Author 4234 - BORESZ, JEFFREY 0661

On 09-16-22, at approximately 1420 hours, I, Ofc. Boresz #661 contacted (V) [REDACTED] at [REDACTED] Alamos Ave. (V) [REDACTED] stated the following in summary:

I've known Damascus for about 5 years and we have dated for about 1 year. I'm currently 5 months pregnant with his child. I knew Damascus from Fresno and we have been up here for the past two days. My mother lives at [REDACTED] Alamos Ave. Today, we were driving my vehicle and I'm pregnant and told him that I had to use the bathroom and that I also wanted to get some of my belongings from his mother's house. I don't know exactly where his mother lives, but she lives somewhere in Antelope. We were at at his mother's house, and were inside. Damascus got mad at me when I was packing my things up and punched me with a closed fist 2-3 times in my forehead. After that, I started puking because I'm pregnant. Damascus got mad that I was puking and he grabbed me by my hair, and started dragging me all over his bedroom floor. When he was dragging me by my hair, I was on my knees getting dragged everywhere. I started screaming and his mother came in the room and told us both to leave. I told his mom that I'm not leaving with Damascus because he will beat me up, but I can leave by myself.

Damascus also tried to strangle me and put both his hands around my neck. I felt like I was going to pass out and I started to lose my hearing. At some point during our argument, he reached in my wallet and took about \$20 cash and my black, Apple iPhone 8 out of my purse. I tried to get both back from him, but he is stronger than me and ripped them out of my hand. I don't know how Damascus got my car keys, but he ended up taking those too. He took my phone because he did not want me calling the police.

After about 30 minutes to 1 hour, I tried to talk to Damascus again and had asked him if he could give me a ride to my mother's house so I could shower. Damascus drove my car and I got in the backseat and we drove over to [REDACTED] Alamos Ave. Once we got here, I got out of the vehicle and Damascus thought I was trying to set him up or something and he started yelling and screaming at me. I ran across the street to the neighbors and called the police. Damascus drove off in my Chevy Malibu. The vehicle belongs to my mom, but I paid for it and she gave it to me. Damascus has never drove my vehicle before today.

I felt like the entire time I was at his mother's house I could not leave. I know his mom is even afraid of him.

Yes that's him.

Yes I want to press charges. He needs to go to jail this time for what he did to me.

Type 04 OBSERVATIONS

Subject OFFICER BORESZ #661

Author 4234 - BORESZ, JEFFREY 0661

Related Date Sep-16-2022 18:38

On 09-16-22, at approximately 1404 hours, 1B21 (Ofc. Novak #840 and Ofc. Varni #269), and I, Ofc. Boresz #661 were dispatched to [REDACTED] Alamos Ave. in regards to a domestic violence which occurred less than fifteen minutes ago. Per the initial text of the call, the complainant advised approximately ten to fifteen minutes ago, her boyfriend put hands on her and stole complainants cell phone and vehicle. The vehicle was a gray, 2009 Chevy Malibu with busted head lights. The boyfriend is Damascus Murray, DOB: 02-05-03, approximately 5'8" in height, thin build.

While on the way to the call, we received the following updates from dispatch regarding the incident:

1404 hours: complainant is currently using her neighbor's cell phone and will stay at her neighbor's residence. Complainant's aunt is able to GPS complainant's cell phone. Complainant will call back once the complaint gets the cell phone location.

1406 hours: duplicate call (#22-260627)- second hand information to complainant, was advised that her grand daughter is at this residence and fighting with boyfriend. Grand daughter is [REDACTED], [REDACTED] years old, five months pregnant.

