Type 04 OBSERVATIONS

Subject OFFICER S. LEWIS

Author 569 - LEWIS, STEVEN 0359

Related Date Sep-11-2022 16:30

On 9-11-22 at approximately 1450 hrs Officer Pete Lopez # 578 and I, Officer S. Lewis #359, were assigned to traffic control at Capitol Mall and Nesham Cir to block traffic for the Farm to Fork dinner on the Tower Bridge. Officer Lopez and I were in full Sacramento Police Uniform with body worn cameras. Our cameras were activated for this incident.

Officer Lopez was speaking to a male white adult behind my vehicle while I was sitting in my car. The subject was later identified by California Driver's license as William Douglas Danielson, date of birth 4/29/75, CDL # [REDACTED]. Security had the south side of the bridge sidewalk closed due to event staff setting up TV's and audio equipment. Suspect Danielson was directed to the north side of the bridge to cross over but seemed agitated.

He started yelling at us that we were "fucking faggots", and "Fucking PIGS"! He continued this banter until he finally reached the north side of the bridge. Officer Lopez and I stayed on the south side of the bridge to give him some space. He then was speaking to a security guard, [REDACTED], on the north side of the bridge, but still engaging us from across the bridge with the same language of "fucking pigs" and "fucking faggots."

The security guard [REDACTED] looked at us and I motioned for him to walk away hoping suspect Danielson would get bored not having an audience to yell at and move on. The security guard walked away and Danielson followed him.

Finally, two other security guards, [REDACTED] and [REDACTED] walked over to help [REDACTED] try and de-escalate suspect Danielson. Officer Lopez and I were still on the south side of the bridge and I could see [REDACTED] motioning with his hands to calm down. Danielson eventually got extremely angry and spiked his water bottle on the ground. Suspect Danielson had both hands balled into fists as if he wanted to fight. Security guard [REDACTED] looked at us and motioned for us to come over. Our cameras were activated and we walked over. The three security guards were up on the side walk which was raised with a rail speaking to Danielson.

I walked over and Danielson turned to me and walk towards the rail. He was extremely upset and was yelling profanities at us and challenging us to fight. He was on the other side of the rail and squeezed between the rail and the bridge to come down to me on the bridge. He continued to walk at me and yelling with balled fists. I started to walk backwards to get some space from him because I thought he was going to throw a punch at me. He continued to approach me and I placed my hand on his chest while walking backwards to create some space anticipating the punch. I was telling him to calm down.

All three security guards were behind him with Officer Lopez off to my left and on the right hand side of suspect Danielson. Danielson suddenly spun and punched security guard [REDACTED] with a right closed fist in the back left side of his head. I ran up to Danielson, who was now with his back to me, and wrapped my arms around him in an attempt to conduct a body fold to the ground technique to take Danielson into custody for the battery on [REDACTED]. I also saw Officer Lopez move towards the suspect at the same time. The security guards all tackled us to the ground.

I instructed everyone to get Danielson's hands and to lay him flat so we could hand cuff him. That's when I

noticed blood dripping all over my right arm. I looked up to see where the blood was coming from. I looked at Officer Lopez's face and could see that he had a significant cut above his right eye that was bleeding profusely and was approximately 2 inches long and about a 1/8 inch wide. I also saw that Officer Lopez's nose was crooked to the right side of his face. I got on the radio and called for cover or help stating we were fighting with one on the bridge.

I hand cuffed Danielson and double locked the handcuffs. I searched his person and located his brown wallet in his front left shorts pocket. Inside I located a California drivers' license with the name William Douglas Danielson dob: 4/29/75 , cdl # [REDACTED].

Officers arrived to assist us and we placed Danielson in the rear of Officer Silva's car. I attended to Officer Lopez and requested an ambulance for his injuries.

I directed other officers to started getting statements from the security guards, [REDACTED], [REDACTED], [REDACTED], and [REDACTED]. Also any witnesses that observed the incident. See their statements.

I ran Danielson in WEBKPF and saw that he was on Formal Searchable probation for 273.6 PC. Docket [REDACTED] till 11/01/2024,

Officer Lopez was driven to the hospital where he received a total of 8 stitches, two internal, and six external. See his statement.

Danielson was transported to jail where he will be booked for 243 C PC, 69 PC, and 242 PC.

