MEDIA ADVISORY/NEWS RELEASE

For Immediate Release No. 20220718-058
Monday, July 18, 2022

Officer Involved Shooting - 16th Street and A Street
Below is a summary of the events known to us at this time. The investigation into this incident is in the preliminary stages, and details may change as information

becomes available.

On July 17, 2022 around 10:36 p.m., Sacramento Police Department patrol officers responded to the area of 16th Street and A Street to attempt to arrest a 42-year-old man who was known to have a felony warrant for a violation of Post Release Community Supervision (probation). When officers located that suspect in the area they attempted to gain his voluntary cooperation by talking to him but, he refused to follow officers' commands.

As officers continued to talk to the suspect, he walked away from officers, reached under a tarp and concealed his hands under a blanket. While his hands were concealed, he began to advance towards officers, telling them to drop their weapons. Officers backed up as the suspect continued to walk towards them while ignoring commands.

As the suspect approached the officers, one of them fired their duty weapon, striking the suspect. The suspect then fled from officers on foot. Officers were able to take the suspect into custody in the area of 16th Street and C Street where they rendered emergency medical aid.

The suspect sustained non-life-threatening injuries and was transported to an area hospital by the Sacramento Fire Department. After receiving medical clearance, the suspect will be booked for his felony warrant and other charges, if applicable. No officers were injured during the incident.

This investigation remains active. At this point, no weapons have been located in the immediate area of the incident.

This incident is being investigated by the Sacramento Police Department's Homicide Unit, Internal Affairs Division, and Professional Standards Unit. A response and investigation into the incident will also be conducted by the Force Investigation Team. The investigation will focus on policy, tactics, and training as it relates to the use of force. The Office of Public Safety Accountability and the Sacramento County District Attorney's Office are providing oversight by monitoring the investigation.

This incident falls under the City Council's policy on Police Use of Force as well as SB 1421. As a result, the video and audio associated with this incident will be released to the public within 30 days. Detectives are in the process of identifying and retrieving video associated with this incident.

Notice of Administrative Investigation Disposition
Officer Involved Shooting

To:
Professional Standards Unit

Incident:
Officer Involved Shooting; SPD Report #: 22-199356, Date: 07/17/2022
Involved Officer: James Summey #491

Policy Disposition:
After a comprehensive administrative investigation, it was determined that the officer acted in accordance with department policy and procedures.

Training/ Equipment/ Policy Recommendations:
During the administrative investigation, SPD management recommended additional department training regarding pre-planning, communication, and the use of resources during critical incidents and rapidly evolving events. This training was implemented in 2022 and 2023 in the form of tabletop exercises, scenario-based learning activities, supervisor training, and an officer tactics course.

Additionally, General Order 550.06 (Arrest Warrants) was updated to reflect best practices and supervisor notifications. An Attempt Pick-Up Considerations card (SPD 936) was also created as a reference list for officers to consider when making arrests.

Approved,

Katherine Lester
Chief of Police

FROM: Sacramento County District Attorney's Office

SUBJECT: Officer-Involved Shooting Case No. SPD-22-199356
Shooting Officer: SPD Officer James Summey #491
Person Shot: [redacted] (D.O.B. 1[redacted])

The District Attorney's Office, as an independent agency, has completed its investigation and review of the above-referenced officer-involved shooting. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of [redacted]. For the reasons set forth, we conclude that the shooting was lawful.

The District Attorney's Office received and reviewed written reports and other documentary items. These items include Sacramento Police Department report number 22-199356, video and audio recordings, dispatch calls, witness interviews, photographs, diagrams, evidence logs, and the Sacramento County District Attorney's Office Laboratory of Forensic Services reports.

FACTUAL SUMMARY

On July 17, 2022, at approximately 10:36 p.m., Sacramento Police Department (SPD) Officers James Summey and Alex Guevara went to the area of North 16th Street and A Street in Sacramento to serve an arrest warrant on [redacted]. [redacted] had a felony no-bail warrant for violating Post Release Community Supervision (PRCS).[1]

Officers Summey and Guevara were driving separate marked patrol vehicles and wore full SPD uniforms, with visible badges and department patches on their sleeves. Both officers were equipped with body-worn cameras. Officer Summey was armed with a department-issued Glock 17 handgun. Officer Guevara also was armed with a Glock 17.

[1] Post Release Community Supervision is a form of supervision provided to an inmate who has been released from a California Department of Corrections and Rehabilitation institution to the jurisdiction of a county agency, pursuant to Penal Code section 3455.

Officer Summey was familiar with [redacted] from three prior contacts, including one at this specific location. In each of those contacts, [redacted] was cooperative and compliant. During the last incident, Officer Summey contacted [redacted] during a vandalism investigation. [redacted] asked if the officer wanted him to "cuff up"[2] and [redacted] did so readily.

Officers Summey and Guevara were aware that [redacted] had an extensive criminal history for drugs, theft, and violence. Officer Summey also knew [redacted] was on PRCS.

[redacted] was in an encampment on the east side of the railroad track overpass above 16th Street, between C and A Streets. The officers walked up the embankment on the east side of 16th Street, on the north side of the overpass, to [redacted] encampment. The path was narrow, approximately 5 feet wide with a steep drop-off on both sides. This location was unlit. The officers illuminated the area with their flashlights.

The officers were standing approximately 10 feet away from [redacted] when they confirmed his identity. [redacted] was standing outside his tent. He had a large blanket draped over his shoulders.

Officer Summey tried to engage [redacted] in conversation and asked for his cooperation to "cuff up." [redacted] refused. Officer Summey told [redacted] he had a warrant and requested him to place his hands behind his back. [redacted] again refused to comply.

A female witness had followed the officers up the embankment. As the officers were engaging with [redacted] the female witness began speaking to him as well. She stood to the left side of Officer Guevara. She told [redacted] that he needed to listen to the two police officers.

Officer Summey continued giving verbal directions to try and get [redacted] compliance. [redacted] did not follow the officer's commands.

[redacted] walked back toward his tent area where a large plastic bin was located. Below is a photo of this plastic bin.

[2] Officer Summey understood this phrase to mean place handcuffs on [redacted].

[redacted] walked to the rear of this container, bent down out of view, and stood behind it. Officer Summey asked, "What are you doing?" He also directed [redacted] to "come here." [redacted] did not respond.

[redacted] moved the blanket off his shoulders and reached into the large bin. [redacted] began rummaging in the bin. [redacted] actions and his hands were concealed by his blanket. Officers could not see [redacted] hands. Both officers drew their firearms.

When [redacted] came up from the bin, his blanket covered his hands, and he held the blanket as if an object was concealed underneath it.

Both officers believed [redacted] retrieved an object and held it underneath his blanket. [redacted] actions in holding and pointing the object made it appear he was holding a rifle. Both Officer Guevara and Officer Summey believed [redacted] was now holding a rifle or some other object to hurt the officers. Both officers feared for their lives. They were aware of the female witness' presence and perceived her to be in danger as well.

Both officers gave [redacted] multiple commands to stop and put his hands up. [redacted] refused to obey the officers' commands.

[redacted] advanced towards the officers while appearing to hold this object under his blanket. [redacted] was pointing the object under the blanket at the officers.

As the officers were backing up, they gave multiple verbal commands telling [redacted] to stop. [redacted] ignored their commands and continued advancing toward the officers. [redacted] stated he was a "federal officer" and told the officers to put down their weapons.

[redacted] continued to ignore the officers' commands and move towards them. [redacted] pointed his blanket and unknown object directly at Officer Summey.

Officer Summey told [redacted] to "stop." [redacted] ignored this order. Officer Summey feared for his life, the safety of his partner, and the female witness. Officer Summey believed [redacted] had a firearm concealed under his blanket. Officer Summey fired two rounds from his duty gun at [redacted] [redacted] turned slightly to his right after Officer Summey's first shot.

[redacted] fell to the ground and his blanket came off him. [redacted] yelled that he did not have a gun. [redacted] did not have any object underneath his blanket.

Officer Summey saw that [redacted] was injured and said, "Let me help you." [redacted] then got up. He refused the officers' commands to stop and began running, and then walking away, south on North 16th Street toward C Street. Officers Summey and Guevara followed.

Responding Officers Shaughn Austin, Julian Rios, and Kate Haden arrived and gave [redacted] commands to stop. [redacted] remained uncooperative and did not comply. The officers were able to detain [redacted] and handcuffed him and took him into custody just north of C Street.

[redacted] was transported to the University of California, Davis Medical Center. [redacted] had two non-life-threatening bullet wounds to the back of his left shoulder.

A sample of [redacted] blood sample was taken at the hospital. The sample was later tested by the Sacramento County District Attorney's Office Laboratory of Forensic Services. The sample was found to contain methamphetamine and amphetamine.

[redacted] gave a brief voluntary statement to an SPD detective. [redacted] asked if the officer who shot him was in any trouble and said, "He's a good dude." [redacted] also stated, "I just did . . . it don't make sense. Sometimes things don't make sense."

The female witness also gave a statement to the detective. She was smoking methamphetamine in the area and did not know why she followed the officers up the embankment. Once there, [redacted] was not listening to the officers and went to his trash bin. The female witness saw something in [redacted] hands. She said the officers told [redacted] to calm down and put down whatever he had. She described [redacted] holding an object that looked like a "gun rack." But she then stated she did not know why she said that. She turned and did not see the gunshots.

Both officers' body worn cameras and in-car cameras were reviewed. All the videos depict the events consistently with the description above.

[redacted]

LEGAL ANALYSIS

An officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to affect arrest or detention, to prevent escape, or to overcome resistance. (*Tennessee v. Garner* (1985) 471 U.S. 1, 11; *Graham v. Connor* (1989) 490 U.S. 386, 396; *Kortum v. Alkire* (1977) 69 Cal.App.3d 325; California Penal Code section 835a(b); CALCRIM 2670.) The person being detained or arrested may be subjected to such restraint as is reasonably necessary for his arrest and detention and has a concomitant duty to permit himself to be detained. (*People v. Allen* (1980) 109 Cal.App.3d 981, 985; CALCRIM 2670, 2671, 2672.) Officers do not need to retreat or desist their efforts if the person they are arresting or detaining resists or threatens resistance; nor shall the officer be deemed an aggressor or lose the right to self-defense by use of reasonable force. (California Penal Code section 835a(d).)

Here, Officers Summey and Guevara went to [redacted] known location to arrest him for his outstanding warrant for a PRCS violation. [redacted] had a duty to submit and permit himself to be detained. [redacted] was uncooperative with the officers. [redacted] walked away from the officers and went to a large bin, bent down in a manner that concealed his actions, and rummaged in the bin. When [redacted] stood up, he held a blanket over his hands as if a firearm was concealed beneath it. [redacted] did not obey the officers' commands to stop and show his hands.

Both Officer Summey and Officer Guevara believed [redacted] had a firearm pointing directly at the officers. Both officers believed their lives were in danger. The officers were also concerned for the safety of the nearby female witness.

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470; California Penal Code section 835a(c)(1)(A).) An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (California Penal Code section 835a(a)(4); *Graham v. Connor* (1989) 490 U.S. 386.)

Here, [redacted] concealed his hands with a blanket as if he was holding a firearm beneath it. [redacted] pointed that directly at the officers while claiming that he was a "federal officer." [redacted] did not obey the officers' commands to stop or put up his hands.

Officer Summey believed that [redacted] intended to inflict death or serious bodily injury on him, his partner, or the female witness and would do so if not stopped immediately. Officer Summey's belief that [redacted] posed an imminent and grave threat to himself, Officer Guevara, and the female witness was reasonable given the circumstances.

CONCLUSION

As Sacramento Police Department officers attempted to take [redacted] into custody on an outstanding arrest warrant, [redacted] refused to comply with their directions, concealed his hands beneath a blanket, claimed to be a "federal officer," and pointed his hands in the officers' direction as if he was holding a firearm underneath the blanket.

Both officers feared for their lives and the life of the nearby female witness. Officer Summey fired two rounds from his firearm and ceased firing when [redacted] dropped the blanket, showing that he did not have an actual firearm. Officer Summey's actions were legally justified under these circumstances.

Accordingly, we will take no further action in this matter.

Subject: 6th Month Update for OIS (22-199356)

Good afternoon and Happy New Year, Dwight,

Today is the 6th month marker for the OIS that occurred at 16th/A St on July 17, 2022 (22-199356). This email is to provide you with an update as to the status of the case.

I have confirmed with the lead detective on this case that the report has not been finalized and has yet to be sent over to the District Attorney's Office.

Once the report is complete and has been finalized, I will send you a copy. In the meantime, should you have any questions please feel free to contact me.

Thanks,

Keri

Subject: RE: Info Needed for OIS Administrative Investigation

Good morning, Keri:

Your request for information on this OIS.

- If there was a 909 K-9, city wide, at 2215 hours, 2230 hours, and 2236 hours. If so, who?
    - K9-12 (Ofc. Michael Phelan) was the lone canine unit working citywide on the evening of July 17th.
    - 2208 hours he was out of service and not available and shown out at the K9 Kennels (which are located at the Comm Center). He remains in this status until 2241 hours.
    - 2241 hours K9-12 is shown enroute to the OIS call.
    - 2246 hours K9-12 is 909.
- All of the 909 police officers assigned to District 3 at 2215 hours, 2230 hours, and 2236 hours, with the exception of Ofc. Summey or Ofc. Guevara.
    - 2215 hours 2C33 (Ofc. Bryan McCarthy and Ofc. Ryan Mullen) is placed 909 from errand call and immediately placed out Code 7 at CalOES.
    - 2230 hours no District 3 units show 909; however 2W34 (Ofc. Kate Haden and Ofc. Shaughn Austin) who is working a special detail as an E Team unit goes 909 after clearing from a Business check call #199325 and is immediately placed back on their D0 E-Team detail.
    - 2236 hours no District 3 units show 909

As it relates to the query on the specific times you're looking for the 909 units in District 3, there are other units whose statuses change at different times during the period of time between 2215 – 2236 hours; however, 2C33 is the only patrol unit found available on those specific search times. Here's a brief sample of what I found during my range search:

- 2216 hours 1C36 (Ofc. Scott Rice) goes 909 until 2228 hours when he is shown Reporting Writing status on call #22-198992
- 2218 hours 1A35 (Ofc. Zachary Kammerer) goes 909 for approximately 1 minute after clearing off of a 415 call #22-199301 and immediately sends a message to his channel dispatcher asking to be shown on Business Check call #199325 out with the E-Team.
- 2219 hours 1A35 (Ofc. Zachary Kammerer) goes back 909 and remains in that status until 2232 hours when he is dispatched on a 933R in 6C with 1A34.
- 2222 hours 1A34 (Ofc. Catalina Hernandez) goes 909 and remains in that status until dispatched with 1A35 on the alarm call.
- 2231 hours 1C35 (Ofc. Maxwell Cooper) is placed C7
- 2233 1A34 and 1A35 clear the alarm call and are 909.
- 2240 1A34 is dispatched to the 16th/A St call. 1A35 also sends a message to the channel dispatcher that he's enroute but it doesn't look like the channel dispatcher assigned him to the call, so he eventually assisted himself on the call.

Please let me know if you need anything additional.

Kindly,

LT

Subject: Info Needed for OIS Administrative Investigation

Good morning Sir!
Hope you are doing well. I am in need of some help and am hoping that you or someone from the Comm Center may be able to assist. I am currently conducting an administrative investigation on the OIS from July 17th, 2022 (22-199356) at 2236 hours (16th/A St). I am in need of the following information by Thursday, if possible:

-If there was a 909 K-9, city wide, at 2215 hours, 2230 hours, and 2236 hours. If so, who?

-All of the 909 police officers assigned to District 3 at 2215 hours, 2230 hours, and 2236 hours, with the exception of Ofc. Summey or Ofc. Guevara.

I am sorry for the late request. I was just asked about this information and have a meeting where it will more than likely come up on Friday.
Feel free to call with any questions. Thanks again for your help!

Office of Operations – East Command

Captain Marnie Stigerts
Office of the Chief – Administrative Services

FROM: **Lieutenant Greg Galliano**
Office of the Chief – Administrative Services

SUBJECT: **Officer Involved Shooting – Training Division Follow-up**

The following employees are required to complete a *training debrief* with the appropriate subject matter experts within the training division:

- *Officer J. Summey – Discharging officer*
- *Officer A. Guevara – Witnessing Officer*

This is in relation to the following incident(s):

- *Officer involved shooting – 22-199356, 16th St. / A St., 07/17/2022*

The required topic(s) for debrief include the following:

- *Pre-planning*
- *Tactics*
- *Recognition of verbal and non-verbal ques*
- *Response options when engaging with a verbally uncooperative subject(s)*

Video and written materials from this incident may not be available to personnel not involved in the investigation. If accesses to any materials are required for the debrief, please contact the Force Investigations Team. Upon completion, complete SPD form 262 and place in the attending officer(s) training file(s) and provide a copy to the Force Investigations Team.

Sincerely,

Lieutenant Greg Galliano
Office of the Chief – Administrative Services

COMMISSION ON POST – PROFILE REPORT

The Profile Report contains confidential information.

EXPLANATION SHEET

A. PERSONAL IDENTIFICATION: Subject's personal information as indicated in POST database (EDI system)

POST ID:	Unique identification number assigned to subject by POST.
Agency:	Indicates the agency (or one of the agencies) where subject is currently employed. An "*" indicates that the subject is employed in more than one position within the same agency.
Birth Date / Sex:	Self-explanatory.
Race:	**A** = Asian **B** = African American (Black) **N** = Native American **S** = Spanish/Hispanic **W** = White **O** = Other

B. CERTIFICATES AWARDED

Cert:	Certificate serial number.
Type:	**B** = Basic **I** = Intermediate **A** = Advanced **S** = Supervisory **M** = Management **E** = Executive **R** = Reserve **D** = Public Safety Dispatcher **SX**= Specialized X (example: SA = Specialized Advanced)
Awarded:	Date certificate was issued.
Education:	Educational points or degree used for earning a certificate.
T:	Training points used for awarding the certificate.
T+:	Additional training points.
Comments:	Comments regarding training or institute(s) where subject received education.
Total Number of Certificates:	Number of certificates awarded to subject as indicated in POST database.

C. EMPLOYMENT: Subject's employment history as indicated in POST database

Hired From:	Date subject was hired or sworn into the agency.
To:	Date subject left agency (if applicable).
R*:	Reason for separation as indicated by number in the Report description.
Rank / Rank Date:	Indicates rank as translated by POST database and date subject made rank.
Agency / Agency Name:	Agency code number and name where subject is currently working or previously worked.
F/P:	Time base: **F** = Full time **P** = Part time
P/U:	Wage status: **P** = Paid **U** = Unpaid
Seas:	Provisional or seasonal employment.

D. POST TRAINING: Courses attended or completed as indicated in POST database

Comp Date:	Date course ended.
Cat:	General course category (for POST use only).
CCN:	Course Control Number.
Hrs:	Hours completed in course.
Rmb:	Reimbursement indicator: **R** = Reimbursed *(before FY 83/84 reimbursable agency not necessarily reimbursed)* **J** = Job specific * = Job specific, SALARY NOT PAID **Blank** = None or no data available
Cmp:	Completion indicator: **Blank or Y** = Course completed **N** = Course not completed **?** = Prior to 1979
Agency:	Agency where subject was employed at time of course enrollment.
School:	Training institute offering the course.
Course Name:	Course name as shown in POST database.

- At the time of the incident, Officer Guevara had been a sworn police officer for approximately 1 year and 7 months.

FIT Investigator:
Detective Keri Woolery #810

Introduction:
I, Detective Keri Woolery, am assigned to the Force Investigations Team (FIT) with the Sacramento Police Department's Professional Standards Unit (PSU). FIT's responsibilities include conducting administrative investigations of SPD use of force incidents. The scope of the investigation includes analysis of department policy, training, tactics, and equipment compared to the officer's actions within the incident. The primary objective of the FIT is to provide SPD with a standardized, professional, comprehensive, and neutral administrative investigation and policy review of use of force incidents. On 07/18/22, I was assigned the administrative investigation of the officer-involved shooting that occurred at 16th St. Street/A Street on 07/17/22, at approximately 2236 hours.

Incident Summary:

During the administrative investigation of this incident, I reviewed SPD reports, CAD events/logs, BWC footage, and detective interviews relating to SPD report number 22-199356. The following is a summary of the incident as I learned from the aforementioned material.

On Sunday, July 17th, 2022, at approximately 2228 hours, Officer James Summey and Officer Alex Guevara cleared a disturbance call at the AM PM located at 2225 16th St (SPD call #22-199255). Upon clearing the call, per both Officer Summey and Officer Guevara's statements, they had discussed conducting an Attempt Pick-Up (ATTPU) on [redacted] who had an outstanding felony warrant for a violation of his Post Release Community Supervision (PRCS). According to Officer Summey's statement, he had been monitoring the status of the warrant for one (1) or 2 (two) weeks prior to the night of July 17th, 2022.

Per the CAD, at approximately 2236 hours, Officer Summey created the Attempt Pick-Up call on his MDC. The location for the ATTPU was at 16th St./A St. The remarks of the call read as follows:

[redacted], X-[redacted], [redacted], 42, M, B, 6'02, 210 lbs, Bro, Bro, [redacted] Parole: PRCS, Alerts: (Has warrants), War Fel:1

Per the CAD, Officer Summey sent an MDC message to the dispatcher requesting that A32 (Officer Guevara) be added to the call.

No additional units were requested to assist.

Per information provided by the Public Safety Communications Manager, LaTonya McDaniel, at the time the call was created, 2236 hours, there were no District 3 units available.

It should be noted that per Officer Summey's statement, prior to the Attempt Pick-Up, he had confirmed [redacted] outstanding warrant in WebKPF. He further advised that he had prior contacts with [redacted] within the past few months at which time he had conducted a more thorough records check. As a result of the more thorough records check, Officer Summey advised that he had prior knowledge that [redacted] was on PRCS for Burglary (459 PC) but did not recall him having any violent or narcotics related arrest history.

Additionally, per Officer Guevara's statement she too had verified [redacted] warrant in WEBKPF and did not utilize any other computer systems to conduct a criminal history check on [redacted] Like Officer Summey, Officer Guevara advised that she had prior contacts with [redacted]. Per Officer Guevara's statement, she was

aware that [redacted] was on PRCS and had priors for Vandalism (594 PC), Resist, Obstruct, Delay Arrest (148 PC), and possibly Robbery (211 PC).

As mentioned previously, Officer Summey and Officer Guevara advised that they had prior contacts with [redacted] Officer Summey advised that he had three (3) prior contacts with [redacted] on which two (2) of those prior contacts Officer Guevara was with him. Both Officer Summey and Officer Guevara advised that [redacted] was never physically combative. However, on one of the calls where they encountered [redacted] officers were required to use facial recognition software to identify [redacted] because he refused to identify himself or answer any questions. Below you will find the call type, date (if known), and call number (if known) for Officer Summey and Officer Guevara's prior contacts with [redacted]:

Officer Summey:

Trespass (602 PC)	05/23/22	22-143697

Officer Summey and Officer Guevara:

Suspicious Person (927P)	06/06/22	22-156847
Vandalism (594 PC)	Unable to locate call.	

Per Officer Summey's BWC, at approximately 2238 hours, Officer Summey and Officer Guevara made their approach to [redacted] camp and walked southbound up a dirt embankment from 16th Street towards the railroad crossing north of C St. Once at the camp, Officer Summey immediately observed an individual he recognized as [redacted] based on previous contacts standing near his camp.

Per Officer Summey's BWC, Officer Summey contacted [redacted] and attempted to engage him in conversation by stating, "What's up [redacted] How you doing brother? You remember me?"

At the time of the initial contact officers made with [redacted] it was dark outside and both Officer Summey and Officer Guevara utilized their flashlights to illuminate him. [redacted] had a large blanket,

like the size of a comforter, draped around his shoulders and waist area and was holding a roll of red tape in his left hand.

Per Officer Summey's BWC, Officer Summey asked [redacted] to put his stuff down on the ground. [redacted] complied with Officer Summey's request however, [redacted] kept the blanket wrapped around his shoulders and waist.

Officer Summey continued to engage [redacted] in conversation, per his BWC. Officer Summey stated, "Remember the last time you were like cuff up? I, I just need to put some cuffs on you real quick". [redacted] asked Officer Summey "why"? to which Officer Summey replied that he would tell him in a second.

Per Officer Summey's BWC, [redacted] advised Officer Summey that he had not done anything and stated, "Im not cuffing up" multiple times.

Per Officer Guevara's BWC, Officer Guevara interjected and asked [redacted] to go to the car with her. [redacted] advised that he was not going anywhere.

Per Officer Summey's statement, when Officer Summey contacted [redacted] on a previous call, [redacted] asked Officer Summey if he wanted him in handcuffs. Officer Summey said, "yes" and [redacted] replied, "All you've got to tell me is to cuff up if you want me to cuff up." Officer Summey detained [redacted] in handcuffs with no issues. The term "cuff-up" came from this contact Officer Summey had with [redacted]

At approximately 2239 hours, Per Officer Summey's BWC, Officer Summey continued to converse with [redacted] in an attempt to gain his compliance. Officer Summey told [redacted] that he was being "reasonable" with him and advised that he wanted to talk to him about his PRCS status.

Per Officer Summey's BWC, Officer Summey stated, "[redacted] Please. Let's just make this effortless……..I don't want this to escalate at all". [redacted] responded by turning his head from left to right, indicative of a nonverbal "no".

Officer Summey asked [redacted] per BWC, "are you aware that you might have a small warrant?" [redacted] did not answer Officer Summey's question and continued talking.

Per Officer Summey's BWC, a female witness, [redacted], who was standing to [redacted] right intervened and tried to convince [redacted] to cooperate with officers. Officer Summey told [redacted] he appreciated her help and then both he and Officer Guevara asked her to step away.

At approximately 2240 hours, per Officer Summey's statement, "I (Officer Summey) felt like he

([redacted] was getting a little agitated". [redacted] told Officer Summey to have a nice day three (3) times. Per Officer Summey's BWC, Officer Summey requested that Officer Guevara ask for an additional unit. Per the CAD, Officer Guevara asked for an additional unit for an uncooperative subject.

At this time, per Officer Summey's BWC, [redacted] turned his back to the officers and walked away from them, eventually positioning himself behind a large plastic container on wheels. The container was also covered with a large tarp. Directly behind [redacted] was a tent.

Per Officer Summey's BWC, [redacted] began rummaging through the container while he was facing the officers. The distance between Officer Summey and the container that [redacted] was rummaging through was approximately 14.5 feet. This information was obtained using a measuring tool in TruView Viewer which displays 360-degree views of the scene which was taken by Forensic Investigators utilizing Map360.

Per Officer Guevara's BWC, Officer Guevara asked [redacted] "What are you doing"? two (2) times.

Per Officer Summey's BWC, Officer Summey removed his firearm from his holster followed by Officer Guevara doing the same. Both officers were now pointing their firearms towards [redacted]

Officer Summey stated during his interview that he drew his firearm because [redacted] "behavior (was) completely was not anything like I had seen before with him".

Officer Summey yelled "What are you doing? [redacted] come here. Come here. Do not. Do not."

During Officer Summey's interview with detectives, Officer Summey believed [redacted] was "yanking" out a large object.

Per Officer Guevara's BWC, it showed [redacted] hands inside of the container and then all the sudden quickly removing both hands from the container causing the tarp to lift in an upward direction. As [redacted] was doing this, both of his hands were briefly exposed until he concealed them underneath his blanket. As he was doing this, he quickly began advancing on officers while yelling at them.

During that time, Officer Summey told detectives during his interview that he believed [redacted] had now concealed an object under the blanket and was holding it "in a low ready position like you would hold a rifle or a long gun, a shotgun or something like that."

During Officer Guevara's interview with detectives, she stated, "….it looked like there was a long-possibly a rifle or maybe a stick, just something very long underneath the blanket, and that's what he was pointing at us." Officer Guevara later went on to advise the item was approximately 3 feet in length and "could have been a rifle, stick, hammer, or baseball bat". Officer Guevara believed the item was a

weapon that could harm she and/or Officer Summey. Officer Guevara articulated that [redacted] was holding the item like you would carry a rifle.

Per Officer Summey's BWC, [redacted] began walking towards the officers while he stated, "Please leave us alone". The blanket was still draped around [redacted] person.

According to Officer Guevara's BWC, with a raised voice, she yelled to [redacted] "What are you doing"?

Per Officer Summey's BWC, [redacted] stated a second time, "Im asking, can you please leave us alone"? [redacted] was still advancing by walking towards the officers while the officers were walking backwards away from [redacted]

Per both officers BWC's, multiple commands were given to [redacted] by Officer Summey and Officer Guevara for him to "Stop".

Per Officer Summey's BWC, [redacted] who was still walking towards the officers, yelled, "Lay your weapons down, sir".

According to Officer Summey's BWC, Officer Summary ordered [redacted] to "put your hands out".

> ****It should be noted that per BWC, [redacted] could be seen near [redacted] [redacted] raised her hands straight up into the air after Officer Summey provided the last order to "put your hands out".

According to Officer Summey's BWC, [redacted] then yelled, "This is a federal officer".

> **** Up until this point, [redacted] had continued advancing towards the officers, who were still walking backwards and away from him. [redacted] body, arms, and hands were concealed by the large blanket, and Officer Summey and Offier Guevara still believed that [redacted] was armed with a weapon according to their interviews with detectives.

Officer Summey ordered [redacted] to "Put your hands up", according to his BWC.

Per Officer Summey's BWC, [redacted] still with his hands concealed, raised the blanket to a position in front of him. Officer Summey ordered [redacted] to "stop"! While Officer Guevara yelled, "No. Don't do that".

According to Officer Summey's BWC, [redacted] stopped walking and then assumed a bladed stance consistent with a shooting stance. I, as police officer, recognized his stance as the Weaver Shooting Stance. Per Police 1, a shooter standing in a Weaver Shooting Stance will blade their body, placing the

foot on the firing side back and turning the support side towards the target. The shooter's strong, or firing side, arm is extended, and the support arm's elbow is bent.

According to both Officer Summey and Officer Guevara's BWC, between the two of them, [redacted] was ordered to "stop" eight times in less than 1 minute.

Per Officer Summey's BWC, [redacted] responded by stating, "put it down, sir."

An Officer Involved Shooting (OIS) ensued and Officer Summey fired two rounds from his handgun. The distance between Officer Summey and [redacted] during the officer involved shooting was approximately 18.2 feet. This information was obtained using a measuring tool in TruView Viewer which displays 360-degree views of the scene which was taken by Forensic Investigators utilizing Map360.

According to Officer Summey's BWC, [redacted] fell to the ground and immediately yelled, "I don't have a fucking weapon" multiple times as he stood up.

Per Officer Guevara's BWC and the CAD, Officer Guevara voiced out loud, "Shots fired". This information did not get broadcasted over the radio.

According to Officer Summey's BWC, [redacted] began to walk towards his tent while Officer Summey and Officer Guevara were giving multiple commands for [redacted] to stop and get on the ground. [redacted] refused to comply and continued walking away from the officers, down the embankment (westbound) towards 16th Street. [redacted] no longer had the blanket draped around his person.

Per Officer Summey's BWC, [redacted] continued to yell that he did not have a weapon and stated that he was scared.

The below is a conversation that took place between Officer Summey and [redacted]

- *Ofc. Summey* [redacted] *I am sorry that you are scared.*
- [redacted] *You did it on purpose*
- *Ofc. Summey* *No, you're holding some shit up that looks like a gun.* [redacted] *let me help you. Let me help you.*

According to Officer Guevara's BWC, dialogue continued between Officer Summey and [redacted] Officer Summey continued to tell [redacted] that he did not want to hurt him and that he wanted to help him.

[redacted] jumped from the embankment down onto the eastmost sidewalk of 16th Street and began

running southbound 16th Street towards C St. through the pedestrian tunnel.

At approximately 2242 hours, according to Officer Summey's BWC, Officer Summey and Officer Guevara followed [redacted] through the pedestrian tunnel to the sidewalk at 16th St. just north of C St.

Per the CAD, additional units responded to the area of 16th St. /C St. to establish a perimeter.

At approximately 2243 hours, [redacted] was detained in handcuffs by Ofc. Shaughn Austin #622 and Officer Summey, according to Officer Summey's BWC.

Officer Guevarra requested fire Code 3 for [redacted] who sustained gunshot wound(s) to his left shoulder blade area, per the CAD.

Responding officers learned at that time that an OIS had occurred while talking with Officer Summey and Officer Guevara. Officer Zachary Kammerer #554 broadcasted over the air that shots had been fired, per the CAD.

According to Officer Summey's BWC, Officer Julian Rios #834 began to administer medical aid to include the placement of 2 chest seals on [redacted] left shoulder blade.

Per the CAD, Sacramento Fire Department (SFD) Engine 14 arrived on scene at approximately 2250 hours and took over rendering medical aid.

Per the CAD, at approximately 2255 hours, Medic 2 transported [redacted] to UC Davis Hospital where he received further medical treatment.

Per the report, on July 18, 2022 at approximately 1038 hours, [redacted] was deemed "fit for incarceration" and released from UC Davis Hospital. Officer Dane Stapley #757 transported [redacted] to the Hall of Justice, 5770 Freeport Boulevard, to be interviewed by detectives.

At approximately 1103 hours on July 18, 2022, Detective McGovern contacted [redacted] who was seated in interview room 4. Detective McGovern read [redacted] his Miranda Rights. [redacted] declined to make a statement.

At the conclusion of the interview, Officer Stapley transported [redacted] to the Sacramento County Main Jail where he was booked on an outstanding warrant and resist, delay, obstruct arrest (148 PC).

APPLICABLE DEPARTMENT GENERAL ORDERS

The following review of the General Orders are confined to the employees within the immediate area of the Officer Involved Shooting (16th St/A St). It should be noted that this policy review is conducted in reference to the most updated versions of the General Orders that were available at the time of the incident.

- 522.02 - Emergency Care for Individuals Under Police Care or Control (At the time of the incident, last revised 05/18/2018)
- 525.07 – Body Worn Camera (At the time of the incident, last revised 01/16/2019)
- 550.06 – Arrest Warrants (At the time of the incident, last revised 03/07/2016)
- 580.02 – Use of Force (At the time of the incident, last revised 12/29/2021)
- 580.06 – De-Escalation and Planned Response (At the time of the incident, last revised 12/01/2020)
- 580.13 – Foot Pursuits (At the time of the incident, last revised 07/26/18)

Emergency Care for Individuals Under Police Care or Control (GO 522.02, revised 05/18/2018)

POLICY

It shall be the policy of the Sacramento Police Department to provide emergency medical treatment to individuals under police care or control, while ensuring their safety and that of others during treatment.

PROCEDURE

A. EMERGENCY MEDICAL TREATMENT

1. *Officers having any doubt concerning a person's condition shall request emergency medical assistance.*
2. *Officers shall provide first aid to injured parties if it can be done safely.*

Response

Officer Summey first discharged his weapon at 22:40:47 hours according to the time stamp on his BWC. After shots had been fired, [redacted] fled the scene on foot. Officers gave chase and detained [redacted] in handcuffs at 22:43:02 hours according to Officer Summey's BWC. According to Officer Summey's BWC, at 22:43:05 hours, Officer Julian Rios voiced to the officers on scene that he needed a medical aid kit as [redacted] sustained a "hit" to his back. According to the time stamp on Officer Guevara's BWC, at 22:43:08 hours she requested an emergency medical service (EMS) response Code 3 (PROCEDURE A.,1.).

According to Officer Guevara's BWC, Officer Rios immediately began rendering first aid by applying chest seals to the injured areas on [redacted] back. Sacramento City Fire Engine 14 arrived on scene at approximately 2250 hours, according to the CAD, and took over medical care. Sacramento City Fire

transported [redacted] to UCDMC for further treatment at approximately 2255 hours (PROCEDURE A.,2.).

Body Worn Camera (GO 525.07, revised 01/16/2019)

POLICY

It shall be the policy of the Sacramento Police Department to utilize a BWC in a manner that will assist in criminal investigations and prosecutions as well as civil litigation, by providing a recording of the incident that may supplement am employee's report and help document police conduct, investigations, and enforcement activity.

PROCEDURE

B. GENERAL

1. All employees issued a BWC are required to wear and use their BWCs while working in uniform.

C. EMPLOYEE RESPONSIBILITY

1. Employees issued a BWC shall be trained in the proper use of the device prior to deployment.

2. Employees issued a BWC shall:

a. Be responsible for the reasonable care and maintenance of the BWC they are issued.

b. Ensure the BWCs are functioning properly.

c. Affix their issued BWC to their uniforms above the beltline at the beginning of their shift in accordance with training and the manufacturer's guidelines. The BWC shall be worn for the entire shift.

E. REQUIRED ACTIVATION OF THE BODY-WORN CAMERA

3. Employees shall activate their BWC during investigations and enforcement activity, including evidence collection, whether self-initiated or in response to a dispatched call.

Response

All police officers on scene were issued BWC's and received training in proper deployment (PROCEDURE C., 1.). They also had their devices affixed to their uniforms in accordance with department training and the manufacture's guidelines (PROCEDURE C., 2.c.).

All police officers had their body worn cameras on and activated at the time they arrived on scene. (PROCEDURE E., 3.)

Arrest Warrants (GO 550.06, revised 03/17/2016)

POLICY

It shall be the policy of the Sacramento Police Department (SPD) to process and safely serve arrest warrants.

PROCEDURE

C. SERVICE OF ARREST WARRANTS

1. *When an arrest warrant is to be served, a minimum of two (2) officers shall make the attempted service.*
2. *Officers shall verify that a warrant is active and confirm any conditions or limitations of service by conducting a records check on the suspect (e.g. MDC, Versadex, WEBKPF, Warrants/Radio, etc).*
3. *Officers shall ensure that a call for service is generated and that the call indicates the following:*
    a. *The location of the attempted service; and*
    b. *The wanted subject's name, date of birth, X-reference number, and warrant information; to include the primary charge listed on the warrant(s)*

Response

Per the CAD, at approximately 2236 hours, Officer Summey created an Attempt Pick-Up call on his MDC. Per the CAD, Officer Summey sent an MDC message to the dispatcher requesting that A32 (Officer Guevara) be added to the call (PROCEDURE C.,1.).

Per Officer Summey's statement, prior to the Attempt Pick-Up, he confirmed [redacted] outstanding warrant in WebKPF. He advised that he had prior contacts with [redacted] within the past few months at which time he had conducted a more thorough records check. As a result of the previous records check, Officer Summey advised that he had prior knowledge that [redacted] was on PRCS for Burglary (459 PC) but did not recall him having any violent or narcotics related arrest history.

Additionally, per Officer Guevara's statement she too had verified [redacted] warrant in WEBKPF and did not utilize any other computer systems to conduct a criminal history check on [redacted] Like Officer Summey, Officer Guevara advised that she had prior contacts with [redacted] Per Officer Guevara's statement, she was aware that [redacted] was on PRCS and had priors for Vandalism (594 PC), Resist, Obstruct, Delay Arrest (148 PC), and possibly Robbery (211 PC) (PROCEDURE C.,2.).

Officer Summey created an Attempt Pick-Up call on his MDC. The location for the ATTPU was at 16th

St./A St. The remarks of the call read as follows:

[redacted], *X-*[redacted] *I*[redacted] *42, M, B, 6'02, 210 lbs, Bro, Bro,* [redacted], *Parole: PRCS, Alerts: (Has warrants), War Fel:1* (PROCEDURE C.,3.a.,and b.).