We arrived on scene at approximately 1418 hours. It should be noted that I was wearing my fully marked, dark colored Sacramento Police Department uniform (equipped with department issued body worn camera) and once on scene I activated my department issued body worn camera which recorded the entire incident:

Upon arrival, I observed a female, black adult (later identified as victim [REDACTED]) standing at the end of the drive way of [REDACTED] Alamos Ave. I contacted (V) [REDACTED] and obtained her statement (see attached for further details). It should be noted that (V) [REDACTED] stated she has been dating her boyfriend (later identified as suspect Damascus Murray) for approximately one year and advised she was currently five months pregnant with his child. While I obtained (V) [REDACTED] statement, I observed the following visible injuries on her person, which were all confirmed happened from the physical altercation between (V) [REDACTED] and (S) Murray:

-I observed redness/bruising to her upper right forehead area

-I observed some redness around her neck area

-I observed a very small laceration in between her eyes

-I observed a white, ashy scrape marks to both of her knees

A records check of (S) Murray via WebKpf we located his mugshot photograph ([REDACTED]). We showed (V) [REDACTED] the mugshot photograph in which (V) [REDACTED] was able to positively identify (S) Murray.

I provided (V) [REDACTED] with a Sacramento Police Department Domestic Violence pamphlet along with the report number. (V) [REDACTED] advised she would like to press charges against (S) Murray.

Regarding the vehicle that (S) Murray drove away in, (V) [REDACTED] advised the vehicle belonged to her mother currently, but her mother was allowing (V) [REDACTED] to drive the vehicle and (V) [REDACTED] was currently paying her

mother. (V) [REDACTED] provided me with her mother's contact information ([REDACTED]). I contacted the mother (later identified as victim [REDACTED]) via cell phone and obtained her statement (see attached for further details). (V) [REDACTED] advised that (S) Murray does not have permission to drive her vehicle and wanted to report the vehicle as stolen. (V) [REDACTED] was able to provide me with the license plate to her vehicle via cell phone and advised the license plate was [REDACTED]. A records check of that license plate confirmed the registered owner of the vehicle was in fact (V) [REDACTED].

It should be noted that while I was talking to (V) [REDACTED] via cell phone, she advised she had access to (V) [REDACTED] Instagram account and advised (S) Murray was currently messaging (V) [REDACTED] Instagram account asking where she was at. (V) [REDACTED] provided me with (S) Murray Instagram account ([REDACTED]).

It should be noted at this point in my investigation, and based on both (V) [REDACTED] and (V) [REDACTED] statements, I determined that (S) Murray was PC arrestable for the following charges: 273.5(a) PC, 236 PC, 211 PC, and 10851(a) VC.

A CSI call was later created (#22-260645) to take photographs of (V) [REDACTED] visible injuries. CSI 26 and CSI 21 later responded to our scene and took photographs of (V) [REDACTED] injuries.

While still on scene, (V) [REDACTED] aunt arrived on scene to pick up (V) [REDACTED]. (V) [REDACTED] advised me that she had called her mother using her aunt's cell phone, and (S) Murray was still actively messaging (V) [REDACTED] via Instagram. (V) [REDACTED] then called (S) Murray using her aunt's cell phone via Instagram and (S) Murray told (V) [REDACTED] that he was on his way to [REDACTED] Alamos Ave. to pick up (V) [REDACTED].

I obtained the aunt's cell phone number ([REDACTED]) and based on the fact that (S) Murray advised he was on his way back to [REDACTED] Alamos Ave. and based on the fact that he was currently PC arrestable for multiple felonious crimes, I drove down a couple houses and remained mid block on Alamos Ave. waiting for (S) Murray to return. I positioned myself on the north curb line of Alamos Ave. facing west towards [REDACTED] Alamos Ave.

It should be noted that while I was waiting east of [REDACTED] Alamos Ave., I contacted (V) [REDACTED] numerous times via the aunt's cell phone and she continued to update me and advised me that (S) Murray was still currently on his way to pick her up. At approximately 1554 hours, I observed a gray colored Chevy Malibu make a right (eastbound) turn onto Alamos Ave. from Fairfield St. I then observed the vehicle park directly in front of [REDACTED] Alamos Ave. (facing east). Ofc. Novak, Ofc. Varni, and myself responded over to the location and we stopped our patrol vehicle directly in front of the vehicle. We activated our overhead emergency lights, which activated our in car cameras and body worn cameras, which recorded the entire incident. Once I was on scene with the vehicle, I observed that the front license plate was in fact [REDACTED].

