I reviewed the attached reports and pertinent ICC/BWC videos. This case was presented to the UOFRB on 9/1/22. All UOF (K9 Deployment, Less Lethal Shotgun and 40mm) deployments were found to be in policy. Identified ancillary issues regarding tactics were addressed at the watch level.

FIELD EVIDENCE RELEASE

RECEIVED JUL 26 2022

I, [redacted], hereby acknowledge the return to me by the Sacramento Police Department of the property indicated above.

I have been advised that should the property itself be required for evidence in the criminal proceedings in connection with which it was recovered, I should be able to produce it for that purpose.

I understand that should I not be able to produce the property if the same is required by the courts, there is a serious risk that the criminal case involved may have to be dismissed thereby resulting in a considerable expenditure of time and money and the release of the suspects who have been charged with crimi[redacted]

Author 4409 - BRAU, BIANCA 0928

On 07/25/22 at approx. 1030 hours, I (Ofc. Brau #928) contacted [redacted] both via telephone and in person and obtained her statement. My bwc was on and activated for the duration of the call. [redacted] stated the following in summary:

My son left the convertible BMW two-seater unlocked last night. This morning I saw a male white adult with long brown hair, wearing a white hoodie sitting inside of the vehicle. At the time they appeared to be agitated. I asked my son who was inside his car and he went outside. I saw him tap on the window to the car and then I saw the person throw their hands up like they had been caught doing something. At that time I realized my son didn't know this person so I called him to come back inside because that was dangerous. I thought maybe he knew who it was and realized that he didn't. That's when I called the police.

I kept watching the guy through my living room window because I could see out. The guy was sitting in the passenger seat of the car when I saw him waving a gun around and pointing it towards Great Falls Way as well as taking the magazine in and out of the firearm. I also saw the guy moving around a bunch inside of the car and he appeared to be throwing things all over the inside of the vehicle.

I saw the person get out of the car but I didn't see any weapons. The person was holding a bunch of stuff though.

When police showed up I could hear them trying to talk to the person in the car through a PA system. I heard them give the person directions but he didn't follow them. Then I heard a noise and saw the K9 get released.

We thought that the person inside of the car was a male but I guess it was a female. We were unable to see exactly because of the long brown hair, but the person you guys detained is the same person that has been inside the car all morning.

On 07/25/22 at approx. 1140 hours, I (Ofc. Brau #928) contacted [redacted] and obtained her statement. My bwc was on and activated for the duration of the call. [redacted] stated the following in summary:

I came home this morning and walked past my brother's car and didn't see anyone. Right when I got inside I heard my mom ask my brother who was in his car. That's when he went outside to see. I saw him knock on the window and the person just threw their hands up in the air. My brother came back inside and we called the police.

I was watching the person sitting in the car when I saw them get out and pull a gun from the right side of their waistband. Then they pointed it towards Great Falls Way and started sort of waving it around.

I saw when police arrived on scene and I could hear their PA announcements. I heard them announce themselves as police and tell the person to show their hands. The person didn't do what the officers were telling them to do and instead started walking.

I think at one point the person even pulled out the knives. They definitely seemed to be in their own world and acted as if they couldn't hear the police and didn't know they were there.

Type 04 OBSERVATIONS
Subject OFC. BRAU #928
Author 4409 - BRAU, BIANCA 0928
Related Date Jul-25-2022 16:11

On 07/25/22 at approx.. 1020 hours, I (Ofc. Brau #928) was dispatched to [redacted] Denison Ct regarding a suspicious subject. The caller (identified as [redacted]) advised that there was an unknown subject sitting inside her vehicle. While en route to the call additional updates were provided by [redacted] advising that the vehicle was parked directly in front of her house, the subject appeared agitated and angry, and the subject also had a gun. I arrived in the area at approx. 1032 hours. Other officers including Sgt. Severi and Lt. Bui also responded. My bwc was on and activated for the duration of the call. I observed the following in summary:

Ofc. Owen #472 and I waited in the area for additional units and resources to arrive based on the update relating to the firearm.

I contacted [redacted] via telephone and began to receive live updates from her. [redacted] advised that the suspect appeared to be a male white adult wearing a white "hoodie" style sweatshirt, long brown hair, and blue jeans. HEAD also stated that this person was the only one in the vehicle, nobody in her family knew or recognized the suspect, and that the suspect had a firearm that she believed to be real due to her experience being a CCW holder as well as a black magazine that the suspect repeadedly inserted and removed from the firearm. [redacted] further advised that her son's professional chef's knife set was in the vehicle and that the suspect had access to them due to the small size of the vehicle.

SPD K9 Ranger and Ofc. Terman arrived on scene. Other officers also arrived with the Bearcat due to the nature of the weapons involved. A contact team was formed with Ofc. Owen in charge of the 40mm, myself in charge of the Less Lethal shotgun, Ofc. Terman and K9 Ranger, Ofc. Browder in charge of commands, and Ofc. King #427 providing high cover inside of the Bearcat.

A drone was authorized by Lt. Bui and deployed by Ofc. Espinoza #360.

It was determined that due to the scene being in a court, officers would need to approach the suspect head on. In an effort to keep ourselves and nearby residents safe due to the knives and firearm being involved it was determined that if the suspect made any effort to move towards or enter a residence, or approach officers without following our commands, then combined less lethal force was authorized. If the suspect complied with officer's commands then they would be taken into custody without any use of force.

While on the phone with [redacted] she advised that the suspect was exiting the vehicle and gathering their things. It was decided that the contact team go to the scene due to the suspect's new actions.

