- I admonished the driver on date: 09/04/22 at 1630 2518  AM  PM
- You are required by state law to submit to and complete a chemical test to determine the alcohol and/or drug content of your blood.
  - Because I believe you are under the influence of alcohol or a combination of alcohol and drugs, you have a choice of taking a breath or blood test. If you are on DUI Probation you are required to submit to a Preliminary Alcohol Screening Test.
  - Availability of Tests. (Read only when applicable.)
    - When Applicable: Since the breath and blood tests are unavailable; you are incapable of completing a breath or blood test; or you are afflicted with hemophilia or are using an anticoagulant medication, you are deemed to have given your consent to chemical testing of your urine.
    - When Applicable: Since you need medical treatment, your choice is limited to the (check all available)  blood,  breath, and/or  urine test(s), the only test(s) available at Mercy San Juan Hospital
  - If you refuse to submit to, or fail to complete a chemical test, your driving privilege will be administratively suspended for **one year** or administratively revoked for **two or three years** by the Department of Motor Vehicles. A second offense within ten years of a separate violation of driving under the influence, including such a charge reduced to reckless driving, or vehicular manslaughter, or a violation of CVC §23140, which resulted in a conviction, or separate administrative determination that you were driving with a BAC of 0.01% or more while under age 21, or a separate administrative determination that you were driving with a BAC of 0.01% or more while on DUI probation, or a BAC of 0.04% or more while operating a commercial motor vehicle, or a BAC of 0.08% or more at any age, or you refused a test, will result in a two-year administrative revocation. Three or more offenses within ten years of any combination of the above violations, convictions or separate administrative determinations will result in a three-year administrative revocation.
  - Refusal or failure to complete a chemical test may be used against you in court.
  - Refusal or failure to complete breath or urine testing will result in a fine and mandatory imprisonment if you are convicted of a violation of CVC §§23152 or 23153.
  - You do not have the right to talk to an attorney or have an attorney present before stating whether you will submit to a test, before deciding which test to take, or during the test.
  - If you cannot, or state you cannot, complete the test you choose, you must submit to and complete a remaining test.

**SUMMARY:**

P-1 was driving V-1 Westbound on Sonoma Ave during the course of an approx. 5.2 mile pursuit. P-2 was driving V-2 Westbound on Sonoma Ave towards the intersection of Rio Linda Blvd and Sonoma Ave. P-1 was recklessly fleeing officers while driving under the influence and collided with the rear of V-2 at AOI#1.

**AREA OF IMPACT:**

AOI#1 was approx. 15' S/NCL of SONOMA AVE and approx. 35' E/ECL of RIO LINDA BLVD.

**CAUSE:**

Based on the evidence observed, it was my opinion that P-1 caused the collision by recklessly fleeing a peace officer which was in violation of 2800.2(A) while under the influence of alcohol which was in violation of 23153(B) (DUI over .08% BAC)

**RECOMMENDATIONS**

None.

On 9/4/22, at approximately 1208 hours, I (Officer Ward #583) obtained a statement from [REDACTED]. My body worn camera was activated and recording. He stated the following in summary:

The only thing I saw was the guy walking with his arms up. That was it. That was the last thing I saw. He was between where the red truck (fire truck) and black car (police car) are. I was concerned. I had heard an impact from inside the house. I came out and saw the man walking this way ([REDACTED] put hands up to imitate what he had observed). I then saw the dog chasing him. Somebody was tailing the dog, "good job, good job." That was it. I saw the fire and saw the guy walking. So I said at least no body is inside. I saw somebody was pulling back on the dog saying, "good job, good job." The dog had a piece of a wood stick in it's mouth. No, no video cameras.

## Narrative Text

**Type** 04 OBSERVATIONS

**Subject** OFFICER WARD #583

**Author** 4745 - WARD, JOHN T 0583

**Related Date** Sep-04-2022 17:23

On 9/4/22, at approximately 1127 hours, I (Officer Ward #583) was dispatched to 3212 Northgate Blvd regarding a disturbance involving a weapon. Per the text of the call, two subjects were arguing and one had a knife while the other had a pole. The first subject with the knife was described as a male black adult with a black 49ers hat, no shirt, and blue jeans driving a gray Toyota Tacoma. The second subject with the pole was described a male Hispanic adult with a gray/orange shirt. Additional updates advised subject number one was getting something out of the bed of his truck. Further updates advised subject one now had a rifle and was pointing it at subject number two. I responded code three (lights and sirens) from San Juan Rd / Binghampton Dr. I arrived on scene at approximately 1129 hours with Officer Ford #761. My body worn camera and in car camera were activated and recording. I observed the following in summary:

I arrived on scene and observed multiple subjects pointing towards the northeast corner of the parking lot. I continued further into the parking lot and observed the subjects pointing towards what I perceived, at the time, as a black Toyota Tacoma driven by a male Hispanic adult approximately 50 years old. The vehicle was facing to the north.

I parked my police vehicle, facing east, approximately 25 yards away and deployed my department issued patrol rifle due to the mention of the subject having a rifle. I told the male subject in the driver seat to show me his hands and to exit the truck. I observed the driver to be looking my direction and shaking his head.