Use of Force (GO 580.02, revised 12/16/21)

POLICY

The Sacramento Police Department (SPD) values the sanctity of human life and the freedoms guaranteed by the United States and California constitutions. Use of force (UOF) by peace officers is of important concern to the community. The role of law enforcement is t osafeguard life, dignity, and liberty of all persons, without prejudice to anyone. Peace officers chall carry out duties, including UOF, in a manner that is fair and unbiased. This policy will be regularly reviewed and updated by the Professional Standards Division to reflect developing practices and procedures.

It is the policy of the Department that a peace officer is justified in using deadly force upon another person only as a last resort when reasonable alternatives have been exhauated or are not feasible and the officer reasonably believes, based on the totality of the circumstances, that such force is necessary.

This policy is based upon Assembly Bill 392 as codified in Penal Code 835a which states:

(a) *The Legislature finds and declares all of the following:*

(1) *That the authority to use physical force, conferred on peace officers by this section, is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life. The Legislature further finds and declares that every person has a rightto be free from excessive use of force by officers acting under color of law.*

(2) *As set forth below, it is the intent of the Legislature that peace officers use deadly force only when necessary in defense of human life. In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case and shall use other available resources and techniques if reasonably safe and feasible to an objectively reasonable officer.*

(3) *That the decision by a peace officer to use force shall be evaluated carefully and thoroughly, in a mannerthat reflects the gravity of that authority and the serious consequences of the use of force by peace officers, in order to ensure that officers use force consistent with law and agency policies.*

(4) *That the decision by a peace officer to use force shall be evaluated from the perspective of a reasonableofficer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make*

quick judgments about using force.

(5) *That individuals with physical, mental health, developmental, or intellectual disabilities are significantly more likely to experience greater levels of physical force during police interactions, as their disability may affect their ability to understand or comply with commands from peace officers. It is estimated thatindividuals with disabilities are involved in between one-third and one-half of all fatal encounters with law enforcement.*

(b) *Any peace officer who has reasonable cause to believe that the person to be arrested has committed apublic offense may use objectively reasonable force to effect the arrest, to prevent escape, or to overcome resistance.*

(c) *(1) Notwithstanding subdivision (b), a peace officer is justified in using deadly force upon another person only when the officer reasonably believes, based on the totality of the circumstances, that such force isnecessary for either of the following reasons:*

(A) *To defend against an imminent threat of death or serious bodily injury to the officer or to another person.*

(B) *To apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended. Where feasible, a peace officer shall, prior to the use of force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.*

(2) A peace officer shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the peace officer or to another person

(d) *A peace officer who makes or attempts to make an arrest need not retreat or desist from their efforts byreason of the resistance or threatened resistance of the person being arrested. A peace officer shall not be deemed an aggressor or lose the right to self-defense by the use of objectively reasonable force in compliance with subdivisions (b) and (c) to effect the arrest or to prevent escape or to overcome resistance.*

C. <u>VERBAL WARNING</u>

If feasible, and if doing so would not increase the danger to the peace officer or another person, the peace officer shall make every attempt to identify themselves and to issue a clear and comprehensible verbal warning before using any force that is likely to cause serious bodily injury or death, so that the subject(s) are given the opportunity to submit to the authority of the peace officer.

F. <u>CONSIDERATIONS GOVERNING USE OF DEADLY FORCE</u>

1. *Notwithstanding subsection E.1, a peace officer is justified in using deadly force upon another person only as a last resort when reasonable alternatives have been exhausted or are not feasible and the officerreasonably believes, based on the totality of the circumstances,*

that such force is necessary for either ofthe following reasons:

a. To defend against an imminent threat of death or serious bodily injury to the officer or to another person.

N. Training

1. At least annually, all sworn personnel shall receive training related to this agency's UOF policy and related legal updates for the following:

a. Legal standards for UOF

c. The use of objectively reasonable force.

f. Guidelines for the use of deadly force

Response

Officer Summey was interviewed by SPD Detective Shaun McGovern on 07/20/22 at 1314 hours at the SPD Hall of Justice. During Officer Summey's interview he made the below statements:

"I was just — I was 100 percent without a doubt he had a gun in that. Everything led me to believe he had a gun in that blanket, so I fired my duty weapon twice at him".

……

"When he was approaching me with that long rifle or whatever he had under the blanket, I was absolutely terrified. It was kind of a surreal experience. I don't really know how to explain it. Everything slowed down. I mean, the tunnel vision kind of kicked in and all I saw was him, and it was just him raising that towards me and Alex and kind of moving it towards us. I mean, it absolutely sent fear through my spine. It was a weird, tingly experience. I was just petrified that this was it, this is the last day I'm going to be here, it's my last shift. I love what I do and I just... I knew I had to stop the threat. I knew I had to do something. I knew nothing else was — I asked Guevara to get her taser, but I knew the only way I was going to stop what he's doing right now is for me to fire my service weapon".

Officer Summey was armed with a department issued Glock 17 pistol. Officer Summey last qualified with his department issued handgun on 12/22/21 (PROCEDURE F.1.a).

In 2021, all Sacramento City Police Officers attended a use of force presentation that included the review of GO 580.02. The training was put on by the Advanced Officer Training Team. Officer Summey attended the training update on October 1st, 2021. (PROCEDURE N.1.a.,c.,f.)

De-Escalation and Planned Response (GO 580.06, revised 12/01/2020)

PROCEDURE

A. GENERAL

1. PLANNING- Peace officers should attempt to arrive at the scene with a coordinated approach based upon initial information and any pre-existing knowledge of the subject(s) or the involved parties. As additional information or factors become known to the peace officer,

responding peace officers need to remain flexible and adapt to changing circumstances…

2. *TIME- Peace officers need to recognize that time is an essential element for de-escalation as it allows a peace officer the opportunity to communicate with the suspect, refine tactical plans, and if necessary, call for additional resources. Time can also provide an opportunity for the suspect to reconsider his/her actions and decisions, and aid in voluntary compliance.*
3. *ASSESMENT – Peace officers should continually assess the situation as circumstances change and additional information is received. In the event of non-compliance demonstrated by the subject, peace officers should attempt to determine whether the lack of compliance is a deliberate attempt to resist or escape, or an inability to comprehend due to environmental, physical, cognitive, or other conditions. If the subject is unable to comprehend the situation, additional resources or tactical options may be needed to safely resolve the situation (i.e. in-field mental health counselor or county clinician).*
4. *COMMUNICATE – Peace officers should recognize that every situation is fluid and unique, therefore ongoing communication and coordination between peace officers is critically important for effective response. Communication between peace officers can improve decision making under tense circumstances and increase effectiveness of coordinated actions. Peace officers should consider using the following tactics:*

- *Verbal warnings*
- *Persuasion*
- *Re-directing*
- *Asking open-ended questions*
- *Giving clear and direct orders that can be received and understood*
- *Building rapport*
- *Perspective taking (understanding the why)*
- *Finding the meaning behind the words*
- *Showing empathy*

Response

Upon arriving on scene and locating [redacted] Officer Summey immediately began engaging in conversation with [redacted] In Officer Summey's interview with Detective McGovern, Officer Summey advised that he wanted to keep talking to [redacted] even after [redacted] showed to be resistant to try and de-escalate the situation. Officer Summey later advised that as [redacted] became more "suspicious" during their interactions, Officer Summey wanted to be more transparent as to the reason why the officers were there hoping to gain compliance from [redacted] Officer Summey recognized that [redacted] actually became more agitated and requested that Officer Guevara ask for an additional unit to respond and assist. (PROCEDURE A.1.,2.,3.,4.)

Foot Pursuit (GO 580.13, revised 07/26/2018)

POLICY

It shall be the policy of the Sacramento Police Department that officer and public safety should be the overriding consideration in determining whether a foot pursuit will be initiated, continued, or

terminated. Officers should continuously assess and evaluate whether the need for apprehension justifies the risk to the safety of the officer(s), the public, and the fleeing suspect. If at any time the pursuing officer(s), or their supervisor(s), determines the risk to safety outlines in this order supersedes the need for apprehension, the foot pursuit should be terminated.

PROCEDURE

C. *FACTORS TO CONSIDER WHEN INITIATING, CONTINUING, AND TERMINATING FOOT PURSUITS*

1. *When a suspect exhibits the intention of avoiding arrest by fleeing on foot and refusing to stop, officer(s) should consider public safety and effective law enforcement to determine whether initiation of a foot pursuit is reasonable. An officer may pursue suspects only when he or she reasonably believes the suspect has committed an act that would justify a stop, investigative detention, or arrest.*

Response

Officers were conducting an attempt pick up on [redacted] who had an outstanding felony warrant for his arrest. According to Officer Summey's interview with Detective McGovern, Officer Summey observed [redacted] jump down from the "ledge" and start "running southbound on 16th" fleeing from officers. Officer Summey stated, "I knew I had a duty to care for him, and we needed to detain him and I wanted to keep eyes on him, so I jumped down, followed him through the tunnel. I heard Guevara jump down right after me, and we ran through the tunnel and maybe another 20 feet and he just kind of stopped…". Officer Summey stated, "We all approached, grabbed his arms, asked him to get to the ground, but we were just trying to control his arms, put them behind his back. We ended up cuffing him, and other units were trying to get him care at that point".

This concludes the administrative investigation of Sacramento Police Department Officer Involved Shooting (22-199356), as it relates to the following Sacramento Police Department policies:

- 522.02 - Emergency Care for Individuals Under Police Care or Control (At the time of the incident, last revised 05/18/2018)
- 525.07 – Body Worn Camera (At the time of the incident, last revised 01/16/2019)
- 550.06 – Arrest Warrants (At the time of the incident, last revised 03/07/2016)
- 580.02 – Use of Force (At the time of the incident, last revised 12/29/2021)
- 580.06 – De-Escalation and Planned Response (At the time of the incident, last revised 12/01/2020)
- 580.13 – Foot Pursuit (At the time of the incident, last revised 07/26/18)

MEMORANDUM **Sacramento Police Department**

To: Wendy Brown, Captain
Office of Investigations
Personnel Services Division

Date: July 22, 2022

Attn: Roman Murrietta, Lieutenant
Office of Specialized Services
Training Division

From: Michael Blessing, Corporal
Office of Specialized Services
Training Division, Range Master

Subject: Firearms Refresher for James Summey #491

This memorandum is submitted as record of firearms refresher training for Officer Summey. In accordance with General Order 580.02, I conducted refresher training with him at the McClellan range facility on July 22, 2022.

Officer Summey underwent firearms refresher training, due to his intentional discharge of his firearm while in the course of his duties.

Officer Summey displayed proficient weapons handling skills and successfully completed all the topics of instruction given. The refresher training covered the following topics:

Marksmanship fundamentals
Target acquisition
Reload Drills
Moving Drills
Immediate action
Malfunction Clearance
Use of cover

Please contact me if there are any questions.

Respectfully Submitted,

Michael Blessing
Range Master

522.02
EMERGENCY CARE FOR INDIVIDUALS UNDER POLICE CARE OR CONTROL
5-18-18

PURPOSE
The purpose of this order is to establish procedures for medical care for individuals under police care or control.

POLICY
It shall be the policy of the Sacramento Police Department to provide emergency medical treatment to individuals under police care or control, while ensuring their safety and that of others during treatment.

PROCEDURE
A. EMERGENCY MEDICAL TREATMENT
1. Officers having any doubt concerning a person's condition shall request emergency medical assistance.
2. Officers shall provide first aid to injured parties if it can be done safely.
3. Officers shall be aware of behaviors indicative of medical distress such as the medical condition known as excited delirium. Excited delirium is a potentially fatal condition caused by a complex set of physiological conditions, including over-exertion of the subject and inability for sufficient respiration to maintain normal blood chemistry. Indicators of excited delirium are
   a. Bizarre/aggressive behavior.
   b. Dilated pupils.
   c. Fear/panic/paranoia.
   d. High temperature.
   e. Irrational/incoherent speech.
   f. Jumping into water.
   g. Profuse sweating.
   h. Public disrobing.
   i. Self-inflicted injuries.
   j. Shivering.
   k. Inconsistent breathing patterns.
   l. Seizure.
   m. Unexpected physical strength.
   n. Sudden tranquility.
4. If officers suspect that a subject is suffering from any medical distress, including excited delirium, they should place the subject into a comfortable position (e.g., seated or supine position, etc.), and attempt to keep the subject calm and still until Emergency Medical Services (EMS) arrive and can treat the subject.
5. Officers will use their training and experience in deciding if a subject is suffering from an overdose of opioids and whether it is appropriate to deploy intra-nasal naloxone (Narcan) as directed in G.O. 522.06 (Administration of Narcan).
6. Communications personnel receiving telephone requests for ambulances shall
   a. Make every effort to determine the seriousness of the situation.
   b. Follow established procedure for dispatch of appropriate emergency medical personnel.

B. REFUSAL OF MEDICAL ATTENTION
1. The Department has no authority to force a non-arrested injured or ill person of a sound mental state to be transported to a medical facility.

2. When officers encounter a situation involving a refusal to accept medical attention, an Incident Report (SPD 107) recording the facts and circumstances shall be completed.
   EXCEPTION: See G.O. 522.01 (Handling Mentally Ill Persons).

C. EMERGENCY MEDICAL AUTHORITY
1. The highest-level paramedic/emergency medical technician (EMT) on scene is in charge and responsible for the examination, treatment, and transportation of medical patients.
2. Police supervisors and/or officers shall inform paramedics/EMTs when a patient is in lawful custody and request the patient be transported to a facility designated to handle prisoners.
3. Law enforcement does not have the authority to order anyone to stop performing cardiopulmonary resuscitation (CPR) or to interfere with a paramedic/EMT.

D. OUT-PATIENT MEDICAL CARE FOR ARRESTEES
1. An arrestee requiring outpatient emergency medical care whose condition allows transportation in a passenger vehicle shall be taken to an emergency room.
2. Sacramento County's “intent to incarcerate” forms are located inside the Prisoner Watch Kit binder. The kits are stored at the following city emergency rooms: UC Davis Medical Center, Sutter General, Mercy General, Methodist, and Kaiser South.
3. The “intent to incarcerate” form shall be completed and signed by both the treating physician and the custodial officer.
4. After treatment is rendered, officers shall transport the subject with the proper documentation to the Sacramento County Jail.

E. ADMISSION OF AN ARRESTEE TO A MEDICAL FACILITY
1. If an ambulance is required, the patient should be sent to the nearest area hospital.
2. When the subject is waiting for or receiving medical attention, officers shall
   a. Remain with the subject at all times.
   b. Obtain an estimated time for medical clearance release.
   c. Notify their supervisor of the estimated length of hospitalization to allow the supervisor to initiate arrangements for prisoner watch if needed.
3. The affected watch commander shall be responsible for staffing extended prisoner watch assignments.
4. Officers shall complete all booking paperwork and give it to the prisoner watch officer before leaving the hospital, unless other arrangements have been made through the affected watch commander.
5. In any case in which more than one consecutive officer is required for prisoner watch, all officers involved shall
   a. Ensure a Prisoner Watch Log (SPD 916) is being kept.
   b. Document all observations on the SPD 916 as to occurrences on their shift. If there is no SPD 916 available, the officer shall document his/her actions within the C.A.D. call.
   c. Document prisoner comments and actions (e.g., if they are violent or a flight risk).
   d. Liaison with hospital police or security staff regarding the prisoner watch.
   e. Keep all SPD 916 pages with the prisoner’s paperwork until the prisoner is released for incarceration. When the prisoner is released for incarceration, the SPD 916 pages shall be turned in as a report supplement by the booking officer.

525.07
BODY-WORN CAMERA
1-16-19

PURPOSE

This policy is intended to provide officers with instructions on when and how to use body-worn cameras (BWCs) so that they may reliably record their investigations and enforcement activity in accordance with the law and in order to provide accountability and transparency to the public.

POLICY

It shall be the policy of the Sacramento Police Department (SPD) to utilize a BWC in a manner that will assist in criminal investigations and prosecutions as well as civil litigation, by providing a recording of the incident that may supplement an employee's report and help document police conduct, investigations, and enforcement activity.

PROCEDURE

A. DEFINITIONS

1. On Position - Switching the on/off switch of the camera into a standby mode which allows the camera, when activated, to capture the previous 30 seconds of video.
2. Activation - Triggering the Body Worn Camera by touch or any other method, which initiates the audio and video recording functions.
3. De-Activation – Discontinuing audio and video recording and returning the camera to a standby mode in the on position.
4. BLUE TEAM (BT) – IA Pro Blue Team is Web-based computer software that allows sergeants to enter use of force incidents, pursuits, and audits from a Department computer.
5. Muting – A function of the BWC that allows for video recording while audio recording is disabled.
6. Stealth Mode – A function of the BWC where the LED indicator lights, sounds, and vibrations are disabled.

B. GENERAL

1. All employees issued a BWC are required to wear and use their BWCs while working in uniform. A "uniform" is to be considered the standard uniform of the day based on assignment. This would include, but is not limited to, any apparel (e.g., tactical/raid vests, visible badge and firearm) that identifies the wearer as a police officer.
    a. Exceptions:
        (1) Uniformed personnel attending a formal event or funeral.
        (2) Personnel working in an undercover capacity or while conducting plain clothes surveillance where the intent is not to be identified as a police officer and no enforcement action is planned.
        (3) Personnel working in an administrative assignment. However, they shall always have them readily available to use in accordance with this general order.
        (4) Personnel with express managerial approval under special circumstances.
2. BWC video recordings help provide context and capture beneficial information during police investigations and enforcement contacts with members of the public. Because BWC recordings provide only a limited perspective of the encounter, all other available evidence, such as witness statements, employee interviews, forensic analysis, and documentary evidence should be considered before any conclusions are reached.
3. BWC should assist in the following:
    a. Documenting an initial police response.

b. Collecting evidence for use in investigations and prosecutions.
c. Helping employees with completing reports and testifying in court.
d. Deterring criminal activity and uncooperative behavior during police-public interactions.
e. Promoting accountability.
f. Recording video for use in training SPD employees.
g. Documenting the performance and professionalism of SPD employees.

4. BWC video is not meant to replace or to relieve the employee from submitting any documentation as required by policy.
5. All recordings made using BWCs are the property of SPD and will not be released or disseminated to the public without the express written consent of the Chief of Police (COP) or authorized designee or unless otherwise expressly required by federal or state law.

C. EMPLOYEE RESPONSIBILITY

1. Employees issued a BWC shall be trained in the proper use of the device prior to deployment.
2. Employees issued a BWC shall:
   a. Be responsible for the reasonable care and maintenance of the BWC they are issued.
   b. Ensure the BWCs are functioning properly.
   c. Affix their issued BWC to their uniforms above the beltline at the beginning of their shift in accordance with training and the manufacturer's guidelines. The BWC shall be worn for the entire shift.
   d. Ensure their issued BWC is fully charged and has adequate video storage to complete the shift.
   e. Only use BWCs that have been approved by the Department.
   f. Ensure the BWC is placed in the on position after leaving a police facility or a detention facility.
3. Generally, employees shall begin downloading all media prior to the end of their shift; however, supervisors may approve other download schedules when appropriate.
4. When a report is generated, employees shall document their use of the BWC or ensure that it is documented by another employee. Employees are required to spell out “body-worn camera” at least once in the associated report prior to referring to the initials “BWC” later in the report.
5. Employees are authorized to review their own BWC recordings, including prior to giving a statement after being involved in a critical incident, when writing a report, testifying in court or other proceeding, or for any other official use.
6. Employees may be authorized to review other employees’ BWC recording after being involved in a critical incident.
7. Employees shall not tamper with or modify any part of the BWC system.

D. EQUIPMENT REPLACEMENT

In the event an employee’s BWC is malfunctioning, damaged, lost, or unavailable for use:

1. The employee shall notify their supervisor as soon as reasonably practical.
2. The supervisor shall issue a replacement BWC, which are available at each station.
3. The supervisor shall send an email to Public Safety Information Technology (PSIT) that includes the serial number, Blue Tag number, description of the problem, and to whom the BWC was issued.
4. Only a watch commander or higher can authorize an employee to go in service without a BWC due to an equipment shortage or malfunction.

E. REQUIRED ACTIVATION OF THE BODY-WORN CAMERA

1. This policy is not intended to describe every situation in which the BWC should be activated, but rather is designed to provide general guidance. Not all situations will start out as necessitating the activation of the BWC, nor will all events have a clear ending when the BWC is no longer necessary.

2. If immediate activation of the BWC is not feasible due to risk to the safety of the employee or others, the employee should activate the BWC as soon as it is safe to do so.
3. Employees shall activate their BWC during investigations and enforcement activity, including evidence collection, whether self-initiated or in response to a dispatched call.
4. If the BWC was not activated during an investigation or enforcement activity, or malfunctioned, the reason shall be documented on the CAD call.
5. Employees are not required to give notice they are recording when speaking with private citizens during the course and scope of their official duties, even when the contact occurs in a private residence. If asked, employees shall advise citizens they are being recorded. Moreover, employees should strongly consider advising citizens that they are being recorded as a tool to de-escalate a situation.
6. Generally, employees should not record informal or casual encounters with members of the public. Employees should consider that recording people in some circumstances may inhibit sharing information or developing strong ties between members of the community and employees.
7. Absent a deliberate intent to not comply or repeated pattern of non-compliance, the failure to activate the BWC shall not alone constitute cause for discipline.

F. DEACTIVATION OF THE BODY-WORN CAMERA

1. Once their BWC is activated, employees shall not deactivate their BWCs until the investigative or enforcement activity has concluded. If investigative or enforcement activity resumes, the employee shall re-activate the BWC and continue recording.
2. Lieutenants and above have the discretion to authorize or order officers to deactivate their BWCs when appropriate.
3. After a recorded public safety statement is obtained during an OIS the patrol sergeant will instruct involved officers to turn off their BWC so that they can be collected as evidence.
4. Employees shall audibly record the reason for deactivation in all instances.

G. RESTRICTED USE OF THE BODY-WORN CAMERA AND/OR STORED MEDIA

1. Except those instances involving a criminal investigation of department personnel, a conversation amongst Department employees shall not be intentionally recorded without all parties to the conversation being aware that it is being recorded.
2. No BWC will be intentionally activated to record Department personnel during briefings, meetings, roll calls, or while in private spaces such as locker rooms, restrooms, or any other place where a reasonable expectation of privacy exists.
3. The BWC shall not intentionally be activated to record confidential informants or undercover employees.
4. Prior to conducting a strip search, the employee shall record a 360-degree video of where the strip search will be conducted. During the strip search, the BWC will be activated to capture only audio of the event by positioning the camera away from the individual to be searched.
5. Employees should not normally record patients during medical or psychological evaluation by a clinician or similar professional or during treatment, unless necessitated by investigatory or safety concerns. Employees shall be aware of patients' rights to privacy when in hospital settings. When recording in hospitals and other medical facilities, employees should be careful to avoid recording persons other than those who are the focus of the investigations.
6. Employees shall not play back body-worn footage for citizens or the media without prior approval from the COP or authorized designee unless for investigative purposes.
7. Employees who have made an inadvertent recording may request to have that video deleted. Requests shall be submitted to their division captain.
8. Employees shall not:
   a. make copies of any recorded event for personal use.

b. use a recording device such as a cell phone camera or secondary video camera to record a BWC file or image.
c. copy, upload, or disseminate any BWC recordings publicly or privately, nor shall employees post recordings on social media for personal use.

H. SUPERVISOR RESPONSIBILITY

Supervisors shall:

1. ensure that employees issued a BWC have completed required training and are familiar with applicable policies and procedures.
2. conduct periodic inspections of employees issued BWC equipment and ensure that the BWCs are properly affixed to the employees' uniforms and fully operable.
3. have the opportunity to view recordings in the field to mitigate and address citizen complaints when necessary.
4. have access to video footage of all users. This will allow instant access when creating or reviewing a pursuit or a use of force report for training or administrative purposes.
5. conduct audits and ensure compliance in accordance with section M of this general order.

I. USE OF VIDEO FOR TRAINING

1. Recordings may be used for training purposes.
2. When a recording contains footage that may embarrass an employee, consideration should be given before the video is used for training.
3. If a video will be used for training purposes, the Department will notify the employee. If an involved employee objects to the use of a recording, the employee may object in writing through their chain of command to the COP or authorized designee to determine if the training value outweighs the employee's objection. In no event shall any recording be used for the purpose of ridiculing or embarrassing any employee.

J. BODY-WORN CAMERA RECORDING DUPLICATION

1. BWC duplications shall not be made without an approved SPD 524 (Video Request Form). The SPD 524 may be approved by:
   a. a sergeant or higher authority.
   b. the Internal Affairs Division.
   c. the Professional Standards Unit.
   d. the City Attorney's Office.
   e. a Supervising Police Records Assistant in response to a subpoena.
2. Duplication requests shall be received by the Evidence and Property Section (EPS) at least seven (7) business days prior to the date required.
3. An SPD 524 is NOT required when the BWC recording is downloaded by:
   a. a sergeant or higher authority.
   b. the Internal Affairs Division.
   c. the Professional Standards Unit.
   d. court liaison personnel.
   e. authorized PSIT personnel.
   f. employees for their own incidents for official purposes.
4. When a copy is made, the BWC software will create a traceable audit trail for that particular video that contains the date/time of the copy and employee's name and badge number. A remark in the "Notes" section shall be added to the video giving the reason for the copy and the name of the approving supervisor if required.
5. Recordings created by the BWC system are not to be booked as evidence unless they contain evidentiary information useful in investigations including, but not limited to:
   a. Homicide investigations.
   b. Officer-involved shooting investigations.

c. In-custody death investigations.
d. Major officer-involved vehicle collisions.
e. Upon the direction of a lieutenant or designee.

K. OUTSIDE LAW ENFORCEMENT AGENCY REQUESTS
1. All outside law enforcement agency requests for recordings of BWC footage or footage captured from the Air Unit shall be sent to PSU.
2. The PSU supervisor shall approve these requests. Exception: A watch commander may authorize the immediate copy and release of BWC footage to outside law enforcement agencies when it is essential to an ongoing investigation.
3. Approved requests shall be processed by EPS, except for Air Unit footage. The Air Unit supervisor can make copies of Air Unit footage when requested by PSU or EPS personnel.

L. DATA MANAGEMENT AND FILE RETENTION
1. BWC recordings will be retained for a minimum of two and a half years from the date created in accordance with the City of Sacramento Retention Schedule. Video recordings that become evidence will be kept in accordance with the crime classification listing in the City of Sacramento Retention Schedule SPD-007.
2. Any attempt to erase, alter, or tamper with the BWC or its recordings, except as authorized by law or Department policy, will be considered employee misconduct.
3. PSU shall facilitate an external audit bi-annually.
4. Digital evidence captured by BWC shall be treated as official records and handled pursuant to existing Department policies and procedures.

M. AUDIT/COMPLIANCE PROCEDURES
1. Periodic Review
   a. PSIT shall generate a BWC audit on a monthly basis and make that information accessible to all employees.
   b. Supervisors should periodically review the body worn camera audit mentioned in M(1)(a) to help determine if officers are utilizing their BWC in accordance with this policy.
2. Bi-annual Review
   a. Supervisors are required to complete a compliance review for each employee they supervise prior to the completion of the employee's mid-year and end-of-the-year performance evaluations.
   b. Supervisors shall:
      (1) Randomly choose two BWC videos for each employee they supervise which:
         (i) are at least ten minutes in duration.
         (ii) have an associated RMS report.
      (2) Compare the two videos mentioned above, along with ICC video, if captured, and the associated report, to ensure compliance with this policy.
      (3) Generate a Blue Team entry for each BWC video they review.
3. The mid-year and end-of-the-year performance evaluations will have a BWC compliance check box to be marked upon completion of the audit.

550.06
ARREST WARRANTS
03-07-16

PURPOSE
The purpose of this order is to establish procedures for the service of arrest warrants.

POLICY
It shall be the policy of the Sacramento Police Department (SPD) to process and safely serve arrest warrants.

PROCEDURE
A. GENERAL
1. Officers shall make every effort to develop information which will assist in the successful service of arrest warrants.
2. General Order 532.07 (Major Police Operations) shall be considered prior to the service of an arrest warrant.
3. Officers shall use caution, and follow departmentally approved safety protocols and General Orders when attempting an arrest/bench warrant service.
4. Before taking any action, Officers planning to make an arrest outside the city limits shall notify their supervisor and the proper jurisdiction before taking any action.
5. Upon completion of the warrant service, actions taken and information received regarding any attempted warrant service shall be documented on the due-diligence form within seven (7) days.

B. ASSIGNMENT AND NOTICE OF WARRANT
1. Lieutenants may assign warrant service packages to team sergeants by zip code and/or by utilizing WEBKPF. Warrant packages may be sent to the appropriate Watch Commander via the Warrants Unit.
2. Watch Commanders shall ensure attempted service of the warrant is made in a timely fashion.

C. SERVICE OF ARREST WARRANTS
1. When an arrest warrant is to be served, a minimum of two (2) officers shall make the attempted service.
2. Officers shall verify that a warrant is active and confirm any conditions or limitations of service by conducting a records check on the suspect (e.g., MDC, Versadex, WEBKPF, Warrants/Radio, etc).
3. Officers shall ensure that a call for service is generated and that the call indicates the following:
   a. the location of the attempted service; and
   b. the wanted subject's name, date of birth, X-reference number, and warrant information**;** to include the primary charge listed on the warrant(s).
4. The following factors shall be considered when requesting additional officers:
   a. the subject's criminal history;
   b. the crime that the suspect is currently wanted for;
   c. the location/surroundings;
   d. the proximity of possible family members or associates; and
   e. the suspect's access to weapons.
5. If the suspect is known to be inside a structure and refuses to surrender, officers shall immediately notify their supervisor.
6. To ensure officer safety, field supervisors shall:
   a. assess the situation.
   b. determine the legal authority to proceed if deemed necessary.
   c. use discretion as to the type and amount of force used.
7. The guidelines established in the Hostage Manual (RM 532.08) shall be followed if the supervisor determines that entry into the structure needs to be made.

D. WARRANTS UNIT
1. Only Warrants Unit Detectives may process warrants requiring bail.
2. Subjects with misdemeanor warrants not containing a judge's remark(s) and that are **NOT** Domestic Violence related offenses, may be referred to the Warrants Unit at HOJ.

3. Officers may advise subjects who qualify under Section D(2) to contact the Warrants Division at 916-808-0600 to make an appointment to clear out their warrant(s) and be issued a new court date.

E. OUT OF COUNTY WARRANTS:

1. When a subject has an out of county warrant, officers shall contact Warrants/Radio to confirm the warrant and confirm that the specific jurisdiction will pick up from Sacramento.
2. Once the warrant has been confirmed, Warrants/Radio will request an abstract of the warrant to be sent to the Central Warrant Repository to be entered into the county system.

F. OUT OF STATE WARRANTS:

1. When a subject has a warrant from another state, the officer shall contact Warrants/Radio to confirm the warrant.
2. Warrants/Radio will send a request to the agency verifying the want, and confirm if the agency is willing to extradite the subject from California.
3. If the agency is willing to extradite, Warrants/Radio will have the warrant sent to the Records Division.
4. Warrants/Radio will then fax the warrant to the jail, and forward the warrant, hit confirmation, and a copy of the CLETS hit to the Warrants Unit.
5. When arresting a subject for an out of state warrant, arresting officers shall use 1551.1 PC as the charge. If there are fresh local charges, those should be listed first on the booking paperwork. Officers shall include all warrant information from the CLETS hit in the narrative section on the arrest report.

   NOTE: Officers shall not contact the out of state agency themselves and bypass Warrants/Radio to have the warrant faxed to the jail. Officers shall not take into custody a subject for an out of state warrant if that state has indicated they will not extradite from California.

6. Prior to arraignment, detectives in the Warrants Unit shall prepare a DA package for the 1551.1 PC arrest.

G. ASSISTING OUTSIDE AGENCIES ON WARRANT SERVICE

1. Officers requested by an outside agency to assist in serving arrest warrants within the City shall:
   a. Identify the outside agency lead officer and the name of the agency represented.
   b. Inquire into the background of the situation leading to the proposed warrant service and the intended arrest procedure.
   c. Determine if the outside agency has the authority to arrest and notify the District Sergeant of the impending action.
2. Officers dispatched to assist agencies with concurrent jurisdiction (e.g., FBI, ATF, SSD) shall assist the outside agency in effecting the arrest.
3. Officers shall not assist the outside agency if the planned actions appear to be contrary to Department policy, established police methods, or California law. Questionable circumstances shall be referred to the officer's Sergeant for evaluation before taking direct action.
4. If the incident develops into a hostage or barricaded subject situation, the District Sergeant shall:
   a. Request that the outside agency relinquish command of the scene to the Sacramento Police Department.
      (1) SPD personnel shall not take direct action (e.g., hostage negotiations or building assaults) until complete command has been assumed.
      (2) If the scene is not relinquished to the Department, the District Sergeant shall immediately request that the Watch Commander respond to the scene to discuss and coordinate activities relating to the incident.
   b. Follow all procedures outlined in the Hostage Manual (RM 532.08).
5. Except in hostage or barricaded subject situations as outlined above, the actual incarceration or other disposition of the prisoner is the sole responsibility of the outside agency.
6. Assisting officers shall complete an incident report documenting their role in the arrest.

H. DEPARTMENT PERSONNEL WARRANTS

1. Department employees shall respond to warrants as required by law upon receiving notification.
2. If a warrant is issued for an employee, the Warrants Unit shall immediately forward the warrant information to the Office of the Chief.

580.02
USE OF FORCE
12-16-21

PURPOSE

This policy establishes guidelines for the use and application of force, as well as the procedures for after-force medical care.

POLICY

The Sacramento Police Department (SPD) values the sanctity of human life and the freedoms guaranteed by the United States and California constitutions. Use of force (UOF) by peace officers is of important concern to the community. The role of law enforcement is to safeguard life, dignity, and liberty of all persons, without prejudice to anyone. Peace officers shall carry out duties, including UOF, in a manner that is fair and unbiased. This policy will be regularly reviewed and updated by the Professional Standards Division to reflect developing practices and procedures.

It is the policy of the Department that a peace officer is justified in using deadly force upon another person only as a last resort when reasonable alternatives have been exhausted or are not feasible and the officer reasonably believes, based on the totality of the circumstances, that such force is necessary.

This policy is based upon Assembly Bill 392 as codified in Penal Code 835a which states:

(a) The Legislature finds and declares all of the following:

(1) That the authority to use physical force, conferred on peace officers by this section, is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life. The Legislature further finds and declares that every person has a right to be free from excessive use of force by officers acting under color of law.

(2) As set forth below, it is the intent of the Legislature that peace officers use deadly force only when necessary in defense of human life. In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case and shall use other available resources and techniques if reasonably safe and feasible to an objectively reasonable officer.

(3) That the decision by a peace officer to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers, in order to ensure that officers use force consistent with law and agency policies.

(4) That the decision by a peace officer to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make quick judgments about using force.

(5) That individuals with physical, mental health, developmental, or intellectual disabilities are significantly more likely to experience greater levels of physical force during police interactions, as their disability may affect their ability to understand or comply with commands from peace officers. It is estimated that individuals with disabilities are involved in between one-third and one-half of all fatal encounters with law enforcement.

(b) Any peace officer who has reasonable cause to believe that the person to be arrested has committed a public offense may use objectively reasonable force to effect the arrest, to prevent escape, or to overcome resistance.

(c) (1) Notwithstanding subdivision (b), a peace officer is justified in using deadly force upon another person only when the officer reasonably believes, based on the totality of the circumstances, that such force is necessary for either of the following reasons:

(A) To defend against an imminent threat of death or serious bodily injury to the officer or to another person.

(B) To apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended. Where feasible, a peace officer shall, prior to the use of force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

(2) A peace officer shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the peace officer or to another person.

(d) A peace officer who makes or attempts to make an arrest need not retreat or desist from their efforts by reason of the resistance or threatened resistance of the person being arrested. A peace officer shall not be deemed an aggressor or lose the right to self-defense by the use of objectively reasonable force in compliance with subdivisions (b) and (c) to effect the arrest or to prevent escape or to overcome resistance. For the purposes of this subdivision, “retreat” does not mean tactical repositioning or other de-escalation tactics.

(e) For purposes of this section, the following definitions shall apply:

(1) “Deadly force” means any use of force that creates a substantial risk of causing death or serious bodily injury, including, but not limited to, the discharge of a firearm.

(2) A threat of death or serious bodily injury is “imminent” when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the peace officer or another person. An imminent harm is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from appearances, must be instantly confronted and addressed.

(3) “Totality of the circumstances” means all facts known to the peace officer at the time, including the conduct of the officer and the subject leading up to the use of deadly force.

POLICY AND PROCEDURE

A. DEFINITIONS AND CONCEPTS

1. IMMINENT THREAT OF DEATH OR SERIOUS BODILY INJURY - A threat of death or serious bodily injury is “imminent” when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the peace officer or another person. An imminent harm is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from appearances, must be instantly confronted and addressed.
2. FEASIBLE - Reasonably capable of being done or carried out under the totality of the circumstances to successfully achieve the lawful objective without increasing risk to the peace officer or another person.

3. TOTALITY OF THE CIRCUMSTANCES – All facts known to, or perceived by, the peace officer at the time, including the conduct of the officer and the subject leading up to the UOF.
4. PROPORTIONALITY - The balance of the severity of the offense committed, the threat to public safety and the level of force needed to overcome resistance based on the totality of the circumstances known to, or perceived by, the officer at the time.
5. DE-ESCALATION - Taking action or communicating verbally or nonverbally during a potential force encounter in an attempt to stabilize the situation and reduce the immediacy of the threat so that more time, options, and resources can be called upon to resolve the situation without the UOF or with a reduction of the force necessary. De-escalation tactics include, but are not limited to, warnings, verbal persuasion, and tactical repositioning.
6. CRISIS INTERVENTION TECHNIQUES (CIT) - A collaborative approach to safely and effectively address the needs of people with mental illnesses, link them to appropriate services, and divert them from the criminal justice system if appropriate. The primary goal of CIT is to improve peace officer and mental health consumer safety while reducing injuries to peace officers and consumers during law enforcement contacts. Crisis intervention techniques include using distance, time, verbal tactics, or other tactics to de-escalate a situation.
7. REACTIVE AUTHORITY- Pre-determined set of force directives given during a critical incident, provided by the Incident Commander or designee, regarding the type of force authorized to effect an arrest, overcome resistance, prevent escape, and/or to preserve life. The reactive authority shall be consistent with current policy and law.
8. PERSONAL BODY WEAPON (PBW) - Improvised use of a part of a peace officer's body, including but not limited to the head, hands, arms, legs, and feet, as a weapon.
9. LEVELS OF RESISTANCE
    a. COMPLIANT - Subject offers no resistance.
    b. PASSIVE NON-COMPLIANCE – Subject does not respond to verbal commands but also offers no physical form of resistance.
    c. ACTIVE RESISTANCE – Subject uses evasive movements in an attempt to defeat a peace officer's attempt at control, including bracing, tensing, running away, verbally or physically signaling an intention to avoid or prevent being taken into or retained in custody.
    d. ASSAULTIVE – The subject is aggressive or combative; attempting to assault the peace officer or another person, verbally or physically displays an intention to assault the peace officer or another person.
    e. LIFE-THREATENING – The subject is taking action likely to result in serious bodily injury or death of the peace officer or another person.
10. FORCE DEFINITIONS
    a. REPORTABLE UOF - Any UOF that causes injury as defined below; any UOF whether or not it results in injury, involving the discharge of a firearm, a canine bite, or use of an impact weapon, chemical agent, or CED; and any UOF, whether or not it results in injury, that deviates from the techniques taught and the equipment provided by the department (section G.4. & G.5.).
    b. LESS LETHAL FORCE- Any force that is not reasonably likely to cause death. Less lethal force options include, but are not limited to, the use of the CED, baton, chemical agents, 40mm projectiles, bean bag shotgun rounds, personal body weapons, and control holds.
    c. DEADLY FORCE - Any use of force that creates a substantial risk of causing death or serious bodily injury, including, but not limited to, the discharge of a firearm.
11. INJURY DEFINITIONS
    a. INJURY - Any visible bodily injury or complaint of bodily injury (non-visible injury) reasonably related to the UOF applied. This type of injury does not include the temporary pain associated with the proper application of control holds and/or restraints.

b. SERIOUS BODILY INJURY- Bodily injury that involves a substantial risk of death, unconsciousness, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member or organ.

