On 05/06/23, at approximately 1957 Hrs., I, Ofc. Nelson #1035, was dispatched to a weapons call at [REDACTED] Haywood St. (Mama Marks Park). Per the text of the call, a male had just pointed a gun at the complainant. An additional caller called in stating she had observed 3 armed subjects, all male blacks in their 20's at the park. I arrived on scene at approximately 2003 Hrs. All officers on scene were in full uniform and driving fully marked police vehicles. Multiple other officers arrived to the scene. My body-worn camera and in-car camera were recording during the call. I observed the following in summary:

Upon arrival, an approximate group of 10-15 subjects were standing around the north end of the park. Once they saw our presence, they each began to walk away from our patrol cars. I gave an announcement over the P.A. system in my patrol vehicle to "stop" and stated that we will chase them if they attempt to run. As I was approaching the group of subjects, one of them began to run in a sprint southbound through the park. I followed on foot in pursuit of the suspect and shouted "police, stop." I broadcast over the radio the suspect's description and direction of travel for incoming officers to assist in his apprehension.

I chased the suspect approximately 150 yards where I observed him run into the side yard of [REDACTED] Belden St. I could hear the subject jumping over a fence to continue westbound in that backyard.

I lost visual of the suspect and ran around the southern end of the block. It was aired over the radio by an officer that the subject had continued southbound. I ran to the southern end of the block where I jumped into the passenger seat of a patrol car with Ofc. Boughton. Prior to this, I heard an additional update over the radio that the suspect was seen continuing westbound onto May St.

As Ofc. Boughton and I were traveling northbound on May St. towards South Ave. I heard K9 12 broadcast that he was in foot pursuit of the suspect and that his dog was "on". I arrived at the intersection within seconds and observed Ofc. Weltz and Ofc. Buchanan taking the suspect into custody who was laying on the ground in the street. I observed that the police K9's mouth was around the suspect's left calf, prior to releasing.

I noticed at that time that the suspect had shed his gray zip-up sweater and his yellow du-rag which was later retrieved.

He verbally identified himself as A/C-Jenkins, Nioma. I read A/C his Miranda Rights Verbatim from my department issue Miranda card (SPD #133).

A/C-Jenkins was transported by SFD Medic 17 to UC Davis medical center for injuries sustained by the dog bite to his left calf and shin.

At UC Davis, A/C Jenkins received 4 sutures and was deemed fit for incarceration by the hospital staff. CSI took photographs of the suspect's injuries.

On 05/05/2023 at approx. 1957 hours, I, Officer Boughton #719, along with Officer Wertz #255, were dispatched to a incomplete call for service at [REDACTED] Haywood St (Mama Marks' Park) stating that one minute prior, an unknown male had pointed a firearm at the caller. I was driving a fully-marked Sacramento Police Department (SPD) Patrol Vehicle with functional overhead flashing emergency lights and forward facing siren. I was driving, with Ofc. Wertz riding passenger. While en-route to the call, Officers were updated by SPD Dispatch that the involved parties were wearing all male black adults wearing a red sweatshirt, a white sweatshirt, and a blue sweatshirt, with all parties still on-scene. Our body worn cameras and in-car cameras were activated and recording for the duration of our investigation. At approx. 2003 hours, we arrived on-scene and observed the following in summary:

Upon arrival near the intersection of Haywood St and Roanoke Ave, I observed a large group of individuals, including males matching the description provided via SPD Dispatch and the text of the call, including a red sweatshirt, blue sweatshirt, and white sweatshirt.

The males appeared to be congregating near a southern building in the park, and upon police department arrival, immediately appeared to be attempting to disperse.

Three males on-scene, one wearing a red hoodie with a skeleton print on the back, one wearing a dark grey sweatshirt and black pants, and one wearing a black sweatshirt appeared to be walking away from Officers towards the park.

The male with the grey sweatshirt and black pants, later identified as Suspect Jenkins Niomi (XREF [REDACTED]) began running southbound away from Officers. I believed based on the facts and circumstances related to the police call service, combined with my training and experience knowing that Mama Marks Park is a known high-crime area, believed we had reasonable suspicion to detain all parties on-scene.

