Laparotomy exploratory and biopsy report

06-Nov-2021 Laparotomy exploratory and biopsy - Draft

00:00 Order item: Laparotomy / Exploratory & Biopsy [221.243]

t - e = surgical procedure

Following induction of general anesthesia and surgical preparation, the patient was placed in dorsal recumbency. The abdomen was draped with four sterile drapes secured with towel clamps and a sterile laparotomy drape was placed. A 10 cm skin incision was made along the ventral midline of the abdomen from 4 cm caudal to the xiphoid process, caudally using a #10 scalpel blade. The subcutaneous tissues were then bluntly dissected using Metzenbaum scissors to reveal the linea alba. The linea was grasped with thumb forceps and incised with a #10 scalpel blade (blade facing up) in order to create a small stab incision. The incision was expanded cranially and caudally using the #10 scalpel. Two lap sponges were moistened and placed over the incision edges. On the cranial quadrant of the abdominal cavity, the diaphragm, esophageal hiatus, the gall bladder, and the lobar tree were inspected/palpated. The entire liver was palpated. The stomach, pylorus, cranial duodenum and spleen were examined. Both pancreatic limbs were examined and gently palpated. In the caudal quadrant the urinary bladder was inspected.

The intestinal tract was palpated from the pylorus, cranial duodenum, jejunum, jejunoo jejun irregular flexures, descending duodenum, jejunojejunal flexure at the duodenojejunal ligament. The ascending duodenum, duodenojejunal flexure, jejunum, ileum, ileocecal coil, region, and ascending and descending colon were evaluated. The mesenteric vasculature and lymph nodes were observed.

Omentum arising from the greater curvature of the stomach was herniated through a 6 cm laceration in the body wall, and out to the skin surface through a smaller laceration on the skin. The herniated omentum was clamped and incised along the body wall. The laceration of the body wall was closed with a single continuous patterned 3-0 PDS. Mild hemorhage was noted in the abdomen (about 250 ml of blood was aspirated from the abdomen). It was arising from a 1.5 cm laceration on the ventral surface of the spleen (about 0.5 cm deep). 3-0 PDS was used to repair the laceration in a simple continuous closure of the splenic capsule. No further hemorrhage was noted coming from the spleen. Some oozing was present from the incision area. Electrocautery was used to cauterize the oozing tissue. The abdomen was lavaged with 2 L sterile saline.

CLOSURE: The linea was closed using 2-0 PDS in a simple continuous pattern with interrupted overlays. The subcutaneous and subcuticular layers was closed together using 3-0 PDS in a five bite continuous pattern. The skin was closed with a subcuticular pattern of 2-0 mononyl. The skin laceration was closed in 1 layer with 2-0 mononyl in a simple continuous subcuticular pattern.

Hydronix was placed over the incisions.

DISCHARGE INSTRUCTIONS

Ranger is obviously a hero and we are so glad he is recovering well. He was in the hospital for emergency surgery after sustaining a stab wound while on duty. He had penetration of his abdominal wall and a laceration to his spleen but otherwise was very lucky and did not sustain any other life threatening injuries. He has recovered quickly and is doing well. I suspect the hardest part will be keeping him quiet during his recover.

Ranger needs to be exercise restricted and ideally crate rested for the next 2 weeks while he recovers. No running, jumping, or playing, and he should only be allowed outside on a leash to go to the bathroom. He needs to wear an Ecollar at all times. Once the hypafix over his incision is removed (see below) please inspect his incision twice daily and let us know if there is any significant redness, swelling, or discharge from it.

Please schedule a recheck with Dr. [NAME] or two weeks from now to recheck his incision and give him to clear before returning to duty in two weeks.

Hypafix Bandage Removal

- This covering over his abdomen can be removed on Monday. Gently peel bandage off starting with one corner. You can use a small amount of soap water, mineral oil or Skin So Soft on the edges or the bandage to help loosen it as needed. If you have concerns or prefer to have us remove the bandage, you can call and set up an appointment with a surgery technician to have it removed at no charge. You can call [PHONE NUMBER] surgery liaison M-F 9-5 to set up an appointment. (916) 361-5269

MEDICATIONS

1. Gabapentin 400mg (Fill #45, 1 refill): Give 1 capsule every 8 hours as needed for pain and sedation. This medication can cause sedation.
2. Carprofen / Rovera 75mg (Fill #10, 0 refill): Give 1 tablet every 12 hours with food. This is an NSAID that can cause GI upset. Stop this medication and contact a veterinarian if any vomiting, diarrhea, or black stool occur.
3. Clavamox 250mg (Fill #56, 0 refill): Give 4 tablets every 12 hours until gone. This is an antibiotic that should ideally be given with food.
4. Trazodone 100mg (Fill #60, 1 refill): Give 1-2 tablets every 8-12 hours as needed for sedation. This medication is to hopefully keep hi calm during his recovery as I am sure he will want to return to activity sooner than is safe for him.
5. Your pet also has a Fentanyl Patch, on his shoulder, which safely delivers a potent pain medication for 72-96 hours. The patch should be removed after 96 hours as described for safe removal and disposal. REMOVE ON WEDNESDAY MORNING>

- Side effects that you might notice include lethargy, dizziness, weakness, constipation, and slow breathing. If one of your pets ingests a patch, please call our office right away.
- This drug has different effects in people than in animals. The side effects of this drug in people include respiratory depression, which can result in serious illness or death (especially in children). Therefore, we urge
you to keep your pet away from children at all times until the patch is removed and disposed of properly.

- **Instructions for proper patch disposal:**
  - Wear rubber gloves; do not handle the patch with your bare hands.
  - Immediately fold the patch so the adhesive side of the patch adheres to itself, the patch should then be sealed in a plastic bag and placed in the garbage (where children and/or animals cannot reach) or returned to Sacramento Veterinary Referral Center or your family veterinarian for disposal.
  - Wash hands thoroughly with soap and water after removing and discarding patch.

Thank you very much for allowing us to care for your pet. Please call us if you have any questions or concerns.

SUPERIOR COURT OF CALIFORNIA

THE PEOPLE OF THE STATE OF CALIFORNIA vs

Defendant: Schroeder, Hans

CASE NO. Z1-319319
CHARGE: 417.6 PC, 6006a PC, 146a1 PC

CUSTODY NO:

REQUEST FOR BAIL ENHANCEMENT
(P.C. 1269c)

OFFICER: Prahl, #698

I, a peace officer employed by Sacramento Police (Agency), hereby make this application for the setting of a higher bail in the above-entitled matter.

I have arrested Hans Schroeder without a warrant in the County of Sacramento for the crime of Malicious Harm of a Police Animal. The amount of bail set forth in the bail schedule is $500,000.

For the reasons set forth below, I have reasonable cause to believe that the amount of bail set forth in the schedule of bail for the offense charged is insufficient to assure the above-named person's appearance. The facts and circumstances in support of my belief are as follows:

Over the course of the last month, Schroeder has been the source of no less than a dozen calls for service in his neighborhood. Schroeder's behavior has become more erratic and has escalated into violence. Schroeder has been harassing multiple residents by pounding on their doors and pelting in their windows. A few neighbors have sought the help of Sheriff's deputies to deal with his behavior. Schroeder has escalated to making death threats towards his neighbors while holding weapons in his hand. Schroeder lives with his mother and a sister, who watch him. Schroeder is a known associate of a police officer who has been named in this matter.

I declare under the penalty of perjury that the foregoing is true and correct.

On Saturday, 11/6/2021, at approximately 0045 hours, I, Ofc. Gardner #440, contacted suspect Hans Schroeder in the back of an ambulance while enroute to UC Davis Medical Center, and obtained his Mirandized statement. I read (S) Schroeder his Miranda Advisement verbatim via my department Miranda card (SPD133). (S) Schroeder stated "yes" after each question I asked from the card to confirm he understood the advisement. My body worn camera was activated during this interview. (S) Schroeder stated the following in summary:

I heard the Officers tell my mom and sister to come out. I put my airpods in and went in my room.

