

Creating a Green Halo Account (Building Permits ONLY)

Step 1. If your building permit is subject to the C&D Debris Recycling Ordinance and your permit was submitted AFTER January 15, 2026, a Waste Management Plan condition will be applied to your permit. To resolve the condition, you must submit a Waste Management Plan through the Green Halo website. After you submit your permit application to the Building Division, you will receive an email from “no-reply@greenhalosystems.com” with a link to complete your Waste Management Plan. Check your spam/junk folder if you do not see the email. DO NOT submit a WMP through Green Halo until you have received an email with a link to your WMP.

- Open the email and click “[ACTIVATE PROJECT](#)” if you are responsible for filling out the Plan. If someone else will be filling it out, click “[CLICK HERE TO RE-ASSIGN THIS PROJECT](#)”.