I observed Officer Nelson begin a foot pursuit, chasing S-Jenkins on-foot southbound through the park. I heard him yell, "Police, stop!" at least one time while in foot pursuit. S-Jenkins continue to run southbound onto Belden Street. While in foot pursuit, I yelled at least one time, "Police, stop running!". S-Jenkins again, continued to run. (See Officer Nelson's observations for further).

I observed from a distance of approximately forty yards, S-Jenkins to have a grey sweatshirt, black pants, and a bright yellow head covering commonly referred to as a "Doo-Rag" while running away from Officer Nelson and myself.

I continued following in pursuit until Officer Nelson stopped in front of [REDACTED] Belden Street. Officers Wertz and Nelson contacted two males in the front yard and were attempting to ascertain if the male suspect fled into the house or through the yard. Simultaneously, I heard what I recognized given my training and experience to be an individual jumping a chain link fence, directly to my west, through the backyard of the residence. I did not get a visual of the male but given my location, timing, and proximity, I believed it to be S-Jenkins attempting to continue to evade.

I know based on my training an experience that individuals attempting to evade detention, arrest, and capture will flee, run through private property, and jump over fences in an effort to evade capture by

police. Additionally, those individuals will remove easily removable clothing while fleeing in an attempt to change their identity and further evade capture.

As Officer Weltz had arrived on-scene in my patrol vehicle, I reentered my vehicle, with my in-car camera activated and recording and continued to attempt to locate S-Jenkins as he was fleeing. Shortly after entering my vehicle, K9 Officer Phelan broadcasted that he observed the male running across May Street, continuing westbound, shortly followed by a K9 detention (See K9 Officer Phelan's observations on the detention of S-Jenkins).

I arrived on-scene with Officers Buchanan, Weltz, Phelan, and Nelson, and assisted in taking S-Jenkins into custody by placing him in handcuffs. I identified S-Jenkins to have the same stature, thin build, and same style black pants as the male suspect fleeing from Officer Nelson and myself (See Ofc. Nelson's observations for positive identification of the suspect).

I returned to the scene of [REDACTED] Belden Street and assisted in conducting an article search of the area for any discarded clothing or contraband which may have been discarded during S-Jenkin's flight (See Officer Buchanan's observations on what was located in the May St / Belden St Alley, behind [REDACTED] Belden Street.

Following the same western path of travel, I located the yellow "doo-rag" and grey sweatshirt on the south side of the residence located a [REDACTED] May St. I contacted the homeowner [REDACTED], who stated the located items did not belong to him nor had he seen them before. He additionally stated that his children were in fear, because they observed a male jump into their backyard before fleeing. His children were not contacted by Officers on-scene.

I visually identified the sweatshirt and head covering as the same clothing I observed S-Jenkins to be wearing while myself and Officer Nelson were in pursuit. I took 6 photographs of [REDACTED] May St using my department-issued cell phone which detailed where the items were located. I uploaded the photographs to Evidence.com. The clothing was secured in my patrol vehicle where it was later booked at Kinney Police Station as evidence.

On 05/05/23 at approx. 2008 hrs, Ofc. Boughton #719 and I, Ofc. Weltz #255, as 2C28 were working working routine Patrol in the area of Del Paso Heights. We wore full Police uniforms and operated a marked black and white Spd patrol vehicle equipped with overhead lights. While responding to a weapons call at Mama Marks Park (1140 Roanoke Ave). Based off my training and experience, I immediately recognized the address due to it being a prominent Del Paso Heights Blood hangout and their has been several shootings there to include to a drive by shooting that resulted in the murder of an 8 year old girl in 2020. Based on my training and experience, I know gang member will commonly defend their territory and will commonly carry firearms for offensive and defensive purposes. Per the details of the call, the caller stated that a group of approx. 10 male adults were at Mama Marks park and had brandished a firearm at the caller. All Officers were equipped with body worn cameras. My in car camera and body worn camera was activated during the investigation. I observed the following in summary:

As we arrived on scene, We observed the subjects still at the park. The subjects appeared to see our Police vehicle and began to immediately start walking away from us. Based on my training and experience, I know suspects will commonly avoided Police contact to avoid capture. One of the subjects walking away, I immediately recognized as [REDACTED] Xref [REDACTED] and I know him to be on informal probation for 25850(A) PC until 07/26/23 and [REDACTED]. I ordered all the subject to sit on the ground and observed my partners begin to chase a male subject wearing a yellow durag and gray sweatshirt. They advised they were in a foot pursuit southbound through the park.

