Section 17.832.030 of the City Code require that Final Maps and Parcel Maps substantially conform to the approved tentative map, including approved modifications. A request by the owner/developer to make any minor modifications to the approved tentative map requires approval by Development Engineering (DE), Planning Division and other affected City Divisions.

Section 17.828.140 of the City Code defines map revisions which require a new Tentative Map and minor amendments which may be approved by the Zoning Administrator. Minor amendments may require a hearing before the Zoning Administrator pursuant to Sections 17.812.030.
