

City of SACRAMENTO Al Fresco Dining Program

PROGRAM OVERVIEW

On June 21, 2022, City Council approved the Al Fresco Program and the City launched a new permitting webpage. Now restaurant owners can browse engineered layouts, and customize their design based on budget and available space, before starting the permit process.

The Al Fresco Grant Program is currently available through September 30, 2023. The grant program supports the development and construction of Al Fresco dining patios that have started the application process.

IMPORTANT DATES:

- January 10, 2023: City Council
- January - September 30, 2023: Grant Program Open
- January 11, 2023 - October 31, 2024: Incur Expenses
- December 31, 2024: Project must be completed