The suspect vehicle began to turn westbound through the parking lot, coming in my general direction, to approach the parking lot exit onto Northgate Blvd. It should be noted, there was an approximate 3' dirt divider between the lane I was in and the lane the suspect vehicle was driving in. The lane the suspect vehicle was in was to the immediate north of where my vehicle was parked.

I observed the license plate of the suspect vehicle to be [REDACTED].

I observed a white Ram truck directly in front of the suspect vehicle. The suspect began honking at the Ram truck to move out of the way.

Officer Ford and I were behind cover as the Ram truck began to pull forward, followed closely by the suspect vehicle. Officer Ford attempted to deploy spike strips on the suspect vehicle as it passed by us. I observed the vehicle run over the spike strip.

I returned to my patrol vehicle, racked my patrol rifle, and began to make a u-turn in the parking in order to give chase to the suspect vehicle. I heard Officer Ford put an update on the radio that the suspect vehicle had turned northbound onto Northgate Blvd.

See Officer Ford's supplement for observations and victim statement.

I turned northbound onto Northgate Blvd with my overhead lights and siren activated. I did not immediately observe the suspect vehicle travelling northbound. I approached the intersection of Northgate Blvd / San Juan Rd and observed a dark gray colored Toyota Tacoma with the license plate of [REDACTED]. I further observed the vehicle to have spike strips sticking out from the front right wheel well. At this point, I realized this was the suspect vehicle.

The vehicle was stopped at a red light, in the number one lane behind another vehicle, northbound Northgate Blvd / San Juan Rd. The vehicle began to turn into the left turn lane to go around the vehicle in front of it. I observed the spike strips fall from the vehicle's wheel well. The vehicle accelerated through the red light (violation of 21453 VC) at the intersection and a vehicle pursuit was initiated.

The vehicle continued northbound Northgate Blvd through Patio Dr at approximately 50 miles per hour. Northgate Blvd is a posted 40 mile per hour zone along this section (violation of 22350 VC). The vehicle continued northbound passing through Rosin Ct and as it did so, the vehicle merged from the number one lane to the number two lane without signaling (violation of 22108 VC).

The vehicle took the on-ramp from Northgate Blvd onto eastbound Interstate 80. The vehicle continued in the number five lane for approximately a half mile. The vehicle then merged into the number four lane, again without using a signal. The vehicle had now reached speeds of approximately 80 miles per hour. The posted speed limit on Interstate 80 is 65 miles per hour. The vehicle then merged from the number four lane, across the number three lane, and into the number two lane as it continued to accelerate.

The vehicle merged from the number two lane to the number one lane, again no signal, as it passed Norwood Ave. The vehicle's speeds had now reached approximately 100 miles per hour. I observed a white SUV merge from the number one lane to the number two lane to avoid the fast approaching suspect vehicle. I further observed the suspect vehicle swerve to the left, over the yellow line, as it went around the white SUV.

I then observed the suspect vehicle swerve from the right side of the number one lane all the way to the yellow line at the left of the number one lane. I was now travelling at approximately 110 miles per hour as I attempted to stay with the suspect vehicle.

The vehicle began to merge from the number one lane, across the number two and three lanes, and into the number four lane. The vehicle was still travelling at approximately 90-100 miles per hour at this time.

The vehicle merged back into the number three lane and passed another vehicle before merging back into the number four lane. The vehicle exited the off-ramp to Raley Blvd / Marysville Blvd at a high rate of speed.

The vehicle then turned southbound onto Marysville Blvd and ran the red light at Marysville Blvd / North Ave (violation of 21453 VC). I observed white smoke coming from the vehicle's engine compartment. The vehicle swerved from the number two lane to the number one lane, to avoid another vehicle, as it passed through North Ave.

The vehicle then merged back into the number two lane and continued southbound Marysville Blvd at approximately 55 miles per hour. Marysville Blvd had a posted speed limit of 35 miles per hour in this area.

The vehicle continued south on Marysville Blvd through Grand Ave then merged into the number one lane to pass another vehicle. The suspect vehicle merged back into the number two lane after passing the other vehicle.

The vehicle continued southbound Marysville Blvd and ran a red light at the intersection of Marysville Blvd / South Ave. The vehicle then swerved back into the number one lane to pass another vehicle. Again the suspect vehicle merged back into the number two lane after passing the other vehicle. The vehicle then swerved back into the number one lane to avoid two additional vehicles which were yielding to the pursuit in along the side of the number two lane.

The vehicle continued to swerve back into the number two lane and immediately back into the number one lane to avoid more vehicles as it passed through the intersection of Marysville Blvd / Los Robles Blvd. The vehicle swerved around the left side of a white SUV, narrowly missing it, as the SUV yielded from the number one lane into the number two lane.

The vehicle then began to abruptly brake in the middle of the number one lane before accelerating again and continuing southbound Marysville Blvd through the intersection of Marysville Blvd / Arcade Blvd.

The suspect vehicle continued southbound Marysville before turning westbound onto Sonoma Ave. The vehicle briefly traveled into the eastbound lane of Sonoma Ave as it made the westbound turn. I observed the vehicle's engine compartment to be heavily smoking at this time.

The vehicle accelerated to approximately 50-60 miles per hour as it continued westbound on Sonoma Ave. The vehicle ran the stop sign at Sonoma Ave / Callecita St (violation of 22450 VC) and again ran a stop sign at Sonoma Ave / Belden St.

