On Saturday, 3/26/22, at approx. 2135 hours, I, Ofc. Svizzero #542 contacted witness [redacted], [redacted] at the scene and obtained his statement. [redacted] stated the following in summary.

My Mom [redacted] left the apartment to get my sister [redacted] down in the Pocket [clarified as a south Sacramento neighborhood].

We left the master bedroom window open because my Mom just had the carpets cleaned and they are still wet. We were only gone for about 30 minutes. We got my sister and came right back.

When we came back, my little brother said, "whose that in the window?" I looked over and saw the screen down and a pair of feet sliding down into the room. I only saw from the calf to the food. I don't know the color of the shoes or clothing.

I was walking over to go into the apartment and my Mom told me to wait for police.

While we were waiting for police, we were standing far from the apartment but we could still see the open window. I then saw the sliding window close, that's when I knew someone was inside.

No one should be inside. I don't know any Paul Frye. The only Paul I know is white, old and his last name is [redacted].

On Saturday, 3/26/22, at approx. 2035 hours, I, Ofc. Svizzero #542 was dispatched to [redacted] Seamist Dr. [redacted] regarding a burglary in progress. Per the text of the call, Victim [redacted] advised that her children observed something entering the apartment through the windows. She further advised that she and her children were standing by near the apartment. I arrived on scene at approx. 2038 hours. I observed the following in summary.

Ofc. Lenoci #658. Ofc. Smith #937, Ofc. Batty #475, Ofc. King #1013, K9 Ofc. Wagstaff #922, and Sgt Butler #3081 also responded to the scene.

To the best of my knowledge, responding officers had their body worn cameras activated to record the contact.

SCENE
[redacted] Seamist Dr. is two story apartment block, with apartments on the top and bottom floors, that is located in the north-east corner of the apartment complex. The building contains 8 apartments: 4 facing north towards W. El Camino Ave. and 4 facing south. Apartment [redacted] is located on the bottom floor in the south west corner of the apartment block, facing south. The front door faces east and the sliding glass door to the patio faces south. The front door opens to the living room on the south side of the apartment with a glass sliding door on the southern wall and the kitchen on the north side of the apartment. A hallway on the west side of the apartment leads guest bedroom on the southern wall of the hallway. The second bedroom has a south facing window. On the north side of the hallway, there is an entrance to a small bathroom that is shared with the master bedroom. At the end of the hallway is the entrance to the master bedroom. The master bedroom has 1 west facing window and one south facing window on the south west corner of the room. On the eastern wall is the door leading to the restroom.

ENTRY
Suspect Frye, Paul made entry through the unlocked south facing window in the master bedroom.

ACTION
Suspect Frye rummaged through the dresser on the northern wall of the Master Bedroom. Suspect Frye then went to the second bedroom and stayed in the room.

EXIT
Suspect Frye was assisted by SFD Medics through the front door after he was located by K9 Ofc. Wagstaff. (See Ofc. Wagstaff Supplemental)

ADDITIONAL INFORMATION

Upon arriving on scene, we were directed to the apartment by a male black adult (later identified as Witness [redacted]). I observed that the screen was removed from a window on the south west corner of the apartment.
Responding officers surrounded the apartment and announced themselves. Ofc. Lenoci slide open the window that was missing the screen. (See Ofc. Lenoci Supplemental)

K9 Ofc. Wagstaff responded to the scene. K9 Ofc. Wagstaff made numerous announcements of his presence in front of the apartment with his K9 partner barking loudly. K9 Ofc. Wagstaff and I then approached the open window on the south west corner and removed the curtain. From the open window, K9 Ofc. Wagstaff made numerous K9 announcements with no response. From the open

window, I observed the master bedroom dresser on the northern wall. The top 2 dresser drawers were opened, with clothing hanging out of them, appearing ransacked.

I maintained a perimeter spot as K9 Ofc. Wagstaff and responding officers conducted a search of the residence. Upon hearing an unfamiliar voice yelling from the guest room, I entered the apartment as K9 Ofc. Wagstaff was exiting. Ofc. King provided me with a Trespass Notice that was written for a Frye, Paul.

I conducted a records check from the name on the trespass paperwork and I positively identified Frye by his mugshot photograph on Webkpf. Frye came back on I/S probation until 2/15/2023.

Frye was transported to Kaiser North by SFD Medics.

I contacted witness Pierce, Anthony on scene and obtained his statement. (See Witness Statement)

Ofc. King contacted Victim [redacted] on scene. (See Ofc. King Supplemental)

Ofc. Batty contacted Victim [redacted] on scene and obtained her statement. (See Ofc. Batty supplemental)

Based on the above and responding officers' quick response (responding within 3 minutes of being dispatched), Frye's burglary was interrupted by officers. Frye was in violation of 459 PC (Burglary). Based on Frye ignoring numerous police announcements upon responding on scene and the numerous announcements made by K9 Ofc. Wagstaff, I further determined Frye to be in violation of 148 PC (Resist, obstruct, delay a peace officer).