The reason I came out with a weapon is because I have been getting terrorized in my own home. I went out of the house just to go into the yard to leave because my mom and sister were going to leave.

I did not know the cops were in the back until the dog bit me.

Nothing else hit me other than the dog.

I had an old beat up hatchet and a chef's knife when I came outside. I had both the knife and the hatchet in my left hand. I dropped them both before the dog got to me.

The dog did not get stabbed, the knife was on the ground.

**I later recontacted (S) Schroeder at UC Davis Medical Center and obtained a further statement. I asked (S) Schroeder if he needed me to read his Miranda advisement again, however, he advised that he remembered the earlier advisement and did not need to hear it again.**

My sister came to my bedroom door and said the cops were coming. I did not know why the cops were coming. She did not know why they were coming either. Shortly after, I heard a helicopter over the house.

I stayed in my room and called 911. The dispatcher connected me with an Officer that was out front of the house. The Officer was asking what they could do to end the situation. I told them all they had to do was bring my girls to me. By this I meant I wanted them to bring my prospective girlfriends/wives to me. They are Ariana Grande, Selena Gomez, and Cimerelle. The Officer asked what else I needed, and I told him I needed my girls, a car, keys to my house, and money. I went and lied back in bed and waited for my girls to come.

I heard Officers making announcements with their PA that I needed to come out front. So I called 911 and asked Officers what happened to our agreement. That is when I heard people enter the house. I do not know who they were. I heard a ruckus in the hall next to my room, and I heard these people doing something to my sister and mom. It sounded like my sister and mom were being escorted out so I decided to leave out the back because I would have had to go past the people.

The house behind me is vacant and the fence boards are out. I was going to go for some exercise and walk. Because the cops said they were not leaving, I was going to leave to diffuse the situation.
I knew there were Officers still out front.

I armed myself with a knife and a hatchet because someone broke into the patio before so I took them with me for protection. I was going to leave them in the yard of the vacant house. I got a short distance from the house and I looked back to see if anyone was following me.

I saw a dog come over the fence and the fence come down. So I dropped everything and put my arm out to protect myself from the dog. The dog bit me in the arm and we went to the ground. I figured people were behind the fence when it was pushed over. I knew it was not just a dog jumping the fence. I saw silhouettes as the fence came down, and realized there was at least 2 bodies. I was unable to tell who they were. I do not recall them saying anything. When the dog had me, the people grabbed my arms. That is when I saw the uniforms, and realized they were Police Officers.

I was handcuffed on my stomach and then they rolled me on my back and helped me stand up.
On Thursday, 11/6/2021, at approximately 2203 hours, Ofc. Thompson #915, and I, Ofc. Gardner #440, were dispatched to 9th Ave. to assist Officers already on scene with an attempt pick-up of a known wanted subject. Per the text of the call, neighbors had called in advising suspect Hans Schroeder was on a neighbors porch. We arrived on scene at approximately 2212 hours and observed the following in summary:

My body worn camera was activated during this investigation.

Upon arrival, we contacted 3SM6 (Sgt. Jarvis) who requested Ofc. Thompson and I join K96 (Ofc. Terman and K9 Ranger) and Ofc. Pretorius #657 who were staging in the backyard of 9th Ave., the property directly west of target house located at 9th Ave.

I retrieved a less lethal shotgun from our patrol vehicle prior to going to the backyard of 9th Ave. I joined Ofc. Pretorius and K96 in the backyard to assist in containing the south side of 9th Ave.

While in the yard K96 advised he that based upon the active violent felony warrant, he would send his Police K9 if suspect Hans Schroeder (DOB:4/8/63) exited the back of the residence and attempted fight or flee.

3SM6 authorized the use of combined less lethal if (S) Schroeder exited the residence in an effort to prevent a possible lethal encounter with a subject with an active felony warrant.

K96, Ofc. Pretorius, Ofc. Thompson and I made a plan to use the combined less lethal of K96's Police K9 and my less lethal shotgun if (S) Schroeder attempted to flee via the back of the residence. Once combined less lethal was used, we planned to enter the backyard and safely take (S) Schroeder into custody.

It should be noted that I was already familiar with (S) Schroeder's physical appearance due to several contacts with him prior. In one of those contacts, (S) Schroeder resisted Officers attempts to go hands on and detain him. I personally was shoved by (S) Schroeder who is significantly larger than me in stature on our last encounter.

I heard Officers make numerous announcements from the front of the house via a patrol vehicle equipped with a public address system. I was able to hear the announcements clearly from the back of the house.

While on scene it appeared that (S) Schroeder was not going to exit the residence on his own power. Officers in the front of the residence advised via police radio that they were devising a plan to force entry into the residence.

As Officers began to force entry into the residence, I heard a back door of the target residence open. This back door opens to a screened in patio area. I peeked over the fence and observed a light from what appeared to be a cell phone move across the southern most screen of the patio. The light moved east through the patio toward the door to the southern exterior of the residence. I observed a male white adult I immediately recognized as (S) Schroeder exit the patio into the backyard.

I observed (S) Schroeder walk southbound across the backyard of 9th Ave. Based upon previous interactions with (S) Schroeder, I know that there is a vacant residence to the south of 9th Ave. and (S) Schroeder has gained access to this yard via broken fence.
boards in the past to leave the residence. It appeared that (S) Schroeder was walking directly toward the vacant property at 10th Ave.

I observed K96 deploy his Police K9 over the fence, at which time I leveled my less lethal beanbag shotgun at (S) Schroeder. I observed that the Police K9 had bitten onto (S) Schroeder's left arm. I observed that (S) Schroeder appeared to be trying to pull away from the Police K9 to continue his path of travel. Based upon the authorization for combined less lethal, I discharged one round from my bean bag shotgun. I was unable to see whether the round made contact with (S) Schroeder due to limited lighting.

At this point I observed Ofc. Pretorious, Ofc. Thompson, and K96 push down the fence and enter the yard. I followed them and approached (S) Schroeder. I did not fire any additional rounds from my bean bag shot gun as I no longer had a direct line of sight on (S) Schroeder.

As we approached (S) Schroeder who had now fallen to the ground, I heard one of the additional Officers yell "he has a knife."

At this point I slowed my approach and leveled my bean bag shot at (S) Schroeder again. I was unable to observe a knife at this time. As I continued my approach to (S) Schroeder, and used my weapon mounted sling to stow my less lethal shotgun on my back in preparation to gain physical control of (S) Schroeder. I observed Ofc. Thompson and Ofc. Pretorious move in to control (S) Schroeder's right arm and legs.

At this time I was able to see that (S) Schroeder did not have any weapons in his left hand so I kneeled on his left arm to control it and prevent him from reacquiring any weapons. I heard an additional Officer advise that the knife was under (S) Schroeder's person. I maintained control of (S) Schroeder's left arm and placed it behind his back once I observed that K96's Police K9 was not longer latched onto his left arm.

I assisted in detaining (S) Schroeder in handcuffs.

I observed Ofc. Thompson retrieve a hatchet and kitchen knife from near (S) Schroeder. Ofc. Thompson and I traded locations. She handed me the butcher knife to secure, and she took over maintaining control over (S) Schroeder's arm.

Officers advised via police radio that K96's Police K9 had been stabbed during the apprehension, and that they were rushing the Police K9 to the veterinary hospital for immediate medical treatment.

We walked (S) Schroeder to front yard. We walked along the east fence line of the property where Officers had to break open the side fence to assist us in getting out of the yard and get (S) Schroeder medical attention for his dog bite.

I secured the knife, hatchet, and (S) Schroeder's personal property in a patrol vehicle. Ofc. Thompson later retrieved these items and secured them in our patrol vehicle.

I returned to the backyard of 9th Ave. and observed that the projectile from my less lethal bean bag shotgun was on the ground at the base of the east fence. Based upon it's location and distance from where (S) Schroeder was standing, it appeared that the less lethal bean bag that I had previously discharged at (S) Schroeder did not make contact.

