- Learn about SPD's complaint and discipline process
- Presentations on business safety and tips to thrive.
- Presentations on current crime trends and the department's, Violent Crime Reduction strategy.
- Tour of our Academy and training facility, with hands on learning of police tactics and procedures including the Virtual Reality Trainer.

ACADEMY OBJECTIVE

Are you interested in learning more about the Sacramento Police Department? Well, we are opening our doors and would like to invite you to join us as we expand our partnerships with the Businesses in our community. Come participate in an ongoing discussion between community leaders and the Sacramento Police Department. Hear about what the department is doing to improve safety around businesses. This immersive 5 week "academy" will provide attendees valuable insight on the mission, operations and work that the police department is doing every day to keep you safe. Also, see how we are improving training, transparency, and technology to better serve you. For more information on this unique and educational opportunity, please sign up online or use the QR code below.
