S-1) with a small pony tail wearing black pants, a white tank top, white basketball shoes with black soles, and what appears to be a watch on his left hand can be seen running eastbound through the apartment complex and out of view.

15:51:18 hours: S-1 re-appears in the apartment parking area. He has mud on the back of his white tank

top. S-1 walks up to the driver's seat of a white BMW with California license plate [REDACTED], opens the door, and sits inside the car. The BMW shakes backwards and forwards several times, and then S-1 gets out of the car and runs northbound on Forrest St. A SPD patrol car appears in the screen just a couple seconds after S-1 runs out of the camera.

I then watched Officer Catricala's body camera footage showing Jam get taken into custody soon after the carjacking incident. Jam was wearing the same clothing and had the same hairstyle as the subject observed in the above surveillance video.

Canvass Continued Below on 08/25/21:

I attempted to contact [REDACTED] at [REDACTED] Eleanor Ave regarding potential surveillance video, but there was no answer at the door.

We responded to [REDACTED] Forrest St and contacted [REDACTED]. The contact was recorded on my officer worn body camera. Detective Lewis administered a blind six pack photo lineup with [REDACTED]. Detective Lewis read him the photographic line-up admonishment from our SPD 606 form and [REDACTED] signed the document acknowledging she understood the instructions. Flores selected #3 (Francisco Jam) from the lineup and advised that she was eighty-five percent certain that Jam was the subject that broke into her house through the bathroom window.

We contacted [REDACTED] at [REDACTED] Forrest St and obtained her statement. In summary, she described the suspect as being a Spanish male a little bit taller than 6'0 wearing a white t-shirt. She stated that the suspect was in her residence for approximately ten to fifteen minutes and took a water bottle valued at \$5. The contact was recorded on my officer worn body camera. Detective Lewis administered a blind six pack photo lineup with [REDACTED]. She did not feel comfortable enough identifying anyone in the lineup, but if forced to choose, she believed the suspect most looked like #1 ([REDACTED]).

On or about 08/25/21, I utilized Sacramento County's WebJPF to search through emails sent to Francisco Jam, while he was in custody. I located an email sent to Jam from [REDACTED] on 08/20/21. The email appeared to be written by someone who was in a current or past romantic relationship with Jam. In summary, she stated that she loved Jam and would do whatever it took to make sure they were together again. She left a callback number in the email of [REDACTED]. On 08/23/21, Jam received an additional email from the aforementioned email address. This email in summary expressed love towards Jam, informed him of his bail amount, and advised Jam that she was listening to the police scanner during the incident, and believed [REDACTED] was the person who gave up both of their names. Based on this admission, I believed that the subject writing Jam was potentially [REDACTED].

I attempted to contact [REDACTED] via telephone using the phone number provided in the above email correspondence. A female answered the phone and did not speak English. I attempted to call the phone number on several additional occasions, but was unsuccessful. I then sent a text message to the same phone number advising that I was a Detective with the Sacramento Police Department and asked to speak with [REDACTED], but received no response.

On 08/31/21, I completed an Evidence Lab processing request for the semi-automatic firearm (Property Tag #SA1135092-001) and the magazine (SA1135092-002) located during the incident. I requested the Forensic Investigators to process the items for DNA and fingerprints. I also completed a DA-7 (Request for Crime Lab Examination) requesting additional processing of the blood swab (SA1135054-001), the GSR kit (SA1135060-001), the black handgun (SA1135092-001), the spent casing (SA1135107-001), the fired projectile (SA1135107-002), and the magazine (SA1135092-002). The request was approved by the Sacramento County DA's Office on 09/15/21.

On 09/15/21, I attempted to contact [REDACTED] (potential witness) via telephone with negative results.

On 09/15/21, I used ICS Solutions and located a jail phone call between Jam and a female utilizing the phone number of [REDACTED]. At approximately four and a half minutes into the conversation, both subjects begin discussing possible video related to the incident. Jam discusses the assault with the firearm charge, and female on the other end of the phone call states, "they can't because who did you assault" and Jam agrees. Jam mentions that the only thing he is skeptical about is [REDACTED] testifying against him, because he has a squeaky clean record and seems believable. The female in summary states that [REDACTED] can only really articulate that "we" stay there. The female then makes a comment that [REDACTED] was drunk the day of the incident. At approximately nine minutes into the phone call, Jam states that he got locked up with fifty bucks. He then states, "when I bounced out right, and these mother fuckers got behind me and I tossed my backpack, man that fucking backpack... still had like four hundred dollars in the mother fucker. They got that shit." During the conversation, Jam also advised he got loose in his Jordan's while he was being chased and was "throwing blows" at the K9 when he got bit.

Per Officer Hurtado's #280 observations, \$305.25 in cash was located in the brown Coach backpack discarded by Jam at the Super X Market (2711 Fairfield St). This backpack also contained a firearm and ammunition.

