MEETING YOUR CHILD CARE NEEDS

One of the most important things we offer your child/ren is a caring supportive atmosphere. We believe each child should receive respect from the staff and other children in the program. We give them smiles, encouragement, understanding, guidance and a helping hand. We CARE!

The 4th "R" staff goals are to meet both the needs of the child and the parent/guardian. Child care is a team effort with both staff and parents/guardians working toward the positive development of the child/ren. It is very helpful for the staff to know your preferences and concerns. We encourage you to keep communication open with your site staff and to feel free to talk with them at any time about your child's experiences at 4th "R". It is our goal to work towards the very best for your child/ren.

4th "R" strives to provide your child/ren with quality programs. Please feel free to contact your Program Coordinator with comments, suggestions or questions you may have; communication is key. You are always welcome to visit any of our program sites to see our 4th "R" team in action.

Thank you for placing your confidence in 4th "R" as an environment that will both enrich and care for your child/ren.

CELL PHONES, ELECTRONIC EQUIPMENT, AND PERSONAL ITEMS

Student cell phones, tablets, and devices such as Apple watches are allowed on campus, but all student devices (cell phones, tablets, and smartwatches) must remain in students' backpacks during 4th "R" attendance and turned off unless given permission by a staff member to use in an emergency. Smartwatches may not be worn. For urgent matters children may request to use the site phone to call their parent or in the case the parent needs to reach their student.

Cell phones, tablets, and smartwatches may NOT be used to take and share pictures while in attendance or be used for social media purposes.

If a device is seen or heard by a staff member they will be reminded to put it away. If a device is taken for the second time, it will be taken and given to the site lead to be picked up by the parent at pick up time. If the device continues to be used and this policy is not followed, the student will be suspended or disenrolled.

4th "R" does not take responsibility for any electronic devices, valuable items, jewelry, etc. that students bring to 4th "R".

POLICIES

CHECK IN / CHECK OUT

Authorized persons or those listed on the Emergency Card are required to check children in *and* out of the site by scanning the sites QR code via the Kids Hub app in order for child/ren to be considered in attendance for that day. Children must arrive/depart with a parent/guardian or authorized adult over 18 years of age or older. For their safety, children will not be allowed to walk independently to or from the parking lot. **4th “R” is legally required to have each child checked in and out of the program by an authorized parent/guardian or authorized pick-up using a full legal signature.**

Safety is the top priority of each center. To keep children safe we must follow 4th “R” and Title 22 rules and regulations. Section 101229.1 of Title 22 California Code of Regulations states “The name of the person who picks up the child must be on file in the child’s record. This ensures that the child leaves your center only with their parent/guardian or the parents/guardian authorized representative.”

4th “R” centers CANNOT legally release a child to anyone without advance written authorization from a parent/guardian, and all adult’s must be prepared to provide a photo ID when entering our centers.

Acceptable advance pick up notification can be a signed and dated handwritten note or an email to the site. If an unauthorized adult comes to 4th “R” to pick up a child, they will be asked to wait while the staff attempts to contact the parent/guardian to verify the pick up. This policy is in effect for ALL adults that intend on picking up children from 4th “R”.

SPECIAL ACTIVITIES SIGN-IN/OUT PERMISSION FORM

Children may *not* leave the program while attending 4th “R” unless they are participating in on-campus supervised programs such as: tutoring, Scouts, summer school, sports teams, music classes, etc. Written authorization by the parent/guardian is due prior to attendance and must be submitted to the site Program Coordinator. Permission forms for these special activities are available at your 4th “R” site. These forms must be used for special, temporary situations, and cannot substitute for the parent/guardian’s responsibility to sign child/ren in or out of the program.

MANDATED REPORTER TRAINING FOR STAFF

California law requires all employees working with children in a licensed child care program to be mandated reporters. Mandated reporters who know or reasonably suspects a child has been the victim of child abuse or neglect must report the suspected incident.

Information is available to parents on staff training and resources. 4th “R” employees are required to receive the mandated reporter training before they start in person. Employees are required to renew their certification every 2 years.