I observed the suspect vehicle crash into the back of a silver Honda Pilot at the intersection of Sonoma Ave / Rio Linda Blvd. The Honda Pilot was also westbound on Sonoma Ave and appeared to be attempting to make a southbound turn onto Rio Linda Blvd at the time it was hit. The suspect vehicle appeared to be attempting to make a northbound turn onto Rio Linda Blvd at the time of the collision. The Honda Pilot rolled to the south of the intersection and the suspect vehicle, Toyota Tacoma [REDACTED], rolled across Rio Linda Blvd and came to a stop on the west curb line to the immediate north of Sonoma Ave.

It should be noted, a later records check of the Honda Pilot revealed it was a stolen vehicle (see call/report 22-248205).

The length of the pursuit was approximately 5.2 miles from it's initiation point at Northgate Blvd / San Juan Rd to it's termination point at Sonoma Ave / Rio Linda Blvd.

A felony vehicle stop was conducted at this time on the Toyota Tacoma. I again deployed my department issued patrol rifle due to the circumstances of the suspect being armed with a rifle. I began giving the suspect commands to put his hands up and exit the vehicle. I observed the suspect emerge from the driver side of the vehicle and walk to the end of the truck bed. The suspect refused to put his hands up and continued walking towards the end of the truck bed, in the direction of officers. I observed the suspect toss his wallet with his right hand into the street. I then observed the suspect put both of his hands into his front pants pockets. I then told the suspect to take his hands out of his pockets and he immediately complied. The suspect turned back towards the vehicle and began walking back towards the open driver door.

The suspect reemerged at the rear of the vehicle and briefly raised his hands to shoulder height with the palms of his hands facing upwards. The suspect then dropped his arms and hands back to his side and began walking in the direction of K93 Officer Prahls #698 vehicle. Officer Prahls gave the suspect K9 announcements and the suspect responded by putting his hands in the air above his head. The suspect immediately dropped his arms and hands and began advancing in the direction of Officer Prahls patrol vehicle. The suspect then raised his hands above his head again before dropped them back to his front waistband area.

I stored my patrol rifle inside of my locked police vehicle and began to transition to my west where Officer Ricci #302 and Officer Prahls were positioned.

The suspect then turned and began walking away from Officer Prahls vehicle. The suspect walked to his

wallet in the street and bent down to retrieve it. At this time, the suspect's vehicle's engine compartment was engulfed in flames. The suspect began to walk back towards the driver side of his vehicle.

I deployed my handgun to cover Officer Prah as I made it to his position. The suspect continued walking away from officers and was now near the open front driver door.

See Officer Prah's supplement for observations of the K9 deployment.

The suspect was near the vehicle's open driver door when the K9 was released then the suspect continued walking towards the front of the vehicle, past the burning engine compartment. I observed Officer Prah's K9 partner apprehend the suspect as he continued walking away from officers and ignoring commands. I observed the suspect turn back towards officers and raise his hands above his head just prior to the K9 apprehension.

I assisted with detaining the suspect in handcuffs. At this time, I observed the suspect was wearing the black 49ers hat originally described by the complainant. Once the suspect was safely detained, in handcuffs, Officer Ivey #733 and I carried him approximately 30 yards to the north, further away from the burning suspect vehicle.

Once the suspect was a reasonably safe distance away from the burning vehicle, Officer Ivey and I began to render medical aid to him. I wound packed an injury to his left shoulder with department issued gauze. The wound was consistent with having been caused by a dog bite.

Sacramento Fire personnel arrived on scene to take over medical aid for the suspect and extinguish the fire in the Toyota Tacoma. The suspect was positively identified as S-COX, Dennis. S-COX was transported to Mercy San Juan hospital for further medical treatment related to his injuries.

I observed a black rifle stock in plain view in the bed of the Toyota Tacoma. The truck bed had a camper shell covering the bed. I opened the camper shell and observed the rifle to be a pellet/air rifle. I further located a black rifle case and dark green ammunition box with pellets inside of the truck bed. The pellet rifle, case, and ammunition box were later booked as evidence at the Sacramento Police Department's Kinney facility.

I contacted [REDACTED] at [REDACTED] Rio Linda Blvd. I obtained a statement from him regarding what he observed (see statement). [REDACTED] advised there were no surveillance cameras at his house which captured the incident. I did not observe any cameras.

On 09/04/2022 at approx. 1126 hours, I, Ofc. Ivey #733 was dispatched to a call for service in regards to a disturbance weapons call. The call details advised two subject are arguing, one had a knife and one had a pole per dispatch. My body worn camera was activated and recording for the investigation. I observed the following in summary:

While en route to the call dispatch advised one of the subject collected a firearm from his vehicle and was brandishing the weapon. I responded code three from Club Center Drive.

While En route to the call, Ofc. Ward #583, advised the subject was not complying with Officers and attempting to leave in a vehicle (██████████).