I observed a male, black adult, wearing no shirt, quickly exit the front driver seat of the vehicle and started to walk back towards the drive way of [REDACTED] Alamos Ave. I identified the subject was in fact (S) Murray. I gave (S) Murray several verbal commands to stop, in which I observed his demeanor was very uncooperative, did not stop, and continued to walk away from me towards [REDACTED] Alamos Ave. I continued to follow (S) Murray on foot, and as I walked past the Chevy Malibu, Ofc. Novak and Ofc. Varni contacted the front passenger of the vehicle (later identified as [REDACTED]). I continued to approach (S) Murray, who at this point was walking towards the front door of [REDACTED] Alamos Ave. and attempting to talk to (V) [REDACTED]. I again gave (S) Murray multiple commands to stop, and advised him he was detained, in which I observed him continue to attempt to walk away from me. At the point that I observed (S) Murray start to walk down the drive way towards the street, I ran directly at (S) Murray and attempted to place him in a department approved control hold. At this point, I continued to observe (S) Murray was uncooperative, was tensing up,

resisting my attempt to place him in custody, and refused to comply with my commands.

Based on his demeanor, the fact that he was very uncooperative, was resisting arrest, was tensing up, I assisted in taking (S) Murray to the ground. Once (S) Murray was on the ground, I continued to observe him tuck his right arm under his body and refused to place his hands behind his back. Ofc. Varni responded over to my location to assist and we were able to get him detained in handcuffs. Once he was handcuffed, I continued to observe (S) Murray tense up, was moving all over the place, was screaming and yelling, and refused to stand on his feet. Once we were able to get (S) Murray to stand up on his feet, we escorted him over to a patrol vehicle. It should be noted that when we advised (S) Murray to take seat in the back, he refused to voluntarily get in the back seat of a patrol vehicle and at one point, he stood on the bottom door frame of the patrol vehicle refusing to sit inside. Based on the fact that (S) Murray was still very uncooperative with officers and refused to take a seat, we brought him back outside and placed him on the ground.

1C24 (Ofc. Pangelinan #382 and CSO Lam #8110) responded to our location to assist. Ofc. Pangelinan and several other officers assisted in placing (S) Murray in max restraints. Once (S) Murray was in max restraints, we were able to detain him in the backseat of a patrol vehicle.

CSO Lam completed an SPD 177 (tow/inventory) form and a copy was later provided to (V) [REDACTED]. The vehicle was entered into the system as stolen, then removed from the system as stolen via SPD Records (FCN: 4302225903467).

Ofc. Pangelinan later contacted (S) Murray and obtained his Mirandized statement (see Ofc. Pangelinan supplement for further details).

Ofc. Novak later contacted subject [REDACTED] and obtained his statement (see Ofc. Novak supplement for further details) and then advised and sent on his way.

2C21 (Ofc. Lucas #478 and Ofc. Dhesi #488) responded to our location and assisted with a neighborhood canvass (see their supplements for further details).

It should be noted that we located (V) [REDACTED] black Apple iPhone 8, which was laying in the driveway of [REDACTED] Alamos Ave. in close proximity to where we were taking (S) Murray into custody. It should be noted that it was unknown if the cell phone was in (S) Murray's hand or in one of his pockets when we assisted in taking him to the ground.

I took photographs of (V) [REDACTED] cell phone and they were later uploaded onto Axon Evidence. We gave the cell phone back to (V) [REDACTED].

Another CSI call was generated to take photographs of (S) Murray's visible injuries. It should be noted that (S) Murray sustained several minor scratch marks to his back when we assisted in taking him to the ground.

3SM2 (Sgt. Morris #3120) responded to our scene and was provided with an update to the incident.

I seized (S) Murray's cell phone which was later booked as evidence at Kinney Police Facility.

Ofc. Lucas and Ofc. Dhesi took custody of (S) Murray who was later booked for the following charges: 273.5(a) PC, 236 PC, 211 PC, 10851(a) VC, and 148(a)(1) PC.

