How to qualify for a YPCE Youth Program Scholarship Fund

1. Create or verify you have an active City of Sacramento ActiveNet account.
2. Complete the YPSF Scholarship application on the following pages or online at http://www.cityofsacramento.gov/YPSF
3. Attach or upload required documentation to determine scholarship eligibility:
   - Submit a current Notice of Action Letter verifying the household's or applicant's enrollment in one of the following programs: WIC, CalFresh, CalWORKS, TANF, or MediCal
4. Submit your completed application and documentation online or send your completed application with documentation to YPSF@cityofsacramento.org
5. Within 21 days, a staff member will notify you of your households YPSF status and how to register for eligible YPCE programs.

Allow up to 21 days for application processing. Applications must be approved and processed, and applicants must be registered for the eligible program, prior to beginning the activity. Application approval does not guarantee registration in a program. Eligibility for scholarships must be established every year by meeting eligibility and verification requirements.