Ofc. Ward advised he was in pursuit of the vehicle northbound Northgate Blvd. I observed the vehicle (██████████) at Northgate Blvd. and the I-80 eastbound on ramp with Ofc. Ward in pursuit. I entered the pursuit as the number two vehicle behind Ofc. Ward. I continued as the number two vehicle in the pursuit until the pursuit's termination at Rio Linda Blvd. and Sonoma Avenue. (See Ofc. Ward's observations for pursuit details)

I assisted Officers on scene in a felony vehicle stop. I observed a male black adult (Later identified as Dennis Franklin Cox) approach Officers from the drivers side of his vehicle (██████████). The subject failed to comply with Officers commands to show his hands. The subject displayed an unsteady gait. I then observed the subject turn away from Officers and walk back towards the direction of his vehicle.

K9 Officer Prah #698 deployed his K9 ( See Ofc. Prah's observation's for K9 deployment details). I assisted Ofc. Ward in rendering medical aid to the suspect following the K9 deployment. I located a brown leather knife sheath in the rear right pants pocket of Cox. Ofc. Ricci #302 later collected the sheath and booked it as evidence at 3550 Marysville Blvd. I applied gauze to the left arm/ shoulder of Cox. The Sacramento Fire Department arrived on scene and took over medical aid.

I attempted to conduct a search of Cox's vehicle(██████████). Due to Officers utilizing fire extinguishers on the vehicle the search was deemed potentially hazardous per Sgt. Chan and the search of the vehicle was discontinued.

**Author** 4246 - NOVAK, MICHAEL 0840

**Related Date** Sep-04-2022 18:49

On 09/04/2022, at approximately 1131 hours, I, Officer Novak #840, was dispatched to 3212 Northgate Blvd regarding a weapons call for service. I was in full police uniform, wearing a body camera that was actively recording during this investigation. I arrived on scene at approximately 1137 hours and I observed the following in summary:

While en route to the call, officers arrived on scene and broadcasted over the radio that the suspect had gotten into his truck and was fleeing from them. I began driving code 3 to their location. I heard officers broadcast over the radio that they were in pursuit of the suspect. The pursuit continued until the driver collided into another vehicle and came to a stop at Sonoma Ave and Rio Linda Blvd. I arrived on scene to that location, and set up north to the suspect vehicle to block traffic away from the area.

I observed the suspect (later identified as Dennis Cox), walking around outside of his truck. His walk was unsteady, and he appeared to be staggering around. The walking did not appear to be caused by any injuries and he did not appear to be in any pain. Officers were yelling out to him to obey certain commands, such as "Turn around and stop" etc. The suspect ignored all of the commands of those officers attempting to detain him.

I observed S-Cox retrieve a clear bottle from his vehicle and throw it into the front yard of [REDACTED] Rio Linda Blvd. The bottle was later to be an empty glass bottle of vodka. Officer Ricci was on scene, and later collected the bottle (see his observations for further).

I then observed K9 Officer Prael use his K9 to apprehend the suspect (see his observations for further) as S-Cox was walking towards the front gate of [REDACTED] Rio Linda Blvd.

After the suspect was apprehended, officers immediately began medical care on his injuries.

I assisted officers in putting out the fire that S-Cox's vehicle had started.

Once the fire department arrived on scene, they transported S-Cox to the hospital. I rode in the ambulance with the suspect at approximately 1156 hours. Once I was face to face with S-Cox, I observed several signs of obvious impairment. I observed him to have bloodshot watery eyes and stuttering, slurred speech. His speech was slow, and it appeared as if he had to concentrate every time he talked to me. During our conversation, it appeared to me that he was under the influence of alcohol.

We arrived at the hospital at approximately 1217 hours. Once there, medical staff began treating his injuries. K9 Officer Phral arrived at the hospital and I observed him read S-Cox his Miranda rights verbatim per the SPD 133 card. Officer Prahl then obtained a statement from S-Cox about the K9 apprehension. After he was done with the statement, Officer Varni obtained a statement from S-Cox about the collision. Halfway through Officer Varni's statement, S-Cox advised he wanted a lawyer. I confirmed that he was done giving us a statement and he said yes. Officer Varni stopped asking him questions.

I advised S-Cox that we would need a chemical sample for evidence of him driving under the influence. I asked his consent for a blood draw test (the only option available in the hospital) and he said no. I advised him about the consequences of forcing me to obtain a warrant but he still said no, he did not consent to the blood draw.

Because we were in the hospital, I did not have internet connection to complete the warrant. I called Sgt. Chan and advised him that I would need assistance to complete the warrant. However, due to staffing issues and other priority calls, there was no one available until 1425 hours. At 1425 hours, I received a call from Officer Patterson advising that he would begin with the warrant (see his observations for further).

At 1606 hours, I received a copy of the signed warrant in my department email. The phlebotomist arrived at approximately 1630 hours. As she prepared for the blood draw, I advised S-Cox that we had the warrant for the blood draw. I read S-Cox the chemical test admonishment verbatim from the back of the DS367 admin per se page. After I read him the admonishment, Nurse [REDACTED] drew his blood at 1633 hours from his right hand.

During my time with S-Cox, I was unable to conduct and SFSTs because he was in a hospital bed with a neck brace the entire time.

Shortly after the blood draw, Officer Smith arrived at the hospital to relieve us. I handed him the evidence from the blood draw and he took custody of it.

I later completed the DS367 form, the SPD 170 form, and the cost recover form.

