

Hazardous Waste Disposal Fees for VSQGs

(Effective July 1, 2025)

HHW Collection Facility located at Sacramento Recycling & Transfer Station
8491 Fruitridge Road, Sacramento, CA 95823

**Includes an administrative fee of
\$0.58 per pound**

HOUSEHOLD HAZARDOUS WASTE			
MATERIAL	FEE	MATERIAL	FEE
Acid Liquids/Solids	\$18.56 /gal. \$2.18 /lb.	Base Liquids/Solids	\$18.56 /gal. \$2.18 /lb.
Antifreeze	\$5.21/gal. \$0.58 /lb.	Compressor Oil	\$10.02 /gal. \$1.18 /lb.
Cooking Oil	\$5.21 /gal. \$0.58 /lb.	Flammable Liquids (bulk)	\$9.08 /gal. \$1.07 /lb.
Flammable Solids	\$1.44 /lb.	Flammable Liquids (lab packed)	\$13.76 /gal.
Fire Extinguisher	\$1.63 /lb.		\$1.62 /lb.
Flares	\$7.34 /lb.	Inhalation Hazard	Actual Cost
Motor Oil (uncontaminated)	\$4.34 /gal. \$0.58 /lb.	Mercury	\$24.58 /lb.
		Organic Peroxides	\$16.51 /lb.
Oil Filters	\$0.58 /lb.	Non-RCRA Solids	\$1.31 /lb.
Paint (latex, oil-base) (Paintcare)	\$5.79 /gal. \$0.58 /lb.	Paint (latex, oil-base) (Not PaintCare)	\$13.66 /gal.
			\$1.37 /lb.
Oxidizing Liquids/Solids	\$24.57 /gal. \$2.89 /lb.	Propane Tanks (5 gal. or less)	\$1.63 /lb.
		Reactive Cyanide	\$68.18 /lb.
Toxic Liquids (lab packed)	\$19.24 /gal.	Spontaneous Combustible	\$7.34 /lb.
Toxic Solids (cubic yard box)	\$1.74 /lb.	Water Reactive	\$7.34 /lb.
UNIVERSAL WASTE			
MATERIAL	FEE	MATERIAL	FEE
Aerosols	\$2.23 /lb.	Auto Batteries (lead acid)	\$0.58 /lb.
Alkaline Batteries (not segregated)	\$1.73 /lb.	Rechargeable Batteries	\$0.58 /lb.
Lithium Batteries (non-rechargeable)	\$4.33 /lb.	Lithium Batteries (damaged)	\$10.19 /lb.
Fluorescent Tubes (straight)	\$0.15 /ft.	Ballasts/Capacitors (PCB)	\$1.80 /lb.
Broken Fluorescent Tubes/Bulbs	\$1.73 /lb.	Ballasts/Capacitors (non-PCB)	\$1.03 /lb.
Compact, U-tube, Circular Fluorescent Bulbs	\$0.54 /ea.	Metal Halide, Sodium Vapor, Halogen, Mercury Lights	\$1.34 /ea.
E-waste (commercial/business)	Disposal cost and acceptance to be determined by facility staff		

Unacceptable Materials*

Biohazardous Waste | Sharps | Medications | Cyanides | Reactive Waste | Infectious Waste | Explosives |
Fireworks | Airbags | Asbestos | Treated Wood | Cylinders (except propane, handheld aerosols)

**Unknown substances may be accepted for an additional fee once identified and classified. We reserve the right to refuse any substances and materials. Call (916) 737-4870 to inquire about this process.*

Who Can Participate?

Any organization or commercial entity, including but not limited to businesses, non-profit groups, schools, churches, tribal nations, government agencies, property management, and independent contractors, that meet the following criteria:

1. Hazardous waste was generated within Sacramento County

2. Qualify as a Very Small Quantity Generator (VSQG)

To qualify, your organization or commercial entity must generate no more than 220 pounds or 27 gallons of hazardous waste per month as defined in the California Health and Safety Code, 25218.1 and Title 40 of the Code of Federal Regulations, part 262.13.

3. Have a Hazardous Waste ID Number

VSQGs must have a hazardous waste ID number (State ID # or EPA ID #). If you only generate universal waste as listed in the fee schedule or latex paints, you **DO NOT** need an ID number.

Visit <http://www.dtsc.ca.gov/IDManifest/index.cfm> or use the QR Code to obtain an ID number. For questions, call DTSC at 1-800-61-TOXIC (86942).

How To Participate?

1. Inventory

Collect all your waste and its corresponding MSDS sheets (if available). Determine the quantities of each waste stream. These should be measured by pounds, gallons, each, or feet depending on the method charged in the fee schedule.

2. Pack and Secure Containers

Mark all containers with your company name and contents if they are not already labeled. If you have multiple small containers containing the same waste, you can put them in a labelled box. Containers must be in good condition and properly sealed. If the lid is not secured, tape it down. If the container is rusty or cracked, transfer the contents or package the entire container within a larger container that is in good condition. **DO NOT MIX YOUR WASTES TOGETHER.**

Empty containers (non-pourable) can be disposed in your regular garbage after removing lids.

**3. Schedule an appointment by calling
(916)-737-4870**

VSQG material will not be accepted without an appointment.

Quantity Limits

- No containers larger than 5 gallons
- Total quantity accepted no more than 27 gallons or 220 pounds
- Anything in excess of 27 gallons or 220 pounds will be sent back with you.

Registering with Sacramento County

Your business may need to register with the County if storing hazardous waste on-site. To find out if your business needs to register, call the Sacramento County Environmental Management Department.

Empty Pesticide Containers

If you have empty pesticide containers, contact the Sacramento County Environmental Management Department to schedule an inspection prior to disposing of the containers at approved facilities.

Sacramento County Environmental Management Department (916)-875-8550 or (916)-875-8400