Subject OFFICER NOVAK #840

Author 4246 - NOVAK, MICHAEL 0840

Related Date Sep-16-2022 17:34

On 09/16/2022, at approximately 1418 hours, I, Officer Novak #840, responded to [REDACTED] Alamos Ave regarding a domestic violence call. I was in full police uniform, wearing a body camera that was recording for the duration of my investigation. I responded with Officer Varni #269 and Officer Boresz #661, who were also in full police uniform, wearing body cameras that were recording during their investigation. I observed the following in summary:

When we responded, Officer Boresz contacted the victim and obtained her statement (see his report for further details). I was with Officer Boresz while he obtained her statement, so based on her statement I knew that the suspect was arrestable for 273.5 PC, 211 PC, 10851 VC, and 236 PC. Officer Varni was in our police vehicle, writing reports from the previous calls throughout the day.

The victim's aunt arrived on scene, and the victim began contacting the suspect through her aunt's phone, specifically through Instagram. The suspect (earlier identified as Damascus Murray) advised that he would be returning to the [REDACTED] Alamos Ave to pick the victim up in her vehicle. While waiting for him to arrive, the victim informed us that he was with someone else in the vehicle.

At approximately 1554 hours, the suspect returned in the victim's vehicle ([REDACTED]) and parked in front of the house. He parked on the street, facing eastbound. Officer Boresz, Officer Varni and I were parked to the east, but when we observed the vehicle park in front of [REDACTED] Alamos Ave, we made our approach.

I broadcasted over the radio that we were conducting the felony vehicle stop. I observed Officer Boresz activate all of his overhead emergency lights. We parked so that we were blocking any egress to the east, and our police vehicles were pointed at the suspect in the vehicle.

I observed the driver's door to the Chevrolet open, and I observed S-Murray exit the vehicle. He was wearing no shirt and gray pants. I also observed the rear driver's side door open. S-Murray looked at Officer Boresz, who was out of his police vehicle giving commands to the suspect. I observed the suspect ignore commands from Officer Boresz, and turn away to walk towards the victim. The victim was located at the top of the driveway of [REDACTED] Alamos Ave.

I observed Officer Varni reach the other occupant from the vehicle. He ordered him out of the vehicle at gunpoint, while Officer Boresz went towards S-Murray to apprehend him. Once the other occupant was out of the vehicle, I detained him in handcuffs and placed him in the backseat of a police vehicle. While I was

doing that, Officer Varni went with Officer Boresz to apprehend S-Murray. Officer Varni and Boresz were able to get S-Murray handcuffed in the driveway (see their observations for further on detaining him).

Officer Pangelinan #382 arrived on scene. Officer Boresz, Varni, and Pangelinan then attempted to place S-Murray in the backseat of Officer Pangelinan's police vehicle. I observed all three officers trying to push on S-Murray to get him in the vehicle. The entire time they were trying, I observed S-Murray to resist in any way possible. I observed him to tighten his muscles, drag his feet on the ground, push his body into the back part of the door frame so that the officers were pushing him into the car, instead of into the doorway and the seat. I also observed S-Murray to put foot on the door frame of the car and push against the officers attempting to put him in the back seat.

I went around to the other side to try and help them get S-Murray into the vehicle. I opened the door, unbuckled the seat belt, and went into the back of the police vehicle.

With my left hand, I grabbed the back of S-Murray's neck so that my four fingers were on the far side of his neck. I grabbed his left arm elbow joint with my right hand. I tried to pull S-Murray into the vehicle with no success. I could not pull him inside because the level of resistance. I observed the other three officers still struggling with S-Murray to get him in the police vehicle. I heard Officer Varni telling S-Murray to put his feet in the car. I observed S-Murray to force his feet onto the ground in direct defiance of Officer Varni's commands.

I saw Officer Varni pick up S-Murray's right leg (his left was already in the police car). As soon as he was able to lift S-Murray's leg off the ground, I was able to pull him into the car. I had not changed my grips at the point, because I did not have any other method of pulling him into the backseat.