My wife [REDACTED] and I were driving to a business to get a smog test for the vehicle. When we got to the business, we noticed that it was closed. We decided to drive back home ([REDACTED]). I made sure to check left and right so that no vehicles were coming. I did not see the vehicle that hit me. I did not see the lights of the police vehicles. As I was making turn, I felt the hit. I do not remember much after that. I do not know how fast that vehicle was going, it all happened so fast.

I was wearing my seat belt. The airbags did not deploy. I was not texting while driving and I have not been drinking. I was driving the vehicle.

He has sold me a vehicle before which is why I trusted him this time. I did not think he would do something like this to me. He lives with his mom, sister, and other brother at the apartment. He says he sells cars.

The two SUVs that I gave him in return for the silver pilot are all in the name of my wife [REDACTED]. They are both white Chevy Tahoes. He was finishing paying off one of the vehicle's to me. He was going to give me \$2,500 for it but he only gave me \$800. I told him that he did not need to pay me the rest and that he could keep the other white Chevy Tahoe in return for his silver Honda Pilot.

I saw him in possession of the vehicle for the past five days and I really liked the vehicle. I told my wife of the agreement and she also agreed that we could trade our vehicle's for his Honda.

On 09/04/2022 at approximately 1131 hours, I, Officer Gutierrez #510, was dispatched to the intersection of Northgate Blvd and San Juan Rd to assist units.

I arrived on scene at approximately 1140 hours. My body worn camera and in car camera were activated and recording for the duration of my investigation. I observed the following in summary:

Upon arrival, I contacted the male driver and female passenger of the silver Honda Pilot with Vin No. [REDACTED]. The driver verbally identified himself to me as CRUZ-VALENZUELA, Jose with date of birth of 07/16/1990. S-CRUZ-VALENZUELA was standing next to a female subject sitting in the front passenger seat of the silver Honda.

The female subject verbally identified herself to me as [REDACTED] with date of birth of [REDACTED]. [REDACTED] advised me that her chest was hurting and was having trouble breathing and talking. The Sacramento Fire Department was requested for her injury.

A records check of the silver Honda revealed that the vehicle was reported as a stolen vehicle on 08/29/2022 by Oakland PD (OCA/22-039437).

A records check of S-CRUZ-VALENZUELA revealed that he was on formal probation for PC 496D(A) and on informal probation for PC 466, VC 10851(A), VC 14601.2(A), and VC 23247(E) (Case # [REDACTED] // Sentence Date: 10/19/2020 // Ends: 10/18/2023). The records check also revealed that S-CRUZ-VALENZUELA was not issued a license to drive.

Based on the fact that S-CRUZ-VALENZUELA admitted to driving the stolen silver Honda Pilot, I placed him in handcuffs. I conducted a probation search on S-CRUZ-VALENZUELA's person and found a white tissue in the front left pocket of his jeans. There was a glass smoking pipe wrapped inside the tissue. The glass pipe contained a white substance powder at the end of the hollow tube part of the pipe. I tested the white substance with a Nartec test and it presumptively tested positive for methamphetamine. I later booked the smoking pipe and tissue as evidence at Kinney.

I mirandized S-CRUZ-VALENZUELA and obtained his statement (see suspect).

On Sunday 09/04/22, I, Ofc. Ricci #302, was working routine patrol as 1B11 wearing a full police uniform and driving a fully marked police vehicle. At approximately 1126 hours, I was dispatched to 3212 Northgate Blvd regarding a disturbance with a weapon. Per the text of the call, two subjects were arguing and one of them had a knife. A further update on the call advised that the subject who had the knife had retrieved a rifle from his truck and was pointing it at the other victim. I responded from the area of Club Center Dr / Danbrook Dr "code 3" with my red and blue emergency lights and siren activated. My body worn camera and in car camera were activated and recording for the duration of the investigation. I observed the following in summary:

As I was responding to the scene, Ofc. Ward #583 advised that he was in pursuit of the suspect vehicle driving northbound on Northgate Blvd passing Patio Ave. I joined the pursuit in the number three (3) position at Northgate Blvd / I-80 eastbound, as the suspect vehicle was getting on the freeway. I remained as the number three (3) position until the pursuit terminated at Sonoma Ave / Rio Linda Blvd. (See Ofc. Ward #583 observations for additional information).

I assisted units with a felony stop on the vehicle following the pursuit. During the felony stop, I observed the suspect, a male black adult with a black hat, no shirt, and blue jeans, step out of the drivers side door of his vehicle and throw a large glass bottle into the front yard of [REDACTED] Rio Linda Blvd. The suspect did not comply with officers commands to put his hands up in the air. The suspect began walking towards officers with his hands down by his side. The suspect then briefly put his hands up, but ignored officers commands to turn around. The suspect then stopped walking and lowered his hands against officers commands. The suspect then turned around and began walking away from officers, again ignoring multiple commands given by officers to stop walking away.

I assisted SPD K9 and additional units with taking the suspect into custody following a K9 deployment. (See Ofc. Prael #698 observations for additional information).

The suspect was taken into custody near his vehicle in front of [REDACTED] Rio Linda Blvd. At this time, the suspect's vehicle was engulfed in flames. I assisted units with moving the suspect away from the burning vehicle to a location where it was safer to perform medical aid. The suspect was moved in front of [REDACTED] Rio Linda Blvd. There was a large trailer parked in front of this location. I later searched the area surrounding the trailer for a knife sheath that the suspect was observed to be carrying on his person. I located a brown leather sheath in the gutter underneath a small roll of carpet. I collected the brown leather sheath.