CSI later responded, photographed, and collected the projectile and the discharged shell casing. While photographing the scene CSI located a glass narcotics smoking pipe on the ground where (S) Schroeder was detained. Forensic Investigator Kopf secured the beanbag projectile, the less lethal bean bag shell casing, and the narcotics smoking pipe. She later transferred the projectile and casing to Ofc. Thompson and I.

Fire arrived on scene and transported (S) Schroeder to UC Davis Medical Center. I rode with
him in the ambulance. While in the ambulance I obtained a brief Mirandized Statement from (S) Schroeder. (S) Schroeder advised he did not recall being hit by a less lethal bean bag projectile.

Once at the hospital, I observed that (S) Schroeder had multiple puncture wounds on both the front and back of his upper left bicep. I also observed that there was an abrasion and puncture wound on the front of (S) Schroeder's left forearm, just below his elbow joint. I observed that (S) Schroeder had an additional abrasion across his left chest, just under his left pectoral muscle. This abrasion also had scratches along the entire top and bottom of the abrasion. I did not see any injuries consistent with being struck by a less lethal bean bag projectile.

Hospital staff had removed (S) Schroeder's clothing and placed it in paper bags. I retrieved (S) Schroeder's clothing which had blood on it and secured it in our patrol vehicle.

I updated 3SM6 on (S) Schroeder's injuries. Ofc. Perez #329 and Ofc. Sandoval #439 responded to UC Davis and took custody of (S) Schroeder at the hospital. Ofc. Thompson and I responded to 300 Richards Blvd. to download our body worn camera footage and obtain a replacement body worn camera. We responded back to UC Davis and retook custody of (S) Schroeder.

I obtained a further Mirandized statement from (S) Schroeder.

We stood by with (S) Schroeder until we were relieved by dayshift patrol Officers (Ofc. Wright #559 and Ofc. Zeek #417). I transferred the knife, hatchet, less lethal projectile, less lethal casing, (S) Schroeder's clothing, glass narcotics smoking pipe, and (S) Schroeder's personal property to Ofc. Zeek and Wright to later be booked as evidence. At the time of this writing, (S) Schroeder is still at UC Davis Medical Center for treatment for his injuries.

I later completed two red border forms to document a damaged bench in the yard of 9th Ave. as well as the broken fence, broken security door, broken front door, and broken side gate to 9th Ave. that were damaged when Officers forced entry. CSI photographed the damage while on scene.

3SM6, 1SM6 (Sgt. Kirtland), and LN25 (Lt. Conner) were advised of the call.

On Friday, 11/05/21 at approximately 2203 hours, Officer Gardner #0440, and I, Officer Thompson #0915 (2A65), responded to 9th Ave to assist Officers who were already on scene with an attempt pick-up of a known suspect (S-SCHROEDER, HANS, DOB: 04/08/63) who had an active violent felony warrant. We arrived on scene at approximately 2212 hours. We were driving a fully marked police vehicle and wearing full police uniforms. The following are my observations in summary:

My body worn camera and in car camera were activated and recording for the duration of the investigation.

Upon arrival 3SM6 (Sgt. Jarvis) advised Officer Gardner and I that we would be assisting K9 Officer Terman #0879, his police K9 (K9 Ranger), and Officer Pretorius #0657, who were staged in the backyard of the residence directly to the west of 9th Ave, and would be assisting them with a contact team.

Once in the backyard of 5348 9th Ave I was advised by Officer Terman that in the event S-SCHROEDER exited the rear of the house, I would be either a combined less lethal Officer with my Conducted Electronic Device (CED), or I would assist in detaining S-SCHROEDER.

Officer Terman also advised that based on S-SCHROEDER's active violent felony warrant, if S-SCHROEDER exited the rear of his residence and attempted to fight or flee that he would send his Police K9 over the fence at which point Officer Pretorius and I would be responsible for pushing the fence separating the two yards down so Officers could enter the yard and safely detain S-SCHROEDER in handcuffs.

I was already familiar with S-SCHROEDER and his physical appearance from interactions I'd had with him on previous calls for service.

While we were in the backyard I heard multiple Public Address (PA) announcements from a police vehicle that was staged at the front of the target house, advising S-SCHROEDER to exit the front of his residence and follow commands of Officers to deescalate the incident as peacefully as possible. I also heard the Officers give multiple K9 PA announcements. I was able to clearly hear all of the PA announcements given from the backyard.

Once it became apparent that S-SCHROEDER was not going to follow Officers commands and exit the front of his residence on his own accord, I heard Officers advise over the police radio that they were going to have a contact team move up to the front of the target residence and force entry.

Officers on the contact team advised over the air when they made entry into the target residence, at which point I could hear what sounded like a sliding door open. I could not see over the fence but Officer Terman, Officer Gardner, and Officer Pretorius advised that S-SCHROEDER was exiting the target residence into the backyard.

I saw Officer Terman deploy his Police K9 over the fence at which point Officer Pretorius and I pushed the fence down and entered the backyard of the target residence.

I observed the Police K9 biting S-SCHROEDER on his left arm. As we approached S-SCHROEDER I unholstered my CED however did not discharge it as I did not have a clear line of site to S-SCHROEDER.
I heard Officer Pretorius advise that S-SCHROEDER had a knife, however due to the lack of lighting I did not observe a knife.

I heard Officer Pretorius advise that the knife was underneath S-SCHROEDER at which point I got on top of S-SCHROEDER's hips in an attempt to control him so Officers could gain control of his arms.

Once Officer Gardner and Officer Pretorius had S-SCHROEDER's hands behind his back I placed S-SCHROEDER in handcuffs.

I located what appeared to be a kitchen knife with an approximate 7 inch blade and a black handle, in the grass in between S-SCHROEDER's legs. I also located what appeared to be a hatchet in the grass approximately 2 feet south east of where we detained S-SCHROEDER.

I heard Officers advised over the police radio that Officer Terman's Police K9 had suffered a stab wound and that they were rushing to the Veterinary hospital for immediate medical treatment for the Police K9.

I collected both weapons and transferred custody of them to Officer Gardner and I took over his spot in maintaining control of S-SCHROEDER. I assisted Officer Pretorius in searching S-SCHROEDER's person for any other weapons. No other weapons were located on S-SCHROEDER's person.

Officer Pretorius and I walked S-SCHROEDER to the front of the house and placed him in the backseat of a patrol vehicle while we awaited SFD for medical treatment.

SFD responded and transported S-SCHROEDER to UCDMC and Officer Gardner road in the ambulance to maintain custody of S-SCHROEDER.

Officer Gardner advised me that he had secured the knife and hatchet inside of a separate police vehicle. I located and collected the knife and hatchet from the separate police vehicle and secured them in the trunk of our patrol vehicle.

Officer Perez #0329 and Officer Sandoval #0439 responded to UCDMC to maintain custody of S-SCHROEDER and Officer Gardner and I responded to 300 Richards Blvd to dock our body worn cameras and retrieve new ones for the remainder of our shift.

We responded back to UCDMC where we maintained custody of S-SCHROEDER until approximately 0700 hours when Officer Wright #559 and Officer Zeek #417 relieved us and took over custody of S-SCHROEDER.
On November 8th, 2021, Det. Elliott requested some clarification regarding K9 Ranger's reaction after being stabbed. First and foremost, I have been a sworn police officer for approximately 26yrs, 14 of which I have been assigned to the K9 unit as a K9 handler and currently as the K9 Unit supervisor. I have participated in the evaluation and selection process of no less than 100 K9s, participated in several hundred hours training police K9s, POST certified K9 handler, attended hundreds of hours of outside agency K9 training courses, previously certified SKIDDS handler(SWAT/ K9 handler), and a POST certified K9 evaluator.