As soon as S-Murray's buttocks were on the back seat, I observed him to lunge out of the police vehicle towards the three officers there. I did not interpret this sudden movement to be an attack on any of the officers, but an attempt to escape. However, it should be noted that Officer Varni and Officer Boresz were in the doorway of the police vehicle and could have been kicked in the knee or shin with his escape movement.

After I observed that, I transitioned my grips from his arm to his left wrist. I grabbed the outside of his left forearm with my left hand, and I grabbed the back of his left hand with my right hand. I then placed my mouth very close to his left ear in order that he might hear me. I ordered him to place his feet back in the vehicle. He did not comply.

I then began to slowly tighten his left wrist, by pressing his left hand towards his left forearm in a two handed rear wrist lock. I observed S-Murray to be exceptionally flexible, and I felt no tension on his wrist as I applied the rear wrist lock. As I continued to tighten the pressure on the wrist lock, I eventually heard a

pop from his wrist joint and I observed him to cry out in pain. At this point I observed his fingers to be touching the bottom of his forearm.

After I heard him cry out, I maintained control of his wrist but relaxed the pressure. I heard Officer Boresz say to take S-Murray out and place him in max restraints. I let go of his wrist and exited the police vehicle. I ran around to where they landed and applied body pressure on his legs while Officer Pangelinan got her max restraints.

Once she obtained the max restraints, I transitioned to putting pressure on his upper body. It should be noted that even while Officer Boresz and I attempted to keep him on the ground, he still tried to fight us by twisting his body and pushing us off of him. I observed S-Murray's focus and anger to be on the victim, who was still in the driveway of [REDACTED] Alamos Ave.

Officer Pangelinan, Officer Boresz, Officer Varni and myself then began to place S-Murray in max restraints. At no point did S-Murray stop resisting and comply. In order to place him in max restraints, one of the restraints goes around his waist and loops towards his front. S-Murray grabbed the restraint so that we could not put in the front. I had to remove it from his left hand by pulling his hand open to get the restraint out.

I then saw a black iPhone with a cracked screen fall from S-Murray's pocket. I recognized it as possibly the victim's phone because it matched the description. As I tried to pick it up, S-Murray grabbed it and would not let go of it. I had to force that out of his hand as well.

Once he was successfully restrained, we placed him in the back seat of the vehicle. I observed S-Murray to immediately slip the handcuffs to the front of his body, and take off the max restraints.

We re-applied the restraints. He then repeated the same behavior to take them off. We left the restraints off until the fire department arrived. I asked for CSI to respond to photograph S-Murray. I did not observe any injuries on myself from struggling with S-Murray.

I updated 3SM2 about the potential injury that S-Murray sustained during his noncompliance.

I identified the other subject in the vehicle with S-Murray as [REDACTED] (confirmed through a web-KPF [REDACTED] photograph). I tried to obtain his statement but he refused to state he saw anything.

We responded code 3 in our Sacramento Police Vehicle and our emergency lights and sirens. Our body worn camera's and in car camera were activated and recording. On 9/16/2022 at approximately 1554 hours, Ofc. Lucas #478 and I (Ofc. Dhesi #488) were dispatched to [REDACTED] Alamos Ave. regarding a call of domestic violence. My body worn camera was not activated after a code 3 response but my body worn camera was later activated during the investigation. I observed the following in summary:

Upon my arrival, Officers were struggling with Damascus Murray to place him in max restraints. I immediately attempted to assist officers to safely detain Murray.

After placing Murray in the back seat of the patrol vehicle. I contacted another detained party (who was later positively identified via WebKPF as [REDACTED]) and conducted a search of his person.

I then worked with officers to place Murray back in the max restraints after he had gotten out of them in the back seat of the patrol vehicle.

I then assisted CSI with photographing Murray's visible injuries and complaint of pain to his wrist.