I collected the 750mL New Amsterdam Vodka glass bottle from the front yard of [REDACTED] Rio Linda Blvd. The seal on the bottle was broken and I did not observe any liquid inside of the bottle. I collected the suspect's black 49er's hat from the sidewalk in front of [REDACTED] Rio Linda Blvd.

The vodka bottle and knife sheath were later booked as evidence at Kinney.

The black 49er's hat was later booked as safekeeping at Kinney.

On 09/05/2022 at approximately 1137 hours, I (Officer Ford #761) responded to 3212 Northgate Blvd (Car Wash) to collect video evidence of the event that took place the day prior. I arrived on scene at approximately 1142 hours, and observed the following in summary. Both my in car and body worn cameras were activated.

Upon my arrival I contacted the owner of the car wash [REDACTED]. [REDACTED] was able to provide me with video footage of the incident and saved it to my flash drive.

I later reviewed the video and observed the following in summary; It should be noted that I observed that the live view of [REDACTED] cameras had the correct date and time stamp. Additionally the below described footage was observed from one camera that faces to the west and another that faces the south.

At approximately 1120 hours, the suspect vehicle (gray Toyota Tacoma) can be seen pulling in to the parking lot facing westbound and parking in the drying area of the car wash. The suspect vehicle sits there for a moment and then drives northbound through the parking lot and goes out of camera view.

Then at 1123 hours, the suspect (who was identified as S-Cox) can be seen walking southeast through the parking lot. It appears that the S-Cox has a bottle in his left hand, and another object in his right hand (per witness statements the object was a knife). S-Cox can be seen approaching the victim (identified as V-[REDACTED]) and it appears a verbal argument begins.

At approximately 1124 hours, from one of the cameras that captures audio I was able to hear glass breaking and then can see S- Cox make a lunging motion with what appears to be the knife still in hand. After this V-[REDACTED] begins to run away form S-Cox and S-Cox followed after. V-[REDACTED] then arms himself with some sort of stick and attempts to hit the knife out of S-Cox's hands. S-Cox continues to follow V-[REDACTED] through the parking lot going westbound toward Northgate Blvd and appears to make several swiping motions toward V-[REDACTED].

At approximately 1126 hours, S-Cox then goes back toward his truck and out of camera view. Moments later at approximately 1127 hours, S-Cox can be seen coming back into camera view armed with what appears to be a rifle. S-Cox can be seen holding the rifle in his right hand and walks southwest through the parking lot toward where V-[REDACTED] is. It is difficult to see the altercation at this point due to both S-Cox and V-[REDACTED] being far out of camera view.

At approximately 1129 hours, S-Cox can be seen making a "pumping" motion similar to that of pumping an air rifle. At approximately 1129.30 hours, S-Cox can be seen with the rifle as officers began to pull into the parking lot. S-Cox then walks back toward his truck and out of camera view.

\*\*\*End of video observations. \*\*\*

While on scene [REDACTED] provided me with V-[REDACTED] social security number from his employee file to assist officers to fully identify him. I had spoken to V-[REDACTED] the day prior (09/04/2022) who advised that I could retrieve that information from his boss ([REDACTED]).

I later uploaded the video into evidence via evidence.com.

On 09/04/2022 at approximately 1132 hours, I (Officer Ford #761) contacted victim [REDACTED] in the parking lot of 3212 Northgate Blvd. He stated the following in summary. Both my in car and body worn cameras were activated during this investigation.

I work here in the car wash. I was just working and this guy pulls up in his truck and parks right here. I went up to him and told him that he could not park right there. He was upset and moved his truck over there.

Once he parked his truck he came over here and started arguing with me and he had that knife in his hand. I grabbed a pole and hit the knife out of his hands. When he had the knife he was saying, "what are you going to do" and that is when I hit the knife out of his hands.

When he did not have the knife he went back to his truck and pulled out a rifle. It was a long black rifle and it looked real to me. I thought he was going to shoot me and I was scared that he was going to kill me. When he was pointing it at me he said, "im going to shoot you, im going to kill you". I was moving around the parking lot and that is when I noticed that the guy was pumping the gun and that is when I realized that it was a bb gun.

At that point he heard the sirens and the guy started to leave.

It was the same guy that I was pointing at when you pulled into the parking lot.

Yes, I want to press charges.

On 09/04/2022 at approximately 1125 hours, I (Officer Ford #761) was dispatched to 3212 Northgate Blvd regarding a call of an a disturbance involving a weapon. Per the text of the call, there were two subjects that were arguing one of which was armed with a knife and the other armed with a stick. As updates came in on the call, the reporting party advised that knife wielding subject was a male black adult wearing a 49ers hat with no shirt and had arrived in a gray Toyota Tacoma. The reporting party described the subject with the sitck to be a male Hispanic adult wearing an orange shirt. As additional updates came in on the call, the reporting party advised that the male black adult subject had returned to his truck and had retrieved a rifle from it and was pointing it at the other subject. I began to respond code 3 (lights and sirens) and observed the following in summary. Both my in car and body worn cameras were activated during this investigation.

