On 08/13/22, at approximately 0252 hours, I, Officer Wagstaff, responded code three from Stockton Blvd/ N St in a fully marked Sacramento Police K9 car to assist the Sacramento County Sheriff Department (SSD). SSD was in a vehicle pursuit of a black BMW () in the area of Fruitridge Rd/ Wilkinson Dr. The pursuit came to a stop in front of Emerson Rd, where the driver of the vehicle fled on foot into the surrounding neighborhood. A perimeter was established in the surrounding area and the driver was described as a male black adult with dreads. Lt. Villegas (LN15) approved that I could respond and assist SSD. I arrived on scene at approximately 0257 hour. I observed the following in summary:

I contacted Deputy Kim, who advised that they could identify the driver and was described as a male black adult wearing a grey t-shirt with dreads. The driver was last seen running northbound Emerson Rd towards 25th Ave.

Deputy Kim advised that the driver of the BMW reached speeds of approximately 110mph, while driving on Wilkinson Rd and failed to stop at any stop signs throughout the pursuit. Deputy Kim advised the driver was wanted for 2800.2 CVC (felony evading) and 148 PC (resisting arrest).

Sgt Pullen was on scene and advised of all the information and advised that he approved the use of K9.

I drove the perimeter and gave multiple K9 warnings using my patrol car's PA system. There was no response verbally or physically from the suspect.

After I gave my K9 warnings, the California Highway Patrol's AIR21 (AIR21) arrived on scene and began to check the perimeter for the suspect. As AIR21 was checking the perimeter, I was alerted by perimeter units that they heard fence boards breaking in the area of 25TH Ave. Air21 found the suspect hiding in that backyard. Deputy Knox and I were on the street in front of the house attempting to develop a plan to take the suspect into custody. As we got to the front of the house, AIR21 advised that the suspect got up and ran southbound through multiple yards. I, along with Deputy Knox, continued to parallel the suspect on

71st St as he continued to flee southbound in backyards.

AIR21 was guiding Deputy Knox and I to the backyards the suspect was in as he fled from us. AIR21 advised that the suspect was in the backyard of [REDACTED] 71st St. As I was standing in the street in front of [REDACTED] 71st St, I yelled out another K9 warning. Despite the additional K9 warning, the suspect continued to flee southbound inside of the perimeter. The suspect finally appeared to stop in the backyard of [REDACTED] 71st St. Sgt Pullen pulled up a patrol car and pointed it directly towards where the suspect was hiding. Sgt Pullen gave three additional K9 warnings over the patrol car's PA system advising the suspect that we knew he was in the backyard. The suspect immediately got up from his hiding location and fled northbound through the perimeter. It was becoming very apparent that the suspect was fleeing when K9 Hoss and I would get in close proximity to him.

AIR21 advised that the suspect was last seen in the backyard of [REDACTED] Emerson Rd under a tree. I along with a contact team made entry into that backyard and the suspect got up and fled east. AIR21 advised the suspect was now in the backyard of [REDACTED] Emerson Rd behind a shed. I, along with the contact team, moved to the front driveway of that residence. Officers were initially unable to get ahold of a homeowner, so I again made an additional K9 warning. A short time later the homeowner came to the door and the contact team, and I made entry into the backyard.

I then deployed my police K9 partner "Hoss" based on the following information known to me at the time:

- 1) The suspect was wanted for a fresh 2800.2 CVC (Felony evading) and 148 PC (resisting arrest).
- 2) The suspect had not been searched for any weapons at this point, and it was unknown if he was armed with anything that could be utilized against officers attempting to effect an arrest.
- 3) The suspect was hiding in a residential area and if the suspect was not apprehended it would pose a great risk to citizens.

4) The suspect had not been searched prior to fleeing and it was unknown if he was armed with any types of traditional and/or nontraditional weapons that could be used against officers attempting to effect the arrest without the superior apprehension capabilities of a trained police K9.