On average, approximately 20-30 dogs are tested before one is selected for the Sacramento Police Department Canine Unit. Temperament, sociability, stability and courage are all traits that are evaluated during the testing process. This is the best gauge to determine whether a dog will have the wherewithal to stay in the "fight" even after being severely injured. Additionally, during K9 training, the K9 never loses and is conditioned to always win during an apprehension. Lastly, when a K9 is severely injured it becomes a fight for life or death. In the K9s mind, the only way to survive is to overcome the object that is causing the harm. Human behavior is similar in the fact that when injured, some people react differently than others. Some people may scream and run away, others will stay and fight. Police K9s are selected for strong personalities and ability to work through injuries that would normally cause ordinary dogs to run away. K9 Ranger reacted exactly how we would expect a police K9 to behave even after being injured. He ignored the potentially fatal injury and did exactly what his K9 handler directed him to do, apprehend the suspect.

On 11/6/2021, I, Detective Elliott (#394), was notified of an injury that K9 Ranger endured while apprehending (S)Hans Schroeder. I am assigned to the Central Neighborhood Crimes Unit (NCU) which includes but is not limited to investigating cases involving animal cruelty.

I later reviewed this report and any all supplements.

On 11/6/2021, I spoke with K9 Sergeant Thompson several times via the telephone regarding K9 Officer Terman and his partner K9 Ranger. I asked K9 Sergeant Thompson if he could send me a copy of K9 Ranger's VCA paperwork for his treatment the night of his injury, 11/5/2021, as well photographs of his injuries, if he had any. I later received a copy of the paperwork. I blacked out K9 Officer Terman’s phone number from the paperwork for confidentiality and submitted the paperwork as a supplement to this report. I also received several photographs of K9 Ranger and his injury which I later submitted to evidence.com.

On 11/8/2021, I met with K9 Sergeant Thompson regarding this case. He later submitted his expertise in the form of a written statement to me which I submitted as a part of this report.

I also reviewed K9 Officer Terman, Officer Pretorius, Officer Gardner, and Officer Thompson’s body worn camera footage at the time K9 Ranger apprehended (S)Schroeder. I slowed down the footage to a playback speed of 0.5 and frequently paused the video. I was not present for this incident. Below are my observations regarding K9 Officer Terman’s body worn camera footage:

1. 2021-11-06 00:03:58 -0700
   K9 Officer Terman begins to deploy K9 Ranger over the fence.

2. 2021-11-06 00:04:01 -0700
   Yelling can be heard, believed to be (S)Schroeder, however K9 Officer Terman’s camera is still displaying the fence.

3. 2021-11-06 00:04:07 -0700
   The area where (S)Schroeder and K9 Ranger are become visible in the camera as officers have illuminated the area with what appears to be flashlights or another form of lighting (still frame image, labeled 3).

4. 2021-11-06 00:04:07 -0700
   Silhouettes of K9 Ranger and (S)Schroeder are visible now in the camera as the officers lighting has shifted, condensed, and/or moved. (S)Schroeder appears to be on the ground in the grass and K9 Ranger is over or to the side of (S)Schroeder’s left upper side (still frame image, labeled 4).

5. 2021-11-06 00:04:07 -0700
   K9 Ranger and (S)Schroder become more visible in the camera, showing (S)Schroeder on the grass lying on his right side. K9 Ranger appears to be on the left upper portion of (S)Schroeder which is the side of his
body that is not in contact with the ground (still frame image, labeled 5).

6. 2021-11-06 00:04:07 -0700
K9 Ranger appears to have control of (S)Schroeder's left shoulder / arm area (still frame image, labeled 6).

7. 2021-11-06 00:04:08 - 0700
(S)Schroeder moves his left leg towards K9 Ranger (still frame image, labeled 7).

8. 2021-11-06 00:04:08 -0700
Another view of the above as it appears K9 Officer Terman is moving towards the area where (S)Schroeder's feet are positioned (still frame image, labeled 8).

9. 2021-11-06 00:04:09 -0700
What appears to be a knife, possibly a butcher knife, is visible between (S)Schroeder's legs (still frame image, labeled 9).

10. 2021-11-06 00:04:10 -0700
(S)Schroeder is still on the ground in the grass on his right side. K9 Ranger is in contact and has control of (S)Schroeder left upper arm. (S)Schroeder is holding K9 Ranger's left front paw with his right hand. His left hand has a glove on it and is across the front of his body / stomach area (still frame image, labeled 10).

11. 2021-11-06 00:04:34 -0700
K9 Ranger with the assistance of K9 Officer Terman possible releases his contact with (S)Schroeder as (S)Schroeder is being taken into custody by other officers.

Below are my limited observations regarding Officer Pretorius' body worn camera footage:

12. 2021-11-06 00:04:16 -0700
(S)Schroeder is lying on his right side in the grass. K9 Ranger is in contact (S)Schroeder's left upper arm. What is believed to be the knife blade is visible between (S)Schroeder's legs (still frame taken, labeled 12).

13. 2021-11-06 00:04:18 - 0700
(S)Schroeder has transitioned to his left side as officers give him commands. K9 Ranger appears to still be in contact with (S)Schroeder. A small red area to K9 Ranger's lower left stomach area becomes visible (still frame taken, labeled 13).

14. 2021-11-06 00:04:19 -0700
The small red area to K9 Ranger's left lower stomach area becomes more visible in the camera's frame and begins to show the injury (a portion of K9 Ranger's innards) hanging from this area (still frame taken, labeled 14).

These are my limited observations of SPD Officers body worn camera and only note some of the points in the apprehension. They do not represent the incident in its entirety.

On 11/05/2021 at approx 2044 hours, I Ofc. German # 466 responded to 9th Ave. Per the text of the call a subject who lives at 9th Ave has a felony warrant for stalking and making terrorist threats to caller and another neighbor. Subject was just seen outside on another neighbors porch. Neighbor who texted caller saying they just saw this subject outside on their porch. Caller doesn't know that neighbors address. My body worn camera was on and recording for the duration of this call. The following are my observations in summary:

Upon arrival at aprox 2049 hours, I (Ofc. German #466) checked the area for the suspect Schroeder. Once officers established that S-Schroeder was inside his residence, I helped maintain a perimeter. I was on the north side of the residence.

I attempted to contacted Heidi Schroeder via telephone approx 10 times, with negative results. I left 1 voice mail advising Heidi to call into SPD Dispatch to return my call. I provided Heidi with the non emergency phone number. (916-607-5158)

I attempted to contact Dorothy Crocker via telephone approx two times, with negative results. I left 1 voice mail advising Crocker to call in to 911 to return my phone call.

I assisted with making announcements via patrol vehicle loud speaker in order to deescalate the situation and have S-Schoeder surrender peacefully to officers.

After hours of periodic announcements, Sergeant Jarvis advised we would make final announcements to all occupants of the residence. Sergeant Jarvis advised we would be forcing entry to the residence if the suspect did not surrender to officers at this time.

I used a door breaching device (RAM) to force entry into the residence of 5356 9th Ave. Sergeant Jarvis #3022 and Officers Manning #563, Stefoglo #902, Novak #410, Moorman #621 and myself all made entry in the residence. (See each individual officers observations for further)

While inside the residence I could hear yelling coming from the south portion of the residence. We were advised, by the officers in the back of the residence, that the suspect had exited the residence and was in custody.

I issued Heidi Schoeder with and citation for 148(a)(1). (Resisting, delaying or obstructing a peace officer)I provided Schoeder with her copy of the citation. (Citation Number : 1340911)

I issued Dorothy Crocker with and citation for 148(a)(1). (Resisting, delaying or obstructing a peace officer)I provided Crocker with her copy of the citation. (Citation Number : 1340910)

Neighborhood Canvas:

I spoke with the neighbor(identified as ) located at 9th Ave. advised she did have cameras, but only her husband has access to the video footage. advised
her husband was not home and in an area where he does not get cellular service. [REDACTED] advised her husband's name is [REDACTED]. [REDACTED] could not provide me with an accurate time of when [REDACTED] would return home. [REDACTED] advised me she has cameras on the north portion of the residence and one camera located on the south side of the residence. I observed the camera on the south side of the residence to point in a south/east direction towards the backyard of [REDACTED] 9th Ave. [REDACTED] advised it gets the top of the fence and she can sometimes see her neighbor in his backyard from the camera, due to him being so tall.

