

Meadowview Park Improvements (September 2020)

The project consisted of replacing the playground equipment, wood fiber surfacing, and damaged access ramp and concrete flatwork. The additional improvements included an accessible walkway, twenty-four shade trees planted throughout the park, resurfacing and striping of the basketball court, and new basketball backboards and nets.

New Concrete Flatwork and Adventure Area

Four Types of Swings

Climbable Concrete Ladybug

Tot Lot Play Equipment

Resurfaced Basketball Court

New Accessible Walkway and Shade Trees
