On 08/09/2022 at approximately 0049 hours, Officer Hillman (#654) and I (Officer Gomez #539) (2A45) were dispatched to [redacted] 50th Ave in response to a restraining order violation in progress. In the initial call, the suspect was named as "Lavelle Johnny Wright Jr." and was described as a 31 year-old black male. Officer Hillman and I were both in full Sacramento Police Department uniform and were driving a fully marked Sacramento Police Department patrol vehicle. My body-worn camera was activated and recording for the duration of my investigation. I observed the following in summary:

While responding to the call, a duplicate call came in from the protected person in the restraining order (later identified as victim [redacted]) stating her ex-fiance (identified by V-[redacted] as "Lavelle Wright") was in front of the residence wearing jean overalls. V-[redacted] also advised she had a restraining order against him and that he was moving garbage cans around for an unknown reason. V-[redacted] also advised he was acting erratic.

While responding to the scene, Officer Hillman ran a records check of "Lavelle Johnny Wright" and found a match in WebKPF. The result came back to suspect "Lavell Johnny Wright" with an Xref of [redacted]. The WebKPF hit also had a mugshot photo of Wright from [redacted] that we later used to confirm his identity on scene. The WebKPF hit showed S-Wright was the restrained person in a Domestic Violence Restraining Order where [redacted] was listed as the protected person and that [redacted] 50th Ave was the address listed on the order.

The protective order was showing as being served, effective 08/02/2022 to 08/02/2023. (FCN/4262221600164 ORI/CA0340000 [redacted]) The order states S-Wright may not do the following in summary:

S-Wright may not contact, threaten, harass, etc. V-[redacted] either directly or indirectly.

Officer Hillman and I agreed that if S-Wright was still on scene when we arrived, we would detain him in handcuffs before proceeding with our investigation.

When Officer Hillman and I arrived on scene, I heard a male's voice coming from the West side of the house near the garbage cans. We approached the garbage cans and saw S-Wright sitting on the ground behind one of the cans against the house wearing jean overalls. Officer Hillman instructed S-Wright to stand up and put his hands behind his back.

S-Wright complied but was speaking incoherently about details of a restraining order but was not making any sense. Once Officers advised S-Wright was going to be detained in handcuffs, he became non-compliant. S-Wright began actively resisting by pulling his arms away, flailing his arms, tensing up and shouting while disobeying Officers' commands to place his hands behind his back and stop resisting.

During the altercation, I broadcast that we were fighting with one person and additional Officers began responding code 3 to our location. Officer Hillman and I utilized control holds and pressure points in an attempt to get S-Wright's hands behind his back, but were unsuccessful. At one point during the struggle, S-Wright placed his open mouth on my left forearm and I felt his teeth around my forearm but did not feel him bite down. I advised him not to bite me and held his head in place against the wall.

Officer Vang (#672) arrived and assisted in our efforts to detain S-Wright. S-Wright had grabbed hold of a perimeter fence and when Officers pulled him off, we were able to pull him to the ground. Once on the ground, S-Wright placed both hands under his chest and refused to place his hands behind his back.

Once additional Officers arrived on scene, we were able to place S-Wright in handcuffs. After S-Wright was already in handcuffs, he continued to actively resist by kicking his feet and thrashing about while shouting and spitting towards Officers, so Officers on scene applied Max Restraints and placed a spit mask on him. Once in Max Restraints, Officers carried S-Wright to my patrol vehicle and placed him inside. While attempting to sit S-Wright in my patrol vehicle, he kicked his feet out to prevent Officers from placing him in the vehicle. Officers were eventually able to place him inside the vehicle.

My body-worn camera fell to the ground during the altercation and I did not recover it until additional Officers arrived on scene. I also obtained multiple abrasions to the back side of my left hand.

Sacramento Fire Truck 16 arrived on scene to assess S-Wright before transporting him to Methodist, but it was determined Officers should transport him instead. At the time, S-Wright did not appear to have any visible injuries and was complaining of pain to his left wrist.

Officer Hillman and I transported S-Wright to Methodist Hospital to have him medically cleared for incarceration. While driving to Methodist, S-Wright began complaining that his wrist was broken.

Once at Methodist, Officers removed the Max Restraints and assisted S-Wright with walking into the building. Once out of the patrol vehicle, Officer Hillman located a broken glass smoking pipe, one intact glass smoking pipe, and a plastic baggie with a white crystalline substance. (see Officer Hillman's supplemental report for further)

The doctor at Methodist advised S-Wright had a fracture to his left wrist that was likely caused when he fell

to the ground and landed on his hands. S-Wright also had large abrasion to his left shoulder, a small abrasion to his right elbow and a scratch to his left wrist.