12. POSTITIONAL ASPHYXIA – Situating a person in a manner that compresses their airway and reduces the ability to sustain adequate breathing. This includes, without limitation, the use of any physical restraint that causes a person's respiratory airway to be compressed or impairs the person's breathing or respiratory capacity, including any action in which pressure or body weight is unreasonably applied against a restrained person's neck, torso, or back, or positioning a restrained person without reasonable monitoring for signs of asphyxia.
13. RETALIATION – Demotion, failure to promote to a higher position when warranted by merit, denial of access to training and professional development opportunities, denial of access to resources necessary for an officer to properly perform their duties, or intimidation, harassment, or the threat of injury while on duty of off duty.
14. INTERCEDE- For purposes of this policy, the term "intercede" includes, but is not limited to, physically stopping an excessive use of force, recording the excessive force, if equipped with a body-worn camera, and documenting efforts to intervene, efforts to deescalate the offending officer's excessive use of force, and confronting the offending officer about the excessive force during the use of force; and if the offending officer continues, reporting to dispatch or the watch commander on duty and stating the offending officer's name, unit, location, time, and situa tion, in order to establish a duty for that officer to intervene.
15. EXCESSIVE FORCE- A level of force that is found to have violated Section 835a of the Penal Code, the requirements on the use of force required by this section, or any other law or statute, including Section 835a of the Penal Code and Section 7286 of the Government Code.
16. KINETIC ENERGY PROJECTILES- For purposes of this policy, the term "kinetic energy projectiles" means any type of device designed as less lethal, to be launched from any device as a projectile that may cause bodily injury through the transfer of kinetic energy and blunt force trauma. For purposes of this section, the term includes, but is not limited to, items commonly referred to as rubber bullets, plastic bullets, beanbag rounds, and foam tipped plastic rounds.
17. CHEMICAL AGENTS- For purposes of this policy, the term "chemical agents" means any chemical that can rapidly produce sensory irritation or disabling physical effects in humans, which disappear within a short time following termination of exposure. For purposes of this section, the term includes, but is not limited to, chloroacetophenone tear gas, commonly known as CN tear gas; 2-chlorobenzalmalononitrile gas, commonly known as CS gas; and items commonly referred to as pepper balls, pepper spray, or oleoresin capsicum.

B. <u>DUTY TO INTERCEDE</u>

1. If a peace officer observes another officer using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, taking into account the possibility that other officers may have additional information regarding the threat posed by a subject, the peace officer shall intercede, when feasible to do so under the totality of the circumstances. If they do not do so, they shall be subject to discipline to the same severity as if they themselves engaged in the excessive force.
2. Peace officers shall immediately report potential excessive force to a superior officer when present and observing another officer using force that the officer believes to be beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances based upon the totality of information actually known to the officer.
3. Retaliation against a peace officer that reports a suspected violation of a law or regulation of another officer to a supervisor or IA is prohibited.

C. <u>VERBAL WARNING</u>

If feasible, and if doing so would not increase the danger to the peace officer or another person, the peace officer shall make every attempt to identify themselves and to issue a clear and comprehensible verbal warning before using any force that is likely to cause serious bodily injury or death, so that the subject(s) are given the opportunity to submit to the authority of the peace officer.

D. RENDERING MEDICAL AID

Peace officers on scene shall promptly render aid and/or summon medical assistance when reasonable and safe to do so pursuant to GO 522.02 (Emergency Care for Individuals Under Police Care or Control) when any UOF has resulted in any type of injury or death regardless of custody status.

E. USE OF FORCE DURING AN ASSEMBLY, PROTEST, OR DEMONSTRATION

1. Peace officers using kinetic energy projectiles or chemical agents during an assembly, protest, or demonstration shall ensure that such force is used pursuant to RM 532.11 (First Amendment Assembly Manual) and GO 580.12 (Less Lethal Munitions).
2. Peace officers shall only use kinetic energy projectiles or chemical agents during an assembly, protest, or demonstration if the use is objectively reasonable to defend against a threat of life or serious bodily injury to any individual, including a peace officer, or to bring an objectively dangerous and unlawful situation safely and effectively under control, and only in accordance with all of the following requirements:
    a. De-escalation techniques or other alternatives to force have been attempted, when objectively reasonable, and have failed.
    b. Repeated, audible announcements are made announcing the intent to use kinetic energy projectiles and chemical agents and the type to be used, when objectively reasonable to do so. The announcements shall be made from various locations, if necessary, and delivered in multiple languages, if appropriate.
    c. Persons are given an objectively reasonable opportunity to disperse and leave the scene.
    d. An objectively reasonable effort has been made to identify persons engaged in violent acts and those who are not, and kinetic energy projectiles or chemical agents are targeted toward those individuals engaged in violent acts. Projectiles shall not be aimed indiscriminately into a crowd or group of persons.
    e. Kinetic energy projectiles and chemical agents are used only with the frequency, intensity, and in a manner that is proportional to the threat and objectively reasonable.
    f. Officers shall minimize the possible incidental impact of their use of kinetic energy projectiles and chemical agents on bystanders, medical personnel, journalists, or other unintended targets.
    g. An objectively reasonable effort has been made to extract individuals in distress.
    h. Medical assistance is promptly provided, if properly trained personnel are present, or procured, for injured persons, when it is reasonable and safe to do so.
    i. Kinetic energy projectiles shall not be aimed at the head, neck, or any other vital organs.
    j. Kinetic energy projectiles or chemical agents shall not be used by any law enforcement agency solely due to any of the following:
        (1) A violation of an imposed curfew.
        (2) A verbal threat.
        (3) Noncompliance with a law enforcement directive.
    k. If the chemical agent to be deployed is tear gas, only a lieutenant or above at the scene of the assembly, protest, or demonstration may authorize the use of tear gas.

F. GENERAL CONSIDERATIONS GOVERNING USE OF FORCE

1. Any peace officer who has reasonable cause to believe that the person to be arrested has committed a public offense may use objectively reasonable force necessary to effect the arrest, to prevent escape, or to overcome resistance.
2. A peace officer who makes or attempts to make an arrest need not retreat or desist from his efforts by reason of the resistance or threatened resistance of the person being arrested. A peace officer shall not be deemed an aggressor or lose his right to self-defense by the use of objectively reasonable force in

compliance with subsections E.1 and F.1-2 to effect the arrest or to prevent escape or to overcome resistance. For the purposes of this paragraph, “retreat” does not mean tactical repositioning or other de-escalation tactics.

3. A peace officer shall consider the principles of proportionality in looking at the totality of the circumstances by weighing the severity of the offense, the reasonably perceived level of resistance and the need for apprehension prior to the utilization of force. A peace officer shall continually evaluate tactics when determining the appropriate UOF response.
4. The decision by a peace officer to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers, in order to ensure that officers use force consistent with law and department policies.
5. The decision by a peace officer to use force shall be evaluated from the perspective of a reasonable peace officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight. The totality of the circumstances shall account for occasions when peace officers may be forced to make quick judgments about using force.

    a. Circumstances of consideration may include, but are not limited to:
        (1) The immediacy and severity of the perceived threat
        (2) The conduct of the subject
        (3) Officer versus subject factors such as age, size, relative strength, skill level, injuries sustained, level of exhaustion and number of peace officers available versus subjects
        (4) The conduct of the involved peace officer
        (5) The effects of drugs or alcohol
        (6) The subject’s apparent mental state or capacity
        (7) The subject’s apparent ability to understand and comply with officer commands
        (8) The proximity or access of weapons to the subject
        (9) The level of threat or resistance presented by the subject
        (10) The availability of other reasonable and feasible options and their possible effectiveness
        (11) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained
        (12) The seriousness of the subject offense or reason for contact with the subject
        (13) The training and experience of the peace officer
        (14) The potential for injury to peace officers, subjects or another person
        (15) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the peace officer
        (16) The risk and reasonably foreseeable consequences of escape or apparent attempt by the subject
        (17) Prior contacts with the subject or awareness of any propensity for violence
        (18) Environmental factors and/or other exigent circumstances
        (19) The availability of other resources

        Not all of the above factors may be present or relevant in a particular situation, and there may be additional factors not listed.

6. When using force, a peace officer should only use techniques and equipment that are approved by the department. Circumstances may arise in which a peace officer reasonably believes that it would be impractical or ineffective to use any of the tools, weapons or techniques provided by SPD. A peace officer may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the peace officer may resort to using any objectively reasonable means of force. The use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

7. When feasible, peace officers shall attempt to de-escalate situations.
8. When a peace officer reasonably believes they are dealing with a mentally ill, developmentally disabled, or an emotionally disturbed subject, the officer shall, if time and circumstances reasonably permit, utilize CIT.

F. CONSIDERATIONS GOVERNING USE OF DEADLY FORCE

1. Notwithstanding subsection E.1, a peace officer is justified in using deadly force upon another person only as a last resort when reasonable alternatives have been exhausted or are not feasible and the officer reasonably believes, based on the totality of the circumstances, that such force is necessary for either of the following reasons:
   a. To defend against an imminent threat of death or serious bodily injury to the officer or to another person.
   b. To apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended. Where feasible, a peace officer shall, prior to the use of force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.
2. A peace officer shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the peace officer or to another person.
3. A subject gaining control of one or more pieces of a peace officer's equipment, without the subject presenting an imminent threat of serious bodily injury or death, is not enough by itself to justify the use of deadly force.
4. A peace officer may discharge a firearm in the performance of their official duty:
   a. Pursuant to Section F. 1.-4; or
   b. At a firing range, pursuant to all safety rules and regulations; or
   c. In order to stop a potentially aggressive animal, such as a dog, if the animal reasonably appears to pose an imminent threat of serious bodily injury or death to a peace officer or to another person and alternative methods are not feasible or would likely be ineffective.
      (1) In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, Conducted Energy Device, oleoresin capsicum (OC) spray, animal control peace officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.
5. Firearms shall not be discharged as a warning.
6. Peace officers shall consider their surroundings and potential risks to bystanders and other peace officers to the extent reasonable under the circumstances, before discharging a firearm.
7. When a peace officers discharges or attempts to discharge a firearm while on or off duty, intentionally or accidentally, the employee shall immediately notify the on-duty watch commander. This does not include intentional discharges at a range or for recreational purposes (e.g., hunting, private target practice, or other similar activities).

G. PROHIBITED USES OF FORCE

1. Peace officers shall not use force:
   a. By means of a carotid restraint, choke hold, or any other type of neck restraint.
   b. Or utilize any transport methods that involve a substantial risk of positional asphyxia.
   c. Against subjects who are not subject to arrest or detention, except to protect the officer or another person.
   d. Against subjects who are handcuffed or otherwise restrained, except where the subject is actively resisting, attempting escape, or poses an imminent threat of harm to the peace officer, themselves or another person.

e. For the sole purpose of preventing the exercise of first amendment rights, when a legitimate law enforcement purpose does not exist.
f. For the sole purpose punishment or retaliation.
g. To stop a subject from swallowing a substance that is already in their mouth.

H. VERBALIZATION DURING UNLAWFUL ASSEMBLY OR PROTEST

1. When feasible, peace officers should verbalize any use of force that is utilized during a mass protest/unlawful assembly. The following should be verbalized on body worn camera:
   a. Location of where the use of force occurred
   b. Type of force that was utilized
   c. Reason for the use of force
   d. Description of subject for whom the use of force was intended

I. FORCE OPTIONS

1. Peace officers have a variety of force options available to them. Peace officers do not need to follow a continuum of force but shall select the UOF they deem appropriate for the circumstances, ensuring their UOF complies with the law, the provisions of this policy and any specific SPD policies or manuals governing the type of force they select to use.
2. Peace officers shall continue to assess their UOF selection and either transition to a different UOF option or discontinue a UOF based on their assessment, ensuring their UOF option remains reasonable for the circumstances.
3. Equipment for Sworn Peace Officers
   a. Issued and required on person
      (1) Firearm
      (2) Conductive Energy Devices (CED)
      (3) Impact weapons (Baton)
      (4) Handcuffs
      (5) Radio
      (6) Oleoresin Capsicum (OC) spray
      (7) Body Worn Camera (BWC)
      (8) Flexible Body Armor
   b. Issued and need to have readily available. This is not a complete list of other issued equipment:
      (1) Less Lethal Shotgun (readily available in patrol vehicle)
      (2) Patrol rifle (readily available in patrol vehicle and for qualified sworn personnel)
      (3) Flashlight
      (4) Gas Mask
      (5) Ballistic Helmet
      (6) Orange reflective vest
4. Required Equipment Issuance and UOF options for Non-Sworn Uniformed Department Personnel
   a. Issued and required on duty belt:
      (1) Oleoresin Capsicum (OC) spray
      (2) Conductive Energy Devices (CED)
5. UOF Options for Sworn Peace Officers
   a. The following is an alphabetical list of UOF options. This is not a complete list of options:
      (1) Bola Wrap
      (2) Chemical Agents
      (3) Conductive Energy Devices (CED)
      (4) Control Holds
      (5) Discharge of Firearms and Other Deadly Force
      (6) Impact Weapons (baton)
      (7) Less Lethal Weapons Systems
      (8) Personal Body Weapons

(9) Pointing of a Firearm at a Person
(10) Takedowns
(11) Use of Canine
(12) Verbal Commands/Instructions/Command Presence

6. UOF Options for Authorized, Non-Sworn Uniformed Personnel
   a. Authorized non-sworn uniformed department personnel shall only use the CED or OC in immediate defense of themselves or another member of the department.
   b. Authorized non-sworn uniformed department personnel who use the CED or OC in defense of themselves or another person shall:
      (1) Attempt to get away from the situation as soon as possible.
      (2) Call for code-3 assistance from sworn peace officers as soon as feasible.
7. The following is a list of SPD policies and manuals address specific UOF topics:
   a. GO 522.02 (Emergency Care for Individuals Under Police Care or Control)
   b. GO 580.03 (Use of Force Reporting, Investigations and Response)
   c. GO 580.06 (De-escalation and Planned Response)
   d. GO 580.04 (Firearms)
   e. GO 580.10 (Use of the Conductive Energy Device (CED)
   f. GO 580.12 (Less Lethal Weapons Systems)
   g. GO 580.14 (Use of Canine)
   h. RM 523.02 (Search and Handcuff Manual)
   i. RM 532.09 (Arrest of Passive Resisters Manual)
   j. RM 532.11 (Crowd and Riot Control Manual)
   k. RM 580.07 (Chemical Agents Manual)
   l. RM 580.08 (Baton Manual)

J. USE OF PERSONAL BODY WEAPONS (PBWs)
1. A peace officer may use PBWs to transition to a better position of advantage (i.e., positional change, handcuffing, etc.) to create distance/space, or overcome an assaultive subject.
2. When PBWs are used, peace officers must continually evaluate the ability to transition to a more advantageous position and/or recognize the signs of submission/compliance by the subject.
3. PBWs shall not be utilized against subjects solely engaging in passive non-compliance or merely active resistance.
4. PBWs should not be used on handcuffed persons unless they are exhibiting active aggression and/or to prevent subjects from harming themselves or another person.

K. USE OF A CONDUCTIVE ENERGY DEVICE (CED)
1. The CED shall be used pursuant to GO 580.10 (Use of the Conducted Energy Device).
2. A peace officer may deploy and use the CED under the following circumstances:
   a. To incapacitate a subject whose conduct rises at least to the level of active resistance. This includes threats or pre-indicators leading up to assaultive or resistive behavior.
   b. To incapacitate a suicidal subject who can't be safely controlled through crisis intervention techniques or other force options.
3. Peace officers shall avoid using the CED for more than a total of three (3) five-second cycles (15 seconds), unless the totality of the circumstances are such that a reasonable peace officer would conclude that each subsequent application of the CED, analyzed separately, is warranted by the imminent threat to the officer or another person.
4. CED deployment shall cease when the subject no longer poses an imminent threat of harm to the peace officer or another person.
5. The use of the CED is considered a serious UOF. Each individual cycle of the CED must be objectively reasonable under the circumstances.
6. The CED should not be used on handcuffed persons unless they are actively resisting or exhibiting active aggression and/or to prevent subjects from harming themselves or another person.

L. POINTING A FIREARM
1. Nothing in this policy shall preclude a peace officer from drawing of a firearm when the officer reasonably believes it necessary for the safety of the officer or another.
2. Detentions involving the pointing of a firearm at a person shall be entered into the Racial Identify Profiling Act database (RIPA) pursuant to GO 210.09.
3. The pointing of a firearm at a person shall be documented in the appropriate report, RIPA and on the Computer Aided Dispatch (CAD) call using the abbreviation “FPAP” (Firearm Pointed At Person).

M. MOVING VEHICLES
1. A peace officer shall make every reasonable effort to move out of the path of an approaching vehicle.
2. A peace officer shall make every reasonable effort to not intentionally place themselves in a position where a vehicle could be perceived as a threat to the officer.
3. Peace officers shall not discharge a firearm at or from a moving vehicle unless one of the following circumstances exists:
   a. The peace officer reasonably believes that there is an imminent threat of death or serious bodily injury to a peace officer or another person, by means other than the moving vehicle.
   b. The peace officer reasonably believes that the driver is using or is attempting to use the vehicle as a means to cause imminent threat of death or serious bodily injury to the peace officer or another person.

N. TRAINING
1. At least annually, all sworn personnel shall receive training related to this agency’s UOF policy and related legal updates for the following:
   a. Legal standards for UOF
   b. Duty to intercede
   c. The use of objectively reasonable force
   d. Supervisory responsibilities
   e. UOF review and analysis
   f. Guidelines for the use of deadly force
   g. State required reporting
2. Additional regular and periodic training shall include:
   a. Training standards and requirements relating to demonstrating knowledge and understanding of the law enforcement agency’s UOF policy.
   b. Training and guidelines regarding vulnerable populations, including, but not limited to, children, elderly persons, people who are pregnant, and people with physical, mental, and developmental disabilities.
   c. Minimum training and course titles related to the objectives in the UOF policy include but are not limited to, the standards in Peace Officers Standards and Training (POST) Learning Domain 20 (Use of Force), and the following:
      (1) De-escalation and interpersonal communication training, including tactical methods that use time, distance, cover, and concealment, to avoid escalating situations that lead to violence.
      (2) Implicit and explicit bias and cultural competency.
      (3) Skills including de-escalation (crisis intervention) techniques to effectively, safely, and respectfully interact with people with disabilities or behavioral health issues.
      (4) Alternatives to the use of deadly force and physical force, so that de-escalation tactics and less lethal alternatives are, where feasible, part of the decision-making process leading up to the consideration of deadly force. Enhancing a peace officer’s discretion and judgment in using less lethal and deadly force in accordance with this policy.
      (5) Mental health and policing, including bias and stigma.
      (6) Using public service, including the rendering of first aid, to provide a positive point of contact between law enforcement peace officers and community members to increase trust and reduce conflicts.
      (7) UOF scenario training including simulations of low-frequency, high-risk situations and calls for service, shoot-or-don’t-shoot situations, and real-time force option decision making.

3. All UOF training provided to all sworn personnel shall be documented by the department.
4. Any officer that receives a sustained internal affairs complaint for excessive force will not be allowed to train any officer(s) for a period of three years from the date the complaint is substantiated. This includes:
   a. Field training
   b. In-service training
   c. Academy instruction or evaluation
   d. Roll Call presentations
5. Officers shall advise any supervisor that tasks him/her with a training assignment that they are not authorized to instruct, teach, or train. Failure to do so will be cause for discipline.
   a. The officer is not obligated to go into detail about the prior incident or complaint as to why they cannot train other than to advise the supervisor that in accordance with applicable law they are not authorized to train at that time.

O. REPORTING

1. Supervisors Responsibilities. Upon notification of a reportable UOF, the peace officer's field supervisor shall:
   a. Respond to the location of the arrest to ensure that a thorough investigation takes place. A thorough investigation into a UOF by a peace officer should include, but is not limited to, an area canvass (for witnesses, evidence and surveillance video), witness statements (which should be obtained by a supervisor or peace officers not involved in the UOF), subject statements, and photographs of the scene and any injuries. If the supervisor is unable to respond to the location of the arrest, the supervisor shall note the reasons why on the call.
   b. Review the incident with the arresting peace officer and/or other officers.
   c. Review all recordings (both audio and video) of the event, including In-Car Camera, Body Worn Camera video, and any available surveillance video).
   d. Assess the appropriateness of the UOF and any charge(s) against the subject.
   e. Consider arranging for other peace officers to transport and book the subject in the event the subject continues to display hostile, confrontational, or oppositional behavior toward the arresting officer(s).
   f. A peace officer's field supervisor shall advise the watch commander of any incident involving UOF and initiate a management level review by making a tracking software entry whenever the following reportable UOF events occur:
      (1) Any reportable UOF that results in the subject requiring a medical clearance (Fit for Incarceration report) prior to booking or, if the subject is not booked into jail or juvenile hall, any injury that would likely require a Fit for Incarceration report.
      (2) Any reportable UOF, involving the discharge of a firearm, a canine bite, or the use of an impact weapon, chemical agent, or CED.
      (3) Any reportable UOF that deviates from the techniques taught or the equipment provided by the department.
      (4) Any UOF the supervisor or Watch Commander determines should be subject to a management level review.
   g. The field supervisor shall enter the following information into the tracking software:
      (1) peace officer(s) involved
      (2) type of force used
      (3) extent of injuries (if any) to the peace officer and/or subject
      (4) supervisor's response or reason for no response
      (5) any administrative actions taken by a supervisor or other managerial personnel
      (6) all pertinent documents related to the incident (i.e. Red Border, Blue Border, Taser download, etc.)
   h. Tracking software entries should be completed within 30 days of the incident date and routed in accordance to department procedure.

(1) In cases where a firearm has been discharged or the UOF results in serious bodily injury or death, the tracking software entry shall be completed by FIT personnel.
(2) All uses of force shall be categorized using the level of force definitions. (See Appendix #1.)

P. DISCLOSURE OF PUBLIC RECORDS

The department will disclose public records pursuant to applicable law, including Penal Code Section 832.7.

Q. REPORTING TO THE CALIFORNIA DEPARTMENT OF JUSTICE

PSU shall submit statistical data regarding all qualifying officer-involved shootings and incidents involving UOF resulting in serious bodily injury is to be reported to the California Department of Justice (URSUS) as required by Government Code Section 12525.2.

R. COMPLIANCE

Any member of the public can submit a complaint to any member of the Department and in any form (i.e. in person, telephone, email, etc.). Once the complaint is received, it should be routed to the Internal Affairs Division in accordance with General Order 220.01 (Personnel Complaints).

S. LEGAL REFERENCES

1. California Penal Code Sections 196, 835a, 13652 and 13652.1.
2. California Government Code Sections 7286 and 12525.2.
3. *GRAHAM V. CONNOR* 490 U.S. 386 (1989) sets the legal standard for reasonable force. The court's decision "requires careful attention to the facts and circumstances of each particular case, including the severity of the crime at issue, whether the suspect poses an imminent threat to the safety of the officer or others, and whether he is actively resisting arrest or attempting to evade arrest by flight." In addition, "the 'reasonableness' of a particular use of force must be judged from the perspective of a reasonable officer on scene, rather than with 20/20 vision of hindsight... the question is whether the officers' actions are 'objectively reasonable' in light of the facts and circumstances confronting them."
4. *TENNESSEE V. GARNER* 471 U.S. 1 (1985) is a civil case in which the Supreme Court of the United States held that, under the Fourth Amendment, when a law enforcement officer is pursuing a fleeing suspect, the officer may not use deadly force to prevent escape unless "the officer has probable cause to believe that the suspect poses a significant threat of death or serious physical injury to the officer or others." It was found that use of deadly force to prevent escape is an unreasonable seizure under the Fourth Amendment, in the absence of probable cause that the fleeing suspect posed a physical danger.

LEVEL 1	LEVEL 2	LEVEL 3
• UOF resulting in death • UOF resulting in Serious Bodily Injury (SBI) • Officer involved shooting resulting in injury or death • Officer involved shooting-subject missed • Use of vehicle as weapon resulting in SBI • In-custody death • Use of non-issued equipment resulting in SBI or death	• Officer involved shooting of an animal • Canine bite • CED deployment-probe • Use of chemical agents • Use of baton • Use of CED drive stun • Use of personal body weapons • Use of less lethal weapons systems • Use of BolaWrap®	• Any UOF used to overcome a combative, physically aggressive, or fleeing subject who has delayed, obstructed, or fought with an officer • Any UOF that results in a visible injury or complaint of pain by the subject to whom force was applied to. Example: visible scratch, abrasion, complaint of pain however not minor discomfort by application of certain control holds or handcuffs

REPORTING REQUIREMENTS FOR LEVEL 1	REPORTING REQUIREMENTS FOR LEVEL 2	REPORTING REQUIREMENTS FOR LEVEL 3
• Sergeant notification • Homicide call out • CSI request • IAD call out • PSU call out • PIO call out • District Attorney response team • OPSA • Crime or casualty report • Red border form (RM 3) • Tracking software entry All call outs are based on the needs of the incident.	• Sergeant notification • Crime or casualty report • CSI request • Red border form (RM 3) • Tracking software entry • Watch commander investigation (shooting of an animal)	• Sergeant notification • Incident/crime report • CSI request • Red border form (RM 3) if there is visible injury • No tracking software entry

580.06
De-Escalation and Planned Response
12-1-20

PURPOSE
The purpose of this order is to provide guidelines for interacting with those individuals who may be experiencing emotional or mental health crises.

POLICY
The Sacramento Police Department is committed to providing a consistently high level of service to all members of the community and recognizing that persons in crisis may benefit from intervention. It shall be the intent of the involved peace officer(s) to resolve an incident as safely as possible to protect the public and persons involved by reducing the danger through use of tactics, techniques, and force options. This is to ensure equitable and safe treatment of all involved. A peace officer shall employ de-escalation and crisis intervention techniques when feasible and when doing so does not increase the risk of harm to peace officers or another person. When making use of force decisions, a peace officer should be mindful that subjects may be physically or mentally incapable of responding to police commands due to a variety of circumstances including, but not limited to, alcohol or drugs, mental impairment, medical conditions, or language and cultural barriers. The Sacramento Police Department (SPD) values the sanctity of human life and the freedoms guaranteed by the United States and California Constitutions. Use of force (UOF) by peace officers is of important concern to the community. The role of law enforcement is to safeguard life, dignity, liberty of all persons, without prejudice to anyone. Peace officers shall carry out duties, including UOF, in a manner that is fair and unbiased.

PROCEDURE
A. DEFINTIONS
   1. DE-ESCALATION - Taking action or communicating verbally or nonverbally during a potential force encounter in an attempt to stabilize the situation, to decrease the likelihood of the need to use force, decrease the severity of any force required, reduce the immediacy of the threat so that more time, options, and resources can be called upon to resolve the situation with voluntary compliance. De-escalation techniques include, but are not limited to, gathering information, assessing risks, warnings, verbal and non-verbal persuasion, crisis intervention techniques, utilizing available resources (such as personnel and equipment), and tactical repositioning.
   2. CRISIS INTERVENTION TECHNIQUES (CIT) - A collaborative approach to safely and effectively addressing the needs of people with mental illnesses, linking them to appropriate services, and diverting them from the criminal justice system, if appropriate. The primary goal of CIT is to improve peace officer and mental health consumer safety while reducing injuries to peace officers and consumers during law enforcement contacts. Crisis intervention techniques include using distance, time, verbal tactics, or other tactics to de-escalate a situation.

B. GENERAL
   1. PLANNING – Peace officers should attempt to arrive at the scene with a coordinated approach based upon initial information and any pre-existing knowledge of the subject(s) or the involved parties. As additional information or factors become known to the peace officer, responding peace officers need to remain flexible and adapt to changing circumstances. Peace officers should attempt to isolate and contain subjects who are experiencing a crisis situation.

2. TIME – Peace officers need to recognize that time is an essential element for de-escalation as it allows a peace officer the opportunity to communicate with the suspect, refine tactical plans and, if necessary, call for additional resources. Time can also provide an opportunity for the suspect to reconsider his/her actions and decisions, and aid in voluntary compliance.
3. ASSESSMENT- Peace officers should continually assess the situation as circumstances change and additional information is received. In the event of non-compliance demonstrated by the subject, peace officers should attempt to determine whether the lack of compliance is a deliberate attempt to resist or escape, or an inability to comprehend due to environmental, physical, cognitive, or other conditions. If the subject is unable to comprehend the situation, additional resources or tactical options may be needed to safely resolve the situation (i.e. in-field mental health counselor or county clinician).
4. COMMUNICATE – Peace officers should recognize that every situation is fluid and unique, therefore ongoing communication and coordination between peace officers is critically important for effective response. Communication between peace officers can improve decision making under tense circumstances and increase effectiveness of coordinated actions. Peace officers should consider using the following tactics:
    a. Verbal warnings
    b. Persuasion
    c. Re-directing
    d. Asking open-ended questions
    e. Giving clear and direct orders that can be received and understood
    f. Building rapport
    g. Perspective taking (understanding the why)
    h. Finding the meaning behind the words
    i. Showing empathy

580.13
FOOT PURSUITS
7-26-18

PURPOSE

The purpose of this order is to establish procedures for foot pursuits and give officers direction and options to consider before, during and after initiating a foot pursuit, as well as when an officer should terminate a foot pursuit.

POLICY

It shall be the policy of the Sacramento Police Department that officer and public safety should be the overriding consideration in determining whether a foot pursuit will be initiated, continued or terminated. Officers should continuously assess and evaluate whether the need for apprehension justifies the risk to the safety of the officer(s), the public, and the fleeing suspect. If at any time the pursuing officer(s), or their supervisor(s), determines the risk to safety outlined in this order supersedes the need for apprehension, the foot pursuit should be terminated.

PROCEDURE

A. DEFINITION

1. FOOT PURSUIT: An incident where an officer pursues on foot a person who is evading detention or arrest.
2. RESISTING ARREST: Any person who willfully resists, delays, or obstructs any public officer, peace officer, or an emergency medical technician in the discharge or attempt to discharge any duty of his or her office or employment is in violation of penal code 148(a)(1)PC.
3. REASONABLE SUSPICION: an objectively justifiable suspicion that is based on specific facts or circumstances and that justifies stopping and sometimes searching (as by frisking) a person thought to be involved in criminal activity. NOTE: A police officer stopping a person must be able to point to specific facts or circumstances even though the level of suspicion need not rise to that of the belief that is supported by probable cause. A reasonable suspicion is more than a hunch. Absent specific facts and circumstances, flight alone does not give officers the legal authority to detain or arrest a fleeing subject.

B. GENERAL

1. Although it is an officer's decision to initiate a stop, it is the suspect or violator who decides to initiate a foot pursuit by fleeing.
2. No sworn officer shall be disciplined for not initiating, not engaging in, or for terminating a foot pursuit if the risk of pursuing outweighs the need for apprehension.

C. FACTORS TO CONSIDER WHEN INITIATING, CONTINUING, AND TERMINATING FOOT PURSUITS

1. When a suspect exhibits the intention of avoiding arrest by fleeing on foot and refusing to stop, officer(s) should consider public safety and effective law enforcement to determine whether initiation of a foot pursuit is reasonable. An officer may pursue suspects only when he or she reasonably believes the suspect has committed an act that would justify a stop, investigative detention, or arrest.

2. The involved officer(s) and supervisor should continually assess the facts and circumstances of a situation when determining when to initiate, continue, or terminate a foot pursuit.
3. In deciding whether to initiate or continue a foot pursuit, an officer should consider if the following resources are available:
   a. Aerial support
   b. Canine support
   c. Additional patrol or outside agency personnel
4. In deciding whether to initiate, continue, or terminate a foot pursuit, officers should consider the following factors:
   a. Whether the officer is acting alone or with assistance
   b. The availability and distance of assisting officers
   c. Familiarity of area
   d. Knowledge of the fleeing suspect's:
      1. Identity that could lead to apprehension at another time.
      2. Criminal violation, if any
      3. Possession of weapons
      4. Criminal background and propensity for violence
   e. Physical capabilities of the officer to safely control the suspect once apprehended.
   f. The number of suspects who have fled
   g. The suspect entering a building, structure, confined space, isolated area or dense or difficult terrain.
   h. Quality of radio communications
   i. Weather conditions, darkness and/or visibility
   j. Whether pursuing officers have lost sight of the suspect and for how long.
5. When a supervisor orders a foot pursuit to be terminated, officer(s) shall not continue to pursue the suspect.

D. INITIATING OFFICER'S RESPONSIBILITIES

1. The officer initiating a foot pursuit should, as soon as practical, activate their Body Worn Camera and broadcast the following information:
   a. Unit identifier and that a foot pursuit has been initiated
   b. Officer location and direction of travel
   c. Number of suspect(s) and description
   d. Any knowledge regarding the suspect's possession of weapons
   e. Reason for the foot pursuit
2. Identify themselves as an officer to the fleeing suspect and order them to stop.

E. FOOT PURSUIT COORDINATION

1. The primary (initiating) officer should, as soon as practical, coordinate with assisting officers and the communication center to establish a perimeter and contain the suspect(s).
2. Assisting officers should respond and attempt to contain the pursued suspect(s). Officers should respond to the appropriate location(s) of the incident based on the information provided.
3. When two or more officers are in foot pursuit, they should:
   a. Maintain communication with one another.
   b. Work as a team to safely contain, locate, and apprehend the suspect(s) within the perimeter.

4. When an officer has decided to terminate a foot pursuit but has reason to believe the suspect is contained in the immediate area or in nearby building(s), the primary officer should broadcast his or her location, direction of travel of the suspect and where the suspect may be contained.
5. When practical, the primary and/or any secondary unit(s) should make every attempt to coordinate the placement of arriving officers.

F. SUPERVISOR'S RESPONSIBILITIES

1. The supervisor should make every effort to ascertain sufficient information needed to take control and coordination of the foot pursuit. Supervisors should ensure that proper information is obtained from the pursuing officers.
2. Upon becoming aware of a foot pursuit, the supervisor should:
   a. Monitor and help coordinate personnel responding to the foot pursuit as soon as possible.
   b. Ensure the officers engaged in the foot pursuit have the appropriate resources needed (e.g., air support and canine units).
   c. Order the termination of a foot pursuit at any time he or she concludes that the danger to pursuing officers or the public outweighs the necessity for immediate apprehension of the suspect(s).
   d. Ensure that all reporting requirements are completed by the appropriate personnel upon the conclusion of each incident.

G. COMMUNICATION CENTER RESPONSIBILITIES

1. Upon being notified that a foot pursuit is in progress, communications personnel should immediately notify the field supervisor and ensure they are aware of the call and are provided all available information.
2. Communications personnel should carry out the following responsibilities during a foot pursuit:
   a. Receive, record, and immediately broadcast incoming information regarding the foot pursuit, the involved officers, and the suspect(s).
   b. Control all radio communications and clear the affected radio channels of all non-emergency traffic.
   c. Coordinate and dispatch backup assistance, canine and air support units under the direction of the field supervisor.
   d. Patch radio channels, when appropriate, to enhance officer safety if officers broadcast a foot pursuit on the wrong channel.

MEMORANDUM SACRAMENTO POLICE DEPARTMENT

TO: **Captain Marnie Stigerts** **DATE: August 23, 2022**
Office of the Chief / PSU

ATTN: **Lieutenant Greg Galliano**
Office of the Chief / PSU

FROM: **Sergeant** [redacted]
Office of the Chief / PSU-FIT

SUBJECT: **Officer Involved Shooting Preliminary Review Summary**

Incident - **16th St. / A St. (3M) – Officer Involved Shooting**
Date of Incident - **07/17/2022**
Case # **22-199356**

The preliminary review took place on Microsoft Teams on August 23rd, 2022, at 10:30 am.

Order of events:

- Overview of facts – Captain Ethan Hanson
- Field Operations Review – Lieutenant Doug Morse (Sequence of Events)
- Communications Division Review – Supervising Dispatcher Tammy Prince
- Investigations Division Review – Lieutenant Joe Bailey
- Policy Considerations Review – Sergeant [redacted]
- Training Considerations Review – Captain Rudy Chan
- Command Staff Response – Lieutenant Jennifer Ligon
- Equipment/Resources Review – Lieutenant Doug Morse
- Employee Wellness – Officer Kristen Hutchins
- Internal Messaging – Captain Ethan Hanson and Lieutenant Jennifer Ligon
- Stakeholder/Community Response – Captain Ethan Hanson and Lieutenant Jennifer Ligon
- PIO Response – Sergeant Zachary Eaton
- Analysis and Discussion

Follow Up:

- Field Operations review
    - Discussed re-evaluating patrol tactics, standards, and the use of available resources when serving a warrant.

- Training Considerations Review
    - Discussed a variety of methods to introduce more training that involve pre-planning, communication, and the use of resources during critical incidents and rapidly evolving events.

- Policy Considerations Review
    - Listed policy considerations with no follow up questions.
    - Discussed updating General Order 550.06 (Arrest Warrants) to reflect current best practices and supervisor notifications.

MEMORANDUM **Sacramento Police Department**

To: Wendy Brown, Captain
Office of Investigations
Personnel Services Division

Date: July 22, 2022

Attn: Roman Murrietta, Lieutenant
Office of Specialized Services
Training Division

From: Michael Blessing, Corporal
Office of Specialized Services
Training Division, Range Master

Subject: Firearms Refresher for James Summey #491

This memorandum is submitted as record of firearms refresher training for Officer Summey. In accordance with General Order 580.02, I conducted refresher training with him at the McClellan range facility on July 22, 2022.

Officer Summey underwent firearms refresher training, due to his intentional discharge of his firearm while in the course of his duties.

Officer Summey displayed proficient weapons handling skills and successfully completed all the topics of instruction given. The refresher training covered the following topics:

Marksmanship fundamentals
Target acquisition
Reload Drills
Moving Drills
Immediate action
Malfunction Clearance
Use of cover

Please contact me if there are any questions.

Respectfully Submitted,

Michael Blessing
Range Master

MEDIA ADVISORY/NEWS RELEASE

For Immediate Release No. 20220801-060
Tuesday, August 2, 2022

Officer-Involved Shooting Video Release – 16th Street and A Street

To provide information quickly to our community, the Sacramento Police Department is releasing pertinent audio and video files from the July 17th officer-involved shooting that occurred in the area of 16th Street and A Street.

This content consists of one narrated video and two body-worn camera videos. The videos begin with the officers' initial response and conclude when the suspect is taken into custody.