POLICIES

SICK CHILDREN

Do not bring your child to 4th "R" if s/he is ill. If your child becomes ill while at 4th "R", parents/guardians will be notified and asked to come and pick up the child/ren. If parents/guardians cannot come, they must immediately send someone else. We understand it is difficult to leave work, so we suggest that alternative arrangements for your child's care be made in advance. In either case, the child/ren need(s) to be picked up within one hour of notification. 4th "R" is not responsible for finding alternative arrangements for your ill child/ren and failure to respond appropriately to the request to pick up your child within one hour may result in disenrollment from the program.

MEDICINE

Prior to enrolling any child who requires the administration of medications, the following requirements must be met:

- Written authorization from the child's physician and a valid prescription.
- Written authorization from the child's authorized representative. A parent/guardian must complete the 4th "R" Medication form.
- Medication, supplies and equipment must be in the original labeled container with the child's name on it and may not be expired.
- 4th "R" will maintain documentation of medication on a written log after every medication or service is administered.
- 4th "R" will have designated trained staff who will be appointed by the centers management and the child's parent/guardian. Trainings will be provided by the parent/guardian, Emergency Medical Services Authority, the Red Cross, safety videos and Sacramento City, Natomas and Twin Rivers Unified nurses. 4th "R" will have at least one trained staff member working at the facility or on any field trips away from the facility.
- The child's parent/guardian is responsible for providing all medication and supplies to 4th "R". Children may not transport medication back and forth to 4th "R" nor store it in their backpack, unless the directive is given by a medical professional in writing.

LICE

Children who have had lice must be nit free before they can return to 4th "R".

PINK EYE

Children who have pink eye must start antibiotic eye drops 24 hours before they can return to 4th "R".

TOILETRY EXPECTATIONS

To ensure a safe and comfortable environment for all children, 4th “R” requires that all children enrolled must be potty trained and wear underwear, not diapers or pull-ups, at all times while in our care. They must also:

- Be able to tell the teacher he/she needs to go the bathroom before they go.
- Is able to go to the bathroom (either urinating or a bowel movement) on his/her own. This includes being able to remove clothing, sitting on the toilet, wiping himself/herself (without using an enormous amount of toilet paper), putting clothing back on, flushing the toilet, and washing and drying his/her hands.
- Is aware of the need to use the toilet without reminders from the teachers (although, staff do make requests of children at various times of the day, for example, before or after meals, and before going out to the playground, etc.).
- Will not be in diapers or pull-ups at all. They must be in regular underwear.

POLICIES

PARTICIPANT BEHAVIOR

Through a variety of program components, each participant is encouraged to enjoy his/her time in our care by selecting activities that will further social, emotional, and physical development ... and of course to have *FUN!!!*

While enjoying the program, the child/ren must be able to get along with others (both children and the staff), conduct themselves in a safe manner, as well as abide by the rules of 4th "R" and the school site on which the program operates. Children who cannot "get along" or conduct themselves in a safe manner, will not be permitted to continue in attendance. Site staff will make every effort to help each child in the development of positive relationships with other children and staff. In addition, the program staff will keep parents/guardians aware of any progress or areas of concern regarding his/her child. If a problem should occur with a child, the following steps will be taken in attempt to remedy the situation:

A. Following the incident the parent/guardian will receive a written incident report and/or a telephone call to discuss the problem.

B. If the child's behavior is such that he/she is disrupting the program or making the environment unsafe for themselves, other children and/or the staff, the parent/guardian will be contacted immediately and asked to pick up the child from the site within one hour. If a child's behavior endangers another child or staff, that child will be suspended from the program for a minimum of 1 day.

C. If the child's misbehavior continues, a conference will be held between the Program Coordinator and the parents/guardians.

D. The Program Supervisor and Coordinator will review staff interventions to ensure that all alternatives have been considered on behalf of the child.

E If satisfactory behavior does not come as a result of the above measures, the parent/guardian will be advised to seek child care services elsewhere within two weeks. There will be no refund of monies paid. A minimum six month waiting period will be observed before the child is considered for re-enrollment back into program. The City of Sacramento reserves the right to deny enrollment into 4th "R" due to behavioral issues which occur during program and/or school hours.