Sgt. Butler was updated.

Frye will be transported to Jail upon being cleared from the hospital.

CSI responded to the scene for photos of Frye and the residence.

I cleared the call at approx. 2214 hours.

On 03/26/2022 at approximately 2130 hours, I Ofc King #1013 contacted victim [redacted] and obtained her statement. She stated the following in summary which was recorded on my body worn camera.

I left my apartment with my son at around 1905 hours. We went to south Sacramento to pick up my daughter from her job. We got there around 1930 hours. We headed back to the apartment at that time and returned at around 2010 hours.

Once we got home, my son was a few paces ahead of me and noticed something wrong with the apartment. He looked back at me and said, "I think someone's in the house!" He told me he saw some shoes climbing in the window right when we got there.

I had no idea what to do, so I froze for a bit. Then after a few minutes I called the police. You guys got here really quickly.

Once you guys got here I very clearly heard all your announcements. In fact, you guys gave so many announcements that I thought no one was even inside the apartment at that point.

I have no idea who that guy you have in custody is. No one but me and my daughter live here.

As far as I can tell nothing is taken.

I left the window in the master bedroom cracked just a couple inches because we had the carpets professionally cleaned, and I was letting the rooms air out. We were only gone for a little while before this guy broke in.

On 03/26/2022 at approximately 2100 hours, I, Ofc. Batty #475 contacted V-[redacted] and obtained their statement. My body camera was activated for the duration of the statement. [redacted] stated the following in summary:

I would not be able to identify the person if I saw them, I only saw their feet.

My brothers, my mom and I had just pulled into the parking lot and parked at about 8pm tonight. When I rounded the corner heading towards the apartment, I looked and saw the feet and legs of someone entering the apartment through the corner window where my moms room is and the screen is on the ground in front. They had on dark colored pants and had what appeared to be men's sized feet and shoes.

The window was cracked open when we left earlier because we just got the carpets cleaned and we were airing it out.

I stood there watching for about 10 minutes, no one entered or exited the apartment while I was watching it.

I left for a moment and went to the front of the complex where my mom was but then returned to watching the window only about two minutes later.

By then, my mom had called the police. I stood watching the apartment again. No one entered or exited the apartment while I was watching again and then the police showed up.

On Saturday, March 26th, 2022 at 2035 hours, Officer Smith #937, and I (Officer Lenoci #658) responded to [redacted] Seamist Dr.[redacted] regarding a burglary in progress. We received a duplicate call from the resident of [redacted] Seamist Dr. [redacted] V-[redacted] advised that she saw someone come through her exterior window. Our body worn cameras were activated and recording for the duration of the investigation. I arrived on scene at 2104 hours. I observed the following in summary:

I was hailed by the caller [redacted] and her two sons, in the parking lot to the west of the residence.

I observed horizontally sliding windows, on the south and west facing walls of apartment [redacted] at [redacted] Seamist Dr. Both of the windows had vertical sliding blinds.

[redacted] advised that her window screen was not removed or placed on the ground, prior to her leaving. [redacted] advised that it must have been removed while she was away from the residence. [redacted] further advised that nobody was supposed to be inside of her apartment.

[redacted] son's advised they saw the vertical blinds moving and a pair of feet, hanging out of the window of their apartment.

[redacted] provided me with a key to her residence.

I knocked at the front of the residence and announced that police were outside of the residence. I advised that we had a police K9 and that anyone inside would be bit if they did not exit the residence.

I approached the south facing window. I slid the left side of the window open. Due to there being a curtain on the interior side of the window, I could not see inside of the residence.

K92 (Officer Wagstaff #992) arrived on scene.

Officer Wagstaff made several, loud verbal announcements from outside of the residence.

I used the key provided by [redacted] to open the front door of the residence.

I could see the halfway down the hallway and some of the living room area. I did not see any movement or signs of burglary in those areas.

Officer Wagstaff continued to make clear and loud announcements at the front door of the residence and near the exterior windows (south and west facing walls) of the residence.

I held position at the front door of the residence. Officer Wagstaff made multiple loud verbal announcements from west and south facing windows. I could hear Officer Wagstaff's verbal commands clearly from the other side of the small apartment unit.

Officer Smith and I, assisted Officer Wagstaff in searching the residence.

A male suspect was apprehended with the help of police K9 (see Officer Wagstaff's report).