Officer Ward #583 arrived on scene and assisted during this investigation.

Upon my arrival I observed a grey Toyota Tacoma with the driver side window rolled down. I observed an older male black adult driving and he appeared to be the sole occupant of the vehicle. Officer Ward was giving the subject verbal commands and telling the subject to stop (see Officer Ward's observations for further). The suspects vehicle was located in the northeast portion of the parking lot and was facing westbound toward Northgate Blvd and the only entry and exit point of the parking lot.

While Officer Ward was giving the subject commands I went to the trunk of my patrol vehicle and received my spike strips. Officer Ward came to the passenger side of his patrol vehicle and I advised him that I was going to attempt to spike the vehicle.

The male black adult suspect began to drive the gray Toyota Tacoma westbound through the parking lot however, there was a white dodge truck in front of it delaying his path of travel. I moved to a position of concealment behind a red Ford F-150 and took my position next to the rear passenger side tire of the red Ford F-150. At this point I was to the west of the gray Toyota Tacoma and waited until the white Dodge truck was past my position. I was able to see through the rolled down drivers side window that the male black adult had both of his hands on the steering wheel. I deployed the spike strips in front of the gray Toyota Tacoma and he attempted to drive around the spike strips.

The spike strips got caught in the passenger side front wheel well and the male black adult driver continued driving the gray Toyota Tacoma westbound through the parking lot and out onto Northgate Blvd going northbound.

I then contacted victim [REDACTED] (DOB [REDACTED]) who advised that he had confronted the same subject in the parking lot because he had been asked to move after parking his vehicle in an area where (V) [REDACTED] asked him to move it. (see victim statement for further).

(V) [REDACTED] advised that he did not have any injuries and did not need medical attention. (V) [REDACTED] advised that the male black adult (later identified as Dennis Cox) had pulled out a knife at one point during the argument. (V) [REDACTED] advised that he was able to hit the knife out of (S) Cox's hand. (V) [REDACTED] lead me to the dumpster area of the parking lot where the knife in question was located. The knife was buck knife that was the brand, Uncle Henry on it. The knife had an approximately 4-3/4" inch in length silver fixed blade and and was approximately 9" inches in total length. The handle appeared to have a faux wood grain finish.

I collected the buck knife and secured it in the trunk of my patrol vehicle. I later booked the knife as evidence at Kinney.

(V) [REDACTED] advised that after (S) Cox had dropped the knife (S) Cox returned to his Toyota Tacoma and retrieved a black rifle. (V) [REDACTED] advised that he was in fear for his life and thought that the male black adult was going to shoot him. (V) [REDACTED] believed that the rifle was real.

(V) [REDACTED] advised that he is currently experiencing homelessness and that he lives in his car ([REDACTED] [REDACTED]) and at his camp on [REDACTED] Ave. He continued to state that he is always at work and can be found there.

I then contacted witness [REDACTED] who advised that he had called 911 and obtained his statement. (see statement for further).

I provided (V) [REDACTED] with an information card that had my identifying information and the report number written on it.

I then contacted the owner of the car wash [REDACTED] ([REDACTED]) located at 3212 Northgate Blvd where the incident occurred. He advised that he was not available to respond to the car wash and would be available tomorrow 09/05/2022 for officers to collect video.

On 9-4-22 at approx. 1128 hrs. I, Ofc. Prah #698 was dispatched to 3212 Northgate Blvd. for a call of two subjects fighting with each other. Per the complainant, one subject was armed with a knife, the other subject was armed with a pole. I was wearing a full Police K9 uniform and driving a fully marked Police K9 vehicle. My in car camera and body worn camera were activated for the duration of my investigation. I observed the following in summary:

As I was responding to the scene, dispatch broadcasted that the subject originally armed with a knife had gone to his gray Toyota Tacoma and retrieved a rifle and was pointing it at the individual armed with a pole. The subject armed with the rifle was described as a male black adult wearing a black 49ers hat and no shirt.

Ofc. Ward #583 and Ofc. Ford #761 arrived on scene and broadcast over the radio that they located the armed subject and he was getting into his truck and looked as though he was going to attempt to flee the scene. A short time later, Ofc. Ward broadcasted over the radio that he was in vehicle pursuit of the suspect. At this time I activated my overhead lights and sirens and began to respond Code 3 to assist in the vehicle pursuit.

Ofc. Ward and Ofc. Ford broadcasted that the operator of the vehicle was the solo occupant and appeared to be possibly a male Hispanic adult or male black adult in his 50's. It was also broadcasted that the driver of the vehicle had a probable cause want for 245(a)(2) PC and 422 PC. During the pursuit the suspect violated multiple vehicle code violations, drove with a wanton disregard for the safety of the public, and therefore a probable cause want also existed for 2800.2 CVC

I continued Code 3 in an effort to catch up and assist with the pursuit (See Ofc. Ward's observations for a detailed description of the pursuit). When I was at approx. Marysville Blvd. and Sonoma Ave. Ofc. Ward broadcasted that the suspect vehicle had collided with another vehicle at Sonoma Ave. and Rio Linda Blvd. A short time later, Ofc. Ward broadcasted that the suspect had exited the vehicle, but was not following officers commands.

