

North Natomas Regional Park Dog Parks (July 2019)

A 2-acre large and 0.5-acre small dog park, each with a large open turf or decomposed granite paving run zone, accessible pathways, bench seating areas with 20 ft. square shade canopies, dry cobble stream beds for drainage and groundwater recharge, drought tolerant shade canopy and accent trees in bark mulch, chain link fencing, and double-gated entries, drinking fountains with a dog bowl, and dog wash-off stations. The large dog park also includes a fire hydrant water spray zone and dog agility zone.