On 02/25/22, at approximately 1000 hours, Detective McGovern #892 and I, Detective Anderson #582 responded to the Yolo County Detention Center (140A Tony Diaz Dr) and obtained a statement from [REDACTED]. Detective McGovern's body worn camera was activated during the incident. Santos stated the following in summary:

I was booked into jail in September.

In August, I was in a Motel in San Jose, CA. I got arrested when I was in Alameda County. They arrested me out there and then transferred me to this location.

Before that, I was staying at a Motel in West Sacramento, CA.

I advised [REDACTED] that I was there to speak with her regarding an incident that occurred in Sacramento on 08/18/21 or 08/19/21.

I do not know [REDACTED] ([REDACTED]). I have never had a roommate before.

I advised [REDACTED] that [REDACTED] provided a statement after the incident advising that [REDACTED] was staying with "Angel".

I don't know anything about [REDACTED], but I do have an ex-boyfriend named Angel. His real name is AJ.

I was with him for eight months. He is from Sacramento as well.

We broke up around the July timeframe. There was just different understandings because of age difference. I was ready to get sober and he wasn't. I have had troubles with relationships in the past and I didn't want to be anyone's mother.

I think he is 28. We met through friends.

We were in a program together. It was called Project Homekey in West Sacramento. We stayed in the Rodeway Motel over there. We were working with [REDACTED], who is the homeless coordinator out there. I was in the program, and since we were together, they allowed him to stay there with me. He got us kicked out of two hotels and that's when things went... After we left the Grenada, we began staying at motels off of W. Capitol. We did stay at the Executive Inn off Richards Blvd in Sacramento one time. I believe we stayed there at the end of July.

I did have a car at that time. I bought a Nissan Altima, which I brought from my brother [REDACTED]

I have never had a white BMW.

I advised her that [REDACTED] told police on scene that her car was the white BMW parked out in front of the apartments. I showed [REDACTED] a still photograph obtained from body worn camera footage of the white BMW that officers searched after the alleged shooting incident on 08/19/21.

My Altima kind of looks like that. It was a white Nissan Altima with tinted windows.

I do not know anyone by the name [REDACTED]. I never used her name to rent any hotel rooms. My brother would always get me hotel rooms. I didn't have an ID at the time and plus I was wanted by the police.

I have never stayed at an Economy Inn off El Camino Ave in Sacramento.

I showed [REDACTED] a single WebKPF booking photograph of Francisco Jam taken on 08/20/21.

Yes, that is AJ aka Angel.

I advised [REDACTED] that we were there to discuss a shooting incident.

Do you mean that I got shot? Well obviously I didn't get shot.

I did not stay with AJ off of Eleanor Ave. I have no idea where AJ stayed other than when he stayed with me in motels.

I never stayed with AJ anywhere. He stayed with me in motels in West Sacramento.

On August 19th, 2021, I was in San Jose at that time. I was likely using my brother's name ([REDACTED]), or my brother's girlfriend's name ([REDACTED]) to rent hotel rooms. I don't remember the name of the hotel where we were staying. I believe the name of the hotel was the Days Inn in San Jose. We stayed there from July until I got arrested.

The last time I saw AJ was in July when we stayed together at the Executive Inn. I have not communicated with him since.

I know he's in jail. I was not there when he got arrested. He hasn't mentioned anything to me regarding what led to his arrest.

I obviously wasn't injured because I am here.

AJ never shot at me. I never saw him with a gun. I don't think he had money to even buy a gun.

I was not at the scene prior to or during the shooting.

I do not know [REDACTED] I have never used her name.

I found out that AJ was arrested through a mutual friend. They didn't say why he was arrested.

Our relationship ended badly because he cheated on me.

It wasn't me that got shot at.

AJ was never physical with me. AJ never pointed a gun at me. He never had anything like that. He never made threats toward me.

I don't think AJ had a phone when we were dating. I do not remember my previous phone number.

The Nissan Altima that I had prior to getting arrested was registered to my step mom. Her name is [REDACTED]. She is from West Sacramento. My brother took the car and wrecked it Nevada.

I usually don't make phone calls while I am in custody.

I'm not going to lie, I have written AJ letters before. I would say the last time I wrote him was in December. Yes, he wrote me back.

***I advised [REDACTED] that we had information leading us to believe that she had written Francisco Jam letters more recently than December.**

Ok, everyone needs a pen pal.

On 03/30/22, at approximately 1730 hours, I, Detective Anderson #582 contacted [REDACTED] via telephone ([REDACTED]) and obtained her statement. She stated the following in summary:

I have never heard of Francisco Jam and do not know that person. The police showed up at my door on Sylvan Rd on August 20th very late in the evening looking for someone by the name of [REDACTED]. I was in Chicago at a wedding at the time and officers spoke to my roommate stating they were there for a wellness check. I do not know [REDACTED]. Neither [REDACTED] nor Francisco Jam had permission to use my name or my identity.

I think I got a letter in the mail with [REDACTED] name on it in October of 2021.

My car was broken into on July 22, 2021. Unfortunately my wallet was in my car and the suspects were able to steal my identification card, my social security card, several credit cards, and my car registration. I began getting fraud alerts regarding the use of my credit cards, so I immediately cancelled them. I filed the report online through Citrus Heights PD (Report Number: 12150542).