F. 4th "R" reserves the right to terminate enrollment in the program at anytime if the child/ren's behavior is determined to be a danger to themselves, staff, other children or the environment.

POLICIES

SCHOOL SUSPENSION

During the school year, if a child is suspended from school or has in school suspension, he/she is also suspended from 4th "R".

PARENT/GUARDIAN RESPONSIBILITIES

To ensure that your child/ren's needs are met by our staff, we would like your help in the following areas:

Provide staff with complete, accurate and current information on all forms required upon registration of your child into 4th "R". Please note that the Emergency Card must include authorized person(s) who are allowed and available to pick your child up from the facility. Please inform these authorized parties that they must show their photo ID in order to pick up your child/ren.

Do not bring your child to 4th "R" when they are ill. If they become ill or infected at any time, please inform the site. In addition, please be sure to inform staff if your child will be absent for any reason (i.e., illness, vacations, appointments, etc.).

Please notify staff in advance if your child's attendance schedule will be changing - either temporarily or permanently, resulting in any category changes. Requests for category changes must be made to the 4th "R" site by the 15th calendar day of the month prior to care.

Provide the site with information about special needs or circumstances regarding your child/ren so that staff will be able to understand your child/ren's needs and provide an environment that enhances development. Examples of such circumstances include: information regarding allergies, physical limitations or needs, special diets and so forth. Each child will be expected to function within the 4th "R" structure (1:14 child/staff ratio). If necessary, the parent/guardian will be asked to meet with the Program Coordinator/site staff prior to the child's enrollment.

Provide your child with a lunch. 4th "R" does not provide meals, only snacks. On days when the school is closed, the cafeteria is also closed. Please pack non-perishable food items as 4th "R" will not refrigerate, cook or heat any food items.

Be responsible to attend individual meetings/conferences when requested by the Program Coordinator, attend orientations, open houses, family fun nights and other social events.

All persons/guardians/authorized individuals shall conduct themselves in a respectful and courteous manner when at 4th "R" and the 4th "R" administration office. Prohibited conduct includes but is not limited to: using profanity in the presence of staff or minors, shouting or yelling, using derogatory language (including but not limited to slurs, insults, and offensive remarks),

name-calling, making threats or engaging in aggressive behavior (verbal or physical), disrupting program activities or the administrative process, harassing or intimidating staff, minors, or other individuals. Failure to conduct oneself respectfully and courteously may result in consequences, which could include being banned from 4th “R” premises and/or the disenrollment of your child(ren) from the program.

EMERGENCY PLAN

During critical weather conditions or other local emergencies, you will be notified if you need to pick up your child/ren or the next course of action. In case of emergency, please call your site directly.

STATE LICENSING VISITATIONS

A licensing analyst from the California Department of Social Services which governs our program through *Title 22* will be making periodic visitations to all 4th “R” sites to evaluate the program to ensure we are in compliance. The licensing analyst may speak with any 4th “R” participants during these visits.

4th “R” WAITING LIST POLICY

To register for the program, call or visit the 4th “R” child care program of your choice. If the site is at full licensing capacity, you may request that the child/ren’s name be added to the site’s wait list by filling out a waitlist form for each site you’re interested in.

Each 4th “R” location has its own individual waitlist and the number of spaces per grade/per site differs from site to site. **We reserve the right to handle special cases accordingly.** Spaces can be available at any time of the year and at any time of the month. It is solely the parents/guardian’s responsibility to update their contact information. Please contact the 4th “R” location to make any updates.

When a spot becomes available, priority will be given to current siblings and/or currently registered and attending 4th “R” participants that are transferring from another site. Otherwise, parents/guardians are called in the order of the placement on the waitlist. Once the child/ren has officially been offered a space and you would like to accept it, you will be required to fill out the required licensing paper work and pay the required registration fee and first month of tuition before your child/ren can attend. Registration paperwork and fees must be completed within one week of the spot being offered. Failure to comply, will result in your spot being forgone and given to the next on the wait list. In that case, your child/ren’s name will be dropped from the wait list.

All waitlists are kept for the duration of the contract year (July 1 – June 30).
