## Blue Envelope Program

10-21-2026

The Sacramento Police Department's Blue Envelope Program was designed to increase officer awareness when interacting with individuals who have Autism Spectrum Disorder (ASD), developmental disabilities, or other conditions affecting communication or require special accommodations.

During an encounter with law enforcement, Blue Envelope participants may present a physical blue envelope containing their identification, emergency contact information or relevant vehicle operating documents. Participants may also display Blue Envelope logo items such as lanyards, bracelets, stickers, and keychains.