The male subject was detained in handcuffs.

I recognized the male subject from previous encounters as Paul Frye (XREF: [redacted]).
S-Frye's identity was verified by his WebKPF mugshot.

I attempted to read S-Frye his Miranda rights but he was uncooperative.

S-Frye was transported to Kaiser North for his injuries.

I responded to Kaiser North to watch S-Frye as he received medical treatment.

Type 04 OBSERVATIONS
Subject WAGSTAFF #922
Author 4166 - WAGSTAFF, ALEXANDER 0922
Related Date Mar-27-2022 15:16

On 03/26/22 at approximately 2039 hours, I, (Officer Wagstaff #922), responded to [redacted] Seamist Dr [redacted] for a report of a burglary in progress. The complainant advised that when they arrived home they saw that their screen was off their window and they had seen someone go inside of their apartment. Officers were on scene and found that a bedroom screen was removed from the window. Officers set a perimeter around the apartment and waited for my arrival. I arrived on scene at approximately 2100 hours. I observed the following in summary:

Upon arrival, I observed that the screen to south bedroom window was removed and leaning against the wall of the apartment. The window was pulled open and it was large enough for someone to enter the apartment through. I contacted the complainant, [redacted] who advised that no one should be inside and no one has permission to be inside.

I walked back to the apartment and was located approximately 15 feet away from the open window. In a loud voice, I gave two K9 announcements specifically stating that we knew someone was hiding inside and people saw him go into the apartment. After these announcements, I thought I heard a voice coming from inside the apartment but I was unable to tell what the person was saying. I was unsure if it was from apartment [redacted] or a neighboring apartment. I again gave another K9 warning ordering the person inside to come out and surrender, there was no response verbally or physically.

I contacted 3SM1 (Sgt Butler) via the radio and she authorized the use of the K9.

I went back to my patrol car and retrieved K9 Hoss from the car. I walked back to my position near the window and had K9 Hoss bark. I did this in an effort to de-escalate the situation and was hoping that given the presence of the K9, the suspect inside hiding would come out and surrender. There still was no response verbally or physically.

I, along with two officers, moved to the front door of the apartment. I had the officer's pop open the front door. I moved up to the door frame of the front door and gave three additional K9 warnings stating that we knew someone was hiding inside and that they needed to come out and surrender. There was no response physically or verbally.

After giving the warnings at the front door, I moved back to the window and removed the blinds to look inside. It appeared that the bedroom dresser drawers were opened and it had been rummaged through. I had an officer go and contact one of the victims, and they advised that the dresser was not supposed to look like that.

I moved back to the front door and gave one final K9 warning. There was no response physically or verbally.

After receiving no response, I made the decision to deploy my police service K9, "Hoss", in an effort to locate and possibly apprehend the suspect hiding inside of the apartment, based on the following information known to my at the time of the incident:

1) The suspect was wanted for a fresh violent felony charge - 459 PC- Burglary.

2) The suspect was wanted for a misdemeanor charge - 148 PC- Resisting Arrest

3) The suspect refused to surrender peacefully to officers after being given numerous

announcements requesting him to do so, indicating that he had no intention of complying with the reasonable demands of officers to peacefully surrender.

4) The suspect was hiding inside of a residence creating an extremely dangerous situation for occupants and the officers tasked with locating and apprehending the suspect. A residence affords suspects cover and concealment, placing officers at a significant tactical disadvantage. The use of the police K9 to locate and/or apprehend the hiding suspects would increase the safety of the officers tasked with searching for the suspect.

5) The suspect was unsearched for weapons and it was unknown if he was armed with any type of traditional and/or non-traditional weapons that could be used against officers attempting to arrest, without the apprehension capabilities of a trained police K9.

From the front door frame of the apartment, I gave K9 Hoss the search command. K9 Hoss started his search and went down the hallway of the apartment and into a bedroom. I heard some yelling coming from that room. I along with officers moved into the apartment and made our way into the bedroom. I observed that K9 Hoss had located and made contact with a male black adult (later identified as Paul Frye) who was hiding inside of the bedroom. As I entered the room I could see that Frye was holding onto K9 Hoss's snout. Given that Frye was holding onto K9 Hoss's snout I couldn't not verbally out K9 Hoss from cover. I gave verbal commands to Frye to let me see his hands, he complied, and I could see that his hands were empty and open, and he was not armed with any weapons. At that time, I took positive control of Hoss and directed him to release his hold. Hoss immediately released his hold as instructed. Officers were able to safely take Frye into custody without further incident.

I immediately requested code three fire and ambulance for medical treatment to Frye. The Sacramento Fire Department responded and rendered first aid to Frye's injuries.
Frye was taken into custody and booked for 459 PC (Burglary) and 148 PC (Resisting arrest).

