Subject RUSSELL, T. #483

Author 4581 - RUSSELL, TYLER 0483

Related Date Oct-19-2021 1:33

On 10/19/2021 at approx. 2045 hours I, Officer Russell, T. #483 Observed a TAS/POD hit for a stolen vehicle (██████████) that was traveling northbound on Julliard Dr. at Folsom Blvd. The vehicle was a white 2014 Chevrolet Silverado pickup truck. I was working uniformed patrol in a marked patrol vehicle equipped with forward facing red and blue lights and a siren. I was traveling eastbound on Folsom Blvd. approaching the intersection of Julliard Dr/ Folsom Blvd. at approx. 2052 hours. I observed a white Chevrolet pick up truck drive southbound from Julliard to Florin Perkins Rd through the intersection. I made southbound turn behind the vehicle on Florin Perkins Rd and did not see where the vehicle had traveled. I made a westbound turn onto Jackson Rd from Florin Perkins rd and observed a tail lights in the parking lot of 8413 Jackson Rd. I entered the parking lot to determine if the vehicle was in fact the vehicle from the TAS/POD hit. I observed the following in summary.

Upon arriving in the parking lot, I observed a male black adult in a neon yellow jacket with blue jeans and brown boots walking eastbound away from a white Chevrolet Silverado License plate ██████████.

I provided commands for the subject, Later positively identified as Eric Hamilton (04/15/1989) (XREF: ██████████) to put his hands on his head and come towards me. The subject replied "what is going on" then ran to the vehicle.

I verified the license plate with dispatch (FCN/4262129103997) and put the subject at gun point while continuing to give commands for him to exit the vehicle and surrender.

Hamilton then reversed the vehicle out of the parking stall and exited the parking lot.

I activated my overhead red and blue lights and siren and initiated the vehicle pursuit.

The vehicle traveled eastbound Jackson Rd at a high rate of speed approaching a stale red light at the intersection with Florin Perkins Rd. The vehicle made a southbound turn from the outermost southbound turn lane, failing to stop at the red light in violation of 21453(A) CVC. Upon completion of the southbound turn, the vehicle drove on top of the median just south of the intersection of Florin Perkins rd / Jackson Rd. I did not observe any damage to the median.

The vehicle continued southbound Florin Perkins road reaching speeds of approx. 75 miles per hour in violation of 22350 CVC.

The vehicle made a westbound turn onto Belvedere Ave. While traveling westbound Belvedere Ave the vehicle drove westbound in the eastbound lanes numerous times in violation of 2800.4 CVC. The vehicle continued westbound Belvedere Ave until reaching 4131 Belvedere Ave, where the vehicle made a southbound turn into the parking lot. The vehicle drove around the building into the parking lot of 4121 Belvedere Ave where it exited the parking lot traveling eastbound Belvedere Ave. The vehicle then made a north bound turn into the parking lot of 8173 Belvedere Ave then drove eastbound until reaching 82nd St. Once on 82nd St the vehicle continued southbound, failing to stop at the stop sign on the north side of the intersection of Belvedere Ave / 82nd St in violation of 22450 CVC.

The vehicle continued southbound on 82nd St then failed to negotiate a westbound turn onto Alpine Ave, causing him to collide with a wall at 8184 Alpine Ave.

Hamilton Fled on foot southbound through the secured lot of 8184 Alpine Ave into the

property of 8221 21st St where he barricaded himself amongst cinder block piles.

Numerous announcements were made to Hamilton requesting his unarmed surrender. Hamilton failed to comply with commands. Due to the active want for [REDACTED] and [REDACTED] use of the police K9 was authorized Sgt. Jarvis as well as Lt. Dobson. K94 Officer Henderson #343 utilized his K9 to apprehend Hamilton. (See Officer Henderson's observations regarding the apprehension)

I assisted with the contact team to take Hamilton into custody and to render first aid. Once Hamilton was removed from the cinder block pile, I cut his pants off to attempt to locate possible injuries. Hamilton sustained moderate dog bite related injuries to his right calf. (See Henderson's Observations).