CSI11 responded to Methodist to document S-Wright's injuries as well as Officer Hillman's and my own.

Once medically cleared for incarceration, Officer Vang transported S-Wright to JERPF where Officer Chai Vang (#253) took over transporting S-Wright to jail.

I completed a Red Border Form and submitted it to Sgt. Hamm.

A canvass of the scene for witnesses was conducted by other Officers. Please refer to their supplemental reports for their findings.

Officer Chai Vang contacted both of the original complainants on scene and obtained their statements. (see Officer Cahi Vang's supplemental report)

1SM4 (Sgt. Hamm) was updated throughout the duration of the investigation.

On August 08, 2022 at approximately 0048 hours, Officer Gomez #539 and I, Officer Hillman #654 was dispatched to [redacted] 50th Ave in response to a restraining order violation in progress. I was in a fully marked police uniform and driving fully marked police uniform. The complainant initially advised her caregivers ex-boyfriend (Lavell Wright 09/10/1991) who she had a restraining order against was outside of the residence. My body worn camera was activated for the duration of my investigation. I observed the following in summary:

As Officer Gomez and I were enroute to the residence, I confirmed Wright was listed as the restrained party in a served restraining order ([redacted]). The protected party was listed as [redacted] and the stay away residence was listed as [redacted]. Officer Gomez and I planned, if Wright was contacted near the residence, we would detain him in the back seat of our patrol vehicle before continuing our investigation.

Officer Gomez and I arrived on scene at approximately 0058 hours. Upon arrival, we began checking the exterior of the residence for Wright. I located Wright sitting near the trash cans on the west side of the residence. I began speaking with Wright, who was mumbling incoherently about a restraining order, but I was unable to make out what he was saying.

Wright had a lantern and a lighter in his hands during our initial contact. I instructed Wright to put the lantern down, stand up, and place his hands behind his back. Wright continued to mumble incoherently, but was complying and stood up and placed his hands behind his back. As I approached Wright, I told him turn around and face the wall. Wright turned and put his hands against the wall. I took hold of Wright's right hand and attempted to bring it to his back while Officer Gomez attempted to gain control of Wright's left arm.

Wright began tensing up and trying to turn around and face me. I used a rear wrist lock and gained control of Wright's right arm. Wright was still resisting my efforts to place him in a control hold. While I was holding Wright's right arm in a rear wrist lock, Wright kicked my left knee and pushed me back. Wright was able to release his hand from my control after kicking me.

Wright continued to resist officers. At one point I heard Officer Gomez yell for Wright not to bite him. Wright was pushing off the wall of the house and seemed to be trying to flee from officers. At one point Wright pushed away from the house and was able to turn and face me. I pivoted around Wright and pushed him against the west fence of the property. Wright was holding onto the fence with both hands limiting officers from taking him to the ground. I grabbed Wright's fingers and pulled him off the fence and was able to

push him to the ground.

While Wright was falling to the ground he placed both of his hands under his body. I pinned Wright to the ground by laying on top of him to keep Wright from standing. Wright was clenching his hands together under his body and not releasing his grasp from under his body.

I was able to release Wright's grasp and place his hand behind his back. Additional officers had arrived on scene and assisted in handcuffing Wright.

Throughout the altercation I was ordering Wright to stop resisting officers and to put his hands behind his back.

Once Wright was handcuffed, officers told Wright to stand up and walk to the patrol vehicle. Wright was flailing his legs and appeared to be attempting to kick officers. Max Restraints were used to control Wright's legs and upper body to prevent Wright from fleeing or fighting.

Once Max Restraints were applied, Wright continued to yell and turn and face officers. While Wright was yelling he was spitting toward officers. Fearing Wright would continue spit, I placed a spit mask over Wright's face.

Wright was escorted to my patrol vehicle and placed in the back seat. During the altercation, my body worn camera was removed by Wright and deactivated. Once I was able to retrieve my body camera, I reactivated my camera.

Wright was yelling that his wrist was broken and he was having chest pains. 1SM4 (Sgt. Hamm) was on scene and advised Officer Gomez and I to take Wright to Methodist Hospital for jail clearance and to check in his injuries.

During a search incident to arrest, I located a small baggie containing a crystal like substandard in Wright's left rear pocket. Based on my trading and experience, I believed the crystal like substance to be methamphetamine. I also located two four inch glass smoking pipes in Wright's left rear pocket.

I field tested the crystal like substance, which tested Nartec presumptive positive for methamphetamine.