I ran to my car in an attempt to cut the suspect off. I observed him head west through the residence of [REDACTED] Belden St. I ran into the back yard and could hear a subject jumping fences. I ran back into the st and was picked up my Ofc. Buchanan #392 and advised him to head west. K912 (Ofc. Phelan #927) advised he was heading west across may street. We continued west and went north on Branch St in order to cut the suspect off. As we pulled up to the intersection of Branch St and South Ave. I saw the Police K9 being used in an effort to stop the suspect from fleeing. Despite the K9 being effective, I observed the suspect continuing to actively resist and pull away from the Police K9 and continued to try and run away.

I order the suspect to the ground and he finally complied. Ofc. Buchanan, Ofc. Phelan and Ofc. Boughton were able to safely detain the suspect in hand cuffs. Based off the K9 being used we started the Sacramento Fire Department. The suspect verbally identified himself as Nioma Jenkins Dob: 10/04/89. He spontaneously stated he ran because he knew he had a waraant and owed time in County jail because he missed his work project agreement. A record's check of Jenkins showed him to be informal probation for 422 PC until 08/07/25 and had a misdomeaner No Bail warrant for said Offense ([REDACTED]). And she was saying "someone is trying to shoot me at the park" and then she took off.

When she went next door I'm not sure if she made contact with anyone over there. Because when she said that someone was trying to shoot her, my daughter pulled me back and shut the door.

When I came back to look, I saw her getting into a blue Ford car, I tried to catch the plate but she took off really fast.

My doorbell camera does not have a motion sensor, I have to turn the motion sensor on because otherwise it would be going off all the time and waking up the baby. It's not even a live camera.

On 5/5/2023 at approximately 2001 hours, Officer James #965 and I, Officer Rossell #839, were dispatched to "Mama" Marks park in regards to a call for service about a suspicious circumstance with a weapon involved. Per the text of the call, an unknown male pointed a gun at the caller. I arrived on scene at approximately 2003 hours. I arrived on scene in a fully marked Sacramento Police Department patrol vehicle and was wearing a full Sacramento Police uniform. My body worn camera was activated during the call. I observed the following in summary:

Upon my arrival to the scene the group of people at the park started to disperse. Officer Boughton #719 and Officer Nelson #1035 made announcements for everyone to stop and to sit down. Some sat down as instructed, a few kept walking. Then I heard Officer Nelson announce that he was in a foot pursuit and then Officer Boughton told me to stay with the group.

Myself, Officer James, Officer Mitchell #303, and Officer Ruberg #445 sat with approx. 8 male subjects detained in the park and obtained their ID's. A pat down search of each person was conducted to ensure that none of them had a firearm on them for Officer safety due to the text of the call. After they were all identified, and ensured that there were no warrants they were notified that they were no longer detained and Officers left the park.

Officer James and I relocated to the corner of South Ave and Branch St. where the foot pursuit ended.

I conducted a canvas of the immediate area and spoke with two witness' at [REDACTED] Branch St., [REDACTED] [REDACTED]. (see statements for more detail). I attempted to make contact with the resident at [REDACTED] South Ave, there was nobody home. Upon arrival in the area, I observed an Officer running southbound Belden St from South Ave from Mama Marks Park. I drove southbound Belden St from South Ave. Ofc. Boughton, Ofc. Weltz, and Ofc. Nelson #1035 advised the suspect ran westbound through [REDACTED] Belden St. Ofc. Weltz jumped in my patrol vehicle.

K9 Ofc. Phelan #927 advised over the radio that the suspect was crossing westbound from May St heading South Ave. Ofc. Weltz and I arrived at Branch St and South Ave. K9 Ofc. Phelan #927 was in the process of apprehending the suspect, later identified as Suspect Nioma Jenkins (See K9 Ofc. Phelan's observations related to the apprehension of S/Jenkins). I assisted with detaining S/Jenkins in handcuffs.