All material being released from this incident have been redacted to ensure the confidentiality and privacy of those involved. Faces have been blurred, and audio redactions are signified by redacted audio.

Below is a summary of events known to us at this time:

On July 17, 2022, around 10:36 p.m., Sacramento Police Department patrol officers responded to the area of 16th Street and A Street to attempt to arrest a 42-year-old man who was known to have a felony warrant for a violation of Post Release Community Supervision (probation). When officers located that suspect in the area, they attempted to gain his voluntary cooperation by talking to him but, he refused to follow officers' commands.

As officers continued to talk to the suspect, he walked away from officers, reached under a tarp and concealed his hands under a blanket. While his hands were concealed, he began to advance towards officers, telling them to drop their weapons. Officers backed up as the suspect continued to walk towards them while ignoring commands.

As the suspect approached the officers, one of them fired their duty weapon, striking the suspect. The suspect then fled from officers on foot. Officers were able to take the suspect into custody in the area of 16th Street and C Street where they rendered emergency medical aid.

The suspect sustained non-life-threatening injuries and was transported to an area hospital by the Sacramento Fire Department. After receiving medical clearance, the suspect will be booked for his felony warrant and other charges, if applicable. No officers were injured during the incident. This investigation remains active, and no weapons were located in the immediate area of the suspect.

This incident is being investigated by the Sacramento Police Department's Homicide Unit, Internal Affairs Division, and Professional Standards Unit. A response and investigation into the incident will also be conducted by the Force Investigation Team. The investigation will focus on policy, tactics, and training as it relates to the use of force. The Office of Public Safety Accountability and the Sacramento County District Attorney's Office are providing oversight by monitoring the investigation.

This incident falls under the City Council's policy on Police Use of Force as well as SB 1421. As a result, the video and audio associated with this incident will be released to the public within 30 days. Detectives are in the process of identifying and retrieving video associated with this incident.

Compliance Statement

When a concentration is reported, the calculated uncertainty is expressed as an expanded uncertainty in accordance with ISO/IEC 17025:2017 at an approximate 99.7% level of confidence using a coverage factor of k = 3.

Methods of Analysis

Presumptive screening performed by Liquid Chromatography Time of Flight Mass Spectrometry (LC-ToF/MS).

Testing for acidic drugs and basic drugs (if indicated under “Drug Classes Evaluated”) performed by gas chromatography-mass spectrometry (GC-MS).

All other confirmations performed by liquid chromatography-tandem mass spectrometry (LC-MS/MS).

Please contact the laboratory with any inquiries about the scope of analysis performed (e.g. analytes evaluated, reporting limits).

CITY OF SACRAMENTO
PUBLIC INJURY/PROPERTY LOSS REPORT

CLAIM NO.

Risk Mgt. Use Only	Dept ID	Dept./Division

INSTRUCTIONS FOR FORM COMPLETION --

SECTION I (Front) Whenever a third party (public) sustains physical injury while on City property, property damage and/or it appears that the City may be liable.

SECTION II (Back) Whenever damage or loss involves City property (i.e.,fire, money or securities, vandalism -- facilities, property, or equipment).

Compliance Statement

When a concentration is reported, the calculated uncertainty is expressed as an expanded uncertainty in accordance with ISO/IEC 17025:2017 at an approximate 99.7% level of confidence using a coverage factor of k = 3.

Methods of Analysis

Presumptive screening performed by Liquid Chromatography Time of Flight Mass Spectrometry (LC-ToF/MS).

Testing for acidic drugs and basic drugs (if indicated under “Drug Classes Evaluated”) performed by gas chromatography-mass spectrometry (GC-MS).

All other confirmations performed by liquid chromatography-tandem mass spectrometry (LC-MS/MS).

Please contact the laboratory with any inquiries about the scope of analysis performed (e.g. analytes evaluated, reporting limits).

Desk # (916) 808-0679

[redacted] 1/1

Search Warrant No.

SUPERIOR COURT OF CALIFORNIA
County of Sacramento

SEARCH WARRANT AND AFFIDAVIT

(AFFIDAVIT)

Shaun McGovern #892, swears under oath that the facts expressed by him/her in the attached and incorporated statement of probable cause, consisting of **9 pages,** are true and that based thereon he/she has probable cause to believe and does believe that the property described below is lawfully seizable pursuant to Penal Code Section 1524, as indicated below, and is now located at the locations set forth below. Wherefore, affiant requests that this Search Warrant be issued.

Shaun McGovern (Aug 11, 2022 11:23 PDT)
Signature, Shaun McGovern

Reviewed by: DDA Omar Singh (by email) Date: August 11, 2022
(Deputy District Attorney)

(SEARCH WARRANT)

THE PEOPLE OF THE STATE OF CALIFORNIA TO ANY SHERIFF, POLICE OFFICER, OR PEACE OFFICER IN THE COUNTY OF SACRAMENTO:

Proof by affidavit having been made before me by **Shaun McGovern 892,** that there is probable cause to believe that the property described herein may be found at the locations set forth herein and that it is lawfully seizable pursuant to Penal Code Section 1524 as indicated below by checked box(es) (☒) in that:

☐ It was stolen or embezzled. [Penal Code Sec. 1524(a)(1)]

☐ It was used as the means of committing a felony. [Penal Code Sec. 1524(a)(2)]

☐ It is possessed by a person with the intent to use it as means of committing a public offense or is possessed by another to whom he or she may have delivered it for the purpose of concealing it or preventing its discovery. [Penal Code Sec. 1524(a)(3)]

☒ It tends to show that a felony has been committed or that a particular person has committed a felony. [Penal Code Sec. 1524(a)(4)]

Page 1 of 9

- ☐ It tends to prove that sexual exploitation of a child (Penal Code Section 311.3), or possession of matter depicting sexual conduct of a person under the age of 18 years (Penal Code Section 311.11), has occurred or is occurring. [Penal Code Sec. 1524(a)(5)]
- ☐ An arrest warrant exists for the target of the search warrant. [Penal Code Sec. 1524(a)(6)]
- ☐ It tends to show that property was stolen or embezzled constituting a misdemeanor, or that property or things are in the possession of any person with the intent to use them as a means of committing a misdemeanor public offense, or in the possession of another to whom that person may have delivered them for the purpose of concealing them or preventing their discovery. [Penal Code Sec. 1524(a)(7)]
- ☐ It tends to show a violation of Labor Code Section 3700.5 or that a particular person violated the Labor Code Section 3700.5. [Penal Code Sec. 1524(a)(8)]
- ☐ It includes a firearm or deadly weapon at the scene of, or at the premises of the person arrested in connection with, a domestic violence incident involving a threat to human life or a physical assault. [Penal Code Sec. 1524(a)(9)]
- ☐ It includes a firearm owned by, or in the possession of, or in the custody or control of, a person described in Welfare and Institutions Code Section 8102(a). [Penal Code Sec. 1524(a)(10)]
- ☐ It includes a firearm owned by, or in the possession of, or in the custody or control of, a person who is prohibited from possessing a firearm pursuant to Family Code Section 6389 and the person has failed to relinquish the firearm. [Penal Code Sec. 1524(a)(11)]
- ☐ It will provide tracking device information that constitutes evidence of a felony or a misdemeanor violation of either the Fish and Game Code or Public Resources Code, or will tend to show that a particular person has violated the same, or to locate a person who has violated the same. [Penal Code Sec. 1524(a)(12)]
- ☐ It includes a firearm or ammunition owned by, or in the possession of, or in the custody or control of, a person who is subject to a gun violence restraining order, and the person has failed to relinquish the firearm. [Penal Code Sec. 1524(a)(14)]
- ☐ It includes a firearm owned by, or in the possession of, or in the custody or control of, a person who is prohibited from possessing a firearm pursuant to Penal Code Sections 29800 or 29805, and the person has failed to relinquish the firearm. [Penal Code Sec. 1524(a)(15)]
- ☐ It includes controlled substances, or a device, contrivance, instrument, or paraphernalia used for using or administering a controlled substance. [Penal Code Sec. 1524(a)(16)]
- ☐ It tends to show that violation of Penal Code Section 647(j), paragraphs (1), (2), and/or (3) has occurred or is occurring. [Penal Code Sec. 1524(a)(18)]
- ☐ It includes data from a recording device installed by the manufacturer of a vehicle that constitutes evidence that tends to show the commission of a felony or misdemeanor involving a vehicle, resulting in death or serious bodily injury. [Penal Code Sec. 1524(a)(19)]
- ☐ It tends to show that a violation of Penal Code Section 647.9 has occurred or is occurring. [Penal Code Sec. 1524(a)(20)]

Shaun McGovern <SMcGovern@pd.cityofsacramento.org>
Fri 8/12/2022 11:59 AM
To: HS-HIM Release Of Information <hs-roi@ucdavis.edu>

Hi [redacted]

Yes, this is the warrant that I discussed this morning. The records for the last event only would be great. The VitalChart download should work and I can email you if I run into any problems. Thank you for following up so quickly. Shaun

Detective Shaun McGovern
Sacramento Police Department
Homicide Team 2
Desk # (916) 808-0679

From: HS-HIM Release Of Information <hs-roi@ucdavis.edu>
Sent: Friday, August 12, 2022 11:30 AM
To: Shaun McGovern <SMcGovern@pd.cityofsacramento.org>
Subject: Re: Search Warrant for Records

Hello,

I have received and am processing this request. I left a vm on your desk number as well. There is no date range for the records requested (when patient was treated). [redacted] Did you just need the most recent encounter or would you like all records?

Please advise if okay to release records via the UCD copy service portal? You will receive correspondence via email from VitalChart allowing you to download the records from their portal. Otherwise, I can contact you when they are ready for pick up or via secure email (GoAnywhere).

Lastly, I was informed that you called this morning and would be sending the warrant today, but for a different patient. Can you confirm if this was the warrant you were discussing with records staff today or is there a second warrant?

Thank you,
[redacted]

Health Information Management Department - UC Davis Medical Center
Certification of Medical Record Copies

August 12, 2022

[redacted], a Vital Records Control - Contracted Copy Service employee certifies to the following:

I am authorized by UC Davis Medical Center Custodian of the Legal Medical Record to certify the attached copies of the medical records. Attached to this affidavit is a true copy of the legal medical records requested.

The medical records attached belong to [redacted], MR# [redacted] a UC Davis Medical Center patient, and the records were received or prepared by UC Davis Medical Center personnel in the ordinary course of business.

The method used to prepare the attached medical records was photocopying the documents from the patient's original medical chart and/or printing records from the patient's electronic medical record.

Pursuant to Evidence Code section 1560[e], the records described in the subpoena duces tecum, patient authorization, or other legal document, were delivered to the attorney or his/her designee for copying, or the records were made available to the In-house Certified Professional Photocopier for transmittal and processing to the requestor.

Vital Records Control - Contracted Copy Service copied 76 pages, which are copies of all the medical records described in the authorization of patient [redacted] DOB [redacted]

I declare under penalty of perjury that the foregoing statements are true and correct.

Sacramento, CA 95822

FROM: Sacramento County District Attorney's Office

SUBJECT: Officer-Involved Shooting Case No. SPD-22-199356
Shooting Officer: SPD Officer James Summey #491
Person Shot: [redacted] (D.O.B. [redacted])

The District Attorney's Office, as an independent agency, has completed its investigation and review of the above-referenced officer-involved shooting. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of [redacted] For the reasons set forth, we conclude that the shooting was lawful.

The District Attorney's Office received and reviewed written reports and other documentary items. These items include Sacramento Police Department report number 22-199356, video and audio recordings, dispatch calls, witness interviews, photographs, diagrams, evidence logs, and the Sacramento County District Attorney's Office Laboratory of Forensic Services reports.

FACTUAL SUMMARY

On July 17, 2022, at approximately 10:36 p.m., Sacramento Police Department (SPD) Officers James Summey and Alex Guevara went to the area of North 16th Street and A Street in Sacramento to serve an arrest warrant on [redacted] had a felony no-bail warrant for violating Post Release Community Supervision (PRCS).[1]

Officers Summey and Guevara were driving separate marked patrol vehicles and wore full SPD uniforms, with visible badges and department patches on their sleeves. Both officers were equipped with body-worn cameras. Officer Summey was armed with a department-issued Glock 17 handgun. Officer Guevara also was armed with a Glock 17.

[1] Post Release Community Supervision is a form of supervision provided to an inmate who has been released from a California Department of Corrections and Rehabilitation institution to the jurisdiction of a county agency, pursuant to Penal Code section 3455.

Officer Summey was familiar with [redacted] from three prior contacts, including one at this specific location. In each of those contacts, [redacted] was cooperative and compliant. During the last incident, Officer Summey contacted [redacted] during a [redacted] investigation. [redacted] asked if the officer wanted him to "cuff up"[2] and [redacted] did so readily.

Officers Summey and Guevara were aware that [redacted] had [redacted] Officer Summey also knew [redacted] was on PRCS.

[redacted] was in an encampment on the east side of the railroad track overpass above 16th Street, between C and A Streets. The officers walked up the embankment on the east side of 16th Street, on the north side of the overpass, to [redacted]'s encampment. The path was narrow, approximately 5 feet wide with a steep drop-off on both sides. This location was unlit. The officers illuminated the area with their flashlights.

The officers were standing approximately 10 feet away from [redacted] when they confirmed his identity. [redacted] was standing outside his tent. He had a large blanket draped over his shoulders.

Officer Summey tried to engage [redacted] in conversation and asked for his cooperation to "cuff up." [redacted] refused. Officer Summey told [redacted] he had a warrant and requested him to place his hands behind his back. [redacted] again refused to comply.

A female witness had followed the officers up the embankment. As the officers were engaging with [redacted] the female witness began speaking to him as well. She stood to the left side of Officer Guevara. She told [redacted] that he needed to listen to the two police officers.

Officer Summey continued giving verbal directions to try and get [redacted] compliance. [redacted] did not follow the officer's commands.

[redacted] walked back toward his tent area where a large plastic bin was located. Below is a photo of this plastic bin.

[2] Officer Summey understood this phrase to mean place handcuffs on [redacted]

[redacted] walked to the rear of this container, bent down out of view, and stood behind it. Officer Summey asked, "What are you doing?" He also directed [redacted] to "come here." [redacted] did not respond.

[redacted] moved the blanket off his shoulders and reached into the large bin. [redacted] began rummaging in the bin. [redacted]'s actions and his hands were concealed by his blanket. Officers could not see [redacted] hands. Both officers drew their firearms.

When [redacted] came up from the bin, his blanket covered his hands, and he held the blanket as if an object was concealed underneath it.

Both officers believed [redacted] retrieved an object and held it underneath his blanket. [redacted] actions in holding and pointing the object made it appear he was holding a rifle. Both Officer Guevara and Officer Summey believed [redacted] was now holding a rifle or some other object to hurt the officers. Both officers feared for their lives. They were aware of the female witness' presence and perceived her to be in danger as well.

Both officers gave [redacted] multiple commands to stop and put his hands up. [redacted] refused to obey the officers' commands.

[redacted]dvanced towards the officers while appearing to hold this object under his blanket. [redacted]was pointing the object under the blanket at the officers.

As the officers were backing up, they gave multiple verbal commands telling [redacted] to stop. [redacted]ignored their commands and continued advancing toward the officers. [redacted] stated he was a "federal officer" and told the officers to put down their weapons.

[redacted] continued to ignore the officers' commands and move towards them. [redacted] pointed his blanket and unknown object directly at Officer Summey.

Officer Summey told [redacted]o "stop." [redacted]gnored this order. Officer Summey feared for his life, the safety of his partner, and the female witness. Officer Summey believed [redacted] had a firearm concealed under his blanket. Officer Summey fired two rounds from his duty gun at [redacted] [redacted]urned slightly to his right after Officer Summey's first shot.

[redacted] fell to the ground and his blanket came off him. [redacted] yelled that he did not have a gun. [redacted] did not have any object underneath his blanket.

Officer Summey saw that [redacted] was injured and said, "Let me help you." [redacted] then got up. He refused the officers' commands to stop and began running, and then walking away, south on North 16th Street toward C Street. Officers Summey and Guevara followed.

Responding Officers Shaughn Austin, Julian Rios, and Kate Haden arrived and gave [redacted] commands to stop. [redacted] remained uncooperative and did not comply. The officers were able to detain [redacted] and handcuffed him and took him into custody just north of C Street.

[redacted] was transported to the University of California, Davis Medical Center. [redacted] had two non-life-threatening bullet wounds to the back of his left shoulder.

A sample of [redacted] blood sample was taken at the hospital. The sample was later tested by the Sacramento County District Attorney's Office Laboratory of Forensic Services. The sample was found to contain methamphetamine and amphetamine.

[redacted] gave a brief voluntary statement to an SPD detective. [redacted] asked if the officer who shot him was in any trouble and said, "He's a good dude." [redacted] also stated, "I just did . . . it don't make sense. Sometimes things don't make sense."

The female witness also gave a statement to the detective. She was smoking methamphetamine in the area and did not know why she followed the officers up the embankment. Once there, [redacted] was not listening to the officers and went to his trash bin. The female witness saw something in [redacted]s hands. She said the officers told [redacted] to calm down and put down whatever he had. She described [redacted] holding an object that looked like a "gun rack." But she then stated she did not know why she said that. She turned and did not see the gunshots.

Both officers' body worn cameras and in-car cameras were reviewed. All the videos depict the events consistently with the description above.

[redacted]

LEGAL ANALYSIS

An officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to affect arrest or detention, to prevent escape, or to overcome resistance. (*Tennessee v. Garner* (1985) 471 U.S. 1, 11; *Graham v. Connor* (1989) 490 U.S. 386, 396; *Kortum v. Alkire* (1977) 69 Cal.App.3d 325; California Penal Code section 835a(b); CALCRIM 2670.) The person being detained or arrested may be subjected to such restraint as is reasonably necessary for his arrest and detention and has a concomitant duty to permit himself to be detained. (*People v. Allen* (1980) 109 Cal.App.3d 981, 985; CALCRIM 2670, 2671, 2672.) Officers do not need to retreat or desist their efforts if the person they are arresting or detaining resists or threatens resistance; nor shall the officer be deemed an aggressor or lose the right to self-defense by use of reasonable force. (California Penal Code section 835a(d).)

Here, Officers Summey and Guevara went to [redacted] known location to arrest him for his outstanding warrant for a PRCS violation. [redacted] had a duty to submit and permit himself to be detained. [redacted] was uncooperative with the officers. [redacted] walked away from the officers and went to a large bin, bent down in a manner that concealed his actions, and rummaged in the bin. When [redacted] stood up, he held a blanket over his hands as if a firearm was concealed beneath it. [redacted] did not obey the officers' commands to stop and show his hands.

Both Officer Summey and Officer Guevara believed [redacted] had a firearm pointing directly at the officers. Both officers believed their lives were in danger. The officers were also concerned for the safety of the nearby female witness.

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 505, 507, 3470; California Penal Code section 835a(c)(1)(A).) An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation. (California Penal Code section 835a(a)(4); *Graham v. Connor* (1989) 490 U.S. 386.)

Here, [redacted] concealed his hands with a blanket as if he was holding a firearm beneath it. [redacted] pointed that directly at the officers while claiming that he was a "federal officer." [redacted] did not obey the officers' commands to stop or put up his hands.

Officer Summey believed that [redacted] intended to inflict death or serious bodily injury on him, his partner, or the female witness and would do so if not stopped immediately. Officer Summey's belief that [redacted] posed an imminent and grave threat to himself, Officer Guevara, and the female witness was reasonable given the circumstances.

CONCLUSION

As Sacramento Police Department officers attempted to take [redacted] into custody on an outstanding arrest warrant, [redacted] refused to comply with their directions, concealed his hands beneath a blanket, claimed to be a "federal officer," and pointed his hands in the officers' direction as if he was holding a firearm underneath the blanket.

Both officers feared for their lives and the life of the nearby female witness. Officer Summey fired two rounds from his firearm and ceased firing when [redacted] dropped the blanket, showing that he did not have an actual firearm. Officer Summey's actions were legally justified under these circumstances.

Accordingly, we will take no further action in this matter.

Type CSI REPORT
Subject CSI SCENE PHOTOGRAPHY & HOSPITAL
Author 4610 - KOPF, KATELYN 6383
Related Date Jul-23-2022 :55

On 07/17/2022, at approximately 2336 hours, Forensic Investigator Ramirez #6381, and I, Forensic Investigator Kopf #6383 (CSI34), arrived at 2315 Stockton Blvd (UC Davis Medical Center), to take photographs regarding an Officer Involved Shooting. Upon arrival, we contacted Officer Mullen #366.

PHOTOGRAPHS:

I, FI Kopf, took twenty-six (26) photographs of the following, which were uploaded into Evidence.com:

Overall appearance of [redacted] (DOB: [redacted])
-Injuries to back of left shoulder area
-Injuries to left side of neck
-Injury to area behind left ear
-Overall appearance of both sides of left and right hands

EVIDENCE COLLECTION:

While wearing a mask and clean gloves, I, FI Kopf, collected, packaged, and secured the following item of evidence in our vehicle:

-One (1) GSR kit, collected from hands of [redacted]

I obtained the following items of evidence from UC Davis Medical Center at approximately 0006 hours on 07/18/2022:

-One (1) brown paper bag that contained belongings of [redacted]
-One (1) pair of blue colored "IZOD" cargo shorts with apparent blood and defect belonging to [redacted]
-One (1) green colored plastic bag that contained belongings of [redacted]
-One (1) pair of brown colored "Timberland" boots with unknown substance belonging to [redacted]
-Two (2) black colored socks with unknown substance belonging to [redacted]

At approximately 0010 hours on 07/18/2022, we departed UC Davis Medical Center, and changed our location to 300 Richards Blvd (Sacramento Police Department's Forensic Section). Upon arrival, at approximately 0019 hours, I secured the above listed items of evidence in the homicide evidence room #163, locker #9.

We departed 300 Richards Blvd at approximately 0031 hours, and changed our location to the intersection of 16th St and A St. Upon arrival, at approximately 0038 hours, the scene was secured by patrol vehicles, uniformed officers, and yellow crime scene tape. The scene was processed under the direction of Detectives Schulte #911 and Supervising Forensic Investigator Rostocil #6374. Additional CSI on scene

included FI Garcia #6368, and FI Bolla #6379, refer to their reports for additional processing.

PHOTOGRAPHS:

I, FI Kopf, took five hundred and five (505) photographs of the following, which were uploaded into Evidence.com:

Overall condition of scene, located along 16th St between A St and C St
-White colored gauze with apparent blood, located in dirt planter on east sidewalk of 16th St between C St and train tracks

Overall condition of sidewalk pathway running along east side of 16th St, between A St and C St

Overall condition of dirt hill, located on east side of 16th St, between A St and train tracks
-One (1) roll of red colored tape, located on dirt hill just north of dwelling, north of train tracks

Overall condition of exterior side of dwelling, located on dirt hill, east of 16th St, just north of train tracks

Perspective photographs for Officer Summey #491, located on the dirt hill east of 16th St, north of dwelling, west of Officer Guevara's #508 location

Perspective photographs for Officer Guevara #508, located on the dirt hill east of 16th St, north of dwelling, east of Officer Summey's #491 location

Overall photographs of all items of evidence
-Item #1: One (1) tan colored baseball cap, located along east curb line of 16th St, between C St and train tracks and just east of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #2: One (1) blue colored shirt in cut condition and with apparent blood, located on engine hood of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #3: One (1) red colored torch lighter, located on engine hood of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #4: One (1) black colored wallet, located on engine hood of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #5: Miscellaneous keys, located on engine hood of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #6: One (1) multi-colored lighter, located on engine hood of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #7: One (1) black colored belt, located on engine hood of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #8: One (1) clear and blue colored plastic storage container with red colored tape around it containing U.S. currency, located on engine hood of black and white 4-door Ford Police Interceptor Sacramento Police Department Patrol Vehicle #13749C (CA# 1604683)
-Item #9: One (1) blue colored blanket, located on dirt hill, east of 16th St, just north of dwelling and train tracks
-Item #10: Apparent blood, located on dirt hill, east of 16th St, just north of dwelling and train

tracks

METAL DETECTOR SEARCH:

FI Ramirez used a metal detector to search for items of evidence on the west side of the dirt hill, east of 16th St, north of train tracks, with negative results.

OSCR360 PHOTOGRAPHS:

I, FI Kopf, took ten (10) overall photographs of the scene using the OSCR360 camera, which were later saved to the Forensic Storage Network Drive.

We departed the scene at approximately 0635 hours on 07/18/2022.

On our following shift on 07/18/2022, at approximately 1810 hours, FI Ramirez, and I, FI Kopf, arrived at 300 Richards Blvd (Sacramento Police Department's Forensic Section) to take additional photographs. Upon arrival, I, FI Kopf, obtained the above listed items of evidence collected from UC Davis Medical Center from the homicide room #163, locker #9.

PHOTOGRAPHS:

I, FI Kopf, took twenty-seven (27) photographs of the following, which were uploaded into Evidence.com:

-Overall condition of all items of evidence obtained from UC Davis Medical Center, for detailed descriptions, refer to evidence items listed above

EVIDENCE BOOKING:

While wearing a mask and clean gloves, I packaged, sealed, booked and then transported the above listed items of evidence into the Lockers, located at 555 Sequoia Pacific Blvd (Sacramento Police Department's Property & Evidence Section), under PR# 1175477

We cleared from 300 Richards Blvd at approximately 2031 hours on 07/18/2022.

On Sunday, 07/17/2022, at approximately 2241 hours. Ofc Daus #393 and I Ofc Lucas #478 (2C79) responded code 3 from C St and Lanatt to 16th St and A St to assist Sacramento Police Officers who were with an uncooperative suspect with a felony warrant. We activated the overhead lights and sirens in our Sacramento Police Vehicle and our in camera and body worn camera's were activated and recording. Prior to our arrival, Sacramento Police Officers already on scene advised incoming Officers could reduce and we then deactivated our overhead emergency lights and sirens and in car camera and body worn camera. I then heard a muffled radio transmission that sounded like the suspect had been shot and a Sacramento Police officers confirmed that shots had been fired. We then arrived on scene at 16th St and C St at approximately 2246 hours. Our in car camera and body worn cameras were activated and recording during my investigation. I observed the following in summary:
Upon arrival, I set up a perimeter around the scene with crime scene tape. I then responded to the intersection of 17th St and D St to block any traffic that may try to enter the scene. I then deactivated my body worn camera and ICC camera while at a static post and not investigating.

On Sunday July 17, 2022 at approximately 2308 hours I, Officer Rios #834 contacted witness [redacted] along the north-side of the railroad tracks on the 16th Street rail-road crossing. My body worn camera and in car camera were activated and recording for the duration of the call. S-[redacted] stated the following in summary:
I heard gunshots a little while ago.
I have a roommate [redacted] and [redacted] but they are not here.
I heard arguing, I am not sure if it was the guy who lives next to me, his name is [redacted]
I heard two gun shots and than I heard some one in a male voice say "It's okay." I than heard another male voice in an excited / yelling voice say "I didn't do anything."
I heard the shot on the north side of the fence.
I think I heard more than two shots. The shots where consecutive.
I didn't see anything else because I was laying down. I didn't see any type of movement and did not hear anyone yelling anything else.

Type 04 OBSERVATIONS
Subject OFFICER RIOS #834
Author 4605 - RIOS, JULIAN A 0834
Related Date Jul-18-2022 6:12

On Sunday, July 17, 2022 at approximately 2240 hours, I, Officer Rios #834 (XRY52) responded to the area of 16th Street / A Street in regards to an officer in need of assistance call. I heard over the radio 1A32 (Officer Guevara #508) request additional units to the scene due to dealing with an uncooperative subject with a felony warrant. I responded code 3 (lights and siren) from 300 Richards Blvd to the area of 16th Street / C Street. My body worn camera and in car camera were activated and recording for the duration of the call. I observed the following in summary:

Upon my arrival, I observed Officer Guvara, Office Summey #491 and Officer Austin #622 attempting to detain the suspect along the east curb line of 16th Street. The suspect was being uncooperative and not placing his hands behind his back. I assisted Officer Austin in placing his hands behind his back.

Once in custody, Officer Summey advised that the suspect had a gunshot wound to his left shoulder. I observed blood coming from from the suspects upper left shoulder blade. I cut and removed the suspects shirt and observed two approx. 1 inch puncture marks on the suspects shoulder blade. The wounds where actively bleeding and appeared to be from a gunshot wound.

I placed two chest seals over the wound and had the suspect sit down on the front bumper of my vehicle. I positively identified the suspect as [redacted] via a WebKPF booking photo taken 06/10/2022.

I read S-[redacted] his Miranda rights verbatim from my department issued SPD 133 card. S-[redacted] stated 'Yes' to each of my questions stating that he understood each of his rights.

Engine 14 arrived on scene and begun rendering additional aid.

I was tasked by Sgt.Martinez #3048 to assist with locating any additional witnesses in the area of 16th Street / A Street.

I contacted [redacted]) inside her tent along the 16th Street railroad crossing bridge and obtained her statement (See witness statement). S-[redacted] advised that she did not see anything however, she did hear subjects and guns shots at the time of the incident.

S-[redacted] was uncooperative with Officers and refused to speak with detectives. S-[redacted] advised that she normally stays with a few other individual in her tent, however they where not on scene at the time of the incident.

I conducted a canvass of John Muir park for any additional witnesses and contacted three individuals. All three individuals advised that they did not see or hear anything at the time of the event. All three individuals where asked to leave the area due to the close proximity to the investigation.

I assisted with locating additional evidence at the scene and located a small 3 inch by 3 inch blood splatter spot on the ground near a blue blanket. The area was marked as evidence.

For the duration of the investigation, I assisted with a perimeter position.

On 07/17/2022, at approximately 2241 hours, I, Officer Cooper #228, self dispatched to 16th st / A st to assist officers who had called for cover while apprehending a suspect with a known felony warrant. Per their radio traffic, the suspect was uncooperative and was attempting to flee. I arrived in full police uniform and in a marked patrol vehicle. My in car camera and body worn camera were on and recording throughout the investigation. I observed the following in summary:

Upon my arrival to 16th st / C St, I observed several officers surrounding the suspect on the east sidewalk of 16th st. When I approached, I observed that the suspect was already in handcuffs and had an injury to the back of his left shoulder that was covered in a bandage. Officers advised that the suspect had sustained the injury at the scene which was near the rail road tracks, north of our position. I responded to secure the scene with other officers. While walking to the scene, officers advised that the suspect had sustained his injury from an officer discharging their firearm at him during the initial attempt-pick-up.

The scene consisted of a raised dirt berm with the suspect's tent at the the end, against a fence that runs along the north side of the UPRR tracks. Myself and several other officers canvassed the scene but were unable to locate any shell casings. I assisted in holding the scene throughout the duration of the investigation until I was relieved by another officer.

Type 04 OBSERVATIONS
Subject OFC. MCCARTHY #433
Author 4882 - MCCARTHY, BRYAN 0433
Related Date Jul-18-2022 2:08

On Sunday 07/17/2022 at approximately 2240 hours, Ofc. Mullen #366 and I (Ofc. McCarthy #433) were dispatched to the area of 16th St / A St regarding an Officer that was with an uncooperative suspect with a felony warrant. My in car camera and body worn camera were activated for the duration of the investigation. I observed the following in summary:

We responded code three from the area of 600 Sequoia Pacific Blvd and reduced in the area of Richards Blvd / N 7th St. We continued to the scene and arrived in the area of 16th St / C St at approximately 2243 hours.

I observed multiple officers on scene and a suspect [redacted]) that had been detained in handcuffs. Officers advised he had sustained an injury and I observed them render medical aid. I observed what appeared to be two penetration wounds to his back left shoulder.

I began to ask suspect [redacted] if he knew how he had sustained his injuries and I was advised by another Officer on scene that it was an Officer involved shooting.

Suspect [redacted] was transferred to an ambulance and I rode in the back of it with the suspect to UC Davis Medical Center. While en route to the hospital, I read suspect [redacted] Miranda Admonishments verbatim from my Sacramento Police Department issued Miranda Card (SPD #133). He advised that he understood each admonishment. When asked if he would tell me what had happened, he stated "no comment".

Ofc. Mullen arrived at the hospital and we conducted hospital watch of the suspect. Doctors advised that suspect [redacted] was in stable condition. I filled out and signed an Intent to Incarcerate form which was submitted to the hospital.

I observed CSI arrive to the hospital.

At approximately 0015 hours, Ofc. Valenzuela #855 and Ofc. Yee #709 replaced Ofc. Mullen and I as the hospital watch.

Sgt. Gresham was advised.

Ofc. Mullen and I returned to the scene and assisted with traffic control along the outer perimeter. We left the scene at approximately 0410 hours.

On 07/18/2022 at approximately 2241 hours, I, Ofc Rice #534, responded code 3 to 16th St and N A St. I did not copy the reason Officers requested additional Officers, other than one being uncooperative. I arrived on scene at approximately 2244 hours. My body worn camera was activated. I observed the following in summary:

Upon my arrival I observed a male adult who had been detained by Officers. I then learned that there had been on Officer involved shooting at the scene. I began taping off the scene. I canvassed the area for weapons and shell casings with negative results. During my canvas I picked up a dark colored blanket and shook it out, checking for weapons or shell casings with negative results. I placed the blanket back on the ground where I had picked it up. I held the scene until detectives arrived on scene.

Type 04 OBSERVATIONS
Subject OFFICER AUSTIN #622
Author 4554 - AUSTIN, SHAUGHN N 0622
Related Date Jul-18-2022 5:39

On Saturday 07/18/2022 at approx. 2241 hours, I, Ofc Austin #622 and Ofc. Haden #763 were en route the location of 16th St and A St in the city and county of Sacramento regarding an uncooperative subject. Per the remarks on the call a subject was uncooperative with officers on scene and was walking away from them heading southbound on 16th St. Due to the inaudible radio transmissions that officers on scene were putting out, Ofc. Haden and I responded Code 3 (red lights and sirens) per our department policy to the location. Our body worn cameras and in car camera were activated via the red lights on the patrol vehicle. I observed the following in summary:

Ofc. Summey #491 and Ofc. Guevera #508 were on scene prior to my arrival.

I arrived on scene at approx. 2242 hours and observed a male subject (later identified as identified as [redacted] XREF: [redacted] walking at a brisk pace, southbound on 16th St, away from Ofc. Summey and Ofc. Guevera. Officers on scene were giving commands for Suspect [redacted] to stop walking; however, he continued to walk away while repeatedly stating that he had done nothing wrong.

I made contact with S-[redacted] in which I immediately attempted to detain him by putting him in a department approved two-hand rear wrist lock. S-[redacted] resisted officers by flexing and attempting to pull his arms away. However, officers were able to detain and place S-[redacted] into handcuffs without further incident.

An officer on scene stated that S-[redacted] was injured, and I observed what appeared to be blood on his t-shirt in the upper left shoulder area. Due to the rapidly evolving events, I did not notice S-[redacted] injuries. Another officer stated S-[redacted] injuries were due to an Officer involved shooting. I inspected his injuries further and observed two small holes in the upper left shoulder area consistent with gunshot wounds. Based on the details of the call and the inaudible radio transmissions from officers, I did not realize I was responding to an officer involved shooting.

Officers attempted to render aid by cutting S-[redacted] out of his t-shirt and applying two chest seals to S-[redacted] injuries.

Sacramento Fire Engine 14 arrived on scene at approx. 2251 hours and transported S-[redacted] to UC Davis Medical Center.

While on scene, a female subject who verbally identified herself as [redacted] was walking towards officers and stated she was a witness to the incident. I attempted to obtain a witness statement from W-[redacted] however, she advised she would rather speak with a Detective.

Later on in the investigation, W-[redacted] was transported to 5770 Freeport Blvd (HOJ) by A34 (Ofc. Hernandez) to speak with a detective in regards to the incident.

End Observations.

On 7/17/2022 at approx 2240 hrs I, Ofc Hernandez #714 responded to assist Ofc Summey #491 and Ofc Guevarra #508 who were on an attempt pickup and were requesting additional units because of an uncooperative subject. I was driving a marked Sacramento Police vehicle and wearing a Sacramento Police uniform. My body worn camera was on and activated during this incident. The following is a summary of my observations:

I heard what sounds of struggle over the radio and Sgt Gresham #3010 authorized Code 3 to the units. I drove Code 3 from 7th and L st and reduced when there was transmission that there were enough units on scene. I arrived on scene and assisted in closing off 16th st. I met with Sgt Gresham who advised me to standby with the officer's involved in the incident. Ofc Summey was instructed to turn off his body worn camera and confirmed I could turn mine off as well while I stood by with him. I remained with Ofc Summey until he conducted the walk-through later in the night.

I later assisted in transporting W-[redacted] to HOJ for interview by the Detectives.

I assisted in a perimeter spot at 16th St and North B st.

No further actions taken.

Related Date Jul-18-2022 5:11

On 7/17/22 at approximately 2236 hours I, Sergeant Gresham #3010, was working as the District 3 (Downtown Sacramento) patrol supervisor with the identifier 1SM3. I became aware of the attempt pickup for a suspect with a felony no bail. I heard Officer Guevara voice on the radio that she had an uncooperative suspect. I requested units respond Code 3 with lights and sirens activated to assist. I heard additional updates on the radio and responded to the scene. I arrived at 16th St and C St at approximately 2251 hours.

Upon my arrival I observed Officers providing medical aid to a male at the northeast corner of the intersection. I ensured that an Officer rode in the SFD medic with the suspect. I ensured that a crime scene was being established and crime scene tape was being putting up to contain the area. I learned that Officer James Summey (1A31) used force discharging his firearm during the apprehension of the suspect. I learned that Officer Summey and Officer Guevara (1A32) were the only two Officers that were present during the use of force. I had Officer Summey walk to his patrol vehicle and turn off his body worn camera. I had Officer Catalina Hernandez stay with Officer Summey.

I spoke with Officer Guevara (1A32) and obtained a public safety statement. I read Officer Guevara an SPD 136 card (revised 12/18) see statement. I had Officer Guevara deactivate her body worn camera.

I assigned Officer Kammerer (1A35) to sit with Officer Guevara. I gave instruction to Officers Summey, Guevara, Hernandez, and Kammerer to not discuss the event and to stand by for further instruction. Officer Summey and Officer Guevara sat in their separate patrol cars until further instruction was given.

I continued overall supervision of the crime scene which included making sure we had Officers checking for any injured people, locating physical evidence, securing the crime scene, and scene security.

I then began preparing a briefing for responding Detectives and Investigators. Lieutenant Morse and I gave the briefing at approximately 0229 hours.

On 7/17/22 I, Sergeant Gresham #3010, spoke with Officer Alex Guevara onscene. I read Officer Guevara my SPD 136 (revised 12/18) Public Safety Statement card. I asked Officer Guevara all of the questions on the card and she stated the following in summary:

1) North 16th St and A St on top of the hill. (Officer Guevara directed my attention to the east side of 16th Street, east of the pedestrian walkway, and north of the railroad tracks). Officer Guevara told me the shots were fired just south of where Officers were standing (can be seen on her body worn camera) and the suspects tent. There is one large tent up there.
2) Officer Summey fired two to three rounds in a southbound direction
3) No.
4) No.
5) No, we need to check the tent and there was one witness nearby. I believe the suspect was hit in the back. We don't know if he fell or it's a gunshot wound.
6) No.
7) He picked something up from his cart and had a blanket over it. He was pointing the object at us. It was a rifle or something that he was pointing at us. He did put it down. I think it's on the ground or in the shopping cart or under the blanket. He put it down and started running away.