On 09-11-2022, I, Officer Virk #717, contacted [REDACTED] and obtained his statement. I was equipped with my SPD issued Body Worn Camera which was activated during this interview and [REDACTED] stated the following in summary:

The guy that got arrested, was trying to cross the bridge on the south side of the bridge to go towards West Sacramento but it is blocked off for the farm to Fork Dinner on the Bridge event, so the SPD Officers told him to cross the bridge on the north side because it was still open. I was standing on the north side of the bridge and as he was crossing the bridge, he started calling obscenities to me, so the SPD Officers told me to get away from him. I started coming to the roadway, which was blocked, and he started following me.

Officer LOPEZ told him to "STOP" many times, but he kept walking towards him. Officer LEWIS also told him to "STOP" but he didn't stop. At one point, Officer LOPEZ extended his hand in front of him and told the guy to stop but he walked into Officer LOPEZ' hand and started saying, "You can't touch me!".

He then punched [REDACTED] once with a closed fist. He then punched Officer LOPEZ twice with closed fist as well. We then detained him on the ground.

On Sunday 09/11/2022 at approximately 1500 hours, I, Officer Love #710 made contact with (Witness) [REDACTED] at Capitol Mall / Neasham Cir. I obtained (W) [REDACTED] statement. (W) [REDACTED] stated the following in summary:

(My body worn camera was activated and recording for the duration of this investigation.)

The male that was arrested, he was wearing a white shirt baseball cap and had a bike, he was yelling profanities and yelling "Free Speech" at officers. He was yelling for about 5 to 10 minutes. The security officers in tan went over to talk to him but after a few moments they left.

I looked up and he was in a fighting stance. Officers went over to de-escalate him by talking to him.

That is all I saw. I did not see the fight.

I would image that I could ID him. I am like 7 out of 10 sure I could ID him.

Ofc. Smith and I responded to the Sacramento County Main Jail in order to book Suspect William Danielson into custody. (S) Danielson had complaint of pain to his chest and had shortness of breath. While doing a scan of (S) Danielson's elbow a hairline fracture was detected to Radial Head to his right arm (just below the elbow). (S) Daniel stated he had previously broke his elbow approximately 4 months prior.

(S) Danielson had complainant of pain to the left side of his chest and back (no visible injuries when he showed me those areas).

He had multiple abrasions to his left knee, an abrasion to the left wrist and abrasions to ring finger and middle finger on his right hand. I observed redness just above his right knee.

(S) Danielson advised all injuries occurred during the altercation.

(S) Danielson was cleared fit for incarceration by Dr. [REDACTED]

I saw the guy punch one of the officers straight in the face. I only saw him hit the officer once. Then we (police and security) were able to tackle the guy to the ground and hold him down until more police arrived. I never saw a police officer punch him or anything. I did not see anyone provoke him or hit him in any way. It was completely random. I think the guy has mental health issues or something.

I have no injuries from him hitting me. He only punched me once in the back of the head. I am good.

The officers did not hit or strike the suspect. They were just trying to get him under control. He was out of control.

I was on the north side of the tower bridge taking pictures with my daughter. We walked over to the (southwest) corner of the intersection at the end of the bridge (Capitol Mall/Neasham Cir) to talk to one of my friends. I saw this guy (S-Danielson) on the sidewalk on the other side of the street who just started yelling at everybody. He was calling everybody bitches and motherfuckers. He yelled at a guy who was riding by on his bike. He seemed like he was trying to start problems.

A security guard came over and told him to calm down. The guy (S-Danielson) became irate and started yelling at him. One of the police officers came over and told him to calm down too. The guy kept yelling at the security guards and cops. I saw the cop backing away from him (S-Danielson) and telling him to calm down, but the guy kept yelling at everybody and walking towards them. Then he (S-Danielson) swung a punch at one of the security guards, but I think he missed him. Then the cops and security guards tackled him and took him to the ground.

I saw the whole thing and recorded it on my phone. The cops and security guards were just doing their jobs, they didn't do anything wrong.

On 09/11/22 at approximately 1448 hours I, Officer Ryan #260, was working an on duty supplemental employment job for the City of Sacramento in the County of Sacramento, near the area of 5th St and J St, when I responded to nearby Sac PD officers working in the area who were calling for more officers to respond to their location with an emergency response.

I responded from the area of 5th St and L St to the area of 2nd St and Neasham Cir, where the officers needing assistance were located. My body worn camera activated during the drive and remained activated while I was on scene.

