Mobile Integrated Health Unit

10-21-2026

The Sacramento Fire Department has recently created the Mobile Integrated Health (MIH) Unit, which is a **non-emergency** medical response unit consisting of a firefighter paramedic and a nurse practitioner or physician's assistant.

The MIH can assist officers **in the field** with:

- Medical evaluations to determine if a subject is fit for incarceration.
- Assessing mild to moderate medical conditions and injuries including:
 - Minor suturing.
 - Exposure to chemical agents.
 - Removal of Conducted Energy Device (CED) probes after deployment.
 - General Order 580.10 requires Code 3 EMS response for assessment after CED deployment (and prior to MIH intervention).

The MIH is not intended for:

- Serious or life-threatening medical conditions.
- Significant bodily injuries.
- Serious mental health conditions.
- Medical emergencies.

The MIH unit is available **Citywide Monday-Thursday, 0730-1630 hours**, and can be requested by calling them directly at: (916) 767-2355, or via SPD dispatch.