On 07/17/2022 at approx. 2240 hours, I Ofc. Kammerer #554 was dispatched to the area of 16th St / C St in regards to officers dealing with an uncooperative subject. Due to inaudible radio traffic and 1SM3 advising units to respond with lights and sirens, I did. I arrived on scene at approx. 2245 hours. My body worn camera was on and activated during the investigation. I observed the following in summary:

While still en route, additional radio updates advised that the suspect was fleeing southbound on 16th St.

Upon arrival, I observed several officer detaining the suspect just north of C St on 16th St.

When I got close to the suspect and officers, I observed blood running down the suspect's left side of his body. A chest seal was already applied to the left shoulder. I assisted in conducting a secondary sweep for any additional injuries.

At that time, officers advised a shooting had occurred.

Myself and several additional officers went to the scene where the shooting had occurred and conducted a welfare check of a tent in the area for any other possible individuals that may have been injured. I pulled back a tarp on the tent and was able to visually clear the inside of the tent with Ofc. Cooper #534 for any additional injured parties.

After verifying there were no additional parties, several officers and myself conducted a canvass of the area for evidence of the shooting with negative results in locating any casings.

On Sunday, 07/17/2022, at approximately 2240 hours, Officer Mccarthy #433 and I (Officer Mullen #366), (2C33) were dispatched to 16th St / A St to assist an officer. The officers were on an Attempt Pickup call. I observed the following in summary:
Prior to being dispatched, Officer Mccarthy and I were parked at 600 Sequoia Pacific Blvd on our lunch break (C7). We were monitoring the radio when we heard 1A32 (Officer Guevara #508) advise over the radio that she was with an uncooperative subject with a felony warrant.
Officer Mccarthy and I advised dispatch that we were enroute. As we were driving to their location, we heard an inaudible radio transmission from an officer and Sergeant Gresham (1SM3) advised for officers to continue code three. We activated our lights and sirens and continued to their location. My body worn camera and ICC were activated for the duration of the investigation.
At approximately Richards Blvd and 7th St we reduced code three. We continued and arrived on scene. I observed multiple officers with a male adult subject detained in handcuffs. He appeared to have an injury to his back left shoulder. Officers appeared to be applying bandages and checking him for other injuries. I learned from officers on scene that the call was possibly an Officer involved shooting.
I assisted with scene security by putting up crime scene tape and blocking intersections.
Officer Mccarthy advised that he was to be riding with the suspect in the ambulance to UC Davis Medical Center.
I proceeded to our patrol vehicle and drove to UC Davis Medical Center where I met with Officer Mccarthy.
Officer Mccarthy and I provided medical status updates to Sergeant Gresham.
Officer Mccarthy and I were eventually relieved by Officer Yee #709 and Officer Valenzuela #855.
Officer Mccarthy and I returned to 17th St and D St and then 16th St and N B St where we conducted traffic control by blocking the intersection.
At approximately 0410 hours we were advised we no longer needed to maintain our perimeter spot and left the scene.

On 7/17/22 at approx. 2241 hours, Ofc. Austin #622 and I (Ofc. Haden #763) responded to 16th St. and A St. to assist Ofc. Guevara #508 and Ofc. Summey #491 with an uncooperative subject with a felony warrant. Due to the radio traffic of the officers on scene being difficult to understand, I responded with my lights and siren activated (code 3). We arrived on scene at approx. 2242 hours. My body worn camera was on and activated during the investigation. I observed the following in summary:

When we arrived on scene, the suspect ([redacted]) was travelling southbound on 16th St. approaching C St. while Ofc. Guevara and Ofc. Summey were following him. I positioned my patrol vehicle at 16th st. and C St. in attempt to cut off [redacted] path of travel. I exited my vehicle on foot and ran towards [redacted]

I pointed my firearm at [redacted] and attempted to prone [redacted] out, but he refused to follow commands. [redacted] was yelling and acting extremely erratic. I recognized [redacted] from a previous call for service where he displayed similar behavior. I holstered my firearm and assisted with detaining [redacted] in handcuffs.

[redacted] was bleeding from his back on his upper left shoulder. He had two distinct circular wounds that were freshly bleeding. Ofc. Rios #834 applied chest seals to the wounds. I heard [redacted] state that his wounds were not from being shot while officers were rendering aid. [redacted] was alert and awake while on scene.

[redacted] was seated on the front bumper of a patrol vehicle until an ambulance arrived to transport him. While coordinating resources for the scene, I was advised that the wounds on [redacted] back were from rounds being shot at him by Ofc. Summey.

Due to the rapidly evolving nature of the scene, I was not aware of an officer involved shooting when I arrived on scene and assisted with detaining [redacted]

For the remainder of my time on scene, I assisted with scene security and other scene related tasks.

On 07-17-22, at approximately 2355 hours, I, Officer Daus #393 contacted [redacted] near the intersection of C St and 15th St regarding police activity. I was equipped with a body-worn camera and an in-car camera which was activated and recording. He stated the following in summary.

I was standing here (near the corner of C St and 15th St about an hour ago. I didn't see anything other than a bunch of cop cars pull up all at once. I did not see any police before that. I didn't see anything.

Related Date Jul-18-2022 3:01

On 07-17-22, at approximately 2241 hours, Officer Lucas #478 and I, Officer Daus #393 responded to 16th St and A St code 3 due to hearing officers requesting additional units for an uncooperative subject with a felony warrant. Shortly after I heard a muffled radio transmission "fighting". Per the text of the call, officers were attempting to pickup [redacted] for a felony warrant.

Upon arrival I immediately assisted with traffic control. I was tasked to block eastbound traffic on C St from 15th St. I positioned a patrol vehicle (13415) and police tape at the intersection of C St and 15th St. until being relieved at approximately 0345 hours.

At approximately 2355 hours, I Officer Daus #393 contacted a male subject who identified himself by [redacted] DL as [redacted]) and obtained his statement (See subject statement). [redacted] advised me that his vehicle ([redacted] is parked just inside the police tape (south curb facing east) and would like to retrieve it and leave. Per 1SM6 Sgt Martinez, I allowed [redacted] to leave in his vehicle.

Related Date Jul-18-2022 4:11

On 7/17/2022 at approximately 2241 hours, I, Officer Wright #559, was dispatched to the area of 16th Street and A Street to assist officers. I responded to the scene from 300 Richards Boulevard. I arrived on scene at approximately 2245 hours. My in car camera and body worn camera were activated and recording during this call. I observed the following in summary:

I assisted with establishing a crime scene, setting up scene tape, and scene security. I also canvassed the area for additional witnesses and videos cameras.

I contacted a person experiencing homelessness near the intersection of 16th Street and A Street. She identified herself as [redacted]" but refused to provide a residential address, mailing address, or phone number. She advised that she stays with her friend in the area of 16th Street and A Street by the boulders. She was uncooperative, but I obtained a preliminary statement from her (see Subject [redacted] statement for further details). She refused to wait with officers and left.

I canvassed the area and located a security camera on the northwest corner of the 1601 A Street (Blue Diamond Almond Growers). I contacted Blue Diamond Security Guard [redacted] who advised that the camera on the northwest corner was not working and the only other camera in the area did not reach out to 16th Street.

I assisted with holding the scene until **** hours.

Type 04 OBSERVATIONS
Subject SGT. MARTINEZ #3048
Author 622 - MARTINEZ, CARLOS A 3048
Related Date Jul-18-2022 7:41

On 07-17-22, at approximately 2245hrs, I, Sgt. Martinez #3048, was working as the district 6 supervisor, dressed in full police uniform and driving a marked black and a white patrol vehicle. My body worn camera and in car camera were activated during the call.

As I was leaving the station for my shift, I heard 1A31 (Officer Summey) and 1A32 (Officer Guevara) request additional units. Then there was some muffled radio traffic that was concerning so I started their direction (16th St/C St). As I arrived on scene, I was informed that there was a shooting. Then I learned that it was an Officer Involved Shooting.

As I exited my patrol vehicle, the suspect was being treated by Fire/Medic 2. I ordered a two-officer car (Officer Mullen and Officer McCarthy) to split up and one officer ride with the suspect while the other followed in the patrol vehicle. I also requested CSI to respond to the hospital for photographs of the suspect.

I set up the outer perimeter and had Officers Haden and Sean obtain a preliminary statement from the witness and stay with her until relieved by detectives.

Sgt. Gresham arrived on scene and took command of the call.

Once the perimeter units were set up, I assisted with collection of the body worn cameras of the two officers involved (James Summey and Alex Guevara). I collected their body worn cameras and maintained control of them.

Due to the media beginning to arrive and concerned for the officers involved, I had the officer's partner with team members and then transported to SPOA.

I responded to 300 Richards and downloaded the body worn cameras to the AXON system.

Once the download was competed for each body worn camera I returned to the scene and assisted Sgt. Gresham.

With permission from the on-scene detectives I returned the body worn cameras to the corresponding officers.

I stayed on scene until I was relieved by day shift units.

Type 02 WITNESS STATEMENT
Related Person (WITNESS #2) [redacted] (DOB: [redacted])
Subject (WITNESS #2) [redacted] (DOB: [redacted]
Author 3481 - MCGOVERN, SHAUN 0892
Related Date Jul-18-2022 8:12

On July 18, 2022, at 8:12 am, I (Detective McGovern) spoke to Witness [redacted] at Headquarters inside of interview room 6. Witness [redacted] told me the following in summary:

Last night, I left my friend's tent, that's set up on Richards Blvd, and rode my bicycle down N16th Street heading towards downtown. I rode my bicycle down N 16th Street, using the west sidewalk. As I road my bicycle down the street, I saw a girl that I know named [redacted] I met [redacted] about a month ago, when I got her a ride and last night was the second time that I seen her. She was a female, white, adult, wearing a flower top that was red and cream colored. [redacted] and I talked as we walked down the west sidewalk of N 16th Street. I think she said she was single and I'm into more light skinned girls, so I was trying to talk to her. [redacted] was out there in that area doing what everyone else is doing, smoking... doing drugs. I saw [redacted] holding a piece, a glass bubble (narcotic smoking pipe) on her. We stopped at the northwest corner of N 16th Street and A Street, right when the officers first pulled up on the other side of the street. It looked like the officers were making some kind of stop and they parked their cars on the other side of the intersection.

At first I thought the officers were going to stop me and I said something to [redacted] about being stopped. [redacted] told me, "*You're gonna get the same treatment as this other guy.*" I tried to continue to talk to [redacted] but she just jumped up and walked off toward the officers. I asked her what she was doing, but she didn't say anything. [redacted] crossed the street, as the officers got out of their vehicles and started to walk up toward the guy in the camp. I think she might have called the police on the guy, because the guy looked like he was hiding, and also because she made that comment to me. The officers walked up to the guy and [redacted] followed the officers up the dirt path. [redacted] didn't talk to the officers until they were up at the camp talking to the guy.

I continued to walk south, down the west sidewalk, and saw the officers walk up to the camp. The officers walked up to the guy and talked to him for a good sixty seconds... almost a minute and a half to two minutes. I couldn't hear what they were saying to him, because I was across the street. I guess the guy was high... he looked like he was high. He was all over the place, just moving. He was tweaking, that's all I can really say. It looked like he was scared for his well being. When the officers walked up closer to guy, it was just chaos. The guy started to panic for some reason and I think the guy didn't want to give the officers his name because he had warrants. He was panicking and they didn't grab him or anything. The guy walked away from the officers, grabbed a blanket that he had with him and covered his hands. Right after covered his hands, he walked toward the officers while saying, "*I'm an FBI agent.*"

The moment he did that the officers clutched their handguns and whipped them out. The officers had their guns drawn and the dude started going at them. The guy wouldn't stop walking towards them and I heard the officers tell him to drop whatever he had in his hands. The guy's hands were covered with the blanket and I didn't really hear what he was saying to the officers, because I focused on what [redacted] was doing.

[redacted] was standing right behind the officers. I just know the guy wouldn't let the officers see what was behind the blanket and he actually acted like he had something.

(Witness [redacted] demonstrated holding his two hands in front of him like he was holding a long gun)

You know what I me... just imagine if you're walking like this, like you know... the cop was going... they were fearing for their life. It looked like he was brandishing a firearm with the blanket over it. That's when I heard the two shots. I think each officer fired a shot. I was standing directly across the street with my friend [redacted]

(Witness [redacted] marked a spot on the aerial image of the scene indicating where he observed the shooting occur. The spot he marked was area on the dirt path along the east side of N 16th Street. He then marked a spot directly across the street indicating where he was standing.)

I'm not good at estimating distance, but I believe the officers were about ten feet away from the guy when the shots were fired. And you know, the officers, they're gonna fear for their life, that's when I say... when they seen him go for the cover and rush towards them... you know, that's their choice... their only choice was to shoot him.

After the shooting, the guy was like, "*I don't have nothing. I don't have a gun.*" He dropped the cover and then the officers were able to see that he didn't have anything. Then the guy kept pleading for them to leave him alone. He was just kept saying, "*I'm scared*" and the cop would say, "*I'm sorry*." The guy also said, "*That's why I didn't walk up to you guys. That's why I didn't let you...."* You know, because he had warrants.

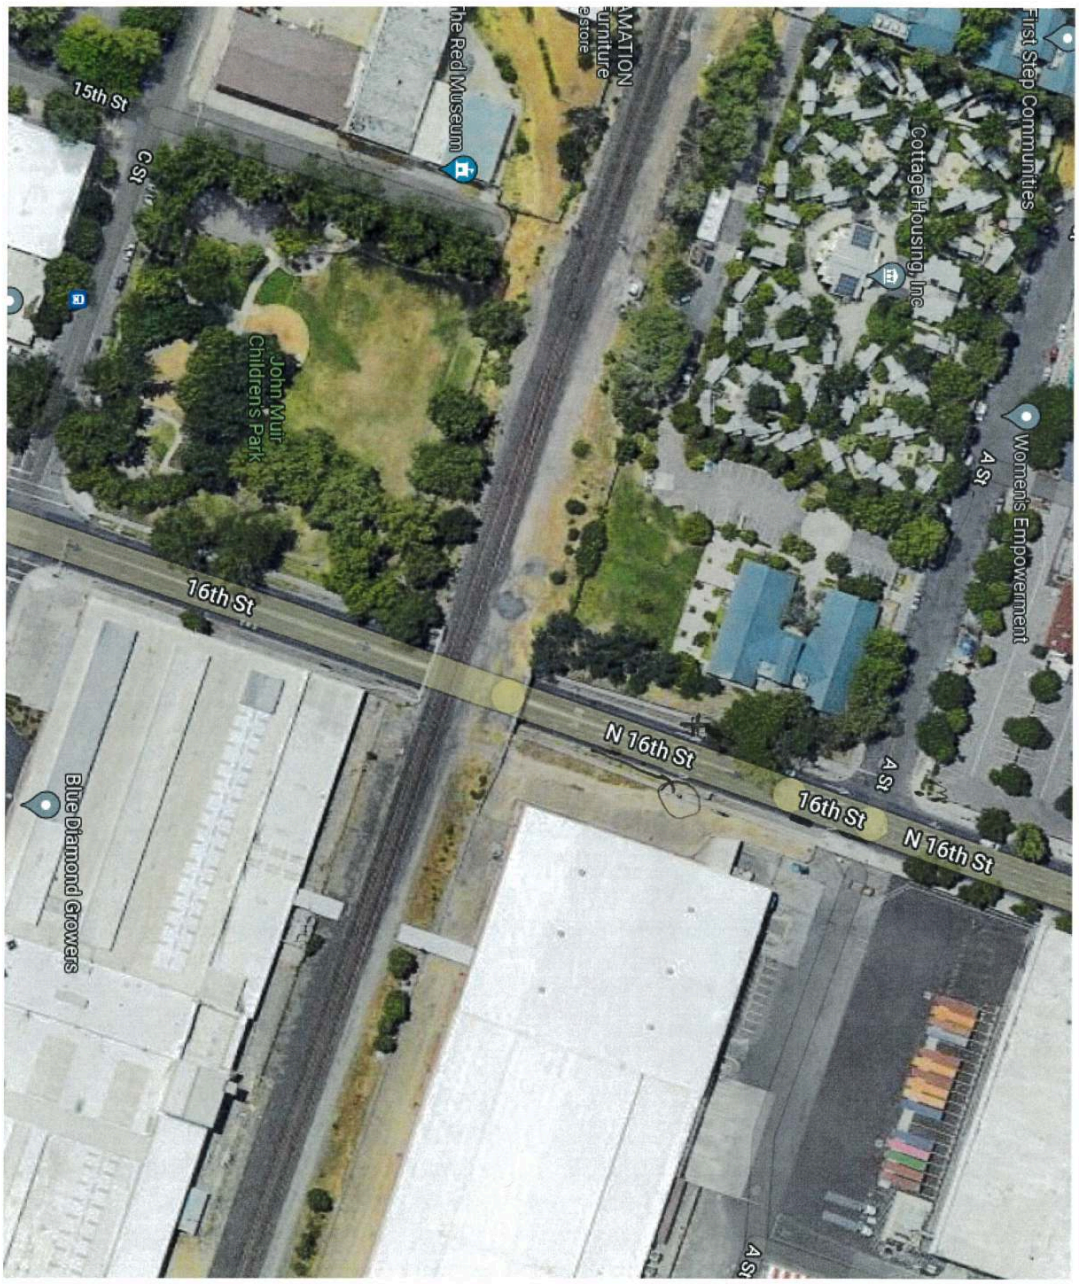

The officers kept their guns draw on the guy, making sure he didn't run anywhere else. I'm pretty sure they didn't want to fatally kill him, they were just trying to stop him from walking towards them and going berserk, because he was high. The guy kept looking at the officers and kneeled down, no blood dripping. I couldn't see where he got shot at all.
The guy kept backing up, as he talked to the officers, and then jumped down to the sidewalk. The guy ran through the tunnel that goes under the railroad overpass and down the sidewalk, while the officers followed him. Some more officers arrived going the other way and stopped the guy. Once all the other officers got there, I turned around and went down A Street because I didn't want to go where all the officers were at.

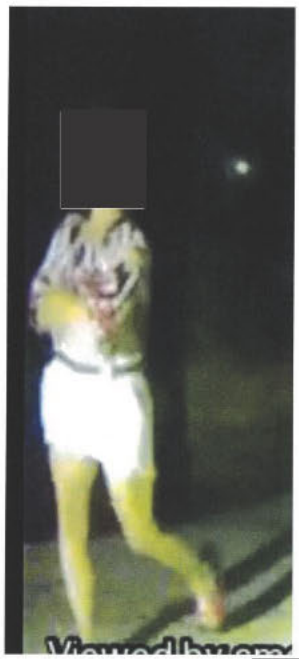

After the shooting, people came out from everywhere and were saying the guy had a warrant and goes by the name [redacted] I know most of the people that camp in that area and I'm pretty sure I met [redacted] in the past. I think I saw him yesterday and he was chill. People told me they had seen [redacted] going in and out of the area where the camp was at. I'm pretty sure [redacted] told the cops everything, that's just how they approached the situation. I think the cops wanted to ID the guy, but he was giving them a run for their money. I don't know for sure, but [redacted] maybe said something about the guy having a gun, because I saw her go over to the cops right after they arrived.

He said, "*I'm an FBI agent*" and picked the cover up. It was kind of funny in a way, because I wouldn't think he was an FBI agent. He walked off and looked like he grabbed a gun.

Type 02 WITNESS STATEMENT
Related Person (WITNESS #3) [redacted] (DOB: [redacted]
Subject (WITNESS #3) [redacted] (DOB: [redacted]
Author 4095 - NANGLE, JONATHON 0385 [redacted]
Related Date Aug-29-2022 8:11

On 07/18/2022 at approximately 04:56 hours, I spoke to witness [redacted] in an interview room at the Sacramento Police Department Hall of Justice. During the statement I had to wake up (W)[redacted] multiple times, but she stated the following in summary:

I was in the area of 16th St / A St this morning because I was smoking crystal meth. I can't remember who I was smoking with. I don't remember a lot of people's names. I don't remember what time I got there and I don't remember how long I had been there.

Earlier in the day I had been doing Amazon deliveries. I got dropped off near 16th St / A St after I was done delivering packages. The person I was smoking with was black, bald, 30-40 years old.

I had been in the area 20-30 minutes before police showed up. When the police showed up they parked on the levee side of 16th St. I was standing on the other side of the street and the officers got out of their cars.

When the officers got out of their cars I crossed the street and followed them up on the levee to see what they were doing. The officers were trying to take the campers drinks.

I saw officers contacting someone up on the levee.

[redacted] then identified [redacted] as the one she saw officers contacting on the levee

I had seen the person on the levee before, I've had a few run ins and I've smoked with him once. He doesn't leave his camp very often. I've never seen him with any weapons, but I've never been inside the camp. His name is [redacted]

All I know is that the officers told him to put whatever he had in his hand down. That's when I turned to walk because he had the gun rack pointed at all three of us. I don't know what he was holding, but it looked like a gun rack.

I wasn't there for the whole thing, but when I walked up he was being a dick. He wasn't listening to officers. He walked back behind the laundry trash bin when officers were trying to talk to him. The officers told him to calm down and to take a seat.

I don't know what else happened. I heard the gunshots and that's it. Prior to the gunshots I heard the officers telling him to put whatever he had down.

When the officers first went up there [redacted] was being a dick, he had his whole body covered. He pulled something out, put it under the blanket and kept walking towards us.

I didn't touch anything at the camp and I didn't take anything from the camp.

On July 18, 2022, at 11:03 am, I (Detective McGovern) spoke to [redacted] at Headquarters, inside of interview room 4. The interview room was audio and video recorded. [redacted] told me the following:

[redacted]
Detective McGovern - M

M - How's your shoulder doing?

[redacted] - Fine.

M - Yeah.

[redacted] - Just a piece of glass.

M - Okay. Okay, with everything that's going on and coming down here. I've got to read you your Miranda Rights. Okay?

(Audio and video paused for an unknown reason and resumed while I read [redacted] his Miranda Rights)

M - ... in court. Do you understand?

[redacted] - Yes.

M - You have the right to the presence of an attorney before and during any questioning. Do you understand?

[redacted] - Yes.

M - If you cannot afford an attorney, one will be appointed for you free of charge, before any questioning, if you want. Do you understand all that?

[redacted] - Yes.

M - Okay. So I'd like to talk about what occurred last night at... over by your camp and everything.

[redacted] - Well, I don't want to speak on it. Sir.

M - You don't want to speak on it?

[redacted] - No.

M - Okay. This is just... I just want to give you the opportunity to kinda have your side out there.

[redacted]- Yes, Sir.

M - So that's what I'm here for. I'm just a fact finder. Right, so I'm not taking one side or another. I just want to make sure you understand that.

[redacted] - Everything is okay.

M - Everything...

[redacted] - Yeah, it's no big deal. Sir.

M - Okay.

[redacted] - It's just (inaudible). It's no big deal.

M - Okay. So you don't want to give a statement?

[redacted] - No, Sir.

M - Okay. All right. We'll have you sit here for a little bit and we'll figure some stuff out. Okay?

[redacted] - Yes, Sir.

M - All right. Thank you.

[redacted] - He's not in trouble or nothing? Right Sir?

M - What's that?

[redacted]- He's not in trouble or is he?

M - Who?

[redacted] - The officers or nothing.

M - Well, we're just... we have to do... because.

[redacted] - He's a good dude. I know him.

M - He is?

[redacted] - Yeah. He's a good dude, sir.

M - Okay.

[redacted] - He is. For real.

M - Okay. Okay.

[redacted] - I just did... it don't make sense. Sometimes things don't make sense.

M - Okay.

[redacted] - We can't understand. We try to ask and we can't figure it out.

M - Okay. This is the thing. If you want to talk about... like what we're talking about now...

[redacted] - Yeah.

M - I'm more than open to do that. But if you're saying you... you know .

[redacted] - I understand.

M - You don't want to give a statement, then it's kind of... you know what I mean.

[redacted] - Yes, Sir.

M - I don't mind talking about it at all. Like if you want to talk about how you feel about the officer and everything, I can sit back down and we can... I'll gladly listen to you.

[redacted] - No, that's all right. Sir.

M - Okay?

[redacted] - Yes, Sir.

M - Okay.

[redacted] - Thank you.

M - But that's the main thing you wanted me to know?

[redacted] - Yeah, we're all right.

M - You're all right?

[redacted] - Yeah, thank you.

M - Okay.

On July 20, 2022, at 1:14 pm I (Detective McGovern #892) interviewed Officer J. Summey #491 at Headquarters inside of interview room #8. The interview was audio recorded only, via my body worn camera. Present for the interview, was David Mastagni and James McKay, with the law firm of Mastagni Holstedt. The interview room was live streamed to other monitors so that assisting detectives, managers, DA Investigators and Internal Affairs could watch the interview. I later submitted the audio recording to DocuScript, a transcription service, to have it transcribed verbatim. Once transcribed, I reviewed the transcription to the audio recording and made minor changes for accuracy. Prior to attaching the statement to the report, I provided a copy of the edited transcription to David Mastagni for review with Officer Summey. On August 8, 2022, David Mastagni contacted me regarding a minor correction. I made the correction to the transcript and attached it to the report. Please see attached transcription for Officer Summey's statement.

OIS VIDEO ADMONISHMENT

There exists video evidence pertaining to this case. You will be provided ample time to view the evidence before providing a statement. The purpose of showing footage is to assist your recollection of the incident so that you can sufficiently describe your state-of-mind. When viewing video evidence footage, be aware of the following:

- Recordings may depict events differently than you recall.
- Clips may not show the entire incident as seen or heard by you.
- The evidence may portray fields of view not normally observed by the human eye.
- Camera framerates limit the ability to smoothly capture movement.
- Coloring and lighting may be outside of the spectrum of the human eye.
- Depth, distance, and orientation could differ from your position during the incident.

INTERVIEW WITH OFFICER JAMES SUMMEY
Q=Detective Shaun McGovern
A=Officer James Summey
A1=David Mastagni
A2=James McKay

Q: All right, let's get this started right there. Okay, why don't we go ahead and start. Today's date is July 20, 2022, and the time is 12:40 — I'm sorry, 1:14 p.m. My name is Detective Shaun McGovern, with the Sacramento Police Department. I am one of the detectives assigned to the investigation. This voluntary interview is regarding Sacramento Police Report number 22-199356. This incident occurred on July 17, 2022, at 10:40 p.m. This interview is being conducted inside an interview room at the Sacramento Police Department Headquarters. And at this time, if I could have everybody identify themselves inside the room?

A1: Absolutely. David Mastagni, M-A-S-T-A-G-N-I.

A2: James McKay, M-C-K-A-Y.

A: And James Summey, S-U-M-M-E-Y.

Q: Okay. And your badge number, sir?

A: 491.

Q: 491? Okay. Can I call you James?

A: Yes, that's fine.

Q: James, how long have you been with the Sacramento Police Department?

A: I've been with the department for a little over two years now and sworn for approximately a year and a half.

Q: Yeah. Okay. Do you have any other law enforcement or military experience?

A: I was a military police officer in the United States Navy, and I did a lot of volunteer work at the police department when I was in high school.

Q: And how long were you in the Navy for?

A: Four years.

Q: Four years? Were you an MP or a…

A: A Master-at-Arms.

Q: Master at Arms, the entire time?

A: Yes.

Q: Okay. And a part of being a master-at-arms, what were your duties?

A: Specifically, my duties, I did K9 handler, so that was my primary duty. However, I also did law enforcement work on the base.

Q: Okay. And what did that law enforcement work consist of?

A: Patrol, anti-terrorism, security measures.

Q: Okay. What is your current assignment?

A: My current assignment is patrol, on graveyards, for Sector 3.

Q: Okay. And how long have you done that?

A: Approximately three months.

Q: Three months? Okay. What was your prior assignments while with the Sacramento Police Department?

A: At the beginning of this year, I was assigned to Sutter General Hospital as the Green unit. And the year before, after testing out of phase training, I was assigned to Sector 5 for pretty much the second half of the year.

Q: And when you say Sector 5, is that a patrol assignment?

A: A patrol assignment, yes, sir.

Q: And what was the shift during that time?

A: Day shift.

Q: Day shift?

A: Yes.

Q: Okay. Can you describe to me any specialized training you might have received, whether range master, crisis intervention, or de-escalation? Do you have any?

A: Aside from what I learned at the academy, I haven't attended any specialized classes yet.

Q: Okay. That's fine. I just have to ask. Have you had any training with the military regarding de-escalation or crisis intervention?

A: Not that I'm aware of, no.

Q: Okay. Can you describe your current duties?

A: I'm currently assigned as a patrol officer, and my current duties are primarily responding to calls for service. However, when time permits, we do proactive traffic stops or attempt pickups for people with warrants and try to prevent crime and react to crime as well.

Q: Okay. The night of the incident, what were your work hours?

A: My work hours were 2100 hours, or 9:00 p.m., to 0700 hours, or 7:00 a.m.

Q: Okay. And on the day of the incident, what time did you start work?

A: I started work at 2100 hours.

Q: Okay. And during the incident, were you wearing a patrol uniform? And if you were, can you please describe it?

A: Yes, I was. My patrol uniform consisted of a top shirt with Sac PD patches on both shoulders, my name embroidered on the top right pocket, and my Sac PD badge on my left breast. And my whole uniform is dark blue. I was wearing black boots and a duty belt with all of my gear.

Q: Okay. Can you describe to me what equipment you had on your duty belt?

A: Yes. I had my service firearm. I had two spare magazines. I had keys. I'm just kind of trying to go in order so I remember everything.

Q: No, that's fine.

A: I had my baton, my handcuffs — two sets of handcuffs. I had pepper spray, my taser, and a flashlight, and a tourniquet.

Q: Okay. And that's going around your belt?

A: Not 100 percent, but I'm just -

Q: Yeah.

A: That's pretty much everything.

Q: Okay. That's what's on your belt. During the time of the incident, can you describe the weapons you had available to you, including less-lethal, the make, model, and caliber? Let me ask you what service weapon you had.

A: I had a Glock 17, Gen 5, and it was a 9 mm handgun. I had 17 rounds in the magazine, one round in the chamber, and then two spare magazines with 17 rounds.

Q: Okay. Did you have any other backup or secondary weapon?

A: No. I don't carry a secondary.

Q: Okay. Did you have any other less-lethal outside of what you described?

A: No, I did not.

Q: Okay. At the time of the incident, were you in possession of a recording device on your person?

A: Yes, I had a body camera.

Q: Okay. And where was that at on your person?

A: It's about mid chest.

Q: Mounted mid chest?

A: Yeah.

Q: Okay. And during the time of the incident, was it activated?

A: Yes, it was.

Q: Okay. On the day of the incident, what was the call sign you were working under?

A: On the day of the incident, I was working under 1-Alpha-31.

Q: Okay. And were you in a fully-marked patrol car?

A: Yes, I was.

Q: Okay. Were you solo or with a partner?

A: I was solo in my vehicle; however, I had my partner with me. She was in her own vehicle.

Q: Okay. Prior to the incident, did anything significant happen during your shift?

A: No, nothing significant.

Q: How did you on-view this call?

A: I used the on-view function for our CAD system and used the attempt pickup code. And then I copy and pasted Mr. [redacted] details into the details of that attempt pickup call.

Q: Okay. And you said copy and paste. What did you copy and paste from?

A: From WebKPF.

Q: From WebKPF?

A: Yes.

Q: Okay. When you copy and pasted, did you evaluate anything else on WebKPF?

A: I saw — I went on and saw that he still had a felony warrant. I had been monitoring it for a week or two.

Q: Okay. How far into the shift were you when you on-viewed the call?

A: Approximately an hour and 40 minutes.

Q: Okay. Sorry, I just have to ask. Were you familiar with the camp from any prior contacts there?

A: Yes. Months ago, my partner and I contacted Mr. [redacted] there at that camp.

Q: Okay. Tell me more about that.

A: I couldn't tell you a specific date off the top of my head. However, we were called to that camp by whatever the assigned security was for the Blue Diamond almond factory, and they were requesting us to send that gentleman on his way with his camp, as they thought that piece of land was their property. However, we did a check, and we saw that land was, I think, the property of the railroad or city property. It wasn't necessarily combined with that private property, so we advised security there's not much we could do; however, we could go talk to him if they wanted us to. And myself and my partner went and spoke with Mr. [redacted] and identified ourselves and just let him know that security is kind of concerned that your tent is over here. And he was understanding and said he was packing up his stuff and going to leave in the next few days, but he had a lot of stuff. He identified himself to us, and we just left.

Q: Okay. And that was the first time you contacted him?

A: Yes, the first time I had ever met him.

Q: And then, from that time until the time of the incident, did you have any other contacts with him?

A: I had two more contacts with him.

Q: Can you describe what those contacts were?

A: Yeah. The second time, we were called to a 927, or suspicious circumstance call. [redacted] So, they called us, and several of us responded, contacted the witnesses, obtained statements. As we were leaving — because we canvassed the area and didn't find any vehicles, or females, or anybody associated with that call. One of the witnesses pointed out Mr. [redacted] walking down the street as we were leaving and said, "That's the guy. I remember him. That's the guy I saw walking." And we all drove over to the side of the street. I think there were probably four of us that went over there and kind of surrounded him, just because of the details of the call, and attempted to detain him. He was a little argumentative and kind of resistant, hesitant to — because he had no idea why we were there or why we were surrounding him.

But we ended up detaining him, placing him in the back of the car. We were trying to explain to him what was going on and why we needed to identify him. He didn't want to identify himself, but my partner, who I was with on

the first call, recognized him from that call and said, "I think I know him. Let's try to look up that other call so we can just get his name so we can send him on his way." And while he was doing that, we were also just working on using LEARN to try to get a facial identification. And I think synonymously, at the same time, we ended up identifying him as Mr. [redacted] And we exchanged nice words. We knew he was on PRCS and he needed to identify himself. And he ended up just leaving that day, and we left, and nothing else came of it. I think it was just an I-report. We didn't find a female. We didn't find a victim. I don't think he gave us any statements regarding what was going on or why he was in the area.

Q: Okay. And you said there was one other?

A: Yes. The last, or the time prior to this incident, there was a vandalism of an ATM downtown, I think K and 12th or the J and 12th area. A [redacted] ATM was vandalized, and the description of who vandalized it was a naked male. We canvassed the area, looking for that gentleman running around or vandalizing something further. We couldn't find anybody. My partner, Alex Guevara, she put out a broadcast of a witness statement saying that the male had something over his shoulders, I think a blanket, pushing a cart, and was seen in the area downtown. And I ended up finding Mr. [redacted] downtown at J and 6th or J and 8th, somewhere in that, so close to the scene. And he wasn't naked, but he had shorts on, no shirt, with his boots on. And he was pushing a janitor's cart around with a bunch of stuff on it.

So, based on the proximity and close match, I detained him. I think we knew each other at that point. I said his name, and I think he recognized who I was. And he was very cordial and super cooperative with me. I asked him, "Hey, we're here investigating a vandalism of an ATM. Do you know anything about that?" And he was like, "Well, I don't think I know anything about that." And he asked me if he wanted me to cuff him. With how cooperative he was being with me, I was just going to walk him to my car and just kind of set him there until we could get a witness to identify him, but he was — but I knew I was solo at that time, and I thought it was smart to put cuffs on him. So, I was like, "Yeah, I'll throw some cuffs on you real quick." And he was like, "All you've got to tell me is to cuff up if you want me to cuff up." And he just turned around super nice, and I put cuffs on him. I think he knew the game and that he was being detained. And I walked him to my car, and he sat there. And a witness who initially called us ended up driving by us, stopping and saying, "No, that's not the guy. That's not the guy I saw vandalize the ATM." So, we cut him loose, and that was it.

Q: Okay. And that's where the term "cuffed up" came from?

A: Cuffed up, yeah.

Q: And he used that term?

A: Yeah, he did. It sounded like he knew the term from, maybe, [redacted] or something, "cuff up." Yeah.

Q: Okay. And then, when you had the contact at the camp, did you know of anybody else camping there?

A: I didn't know anybody else camped there from our prior contact, and I wasn't aware that there was anybody else when we were going up there.

Q: Outside the Blue Diamond complaint, were there any other complaints going around that area at the camp?

A: Not that I was made aware of.

Q: Okay. When you were at the camp previously contacting him, did you conduct a probation search or anything like that while you were there?

A: No, we did not.

Q: Okay. Were you aware of any weapons or possible weapons there?

A: The first time?

Q: Yeah.

A: No. We had no suspicion of weapons at that time.

Q: Okay. And then -

A: I don't think he had as much stuff. I think he just had his tent. I think it was less stuff than he had this time.

Q: Okay. So, from the first time you met him, over the month, he had progressively had a bigger camp?

A: It looked like it, yes.

Q: Okay. And the tote that was involved, was it similar to the cart that he was pushing previously?

A: No. The cart he was pushing previously was more of a tool cart that had two shelves to it, and it had four rolling, revolving wheels on it, versus this one

was more of a wheelbarrow type of trash can.

Q: Okay. So, you were not familiar with that tote at all?

A: No, I was not at all.

Q: Okay. I'm just clarifying. After on-viewing, when did you ask for an additional unit?

A: When my partner and I were — I mean, when we were up there talking with him and we knew he just wasn't going with the plan and he had no intention of following our orders, I thought it would be smart to give us some distance and ask for another unit at that time.

Q: Oh, no, no. I apologize. Where were you at when you on-viewed the call?

A: This call?

Q: Mm-hmm.

A: I was parked on the side of 16th.

Q: Okay. And was Ofc. Guevara with you?

A: Yes.

Q: When you on-viewed it?

A: Correct.

Q: Okay.

A: She didn't know where the location was, so she drove there first, and I was like, "Yeah, 16th and A." And she kept driving, and I pulled over to the side of the road, where we needed to be. And then she circled around to come back to the area because she didn't know where we were. And I said, "Come back here to 16th and A."

Q: Okay. That makes sense.

A: Yeah.

Q: And then, when you guys met there, did you have any discussion or a plan of your contact?

A: Yeah. I think we had discussed it because we had initially discussed on our last call, at the end of our last call when we were sitting there, that we were going to go for an attempt pickup or look for somebody with a felony warrant. And I had known that he stays over there at that camp and there was a — my partner also told me, because we were both looking for him, another partner on the team, that he had went a couple of weeks ago, looking for [redacted] and he didn't find him at his tent. So, I was like, "Well, maybe we can go peek around and see if he's at his tent today." So, we had talked about going and doing that felony pickup.

Q: Was Ofc. Guevara with you on any of the other previous calls?

A: Yes. She was with me on the second contact with him, where it was the 927 suspicious call, and then she was also with me on the ATM vandalism. She wasn't with me in the initial detaining phase, but she ended up showing up. I believe she showed up, but I know she was on that call.

Q: Okay. Now, when you made up the — when you on-viewed the call, did you confirm the warrant that he had or bring up his WebKPF again?

A: Yes.

Q: Okay.

A: I did.

Q: And what previous arrests do you know of that he had?

A: Previous arrests that I had made?

Q: No. Did you know what his previous history was?

A: I remember looking in the past. I didn't look on that day what his — but I remember his PRCS history was for a 459 history. And then I remember because I think we were asking if he had any drug history, and I don't remember seeing any drug history, but I don't remember any violent criminal history that he had.

Q: So, in the three previous contacts before, you didn't dig into his arrest history or have any knowledge of his arrest history?