Once at Methodist Hospital, x-rays and an EKG were performed in Wright. The doctors determined Wright

had a Scaphoid fracture to his left wrist and placed Wright in a splint.

CSI responded to the hospital and photographed injuries sustained to Wright and the injuries sustained to Officer Gomez and I.

Wright was later transported to the Sacramento County Main Jail and booked for 11364 (a) H&S- possession of paraphernalia, 11377 H&S- possession of controlled substance, 148(a) PC- willfully resists, delays, or obstructing any public Officer and 273.6 PC- willful violation of a domestic violence restraining order.

I later booked the 1.10 grams of Nartec presumptive positive methamphetamine, baggie, and two glass smoking pipes at the JERPF substation.

See additional officers reports for further details.

Sacramento Police Officers Hillman #654 and Gomez #539 (2A45) advised they were fighting with a subject. We responded to the scene with our lights and siren activated. I was driving a fully marked Sacramento Police Department patrol vehicle, and Ofc Martinez was seated in the front passenger seat. We arrived on scene at approximately 0104 hours without any incidents. My body-worn camera and in-car camera were activated. I observed the following in summary:

Upon my arrival I observed Ofc Hillman, Ofc Gomez, and Ofc Vang #672 on the west side [redacted] 50th avenue attempting to detain a male subject. The male subject was laying on his stomach, and was concealing his hands by laying on them.

Ofc Martinez and I assisted officers in detaining the male subject in handcuffs. I grabbed the male subjects arm pulled it away from his stomach, and was able to place it behind his back. The subject was then detained in handcuffs.

The male subject continued to physically resist officers while he was in handcuffs. Officers then placed the subject in max-restraints as the subject continued to physically resist officers commands.

During the altercation I heard the male subject make "barking" noises like a dog. I was not injured in the incident.

On 08/09/22 at approx. 0100 hrs, I, Ofc. Vang #672, responded to [redacted] 50th Ave regarding a cover call from Ofc. Hillman #654 and Ofc. Gomez #539. I was on 24th St by the area of Glen Ellen Cir, driving a fully marked Sacramento PD patrol vehicle and wearing my full Sacramento PD patrol uniform, when I heard the above officers broadcast that they were fighting with one subject over the radio. I responded to the scene after activating my emergency lights and siren. I arrived on scene at approx. 0102 hrs. My in-car camera was activated and recording for the duration of the investigation (body-worn camera was not activated until midway on scene, see below for further).

I observed the following in summary:

The following portion was not captured on my body-worn camera due to it being turned completely off. I had used the restroom at JERPF (Sac PD south station) prior to responding to the above call and did not remember to re-activate my body-worn camera until I was on scene.

Upon arriving on scene, I approached the west side of [redacted] 50th Ave where Ofc. Hillman, Ofc. Gomez, and SUSPECT-Lavell Wright were. As I was running towards them, I observed S-Wright against a trash can with Ofc. Gomez and Ofc. Hillman holding each of his arms, which were against the wall and on a trash can. Once I was there, I attempted to help place S-Wright's hands behind his back, but was unsuccessful. During that struggle, I removed the trash cans that were blocking my access, at which point S-Wright jerked away.

We ended up against the black rod-iron fencing on the west side of the property, at which point S-Wright grabbed one of the fence posts. I was unable to pull his hand away, and resorted to using pain compliance. I first peeled away S-Wright's right thumb, then right forefinger, and applied pressure until S-Wright let go of the post. I stopped applying pressure once S-Wright let go.

At this point, we were finally able to pull S-Wright to the ground and onto his belly. Once he was on the ground, I got on top of both of his legs and pinned his hips to the ground. At this time, I realized my body-worn camera was completely off, and turned it on.

The following portion was captured once I reactivated my body-worn camera.

While on the ground, S-Wright had both of his hands tucked underneath his belly and was still refusing to place his hands behind his back. Once we had additional units on scene, we were able to remove S-Wright's hands from underneath him and handcuff him. After S-Wright was handcuffed, he was placed on his side.

Once we were ready to move S-Wright, we attempted to help him to his feet. However, S-Wright was still resisting and would not stand up or try to walk. He instead kept moving in whichever direction he could and would not let us stand him up. Based on his continued behavior of struggling and resisting, we placed S-Wright in max restraints.

When placing the max restraints on, S-Wright attempted to bite my right hand, as well as any officers' arm that was close to his face.

Once the max restraints were applied, S-Wright was placed in the back of a patrol vehicle. During this, S-Wright continued to resist and would not sit in the vehicle. It wasn't until I pulled S-Wright by the arm from the other side of the vehicle that we were able to get him inside.

I cleared the call shortly after S-Wright was transported to Methodist Hospital.