I transported Murray to Mercy General (4001 J st.) in order to be medically cleared. Medical staff completed X-rays and confirmed Murray suffered a small fracture to his left wrist. Medical staff wrapped Murray's left arm in a splint, which required me to handcuff Murray's right arm to his pants belt loop. While Murray had a blanket wrapped around him from him advising he was cold multiple times, Murray broke the pants belt loops, which freed his right arm. Upon getting the fit for incarceration paperwork completed, I took the blanket off of Murray where he began walking with my partner and I placed the blanket on the chair. As I exited the doors to the emergency room I recognized that the belt loops were broken, I then told Murray to give me his right arm at which point he began running from myself and Ofc. Lucas.

I began pursuing Murray on foot through the Mercy General facility until losing sight of him at J St. I asked citizens I passed by who confirmed Murray continued on foot north bound on J St.

Dispatched received multiple calls from citizens advising a male matching Murray's description had come to their doors and other citizens had called advising of a subject jumping over their fences.

Multiple units arrived in the area where we created a perimeter around Santa Ynez Way and 36th St. between J St. and I St. The air unit could see a subject moving in the backyard in addition to calls from citizens.

I observed Murray walking on the side of [REDACTED] J St. on the north side of the building. Officers created a contact team giving Murray commands to peacefully surrender. Murray laid on the front lawn of [REDACTED] 36th St. where I assisted in placing Murray into handcuffs.

I transported Murray to the Sacramento County Main Jail where he was booked for his original charges in addition to 836.6 PC.

Listen bro we were at my mom's house in Antelope when she started packing her stuff because she wanted me to drive her home.

I drove her home at her mom's in her car like she wanted me to. She got out of the car and I asked her to use her phone because I was goin to my bro's. She let me use her phone and I drove her car to my bro's then came back here and that is when you guys showed up.

I never took her car and I never took her phone.

I never hit her. I have evidence on my phone through text messages. You could look.

I don't have a phone. It's my bro's phone.

On Friday, 09/16/22, at approximately 1459 hours, Community Service Officer Lam #8110 and I, Ofc Pangelinan #382 responded to [REDACTED] Alamos Ave. to assist Ofc. Boresz #661, Ofc. Novak #840, and Ofc. Varni #269 on a domestic violence call. My body worn camera and in car camera were activated during the investigation. We arrived on scene at approximately 1509 hours. When we arrived on scene, I Ofc. Pangelinan exited the driver's side of my patrol vehicle while I told CSO Lam to stay back behind the patrol vehicle for her safety. I observed the following in summary:

I observed Ofc. Novak escorting a male subject to a patrol vehicle while Ofc. Boresz and Ofc. Varni had a male subject (identified as the suspect) detained in the driveway of the responding location. It should be noted that suspect- Murray was laying on his stomach with his handcuffs on his back while Ofc. Boresz and Ofc. Varni only hovered over his back. It should be noted that the suspect was still awake, breathing, and talking/yelling at the victim at this time.

I ran to assist Ofc. Boresz and Ofc. Varni by gaining control of his feet/ legs.

I then ran to unlock the rear passenger doors to my patrol vehicle, which was parked directly in front of the responding location, facing eastbound so that Ofc. Boresz and Ofc. Varni could place the suspect inside.

When Ofc. Boresz and Ofc. Varni attempted to place the suspect in the rear right passenger side of my patrol vehicle, he began to use his body to push back on officers to prevent him from being placed inside. He used his feet/legs to push on the rear right passenger door and used his fingers to grip onto the rear right passenger *****.

I attempted to remove his fingers from holding on the ***** while Ofc. Varni and Ofc. Boresz attempted to push the suspect inside the vehicle. Ofc. Novak walked behind the vehicle and over to the rear left passenger door. He then opened the door and attempted to pull the suspect all the way into the vehicle, but the suspect continued to resist by pushing on the rear right passenger door with his feet while yelling.

Officers removed him from the patrol vehicle and placed on the ground to place department issued black max restraints on him.

I grabbed my department issued black max restraints from the trunk of my patrol vehicle and began to

place them on the suspect, as taught in the Sacramento Police Academy.