A: I mean, I looked. Every time, I look in arrest history and arrest summary just to kind of see what the general views are, but I didn't look this time. I had looked the previous times, so I think I just had kind of a general understanding.

Q: Okay. So, you knew 459 and some dope history?

A: I don't remember seeing drug history.

Q: Okay.

A: I think we were talking about him and asking if he had any drug history. I don't remember seeing it.

Q: Okay. Did you talk about any of his prior arrests involving officers or anything like that in his history?

A: No.

Q: Okay. So, you ran the subject, knew that he had a PRCS warrant, that he was on PRCS for a 459?

A: Correct.

Q: Okay. And then, you had had some previous contacts with him where he had "cuffed up?"

A: Yes.

Q: Okay. And then, you knew that his camp was there, that it had been there for about a month?

A: Yeah, at least a month.

Q: At least a month? And that no other people were at the camp, from the previous contacts?

A: Correct, yes.

Q: Okay. Did you have any information that the suspect might be armed in any way?

A: No.

Q: Okay. Did you have any information the suspect had any violence in his past?

A: No.

Q: Okay. Upon contacting him, how did you identify him?

A: I said, "[redacted] How did I initially identify him?

Q: Mm-hmm.

A: Well, I mean, just from seeing his picture on WebKPF and seeing him up close. I think as we were walking up there it was dark. And myself and Ofc. Guevara were discussing it like, "Is that him? Yeah, I think that's him." And then, as we got closer, I recognized that that was him.

Q: Okay. So, you recognized him visually?

A: Correct, I just visually recognized.

Q: Okay. From your contact, can you just walk me through the incident? Start from your approach, what you said, and what he said. Can you walk me just through that? And be as detailed as you can.

A: Yeah. So, we walked up. Just because I felt like I had better rapport with him, I thought it would be smart for me to talk with him. And then, based on my last contact with him, I know he was eager to cuff up when he needed to. He kind of knew the game and knew that that's — if a peace officer walks up to him and tells him to cuff up that that's what he needed to do. So, he had the blanket on his shoulders, and he had something in his hand. I asked him to set his stuff on the ground. He set a red roll of tape on the ground and kind of moved the blanket so I could see his hands. So, I wasn't too concerned. And we just had a conversation, and I asked him, "Hey, [redacted] There's some stuff we need to talk about. Can you cuff up for me, please?" He was resistant, but I wanted to keep kind of talking to him and trying to de-escalate and see where his head was at that night because, I mean, his initial hesitation led me to believe this is not how he usually was with me.

After I asked him that, I said there was some stuff we needed to talk about. He said he was just enjoying his day; he was at the park earlier; he hasn't done anything; and there's nothing that we need to be concerned about of him doing. And then I think I reinforced that — I didn't really want to bring up the warrant, but I was kind of trying to be a little sly about it at first like, "Come on, let's just cuff up." And then he got a little suspicious of the fact that he thought we pulled a car over before. Which, I'm not sure where he got that from, possibly my partner driving around the block and then coming back. Then, I tried to be a little more transparent with him just to try to gain compliance if it was — if he absolutely knows — if he has no clue why we're there, I just tried to be honest with him, "Hey, there's some stuff regarding your PRCS status, and you might have a small warrant." And he said, "Don't you know it's nighttime? Why are you here at night?" And I said, "You know

that doesn't matter, [redacted]

And then a female walks up. I have no idea who she was, but she walked up behind us and tried to intervene by telling him, "These are peace officers, and you need to obey them." I asked her to leave, please, or try not to intervene because I had no clue who she was, or what her intentions were, and if that was going to set him off or not. And then he got suspicious again that she was somehow involved with us and that we were all together. It seemed like he thought we were working against him. So, I think it just raised his suspicion level even more. At that point, I felt like he was kind of getting a little agitated, so I wanted to step back with Alex and kind of re-evaluate. And I asked her — I tried to be sly about it and kind of be like, "Hey, let's just get another unit." I kind of ducked my head down to her. I wanted to give it some time, distance, and just let him cool off because it was just a warrant and I didn't want anything to escalate.

And then, the second I felt like my head went down to tell Alex let's get another officer here, he went — he just lost it and he got super agitated. He went back to his tent, in between his tent and the garbage tote he had. He seemed to kind of rip the blanket off his shoulders, reach his arms into the tote, and just yank something large out. It seemed like he was really pulling on something because I know he's a strong guy. And whatever he grabbed, he concealed it under the blanket and kind of held it, kind of in a low ready position like you would hold a rifle or a long gun, a shotgun or something like that. And he started getting agitated, raising his voice at us. I heard Alex, that she was on the radio, so I felt like I still had voice at that point.

So, I was just trying to de-escalate, give him lawful orders. I, at that point, drew my firearm because his behavior completely was not anything like I had seen before with him. He proceeded to start yelling at us and identify himself as a federal agent. And obviously I knew that wasn't true. And then he yells and me and Alex to lower our weapons, and all of that stuff is just — that, coupled with what I saw in the blanket, the way he was holding that blanket, and the way he was pointing that blanket — he raised it up to us, pointed it directly at me like there was a long barrel or long rifle in that blanket and pointed it straight at us. At that point, I mean, it went completely just out of the realm, like "What did this call just turn into?" I, at that point, was 100 percent terrified and knew he had something in that blanket.

I heard Alex trying to give him orders too. I think we were both yelling at him to stop. We were both trying to back up. I mean, we were in a bad spot and we were on a big dirt mound. The only way down was to go over kind of a lump and probably walk 50 or 60 feet back, towards where our cars were parked, or go down these little hills, but nothing would have given us cover or even concealment at that point. He kind of had the upper edge because he was

right there at his tent. And he kept coming after us, even after we kept telling him to stop, stop moving, stop coming towards us. I can't remember, 100 percent, what exactly we were saying. And then he raised it right at me, pointed it straight at me. And at that point, I was just — I was 100 percent without a doubt he had a gun in that. Everything led me to believe he had a gun in that blanket, so I fired my duty weapon twice at him. I heard my partner say "shots fired" on the radio. I saw him fall, collapse to the ground, after those two shots.

At that point, he withdrew from the blanket and starts yelling at me that he had nothing. At that point, I mean, I saw that he had, on the back of his shirt, blood because he kind of turned around from us. I knew I had hit him at that point, so my worry was that he's going to collapse and die, possibly, so I'm trying to calm him down to get him to lay down so we can provide aid to him. Obviously, tensions were high because I had just shot my pistol, so I'm yelling at him, "Stop, please! [redacted] stop! Let me help you!" I hear the beeper on the radio, so obviously I knew people are coming our way. He proceeded to move to my right and his left, towards a gap in the fence, between the fence and that tunnel that goes under 16th, yeah, the railroads that go over. And, I mean, it looked like he was trying to run away at this point. He was trying to get away. He was saying he's scared, and I'm trying to calm him down by saying "I'm sorry. I didn't want to hurt you, but you forced me to hurt you. You forced me to" — sorry, not hurt you, but "You forced me to fire my weapon." I had no intention of going into that call with that mindset; however, he changed it completely with his actions and behavior.

He jumped down from where he was at on that ledge and started — I could hear his voice echoing through the tunnel, so I knew he was running southbound on 16th. I kind of pied the corner, just to make sure he had nothing in his shorts that he was going to use, and I saw that he was running the other way, so I holstered up my weapon. I could see his hands the whole time. He had them up. He was, at that point, like, "Please don't hurt me. Please don't hurt me. I'm just trying to get away." But obviously, I knew I had a duty to care for him, and we still needed to detain him. And I wanted to keep eyes on him, so I jumped down, followed him through the tunnel. I heard Guevara jump down right after me, and we ran through the tunnel and maybe another 20 feet. And he just kind of stopped, got up against the wall, because I think he saw another unit coming northbound on 16th. I saw his hands the whole time.

The second I saw two of my partners running towards me, I was trying to yell, "He's unarmed! He has nothing!" because in my eyes, we put "shots fired" out on the radio. I was worried that they thought he had a gun pointed at us or something. I didn't want them to perceive him something as a threat with just his hands up, so I was trying to tell them he's unarmed right now. They came

up. We all approached, grabbed his arms, asked him to get to the ground, but we were just kind of trying to get control of his arms, put them behind his back. We ended up cuffing him, and other units were trying to get him care at that point. I think there was a lot of confusion if shots were fired at that point. Everybody was kind of on a separate page when they got there. I was 100 percent under the impression that we put out "shots fired" and that everybody knew that, but people had no clue what was going on.

Q: I'd like to go back towards when he's approaching you and describe what you were feeling at that point.

A: Yeah. So, when he was approaching me with that long rifle or whatever he had under the blanket, I was absolutely terrified. It was kind of a surreal experience. I don't really know how to explain it. Everything slowed down. I mean, the tunnel vision kind of kicked in and all I saw was him, and it was just him raising that towards me and Alex and kind of moving it towards us. I mean, it absolutely sent fear through my spine. It was a weird, tingly experience. I was just petrified that this was it, this is the last day I'm going to be here, it's my last shift. I love what I do and I just… I knew I had to stop the threat. I knew I had to do something. I knew nothing else was — I asked Guevara to get her taser, but I knew the only way I was going to stop what he's doing right now is for me to fire my service weapon.

Q: Okay. So, you had a fear for yourself?

A: Absolutely, fear for myself, fear for Alex, my partner. I mean, there was also a witness on scene. I knew that was — kind of like walked with her hands behind us, so I knew she was not in our… in the crossfire whatsoever, but I knew she was behind us, and I didn't know if he was pointing it at her as well.

Q: Okay. Just for some clarification here, can you mark where you guys initially parked at?

A: Yeah. I think we parked right here and right here because that looks like the only — there was a — wherever the fence ends. I can't really tell from this map because there's a fence, and we had to walk in. I felt like we parked right at the handrail.

Q: Okay.

A: So, right when we knew that we could walk in. We didn't come way down here. We parked right where we knew we could kind of hook in to the dirt field, so I want to say we probably, according to that picture, parked a little bit closer, down here.

Q: Okay. And then, can you draw me where his camp was?

A: Yes. His camp is right here at the top. It pretty much backs up to this fence right there.

Q: Okay. And can you mark with an X where he was standing when you initially contacted him?

A: He was standing right just to the — from my perspective, to the right of his encampment.

Q: Okay. And then, where were you? Can you mark where you were at when you initially contacted him?

A: I was, I would say, right here.

Q: Okay. And where was Ofc. Guevara?

A: She was right next to me, but a tiny bit behind me.

Q: Okay. And then, you said a witness walked up. Where did the witness go?

A: The witness came right here. She got in front of Guevara. She was pretty much next to me, trying to talk to him.

Q: Okay. And then, can you show me where — I have a — here. Just for a point of clarification, do you see the tote in that picture?

A: Yes, that thing that says "Toter" on it.

Q: Toter? Okay. And then, is that accurate?

A: Yes.

Q: Okay. And can you tell me about that item there?

A: So, this was the blanket that he used to conceal what I presumed was the gun at the time. I'm not 100 percent if that was the blanket he had on his shoulders because the blanket he had on his shoulders looked darker, like a black blanket, but it might be the opposite side of that blanket. But this is the blanket that he used, once he grabbed something out of this tote, to conceal what I thought was the firearm.

Q: So, this is from your initial contact. Can you mark with an O about where you were standing when you fired?

A: I was a little off to the side here. Since his blanket was about there, I was probably right here.

Q: Okay. And do you remember where Ofc. Guevara was?

A: I honestly — during the incident, I didn't know where she went. I knew she was behind me and I know she was off to my left.

Q: Okay. That's fine. If you don't know exactly, I don't want you to mark it. Do you know where the witness was when you fired?

A: No. I saw her walking past — walking this way, but I don't know exactly where she was. I didn't see her in my peripherals, so I assumed she was behind me somewhere.

Q: And you described her doing something while she was walking away. What was she doing?

A: She was holding her hands out.

Q: Okay. And she was walking north?

A: She was walking back this way, correct.

Q: Okay, okay. And at the time that you fired, can you mark with an O where the suspect was standing?

A: Yeah. He advanced to about right here.

Q: And can you just put an S next to that, just so we -

A: All right.

Q: All right. Thank you. And then, can you just draw a line where he walked to or went down to?

A: Yeah. There's a — you can't see it too well here, but there's a gap in between the cement edge of the bridge and the actual chain-link fence. And there's a gap right here that you can jump down.

Q: Okay.

A: It's probably better seen in this one.

Q: Let me see if there's anything. It's a little worse shot, but I don't think it shows. Oh, maybe that.

A: Yeah. Right here, where the -

Q: Can you just draw a big circle where you're talking about? Okay.

A: Yeah. That triangle that I drew kind of is how he jumped down and how we all jumped down.

Q: Okay. And then you went down?

A: Down and southbound on 16th.

Q: Okay. Now when he was grabbing into the tote, did you hear any statements regarding a weapon?

A: No.

Q: While you were giving commands to the suspect, did it appear that he was comprehending the commands?

A: I mean, in the beginning I felt like he was comprehending what I was saying to him, but the second he grabbed whatever he grabbed out of the bucket, I don't think anything was going through his head at that point. I was yelling at him to stop, and he just kept advancing on us. He showed no indication that he was going to follow my orders at that point.

Q: Did he exhibit any signs of some kind of mental illness or any drug usage?

A: He honestly didn't to me. He spoke very coherently to me. I deal with people in 3A that are under the influence all of the time, whether it be alcohol or meth, or heroin or whatever, and I didn't have any indication that he was under the influence of any narcotics or alcohol.

Q: Okay.

A: Or exhibiting mental health distress.

Q: In your dialogue between him — do you believe he knew who you were?

A: Yes, I think he knew who I was.

Q: Okay. Did he make any statements or call you by name, by any chance, during the encounter?

A: He did at the end. Well, I asked if he remembered who I was, and he didn't say who I was, but he said, "Yes, I remember you," or some iteration of that. And then, at the end, he called me Summey, but he may have been reading my name tag. And then it looked like he faced away from me and called me Summey again.

Q: Okay.

A: And that's what he usually calls me, Summey.

Q: Did he call you that previously, in your other contacts?

A: Yes.

Q: Okay. You had talked about stating or asking Guevara about a taser. What exactly did you say to her?

A: I believe I just asked — I just said "taser," I think. I can't remember if I said, "Grab your taser," or "taser," or said it really quickly. I was just trying to indicate to her to deploy her taser since I had lethal coverage at that point.

Q: Okay. Did you see a taser or -

A: I did not.

Q: Was a taser used at all?

A: I did not see her get a taser. I didn't see the lights of her taser, nor did I know if a taser was deployed.

Q: Okay.

A: And, I mean, a taser wasn't deployed. I know that a taser wasn't deployed.

Q: Right.

A: Yeah.

Q: I just have to ask.

A: Yeah.

Q: Okay. At the time of the shooting, do you remember what you were aiming at?

A: Yeah. I was aiming at his silhouette, his upper torso, kind of belt to neckline.

Q: Okay. And then, do you remember what the background was?

A: The background was the train tracks and the cement and fence line, but I didn't see anybody. I just saw empty space.

Q: Okay.

A: I didn't see a train either.

Q: And when you fired, what was the intent?

A: To stop the threat.

Q: What do you think would have happened if you hadn't fired?

A: I think there's a chance he would have shot both Alex and I.

Q: You had talked about officers rendering aid to him. Do you recall what that aid was?

A: It appeared that they placed two chest seals over his back. And then I think they were scanning the rest of his body for any further injuries.

Q: And then, were you injured in any way?

A: No, I was not.

Q: Do you know of any other officers that were injured?

A: No. I asked Alex if she was okay, and she said she was fine.

Q: Okay. Give me a second. I'm going to just look at the questions real quick. When you had the previous contact with him during the ATM vandalism, you said that you felt putting cuffs on him was prudent. What gave you that feeling?

A: Because I was a solo officer at that time and he was — I mean, there was a suspicion that he matched the suspect description for a felony vandalism.

Q: And what was the vandalism called in as? Do you remember? How was the ATM vandalized?

A: Oh, I think it was just — I can't remember what the exact call details described, but, I mean, we looked at it afterwards and it was completely destroyed.

Q: Okay.

A: Yeah.

Q: Okay. But prior to looking at the ATM, it was just kind of vandalizing the ATM. You contact him.

A: Correct.

Q: He talked about cuffing up. You're like, "Okay. I'm here by myself," and you cuff him.

A: Yeah, correct.

Q: Okay. In the previous contacts with him, those three other calls, were there any indications of violence?

A: No. I mean, there was passive resistance with the second one, but I think that's the most it ever escalated.

Q: The second one, [redacted] -

A: Correct.

Q: - what was the — do you remember what the details of the call were in relation to him being identified by the witness there?

A: [redacted]

Q: Okay. And was there any violence [redacted] ?

A: No.

Q: Okay. Do you have any questions, sir?

A1: Just a few.

Q: Sure.

A1: So, going back to when the subject turns his back on you and walks over to the tote, he was closer to the tunnel, where he ultimately had retreated?

A: Yes.

A1: Did he have avenues that he could try to run if he was trying to escape or get away from you?

A: Absolutely. And it was apparent, especially once he ran away from us, that he knew exactly where he was and how he could get out if he wanted to.

A1: So, what, if anything, did you think when, instead of trying to escape, he advanced on you?

A: That he was trying to attack us, that he was not trying to passively resist, or resist at all, or try to run away. He was, 100 percent, trying to threaten us and attack us.

A1: And when he was advancing on you, what were you and Ofc. Guevara doing?

A: We were backstepping, trying to get away from him, trying to create distance and do anything to de-escalate and diffuse the situation before, I mean, we had to obviously stop the threat.

A1: Now, when he's advancing on you, can you see his hands?

A: No, not at all.

A1: Do you recall him making a statement to you when he was advancing on you?

A: Yes. He identified himself as a federal agent, and then told us both to lower our weapons. I think, multiple times, he told us to lower our weapons.

A1: How did you interpret that, that comment specifically about lowering your weapons?

A: I interpreted — that's something that's kind of common sense. If someone had a gun pointed at you, they have the upper hand at that point and are asking you to lower your weapons because they're in charge at that point. They have the upper ground and the more lethal force at that point.

A1: What was going through your mind, if anything, at that point when he makes those comments?

A: I mean, it was just all clicking. It went from "What is it?" to "Oh, my God, he's got a gun. He's got something. He's got a long rifle in there that's going to kill both of us."

A1: Can you describe — and you touched on this a little bit, but can you describe with a little bit more detail the movements that the subject made with his hands at the point in time that he's advancing on you and right after he makes those comments?

A: Yeah. I mean, his hands appeared, under the blanket, to be holding a rifle kind of in a low ready, slung across his body position, but I could see his hands and whatever was in the blanket moving towards us, kind of in a more low ready position. And then he specifically directs it at us and kind of points forward, and then is actually aiming at us like he's sighting it and pushing the stock up against his shoulder like he has a firearm.

A1: And what are you thinking when he does that?

A: That he has a gun, yeah, 100 percent, just without a doubt, he had a gun in there.

A1: Would it have been feasible to deploy a taser?

A: Not at all. We're never trained to deploy less-lethal in a lethal situation. It wouldn't have done us any good and probably would have gotten us killed.

A1: Would the blanket— in addition to the lethal threat that was posed, would the blanket have made it more difficult to deploy a taser?

A: Absolutely, yeah. The prongs, we learned just baggy clothing, in a sense, makes it difficult for prongs to stick and be effective, let alone having a blanket slung several feet in front of you. It's not going to be effective whatsoever.

A1: That's all the questions I have.

Q: I just have one clarifying question. You described the sloping sides.

A: Mm-hmm.

Q: Did you feel that you were able to move laterally in any way?

A: I felt like that would have been a very bad tactic and poor situation because I would have been stuck at that point. There would have been no moving back.

I would have been jammed in between the fence and the sloping ground and probably fallen because of the grade of the slope. Yeah, I just — back was really the only…

Q: Okay. I just wanted to clarify that.

A: Yeah.

Q: Are you ready for a break?

A1: Yeah.

Q: Okay. Give me one second.

My name is Detective McGovern. It is 1:52 p.m. We've come back from a break, and I just have one clarifying question to ask. So, when the subject was at the tote and he was digging in, did you hear him make any statement during that time towards you guys?

A: No, I did not.

Q: Okay. As he was digging in there, do you remember any sounds?

A: I mean, there were sounds of him rustling something large out of the bin. I couldn't tell what it was, though.

Q: And you said large. How could you tell it could be large?

A: I mean, the noises. I mean, it was indicative of him pulling something big out of a huge tote because I could see a bunch of stuff lifting up, but I couldn't tell, specifically, what he pulled out or what it was composed of.

Q: Okay. So, the sounds, you couldn't tell kind of whether it was a hard object or a soft object?

A: I had no idea.

Q: Okay.

A1: I don't have anything.

Q: Okay. That's going to conclude this interview. It is 1:53 p.m.

End of Recording

Subject (INVOLVE-OFR #2) GUEVARA, A, 5 (DOB: [redacted])
Author 4017 - MASSEE, PAMELA 0548
Related Date Jul-20-2022 13:19

On 7/20/22 at 1319 hours I, Detective Massee #548, interviewed Officer Guevara #508 at HOJ inside interview room #4. The interview was audio recorded only. Present for the interview was SPOA Representative Michael Boyd. The interview room was live streamed to other monitors so that other Detectives, managers, DA Investigators and Internal Affairs could watch the interview. I later submitted the audio of the entire interview to DocuScript, a transcription service who transcribed the interview verbatim. I later listened to the interview and compared it to the transcript and made several minor changes for accuracy. Prior to submitting the statement, I provided a copy of the transcription to SPOA Representative Boyd and asked that he and Officer Guevara review the statement for accuracy.

OIS VIDEO ADMONISHMENT

There exists video evidence pertaining to this case. You will be provided ample time to view the evidence before providing a statement. The purpose of showing footage is to assist your recollection of the incident so that you can sufficiently describe your state-of-mind. When viewing video evidence footage, be aware of the following:

- Recordings may depict events differently than you recall.
- Clips may not show the entire incident as seen or heard by you.
- The evidence may portray fields of view not normally observed by the human eye.
- Camera framerates limit the ability to smoothly capture movement.
- Coloring and lighting may be outside of the spectrum of the human eye.
- Depth, distance, and orientation could differ from your position during the incident.

INTERVIEW WITH OFFICER ALEX GUEVARA
Q=Detective Pamela Massee
A=Officer Alex Guevara
A1=Michael Boyd

Q: Today is July 20, 2022. The time is 1:19 p.m. in the afternoon. My name is Det. Pamela Massee. The spelling of my name is P-A-M-E-L-A, M-A-S-S-E-E. My badge number is 548. I'm a homicide detective with the Sacramento Police Department. I'm acting as one of the detectives assigned to this investigation. This is a voluntary interview regarding Sacramento Police Department Report number 22-199356. The incident occurred on July 17, 2022, at approximately 2237 hours. This interview is being conducted inside of an interview room at the Sacramento Police Department Headquarters. If everyone in the room could identify themselves, go ahead and begin with your name, first name, last name, badge number, and the spelling of it.

A: Alex Guevara, badge number 508, and then A-L-E-X, last name G-U-E-V-A-R-A.

Q: Okay. And present with us today is…?

A1: Michael Boyd, badge number 598, with the SPOA, and it's M-I-C-H-A-E-L, B-O-Y-D.

Q: Okay. So, what we're going to begin with is a couple of background questions. A lot of the questions that I'm going to ask, they're going to be tailored, but I'm going to try to ask them kind of like known questions, so things that we would understand that other people wouldn't understand. So, this interview is geared towards trying to make everybody understand what it is that we're talking about. So, I'll have you spell things out, like what an Alpha unit is and identifiers, and stuff like that. So, just kind of bear with me as I ask those questions. And then, we'll begin. So, how long have you been with the Sacramento Police Department?

A: Approximately two years.

Q: Okay. And any other law enforcement experience or military experience prior to this?

A: No.

Q: Okay. And what is your current assignment?

A: Working patrol in downtown, graveyards as Alpha-32.

Q: Okay. And how long have you been doing that?

A: Since last January.

Q: Okay. And what does a graveyard shift consist of hours-wise?

A: About 9:00 p.m. to 7:00 a.m.

Q: Okay. And Alpha-32, what does that stand for?

A: Alpha would be the graveyard unit, and then three is the downtown unit, and then two is just the beat, so it was A.

Q: Okay. And how long have you been working downtown as Alpha-32?

A: Since January, so almost a year.

Q: Okay. So, January of 2022?

A: Mm-hmm.

Q: Okay. And what have your prior assignments been?

A: Just working patrol is all, but in different areas of the city.

Q: Okay. What other areas of Sacramento have you worked in?

A: In one, so like the North area, and that was basically it.

Q: Okay. Is one like Natomas?

A: Mm-hmm.

Q: Okay. And can you describe any specialized training that you've received along the way, which would include the academy, POST certificates, stuff like that?

A: Yeah. I did the academy, the seven-month academy. I've done the yearly training for the department, and I did a self-DTAC course, the 40-hour a week, just recently.

Q: Okay. And what does that course consist of?

A: Basically ground work, fighting, boxing, stuff like that.

Q: Okay. And when you say recently, within the last couple of months or so?

A: Yeah, in June.

Q: Okay. And any other training that you received besides that?

A: No.

Q: Okay. Can you tell me the nature of your current duties? Describe a regular day.

A: Just patrolling the area, doing enforcement stops, subject stops, responding to calls for service, protecting the community.

Q: Okay. And can you tell me your work hours and your shift? I know we kind of already touched on that, but we'll just do it again.

A: 9:00 p.m. to 7:00 a.m.

Q: Okay. And your shift is graveyard?

A: Yes.

Q: And then, what time did you start work on the day of the incident?

A: 9:00 p.m.

Q: Okay. And do you typically just go straight from — would you do roll call and then straight out to the streets?

A: Yes.

Q: Okay. And were you wearing your patrol uniform at the time of the incident?

A: Yes.

Q: Okay. And then, from head to toe, kind of describe to me what your uniform looks like, including where your badges are and what equipment you have on your vest and your belt.

A: So, the blue uniform T-shirt, and then blue pants with black boots, wearing a vest that has my handcuffs, baton, flashlight, my badge on my left side. And then, on my belt, I have my gun on my right side and then two…

A1: Magazines?

A: Yeah, magazines, and then a taser on my left side.

Q: Okay. And that's all that you have on your duty belt is the gun, the magazines, and the taser?

A: Mm-hmm.

Q: Okay. And the taser, is it a new-issued taser, or is it the older taser?

A: The new taser.

Q: Okay. And have you done training for that new taser as well?

A: Yes.

Q: Okay. And let's see. Describe — no, we did that one. And then, what weapons were you carrying during the incident, including less-lethal options?

A: We didn't have a rifle or a beanbag, just our standard taser and then our firearm.

Q: Okay. And what type of firearm do you have?

A: The Glock 17.

Q: Okay. And approximately how many rounds are in the magazine?

A: Seventeen, 17, and 17.

Q: Okay. And do you carry a recording device or a body-worn camera on your person?

A: Yes.

Q: All right. And where was that at?

A: In the middle of the center of my vest.

Q: Okay. And was the device activated?

A: Yes.

Q: Okay. At which point did you activate your body-worn camera?

A: As we were coming up the hill to where our suspect was.

Q: Okay. And let's see. Were you in a fully-marked police vehicle prior to arriving on scene?

A: Yes.

Q: Okay. And what does that police vehicle look like?

A: With the lights at the top, the light bar, having "City of Sacramento" on the car.

Q: Okay. Were any of those lights activated, or turned on, or anything like that?

A: Yeah, just the hazard lights because we were parked on the main road.

Q: Okay. And were you riding by yourself or with a partner?

A: By myself.

Q: And then, tell me about your shift. So, the incident happened around 10:30 p.m., approximately. So, tell me about your shift prior to the incident, calls for service and stuff like that that you had done.

A: Yeah. So, we had just started our shift. It was still early in the morning, so we only went to one call, and it was just a notice of trespass call.

Q: Okay.

A: So, we issued a notice of trespass, and then we were on our way.

Q: Okay. And was that near where you guys were at, where you -

A: It was 16th and W.

Q: Okay. And how far into your shift were you when all of this began, when you started this call for service?

A: We were parked at the gas station, just thinking of what we should do, if we should go to hotels and get a printout of people and then run the people up, see who has warrants; or do traffic stops; or see if anybody has a warrant that we can get. So, then, we ended up deciding that we should try to take [redacted] [phonetic] on the warrant and try to find him.

Q: Okay. Can you — you said "we." Who were you referring to?

A: Ofc. Summey.

Q: Okay. And is he a beat partner of yours?

A: Yes.

Q: Okay. And do you typically work with him?

A: Mm-hmm.

Q: Okay. How long have you and him been partners?

A: Probably since May.

Q: Okay. And you had described that you were at a hotel or a motel when you guys were originally talking about this, so -

A: Oh, no, a gas station.

Q: A gas station? Okay. So, you guys — did he go on the 602 call with you?

A: Yes.

Q: Okay. And then, after that 602 call — can you describe to me what a 602 call is?

A: A notice of trespass.

Q: Okay.

A: So, we just issued a notice of trespass for somebody that shouldn't be at the property.

Q: Okay. And then, I'm not going to have you go into it right now, but when I talk to you about kind of everything that happened, I'm going to have you go into that initial conversation when you guys were in the parking lot. And so, we'll kind of go through a little bit more housekeeping things first. Okay?

A: Yeah.

Q: Did you — the incident that you went to or the area that you went to, it was an attempt pickup. Is that what you called it?

A: Mm-hmm.

Q: And what's an attempt pickup?

A: When you know that somebody has a warrant or you're picking them up on a fresh charge, so you go to them to try to arrest them.

Q: Okay. And the camp that you were — was it a camp that you were going to?

A: Mm-hmm.

Q: Okay. Had you ever been to that camp before?

A: No.

Q: Okay. Did you know if there was going to be anybody else there with that person on the attempt pickup?

A: No.

Q: Okay. I don't like how these are. All right. Did you have any prior knowledge of weapons being in the camp?

A: No.

Q: Okay. Did you request any additional units to assist when you went and contacted this individual?

A: Not at the time because we didn't know if he was even going to be there or if we needed an additional unit because, per previous times when somebody has dealt with him, he seemed to be compliant with him and cooperative. So, we were going to see if we needed the third unit, and then we were going to call for a third unit if we needed one.

Q: Okay. And did you — let's see. Where did you — you said that you were at a gas station. What was the gas station that you were at prior to making up this call for service?

A: AM/PM, I think, at 16th and W.

Q: Okay. And that's the same location where you were at for the 602. Correct?

A: Yeah.

Q: Okay. Did you discuss with other units what your guys' plan was when you were going to contact this individual?

A: No.

Q: Okay. Did you receive any information from responding officers — skip that one. And then we already discussed the location familiarity. Had you ever been to this location before?

A: No.

Q: Okay. The suspect, you and Summey, you and your partner, were discussing doing an attempt pickup, and you guys had discussed picking up [redacted] Tell me about who [redacted] is, what that attempt pickup is, and everything like that.

A: So, I've only met [redacted] I guess, once or twice. The first time, it was related to a call for service [redacted] And then they described a guy that looked like [redacted]. So, then we responded to the call, didn't find anybody there. And then, as we were about to clear the call, we saw the guy matching the description. And then the witnesses identified him as the guy that was chasing the female, so we tried to detain him. And he wasn't — he was resisting, but he wasn't combative. And we had a lot of officers, so we were able to detain him and put him in the back of a patrol car.

Q: Okay. How long ago was that call for service?

A: Maybe three or four months ago.

Q: Okay. And so, it wasn't something that you on-viewed or that you saw yourself, it was a call for service that dispatch gave you to respond to?

A: Yeah.

Q: And the context of the call, just so I understand and I heard you correctly, it's a [redacted] call and [redacted] was the suspect that was listed on that call?

A: Yeah.

Q: Okay. Do you know [redacted] last name?

A: [redacted] [phonetic].

Q: Okay. And [redacted] was this the first time, on that [redacted] call, that you had met him?

A: Yes.

Q: Okay. And when you said that — was he the one that was naked? Did I hear naked, or no? Or was that something else? Maybe I -

A: He didn't have a shirt on, but he wasn't naked.

Q: Okay. He wasn't naked? Okay. But the call for service was that [redacted]

A: Mm-hmm.

Q: Okay. And when you got there, tell me how he behaved.

A: Well, he was uncooperative. He didn't know why we were detaining him. We tried to explain. We tried to ask about the female, and he wasn't really talking to us about it, didn't give us any information, didn't give us his name. So, we had to use facial recognition to identify him. And then he didn't tell us anything, and then we didn't have any victims, so we just released him.

Q: Okay. So, uncooperative?

A: Mm-hmm.

Q: Combative at all?

A: No.

Q: Okay. Any mental illnesses or anything like that that you noticed at that time?

A: No.

Q: Okay. And then you said you had met him one to two times, so was there another incident as well?

A: Yeah. It was related to another call for service. An ATM machine got broken into with a hammer. And then my partner, Summey, we were patrolling the area during that call. And then he saw a subject related to the description of the suspect that hit the ATM, and it was [redacted] So, he detained him, and he was very cooperative, and he was just sitting with him with handcuffs on. And then I just got to the scene and saw if he was okay. And then I just

continued to look for possibly another suspect.

Q: Okay.

A1: When we had talked earlier, you had mentioned, during that call with Summey, that he offered to Summey, "Hey, I'll cuff up," and then allowed Summey just to cuff him up, no problems. He said, "I'll cuff up"?

A: Yeah. He was cooperative with him, and that's what Summey said. That's why he brought it up during this incident, like "Cuff up," because that's what he did the previous time. And then he said he was — that [redacted] would comply.

Q: Okay. So, in this hammer incident with an ATM, when you saw [redacted] he was already handcuffed at that point?

A: Yes.

Q: Okay. And he appeared to be cooperative?

A: Yeah.

Q: And did you recognize him as the person that you had contacted on the 602?

A: Mm-hmm.

Q: About when was this hammer ATM incident?

A: Probably, maybe, a week or two after the first incident.

Q: Okay. So, a couple months ago as well?

A: Yeah.

Q: Okay. And so, since those two incidents — were they in close proximity to each other? You saw him on the [redacted], and then a week or two after that you saw him on the hammer incident?

A: Mm-hmm.

Q: Did you see him at all any time after that?

A: Uhhh-uhhh.

Q: Okay. And then, when you went — Summey, is that how you pronounce it?

A: Summey.

Q: Summey. So, when you and Summey were talking about this attempt pickup, you knew him as the person that you've already contacted. Is that correct?

A: Yeah.

Q: Okay. And I'm not going to address that. And then, tell me what it is that you know about [redacted] Tell me about what you know in regards to his history that you learned at that time or at the time of this attempt pickup. Is that how you would like to call this, as an attempt pickup, the incident that we're talking about today?

A: Yeah.

Q: Okay. So, tell me know what you knew at the time of the attempt pickup in regards to [redacted]

A: I knew that he was on PRCS. [redacted]. And I'm not sure what other crimes.

Q: Okay. So, those are the [redacted] that come to mind? What's PRCS? Post-release community supervision?

A: Yeah.

Q: Sound right?

A: Yes.

Q: Yes, it's a hard acronym. So, PRCS. And is that essentially something that's like less than parole, kind of like parole but lesser than parole?

A: Yeah.

Q: Would that be accurate?

A: Mm-hmm.

Q: Okay. And, typically, what does an individual who is on PRCS, what does that mean to you? Does that raise any flags for you as an officer or anything like that?

A: Yeah. It just means that he's probably done time for several crimes. Yeah.

Q: Okay. And did you know that he had a warrant at this time?

A: Yes.

Q: Okay. And what was that warrant for?

A: I think it was just his PRCS, like a violation or failure to appear.

Q: Okay. And no fresh charges?

A: Mmm-mm.

Q: Okay. And failure to appear, what does that mean?

A: For his court date, I believe, he didn't appear. It was 3544 PC, I believe.

Q: Okay. And so, that's typically if somebody is on PRCS and they're supposed to maybe see their probation officer, or go see a magistrate or a court, and they don't show up?

A: Mm-hmm.

Q: They'll get issued that warrant?

A: Mm-hmm.

Q: And that's the warrant that he had active at the time?

A: Yes.

Q: Okay. And then, did you confirm the warrant prior to the call, going to attempt to locate him?

A: No.

Q: Okay. Did you verify it through WebKPF?

A: Yes.

Q: Okay. And what is WebKPF?

A: It's just like an online system that we use to gather more data about a person's criminal history and their addresses, a.k.a., aliases, stuff like that.

Q: Okay. And did you run him through the various systems?

A: Mm-hmm.

Q: Okay. Can you describe doing what you did?

A: I put his name or his XREF in, and then I checked his warrants. And then, that was when the felony no-bail warrant came for his PRCS violation.

Q: Okay. Were there any other systems that you checked him through?

A: No.

Q: Did you run him through your Versadex computer or anything like that?

A: No.

Q: Okay. Did he have a picture on the WebKPF printout?

A: Yes.

Q: Okay. And when you saw that picture, was it the same person that you remember from all of those calls for service?

A: Mm-hmm.

Q: Okay. Did you have any information that the suspect was armed prior to going to contact him?

A: No.

Q: Okay. Did you have any information that he was violent?

A: Resistive. I don't know about violent.

Q: Okay. Can you elaborate on that?

A: Just because the first time we dealt with him it took multiple officers to put handcuffs on him, and he was just kind of not going with the program or not telling his name.

Q: Okay.

A1: So, on the prior incident [redacted], he was uncooperative but not physically resistive? Or was he physically resistive?

A: I mean, it took — when we were trying to put him in handcuffs, he was still resisting. It took multiple officers to put him in handcuffs.

A1: So, just uncooperative, physically uncooperative, but not physically fighting?

A: Yeah. He wasn't. Yeah.

Q: Okay. And then, how did you identify the suspect upon contacting him? Did you just look at him and know it was him when you contacted him?

A: Yes. And then I asked, on my body camera, if that was him. And then Summey said yes.

Q: Okay. And so, from here, what I want you to do is I'm going to let you kind of go into everything that happened and walk us through everything. I want you to start, though, with where you guys are at the gas station and kind of the conversation that takes place between you and Summey.

A1: Summey.

A: Yeah.

Q: Summey. Sorry. And then kind of lead us all the way through. All right?

A: Okay.

Q: Go ahead and begin.

A: So, after the notice of trespass call, Summey and I were at the gas station off of 16th and W. We were trying to figure out what kind of shift we were going to have, what we were going to do today, if we were going to go a hotel and get a printout of the names and see who has warrants, or if we were just going to do an attempt pickup for somebody that we know, or traffic stops. And then I said I wasn't really — I didn't want to do traffic stops. Then, Summey suggested [redacted], and then I agreed. And then he said he knew where his campsite was at because Summey contacted him the previous time, before I even met him. Him and another officer went to — I believe he showed him his campsite and then led him there, so that's how Summey knew where his campsite was. So, Summey said he was going to show me where his campsite was.

A1: [redacted] showed Summey, on a prior call, where his — okay.

A: Mm-hmm, yeah.

A1: Thank you.

