

LET'S SORT THIS OUT

Hay un problema con cómo se separó su basura; la guía para la separación correcta está abajo.

State Law requires the City to reduce contamination in the waste stream by verifying residents are properly sorting their waste and providing education.

Our review of your container found the following contamination:

ORGANICS ORGÁNICOS

RECYCLING RECICLAJE

GARBAGE BASURA

Do not bag recyclables.
Place them loose in the container.
No embolsar los materiales reciclables.
Mete los materiales en el bote de basura.
