Grantee Selection for #SacTownYouth Nights 2026

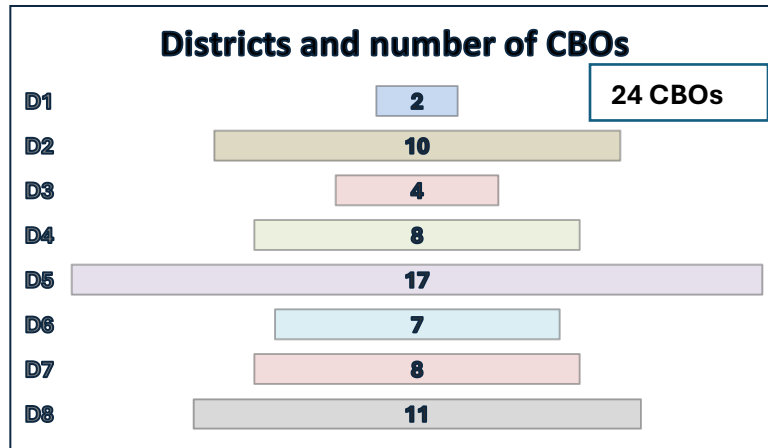

This is the 7th year that the City of Sacramento (“City”) is hosting **#SacTownYouthNights (#STYN) Grant Program** (“Grant Program”). This grant program advances the City’s goal to increase spaces that support belonging, promote community, and connect youth to trusted adult mentors. To date #STYN has served more youth than any other community run program, over 73,000 youth, from FY2022 to FY2026.

City Staff released a Request for Proposals for an allocated **\$1.3 million** for #STYN to host events within Council Districts to serve “target population” defined as youth between the ages of 12-24 within priority neighborhoods. A panel of experts identified **twenty-four (24) Community-Based Organizations (CBOs)** out of a total of 65 applications submitted.

Through a competitive process, the CBOs demonstrated their alignment to the Youth Development Plan & Framework for Children and Youth Programs (“[Youth Plan](#)”). They demonstrated their commitment to delivering youth-led, adult-supported, and in-person, a minimum of three hours’ long, and designed for 30-50 or more youth. These events will be held on weekends (**Friday and Saturday evenings**) from January 2026 – December 2026.