When I arrived on scene at the termination point of the pursuit (Sonoma Ave. and Rio Linda Blvd.) I observed a male subject (later identified as Dennis Cox-Suspect) wearing no shirt standing in the middle of the road near a Gray Toyota Tacoma that was apparent to see had just been involved in a collision. I could see smoke and small flames coming from the engine compartment of the vehicle.

As I arrived on scene I used my Public Announcement System (PA) and made a very loud announcement informing S-Cox that if he did not comply with officers commands or if he ran he would be bitten by the police K9. S-Cox began to walk towards my vehicle with his hands in the air. I gave S-Cox multiple commands to turn around and face away from me. S-Cox eventually put his hands down and crossed them in front of his waist, turned and began to walk away. S-Cox momentarily stopped and picked something up from the middle of the road and appeared to place it in the front pocket of his jeans. As S-Cox was walking away from me, I could see a leather sheath for a knife in the back pocket of his jeans, I could not tell if there was a knife in the sheath or not. S-Cox then began to walk back towards his gray Toyota Tacoma. At this time I removed my Police K9 "Groc" from the back of my patrol vehicle. K9. S-Cox walked to the driver's door of his gray Toyota Tacoma and placed his hand on the door. At this time I chose to deploy K9 "Groc" and instructed him to apprehend S-Cox based off of the following criteria:

- Probable cause existed to arrest S-Cox for 245(a)(2), 422 PC and 2800.2 CVC
- S-Cox was known to be armed with a knife as well as a rifle
- S-Cox and his vehicle were unsearched at this point and it was unknown where the
- aforementioned knife or rifle were
- S-Cox had already displayed a high level of resistance and a wanton disregard for the safety of
- the public and officers
- S-Cox was not following officers clear and lawful commands
- S-Cox had been provided with multiple K9 warnings and the consequences of not following those
- warnings
- S-Cox was moving towards his unlicensed vehicle where the rifle involved in the crime was
- believed to be stored
- I observed a sheath for a knife in S-Cox's back pocket and it was unknown if S-Cox was still
- armed with that knife
- I knew that by using a police K9, it would greatly enhance my own safety as well as the safety of
- the officers on scene and the safety of the general public by further limiting S-Cox's ability to flee into the residential neighborhood that we were surrounded by

As I commanded K9 "Groc" to apprehend S-Cox, S-Cox had continued to walk Northbound in front of [REDACTED] Rio Linda Blvd. on the sidewalk. As K9 "Groc" was running forward to apprehend S-Cox and was approx. 15-20 feet away from S-Cox, S-Cox placed his hands in the air, but continued to walk away Northbound. Based off of the close proximity of K9 "Groc" to S-Cox, the fact that S-Cox was still potentially armed with a knife, the high level of resistance already shown by S-Cox and the fact that S-Cox was still not complying with commands, I felt it safer for myself, the public and other officers on scene to allow K9 "Groc" to continue and apprehend S-Cox. Right before K9 "Groc" made contact with S-Cox, he turned towards myself and K9 "Groc" and dropped his hands. As K9 "Groc" was about to make contact with S-Cox, S-Cox used a balled up fist and swung it at K9 "Groc" two times in an attempt to strike K9 "Groc" further displaying a high level of resistance to being detained by law enforcement.

K9 "Groc" made contact with S-Cox on his left bicep/shoulder/armpit. Once K9 "Groc" made contact, S-Cox fell to the ground. At this time I had moved up with K9 "Groc" and was close by when S-Cox went to the ground. When S-Cox went to the ground he immediately put his right hand under his body in his waistband area. I grabbed S-Cox's right arm and began to give him commands to give me his arm. I could feel S-Cox tensing up and fighting against me to not release his arm from under his body. After several commands and pulling on S-Cox's right arm I was able to dislodge it from under his body. I turned control of S-Cox's right arm over to another officer. At this time there were several officers present with me. I took positive control of K9 "Groc", commanded him to release S-Cox and he did. I then placed K9 "Groc" back inside of my K9 patrol vehicle. Fire personnel were requested to provide aid to S-Cox due to being apprehended by K9 "Groc".

I retrieved the fire extinguisher from my patrol vehicle and attempted to put out the fire that was now burning aggressively in S-Cox's vehicle. My fire extinguisher did not extinguish the flame, so the resident of [REDACTED] Rio Linda Blvd. provided me with a hose from his house and I was able to extinguish the fire.

Once the fire was under control I went over to where officers were applying first aid to S-Cox. I observed

there to be multiple puncture wounds to S-Cox's left bicep, shoulder and armpit consistent with injuries sustained from being apprehended by a police K9. I also observed there to be an avulsion on S-Cox's left bicep very close to his left armpit, consistent with an injury sustained from being apprehended by a police K9.

Sac Metro Ambulance 101 arrived on scene and transported S-Cox to Mercy San Juan Hospital.

I responded to Mercy San Juan Hospital and attempted to obtain a Mirandized statement from S-Cox (See Suspect statement for further details).

CSI personnel responded to Mercy San Juan Hospital to take photographs of S-Cox's injuries.

In total, S-Cox is being charged with 245(a)(2) PC, 422 PC, 417(a)(1) PC, 417.4 PC, 2800.2 CVC, 148 PC and 23153 CVC