Hamilton was extricated from the field and taken to 21st Ave where the fire department was standing by to render aid and transport Hamilton to UC Davis Medical Center.

A records check of Hamilton revealed him to have an active Parole Status for 459 PC. The records check also revealed Hamilton to not have a California Drivers License issued to him in violation of 12500(a) CVC.

Hamilton was booked into SCMJ for 2800.2 CVC, 2800.4 CVC, 3056 PC, 148 PC, 496(d) PC, 10851 CVC, 12500 CVC.

I collected Hamilton's pants that he was wearing as well as his boots that were left behind at the scene of the vehicle collision and his cell phone that was left behind in a compartment in the driver door of the vehicle. I booked these items into property as evidence at the Sequoia Pacific property warehouse.

Related Date Oct-19-2021 1:08

On 10/18/2021 at approximately 2054 hours, I (Officer Reese #284) and my partner Officer Jensen #935 were dispatched to the area of Power Inn Rd and 14th Ave to assist officers who were actively pursuing a stolen white Ford pick up truck (LIC [REDACTED]). I was driving a fully marked Sacramento Police Department Patrol vehicle and we were wearing our fully marked Sacramento Police Department uniforms. Our body worn cameras and in-car camera were activated during this investigation. I observed the following.

Per the updates from the primary officers, the Suspect was driving northbound through parking lots near Power Inn Rd and was headed towards Belvedere Ave.

We caught up to the pursuit at the intersection of Power Inn Rd and Belvedere Ave. The suspect drove eastbound 8179 Belvedere Ave and made a southbound turn onto 82nd St. The Suspect was traveling at a high rate of speed and collided with a cement wall at the intersection of 82nd St and Alpine Ave.

The Suspect exited the truck and ran southbound through 8184 Alpine Ave. Officer Jensen and I cleared the stolen vehicle of any additional occupants.

We then returned to our patrol vehicle and drove southbound through the parking lot of 8184 Alpine Ave to set up a perimeter.

While clearing the parking lot of 8184 Alpine Ave, Air 23 advised the suspect was hiding in the parking lot of 8200 Alpine Ave. Officer Jensen and I could not fully see the suspect due to him hiding behind a chained linked fence. The fence had plastic slates that covered the holes in the fence.

Officer Jensen and I ordered the suspect to put his hands up but he did not comply. The suspect only put one hand in the air and pointed at us with his other hand. Due to not being able to fully see through the fence, Officer Jensen and I held our perimeter spot and waited for additional units.

The suspect appeared to be a male black adult wearing a yellow t-shirt and dark colored pants.

After giving the suspect several lawful orders, he took off running southbound towards 8221 21st Ave. We updated the responding units and we held our perimeter spot. Officers later detained and arrested the suspect (See supplements).

On 10-18-2021 at approximately 2054 hours, Ofc. Eckert #1001 and I (Ofc. Dhesi #488) were working routine patrol in the City and County of Sacramento. We were both dressed in full Sacramento Police uniforms and I was driving a fully marked Sacramento Police patrol vehicle. Ofc. Russell #483 voiced over the radio that he was out with one subject and quickly updated that the subject was running from him on Jackson Rd. Ofc. Russell then broadcasted that he was in a vehicle pursuit. The vehicle was a stolen car (PL# [REDACTED]) I responded from the area of San Joaquin St. and Business Dr. I activated my overhead lights and siren and headed towards Ofc. Russell. Our body worn cameras were activated during the investigation. I observed the following in summary:

Ofc. Russell voiced that the suspect was turning onto Belvedere Ave. from Florin Perkins Rd. I turned east on to Belvedere Ave. from Power Inn Rd. I could see the suspect vehicle heading westbound towards us at a high rate of speed. I waited on 82nd St. and allowed the suspect vehicle and Ofc. Russell to pass.

I entered the pursuit as the number two police vehicle traveling westbound on Belvedere Ave. The suspect vehicle drove recklessly (wrong way) and turned southbound into the parking lot 4101 Belvedere Ave. Ofc. Russell followed behind the suspect vehicle and they both went behind the warehouse building and made a U-turn back towards Belvedere Ave. I waited on Belvedere Ave.