A: And then, so, we drove to 16th and A Street, north A Street, and then parked north of where the bridge is. And then Summey made up the call for the pickup. And then we got out of our cars and then started — we started going up the hill, where his camp tent was at. And then it was probably 50 feet distance, and then his campsite was all the way at the end, by the train tracks. So, we started walking, and then we saw an individual, but we didn't know who it was at first. And then we got closer. And then I asked who it was or if that was him, and then Summey said yes. And then I could tell it was him because when we got closer, I could see his face too. And then, when we got close, maybe about 10 feet, he had a blanket on him, so I couldn't see his hands or if he had anything in his hands. And then Summey asked him to put down his blanket or to take everything out of his hands. And then he had a red roll of duct tape in his hands, and he sat that down but didn't take off the blanket, just put his arms over his blanket. So, you could see nothing was in his arms, but you still couldn't see if anything was in his pants or hidden anywhere else in the blanket.

So, we started talking to him. And Summey was mostly talking to him because he's had more previous experiences with him. So, he was talking to him and kind of mentioned the cuff up, because that's what they talked about at the previous incident, and that's when he just cuffed up and was cooperative with Summey. So, Summey tried to say that, but it didn't work. And he started saying "I'm not cuffing up" multiple times. I believe that's when I called for a third unit. And then I kind of turned around and asked for a third unit because I didn't want to be where they were all talking because they were talking loud. So, I didn't want it to be on the radio, so I turned away from them and asked for an additional unit.

And then, as I was turning back around, I saw him come. I already saw him behind his campsite, and he had a big trash can. And I already saw him behind the trash can, and he was putting his hands into his trash bin. I couldn't see what he was doing or if he was getting anything out. There was a tarp over the trash can. And then it seemed that he got something out of the trash can, quickly went down to his blanket that he dropped before he went over there, and then picked up his blanket again. And then, this time, when he had his blanket, he had it over his arms. And you could tell there was possibly something underneath the blanket, maybe like a 3 foot — it could have been a rifle. It could have been a stick. We couldn't — we didn't know because it was underneath the blanket. And that he was pointing it at us and just not being cooperative when we told him to stop or put that down. And he kept pointing it at each of us. And I think that's when Summey made the decision to use his firearm. And then he fired two shots at him.

And after that, that's when [redacted] went down to the ground. And then, a few seconds after, he came back off the ground without his blanket. And we didn't — at that time, there was no weapons in his hands, but we still didn't know if there was any weapons in his pockets or anything. And he left his blanket and then started walking down to the — there's a fence and then a maybe 8-foot ledge. And then it goes down to the sidewalk. So, he went down to the ledge. We kept trying to de-escalate the situation. At first, when we were at the top, I told him that we can just go down there and talk to the — walk to the car, and then we can detain him there. And he said he didn't want to. And then, when he — after he was shot and he was down by the ledge, we kept trying to de-escalate, and Summey kept saying he was going to try to — he wanted to help him. And then [redacted] kept saying that he didn't want to go to jail. And then he kept making his way down, and that's when he jumped off the ledge and then started walking southbound on 16th Street.

And then we continued after him, kept making commands to get on the ground, and he wasn't complying. And he just kept walking further and further. So, we jumped down, and then it continued. We ran after him to chase him. And then, eventually, we got maybe — oh, I forgot a few things.

Q: It's okay.

A: When we were at the top, when he was pointing something that was underneath the blanket, I think we took multiple steps back, just because he was coming near us and saying to put our weapons down. And he was saying he was a peace officer or something like that. So, we backed up further, and then that's when Summey fired the two shots. And then, when we were on the sidewalk and he was going southbound on 16th Street, that's when we had a few other officers that were coming northbound on 16th Street, and that's when we all made contact and we were able to detain him. And that's when he kind of stopped because he saw that there were officers coming at him from the south and the north. So, yeah. I don't know if there's anything — probably there is…

Q: More?

A: There probably is more, but…

Q: I'm going to walk you through it. Do you have a stop point?

A1: No, no. We'll probably start at the beginning.

Q: We will. It's okay.

A1: Yeah.

Q: It's hard to relive it and to see it because it's probably all going very fast in your brain. So, I'm going to slowly walk you through all of that stuff kind of step by step. Okay?

A: Mmmm.

Q: So, let's begin with when you guys first get there, to the area of, you say, north 16th — 16th and north A. Right?

A: Mm-hmm.

Q: And you park along the curb line. Right?

A: Mm-hmm.

Q: At that point that you — and you said that your hazard lights were on. Right?

A: Mm-hmm.

Q: And Summey made up the call for service. And so, does he just input it into the computer?

A: Yes.

Q: Okay. And to your knowledge, he did that. Right?

A: Yeah.

Q: Okay. And when you guys get out of the car, describe to me what the surroundings are, where it is that you're standing at.

A: So, we're on the sidewalk when we get out, but to get to the campsite, we have to go east and then south. And then the campsite is all the way up on a levy. And then there's — on each — it's probably 5 feet wide, and then, on each side, it probably goes downhill for about 10 or 15 feet.

A1: How about we start with you get out of your car and describe to me, as you walk, where you're walking and where you walk up to, the whole environment?

A: Yeah. okay. So, we probably walked up 5 feet. And we couldn't see anything until we got to the top. So, as we were walking, it was probably a road 30 feet — I don't know, 40 feet long. And then, on each side, it was like

a levy, so it was going down on each side, probably like 10 feet down.

Q: Okay.

A1: And so, if I understand right, you had to walk up a hill to almost like a road?

A: Yeah.

A1: But almost like the top of a levy?

A: Mm-hmm.

A1: So, how wide do you think that area was?

A: Probably 10 feet.

A1: Ten feet?

A: Yeah.

A1: And then there were sides that went down?

A: Yeah.

A1: And can you guess maybe how high you guys were?

A: Like 10 or 15 feet was all.

Q: Okay. And what were the lighting conditions at the time?

A: I don't think there was any light. Yeah, because we had to use our flashlights. So, there was no lights at that campsite.

Q: Okay. So, it was pretty dark outside?

A: Mm-hmm.

Q: Okay. And what buildings are around you?

A: No -

Q: Is it residential? Is it industrial?

A: There's a factory on our east side, and then there's a bridge south of us, but there — and then the road west of us, but no houses.

Q: Okay. And 16th and north A, describe to me kind of what that area is. Do you have some prior knowledge of that area and who stays there? You described some buildings and stuff like that. What's that area known for?

A: Probably a lot of — where all of the homeless camps are, where all the homeless people are.

Q: Okay. And then, are there additional officer-safety issues and stuff like that when you go there?

A: Yeah.

Q: Okay. And can you describe that for me?

A: Probably just how dark it is. You can't see where anything is. Or if there's tents, you can't see inside of them, so you don't know who is in there or if there's any weapons inside.

Q: Okay. Are there often more people than you anticipate and stuff like that? That's kind of what I'm trying to draw out of you, what environment it is. Are there dogs? Are there people? The safety concerns as an officer that you have for that area, if there are any.

A: Well, not in that area, I don't think. There's only one camp there. There were no other camps near that camp.

Q: Okay. Had you ever been to calls for service over there in that area or anything like that?

A: Mmm-mm.

Q: Okay. All right. And so, when you guys get out of the car, it's pretty dark outside. You have your flashlight. And you described walking up an embankment. Right?

A: Mm-hmm.

Q: And so, when you get to the top of that embankment, can you describe to me what's on your right side and what's on your left side? Can you see that?

A: On my right side is the road of 16th Street. And then, well, it goes downhill. That's where the fence is. And then it goes down to the sidewalk, and then the road off 16th Street. And then, on my left side is the almond factory or something.

Q: Okay. Is 16th Street a busy street?

A: Yes.

Q: Okay. So, lots of cars and stuff like that?

A: Mm-hmm.

Q: Is there anything in between the downhill portion of the hill and the street? Is there a sidewalk or anything like that?

A: Yeah, a sidewalk.

Q: Okay. And then, is that a sidewalk that you've been on before or anything like that?

A: Drove by it, but never walked on it.

Q: Okay. But is it pretty — would you describe it pretty far in between where you guys were standing at and where the road and sidewalk is?

A: Mm-hmm.

Q: Okay. And you described down that embankment may be 10 to 15 feet. Right?

A: Yeah.

Q: And then, at that point, do you hit the sidewalk?

A: Yes.

Q: And then below that would be the street?

A: Mm-hmm.

Q: Is that accurate?

A: Yes.

Q: Okay. So, now, you and Summey — I keep butchering his name, but we're just going to go with it.

A: Summey.

Q: Summey. You and Summey — okay. So, you and Summey walk on up to the top. And at what point do you notice — is it [redacted] Is that we should call him?

A: Yes.

Q: At what point do you notice that [redacted] is up there?

A: I see a figure when — as soon as we get to the top, I see a figure, but I still don't know who it is. And then we get a little closer. And then that's when I asked Summey if that's him, and he says yes. And then I can see, as I get closer, that it is him.

Q: Okay. And how far do you think you are from him when you first see him outside?

A: Like 30 feet, the distance of the road.

Q: Okay. And then, how far are you at which point that you make his face out and you know it's [redacted]

A: Probably 20 feet.

Q: Okay. So, you've moved up about 10 feet at this point?

A: Mm-hmm.

Q: And what is — where is [redacted] standing in relation to you guys?

A: Southwest, so closer to on Summey's side.

Q: Okay. And what's behind him?

A: His tent, and then a trash can with a tarp over it or something, but a lot of miscellaneous things behind him.

Q: Okay. And do you know what's behind that?

A: I believe it just goes up to the railroad tracks.

Q: Okay. And is it an active railroad that a train goes across?

A: Yes.

Q: Okay. And so, now, you're at the 20-feet marker and you're able to start taking everything in. Do you have your flashlight on you at this time?

A: Yes.

Q: Okay. Do you have any other weapons out on you, any weapons out at this time?

A: No.

Q: Okay. And so, you have your flashlight illuminated, and you see him with a blanket. Describe the blanket to me. Is it big? Is it little?

A: Oh, it's big because it covers almost his whole body.

Q: Okay. And how big are you? How tall are you?

A: Like 5'3".

Q: Okay. And how large is [redacted] to you?

A: Probably like 6'2".

Q: Okay. So, he's a taller individual than you are?

A: Mm-hmm.

Q: Okay. And at the point that you see him, you said that the blanket was over his shoulders?

A: Yes.

Q: And how far did the blanket cover down?

A: He had a little over his knees.

Q: Okay. So, it went pretty far down his body?

A: Mm-hmm.

Q: And you had described that he had — at the point that you contacted him, where were his hands at?

A: They were underneath. And then, that's when Summey asked him to drop his stuff or drop his blanket. He dropped the red roll of duct tape and then put his

hands around the blanket, so you could see nothing was in his hands. Yeah.

Q: Okay. At this point that you're staring at him and his hands are out and he has a large — would we say a bulky blanket over him?

A: Yeah.

Q: Okay.

A: It was like a…

A1: A comforter?

A: Kind of, I think, yeah.

Q: Okay. What concerns do you have?

A: Just concerns because he still hasn't dropped the blanket, so we don't know if there is a reason he hasn't or if he has something else hidden in his pants, or in his belt, or anywhere else on his body.

Q: Okay. Do you have prior experience with people concealing things on them?

A: Yes.

Q: Can you describe what type of things you would be afraid of that somebody could conceal on them with a large blanket?

A: You could easily have a gun anywhere. You could easily have a knife, any weapon, honestly, a stick.

Q: Okay. Were those concerns going through your mind at this time?

A: Yes.

Q: Okay. And if they weren't, that's okay. Or if they developed later on, that's okay. But did you have these concerns or these safety concerns at this point?

A: No, I don't think so.

Q: Okay. At some point, did those concerns develop?

A: Yes.

Q: Okay. So, now, at the point that [redacted] has his hands out, he's placed the roll

of duct tape on the ground, and he's standing there with his large blanket, you hear the conversation between him and Summey.

A: Mm-hmm.

Q: I did it! [*laughs*]

A: Yeah. [*laughs*]

Q: And so, how does that conversation go? How is their dialogue?

A: He's basically just trying to talk to him, see how he is, telling him to cuff up because that's what they talked about before, so that was a known term that they used. And [redacted] started saying that he wasn't going to cuff up. He said it multiple times. And I think, before that, I suggested just walking to our car and then we can talk there. And then Summey started mention a small warrant he had. He was trying to de-escalate the situation, make it -

Q: So, let's pause right there.

A: Yeah.

Q: Okay. So, we have the initial interaction with him where he drops the duct tape because he's told to. Right?

A: Mm-hmm.

Q: And what's his cooperation level?

A: He's cooperative at that time.

Q: Okay. And then, now, we move on to where Summey says to cuff up. Where does the cooperation level go at that point?

A: Yeah, he's not cooperative because he's saying "I'm not going to cuff up."

Q: Okay. At this point, had you did any pat-down searches with him, or anything like that, to know what was on him?

A: No.

Q: Okay.

A: We didn't know what was — if there was any weapons.

Q: Okay. And so, now, Summey says cuff up and he says no, basically — right? — he's not going to. And then, does his temperament develop and become more erratic, or change, or heighten? How does his behavior become?

A: Kind of. He starts taking — I think he took a small pause, so I don't know. I think we asked him some question, and then he took a small pause and was just staring at us. So, I couldn't tell, in his mind, if he was thinking of what he was going to do or how he's going to get out of the situation. Yeah. What was the question?

Q: It's okay. When you say you don't know what he's going to do, what do you mean by that? When he's staring at you because he's pausing — right? So, Summey has said, "Cuff up," and he stops and he pauses. And you said that you don't know what he's going to do. What are you thinking at that moment?

A: Yeah. I don't know what is going through his mind because, obviously, we're there for a reason, that we want to detain him. And he knows this now, so he could possibly be trying to get out, maybe run away, maybe use some type of weapon against us to help him get away from us.

Q: Okay. And were those concerns going through your mind at that time?

A: Yes.

Q: Okay. And so, Summey says, "Cuff up." He says, "No." He's pausing. And then, at what — and then, what's the next thing that happens?

A: I think that's when he mentions his warrant and then basically saying that we were going to detain him based on his warrant. And then [redacted] starts saying, "No. Have a good day." And he keeps saying "Have a good day," as in — he's basically saying that it's not going to happen, that we're going to leave, and telling us to have a good day.

Q: Okay. So, when somebody with an active felony warrant says to you "No. Have a good day," what does that mean to you?

A: That he's not going with the program and that he's probably not going to be cooperative with us if we try to handcuff him or try to detain him.

Q: So, he may fight?

A: Mm-hmm.

Q: He may flee?

A: Yeah.

Q: In your experience, would that be accurate?

A: Yes.

Q: Okay.

A: That he would do anything to get out of the situation.

Q: Okay. So, had you and him had any dialogue at this point? Had you and [redacted] talked?

A: I think I just told him to come down to the car so we could talk there, and that was it.

Q: Did he acknowledge you at all?

A: I don't think so.

Q: Okay. Did he know that you guys were police officers?

A: Yes.

Q: And how do you know that he knows that you were police officers?

A: We've met him before, and then we were wearing our police uniforms, and then he mentioned our police cars.

Q: Okay. And so, there was a recognition there that he knew you guys from previous contacts?

A: Yes.

Q: And that he also knew that you were officers?

A: Mm-hmm.

Q: Okay. So, Summey says, "Okay. Cuff up." "No, I'm not going to do it," he said. And then he stares at you. And then, at this point, does he start to back up? So, now, we're at the point -

A: I think that's the point when Summey tells me to call for cover or an additional unit. And then I agree, so that's when I turn around to put it over the mic, ask for an additional unit. And then, as I'm turning back around, he has already

made his way around his camp, where the big trash can is, over the tarp. And he's moving fast and with an intent to do something because he's moved fast back there. And then, he was already reaching in with an intent that he was going to do something and made it seem that he grabbed something out of the trash can. And then, I couldn't see, at that time, if he had anything in his hands or if it was a weapon. And then he picked up the blanket that he dropped before, and then put it around his hands.

Q: Okay. So, I'm going to freeze that moment in time. So, you are on the air and you ask for units, other officers, to come Code 3. What does Code 3 mean?

A: Faster than usual using their lights and sirens. It's when somebody is -

A1: Did you ask for Code 3, or did you just ask for another unit?

A: I believe I asked for another unit, and then I think dispatch asked for Code 3 or a sergeant asked for Code 3, and I think I agreed. I'm not sure if the sergeant just started them Code 3.

Q: And so, in order to ask for units Code 3, that typically means that there's a change in situation, that you need help right now.

A: Mm-hmm.

Q: So, what was changing at that moment that you felt the need that officers should come Code 3?

A: Well, I mentioned it on the radio because I asked for assistance and I said that he was uncooperative. So, I think that's what made them — that means that we probably can't deal with him on our own, so we need backup officers.

Q: But something had changed in your mindset at that point as well, right?

A: Yes.

Q: And what had changed in your mindset?

A: His attitude of him not being cooperative, resisting us trying to detain him, him saying "I'm not going to cuff up" and telling us to have a good day.

Q: Okay. So, now, he gets back to his tarp — what do you want to call it? A tarp? It's a trailer -

A1: It's a trash can.

A: Yeah.

A1: It's a large commercial janitor trash can.

Q: Okay. We'll call it a trash can. So, he gets back to his large trash can. And is there a tarp over the top of it?

A: I believe so.

Q: Okay.

A: There's something covering it.

Q: Does he drop his blanket when he gets there, or does he keep his blanket on?

A: He drops the blanket a little before he gets to the trash can.

Q: Okay. And describe the trash can to me. Is it large? Does he disappear behind it? Can you see him? What's his body in relation to the trash can?

A: It's maybe 6 foot and then maybe 3 feet wide. And then he disappears behind it. I think half his body is gone, and I definitely couldn't see his hands, so I didn't know what he was doing with his hands.

Q: Okay. So, it's very large and covers about half of his body. From maybe waist down?

A: Yeah.

Q: Okay. And his hands were down behind that?

A: Mm-hmm.

Q: Okay. What is going through your mind at the point that he's now behind this trash can?

A: That's when I think we drew our weapons because we didn't know what he was doing and he was acting with an intent that he was going to do something. So, that's obviously unusual for us because we just didn't know what he was doing behind there.

Q: Did you draw your firearm at that point?

A: Yes.

Q: Okay. And did Summey also draw his firearm at that point?

A: Mm-hmm.

Q: Okay. Summey's firearm was not out before yours? Was it pretty much kind of at the same time?

A: Yeah.

Q: Okay. And it was when he disappeared behind that trash can?

A: Yes.

Q: Okay. And -

A: And when he started kind of ruffling through the stuff aggressively.

Q: Okay. The tarp was large? Okay. And the trash can was deep, or shallow?

A: I think I would say deep.

Q: Okay. And so, what does he start doing when he gets behind the trash can?

A: Kind of rummaging through the stuff in an aggressive motion, picking something up. And then, that's when he goes back to his blanket and then picks it up. And it all happened very fast.

Q: Did you hear him say anything at that moment?

A: Not in that moment.

Q: Okay. Besides his uncooperativeness when he was saying "No, I'm not going with you," did you hear him saying anything else?

A: Not at that point.

Q: Okay. So, now, he goes and he digs into the trash can and he rifles around. And you described his movement as becoming very fast.

A: Mm-hmm.

Q: Okay. And he digs his hands into the trash can?

A: Mm-hmm.

Q: You had said that he possibly grabbed something?

A: Mm-hmm.

Q: Did you not know? Did you think he grabbed something? What was going through your mind at that moment?

A: Because it happened so fast, I saw his hands go in and out, and it looked like something was in his hands because then, when he went back to the blanket and put the blanket over it, it looked like there was a long — possibly a rifle or maybe a stick, just something very long underneath the blanket, and that's what he was pointing at us.

Q: Okay. And so, you saw his hands go in. And what other potential things could he have put in his hands that would be long? So, what were you thinking? You said a stick? What other items?

A: Yeah, like a rifle, a stick, a hammer, anything that could be — a baseball bat, anything that could be like that long, 3 feet.

Q: Okay. And did you think of it as a weapon that could harm you guys?

A: Yes.

Q: Okay.

A: Because with the intention when he had it underneath the blanket and he was kind of holding it as a rifle would be held, he was just moving it around the area.

Q: Okay. And so, kind of describe to me, as best you can, how his hands are positioned. So, he goes into the trash can and he comes out. And does he immediately go and pick up the blanket on the ground?

A: Yes.

Q: Okay. And then, now, are his hands covered up?

A: Yes.

Q: Okay. And you said his hands are holding something long. About how long was the item that he was holding in his hand?

A: Like 3 feet.

Q: Okay. And what did you think? Did you think that the had a weapon at this time?

A: Yes, because he was aiming it like it was a weapon and he was aiming it at us, moving it around, and telling us to put our guns down. So, that probably meant he had some type of weapon that he was going to use if we didn't put our guns down.

Q: Okay. Did he aim it at Summey?

A: Yes.

Q: Okay. Did he aim it at you?

A: I believe he went around, but mostly at Summey.

Q: Okay. And what were you feeling at this moment?

A: Honestly, my heart dropped because I didn't know what he had in his hands or why he was pointing at us. That's why I kept saying "What are you doing?" because I was still trying to process in my head what he's actually doing or what his intentions are.

Q: Okay. Any other emotions that you were feeling at that moment?

A: Yeah, scared because we had our firearms drawn, so we didn't know what his next move was going to be because in a few seconds it could have been — well, depending what he could have done, it could have escalated, which it did.

Q: Okay. And so, your firearm is out. Summey's firearm is out. And you're feeling in fear for yourself. Are you feeling in fear for Summey as well?

A: Mm-hmm.

Q: Okay. And what happens at that moment that he's pointing it at Summey and he kind of flags you with it as well?

A: Well, he's getting closer to us, so that's when we started backing up. I think we go about 20 feet back. We take multiple steps back because he's coming at us.

Q: Okay.

A: Yeah.

Q: Okay. So, you guys are retreating back. And is he closing the distance on you?

A: Mm-hmm.

Q: Okay.

A: He keeps coming to us.

Q: Okay. And are his movements getting faster? Are they kind of slow and mechanical? What's his movements?

A: I'd say faster.

Q: Okay.

A1: Is there anybody else out there that would be in danger during this?

A: Yeah. There's another female that comes around the corner and is positioned on my left side.

Q: Okay. Let's go into her. So, when does she come into the picture?

A: So, when we first started making contact with him, I see — maybe a few — when he starts saying "I'm not going to" — no, it was in the beginning of it. And then I see somebody behind me. And then I asked if she stays here. I think she said yes. And then I said, "Okay." And then she continues walking. I thought she stayed behind me. And then, when things escalated, when we drew our — no. As things were escalating, she got a little closer, so that's when Summey told her to back up. I told her to back up. I don't think she even backed up, but then my full attention was on him because that's when he — yeah, all of our attention was on him.

Q: Okay. So, she came into the picture right before his behavior got more erratic?

A: Yes.

Q: Okay. And then, did he appear to acknowledge her at all?

A: He thought — he asked her if she was working with us, and she said, "I possibly could be."

Q: Okay. So, he didn't — there was no visual recognition between him and her at

that moment?

A: Well, besides that.

Q: Like that he knew her or anything like that?

A: Mm-hmm.

Q: He wasn't like, "Hey, [redacted]," or anything like that?

A: No.

Q: Okay. And so, he says is she working with you guys?

A: Yeah.

Q: What does that mean?

A: Probably working to detain him and that she's here to help us out or something.

Q: Okay. Did it appear that he was experiencing some mental shift or anything like that?

A: I would say so because when he had the blanket and then was coming close to us with the possible weapon in his hands, he was telling us to put our guns down and saying he was a police officer or some version of an officer.

Q: Okay. And is she talking to him at this point?

A: No.

Q: Okay. Did you hear her giving him any commands?

A: I don't remember.

Q: Okay. And so, you guys are backing up. Is she backing up with you, or does she stay there?

A: She backs up, but she's slowly walking. I think we're backing up faster than she is, so she becomes more in my view.

Q: Okay. And then, so, since she's right there with you guys, is there any concerns for her?

A: Yes, because I'm backing up faster than they all are. So, Summey is on my right side, she's on my left side, and then I have [redacted] right in the middle.

Q: Okay.

A: So, there's a lot of factors that I need to account for because if I possibly do have to use force, then I have to either move closer, or move around them, or maneuver.

Q: Okay. Is there a safety concern for her at that moment?

A: Yes.

Q: Okay. And what's that safety concern?

A: Well, he has the possible weapon underneath his blanket, and he's pointing it around, so he could possibly hurt her or come close to her, and she could — because she was on the side of the levy, so she could have possibly fallen down. He could have pushed her or something like that.

Q: Okay. So, there was a safety concern for all three of you guys at that moment.

A: Mm-hmm.

Q: So, now, at this point, [redacted] has armed himself with a possible weapon and he is holding it in a rifle-style way. If it was a rifle, is it pointed towards you? Is it pointed towards the air, or which way is it pointed?

A: Oh, no, it's pointed straight at Summey. And then he would maneuver it to me, but then go back to Summey.

Q: Okay. So, it was something that was pointed directly at you guys, not into a distance or anything like that?

A: Yeah.

Q: And so, you guys are backing up. He is closing the distance and coming towards you. What happens then?

A: I think that's when Summey finally decides that it's reasonable for him to use deadly force, so that's when he uses his firearm and fires two rounds.

Q: Okay. And how many — you said two rounds. Did you hear two rounds, or was it three? How many rounds did you hear?

A: I think at the time I thought it was two to three.

Q: Okay. And what happens to [redacted] at that point?

A: He falls down automatically. And then, a few seconds after, he gets up and the blanket is on the floor. So, in his hands, we don't see any weapons, but we still don't know about his pockets or pants, anything like that.

Q: Okay. Because you still hadn't searched him at this point?

A: Mm-hmm.

Q: He had just armed himself with a possible rifle, or a weapon, or something like that?

A: Yeah.

Q: Okay. And so, when he falls down, what happens to the blanket?

A: It just stays down there. And then we still haven't uncovered — what if there is something, the weapon that he had, underneath the blanket? We still don't know if that's underneath the blanket or what is underneath the blanket that he was holding.

Q: Okay. And what does he do once he falls down? What does he say? What's his behavior like?

A: He says he's not armed and then continues walking down, saying that he's not going to go to jail, and I think he just keeps repeating that.

Q: Okay. Did you know if he had been struck at this moment by the gunfire?

A: Not at that time, until he jumped down and then started walking away from us and I could see — because there was light, so I could see. The light was shining onto his back, so I could see there was blood there.

Q: Okay. And did you think that that was a gunshot at that time?

A: Yes.

Q: Okay.

A: Well, that or if he fell, but probably a gunshot.

Q: Okay. A lot of blood, or just a little? Or just you knew that there was blood?

A: Well, it covered his whole shoulder.

Q: Okay. And which shoulder was that?

A: The left.

Q: Okay. And what happens to the woman that's standing up there with you guys?

A: We lose sight of her. Yeah.

Q: Okay. And at that this point, is your attention strictly focused on [redacted]

A: Yes.

Q: Okay. And so, he gets up and he says, "I'm not going to jail."

A: Mm-hmm.

Q: Did you hear any other direct comments from him?

A: I don't remember.

Q: Okay. Was he cooperative?

A: No.

Q: Okay. And would you call him uncooperative? Combative? What would you describe him like at that moment?

A: I'd say uncooperative because he was not listening to our commands. He said he was not going to jail and then continued to flee away from us.

Q: Okay. And so, at this point, you said that he hops down onto the sidewalk?

A: Yes.

Q: Okay. And then, does he walk? Does he run? What does he do?

A: I think he skips, kind of runs, runs southbound on 16th Street.

Q: Okay. And what do you do at that moment?

A: We follow him down, and then we jump down and start running after him.

Q: Okay. And is he running at a pretty good trek, or is he — or speed? Or is he kind of just jogging? What would you describe it?

A: I would say he's not walking, but he's not full-on sprinting because we're able to catch up to him.

Q: Okay. Does he know that you guys are behind him at that moment?

A: Yes.

Q: Okay. And so, what happens? Do you guys have to go through a tunnel or anything like that?

A: Yes.

Q: Okay. And what's that tunnel? Is it -

A: It's like a tunnel underneath the bridge, and it's lit up. It has graffiti in there.

Q: Okay. And then, when you guys catch up to him, what is it that makes you guys catch up to him? What happens right there at that point that you guys get him into custody?

A: Well, I think he finally stops because he sees that there's officers and there's lights and sirens coming from the opposite directions and that there's already officers running towards him from the other direction. So, I think he has nowhere else to go, so that's why he kind of just stops there.

Q: Okay. And what happens when he gets taken into custody? Describe to me what happens.

A: He's still resisting, not being cooperative with us. It takes, I think, like five officers to put handcuffs on him. Yeah.

Q: Okay. Do you guys get handcuffs on him?

A: Yes.

Q: Okay. And do you assess his injuries and everything like that at that moment?

A: Yes.

Q: Okay. And what injuries does it appear that he has?

A: A possible grazing of a bullet on his left shoulder.

Q: Okay. Did you guys begin to render medical aid for him?

A: Yeah. An officer helped and put a seal on top of it.

Q: Okay. Did you?

A: No.

Q: Okay. Reason why is because the other officer was doing it?

A: I was holding his arm so Summey could handcuff him, and I was just keeping him in place.

Q: So, your responsibility at that point was to take him into custody?

A: Yes.

Q: Okay. I'm going to go into some follow-up questions for you. We've got all those. Give me a second while I read through these because I don't want to duplicate them if I don't have to.

A: Mm-hmm.

Q: I'm going to ask this one just because I need to. Did you hear any statements with him about a weapon? Did you hear him make any statements about a weapon?

A: He just said — after he was possibly holding something in his arm that looked like a weapon and when he fell to the ground, he said, "I don't have a weapon," or "I'm not armed.

Q: Okay. Did you know him to have any drug issues, or was he — did he appear like he was on drugs, or alcohol, or anything like that?

A: I would say possible drugs or mental health just because of the comment. He was saying that he's a peace officer or something like that and then thought the female was working with us.

Q: Okay. Which would normally indicate that they're experiencing some mental health crisis or something?

A: Mm-hmm.

Q: Okay. Did you know that he had any history of anything like that?

A: No.

Q: Okay. Did you know if he had any drug history?

A: No.

Q: Okay. Were you or anybody else injured?

A: No.

Q: Okay. De-escalation tactics that were attempted, what de-escalation tactics did you guys do?

A: So, at first, when I kind of sensed that he wasn't going to comply with us or let us handcuff him, I asked him if we could go down to our cars and then just walk there, and then we could detain him safely there. He said — I don't think he replied back to that. And then Summey kept trying to say "I want to help you," stuff like that.

Q: Okay. Did you, at any point, pull out your taser or anything like that?

A: No.

Q: Okay. Did you pull out any other less-lethal weapons?

A: Mmm-mm.

Q: Okay.

A1: Was there time to pull out any other type of weapon?

A: No, because -

A1: It happened too fast?

A: Yeah. And then I just — I mean, I thought about the taser in the moment, but he had a blanket on him, so I don't think that would have worked well. And then, as he was on the elevated surface about to jump, I couldn't have tased him because he could have fallen.

Q: Okay.

A: So, it went through my mind, but I didn't think it would have been a good idea

to.

Q: Okay. And at that moment, the only less-lethal options that you had on you were your taser and then — is pepper spray one of them? Was it?

A: Yes.

Q: Okay. And so, you didn't pull out your taser because he had a big, bulky blanket on. And tell me about tasers and bulky clothing.

A: It's just not going to connect well with his body because it has to go skin-to-skin contact. And because it was such a thick blanket, it wouldn't have made contact with his body and it wouldn't have — the effects wouldn't have been on him.

Q: Okay. So, your initial de-escalation would be verbal de-escalation, right?

A: Mm-hmm.

Q: And then, at the point that he went and dug into the trash can is when it changed to a lethal force situation?

A: Yeah.

Q: Is that accurate?

A: Yeah. We didn't really have time to de-escalate because he kind of switched up really fast.

Q: Okay. Did you see Summey use force, fire his firearm?

A: Yes. Yeah.

Q: Okay. You had described it a little bit, but what was the background?

A: [redacted] was advancing towards him and holding a weapon underneath the blanket, pointing it at him. That possibly could have been a rifle. And he was pointing it at him and getting closer to him, so that's when Summey used his firearm.

Q: And then there was a trash can, right?

A1: What was behind him when he fired?

Q: Yeah.

A1: What was behind the suspect?

A: Oh, yeah, nothing, just, yeah, his campsite.

Q: Okay. And then the railroad tracks, right?

A: Mm-hmm.

Q: So, no other people are out there at that moment?

A: Yeah, but I think it went up, so it would have — there was just dirt, that embankment.

Q: Okay. So, a good backdrop?

A: Mm-hmm.

Q: Okay. And what do you think would have happened if action had not been taken, if Summey didn't fire his weapon?

A: I think he would have used whatever weapon he had underneath the blanket because he was still getting closer, so I think he had an intent, a motive to do something with it. So, yeah.

Q: Okay. If Summey had not fired his weapon, was there an impending fear or safety concern for you guys, all three of you?

A: Yes.

Q: Okay. And I think that's where we take a break.

A1: Sounds good. Thank you.

Q: Is there any follow-up questions that you have right now?

A1: No.

Q: All right. Let's take a break. I'm going to be pausing the interview.

Okay. I am going to be concluding the interview now. I do not have any further follow-up questions for Ofc. Guevara. The time is now 2:33 p.m. on Wednesday, July 20th.

Type 06 DETECTIVE SUPPLEMENT
Subject DETECTIVE SCHULTE OBSERVATIONS
Author 4075 - SCHULTE, BRENDAN 0911
Related Date Jul-18-2022 1:02

I, Detective Schulte #911 (IV75), have been employed by the Sacramento Police Department as a sworn, full time, police officer since 2013. I am currently assigned to the Office of Investigations, as a Detective in the Homicide Unit. My primary responsibilities are to investigate and/or assist with the investigation of homicide, suspicious deaths or missing persons, officer-involved shootings, and in-custody deaths.

NOTIFICATION:

On Monday 07/18/2022 at approximately 0102 hours, I was notified of a homicide call-out by Detective Sergeant Ellis #3132 regarding an Officer Involved Shooting at 16th St and C St.

ARRIVAL:

I arrived on-scene to the briefing location at approximately 0150 hours.

BRIEFING:

At approximately 0229 hours, once the homicide team was present, Lieutenant Morse #4112 and Sergeant Gresham #3010 briefed us about the incident and the circumstances that were known to them at the time.

WALK-THROUGH:

At approximately 0252 hours, I conducted a walkthrough of the scene.

ADDITIONAL OBSERVATIONS:

I was assigned by Sergeant Ellis to supervise the processing of the scene for items of evidence.

I provided a walkthrough of the scene to members of Internal Affairs, the Sacramento County District Attorney's Office, OPSA, and the Sacramento City Attorney's Office.

Type 06 DETECTIVE SUPPLEMENT
Subject DETECTIVE MCGOVERN OBSERVATIONS
Author 3481 - MCGOVERN, SHAUN 0892
Related Date Jul-18-2022 1:17

I, Detective S. McGovern (IV182), have been employed by the Sacramento Police Department as a Police Officer since 2007. I am currently assigned to the Office of Investigations, Major Crime Division, as a Detective with the Homicide Unit. My primary duties are to investigate and/or assist with homicide investigations, suspicious deaths, missing persons, officer-involved shootings, and in-custody deaths.

Notification

On July 18, 2022, at about 1:17 am, I (Detective McGovern #892, IV182) was off-duty and on-call as a part of Homicide Team 2, when Detective Sergeant Ellis #3132 contacted me about an officer involved shooting near 16th Street and A Street. Detective Sergeant Ellis advised me a call-out had been initiated and requested I respond to 16th Street and C Street for the patrol briefing. The following personnel were a part of the investigation's call out:

Detective Sergeant J. Ellis #3132 (IV31)
Detective Kane #910 (IV 110)
Detective Nangle #385 (IV80)
Detective Massee #548 (IV145)
Detective Murawski #871 (IV96)
Detective Schulte #911 (IV75)
Detective Yonemura #852 (IV88)

Arrival

At 2:15 am, I arrived on-scene and checked-in with scene recorder CSO E. Davis (1CS55). I observed 16th Street was shut down at C Street, with patrol vehicles and police tape securing any movement heading north on 16th Street. To the north, at the intersection of N 16th Street and A Street, the scene was secured with police tape and patrol vehicles blocking any movement to the south. I observed command staff, public information office, internal affairs unit, Force Investigation Team (FIT) unit members and patrol staff were present.

The following CSI staff responded under CSI call 22-199374 and were present:

Forensic Investigations Supervisor - Rostocil
Forensic Investigator - K. Kopf (CSI 22)
Forensic Investigator - M. Ramirez (CSI 34)

Briefing

At 2:29 am, once the call-out was complete, Lieutenant D. Morse (LN 25) and Sergeant Gresham (1SM3) briefed us about the incident and the circumstances known to them at that time. Prior to the briefing, the scene was secured with police tape and patrol officers had conducted a neighborhood canvass for

witnesses and potential video sources. Evidence was located on-scene by patrol officers and pointed out to investigators. Lieutenant D. Morse and Sergeant Gresham advised us of the following circumstances surrounding the incident:

Summary

On July 17, 2022, at 10:36 pm, Officer J. Summey and Officer A. Guevara self-initiated an attempt pickup call, with a location of N 16th Street and A Street. The attempt pick up was related to a felony arrest warrant issued for a subject named [redacted] (DOB [redacted]). Officer Summey and Officer Guevara were in full police uniform and driving marked Sacramento Police Department patrol vehicles when they conducted the contact. Sacramento County Sheriff Department records showed that [redacted] (xref [redacted] had a felony no-bail arrest warrant for a post release community supervision (PRCS) probation violation. Sacramento County Sheriff Department records showed that [redacted] was on search-able probation, until 03/10/25, for burglary, a violation of penal code 459.

In addition to the probation [redacted]

Officer Summey and Officer Guevara were driving separate patrol vehicles and parked them in the #4 north bound lane of N 16th Street, along the east curb, just north of the railroad track overpass between A Street and C Street. Officer Summey and Officer Guevara activated their patrol vehicle's rear amber caution lights, while parking them on 16th Street, in-order to walk up to the camp. The camp was located east of N 16th Street, on top of the levee, along the north fence line of the railroad tracks. The camp was in an elevated position, to the south of where the patrol vehicles were parked, and required the officers to walk up a dirt ramp with steep sloped sides.

Officer Summey and Officer Guevara walked up to the camp and immediately contact [redacted] standing in the camp. Upon contacting [redacted] he was standing in front of the camp, while wrapped in a dark blanket. The camp consisted of large tarps draped over items, which were stacked along the railroad track fence and stretched across the levee. Included in the items, was a large plastic tote with wheels that was covered with a tarp.

Officer Summey and Officer Guevara spoke to [redacted] and advised him he had an arrest warrant related to his probation. Officer Guevara advised dispatch at 10:40 pm, that their subject was uncooperative, and they needed an additional unit. While Officer Summey and Officer Guevara attempted to negotiate with [redacted] he walked to his camp, reached into the tote and lifted an object from under the tarp. [redacted] then covered his hands with the dark blanket. [redacted] then approached Officer Summey and Officer Guevara, with his hands outstretched in front of him with the blanket covering them. As [redacted] approached, he yelled at Officer Summey and Officer Guevara. Officer Summey and Officer Gueveara retreated backward, while commanding [redacted] to "Stop." As [redacted] continued to approach, with his hands outstretched forward and upright, still covered with the blanket, Officer Summey fired two rounds striking [redacted] along the left shoulder blade.

