Advisory Review of
Admin Draft Plan

PAC Review before Public Review

- ▶ This is a preliminary administrative draft not intended for widespread public review
- ▶ A robust multi-month public review will begin in early 2024

PAC Review

- ▶ Recommendations for Vision Statement
- ▶ Prioritization of Implementation Measures
- ▶ Identify any major areas that are missing, unclear, or inaccurate
- ▶ Specific detailed comments will be considered during the full public review

Key Considerations During Review

- ▶ What City manages directly - what City can and cannot do
- ▶ The canopy goal was selected (with prior input from this committee) and integrated into the CAAP
- ▶ Priority communities based on heat, residential areas, low canopy, Disadvantaged Community status

How to Comment

- ▶ Respond to Survey: link will be emailed out on November 3, 2023