The suspect vehicle exited northbound out of the parking lot of 4101 Belvedere Ave. and traveled eastbound on Belvedere Ave. The suspect vehicle then entered a parking lot on the north side of Belvedere Ave. and continued eastbound through parking lots until making a southbound turn onto 82nd St.

I took the number one position in the pursuit as the driver drove southbound on 82nd St. and then westbound onto Alpine Ave. The driver lost control of the vehicle due to the high rate of speed and collided with the south curblin and then striking the front of the vehicle into the cement retaining wall at 8200 Alpine Ave.

The suspect exited the vehicle and ran toward the fence of 8184 Alpine Ave.

I yelled for the suspect to stop but he continued to run and climbed over a barb wired fence and continuing to run inside of the property southbound.

I could see that the suspect was a male black adult and was wearing what appeared to be a white shirt and blue jeans.

Ofc. Eckert and I went to Power Inn Rd. and held the west side of the perimeter until the suspect was arrested by other Officers.

Ofc. Eckert and I responded to where the suspect was on 21st Ave. I could not confirm if the suspect who ran from the vehicle was the male arrested.

The suspect was secured to a gurney and transported to UC Davis Medical Center (2315 Stockton Blvd) by the fire department, for a dog bite to the right leg. I road with the suspect to UCD.

While fire ran the suspect's vitals he was asked by fire personnel if he ingested any drugs, which he responded that he had taken Fentanyl but didn't say how much. He also stated he was

On 10/18/2021 at approximately 2054 hours, I (Ofc. Manning #563) responded to 21st Ave. and Power Inn Rd. to assist with a perimeter position at the conclusion of a pursuit. Per the call, Ofc. Russell #483 located an occupied stolen vehicle which fled from him. The suspect came to a stop near 8184 Power Inn Rd. and the suspect fled southbound into an industrial yard. I arrived on scene at approximately 2101 hours. My body-worn camera and in car camera was activated for the duration of my investigation. I observed the following in summary:

As I was arriving in the area, CHP fixed wing aircraft (AIR23) advised that they observed the suspect run into the 8221 21st Ave. and hide between two stacks of pallets. I responded to the south side of 8221 21st Ave. and maintained a perimeter position.

Several officers and I made entry into the industrial yard and were directed toward the location of the suspect by STAR.

STAR directed us to a row of stacked concrete blocks. STAR advised that he could see a suspect approximately 50 feet west of where we were at, laying down between two stacks of concrete blocks. I was unable to see the suspect.

Sgt. Jarvis #3022 made numerous PA announcements to the suspect to come out with his hands up and surrender peacefully. I heard Sgt. Jarvis give multiple warnings that if he did not surrender, he may be bit by a K9.

Two UAS were deployed to illuminate where the suspect was hiding and make more PA announcements. I heard announcements being made via a speaker on the UAS to surrender.

The suspect never came out of hiding or responded to the commands given to him.

Ofc. Henderson #343 deployed his K9 (see observations by Ofc. Henderson).

Ofc. Henderson #343, Ofc. Russell #483, Ofc. Moorman #621, Ofc. Novak #410, Sgt. Jarvis #3022 and I approached the suspect. I gave the suspect commands to crawl out from under the stacked concrete blocks. Officers detained the suspect without further incident and transported him to and awaiting ambulance.

On 10-18-2021, at approximately 2053 hours, I was working full uniformed patrol in a marked Sacramento Police Department "K9" vehicle. I responded to District 6 officers in the area of 8413 Jackson Rd, who were in vehicle pursuit of a reported stolen truck. The stolen vehicle, CA LIC#95864P1, had been taken after the keys were stolen in a residential burglary. I observed the following in summary:

Primary units pursued the suspect, later identified as (S) Eric Hamilton into the area of 8184 Alpine Ave where the suspect fled on foot from the stolen vehicle. The initial units advised that the suspect was wearing a white shirt and blue jeans.

CHP AIR-21 was overhead and kept observation of (S) Hamilton as he fled and eventually concealed himself in the exterior business lot of 8221 21st Ave.