I provided [REDACTED] with my SPD email in order for her to email the video footage, once she is able to obtain it. [REDACTED] had previously been given the report number by another officer on scene.

I did not observe any other cameras that could have captured the incident in the backyard of [REDACTED] 9th Ave.

Follow Up Conclusion
Follow Up concluded: Yes
On Friday, 11/05/2021, at approximately 2040 hours, I, Officer Stefoglo #902, was dispatched to 9th Ave regarding a suspicious subject/suspicious circumstances call in progress. The text of the call indicated that the resident of 9th Ave that has a felony warrant for stalking and making terrorist threats (SCHROEDER, HANS PATRICK) was seen outside on another neighbors porch. While en route, dispatch advised that several other residents of nearby houses called regarding Hans Schroeder being seen outside. While I was en route, Officer Pretorious #657, Officer Manning #563, Officer Novak #410, Officer Moorman #621, Officer German #466, K9 Officer Terman #879 with his K9 partner Ranger, k9 Officer Wagstaff #922 with his k9 partner Hoss, and Sergeant Jarvis #3022 responded to the call with me. SCHROEDER, HANS PATRICK is known to reside at 5356 9th Ave. SCHROEDER, HANS PATRICK has a $1,000,000 bail Felony warrant for 422 PC (Threats to commit a crime resulting in death or great bodily injury), 646.9(A) PC (Stalking another person with the intent to cause fear), 148(A)(1) PC (Resisting or obstructing Police), with prior offenses. (Warrant Number: 3424720, 21FE018542) I arrived on scene at approximately 2050 hours. My in-car camera and body-worn camera were both activated and recorded throughout my investigation. I observed the following in summary: Upon arrival, officers checked the neighborhood in an attempt to locate Hans Schroeder. It was later discovered that Hans Schroeder had returned to his residence at 9th Ave. Officers established a perimeter around the residence. Officer Manning, Officer Novak, Officer Moorman, Officer German, K9 Officer Wagstaff, and his K9 partner Hoss maintained positions on 9th Ave facing 9th Ave. Numerous announcements were made using the patrol loudspeaker throughout the time Officers maintained the perimeter (See Officer Novak's and Officer German's observations for details regarding the announcements). While on the perimeter, Officer Novak was able to speak to Hans over the phone (see Officer Novak's observations). Officer Novak advised that while speaking to Hans over the phone, Hans told him that he was armed with a butcher's knife. An arrest team was established which consisted of Officer Manning, Officer Novak, Officer Moorman, Officer German, Sgt. Jarvis and myself. (See each individual Officer's and Sgt's observations regarding their part in the arrest team). I was designated to wield a less-lethal shotgun. Officers maintained their perimeter positions for approximately 3 hours with periodic loudspeaker announcements, contacts over the phone, and a variety of de-escalation tactics. Numerous attempts were made to gain compliance and have Hans surrender to Officers peacefully. Sgt. Jarvis advised Officer Novak to make the final loudspeaker announcements (See Officer Novak's observations for details). The announcements were made, however, Hans did not comply. The arrest team Officers then made several announcements at the front door with no response. The arrest team officers and I made force entry by breaching the front security door and front door of the residence. (See Officer German's and Officer Manning's observations). The arrest team Officers and I then entered the residence and made more announcements. We began clearing the residence one room at a time. Upon reaching the southernmost area of the residence, the Arrest team Officers located suspect Hans's mother, DOROTHY CROCKER, and the suspect Hans's sister, HEIDI SCHROEDER, in the bedroom located at the southwest corner of the residence. The southernmost room was believed to be suspect Hans's bedroom. I heard a rustling noise in the southernmost room. The Officers that maintained a perimeter south of the residence then advised that they made contact with suspect Hans. (See observations of Officers that arrested Hans). I did not make any contact with suspect Hans at any point of the investigation and arrest. I remained inside the residence while CSI photographed the scene and Officer German cited Haidi and Dorothy for obstructing Officers.

On 11/05/2021 at approximately 2042 hours, I (Ofc. Manning #563) responded to 9th Ave. regarding a suspicious subject. Per the text of the call, the complainant advised there was a subject who lives at 9th Ave. with a felony warrant for stalking and terrorist threats who was just on their front porch. The complainant advised this was second hand information from another neighbor who saw him on their porch. Our communications center received multiple other calls from residents in the area advising the same subject was out in the neighborhood. I was familiar with the subject the complainants were speaking of. I knew the subject's name to be Hans SCHROEDER (DOB: 04/08/1963) as I had responded to 9th Ave. on at least two separate occasions regarding S-SCHROEDER. I knew that S-SCHROEDER resided in the back portion of 9th Ave. and S-SCHROEDER's mother (Dorothy CROCKER DOB: 02/01/1934) resided in the front portion of 9th Ave.

While enroute to the call, I conducted a WebKPF records check which revealed S-SCHROEDER had an outstanding felony arrest warrant for 422 PC with a bail set at $1,000,000.00 (warrant #3424720) related to SPD report #21-312302.

I arrived on scene at approximately 2048 hours. My body-worn camera was activated for the duration of my investigation. I observed the following in summary:

Upon my arrival, I was hailed by a nearby resident who advised they observed S-SCHROEDER on their neighbor's property located three houses to the east of 9th Ave. They advised they had been keeping an eye on his residence and had not observed him return yet.

Officers began saturating the neighborhood to look for S-SCHROEDER but were unable to locate him.

I contacted a resident at 9th Ave, which is the neighboring house to the west of 9th Ave. The resident allowed me to enter her backyard. I entered her backyard to maintain a southern perimeter on S-SCHROEDER's residence. While maintaining my perimeter position, I observed a light turn off inside of the rear portion of 9th Ave, leading me to believe that S-SCHROEDER was inside the residence.

I was eventually relieved by Ofc. Pretorios #657 and Ofc. Terman #879. I responded to the front of 9th Ave. to supplement the custody team.

Ofc. Novak #410 and Ofc. German #466 each gave numerous announcements via a patrol car public address (PA) system for S-SCHROEDER to exit the residence and surrender to officers peacefully. Ofc. Novak spoke with S-SCHROEDER over the phone and Ofc. German attempted phone calls to S-SCHROEDER's sister, who was also believed to be inside the residence (see observations by Ofc. Novak and Ofc. German).

Ofc. Novak and Ofc. German continued giving PA announcements and attempting phone calls to S-SCHROEDER until approximately 0001 hours with no response.

As we cleared the residence, I located Dorothy CROCKER (DOB: 02/01/1934) and Heidi SCHROEDER (DOB: 12/25/1961) in a back bedroom.
S-SCHROEDER was taken into custody by other officers in the back yard of 9th Ave. (see observations by arresting offices).

Both Dorothy CROCKER and Heidi SCHROEDER refused to provide a statement and requested an attorney.

Dorothy CROCKER and Heidi SCHROEDER were issued citations for 148(a)(1) PC and released per 853.6 PC.

On 11/6/21 at approx. 0920 hours I (Officer STanionis #597) was at UC Davis Hospital on prisoner watch of Hans Schroeder. It should be noted that my body worn camera was on and activated during this contact.

I read Hans Schroeder the entirety of the Civil Harassment Restraining order protecting (FCN:4262130500440) and served him with this order.

Additionally, I read Schroeder the entirety of the temporary civil harassment order protecting (FCN:4262130000283) and served him with this order.

Upon arrival at jail, I read Schroeder his Miranda rights verbatim off my SPD #133 card. He responded "yes" to each question and gave a brief Miranda statement until I was directed by my superior to stop. He stated the following in summary:

The officer called me in the house and I told him the three things I needed to give up. Then the cops tried to get my sister and my mom to leave the house. Before I knew it they had entered the house, that's when I went out in the backyard and got attacked by the dog. I had a kitchen knife and an axe, a little hand axe when I went in the backyard. I did not stab the dog, you guys stabbed him. It wasn't me. I dropped the items before the dog even bit me. They were laying flat on the ground before the dog even got to me. I don't even believe that the dog got stabbed.

has the title of film producer. When they record me everything at my house goes over to her house and that's where all the video of me is stored. From her house is where everything gets distributed to news stations and the media.