5) The suspect refused to surrender peacefully to officers after being given numerous announcements requesting him to do so, indicating that he had no intention of complying with the reasonable demands of officers to peacefully surrender.

From the west side of the backyard of █████ Emerson Rd, I gave K9 Hoss the search command. K9 Hoss started his search and continued east through the backyard. I, along with the contact team, moved through the backyard to the eastside of the yard. I observed that K9 Hoss had located and made contact with the suspect as he was attempting to flee over a fence. I gave verbal commands for the suspect to get on the ground and the suspect complied. The contact team and I moved closer to the suspect and I took positive control of K9 Hoss and directed him to release his hold. Hoss immediately released his hold as instructed. Officers were able to safely take the suspect into custody without further incident.

I immediately requested code three fire and ambulance for medical treatment for the suspect. The Sacramento Fire Department responded and rendered first aid to the suspect's injuries. The suspect was transported to UCDMC for further treatment.

The suspect was identified as Dezjuan Washington.

Washington sustained dog bite injuries consisting of multiple avulsions on the front and back of his right thigh. There were additional rakes and punctures surrounding the avulsions on Washington's thigh. It should be noted that Washington had other injuries on his body from fleeing from officers through multiple backyards. Washington had what appeared to be two 1-inch abrasions to the right side of his head. Along with multiple 1-inch abrasions to his knees.

CSI was requested to photograph the scene and also Washington's injuries.

A neighborhood canvass complete by officers on scene.

On Saturday, 8/13/2022, at approximately 0255 hours, I, Ofc. Gardner #440 responded to the area of [REDACTED] Lippitt Ln. to assist the Sacramento County Sheriff's department with a perimeter for a suspect that footballed from a pursuit vehicle. Per Sheriff's department radio traffic, they were in pursuit of a vehicle that terminated in the area of Vandenberg Dr. and Emerson Rd. when the driver of the vehicle fled on foot. I arrived on scene at approximately 0259 hours and observed the following in summary:

My body worn camera was activated during this investigation.

Upon arrival I maintained a perimeter spot at [REDACTED] Lippitt Ln. While on the perimeter, CHP AIR 21 advised they located the suspect running through backyards on Emerson Rd. As we had the suspect contained in our inner perimeter, I readjusted my perimeter spot to the intersection 25th Ave. and 73rd St.

CHP AIR 21 advised that they observed the suspect jump a fence eastbound from the backyard of [REDACTED] Emerson Rd. to [REDACTED] Emerson Rd. just south of my location. At the same time, I heard a subject jumping a fence in the same area described by CHP AIR 21. Shortly after, I heard a voice that I recognized as K9 Ofc. Wagstaff #922 announce as Police K9.

Shortly after hearing the announcement, I heard shuffling coming from the backyard of [REDACTED] Emerson Rd. Ofc. Wagstaff advised via police radio that the suspect had been apprehended.

I responded to [REDACTED] Emerson Rd. to assist in a neighborhood canvass.

I canvassed the following locations:

[REDACTED] Emerson Rd.: Contacted [REDACTED] and obtained their statements regarding the incident. (See witness statements.)

[REDACTED] Emerson Rd.: No answer at the door.

During my contact with [REDACTED] he advised that his cameras did not capture the suspect in the backyard of his residence, but it did activate when Officers walked him out of the yard. I provided [REDACTED] with my department email to obtain copies of the footage. As of this writing I have not yet received these videos for review.

I stood by in the backyard of [REDACTED] Emerson to preserve the scene of the K9 apprehension until CSI responded to document the scene.

On 08/13/22 at approx. 0330 hours, I, Ofc. Bobadilla #449 conducted a canvass of the area of Emerson Rd. My Body Worn Camera (BWC) and In Car Camera (ICC) was activated. I obtained the following results:

- At ██████ Emerson Rd I spoke with resident ██████ (DOB: ██████) who advised he only has a camera located in the front of his residence, no cameras in the backyard. He advised he was sleeping and was woken up by his dogs as they started barking. He did not see or hear anybody inside of his backyard.