I was contacted by Emeryville PD on September 8th or 9th of 2021. They advised me that someone had been arrested in their jurisdiction and the arrestee had my identification card in their possession (Report Number: 2109-0667).

I attempted to research the fraudulent purchases that were made with my credit card, but my records don't go that far back.

I have never used the email account of [REDACTED]. I am not familiar with the phone number of [REDACTED]. I don't even know what city that area code is associated with.

I never rented a room at the Economy Inn off of El Camino Ave. I was never shot at during the time frame of this incident.

On or about 02/18/22, I was utilizing Sacramento County Inmate Calling Solutions to listen to jail phone calls made by Francisco Jam. I located a call on that occurred 02/17/22 at 1958 hours (CSN: [REDACTED]). Jam appears to be talking with another male utilizing the phone number [REDACTED]. Their conversation is detailed below:

Jam began explaining that his first "female" heard the length of the potential punishment that he was facing in his first plea deal and she "cut on a nigga". The male speaking to Jam states that you can't blame the female because "you are not there". The conversation continues and is summarized below:

Jam: That's old girl that I have tatted on my neck though. I am talking about the girl that I am with right now though, she's locked up with me. She's in Yolo County, you feel me. She's writing me from County every single day. I got anniversary cards. I got hella shit from her.

Other male: Oh she's involved in your case?

Jam: Uhhhhh, I don't want to say to much over the phone bruh.

Other male: Ya ok, for real, I got you.

Soon after the above discussion, Jam states that they are attempting to lock everything down at his facility and the call ends.

On or about 02/18/22, I contacted Yolo County Detention Center and confirmed that [REDACTED] was in custody at their facility.

I was placed in contact with Yolo County Sheriff's Office Sergeant Ha who agreed to assist me in setting up a meeting with [REDACTED]. On 02/25/22, Detective McGovern #892 and I responded to the Yolo County Detention Center and obtained a statement from [REDACTED]. Detective McGovern's body camera was activated during the interview. In summary, [REDACTED] stated that she was in a relationship with Jam for eight months. [REDACTED] advised that her relationship with Jam ended in July of 2021. [REDACTED] then moved to San Jose where she allegedly stayed in hotels until she was arrested. [REDACTED] denied being shot at by Jam and denied being in Sacramento when the shooting incident took place.

I reviewed [REDACTED] inmate profile paperwork provided by the Yolo County Sheriff Office. The documents listed [REDACTED] aliases, SSN, DOB, jail ID, OLN, tattoos, linked vehicles, phone record, and previous addresses. Under the phone record tab, it lists two cell phone numbers associated with her as [REDACTED] and [REDACTED].

I reviewed Francisco Jam's jail inmate email communications by using Sacramento County's WebJPF program. On 05/14/21, [REDACTED] sent Francisco Jam an inmate email and listed her contact email as [REDACTED] and a contact telephone number of [REDACTED]. On 06/20/21, [REDACTED]

██████ sent Jam an inmate email and listed her contact email as ██████████, and a contact telephone number of ██████████. On 08/23/21, ██████████ sent Jam an inmate email and listed her contact email as ██████████ and a contact telephone number of ██████████.

On 03/30/22, at approximately 1730 hours, I contacted ██████████ via telephone (██████████) and obtained her statement. In summary, ██████████ advised me that she was not familiar with anyone by the name of Francisco Jam or ██████████. ██████████ advised that she had police come to her door looking for ██████████ on August 20th of 2021, but she was in Chicago at a wedding. ██████████ advised that her vehicle was broken into in Citrus Heights on 07/22/21 (Report Number 12150542), and her wallet containing her ID, social security card, and car registration were all taken during the burglary. ██████████ stated that she was contacted by Emeryville PD on 09/08/21 or 09/09/21 and notified that her ID card was located in the possession of an arrestee (2109-0667). ██████████ stated that she had never rented a room at the Economy Inn on El Camino Ave.

I conducted a Sacramento Police Department records check of ██████████ and located an SPD report 21-219219. In summary, City Park Ranger Dobbs #9502 observed a white truck with no license plates driving dangerously (08/04/21). He attempted to make an enforcement stop on the truck near N B St and Bannon St, but the driver exited the truck and fled on foot. Park Ranger Dobbs later contacted the female passenger of the vehicle, who he identified as ██████████. The male driver was never located and the female passenger was released. I reviewed Officer B. Stone's and Officer Bobadilla's body camera footage of the incident. Both Officer's body cameras contained footage of the female passenger. Based on age, size, and facial features of the subject in the body camera footage, I recognized the female initially identified as ██████████ to be ██████████.

On 03/31/22, I re-contacted ██████████ via telephone. ██████████ advised me that she was never involved in an incident involving a stolen truck and never provided a statement to officers on the night of 08/04/21.

Based on the above findings, I believe that ██████████ used ██████████ identity on various occasions to avoid detection by law enforcement.