Upon arrival I observed a white adult with long brown hair, a light colored sweatshirt, and pants outside of the vehicle on the passenger side. There were no other people outside or around the vehicle. The suspect had multiple bags and other items in their immediate possession and on their person. Ofc. Browder announced that we were the police and gave the suspect commands via the PA system to drop the items they were holding, show officers their hands, and place them behind their head. The suspect was not compliant and appeared to act as if they did not hear Ofc. Browder. I could see the suspect outside of the vehicle on the passenger side. Ofc. Browder continued to instruct the suspect to stop reaching for things and to put their hands above their head.

The suspect then walked over to the driver's side of the vehicle against Ofc. Browder's commands. Ofc. Browder instructed the suspect to not walk away. The suspect did not comply and instead moved towards nearby residences before advancing on foot towards officers and the Bearcat.

The suspect was approx. 2-3 car lengths away at this time. Due to the rules of engagement discussed prior, I deployed one round from my Less Lethal shot gun which struck the suspect in the lower abdominal area. Shortly after I observed K9 Ranger contact the suspect (see Ofc. Terman's obs for further). I also heard Ofc. Owen deploy one 40mm round which did not appear to strike the suspect.

After K9 Ranger contacted the suspect myself and Ofc. Owen attempted to handcuff the suspect who was still refusing to comply with our commands to give us their hands. The suspect continued to hide their hands underneath their body while officers attempted to gain control over them. Ofc. Griffin who was on scene, Ofc. Owen, and myself conducted a brief pat search for weapons and began to provide medical aid. Other officers arrived and also began to administer medical aid. The suspect (later identified as PINEDA, Esmeralda) was bleeding from her left wrist area. Fire was requested code 3.

A search of PINEDA's items incident to arrest revealed a clear BB gun with a black pistol grip and a magazine, approx. 9 professional chef's knives, a black JBL speaker, and other miscellaneous personal items. The knives were located inside of a plastic Ross bag that PINEDA was holding. The BB gun was located inside of the backpack PINEDA was carrying (see ofc. Supplement for further).

On the floor outside of the vehicle on the passenger side was a large cleaver knife. Inside of the vehicle there appeared to be substantial damage to the seats.

A records check of PINEDA showed her to be on formal searchable probation for 459 PC through 12/14/22. PINEDA's probation officer was contacted (identified as HALLAM, Sean) who authorized a felony probation violation.

I contacted [redacted] and obtained her statement (see witness statement). [redacted] advised that the clear BB gun that was located was the same firearm she was PINEDA with inside of the vehicle, and that PINEDA pointed the gun towards Great Falls Way, which is a main residential road in the area.

I contacted [redacted] and obtained her statement (see witness statement). She also advised that the clear BB gun was the same firearm PINEDA had while inside of the vehicle.

Ofc. Browder contacted [redacted] who was on scene and the registered owner of the vehicle and obtained his statement (see victim statement). A walk through of the vehicle was completed with [redacted] who advised that all of the damage was new and would cost approx. $4,000 in repairs (see ofc. Supplement).

Ofc. Konecni, Ofc. King, and Ofc. Simpson were all on scene and conducted a canvas of the area for witnesses and cameras (see ofc. Supplements).

CSI arrived on scene for photos.

Fire arrived and transported PINEDA to UCD Medical Center for treatment. Ofc. Robertson was on scene and rode with PINEDA to UCD.

Ofc. Konecni collected the BB gun and later booked it as evidence. She also collected PINEDA's belongings that were left on scene and booked them for safekeeping at Property.

I completed a Field Evidence Release form (SPD 110) for the knives and speaker. [redacted] was made aware of the conditions of release and signed the form which was later submitted to records. [redacted] advised that each knife was worth approx. $150.00, which placed the total value of the knives at approx. $1,500. A google search for the JBL Clip 3 speaker showed an average price of approx. $50.00.

PINEDA was arrested for 148(a)(1) PC, 417.4 PC, 459 PC, 594 PC, 487 PC, and 1203.2 PC.

Type 02 WITNESS STATEMENT
Related Person (WITNESS #4) [redacted] (DOB: [redacted])
Subject [redacted] DOB: [redacted]

On Monday, 07/25/22, at approximately 1142 hours, I, Officer SIMPSON #951, contacted witness [redacted] outside in front of his residence ([redacted] Great Falls Way) and obtained his statement. He stated the following in summary:

My wife and I got woken up by a female screaming outside at around 4:45 AM. I didn't see her but I heard her. I left my house at 6:39 AM. At 10:30 AM, I got a call from my neighbor [redacted] (original complainant) about a male sitting inside her son's car. I thought it was a different person than from earlier this morning, but I found out it was actually the same female. I came home between 11:45 -11:50 AM and saw the silver BMW where it's parked now (in front of [redacted] Denison Ct, facing westbound). I went to my dining room window and saw a person sitting inside the car. I only saw one person in the car. I did not see a firearm or a weapon.

I saw her exit the car and then law enforcement came in. They gave her commands and she ignored law enforcement. They told her to stop walking towards officers but she acted like they weren't even there. She did not say anything at all. I heard less lethal deploy and saw her reaction of getting struck by less lethal shotgun. I did not see the K9 deployment, but heard her screaming after the fact. I saw the contact team arrest her.

She was a female white adult, 18 yo - early 30's, thin (110 lbs), brown hair to the middle of her back, wearing a white hoodie, and light blue jeans.