On Friday, 11/05/2021, at approx. 2040 hours, Ofc. Moorman and I Ofc. Novak #410 were dispatched to a suspicious circumstance in progress at 9th Ave. Per the text of the call, a subject who lived at 9th Ave had a felony warrant for stalking and making terrorist threats to the complainant and another neighbor. The subject was just seen outside of another neighbors porch. The subject with the warrant was Hans Patrick Schroeder, XREF: . The neighbor who just had Hans on their porch was on the south side of the street and about houses east. The address was 9th Ave. Ofc. Moorman and I had a previous encounter with Hans, knew there were several information bulletins sent out within the Sacramento Police Department, and had knowledge that he had fought officers on previous encounters. We arrived on scene at approx. 2048 hours. Our in car camera and body worn cameras were both on and recording. I observed the following in summary.

Upon arrival, we were unable to locate Hans outside of his home, 9th Ave. I contacted the resident at 9th Ave, . She advised she did not see Hans, but was inside and was alerted by her porch camera that he was there. I observed the video that her "Blink" camera captured facing her front porch. The video showed that at approx. 2020 hours, Hans approached the porch, appeared to be calling out for someone or something, and then walked off west bound toward 9th Ave. He was not wearing any clothing besides a gray pair of underwear. advised that she texted one of her neighbors when this occurred. She emailed the video to my work email (mhnovak@pd.cityofsacramento.org), and I later booked the video at 300 Richards Blvd as evidence.

Ofc. Moorman and I were part of the contact team in front of the suspect address (9th Ave). Over the course of approx. 3 hours, I made announcements over a police vehicle loud speaker to Hans Schroeder and the residents inside of 9th Ave. I gave Hans a Sacramento Police K9 warning several times (that he may be bit by a police K9 if he runs, fights, or resists) and advised him to surrender with his hands up and nothing in them. During the same approx. 3 hours, I spoke to Hans via phone. I attempted to de-escalate the situation by tactically communicating with him and listening to what he had to say. He said many non-sensical words and phrases, as well as made demands that he wanted to be met before he would do anything. At one point, I advised him to please have his sister, Heidi, and his mother, Dorothy, exit the home and surrender to officers. I could hear over the phone that he told Heidi to leave and she advised that she was not going to. Hans also mentioned having a butcher knife that he was going to arm himself with and force police to come into his room to get "acquainted" with him. While speaking to Hans, he made it clear that he did hear the announcements from the police.

Sgt. Jarvis advised the contact team that we were going to attempt to make contact at the front door. Before the contact team and I moved up, I made multiple more announcements over the loud speaker and specifically advised Hans that he had a felony arrest warrant and we were there to take him into custody. I advised him to surrender peacefully. I also specifically told Dorothy Crocker and Heidi Schroeder that they needed to come outside of the house or they would be subject to arrest for 148 PC, resisting, obstructing, or delaying a peace officer.

I approached the door with the contact team, we breached the front door, and cleared the residence. My assignment was to be lethal cover. Ofc. Moorman was tasked with holding a shield. We contacted Heidi Schroeder and Dorothy Crocker inside of the back bedroom. I stood by with them until I was needed to transport K92's vehicle to his location.

On 11/04/2021 at approx. 2041 hrs., I, Ofc Pretorius #657 (1C67), was dispatched to 9th Ave on a call for service regarding a suspicious subject. The text of the call stated that the subject who lives at 9th Ave, Hans SCHROEDER, who had an active felony warrant (#3424720 for 422 PC with a bail of $1000000) was outside on another neighbors porch. I arrived on scene at approx, 2048 hrs., I was wearing full Police uniform and driving a marked patrol vehicle. Both my in car camera and my body worn camera were activated and recording for the duration of the investigation. I observed the following in summary:

Multiple other officers were present on scene.

I was positioned in the backyard of 9th Ave looking over the east fence onto the backyard of 5356 9th Ave. with Ofc Thompson #915 and Ofc Gardner #440 (2A65) and Ofc Terman #879 (K96). From approx. 2050 hrs to 0004 hrs., I was in the backyard where I could sporadically hear S-SCHROEDER speaking on his cellphone to Officers positioned at the front of the house. I could hear S-SCHROEDER from the inside of what appeared to be an enclosed patio with a security gate on the southside of 9th Ave. During that time multiple announcements could be heard being made by Officers advising S-SCHROEDER that his continued refusal to surrender could lead to a K9 deployment.

We received an update that S-SCHROEDER was armed with a butcher knife and stated that he would use it to defend himself against Officers.

After numerous announcements and negotiating at approx. 0004 hrs., I observed S-SCHROEDER exit the screen door of the enclosed patio on the southside of 5356 9th Ave. S-SCHROEDER began to run towards the fence line at which time Ofc Terman deployed his K9. S-SCHROEDER continued to resist apprehension and struggled with the K9, I observed Ofc Gardner deploy his less lethal Shotgun at which point I pushed down the east fence line separating 9th Ave and 9th Ave. As I approached S-SCHROEDER I observed him drop a large kitchen knife between his legs. S-SCHROEDER continued to struggle with officers until he was placed in handcuffs. Located between S-SCHROEDER's legs was a large kitchen knife and a hatchet (collected by Ofc Thompson and Ofc Gardner).

S-SCHROEDER appeared to have an injury to his left arm and stomach from the K9 deployment. Sacramento Fire Medic 6 arrived on scene and transported S-SCHROEDER to UCD for treatment.

Ofc Terman's K9 was transported to the veterinarian for a stab wound sustained while taking S-SCHROEDER into custody.

CSI arrived on scene.

Type 04 OBSERVATIONS
Subject TERMAN #879 - OBSERVATIONS
Author 4275 - TERMAN, ARIAN 0879
Related Date Nov-07-2021 14:24

On Friday, 11/5/2021, at approx. 2036 hours, I, Officer Terman #879 and my Police K9 "Ranger" responded to [redacted] 9th Ave for a suspicious circumstances call. The initial text of the call read as follows: "SUBJ WHO LIVES AT [redacted] 9TH AVE HAS A FELONY WARRANT FOR STALKING AND MAKING TERRORIST THREATS TO C AND ANOTHER NEIGH...SUBJ WAS JUST SEEN OUTSIDE ON ANOTHER NEIGH S PORCH...NEIGH WHO TEXT C SAYING THEY JUST SAW THIS SUBJ OUTSIDE ON THEIR PORCH IS UNK NAME, BUT THEIR CELL IS [redacted]...C DOESNT KNOW THAT NEIGHS ADDDR...MTF"

Additional details, including those from duplicate 911 callers in the area indicated that the subject was Hans SCHROEDER (X-[- -]).

I was personally familiar with SCHROEDER based on a prior call (SPD 21-312965) on 10/30/2021 where patrol units attempted to arrest SCHROEDER who at the time was wanted on PC charges for stalking. During this incident I observed SCHROEDER through the security screen at the front of his house (9th Ave) and heard him speaking with Officers. Ultimately, SCHROEDER was not arrested that night and units cleared the scene with no incident.

Prior to arriving on scene on 11/5/2021, I reviewed SCHROEDER's WebKPF profile which indicated that he had a 422 PC (criminal threats) felony warrant with bail set at $1,000,000. I had also reviewed an information bulletin disseminated by Sgt. Ayers which advised of his felony warrant and stated "Suspect SCHROEDER did mention that he was not going to be arrested and that he would commit suicide by cop."

Finally, per my review of SCHROEDER's SacPD RMS history he was flagged as "HAS MADE THREATS TO OFFICERS, ASSAULTIVE TOWARDS POLICE, [redacted], GENERAL CAUTION ADVISED, [redacted], VIOLENT".

While en route to the area, patrol units and an air unit advised that they were unable to locate SCHROEDER in the vicinity. It was believed that he had likely returned home to 9th Ave. Based on this belief, Officers began setting containment around the residence. Please note that prior to my arrival, Sgt. Jarvis (3SM6) had authorized the use of K9.