[redacted] fell down to the ground and dropped the dark blanket in front of him. [redacted] quickly rose to his feet and continued to not cooperate with Officer Summey and Officer Guevara. [redacted] then walked back to his camp and went to an opening along the west side of his camp, which led to the east 16th Street sidewalk that went under the railroad overpass. [redacted] jumped down to the east sidewalk and continued to flee south bound down 16th Street heading toward C Street. Responding officers, heading north bound on 16th Street, stopped [redacted] on the east side walk, north of C Street, along the west wall of the Blue Diamond Almond building. [redacted] was then detained and transported to UC Davis Medical Center for medical treatment.

Witness #1 [redacted] identified herself to officers and advised she was present at the scene of the incident. She provided an initial statement to Officer Austin regarding the incident, which was recorded on Officer Austin's *** body worn camera***. [redacted] was cooperative and transported to Headquarters for an interview with Detective Nangle.

Witness #2 [redacted] was contacted by Officer Rios on the north side of the railroad tracks. Witness [redacted] stated she was inside her tent when the shooting occurred and did not see what happened. Witness [redacted] advised she heard two male voices arguing and two gunshots. Witness [redacted] became uncooperative and locked herself in a porta potty. No further statement was taken from Witness [redacted]

At the time of the briefing, Officer Summey and Officer Guevara were at the Sacramento Police Officer Association building located near Burcut Drive and Richard Blvd.

Walk-through

At 2:52 am, the homicide and CSI teams performed the initial walk-through of the scene. During the walk-through, items of evidence were identified by the teams and designated for collection. After the initial walked through, Detective Yonemura responded to Headquarters and authored a search warrant to search the campsite where the incident occurred. On July 18, 2022, at 6:31 am, the Honorable Judge Blizzard signed the search warrant.

Legal Access to Scene

The scene was located on a dirt pathway, which was open to the public.

Observations

At 3:30 am, Officer Summey was brought back to the scene in-order to conduct a walk-through. Officer Summey was accompanied with legal representative David Mastagni and James McKay, from the law firm of Mastagni and Holstedt. Officer Michael Boyd with the Sacramento Police Officers Association also attended the walk-through. Scene Detective, Detective Kane, was present, along with Forensic Supervisor Rostocil, Forensic Investigator Kopf and Forensic Investigator Ramirez. Upon walking to the scene, I asked Officer Summey to stand at the approximate location he was at when he fired and asked him how many times he fired. Officer Summey positioned himself and advised me he fired his duty handgun two times toward the south. Officer Summey informed me a dark blanket laying on the ground in-between him and the camp, was the approximate position that [redacted] was standing, when Officer Summey fired. A blue cone was placed where Officer Summey was standing and CSI photographed it's location

within the scene.

At 3:42 am, Officer Guevara was transported back to the scene for a witnessing officer walk-through. Officer Guevara was accompanied by Sacramento Police Officer Association representative Michael Boyd. Following along with Officer Guevara's walk-through were Internal Affairs Sergeant Enkoji, Internal Affairs Officer Antonetti, and Force Investigation Team (FIT) member Officer Woolery. Supervising Forensic Investigator Rostocil, Forensic Investigator Kopf and Forensic Investigator Ramirez were present and assisted in documenting Officer Guevara's location. Detective Massee conducted the walk-through while I observed. See Detective Massee's observations regarding the walk-through.

Departure

At 4:00 am, I departed the scene and responded to Headquarters.

Further Investigation

At about 7:20 am, Officer Hosmer and Detective Pennington (working back to the beat) contacted the homicide office and advised they located a witness to the incident while responding to a suspicious circumstance call at [redacted] Frienza Avenue. Detective Pennington advised me, that while checking a vacant residence, they contacted [redacted] Detective Pennington informed me that as they spoke to [redacted] he stated he was present during the shooting and provided detailed information about what had occurred.

At 8:00 am, Witness [redacted] arrived at Headquarters and was placed into interview room 6. Witness [redacted] provided a statement and advised that when the shooting occurred he was across the street on the 16th Street west sidewalk, just prior to the railroad tracks. I provided Witness [redacted] with a Google image of the scene and he marked his location and the location of where he observed the shooting occur.

Witness [redacted] told me that prior to the incident, he rode his bike south bound on 16th Street west sidewalk, when he met a female, white, adult, named "[redacted] wearing a floral top. Near the northwest corner of the intersection of 16th Street and A Street, Witness [redacted] stated the female subject walked across 16th Street and then followed officers as they contacted [redacted] I located an image of Witness [redacted] from Officer Summey's body worn camera and screenshot the image. I printed out the image and showed Witness [redacted] Witness [redacted] immediately identified Witness [redacted] as the female subject named [redacted] that he met with just prior to the incident.

Detective Yonemura located traffic camera video from the intersection of N 16th Street and N B Street that showed a male subject riding a bicycle south bound on the west sidewalk of N 16th Street and female subject walking ahead of the bicyclist on the same sidewalk. I showed Witness [redacted] the screenshot and he identified the himself as the subject on the bicycle and the female subject walking as the person he knew as [redacted]

At 10:55 am, after [redacted] as medically cleared by the UC Davis Medical Center, he was transported to Headquarters and placed into interview room 4. I read [redacted] his Miranda right verbatim from an SPD Form 133 and he state he understood his rights. I advised [redacted] I would like to talk to him about what happened in his camp and [redacted] told me he didn't want to talk about what happened. As I exited the interview room, [redacted] asked me if the officers were in trouble and told me the officer was a

"good dude." He then told me sometimes things don't make sense and he couldn't figure it out. When I asked if he wanted to talk about these statement's, he advised me he did not want to talk.

On July 20, 2022, at 12:00 pm, Officer Summey arrived at Headquarters, with lawyer David Mastagni and James McKay. I provided Officer Summey with an non-monitored office and a computer that had a thumb drive containing his body worn camera video and Officer Guevara's body worn camera video. In addition to the body worn camera video, Officer Summey was provided a copy of the Sacramento Police Department CAD call (dispatch report) for call number 22-199356. Officer Summey was provided an OIS video admonishment listing the materials provided to him.

Officer Guevara arrived at Headquarters at the same time and Detective Massee handled providing Officer Guevara with the body worn camera video and the CAD call printout. After Officer Guevara reviewed the materials provided to her, Detective Massee interviewed her. See Detective Massee's observation for further regarding Officer Guevara's statement.

At 1:14 pm, I spoke to Officer Summey inside of interview room 8. Officer Summey had lawyers David Mastagni and James Mckay with him. The interview with Officer Summey was audio recorded only, using my body worn camera. My body worn camera was purposefully turned toward the table, as to not capture any video of the interview. The interview with Officer Summey was monitored via audio and video by the Chiefs Office, an investigator from the Sacramento County District Attorney's office, a representative from the office of public accountability, the internal affairs unit and the Force Investigation Team (FIT). After interviewing Officer Summey, I submitted the audio from the interview recording to DocuScript, a transcription service, to have the recording transcribed.

On August 1, 2022, I found that DocuScript had completed Officer Summey's transcription and I downloaded a copy of the transcription. I reviewed the transcription and made minor corrections to the transcription. I forwarded a copy of the edited transcript to David Mastagni and Officer Summey for their review.

During Officer Summey's interview, he advised that he remembered three previous contacts with [redacted] within the last couple of months. Using the Records Management System, I searched Officer Summey's estimated time frames and locations for each of the events and was able to locate the calls. I located the following CAD calls:

22-143697 - May 23, 2022 - A Street / 16th Street
Security officer with the Blue Diamond Almond plant reported a person experiencing homelessness setting up a tent on a hill side in the area. Officer Summey responded and noted on the call that the subject identified himself as "[redacted]."

22-156847 - June 6, 2022 - 12th Street / E Street
[redacted] The male subject was described as an adult male, "almond colored", late 20's, approximately 6' 3", athletic build, shirtless, black shorts, no shoes. The complainant advised [redacted] Officer Summey and Officer Guevara responded to the call. Officer Summey noted on the call, "[redacted], X-[redacted] 42, M, B, 6'02, 220

LBS, BRO, BRO, [redacted]]" Officer Summey also noted a female subject's information on the call. The call was cleared as an Information Report to follow.

22-157894 - June 7, 2022 - 1230 J Street

[redacted] Per the complainant, the male subject vandalized an ATM at the corner of K Street and 12th Street. Officer Summey noted on the call '[redacted], X-[redacted] 1[redacted], 42, M, B, 6'02, 220 LBS, BRO, BRO, [redacted]]"

On August 19, 2022, I reviewed the Sacramento County Crime Lab database and found that the blood alcohol and toxicology reports for [redacted] blood draw were completed. The blood alcohol report stated there was no alcohol detected in [redacted] blood. The toxicology report showed that [redacted] had methamphetamine and amphetamine in his system.

Investigation Complete

Narrative Text

Type 06 DETECTIVE SUPPLEMENT
Subject DET. MASSEE #548 OBSERVATIONS
Author 4017 - MASSEE, PAMELA 0548
Related Date Jul-21-2022 18:51

I, Detective Massee #548, have been employed by the Sacramento Police Department as a sworn, full time, police officer since 2009. I am currently assigned to the Office of Investigations, as a Detective in the Homicide Unit. My primary responsibilities are to investigate and/or assist with the investigation of homicide, suspicious deaths or missing persons, officer-involved shootings, and in-custody deaths.

NOTIFICATION:

On Sunday, 07/17/2022 at approximately 1149 hours, I was notified of a homicide call-out from our "SPD Text Notify System" regarding an Officer Involved Shooting at 16th St. and C St. Then at approximately 0102 hours Sgt. Ellis gave us the official notification for the call out.

ARRIVAL:

I arrived on-scene to the briefing location on Monday, 7/18/22 at approximately 0205 hours.

BRIEFING:

At approximately 0229 hours, once the homicide team and CSI were present, Lieutenant Morse #4112 and Sergeant Gresham #3010 briefed us about the incident and the circumstances that were known to them at the time, including the call information, involved personnel, involved parties, and a general timeline of events.

WALK-THROUGH:

At approximately 0252 hours, Sergeant Gresham conducted a walk-through of the crime scene. He pointed out evidence that was known at the time. This included the suspects campsite and a large blanket. No items were collected at this time. It was dark at the time of the walk through and items of evidence could be seen using a handheld flashlight.

LEGAL ACCESS TO SCENE:

The scene consisted of a dirt pathway open to the public.

INVESTIGATIVE SUMMARY:

At the conclusion of the walk through I was assigned Officer A. Guevara's walk through and interview.

Officer Guevara responded back to the scene with her SPOA (Sacramento Police Officers Association) Representative Michael Boyd.

At approximately 0342 hours I conducted Officer Guevara's walk through with her. Present for the walk

through was the following people: Officer A. Guevara, Officer M. Boyd (SPOA Representative), Officer E. Kane (Scene Detective), S. Mcgovern (Lead Detective), L. Antonetti (Internal Affairs), K. Woolery (FIT Team) and Sergeant Enkoji (Internal Affairs Sergeant).

Upon conducting the walk through Officer Guevara showed us where she was standing at the time of the officer involved shooting. However, due to the location of the blanket being behind her there appeared to be a discrepancy with her initial stated location. Upon clarifying with Officer Guevara she advised that the suspect was holding the blanket when he got shot and he was standing in front of her at this time. Officer Guevara then amended her location and showed us the approximate spot that she believed she was standing at the time of the shooting. Officer Guevara's location was marked with a blue cone by CSI. Officer Guevara advised that she was facing a southbound direction at the time of the shooting and remembered hearing two to three gun shots.

At the conclusion of the walk through I responded back to Headquarters to assist with the investigation.

I was later advised that Officer Guevara's interview was scheduled for Wednesday, July 20, 2022 at noon at Police Headquarters.

On 7/20/22 I met with Officer Guevara at Police Headquarters in addition to her SPOA Representative Boyd. I provided Guevara with a thumb drive which included her body worn camera and Officer Summey's body worn camera. I also provided her with the CAD call print out. Officer Guevara and SPOA Representative Boyd viewed these items in a predesignated room.

At approximately 1319 hours I obtained Officer Guevara's statement regarding the officer involved interview. The interview was audio recorded only. At the conclusion of the interview I submitted the audio file to DocuScript to be transcribed.

Type 06 DETECTIVE SUPPLEMENT
Subject MURAWSKI OBSERVATIONS
Author 3299 - MURAWSKI, BRIAN J 3065
Related Date Jul-29-2022 7:53

I, Detective Murawski #0871 (IV96), have been employed by the Sacramento Police Department since 2003. I have been assigned to Office of Investigations as a Detective within the Sacramento Police Department since August of 2017. As a Detective I have been assigned to the Neighborhood Crimes Unit (Robbery/Burglary), the Felony Assaults Unit, and I am currently assigned as a Detective within Homicide Investigation Unit. My primary duties as a Detective within the Homicide Investigations Unit are to investigate homicides, suspicious deaths, kidnappings, "in custody" deaths, and officer-involved shootings.

NOTIFICATION:

On Monday, 7/18/22, at approx. 0125 hours, I (Detective Murawski #871, IV96) was notified by Detective Sergeant Joe Ellis of a homicide team call out, regarding an officer involved shooting investigation in the area of 16th Street and C Street in the Downtown area of Sacramento. Sergeant Ellis advised me that there was only one shooting officer and one witnessing officer at the scene of the officer involved shooting. I arrived on-scene at approx. 0220 hours and attended a briefing that was conducted by SPD Lieutenant D. Morse # 4112 and Patrol Sergeant J. Gresham #3010, at approx. 0229 hours. After the briefing, I attended a walk thru of the scene that was conducted by Sergeant Gresham at approx. 0252 hours.

ADDITIONAL FOLLOW-UP:

Following the briefing and walk thru of the scene, SPD Homicide Sergeant Ellis tasked me with checking on the Suspect [redacted] status. [redacted] was being treated at UC Davis Medical Treatment Center for injuries that he sustained during the officer involved shooting incident.

On 7/18/22, at approx. 0348 hours, I arrived at the UC Davis Medical Treatment Center and contacted patrol officers Mario Valenzuela and Matthew Yee. They were tasked with being the custody officers for Suspect [redacted] as he was receiving treatment at the hospital. While speaking with them, I observed Suspect [redacted] laying in a hospital bed that was paced in the hallway outside the recess room in the UC Davis Emergency Room. I was eventually able to contact [redacted] nurse, [redacted] and obtain a preliminary condition update on [redacted] condition. She advised me that he was in stable condition and that he had sustained two gunshot wounds to his left shoulder area. She stated that preliminary xray's did not show any projectiles inside of his body, but that they were waiting on further tests, including a CT scan to see if there was anying. I advised Nurse [redacted] that another Detective was writing a search warrant for [redacted] blood and she advised me that [redacted] would be in the hospital for at least a few more hours before he was going to be released. I then advised Officer Yee that we were writing a search warrant for [redacted] blood and that a phlebotomist would be enroute to the hospital to obtain a blood sample from him. I also asked Officer Yee to keep me updated on any changes to [redacted] condition and pending release.

I later updated Sergeant Ellis and Detective McGovern of [redacted] status.

Related Date Aug-02-2022

Observations: Sgt. J. Ellis #3132:

I am currently assigned as a Detective Sergeant in the Homicide Unit of the Sacramento Police Department.

Notification:

On 7/18/22, at 0102 hrs, I was notified by SPD Communications of a homicide team callout to A St/16th St for an officer involved shooting. I responded to the command post at the SPD communications center.

Arrival and Briefing:

I arrived at the command post at 0205 hrs. I was the only investigations Sergeant available to respond.

At 0205 hrs, I attended a briefing given by Lt. Morse and Sgt. Gresham. During this briefing, we were given information that they had obtained up to this point.

At 0252 hrs, I, along with the homicide team and CSI were led through a walkthrough of the scene by Sgt. Gresham. He pointed out items of evidence to us.

At 0330 hrs, I attended the walk through with Ofc. Summey.

I did not attend the walkthrough with Ofc. Guevara.

Prior to leaving the scene, I made the following assignments:

Det. McGovern: Lead detective
Det. Cannedy: Assisting detective
Det. Yonemura: Assisting detective
Det. Massee: Assisting detective
Det. Nangle: Assisting detective
Det. Murawski: Assisting detective (sent to hospital for follow up with suspect)
Det. Schulte: Scene supervisor
Det. Kane: Scene

I left the scene at 0345 hrs and responded to HOJ for the round counts.

Weapons and Inspection (all round counts were done in the #4 interview room at HOJ and were recorded):

At 0415 hrs, I began the inspection of Ofc. Summey's firearm. Ofc. Summey had a department issued Glock 17, with a serial number of [redacted] The firearm had an attached tactical light. Ofc. Summey

wore his firearm on his right side. I had him hand me the firearm. Ofc. Summey stated to me that prior to the shooting, his firearm was loaded with 17 rounds in the magazine, and one in the chamber (total of 18 rounds). Ofc. Summey also carried two additional 17 round magazines on his person. These extra magazines were not accessed during the incident.

Upon inspection, I located 16 total rounds in the handgun. There was 1 live round in the chamber, and 15 rounds in the magazine. During the inspection of the two spare magazines, I found them both to be loaded with 17 rounds each.

It is estimated that Ofc. Summey fired 2 rounds during the incident.

Ofc. Summey stated that he did not carry any other extra ammunition or firearms.

CSI took photos of the round count. They then collect the firearm, rounds, and magazines, and booked them as evidence. They then turned them over to me so I could give them to the department armorer for a safety inspection.

At 0433 hrs, I began the inspection of Ofc. Guevara's firearm. Ofc. Guevara had a department issued Glock 17, with a serial number of [redacted] The firearm had an attached tactical light. Ofc. Guevara wore her firearm on her right side. I had her hand me the firearm. Ofc. Guevara stated to me that prior to the shooting, her firearm was loaded with 17 rounds in the magazine, and one in the chamber (total of 18 rounds). Ofc. Guevara also carried two additional 17 round magazines on her person. These extra magazines were not accessed during the incident.

Upon inspection, I located 18 total rounds in the handgun. There was 1 live round in the chamber, and 17 rounds in the magazine. During the inspection of the two spare magazines, I found them both to be loaded with 17 rounds each.

It did not appear that Ofc. Guevara fired her handgun during this incident.

Ofc. Guevara stated that she did not carry any other extra ammunition or firearms.

After CSI took photos, I returned her equipment to her.

Type 06 DETECTIVE SUPPLEMENT
Subject DETECTIVE KANE #910 SCENE OBSERVATIONS
Author 4066 - KANE, EMILY 0910
Related Date Sep-14-2022 13:11

I, Detective Emily Kane #910 have been employed by the Sacramento Police Department as a Police Officer since 2013. I am currently assigned as a Detective with the Felony Assaults Unit, in the Office of Investigations. My primary duties are to investigate crimes, including but not limited to assault with a deadly weapon, felony battery, kidnapping, and homicide. Additionally, my duties include managing crime scenes, interviewing victims, witnesses, and suspects, presenting cases to the Sacramento County District Attorney's Office for prosecution, as well as delivering courtroom testimony.

NOTIFICATION:
On Monday 7/18/22 at approximately 0123 hours I was notified by SPD Homicide Detective Sergeant J. Ellis (IV31) #3132 of a homicide team call out to 16th Street/ A Street in Downtown Sacramento regarding an officer involved shooting that had occurred. The Police Department had set up an Attempt Pick Up call of a subject who had a felony warrant and was on active PRCS. When they contacted the subject at his encampment and informed him about his warrant, the subject became uncooperative. The subject walked away from officers, reached into a push cart/ bin and pulled out an unidentified object that he was holding under a blanket. The subject then began to advance toward officers in a threatening manner. One officer then fired two rounds from their department issued weapon at the suspect. The suspect was struck in the left arm, and then fled south down a sidewalk on the east side of 16th Street where he was apprehended, treated for his injuries, and taken to a local hospital. Patrol officers secured the scene and a homicide call-out was initiated.

Detective Sergeant J. Ellis #3132 was the Homicide Unit Sergeant assigned to this incident.

Detective McGovern #892 (IV82), Detective Murawski #871 (IV96), Detective Massee #548 (IV145), Detective Schulte #911 (IV75), Detective Nangle #385 (IV80), and I Detective Kane #910 (IV110) were requested and responded to the scene to conduct an investigation of the officer involved shooting.

ARRIVAL:
At approximately 0215 hours, I arrived on scene and checked in with the Crime Scene Recorder- CSO E. Davis #1848 (iCS55). Upon my arrival I observed that 16th Street from C Street to A Street had been blocked off with yellow crime scene tape and secured with marked police vehicles. I also observed uniformed police officers providing traffic control directing passerby's away from entering the scene.

In addition to the above mentioned detectives, the following personnel were on scene upon my arrival, or had arrived shortly thereafter, and were present during the briefing:

Sacramento Police Department:
Chief Katherine Lester, Deputy Chief Olivera, Deputy Chief Green, Deputy Chief Leong, Captain McCloskey, Lieutenant Bailey, Lt. D. Morse, Lt. J. Ligon, Sgt. N. Fox, Sgt. J. Gresham, Sgt. D. Wiseman, Sgt. C. Martinez, Sgt. [redacted], Officer K. Wilson, Officer K. Woolery, Officer L. Antonetti, Sgt. R. Enkoji, PIO C. Lewis, PIO R. Woo

Office of Public Safety Administration:
OPSA Inspector General Dwight White

Sacramento County District Attorney's Office:
DA Investigator A. Fucles #24
DA Investigator S. Glenn #31

CSI Personnel:
Supervising Forensic Investigator M. Rostocil #8374, Forensic Investigator Kopf #6383, Forensic Investigator Ramirez #6381, and Forensic Investigator Garcia #6368

BRIEFING:
At approximately 0229 hours, once the homicide team was present, Sgt. Gresham #3010 briefed us about the incident and the circumstances known to him at the time. Please refer to Detective McGovern's supplement for further details. Patrol Officers conducted a limited canvass for surveillance video prior to the homicide team's arrival. Numerous items of evidence were located on scene by patrol officers and the items were described, and later pointed out, to investigators. The investigation was turned over to the homicide team at that time.

SCENE DESCRIPTION:
The shooting occurred outside on top of a dirt embankment that sits directly east of North 16th St. The embankment parallels 16th Street, and can only be accessed on foot. The exact latitude/ longitude of this scene on the embankment is 38.5870659, -121.4811221. The embankment slopes on either side; to the east is a brick building (1601 A St), and to the west is a paved sidewalk that parallels 16th St, and leads underneath the underpass southbound towards C Street. At the scene of this shooting, 16th Street is a paved four lane one way northbound city street.

LEGAL ACCESS TO SCENE:
The shooting incident occurred outside in a public are adjacent to the roadway and accessible to pedestrian and vehicle traffic.

WALK THROUGH:
At approximately 0252 hours, Detective Sgt. Ellis #3132 (IV31), Detective McGovern #892 (IV82), Detective Murawski #871 (IV96), Detective Massee #548 (IV145), Detective Schulte #911 (IV75), Detective Nangle #385 (IV80), and I Detective Kane #910 (IV110) conducted an investigative walk through of the scene during which items of evidence were pointed out as they were known at the time of the incident.

At approximately 03:30 hours, myself and Detective McGovern, Officer Summey, and Officer Summey's legal representation conducted a walk through of the scene.

At approximately 03:42 hours, myself and Detective Massee, Officer Guevara, and Officer Guevara's legal representation conducted a walk through of the scene.

SCENE LIGHTING:
The scene was processed under nighttime conditions, and lighting was provided by officer's hand- held flashlights and streetlights.

WEATHER/ TEMPERATURE FACTORS:
The weather conditions near the time of the incident were listed on "The Weather Underground" at: https://www.wunderground.com/history/daily/KSMF/date/2022-7-17

DATE:	07/17/2022
TIME:	10:53 PM PST
TEMPERATURE:	78 degrees Fahrenheit
CONDITIONS:	Fair
SUNRISE:	05:56 AM PST
SUNSET:	08:30 PM PST

SUSPECT INFORMATION:
LOCATION:
Suspect [redacted] had been transported to UC Davis Medical Center prior to detectives' arrival. All information regarding the suspect's injuries were obtained from Sgt. Gresham at the briefing.

POSITION:
Suspect [redacted] was transported by SFD personnel prior to detective's arrival. Refer to the initial responding officers' observations for further details.

CONDITION CLOTHING DESCRIPTION:
Suspect [redacted] was transported by SFD personnel prior to detective's arrival. Refer to the initial responding officers' observations for further details about Suspect [redacted] clothing.

APPARENT WOUNDS:
I was informed that Suspect [redacted] had sustained two gunshot wounds to his left shoulder that were non life-threatening. I was informed that officer J. Rios (X52) applied a chest seal to Suspect [redacted] He was transported by Engine 14/ Medic 2 to UC Davis Hospital where he was treated for his injuries.

EVIDENCE OF SURVEILLANCE VIDEO:
Detectives conducted an additional canvass for surveillance video for relevant footage.

VEHICLES:
1. **SPD Patrol Vehicle #13749C**
- Parked facing southbound on the east curb line of 16th Street., just north of C Street.
2. **SPD Patrol Vehicle #13443C**
- Parked facing northbound along the east curb line of 16th Street.

CSI PERSONNELL:
The following CSI personnel assisted in the location, identification, diagramming, photographing, and collection of evidence located at the crime scene:
Supervising Forensic Investigator M. Rostocil #8374, Forensic Investigator Kopf #6383, Forensic Investigator Ramirez #6381, Forensic Investigator Garcia #6368, and Forensic Investigator M. Bolla #6379.

MEASUREMENTS AND DIAGRAM:

Forensic Investigator Garcia #6368 took measurements of the overall crime scene, including all items of evidence, and completed the crime scene diagrams using the Leica RT360 3D Scanner.

PHOTOGRAPHS:
Forensic Investigator Kopf #6383 took all photographs of the crime scene, including all items of evidence that were collected.
Forensic Investigator Kopf #6383 took scene photographs using the OSCR360 Camera.

PHYSICAL EVIDENCE:
Numerous items of evidence were documented and collected from the crime scene located at 16th St/ A St. For exact location and descriptions of evidence collected from the scene, please refer to the CSI reports, diagrams, and photographs. CSI collected all evidence at my direction and later booked it into the SPD Evidence and Property Section. All of the evidence items were assigned numbered placards and photographed, in place, with the numbered placards.

The following evidence items were collected and booked under Property Report #1175438 by Forensic Investigator M. Bolla #6379.

Item #1: One tan colored "Sol Summer Shade" hat collected from the East street gutter of 16th St just North of C St, near patrol vehicle #13749C front driver side tire, parked along East curb line facing Southbound on 16th St just North of C St.

Item #2: One blue colored "PGA Tour" size large shirt in cut condition with apparent blood collected from engine hood of patrol vehicle #13749C, parked along East curb line facing Southbound on 16th St just North of C St.

Item #3: One red colored "Eagle Torch" lighter collected from engine hood of patrol vehicle #13749C, parked along East curb line facing Southbound on 16th St just North of C St.

Item #4: One black wallet collected from engine hood of patrol vehicle #13749C, parked along East curb line facing Southbound on 16th St just North of C St.

Item #5: Miscellaneous keys with key chain collected from engine hood of patrol vehicle #13749C, parked along East curb line facing Southbound on 16th St just North of C St.

Item #6: One multicolor "BIC" lighter collected from engine hood of patrol vehicle #13749C, parked along East curb line facing Southbound on 16th St just North of C St.

Item #7: One black belt, unknown brand, collected from engine hood of patrol vehicle #13749C, parked along East curb line facing Southbound on 16th St just North of C St.

Item #8: One clear tupperware container with lid with red tape across top containing miscellaneous items inside collected from engine hood of patrol vehicle #13749C, parked along East curb line facing Southbound on 16th St just North of C St.

Item #9: One blue colored blanket collected from dirt embankment West of 1601 A St.

Item #10: One sample of apparent blood collected from dirt embankment West of 1601 A St.

CANVASS:
No additional surveillance video obtained.

DEPARTURE:
At approximately 0930 hours, after coordinating the evidence collection with CSI personnel, I departed the scene.

DISPATCH COMMUNICATIONS:
On 07/18/2022, Sgt J. Ellis submitted a Dispatch Activity Report request (SPD 878) to the SPD Communications Center to obtain a copy of Radio Call #22-199356 as well as all associated connect-up calls. These items were later booked as evidence.

Related Date Aug-23-2022 2:34

On 7/18/22 at approximately 0109 hours, I, Forensic Investigator B. Garcia #6368 (CSI11) arrived at 550 Bercut Dr- Sacramento Police Officer Associates to take photographs. Upon arrival, I contacted Officer Summey #491.

PHOTOGRAPHS

I took eleven (11) photographs of the following; which were uploaded into Evidence.com.

Overall appearance of Officer Summey #491

Overall appearance of Officer Guevara #508

I cleared SPOA at approximately 0128 hours.

On 7/18/22 at approximately 0357 hours, I, Forensic Investigator B. Garcia #6368 (CSI11) arrived at 5770 Freeport Blvd- Sacramento Police Department's Headquarters (HOJ) to take photographs. Upon arrival, I contacted Detective Sergeant Ellis #3132.

PHOTOGRAPHS

I took thirty-six (36) photographs of the following; which were uploaded into Evidence.com.

Round count board for Officer Summey #491
-One (1) black Glock 17Gen5 9x19 pistol (S/N: [redacted] with a black Valkyrie light attached
-One (1) FC 9mm Luger unfired cartridge previously located in chamber
-One (1) black Glock 9mm magazine containing fifteen (15) FC 9mm Luger unfired cartridges
-Two (2) black Glock 9mm magazines each containing seventeen (17) FC 9mm Luger unfired cartridges

Round count board for Officer Guevara #508
-One (1) Black Glock 17Gen5 9x19 pistol (S/N: [redacted] with a black Valkyrie light attached
-One (1) FC 9mm Luger unfired cartridge previously located in chamber
-One (3) black Glock 9mm magazines each containing seventeen (17) FC 9mm Luger unfired cartridges

EVIDENCE

While wearing clean gloves, I collected, packaged and booked the following items of evidence under PR# 1175414.

-One (1) black Glock 17Gen5 9x19 pistol (S/N: [redacted] belonging to Officer Summey #491
-One (1) black Glock magazine and sixteen (16) FC 9mm Luger unfired cartridges belonging to Officer Summey #491
-One (1) black Glock magazine and seventeen (17) FC 9mm Luger unfired cartridges belonging to Officer Summey #491
-One (1) black Glock magazine and seventeen (17) FC 9mm Luger unfired cartridges belonging to Officer Summey #491

*At approximately 0434 hours I gave custody of the above items of evidence to Detective Sergeant Ellis #3132.

I cleared HOJ at approximately 0447 hours and changed my location to A St/16th St to assist in the processing of a scene regarding an officer involved shooting that occurred. Upon arrival, the scene was secured by patrol vehicles, uniformed officers, and yellow crime scene tape. The scene was processed under the direction of Detective Schulte #911 and Supervising Forensic Investigator M. Rostocil #6374. Additional CSI on scene included Forensic Investigators K. Kopf #6383 and M. Bolla #6379.

METAL DETECTOR SEARCH:

I used a metal detector to search for items of evidence in the following areas with negative results:

-Bush area in between East sidewalk and 16th St, West of dirt hill, North of train tracks

DIAGRAM MEASUREMENTS

I collected measurements of the crime scene and evidence using a Leica RTC360 3D scanner. The RAW scan data was registered and prepared for viewing using the Leica Cyclone Register 360 software. On 08/21/2022 the data was finalized, and I transferred all scan data on to the Forensic Storage Network Drive.

I cleared the scene at approximately 0913 hours on 7/18/22.

Type CSI REPORT
Subject PHOTOS AND EVIDENCE COLLECTION
Author 4961 - BOLLA, MEGAN 6379
Related Date Aug-06-2022 11:12

On 07/18/2022 at approximately 0622 hours, I, Forensic Investigator M. Bolla #6379 (CSI22) arrived at 16th St and A St to assist in processing the scene. Upon arrival, the scene was secured by patrol vehicles, uniformed officers, and yellow crime scene tape. The scene was processed under the direction of Detective Schulte #911 and Supervising Forensic Investigator Rostocil #6374. Additional CSI on scene included Forensic Investigator B. Garcia #6368.

EVIDENCE COLLECTION

While wearing a mask and clean gloves, I collected, packaged, and secured the following items of evidence in my vehicle:

- Item #1: One (1) tan colored "Sol Summer Shade" hat collected from East street gutter of 16th St just North of C St, near black and white patrol vehicle CA#1604683 front driver tire, parked along East curb line facing Southbound on 16th St just North of C St
- Item #2: One (1) blue colored "PGA Tour" size large shirt in cut condition with apparent blood collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #3: One (1) red colored "Eagle Torch" lighter collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #4: One (1) black wallet collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #5: Miscellaneous keys with "money of everything" key chain collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #6: One (1) multicolor "BIC" lighter collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #7: One (1) black belt, unknown brand, collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #8: One (1) clear container with lid with red tape across top containing miscellaneous items inside collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #9: One (1) blue colored blanket collected from dirt embankment West of 1601 A St
- Item #10: One (1) sample of apparent blood collected from dirt embankment West of 1601 A St

PHOTOGRAPHS AT 16TH ST AND A ST

I took thirty-seven (37) photographs of the following, which were uploaded to Evidence.com:

Overall condition of residence on dirt embankment West of 1601 A St, North of train tracks and immediate area, post search

- Items in grey rolling "Toter" on dirt embankment, North of residence
- Metal pipe originally located inside grey rolling "Toter" on dirt embankment, North of residence

Overall condition of item #9 and area under item #9 once collected

METAL DETECTOR SEARCH

B. Garcia #6368 and I used a metal detector to search for items of evidence on the dirt embankment West of 1601 A St and the planter box parallel to the dirt embankment West of 1601 A St along the #4 lane of 16th St, with negative results.

At approximately 0924 hours, I changed my location to 300 Richards Blvd. Upon arrival, at approximately 0931 hours, I took additional photographs of evidence items.

PHOTOGRAPHS AT 300 RICHARDS BLVD

I took ninety-three (93) photographs of the following, which were uploaded to Evidence.com:

Overall condition of the following evidence items:

- Item #9: Blue blanket with damage to both sides
- Item #2: Blue PGA Tour size large shirt in cut condition with apparent blood on left sleeve and back and damage to left sleeve and back side of shirt
- Item #8: Clear plastic container with lid and red tape across top side of lid, containing piece of broken glass, small wrapper with "cigarettes" printed on one side, thirty-nine (39) U.S. quarters, two (2) U.S. dimes, five (5) U.S. nickels, nineteen (19) U.S. pennies and two (2) U.S. one dollar bills (totaling $12.39)
- Item #4: Black bi-fold wallet containing Best Western rewards card, Regional Transit "Basic Daily Pass" card, "halo" card, Chase Freedom Visa card in the name of [redacted]", and paper with "[redacted]" written on one side

EVIDENCE BOOKING

At approximately 1426 hours, I changed my location to 555 Sequoia Pacific Blvd (Sacramento Police Department's Evidence and Property Section). Upon arrival, at approximately 1428 hours, I booked the following items of evidence into the lockers under PR# 1175438:

- Item #1: One (1) tan colored "Sol Summer Shade" hat collected from East street gutter of 16th St just North of C St, near black and white patrol vehicle CA#1604683 front driver tire, parked along East curb line facing Southbound on 16th St just North of C St
- Item #2: One (1) blue colored "PGA Tour" size large shirt in cut condition with apparent blood collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #3: One (1) red colored "Eagle Torch" lighter collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #4: One (1) black wallet with miscellaneous cards collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St
- Item #4A: One (1) Chase Visa Freedom card in the name of [redacted]" card #[redacted] valid thru [redacted] collected from inside item #4
- Item #5: Miscellaneous keys with "money of everything" key chain collected from engine hood of black and white patrol vehicle CA#1604683, parked facing Southbound in #4 lane of 16th St just North of C St

Narrative Text

Type 02 WITNESS STATEMENT
Related Person (WITNESS #3) [redacted] (DOB: [redacted])
Subject [redacted] DOB: [redacted]
Author 4554 - AUSTIN, SHAUGHN N 0622
Related Date Jul-21-2022 16:43

On Sunday 07/17/2022 at approx. 2245 hours, I, Ofc. Austin #622 contacted Witness [redacted] at the location of 16th St and A St in the city and county of Sacramento and obtained a witness statement. My body worn camera was activated for the duration of contact. W-[redacted] stated the following in summary: (It shall be noted that I did not get a full Witness statement from W-[redacted] as she advised she wanted to speak with a Detective in the middle of completing her statement with me).

I was standing beside the female officer. He (Suspect [redacted]) went behind a laundry basket with a tarp. He (S-[redacted] looked like he pulled something out and he was acting like he was going to shoot the officers. I didn't see what he had in his hand, but he had a blanket covering his shoulders and hands. The blanket was dark blue and dirty. I was able to see a solid red line underneath the blanket but was unsure of what it was.

He (S-[redacted] was asking the officers questions and acting like the officers were stupid for asking questions. He was being a dick to the officers. He looked like he was going back to his tent to grab something. The male officer had his gun out, but I didn't see the female officer. She was further back.

The officers were trying to get him to put whatever he had underneath the blanket, down. He started walking towards the officers.

(At this point in the statement, W-[redacted] advised she wanted to speak with a Detective).

Narrative Text

Type 04 OBSERVATIONS
Subject OFC. ECKERT #1001
Author 4444 - ECKERT, SCOTT 1001
Related Date Jul-18-2022 15:37

On 7-17-22 at approx. 2256 hours, I, Ofc. Eckert #1001 and my partner (Ofc. Pretorius #657) responded to the area of 16th St. and A St. to assist with an Officer involved shooting. We arrived on scene, activated our body worn cameras, and I observed the following in summary:

Ofc. Pretorius and I were assigned to provide scene security beginning on the south side of the scene and then were moved to the north side of the scene. We were relieved by swing shift Officers.

It should be noted that my body worn camera battery died during the call as my shift was approaching the 18 hour mark. Sgt. Martinez #3048 was advised on scene.

Narrative Text

Type 04 OBSERVATIONS
Subject OFC. STAPLEY #757
Author 4690 - STAPLEY, DANE L 0757
Related Date Jul-18-2022 13:25

On 07/18/2022, at approx. 0625 hours, I, Ofc. Stapley #757 responded to UC Davis Medical Center (UCD) to relieve Officers who were supervising a suspect ([redacted]) who was in Police Custody and receiving medical treatment. I was wearing full Sacramento Police patrol uniform and driving a fully marked Sacramento Police vehicle. I observed the following in summary:

*It should be noted that I was equipped with a body worn camera and in-car camera. My body worn camera was only activated while interacting with and transporting [redacted]

I arrived at UCD at approx. 0648 hours and I contacted Officers Yee #709 and Valenzuela #855 who were supervising [redacted] in the emergency department "resus" hall.

[redacted] remained asleep until approx. 0706 hours when phlebotomist E. Thorpe drew blood from [redacted] left hand. The blood specimens were placed into a Sacramento County Crime Lap box and I later booked the box into the Crime Lab drop box at Sacramento County Main Jail (SCMJ).

At approx. 1038 hours, [redacted] was deemed "fit for incarceration" and released from UCD.

I then transported [redacted] to the Sacramento Police Hall of Justice Homicide Unit.

Once Det. McGovern #892 was finished interviewing [redacted] I transported him to SCMJ and booked him into SCMJ custody.