Afterwards, I assisted with backtracking the path of travel of S/Jenkins during Officers foot pursuit. During the canvass, I located a black hat and a yellow chain necklace in the alleyway of May St Branch St south of South Ave (behind [REDACTED] Belden St). Approx 20 feet north of of the chin necklace and hat was a cell phone in the alleyway (behind [REDACTED] May St).

I collected the black hat, yellow chain necklace, and cell phone as evidence. They were later booked as evidence at Kinney.

On Friday 05/05/2023 at approx 2012 hours, I, Ofc Howard #949 responded to the north side of Mama Marks Park to assist other officers on scene. This incident was recorded on my department issued body worn camera and ICC.

Upon arrival, officers had approx eight subjects detained and sitting on the ground at Mama Marks Park. The group was verbally uncooperative and additional subjects began to show up. Officers determined there was no further investigation so the subjects were released. Officers were leaving the area on foot and the subjects began to surround officers and were recording on cell phones. Officers were able to safely leave the area.

I responded to South Ave / Branch St to assist on the other scene. Upon arrival to that scene, I was instructed to move my police vehicle to protect evidence. I was also told to watch over the evidence.

CSI responded and photographed the evidence. I collected a comb and bandage that was covered in a red substance that appeared to be blood. I later booked the items at Kinney as evidence.

On 5-5-2023 at approx 20:00 hours, while on patrol in a marked Police K9 vehicle and in full Police uniform, I, Officer Phelan #927 and my K9 partner Shep responded to the area of [REDACTED] Haywood St (Mama Marks Park) regarding a weapons call involving a firearm. Per the text of the call, the complainant advised there were three male black subjects armed with handguns at Mama Marks Park; one wearing a blue sweater, one wearing a red and white sweater, and one wearing a gray sweater. While responding to the call there were multiple additional callers contacting dispatch confirming that handguns were seen on the subjects. One of the callers stated that one of the subjects was making threats and trying to shoot her. I requested an AIR unit via radio with negative results. Officer Nelson #1035 was one of the first Officers on scene. As I was arriving in the neighborhood, Officer Nelson broadcasted that he was in foot pursuit of the male subject in a gray sweater wearing a gold doo rag running southbound through the park across South Ave. I activated my overhead red and blue emergency lights and my siren and responded to Officer Nelson's location CODE 3. I arrived on scene at approx 20:05 hours. I observed the following in summary:

As I arrived in the area Officer Nelson advised the suspect (later identified as Nioma Jenkins) was jumping fences westbound from [REDACTED] Belden St into a residential block. I passed Mama Marks Park southbound on Dry Creek Rd and took a position at May St and Nogales St on the south west corner of the block in an attempt to set containment and intercept the suspect. While holding at the intersection of Nogales St and May St, I was looking Northbound May St and observed suspect Jenkins run westbound across May St near South ave at approx 20:07 hours. It appeared that Jenkins had jumped over a small fence at [REDACTED] May St before he ran across May St Westbound toward South Ave.

I advised via radio that I observed the suspect running westbound across May St at South Ave and responded to the intersection with my overhead red and blue lights activated to attempt to initiate a stop on Jenkins again.

I caught up to Jenkins on South Ave just west of May St. My overhead red and blue lights were still activated as I drove up behind him. Jenkins had shed his gray sweater and gold doo rag, but based on his behavior, the timing of him exiting the block, his path of travel, and his physical descriptors I believed it was highly likely he was the suspect that Officer Nelson was pursuing. I know from my training and experience that criminals will often shed clothing to change their appearance in an attempt to further avoid capture. Jenkins had both of his hands concealed in front of him and appeared to be reaching for his waistband with his right hand. Before I could exit my patrol vehicle Jenkins began to sprint away on foot again westbound at a high rate of speed.

At this time I directed K9 Shep to apprehend suspect Jenkins based on the following facts known to me at the time:

-Jenkins was was a suspect in an active, rapidly developing investigation involving the acts of 245(a)(2) PC (assault with a firearm), 417 PC (brandishing a weapon), 422 PC (making criminal threats), 25400 PC (carrying a firearm in public), and 148 (a)(1) PC (resisting arrest)

-Jenkins was refusing to comply with commands to stop running given by multiple uniformed patrol Officers in marked patrol vehicles, showing a high level of commitment and resistance to being detained in violation of 148(a)(1) PC

-Jenkins had already shown high a level of resistance by his willingness to flee from Officers and jump over fences to avoid capture

-Jenkins posed a threat to pedestrians and passerbys if he was not detained, due to it being May 5th (Cinco De Mayo) there were several pedestrians about the area on foot barbecuing and celebrating. I was in fear that Jenkins may continue to jump fences into additional back yards exposing citizens to a potentially armed suspect.