Upon arrival, I observed a white male adult in handcuffs standing next to the other officers who were already on scene. I observed what appeared to be multiple scratches to the face of Officer Lopez #578. I observed a cut on his forehead which was approximately 1 inch in length. There was a large amount of blood on Officer Lopez's face and scattered blood on the ground near where he was standing. The blood on the ground was approximately 1 foot wide in size.

I noticed a small crowd of people in the immediate area and began asking if anybody had seen what happened. (Witness) [REDACTED] stated she witnessed the entire incident and had video of it recorded on her phone.

I spoke to (Witness) [REDACTED]. (Refer to [REDACTED] statement for further details.)

I am working at the Farm to Fork Dinner. I was standing at the table closest to Neasham Circle. The man became verbally aggressive, he was yelling and screaming for approximately 15 minutes. The man was yelling obscenities at people walking by saying "fat bitch", "faggot" and saying they were violating his rights. I was surprised how professional the security officers were at letting the man continue to yell and scream at them.

I saw that the man started to approach security and security told him to stop. The man took a swing at one of the security officers and the police and security attempted to detain the man.

On 09/11/22 at approx. 1530 hrs I (Ofc. Winkler #787) contacted victim [REDACTED] (DOB [REDACTED]) at Capitol Mall / Neasham Cir and obtained his statement. My body worn camera was activated when he related the following in summary:

I am the lead security guard for Valor Security and I was supervising the Farm to Fork dinner on the I St bridge when one of my security guards calls me over to the east side of the bridge for a male subject being uncooperative.

I arrived on scene and observed a male white adult (referring to William Danielson) yelling at my security guards and Sac PD officers (Ofc. Lewis and Ofc. Lopez). He was also approaching them and posturing up by getting in their face.

We all tried to talk to him but he became more agitated and then all of a sudden he swung and punched my security guard [REDACTED] in the side of the head.

Then the Sac PD officers along with myself and [REDACTED] attempted to detain him. I grabbed one of his arms and we took him to the ground. He was still pulling away from us. We had to do arm extractions to get the other arm because he continued to resist and pull away. We finally were able to place both of his hands in handcuffs.

Sometime before we were able to place his hands in handcuffs, the male subject hit me once with his fist on the upper right side of my face and then once to my chest.

While the male subject was resisting, his elbow hit Ofc. Lopez in the face and he started bleeding.

Officers said, "Stop resisting" multiple times until we were able to get him into handcuffs.

I do have a small abrasion on my pinky finger from fighting with him. I do NOT need medical aid and I do NOT want to press charges.

On 09/11/22 at approx. 1530 hrs I (Ofc. Winkler #787) contacted witness [REDACTED] (DOB: [REDACTED]) at Capitol Mall / Neasham Cir and obtained his statement. My body worn camera was activated when he related the following in summary:

I am a Security guard for Valor Security and I was working the Farm to Fork dinner on the I St Bridge when a male white adult (referring to William Danielson) walked up to me and started yelling profanities at me. I was standing on the south east side of the bridge.

Then one of the SPD officers walked over and tried to talk to him. The male then walked over the the north east side of the bridge to yell at the security guard over there.

I called my supervisor [REDACTED] to advise that we were dealing with an uncooperative and then [REDACTED] came over and tried to talk to him.

The male subject continued yelling profanities at us and the Sac PD officers. Then he swung and punched security guard [REDACTED] in the face. Then the security guards and Sac PD officers went hands on with the male subject in attempt to detain him.

They brought the male subject to the ground but the male subject continued to resist by flailing his arms and pulling away.

At one point one the male subject elbowed a Sac PD officer in the face and he started bleeding.

While officers were attempting to detain the subject, they repeatedly advised the subject to "Stop resisting" but the subject continued pulling away.

I got some of the incident on video.

On September 11th, 2022, at approximately 1450 hours, I (Officer Lopez #578) was assigned a traffic control spot on the east end of the Tower Bridge to close the Bridge for the Farm to Fork dinner event on the bridge later in the evening. Officer Steve Lewis #359 was also assigned to traffic control with me. We were both wearing full police uniforms and had marked police units blocking both lanes of the Tower Bridge along the east end of bridge. The incident happened in daylight hours under slight overcast skies. My body worn camera was on during the incident.