The suspect was then placed in the back of my patrol vehicle where he was able to remove the max restraints off and place his handcuffs in the front.

Officers removed him from the back of my patrol vehicle so that officers could re-do his max restraints. Ofc. Lucas #478 and Ofc. Dhesi #488 arrived on scene to assist. I redid the suspect's max restraints prior to officers placing him in the back seat of Of.c Dhesi and Ofc. Lucas's patrol vehicle.

I then contacted the suspect in the back seat of Ofc. Dhesi and Ofc. Lucas's patrol vehicle regarding his Mirandized statement (See Suspect Statement).

I then re-contacted the victim and advised her the due to the vehicle being report stolen, she would have to sign a tow form stating that the now recovered vehicle would be released to her, but she left prior to signing it.

On 09/16/2022 at approximately 1404 hours Officer Novak and I, Officer Varni were dispatched to a Domestic Violence that occurred at [REDACTED] Alamos Ave. Per the caller they stated that her boyfriend put his hands on her and then took the callers phone and car, we arrived in a fully marked patrol vehicle wearing our full patrol uniforms equipped with our body worn cameras which were actively recording for the duration of the investigation. I observed the following in summary:

Officer Boresz contacted the victim and obtained a victim statement. See Officer Boresz's report.

The victim advised that the suspect, Damascus Murray, was on his way back to the house at [REDACTED] Alamos Ave with the callers vehicle and another occupant to pick her up.

Officers positioned their police vehicles to the East of the house monitoring the house from a distance.

When S- Murray parked the car at the residence, Officers conducted a felony stop on the vehicle that had S- Murray and another occupant were in. We had the driver, S- Murray, and the rear passenger (later identified as [REDACTED] by WebKPF [REDACTED] photo from [REDACTED]), at gun point.

I observed S- Murray get out of the vehicle and not obey the commands given by Officer Boresz. Officer Boresz told him to stop walking away and to put his hands behind his head. S- Murray walked to the front of the house towards the victim and Officer Boresz ran after S- Murray as I cleared the vehicle with Officer Novak. I gave Subj [REDACTED] commands to get out of the car and place his hands above his head. As Officer Novak detained the passenger I ran to Officer Boresz who was trying to detain S- Murray who was actively resisting. I ordered S- Murray to not move and assisted Officer Boresz to gain control of S- Murray. I grabbed his right arm and placed it in the small of his back, using department approved control holds and techniques.

Once S- Murray was handcuffed, Officer Boresz and I began walking him towards the police vehicle. I felt S- Murray tense his muscles, I felt S- Murray throw his body around in an attempt to yell at victim. I observed Officer Boresz tell S- Murray to calm down but he continued to yell. Officer Pangelinan #382 was on scene at this point. As we approached the police vehicle, the rear door was already opened. I was S- Murray's right side while Officer Boresz was on his left. I observed S- Murray drop his weight while we were trying to lift him into the vehicle. Once we lifted him up, he straightened his back and legs out and tensed all of his muscles, in order to not get into the vehicle. I then transitioned from his right arm to his right leg that was still out of the police vehicle. I observed that he used his right foot to hook onto the

bottom of the police vehicle to stop us from getting inside. I forced his foot off of the door and then attempted to pick the leg up. I observed S- Murray to tense that leg specifically in order to resist me putting his leg into the car. I ordered him multiple times to put his leg into the car but he did not comply. I then heard Officer Boresz to call out to put S- Murray into max restraints, so we took him out of the police vehicle.

S- Murray was searched incident to arrest and found to have nothing on him. Officer Boresz, Officer Novak, Officer Pangelinan and I began applying max restraints. Officer Pangelinan applied the first max restraint around his ankles and then moved to apply the next max restraint around his waist. Because of his resistance, I stayed on his feet so that he could not kick us or maneuver away. Once max restraints were applied, S- Murray was placed into the patrol vehicle.

I conducted a search of the vehicle, incident to arrest, with negative results.

Swing shift officers arrived on scene and conducted a canvass as well as transported the suspect to the hospital.
