LOADING BIKES ONTO SACRT BUSES

3 SIMPLE STEPS TO LOAD YOUR BIKE ON THE RACK

1. Lower the rack, pull the handle with one hand and lower the cover until you lock it.

2. Lift your bike onto the tray, fitting the wheel into the slots. Each rack is labeled "FRONT WHEEL," use the opposite side to load closest to the bus.

3. Use the wheels around from under the bike rack and place on top of the front bike wheel.