Upon arrival in the area K9 Ranger and I took up a rear containment position in the backyard of 9th Ave along with Officer Pretorius #657. It should be noted that I was wearing a full Police uniform and K9 Ranger was wearing a Sacramento Police K9 badge and a tactical collar with "POLICE" printed in bold reflective lettering across it.

***My body worn camera was activated for this incident***

A contact team positioned in front of 9th Ave began instructing SCHROEDER to exit the residence peacefully and surrender to Officers. SCHROEDER was given numerous announcements via a public announcement device (amplified microphone). The announcements included specific direction to exit the residence with empty hands, through the front of the residence onto the driveway on 9th Ave and to surrender peacefully. Additionally, the announcements advised SCHROEDER and his family in the residence that our intent was to arrest SCHROEDER for his felony warrant, that his house was surrounded and that we were attempting to de-escalate and resolve the incident peacefully. SCHROEDER was also clearly advised via PA numerous times that if he were to resist including specifically if he were to fight or flee that he may be bit by a Police K9.

During this time and periodically throughout the incident, contact was made with SCHROEDER
via cell phone. Officers advised that SCHROEDER stated that he was inside of his residence at [redacted] 9th Ave and that he would arm himself with a knife and defend himself against Officers. Per Officers who were speaking with SCHROEDER he sounded agitated and delusional. I could hear SCHROEDER yelling at the Officers on the phone throughout their conversations however I could not hear exactly what was being said. Ultimately, after approximately 3 hours of announcements and negotiations, SCHROEDER and his family refused to exit the residence.

A plan was formulated for the contact team on 9th Ave to move up to the front door of 5356 9th Ave and conduct a breach/hold of the front door and ultimately move through the residence in an attempt to extract SCHROEDER's family and take SCHROEDER into custody.

Officers Gardner and Thompson (ZA65) had joined Officer Pretorius, K9 Ranger and I in the backyard of [redacted] 9th Ave. Officer Gardner was armed with a less lethal bean bag shotgun. Officer Pretorius had positioned 2 garden benches along the fenceline which ran between the western side of [redacted] 9th Ave and the eastern side of [redacted] 9th Ave. Utilizing the benches to stand on and the fence as concealment I was able to clearly see the majority of the backyard of [redacted] 9th Ave.

Officers on 9th Ave made additional PA announcements to SCHROEDER, again advising SCHROEDER and his family that Officers were there to arrest SCHROEDER for his felony warrant and that if SCHROEDER were to fight or flee he may be hit by a Police K9. Additionally SCHROEDER was ordered to exit the residence with nothing in his hands. Officers moved up and breached the front door of [redacted] 9th Ave. Upon breaching, additional announcements were made. Shortly after, dispatch advised that SCHROEDER had called in to SacPD 911 call takers and was on the line.

I observed what appeared to be an illuminated cell phone screen moving at approx. waist height behind the screen windows of the back portion of [redacted] 9th Ave along the north side of the backyard. I could also hear a female voice which I believed was likely the 911 call taker on speaker phone speaking to SCHROEDER. The illuminated screen continued to move east bound along the south side of the house towards the back security door. Within moments, I observed the backdoor open and SCHROEDER peek out into the backyard. SCHROEDER then began slowly moving directly southbound through the backyard away from the contact team which had made entry into the front of [redacted] 9th Ave. SCHROEDER began walking faster, I could not see whether his hands were free of any weapons. When SCHROEDER reached the approximate midpoint of the yard moving southbound I gave K9 Ranger his command to jump the fence and apprehend SCHROEDER based on the following facts and circumstances that were known to me at the time of the incident:
- SCHROEDER had a violent felony warrant for [redacted] PC
- SCHROEDER had stated explicitly that he would arm himself with a knife and defend himself against Officers
- I was unable to visually clear SCHROEDER's hands of any weapons
- SCHROEDER had expressed an intent to resist arrest and commit suicide by cop
- SCHROEDER had demonstrated an extreme level of resistance against numerous uniformed SacPD Officers by barricading himself in his residence for approx. 3 hours and failing to comply with numerous lawful orders including warnings regarding K9 deployment
- SCHROEDER had extensive history of resisting arrest
- SCHROEDER had not been searched for weapons
- SCHROEDER was actively resisting arrest by fleeing into his backyard towards a neighboring yard to the south
- Using a Police K9 to apprehend SCHROEDER would greatly enhance officer safety and diminish SCHROEDER's opportunity to continue to flee into the neighborhood and endanger the community and other Officers
- It should be noted that I did not provide any additional warning to SCHROEDER prior to deploying K9 Ranger based on the fact that I could not verify if he was unarmed and he had made specific threats to arm himself and defend himself against Officers in addition to
prior statements regarding committing suicide by cop. Additionally, he had been provided multiple comprehensive announcements and warnings including warnings specifically regarding being bit by a Police K9 if he were to flee and that his residence was surrounded. It was also readily apparent that SCHROEDER's flight was due to the Officers breaching the front of his residence and making entry.

K9 Ranger jumped over the fence and sprinted towards SHROEDER who was approx. 20 feet away. As K9 Ranger jumped the fence SCHROEDER appeared to be alerted by the noise and turned to face the fence line and K9 Ranger. I observed that SCHROEDER had a knife in hand and I yelled "He's got a knife" several times to warn Officers Pretorious, Gardner and Thompson who were kicking down the fence. Officer Gardner fired his less lethal bean bag shotgun at SCHROEDER (see supplement). As the fence came down, K9 Ranger made contact with SCHROEDER knocking him to the ground. I moved up with my cover Officers and ordered SCHROEDER to show me both of his hands. K9 Ranger was contacting SCHROEDER on his left upper arm. I could not see SCHROEDER's hands. SCHROEDER yelled "help me" and "please don't do that". SCHROEDER was still actively resisting by attempting to get up to his knees. Officers assisted with holding SCHROEDER down in a prone position by getting on top of his legs and hips. Officer Pretorious advised that he had secured the knife. I took positive control of K9 Ranger by holding his tactical collar and gave him his command to release SCHROEDER. K9 Ranger released his hold of SCHROEDER's arm. SCHROEDER was subsequently taken into custody (see Officer's supplements). I advised via radio that SCHROEDER had attempted to flee and was taken into custody, I also requested fire paramedics respond code 3 for a dog bite.

I began walking K9 Ranger out of the backyard towards 9th Ave where I was alerted by Officers on scene that K9 Ranger was injured. I observed an approx. 4 inch wide stab wound with what appeared to be approx. 6 inches of his intestines protruding out and hanging down by his hind leg on the left side of his abdomen. Officer Wagstaff (K92) immediately transported K9 Ranger and I to VCA Bradshaw where K9 Ranger underwent emergency surgery for his stab wound.

CSI photographed K9 Ranger's injury, SCHROEDER's injuries and the backseat of my K9 SUV (see supplement).

SCHROEDER was transported to the UC Davis emergency department where he was treated for his K9 related injuries which consisted of evulsions and puncture wounds to his left abdomen and left upper arm.

SCHROEDER was interviewed by detectives (see supplement).

SCHROEDER was ultimately booked at the Sacramento County Main Jail for his outstanding warrant and other charges to include 600 PC (malicious harm of a Police K9) and 148 PC (resisting, obstructing or delaying a peace officer).

I completed a City of Sacramento Red Border form for SCHROEDER's injuries and property damage in the backyard of 9th Ave (see attached).

Sgt. Jarvis (3SM6) and Sgt. Thompson (K9SM9) were advised of the details and circumstances of this incident.

On 11-09-2021 at approximately 1230 hours, I Ofc Eyman, R. #311 made contact with witness, , via cell phone. My body worn camera was activated and recording for the duration of the investigation. provided the following statement in summary:

Yes, I was there when he got arrested. I have video of that night but it doesn't show when he actually got arrested. Your sergeant sent me a link so that I can upload the videos that I have from the incident.

Everyone in the neighborhood is in a group text and this is all of what we were saying. The texts started on Friday at 8:36 PM:

One neighbor said "Hans was just on our porch. Make sure your doors are locked and call the cops. He just came up but walked away quickly."