An Sacramento Sheriff unit came up on our radio and advised that multiple firearms had been stolen from the residence where the stolen vehicle had been taken from.

Responding units set up a perimeter around the location. I arrived on scene at approximately 2113 hours.

A contact team was formed at the front gate of 8221 21st Ave. I got on my patrol vehicle's P.A. and gave multiple K9 announcements for the suspect to surrender. We did not get any response.

Officer Catricala drove around the perimeter and gave additional K9 announcements for the suspect to surrender. He also advised that he gave them at the termination location of the pursuit.

CHP AIR-21 and SSD STAR (helicopter) advised that they believed that they had a location of the suspect concealed in some concrete block stacks on the north end of 8221 21st Ave.

Sgt. Jarvis and LT. Dobson came up with a contact team to attempt to make verbal contact with the suspect. Sgt. Jarvis authorized K9 use as less lethal if the suspect did not comply.

Along with multiple other Sacramento Police officers, we moved up to a position to where we could see the approximate location of the concrete blocks where (S) Hamilton was hiding. We could not see any part of him from our location. We gave multiple additional K9 announcements by voice, by P.A., and by U.A.S. equipment in the air. Officers repeatedly gave (S) Hamilton specific announcements that we knew where he was and that he needed to surrender. The suspect never attempted to surrender or make contact with us.

All of our announcements were recorded on our body worn cameras.

After additional announcements the air units advised that the suspect had still not moved and was still hiding in-between the blocks.

I based the deployment of my police service K9 on the following facts known to me at this time:

1) The outstanding suspect was wanted for a fresh felony evading crime. 2800.2(a) C.V.C.

2) The suspect collided with a center median and fled at speeds of 70MPH on City streets. Then the suspect fled on foot away from uniformed police officers, showing a high level of resistance and additionally in violation of 148(a)(1) P.C.

3) The suspect had not been searched for any weapons at this point, and it was unknown if he was armed with anything that could be utilized against any officers attempting to effect his arrest.

4) The suspect was hiding in a business lot and made no attempt to surrender to officers on scene. It was clear that the suspect was not going to make himself known or comply with our orders. It was safer for the officers on the call if the police service K9 was used to locate (S) Hamilton in hiding and apprehend him. Hamilton had an advantage of hiding in an unknown area to us during darkness.

5) The suspect posed an possible threat to nearby neighborhoods if not immediately captured.

Due to the above facts, I deployed my police service K9 to search the area of 8221 21st Ave in the area where air resources believed (S) Hamilton was concealed.

At approximately 2244 hours, K9 Ike located and apprehended (S) Hamilton as he was laying in-between two concrete stack piles. With an arrest team we moved up in attempt to view (S) Hamilton.

I yelled to (S) Hamilton to attempt to pull the K9 out to us since we still couldn't see his hiding position.

We moved up and I could see (S) Hamilton in-between two piles. I yelled to (S) Hamilton to show me his hands since it was still unknown if he had any weapons. I could see the police service K9 apprehending one of (S) Hamilton's lower legs/calf. Once I saw both of his hands and the arrest team was in a position to see him as well, I gave K9 Ike a verbal command to release. He immediately did. I then gave K9 Ike multiple commands to "heel" since I was concerned that the suspect was now putting his hands in front of K9 Ike's face and I didn't want K9 Ike to re-contact him. K9 Ike ignored (S) Hamilton's hands and came out to my side. I then took positive control of him.

Other units took custody of (S) Hamilton. I observed that (S) had sustained K9 related injuries to his right lower leg. The injuries consisted of punctures and avulsions.

The initial pursuing officers identified (S) Hamilton as the driver of the stolen vehicle.

Sacramento Fire / Medical units were staged. They were advised that the scene was clear to come in and treat (S) Hamilton. He was transported to U.C. Davis Medical center for treatment.

I later requested CSI for photographs of the suspect's injuries.

The apprehension location was an extremely large business lot. No neighbor canvass was conducted due to all of the neighboring business were closed for the night. All of the surrounding businesses were also occupied by other Sacramento police officers on perimeter locations.

I completed a red border form.

Body worn camera and in car camera activated during entire call.

No further actions.