Frye sustained dog bite injuries consisting of avulsions, rakes and punctures to his right knee and his right foot. Frye was transported to Kaiser North hospital for further medical treatment.

CSI was requested for photographs of the scene and Frye's injuries.

A neighborhood canvass was completed by officers on scene.

3SM1 (Sgt Butler) responded to the scene and was advised.

My department issued body worn camera was on and activated.

I, Detective Tatenko #959, am currently assigned to the Sacramento Police Department, Neighborhood Crimes Unit (NCU-NORTH). I have been a sworn police officer since 2016 and have served with the Sacramento Police Department throughout that time. It is my primary responsibility to investigate a variety of crimes, which include residential and commercial burglaries, persons that receive or possess stolen property, robberies, identity theft, embezzlement, and other financial or property related crimes. In the course of these investigations, my duties include, but are not limited to reviewing evidence; interviewing victims, witnesses, and suspects; presenting cases to the Sacramento County District Attorney's Office for prosecution; and delivering courtroom testimony.

I was advised that a probable cause declaration needed to be completed regarding this incident for the arrest of Paul Frye. I completed the PC Dec and submitted it into WebKPF (Web Known Person's File).

On 03.29.2022, I contacted Officer Gabriel Hernandez who was conducting hospital watch on Paul Frye and requested that he interview Frye and obtain a statement from him. I e-mailed Ofc. Hernandez specific questions that I wanted him to ask S-Frye.

On 3/26/22, at approximately 2018 hours, OFC Lenoci #658 and I (OFC Smith #937) responded to [redacted] Seamist Dr [redacted] for a burglary in progress call. During the investigation, officers on scene assisted the K9 unit in taking the suspect (later identified as suspect Paul Frye) into custody. My body worn camera was activated during this investigation. Once (s) Frye was apprehended, I observed the following in summary:

After handcuffing (s) Frye, I proceeded to asses him for injuries. I observed bleeding in the area of his right leg. Myself and assisting officers positioned (s) Frye in an upright seated position where I removed a hoodie he was wearing with trauma sheers, to assess for any upper body injuries. I did not observed any injuries to (s) Frye's upper body.

I then proceeded to cut (s) Frye's jeans with trauma sheers in order to access and treat the injury to his right leg.

I observed an injury consistent with puncture marks to (s) Frye's right leg. There was no pooling or outward ejection of blood consistent with a major bleed. OFCs on scene provided a medical kit with supplies. I then proceeded to use gauze to wrap the area of the injury to provide pressure and limit further blood loss until medics arrived and took over medical treatment.

Type 03 SUSPECT STATEMENT
Subject FRYE, PAUL
Author 4185 - HERNANDEZ, GABRIEL 0875
Related Date Jun-26-2022 21:28

On 03-29-22 at approximately 1800 hours I (Ofc. Hernandez #875) contacted suspect Paul Frye within Kaiser North Hospital located at 2025 Morse Ave and obtained his Mirandized statement. S-Frye was in custody (arrested) and had been admitted to Kaiser North for medical clearance prior to being booked into custody at the Sacramento County Main Jail. S-Frye was secured to his hospital bed with leg shackles. I read S-Frye his Miranda rights verbatim from my department issued SPD #133 Miranda card prior to any questioning. S-Frye confirmed he understood his rights as I read them to him and confirmed he did not have any questions about his Miranda rights following the admonishment. I was equipped with a body worn camera. S-Frye related the following to me in summary when interviewed about the incident that occurred days prior which led to his subsequent arrest and hospitalization:

I use meth but had not used any that day. I had some alcohol to drink that morning though. I remember putting my hand on the apartment window. I went to the other window and saw it was open so i opened it and went in. I saw some clothes in there and then laid on the bed for a while. I probably fell asleep. I recall hearing people talking.

I was really looking for some crystal meth in the apartment but I call it medicine. I heard the officer outside but every time I do something they always want to fuck me so I said forget it I'm staying in the bed.

I heard the officers outside but I ignored them. They said they were sending the dog in and I heard the dog talking to the officers. I was just sitting on the bed when the dog came into the room. I heard them say come out with your hands up, but I wasn't coming out. I wasn't sure if they were talking to me at first. I didn't know what was going on outside. I looked right at the dog and he bit me. I didn't take anything from the apartment.

If I was in there trying to take something i would have come out but I didn't think i was really doing anything wrong at all. It was nobody's apartment, I wasn't bothering anyone I just wanted to sleep in there for a couple of hours and be on my way.

Its been a while since I've done chris (meth), I need some though. I was trying to get some but I couldn't.
