

## 4th "R" Waitlist Policy

To register for the program, call or visit the 4<sup>th</sup> "R" childcare program of your choice. If the site is at full licensing capacity, you may request that the child's name be added to the site's wait list by filling out a waitlist form for each site you're interested in.

Each 4<sup>th</sup> "R" location has its own individual waitlist and the number of spaces per grade/per site differs from site to site. **We reserve the right to handle special cases accordingly.** Spaces can be available at any time of the year and at any time of the month.

It is solely the parents / guardian's responsibility to update their contact information. Please contact the 4<sup>th</sup> "R" location to make any updates.

When a spot becomes available, priority will be given to current siblings and/or currently registered and attending 4<sup>th</sup> "R" participants that are transferring from another site. Otherwise, parents/guardians are called in the order of the placement on the waitlist.

Once your child has officially been offered a space and you would like to accept it, you will be required to fill out the required licensing paperwork and pay the required registration fee and first month of tuition <u>before</u> your child can attend. Registration paperwork and fees must be completed within <u>one week</u> of the spot being offered. Failure to comply will result in your spot being forgone and given to the next on the wait list. In that case, your name will be dropped from the wait list.

If you are called for a space and do not wish to take it at the time or do not respond within one week, your name will be removed from the waitlist. All waitlists are kept for the duration of the contract year (July 1 - June 30).