-Jenkins had not been searched for additional weapons and was believed to be armed with a handgun

-Jenkins was fleeing the area of Mama Marks Park. Based on my training and experience, I know Mama Marks Park is a central hub for [REDACTED] gang members and a known gang location in the heart of [REDACTED] territory. Since 2020 the Sacramento Police Department has seen a rampant increase in criminal activity involving armed gang members at this park, including but not limited to, increased calls for service, drug sales, the filming of multiple prolific [REDACTED] rap videos, multiple maximum enforcement operations conducted by NGET and NPOP, and multiple shootings, including the drive by shooting committed by Laise Hands ([REDACTED]) on 10-13-2020 which resulted in 4 individuals struck by gunfire including a 9 year old girl that died as a result of the shooting. I know from my training and experience that gang members at this park will often carry and brandish firearms in an attempt ward off, "flex", or intimidate rival gang members.

-I believed that if Jenkins was not apprehended by K9 Shep that he may have began to hit more fences and avoid capture

-I was alone when I located Jenkins and did not have other Officers with me for the use of alternate means of less lethal force

-The use of K9 in this situation would help enhance the safety of Officers tasked with apprehending Jenkins on scene

I gave K9 Shep the command to apprehend Jenkins as Jenkins was still fleeing westbound toward Branch St. Due to the rapidly evolving nature of the pursuit, the potential that Jenkins was in possession of a firearm, the speed at which Jenkins was fleeing, and my proximity to Jenkins, a K9 warning would not have been safe or feasible.

K9 Shep apprehended Jenkins on his left calf.

I approached Jenkins on foot and ordered him to get on the ground. Jenkins did not comply. I heard Officer Weltz #255 order Jenkins to get on the ground. Jenkins did not comply. Both myself and Officer Weltz both ordered Jenkins a second time to get on the ground. Jenkins did not comply. I ordered Jenkins to get on the ground a third time. Jenkins then got down on his stomach, proning himself out. At this time I gained positive control of K9 Shep and ordered him to release his hold of suspect Jenkins. K9 Shep was removed from suspect Jenkins shortly after he proned himself out as Officer Weltz was placing Jenkins in handcuffs.

I requested via radio that Fire respond CODE 3 to provide medical treatment for Jenkins.

I placed K9 Shep back in my patrol vehicle at May St and South Ave and then returned to South Ave and Branch St to provide medical aid to Jenkins. I utilized trauma shears to remove a portion of Jenkin's pants to further evaluate if Jenkins needed additional emergency first aid prior to Fire Personnel arriving. Jenkins suffered 4 punctures and one avulsion (approx 1.5 inches in circumference) on his left shin along with three punctures, three alvusions (approx 1 inch in circumference), and one additional avulsion (approx 4

Sacramento Fire Department Personnel treated Jenkin's injuries on scene before he was transported to UC Davis Medical Center by Medic #17.

Officer Weltz and Officer Castro #632 conducted an article search on Belden St and May St for any items discarded by Jenkins during the foot pursuit (see additional observations). Officers located Jenkin's cell phone in the alley between Belden St and May St, along with a gray sweater and a gold doo rag at a house on May St which was consistent with Jenkin's path of travel.

Jenkins spontaneously stated that he ran because he had a warrant for missing work project. Web KPF later revealed that Jenkins had an active NO BAIL warrant ( [REDACTED] / [REDACTED] [REDACTED] ) for 422 PC (criminal threats). [REDACTED]

I later obtained a mirandized statement from Jenkins (see attached). Jenkins admitted (under Miranda) to running on foot and leaving his clothing and cell phone behind.

Additional Officers on scene conducted a neighborhood canvass for witnesses.

SPD CSI was requested to respond to the scene for photographs and to the hospital to photograph Jenkin's injuries.