Another neighbor said "Please call 911 right away, he has 2 felony arrest warrants and we were told to call right away."

We called 911 and were told that 6 units were on their way.

I said "This is , I will listen for when he (Hans) gets back home."

In a couple minutes we heard the police show up. I didn't see or hear hans go back in the house.

When all of the police got here, I had them come to my door. They identified themselves as Sacramento Police and asked if they could use my backyard to look into Hans' yard. Then I heard the helicopter get here and announced several times that it was Sacramento Police Department.

, who livs 2 houses down, said Hans was at his house but walked away.

About a half hour later, officers were in my backyard.

I noticed the helicopter in the sky. We saw the shot guns getting pulled and the police dogs started barking.

About every 15 minutes I was checking my phone in the group chat for any update we could get.

I had my windows open so I could hear what was going on outside.

The officers used my benches to look over my fence. I kept checking to see if the officers were still there because I live right next door and my kids were in the back room.

I heard helicopter say "Hans Schroeder, this is the Sacramento PD. We know you are at , please come out with you hands up and nothing in your hands. We are not going anywhere."

About an hour later, we noticed it was really quiet like the helicopter had left. Then every 15 minutes, we heard more warnings over the bull horn. We heard the warnings about the police dogs, telling Hans to come out or the police dogs would bite him and if he came out
with anything in his hands, the police dogs would bite him.

We heard the communication about his demands, "please call in and we can listen to your demands". This lasted for about an hour.

At some point I could hear Hans on the phone, negotiating with the officers. I heard the officers say "Dorothy Schroeder and Heidie Schroeder, if you do not come out with your hands up and open the door, you will be charged with penal code..." I don't remember the code. They said that about 4 times.

I could hear the dogs whimpering on the side. I think there was a dog on the side of my house and they could smell my dog inside.

I heard the battering ram breaking down the door. Then we heard the bang, we weren't sure what the bang was.

Then we heard yelling, I wasn't sure if it was Hans yelling or the dog. Then I heard the police car in front of my house take off really fast.

I had 2 police officers come to my door and told me that the fence was broken and the chair was broken. I was given information on who to call to get the fence fixed. I was asked about camera footage and told the officer that the camera picks up the back of their yard. I told them that I didn't have access to the footage immediately because it goes to my husbands phone and he wasn't home at the time.

I went into my back yard and asked what happened. I was told what happened and then I went back inside after being asked to.

At about 2 o'clock in the morning there was still 1 police car left. I fell asleep and about 230 I woke up and noticed that all of the police were gone.

The whole incident was about 3 and a half hours.
On 11-06-2021 at approximately 1015 hours, I Ofc Eyman, R. #311 made contact with provided the following statement in summary:

I wasn't home when the dog got stabbed. I know Hans Schroeder has issues. A lot of people are afraid of him.

I heard the helicopter come and start giving warnings but I couldn't tell exactly what they were saying.

It was really late so I called my girlfriend who came and picked me up so I could get some sleep.

I wasn't home during the incident.

I called dispatch because I saw Hans. I saw officers arrive and start canvassing the area to make sure he wasn't in someone else's yard or house.

I heard officers give commands for Hans to come out but he refused.

I heard the officers tell Dorothy, his mom, and Heidie, his sister, to come out or they would be charged with 148 PC.

I heard the helicopter overhead, giving commands.

I saw the drone being used.

The officers knocked on Hans' front door and announced that it was the Sacramento Police Department. No one opened the door so the officers used a battering ram to break down the door.

I heard a loud pop, then I heard the dog yelp.

I saw an officer carry Ranger out to a car and leave really fast.

I saw officers walk Hans out and put him in a car.

Hans had a bunch of blood on him and I thought it was his blood at first but I think it was the dog's blood.

Then I saw officers come out and start taking photos of everything.

I have video of the entire incident that I can send to you. It is a lot of video though so I might have to cut the video up first.

I could hear Hans raging in his house. He was cussing and yelling really loud. I don't know if he was yelling at himself or someone else.

I heard 2 very loud bangs. I go to the gun range a lot so I know they weren't gun shots.

I heard the two bangs and then the dog start barking like it was released. Then it suddenly went completely silent. I didn't see anything when it went quiet, I just saw officers looking around with flashlights.

One of the neighbors sent in the group chat that he had stabbed the dog.

Before the dog was released, I could hear the officers give several warnings. They said "come out with your hands up and no weapons".

Follow Up Conclusion
Follow Up concluded: Yes
The following observations are to clarify what occurred in the backyard of 9th Ave on 11/05/2021. I, Ofc Pretorius #657 (1C67), observed the following in summary (body worn camera activated and recording for the duration of the investigation:

Prior to the deployment of the K9, a plan for apprehension was discussed. Ofc Terman stated that if S-SCHROEDER were to exit out of the security door of the enclosed patio to the south of 9th Ave in an attempt to flee he would deploy his K9 and have Ofc Gardner deploy his less lethal shotgun; myself and Ofc Thompson would then push the fence between and 9th Ave down in order to take S-SCHROEDER into custody.

When units made entry into the front of the house S-SCHROEDER exited out of the back security gate and began to run towards the south fence line. As Ofc Terman deployed his K9, at the same time as the K9 went over the fence, I saw what appeared to be a fixed blade knife in S-SCHROEDER's right hand. I pushed the fence down and as I approached S-SCHROEDER I could no longer see the knife; however, I could see the K9 jumping and bucking while S-SCHROEDER's right hand was underneath the K9's abdomen area. I could see blood coming from the K9's abdomen on the lower left side. As I got directly to the south of S-SCHROEDER and illuminated him with my flashlight I observed the knife I had previously seen fall between his legs and go beneath him as he continued to struggle with the K9.

I notified my partners of the knife and as I went to take S-SCHROEDER into custody he reached with his right hand towards the knife. I used a departmentally approved control hold to gain control of S-SCHROEDER's right arm and he was taken into custody.

END OBSERVATIONS.

This supplement serves to document additional details regarding the condition of the fence line separating [9th Ave and 9th Ave]. *It should also be noted that I erroneously documented that myself and my cover Officers were in the backyard of [9th Ave in my primary observations. We were in the backyard of 9th Ave.*

On 11/5/2021, when K9 Ranger and I arrived in the backyard of 9th Ave I almost immediately used a patio chair to stand on and assess the backyard of 9th Ave (later two wooden garden benches approx. 1.5 feet in height were used instead). Additionally, during the early stages of the incident (long prior to deploying K9 Ranger over the fence), using the garden bench as a platform, I carefully inspected the fence line that we stood in front of for hazards that may cut, stab or otherwise harm K9 Ranger or prevent him from going over the fence smoothly if I were to deploy him over the fence. I visually inspected the face of the fence, I also inspected the top of the fence both visually and using my hands to touch it. I did not observe or feel any sharp or jagged protrusions of the wood itself nor did I observe or feel any foreign objects sticking out of the wood.

When an incident affords a K9 handler time to make these assessments, it is common practice to do so to prevent unnecessary injury to your K9.

On 11/5/21 at approximately 2240 hours I (Ofc Guraydin #948) was dispatched to 9th st to assist units on scene with a UAS (unmanned aerial system) deployment. I arrived on scene and observed the following in summary:

BODY WORN CAMERA WAS ACTIVATED

Upon arrival I contacted the ground units on scene, They advised there is a subject inside of the residence of 9th St that was wanted for a felony warrant. I deployed the UAS with an altitude of approximately 100Ft. I flew above the residence in attempt to locate the subject. I was unable to locate the subject. The UAS was then inoperable due to a malfunction. I did not deploy the UAS for the remaining duration of the call.

I was advised to hold a perimeter spot and occupy the backyard of address to maintain a visual of the targeted house in case the subject came out.

Once units made entry into the residence, the target subject attempted to flee out the back door and was shortly confronted with officers in the backyard along with a K9 unit.

I observed officers apprehend the subject (refer to main report for further detail).