A security guard on the south side of the Tower Bridge sidewalk was engaged with a white male adult, later identified as William Danielson, in a verbal discussion as Danielson was calling the security guard names and not leaving him alone. I approached and asked the parties to separate and had Danielson exit the closed area of the bridge. Danielson climbed the guard rail fence and entered the closed sidewalk. I again advised Danielson that the sidewalk was also closed and for him to continue on to the open sidewalk. Danielson complied in action, but continued to call the security guard, Officer Lewis (who had joined me), and I names like "pigs", "faggots", and "incels". Danielson was being loud and directed the language our way as he walked on the open sidewalk and entered the open sidewalk along the north side of the bridge. I was not paying attention to what he was saying exactly as he was just being loud and looked as if he wanted to have our attention and engagement. At this point I turned off my body worn camera as the contact had ended and Danielson was across the bridge and appeared to be talking with another security guard in a more calm manner.

Within a few moments, it became apparent that Danielson was still agitated and I reactivated my body worn camera and continued to observe Danielson from across the bridge. I believe that at some point I heard Danielson call to us to turn off our police car overhead lights as we were "intimidating" people. Danielson continued to be loud and yelling at people on the bridge and continued to call us "pigs" and "faggots". Two additional security guards met up with the the other security guard on the north sidewalk and it appeared as if Danielson grew more agitated and threw a plastic water bottle to the sidewalk. Officer Lewis and I then approached them in an attempt to calm the situation and get the parties to separate. Officer Lewis took a direct approach and I walked around the patrol vehicle to keep separation from Officer Lewis. As we approached, I observed Danielson squeeze through an opening in the guard railing and enter the bridge roadway walking straight at Officer Lewis who backed up and put up his left hand out to get Danielson to stop. Danielson approached Officer Lewis in an aggressive manner with balled up fists by his sides and did not stop until he made contact with Officer Lewis' outstretched hand. I was to Officer Lewis' left and Danielson's right side several feet away. I then observed a security guard closing the gap behind Danielson. Danielson then suddenly spun to his left and struck the security guard with his closed right hand in the head area. I immediately closed the gap towards Danielson to attempt to control him and take him into custody. As I closed the distance, I observed Danielson swing his fist again either towards the security guard or towards me, I was not sure, as I was committed to make contact with Danielson to control his movements. I felt a strike to my face and observed my sunglasses fly off my face right before I was to make contact. I continued forward and I made contact with Danielson. I wrapped my arms around Danielson's arms and upper torso and attempted to do a body fold take down to control Danielson and take him into custody. I felt Danielson and I fall to my right and we ended up on the ground with me on his upper right shoulder and my right arm fully under his body and wedged to the pavement as the security

guards had piled onto his back. I noticed there was a significant amount of blood on us as we were on the ground. I believe I said a blood warning and then observed it was coming from my face. I was able to remove my arm from under Danielson and I rotated to his back to control him from getting up.

Officer Lewis and I, with the help from event security were able to handcuff and detain Danielson without further incident. I asked Officer Lewis and the security guards if they were good as I was going to stand up to control my bleeding. During the altercation, I heard Officer Lewis call for cover and the first arriving officers were coming on to the scene at approximately this time. An event worker came over and gave me a towel and I placed it on my face to attempt to control the blood flow. I observed a small puddle of blood on the middle of the street and I had blood flow splatter on my uniform, external vest, and along my arms and hands. I was able to slow the bleeding and noticed that I had a probable broken nose as well as it had crunching noises and visibly turned nose.

Sacramento fire personnel arrived on scene and cleared me to have Sergeant Carlos Martinez transport me to the hospital. CSI Officer Bolla arrived on scene and took pictures of me and my various injuries. See CSI Officer Bolla's report for details and specifics.

Sergeant Martinez transported me to Sutter General Hospital emergency room where I was seen by Doctor [REDACTED]. Doctor [REDACTED] determined that I had a significant laceration on my face that need suturing, a broken nose, and various abrasions. Doctor [REDACTED] determined that I did not receive a concussion from the incident. The laceration on my forehead needed 2 internal stitches, and 6 external stitches to close the wound. The bleeding from the broken nose was dealt with and Doctor [REDACTED] stated to follow up in 6 weeks with an ENT doctor. The hospital staff cleaned the scrapes on my right elbow, right knee, right cheek and right forehead and stated they needed no further care. I was released from the hospital and will follow up as prescribed.
