DATA INSIGHTS

#STYN has served more than any other community run program, approximately 45K youth, from FY2022 to FY2025. Impact Annual
#STYN FY2025 has served majority female, African Americans and Latinx youth from Council Districts 2, 5, and 8.

TESTIMONIAL

We consider the July event to be a success. There was a strong sense of feeling connected with the LGBTQ+ community, feeling seen and celebrated.

TESTIMONIAL

Our Open Stage events continue to grow in energy and impact! We're seeing more participants step up with courage, especially our teens, who are becoming increasingly confident and expressive through their art.

TESTIMONIAL

Many of the youth told us that the roller-skating event was the only place they had to go.

TESTIMONIAL

News coverage for South Sacramento basketball tournaments help keep teens out of trouble
