2020 Mental Health Ad Hoc #3

DISCUSSED BY SCPRC		APPROVED AND IMPLEMENTED		PENDING FURTHER REVIEW	
RECEIVED BY SPD	02/08/2021	APPROVED AND PENDING		SPD UNABLE TO IMPLEMENT	X
RETURNED TO SCPRC		PARTIAL IMPLEMENTATION		DENIED	

## SCPRC RECOMMENDATION

In order to meet the critical need for mental health services, including for those contacted by the community-based mental health response programs, we additionally recommend that \$20M be allocated annually from the SPD budget to establish a grant program for local, community-based organizations to provide mental health prevention, early intervention, and treatment. The grant program should focus on resourcing community agencies who serve the communities most impacted by police violence.
